A. The farm shall establish and keep records required under this Article in accordance with the requirements of Article 14.

B. The farm shall establish and keep documentation of the date and method of cleaning and sanitizing of equipment subject to this Article used in both:

1. Growing operations for sprouts; and
2. Covered harvesting, packing, or holding activities.

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

ARTICLE 12. PRODUCE SAFETY SPROUTS

R3-10-1201. Sprouts; Incorporation of Federal Regulations

A. The Department incorporates by reference 21 CFR 112, Subpart M, as published in 80 FR 74353 on November 27, 2015, and no later amendments or editions.

B. These sections apply to growing, harvesting, packing and holding of all sprouts, except soil- or substrate-grown sprouts harvested without their roots. The incorporated material is on file with the Arizona Department of Agriculture at 1688 W. Adams Street, Phoenix, AZ 85007.

C. The incorporated material, developed by the U.S. Food and Drug Administration, Department of Health and Human Services, is available from the U.S. Government Publishing Office, 732 North Capitol Street, NW, Washington, DC 20401-001. The incorporated material can be ordered online by visiting the U.S. Government Online Bookstore at ⁄https://bookstore.gpo.gov or is available free of charge at ⁄http://gpo.gov (electronic Code of Federal Regulations).

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

ARTICLE 13. PRODUCE SAFETY ANALYTICAL METHODS

R3-10-1301. Analytical Methods; Incorporation of Federal Regulations

A. The Department incorporates by reference 21 CFR 112, Subpart N, as published in 80 FR 74353 on November 27, 2015, and no later amendments or editions.

B. These sections apply to methods to test agricultural water for specific microbial quality to ensure the water is consistently safe and of adequate sanitary quality for its intended use. The incorporated material is on file with the Arizona Department of Agriculture at 1688 W. Adams Street, Phoenix, AZ 85007.

C. The incorporated material, developed by the U.S. Food and Drug Administration, Department of Health and Human Services, is available from the U.S. Government Publishing Office, 732 North Capitol Street, NW, Washington, DC 20401-001. The incorporated material can be ordered online by visiting the U.S. Government Online Bookstore at ⁄https://bookstore.gpo.gov or is available free of charge at ⁄http://gpo.gov (electronic Code of Federal Regulations).

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

ARTICLE 14. PRODUCE SAFETY RECORDS

R3-10-1401. Definition

Unless the context otherwise requires, “electronic record” means any combination of text, graphics, data, audio, pictorial, or other information representation in digital form that is created, modified, maintained, archived, retrieved, or distributed by a computer system.

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

R3-10-1402. Recordkeeping; Signature by Responsible Party

A. Except as otherwise specified, all records required under Articles 2 through 17 shall:
1. Include, as applicable, all of the following:
   a. The name and location of the farm;
   b. Actual values and observations obtained during monitoring;
   c. An adequate description, such as the commodity name, or the specific variety or brand name of a commodity, and, when available, any lot number or other identifier, of covered produce applicable to the record;
   d. The location of a growing area or other area, such as a specific packing shed, applicable to the record; and
   e. The date and time of the activity documented.
2. Be created at the time an activity is performed or observed;
3. Be accurate, legible, and indelible; and
4. Be dated and signed or initialed by the person who performed the activity documented.

B. Records required under Sections R3-10-406, R3-10-504, Article 7, R3-10-807 and R3-10-1115 shall be reviewed, dated, and signed, within a reasonable time after the records are made, by a supervisor or designated representative, unless the farm's designated representative signed or initialed as the person performing the activity.

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

R3-10-1403. Records; Off-Site Storage and Electronic Records

A. Offsite storage of records is permitted if the records can be retrieved and provided onsite within 24 hours of request for official review.

B. Electronic records are considered to be onsite at a farm if they are accessible from an onsite location at the farm.

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

R3-10-1404. Existing Records; Duplication; Supplementation

A. Existing records that are kept to comply with other federal, state, or local laws, or for any other reason, do not need to be duplicated if they contain all of the required information and satisfy the requirements of Articles 2 through 17. Existing records may be supplemented as necessary to include all of the required information and satisfy the requirements of Articles 2 through 17.

B. The information required by Articles 2 through 17 does not need to be kept in one set of records. If existing records contain some of the required information, any new information required by Articles 2 through 17 may be kept either separately or combined with the existing records.

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

R3-10-1405. Period for Maintenance of Records

A. A farm shall keep records required by this Article for at least two years past the date the record was created.

B. Farms that have a qualified exemption shall retain records that the farm relies on during the three-year period preceding the applicable calendar year to satisfy the criteria for a qualified exemption, in accordance with R3-10-403 and R3-10-405. Records supporting a qualified exemption shall be retained as long as necessary to support the farm's status during the applicable calendar year.

C. Records that relate to the general adequacy of the equipment or processes or records that relate to analyses, sampling, or action plans being used by a farm, including the results of scientific studies, tests, and evaluations, shall be retained at the farm for at least two years after the use of that equipment or processes, or records related to analyses, sampling, or action plans, is discontinued.

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

R3-10-1406. Records; Acceptable Formats

A farm shall keep records as either:
1. Original records;
2. True copies, such as photocopies, pictures, scanned copies or other accurate reproductions of the original records; or
3. Electronic records.

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

R3-10-1407. Availability and Accessibility of Records to Department

A. A farm shall have all records required under this Article readily available and accessible during the retention period for inspection and copying by an authorized employee or agent of the Department upon oral or written request, except that the farm shall have 24 hours to obtain records it keeps offsite and make them available and accessible to an authorized employee or agent of the Department for inspection and copying.

B. If the farm uses electronic techniques to keep records, or to keep true copies of records, or if the farm uses reduction techniques to keep true copies of records, it shall provide the records to an authorized employee or agent of the Department in a format in which the records are accessible and legible.

C. If the farm is closed for a prolonged period, the records may be transferred to some other reasonably accessible location but shall be returned to the farm within 24 hours for official review upon request.

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

R3-10-1408. Disclosure of Records to Outside Parties

Records obtained by an authorized employee or agent of the Department are subject to disclosure pursuant to A.R.S. § 3-525.06.

A. *Documents, data and records received by the department and employees and agents of the department from a farm under this Article are public records and are subject to disclosure as provided by law, except for:*

1. Trade secrets, the disclosure of which would give an unfair advantage to competitors or would otherwise cause substantial harm to the farm's competitive position.

2. Financial information.

3. Documents, data and records derived from inspections and investigations under this Article.

B. *Any documents, data and records may be disclosed on a confidential basis to agencies or instrumentalities of any of the following that have data sharing agreements or data sharing credentials with the department or the United States food and drug administration:*

1. The United States.

2. This state.

3. Political subdivisions of this state with which the director has a memorandum of understanding for the purposes of this subsection.

4. Indian tribal governments in this state.

5. Any other state:

a. From which produce was transported into this state.

b. Into which produce is transported from this state.

C. *Any documents, data and records may be disclosed pursuant to:*

1. The order of a court of competent jurisdiction.

2. A signed and notarized release by a farm authorizing the disclosure of specific information to a specific person or persons for a specific reason or reasons.

D. *Aggregate statistical data derived from confidential information may be disclosed if the data does not identify, or enable the identification of, and is not attributable to, any individual farm. Information may not be disclosed pursuant to this subsection if a farm demonstrates that disclosure would give an unfair advantage to competitors or would otherwise cause substantial harm to the farm's competitive position.*

E. *A person, including a former employee or agent of the department or a person previously having an administrative duty for the department, who receives confidential information while an employee or agent of the department or while performing an administrative or enforcement duty for the department may not disclose that information except as provided in this Article.*

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

ARTICLE 15. PRODUCE SAFETY VARIANCES

R3-10-1501. Request for Variance; Method of Request; Required Information

A. An entity located or conducting business in this state that is subject to regulation under Articles 2 through 17 may request a variance from one or more requirements by submitting an application to the Department demonstrating that both of the following apply:

1. The variance is necessary in light of local growing conditions; and
2. The procedures, processes, and practices to be followed under the variance are reasonably likely to ensure that the produce is not adulterated under Section 402 of the Federal Food, Drug, and Cosmetic Act and provide the same level of public health protection as the requirements of Articles 2 through 17.

B. The application shall include all of the following:

1. A statement that the variance is necessary in light of local growing conditions and that the procedures, processes, and practices to be followed under the variance are reasonably likely to ensure that the produce is not adulterated under Section 402 of the Federal Food, Drug and Cosmetic Act and provide the same level of public health protection as the requirements of Articles 2 through 17;
2. A description of the variance requested, including the farms to which the variance would apply and the provision(s) of Articles 2 through 17 to which the variance would apply; and

3. Information demonstrating that the procedures, processes, and practices to be followed under the variance both:
   a. Are reasonably likely to ensure that the produce is not adulterated under Section 402 of the Federal Food, Drug, and Cosmetic Act; and
   b. Will provide the same level of public health protection as the requirements of Articles 2 through 17.

C. The Department shall review the application and, after review, may submit the application to FDA for consideration as prescribed by 21 CFR Part 112(P). The Department shall provide a response to the applicant indicating its decision on whether to submit the application to the FDA.

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

ARTICLE 16. PRODUCE SAFETY INSPECTIONS, VIOLATIONS AND ENFORCEMENT

R3-10-1601. Definitions

These words are defined for use in this Article, unless the context otherwise requires:

1. "Egregious violation" means a practice, condition, or situation on a farm that is substantially likely to lead to serious adverse health consequences or death from the consumption of or exposure to covered produce.
2. "Grower-shipper" means a person who is engaged in this state in the business of packing, shipping, transporting or selling covered produce of which the person is a grower, producer or owner.
3. "Imminent public health hazard violation" means a practice, condition or situation on a farm or in a packing house that, if corrective action is not taken immediately, is substantially likely to lead to a potential source of contamination that may cause serious adverse health consequences or death from the consumption of or exposure to covered produce.
4. "Major violation" means a practice, condition or situation on a farm or in a packing house that, if corrective action is not taken, may increase the risk of contamination to covered produce.
5. "Minor violation" means a practice, condition or situation on a farm or in a packing house that will not increase the risk of contamination to covered produce.
6. "Regulated person" means a grower, grower-shipper, harvester, packer, cooler or holder that is a farm, as defined in R3-10-201 and is subject to any of the requirements of Articles 2 through 17.
7. "Significant violation" means a practice, condition or situation on a farm or in a packing house that, if corrective action is not taken, is reasonably likely to increase the risk of contamination to covered produce.

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

R3-10-1602. Inspection; Procedure; Conduct

A. The Department shall conduct inspections pursuant to the procedure outlined in A.R.S. § 41-1009.

B. The designated representative of the farm shall provide information at the time of the inspection regarding known entities associated with the farm that are subject to inspection.

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

R3-10-1603. Initial Inspection

A. For an initial inspection, if the inspector observes a condition indicating the regulated person is not in compliance, and the condition is not egregious or an imminent health hazard, the inspector may provide outreach and education resources as appropriate for:
   1. Training;
   2. Guidance documents;
   3. Technical assistance network; and
   4. On-farm direct technical assistance.

B. During an initial inspection, if the inspector observes a condition that likely has caused an imminent public health hazard and the covered produce is still under the control of the regulated person, the inspector may take immediate action as follows:
   1. Discuss observed conditions with the designated representative;
   2. Document findings on the inspection form;
   3. Determine a timeline for corrective actions and preventative measures;
   4. Evaluate the covered produce for embargo and disposal in conjunction with the Associate Director;
   5. Schedule a reinspection within 3 to 10 days; and
   6. Forward the findings to the Associate Director to determine if any other enforcement action is necessary. The Associate Director may also communicate findings to FDA, Arizona Department of Health Services, county departments of health or other agencies as appropriate.

C. During an initial inspection, if the inspector observes conditions indicating an egregious situation and the covered produce has left the control of the regulated person, the inspector may immediately take any of the following actions:
   1. Discuss observed conditions with the designated representative;
   2. Document findings on the inspection form;

3. Determine a timeline for corrective actions and preventative measures;
4. Initiate a recall, embargo or stop sale in conjunction with the Associate Director;
5. Schedule a reinspection within 3 to 10 days; or
6. Forward the findings to the Associate Director to determine if any other enforcement action is necessary. The Associate Director may also communicate findings to FDA, Arizona Department of Health Services, county departments of health or other agencies as appropriate.

D. In order to address any condition described in subsections (B) and (C), the regulated person or anyone controlling the covered produce may take immediate corrective action and stop the harvest or institute a voluntary withdrawal of the affected covered produce as appropriate.

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

R3-10-1604. Routine Inspection, Reinspection, or for Cause Inspection

A. For a routine inspection, reinspection or for cause inspection, if the inspector observes conditions that will not cause produce contamination, but require corrective action, the inspector may take any of the following actions:
1. Discuss observed conditions with the designated representative;
2. Document findings on the inspection form;
3. Agree on a timeline for corrective actions and preventative measures; or
4. Determine if any further training, guidance documents or technical assistance is necessary.

B. During a routine inspection, reinspection or for cause inspection, if the inspector observes conditions that may cause produce contamination, the inspector may take any of the following actions:
1. Discuss observed conditions with the designated representative;
2. Document findings on the inspection form;
3. Determine if any covered produce has left the control of the regulated person;
4. Determine a timeline for corrective actions and preventative measures;
5. Schedule a reinspection within 3 to 10 days or a time appropriate to the growing season; or
6. Forward the findings to the Associate Director to determine if any other enforcement action is necessary. The Associate Director may also communicate findings to FDA, Arizona Department of Health Services, county departments of health or other agencies as appropriate.

C. During a routine inspection, reinspection or for cause inspection, if the inspector observes conditions that indicate an imminent public health hazard and the covered produce is still under the control of the regulated person, the inspector may immediately take any of the following actions:
1. Discuss observed conditions with the designated representative;
2. Document findings on the inspection form;
3. Determine a timeline for corrective actions and preventative measures;
4. Evaluate the covered produce for embargo and disposal in conjunction with the Associate Director;
5. Schedule a reinspection within 3 to 10 days; or
6. Forward the findings to the Associate Director to determine if any other enforcement action is necessary. The Associate Director may also communicate findings to FDA, Arizona Department of Health Services, county departments of health or other agencies as appropriate.

D. During a routine inspection, reinspection or for cause inspection, if the inspector observes conditions indicating an egregious situation and the covered produce has left the control of the regulated person, the inspector may immediately take any of the following actions:
1. Discuss observed conditions with the designated representative;
2. Document findings on the inspection form;
3. Determine a timeline for corrective actions and preventative measures;
4. Initiate a recall, embargo or stop sale in conjunction with the Associate Director;
5. Schedule a reinspection within 3 to 10 days; or
6. Forward the findings to the Associate Director to determine if any other enforcement action is necessary. The Associate Director may also communicate findings to FDA, Arizona Department of Health Services, county departments of health or other agencies as appropriate.

E. In order to address any condition described in subsection (C) and (D), the regulated person or anyone controlling the covered produce may take immediate corrective action and stop the harvest or institute a voluntary withdrawal of the affected covered produce as appropriate.

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

R3-10-1605. Egregious Violation

The following is a nonexclusive list of practices, conditions or situations on a farm that is substantially likely to lead to serious adverse health consequences or death from the consumption of or exposure to covered produce. A regulated person shall not:
1. Allow the harvest, packing or distribution of covered produce that is visibly contaminated with animal or human excreta;

2. Allow the harvest, packing or distribution of covered produce that is visibly contaminated with sewage, or the contents of a septic system or toilet facilities; or
3. Allow the harvest, packing or distribution of covered produce that has had raw manure in direct contact with the edible portion of the plant.

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

R3-10-1606. Imminent Public Health Hazard Violation

The following is a nonexclusive list of practices, conditions or situations on a farm that, if corrective action is not taken immediately, are substantially likely to lead to a potential source of contamination that may cause serious adverse health consequences or death from the consumption of or exposure to covered produce. A regulated person shall not:

1. Allow the harvest, packing or distribution of covered produce that is substantially likely to be contaminated with animal or human excreta;
2. Allow the harvest, packing or distribution of covered produce that is reasonably likely to be contaminated with sewage, or the contents of a septic system or toilet facilities; or
3. Allow the harvest, packing or distribution of covered produce that has had raw manure in direct contact with the edible portion of the plant.

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

R3-10-1607. Significant Violation

The following is a nonexclusive list of practices, conditions or situations on a farm that, if corrective action is not taken, are reasonably likely to increase the risk of contamination to covered produce. A regulated person shall not:

1. Use measures that fail to prevent contamination of covered produce and food contact surfaces with undesirable microorganisms of public health significance from a person with an applicable health condition;
2. Allow the use of improper hygienic practices by personnel who handle or contact covered produce or food contact surfaces;
3. Use untreated, improperly treated or contaminated biological soil amendments of animal origin;
4. Allow the harvest of covered produce that is reasonably likely to be contaminated with known or reasonably foreseeable hazards as the result of an animal intrusion;
5. Clean equipment and tools in a manner that fails to protect covered produce from being contaminated with known or reasonably foreseeable hazards;
6. Dispose of waste from toilet facilities, in a manner that fails to protect covered produce, food contact surfaces, agricultural water sources, or agricultural water distribution systems from being contaminated with known or reasonably foreseeable hazards;
7. Improperly manage grazing animals, working animals and domestic animals on areas where covered activities occur; or
8. Improperly dispose of sewage or improperly control sewage in a manner that fails to protect covered produce, food contact surfaces, agricultural water sources, or agricultural water distribution systems from being contaminated with known or reasonably foreseeable hazards.

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

R3-10-1608. Major Violation

The following is a nonexclusive list of practices, conditions or situations on a farm that, if corrective action is not taken, may increase the risk of contamination to covered produce. A regulated person shall not:

1. Store or maintain packaging materials in a manner that fails to protect covered produce from being contaminated by known or reasonably foreseeable hazards;
2. Store or maintain equipment and tools in a manner that fails to protect covered produce from being contaminated by known or reasonably foreseeable hazards;
3. Allow personnel to perform assigned duties without adequate or appropriate training;
4. Allow personnel to perform assigned duties without proper food safety apparel or hair restraints;
5. Allow visitors to contaminate covered produce or food contact surfaces by known or reasonably foreseeable hazards;
6. Allow a person with an applicable health condition to handle or contact covered produce or food contact surfaces;
7. Allow a person who has not properly used toilet or hand washing facilities to handle or contact covered produce or food contact surfaces;
8. Dispose of trash from hand washing facilities in a manner that fails to protect covered produce, food contact surfaces, agricultural water sources, or agricultural water distribution systems from being contaminated with known or reasonably foreseeable hazards;
9. Improperly control or improperly dispose of trash, litter and waste in areas used for covered activities;
10. Improperly control or improperly dispose of trash from toilet and hand washing facilities in areas not used for covered activities, but in areas that are part of the farm;
11. Improperly maintain and service toilet facilities to ensure suitability of use;
12. Improperly maintain and service hand washing facilities to ensure suitability of use;

13. Improperly control pests in buildings in a manner that fails to protect covered produce from being contaminated by known or reasonably foreseeable hazards; or
14. Complete records prior to the documented activity being performed.

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

R3-10-1609. Minor Violation

The following is a nonexclusive list of practices, conditions or situations on a farm that will not increase the risk of contamination to covered produce. A regulated person shall:

1. Store and maintain complete records for the proper time period as required by Articles 4 through 14; and
2. Control and properly dispose of litter in areas not used for covered activities but in areas that are part of the farm.

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

R3-10-1610. Unlisted Violation; Classification

The Department shall classify a violation of Articles 4 through 14 or of A.R.S. Title 3, Chapter 3, Article 4.1, not specifically listed as egregious, imminent health hazard, significant, major or minor violation, according to the nature and urgency of the violation and the risk to public health and safety.

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

R3-10-1611. Violation; Reclassification; Factors

A significant, major or minor violation may be classified as a higher or lower violation based on the nature and urgency of the violation and the risk to public health and safety.

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

R3-10-1612. Aggravating and Mitigating Circumstances; Factors

A. Depending on any aggravating circumstances surrounding a significant, major or minor violation, such as intentional conduct or inaction that results in failure to maintain standards, the violation may be classified as a higher violation.

B. A violation may be classified as a lower violation, or in the case of a minor violation, be classified as no violation, depending on any mitigating circumstances surrounding a significant, major or minor violation. Mitigating circumstances may include: correcting a violation at the time of inspection; immediately addressing or providing a remedy for the violation; conducting immediate onsite retraining; or implementing additional measures or practices.

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

R3-10-1613. Repeat Violations; Penalty

A. During a routine inspection, reinspection or for cause inspection, if the inspector observes conditions indicating the regulated person has been previously notified of the same or similar violation, the inspector may take any of the following actions:
1. Discuss observed conditions with the regulated person;
2. Document findings on the inspection form;
3. Determine a timeline for corrective actions and preventative measures; or
4. Forward the findings to the Associate Director to determine if any other enforcement action is necessary.

B. The Department may assess a penalty for a repeat significant or major violation within three years from the date the first same or similar violation occurred. The amount of the penalty shall be progressively graduated and shall be based on the nature and urgency of the violation and the risk to public health and safety as follows:
1. For a first repeat significant violation, up to $100;
2. For a second repeat significant violation, up to $200;
3. For a subsequent repeat significant violation, up to $400;
4. For a second repeat major violation, up to $50; and
5. For a subsequent repeat major violation, up to $100.

C. The Department may assess a penalty for a third or subsequent repeat minor violation of the same or similar type within three years from the date the first same or similar violation occurred as follows:
1. For a third repeat minor violation, up to $25; and
2. For a subsequent repeat minor violation, up to $50.

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

R3-10-1614. Civil Penalties

A. The Director may assess a civil penalty of up to:
1. $1,000 for each egregious violation; and
2. $750 for each imminent public health hazard violation.

B. The amount of the civil penalty shall be progressively graduated according to the nature and urgency of the violation and the risk to public health and safety.

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

R3-10-1615. Violation; Appeal

A person who violates Articles 2 through 17 of this Article or rules adopted pursuant to Articles 2 through 17 of this Article may request a hearing before an administrative law judge pursuant to A.R.S. Title 41, Chapter 6, Article 10. The decision of the administrative law judge is subject to review by the Director as provided by A.R.S. Title 41, Chapter 6, Article 10.

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

ARTICLE 17. PRODUCE SAFETY WITHDRAWAL OF QUALIFIED EXEMPTION

R3-10-1701. Withdrawal of Qualified Exemption; Incorporation of Federal Regulations

A. The Department incorporates by reference 21 CFR 112(R), as published in 80 FR 74353 on November 27, 2015, and no later amendments or editions.

B. These sections apply to the process for the FDA to withdraw a qualified exemption. A qualified exemption may be granted to a farm based on average annual monetary value of all food sold and direct farm marketing. A qualified exemption may be withdrawn based on specific circumstances outlined in 21 CFR 112, Subpart R. The incorporated material is on file with the Arizona Department of Agriculture at 1688 W. Adams Street, Phoenix, AZ 85007.

C. The incorporated material, developed by the U.S. Food and Drug Administration, Department of Health and Human Services, is available from the U.S. Government Publishing Office, 732 North Capitol Street, NW, Washington, DC 20401-001. The incorporated material can be ordered online by visiting the U.S. Government Online Bookstore at ﷺhttps://bookstore.gpo.gov or is available free of charge at ﷺhttp://gpo.gov (electronic Code of Federal Regulations).

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

R3-10-1702. Withdrawal of Qualified Exemption; FDA

A. The FDA may withdraw a farm's qualified exemption pursuant to 21 CFR 112(R). For example, an exemption may be withdrawn by FDA:
1. In the event of an active investigation of a foodborne illness outbreak that is directly linked to the farm.
2. If FDA determines that it is necessary to protect the public health and prevent or mitigate a foodborne illness outbreak based on conduct or conditions associated with the qualified farm that are material to the safety of the food that would otherwise be covered produce grown, harvested, packed or held at the farm.

B. Requirements regarding notice, appeals, hearings, timeframes, decisions, revocation and reinstatement for an exemption withdrawn by FDA are governed by 21 CFR 112(R).

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

R3-10-1703. Withdrawal of Qualified Exemption; Department

The Department may withdraw a farm's qualified exemption for noncompliance as follows:
1. Failure to satisfy the requirements, terms and conditions prescribed by R3-10-403;
2. Failure to satisfy the requirements regarding food packaging labels as required by R3-10-404;
3. Failure to maintain adequate records necessary to demonstrate that the farm satisfies the criteria for a qualified exemption as prescribed by R3-10-405;
4. Failure to apply for the exemption on a form issued by the Associate Director;
5. Failure to receive approval for the exemption; or
6. Failure to maintain and demonstrate compliance with the requirements pursuant to A.R.S. § 3-525.03 and administrative rules adopted pursuant to A.R.S. § 3-525.08.

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

R3-10-1704. Change in Eligibility

If a farm's eligibility for a qualified exemption changes, or if its qualified exemption is withdrawn by either the Department, pursuant to A.R.S. § 3-525.03 or by the FDA as outlined in 21 CFR 112(R), the farm will be considered "covered" and will be subject to all requirements of 21 CFR 112 and Articles 2 through 17.

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

R3-10-1705. Withdrawal of Qualified Exemption; Department; Orders

The Director shall issue an order to withdraw the exemption to the owner, operator, or agent in charge of the farm. The order shall:

1. Be in writing, signed and dated by the Director;
2. Include specific information related to the reason for the withdrawal;
3. Outline requirements regarding compliance with the order; and
4. Outline opportunities for appeal.

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

R3-10-1706. Administrative Hearing Procedures; Appeals

The owner, operator, or agent in charge of a farm that receives an order to withdraw a qualified exemption applicable to that farm shall either comply with the requirements of the order or appeal the order pursuant to Arizona administrative hearing procedures outlined in A.R.S. Title 41, Chapter 6, Article 10.

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

R3-10-1707. Qualified Exemption; Reinstatement

If the Director determines that a farm has adequately resolved any problems or conditions that resulted in withdrawal of the exemption, and that continued withdrawal of the exemption is not necessary to protect the public health or prevent or mitigate a food borne illness or outbreak, the Director may, on the Director's own initiative or at the request of the farm, reinstate the qualified exemption.

Historical Note

New Section made by exempt rulemaking at 26 A.A.R. 681, effective August 19, 2019; filed in the Office March 27, 2020 (Supp. 20-1).

3-107. Organizational and administrative powers and duties of the director

A. The director shall:

1. Formulate the program and policies of the department and adopt administrative rules to effect its program and policies.

2. Ensure coordination and cooperation in the department in order to achieve a unified policy of administering and executing its responsibilities.

3. Subject to section 35-149, accept, expend and account for gifts, grants, devises and other contributions of money or property from any public or private source, including the federal government. All contributions shall be included in the annual report under paragraph 6 of this subsection. Monies received under this paragraph shall be deposited, pursuant to sections 35-146 and 35-147, in special funds for the purpose specified, which are exempt from the provisions of section 35-190 relating to lapsing of appropriations.

4. Contract and enter into interagency and intergovernmental agreements pursuant to title 11, chapter 7, article 3 with any private party or public agency.

5. Administer oaths to witnesses and issue and direct the service of subpoenas requiring witnesses to attend and testify at or requiring the production of evidence in hearings, investigations and other proceedings.

6. Not later than September 30 each year, issue a report to the governor and the legislature of the department's activities during the preceding fiscal year. The report may recommend statutory changes to improve the department's ability to achieve the purposes and policies established by law. The director shall provide a copy of the report to the Arizona state library, archives and public records.

7. Establish, equip and maintain a central office in Phoenix and field offices as the director deems necessary.

8. Sign all vouchers to expend money under this title, which shall be paid as other claims against this state out of the appropriations to the department.

9. Coordinate agricultural education efforts to foster an understanding of Arizona agriculture and to promote a more efficient cooperation and understanding among agricultural educators, producers, dealers, buyers, mass media and the consuming public to stimulate the production, consumption and marketing of Arizona agricultural products.

10. Employ staff subject to title 41, chapter 4, article 4 and terminate employment for cause as provided by title 41, chapter 4, article 5.

11. Conduct hearings on appeals by producers regarding the assessed actual costs of the plow up and the penalty of one hundred fifty per cent for unpaid costs pursuant to section 3-204.01. The director may adopt rules to implement this paragraph.

12. Cooperate with the Arizona-Mexico commission in the governor's office and with researchers at universities in this state to collect data and conduct projects in the United States and Mexico on issues that are within the scope of the department's duties and that relate to quality of life, trade and economic development in this state in a manner that will help the Arizona-Mexico commission to assess and enhance the economic competitiveness of this state and of the Arizona-Mexico region.

B. The director may:

1. Authorize in writing any qualified officer or employee in the department to perform any act that the director is authorized or required to do by law.

2. Construct and operate border inspection stations or other necessary facilities in this state and cooperate by joint agreement with an adjoining state in constructing and operating border inspection stations or other facilities within the boundaries of this state or of the adjoining state.

3. Cooperate with agencies of the United States and other states and other agencies of this state and enter into agreements in developing and administering state and federal agricultural programs regarding the use of department officers, inspectors or other resources in this state, in other states or in other countries.

4. Cooperate with the office of tourism in distributing Arizona tourist information.

5. Enter into compliance agreements with any person, state or regulatory agency. For the purposes of this paragraph, "compliance agreement" means any written agreement or permit between a person and the department for the purpose of enforcing the department's requirements.

6. Abate, suppress, control, regulate, seize, quarantine or destroy any agricultural product or foodstuff that is adulterated or contaminated as the result of an accident at a commercial nuclear generating station as defined in section 26-301, paragraph 1. A person owning an agricultural product or foodstuff that has been subject to this paragraph may request a hearing pursuant to title 41, chapter 6, article 10.

7. Engage in joint venture activities with businesses and commodity groups that are specifically designed to further the mission of the department, that comply with the constitution and laws of the United States and that do not compete with private enterprise.

8. Sell, exchange or otherwise dispose of personal property labeled with the "Arizona grown" trademark. Revenues received pursuant to this paragraph shall be credited to the commodity promotion fund established by section 3-109.02.

3-525. Definitions

In this article, unless the context otherwise requires:

1. "Associate director" means the associate director of the citrus, fruit and vegetable division of the department.

2. "Farm" has the same meaning prescribed in 21 Code of Federal Regulations section 112.3 and includes production farms and harvesting, holding and packing operations.

3. "Harvesting":

(a) Has the same meaning prescribed in 21 Code of Federal Regulations section 112.3 and is limited to activities performed on produce without additional manufacturing or processing on a farm.

(b) Includes:

(i) Activities that are traditionally performed on farms for the purposes of removing produce from the place it was grown or raised and preparing it for use as food.

(ii) Separating the edible portion of the produce from the crop plant and removing or trimming part of the produce.

(iii) Cooling, field coring, gathering, hulling, shelling, removing stems from, trimming outer leaves from and washing produce grown on a farm.

(c) Does not include activities that transform produce into a processed food.

4. "Holding":

(a) Has the same meaning prescribed in 21 Code of Federal Regulations section 112.3.

(b) Includes:

(i) Storage of produce in facilities such as warehouses and cold storage facilities.

(ii) Activities performed incidental to the storage of produce, such as fumigating citrus during storage.

(iii) Activities performed as a practical necessity for the distribution of produce, such as blending produce and breaking down pallets.

(c) Does not include activities that transform produce into a processed food.

5. "Packing":

(a) Has the same meaning prescribed in 21 Code of Federal Regulations section 112.3.

(b) Includes:

(i) Placing produce into a container.

(ii) Repacking.

(iii) Activities performed incidental to packing or repacking produce, such as sorting, culling, grading and weighing or conveying and other incidental activities performed for the safe or effective packing or repacking of produce.

(c) Does not include:

(i) Activities that transform produce into a processed food.

(ii) Packaging produce for retail sale.

6. "Produce":

(a) Means any harvested part of a fruit or vegetable that is consumed raw, including mushrooms, sprouts, tree nuts and herbs, and that is subject to the requirements of the produce safety rule as provided by 21 Code of Federal Regulations sections 112.1 and 112.2.

(b) Does not include food grains or seeds of arable crops.

7. "Produce safety rule" means the United States food and drug administration produce safety rule (21 Code of Federal Regulations part 112) and any other federal produce safety regulation, order or guideline or other requirement adopted pursuant to the FDA food safety modernization act (P.L. 111-353; 21 United States Code sections 2201 through 2252).

3-525.01. Produce safety rule; state administration; powers and duties; advisory council

A. The department is designated as the agency for this state for all purposes of the produce safety rule.

B. The director may:

1. Negotiate, consult and collaborate with the United States food and drug administration and do all things consistent with this article that are necessary to obtain and maintain federal approval and delegation of authority to regulate produce that is subject to the produce safety rule with respect to produce that is grown, harvested, packed or held in this state.

2. Consult, cooperate, collaborate and, if necessary, enter into formal intergovernmental and interagency agreements and memoranda of understanding with federal agencies, with agencies, instrumentalities and political subdivisions of this state and with nongovernmental organizations concerning the application of the produce safety rule as necessary to administer this article.

3. Apply for, accept and spend federal and other nonstate financial aid and allowances that may be available for the purpose of administering this article.

4. Accept advisory, technical and training assistance in planning and otherwise developing the produce safety activities under this article, including curricular and instructional materials, equipment and other materials and assistance that are useful for administering this article.

5. Facilitate cooperation among federal, state, local and private entities to help coordinate and enhance the protection of agriculture and food systems.

6. Use any available federal process to petition for a variance, waiver or exemption from federal requirements that may be desirable, advantageous or necessary to accommodate state or local conditions or considerations.

7. To minimize the economic and operational burdens created from multiple food safety program audits or inspections, use any available federal process to obtain approval from the United States food and drug administration that the standards of a food safety program under the department's authority align with the produce safety rule such that the program satisfies the produce safety rule's requirements.

C. The associate director shall:

1. Establish training activities and outreach and technical assistance programs to encourage the acceptance, cooperation, participation and compliance by owners, lessees, operators and designated representatives of farms, harvesters, holders, packers, commodity groups and other members of the regulated community.

2. Establish a continuing program for training employees and agents of the department to ensure a high level of knowledge of the law and skill in identifying, assessing and addressing risks to public health with the least disruption of a safe food supply.

3. Plan, develop, coordinate and administer the state program for administering the requirements of this article, including technical, laboratory and training activities.

D. As authorized by the director, the associate director may:

1. Use the cooperative extension service under chapter 1, article 3 of this title to the extent possible to accomplish the purposes of this article.

2. Issue certificates as evidence of completion of formal training programs by owners, lessees, operators and designated representatives of farms.

E. The citrus, fruit and vegetable advisory council shall assist and advise the director and associate director on matters under this article pursuant to article 4.3 of this chapter.

3-525.05. Production and harvesting standards; violations; corrective actions; civil penalty; appeals

A. Consistent with the produce safety rule, the director shall administer science-based minimum standards for the safe production and harvesting of produce to minimize the risk of serious adverse health consequences or death.

B. If the director finds that produce is being grown, harvested, packed or held in violation of this article and rules adopted pursuant to this article, the director may consult and coordinate with applicable federal, state, tribal and local officials to produce a corrective action plan that includes reinspection, education, training and alternate enforcement approaches with the goal of addressing the present violation and preventing future violations.

C. The director shall adopt rules to address, correct and remediate violations of this article and rules adopted pursuant to this article that are progressively graduated according to the nature and urgency of the violation and the risk to public health and safety.

D. To remedy violations that are associated with risks or hazards to public health and to prevent the entry of contaminated produce into the marketplace, the director may take any action to enforce this article and rules adopted pursuant to this article, including:

1. A stop sale order.

2. The seizure and embargo of offending produce.

E. The director may assess a civil penalty of not more than one thousand dollars for each violation of this article or a rule adopted pursuant to this article. The department shall transmit any monies received under this section to the state treasurer for deposit in the produce safety trust fund established by section 3-525.02.

F. A person who violates this article or rules adopted pursuant to this article may request a hearing before an administrative law judge pursuant to title 41, chapter 6, article 10. The decision of the administrative law judge is subject to review by the director as provided by title 41, chapter 6, article 10.

3-525.08. Rules

A. Pursuant to section 3-527.02, the associate director may recommend to the director for adoption rules that are not in conflict with this article as the associate director considers to be necessary to carry out the purposes of this article.

B. At least thirty days before any hearing at which a new rule or a change in an existing rule will be considered, the director shall send a copy of the notice to persons or entities that have requested notice for the purposes of this subsection.

C. Rules adopted pursuant to this section are exempt from the provisions of title 41, chapter 6 relating to administrative procedure.

E-4.

ARIZONA DEPARTMENT OF CHILD SAFETY
Title 21, Chapter 6, Articles 1-4

GOVERNOR'S REGULATORY REVIEW COUNCIL

ATTORNEY MEMORANDUM - FIVE-YEAR REVIEW REPORT

MEETING DATE: February 4, 2205

TO: Members of the Governor's Regulatory Review Council (Council)

FROM: Council Staff

DATE: January 13, 2025

SUBJECT: **ARIZONA DEPARTMENT OF CHILD SAFETY**
Title 21, Chapter 6, Articles 1-4

Summary

This Five-Year Review Report (5YRR) from the Department of Child Safety (Department) relates to seventy-four (74) rules in Title 21, Chapter 6, Articles 1-4 regarding Foster Home Licensing. Specifically, the Articles cover the following:

- Article 1 - Definitions
- Article 2 - Licensing Agency Requirements for Foster Home Licensing Agencies
- Article 3 - Licensing Requirements for Foster Parents
- Article 4 - The Licensing Process for Foster Parents

In the prior 5YRR for these rules, which was approved by the Council in November 2019, the Department did not propose a course of action for these rules.

Proposed Action

In the current report the Department proposes to amend R21-6-308 to correct the title of this section to "Discipline and Behavior Management". The Department also proposes to amend R21-6-410(B)(7) to clarify that the foster parent shall work with the licensing agency to request an amendment to modify a license when there is an addition of a household member; including

the birth of a child or adoption of a child. The Department proposes to submit a Notice of Final Rulemaking to the Council by August 2025.

1. Has the agency analyzed whether the rules are authorized by statute?

The Department cites both general and specific statutory authority for these rules.

2. Summary of the agency's economic impact comparison and identification of stakeholders:

The Department Office of Licensing and Regulation (OLR) oversees the licensing and regulation of foster homes and the foster home licensing agencies. Foster home licensing agencies are private organizations generally contracted with the Department to oversee the licensing of foster care providers. The cost bearers and beneficiaries benefit from these rules as the rules provide foster home licensing agencies, applicants, foster parents, and in-home providers with information about what is expected of them and the licensing process. Foster home licensing agencies are not charged a fee for contracting with the Department. Foster home applicants are not charged a fee for applying, renewing or amending their license. The Department has contracted 28 Foster Home Licensing Agencies. On June 30, 2024, there were 1,819 licensed foster homes.

According to the Department, stakeholders include:

- Businesses that contract with the Department;
- Businesses contracting with other entities to provide aid in the placement of children that cannot remain in their natural home;
- General public who may wish to apply for a foster home license;
- Children in out-of-home care;
- Parents of children in out-of-home care; and
- The Department.

3. Has the agency analyzed the costs and benefits of the rulemaking and determined that the rules impose the least burden and costs to those who are regulated?

The Department believes that current rules pose the minimum cost and burden on business, the regulated public, and on the general public. Any costs related to the implementation of these rules are associated with monitoring licensees and ensuring that they are abiding by these rules as described in the economic, small business, and consumer impact statement. Additionally, foster home license applicants are not charged a fee to operate a licensed foster home. In fact, the Department states, those who are granted a license are reimbursed for the services they provide via federal and state funds. It is the Department's belief that any cost associated with the rule is offset by the greater benefit of ensuring the safety and protection of Arizona children.

4. Has the agency received any written criticisms of the rules over the last five years?

The Department indicates it received no written criticisms of the rules in the last five years.

5. Has the agency analyzed the rules' clarity, conciseness, and understandability?

The Department indicates the rules are generally clear, concise, and understandable except for the following:

- **R21-6-308**
  - The heading of this Section is "Positive Discipline"; however, rules in this Section are addressing discipline and behavior management.
- **R21-6-410(B)(7)**
  - This subsection incorrectly says the foster parent shall work with the licensing agency to modify a license when an adopted child is born. ("Addition of a household member; including the birth of an adopted child;") This should be corrected to say " ... the birth of a child or adoption of a child."

6. Has the agency analyzed the rules' consistency with other rules and statutes?

The Department indicates the rules are consistent with other rules and statutes.

7. Has the agency analyzed the rules' effectiveness in achieving its objectives?

The Department indicates the rules are effective in achieving their objectives.

8. Has the agency analyzed the current enforcement status of the rules?

The Department indicates the rules are currently enforced as written.

9. Are the rules more stringent than corresponding federal law and, if so, is there statutory authority to exceed the requirements of federal law?

The Department indicates the following federal laws are applicable to these rules: 42 U.S.C. 622, 45 U.S.C. 623, 45 U.S.C. 671, 45 U.S.C. 672, 45 U.S.C. 675, U.S.C. 5113, and 45 CFR 1356.30. The Department indicates the rules are not more stringent than federal law.

10. For rules adopted after July 29, 2010, do the rules require a permit or license and, if so, does the agency comply with A.R.S. § 41-1037?

Pursuant to A.R.S. § 41-1037(A), if an agency proposes an amendment to an existing rule that requires the issuance of a regulatory permit, license, or agency authorization, the agency shall use a general permit, as defined by A.R.S. § 41-1001(12), if the facilities, activities or practices in the class are substantially similar in nature unless certain exceptions apply.

A.R.S. § 41-1001(12) defines "general permit" to mean "a regulatory permit, license or agency authorization that is for facilities, activities or practices in a class that are substantially similar in nature and that is issued or granted by an agency to a qualified applicant to conduct identified operations or activities if the applicant meets the applicable requirements of the general permit, that requires less information than an individual or traditional permit, license or authorization and that does not require a public hearing."

The Department indicates the rules do not use a general permit as foster home licenses are exempt from A.R.S. § 41-1037 and do not require a general permit. Specifically, A.R.S. § 41-1037(A)(5) allows for an exemption when the license is issued pursuant to A.R.S. § 8-503. A.R.S. § 8-503(A)(4)(b) allows the Department to establish rules, regulations and standards for licensing of foster homes. As such, Council staff believes the Department is in compliance with A.R.S. § 41-1037.

11. Conclusion

This 5YRR from the Department relates to seventy-four (74) rules in Title 21, Chapter 6, Articles 1-4 regarding Foster Home Licensing. Specifically, the Articles cover the following: Article 1 - Definitions; Article 2 - Licensing Agency Requirements for Foster Home Licensing Agencies; Article 3 - Licensing Requirements for Foster Parents; Article 4 - The Licensing Process for Foster Parents.

The Department proposes to amend R21-6-308 to correct the title of this section to "Discipline and Behavior Management". The Department also proposes to amend R21-6-410(B)(7) to clarify that the foster parent shall work with the licensing agency to request an amendment to modify a license when there is an addition of a household member; including the birth of a child or adoption of a child. The Department proposes to submit a Notice of Final Rulemaking to the Council by August 2025.

Council staff recommends approval of this report.

ARIZONA DEPARTMENT of CHILD SAFETY

David Lujan, Cabinet Executive Officer/Executive Deputy Director

Arizona Department of Child Safety

5 YEAR REVIEW REPORT

21 A.A.C. 06

Title 21. Child Safety

Chapter 6. Department of Child Safety

Foster Home Licensing

Articles 1-4

August 2024 (Resubmitted January 21, 2025)

1. Authorization of the rule by existing statutes

General Statutory Authority: A.R.S. § 8-453(A)(5)

Specific Statutory Authority: A.R.S. § § 8-502, 8-503, 8-506, 8-507, 8-509, 8-511, 8-514, 8-453(A)(11), 8-453(B)(2), 8-529 and 8-530.

2. The objective of each rule:

Article 1. Definitions

Rule	Objective
R21-6-101. Definitions	The objective of this rule is to provide a uniform set of definitions used throughout this Chapter.

Article 2. Licensing Agency Requirements for Foster Home Licensing Agencies

Rule	Objective
R21-6-201. Minimum Qualifications for an Applicant	The objective of this rule is to advise the licensing agency of their responsibility to ensure that an applicant's rights are met.
R21-6-202. Professional Judgement	The objective of this rule is to define how the licensing agency will use "professional judgement".
R21-6-203. Conflicts of Interest	The objective of this rule is to address how licensing agencies will handle conflict of interest as it pertains to the families they work with.
R21-6-204. Rights of the Applicant and Foster Parent	The objective of this rule is to establish the licensing agency's responsibility to inform and ensure the rights of foster parents or applicants.

R21-6-205. Licensing Agency Responsibility; Application for an Initial Foster Home License	The objective of this rule is to inform the licensing agency of their responsibilities when processing an initial foster home license application.
R21-6-206. Licensing Agency Foster Home Study and Assessment	The objective of this rule is to outline the licensing agency's responsibility to conduct an assessment and complete a home study of those applying for a foster home license.
R21-6-207. Request for Additional Information During Licensing Review	The objective of this rule is to state the licensing agency's responsibility to gather and provide OLR more information as needed.
R21-6-208. Statement of Understanding	The objective of this rule is to indicate at when the licensing agency must review the Statement of Understanding with the foster parent.
R21-6-209. Verification of Equipment at Time of Placement	The objective of this rule is to state that it is the licensing agency's responsibility to ensure the foster home has the appropriate equipment.
R21-6-210. Approval of Additional Placements from Another Child Placing Agency	The objective of this rule is to establish when the licensing agency must obtain prior approval from DCS regarding the placement of children.
R21-6-211. Life Safety Inspection	The objective of this rule is to inform the licensing agency of their responsibilities as they pertain to the inspection of the foster home.
R21-6-212. Training Reporting Update	The objective of this rule is to state the agency's responsibility to update training information in DCS's electronic database.

R21-6-213. Application for a Renewal License	The objective of this rule is to outline the licensing agency's responsibilities when processing a foster home renewal application.
R21-6-214. Application or License Reinstatement	The objective of this rule is to define "reinstatement" and provisions for reinstating a foster home license.
R21-6-215. The Licensing Record	The objective of this rule is to establish the licensing agency's responsibilities and requirements of record maintenance.
R21-6-216. Amending the License	The objective of this rule is to require the licensing agency to inquire of any changes within the foster home and follow the process for amending a license.
R21-6-217. Evaluating Changes in Household Composition	The objective of this rule is to outline the licensing agency's responsibility to assess the foster home when there is a change in household composition.
R21-6-218. Routine Monitoring and Verification of Ongoing Compliance	The objective of this rule is to establish the licensing agency's monitoring responsibilities.
R21-6-219. Corrective Action Plan	The objective of this rule is to establish the licensing agency's responsibilities with monitoring corrective action plans.
R21-6-220. Notification Requirements; Unusual Incident	The objective of this rule is to establish the licensing agency's responsibility to comply with reporting incidents to the child placing agency and OLR.
R21-6-221. Allegations of Child Abuse or Neglect; Licensing Complaints	The objective of this rule is to identify the licensing agency's responsibilities in reference to complaints and investigations of a foster home.

R21-6-222. Waiver of Non-Safety Licensing Requirements for Kinship Care	The objective of this rule is to detail what criteria OLR will consider waiving when a kinship caregiver is applying for a foster home license.

Article 3. Licensing Requirements for Foster Parents

Rule	Objective
R21-6-301. General Requirements for Foster Parents	The objective of this rule is to provide the general criteria required of persons applying for a foster home license and general criteria required to maintain a foster home license.
R21-6-302. Requirements for Household Members	The objective of this rule is to identify the criteria required of other household members residing within the foster home.
R21-6-303. Training Requirements	The objective of this rule is to outline training requirements for an initial foster home license.
R21-6-304. Life Safety Inspection	The objective of this rule is to indicate the foster parent's and applicant's responsibility to comply with inspections, per Title 21, Chapter 8, of the foster parent's or applicant's home.
R21-6-305. Nurturing Responsibilities	The objective of this rule is to describe the nurturing responsibilities the foster parent is expected to provide.
R21-6-306. Supervisory Responsibilities	The objective of this rule is to address the care and supervision the foster parent is expected to provide.
R21-6-307. Reasonable and Prudent Parenting Standard	The objective of this rule is to describe the foster parent's responsibility to promote normalcy for children placed in their care.
R21-6-308. Positive Discipline	The objective of this rule is to explain to foster parents the Department's expectations of effective discipline for foster children.

R21-6-309. Capacity Requirements	The objective of this rule is to specify the number of children that can be cared for at the same time within the foster home.
R21-6-310. Sleeping Arrangements	The objective of this rule is to detail the acceptable sleeping arrangements for foster children.
R21-6-311. Bedrooms, Beds and Bedding	The objective of this rule is to inform foster parents of the bedroom and sleeping materials a foster parent must make available to a foster child.
R21-6-312. Meals and Nutritional Needs	The objective of this rule is to inform foster parents of their responsibility to meet a foster child's meal and nutritional needs.
R21-6-313. Hygiene and Daily Needs	The objective of this rule is to establish the foster parent's responsibility to meet a foster child's hygiene and daily needs.
R21-6-314. Health and Medical Care	The objective of this rule is to establish the foster parent's responsibility to ensure the foster child's health needs are met.
R21-6-315. Smoking Restrictions	The objective of this rule is to state the foster parent's responsibility not to expose a foster child to second hand smoke at the foster home or in a vehicle used by the foster parent to transport a foster child.
R21-6-316. Transportation Responsibilities	The objective of this rule is to explain the foster parent's responsibilities related to transporting foster children.
R21-6-317. Education and Development	The objective of this rule is to inform the foster parent of their responsibilities as they pertain to the foster child's education.
R21-6-318. Religion and Cultural Practices	The objective of this rule is to establish that a foster parent is to respect a foster child's religious and cultural practices.
R21-6-319. Recreation	The objective of this rule is to inform a foster parent of their responsibility to address a foster child's recreational needs.
R21-6-320. Out-of-State Travel	The objective of this rule is to inform a foster parent of their notification responsibilities when taking a foster child out-of-state.
R21-6-321. Rights of a Foster Child	The objective of this rule is to outline the foster child's rights.

R21-6-322. Confidential Information	The objective of this rule is to explain to the foster parent what information about the foster child is to be kept confidential. It also explains the foster parent's responsibility to protect and maintain the confidentiality of the foster child's records.
R21-6-323. Information and Records to be Provided to the Foster Parent	The objective of this rule is to detail the information a child placing agency must provide a foster parent upon placement of a dependent child and establish how the foster parent shall not use the information.
R21-6-324. Records Maintained by the Foster Parent	The objective of this rule is to inform foster parents of their responsibilities in maintaining records for foster children.
R21-6-325. Participation in the Service Team	The objective of this rule is to establish that a foster parent is to participate and implement plans developed by the service team.
R21-6-326. Notification Requirements; Unusual Incident	The objective of this rule is to inform foster parents of the procedures and timeframes for reporting incidents to the child placing agency and the licensing agency.
R21-6-327. Notification Requirements; Home or Household Change	The objective of this rule is to explain to the foster parent circumstances or changes that they must report to the licensing agency, when it requires prior authorization, and consequences for failure to report.
R21-6-328. Emergency and Disaster Plan	The objective of this rule is to detail the foster parent's obligation to develop, maintain, and inform a foster child of the emergency and disaster plan.
R21-6-329. Special Provisions for Respite Care	The objective of this rule is to detail requirements for those only providing respite care.
R21-6-330. Special Provisions for an In-Home Respite Foster Parent	The objective of this rule is to detail requirements for those only providing in-home respite care.

R21-6-331. Requirements for Certification to Provide for Specialized Services	The objective of this rule is to inform foster parents of the requirements needed for certification to provide specialized services.
R21-6-332. Placement of a Child with a Developmental Disability in a Foster Home	The objective of this rule is to provide the foster parent information needed when a child with a developmental disability is placed in a foster home.

Article 4. The Licensing Process for Foster Parents

Rule	Objective
R21-6-401. Minimum Qualifications to Apply for a License	The objective of this rule is to establish the minimum requirements for a person to apply for a foster home license.
R21-6-402. Rights of the Applicant and Foster Parent	The objective of this rule is to outline the rights of an applicant or foster parent.
R21-6-403. Application for an Initial License	The objective of this rule is to establish the contents required with an initial application for a foster home license.
R21-6-404. Types of Licenses	The objective of this rule is to provide information on the types of licenses OLR processes and specify the information presented on the foster home license.
R21-6-405. Home Study and Assessment	The objective of this rule is to establish the applicant's or foster parent's requirement to cooperate with assessments.
R21-6-406. The Licensing Decision	The objective of this rule is to describe OLR's process in making a licensing decision.

R21-6-407. Licensing Timeframes	The objective of this rule is to inform of the timeframes for OLR to review and render a licensing decision.
R21-6-408. Licensing Limitations	The objective of this rule is to define and provide clarification regarding the parameters and validity of the foster home license. It also clarifies the criteria OLR will utilize to license a married individual as a single applicant.
R21-6-409. Training Reporting Update	The objective of this rule is to inform the foster parent of their responsibility to complete required training and the consequences if they fail to complete the required training.
R21-6-410. Amending the License	The objective of this rule is to provide the process and information required for amending a foster home license.
R21-6-411. Addition of Household Members	The objective of this rule is to inform the foster parent of their responsibility to report any changes in household composition.
R21-6-412. Application for a Renewal License	The objective of this rule is to inform the foster parent of the licensing renewal process.
R21-6-413. Application for License Reinstatement	The objective of this rule is to provide information on the reinstatement process when a person wishes to reinstate their foster home license.
R21-6-414. Licensing Actions	The objective of this rule is to outline the actions OLR may take regarding a foster home license application or a foster home license.
R21-6-415. Routine Monitoring and Verification of Ongoing Compliance	The objective of this rule is to establish the foster parent's responsibility to cooperate with OLR's monitoring and maintain compliance with licensing requirements.
R21-6-416. Corrective Action Plan	The objective of this rule is to describe the corrective action plan process.
R21-6-417. The Appeal Process	The objective of this rule is to notify the applicant or foster parent of their appeal rights and process of appealing an adverse licensing action taken by OLR.

R21-6-418. Allegations of Abuse or Neglect; Licensing Complaints	The objective of this rule is to inform foster parents of their responsibility to report allegations of abuse or neglect, their responsibility to cooperate with OLR, and OLR possible actions.
R21-6-419. Waiver of Non-Safety Licensing Requirements for Kinship Care	The objective of this rule is to provide information on the waiver process and information concerning kinship families that do not meet all the licensing standards. It also clarifies that health and safety related requirements will not be waived.

3. **Are the rules effective in achieving their objectives?** **Yes ✓ No ___**

4. **Are the rules consistent with other rules and statutes?** **Yes ✓ No ___**

5. **Are the rules enforced as written?** **Yes ✓ No ___**

6. **Are the rules clear, concise, and understandable?** **Yes ___ No ✓**

Rule	Explanation
R21-6-308	The heading of this Section is "Positive Discipline"; however, rules in this Section are addressing discipline and behavior management.
R21-6-410 B. 7.	#7 incorrectly says the foster parent shall work with the licensing agency to modify a license when an adopted child is born. ("Addition of a household member; including the birth of an adopted child;") This should be corrected to say " … the birth of a child or adoption of a child."

7. **Has the agency received written criticisms of the rules within the last five years?** **Yes ___ No ✓**

8. **Economic, small business, and consumer impact comparison:**

The DCS Office of Licensing and Regulation (OLR) oversees the licensing and regulation of foster homes and the foster home licensing agencies. Foster home licensing agencies are private organizations generally contracted with the Department to oversee the licensing of foster care providers. The Foster Home Licensing Unit within OLR is responsible for the following functions:

- Providing support and technical assistance to foster home licensing agencies, foster parents, and foster home license applicants as needed or requested.
- Completing reviews of application packets received within timeframes set in Chapter 6 and Arizona statute. Types of application packets include initial, renewal, and amendment applications for family foster home licensing or in-home respite licensing.
- Ensuring application packets comply with the rules in Chapter 6 and Arizona statute. Requesting additional information as necessary.
- Completing a Substantive Review of the application and application packet within timeframes set in Chapter 6 and Arizona statute. A substantive review consists of a review of the information provided and determination whether to issue an initial, renewal, or amended foster home license (as applicable) for applications for family foster home licensing or in-home respite licensing.
- Processing concerns related to foster parents or in-home respite foster parents. Process includes review and assessment of the concern or complaint received, determine if a licensing violation occurred, OLR's response to the concern received, and monitor any actions required of the foster parent, in-home respite foster parent, or the licensing agency to address any licensing violations.
- Providing oversight. This includes conducting quarterly visits to the licensing agencies to provide support and monitoring.
- Conducting background checks in the DCS database and processing background checks related to the Adam Walsh Act for all applicants and other adults living in the foster home or an in-home respite provider.
- Reviewing requests to increase the number of foster children a foster parent could provide care to beyond the licensing parameters, also known as overcapacity requests. OLR provides this support in order to preserve sibling connections to children placed in out-of-home care by placing siblings together in a licensed foster home or in order to place children with a foster family with whom they have a prior relationship.
- Maintaining the electronic database established for housing all foster home licensing applications, in-home respite licensing applications, and related information.

Population affected

The cost bearers and beneficiaries of the rules in this Chapter are:

- businesses that contract with DCS;
- businesses contracting with other entities to provide aid in the placement of children that cannot remain in their natural home;
- general public who may wish to apply for a foster home license;
- children in out-of-home care;
- parents of children in out-of-home care; and

- DCS.

The cost bearers and beneficiaries benefit from these rules as the rules provide foster home licensing agencies, applicants, foster parents, and in-home respite providers information about what is expected of them and the licensing process. Foster home licensing agencies are not charged a fee for contracting with DCS. Foster home applicants are not charged a fee for applying, renewing or amending their license.

The Department has contracted 28 Foster Home Licensing Agencies. On June 30, 2024, there were 1,819 licensed foster homes. Foster care providers are expected to comply with the articles in this Chapter as well as the rules in Chapter 8 of this Title. As mentioned, the Foster Home Licensing Unit, processes foster home licensing applications. For Fiscal Year 2024, the Foster Home Licensing Unit received 3,080 licensing applications. Of those 3,080 licensing applications, 516 were initial applications, 777 were renewals, and 1787 were amendments.

Employees

The Foster Home Licensing Unit, a specialized unit within the Office of Licensing and Regulation, enforces and monitors the rules in Chapter 6. The Foster Home Licensing Unit consists of 11 FTE. This unit is comprised of one manager, one supervisor, three team leads, and seven foster home licensing liaisons.

Funding

Expenses related to completing licenses from the DCS provider network are budgeted within the Foster Home Recruitment, Study and Supervision legislative line item: $32,756,000. The Foster Home Recruitment, Study and Supervision legislative line item is the same amount in FY 2024 as it was in FY 2019. Funding sources are both state General Fund and Federal funds.

9. Has the agency received any business competitiveness analyses of the rules? **Yes ___ No ___✓**

10. Has the agency completed the course of action indicated in the agency's previous five-year-review report?

The Department did not indicate a course of action in the previous five-year-review report.

11. A determination that the probable benefits of the rule outweigh within this state the probable costs of the rule, and the rule imposes the least burden and costs to regulated persons by the rule, including paperwork and other compliance costs, necessary to achieve the underlying regulatory objective:

The Department believes that current rules pose the minimum cost and burden on business, the regulated public, and on the general public. Any costs related to the implementation of these rules are associated with monitoring licensees and ensuring that they are abiding by these rules as described in the economic, small business, and consumer impact statement. Additionally, foster home license applicants are not charged a fee to operate a

licensed foster home. In fact, those who are granted a license are reimbursed for the services they provide via federal and state funds. It is the Department's belief that any cost associated with the rule are offset by the greater benefit of ensuring the safety and protection of Arizona children.

12. Are the rules more stringent than corresponding federal laws? Yes ___ No ___✓

Corresponding federal laws are: 42 U.S.C. 622, 45 U.S.C. 623, 45 U.S.C. 671, 45 U.S.C. 672, 45 U.S.C. 675, U.S.C. 5113, and 45 CFR 1356.30. The rules are not more stringent than federal law.

13. For rules adopted after July 29, 2010 that require the issuance of a regulatory permit, license, or agency authorization, whether the rules are in compliance with the general permit requirements of A.R.S. § 41-1037 or explain why the agency believes an exception applies:

Foster home licenses are exempt from A.R.S. § 41-1037 and do not require a general permit. A.R.S. § 41-1037(A)(5) allows for an exemption when the license is issued pursuant to A.R.S § 8-503. A.R.S. § 8-503(A)(4)(b) allows the Department to establish rules, regulations and standards for licensing of foster homes.

14. Proposed course of action

The Department of Child Safety has reviewed the current rules and proposes to update R21-6-308 to correct the title of this section to "Discipline and Behavior Management". The Department also proposes to update R21-6-410(B)(7) to clarify that the foster parent shall work with the licensing agency to request an amendment to modify a license when there is an addition of a household member; including the birth of a child or adoption of a child. The Department proposes to submit a Notice of Final Rulemaking to the Council by August 2025. The Department believes this timeframe is appropriate as it will allow the Department to complete other outstanding Rulemaking activities simultaneously.

TITLE 21. CHILD SAFETY

CHAPTER 6. DEPARTMENT OF CHILD SAFETY – FOSTER HOME LICENSING

Authority: A.R.S. § 8-453(A)(5)

Editor's Note: Chapter 6 contains rules which were exempt from the regular rulemaking process under Laws 2014, 2nd Special Session, Ch. 1, Sec. 158. The law required the Department to post on its website proposed exempt rulemakings for a minimum of 30 days, at which time the public could provide written comments. In addition, at least two public hearings were held prior to the filing of the final exempt rules. Because the Department solicited comments on its proposed exempt rules, the rules filed with the Office of the Secretary of State are considered final exempt rules (Supp. 15-4).

ARTICLE 1. DEFINITIONS

Article 1, consisting of Section R21-6-101, made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

Section

ARTICLE 2. LICENSING AGENCY REQUIREMENTS FOR FOSTER HOME LICENSING AGENCIES

Article 2, consisting of Sections R21-6-201 through R21-6-222, made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

Section

ARTICLE 3. LICENSING REQUIREMENTS FOR FOSTER PARENTS

Article 3, consisting of Sections R21-6-301 through R21-6-332, made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

Section

ARTICLE 4. THE LICENSING PROCESS FOR FOSTER PARENTS

Article 4, consisting of Sections R21-6-401 through R21-6-419, made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

Section

ARTICLE 1. DEFINITIONS

R21-6-101. Definitions

The definitions contained in A.R.S. § 8-501 and the following definitions apply when used in this Chapter.

1. "Adult" means any person 18 years of age or older.
2. "Adverse licensing action" means a decision by OLR to deny, suspend, or revoke a license.
3. "Appeal" means the legal right of an applicant to contest an adverse licensing action.
4. "Applicant" means an individual or married couple, unless excepted under R21-6-408, who submit an application for a license as a foster home.
5. "Application" means the documentation and information required by the OLR to evaluate an applicant for a license and includes the application form completed via the Department's electronic database to initiate the licensing process. The application authorizes the licensing agency and the OLR to conduct assessments and investigations to verify qualifications and compliance with licensing requirements.
6. "Careful and sensible judgment" means the use of decisions and actions that maintain the health, safety, and well-being of a foster child.
7. "Central Registry" means the information maintained by the Department of substantiated reports of child abuse or neglect for the purposes of A.R.S. § 8-804.
8. "Child" means any person less than 18 years of age.
9. "Child developmental home" means the same as A.R.S. § 36-551(11). The DES Division of Developmental Disabilities (DDD) licenses these types of residences to care for a child with a developmental disability in a family setting.
10. "Child Placing Agency" means the same as A.R.S. § 8-501(A)(1)(iii):
    (iii) Any agency maintained by this state, a political subdivision of this state or a person, firm, corporation, association or organization to place children or unmarried mothers in a foster home.
11. "Child Safety Worker" means the same as A.R.S. § 8-801.
12. "Corrective action" means a plan specified by the OLR for a foster parent to remedy the violation of a licensing requirement within a specified time-frame.
13. "Criminal record self-disclosure" means a person's statement made under penalty of perjury, using the form approved by the OLR, attesting to whether the person:
    a. Has a record of any arrests, convictions, or pending indictments;
    b. Has committed a crime specified in the Arizona Revised Statutes as a precluding crime for the issuance of a fingerprint clearance card meeting Level One requirements; or
    c. Is a registered sex offender.
14. "DCS Report" means the same as "report for investigation" in A.R.S. § 8-201(30).
15. "Department" or "DCS" means the Arizona Department of Child Safety
16. "DES" means the Arizona Department of Economic Security.
17. "Developmentally appropriate" means:
    a. The activities or items that are generally accepted as suitable for children of the same chronological age or level of maturity or that are determined to be developmentally appropriate for a child, based on the development of cognitive, emotional, physical and behavioral capacities that are typical for an age or age group; and
    b. In the case of a specific child, activities or items that are suitable for the child based on the developmental stages attained by the child with respect to the cognitive, emotional, physical, and behavioral capacities of the child.
18. "Developmental Disability" means the same as in A.R.S. § 36-551.
19. "Fingerprint clearance card" means the card issued by the Arizona Department of Public Safety (A.R.S. §§ 41-1758 et. seq.) certifying that the person named on the card does not have a state or federal criminal history record containing an offense specified as a precluding crime in A.R.S. Title 41, Chapter 12.
20. "Firearm" means any loaded or unloaded handgun, pistol, revolver, rifle, shotgun, or other weapon that will expel, is deigned to expel, or may be readily converted to expel a projectile by the action of an explosive.
21. "Fitness" means the ability of an applicant or foster parent to:
    a. Provide a safe and nurturing environment for a foster child; and
    b. Comply with the foster home licensing requirements.
22. "Foster care" means care and supervision provided to a child who is in the custody of the state.
23. "Foster child" means a person less than 18 years of age who is receiving foster care. "Foster child" is further defined under A.R.S. § 8-501(4). For the purpose of this Chapter, "foster child":
    a. Includes a young adult less than 21 years of age who continues to reside in a foster home under a written individual case plan agreement for out-of-home care, or under the Independent Living Program defined in A.R.S. § 8-521;
    b. Includes a child with a Developmental Disability placed by the Department in a child developmental home;
    c. Does not include a young adult who has returned to a foster home under the Transitional Independent Living Program defined in A.R.S. § 8-521.01; and
    d. Does not include the birth or adopted child, of an applicant, foster parent, or other household member.
24. "Foster home" means a residence where a foster parent lives and includes a detached home, all structures, and the entire premises belonging to the home, including apartments, guest homes, garages, sheds, and motorhomes. "Foster home" is further defined under A.R.S. § 8-501.
25. "Foster parent" means an individual, or married couple, who provides foster care with a license from the OLR. "Foster parent" is further defined under A.R.S. § 8-501.
26. "Group foster home" means a class of foster home in which the licensed foster parent is certified to provide care to more than five but not more than 10 foster children at a time. "Group foster home" is further defined under A.R.S. § 8-501.
27. "Guardian" means a person who is authorized by law to have the care and custody of a child.
28. "Hazard" means a condition or situation that may cause or result in physical injury or illness to a child.

29. "Health self-disclosure" means an adult household member's declaration, using the form approved by OLR attesting to the person's physical, medical, and emotional health. The health-self disclosure:
    a. Identifies any past or present:
        i. Major illness;
        ii. Communicable disease;
        iii. Surgery;
        iv. Drug or substance abuse problem or treatment; and
        v. Other medical, physical, or mental health condition or treatment; and
    b. Identifies all medications, treatments, adaptive equipment, or other accommodations used to reduce or eliminate any medical, physical, or mental health conditions.
30. "Home" means the residence where a foster parent lives. "Home" may be used interchangeably with "foster home."
31. "Home and Community Based Services" or "HCBS" means the same as in R6-6-1501. The DES Division of Developmental Disabilities (DDD), Office of Licensing, Certification, and Regulation (OLCR) rules on HCBS are in 6 A.A.C., Chapter 6, Article 15.
32. "Household" means all children and adults living in a foster parent's home.
33. "Household member" means any individual who lives or intends to live in the foster home or on the premises, for 30 consecutive days or more, or periodically throughout the year for a total of 30 non-consecutive days or more. "Household member":
    a. Includes the applicant, licensee, housemates, tenants; children of the applicant, licensee, housemates, or tenants; and adults participating in the Transitional Independent Living Program defined in A.R.S. § 8-521.01; and
    b. Does not include a foster child, an adult with a Developmental Disability, or young adult who resides in a foster home under a written agreement with the Department for continued care or under the Independent Living Program defined in A.R.S. § 8-521.
34. "Individual Family Service Plan" or "IFSP" means a written statement of services and supports to be provided to a child and the child's family for children less than the age of three years who are eligible for the Arizona Early Intervention Program (AzEIP) to enhance the capacity of families and care givers to support the child's development and engagement and participation in everyday routines and activities.
35. "In-home respite foster parent" means an individual licensed to provide respite care in a licensed foster home, which is not that individual's own home.
36. "Kinship care" means that the care and supervision of a foster child in a foster home is provided by a relative or an individual who has a significant relationship with the child.
37. "Lawfully present" means that an individual is a United States citizen or national or an alien authorized by an appropriate federal entity or court to be present in the United States.
38. "License" means the permission granted by OLR, to legally operate a foster home and includes an initial, renewal, and amended license.
39. "Licensee" means the individual or married couple who is approved by OLR to be licensed as a foster parent.
40. "Licensing agency" means an entity, which may include a licensed Placing Agency the Department contracts with to recruit and train foster parents and monitor a licensed foster home.
41. "Licensing decision" means the issuance, denial, suspension, revocation of, or amendment to a license by OLR in response to the receipt and review of:
    a. An application for initial or renewal licensure,
    b. An application to amend a license, or
    c. A complaint or investigation conducted according to R21-6-418.
42. "Licensing record" means the information maintained by a licensing agency or by the OLR, for the purpose of documenting the fitness of and compliance with licensing requirements, laws, and rules of an applicant or foster parent.
43. "Licensing requirements" means the rules specified in this Chapter and Chapter 8 of this Title.
44. "Life Safety Inspection" means an examination of a family foster home by OLR to verify compliance with standards intended to safeguard a foster child from fire and other hazardous conditions.
45. "Lock" means a device operated by a key, combination, magnet, keycard, or other tool to safeguard medications, swimming pools, weapons, and highly toxic substances.
46. "Medically complex foster home" means a class of foster home in which the licensed foster parent is certified to provide care to a foster child identified by the Department as requiring special care for medically complex needs.
47. "Medical professional" means a doctor of medicine or osteopathy, physician's assistant, or registered nurse practitioner licensed in A.R.S. Title 32, or a doctor of medicine licensed and authorized to practice in another state or foreign country. A medical professional from another state or foreign country must provide verification of valid and current licensure in that state or country.
48. "Medication" means both prescription and over-the-counter remedies.
49. "Mobile home" means a trailer that is mounted on wheels or a platform with utility connections exposed under the trailer.
50. "Need to know" means the legitimate requirement of a person or organization to know, access, or possess confidential or personally identifiable information that is critical to carry out official duties or to provide services to the child.
51. "OCWI Investigator" means a DCS Investigator who is assigned to the Office of Child Welfare Investigations, and whose primary duties and responsibilities are prescribed in A.R.S. § 8-471.
52. "Office of Licensing and Regulation" or "OLR", means the administration within DCS that is responsible for reviewing and evaluating applications for licensure; supervising and monitoring licensees; and completing all official licensing actions, including issuing, denying, amending, suspending, and revoking a license.
53. "Physical punishment" means the deliberate infliction of pain or discomfort to a person.
54. "Physical restraint" means the same as A.R.S. § 8-501(A)(14)(b)(iii).
55. "Physician's Statement" means information on the physical, emotional, and mental health of any adult household member, providing care for a foster child, using a form approved by OLR. The statement shall:
    a. Be based on an examination by a medical professional,

b. State whether the household member has a condition that could interfere with the provision of safe care and supervision to a foster child, and
c. Include a completed health self-disclosure by the household member.

56. "Placement" means the act of finding an appropriate foster home for a foster child and putting the foster child in that foster home.
57. "Placement agreement" means a written arrangement between a licensee and a Child Placing Agency as specified under R21-6-323.
58. "Placement packet" means documents containing key information needed for a foster parent to understand the needs of the foster child, including medical records and school records.
59. "Pool" means any natural or man-made body of water located at a foster home or on its premises that:
    a. Could be used for swimming, recreational, therapeutic, or decorative purposes;
    b. Is greater than 18 inches in depth; and
    c. Includes swimming pools, spas, hot tubs, fountains, and fishponds.
60. "Positive discipline" means a teaching process through which a child learns to develop and maintain the self-control, self-reliance, self-esteem, and orderly conduct necessary to assume responsibilities, make daily living decisions, and live according to generally accepted levels of social behavior.
61. "Premises" means:
    a. The home; and
    b. The property surrounding the home that is owned, leased, or controlled by the applicant or licensee.
62. "Protective services registries" means the Central Registry and the Adult Protective Services Registry.
63. "Public school" means a school, including a charter school, that is maintained at public expense for the education of the children of a community or district and that constitutes a part of a system of free public education commonly including primary and secondary education.
64. "Reasonable and prudent parenting standard" means the practice of making careful and sensible parental decisions that maintain the health, safety, and best interests of a foster child while at the same time encouraging the emotional and developmental growth of the child when determining whether to allow the child to participate in extracurricular, enrichment, cultural, and social activities.
65. "Receiving foster home" means a class of foster home in which the licensed foster parent is certified to receive a foster child with limited notice and for a limited period of time.
66. "Relative" means an individual who is related by blood, marriage, or adoption to the foster child. For American Indian and Alaska Native children, "relative" could also include a tribally defined extended family relationship.
67. "Respite care" means the provision of temporary care and supervision of a foster child to relieve a foster parent from the duty to care for the foster child for a limited period of time.
68. "Safeguard" means to take reasonable measures to eliminate the risk of harm to a foster child. Where a specific method is not otherwise prescribed in this Chapter, safeguarding may include:
    a. Locking up a particular substance or item;
    b. Putting a substance or item out of reach of a foster child;
    c. Erecting a barrier that prevents a foster child from reaching a particular place, item, or substance;
    d. Using protective safety devices; or
    e. Providing supervision.
69. "Service Team" means a group of persons brought together to ensure the best care for a foster child and at a minimum, includes a child age 14 years and older, staff from the Department, and the licensing agency.
70. "Sibling" means brothers and sisters by birth or adoption, stepbrothers, stepsisters, half-brothers, and half-sisters.
71. "Skirting" means the barrier around the base of a mobile home that is intended to protect utility connections from damage or unauthorized contact.
72. "Slip-resistant surface" means flooring that provides friction to help prevent falls when the surface is wet. A slip-resistant surface may be achieved by rippling or corrugating the surface, applying textured strips, installing a secured carpet, using rubber mats, and other similar measures.
73. "Smoking" means burning or vaporizing tobacco products or other substances in a cigarette, cigar, pipe, electronic cigarette, or by means of equipment to inhale and exhale the smoke or vapor.
74. "Specialized service" means a higher level of skill, training, and experience required for certification as a Group, Medically Complex, Therapeutic, or Receiving foster home.
75. "Stability" means having the necessary resources, surroundings, temperament, and demeanor to maintain a safe, steady, and consistent home environment for a foster child.
76. "Statement of Understanding" means a signed document completed by an applicant or foster parent confirming the person has read, understands, and agrees to comply with all applicable laws, rules, and regulations relating to the operation of a foster home.
77. "Substantial compliance with licensing requirements" means that the nature and number of violations of licensing requirements are not significant and:
    a. Do not pose a risk to the life, health, safety, or welfare of a child receiving care;
    b. Do not constitute a pattern of noncompliance or a failure to implement required corrective action; and
    c. Are not the result of misrepresentation, falsification, or fraud by the applicant or foster parent.
78. "Therapeutic foster home" means a class of foster home in which the care is provided by a foster parent who has received specialized training to provide care and services within a support system of clinical and consultative services to children with behavioral health needs.
79. "Trigger locked" means a method to render a firearm temporarily or permanently inoperable by blocking the firing or discharge mechanism for the firearm with a locked device.
80. "Weapon" means a firearm, bow and arrows, or other device or instrument, which in the manner it is used or intended to be used is capable of inflicting serious bodily injury, or causing death.
81. "UL approved" means a safety certification mark of a Nationally Recognized Testing Laboratory (NRTL), such as UL (Underwriters Laboratories) or ETL (Electro Technical Laboratory) on an electronic device.

Historical Note

New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

ARTICLE 2. LICENSING AGENCY REQUIREMENTS FOR FOSTER HOME LICENSING AGENCIES

R21-6-201. Minimum Qualifications for an Applicant

The licensing agency shall ensure the right of any individual or married couple to apply for a foster home license, regardless of gender, race, religion, political affiliation, national origin, disability, or sexual orientation, if the applicant meets the minimum qualifications specified under Chapter 6 of this Title.

Historical Note

New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-202. Professional Judgment

The licensing agency shall use professional judgment in all recommendations made and inquiries conducted in the course of licensure. "Professional judgment" means an objective and thorough analysis based on:

1. Commonly accepted industry standards and practices for the regulation of care for children;
2. Knowledge and experience in accordance with contractual requirements;
3. Interviews, assessments, observations, references, and documented sources of verifiable information; and
4. Knowledge of laws, rules, and guidelines for providing foster care.

Historical Note

New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-203. Conflicts of Interest

A. The licensing agency shall adopt a written code of ethics regarding conflicts of interest.

B. The licensing agency shall assign the following duties for any conflicts of interest other than those listed in subsection (C) to an impartial party, such as a neutral employee or another licensing agency.

1. The home study and assessment responsibilities as described under R21-6-206; and
2. Licensing complaints as described under R21-6-221.

C. The licensing agency shall not accept as an applicant a person who is:

1. An employee of the licensing agency, a service provider, a contractor, or a major donor; or
2. Related by blood or marriage to an employee of the licensing agency. For the purpose of this subsection, relatives include the biological, adoptive, or step:
   a. Child,
   b. Grandchild,
   c. Parent,
   d. Parent of spouse,
   e. Grandparent,
   f. Grandparent of spouse,
   g. Sibling,
   h. Sibling of spouse,
   i. Aunt, or
   j. Uncle.

D. A licensing agency that has a conflict of interest at the time this Article is published in the *Arizona Administrative Register* shall have 90 days to transfer cases to an alternative licensing agency that does not have a conflict of interest under subsection (C).

Historical Note

New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-204. Rights of the Applicant and Foster Parent

A. In addition to the inspection and due process rights specified under A.R.S. § 41-1009, the licensing agency shall ensure that each applicant and foster parent is informed of and afforded the rights specified under this Section. OLR may request that the licensing agency submit the notice used by the licensing agency to OLR.

B. The licensing agency shall ensure that a foster parent or applicant is permitted to access their licensing record as follows:

1. Upon written request, a foster parent or applicant shall have the right to access their complete licensing record, except as provided in subsection (C); and
2. A foster parent or applicant shall have the right to provide a written response to findings and comments in the home study, investigative reports, and any correspondence, with the exception of the items listed in subsection (C).

C. The licensing agency shall not release the following information to a foster parent or applicant:

1. Information supplied by confidential references during the licensing process;
2. Information protected from secondary dissemination under state or federal law, including investigations and DCS Reports of alleged child abuse or neglect; and
3. The names of persons and organizations identified as sources in a licensing complaint or DCS investigation or DCS Report of alleged child abuse or neglect.

D. A licensing agency shall make a diligent effort to work with an applicant or foster parent. If however, the parties determine they cannot continue to work together, the licensing agency shall assist the foster parent or applicant to find another licensing agency and transfer their licensing record to the new agency under R21-6-215(C).

1. If it is the licensing agency that determines that it cannot work with a foster parent or applicant, the licensing agency shall notify the foster parent or applicant in writing specifically listing the reasons the licensing agency cannot work with the foster parent or applicant and assist the foster parent or applicant to find another licensing agency and transfer their licensing record to the new agency under this subsection (D); or
2. If the foster parent or applicant does not meet the minimum qualifications for licensure under R21-6-401, the licensing agency shall notify the foster parent or applicant in writing specifically listing the reasons, the applicant or foster parent fail to meet the minimum qualifications.

Historical Note

New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-205. Licensing Agency Responsibility; Application for an Initial Foster Home License

A. When an applicant meets the minimum qualifications specified under R21-6-401, the licensing agency shall provide the assistance needed to submit the application for initial licensure via the Department's electronic database.

B. The licensing agency shall ensure that the application for an initial license contains, at minimum, information specified under R21-6-403.

C. The licensing agency shall provide OLR with signed verification that the applicant has provided proof of income and resources and:

1. Criminal record self-disclosure for each adult household member;
2. Valid Level One fingerprint clearance cards for each adult household member, as necessary; specified in A.R.S. § 8-509;

3. Health self-disclosure completed by each adult household member;
4. Physician's statement for the foster parent, applicant, and any other adult household member who will provide care or supervision to the foster child;
5. Proof or current training in cardiopulmonary resuscitation (CPR) and first aid;
6. Current immunization record available for each child household member. In accordance with A.R.S. § 8-509(I), the lack of updated or available immunization records will not prohibit licensure, but may be grounds for restricting the license to prevent the placement of infants, young children, and medically complex children;
7. Valid Arizona driver's license for each household member who transports a foster child, or a transportation plan in place in the absence of a valid Arizona driver's license.
8. Current registration and insurance card for each vehicle that belongs to a household member and may be used to transport a foster child; and
9. The Statement of Understanding, as defined under R21-6-101(76).

D. The licensing agency shall ensure that the application for an initial license includes the home study and assessment specified under R21-6-206 and the agency signature page.

E. The licensing agency shall submit the information required in this Section to the licensing authority no later than 30 days from receipt of all information required by this Section.

Historical Note

New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-206. Licensing Agency Foster Home Study and Assessment

A. The licensing agency shall enter the home study via the Department's electronic database.

B. To assess the applicant and write the initial home study, the licensing agency shall:
1. Conduct interviews with each household member, including each child household member, if appropriate to the child's age and developmental level, on at least:
   a. Two occasions in the applicant's home;
   b. One occasion with each applicant, individually; and
   c. One occasion with applicants, jointly, if:
      i. Applicants are married; or
      ii. Another adult household member is applying for a license or is currently licensed;
2. Complete reference checks as follows:
   a. Obtain written statements via postal mail, electronic mail, or on the form supplied by OLR, from at least five reference sources identified by the applicant;
   b. Ensure that no more than two references are from relatives; and
   c. Make personal contact, either in a face-to-face meeting or via telephone, with at least one of the reference sources identified by the applicant;
3. Provide the applicant with the required forms and information to apply for a Level One fingerprint clearance card;
4. Request Central Registry record checks for each adult household member for Arizona and from each state these individuals resided in during the previous five years;
5. Ensure completion of all required training by the applicant;
6. Ensure the applicant has the proper equipment required by this Chapter, such as age-appropriate beds, for each foster child at the time of placement;
7. Visit the applicant's home and provide information to help the applicant prepare for the Life Safety Inspection to be conducted by OLR throughout the home and premises.
8. Request a Life Safety Inspection for the applicant's home and verify any corrections made, if applicable; and
9. Work with each household member to assemble information for self-assessments, using the forms approved by OLR.

C. The home study shall include a summary of self-assessments, interviews, and observations evaluating the applicant's fitness for licensure, including:
1. Motivation and expectations for becoming a foster parent;
2. Commitment to the care and supervision of a foster child;
3. Parenting skills and ability to use a reasonable and prudent parenting standard characterized by a careful and sensible parental decisions that maintain the health, safety, and best interests of a foster child while at the same time encouraging the emotional and developmental growth of the child;
4. Daily routine and time available to devote to the care of a foster child;
5. Support network, including friends, neighbors, relatives, and the community;
6. Personal or family problems and the applicant's success in undergoing rehabilitation and overcoming or coping with these problems, including abuse, neglect, or violence that was:
   a. Committed by the applicant;
   b. Committed against the applicant; or
   c. Witnessed by the applicant;
7. History of substance use or abuse and the applicant's success in overcoming or coping with these challenges;
8. Medical, physical, and mental health problems and the applicant's success in overcoming or coping with these problems;
9. Ability to deal with anger, stress, and separation;
10. Personal stability, marital stability, and the stability of the household, as applicable;
11. Stability of residency in Arizona;
12. Significant life events, including but not limited to job separation, divorce, child custody, bankruptcy, or the death of a family member;
13. History of complying with court-ordered child support, if applicable;
14. Attitude toward discipline, discipline of the applicant's children, and willingness to commit to the Department's discipline policy; and
15. Willingness to share parenting for a foster child with that child's birth family.

D. In addition, the home study shall address:
1. Household members' ability to meet requirements, as described under R21-6-302;
2. The ability of household members to provide a safe and positive home environment for a foster child;
3. The strengths and needs of the applicant; and
4. The applicant's compliance with licensing requirements as defined in Chapter 6 of this Title.

E. The home study shall contain a recommendation to issue or deny a license, based on the information available to the licensing agency. A licensing agency shall provide justification for a recommendation to deny a license using specific examples that demonstrate that, in the licensing agency's professional judgment, the applicant does not meet licensing requirements.

F. The licensing agency may, at its discretion, provide additional recommendations in the home study to:
1. Limit the terms or conditions of a license; and
2. Certify the applicant to provide specialized services, as described under R21-6-331.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-207. Request for Additional Information During Licensing Review
Prior to making a licensing decision, OLR may, as necessary and appropriate, require the licensing agency to assist to:
1. Provide additional documentation to verify compliance with licensing requirements, such as marriage licenses, divorce decrees, child support orders/payments, pay stubs, and bankruptcy documents;
2. Provide additional information if:
   a. The medical, physical, or mental health needs of a household member could interfere with the care and supervision of a foster child;
   b. Adults residing outside the household will have frequent or close contact with a foster child; or
   c. A household member has been charged with or convicted of a crime, even if the specific crime does not preclude the issuance of a Level One fingerprint clearance card;
3. Gather additional information needed to determine the applicant's fitness. This may include:
   a. Interviewing the applicant,
   b. Contacting references,
   c. Verifying information provided in the application or by the licensing agency, and
   d. Inspecting the applicant's home.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-208. Statement of Understanding
The licensing agency shall review the Statement of Understanding with the foster parent at initial licensing, when a child is placed in the foster parent's care, and at each license renewal thereafter.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-209. Verification of Equipment at Time of Placement
The licensing agency shall verify that all equipment including age appropriate beds, car seats and restraints required by this Chapter are appropriately installed and in place at the time of placement of a foster child.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-210. Approval for Additional Placements from Another Child Placing Agency
The licensing agency shall notify and obtain approval from DCS before a foster parent accepts a child from a Child Placing Agency other than DCS.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-211. Life Safety Inspection
A. The licensing agency shall inform the applicant or foster parent of the Life Safety Inspection rules specified in Chapter 8 of this Title before requesting an inspection by OLR.
B. At least 30 days before an inspection is due, the licensing agency shall request a Life Safety Inspection by OLR. The request shall provide correct information on:
1. The name, address, telephone number, and e-mail of the applicant or foster parent;
2. The major cross streets or directions for locating the home; and
3. Contact information for the licensing agency.

C. The licensing agency shall:
1. Conduct a preliminary inspection of the applicant's or foster parent's home to assess compliance with Life Safety Inspection rules;
2. Conduct an annual inspection, using the format approved by OLR, to reinforce the importance of the Life Safety Inspection requirements and to verify ongoing compliance; and
3. Verify corrections made by the applicant or foster parent in response to violations, as applicable.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-212. Training Reporting Update
A. The licensing agency shall update the Department's electronic database within seven days of the licensee completing the training required by A.R.S. § 8-509.
B. OLR may take an adverse licensing action against the licensee, or the Department may take a contract action against the licensing agency, or both, if the licensing agency does not submit the information as required by this Section.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-213. Application for Renewal License
A. The licensing agency shall assist a foster parent, as needed, in applying for a renewal license via the Department's electronic database.
B. At least 30 days before the expiration of the license, the licensing agency shall submit the completed application for a renewal license via the Department's electronic database.
C. The application for a renewal license shall update the information in the Department's electronic database and the previous home study, including:
1. Training completed by the licensee;
2. Monitoring visits and safety inspections conducted by the licensing agency;
3. Corrective action plans implemented since the previous home study and the status of violations that resulted in the need for corrective action, if applicable;
4. Corrections made by the foster parent in response to violations cited in the Life Safety Inspection conducted by the OLR if applicable;
5. Complaints and investigations, as described under R21-6-221 and R21-6-418, completed since the previous home study or that are pending completion, if applicable;
6. Central Registry record checks requested by the licensing agency for each adult household member;
7. Confirmation of a current, valid Level One fingerprint clearance card for each adult household member;
8. A summary of significant events and changes occurring since the previous home study, including:

a. The foster parent's income, resources, expenses, and debts;
b. The health of a household member;
c. Household composition; and
d. The dynamics of the foster parent's family and support network, including changes in roles, interactions, attitudes, and relationships;

9. The foster parent's compliance with licensing requirements, as defined in Article 3.

D. The updated home study shall contain a recommendation to issue, amend, or deny a license, based on the information available to the licensing agency. A licensing agency shall justify a recommendation to deny a license using specific examples that demonstrate that, in the licensing agency's professional judgment, the applicant does not meet the licensing requirements.

E. The licensing agency may, at its discretion, provide additional recommendations in the home study to limit the terms or conditions of a license, based on the licensing agency's professional judgment.

F. The licensing agency shall provide OLR with:
1. Criminal record self-disclosure for each adult household member;
2. Physician's statement for the foster parent, completed every two years; and
3. The Statement of Understanding, as defined under R21-6-101(76).

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-214. Application for License Reinstatement

A. "Reinstatement" refers to an action by OLR to reactivate a license that has been expired or closed for less than one year.

B. The licensing agency shall submit an application for reinstatement using the same process as an application for renewal licensure. As required for a renewal, the application for reinstatement shall include a new home study.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-215. The Licensing Record

A. The licensing agency shall compile and maintain a licensing record for each applicant or foster parent in accordance with the requirements of OLR.

B. The licensing record shall contain:
1. All documentation or evidence gathered during the licensing process and throughout the term of the license, including:
   a. Documentation gathered to complete the application for licensure and the home study;
   b. Evidence of compliance with licensing requirements specified in this Chapter;
   c. Dates and details for home visits, contacts, and communication with the applicant or foster parent regarding licensing requirements or the licensing process; and
   d. Evidence that inspection and due process rights were explained to the applicant or foster parent in accordance with A.R.S. § 41-1009;
2. The home study completed by the licensing agency, as described under R21-6-206, and submitted to the licensing authority via the Department's electronic database; and
3. Requests for or reports demonstrating the completion of Life Safety Inspections for the applicant's home and premises.

C. Upon written request by the applicant or foster parent, the licensing agency shall forward the complete and original licensing record to another licensing agency for the purpose of facilitating transfer to the receiving licensing agency:
1. Within 30 days of receiving the request, and
2. At no cost to the applicant or licensee.

D. Upon written request and payment of reasonable duplication and postage fees by the applicant or foster parent, the licensing agency shall forward a copy of the licensing record to an agency or organization for the purpose of assisting a foster parent who is being considered for a private or out-of-state adoptive placement, or a similar purpose.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-216. Amending the License

A. The licensing agency shall inquire at each contact with the foster parent if there are any circumstances requiring an amendment to the license.

B. The licensing agency shall request an amendment to modify a license via the Department's electronic database, as specified under R21-6-410.

C. The licensing agency shall provide the following information to the licensing authority to amend a license:
1. A description of the requested change or changes;
2. Justification for the change or changes, as appropriate;
3. A recommendation by the licensing agency based on the licensing record to issue or deny an amendment to the license; and
4. A recommendation by the licensing agency based on the licensing record to limit the terms or conditions of the license, if applicable.

D. To change the physical address due to the relocation of the licensee, the licensing agency shall:
1. Conduct a preliminary Life Safety Inspection using the form provided by OLR within seven days of the relocation of the licensee; and
2. Within seven days of the preliminary inspection, submit a request to OLR for a Life Safety Inspection.

E. To add the name of a spouse due to marriage, the licensing agency shall conduct interviews and assessments to evaluate the spouse's fitness in accordance with licensing requirements. A new spouse shall meet all foster parent licensing requirements in this Chapter, including obtaining a Level One fingerprint clearance card, passing a protective service registries check, and all required pre-service training as prescribed in R21-6-303.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-217. Evaluating Changes in Household Composition

A. If there is a change in the household composition, the licensing agency shall evaluate the impact of the change on the dynamics within the home and on the provision of care or supervision to a foster child.

B. When a household member is added during the term of the license, the licensing agency shall:
1. Obtain from each new adult household member:
   a. Information and consents needed to conduct background checks with the Central Registry in Arizona and, if applicable, with the registries in other states

the household member has lived in during the previous five years;
b. A criminal record self-disclosure;
c. Verification that the household member possesses a valid fingerprint clearance card that meets Level One requirements;
d. A completed health self-disclosure; and
e. A Physician's Statement if providing care for a foster child;
2. Request a current immunization record for a new child household member;
3. Conduct interviews, gather required documents, and make observations to evaluate the new household member, including:
a. The length of time the foster parent has known the new household member;
b. The background of the new household member, including any criminal history and allegations of child abuse or neglect;
c. Financial arrangements, if any, between the foster parent and the new household member;
d. The role of the new household member in the care and supervision of a foster child:
e. Changes in sleeping arrangements;
f. Whether the new household member presents a risk to the health, safety, or well-being of a foster child; and
g. Whether licensing requirements continue to be met with the addition of the new household member;
4. Enter information required by this rule via the Department's electronic database within 15 calendar days of receiving notification from a foster parent regarding a new household member;
5. Use professional judgment in making a recommendation to OLR on the need for an adverse licensing action in response to the new household member;
6. The licensing agency shall inform the foster parent that a household member's failure to meet requirements specified in Chapter 6, may constitute grounds for an adverse licensing action.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-218. Routine Monitoring and Verification of Ongoing Compliance

A. At least once every three months, the licensing agency shall conduct assessments, monitoring, on-site visits, and make copies of required documents, as needed, to verify information and maintain a record of ongoing compliance by the foster parent. Inspection and monitoring activities of the licensing agency shall include, as applicable:
1. A review of records and reports maintained by the foster parent on the care, services, and treatment provided to the foster child;
2. Interviews with household members;
3. Interviews with foster children; and
4. An inspection of the home, premises, and vehicles used to transport foster children.

B. At least one monitoring visit per year shall be unannounced.

C. At the time of each monitoring or inspection, the licensing agency shall provide the applicant or foster parent with:
1. A written summary of the monitoring or inspection;
2. Planned follow-up and required corrective actions, as applicable; and
3. A written summary of the applicant's or foster parent's rights, in accordance with A.R.S. § 41-1009.

D. The licensing agency shall keep a copy of the written summaries specified in subsection (C) and make the summaries available to OLR upon request.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-219. Corrective Action Plans

A. The licensing agency shall cooperate with OLR and monitor compliance with a corrective action plan to remedy the violation of a licensing requirement.

B. The corrective action plan shall:
1. Be written by OLR in consultation with the licensing agency,
2. Specify the rule violated by the licensee,
3. Specify the steps a foster parent must take to remedy a violation, and
4. Specify a date for completion of the required corrective action.

C. The licensing agency or OLR may, based on their professional judgment, conduct unannounced monitoring visits to verify the implementation or completion of corrective action.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-220. Notification Requirements; Unusual Incident

A. The licensing agency shall notify OLR and the Child Placing Agency of any issues arising under R21-6-326.

B. Within 48 hours of the occurrence of an incident specified in R21-6-326, the licensing agency shall provide in writing to OLR and the Child Placing Agency:
1. A description of the incident, including the place, date, and time of occurrence;
2. The names and contact information for any persons involved in the incident;
3. The measures taken by the foster parent to address, correct, or resolve the incident; and
4. The action taken by the licensing agency in response to the incident, if applicable.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-221. Allegations of Child Abuse or Neglect; Licensing Complaints

A. The licensing agency shall notify OLR in writing of each licensing complaint and each investigation initiated by the Department or law enforcement within 24 hours of the licensing agency becoming aware of the complaint or investigation, unless original notification came from OLR. This notification shall include the:
1. Date and place of the incident;
2. Nature of the complaint or allegation; and
3. Names of all persons involved in the allegation.

B. The licensing agency shall conduct an inquiry into each licensing complaint or concern. Within 45 days of being notified of a licensing complaint or concern, the licensing agency shall submit a written report of the licensing inquiry to OLR and to the licensee, in accordance with due process rights and subject to R21-6-418, unless OLR grants an extension in writing. The report of the licensing inquiry shall include:
1. The scope of the inquiry, including a list of persons interviewed and a list of the documentation reviewed;

2. The validity of allegations and other findings related to licensing violations; and
3. Recommendations by the licensing agency regarding follow-up action.

C. The licensing agency shall not interfere with, and shall assist, as requested, law enforcement or the Department's Child Safety Workers, and OCWI Investigators in conducting investigations of child abuse or neglect.

D. OLR may, if necessary and appropriate, conduct an inquiry or investigation independent of or in conjunction with the licensing agency, law enforcement, or the Department's Child Safety Workers or OCWI Investigators.

Historical Note

New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-222. Waiver of Non-Safety Licensing Requirements for Kinship Care

A. When submitting an application for an initial, renewal, or amended license, the licensing agency may recommend the waiver of a non-safety licensing requirement for an applicant or foster parent who will be providing only kinship care, as defined under R21-6-101(36) if compliance with the non-safety requirement would be a hardship on the applicant or foster parent. The recommendation for a waiver shall include:
1. The specific rule to be considered for waiver by the OLR;
2. The reason compliance would be a hardship;
3. Any proposed alternative compliance with the rule requirement, including pictures or diagrams that depict any physical requirement to be waived; and
4. Justification that waiving the licensing requirement will not compromise the safety of a foster child.

B. The licensing agency shall submit the waiver request only on forms supplied by OLR.

C. OLR shall consider the waiver of a non-safety licensing requirement on a case-by-case basis.

D. An applicant or foster parent shall base a waiver request on a licensing requirement and the needs of the foster child. OLR shall not grant a waiver request because it would be inconvenient for the foster parent or applicant to comply with a licensing requirement.

Historical Note

New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

ARTICLE 3. LICENSING REQUIREMENTS FOR FOSTER PARENTS

R21-6-301. General Requirements for Foster Parents

A. A foster parent shall:
1. Be 21 years of age or older;
2. Reside in Arizona and be lawfully present in the United States;
   a. Each applicant shall present one of the documents specified under A.R.S. § 41-1080(A) and, as applicable, (E), to the licensing agency to demonstrate that the applicant is lawfully present in the United States; and
   b. If an alien applicant has only temporary authorization to be present in the United States, the applicant shall provide documentation indicating that the authorization is valid for a minimum of one year or that the applicant has already taken steps to obtain authorization to remain for at least one year.
3. Live in a home in which all adult household members pass a background check based on:
   a. A Central Registry check in Arizona and in the registries in other states the applicant has lived in during the previous five years,
   b. A completed and notarized criminal record self-disclosure, and
   c. A valid Level One fingerprint clearance card from the Arizona Department of Public Safety (DPS).
4. Be of reputable and honest character. A licensing agency shall verify compliance by evaluating information provided by the applicant and information obtained through background checks, references, interviews, and records of the Department;
5. Live in a home in which all household members are free of medical, physical, or mental health conditions that would interfere with the safe care and supervision for a foster child.
   a. The applicant shall demonstrate compliance by providing his or her licensing agency with:
      i. A health self-disclosure completed by all adult household members before initial licensure, and at each renewal thereafter;
      ii. A physician's statement for the applicant completed no more than 12 months before the license application is submitted via the Department's electronic database and at least every two years thereafter; and
      iii. A physician's statement for each household member who will be providing care and supervision for a foster child. The physician shall complete the statement no more than 12 months before the license application is submitted via the Department's electronic database and every two years thereafter in accordance with R21-6-302.
   b. If a health self-disclosure or physician's statement for a household member identifies a history of medical, physical, or mental health conditions, the applicant shall have the opportunity to explain treatments, adaptive equipment, or other accommodations used to reduce or eliminate any risk associated with the condition that could interfere with the applicant's ability to provide safe care and supervision for a foster child;
6. Demonstrate careful and sensible judgment, exercise a reasonable and prudent parenting standard under R21-6-307, and have the stability, maturity, nurturing skills, knowledge, and ability to provide safe care to a foster child. The licensing agency and OLR shall consider relevant factors in this assessment, including:
   a. Length of time the applicant has lived in the current residence, and recent patterns involving relocation;
   b. Length of time household members have lived together and their ability to accommodate each other;
   c. Applicant's ability to cope effectively with change, stress, and anger;
   d. Applicant's experience providing care and supervision for children or vulnerable adults;
   e. Applicant's knowledge of or experience with human and child development;
   f. Applicant's method of discipline with the applicant's own children and the applicant's willingness to use positive discipline; and
   g. Applicant's willingness and ability to comply with licensing requirements;

7. Have income or resources to afford current expenses without regard to future reimbursement. The calculation of current expenses does not include the expense of caring for a foster child already living with the applicant.
   a. The applicant shall demonstrate compliance by completing the financial information on the application for licensure and by providing the licensing agency with bank statements, pay stubs, income tax forms, and other financial records that demonstrate income and resources that meet or exceed expenses.
   b. The licensing agency and OLR shall consider resources including:
      i. A reliable source of financial assistance or payment, including social security, Nutrition Assistance (formerly known as food stamps), Cash Assistance, adoption subsidy, and Women, Infants and Children; and
      ii. Reimbursement for medically complex and therapeutic homes, as certified under R21-6-331;
8. Have the support and agreement of all adult household members on the decision to be a foster parent;
9. Provide a safe home with sufficient space and privacy for a foster child, as described under R21-6-311 and R21-6-313;
10. Work cooperatively with a licensing agency and OLR; and
11. Comply with all licensing requirements specified in this Chapter.

B. OLR shall determine whether an applicant meets the licensing requirements for a foster parent based on information provided by the applicant and the licensing agency, including the application, home study, prior licensing history, and the professional judgment of the licensing agency.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-302. Requirements for Household Members

A. The applicant shall ensure that each adult household member participates in interviews necessary to evaluate the:
1. Role of the household member in the care and supervision of a foster child, and
2. Household member's support of and agreement with the applicant's decision to be licensed.

B. The applicant shall ensure that each adult household member provides the licensing agency with:
1. Information and consents needed to conduct background checks with the protective service registries in Arizona, and, if applicable, with the registries in other states the household member has lived in during the previous five years;
2. A completed health self-disclosure;
3. A physician's statement under R21-6-301(A)(5)(iii) if the household member will be providing care and supervision for a foster child;
4. A criminal record self-disclosure; and
5. Verification that the household member has a valid Level One fingerprint clearance card.

C. The applicant shall provide available immunization records that have been updated, as necessary, for each child household member. In accordance with A.R.S. § 8-509(I), the lack of updated or available immunization records shall not prohibit licensure, but may be grounds for restricting the license to prevent the placement of infants, young children, and medically complex individuals.

D. If a person, other than a foster child, moves into the household during the term of the license, the licensee shall:
1. Notify the licensing agency of additions to the household in accordance with R21-6-411;
2. Ensure that each new household member complies with the requirements specified in subsections (A), (B), and (C); and
3. Notify the licensing agency and obtain OLR approval of proposed changes in the sleeping arrangements for each household member and for each foster child.

E. The applicant's awareness that a household member failed to disclose full and accurate information may constitute grounds for an adverse licensing action if the applicant does not attempt to inform the licensing agency of the incomplete or inaccurate information.

F. Failure by a household member to pass a protective services registries background check, to obtain a fingerprint clearance card, or to cooperate with the licensing process may result in an adverse licensing action.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-303. Training Requirements

A. Before OLR issues an initial license, the applicant shall complete and submit evidence of completion of:
1. The minimum number of hours of training required by A.R.S. § 8-509;
2. The training curriculum approved by the Department, which includes training in how to exercise the reasonable and prudent parenting standard;
3. CPR training, which requires the demonstration of CPR skills, and is taught by an instructor certified by a nationally recognized association such as the American Red Cross, the American Heart Association, or the National Safety Council; and
4. First aid training, taught by:
   a. An instructor certified to teach first aid that conforms to the requirements of a nationally recognized association such as the American Red Cross or the National Safety Council; or
   b. A doctor of medicine, physician assistant, registered nurse, paramedic, or emergency medical technician who has a current license or certification to practice.

B. After, initial licensure as required by A.R.S. § 8-509 the foster parent shall:
1. In addition to CPR certification and first aid training complete a minimum of six hours of training on topics relevant to the health, growth, development, or welfare of a child, or as recommended by OLR, the licensing agency, or the Child Placing Agency;
2. Present evidence of current CPR certification that meets the standards specified in subsection (A)(3); and
3. Present evidence of current first aid training that meets the standards specified in subsection (A)(4).

C. The applicant or foster parent shall complete additional training required by the Department, licensing agency, or Child Placing Agency based on the specific needs of the foster parent or of a foster child.

D. OLR may waive the requirements for CPR and first aid training if the foster parent has current certification or licensure as a doctor of medicine, physician assistant, registered nurse, paramedic, or emergency medical technician.

E. OLR may waive the requirement for CPR training if an applicant or foster parent has a physical limitation preventing them from performing CPR, unless the applicant or foster parent

demonstrates that he or she can perform CPR with tools or devices designed for that purpose. A signed physician's statement shall document the limitation. OLR may, at its discretion, restrict the license of such a foster parent to a specific foster child or population.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-304. Life Safety Inspection

A. A foster parent is responsible for ensuring compliance with the Life Safety Inspection rules specified in Chapter 8 of this Title.

B. An applicant and foster parent shall cooperate with OLR and the licensing agency when performing the Life Safety Inspection.

C. OLR shall:
1. Conduct a full inspection to verify compliance with Life Safety Inspection rules:
   a. Before an initial license is issued,
   b. Before an amended license is issued for a new location, and
   c. At least every two years;
2. Conduct an inspection to verify compliance with specific Life Safety Inspection rules following notification of significant structural modifications to a home or the addition of a pool, as defined by R21-6-101(59); and
3. Permit and encourage the applicant or licensee to make necessary corrections at the time of an inspection. For corrections that cannot be made immediately, the inspector shall explain how OLR or the licensing agency will verify corrections at a later date.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-305. Nurturing Responsibilities

A foster parent shall nurture a foster child by:
1. Providing the child with opportunities to develop emotionally, socially, culturally, physically, and educationally, as appropriate to the child's skill and developmental level;
2. Helping the child develop a positive identity by respecting the child's race, ethnicity, religion, gender, culture, and sexual orientation;
3. Providing the child with opportunities to make choices and to express preferences appropriate to the child's age and developmental level;
4. Providing the child with a variety of safe and developmentally appropriate play equipment, toys, and recreational supplies;
5. Practicing positive discipline;
6. Assisting the child with day-to-day concerns;
7. Providing the child with assistance, comfort, and emotional support to ease the distress associated with coming into care and with related transitions;
8. Assisting in maintaining the child's connection to their family, friends, community, and culture; and
9. Providing opportunities for the child to contact family members by means of face-to-face contact, mail, telephone, or other modes of communication, unless otherwise directed by the Child Placing Agency.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-306. Supervisory Responsibilities

A. A foster parent shall commit the time necessary to provide each foster child with care and supervision in accordance with licensing requirements and based on the child's age, developmental level, and maturity.

B. A foster parent shall implement the alternative supervision plan, as prescribed by R21-6-331, or R21-6-332 as applicable, if the foster parent must leave any of the following foster children in the care of another person:
1. Medically complex child,
2. Child receiving therapeutic foster care, or
3. Child diagnosed with a developmental disability.

C. For routine child care of a foster child or unless prescribed in subsection (B), a foster parent shall have arrangements approved by the Child Placing Agency and the licensing agency. For the purpose of this subsection, "routine care" refers to care that is recurrent and predictable, including preschool, after school care, or care that allows the foster parent to attend recurring activities.

D. Except as prescribed in subsections (B) and (C), a foster parent may independently select an adult to provide short-term care or supervision that is not routine. For the purpose of this Section, "short-term" means a time period that does not exceed 24 hours in a nonemergency and does not exceed 72 hours in an emergency.
1. A foster parent shall use careful and sensible judgment in selecting an adult to provide short-term care or supervision for a foster child and shall ensure that the adult has the ability to meet the specific needs of a foster child.
2. Before leaving a foster child with an adult to provide short-term care or supervision, a foster parent shall provide the adult with:
   a. Information about the child's behavioral health, medical, or physical condition that is necessary for the adult to provide care;
   b. Medication prescribed to be administered to the child, and any relevant instructions for the administration of the medication; and
   c. Emergency information for contacting the child's physician, the Child Placing Agency, the licensing agency, and the foster parent.
3. The foster parent shall notify the licensing agency and obtain approval from the Child Placing Agency before the short-term care exceeds:
   a. Twenty-four hours in a nonemergency situation. Examples of a nonemergency situation include going out to dinner, running errands, grocery shopping, and participation in a special training activity.
   b. Seventy-two hours in an emergency situation. Examples of an emergency situation include a death in the family, serious illness of a family member, and foster parent illness.

E. A foster parent shall use careful and sensible judgment:
1. To protect each foster child from harm and teach the foster child to manage risks as permitted by the child's age, developmental level, and maturity; and
2. In determining when additional help or support is needed to ensure the health, well-being, and educational needs of a foster child.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-307. Reasonable and Prudent Parenting Standard

A. A foster parent shall use a reasonable and prudent parenting standard to promote normalcy for children in his or her care by

encouraging participation in age or developmentally appropriate activities to the greatest extent possible.

B. Such activities may include giving permission for a foster child to:
1. Spend time alone or with friends;
2. Participate in clubs or extracurricular activities, or on teams: and
3. Attend birthday parties with friends or sleep-overs.

C. A foster parent's exercise of the reasonable and prudent parenting standard, shall not conflict with any appropriate court order or case plan.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-308. Positive Discipline

A. A foster parent shall:
1. Provide positive discipline that is appropriate to the age, life experience, and developmental level of a foster child;
2. Establish well-defined and clearly communicated rules that set the limits of behavior;
3. Develop and implement reasonable, developmentally appropriate, and consistent rewards and consequences;
4. Use disciplinary methods that help a foster child build self-control, self-reliance, and self-esteem;
5. Inform the Child Placing Agency and the licensing agency of behaviors displayed by the foster child that endanger the health, safety, or well-being of the child or others; and
6. Abide by Department policy and rule related to positive discipline and prohibited practices under subsection (B).

B. A foster parent shall not use or threaten to use, or engage in and shall not permit any other person to use or engage in, the following or similar punishment or maltreatment of a foster child:
1. Any form of physical punishment, including hitting, spanking, biting, pinching, shaking, slapping, smacking, punching, or kicking;
2. Deprivation of essential nutrition, clothing, bedding, shelter, medical care, or sleep;
3. Force-feeding, except as prescribed by a licensed medical professional;
4. Locked confinement in a room or small area;
5. A consequence that requires a foster child to remain silent or motionless or to be isolated for a time period that is not developmentally appropriate;
6. Mechanical restraint. A mechanical restraint is an article, device, or garment that:
   a. Restricts a foster child's mobility, freedom of movement, or the movement of a portion of a child's body;
   b. Cannot be removed by the foster child; but
   c. Does not include an orthopedic, surgical, or medical device that allows a foster child to heal from a medical condition or to participate in a treatment program.
7. Humiliation, verbal abuse, or profane language targeting a foster child;
8. Derogatory remarks about the foster child, the child's identity, or about a person who is significant to the child;
9. Threats to remove the foster child from the home;
10. Cruel, severe, depraved, humiliating, or frightening actions or statements;
11. Noxious stimuli as a consequence, including putting soap, vinegar, or hot sauce into a foster child's mouth;
12. Denial of a foster child visitation or communication with the child's birth family members or with a significant person when such denial is not approved by the Child Safety Worker, the Child Safety Worker's supervisor, or ordered by the Court; or
13. Over-the-counter or prescription medication for the purpose of restraining or sedating a foster child without a physician's order.

C. A foster parent shall notify the Child Placing Agency and the licensing agency within 24 hours of a physician ordering a medication for the purpose of behavior management.

D. The use of physical restraint of a foster child is prohibited except to protect a foster child, foster parent, or another person from imminent physical harm resulting from a foster child's sudden, out-of-control behavior.
1. Only a foster parent specifically trained in crisis intervention may use physical restraint on a foster child.
2. No person shall use physical restraint for the purposes of discipline or convenience.
3. A trained foster parent shall administer physical restraint in the least restrictive manner possible to protect the child or others and cease when the child becomes calm.
4. A foster parent shall notify the Child Placing Agency and the licensing agency within 24 hours of the use of physical restraint as required by R21-6-326.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-309. Capacity Requirements

A. The maximum capacity of a license shall not exceed five foster children, and may be restricted to fewer than five, if the foster home provides special services under R21-6-331 or an increase is not justified under subsection (F).

B. The total number of children in a foster home at one time, including the children of the foster parent and the children of a household member, shall not exceed eight.

C. Subject to subsection (F), OLR may permit an applicant or licensee to exceed the maximum number of children in the home:
1. To keep a sibling group together, if approved in writing by the DCS Director's office or designee;
2. If the total number of foster children exceed five and the additional requirements specified in R21-6-331 are met for a Group Foster Home; or
3. If the children living in the applicant or licensee's home would exceed eight, including any foster children, and the applicant or licensee meets the requirements of subsection (F);
4. To keep a foster child in the home as of the effective date of this Section.

D. The total number of children in the foster home at one time, including the children of the foster parent and any household member, any child placed for respite care, child care services, or babysitting shall not exceed:
1. Four who are five years of age or younger in the care of one adult; and
2. Two who are less than one year of age in the care of one adult.

E. OLR may permit the licensee to exceed the age limits of children in the foster home, as specified in subsection (D), to accommodate multiple birth siblings.

F. Recommendations of the licensing agency and decisions of OLR to establish or increase the capacity of a foster home or to exceed the limits as indicated in subsections (B) and (C), shall be justified by:

1. Adequate sleeping arrangements (as specified by R21-6-310 and R21-6-311),
2. The support network available to the foster parent, and
3. The licensee's willingness and ability to provide care for each additional foster child.

G. A foster parent is limited to the capacity, age, gender, and other conditions or restrictions specified on the license when providing care, including respite care.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-310. Sleeping Arrangements

A. The sleeping arrangement for each foster child shall be safe and appropriate, based on the child's age, gender, special needs, behavior, and history of abuse or neglect.

B. A foster parent shall ensure compliance with the following sleeping arrangements:
1. A foster child shall not share a bedroom with an adult, with the following exceptions:
   a. A foster child less than the age of three years may share a bedroom with a foster parent.
   b. A foster child age three years and older may share a bedroom with a foster parent when:
      i. The child temporarily needs the attention of the foster parent during sleeping hours, or
      ii. The sleeping arrangement and the reason for it are approved by the Child Placing Agency.
   c. A foster child who has regularly shared a bedroom with another child who has turned 18 years of age may continue to share the bedroom unless the Child Placing Agency determines that the arrangement is contrary to the best interests of the foster child.
2. Any child in the home, aged six years and older, shall not share a bedroom with a foster child of the opposite gender, except as permitted by subsection (C).

C. A foster child, aged six years and older, may share a bedroom with a sibling of the opposite gender:
1. When the Child Placing Agency grants written approval for the purpose of facilitating a smooth transition for a child into the foster home;
   a. The Child Placing Agency shall limit such approval to the first 60 days of placement; unless
   b. The Child Placing Agency makes a written finding after 60 days and annually thereafter that is consistent with the case plan of all siblings sharing the bedroom and it is in the best interest of all of the siblings to continue to share the bedroom;
2. When there are no safety issues, such as that listed in subsection (C)(3)(a) and
3. The Child Placing Agency shall not grant approval:
   a. If either child has a history of sexual abuse, or
   b. Solely for the convenience of the foster parent,

D. A foster child who is a minor parent may share a bedroom with his or her child.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-311. Bedrooms, Beds, and Bedding

A. The placement of a foster child shall not displace another foster child or a household member from a bedroom to a space unrelated to sleeping.

B. A foster parent shall provide a foster child with a bedroom that accommodates the privacy and safety needs of the child and that is a finished room demonstrated by:
1. Floor-to-ceiling walls,
2. A door with a working doorknob or latch,
3. Lighting,
4. Ventilation,
5. Appropriate heating and cooling, and
6. A window or door that opens directly to the outdoors and is accessible for emergency evacuation.

C. A foster parent shall not use a space used as a closet, passageway, or primarily for purposes unrelated to sleeping as a bedroom for a foster child.

D. The bedroom for a foster child shall be large enough to accommodate a bed, furniture to store and display personal belongings, and space for the child to dress and move about.

E. A foster parent shall provide each foster child with a bed that is safe and appropriate based on the child's age and special needs. For the purpose of this Section, "bed" does not include sleeper sofas, rollaway beds, couches, cots, portable crib such as Pack 'n Play, sleeping bags, or mats, unless approved by OLR on a temporary basis not to exceed six days.
1. A foster parent shall ensure that:
   a. Each foster child is provided with a separate bed or crib, as appropriate;
   b. A foster child less than the age of three years does not sleep on a waterbed; and
   c. A foster child does not sleep on the top tier of a bunk bed or similar style bed in which the top of the mattress is elevated four or more feet above the floor, if the child:
      i. Is less than the age of six years,
      ii. Has a disability that limits mobility, or
      iii. Has a seizure disorder.
2. A foster parent may:
   a. Provide a foster child with a used mattress if the mattress is sanitary; and
   b. Allow a foster child not identified by subsection (E)(1)(c) to sleep in a bunk bed or similar style bed in which the top of the mattress is elevated four or more feet above the floor, if:
      i. The top bunk is securely fastened to the side frames;
      ii. The top bunk has guard-rails that extend at least five inches above the mattress surface to prevent a child from rolling off;
      iii. The top bunk has cross ties or other secure structures under the mattress foundation to prevent the mattress from falling through the frame;
      iv. The distance between the two beds or between the top bunk and the ceiling is sufficient to allow the child to sit upright while in bed; and
      v. The bunk bed does not exceed two tiers.

F. A foster parent providing respite care for a foster child may use a sleeper sofa, rollaway bed, couch, cot, portable crib such as a Pack 'n Play, sleeping bag, or mat as an acceptable sleeping accommodation provided that:
1. The respite care does not exceed 14 consecutive days, and
2. The accommodation does not compromise the health or safety of the child.

G. Except as provided in subsection (H), bedding for a foster child shall be clean and shall include:
1. A pillow;
2. Bottom or fitted sheet;
3. A top sheet, blanket, or cover, as appropriate; and
4. A waterproof mattress cover, as needed.

H. Bedding for infants shall be clean and shall not include pillows, blankets, bumper pads, or other soft items or surfaces.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-312. Meals and Nutritional Needs
A foster parent shall:
1. Encourage a foster child to participate in meals as a member of the family;
2. Provide a foster child with a well-balanced and nutritionally adequate diet; and
3. Provide for the special dietary needs of a foster child, as determined by a medical or nutritional authority or as is customary in the child's religion or culture.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-313. Hygiene and Daily Needs
The foster parent shall provide a foster child with:
1. Clean clothing and shoes that are in good repair and appropriate to the child's age, size, developmental level, gender, gender identity, the weather conditions, and the occasion;
2. The supplies, instruction, and assistance needed to care for the child's hygiene, including tooth brushing, bathing, hair care, using the toilet, hand washing, diapering, menstrual care, and shaving, as appropriate; and
3. Privacy while dressing, bathing, and during the care of other personal needs, as developmentally appropriate.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-314. Health and Medical Care
The foster parent shall protect and care for the health and well-being of a foster child and:
1. Provide necessary first aid and care to treat common childhood ailments and injuries;
2. Obtain 10 well-child visits for each child aged from birth to two years as described in subsections (a)-(h) below. A well child visit includes both a medical and vision examination as appropriate to the child's age. A foster parent shall obtain a well-child visit when a foster child is the following ages:
   a. Three to five days:
   b. One month;
   c. Two months;
   d. Four months;
   e. Six months;
   f. Nine months;
   g. Twelve months; and
   h. Fifteen Months;
3. Obtain an annual well-child visit for each child older than two years of age.
4. Obtain routine dental examinations for each foster child older than one year of age at least once every six months and more frequently as needed for other services, such as filling cavities and orthodontics;
5. Review the child's medical, vision, and dental records if available; and if the foster child has not had a medical, vision, or dental exam within the past year, the foster parent shall schedule the child for an exam within two weeks after the foster child is placed with the foster parent;
6. Obtain necessary care and treatment for medical, vision, dental, behavioral health, and other services identified in the placement agreement specified under R21-6-314;
7. Obtain immunizations based on the current recommended immunization schedule published by the Centers for Disease Control and Prevention, unless specified otherwise in the care plan for the foster child;
8. Administer prescription medication only as prescribed and ensure no lapse occurs in the administration of the prescription medication to the foster child;
9. Carry out the written and verbal instructions from qualified professionals regarding the medical, vision, dental, and therapeutic needs of the foster child and notify the Child Placing Agency when written and verbal instructions from multiple medical professionals conflict; and
10. Ensure that a foster child, 12 months of age and younger, is placed to sleep on the foster child's back to reduce the risk of Sudden Infant Death Syndrome (SIDS), unless otherwise authorized in writing by the child's physician.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-315. Smoking Restrictions
To reduce the risk of secondhand smoke, the foster parent shall ensure that smoking any substance, including tobacco, e-cigarettes, and prescribed marijuana through any delivery system, is prohibited and does not occur at any time in the foster home, or at any time when a foster child is present in a vehicle used to transport a foster child.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-316. Transportation Responsibilities
A. A foster parent shall provide or arrange appropriate local transportation to meet the routine educational, medical, recreational, social, religious, and therapeutic needs of a foster child.
B. When a foster child is transported by or at the direction of a foster parent, the foster parent shall ensure that the vehicle, at a minimum:
1. Is maintained in safe operating condition;
2. Is properly licensed, registered, and has liability insurance; and
3. Has passenger safety restraints available and:
   a. Each foster child less than the age of five years or weighing less than 40 pounds is properly secured in a child car seat and child restraint system that is appropriate to the height, weight, and physical condition of the child;
   b. Each foster child five to eight years of age who weighs more than 40 pounds, but is less than four feet nine inches in height is properly secured in a child restraint system that is appropriate to the height, weight, and physical condition of the child;
   c. Each foster child not covered by subsections (a) and (b) is properly secured with a seat belt;
   d. Each foster child with a disability that prevents the child from maintaining head and torso control while sitting is secured in a car bed, harness, or other device designed to protect the child during transportation; and
   e. If a foster child is transported in a wheelchair, the child is properly secured with a floor-mounted seat

belt, and the wheelchair is properly immobilized using lock-down devices.

C. A foster parent shall not leave a foster child unattended during transportation if the child:
   a. Is less than seven years of age;
   b. Has a developmental disability; and
   c. Is more than seven years of age and that the child is physically and emotionally incapable of traveling alone;

D. The Child Placing Agency shall ensure that the foster parent has all of the equipment in place and properly installed to meet the requirements of subsection (B) prior to placement.

E. A foster parent shall ensure the following safety requirements for drivers selected by the foster parent to transport a foster child:
   1. The driver has a valid driver license; and
   2. The driver practices safe, defensive driving and obeys all traffic laws.

F. A child shall not be transported in a truck bed, cargo area, camper, or in a trailer attached to a motor vehicle.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-317. Education and Development
The foster parent shall:
1. Communicate developmental and educational progress and challenges to the Child Safety Worker or Child Placing Agency, including any noted developmental delays;
2. Send a school-age foster child to public school unless alternative educational arrangements, such as private or home schooling, have been approved in the child's case plan, by the Child Safety Worker's supervisor, or the Child Placing Agency supervisor;
3. Work with the Child Safety Worker or Child Placing Agency to determine educational needs beyond those provided in the school setting and make reasonable efforts to obtain these educational services that are available from the school, district, or other providers for education services;
4. Encourage the foster child's academic progress by making reasonable efforts to ensure the completion of homework and participating in parent-teacher conferences, the Individualized Education Program (IEP), and Individualized Family Service Plan (IFSP) Meetings, as appropriate; and
5. Make reasonable effort to:
   a. Ensure school attendance; and
   b. Schedule appointments, visitations, and other activities during hours that do not interfere with school.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-318. Religious and Cultural Practices

A. The foster parent shall:
   1. Protect and support a foster child's right to participate in the child's religious and cultural practices,
   2. Coordinate with the licensing agency or Child Placing Agency, to provide opportunities for a foster child's participation in the child's religious and cultural activities, and
   3. Not compel a foster child to participate in the foster parent's religious or cultural activities if it is contrary to the child's cultural or religious practices or the wishes of the child's birth parent.

B. If there is a conflict between the religious or cultural practices of a foster parent and a foster child, the foster parent shall notify the licensing agency, which shall notify the Child Placing Agency, so that alternative arrangements may be made.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-319. Recreation
The foster parent shall:
1. Encourage a foster child to participate in appropriate indoor and outdoor recreation;
2. Provide adequate supervision, protection, and guidance during the use of recreational equipment, including swimming pools;
3. Ensure that the use of recreational equipment is in accordance with manufacturers' guidelines; and
4. Promote the foster child's use of appropriate safety gear for recreational activities.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-320. Out-of-State Travel
Before taking a foster child out of Arizona for more than seven consecutive days, a foster parent shall notify the licensing agency and Child Safety Worker of the destination and dates of travel.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-321. Rights of a Foster Child

A. A foster parent shall ensure that the rights of a foster child as listed in A.R.S. § 8-529 are protected and upheld. In addition, a foster child has the right to:
   1. Live in a safe, clean, and humane environment;
   2. Be free to express their gender identity and sexual orientation;
   3. Be free from physical, sexual, emotional, or other abuse;
   4. Be treated with dignity and respect by foster parents and household members;
   5. Protection from exploitation and to learn the skills needed to protect him or herself from exploitation;
   6. Protection for and access to his or her adaptive aids, if applicable;
   7. Retain personal belongings when moving from the foster home, including usable clothing, furniture, electronic equipment, bicycles, toys, and other items purchased specifically for or given to the child;
   8. Access his or her personal spending money, unless access is limited by the Child Placing Agency as part of a documented plan approved by the Child Placing Agency such as a plan to protect the child from exploitation or a pattern of misuse;
   9. Be taught how to manage personal spending money;
   10. Assume responsibility for some household duties in accordance with the child's age, health, and ability; assigned responsibilities and tasks shall not deprive the child of school, sleep, reasonable play time, or study periods;
   11. Participate in activities as a member of the family, including meals, outings, and celebrations;
   12. Participate in extracurricular, enrichment, social, and community activities, including sports, school activities, cultural programs, and religious groups based on a reasonable and prudent parenting standard. This participa-

tion may be restricted by reasonable curfew, cost considerations, a court order, or as agreed upon by the foster parent and the Child Placing Agency;
13. Be encouraged to have contact with and visit family members, consistent with the case plan, unless prohibited by court order;
14. Have visitors, within reasonable boundaries established by the foster parent, and unless prohibited by court order;
15. Confidential communication with his or her Child Safety Worker or Child Placing Agency, advocates, attorney, guardian ad litem, and guardian; and
16. Express dissatisfaction with or file a complaint against a foster parent or the Child Placing Agency without retaliation.

B. A foster child over the age of puberty, or as early as can be reasonably expressed by the child, shall have the right to specify the gender of the person to assist the child with personal care, if needed and appropriate.

C. A foster child with a disability has the right to participate in typical daily activities with the least amount of physical assistance necessary to accomplish the task and to live in a home adapted to protect the child and to assist the child in experiencing developmentally appropriate independence.

D. If a foster parent is not able to protect or uphold one or more of the above rights, the foster parent shall immediately notify the Child Placing Agency and the licensing agency so that alternative arrangements or assistance may be made to protect the rights of the child.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-322. Confidential Information

A. A foster parent shall protect and maintain the confidentiality of a foster child, by protecting and safeguarding all personally identifiable information about a foster child and his or her family.

B. Information related to the reason for a foster child's placement or related to a foster child's family is considered confidential information, under A.R.S. § 8-807 and A.R.S. § 8-502.

C. A foster parent may only share a child's confidential information strictly on a need-to-know basis:
1. With health care providers, schools, child care providers, and legal representatives, as appropriate; or
2. As authorized by the Child Placing Agency or guardian.

D. A foster parent shall not share information or photos that identify a child as a foster child on the internet, including social media.

E. A foster parent shall not share a foster child's information or photos that identify the child as a foster child, unless there is a need to know, with other individuals or organizations, including friends, co-workers, relatives, and neighbors.

F. A foster parent shall safeguard and maintain a foster child's records in a manner that prevents loss, tampering, or unauthorized access or use.

G. Failure to keep confidential a foster child's records or information may result in an adverse licensing action.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-323. Information and Records to Be Provided to the Foster Parent

A. The Child Placing Agency shall provide a foster parent with the following documents and information, to the extent that this information is available for each foster child within 30 days:
1. The insurance card or insurance identification number and written consent authorizing the foster parent to access medical records and obtain routine, nonsurgical, and emergency medical care for the child;
2. A summary of the child's medical history and the name of the child's last known physician;
3. A summary of the child's education history and the name of the school most recently attended by the child;
4. A summary of the child's social history;
5. Restrictions or limitations to the sharing of confidential and personally identifiable information about the child;
6. Information about the child's behavioral health, medical, or physical condition that is necessary or beneficial to provide quality care;
7. Medication that is prescribed to be administered to the child, and any relevant instructions for the administration of the medication;
8. The religious and cultural beliefs and preferences of the child and of the child's birth family;
9. Emergency contact information for the child, including a means to contact the Child Placing Agency;
10. Placement packets from prior placements, if applicable;
11. A copy of the child's case plan; and
12 A placement agreement that specifies the following:
    a. Requirements and restrictions related to the child's diet, personal care, and activities;
    b. Requirements and restrictions related to the supervision of the child;
    c. Requirements and restrictions for interaction with the child's family and other persons;
    d. The person responsible for obtaining and transporting the child to needed services. These services include medical care, vision care, dental care, counseling, and other services or treatment;
    e. A plan for the purchase, installation, and maintenance of environmental modifications to accommodate the disabilities of a child, if applicable; and
    f. A plan for the completion of training needed by the foster parent to care for the special needs of the child, if applicable.

B. A foster parent shall sign and abide by the placement agreement, described in subsection (A)(12).

C. A foster parent shall maintain and store the foster child's records from DCS in a secure place.

D. The foster parent shall not use the information obtained to initiate discussions of the child's history or experience of abuse or neglect with the child.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-324. Records Maintained by the Foster Parent

A. A foster parent shall maintain a record throughout the care of the foster child of:
1. Each foster child's contact with family members and other significant persons; and
2. Educational, medical, vision, dental, or therapeutic care provided to the foster child while living in the home.

B. At the discretion of the Department or the licensing agency, a foster parent shall, when requested, provide proof of how the funds designated for a foster child were expended.

C. A foster parent shall safeguard a foster child's records to prevent loss, tampering, and unauthorized access.

D. A foster parent shall collect and maintain information and materials significant to a foster child's personal history. The collection is sometimes referred to as a "life book":
1. Typically includes photos, letters, report cards, school projects, artwork, and souvenirs; and
2. Is the property of the child and will go with the child if he or she moves from the foster home.

E. Within seven days of the end of a foster child's placement in a home, the foster parent shall provide the Child Placing Agency with:
1. The records described in subsection (A); and
2. A written description of the child's daily routine, personal preferences, and habits.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-325. Participation in the Service Team

A. The purpose of the service team is to ensure collaboration on the development and review of a foster child's case plan. A foster parent is a member of the service team for each foster child in his or her care. The service team also includes:
1. The foster child, as appropriate to the child's age and developmental level;
2. The foster child's family, including persons who have a significant relationship with the family or the child;
3. A representative of the Child Placing Agency;
4. A representative of the licensing agency;
5. Court-appointed advocates; and
6. Persons providing services to the foster child, including attorneys, physicians, therapists, teachers, tribal representatives, and law enforcement personnel.

B. A foster parent shall participate as a member of the service team by:
1. Attending team meetings when:
   a. The foster parent receives reasonable advance notice of the date, time, and location of the meeting; and
   b. The meetings are held at a time and place that is accessible to the foster parent and compatible with the foster parent's work and child care schedules.
2. Participating in team meetings through alternative means, which may include:
   a. Conference calls, and
   b. Providing advance comments to the Child Placing Agency or to other team members who will attend the meeting.
3. Reporting to the team on the child's progress and concerns.
4. Assisting in the review and development of the case plan.
5. Assisting the child in attending and participating in meetings, as appropriate to the child's schedule, age, and developmental level.

C. A foster parent shall implement the case plan by:
1. Performing the tasks assigned to the foster parent in the case plan;
2. Helping a foster child to attain the goals identified in the case plan; and
3. Helping a foster child to obtain services specified in the case plan.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-326. Notification Requirements; Unusual Incident

A. A foster parent shall immediately notify the Child Placing Agency and licensing agency of the following incidents. For the purpose of this section, "immediately" means as soon as possible, following the notification of emergency services (911).
1. Death of a foster child;
2. Unexplained absence of a foster child;
3. Unauthorized removal or attempted removal of a foster child from the care and supervision of the foster parent;
4. A serious illness, injury, or mental health crisis of a foster child requiring hospitalization or emergency room treatment;
5. An allegation or the discovery of a sign of abuse or neglect of a foster child;
6. Arrest of a foster child or the involvement of a foster child with law enforcement that does not lead to arrest;
7. Fire or other situation requiring overnight evacuation of the home;
8. Incidents that involve or are likely to involve the media; or
9. Any other unusual incident that seriously jeopardizes the health, safety, or well-being of a foster child.

B. A foster parent or the licensing agency shall document the incident on a form provided by the Department.

C. A foster parent shall notify the Child Placing Agency and the licensing agency within 24 hours of the following incidents:
1. Injury, illness, change of medication, or medication error that requires a foster child to be seen by a doctor of medicine, physician assistant, or registered nurse practitioner;
2. Theft of money or property belonging to a foster child;
3. Significant damage to the property of a foster child;
4. Injury to others or significant damage to the property of others caused by a foster child;
5. The use of physical restraint to control a foster child's sudden, out-of-control behavior;
6. Arrest of a household member or involvement of a household member with law enforcement that does not lead to an arrest;
7. Changes in the household that affect the foster parent's ability to meet the needs of the foster child;
8. Life-threatening illness, injury, or the death of a household member; or
9. Incidents involving a DCS Report or investigation.

D. Within 24 hours of the occurrence of an incident specified in subsection (A) or (C), a foster parent shall provide the licensing agency in writing with:
1. A description of the incident, including the date and time of occurrence;
2. The names and contact information for any persons involved in the incident;
3. The names and contact information for any person who witnessed the incident; and
4. The measures taken by the foster parent to address, correct, or resolve the incident.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-327. Notification Requirements; Home or Household Changes

A. A foster parent shall notify the licensing agency of any changes in the family or household composition, as soon as the foster parent is aware of the change including:
1. Marriage of a foster parent;
2. Divorce or separation of a foster parent;
3. Death of a foster parent or of a household member;
4. Addition or departure of a household member from the home, including the birth or adoption of a child;

5. Any changes in the living arrangements or circumstances of the unlicensed spouse when a foster parent is married but licensed individually under R21-6-408(B); or
6. The addition of a visitor or household member to the foster home for:
   a. 30 or more consecutive days, or
   b. 30 or more cumulative days in a year.

B. A foster parent shall notify the licensing agency of substantial changes to the home, foster home, or premises, including:
1. Moving or relocation to another home;
2. The addition of a pool, as defined in Article 1 of this Chapter; or
3. Significant structural modifications to the home. For the purpose of this section, "structural modification" includes:
   a. Adding or removing walls, windows, or doors; or
   b. Converting a garage, attic, basement, or other similar space into a bedroom.

C. If a foster parent has advance knowledge of an event or change listed in subsection (A) or (B), the foster parent shall give the licensing agency reasonable advance notice of the anticipated event or change. "Reasonable advance notice" means notice that permits sufficient time for:
1. The licensing agency to request a Life Safety Inspection, in accordance with R21-6-211;
2. OLR to issue an amended license, as prescribed in R21-6-410; and
3. The foster parent to continue providing care and supervision in the licensed foster home without disruption of the placement.

D. The foster parent shall notify and obtain approval from DCS and the licensing agency before receiving a child from a Child Placing Agency, other than DCS.

E. Failure to notify the licensing agency of an event or change may result in an adverse licensing action.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-328. Emergency and Disaster Plan

A. A foster parent shall develop and maintain in the home a written emergency and disaster plan that includes:
1. Contact information for each foster child, including the name and telephone number of the primary care physician and the Child Placing Agency;
2. An evacuation plan for the home, as required by Chapter 8 of this Title; and
3. A plan for relocation from the home in the event of displacement due to flood, fire, the breakdown of essential appliances, or other disasters.

B. A foster parent shall provide a copy of the relocation plan to the Child Placing Agency for each foster child and to the licensing agency.

C. As appropriate to the foster child's age and developmental level, a foster parent shall review and practice the evacuation plan with the child:
1. Within 72 hours of the child's placement in the home,
2. Within 72 hours of the foster parent's relocation to another home, and
3. At least once each year following the child's placement in a foster home.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-329. Special Provisions for Respite Care

A. A foster parent who provides respite care shall comply with all foster home requirements.

B. A foster parent who provides respite care may simultaneously provide respite care, family foster care, and receiving care so long as the total number of children in the foster home at any one time does not exceed the ratios prescribed in R21-6-309 and the terms of the foster home license.

C. A foster parent who provides respite care shall request and receive information and instruction from the regular foster home licensee on at least the following:
1. Information and instruction about the specific personal care of a child in respite care;
2. Information and instruction about the provision of medications required by a child in respite care;
3. Behavior management policies and practices and specific instructions for a child in respite care; and
4. Emergency contacts and telephone numbers for a child in respite care.

D. A foster parent who provides respite shall comply with the requirements of R21-6-316. The respite provider shall have properly installed and adequate safety restraints and child car seats appropriate to the foster child's age for each child in respite care being transported. A foster parent may provide the equipment required by this subsection to the respite provider.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-330. Special Provisions for an In-home Respite Foster Parent

A. A person applying for licensure solely as an in-home respite foster parent shall comply with all requirements in this Chapter except as otherwise provided in this Section.

B. An applicant for an in-home respite foster parent is not required to provide the following:
1. Immunization records for each child in the applicant's household as required by R21-6-403;
2. Documentation of sufficient income as required by R21-6-403;
3. A statement explaining the child care arrangements the applicant would make for a foster child, or the applicant's own children, during the applicant's working hours;
4. A statement explaining how activities related to a business activity will not interfere with the care of a foster child;
5. A description of the applicant's home and neighborhood;
6. Fingerprinting or a criminal history check for household members, other than the applicant for in-home respite care, as required by R21-6-302; and
7. Contact information for the foster child's Child Safety Worker.

C. The following rules do not apply to a person seeking licensure solely as an in-home respite foster parent:
1. R21-6-304. Life Safety Inspections;
2. R21-6-311. Bedrooms, Beds and Bedding;
3. Life Safety Inspection requirements in Chapter 8 of this Title;
4. R21-6-314. Health and Medical Care; subsections (2)-(5);
5. R21-6-323. Information and Records to be Provided to the Foster Parent, specifically the Placement Agreement requirements;
6. R21-6-324. Records Maintained by the Foster Parent, except to document any behavioral health incidents, medical care, provision of medication, and any other event or

service required by the case plan or which may be requested by the regular foster parent while the in-home respite foster parent has responsibility for the foster child in care;
7. R21-6-325. Participation in the Service Team, unless requested to do so;
8. R21-6-326. Notification Requirements; Unusual Incident, subsection (C)(7), unless the change or event directly affects the licensee's ability to provide respite care and comply with these rules; and
9. R21-6-327. Notification Requirements: Home or Household Changes, unless the change or event directly affects the licensee's ability to provide respite care and comply with these rules.

D. An in-home respite foster parent shall request and receive information and instruction from the foster parent on at least the following:
1. Information and instruction about the specific personal care of a foster child in respite care;
2. Information and instruction about the provision of medications required by a foster child in respite care;
3. Behavior management policies and practices and specific instructions for a foster child in respite care; and
4. Emergency contacts and telephone numbers for a foster child in respite care;
5. Household policies and practices for emergency situations; and
6. Routine household management practices that will provide for continuity in operation of the foster home for the comfort and support of a foster child in care.

E. An in-home respite foster parent shall not permit any unlicensed person to accompany or assist the in-home respite foster parent while providing respite care.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-331. Requirements for Certification to Provide Specialized Services

A. A license for a foster parent is a regular license.

B. If the foster parent has met the additional requirements for certification to provide specialized services, OLR shall document the area of certification on the regular license. If more than one person is identified on the license, both shall meet the additional requirements for certification to provide a specialized service; except the foster parent who is not the primary care giver is exempt from compliance with subsections (E)(1)(a), (E)(2)(a) and (b), (E)(3)(b) and (c), and (E)(4).

C. The foster parent shall comply with the requirements specified in this Section to renew the certification.

D. The certification to provide a specialized service:
1. Does not change the renewal date of the regular license; and
2. Shall expire at the next renewal date of the regular license.

E. The classes of foster homes that provide specialized services and the certification requirements are:
1. Receiving Foster Home. This is a home in which the licensed foster parent receives a foster child with limited notice and provides care for a limited period of time. The foster parent for a receiving foster home shall:
   a. Have three months' successful experience in child welfare, foster care, health care, education, or a related profession as approved by OLR. "Successful experience" means that the foster parent has been responsible for the health, safety, and well-being of a child for a minimum of 20 hours per week without any negative actions, such as termination for cause;
   b. Assist the Child-Placing Agency in assessing the needs of each foster child placed on an emergency basis;
   c. Assist the Child-Placing Agency in transitioning the foster child to another care setting.
   d. Shall be prepared to accept a foster child, according to the capacity and terms of the foster home license, 24 hours per day, seven days per week; and
   e. May be approved to simultaneously provide receiving care, family foster care, and respite care so long as the total number of children in the foster home at any time does not exceed the number approved in the regular foster home license, or any of the other limitations of the regular foster home license.
2. Medically Complex Foster Home. This is a foster home that is licensed with a maximum capacity of three foster children, and each foster parent has completed specialized training to provide care to foster children identified by the Department as having medically complex needs. Children with medically complex needs include those who have or are at risk for chronic physical or developmental conditions and who require health-related services beyond that required by children in general. The foster parent for a Medically Complex Foster Home shall:
   a. Have one of the following minimum experience or education:
      i. One year's experience as a licensed foster parent; or
      ii. Licensed or certified as a healthcare professional, such as a doctor, nurse, or certified nursing assistant; or
      iii Three months' successful experience in child welfare, foster care, health care, education, or a related profession as approved by OLR. "Successful experience" means that the foster parent has been responsible for the health, safety, and well-being of a child or adult with medically complex needs for a minimum of 20 hours per week without any negative actions, such as termination for cause; or
      iv. A bachelor's or graduate degree in healthcare, such as medicine or nursing.
   b. Not have employment or commitments that interfere with the foster parent's ability to meet the foster child's medical needs and schedule;
   c. Use adaptive equipment and encourage the foster child to use adaptive equipment to facilitate the child's participation in daily living activities;
   d. Provide the foster child with opportunities to participate in community activities on a regular basis unless there is a compelling medical reason not to do so;
   e. Develop and follow an alternate supervision plan, approved by the Department, Child Placing Agency, and the licensing agency, if the foster parent is not available to provide primary care and supervision to foster children with medically complex needs. The alternate supervision plan shall include:
      i. The name of each adult, age 18 years and older, who can provide supervision if the foster parent is not present;
      ii. Information about the foster child's medical, physical, or behavioral health condition that is necessary to provide care;

iii. Medication that is prescribed to be administered to the foster child while the foster parent is not present and any relevant instructions for the administration of that medication;
iv. Specialized training necessary to provide care and supervision; and
v. Emergency contact information for the foster child, including a means to contact the foster parent, the licensing agency, and the Child Placing Agency.

f. In addition to the training specified under R21-6-303, complete a minimum of 18 hours of training approved by the Department, prior to certification that includes:
i. An overview of the assessment categories for children defined as having medically complex needs by the Department;
ii. Medical and health care issues, procedures, and techniques;
iii. The purpose and safe use of medications;
iv. Overview of medication interactions and potential medication reactions; and
v. Positive behavior development;

g. Complete training to care for the special needs of a foster child, as indicated in the placement agreement; and

h. In addition to the training specified under R21-6-303, complete a minimum of 12 hours of specialized training prior to license renewal related to the medically complex needs of children and other approved topics by the Department that include:
i. Medical and health care issues, procedures, and techniques;
ii. The purpose and safe use of medications;
iii. Overview of medication interactions and potential medication reactions;
iv. Positive behavior development; and
v. Specialized training related to the medically complex needs of children.

3. Therapeutic Foster Home. This is a foster home that is licensed with a maximum capacity of three foster children, and each foster parent has received specialized training to provide care and services within a support system of clinical and consultative services to foster children with special behavioral health needs, as identified by the Department. In addition to meeting the requirements for a regular license, the foster parent for a Therapeutic Foster Home shall:
a. Be at least 21 years of age, and
b. Have at least one of the following minimum experience or education:
i. One year's experience as a licensed foster parent;
ii. Three months' successful experience in child welfare, foster care, behavioral health, education, or a related profession as approved by OLR. "Successful experience" means that the foster parent has been responsible for the health, safety, and well-being of a child or adult with behavioral health needs for a minimum of 20 hours per week without any negative actions, such as termination for cause; or
iii. A bachelor's or graduate degree in health care, social work, psychology, or a related behavioral health field.
c. Not have employment or commitments that interfere with the foster parent's ability to meet the foster child's special behavioral health needs, including supporting the foster child and as applicable, participating in in-home and community based services;
d. Provide the foster child with opportunities to participate in developmentally appropriate community based activities on a regular basis;
e. Develop and follow an alternate supervision plan, approved by the Child Placing Agency and the licensing agency, if the foster parent is not available to provide primary care and supervision for a foster child with treatment needs. The alternate supervision plan shall include:
i. The name of each adult, age 21 years and older, who can provide supervision if the foster parent is not present;
ii. Information about the foster child's behavioral, health, medical, or physical condition that is necessary to provide care;
iii. Medication that is prescribed to be administered to the foster child while the foster parent is not present and any relevant instructions for the administration of that medication;
iv. Specialized training taken by individuals in subsection (i) that is necessary to provide care and supervision of the foster child; and
v. Emergency contact information for the foster child, including a means to contact the foster parent, the licensing agency, and Child Placing Agency.
f. In addition to the training specified under R21-6-303, complete a minimum of 18 hours of training prior to certification, approved by the Department that includes:
i. Positive behavior development and de-escalation techniques,
ii. The purpose and safe use of medications, and
iii. Overview of medication interactions and potential medication reactions.
g. Complete training to care for the special needs of a foster child, as indicated in the placement agreement;
h. In addition to the training specified under R21-6-303, complete a minimum of 24 hours of training prior to license renewal. The Department shall approve the training curriculum and coordinate the training curriculum through a licensing agency. The training shall include:
i. Positive behavior development and de-escalation techniques,
ii. The purpose and safe use of medications, and
iii. Overview of medication interactions and potential medication reactions.

4. Group Foster Home. This is a home in which all licensed foster parents are certified to provide care for six to 10 foster children for the purpose of accommodating a specific sibling group, or as otherwise provided in A.R.S. § 8-514, for over capacity placements. In addition to meeting the requirements for a regular license, the foster parent for a Group Foster Home shall:
a. Have the following minimum experience or education:
i. History of care or contact with the specific children to be placed in the Group Foster Home; or

ii One year's experience as a licensed foster parent; or
iii Three months' successful experience in child welfare, foster care, education, or a related profession as approved by OLR. "Successful experience" means that the foster parent has been responsible for the health, safety, and well-being of a child for a minimum of 20 hours per week without any negative actions, such as termination for cause.

b. Uphold the age limitations of children prescribed by R21-6-309;
c. Conduct a fire drill at least once every three months;
d. Have at least two full bathrooms in the home; and
e. If recommended by OLR, or the Child Placing Agency, complete advanced training on positive behavior development, de-escalation techniques, or other topics related to the specific care needs of the foster children.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-332. Placement of a Child With a Developmental Disability in a Foster Home

A. OLR shall refer the foster parent to the DES Division of Developmental Disabilities (DDD), Office of Licensing, Certification and Regulation (OLCR) for licensing as a child developmental home, if the Department has placed a child with a Developmental Disability in a foster home and the foster home has:
1. No more than three placements, including the child with a Developmental Disability, or
2. More than three placements but the placements are only the child with the Developmental Disability and that child's siblings,

B. If the foster home is licensed by DES OLCR as a child developmental home, OLR shall place the regular foster home license on inactive status. The foster parent may reactivate the regular foster home license by complying with R21-6-413.

C. If the foster home is not licensed by the DES OLCR as a child developmental home, or the foster home has more than three, but no more than five placements, including the child with a Developmental Disability, the home may remain a regular foster home with the following requirements:
1. If the child with a Developmental Disability is eligible under A.R.S. § 36-559, OLR shall refer the foster parent to DES OLCR as an option to become HCBS certified; and
2. The foster parent shall follow written and verbal instructions and orders from qualified professionals regarding the medical, dental, habilitative, and therapeutic needs of the child with a Developmental Disability.

D. If the foster parent is not available to provide primary care and supervision for a foster child with a Developmental Disability, the foster parent shall develop and follow an alternate supervision plan, approved by the licensing agency and the Child Placing Agency in consultation with DES if the child with the Developmental Disability is eligible under A.R.S. § 36-559. The alternate supervision plan shall include:
1. The name of each adult, age 18 years and older, who can provide supervision if the foster parent is not present;
2. Information about the foster child's medical, physical, behavioral health condition, or other factors that put the child's health, safety, or well-being at risk that is necessary to provide care;
3. Medication that is prescribed to be administered to the foster child while the foster parent is not present and any relevant instructions for the administration of that medication;
4 Specialized training taken by individuals in subsection (1) necessary to provide care and supervision to the foster child; and
5. Emergency contact information for the foster child, including a means to contact the foster parent, the licensing agency, and the Child Placing Agency.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

ARTICLE 4. THE LICENSING PROCESS FOR FOSTER PARENTS

R21-6-401. Minimum Qualifications to Apply for a License

A. Any individual or married couple meeting the following minimum qualifications shall be eligible to apply for licensure as a foster parent regardless of gender, race, religion, political affiliation, national origin, disability, or sexual orientation.

B. All applicants shall submit a complete application and accompanying documentation for a foster home license.

C. To apply for a family foster home license, the applicant shall:
1. Be at least 21 years of age, except as provided in R21-6-419.
2. Reside in Arizona and be lawfully present in the United States.
3. Not have a record of withdrawing from the licensing application process or closing a license before the completion of an investigation or licensing inquiry, except as permitted under R21-6-414(I); and
4. Declare under oath that he or she:
   a. Has not committed a crime specified in Arizona Revised Statutes as a precluding crime for the issuance of a Level One fingerprint clearance card; and
   b. Is not a registered sex offender.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-402. Rights of the Applicant and the Foster Parent

A. In addition to the inspection and due process rights specified under A.R.S. § 41-1009, and A.R.S. § 8-530, the foster parent shall have the right to:
1. Participate in an orientation offered by OLR or a licensing agency, which provides the following information:
   a. An overview of the licensing process,
   b. A copy of, or instructions for, accessing the licensing rules,
   c. Requirements and information specific to the available licensing agencies, and
   d. The mission and philosophy of the Department.
2. Choose or transfer to a licensing agency approved by the Department, at no cost to the applicant or foster parent;
3. Be treated with courtesy, dignity, and fairness by the licensing agency and the Department;
4. Be free from discrimination in the licensing process on the basis of political affiliation, marital status, or sexual orientation;
5. Receive information and training pertinent to the responsibilities of a foster parent;
6. Receive advice and technical assistance provided by the licensing agency or OLR to assist the applicant or foster parent in understanding the licensing requirements;

7. Direct the licensing agency to enter the applicant's complete and accurate information for licensure via the Department's electronic database;
8. Appeal an adverse licensing action as described under R21-6-417;
9. Elevate concerns about the licensing process in writing to the program administrator for OLR.
10. Be free from retaliation by a licensing agency and the Department in the event of a disagreement, an appeal, or an elevation of concerns by the foster parent or applicant;
11. Be informed of and provided the opportunity to be heard in any adverse licensing action conducted by OLR that impacts the foster parent's or applicant's license;
12. Reasonably refuse placement or request removal of a child without reprisal from the licensing or Child Placing Agency; and
13. The confidential treatment of private information revealed in the licensing process in accordance with A.R.S. § 8- 502 and A.R.S. § 8-530.

B. Upon written request and payment of reasonable duplication and postage fees by a foster parent, the licensing agency shall forward a copy of the contents of the licensing records to an agency or organization for the purpose of assisting a foster parent who is being considered for a private or out-of-state adoptive placement, or any similar purpose.

C. Upon written request, OLR and a licensing agency shall permit a foster parent or applicant to access their licensing record, except as provided in subsection (E).

D. A foster parent shall be permitted to provide a written response to the Child Placing Agency and OLR on findings and comments in the home study, investigative reports, and any correspondence, with the exception of the items listed in subsection (E).

E. A foster parent or applicant shall not have access to the following:
1. Information supplied by confidential references during the licensing process;
2. Information protected from secondary dissemination under state or federal law, including DCS Reports and investigations and related records; or
3. The names of or identifying information for persons and organizations listed as sources in a licensing investigation or DCS Report or inquiry.

Historical Note

New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-403. Application for an Initial License

A. An individual or married couple shall complete the application for an initial license accurately and in full via the Department's electronic database. The applicant may direct the licensing agency to enter the application.

B. The application for an initial license shall include:
1. The full legal name of each household member;
2. All other names and aliases, including birth names and names used in previous marriages, of each household member;
3. The current marital status of the applicant;
4. The date of birth of each household member, except other foster children, including evidence that the applicant is at least 21 years of age;
5. The Social Security Number of each adult household member, for the purpose of conducting a background check;
6. The relationship between the applicant and all other household members, including a parent, sibling, housemate, or tenant;
7. The telephone number and e-mail address of the applicant;
8. The mailing address of the applicant and the physical address of the applicant's home;
9. A statement that the applicant resides in Arizona;
10. The document specified under A.R.S. § 41-1080(A) and, as applicable (E), to demonstrate that the applicant is lawfully present in the United States;
11. The name of the school district in which the applicant's home is located;
12. Each address held by each adult household member during the previous 10 years;
13. The name, date of birth, current address, and telephone number of each child of the applicant who lives outside the applicant's home, if known, and a statement as to whether the child is reasonably expected to have contact with a child in foster placement;
14. The applicant's employment history, including the names of employers, dates of employment, and positions held during the previous 10 years;
15. A summary of the applicant's education;
16. A description of the applicant's experience in caring for children or adults;
17. The applicant's household budget, showing income, resources, assets, debts, and obligations;
18. Plans for the sleeping arrangements for each household member and for each potential foster child;
19. Plans for transportation of each potential foster child including:
    a. Evidence of a valid driver license for each household member who will provide transportation;
    b. Evidence that each vehicle to be used for transportation is registered and insured to operate in Arizona; and
    c. Evidence that the applicant has or shall obtain prior to placement, the correct number and type of child car seats for the conditions of the license.
20. A description of any pool on the foster home premises;
21. A description of the applicant's prior efforts to be certified or licensed for adoption, foster care, assisted living, child-care, and any other service for children or vulnerable adults, including:
    a. Applications that were withdrawn or denied; and
    b. Applications that resulted in a license or certification that was suspended or revoked.
22. A list of the names, mailing and e-mail addresses, and telephone numbers of five references, to attest that the applicant is of good character and has the qualifications to care for a foster child:
    a. At least one of the references, but not more than two, shall be related to the applicant;
    b. At least three of the references shall be unrelated to the applicant;
    c. If the applicant is married, then at least two of the references shall be familiar with the applicant as a couple; and
    d. If another adult household member is applying for a license or is currently licensed, then at least two of the references shall be familiar with both the applicant or foster parent and other household member.
23. A disclosure of civil and court proceedings in which the applicant has been a party, including:
    a. Criminal proceedings;

b. Lawsuits;
c. Dependency actions, including:
i. Removal of a dependent,
ii. Voluntary relinquishment,
iii. Suspension of custody, or
iv. Termination of parental rights;
d. Charges of child abuse or neglect;
e. Child support enforcement proceedings within the last five years;
f. Bankruptcy within the last five years;
g. Divorce, separation, or any other civil proceedings; and
h. Adoption;

24. A criminal record self-disclosure completed by each adult household member;
25. Evidence that each adult household member, has obtained a Level One fingerprint clearance card;
26. A disclosure by the applicant of any allegation against the applicant of abuse or neglect of any child or vulnerable adult;
27. Any history of abuse or neglect involving the applicant;
28. Authorization for a Central Registry record check:
a. For each adult household member, and
b. With each state in which any adult household member resided in during the previous five years.
29. A health self-disclosure completed by each adult household member;
30. A physician's statement as defined in R21-6-101(54), related to the physical and behavioral health completed for the applicant and for each adult household member who will be providing care and supervision;
31. An up-to-date immunization record, if available, for each child household member. The lack of available immunization records shall not prohibit licensure, but may be grounds for restricting the license to prevent the placement of infants, young children, and medically complex individuals; and
32. A Statement of Understanding signed by the applicant and attesting to the truth of the information provided during the application process.

C. The applicant in cooperation with a licensing agency shall submit the information required under R21-6-205 and this Section and the home study and assessment as directed under R21-6-206 and R21-6-405.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-404. Types of Licenses

A. OLR grants the following types of licenses:
1. An initial license,
2. A renewal license, and
3. An amended license to reflect changes made to information on the initial or renewal license.

B. The license for a foster parent shall specify the following:
1. The type of license (initial, renewal, or amended);
2. The name of the foster parent;
3. The physical address of the home;
4. The date the license is issued;
5. The maximum number of foster children that may be placed in the home;
6. The age range of foster children that may be placed in the home;
7. The gender of foster children that may be placed in the home;
8. Specialized services the foster parent is certified to provide, as applicable, under Article 3 of this Chapter include the following:
a. Receiving Foster Care,
b. Medically Complex Foster Care,
c. Therapeutic Foster Care, and
d. Group Foster Care.
9. All restrictions applicable to the license, including restriction to:
a. A specific foster child.
i. OLR shall not identify the name of a foster child on the license.
ii. OLR shall only specify the name of a foster child in confidential correspondence.
b. Respite care only.
c. Prevent the placement of infants, young children, and medically complex individuals, to protect their health due to a lack of a household member's immunization; and
10. The name of the licensing agency.

C. A license shall be valid for the period of time specified on the license and shall expire on the specified date unless the foster parent licensee files an application for renewal before the expiration date. In addition, a license shall terminate if:
1. The foster parent voluntarily closes the license, under R21-6-414(I);
2. OLR revokes the license as described under R21-6-414;
3. The foster parent moves to a different residence without first notifying the licensing agency or OLR; or
4. The foster parent moves out of Arizona.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-405. Home Study and Assessment

A. The applicant and adult household members shall complete self-assessments, using the forms approved by OLR, and share the results of the self-assessments with the licensing agency. The licensing agency shall, in the home study, summarize and consider information provided in the self-assessments.

B. All household members, including each child household member, if appropriate to the child's age and developmental level, shall participate in interviews conducted by the licensing agency, as directed by R21-6-206.

C. The applicant shall participate in and successfully complete pre-service training as specified in R21-6-303.

D. The applicant shall provide additional information as needed for the licensing agency to evaluate the fitness of the applicant and to conduct the home study.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-406. The Licensing Decision

A. OLR shall evaluate the applicant's compliance with licensing requirements before making a licensing decision.

B. Prior to making a licensing decision, OLR may, as necessary and appropriate:
1. Require the applicant or licensing agency to provide additional documentation to verify compliance with licensing requirements, such as marriage licenses, divorce decrees, legal separation agreements, child support orders or payments, pay stubs, and bankruptcy documents;
2. Require the applicant or licensing agency to provide additional information if:

a. The medical, physical, or mental health needs of a household member could interfere with the care and supervision of a foster child;
b. Adults residing outside the household will have frequent or close contact with a foster child; or
c. A household member has been charged with or convicted of a crime, even if the specific crime does not preclude the issuance of a Level One fingerprint clearance card;

3. Gather additional information needed to determine the applicant's fitness. This may include:
a. Interviewing the applicant,
b. Contacting references,
c. Verifying information provided in the application or by the licensing agency, and
d. Inspecting the applicant's home.

C. When making a licensing decision, OLR shall consider factors that have a bearing on the applicant's or foster parent's fitness. These factors include:
1. The applicant's current and historical compliance with licensing requirements. In assessing complaints and violations with statutes and licensing requirements, OLR shall consider:
a. The type of complaint or violation,
b. The severity of each violation,
c. The number of complaints or violations,
d. A pattern of complaints or violations, and
e. The applicant or foster parent's response to a corrective action plan.
2. The applicant's history of parenting or caring for children or vulnerable adults;
3. Allegations of abuse or neglect of a child or vulnerable adult made to DCS or the DES adult protective services against any of the following individuals residing in the home: the applicant, a household member, a foster child, an adult with a Developmental Disability, or a young adult residing in the foster home under a written individual case plan agreement for out-of-home care. To determine whether the allegation of abuse or neglect affects the applicant's fitness, OLR shall consider all relevant factors, including:
a. Whether the allegation was substantiated,
b. The number and nature of all allegations,
c. The length of time that has elapsed since each allegation,
d. The circumstances surrounding each allegation,
e. The extent of the person's rehabilitation, and
f. The nature and extent of each household member's involvement in the allegation.
4. The stability of residency in Arizona;
5. The stability of marital and household relationships;
6. The applicant's or foster parent's financial stability and ability to meet obligations;
7. Medical, physical, or mental health concerns that impact the applicant's or foster parent's ability to provide safe care and supervision to a child. OLR shall consider accommodations presented by the applicant, as permitted under R21-6-301 to reduce or eliminate any medical, physical, or mental health conditions;
8. Significant life disturbances, including the death of a family member, divorce, bankruptcy, and job separation;
9. Patterns of criminal charges or allegations; and
10. Other significant factors in the applicant's life.

D. OLR may waive non-safety licensing requirements on a case-by-case basis for an applicant who will only provide kinship care.

E. The licensing decision shall occur within the time-frames specified under R21-6-407.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-407. Licensing Time-frames

A. OLR shall review an application and render a licensing decision within required time-frames.

B. Within 30 days of receiving an application, OLR shall conduct an administrative completeness review to determine whether all required documentation and information has been submitted. Within the 30-day administrative review time-frame:
1. If the application is complete, OLR shall immediately move the application forward for a substantive review; or
2. If the application is incomplete, OLR shall issue a Notice of Incomplete Application to the applicant and the licensing agency containing a list of items and information needed to complete the application.
a. The applicant shall have 30 days to supply the missing items or information to OLR via the licensing agency.
b. The time-frame for the administrative completeness review shall be suspended from the date OLR issues the Notice of Incomplete Application to the date that OLR receives the missing item or information.
c. If the applicant does not supply the requested items or information within 30 days of receiving the Notice of Incomplete Application, OLR may close the file. Once closed, the applicant may reapply for licensure, except as prohibited by R21-6-414.
d. If the applicant supplies the required items and information via the licensing agency to OLR within 30 days, OLR shall conduct a substantive review of the application.

C. Within the 30 days following the administrative completeness review of an application, and if the application is complete, OLR shall complete a substantive review to evaluate the applicant's fitness for licensure. Within the 30- day substantive review time-frame, OLR:
1. May request that the applicant or licensing agency provide additional information if needed to evaluate the suitability of the applicant for licensure.
a. The applicant and the licensing agency shall have an additional 21 days to provide the information to OLR.
b. The time-frame for the substantive review shall be suspended from the date OLR requests additional information to the date OLR receives the information.
2. Shall make the licensing decision, as described under R21-6-406, and take a licensing action, as described under R21-6-414.

D. Within an overall time-frame of 60 days upon receipt of a complete application, OLR shall:
1. Complete an administrative review of an application,
2. Complete a substantive review of an applicant's fitness, and
3. Notify the applicant and the licensing agency of the decision to grant or deny a license.

E. The same time-frames used for initial licensure shall also apply to renewing and amending a license:
1. OLR shall complete the administrative completeness review within a maximum of 30 days from receipt of the application.

2. OLR shall complete the substantive review of a complete application within a maximum of 30 days following the administrative completeness review.
3. OLR shall review the application and notify the applicant and licensing agency of the licensing decision within a maximum of 60 days, not including suspended time-frames, from receipt of the application.

Process	Responsible Party	Time-frame for Completion
Completion of training and assembly of the application	Applicant and licensing agency	Not regulated: typically two–four months
Administrative completeness review	OLR	Maximum of 30 days
Respond to the notification of incompleteness	Applicant and licensing agency	Maximum of 30 days (time-frame is suspended)
Substantive review	OLR	Maximum of 30 days
Respond to request for additional information to evaluate fitness	Applicant and licensing agency	Maximum of 21 days (time-frame is suspended)
Overall time-frame for a licensing decision	OLR	Maximum of 60 days

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-408. Licensing Limitations

A. OLR may license unmarried applicants who reside together individually and shall link the unmarried applicants in the Department's electronic database.

B. OLR shall license married applicants jointly, unless a married applicant applies to be licensed individually because:
1. The applicant's spouse is permanently, physically disabled to such an extent that the spouse is unable to provide care for a child, as verified by a physician's statement;
2. The applicant's spouse is absent from the household and expected to be absent from the household for nine or more of the following 12 months due to military service; or
3. The applicant and his or her spouse have been separated for at least one year, and the spouses have not lived together. If the spouses have not lived together for:
   a. Five or more years the applicant shall:
      i. Sign a statement that the marriage is over and the applicant has no intent to live or reconcile with their spouse;
      ii. If the applicant knows the location of the spouse, obtain a statement from the spouse that the marriage is over, and the spouse has no intent to live or reconcile with the applicant;
      iii. Submit evidence that the spouse is living elsewhere, if available; and
      iv. Submit any other evidence that the spouse is not going to return to the household; or
   b. One to five years, the applicant's spouse shall:
      i. Obtain a Level One fingerprint clearance card, and
      ii. Pass a protective services registries check.

C. If OLR licenses a married applicant individually under subsections (B)(2) or (3) and the applicant's spouse returns, the applicant shall:
1. Notify OLR immediately under R21-6-411; and
2. Submit a new application as a married couple under R21-6-403 and meet all licensing requirements.

D. A license is only valid for the licensee specified on the license.

E. A license is only valid for the address specified on the license.

F. A foster parent shall not simultaneously hold more than one license or a license and certification to provide human care services in the foster home, including foster care, child care, assisted living, or an adult developmental home without the written approval of OLR. This restriction does not apply to the certification of a licensed foster home to provide specialized services under the classification of licenses described under R21-6-331.

G. An applicant shall not be an employee or relative of an employee for the licensing agency that is assisting the applicant with licensure.

H. OLR's issuance of a license to a qualified applicant does not guarantee the placement of a child.

I. A foster parent is limited to the capacity, age, gender, and other conditions or restrictions specified on the license when providing care, including respite care.

J. The foster parent shall notify and obtain approval from DCS and the licensing agency before receiving a child from a Child Placing Agency, other than DCS.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-409. Training Reporting Update

A. The foster parent shall cooperate with the licensing agency to provide proof of completion of the training required by A.R.S. § 8-509.

B. OLR may take an adverse licensing action against the foster parent if he or she fails to complete the required training and to submit the information in subsection (A) as required by A.R.S. § 8-509.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-410. Amending the License

A. The foster parent shall notify the licensing agency if there are any circumstances requiring an amendment to the license.

B. The foster parent shall work with the licensing agency to request an amendment to modify the following information on the license:
1. License type;
2. Increase or decrease in capacity, age range, and gender of the foster children who may be placed in the home;
3. Physical address of the home;
4. Remodel of the home;
5. Legal name of the foster parent;
6. Change in marital status;
7. Addition of a household member; including the birth of an adopted child;

8. Name of a spouse, due to the death of a spouse or due to a change in marital status;
9. Death of a licensed foster parent;
10 Name of the licensing agency specified on the license;
11. Modification of the license expiration date; or
12. Any condition or certification specified on the license.

C. The foster parent shall work with the licensing agency to request an amendment to the license via the Department's electronic database. The following information shall be included in the request to amend a license:
1. A description of the change or changes being requested;
2. Justification for the change or changes, as appropriate;
3. Other relevant information to assist in the issuance of a license amendment;
4. Results of a new Life Safety Inspection, if required;
5. A recommendation by the licensing agency to issue or deny an amended license; and
6. A recommendation by the licensing agency to limit the terms or conditions of a license, if applicable.

D. To request an amendment to the license to change the physical address due to the relocation of the foster parent, the foster parent shall:
1. Provide new contact information including:
   a. Phone number,
   b. Address, and
   c. E-mail;
2. Provide evidence that the change in residence does not negatively impact their ability to meet financial obligations;
3. Provide plans for the sleeping arrangements for each household member and foster child; and
4. Ensure that the home meets the standards for a Life Safety Inspection, in accordance with Chapter 8 of this Title.

E. To request an amendment to the license to add the name of a spouse due to marriage, the foster parent and spouse shall jointly:
1. Complete an application for licensure;
2. Submit proof of legal marriage;
3. Participate in the home study and assessment; and
4. Cooperate with the licensing agency's evaluation of the spouse's fitness as defined in R21-6-101(20).

F. OLR may initiate the action to amend a license to protect the health, safety, or well-being of a foster child.

G. An amendment shall not change the expiration or issuance dates on a license, unless the amendment is approved to modify the license expiration date.

H. Information provided for a renewal does not replace the process required to amend the license.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-411. Addition of Household Members

If there is a change in household members during the term of the license, the foster parent shall:
1. Notify the licensing agency of the change to the household in accordance with R21-6-327 and R21-6-411;
2. Ensure that each new household member complies with the applicable requirements of this Chapter; and
3. Notify the licensing agency and obtain OLR and Child Placing Agency approval of proposed changes in the sleeping arrangements for each household member and for each foster child.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-412. Application for a Renewal License

A. A license shall:
1. Be valid for the period of time specified on the license, and
2. Expire at midnight of the expiration date if the applicant does not apply for a renewal license in accordance with this Article.

B. To initiate the renewal of the license, the foster parent shall confirm:
1. With the licensing agency that he or she wishes to renew the license, and
2. The accuracy of or update the information via the Department's electronic database.

C. The foster parent shall cooperate with the licensing agency by:
1. Participating in and facilitating interviews necessary for the licensing agency to update the home study;
2. Assembling the documents needed to demonstrate ongoing compliance with licensing requirements;
3. Completing training, as described in R21-6-303 and R21-6-331 if applicable.
4. Cooperating with the completion of a Life Safety Inspection of the home as described under R21-6-304:
   a. By the licensing agency every year, and
   b. By OLR at least once every two years.
5. Providing a current health self-disclosure for each adult household member every year;
6. Obtaining a physician's statement for the foster parent at least once every two years and providing a physician's statement for other adult household members if determined to be necessary by OLR in accordance with R21-6-302;
7. Maintaining a current and valid fingerprint clearance card meeting Level One requirements for each adult household member; and
8. Signing the Statement of Understanding.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-413. Application for License Reinstatement

A. OLR shall evaluate an applicant for reinstatement the same as an applicant for a renewal license under R21-6-412.

B. Reinstatement is available to applicants previously licensed by OLR, including those foster parents whose license is on inactive status because the foster home has been licensed by DES as a child developmental foster home if:
1. The previous application for licensure was submitted via the Department's electronic database;
2. The previous license has been expired for less than one year, or if a child developmental home, there has been a gap in licensure between the foster home license and the child developmental foster home license of less than one year: and
3. OLR completes a new Life Safety Inspection.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-414. Licensing Actions

A. Within the time-frame specified in R21-6-407, OLR shall notify the applicant and the licensing agency of the licensing decision.

B. OLR shall issue a license if OLR determines that an applicant or foster parent is in:
1. Full compliance with all licensing requirements;

2. Substantial compliance with licensing requirements and an approved corrective action plan is in place for violations, as specified under R21-6-416; or
3. Substantial compliance based on information currently available if an investigation is pending.

C. OLR may deny, suspend, or revoke a license if an applicant or foster parent:
1. Refuses or fails to provide the licensing agency or OLR with information needed to evaluate compliance with licensing requirements;
2. Misrepresents or falsifies information needed by the licensing agency or OLR to evaluate compliance with licensing requirements;
3. Misrepresents or falsifies information presented by a household member during the licensing process;
4. Is aware of a misrepresentation or falsification of the information presented by the household member during the licensing process;
5. Refuses or fails to substantially comply with licensing requirements, Arizona or federal laws, or local codes or ordinances;
6. Refuses or fails to carry out a required corrective action plan to correct a violation;
7. Has been denied a certificate or license to provide care to a foster child or vulnerable adult, unless the denial was based on failure to complete the process according to a required time-frame;
8. Has had a certificate or license to provide care to a foster child or vulnerable adult denied, suspended, or revoked;
9. Has a household member that refuses to cooperate with the licensing process;
10. Lives in a home in which a fingerprint clearance card meeting Level One requirements for a foster parent and an adult household member has been suspended, denied, or revoked;
11. Lives in a home in which an allegation of child abuse or neglect has been substantiated against a household member; or
12. The foster parent moves to a different residence without first notifying the licensing agency.

D. OLR may initiate an adverse licensing action if OLR concludes that:
1. A violation of licensing requirements is not correctable;
2. A violation of licensing requirements poses a risk to the health, safety, or well-being of a child;
3. A foster parent has a history or pattern of similar violations with licensing requirements; or
4. A violation is ongoing and continuing.

E. If OLR takes an adverse licensing action, OLR shall send a dated notice of the action to:
1. The applicant or foster parent by certified mail,
2. The licensing agency, and
3. The Child Placing Agency for each child placed with the foster parent or applicant at the time of the action.

F. The notification for an adverse licensing action shall specify:
1. The effective date of the adverse action;
2. The facts upon which the adverse action is based;
3. The law or rule violation that is the basis of the adverse action; and
4. The time-frame and process for the applicant or foster parent to appeal the adverse action, including:
   a. The form approved by DCS to appeal the adverse action, and
   b. The procedure for the applicant or foster parent to request an appeal of the adverse action.

G. In the event of an adverse licensing action, and until there is final resolution of the matter:
1. The foster parent shall not:
   a. Receive new placements;
   b. Accept additional foster children;
   c. Provide short-term care as described under R21-6-306 or respite care;
2. A Child Placing Agency shall not place additional foster children with the foster parents; and
3. The Child Placing Agency may remove a current foster child from the home if, in the judgment of the Child Placing Agency, there is reasonable belief of a risk to the health, safety, or well-being of the child.

H. In the event of a license revocation, the adverse action shall be effective:
1. On the 26th day after the foster parent's receipt of the revocation notice; or
2. On the date that an administrative hearing officer or appeals board issues a written decision affirming the revocation, if the foster parent appeals the revocation.

I. An applicant or foster parent may voluntarily withdraw the application for licensure or close the license at any time by submitting written notice to the licensing agency and OLR, using the form approved by OLR.
1. If the foster parent voluntarily withdraws an application or closes a license while in good standing, the applicant or foster parent may re-apply for a license.
2. A license is not in good standing, and the licensing authority shall deny a re-application, if the foster parent withdrew or closed a license:
   a. Before the completion of a corrective action, or with the knowledge that a corrective action plan was pending if the closure was to avoid compliance with the corrective action plan;
   b. Before the completion of an investigation or inquiry; or
   c. When a DCS investigation of child abuse or neglect is pending.

Historical Note

New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-415. Routine Monitoring and Verification of Ongoing Compliance

A. Throughout the term of a license, the foster parent shall ensure ongoing compliance with licensing requirements.

B. The foster parent shall cooperate with monitoring requirements by making the home available for inspections and by participating in interviews. Inspection and monitoring activities by the licensing agency or OLR may include, as necessary and appropriate:
1. A review of records and reports maintained by the foster parent on the care, services, and treatment provided;
2. Interviews with the foster parent and household members including children in the home age five years and older;
3. Interviews with foster children; and
4. An inspection of the home, foster home, and vehicles used to transport foster children.

C. At the time of each monitoring or inspection, the licensing agency shall provide the applicant or foster parent with:
1. A written summary of the monitoring or inspection activities conducted;
2. Planned follow-up and required corrective actions, as applicable; and
3. A written summary of the applicant's or foster parent's rights, in accordance with A.R.S. § 41-1009.

D. The licensing agency shall keep a copy of the written summaries specified in subsection (C) and make the summaries available to OLR upon request.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-416. Corrective Action Plan

A. OLR may initiate and place a foster parent on a corrective action plan to remedy the violation of a licensing requirement. A foster parent shall comply with the corrective action plan.

B. In determining whether to require corrective action, OLR shall consider the following criteria:
1. The nature of the violation;
2. Whether the violation can be corrected;
3. Whether the foster parent understands the violation and shows a willingness and ability to participate in corrective action;
4. The length of time required to implement corrective action;
5. Whether the same or similar violations have occurred on prior occasions;
6. Whether the foster parent has had prior corrective action plans, and, if so, the foster parent's success in achieving the goals of the plan;
7. The foster parent's history as a foster parent or care giver; and
8. Other similar or comparable factors demonstrating the foster parent's ability and willingness to follow through with a corrective action plan and avoid future violations.

C. The corrective action plan shall:
1. Be written by OLR and may be in cooperation with the licensing agency,
2. Specify the facts that constitute the violation,
3. Specify the law or rule violated by the foster parent,
4. Specify the steps a foster parent must take to remedy the violation, and
5. Specify a date for completion of the required corrective action.

D. The licensing agency or OLR may, as necessary and appropriate, conduct an unannounced monitoring visit to verify the implementation or completion of a corrective action.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-417. The Appeal Process

A. An applicant or foster parent shall have the right to appeal an adverse licensing action following the process specified under 21 A.A.C. Chapter 1, Article 3.

B. To appeal, per A.R.S. § 8-506, an applicant or foster parent shall submit a written notice of appeal to OLR within 25 days from the mailing date on the adverse licensing action notice.

C. The notice of appeal shall specify the action being appealed, and a statement of why the adverse licensing action is wrong.

D. If a child has been removed from the home because of a health, welfare, or safety issue, the child shall remain out of the home while the appeal is pending.

E. The following are not appealable:
1. Restrictions or limits specified by OLR on the license, including the capacity, age group, or gender of children that may be placed in the home;
2. The assignment of a required corrective action, as specified under R21-6-416, to bring the applicant or foster parent into compliance with licensing requirements.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-418. Allegations of Abuse or Neglect; Licensing Complaints

A. The applicant or foster parent shall immediately report allegations of abuse or neglect of a child, or a licensing complaint to the Department's Centralized Intake Hotline and to the licensing agency.

B. The applicant or foster parent shall cooperate with:
1. An investigation conducted by DCS, and
2. A licensing investigation conducted by a licensing agency or OLR.

C. The Child Placing Agency shall not place additional children in the foster home throughout the DCS or licensing investigation until the matter is resolved.

D. OLR shall determine the action, if any, that it will take against the foster parent.
1. OLR shall implement an adverse licensing action as described under R21-6-414 if the DCS or licensing investigation:
   a. Substantiates an allegation of abuse or neglect; or
   b. Confirms the violation of a licensing requirement and there is reasonable cause to believe the violation:
      i. Is continuing;
      ii. May recur; or
      iii. Poses a risk to the health, safety, or well-being of a child.
2. If the licensing investigation validates that there was a violation of a licensing requirement but that the foster parent has corrected the violation, OLR:
   a. Shall record the incident and resolution in the licensing record,
   b. May specify additional required corrective action, and
   c. Shall notify the licensing and Child Placing Agency of the violation and corrective action.

E. A complainant's identity is confidential unless OLR takes a licensing action based on the testimony of the complainant.

Historical Note
New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

R21-6-419. Waiver of Non-Safety Licensing Requirements for Kinship Care

A. OLR may waive specific non-safety rule requirements for an applicant or foster parent providing only kinship care, as defined under R21-6-101(36), on a case by case basis, if the applicant or foster parent demonstrates that compliance would be a hardship. The applicant or foster parent may work with his or her licensing agency to comply with this Section.

B. The request for a waiver shall include:
1. The specific rule to be considered for waiver by OLR;
2. The reason compliance would be a hardship;
3. Any proposed alternative compliance with the rule requirement, including pictures or diagrams that depict any physical requirement to be waived; and
4. Justification that waiving the licensing requirement will not compromise the safety of a foster child.

C. The applicant or foster parent or licensing agency shall submit a waiver request only on forms supplied by OLR.

D. OLR shall consider the waiver of a non-safety licensing requirement on a case-by-case basis.

E. An applicant or foster parent shall base a waiver request on a licensing requirement and the needs of the foster child. OLR

shall not grant a waiver request because it would be inconvenient for the foster parent or applicant to comply with a licensing requirement.

F. Non-safety issues may include granting licensure to applicants who are 18 to 20 years of age, have fewer than two full bathrooms, or may not meet the financial requirements of R21-6-301.

Historical Note

New Section made by final exempt rulemaking at 21 A.A.R. 3479, effective January 24, 2016 (Supp. 15-4).

8-453. Powers and duties

A. The director shall:

1. Carry out the purposes of the department prescribed in section 8-451.

2. Provide transparency by being open and accountable to the public for the actions of the department.

3. Develop a data system that enables persons and entities that are charged with a responsibility relating to child safety to access all relevant information relating to an abused, neglected or abandoned child as provided by law.

4. Subject to title 41, chapter 4, article 4 and, as applicable, articles 5 and 6, employ deputy directors and other key personnel based on qualifications that are prescribed by the director.

5. Adopt rules to implement the purposes of the department and the duties and powers of the director.

6. Petition, as necessary to implement the case plan established under section 8-824 or 8-845, for the appointment of a guardian or a temporary guardian under title 14, chapter 5 for children who are in the custody of the department pursuant to court order. Persons applying to be guardians or temporary guardians under this section shall be fingerprinted. A foster parent or certified adoptive parent already fingerprinted is not required to be fingerprinted again, if the foster parent or certified adoptive parent is the person applying to be the guardian or temporary guardian.

7. Cooperate with other agencies of this state, county and municipal agencies, faith-based organizations and community social services agencies, if available, to achieve the purposes of this chapter.

8. Exchange information, including case specific information, and cooperate with the department of economic security for the administration of the department of economic security's programs.

9. Administer child welfare activities, including:

(a) Cross-jurisdictional placements pursuant to section 8-548.

(b) Providing the cost of care of:

(i) Children who are in temporary custody, are the subject of a dependency petition or are adjudicated by the court as dependent and who are in out-of-home placement, except state institutions.

(ii) Children who are voluntarily placed in out-of-home placement pursuant to section 8-806.

(iii) Children who are the subject of a dependency petition or are adjudicated dependent and who are in the custody of the department and ordered by the court pursuant to section 8-845 to reside in an independent living program pursuant to section 8-521.

(c) Providing services for children placed in adoption.

10. Formulate policies, plans and programs to effectuate the missions and purposes of the department.

11. Make contracts and incur obligations within the general scope of the department's activities and operations subject to the availability of funds.

12. Coordinate with, contract with or assist other departments, agencies and institutions of this state and local and federal governments in the furtherance of the department's purposes, objectives and programs.

13. Accept and disburse grants, matching funds and direct payments from public or private agencies for the conduct of programs that are consistent with the overall purposes and objectives of the department.

14. Collect monies owed to the department.

15. Act as an agent of the federal government in furtherance of any functions of the department.

16. Carry on research and compile statistics relating to the child welfare program throughout this state, including all phases of dependency.

17. Cooperate with the superior court in all matters related to this title and title 13.

18. Provide the cost of care and transitional independent living services for a person under twenty-one years of age pursuant to section 8-521.01.

19. Ensure that all criminal conduct allegations and reports of imminent risk of harm are investigated.

20. Ensure the department's compliance with the Indian child welfare act of 1978 (P.L. 95-608; 92 Stat. 3069; 25 United States Code sections 1901 through 1963).

21. Strengthen relationships with tribal child protection agencies or programs.

B. The director may:

1. Take administrative action to improve the efficiency of the department.

2. Contract with a private entity to provide any functions or services pursuant to this title.

3. Apply for, accept, receive and expend public and private gifts or grants of money or property on the terms and conditions as may be imposed by the donor and for any purpose provided for by this title.

4. Reimburse department volunteers, designated by the director, for expenses in transporting clients of the department on official business. Volunteers reimbursed for expenses are not eligible for workers' compensation under title 23, chapter 6.

C. The department shall administer individual and family services, including sections on services to children and youth and other related functions in furtherance of social service programs under the social security act, as amended, title IV, parts B and E, grants to states for aid and services to needy families with children and for child-welfare services, title XX, grants to states for services and other related federal acts and titles.

D. Notwithstanding any other law, a state or local governmental agency or a private entity is not subject to civil liability for the disclosure of information that is made in good faith to the department pursuant to this section.

E. Notwithstanding section 41-192, the department may employ legal counsel to provide legal advice to the director. The attorney general shall represent the department in any administrative or judicial proceeding pursuant to title 41, chapter 1, article 5.

F. The total amount of state monies that may be spent in any fiscal year by the department for foster care as provided in subsection A, paragraph 9, subdivision (b) of this section may not exceed the amount appropriated or authorized by section 35-173 for that purpose. This section does not impose a duty on an officer, agent or employee of this state to discharge a responsibility or create any right in a person or group if the discharge or right would require an expenditure of state monies in excess of the expenditure authorized by legislative appropriation for that specific purpose.

8-502. Foster parent and child welfare agency information; confidentiality; permissible disclosure; use; violation; classification; definitions

A. Unless otherwise provided by law and except as provided in subsection E, F or G of this section, all personal information concerning a foster parent applicant or licensee or an individual who applies for or receives a child welfare agency license is confidential and may not be released, unless the release is ordered by the superior court or provided for by court rule. DCS information is confidential and may be released only as prescribed in section 8-807.

B. Foster parent information is confidential, except the department may release the information prescribed in subsection C of this section if the foster parent's license has been revoked or all of the following apply:

1. No foster children are residing in the home.

2. The department has begun a licensing denial, suspension or revocation action.

3. The foster parent's identity has been made public by sources outside the department.

C. If requested, the department may release the following foster care parent information if permissible under subsection B of this section:

1. The name of the licensee.

2. The dates of current and past licensure.

3. Any training in which the licensee participated.

4. The number, ages and gender of children for which the foster care provider is licensed.

5. Any complaints that do not involve a child safety or an office of child welfare investigations investigation.

6. Any restrictions on the license of the licensee.

D. Child welfare agency information is not confidential, except for both of the following:

1. Any DCS information in the licensing files of the department.

2. The address of any facility where a foster child is placed, even if the address is also the corporate address of the child welfare agency.

E. An employee of the department of child safety, the department of law or a court may obtain the information described in subsection A, B, C or D of this section in the performance of the employee's duties.

F. An employee of the department of child safety, the department of law or a court may release information that is otherwise confidential under this section under any of the following circumstances:

1. To an applicant or licensee if a request is made in writing specifically requesting information that directly relates to the person who requests the information.

2. In oral or written communications involving the provision of services or the referral to services between employees of, persons under contract with or persons holding a general employment relationship with the department of child safety, the department of law or the juvenile court.

3. If the disclosure is necessary to protect against a clear and substantial risk of imminent serious injury to a client of the department of child safety.

4. To an agency of the federal government, this state or another state or any political subdivision of this state for official purposes. Information received by a governmental agency pursuant to this paragraph shall be maintained as confidential unless the information is pertinent to a criminal prosecution.

5. To a foster parent or a parent certified to adopt if the information is necessary to assist in the placement with or care of a child by the foster parent or person certified to adopt.

6. To an officer of the superior court, the department or an agency that is required to perform an investigation pursuant to section 8-105, if the information is pertinent to the investigation. Information received pursuant to this paragraph may be disclosed to the court, but shall otherwise be maintained as confidential.

G. Notwithstanding sections 8-519, 8-541 and 8-542, a standing committee of the legislature or a committee appointed by the president of the senate or the speaker of the house of representatives may obtain information described in subsection A, B, C or D of this section on written request to the director. Information obtained pursuant to this subsection may be used only to conduct investigations related to legislative oversight of the department. Personally identifiable information may not be further disclosed.

H. A person who violates this section is guilty of a class 2 misdemeanor.

I. For the purposes of this section:

1. "Child welfare agency information" means all information in the licensing file of the department, including all information on corporate or other entity applicants or licensees and any licensing investigations. Child welfare agency information does not include personal information about individuals who apply for licensure to or are licensed by the department as a child welfare agency.

2. "DCS information" has the same meaning prescribed in section 8-807.

3. "Foster parent information" means all information in the licensing file of the department that is not confidential under any other law. Foster parent information does not include personal information, information that is confidential under another statute or information of a similar nature.

4. "Personal information" means information about an individual that is disclosed by the individual or by a third party on behalf of the individual to obtain or maintain a license. Personal information includes all of the following:

(a) The individual's identity, social security number, address and personal history.

(b) Financial, health or medical information about the individual.

(c) References for the individual.

8-503. Powers and duties

A. The division shall:

1. Exercise supervision over all child welfare agencies.

2. Advise and cooperate with the governing boards of all child welfare agencies.

3. Assist the staffs of all child welfare agencies by giving advice on progressive methods and procedures of child care and improvement of services.

4. Establish rules, regulations and standards for:

(a) Licensing of child welfare agencies.

(b) Licensing of foster homes.

(c) Classifications of foster homes as:

(i) Receiving foster homes.

(ii) Regular foster homes.

(iii) Special classes of foster homes as are needed according to the types of problems involved.

(iv) Group foster homes.

(d) Certifying each foster home according to one or more of the categories prescribed in subdivision (c) of this paragraph.

(e) Initial and ongoing foster parent training programs.

(f) The method of approving foster parent training programs.

(g) Uniform amounts of payment for all foster homes according to certification. However, variations in uniform amounts of payments may be allowed for foster homes based on consideration of geographical location or age or mental or physical condition of a foster child.

(h) Renewal of licenses of child welfare agencies and foster homes.

(i) Form and content of investigations, reports and studies concerning disposition of children and foster home placement.

5. Establish a program of counseling and rehabilitation of parents whose children have been placed in foster homes.

6. Establish foster parent training programs or contract with other agencies, institutions or groups for the provision of training programs to foster parents. Foster parent training programs shall be established in at least the following areas:

(a) Initial and ongoing training as a foster parent for a regular or group foster home.

(b) Initial and ongoing training as a foster parent for a special foster home.

7. Regulate the importation and exportation of children.

8. In conjunction with the department of education and the department of juvenile corrections, develop and implement a uniform budget format to be submitted by licensed child welfare agencies. The budget format shall be developed in such a manner that, at a minimum, residential and educational instructional costs are separate and distinct budgetary items.

9. Establish as a goal that, at any given time, not more than fifty percent of the total number of children whose maintenance is subsidized by title IV, part E of the social security act, as amended, shall be in foster care in excess of twenty-four consecutive months. The division shall establish through regulations appropriate procedures to achieve the goal.

10. Maintain a goal that infants who are taken into custody by the department be placed in a prospective permanent placement within one year after the filing of a dependency petition.

B. Except as provided in section 8-514.01, large group settings for children, group homes for children and child developmental homes that have one or more residents who are clients of the department with developmental disabilities shall be licensed pursuant to title 36, chapter 5.1, article 3. Rules, regulations and standards adopted pursuant to subsection A, paragraph 4 of this section shall not apply to group homes for children or child developmental homes licensed pursuant to title 36, chapter 5.1, article 3.

8-506. Denial, suspension or revocation of license; foster home; hearing; exception

A. The division may deny the application or suspend or revoke the license of any foster home for wilful violation of any provision of this article or failure to maintain the standards of the care prescribed by the division. Written notice of the grounds of the suspension or the proposed denial or revocation shall be given to the applicant or holder of the license. A copy of the written notice of the suspension or the proposed denial or revocation shall be forwarded to the agency that recommended the foster home for licensing. Within twenty-five days after the mailing date of the written notice of proposed denial, revocation or suspension, the applicant or holder may request a hearing in accordance with the rules of the division. If the hearing is requested it shall be held within ten days after the request, at which time the applicant or holder shall have the right to present testimony and confront witnesses.

B. A denial, suspension or revocation of a foster home license due to a failure to obtain or maintain a level I fingerprint clearance card as required by section 8-509 is not an appealable agency action.

8-507. Operation without license

A. When the division has reason to believe that an agency or foster home is being conducted or maintained without a license, it shall make an investigation, and, if necessary, the division shall take action to prevent such continued operation.

B. If an agency provides treatment or permits restrictive behavior techniques to be used, the agency shall obtain a license issued by the department of health services pursuant to title 36, chapter 4 or a child welfare agency license issued pursuant to this article.

C. The superior court shall have jurisdiction to issue an injunction restraining the operation of a child welfare agency or foster home without a license.

8-509. Licensing of foster homes; fingerprint waiver; restricted license; renewal of license; provisional license; exemption from licensure; immunization requirements

A. The department shall license and certify foster homes. Licenses are valid for a period of two years.

B. The department shall not issue a license without satisfactory proof that the foster parent or parents have completed six actual hours of approved initial foster parent training as set forth in section 8-503 and that each foster parent and each other adult member of the household has a valid fingerprint clearance card issued pursuant to section 41-1758.07. The foster parent and each other adult member of the household must certify on forms that are provided by the department and that are notarized whether the foster parent or other adult member of the household is awaiting trial on or has ever been convicted of any of the criminal offenses listed in section 41-1758.07, subsections B and C in this state or similar offenses in another state or jurisdiction.

C. A kinship foster care parent shall apply for a fingerprint clearance card pursuant to section 41-1758.07. In its discretion and for good cause, the department may waive the requirement for a kinship foster care parent to obtain a fingerprint clearance card. In evaluating whether good cause exists, the department shall apply the criteria prescribed in section 41-1758.07, subsections B and C. If the department waives the requirement, the department shall issue to the kinship foster care parent a restricted license that applies only to the children placed with the kinship foster care parent for kinship foster care.

D. The department shall not renew a license without satisfactory proof that the foster parent or parents have completed twelve actual hours of approved ongoing foster parent training during the two-year period of licensure as set forth in section 8-503.

E. If the department determines that completing the training required in subsections B and D of this section would be a hardship to the foster parent or parents, the department may issue a provisional license for a period not to exceed six months. A provisional license may not be renewed.

F. Child welfare agencies that submit foster homes for licensing shall conduct an investigation of the foster home pursuant to licensing rules of the department. The department shall conduct investigations of all other foster homes. If the foster home meets all requirements set by the department, the agency shall submit an application stating the foster home's qualifications to the department. The agency may also recommend the types of licensing and certification to be granted to the foster home.

G. The department shall accept an adoptive home certification study as a licensing home study if the study has been updated within the past three months to include the information necessary to determine whether the home meets foster care licensing standards.

H. This section does not apply if the child is placed in a home by a means other than by court order and if the home does not receive compensation from this state or any political subdivision of this state.

I. The department may not prohibit a person operating a licensed foster home from applying for or receiving compensation as a foster home parent due to employment with this state.

J. The department shall not require a foster parent to immunize the foster parent's natural or adoptive children as a condition of foster home licensure.

K. A licensee may modify the renewal date of a license issued pursuant to this section by submitting an application for modification of renewal date with the department on a form prescribed by the department. The licensee must specify the new month of renewal on the application. The modified renewal date must be before, but not more than six months earlier than, the existing renewal date.

L. The foster care review board shall review the cases of children placed by the department in foster homes licensed pursuant to this section as required by section 8-515.03.

8-511. Short-term caregiver

A. Except as prescribed in subsection B, if circumstances require a foster parent to leave a foster child in the care of another person, the foster parent shall:

1. Use reasonable judgment in the foster parent's choice of an adult to provide the care.

2. Notify the department case manager before the care exceeds twenty-four hours, in a nonemergency situation.

3. Notify the department case manager before the care exceeds seventy-two hours, in an emergency situation.

B. A foster parent who is certified to provide care to a child with developmental disabilities, a medically fragile child or a child receiving treatment foster care shall implement the alternate care plan that is approved by the department, if the foster parent must leave the foster child in the care of another person.

8-514. Placement in foster homes

A. Subject to the provisions of section 8-514.01, the division or a licensed child welfare agency if so authorized in its license may place a child in a licensed foster home for care or for adoption. Notwithstanding any law to the contrary, the division or a licensed child welfare agency may place a child in excess of the number of children allowed and identified in a foster parent's license if the division or agency reasonably believes the foster home has the ability to safely handle additional children, there are no outstanding concerns, deficiencies, reports or investigations known by the division regarding the foster home, and the child meets any of the following criteria:

1. The child is part of a sibling group that currently resides in the foster home.

2. The child is part of a sibling group that is being considered for placement in a foster home but because of the maximum child limit would otherwise have to be separated.

3. The child previously resided in the foster home.

4. The child is a kinship placement for the foster home.

B. The department shall place a child in the least restrictive type of placement available, consistent with the best interests of the child. The order for placement preference is as follows:

1. With a parent.

2. With a grandparent.

3. In kinship care with another member of the child's extended family, including a person who has a significant relationship with the child. A foster parent or kinship caregiver with whom a child under three years of age has resided for nine months or more is presumed to be a person who has a significant relationship with the child.

4. In licensed family foster care.

5. In therapeutic foster care.

6. In a group home.

7. In a residential treatment facility.

C. Notwithstanding subsection B of this section, the order for placement preference of a Native American child is as follows:

1. With a member of the child's extended family.

2. In a licensed family foster home approved or specified by the child's tribe.

3. In an Indian foster home licensed or approved by an authorized non-Indian licensing authority.

4. In an institution approved by the Indian tribe or operated by an Indian organization that has a program suitable to meet the Indian child's needs pursuant to 25 United States Code chapter 21.

D. At the time of placement there shall be presented to the foster parents, by the agency or division placing the child, a written summary of known, unprivileged information regarding the child, including the following:

1. Demographic information.

2. Type of custody and previous placement.

3. Pertinent family information including but not limited to the names of family members who, by court order, may not visit the child.

4. Known or available medical history including but not limited to:

(a) Allergies.

(b) Immunizations.

(c) Childhood diseases.

(d) Physical disabilities.

(e) Other idiosyncrasies.

(f) The child's last doctor, if known.

5. A summary of the child's history of adjudication on acts of delinquency, as may be public record and available in the file of the clerk of the superior court.

E. The responsibility of the agency or the division for a child placed in a foster home shall be defined in writing and accepted by the person receiving the child. The agency or division shall make available to the foster parents a method of acquiring emergency information that may be necessary to deal with situations that may arise pursuant to their responsibilities as foster parents.

F. Every foster home shall maintain a record of the children received, which shall include facts in regard to the children and their care and shall be in the form and kept in the manner prescribed by the division.

G. In addition to any other relevant factors, the department shall consider the following in determining whether a placement is in the best interests of the child:

1. The caregiver is interested in providing permanence for the child if reunification efforts ultimately fail.

2. The expressed wishes of the birth parent and child, if applicable, unless the wishes are contrary to law.

3. The relationship of the caregiver with the child and the child's family.

4. The proximity of the placement home to the parents' home and the child's current school or school district.

5. The strengths and parenting style of the caregiver in relation to the child's behavior and needs.

6. The caregiver's willingness to communicate and interact with the birth family to support visitation and the reunification process.

7. The caregiver's ability and willingness to accept placement of the child and all or any of the child's siblings.

8. If any sibling will be placed separately, the caregiver's ability and willingness to provide or assist in maintaining frequent visitation or other ongoing contact between the child and the child's sibling.

9. The child's fit with the family with regard to age, gender and sibling relationships.

10. If the child has chronic behavioral health needs:

(a) Whether the child's behavior will place other children in the home at risk.

(b) The caregiver's ability to provide the necessary level of supervision to prevent harm to the child or others by the child.

11. Whether placement in the home would comply with the placement preferences prescribed by 25 United States Code section 1915, if applicable.

H. Within thirty days after a dependent child who is at least eight years of age is placed in out-of-home care, unless otherwise recommended by a doctor or therapist, the department shall ensure that the child receives age-appropriate and developmentally appropriate materials and resources about sexual abuse, child sex trafficking and exploitation. The materials and resources must include a definition of sexual abuse, information about the dangers of online and in-person predators and methods for reporting abuse. The materials and resources may include a twenty-four-hour hotline telephone number.

8-529. Children in foster care and kinship foster care; rights

A. A child in foster care and kinship foster care has the following rights:

1. To appropriate care and treatment in the least restrictive setting available that can meet the child's needs according to the best judgment of the foster parent.

2. To live in a safe, healthy and comfortable placement where the child can receive reasonable protection from harm and appropriate privacy for personal needs and where the child is treated with respect.

3. To be placed with a relative when such placement is in the best interest of the child.

4. To be placed with or in close proximity to the child's siblings when possible and to visit and have contact with siblings and family members when it is in the best interest of the child.

5. To know why the child is in foster care and what will happen to the child and to the child's family, including siblings, and case plans.

6. Whenever possible, to be placed with a foster family that can accommodate the child's communication needs.

7. To be disciplined in a manner that is appropriate to the child's level of maturity and not be subjected to physical discipline methods.

8. To attend community, school, extracurricular and religious services and activities of the child's choice to the extent that it is appropriate for the child, as planned and discussed with the child's placement worker and caseworker and based on caregiver ability if transportation is available through a responsible party.

9. To go to school and receive an education that fits the child's age and individual needs. If remaining in the child's current school is not in the child's best interest, the child has the right to be enrolled in the least restrictive school available.

10. To training in personal care, hygiene and grooming.

11. To clothing that fits comfortably and is adequate to protect the child against natural elements such as rain, snow, wind, cold and sun.

12. To have personal possessions at home and to acquire additional possessions within reasonable limits, as planned and discussed with the child's foster parent, placement worker and caseworker, and based on caregiver ability.

13. To personal space, preferably in the child's foster home bedroom for storing clothing and belongings.

14. To healthy foods in healthy portions that are appropriate for the child's age.

15. To comply with any approved visitation plan, and to have any restrictions explained to the child in a manner and level of details deemed age appropriate by the foster parent in agreement with the caseworker and documented in the child's record.

16. If the child is six years of age or older, to receive contact information for the child's caseworker, attorney or advocate and to speak with them in private if necessary.

17. To be represented by an attorney in all proceedings initiated pursuant to this title.

18. To participate in age appropriate child's service planning and permanency planning meetings and to be given a copy or summary of each service plan and service plan review. The child may request someone to participate on the child's behalf or to support the child in this participation.

19. To attend the child's court hearing and speak to the judge.

20. To have the child's records and personal information kept private and discussed only when it is about the child's care except the foster parent shall have full access to the records to determine if the child will be successful in the home. During the foster placement, if the foster parent requests to view the record on experiencing problems with the child's adjustment, the full record shall be made available for viewing by the foster parent.

21. To receive medical, dental, vision and mental health services and to be informed about diagnoses and treatment options as is developmentally appropriate.

22. To be free of unnecessary or excessive medication.

23. To receive emotional, mental health or chemical dependency treatment separately from adults who are receiving services, as planned and discussed with the child's placement worker and caseworker, as is financially reasonable for the foster parent.

24. To report a violation of personal rights specified in this section without fear of punishment, interference, coercion or retaliation, except that an appropriate level of punishment may be applied if the child is proven to have maliciously or wrongfully accused the foster parent.

25. To be informed in writing of the name, address, telephone number and purpose of the Arizona protection and advocacy system for disability assistance.

26. To understand and have a copy of the rights listed in this section.

B. A child in foster care or kinship foster care who is at least fourteen years of age has the following rights:

1. To attend preparation for adult living classes and activities as appropriate to the child's case plan, as is financially reasonable for the foster parent.

2. To a transition plan that includes career planning and assistance with enrolling in an educational or vocational job training program.

3. To be informed of educational opportunities, including information regarding assistance and funding for postsecondary and vocational education.

4. To assistance in obtaining an independent residency when the child is too old to remain in foster care from the child's caseworker, attorney or advocate.

5. To request a court hearing for a court to determine if the child has the capacity to consent to medical care that is directly related to an illness, disease, deformity or other physical malady.

6. To receive help with obtaining a driver license, social security number, birth certificate or state identification card and credit reports with assistance in interpreting the reports and resolving inaccuracies in the report. The foster parent shall have discretion to determine if the child is responsible and mature enough to become a licensed driver.

7. To receive necessary personal information within thirty days after leaving foster care, including the child's birth certificate, immunization records and information contained in the child's education portfolio and health passport.

8. To participate in or reenter extended foster care when the child is at least eighteen and under twenty-one years of age pursuant to section 8-521.02.

C. The department shall provide information regarding a child's rights pursuant to this section and assistance in understanding and enforcing these rights to each child who enters foster care or kinship foster care or when there is a change in the child's foster care plan. The information shall also include the telephone number and email address of the department, the child's assigned case manager, the department's office of the ombudsman and the ombudsman-citizens aide. A copy of these rights shall be posted in a conspicuous place in all foster care and group homes.

D. If a child who is in foster care or kinship foster care believes that the child's rights under this section have been violated, the child or the child's representative may:

1. File a complaint with the department, the department's office of the ombudsman or the ombudsman-citizens aide pursuant to section 41-1376. A formal grievance may be initiated with the ombudsman at any time.

2. Notify the juvenile court in the child's ongoing dependency, severance or adoption proceeding, either orally or in writing, that the child's rights are being violated and request appropriate equitable relief. The court shall act on the notification as necessary within its discretion to promote the best interest of the child.

E. The rights provided in this section do not establish an independent cause of action.

8-530. Foster parents and kinship foster care parents; rights

A. A foster parent or kinship foster care parent in this state has the following rights:

1. To be treated with consideration and respect for the foster parent or kinship foster care parent's personal dignity and privacy.

2. To be included as a valued member of the team that provides services to the foster child, including participation in meetings that involve the child's service team.

3. To receive support services that assist the foster parent or kinship foster care parent to care for the child in the foster home, including open and timely responses from agency personnel.

4. To be informed of all information regarding the child that will impact the foster home or family life during the care of the foster child.

5. To contribute to the permanency plan for the child in the foster home.

6. To have placement information kept confidential when it is necessary to protect the foster parent or kinship foster care parent and the members of the foster parent's or kinship foster care parent's household.

7. To be assisted in dealing with family loss and separation when a child leaves the foster home.

8. To be informed of all agency policies and procedures that relate to the foster parent's or kinship foster care parent's role as a foster parent or kinship foster care parent.

9. To receive training that will enhance the foster parent's or kinship foster care parent's skills and ability to cope as a foster parent or kinship foster care parent.

10. To report a violation of the rights specified in this section without fear of punishment, interference, coercion or retaliation.

11. To be able to receive services and reach personnel on a twenty-four hour, seven days per week basis.

12. To be granted a reasonable plan for respite from the role of foster parent or kinship foster care parent.

13. To confidentiality regarding issues that arise in the foster home.

14. To not be discriminated against on the basis of religion, race, color, creed, sex, national origin, age or physical disability.

15. To receive an evaluation on the foster parent's or kinship foster care parent's performance.

16. To be notified of a child returning to foster care pursuant to section 8-530.01 or when a child who is currently placed in foster care or kinship foster care becomes available for adoption.

B. The department shall provide information regarding a foster parent's or kinship foster care parent's rights pursuant to this section and assistance in understanding and enforcing these rights to each foster parent and kinship foster care parent when a child is placed in a foster parent's or kinship foster care parent's care or when there is a change in the child's foster care or kinship foster care plan. The information shall include the telephone number and email address of the department, the department's office of the ombudsman and the ombudsman-citizens aide.

C. If a foster parent or kinship foster care parent believes that the person's rights under this section have been violated, the foster parent or kinship foster care parent or the foster parent's or kinship foster care parent's representative may file a complaint with the department, the department's office of the ombudsman or the

ombudsman-citizens aide pursuant to section 41-1376. A formal grievance may be initiated with the ombudsman at any time. If a foster parent or kinship foster care parent or a foster parent's or kinship foster care parent's representative files a complaint pursuant to this subsection, the person may also notify the juvenile court and all parties to the child's ongoing dependency, severance or adoption proceeding orally or in writing of the complaint.

D. The rights provided in this section do not establish an independent cause of action.

DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS
Title 20, Chapter 4, Articles 6-8, 10 & 11

GOVERNOR'S REGULATORY REVIEW COUNCIL

ATTORNEY MEMORANDUM - FIVE-YEAR REVIEW REPORT

MEETING DATE: February 4, 2025

TO: Members of the Governor's Regulatory Review Council (Council)

FROM: Council Staff

DATE: January 21, 2025

SUBJECT: **DEPARTMENT OF FINANCIAL INSTITUTIONS**
Title 20, Chapter 4, Articles 6, 7, 8, 10 and 11, Department of Financial Institutions

---

Summary

This Five-Year Review Report (5YRR) from the Arizona Department of Insurance and Financial Institutions (Department) relates to twenty-six (26) rules in Title 20, Chapter 4, Article 6, 7, 8, 10, and 11. The Articles specifically cover:

- **Article 6** -Debt Management Companies
- **Article 7**-Escrow Agents
- **Article 8**- Trust Companies
- **Article 10** - Safe Deposit and Safekeeping
- **Article 11** - Public Depositories for Public Monies

In the prior 5YRR, which was approved by the council in February 2020, the Department identified a total of five (5) rules that needed to be amended. The Department has identified this course of action being completed as a result of the rules being amended effective October 8, 2023, the council approved these amendments during the August 1, 2023 council meeting.

Proposed Action

In the current report, the Department does not propose any course of action because these rules were amended in 2023 and the Department has identified no need to amend them at this time.

1. Has the agency analyzed whether the rules are authorized by statute?

Yes, the Department cites both general and specific statutory authority for these rules.

2. Summary of the agency's economic impact comparison and identification of stakeholders:

As a result of this Five-Year Review Report, the Department has not identified any economic impact that is significantly different from that projected in the economic impact statement for the last rulemaking on each article. At the time of the last rulemakings for Articles 6, 7, and 8, the Department projected that the changes would produce minimal financial impact, including no anticipated effect on the revenues or payroll expenditures, to applicants and licensees. It was projected that Articles 10 and 11 would produce no financial impact because only language changes were being made to the rules.

Stakeholders are identified as debt management companies, businesses, licensees, debtors, the Director, and the Department.

3. Has the agency analyzed the costs and benefits of the rulemaking and determined that the rules impose the least burden and costs to those who are regulated?

The Department has determined that the rule's benefits outweigh, within this State, the probable costs of the rule and impose the least burden and costs to persons regulated by the rule, including paperwork and other compliance costs necessary to achieve the underlying regulatory objective for all reviewed articles.

4. Has the agency received any written criticisms of the rules over the last five years?

The Department states they have not received any written criticisms of the rules in the last five years.

5. Has the agency analyzed the rules' clarity, conciseness, and understandability?

The Department states the rules are clear, concise, and understandable.

6. Has the agency analyzed the rules' consistency with other rules and statutes?

The Department states the rules are consistent with other rules and statutes.

7. Has the agency analyzed the rules' effectiveness in achieving its objectives?

The Department states the rules are effective in achieving their objectives.

8. Has the agency analyzed the current enforcement status of the rules?

Yes, the Department indicates the rules are enforced as written.

9. Are the rules more stringent than corresponding federal law and, if so, is there statutory authority to exceed the requirements of federal law?

No, the Department indicates that the rules are not more stringent than corresponding federal law.

10. For rules adopted after July 29, 2010, do the rules require a permit or license and, if so, does the agency comply with A.R.S. § 41-1037?

The rules in these Articles were not adopted after July 29, 2010 and therefore do not require a permit.

11. Conclusion

This Five Year Review Report from the Arizona Department of Insurance and Financial Institutions covers twenty-six rules across 5 articles in Title 20, Chapter 4 covering the subject matter of debt management companies, escrow agents, trust companies, safe deposit and safekeeping, and public depositories for public monies. The Department recently completed a rulemaking in 2023. As a result of the 2023 rulemaking, the Department has proposed no course of action because the rules meet their objectives, are consistent with other rules and statutes, are clear, concise, and understandable, and are being enforced as written.

The report meets the requirements of A.R.S. § 41-1056 and R1-6-301. Council staff recommends approval.

RE: Five Year Review Report
Arizona Department of Insurance and Financial Institutions ("Department")
Title 20, Chapter 4, Articles 6 through 8, 10 and 11

Dear Chairperson Klein:

Please find enclosed the Five-Year Review Report of the Department for Title 20 (Commerce, Financial Institutions, and Insurance), Chapter 4 (Department of Insurance and Financial Institutions – Financial Institutions), Articles 6 (Debt Management Companies), 7 (Escrow Agents), 8 (Trust Companies), 10 (Safe Deposit and Safekeeping Code), and 11 (Public Depositories for Public Monies) which is due on or before September 30, 2024.

The Department hereby certifies compliance with A.R.S. § 41-1091.

For questions about this report, please contact Mary Kosinski at (602) 364-3476 or mary.kosinski@difi.az.gov.

Sincerely,

Barbara D. Richardson

Barbara D. Richardson
Director

Department of Insurance and Financial Institutions

5 YEAR REVIEW REPORT

Title 20. Commerce, Financial Institutions, and Insurance

Chapter 4. Department of Insurance and Financial Institutions – Financial Institutions

Article 6. Debt Management Companies

September 2024

1. Authorization of the rule by existing statutes

General Statutory Authority: A.R.S. § 6-123(2)

Specific Statutory Authority: A.R.S. §§ 6-704, 6-709(M), 6-709(J), 6-710(1), 6-710(8), 6-714, and 6-709(A)

2. The objective of each rule:

Rule	Objective
R20-4-602	**Applications.** The objective of the rule is to specify the contents and procedures required for a debt management company to complete the application package for a license, branch license or license renewal.
R20-4-603	**Reports.** The objective of the rule is to specify the time frame of the annual reporting of the business and operations of each place of business, the acceptable method and documents for the annual reporting, the deadline for the annual reporting to the Department, and the timeframe within which the licensee must notify the Department of changes in ownership or of changes to officers, directors, trustees, partners or managing agents.
R20-4-604	**Records.** The objective of the rule is to interpret and advise the licensee about the nature and content of the records that must be maintained, the frequency with which certain records must be prepared, and of record-keeping procedures or practices.
R20-4-607	**Budget Analysis.** The objective of the rule is to specify information that must be documented in a budget analysis of a prospective debtor in determining that the person is reasonably able to make agreed-upon payments before accepting the account.
R20-4-611	**Advertising.** The objective of the rule is to establish requirements and prohibitions for advertising, communication or sales material to be used by a licensee.
R20-4-612	**Solvency and Minimum Liquid Assets.** The objective of the rule is to define liquid assets, specify the amount by which liquid assets must exceed current liabilities and debtor balances, and specify that a licensee must use generally accepted accounting principles to compute assets and liabilities.

3. Are the rules effective in achieving their objectives? **Yes X No __**

4. Are the rules consistent with other rules and statutes? **Yes _X_ No __**

5. Are the rules enforced as written? **Yes _X_ No __**

6. Are the rules clear, concise, and understandable? **Yes _X__ No __**

7. Has the agency received written criticisms of the rules within the last five years? **Yes ___ No _X_**

8. Economic, small business, and consumer impact comparison:

The Department has not identified any economic impact that is significantly different from that projected in the economic impact statement for last rulemaking on this Article (29 A.A.R. 1945, September 1, 2023). At that time, the Department projected that the changes would produce minimal financial impact, including no anticipated effect on the revenues or payroll expenditures, to applicants and licensees

9. Has the agency received any business competitiveness analyses of the rules? **Yes ___ No _X_**

10. Has the agency completed the course of action indicated in the agency's previous five-year-review report?

Please state what the previous course of action was and if the agency did not complete the action, please explain why not.

2019 Five Year Review Report Proposed Course of Action:

R20-4-602: The Department proposes to amend the rule by removing the verbiage from section (A) that directs the Department to order a credit report and replace it with language stating the applicant shall furnish a credit report as part of a completed application.

R20-4-603: The Department proposes to amend the rule by removing the verbiage from section (B) that directs the debt management company to, within ten days, send the department a copy, datestamped by the Arizona Corporation Commission, of each annual report and certificate of disclosure.

Response to Item 10:

The Department engaged in a rulemaking, effective October 2, 2023, that addressed both the proposed courses of action listed above.

11. A determination that the probable benefits of the rule outweigh within this state the probable costs of the rule, and the rule imposes the least burden and costs to regulated persons by the rule, including paperwork and other compliance costs, necessary to achieve the underlying regulatory objective:

The rule's benefits outweigh, within this State, the probable costs of the rule and impose the least burden and costs to persons regulated by the rule, including paperwork and other compliance costs necessary to achieve the underlying regulatory objective.

12. Are the rules more stringent than corresponding federal laws? **Yes ___ No _X_**

No federal law is applicable to the subject of the rules.

13. For rules adopted after July 29, 2010 that require the issuance of a regulatory permit, license, or agency authorization, whether the rules are in compliance with the general permit requirements of A.R.S. § 41-1037 or explain why the agency believes an exception applies:

Not applicable. The Department adopted the rules pertaining to debt management companies in 1978. In addition, the statutes, not the rules, establish the requirement for a license to operate as a debt management company (*See,* A.R.S. § 6-703.)

14. Proposed course of action

Because it recently engaged in a rulemaking on this Article (29 A.A.R. 1945, September 1, 2023), the Department has no planned course of action at this time.

Department of Insurance and Financial Institutions

5 YEAR REVIEW REPORT

Title 20. Commerce, Financial Institutions, and Insurance

Chapter 4. Department of Insurance and Financial Institutions – Financial Institutions

Article 7. Escrow Agents

September 2024

1. Authorization of the rule by existing statutes

General Statutory Authority: A.R.S. § 6-123(2)

Specific Statutory Authority: A.R.S. §§ 6-126, 6-814(A), 6-817, 6-831, 6-834 and 6-837.

2. The objective of each rule:

Rule	Objective
R20-4-701	**Change in Location of Business.** The objective of the rule is to notify the licensee about the notice requirements for any change in the location of the licensee's business and that a fee must be remitted.
R20-4-702	**Account Practices and Records.** The objective of the rule is to advise and describe what documentation is to be retained to enable the Director to reconstruct the details of each escrow transaction.
R20-4-703	**Preservation of Records.** The objective of the rule is to interpret and describe the procedure and practice requirements acceptable to the Department for the length of time and method of retaining records, books, and accounts pertaining to each escrow transaction
R20-4-704	**Subsidiary Account Records.** The objective of the rule is to interpret and advise the licensee of the procedure or practice requirements of the Department which governs the deposit of escrow monies
R20-4-708	**Financial Condition and Resources.** The objective of the rule is to establish a set of criteria the Director uses in evaluating an applicant's or escrow agent's financial condition and resources.

3. Are the rules effective in achieving their objectives? **Yes X No __**

4. Are the rules consistent with other rules and statutes? **Yes _X_ No __**

5. Are the rules enforced as written? **Yes _X_ No __**

6. Are the rules clear, concise, and understandable? **Yes _X__ No __**

7. Has the agency received written criticisms of the rules within the last five years? **Yes ___ No _X_**

8. Economic, small business, and consumer impact comparison:

The Department has not identified any economic impact that is significantly different from that projected in the economic impact statement for last rulemaking on this Article (29 A.A.R. 1949, September 1, 2023). At that time, the Department projected that the changes would produce minimal financial impact, including no anticipated effect on the revenues or payroll expenditures, to applicants and licensees

9. Has the agency received any business competitiveness analyses of the rules? Yes ___ No _X_

10. Has the agency completed the course of action indicated in the agency's previous five-year-review report?

Please state what the previous course of action was and if the agency did not complete the action, please explain why not.

2019 Five Year Review Report Proposed Course of Action:

R20-4-703: The department proposes to amend the rule by striking settlement date and replacing it with transaction. The Department will request an exemption to Executive Order 2019-01 and if granted, will submit a Notice of Proposed Rule Making by July 31, 2020.

Response to Item 10:

The Department engaged in a rulemaking, effective October 2, 2023, that addressed the proposed course of action for R20-4-703.

11. A determination that the probable benefits of the rule outweigh within this state the probable costs of the rule, and the rule imposes the least burden and costs to regulated persons by the rule, including paperwork and other compliance costs, necessary to achieve the underlying regulatory objective:

The rule's benefits outweigh, within this State, the probable costs of the rule and impose the least burden and costs to persons regulated by the rule, including paperwork and other compliance costs necessary to achieve the underlying regulatory objective.

12. Are the rules more stringent than corresponding federal laws? Yes ___ No _X_

No federal law is applicable to the subject of the rules.

13. For rules adopted after July 29, 2010 that require the issuance of a regulatory permit, license, or agency authorization, whether the rules are in compliance with the general permit requirements of A.R.S. § 41-1037 or explain why the agency believes an exception applies:

Not applicable. The Department adopted the rules pertaining to escrow agents prior to 2010. In addition, the statutes, not the rules, establish the requirement for a license to operate as an escrow agent (*See,* A.R.S. § 6-813.)

14. Proposed course of action

Because it recently engaged in a rulemaking on this Article (29 A.A.R. 1949, September 1, 2023), the Department has no planned course of action at this tisme.

Department of Insurance and Financial Institutions

5 YEAR REVIEW REPORT

Title 20. Commerce, Financial Institutions, and Insurance

Chapter 4. Department of Insurance and Financial Institutions – Financial Institutions

Article 8. Trust Companies

September 2024

1. Authorization of the rule by existing statutes

General Statutory Authority: A.R.S. § 6-123(2)

Specific Statutory Authority: A.R.S. §§ 6-859, 6-860, 6-861, 6-862, 6-863(A)(8), 6-864, 6-865, 6-870.02, and 6-871

2. The objective of each rule:

Rule	Objective
R20-4-801	**Definitions.** The objective of the rule is to define terms used in the rules but not defined elsewhere, and to cross reference definitions either from the statutes or from other provisions of these rules.
R20-4-805	**Reports.** The objective of the rule is to specify the subject matter and contents of the reports required by the Director under the Director's statutory authority.
R20-4-806	**Records.** The objective of the rule is to provide the periods of time and the manner in which each licensee's records shall be kept.
R20-4-807	**Unsafe or Unsound Condition.** The objective of the rule is to notify licensees of the circumstances that indicate the licensee is conducting its business in an unsafe manner or its affairs are in unsound condition.
R20-4-808	**Administration of Fiduciary Powers.** The objective of the rule is to inform licensees of the standards of conduct for the administration of fiduciary powers, and the records required to prove compliance with those standards.
R20-4-809	**Fiduciary Duties.** The objective of the rule is to specify the primary duties of the licensees' management in the conduct of trust business.
R20-4-810	**Funds Awaiting Investment or Distribution.** The objective of the rule is to require prompt investment or distribution of funds held in trust by a licensee, to require that deposited funds be secured to the extent they are not covered by deposit insurance, and to permit retention of such funds in deposit accounts of a bank acting as a fiduciary under certain circumstances.
R20-4-811	**Investment of Trust Funds.** The objective of the rule is to specify the legal limits on the licensee's investment discretion, and to clarify the sole legal basis on which a licensee may rely in deciding to make collective investments.
R20-4-812	**Self-dealing.** The objective of the rule is to explicitly advise licensees of the acts of self-dealing that are prohibited under the statute and the rules in Article 8. The rule also lists the special circumstances that create exceptions to the rule's prohibitions.
R20-4-813	**Custody of Investments.** The objective of the rule is to advise licensees of the permissible means of custody and control of account assets, as well the records required to demonstrate compliance with the rule.
R20-4-814	**Compensation.** The objective of the rule is to describe the legal bases under which a licensee may charge a fee for its services, and to list those circumstances under which neither it, nor its employees, may receive a fee.

R20-4-815	**Collective Investments.** The objective of the rule is to establish the procedures used by licensees to establish a common trust fund, and to list the specific duties imposed at the organization phase.
R20-4-816	**Termination of Trust or Fiduciary Powers and Duties.** The objective of the rule is to describe the procedures a licensee shall use to surrender its right to conduct trust business. It also states the level of regulation imposed while a licensee winds up its trust business affairs.

3. **Are the rules effective in achieving their objectives?** **Yes X No __**

4. **Are the rules consistent with other rules and statutes?** **Yes _X_ No __**

5. **Are the rules enforced as written?** **Yes _X_ No __**

6. **Are the rules clear, concise, and understandable?** **Yes _X__ No __**

7. **Has the agency received written criticisms of the rules within the last five years?** **Yes ___ No _X_**

8. **Economic, small business, and consumer impact comparison:**

The Department has not identified any economic impact that is significantly different from that projected in the economic impact statement for last rulemaking on this Article (29 A.A.R. 1952, September 1, 2023). At that time, the Department projected that the changes would produce minimal financial impact, including no anticipated effect on the revenues or payroll expenditures, to licensees.

9. **Has the agency received any business competitiveness analyses of the rules?** **Yes ___ No _X_**

10. **Has the agency completed the course of action indicated in the agency's previous five-year-review report?**

Please state what the previous course of action was and if the agency did not complete the action, please explain why not.

2019 Five Year Review Report Proposed Course of Action:

R20-4-801: The department proposes to amend the rule to reflect the definition of "Superintendent" found in A.R.S. § 6-101(16). The Department will request an exemption to Executive Order 2019-01 and if granted, will submit a Notice of Proposed Rule Making by July 31, 2020.

R20-4-811: The department proposes to amend the rule to reflect the intended statues found in A.R.S. §§14-7501 through 14-7512. The Department will request an exemption to Executive Order 2019-01 and if granted, will submit a Notice of Proposed Rule Making by July 31, 2020.

Response to Item 10:

The Department engaged in a rulemaking, effective October 8, 2023, that replaced "Superintendent" with "Director" in response to the structural change in the Department and defined "Director." In addition, the Department corrected the cites to the statutes in R20-4-811.

11. A determination that the probable benefits of the rule outweigh within this state the probable costs of the rule, and the rule imposes the least burden and costs to regulated persons by the rule, including paperwork and other compliance costs, necessary to achieve the underlying regulatory objective:

The rule's benefits outweigh, within this State, the probable costs of the rule and impose the least burden and costs to persons regulated by the rule, including paperwork and other compliance costs necessary to achieve the underlying regulatory objective.

12. Are the rules more stringent than corresponding federal laws? Yes ___ No _X_

Section R20-4-807 (Unsafe or Unsound Condition) finds that a trust company may be in unsafe or unsound condition if it violates any federal requirement for maintaining trusts, common trust funds, or other accounts, or if it violates any applicable federal law or regulation regarding corporations or securities. The rule is not more stringent than the federal law.

Section R20-4-810 (Funds Awaiting Investment or Distribution) requires collateral to qualify as the following types of federal securities:

- Direct obligations of the United States or any agency, department, division, or administration of the federal government;
- Any other obligations fully guaranteed by the United States government as to principal and interest;
- Obligations of the Federal Reserve Bank; and
- Readily marketable securities that qualify as investment securities under the Investment Securities regulations of the Comptroller of the Currency, 12 CFR, Chapter 1, Part 1.

No collateral security is required to the extent the Federal Deposit Insurance Corporation, or its successor, insures the deposited trust funds. The rule is not more stringent than the federal law.

Section R20-4-812 (Self-dealing), subsection (C), prohibits a trust department or trust company from selling or loaning trust property to itself or certain persons unless expressly authorized by federal law. The rule is not more stringent that the federal law.

In the same rule, subsection (F) allows a trust department or trust company to loan trust property held in one account to another of its accounts if the transaction is not prohibited by applicable federal law. The rule is not more stringent than the federal law.

In the same rule, subsection (G) allows a trust department or trust company to make a loan to a trust account, taking trust assets of the borrowing account as security for repayment if the transaction is not prohibited by applicable federal law. The rule is not more stringent than the federal law.

13. For rules adopted after July 29, 2010 that require the issuance of a regulatory permit, license, or agency authorization, whether the rules are in compliance with the general permit requirements of A.R.S. § 41-1037 or explain why the agency believes an exception applies:

Not applicable. The Department adopted the rules pertaining to trust companies in 1977. In addition, the statutes, not the rules, establish the requirement for a license to operate as a trust company (*See,* A.R.S. § 6-853.)

14. Proposed course of action

Because it recently engaged in a rulemaking on this Article (29 A.A.R. 1952, September 1, 2023), the Department has no planned course of action at this time.

5 YEAR REVIEW REPORT

Title 20. Commerce, Financial Institutions, and Insurance

Chapter 4. Department of Insurance and Financial Institutions – Financial Institutions

Article 10. Safe Deposit and Safekeeping Code

September 2024

1. Authorization of the rule by existing statutes

General Statutory Authority: A.R.S. § 6-123(2)

Specific Statutory Authority: A.R.S. § 6-1003

2. The objective of each rule:

Rule	Objective
R20-4-1001	**Notice of Change of Location of Safe Deposit Repository.** The objective of the rule is to specify the form and timing of notice required to comply with A.R.S. § 6-1003 so that safe deposit box lessees are notified when a safe deposit box will be moved

3. Are the rules effective in achieving their objectives? **Yes X No __**

4. Are the rules consistent with other rules and statutes? **Yes _X_ No __**

5. Are the rules enforced as written? **Yes _X_ No __**

6. Are the rules clear, concise, and understandable? **Yes _X__ No __**

7. Has the agency received written criticisms of the rules within the last five years? **Yes ___ No _X_**

8. Economic, small business, and consumer impact comparison:

The Department has not identified any economic impact that is significantly different from that projected in the economic impact statement for last rulemaking on this Article (29 A.A.R. 1937, September 1, 2023). At that time, the Department projected that the changes would produce no financial impact because the only change being made to the rule was to replace "Superintendent" with "Director."

9. Has the agency received any business competitiveness analyses of the rules? **Yes ___ No _X_**

10. Has the agency completed the course of action indicated in the agency's previous five-year-review report?

The 2019 Five Year Review Report proposed no course of Action for Article 10.

11. A determination that the probable benefits of the rule outweigh within this state the probable costs of the rule, and the rule imposes the least burden and costs to regulated persons by the rule, including paperwork and other compliance costs, necessary to achieve the underlying regulatory objective:

The rule's benefits outweigh, within this State, the probable costs of the rule and impose the least burden and costs to persons regulated by the rule, including paperwork and other compliance costs necessary to achieve the underlying regulatory objective.

12. Are the rules more stringent than corresponding federal laws? Yes ___ No _X_

Not applicable. No federal law is referenced in R20-6-1001.

13. For rules adopted after July 29, 2010 that require the issuance of a regulatory permit, license, or agency authorization, whether the rules are in compliance with the general permit requirements of A.R.S. § 41-1037 or explain why the agency believes an exception applies:

Not applicable. The subject matter of the rule pertains to repositories not permits.

14. Proposed course of action

Because it recently engaged in a rulemaking on this Article (29 A.A.R. 1937, September 1, 2023), the Department has no planned course of action at this time.

Department of Insurance and Financial Institutions

Title 20. Commerce, Financial Institutions, and Insurance

Chapter 4. Department of Insurance and Financial Institutions – Financial Institutions

Article 11. Public Depositories for Public Monies

September 2024

1. Authorization of the rule by existing statutes

General Statutory Authority: A.R.S. § 6-123(2)

Specific Statutory Authority: A.R.S. § 35-321(3)

2. The objective of each rule:

Rule	Objective
R20-4-1101	**Capital Structure of Banks; Defined.** The objective of the rule is to specify the components of the statutory term "capital structure" for the benefit of reporting requirements and the definition in the state treasurer's statutes.

3. Are the rules effective in achieving their objectives? **Yes X No __**

4. Are the rules consistent with other rules and statutes? **Yes _X_ No __**

5. Are the rules enforced as written? **Yes _X_ No __**

6. Are the rules clear, concise, and understandable? **Yes _X__ No __**

7. Has the agency received written criticisms of the rules within the last five years? **Yes ___ No _X_**

8. Economic, small business, and consumer impact comparison:

The Department has not identified any economic impact that is significantly different from that projected in the economic impact statement for last rulemaking on this Article (29 A.A.R. 1937, September 1, 2023). At that time, the Department projected that the changes would produce no financial impact because the only substantive change being made to the rule was to correct the statutory reference from "Article 2" to "Article 2.1."

9. Has the agency received any business competitiveness analyses of the rules? **Yes ___ No _X_**

10. Has the agency completed the course of action indicated in the agency's previous five-year-review report?

The 2019 Five Year Review Report proposed no course of Action for Article 11.

11. A determination that the probable benefits of the rule outweigh within this state the probable costs of the rule, and the rule imposes the least burden and costs to regulated persons by the rule, including paperwork and other compliance costs, necessary to achieve the underlying regulatory objective:

The rule's benefits outweigh, within this State, the probable costs of the rule and impose the least burden and costs to persons regulated by the rule, including paperwork and other compliance costs necessary to achieve the underlying regulatory objective.

12. Are the rules more stringent than corresponding federal laws? Yes ___ No _X_

Not applicable. No federal law is referenced in R20-6-1101.

13. For rules adopted after July 29, 2010 that require the issuance of a regulatory permit, license, or agency authorization, whether the rules are in compliance with the general permit requirements of A.R.S. § 41-1037 or explain why the agency believes an exception applies:

Not applicable. The subject matter of the rule pertains to the definition of "capital structure" not permits.

14. Proposed course of action

Because it recently engaged in a rulemaking on this Article (29 A.A.R. 1937, September 1, 2023), the Department has no planned course of action at this time.

6-123. Deputy director; powers

In addition to the other powers, express or implied, the deputy director may:

1. Exercise all powers that are necessary for the administration and enforcement of the laws and rules relating to financial institutions and enterprises.

2. In accordance with title 41, chapter 6, adopt rules that are necessary or appropriate to administer, enforce and accomplish the purposes of this title and adopt rules and issue orders that limit transactions between financial institutions or enterprises and the directors, officers or employees of the financial institutions or enterprises.

3. Require appropriate records, documents, information and reports from any financial institution or enterprise.

4. Submit to the department of public safety, or the nationwide mortgage licensing system and registry established by the secure and fair enforcement for mortgage licensing act of 2008 (P.L. 110-289; 122 Stat. 2810; 12 United States Code sections 5101 through 5116) or its successor, the name and fingerprints of any applicant, licensee, active manager or responsible individual or the name and fingerprints of any organizer, director or officer of any corporate applicant or licensee for:

(a) A banking permit.

(b) Permission to organize a savings and loan association or credit union.

(c) Any license.

(d) Any certificate.

(e) Authority to engage in interstate banking and branching in this state.

The department of public safety shall report the criminal record, if any, of such applicant, licensee or organizer, director or officer of such corporate applicant or licensee within ninety days after receiving the deputy director's request.

5. Employ appraisers to appraise any property that is owned or held as security by any financial institution or enterprise. The reasonable expenses and compensation of such appraisers shall be paid by the financial institution or enterprise.

6. Hold membership in, pay dues to and attend the convention of the national and regional organizations of state officials occupying like offices or performing similar functions.

7. Cooperate with other regulatory agencies and professional associations to promote the efficient, safe and sound operation and regulation of interstate banking and branching activities, including the formulation of interstate examination policies and procedures and the drafting of model rules and agreements.

8. Participate in the nationwide mortgage licensing system and registry established by the secure and fair enforcement for mortgage licensing act of 2008 (P.L. 110-289; 122 Stat. 2810; 12 United States Code sections 5101 through 5116), or its successor, and use the system for all aspects of licensure pursuant to this title, title 32, chapter 9 and title 44, chapter 2.1. The deputy director may allow the system to collect licensing fees on behalf of the deputy director, to collect a processing fee for the services of the system directly from each applicant for a license or licensee and to process and maintain records on behalf of the deputy director, including information collected pursuant to this section and section 6-123.01. This paragraph does not affect the records disclosure requirements and limitations prescribed in section 6-129.01.

Email:	mary.kosinski@difi.az.gov

The release of this Chapter in Supp. 24-1 replaces Supp. 23-3, 1-49 pages.
Please note that the Chapter you are about to replace may have rules still in effect after the publication date of this supplement. Therefore, all superseded material should be retained in a separate binder and archived for future reference.

PREFACE

Under Arizona law, the Department of State, Office of the Secretary of State (Office), Administrative Rules Division, accepts state agency rule notice and other legal filings and is the publisher of Arizona rules. The Office of the Secretary of State does not interpret or enforce rules in the *Administrative Code*. Questions about rules should be directed to the state agency responsible for the promulgation of the rule.

Scott Cancelosi, Director
ADMINISTRATIVE RULES DIVISION

RULES

The definition for a rule is provided for under A.R.S. § 41-1001. *"'Rule' means an agency statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedures or practice requirements of an agency."*

THE ADMINISTRATIVE CODE

The *Arizona Administrative Code* is where the official rules of the state of Arizona are published. The *Code* is the official codification of rules that govern state agencies, boards, and commissions.

The *Code* is separated by subject into Titles. Titles are divided into Chapters. A Chapter includes state agency rules. Rules in Chapters are divided into Articles, then Sections. The "R" stands for "rule" with a sequential numbering and lettering outline separated into subsections.

Rules are codified quarterly in the *Code*. Supplement release dates are printed on the footers of each Chapter.

First Quarter: January 1 - March 31
Second Quarter: April 1 - June 30
Third Quarter: July 1 - September 30
Fourth Quarter: October 1 - December 31

For example, the first supplement for the first quarter of 2022 is cited as Supp. 22-1. Supplements are traditionally released three to four weeks after the end of the quarter because filings are accepted until the last day of the quarter.

Please note: The Office publishes by Chapter, not by individual rule Section. Therefore there might be only a few Sections codified in each Chapter released in a supplement. This is why the Office lists only updated codified Sections on the previous page.

RULE HISTORY

Refer to the HISTORICAL NOTE at the end of each Section for the effective date of a rule. The note also includes the *Register* volume and page number in which the notice was published (A.A.R.) and beginning in supplement 21-4, the date the notice was published in the *Register*.

AUTHENTICATION OF PDF CODE CHAPTERS

The Office began to authenticate Chapters of the *Code* in Supp. 18-1 to comply with A.R.S. §§ 41-1012(B) and A.R.S. § 41-5505.

A certification verifies the authenticity of each *Code* Chapter posted as it is released by the Office of the Secretary of State. The authenticated pdf of the *Code* includes an integrity mark with a certificate ID. Users should check the validity of the signature, especially if the pdf has been downloaded. If the digital signature is invalid it means the document's content has been compromised.

HOW TO USE THE CODE

Rules may be in effect before a supplement is released by the Office. Therefore, the user should refer to issues of the *Arizona Administrative Register* for recent updates to rule Sections.

ARIZONA REVISED STATUTE REFERENCES

The Arizona Revised Statutes (A.R.S.) are available online at the Legislature's website, www.azleg.gov. An agency's authority note to make rules is often included at the beginning of a Chapter. Other Arizona statutes may be referenced in rule under the A.R.S. acronym.

SESSION LAW REFERENCES

Arizona Session Law references in a Chapter can be found at the Secretary of State's website, www.azsos.gov under Services-> Legislative Filings.

EXEMPTIONS FROM THE APA

It is not uncommon for an agency to be exempt from the steps outlined in the rulemaking process as specified in the Arizona Administrative Procedures Act, also known as the APA (Arizona Revised Statutes, Title 41, Chapter 6, Articles 1 through 10). Other agencies may be given an exemption to certain provisions of the Act.

An agency's exemption is written in law by the Arizona State Legislature or under a referendum or initiative passed into law by Arizona voters.

When an agency files an exempt rulemaking package with our Office it specifies the law exemption in what is called the preamble of rulemaking. The preamble is published in the *Register* online at www.azsos.gov/rules, click on the *Administrative Register* link.

Editor's notes at the beginning of a Chapter provide information about rulemaking Sections made by exempt rulemaking. Exempt rulemaking notes are also included in the historical note at the end of a rulemaking Section.

The Office makes a distinction to certain exemptions because some rules are made without receiving input from stakeholders or the public. Other exemptions may require an agency to propose exempt rules at a public hearing.

PERSONAL USE/COMMERCIAL USE

This Chapter is posted as a public courtesy online, and is for private use only. Those who wish to use the contents for resale or profit should contact the Office about Commercial Use fees. For information on commercial use fees review A.R.S. § 39-121.03 and 1 A.A.C. 1, R1-1-113.

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

Authority: A.R.S. § 20-124

Supp. 24-1

Editor's Note: The name of the Arizona Department of Financial Institutions was changed to the Department of Insurance and Financial Institutions under Laws 2019, Ch. 252, effective July 1, 2020 (Supp. 22-2).

Editor's Note: The Banking Department's name was changed to the Arizona Department of Financial Institutions under the authority of A.R.S. § 6-110, originally enacted as Laws 2004, Ch. 188, effective January 1, 2006 (Supp. 06-1).

Editor's Note: Title 20, formerly Commerce, Banking, and Insurance, is now Commerce, Financial Institutions, and Insurance. This change became effective when the Banking Department changed its name to the Department of Financial Institutions, effective January 1, 2006 (Supp. 06-1).

20 A.A.C. 4, consisting of R20-4-101 through R20-4-106, R20-4-201 through R20-4-215, R20-4-301 through R20-4-331, R20-4-401 through R20-4-402, R20-4-501 through R20-4-536, R20-4-601 through R20-4-620, R20-4-701 through R20-4-707, R20-4-801 through R20-4-816, R20-4-901 through R20-4-924, R20-4-1001, R20-4-1101 through R20-4-1102, R20-4-1201 through R20-4-1220, R20-4-1401 through R20-4-1410, R20-4-1501 through R20-4-1530, R20-4-1601 through R20-4-1604, and R20-4-1701 through R20-4-1706, recodified from 4 A.A.C. 4, consisting of R4-4-101 through R4-4-106, R4-4-201 through R4-4-215, R4-4-301 through R4-4-331, R4-4-401 through R4-4-402, R4-4-501 through R4-4-536, R4-4-601 through R4-4-620, R4-4-701 through R4-4-707, R4-4-801 through R4-4-816, R4-4-901 through R4-4-924, R4-4-1001, R4-4-1101 through R4-4-1102, R4-4-1201 through R4-4-1220, R4-4-1401 through R4-4-1410, R4-4-1501 through R4-4-1530, R4-4-1601 through R4-4-1604, and R4-4-1701 through R4-4-1706, pursuant to R1-1-102 (Supp. 95-1).

CHAPTER TABLE OF CONTENTS

ARTICLE 1. GENERAL

R20-4-101 through R4-4-106 recodified from R4-4-101 through R4-4-106 (Supp. 95-1).

Article 1, consisting of Sections R4-4-101 through R4-4-106 adopted effective August 16, 1991 (Supp. 91-3).

Article 1, consisting of Sections R4-4-101 through R4-4-104, repealed effective August 16, 1991 (Supp. 91-3).

ARTICLE 2. BANK ORGANIZATION AND REGULATION

ARTICLE 3. EXPIRED

ARTICLE 4. CREDIT UNIONS

ARTICLE 5. CONSUMER LENDERS

ARTICLE 6. DEBT MANAGEMENT COMPANIES

Article 6, consisting of Sections R4-4-601 through R4-4-620, adopted effective October 26, 1978, except that Sections R4-4-603, R4-4-604 and R4-4-607 shall become effective January 1, 1979. R20-4-601 through R20-4-620 recodified from R4-4-601 through R4-4-620 (Supp. 95-1).

Former Article 6, consisting of Section R4-4-601, repealed effective October 26, 1978. R20-4-601 recodified from R4-4-601 (Supp. 95-1).

ARTICLE 7. ESCROW AGENTS

ARTICLE 8. TRUST COMPANIES

ARTICLE 9. MORTGAGE BROKERS

ARTICLE 10. SAFE DEPOSIT AND SAFEKEEPING CODE

ARTICLE 11. PUBLIC DEPOSITORIES FOR PUBLIC MONIES

ARTICLE 12. RULES OF PRACTICE AND PROCEDURE BEFORE THE DIRECTOR

ARTICLE 13. LOAN ORIGINATORS

Article 13, consisting of Sections R20-4-1301 through R20-4-1305, emergency expired on April 21, 2011. New Sections R20-4-1301 through R20-4-1305 were made by final rulemaking on effective April 22, 2011. Emergency rules removed from this Chapter for clarity. (Supp. 15-1).

Article 13, consisting of Sections R20-4-1301 through R20-4-1305, emergency rulemaking renewed at 16 A.A.R. 2165, effective October 24, 2010 for an additional 180 days (Supp. 10-4).

Article 13, consisting of Sections R20-4-1301 through R20-4-1305, made by emergency rulemaking at 16 A.A.R. 839, effective April 27, 2010 for 180 days (Supp. 10-2).

Article 13, consisting of Sections R20-4-1301 through R20-4-1305, emergency expired April 21, 2011; new Article consisting of Sections R20-4-1301 through R20-4-1305, made by final rulemaking at 16 A.A.R. 2401, effective April 22, 2011 (Supp. 10-4).

Article 13, consisting of Sections R20-4-1301 through R20-4-1305, emergency rulemaking renewed at 16 A.A.R. 2165, effective October 24, 2010 for an additional 180 days (Supp. 10-4).

Article 13, consisting of Sections R20-4-1301 through R20-4-1305, made by emergency rulemaking at 16 A.A.R. 839, effective April 27, 2010 for 180 days (Supp. 10-2).

ARTICLE 14. INVESTIGATIONS

ARTICLE 15. COLLECTION AGENCIES

ARTICLE 16. ACQUIRING CONTROL OF FINANCIAL INSTITUTIONS

ARTICLE 17. ARIZONA INTERSTATE BANK AND SAVINGS AND LOAN ASSOCIATION ACT

ARTICLE 18. MORTGAGE BANKERS

Article 18, consisting of Sections R20-4-1801 through R20-4-1812, adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

ARTICLE 19. COMMERCIAL MORTGAGE BANKERS

Article 19, consisting of Sections R20-4-1901 through R20-4-1911, adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

ARTICLE 1. GENERAL

R20-4-101. Scope of Article

The rules in this Article apply to all activities of the Superintendent and to the interpretation of all Arizona statutes and rules administered by the Superintendent.

Historical Note

Former Rule 1. Former R4-4-101 repealed, new R4-4-101 adopted effective August 16, 1991 (Supp. 91-3). R20-4-101 recodified from R4-4-101 (Supp. 95-1).

R20-4-102. Definitions

In this Chapter, unless otherwise specified:

1. "Active management" means directing a licensee's activities by a responsible individual, who:
   a. Is knowledgeable about the licensee's Arizona activities;
   b. Supervises compliance with:
      i. The laws enforced by the Department of Financial Institutions as they relate to the licensee, and
      ii. Other applicable laws and rules; and
   c. Has sufficient authority to ensure compliance.
2. "Affiliate" has the meaning stated at A.R.S. § 6-901.
3. "Attorney General" means the Attorney General or an assistant Attorney General of the state of Arizona.
4. "Branch office" means any location within or outside Arizona, including a personal residence, but not including a licensee's principal place of business in Arizona, where the licensee holds out to the public that the licensee acts as a licensee.
5. "Business of a savings and loan association or savings bank" means receiving money on deposit subject to payment by check or any other form of order or request or on presentation of a certificate of deposit or other evidence of debt.
6. "Compensation" means, in applying that term's definition in A.R.S. §§ 6-901, 6-941, and 6-971, anything received in advance, after repayment, or at any time during a loan's life. This subsection expressly excludes the following items from those definitions of compensation:
   a. Charges or fees customarily received after a loan's closing including prepayment penalties, termination fees, reinvestment fees, late fees, default interest, transfer fees, impound account interest and fees, extension fees, and modification fees. However, extension fees and modification fees are compensation if the lender advances additional funds or increases the credit limit on an open-end mortgage as part of the extension or modification;
   b. Out-of-pocket expenses paid to independent third parties including appraisal fees, credit report fees, legal fees, document preparation fees, title insurance premiums, recording, filing, and statutory fees, collection fees, servicing fees, escrow fees, and trustee's fees;
   c. Insurance commissions;
   d. Contingent or additional interest, including interest based on net operating income; or
   e. Equity participation.
7. "Commercial finance transaction," as that term is used in this Section's definitions of the terms "Engaged in the business of making mortgage loans" and "Engaged in the business of making mortgage loans or mortgage banking loans," means a loan made primarily for other than personal, family, or household purposes.
8. "Control of a licensee," as used in A.R.S. §§ 6-903, 6-944, or 6-978, does not include acquiring additional fractional equity interests in a licensee by any person who already has the power to vote 51% or more of the licensee's outstanding voting equity interests.
9. "Correspondent contract," as that term is used in A.R.S. §§ 6-941, 6-943, 6-971, or 6-973, means an agreement between a lender and a funding source under which the funding source may fund, or is required to fund, loans originated by the lender.
10. "Cushion," as that term is used in R20-4-1811 or R20-4-1908, means funds that a servicer or lender may require a borrower to pay into an escrow or impound account before the borrower's periodic payments are available in the account to cover unanticipated disbursements.
11. "Directly or indirectly makes, negotiates, or offers to make or negotiate" and "Directly or indirectly making, negotiating, or offering to make or negotiate," as those phrases are used in A.R.S. §§ 6-901, 6-941, or 6-971, mean:
    a. Providing consulting or advisory services in connection with a mortgage loan transaction, mortgage banking loan transaction, or commercial mortgage loan transaction;
       i. To an investor, concerning the location or identity of potential borrowers, regardless of whether the person providing consulting or advisory services directly contacts any potential borrowers; or
       ii. To a borrower, concerning the location or identity of potential investors or lenders; or
    b. Providing assistance in preparing an application for a mortgage loan transaction, mortgage banking loan transaction, or commercial mortgage banking loan transaction, regardless of whether the person providing assistance directly contacts any potential investor or lender; and
    c. Processing a loan; but
    d. "Directly or indirectly makes, negotiates, or offers to make or negotiate" and "Directly or indirectly making, negotiating, or offering to make or negotiate" do not include:
       i. Providing clerical, mechanical, or word processing services to prepare papers or documents associated with a mortgage loan transaction, mortgage banking loan transaction, or commercial mortgage banking loan transaction;
       ii. Purchasing, selling, negotiating to purchase or sell, or offering to purchase or sell a mortgage loan, mortgage banking loan, or commercial mortgage banking loan already funded;
       iii. Making, negotiating, or offering to make additional advances on an existing open-ended mortgage loan, mortgage banking loan, or commercial mortgage loan including revolving credit lines;
       iv. Modifying, renewing, or replacing a mortgage loan, a mortgage banking loan, or a commercial mortgage loan already funded, if the parties to and security for the loan are the same as the original loan immediately before the modifica-

tion, renewal, or replacement, and if no additional funds are advanced and no increase is made in the credit limit on an open-ended loan. Replacing a loan means making a new loan simultaneously with terminating an existing loan.

12. "Electronic record" has the meaning stated at A.R.S. § 44-7002(7).
13. "Employee" means a natural person who has an employment relationship with a licensee that is acknowledged by both the person and the licensee, and:
    a. The person is entitled to payment, or is paid, by the licensee;
    b. The licensee withholds and remits, or is liable for withholding and remitting, payroll deductions for all applicable federal and state payroll taxes;
    c. The licensee has the right to hire and fire the employee and the employee's assistants;
    d. The licensee directs the methods and procedures for performing the employee's job;
    e. The licensee supervises the employee's business conduct and the employee's compliance with applicable laws and rules; and
    f. The rights and duties under subsections (13)(a) through (e) belong to the licensee regardless of whether another person also shares those rights and duties.
14. "Engaged in the business of making mortgage loans," as that phrase is used in A.R.S. § 6-902, and "engaged in the business of making mortgage loans or mortgage banking loans," as that phrase is used in A.R.S. § 6-942, mean the direct or indirect making of a total of more than five mortgage banking loans or mortgage loans, or both in a calendar year. Each loan counts only once as of its closing date. A person is not "engaged in the business of making mortgage loans or mortgage banking loans" if the person makes loans solely in commercial finance transactions in which no more than 35% of the aggregate value of all security taken by the investor on the closing date is a lien, or liens, on real property.
15. "Exclusive contract," as that term is used in A.R.S. §§ 6-912 and 6-991.02, means a written agreement in which a loan originator agrees to perform services as a loan originator subject to supervision and control by a person holding a certificate of exemption issued under A.R.S. § 6-912 on an exclusive basis. The agreement provides that the loan originator is expressly prohibited from performing loan origination or modification services for any other person during the time the agreement is in effect.
16. "Generally accepted accounting principles" has the meaning used by the Financial Accounting Standards Board or the American Institute of Certified Public Accountants.
17. "Holds out to the public," as used in this Section's definition of "branch office," means advertising or otherwise informing the public that mortgage banking loans, commercial mortgage loans, or mortgage loans are made or negotiated at a location. "Holds out to the public" includes listing a location on business cards, stationery, brochures, rate lists, or other promotional items. "Holds out to the public" does not include a clearly identified home or mobile telephone number on a business card or stationery.
18. "Loan," as that term is used in A.R.S. §§ 6-126(C)(6) and (8), means all loans negotiated or closed, without regard to the location of the real property collateral or type of loan.
19. "Loan Processing" means obtaining a loan application's supporting documents for use in underwriting.
20. "Person" means a natural person or any legal or commercial entity including a corporation, business trust, estate, trust, partnership, limited partnership, joint venture, association, limited liability company, limited liability partnership, or limited liability limited partnership.
21. "Property insurance," as that term is used in A.R.S. §§ 6-909 and 6-947, does not include flood insurance as that term is used in the Flood Disaster Protection Act of 1973, as modified by the National Flood Insurance Reform Act of 1994. 42 U.S.C. 4001, et seq.
22. "Reasonable investigation of the background," as that term is used in A.R.S. §§ 6-903, 6-943, or 6-976 means a licensee, at a minimum:
    a. Collects and reviews all the documents authorized by the Immigration Reform and Control Act of 1986, 8 U.S.C. 1324a;
    b. Obtains a completed Employment Eligibility Verification (Form I-9);
    c. Obtains a completed and signed employment application;
    d. Obtains a signed statement attesting to all of an applicant's felony convictions, including detailed information regarding each conviction;
    e. Consults with the applicant's most recent or next most recent employer, if any;
    f. Inquiries regarding the applicant's qualifications and competence for the position;
    g. If for a loan officer, loan originator, loan processor, branch manager, supervisor, or similar position, obtains a current credit report from a credit reporting agency; and
    h. Investigates further if any information received in the above inquiries raises questions as to the applicant's honesty, truthfulness, integrity, or competence. An inquiry is sufficient after two attempts to contact a person, including at least one written inquiry.
23. "Record" has the meaning stated at A.R.S. § 44-7002(13).
24. "Registered to do business in this state" means:
    a. If an Arizona corporation, it is incorporated under A.R.S. Title 10, Chapter 2, Article 1;
    b. If a foreign corporation, it either transfers its domicile under A.R.S. Title 10, Chapter 2, Article 2, or obtains authority to transact business in Arizona under A.R.S. Title 10, Chapter 15, Article 1;
    c. If a business trust, it obtains authority to transact business in Arizona under A.R.S. Title 10, Chapter 18, Article 4;
    d. If an estate, it acts through a personal representative duly appointed by this state's Superior Court, under the provisions of A.R.S. Title 14, Chapter 3 or 4;
    e. If a trust, it delivers to the Superintendent an executed copy of the trust instrument creating the trust together with:

        All the current amendments, or

A true copy of the trust instrument certified accurate and complete by a trustee of the trust before a notary public;

f. If a general partnership, limited partnership, limited liability company, limited liability partnership, or limited liability limited partnership, it is organized under A.R.S. Title 29;

g. If a foreign general partnership, limited partnership, limited liability company, limited liability partnership, or limited liability limited partnership, it is registered with the Arizona Secretary of State's office under A.R.S. Title 29;

h. If a joint venture, association, or any entity not specified in this subsection, it is organized and conducts its business in compliance with Arizona law; or

i. The entity is exempt from registration.

25. "Registered Exempt Person" means a person who is exempt from licensure pursuant to A.R.S. § 6-912 and A.R.S. Title 6, Chapter 9, Articles 1, 2 and 3 as a federally chartered savings bank that is registered with the nationwide mortgage licensing system and registry and holds a certificate of exemption.

26. "Resident of this state" means a natural person domiciled in Arizona.

27. "Responsible individual" or "responsible person", as those terms are used in A.R.S. §§ 6-903, 6-943, 6-973, and 6-976, means a resident of this state who:

a. Lives in Arizona during the entire period of designation as the responsible individual on a license;

b. Is in active management of a licensee's affairs;

c. Meets the qualifications listed in A.R.S. §§ 6-903, 6-943, or 6-973; and

d. Is an officer, director, member, partner, employee, or trustee of a licensed entity.

Historical Note

Former Rule 2. Former R4-4-102 repealed, new R4-4-102 adopted effective August 16, 1991 (Supp. 91-3). R20-4-102 recodified from R4-4-102 (Supp. 95-1). Amended by final rulemaking at 5 A.A.R. 2094, effective June 10 (Supp. 99-2). Amended by final rulemaking at 7 A.A.R. 668, effective January 10, 2001 (Supp. 01-1). Amended by final rulemaking at 8 A.A.R. 145, effective December 10, 2001 (Supp. 01-4). Amended by final rulemaking at 18 A.A.R. 2622, effective December 2, 2012 (Supp. 12-4).

R20-4-103. Fingerprints

A. A licensee or applicant shall deliver fingerprints requested or required by the Superintendent on fingerprint cards provided by the Superintendent.

B. A licensee or applicant shall bear any costs incurred in obtaining or submitting fingerprints.

C. A licensee or applicant shall arrange to have fingerprints taken, signed, and dated by:

1. A municipal police department,
2. A local sheriff's office, or
3. Another law enforcement authority recognized by the Superintendent.

Historical Note

Former Rule 3. Former R4-4-103 repealed, new R4-4-103 adopted effective August 16, 1991 (Supp. 91-3). R20-4-103 recodified from R4-4-103 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 4670, effective November 14, 2000 (Supp. 00-4).

R20-4-104. Acceptance of Other Forms

If another entity's applications and forms provide all the information required by Arizona law, the Superintendent has the discretion to accept them, even if another provision of this Chapter requires use of a specific Department of Financial Institutions form. The Superintendent's exercise of the discretion to accept alternative forms does not limit the Superintendent's power to require additional information necessary to complete an application or other form.

Historical Note

Former Rule 4. Former R4-4-104 repealed, new R4-4-104 adopted effective August 16, 1991 (Supp. 91-3). R20-4-104 recodified from R4-4-104 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 4670, effective November 14, 2000 (Supp. 00-4).

R20-4-105. Claims Against a Deposit in Place of Bond

A. As used in this Section:

1. "Deposit" means cash or alternatives to cash deposited by a licensee with the Superintendent in place of a bond.
2. "Depositor" means licensee or an employee of the licensee who makes a deposit with the Superintendent.
3. "Verified claim" means a claim filed with the Superintendent under subsection (B).
4. "Award" means an amount of money granted under subsection (F).

B. A person may file a claim against a deposit by delivering documentation of the claim to the Superintendent. The claim shall be based on a final judgment in favor of the claimant, entered by a court of competent jurisdiction. To support a claim, the judgment shall be:

1. Against a depositor;
2. For injury caused by the depositor's wrongful act, default, fraud, or misrepresentation committed in the course of the depositor's licensed business activity; and
3. Documented by:
   a. A certified copy of the complaint in the action;
   b. A certified copy of the judgment in the action;
   c. A statement that execution of the judgment has not been stayed, or an explanation of the terms and reason for any stay;
   d. A statement of any amounts recovered on the judgment; and
   e. A sworn and notarized statement that the claim is true and correct to the best of the claimant's knowledge and belief.

C. A claimant shall file a claim with the Superintendent, and all required supporting documentation, not more than six months after entry of the judgment asserted in the claim. However, if execution of the asserted judgment is stayed during the first six months after its entry, the claimant may file a verified claim only during the six months after the stay is lifted. The Department shall process a timely-filed verified claim as a request for hearing under R20-4-1208.

D. The claimant shall notify the depositor of the filing of a verified claim under this Section, and make the depositor a party to all proceedings on the claim. To do so, the claimant shall send the depositor a copy of all documents filed under subsection (B). The claimant shall make this delivery no more than 10 days after the original filing with the Superintendent under subsection (B). The Department considers a proceeding on a verified claim to be a contested case, governed by the provisions of 20 A.A.C. 4, Article 12.

E. The Superintendent shall, after a hearing, deny a verified claim if the hearing produces evidence of any of the following circumstances:
1. The judgment is not for an injury caused by the depositor and described in subsection (B)(2);
2. The judgment was awarded by default, stipulation, or consent, and no showing is made in the hearing of an injury caused by the depositor and described in subsection (B)(2);
3. The judgment's execution has been stayed for any reason;
4. The judgment was procured through fraud or collusion;
5. The judgment has been satisfied from other sources; or
6. The action that produced the judgment was barred by the applicable statute of limitations at the time it was commenced.

F. If the Superintendent grants a verified claim, the Superintendent shall do so in the amount of the compensatory damages awarded against the depositor in the judgment, exclusive of:
1. Attorney's fees, and
2. Amounts previously paid on the judgment.

G. A person injured by a depositor shall give the Superintendent written notice at the time of filing a civil action if the claims alleged could be made as a verified claim under this Section. The written notice shall include a statement of the amount of compensatory damages sought against the depositor. The injured person shall provide further information about the civil action to the Superintendent upon request.

H. If the Superintendent grants a verified claim under subsection (F), the Superintendent shall authorize the State Treasurer, in writing, to release the deposit to the claimant in the amount stated in subsection (F) if the Superintendent has not received notice of another pending civil action under subsection (G).

I. If given notice under subsection (G), the Superintendent shall determine whether the deposit is sufficient to satisfy all claims under subsection (F). The Superintendent shall determine award amounts for each claim of which the Superintendent has notice, and authorize payment, as follows:
1. If the deposit is sufficient to satisfy all claims under subsection (F), the Superintendent shall authorize its release as described in subsection (H).
2. If the deposit is not sufficient to satisfy all claims under subsection (F), the Superintendent shall calculate the award on each claim as follows:
   a. Each granted claim shall receive a pro rata share of the total deposit.
   b. Each pro rata share shall be a dollar amount calculated by multiplying the total deposit by a fraction.
      i. The numerator of the fraction is the amount of the Superintendent's award for the verified claim.
      ii. The denominator of the fraction is the sum of the amount of the Superintendent's award for the verified claim plus the total compensatory damages sought in all other civil actions against the same depositor disclosed to the Superintendent under subsection (G).
   c. The Superintendent shall authorize the State Treasurer to release the pro rata portion of the deposit calculated for each verified claim.

J. A depositor or former licensee may request return of its deposit if it substitutes a bond for the deposit, or if its license is surrendered, revoked, or expired, and if all statutory conditions for release of the deposit have been satisfied. The Superintendent shall not release any part of a deposit to a depositor or former licensee until the Superintendent determines whether there are any awards on verified claims unsatisfied because of an apportionment under subsection (I). The Superintendent shall use the deposit amount to pay any unsatisfied portion of those awards. If the deposit amount is not sufficient to pay in full all unsatisfied awards, the Superintendent shall pay the remaining amount of the deposit to claimants in the ratio their awards bear to the total of all awards granted against the deposit.

K. The court supervising a licensee in receivership may order the release of a deposit to persons injured by conduct described in subsection (B). In that event, the receiver shall deliver a certified copy of the court's order to the Superintendent. The copy may be uncertified if the receiver is the Superintendent or any other officer or agency of the state of Arizona. The Superintendent shall then authorize the State Treasurer, in writing, to release the deposit to the receiver. The receiver shall distribute the deposit as ordered by the receivership court, rather than under this Section.

Historical Note
Adopted effective August 16, 1991 (Supp. 91-3). R20-4-105 recodified from R4-4-105 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 4670, effective November 14, 2000 (Supp. 00-4).

R20-4-106. Bankruptcy

An enterprise licensee or consumer lender licensee shall immediately deliver written notice to the Superintendent if it files a voluntary bankruptcy petition, or if its creditors name the licensee a debtor in an involuntary bankruptcy petition. On the date of each of the following documents' filing with the bankruptcy court, the licensee shall deliver to the Superintendent a copy of the:
1. Petition for relief,
2. Schedule of assets and liabilities,
3. Statement of financial affairs,
4. List of creditors, and
5. Plan of reorganization.

Historical Note
Adopted effective August 16, 1991 (Supp. 91-3). R20-4-106 recodified from R4-4-106 (Supp. 95-1). Amended by final rulemaking at 8 A.A.R. 145, effective December 10, 2001 (Supp. 01-4).

R20-4-107. Licensing Time-frames

A. As used in this Section, "application" means a document specified or described in this Title, or in any statute enforced by the Department, requesting any permit, certificate, approval, registration, charter, or similar permission described in Table A, together with all supporting documentation required by statute or rule.

B. The time-frames in Table A apply solely to applications received by the Department after the effective date of this Section. Each overall time-frame consists of an administrative completeness review time-frame, and a substantive review time-frame. The administrative completeness review time-frame begins to run upon receipt of an application by the Department.
1. Within the administrative completeness review time-frame in Table A, the Department shall notify the applicant in writing whether the application is complete. If the application is incomplete, the notice shall specify the missing information or component.
2. An applicant whose application is incomplete shall supply the missing information within 60 days after the date

of the notice. If an applicant shows good cause in writing before the expiration of the 60 day time limit, the Superintendent shall extend the period for administrative completion of an application. The administrative completeness review time-frame stops running on the postmark date of the Department's written notice of an incomplete application, and resumes when the Department receives a complete application. If the applicant fails to submit a complete application within the specified time limit, the Department shall reject the application and close the file. An applicant may reapply.

3. The substantive review time-frame begins to run on the postmark date of the Department's written notice that the application is administratively complete.
4. Within the overall time-frame set forth in Table A the Department shall send the applicant written notice of its decision to approve, conditionally approve, or deny a license, unless the time-frame is extended by mutual agreement under A.R.S. § 41-1075. If the Department denies an application, it shall provide written justification for the denial and a written explanation of the applicant's right to a hearing or appeal in the form required by A.R.S. § 41-1076.
5. The Department shall calculate time limits prescribed in this Section under R2-19-107.

C. The time-frames in this Section apply solely to actions taken by the Department. Nothing in this Section relieves a licensee or applicant of a duty to fulfill any other legal or regulatory requirement that is a condition of its power and authority to engage in business.

Historical Note

Adopted effective September 9, 1998 (Supp. 98-3). Amended by final rulemaking at 8 A.A.R. 145, effective December 10, 2001 (Supp. 01-4).

Historical Note
Table A adopted effective September 9, 1998 (Supp. 98-3). Amended by final rulemaking at 8 A.A.R. 145, effective December 10, 2001 (Supp. 01-4). Amended by final rulemaking at 18 A.A.R. 2622, effective December 2, 2012 (Supp. 12-4).

ARTICLE 2. BANK ORGANIZATION AND REGULATION

R20-4-201. Articles of Incorporation
A licensee shall deliver to the Director a copy of each amendment to the licensee's articles of incorporation within 30 days after the amendment is filed with the Arizona Corporation Commission. Before delivery to the Director, an officer of the licensee shall certify the copy delivered in compliance with this Section, in writing, signed by the certifying officer, attesting to the completeness, accuracy, and authenticity of the certified copy.

Historical Note
Former Rule 1. R20-4-201 recodified from R4-4-201 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 811, effective January 10, 2001 (Supp. 01-1). Amended by final rulemaking at 29 A.A.R. 1919 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-202. Bylaws
A licensee shall deliver to the Director a copy of each amendment to the licensee's bylaws within 30 days after the amendment is adopted. An officer of the licensee shall certify the copy delivered in compliance with this Section, in writing, attesting to the completeness, accuracy, and authenticity of the certified copy.

Historical Note
Former Rule 2. R20-4-202 recodified from R4-4-202 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 811, effective January 10, 2001 (Supp. 01-1). Amended by final rulemaking at 29 A.A.R. 1919 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-203. Repealed

Historical Note
Former Rule 3; Amended subsection (C) effective September 4, 1981 (Supp. 81-5). R20-4-203 recodified from R4-4-203 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-204. Repealed

Historical Note
Former Rule 4. R20-4-204 recodified from R4-4-204 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-205. Repealed

Historical Note
Former Rule 5. R20-4-205 recodified from R4-4-205 (Supp. 95-1). Section repealed by final rulemaking at 6 A.A.R. 3188, effective August 3, 2000 (Supp. 00-3).

R20-4-206. Bankers Blanket Bond Coverage - A.R.S. § 6-188
A. Each bank shall carry at least the following basic blanket bond coverage listed in Table B.
B. Each bank shall supplement the bankers blanket bond coverage with at least a $2,000,000 excess fidelity bond.

Historical Note
Former Rule 6. R20-4-206 recodified from R4-4-206 (Supp. 95-1). Amended by final rulemaking at 29 A.A.R. 1919 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

Table B. Basic Blanket Bond Coverage

Banks with Deposits of:			**Amounts:**
Less than $25,000,000			$300,000
25,000,000	to	35,000,000	350,000

35,000,000	to	50,000,000	450,000
50,000,000	to	75,000,000	550,000
75,000,000	to	100,000,000	700,000
100,000,000	to	150,000,000	850,000
150,000,000	to	250,000,000	1,200,000
250,000,000	to	500,000,000	1,700,000
500,000,000	to	1,000,000,000	2,500,000
1,000,000,000	to	2,000,000,000	4,000,000
2,000,000,000	to	5,000,000,000	6,000,000
5,000,000,000	to	20,000,000,000	9,000,000
Over 20,000,000,000			10,000,000

Historical Note

Table B removed from R20-4-206(A) to conform with the codification scheme of this Chapter and amended by final rulemaking at 29 A.A.R. 1919 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-207. Capital Obligations

A. An applicant for a Director's order of approval to issue a capital obligation shall submit the following documents to the Director and shall not issue any capital obligation before the Director issues the order of approval. The required documents are:

1. A certified copy of the resolution adopted by the Board of Directors, or a certified copy of the unanimous written consent of the Board of Directors, authorizing the sale of the capital obligation;
2. A copy of the agreement underlying the capital obligation;
3. A copy of the note or debenture intended to represent the capital obligation; and
4. A copy of the prospectus, if any, proposed for use in the sale of the capital obligation.

B. Each document evidencing a capital obligation shall:

1. Bear on its face, in bold face type, the following: This obligation is not a deposit and is not insured by the Federal Deposit Insurance Corporation.
2. Have a maturity provision that either:
   a. Gives the obligation a maturity of at least five years, or
   b. In the case of an obligation or issue that provides for scheduled repayments of principal, gives an average maturity of at least five years. The restriction on maturity stated in this subsection does not apply to any obligation that otherwise meets all the requirements of this Section if the Director determines that exigent circumstances require the issuance of the obligation without regard to any restriction on maturity. The provisions of this subsection do not apply to mandatory convertible debt obligations or issues.
3. State expressly on its face that the obligation:
   a. Is subordinated and junior in right of payment to the issuing bank's obligations to its depositors and to the bank's other obligations to its general and secured creditors, and
   b. Is ineligible as collateral for a loan by the issuing bank, except as provided in A.R.S. § 6-354.
4. Be unsecured.
5. State expressly on its face that the issuing bank may not retire any part of its capital obligation without the Director's prior written order of approval, and the prior written consent of the Federal Deposit Insurance Corporation.
6. Include, if the obligation is issued to a depository institution, a specific waiver of the right of offset by the lending depository institution.
7. State that, in the event of liquidation, all depositors and other creditors of the bank are to be paid in full before any payment of principal or interest is made on a capital obligation.

C. No payment shall be made under an optional right of payment reserved to the bank without the separate authorization of the Director. The Director may grant that authority in the initial order of approval or in a later order of approval.

Historical Note

Former Rule 7. R20-4-207 recodified from R4-4-207 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 2155, effective May 4, 2001 (Supp. 01-2). Amended by final rulemaking at 29 A.A.R. 1919 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-208. Repealed

Historical Note

Former Rule 8. R20-4-208 recodified from R4-4-208 (Supp. 95-1). Section repealed by final rulemaking at 6 A.A.R. 3188, effective August 3, 2000 (Supp. 00-3).

R20-4-209. Notice of Permanent Closing of Banking Office

A bank may close fewer than all of its banking offices. Before closing any office, a bank shall deliver a letter to the Director specifying the banking office it plans to close and the closing date. The bank shall ensure that the Director receives the letter at least 10 days before the closing date. Closing the banking office shall terminate the bank's authority to maintain that banking office on the date of the actual closure.

Historical Note

Former Rule 9. R20-4-209 recodified from R4-4-209 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 5388, effective November 9, 2001 (Supp. 01-4). Amended by final rulemaking at 29 A.A.R. 1919 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-210. Repealed

Historical Note

Former Rule 10. R20-4-210 recodified from R4-4-210 (Supp. 95-1). Section repealed by final rulemaking at 6 A.A.R. 3188, effective August 3, 2000 (Supp. 00-3).

R20-4-211. Application for a Banking Permit

A. Before an application is filed, the representatives of the potential applicant shall meet with the Director to discuss capitalization, location, and management of the proposed bank.

B. After the meeting required by subsection (A), persons who wish to proceed with the application process shall submit an application in the form the Director prescribes. The applicant shall support the application with sufficient information to enable the Director to make a determination.

Historical Note

Former Rule 11. R20-4-211 recodified from R4-4-211 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 3188, effective August 3, 2000 (Supp. 00-3). Amended by final rulemaking at 29 A.A.R. 1919 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-212. Repealed

Historical Note
Former Rule 12. Amended effective September 4, 1981 (Supp. 81-4). R20-4-212 recodified from R4-4-212 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-213. Repealed

Historical Note
Former Rule 13. Repealed effective September 13, 1981 (Supp. 81-5). R20-4-213 recodified from R4-4-213 (Supp. 95-1).

R20-4-214. Preservation of Records

A. Every bank shall keep its corporate and business records as originals or as copies of the originals made by reproduction methods that accurately and permanently preserve the records. Copies complying with this subsection, when satisfactorily identified, have the same evidentiary status as an original. A bank may keep its records as electronic records if the bank can generate all information and copies required by this Section within the timeframe set by the Department for examination or other purposes.

B. A bank shall keep its corporate and business records for the period required by this Section. These periods are measured from the date of the last entry or final action date. A bank shall have and comply with its own record retention schedule that is consistent with this Section. A bank may comply with this Section by complying with a preemptive federal regulation, even if the federal regulation requires a shorter retention period than is listed in this Section. This Section does not prohibit record retention for longer periods than these state-required minimums for any reason, including a retention period established by preemptive federal law or regulation. Likewise, this Section does not prohibit a bank from keeping any type of record not required in subsection (D).

C. Beginning on the effective date of this Section, corporate and business records of a bank operating in the state of Arizona are classified, and their retention periods are prescribed, according to the schedule in subsection (D). Retention periods are listed in subsection (D) using the notations, acronyms, and abbreviations listed in subsections (C)(1) through (20).

1. A numerical designation refers to a period of years unless a shorter period of time is specified in the schedule.
2. "AC" means after closure.
3. "ACH" means automated clearing house.
4. "AE" means after expiration.
5. "ALC" means after last contact.
6. "AP" means after paid.
7. "ATD" means after termination date.
8. "CTR" means a cash transaction report required by the Federal Bank Secrecy Act.
9. "FDIC" means the Federal Deposit Insurance Corporation.
10. "FHA" means the Federal Housing Administration.
11. "FHLMC" means the Federal Home Loan Mortgage Corporation.
12. "FNMA" means the Federal National Mortgage Association.
13. "GNMA" means the Government National Mortgage Association.
14. "IRS" means the United States Department of the Treasury's Internal Revenue Service.
15. "M" means months.
16. "P" means the bank shall keep the record permanently.
17. "PMI" means private mortgage insurance.
18. "SAR" means a suspicious activity report required by the Federal Bank Secrecy Act.
19. "TTL" means a treasury, tax, and loan account maintained by a bank.
20. "UCC" means the Uniform Commercial Code as it is in effect in Arizona.

D. Retention Schedule

1. Accounting and Auditing

a.	Accrual and bond amortization	3

m.	Minute book of:	
	i. Meetings of the board of directors	P
	ii. Meeting of committees of the board of directors	P
	iii. Shareholders' meetings	P
n.	Postage meter record book (from date of final entry)	1
o.	Real estate documentation	5 ATD
p.	Report to directors	3
q.	Stock issuance and transfer record	P
r.	Required report to supervisory agency	3
s.	Tax controversy or proceeding when completed	7
t.	Tax record not material to any controversy	7
u.	Voting list and proxies	3

3. Collections

a.	Collection payment record	1
b.	Collection receipt – carbon	1
c.	Collection register	1
d.	Coupon cash letter – outgoing	1
e.	Coupon envelope	1
f.	Customer file copy	1
g.	Incoming collection letter	1
h.	Incoming contract or note letter	1

4. Customer service
   - a. Broker account holder – identification 5
   - b. Broker's confirmation 3
   - c. Broker's invoice 3
   - d. Broker's statement 3
   - e. E-Bond application 2
   - f. E-Bond sold or redeemed – record 2
   - g. E-Bond transmittal letter 2
   - h. Lock box daily receipts 1
   - i. Night depository agreement 1 AC
   - j. Night depository daily record 1
   - k. Safekeeping record and receipt 5
   - l. Securities buy order and sell order 3
5. Data processing (management information systems)
   - a. Back-up data (for reconstruction) daily, end of month, quarter, or year 1
   - b. Disaster recovery program P
   - c. Film copy of every IRS financial reporting form 6
   - d. Program change P
   - e. System, program and procedure manual P
6. Deposits
   - a. Account opened and account closed 1
   - b. Certificate of deposit purchase record 7
   - c. Check paid, withdrawal slip, and other debits to account 7
   - d. Club account check register 1
   - e. Club account coupon 1
   - f. SAR – for suspicious transaction under $10,000 5
   - g. CTR – for transaction exceeding $10,000 5
   - h. Customer authorization, resolution, and signature card 6 AC
   - i. Deposit account record needed to reconstruct 7
   - j. Deposit and other credits 7
   - k. Dormant account – after closed or escheated 7 ALC
   - l. Form 1096 and 1099 reports to IRS 7
   - m. Individual retirement account record 7
   - n. Interest check or other record of interest payment and reports 7
   - o. Internal management reports:
     - i. Large balance 1
     - ii. Overdraft 1
     - iii. Public funds 1
     - iv. Service charges 1
     - v. Stop payment 1
     - vi. Uncollected funds 1
     - vii. Unposted item 1
     - viii. Zero balance 1
   - p. Ledger card 5 AC
   - q. Power of attorney document 7 ATD
   - r. Receipt for statement held at customer's request 1
   - s. Record showing compliance with the following federal regulations. The state retention period applies unless, and until, it is preempted by federal law:
     - i. Regulation CC, Expedited Funds Availability Act 2
     - ii. Regulation DD, Truth in Savings Act 2
     - iii. Regulation E, Electronic Funds Transfer Act 2
   - t. Returned statement and canceled checks 6
   - u. Statement 6

  iv. GNMA certificate 7
  v. Interest accrual record 7
  vi. Monthly remittance report 7

13. Loans. A bank shall keep each loan record listed for the period required by this subsection. These periods are measured from the date of final activity. A bank shall have and comply with its own record retention schedule that is consistent with this subsection. A bank may comply with this subsection by complying with a preemptive federal regulation, even if the federal regulation requires a shorter retention period than is listed in this subsection. This subsection does not prohibit record retention for longer periods than these state-required minimums for any reason, including a retention period established by preemptive federal law or regulation. Likewise, this Section does not prohibit a bank from keeping any type of record not required by this subsection.
  a. All loans – general
    i. Application for loan approval 6
    ii. Appraisal 6
    iii. Borrower's financial statement 6
    iv. Charge-off record 10
    v. Charged off note 10
    vi. Collateral file 6

Historical Note
Former Rule 14. R20-4-214 recodified from R4-4-214 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 4142, effective September 12, 2001 (Supp. 01-3). Missing notation in subsection (D)(1)(j) corrected as proposed at 7 A.A.R. 2491 (Supp. 20-1). Amended by final rulemaking at 29 A.A.R. 1919 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-215. Trust Business
Each bank authorized to conduct trust business under their banking permit shall comply with the applicable requirements of R20-4-808 through R20-4-816.

Historical Note
Adopted effective June 30, 1977 (Supp. 77-3). R20-4-215 recodified from R4-4-215 (Supp. 95-1). Amended by final rulemaking at 29 A.A.R. 1919 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

ARTICLE 3. EXPIRED

R20-4-301. Expired

Historical Note
Former Rule 1. R20-4-301 recodified from R4-4-301 (Supp. 95-1). Section expired under A.R.S. § 41-1056(J) at 23 A.A.R. 841, effective March 14, 2017 (Supp. 17-1).

R20-4-302. Repealed

Historical Note
Former Rule 2; Repealed effective January 19, 1984 (Supp. 84-1). R20-4-302 recodified from R4-4-302 (Supp. 95-1).

R20-4-303. Expired

Historical Note
Former Rule 3. R20-4-303 recodified from R4-4-303 (Supp. 95-1). Section expired under A.R.S. § 41-1056(J) at 23 A.A.R. 841, effective March 14, 2017 (Supp. 17-1).

R20-4-304. Expired

Historical Note
Former Rule 4. R20-4-304 recodified from R4-4-304 (Supp. 95-1). Section expired under A.R.S. § 41-1056(J) at 23 A.A.R. 841, effective March 14, 2017 (Supp. 17-1).

R20-4-305. Repealed

Historical Note
Former Rule 5. R20-4-305 recodified from R4-4-305 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-306. Repealed

Historical Note
Former Rule 6. R20-4-306 recodified from R4-4-306 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-307. Repealed

Historical Note
Former Rule 7. R20-4-307 recodified from R4-4-307 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-308. Repealed

Historical Note
Former Rule 8. R20-4-308 recodified from R4-4-308 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-309. Expired

Historical Note
Former Rule 9. R20-4-309 recodified from R4-4-309 (Supp. 95-1). Section expired under A.R.S. § 41-1056(J) at 23 A.A.R. 841, effective March 14, 2017 (Supp. 17-1).

R20-4-310. Reserved

R20-4-311. Repealed

Historical Note
Former Rule 11; Repealed effective January 19, 1984 (Supp. 84-1). R20-4-311 recodified from R4-4-311 (Supp. 95-1).

R20-4-312. Repealed

Historical Note
Former Rule 12. R20-4-312 recodified from R4-4-312 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-313. Reserved

R20-4-314. Repealed

Historical Note
Former Rule 14. R20-4-314 recodified from R4-4-314 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-315. Repealed

Historical Note
Former Rule 15. R20-4-315 recodified from R4-4-315 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-316. Repealed

Historical Note
Former Rule 16. R20-4-316 recodified from R4-4-316 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-317. Repealed

Historical Note
Former Rule 17; Repealed effective January 19, 1984 (Supp. 84-1). R20-4-317 recodified from R4-4-317 (Supp. 95-1).

R20-4-318. Expired

Historical Note
Former Rule 18. R20-4-318 recodified from R4-4-318 (Supp. 95-1). Section expired under A.R.S. § 41-1056(J)

at 23 A.A.R. 841, effective March 14, 2017 (Supp. 17-1).

R20-4-319. Repealed

Historical Note
Former Rule 19. R20-4-319 recodified from R4-4-319 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-320. Repealed

Historical Note
Former Rule 20. R20-4-320 recodified from R4-4-320 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-321. Repealed

Historical Note
Former Rule 21. R20-4-321 recodified from R4-4-321 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-322. Repealed

Historical Note
Former Rule 22; Repealed effective January 19, 1984 (Supp. 84-1). R20-4-322 recodified from R4-4-322 (Supp. 95-1).

R20-4-323. Repealed

Historical Note
Former Rule 23. R20-4-323 recodified from R4-4-323 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-324. Expired

Historical Note
Former Rule 24. R20-4-324 recodified from R4-4-324 (Supp. 95-1). Section expired under A.R.S. § 41-1056(J) at 23 A.A.R. 841, effective March 14, 2017 (Supp. 17-1).

R20-4-325. Expired

Historical Note
Former Rule 25. R20-4-325 recodified from R4-4-325 (Supp. 95-1). Section expired under A.R.S. § 41-1056(J) at 23 A.A.R. 841, effective March 14, 2017 (Supp. 17-1).

R20-4-326. Expired

Historical Note
Former Rule 26. R20-4-326 recodified from R4-4-326 (Supp. 95-1). Section expired under A.R.S. § 41-1056(J) at 23 A.A.R. 841, effective March 14, 2017 (Supp. 17-1).

R20-4-327. Expired

Historical Note
Former Rule 27. R20-4-327 recodified from R4-4-327 (Supp. 95-1). Section expired under A.R.S. § 41-1056(J) at 23 A.A.R. 841, effective March 14, 2017 (Supp. 17-1).

R20-4-328. Expired

Historical Note
Former Rule 28. R20-4-328 recodified from R4-4-328 (Supp. 95-1). Section expired under A.R.S. § 41-1056(J) at 23 A.A.R. 841, effective March 14, 2017 (Supp. 17-1).

R20-4-329. Repealed

Historical Note
Former Rule 29. R20-4-329 recodified from R4-4-329 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-330. Expired

Historical Note
Original Rule. R20-4-330 recodified from R4-4-330 (Supp. 95-1). Section expired under A.R.S. § 41-1056(J) at 23 A.A.R. 841, effective March 14, 2017 (Supp. 17-1).

R20-4-331. Repealed

Historical Note
Original Rule. R20-4-331 recodified from R4-4-331 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

ARTICLE 4. CREDIT UNIONS

R20-4-401. Fidelity Bond Coverage

A. A credit union shall have a fidelity bond in the form and in the amount required to maintain federal insurance on its accounts.

B. A fidelity bond purchased by a credit union to comply with this Section shall include faithful-performance-of-duty coverage.

C. A credit union shall purchase its fidelity bond from an insurer that holds a certificate of authority from the Director to transact surety business in Arizona.

Historical Note
Former Rule 1. R20-4-401 recodified from R4-4-401 (Supp. 95-1). Amended effective April 21, 1995 (Supp. 95-2). Amended by final rulemaking at 7 A.A.R. 2229, effective May 3, 2001 (Supp. 01-2). Amended by final rulemaking at 29 A.A.R. 1937 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-402. Repealed

Historical Note
Former Rule 2. R20-4-402 recodified from R4-4-402 (Supp. 95-1). Repealed effective April 21, 1995 (Supp. 95-2).

ARTICLE 5. CONSUMER LENDERS

R20-4-501. Repealed

Historical Note
Former Rule 1. R20-4-501 recodified from R4-4-501 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-502. Repealed

Historical Note
Former Rule 2. R20-4-502 recodified from R4-4-502 (Supp. 95-1). Section repealed by final rulemaking at 6 A.A.R. 3380, effective August 3, 2000 (Supp. 00-3).

R20-4-503. Adjustments in Precomputed Charges

A licensee shall adjust the total precomputed charges if the first installment period is more or less than one month in duration. The licensee's records shall reflect the adjustment's collection in one of three ways.

1. In the first installment payment,
2. Amortized over the life of the contract, or
3. As part of the final payment.

Historical Note
Former Rule 3. R20-4-503 recodified from R4-4-503 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 4605, effective November 14, 2000 (Supp. 00-4). Amended by final rulemaking at 29 A.A.R. 1942 (September 1, 2023), effective October 7, 2023 (Supp. 23-3).

R20-4-504. Repealed

Historical Note
Former Rule 4. R20-4-504 recodified from R4-4-504 (Supp. 95-1). Section repealed by final rulemaking at 6 A.A.R. 4605, effective November 14, 2000 (Supp. 00-4).

R20-4-505. Repealed

Historical Note
Former Rule 5. R20-4-505 recodified from R4-4-505 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-506. Repealed

Historical Note
Former Rule 6. R20-4-506 recodified from R4-4-506 (Supp. 95-1). Section repealed by final rulemaking at 6 A.A.R. 3380, effective August 3, 2000 (Supp. 00-3).

R20-4-507. Repealed

Historical Note
Former Rule 7. R20-4-507 recodified from R4-4-507 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-508. Cut-off Date for Computing Refunds upon Early Repayment in Full
If a borrower repays a loan before the due date of the final installment, the licensee shall calculate any refund or credit due on the precomputed loan using the following rules:

1. A licensee shall credit any full repayment, made on or before the 15th day following an installment date, as if received on the last previous installment date.
2. A licensee shall credit any full repayment, made on or after the 16th day following an installment date, as if received on the next installment date.

Historical Note
Former Rule 8. R20-4-508 recodified from R4-4-508 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 4605, November 14, 2000 (Supp. 00-4). Amended by final rulemaking at 29 A.A.R. 1942 (September 1, 2023), effective October 7, 2023 (Supp. 23-3).

R20-4-509. Repealed

Historical Note
Former Rule 9. R20-4-509 recodified from R4-4-509 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-510. Repealed

Historical Note
Former Rule 10. R20-4-510 recodified from R4-4-510 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-511. Repealed

Historical Note
Former Rule 11. R20-4-511 recodified from R4-4-511 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-512. Reserved

R20-4-513. Repealed

Historical Note
Former Rule 13. R20-4-513 recodified from R4-4-513 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-514. Repealed

Historical Note
Former Rule 14. R20-4-514 recodified from R4-4-514 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-515. Repealed

Historical Note
Former Rule 15. R20-4-515 recodified from R4-4-515 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-516. Repealed

Historical Note
Former Rule 16. R20-4-516 recodified from R4-4-516 (Supp. 95-1). Section repealed by final rulemaking at 6 A.A.R. 4605, effective November 14, 2000 (Supp. 00-4).

R20-4-517. Repealed

Historical Note
Former Rule 17. R20-4-517 recodified from R4-4-517 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-518. Deferral Fee

A. A licensee may collect a deferral fee at the time it agrees to a deferment or at any time after the assessment of a deferral fee. If a licensee receives a payment after it agrees to a deferment, it may apply the payment first to the deferral fee. Any remainder of the payment shall be applied to the balance of the loan.

B. If a licensee receives a payment that is large enough to pay in full a delinquent installment and all allowable delinquency fees, the licensee shall apply the payment first to the delinquent installment and fees. The licensee shall not show the paid installment as deferred, and shall not collect a deferral fee.

Historical Note
Former Rule 18. R20-4-518 recodified from R4-4-518 (Supp. 95-1). Section repealed; new Section adopted by final rulemaking at 6 A.A.R. 4605, effective November 14, 2000 (Supp. 00-4). Amended by final rulemaking at 29 A.A.R. 1942 (September 1, 2023), effective October 7, 2023 (Supp. 23-3).

R20-4-519. Deferment Statement
A licensee shall give the borrower a statement at the time it agrees to a deferment and shall retain a copy of the statement in the borrower's credit file. The statement shall contain the following information:

1. The amount of the deferral fee,
2. The date of the borrower's next scheduled payment,
3. The amount of the borrower's next scheduled payment, and
4. The extended maturity date of the loan.

Historical Note

Former Rule 19. R20-4-519 recodified from R4-4-519 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 4605, effective November 14, 2000 (Supp. 00-4). Amended by final rulemaking at 29 A.A.R. 1942 (September 1, 2023), effective October 7, 2023 (Supp. 23-3).

R20-4-520. Repealed

Historical Note

Former Rule 20. R20-4-520 recodified from R4-4-520 (Supp. 95-1). Section repealed by final rulemaking at 6 A.A.R. 3380, effective August 3, 2000 (Supp. 00-3).

R20-4-521. Repealed

Historical Note

Former Rule 21. R20-4-521 recodified from R4-4-521 (Supp. 95-1). Section repealed by final rulemaking at 6 A.A.R. 3380, effective August 3, 2000 (Supp. 00-3).

R20-4-522. Repealed

Historical Note

Former Rule 22. R20-4-522 recodified from R4-4-522 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-523. Repealed

Historical Note

Former Rule 23. R20-4-523 recodified from R4-4-523 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-524. Books, Accounts, and Records

A. A licensee may keep its books, accounts, and records as electronic records if the licensee can generate all information and copies required by this Section within the timeframe set by the Department for examination or other purposes.

B. A licensee authorized under A.R.S. Title 6, Chapter 5 shall:

1. Keep its books, accounts, and records of operations separate from the books, accounts, and records of its other business activities; and
2. In addition to any statutory requirements, the books, accounts, and records of operations shall include the following:
   a. A file containing a record of all legal actions brought during the fiscal year which the licensee shall keep until the Department conducts its examination of the licensee;
   b. An itemized record of disbursement of the proceeds of each loan which shall also include, if the licensee makes precomputed loans, the amount of refund on each loan that is renewed or refinanced;
   c. A record of the receipt of all allowable fees;
   d. A record for each borrower and each loan that contains documentary evidence of filing or recording each instrument of record for the loan; and
   e. A record of the borrower's voluntary election to purchase any insurance in connection with a loan if that insurance is sold by the licensee.

Historical Note

Former Rule 24. R20-4-524 recodified from R4-4-524 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 4605, effective November 14, 2000 (Supp. 00-4). Amended by final rulemaking at 29 A.A.R. 1942 (September 1, 2023), effective October 7, 2023 (Supp. 23-3).

R20-4-525. Repealed

Historical Note

Former Rule 25. R20-4-525 recodified from R4-4-525 (Supp. 95-1). Section repealed by final rulemaking at 6 A.A.R. 4605, effective November 14, 2000 (Supp. 00-4).

R20-4-526. Repealed

Historical Note

Former Rule 26. R20-4-526 recodified from R4-4-526 (Supp. 95-1). Section repealed by final rulemaking at 6 A.A.R. 4605, effective November 14, 2000 (Supp. 00-4).

R20-4-527. Repealed

Historical Note

Former Rule 27. R20-4-527 recodified from R4-4-527 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-528. Repealed

Historical Note

Former Rule 28. R20-4-528 recodified from R4-4-528 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-529. Repealed

Historical Note

Former Rule 29. R20-4-529 recodified from R4-4-529 (Supp. 95-1). Section repealed by final rulemaking at 6 A.A.R. 4605, effective November 14, 2000 (Supp. 00-4).

R20-4-530. Repealed

Historical Note

Former Rule 30. R20-4-530 recodified from R4-4-530 (Supp. 95-1). Section repealed by final rulemaking at 6 A.A.R. 4605, effective November 14, 2000 (Supp. 00-4).

R20-4-531. Repealed

Historical Note

Former Rule 31. R20-4-531 recodified from R4-4-531 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-532. Repealed

Historical Note

Former Rule 32. R20-4-532 recodified from R4-4-532 (Supp. 95-1). Section repealed by final rulemaking at 6 A.A.R. 3380, effective August 3, 2000 (Supp. 00-3).

R20-4-533. Reserved

R20-4-534. Insurance

A. A licensee shall obtain written evidence of the borrower's voluntary election to purchase insurance in connection with a loan if the licensee's sale of insurance to the borrower is intended to secure repayment of a loan. The licensee shall retain this evidence of voluntary election in its records as required by statute. A document sufficient to comply with this Section shall read substantially as follows:

TO SECURE REPAYMENT OF MY LOAN, I ELECT TO PURCHASE INSURANCE IN THE AMOUNT OF $ _____.

I UNDERSTAND THAT MY TOTAL LOAN OBLIGATION IS THE SUM OF $ _____.

B. A licensee shall obtain written evidence of the borrower's voluntary election to purchase property insurance in connection with a loan if the licensee's sale of property insurance to the borrower is intended to secure repayment of a loan. The licensee shall retain this evidence of voluntary election in its records as required by statute. A document sufficient to comply with this Section shall read substantially as follows:

TO SECURE REPAYMENT OF MY LOAN, I ELECT TO PURCHASE PROPERTY INSURANCE IN THE AMOUNT OF
$ _____.
I UNDERSTAND THAT MY TOTAL LOAN OBLIGATION IS THE SUM OF $ _____.
I ATTEST THAT THE VALUE OF MY PROPERTY INSURED IN CONNECTION WITH THIS LOAN IS THE SUM OF
$ _____.

Historical Note
Former Rule 34. R20-4-534 recodified from R4-4-534 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 4605, effective November 14, 2000 (Supp. 00-4). Amended by final rulemaking at 29 A.A.R. 1942 (September 1, 2023), effective October 7, 2023 (Supp. 23-3).

R20-4-535. Reserved

R20-4-536. Repealed

Historical Note
Former Rule 36. R20-4-536 recodified from R4-4-536 (Supp. 95-1). Section repealed by final rulemaking at 6 A.A.R. 3380, effective August 3, 2000 (Supp. 00-3).

ARTICLE 6. DEBT MANAGEMENT COMPANIES

Article 6, consisting of Sections R4-4-601 through R4-4-620, adopted effective October 26, 1978, except that Sections R4-4-603, R4-4-604 and R4-4-607 shall become effective January 1, 1979. R20-4-601 through R20-4-620 recodified from R4-4-601 through R4-4-620 (Supp. 95-1).

Former Article 6 consisting of Section R4-4-601 repealed effective October 26, 1978. R20-4-601 recodified from R4-4-601 (Supp. 95-1).

R20-4-601. Repealed

Historical Note
Former Rule 1; Former Section R4-4-601 repealed, new Section R4-4-601 adopted effective October 26, 1978 (Supp. 78-5). R20-4-601 recodified from R4-4-601 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-602. Applications

A. An applicant for a debt management company license shall send the Department an application on the form required by the Director. If the Director determines that a credit report is required as authorized under A.R.S. § 6-704(A), the applicant shall order a credit report from a credit reporting agency disclosing the credit history of the applicant's principals or managing agents and submit the credit report to the Department. A complete application shall include the credit report required by this Section and all of the following:

1. The surety bond required by A.R.S. § 6-704(B);
2. Fidelity bonds if required by the Director under A.R.S. § 6-704(D);
3. The nonrefundable application fee specified in A.R.S. § 6-126(A)(14);
4. An original license fee described in A.R.S. §§ 6-126(B), 6-126(D)(2), and 6-706;
5. A sample of the contract intended to be used by the applicant required by A.R.S. § 6-704(E):
6. Current financial statements as described in R20-4-604(A)(5);
7. A copy of the current articles of incorporation, by-laws, partnership agreement or other organizing documents used to form the applicant business entity;
8. The name and address information required under A.R.S. § 6-704(A); and
9. A background check, on the form required by the Department, for each of the applicant's principals, principal officers, trustees, partners, and managing agents.

B. A debt management company applying to operate a branch office or use an agency shall send the Department an application on the form required by the Director.

C. A debt management company applying to renew a license shall deliver, on or before June 15 of each year, an application to the Department on the form required by the Director. A debt management company shall apply separately to renew each authorized business location. With each application for renewal, a debt management company shall include the renewal fee described in A.R.S. § 6-706 and specified in A.R.S. § 6-126(D)(2).

D. The Department may require additional information the Director considers necessary in connection with an application under this Section.

Historical Note
Adopted effective October 26, 1978 (Supp. 78-5). R20-4-602 recodified from R4-4-602 (Supp. 95-1). Amended by final rulemaking at 8 A.A.R. 2708, effective June 6, 2002 (Supp. 02-2). Amended by final rulemaking at 29 A.A.R. 1945 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-603. Reports

A. Each debt management company and each nonprofit corporation or association exempt from licensure under A.R.S. § 6-702(4) and (5), shall send the Department an annual report of its business and operations for each place of business during the previous year beginning July 1 and ending June 30, using the form required by the Director. A debt management company shall deliver its report to the Department on or before August 15.

B. Each debt management company shall notify the Department of any change in its ownership or in the names of its officers, directors, trustees, partners, or managing agents within 30 days of the change.

Historical Note
Adopted effective January 1, 1979 (Supp. 78-5). R20-4-603 recodified from R4-4-603 (Supp. 95-1). Amended by final rulemaking at 8 A.A.R. 2708, effective June 6, 2002 (Supp. 02-2). Amended by final rulemaking at 29 A.A.R. 1945 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-604. Records

A. A debt management company shall keep books, accounts, and records adequate to provide a clear and readily understandable

record of all its business activity. A debt management company may keep its books, accounts, and records as electronic records if the debt management company can generate all information and documentation required by this Section in the timeframe set by the Department for examination or other purposes. A debt management company's books, accounts, and records shall include:

1. A file for each account containing:
   a. A copy of all correspondence concerning the account;
   b. Evidence of the notice given to creditors of the debt management contract;
   c. A subsidiary ledger disclosing all financial transactions concerning the account;
   d. A copy of each written statement of account given to the debtor;
   e. The original budget analysis required under R20-4-607; and
   f. The original contract between the debt management company and the debtor, including all amendments.
2. A trust account general ledger, which is kept current daily, which reflects each deposit to and disbursement from the trust account.
3. Each reconciliation of the debt management company's trust account, prepared at least once a month.
4. A general ledger, kept current monthly, which reflects each financial transaction by the debt management company except those recorded in its trust account general ledger.
5. A financial statement produced in accordance with generally accepted accounting principles at least once every three months, or more frequently if directed by the Director, which reflects the financial condition of the debt management company. The financial statement shall include:
   a. A balance sheet,
   b. A statement of income and retained earnings,
   c. A statement of changes in financial condition, and
   d. Appropriate footnotes that either:
      i. Explain entries in the documents listed in subsections (A)(5)(a), (b), and (c);
      ii. Contain material information not required or not reportable in documents listed in subsections (A)(5)(a), (b), or (c); or
      iii. Contain other disclosures required by generally accepted accounting principles.
6. A record of all litigation naming the debt management company as a party including:
   a. For pending litigation:
      i. A copy of the complaint;
      ii. A copy of any answer filed by the debt management company in response to the complaint; and
      iii. A copy of any motion filed by the debt management company; and
   b. For any litigation that is no longer pending, a copy of any judgment showing the settlement date, dismissal, or other final order disposing of the litigation.

B. All records required under this Section may be maintained at the debt management company's office in Arizona. A debt management company may keep its records outside this state if it:

1. Makes the records available to the Director, for examination or other purposes, in this state not more than three business days after demand; and
2. Allows its debtor customers to call toll free to obtain information from the records that are not available from the debt management company's office in Arizona.

C. Each debt management company shall preserve its books, accounts, and records for the period required by A.R.S. §§ 6-709(J) and 6-710(1).

Historical Note

Adopted effective January 1, 1979 (Supp. 78-5). R20-4-604 recodified from R4-4-604 (Supp. 95-1). Amended by final rulemaking at 8 A.A.R. 2708, effective June 6, 2002 (Supp. 02-2). Amended by final rulemaking at 29 A.A.R. 1945 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-605. Reserved

R20-4-606. Reserved

R20-4-607. Budget Analysis

A. A debt management company shall not accept an account unless it first concludes that the debtor can reasonably meet the payments agreed upon by the debt management company and the debtor. The debt management company's conclusion shall be supported by a written budget analysis kept in the company's records.

B. The written budget analysis shall either be part of an application form or a separate document. The debtor shall date and sign the written budget analysis before the debt management company draws any conclusions from the budget analysis.

C. The budget analysis shall disclose the disposable income available for payment to the debt management company after the debtor pays their reasonable and necessary living expenses including taxes, insurance, child support, alimony, and residential rent or mortgage payments.

Historical Note

Adopted effective January 1, 1979 (Supp. 78-5). R20-4-607 recodified from R4-4-607 (Supp. 95-1). Amended by final rulemaking at 8 A.A.R. 2708, effective June 6, 2002 (Supp. 02-2). Amended by final rulemaking at 29 A.A.R. 1945 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-608. Reserved

R20-4-609. Repealed

Historical Note

Adopted effective October 26, 1978 (Supp. 78-5). R20-4-609 recodified from R4-4-609 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-610. Repealed

Historical Note

Adopted effective October 26, 1978 (Supp. 78-5). R20-4-610 recodified from R4-4-610 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-611. Advertising

A. A debt management company shall not use advertising, communication, or sales material that contains:

1. A false, misleading, or deceptive statement about the debt management company's services or charges. A statement is a violation of this Section if the person making the

statement does not state a material fact necessary to make the statement true, in light of the circumstances under which it is made;
2. A claim, direct or implied, that the debt management company consolidates debts or makes loans; or
3. A schedule of payments in any form.

B. A debt management company's advertising, communication, and sales material shall contain the following legend, conspicuously displayed in at least 12 point type and in bold print:
"NOT A LOAN COMPANY."

Historical Note
Adopted effective October 26, 1978 (Supp. 78-5). R20-4-611 recodified from R4-4-611 (Supp. 95-1). Amended by final rulemaking at 8 A.A.R. 2708, effective June 6, 2002 (Supp. 02-2). Amended by final rulemaking at 29 A.A.R. 1945 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-612. Solvency and Minimum Liquid Assets

A. A debt management company shall not operate if it is insolvent. For purposes of this Section "insolvent" has the same meaning as in A.R.S. § 47-1201(23).

B. To determine compliance with A.R.S. § 6-709(A), a debt management company's liquid assets include funds held in its trust account. Liquid assets do not include goodwill and other intangible assets. A debt management company's total liquid assets shall exceed by $2,500.00 the total of all its current business liabilities together with all balances held for debtors as reflected in the company's subsidiary ledgers.

C. Except as otherwise provided by this Section, or in a specific ruling by the Director, a debt management company shall use generally accepted accounting principles to compute assets and liabilities.

Historical Note
Adopted effective October 26, 1978 (Supp. 78-5). R20-4-612 recodified from R4-4-612 (Supp. 95-1). Amended by final rulemaking at 8 A.A.R. 2708, effective June 6, 2002 (Supp. 02-2). Amended by final rulemaking at 29 A.A.R. 1945 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

ARTICLE 7. ESCROW AGENTS

R20-4-701. Change in Location of Business

An escrow agent shall submit to the Director notice of any change in the location of the escrow agent's business. The escrow agent shall ensure that the Director receives the notice at least five days before the escrow agent conducts business at the new location. The escrow agent shall remit the fee required by A.R.S. § 6-126(A), to the Director with the notice of the location change.

Historical Note
Former Rule 1. R20-4-701 recodified from R4-4-701 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 5385, effective November 9, 2001 (Supp. 01-4). Amended by final rulemaking at 29 A.A.R. 1949 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-702. Account Practices and Records

An escrow agent shall maintain records to enable the Director to reconstruct the details of each escrow transaction. The records shall include the following:
1. The seller's name and address;
2. The buyer's name and address;
3. The lender's name and address, if any;
4. The borrower's name and address, if any;
5. The real estate agent's name and address, if any;
6. Complete escrow instructions;
7. Records and supporting documentation for each receipt and disbursement made through the escrow; and
8. A copy of the escrow settlement.

Historical Note
Former Rule 2. R20-4-702 recodified from R4-4-702 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 5385, effective November 9, 2001 (Supp. 01-4). Amended by final rulemaking at 29 A.A.R. 1949 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-703. Preservation of Records

An escrow agent shall preserve the records, books, and accounts pertaining to each escrow transaction for at least three years following the final settlement date of the transaction. An escrow agent may keep its records as electronic records if the escrow agent can generate all information and copies of documents required by A.R.S. § 6-831 within the timeframe set by the Department for examination or other purposes.

Historical Note
Former Rule 3. R20-4-703 recodified from R4-4-703 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 5385, effective November 9, 2001 (Supp. 01-4). Amended by final rulemaking at 29 A.A.R. 1949 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-704. Subsidiary Account Records

An escrow agent shall maintain subsidiary account records that identify the funds deposited in each escrow account. The total of all credit balances in the subsidiary accounts shall always equal the balance of the general ledger control account.

Historical Note
Former Rule 4. R20-4-704 recodified from R4-4-704 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 5385, effective November 9, 2001 (Supp. 01-4). Amended by final rulemaking at 29 A.A.R. 1949 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-705. Reserved

R20-4-706. Repealed

Historical Note

Former Rule 6. R20-4-706 recodified from R4-4-706 (Supp. 95-1). Section repealed by final rulemaking at 7 A.A.R. 5385, effective November 9, 2001 (Supp. 01-4).

R20-4-707. Expired

Historical Note

Adopted effective June 25, 1993 (Supp. 93-2). R20-4-707 recodified from R4-4-707 (Supp. 95-1). Section expired under A.R.S. § 41-1056(J) at 21 A.A.R. 411, effective September 30, 2014 (Supp. 15-1).

R20-4-708. Financial Condition and Resources

The Director shall consider the following criteria in evaluating an escrow agent's, other escrow agent's, or applicant's financial condition and resources under A.R.S. § 6-817:

1. Amount of positive net worth,
2. Amount of tangible net worth,
3. Amount of liquid assets,
4. Amount of cash provided by operations,
5. Ratio of debt to net worth,
6. Owner's personal financial resources,
7. Outside resources available,
8. Profitability,
9. Projected operating results,
10. Status as agent for a title insurance company, and
11. Sources of new business.

Historical Note

New Section made by final rulemaking at 7 A.A.R. 5385, effective November 9, 2001 (Supp. 01-4). Amended by final rulemaking at 29 A.A.R. 1949 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

ARTICLE 8. TRUST COMPANIES

R20-4-801. Definitions

In addition to the definitions provided in A.R.S. § 6-851, the following terms apply to this Article unless the context otherwise requires:

"Account" means the trust, estate, or other fiduciary relationship established with a trust department or trust company.

"Affiliate" has the meaning stated at A.R.S. § 6-801.

"Director" has the meaning stated at A.R.S. § 20-102.

"Governing instrument" means a document, and all its operative amendments, that:

Creates a trust and regulates the trustee's conduct,
Creates an agency relationship between a trust department or trust company and a client, or
Otherwise evidences a fiduciary relationship between a trust department or trust company and a client.

"Investment responsibility" means full and unrestricted discretion to invest trust funds without direction from anyone as to any matter, including the terms of the trade or the identity of the broker.

"Person" has the meaning stated at A.R.S. § 20-105.

"Trust asset" means any property or property right held by a trust department or trust company for the benefit of another.

"Trust department" means a permittee under both A.R.S. § 6-201 et seq. and Article 2 of this Chapter that possesses a banking permit authorizing it to engage in trust business.

"Trust funds" means any money held by a trust department or trust company for the benefit of another.

"Trustor" means a person who creates or funds a trust, or both.

Historical Note

Adopted effective June 30, 1977 (Supp. 77-3). R20-4-801 recodified from R4-4-801 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 2471, effective June 8, 2000 (Supp. 00-2). Amended by final rulemaking at 8 A.A.R. 2718, effective June 6, 2002 (Supp. 02-2). Amended by final rulemaking at 29 A.A.R. 1952 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-802. Reserved

R20-4-803. Reserved

R20-4-804. Repealed

Historical Note

Adopted effective June 30, 1977 (Supp. 77-3). R20-4-804 recodified from R4-4-804 (Supp. 95-1). Repealed by final rulemaking at 6 A.A.R. 2471, effective June 8, 2000 (Supp. 00-2).

R20-4-805. Reports

A. Within 90 days following each December 31, each trust department and trust company shall file an annual report of trust assets with the Director on the form prescribed by the Director. The annual report shall include the current market value of all trust assets held by the trust department or trust company as of December 31. The report shall also identify and briefly describe all transactions conducted in the report period that are regulated by subsections R20-4-812(E) through (G).

B. Each trust company shall deliver a copy of its annual report and certificate of disclosure to the Director within 10 days of filing the report and certificate at the Arizona Corporation Commission. A report or certificate covered by this subsection is one filed under the authority of A.R.S. §§ 10-202 or 10-1622. A copy delivered to the Director, as required in this subsection, shall be date-stamped by the Arizona Corporation Commission to confirm the actual filing date.

C. Each trust company shall notify the Director of any change in the directors or officers of the company within 10 days of the change. Any trust company with more than 25 officers may, after obtaining the Director's written approval, limit the officers covered by this subsection to those with substantial involvement in the trust company's corporate operations or in the trust company's trust business in this state.

Historical Note

Adopted effective September 1, 1977 (Supp. 77-3). R20-4-805 recodified from R4-4-805 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 2471, effective June 8, 2000 (Supp. 00-2). Amended by final rulemaking at 8 A.A.R. 2718, effective June 6, 2002 (Supp. 02-2). Amended by final rulemaking at 29 A.A.R. 1952 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-806. Records

A. Every trust company shall keep its records as originals or as copies of the originals made by reproduction methods that accurately and permanently preserve the records. A trust company may keep its records as electronic records if the trust company can generate all information and copies required by

this Section within the timeframe set by the Department for examination or other purposes.

B. A trust department or trust company shall keep books, accounts, and records adequate to provide clear and readily understandable evidence of all business conducted by the trust department or trust company, including the following:

1. A file for each account that includes:
   a. The governing instrument,
   b. All contracts and other legal documents,
   c. Copies of all correspondence,
   d. Accounting records disclosing all the financial transactions, and
   e. A listing of all the account's assets and liabilities.
2. An investment file for each account that includes:
   a. All original documentary evidence of the account's assets; or
   b. Copies of the original documentary evidence of the account's assets, together with written evidence of custody or receipt of the originals by an authorized holder; and
   c. A record of the initial and annual investment reviews for the account.
3. The corporate general ledger kept current on a daily basis. This record shall identify and segregate all financial transactions conducted by the trust department or trust company for itself, distinguishing them from those relating to the trust department's or trust company's trust business;
4. Unaudited financial statements. A trust department or trust company shall produce these statements quarterly or more frequently when required by the Director. The financial statements shall include at least:
   a. A balance sheet; and
   b. A statement of income, expenses, and retained earnings.
5. Adequate records of all pending litigation that names the trust department or trust company as a party.

C. A trust department shall keep its fiduciary records separate and distinct from the trust department's corporate records.

D. A trust department or trust company shall keep records described in subsections (B)(1) and (2) for at least three years after closing an account. If litigation occurs concerning a particular account, the trust department or trust company shall keep that account's records, described in subsections (B)(1) and (2), for three years after the litigation is resolved.

Historical Note
Adopted effective September 1, 1977 (Supp. 77-3). R20-4-806 recodified from R4-4-806 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 2471, effective June 8, 2000 (Supp. 00-2). Amended by final rulemaking at 8 A.A.R. 2718, effective June 6, 2002 (Supp. 02-2). Amended by final rulemaking at 29 A.A.R. 1952 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-807. Unsafe or Unsound Condition

For purposes of A.R.S. §§ 6-863 and 6-865, a trust company conducts business in an unsafe manner or its affairs are in an unsound condition if it:

1. Violates any fiduciary duty or obligation, including those listed in Sections R20-4-809 through R20-4-815;
2. Violates any state or federal requirement for operating or maintaining trusts, common trust funds, or other accounts;
3. Violates any applicable federal or state law or regulation regarding corporations or securities;
4. Employs an officer or director who violates a corporate fiduciary duty;
5. Is insolvent; or
6. Engages in any conduct that the Director determines constitutes an unsafe or unsound business practice jeopardizing the trust company's financial condition or the interests of a stockholder, creditor, trustor, beneficiary, or trust company's principal.

Historical Note
Adopted effective June 30, 1977 (Supp. 77-3). R20-4-807 recodified from R4-4-807 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 2471, effective June 8, 2000 (Supp. 00-2). Amended by final rulemaking at 8 A.A.R. 2718, effective June 6, 2002 (Supp. 02-2). Amended by final rulemaking at 29 A.A.R. 1952 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-808. Administration of Fiduciary Powers

A. The board of directors and the officers share responsibility for the exercise of fiduciary powers by a trust department or trust company. The board of directors is responsible for determining policy; investing and disposing of trust assets; and directing and reviewing the actions of all directors, officers, and committees of the board that exercise fiduciary powers. The board of directors may delegate the necessary power and authority to perform the trust department's or trust company's duties as a fiduciary to selected directors, officers, employees, or committees of the board if the delegation is consistent with the corporate charter. The minutes of the board's meetings shall duly reflect all those delegations.

B. A trust department or trust company shall not accept a new account without first obtaining the board's approval, or that of the directors, officers, or committees that the board may have authorized to approve new accounts. The trust department or trust company shall keep a written record of each new account approval and of the closing of each account. The trust department or trust company shall conduct an asset review within 60 days after it accepts each new account if it has investment responsibility for that account. The trust department's or trust company's board shall ensure that an annual review of account assets is conducted for each account in which the trust department or trust company has investment responsibility, to determine whether to retain or dispose of the assets.

C. A trust department or trust company exercising fiduciary powers shall use independent legal counsel admitted to practice in Arizona to advise and inform the trust department or trust company on fiduciary matters and all other legal issues presented to the trust department or trust company by the conduct of its trust business.

Historical Note
Adopted effective June 30, 1977 (Supp. 77-3). R20-4-808 recodified from R4-4-808 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 2471, effective June 8, 2000 (Supp. 00-2). Amended by final rulemaking at 8 A.A.R. 2718, effective June 6, 2002 (Supp. 02-2). Amended by final rulemaking at 29 A.A.R. 1952 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-809. Fiduciary Duties

A trust department or trust company shall perform all fiduciary duties imposed upon it by law, including the following:

1. Administer accounts strictly according to the governing instrument and solely in the account beneficiary's interests;
2. Use reasonable care and skill to make the account productive;
3. Provide complete and accurate information about the nature and amount of assets held to each account's beneficiary or principal and permit the beneficiary, principal, or any person duly authorized by the beneficiary or principal to inspect the account's records at any time during normal business hours. The information provided in compliance with this subsection shall be delivered at least quarterly, unless:
   a. The trust department or trust company and its account's beneficiary, principal, or authorized person agree otherwise in writing;
   b. The governing instrument provides otherwise; or
   c. A different frequency is established by a lawful course of dealing before the effective date of this Section; and
4. Comply with all lawful provisions of the governing instrument.

Historical Note

Adopted effective June 30, 1977 (Supp. 77-3). R20-4-809 recodified from R4-4-809 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 2471, effective June 8, 2000 (Supp. 00-2). Amended by final rulemaking at 8 A.A.R. 2718, effective June 6, 2002 (Supp. 02-2). Amended by final rulemaking at 29 A.A.R. 1952 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-810. Funds Awaiting Investment or Distribution

A. Trust funds held by a trust department or trust company awaiting investment or distribution shall not remain uninvested or undistributed any longer than is reasonable for the account's proper management.

B. A trust department or trust company may keep trust funds in deposit accounts maintained by the trust department or trust company unless prohibited by law or by the governing instrument. The trust department or trust company shall set aside collateral security for all deposited trust funds under a third party's control. The collateral shall be the following types of securities, in any combination:
   1. Direct obligations of the United States or any agency, department, division, or administration of the federal government;
   2. Any other obligations fully guaranteed by the United States government as to principal and interest;
   3. Obligations of a Federal Reserve Bank;
   4. Obligations of any state, political subdivision of a state, or public authority organized under the laws of a state; or
   5. Readily marketable securities that either:
      a. Qualify as investment securities under the Investment Securities regulations of the Comptroller of the Currency, 12 CFR, Chapter 1, Part 1; or
      b. Satisfy state pledging requirements under A.R.S. § 6-245(C).

C. The securities set aside under subsection (B) shall, at all times, have a market value no less than the amount of trust funds deposited. No collateral security is required to the extent the Federal Deposit Insurance Corporation, or its successor, insures the deposited trust funds.

Historical Note

Adopted effective June 30, 1977 (Supp. 77-3). R20-4-810 recodified from R4-4-810 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 2471, effective June 8, 2000 (Supp. 00-2). Amended by final rulemaking at 8 A.A.R. 2718, effective June 6, 2002 (Supp. 02-2). Amended by final rulemaking at 29 A.A.R. 1952 (September 1, 2023), effective October 8, 2023 (Supp. 23-3). Amended by final rulemaking at 29 A.A.R. 1952 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-811. Investment of Trust Funds

A. A trust department or trust company shall invest trust funds according to:
   1. The governing instrument; and
   2. All applicable laws, including A.R.S. §§ 6-862, 14-7402, and 14-7501 through 14-7512

B. A trust department or trust company shall make any collective investment of trust funds exclusively under the terms of R20-4-815.

Historical Note

Adopted effective June 30, 1977 (Supp. 77-3). R20-4-811 recodified from R4-4-811 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 2471, effective June 8, 2000 (Supp. 00-2). Amended by final rulemaking at 8 A.A.R. 2718, effective June 6, 2002 (Supp. 02-2). Amended by final rulemaking at 29 A.A.R. 1952 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-812. Self-dealing

A. A trust department or trust company shall not invest trust funds in the following types of property unless expressly authorized by the governing instrument, applicable state or federal law, or court order:
   1. Its own securities;
   2. Other types of property acquired from the trust department or trust company;
   3. Property acquired from the trust department's or trust company's directors, officers, or employees;
   4. Property acquired from the trust department's or trust company's affiliates;
   5. Property acquired from its affiliates' directors, officers, or employees; or
   6. Property acquired from other individuals or organizations with an interest in the trust department or trust company if that interest might affect the trust department's or trust company's exercise of discretion to the detriment of its trust clients.

B. A trust department or trust company may use trust funds to purchase its own securities, or its affiliates' securities:
   1. If the trust department or trust company has authority under subsection (A), and
   2. If those securities are offered pro rata to all stockholders of the trust department or trust company.

C. A trust department or trust company shall not sell or loan trust property to itself, or to the following types of persons, unless expressly authorized by the governing instrument, applicable state or federal law, or court order:
   1. Its directors, officers, or employees;
   2. Its affiliates;
   3. Its affiliates' directors, officers, or employees; or
   4. Other individuals or organizations with an interest in the trust department or trust company if that interest might affect the trust department's or trust company's exercise of discretion to the detriment of its trust clients.

D. However, a trust department or trust company may sell or loan trust property to persons prohibited by subsection (C) if either:
1. Its counsel has advised in writing that, by holding certain property, the trust department or trust company has incurred a contingent or potential liability for breach of fiduciary duty; and
   a. The proposed sale or loan avoids the contingent or potential liability;
   b. Its board of directors authorizes the sale or loan by an action duly noted in the trust department's or trust company's minutes;
   c. Its board of directors' action expressly authorizes reimbursement to the affected account; and
   d. The affected account is reimbursed, in cash, at no loss to that account; or
2. The Director requires or approves, in writing, the sale or loan to otherwise prohibited parties.

E. A trust department or trust company may sell trust property held in one account to another of its accounts if:
1. The transaction is fair to both accounts; and
2. The transaction is not prohibited by the governing instruments, applicable state or federal law, or court order.

F. A trust department or trust company may loan trust property held in one account to another of its accounts if:
1. The transaction is fair to both accounts; and
2. The transaction is not prohibited by the governing instruments, applicable state or federal law, or court order.

G. A trust department or trust company may make a loan to a trust account, taking trust assets of the borrowing account as security for repayment, if:
1. The transaction is fair to the borrowing account; and
2. The transaction is not prohibited by the governing instrument, applicable state or federal law, or court order.

Historical Note

Adopted effective June 30, 1977 (Supp. 77-3). R20-4-812 recodified from R4-4-812 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 2471, effective June 8, 2000 (Supp. 00-2). Amended by final rulemaking at 8 A.A.R. 2718, effective June 6, 2002 (Supp. 02-2). Amended by final rulemaking at 29 A.A.R. 1952 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-813. Custody of Investments

A. A trust department or trust company shall keep each account's investments separate from its own assets. A trust department or trust company shall place each account's assets in the joint control of at least two officers or employees of the trust department or trust company designated in writing for that purpose by:
1. The trust department's or trust company's board of directors, or
2. One or more officers authorized by the trust department's or trust company's board of directors to make the designation.

B. A trust department or trust company shall either:
1. Keep each account's investments separate from all other accounts' investments, except as provided in R20-4-815; or
2. Adequately identify each account's property in the trust department's or trust company's records.

Historical Note

Adopted effective June 30, 1977 (Supp. 77-3). R20-4-813 recodified from R4-4-813 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 2471, effective June 8, 2000 (Supp. 00-2). Amended by final rulemaking at 8 A.A.R. 2718, effective June 6, 2002 (Supp. 02-2). Amended by final rulemaking at 29 A.A.R. 1952 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-814. Compensation

A. A trust department or trust company acting as a fiduciary may charge a reasonable fee for its services. The trust department or trust company shall receive the fee allowed by the court when it is acting under a court appointment. Any agreement as to fees in the governing instrument shall control the fee unless contrary to law, regulation, or court order.

B. A trust department or trust company shall not permit any of its officers or employees to take any compensation for acting as a co-fiduciary with the trust department or trust company in the administration of an account.

Historical Note

Adopted effective June 30, 1977 (Supp. 77-3). R20-4-814 recodified from R4-4-814 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 2471, effective June 8, 2000 (Supp. 00-2). Amended by final rulemaking at 8 A.A.R. 2718, effective June 6, 2002 (Supp. 02-2). Amended by final rulemaking at 29 A.A.R. 1952 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-815. Collective Investments

A. All collective investments made by a trust department or trust company shall be in a common trust fund established under A.R.S. § 6-871 and maintained by the trust department or trust company exclusively for the collective investment and reinvestment of funds contributed by the trust department or trust company acting as a fiduciary. A trust department or trust company shall not establish a common trust fund unless it first:
1. Prepares a written plan regarding the common trust fund; and
2. Obtains its board of directors' approval of the plan, evidenced by a duly adopted resolution or the board's unanimous written consent.

B. The plan shall describe the common trust fund's operational details, including a description of:
1. The trust department's or trust company's investment powers and investment policy over all funds deposited in the common trust fund,
2. The manner for allocating the common trust fund's income and losses,
3. The criteria for admission to or withdrawal from participating in the common trust fund, and
4. The method for valuing assets in the common trust fund and the frequency of valuation.

C. A trust department or trust company shall advise all persons having an interest in its common trust fund of the existence of the plan described in subsection (B), and shall provide a copy of the plan upon request.

D. The annual report required under R20-4-805(A) shall include all common trust funds operated by the trust department or trust company.

Historical Note

Adopted effective June 30, 1977 (Supp. 77-3). R20-4-815 recodified from R4-4-815 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 2471, effective June 8, 2000 (Supp. 00-2). Amended by final rulemaking at 8 A.A.R. 2718, effective June 6, 2002 (Supp. 02-2). Amended by

final rulemaking at 29 A.A.R. 1952 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-816. Termination of Trust or Fiduciary Powers and Duties

A. Any trust department that wants to surrender its trust powers shall file with the Director a certified copy of the appropriate resolution of its board of directors or of the board's unanimous written consent. If, after investigation, the Director concludes that the trust department has no remaining fiduciary duties, the Director shall notify the trust department that it no longer has authority to exercise trust powers.

B. Any trust company that wants to surrender its certificate of authority to conduct trust business and wind up its affairs shall file with the Director a certified copy of the appropriate resolution of its board of directors or of the board's unanimous written consent. Upon receipt of the resolution or consent, the Director shall cancel the trust company's certificate of authority, and the trust company shall not accept new trust accounts.

C. After winding up its affairs, any trust company that wants to surrender its rights and obligations as a fiduciary and remove itself from the Director's supervision shall file with the Director a certified copy of the appropriate resolution of its board of directors or of the board's unanimous written consent. If, after investigation, the Director concludes that the trust company has no further fiduciary duties, the Director shall notify the trust company that it no longer has authority to exercise fiduciary powers.

D. Any trust department or trust company that surrenders its powers, rights, obligations, or certificate under this Section or that has them canceled, suspended, or revoked shall continue to be regulated under A.R.S. § 6-864 and this Article until it winds up its affairs. No action under this Section impairs any liability or cause of action, existing or incurred, against any trust department or trust company or its stockholders, directors, or officers.

Historical Note

Adopted effective June 30, 1977 (Supp. 77-3). R20-4-816 recodified from R4-4-816 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 2471, effective June 8, 2000 (Supp. 00-2). Amended by final rulemaking at 8 A.A.R. 2718, effective June 6, 2002 (Supp. 02-2). Amended by final rulemaking at 29 A.A.R. 1952 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

Appendix A. Repealed

Historical Note

Appendix A repealed by final rulemaking at 6 A.A.R. 2471, effective June 8, 2000 (Supp. 00-2).

Appendix B. Repealed

Historical Note

Appendix B repealed by final rulemaking at 6 A.A.R. 2471, effective June 8, 2000 (Supp. 00-2).

ARTICLE 9. MORTGAGE BROKERS

R20-4-901. Reserved

Historical Note

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-901 recodified from R4-4-901 (Supp. 95-1). Section repealed by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-902. Reserved

Historical Note

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-902 recodified from R4-4-902 (Supp. 95-1). Section repealed by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-903. Exemption for an Entity Regulated by an Agency of this State, Other States, or by the United States

A. The exemption under A.R.S. § 6-902 (A)(1) only applies to a person whose offers to make or negotiate a mortgage loan, as defined in A.R.S. § 6-901, and all mortgage loans made or negotiated by the person are regulated directly by an agency of this state, any other state, or the United States.

B. The required regulation of the transactions listed in subsection (A) includes:

1. Rules governing a claimant's accounting and recordkeeping practices;
2. The authority to examine a claimant's books and records relating to its mortgage lending activities; and
3. The ability to place a claimant in a receivership or conservatorship with regard to the claimant's mortgage lending activities.

Historical Note

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-903 recodified from R4-4-903 (Supp. 95-1). Amended by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-904. Reserved

Historical Note

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-904 recodified from R4-4-904 (Supp. 95-1). Section repealed by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-905. Repealed

Historical Note

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-905 recodified from R4-4-905 (Supp. 95-1). Section repealed by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-906. Equivalent and Related Experience

A. An applicant may satisfy the three years' experience requirement of A.R.S. § 6-903 by the types of lending-related experience listed in this subsection. The Department counts each month in the following types of work experience toward the three years required for a mortgage broker license, under A.R.S. § 6-903(B), or as a responsible individual, under A.R.S. § 6-903(E). The Department counts a fractional month of experience, at least 15 days long, as a full month.

1. Mortgage broker with an Arizona license, responsible individual, or branch manager for a licensee;
2. Mortgage banker with an Arizona license, responsible individual, or branch manager for a licensee;
3. Loan officer with responsibility primarily for loans secured by lien interests on real property;
4. Lender's branch manager with responsibility primarily for loans secured by lien interests on real property;
5. Mortgage broker with license from another state, or responsible individual for a mortgage broker licensed in another state;

6. Mortgage banker with license from another state, or responsible individual for a mortgage banker licensed in another state;
7. Attorney certified by any state as a real estate specialist.

B. An applicant with insufficient actual experience of the types listed in subsection (A) may satisfy the remainder of the three years' experience requirement of A.R.S. § 6-903 by the types of related experience listed in this subsection. The Department counts each month in the following types of work experience according to the ratio listed below, of actual experience to equivalent experience, credited towards qualifying for a license, under A.R.S. § 6-903(B), or as a responsible individual, under A.R.S. § 6-903(E). The Department counts a fractional month of experience, at least 15 days long, as a full month. An applicant receives credit in only one area listed and for not more than three years' actual experience. The remaining years of experience required to qualify for a license shall be obtained from types of work experiences listed in subsection (A).

1. Attorney without state bar certified real estate specialty...3:2
2. Paralegal with experience in real estate matters...3:2
3. Loan underwriter...3:2
4. Mortgage broker or mortgage banker from another state without license...3:2
5. Real estate broker with an Arizona license or license from a state with substantially equivalent licensing requirements...3:2
6 Escrow officer...3:2
7. Trust officer with a title company...3:2
8. Executive, supervisor, or policy maker involved in administering or operating a mortgage-related business...3:1.5
9. Title officer with a title company...3:1.5
10. Real estate broker, not qualified under subsection (B)(5)...3:1.5
11. Loan processor with responsibility primarily for loans secured by lien interests on real property...3:1.5
12. Lender's branch manager with responsibility primarily for loans not secured by lien interests on real property...3:1.5
13. Real property salesperson with an Arizona license or a license from a state with substantially equivalent licensing requirements...3:1
14. Loan officer, with responsibility primarily for loans not secured by lien interests on real property...3:1

Historical Note
Adopted effective August 14, 1991 (Supp. 91-3). R20-4-906 recodified from R4-4-906 (Supp. 95-1). Amended by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-907. Course of Study

A. A course of study shall be satisfactorily completed if the applicant has:
1. Attended at least 24 hours of class, and
2. Received a passing grade on the final exam.

B. A course of study shall meet all the following requirements:
1. The following items shall be submitted by the school to the Superintendent on an annual basis:
   a. Course materials;
   b. Class content outlines on a session-by-session basis; and
   c. Sample final exam.
2. The following subjects shall be taught:
   a. Mortgage, deed of trust, and security agreement law;
   b. Negotiable instrument law;
   c. Mortgage broker law;
   d. Escrow agent law;
   e. Recordkeeping requirements of R20-4-917;
   f. Federal Housing Administration, Veterans Administration, Federal National Mortgage Association, Federal Home Loan Mortgage Corporation requirements;
   g. Ethics;
   h. Principal and agent law;
   i. Arithmetical computations common to mortgage brokerage;
   j. Real estate lending principles;
   k. Real estate law;
   l. Real Estate Settlement Procedures Act, 12 U.S.C. 2601 through 2617, and Consumer Credit Protection Act, 15 U.S.C. 1601 through 1666j; and
   m. Securities law.
3. A final exam shall be given that substantially tests the student's knowledge of the subjects described above.

C. The Superintendent shall review the items submitted to the Department and determine within 60 days of submission whether the proposed course of study is satisfactory. The Superintendent may audit a course of study at any time. If the Superintendent finds that a course of study is unsatisfactory, or if the Superintendent has not received the course materials, course content outlines, and sample final exam within the prior 13 months, the Superintendent may withhold or suspend approval.

Historical Note
Adopted effective August 14, 1991 (Supp. 91-3). R20-4-907 recodified from R4-4-907 (Supp. 95-1).

R20-4-908. Reserved

Historical Note
Adopted effective August 14, 1991 (Supp. 91-3). R20-4-908 recodified from R4-4-908 (Supp. 95-1). Section repealed by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-909. Reserved

Historical Note
Adopted effective August 14, 1991 (Supp. 91-3). R20-4-909 recodified from R4-4-909 (Supp. 95-1). Section repealed by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-910. Reserved

Historical Note
Adopted effective August 14, 1991 (Supp. 91-3). R20-4-910 recodified from R4-4-910 (Supp. 95-1). Section repealed by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-911. Qualified Replacement Responsible Individual

If a licensee chooses an individual to serve as a replacement responsible individual and that individual has not satisfactorily completed

the course of study required by A.R.S. § 6-903(B)(2) or passed the mortgage broker examination required by A.R.S. § 6-903(B)(3), and is not given the opportunity to do so prior to the expiration of the 90-day time period provided in A.R.S. § 6-903(F), but otherwise meets the requirements of A.R.S. § 6-903(B), the individual shall be qualified as a replacement responsible individual until the next course of study has been held and, if the person successfully completes the course of study, until the mortgage broker examination next following the completion of the course of study has been held and the results of the examination are available. If the individual fails to satisfactorily complete the course of study or fails the mortgage broker examination, the licensee shall then have a new 90-day time period within which to place itself under the active management of a qualified responsible individual. Notwithstanding the foregoing, a licensee shall have no longer than 180 days within which to place the license under the active management of a qualified responsible individual unless the Superintendent grants additional time to the licensee for good cause shown.

Historical Note
Adopted effective August 14, 1991 (Supp. 91-3). R20-4-911 recodified from R4-4-911 (Supp. 95-1).

R20-4-912. Restrictions on the Term of a Cash Alternative
If an applicant or a licensee elects to place with the Superintendent a deposit in the form of a certificate of deposit or investment certificate, in addition to the requirements of A.R.S. § 6-903(J), the certificate of deposit or investment certificate shall not be renewable, nor expire, earlier than 12 months from the date of issuance.

Historical Note
Adopted effective August 14, 1991 (Supp. 91-3). R20-4-912 recodified from R4-4-912 (Supp. 95-1).

R20-4-913. Reserved

Historical Note
Adopted effective August 14, 1991 (Supp. 91-3). R20-4-913 recodified from R4-4-913 (Supp. 95-1). Section repealed by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-914. Reserved

Historical Note
Adopted effective August 14, 1991 (Supp. 91-3). R20-4-914 recodified from R4-4-914 (Supp. 95-1). Section repealed by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-915. Requirements for a Person Intended to Oversee a Branch Office
A person designated to oversee the operations of a branch office shall be knowledgeable about the branch activities of the licensee, shall supervise compliance by the branch with applicable law and rules, and shall have sufficient authority to ensure such compliance. One person may oversee more than one branch.

Historical Note
Adopted effective August 14, 1991 (Supp. 91-3). R20-4-915 recodified from R4-4-915 (Supp. 95-1).

R20-4-916. Notification of Change of Address
If the address of the principal place of business or of any branch office is changed, the licensee shall notify the Superintendent of the change within five business days after the occurrence of the change of location. Together with such notice, the licensee shall provide to the Department the license for the office changing addresses together with the fee required by A.R.S. § 6-126 for changing the address of an office. A copy of such license shall continue to be displayed at the place of business until a new license is issued.

Historical Note
Adopted effective August 14, 1991 (Supp. 91-3). R20-4-916 recodified from R4-4-916 (Supp. 95-1).

R20-4-917. Recordkeeping Requirements

A. The Superintendent shall approve a licensee's use of a computer or mechanical recordkeeping system if the licensee gives the Superintendent advanced written notice that it intends to do so. The Department shall not require a licensee to keep a written copy of the records if the licensee can generate all information required by this Section in a timely manner for examination or other purposes. A licensee may add, delete, modify, or customize an approved computer or mechanical recordkeeping system's hardware or software components. When requested, or in response to a written notice of an examination, a licensee shall report to the Superintendent any alteration in the approved system's fundamental character, medium, or function if the alteration changes:
1. Any approved computer or mechanical system back to a paper-based system;
2. An approved mechanical system to a computer system; or
3. An approved computer system to a mechanical system.

B. In addition to any statutory requirement regarding records, a record maintained by a mortgage broker shall include the following:
1. A list of all executed loan applications or executed fee agreements that includes the following information:
   a. Applicant's name;
   b. Application date;
   c. Amount of initial loan request;
   d. Final disposition date;
   e. Disposition (funded, denied, etc.); and
   f. Name of loan officer;
2. A record, such as a cash receipts journal, of all money received in connection with a mortgage loan including:
   a. Payor's name;
   b. Date received;
   c. Amount; and
   d. Receipt's purpose, including identification of a related loan, if any;
3. A sequential listing of checks written for each bank account relating to the mortgage broker business, such as a cash disbursement journal, including:
   a. Payee's name;
   b. Amount;
   c. Date; and
   d. Payment's purpose, including identification of a related loan, if any;
4. Bank account activity source documents for the mortgage broker business including receipted deposit tickets, numbered receipts for cash, bank account statements, paid checks, and bank advices.
5. A trust subsidiary ledger for each borrower that deposits trust funds showing:
   a. Borrower's name or co-borrowers' names;
   b. Loan number, if any;
   c. Amount received;
   d. Purpose for the amount received;
   e. Date received;
   f. Date deposited into trust account;
   g. Amount disbursed;

h. Date disbursed;
i. Disbursement's payee and purpose; and
j. Balance;

6. A file for each application for a mortgage loan containing:
   a. The agreement with the customer concerning the broker's services, whether as a loan application, fee agreement, or both;
   b. Document showing the application's final disposition, such as a settlement statement, or a denial or withdrawal letter;
   c. Correspondence sent, received, or both by the licensee;
   d. Contract, agreement, and escrow instructions to or with any depository;
   e. Documents showing compliance with the Consumer Credit Protection Act's (15 U.S.C. §§ 1601 through 1666j) and the Real Estate Settlement Procedures Act's (12 U.S.C. §§ 2601 through 2617) disclosure requirements, to the extent applicable;
   f. If the loan is funded by an investor that is not a financial institution, an enterprise, a licensed real estate broker or salesman, a profit sharing or pension trust or, an insurance company, the documents provided to the investor under A.R.S. § 6-907, a copy of the executed note and executed deed of trust or mortgage, and any assignment by the broker to the investor;
   g. If the loan is closed in the mortgage broker's name, a copy of all closing documents including: closing instructions, any applicable rescission notice, HUD-1 settlement statement, final truth-in-lending disclosure, executed note, executed deed of trust or mortgage, and each assignment of beneficial interest by the licensee; and
   h. Itemized list of all fees taken in advance including appraisal fee, credit report fee, and application fee;
7. Samples of every piece of advertising relating to the mortgage broker's business in Arizona;
8. Copies of governmental or regulatory compliance reviews;
9. If the licensee is not a natural person, a file containing:
   a. Organizational documents for the entity;
   b. Minutes;
   c. A record, such as a stock or ownership transfer ledger, showing ownership of all proportional equity interests in the licensee, ascertainable as of any given record date; and
   d. Annual report, if required by law;
10. If the licensee or anyone directly or indirectly owning more than 20% of the licensee has a felony conviction, a copy of the judgment or other record of conviction;
11. If the licensee or anyone directly or indirectly owning more than 20% of the licensee has, in the previous seven years, been named a defendant in any civil suit, a copy of the complaint, any answer filed by the licensee, and any judgment, dismissal, or other final order disposing of the action; and
12. If the Superintendent has granted approval to maintain records outside this state, the specific address where the records are kept, and a person's name to contact for them.

C. If 10 or fewer transactions have occurred during the prior calendar quarter, a licensee shall reconcile and update all records specified in subsection (B) at least once each calendar quarter. A licensee shall reconcile and update all records specified in subsection (B) monthly if more than 10 transactions occurred during the prior calendar quarter. In addition to reconciling each trust bank account, a licensee shall verify each trust balance to each trust subsidiary ledger at each reconciliation.

D. A licensee shall retain the documents described in subsections (B)(1) and (B)(6) for the length of time provided in A.R.S. § 6-906. For the purposes of A.R.S. § 6-906, a mortgage loan's closing date, on a loan application that did not result in the making of a loan, is either:
1. The date a licensee receives a written cancellation notice from an applicant; or
2. The date a licensee mails written notice to an applicant that the application has been denied, as required by federal law.

E. A licensee shall maintain all records described in this Section, and not included in subsection (D), for at least two years.

Historical Note
Adopted effective August 14, 1991 (Supp. 91-3). R20-4-917 recodified from R4-4-917 (Supp. 95-1). Amended by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-918. Repealed

Historical Note
Adopted effective August 14, 1991 (Supp. 91-3). R20-4-918 recodified from R4-4-918 (Supp. 95-1). Section repealed by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-919. Deposit of Monies Received by a Mortgage Broker
All monies received by a mortgage broker which are required to be deposited into an escrow account with an escrow agent licensed pursuant to A.R.S. § 6-801 et seq. shall be so deposited by 5:00 p.m. on the next business day after receipt of the funds.

Historical Note
Adopted effective August 14, 1991 (Supp. 91-3). R20-4-919 recodified from R4-4-919 (Supp. 95-1).

R20-4-920. Requirements for the Testing Committee

A. No licensee shall submit more than five names as nominees to serve on the testing committee. The resumes of the nominees shall be included. The names and resumes shall be submitted to the Superintendent no later than August 1 of each even-numbered year. On or before September 30 of each even-numbered year, the Superintendent shall appoint four persons from the nominees submitted and one employee of the Department as members of the testing committee. A person may serve more than one two-year term. If the Superintendent does not find at least four persons from the list to be acceptable, the Superintendent shall solicit additional nominees from licensees.

B. In the event of a vacancy on the testing committee, the remaining members of the committee shall submit a list of nominees within 45 days of the vacancy to the Superintendent containing not less than two nominees for each vacancy. The Superintendent shall then appoint a nominee from the list to fill each vacancy for the remainder of the term. If the Superintendent does not find at least one person from the list to be acceptable to fill each vacancy, the remaining members of the committee shall, upon request, submit an additional list of nominees to the Superintendent.

C. The Superintendent may remove any member of the committee at any time without cause.

D. The committee shall review and revise questions on the test not less than once every two years. All questions used on the test shall first be submitted to and approved by the Superintendent.

E. The committee shall inform the applicant of the applicant's score on the test in writing within 30 days of administration of the test.

F. The handbook for mortgage brokers shall be updated by the committee as necessary to reflect changes in the law.

Historical Note

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-920 recodified from R4-4-920 (Supp. 95-1).

R20-4-921. Authorizations to Complete Blank Spaces

An authorization, under A.R.S. § 6-909, allowing a licensee or escrow agent to complete certain blank spaces in a document after it is signed by a party to the transaction shall:

1. Specifically identify the document and the blank spaces to be completed;
2. Be in writing, dated, and signed by the authorizing parties; and
3. Contain the following notice, conspicuously printed on its face: YOUR SIGNATURE BELOW AUTHORIZES YOUR MORTGAGE BROKER OR ESCROW AGENT TO FILL IN SPACES YOU LEFT BLANK IN SPECIFIED LOAN DOCUMENTS YOU ARE ABOUT TO SIGN OR MAY HAVE ALREADY SIGNED. UNDER STATE LAW YOU CAN GIVE THIS AUTHORITY, BUT YOU ARE NOT REQUIRED TO DO SO. YOU CAN REFUSE TO SIGN ANY DOCUMENTS UNTIL ALL BLANKS ARE COMPLETELY FILLED IN.

Historical Note

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-921 recodified from R4-4-921 (Supp. 95-1). Amended by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-922. Determining Loan Amounts

In determining the amount of a mortgage loan pursuant to A.R.S. § 6-909(D) or (G), only the principal amount of the loan shall be considered and not any points, interest, finance charges, insurance premiums of any kind, compensation paid to third parties or compensation retained by the mortgage broker or its agents.

Historical Note

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-922 recodified from R4-4-922 (Supp. 95-1).

R20-4-923. Delay or Cause Delay

A mortgage broker shall not be deemed to have delayed or caused delay if such delay occurs due to events outside the control of the mortgage broker.

Historical Note

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-923 recodified from R4-4-923 (Supp. 95-1).

R20-4-924. Receipt and Disbursement of Monies

A licensee is not receiving or disbursing monies in servicing or arranging a mortgage loan if the licensee, at the request of the lender or servicing agent, on an infrequent basis, assists in the collection or servicing of a mortgage loan by receiving from the borrower a check or draft payable to the lender or servicing agent and forwarding such instrument to the lender or servicing agent not later than 5:00 p.m. on the next business day after receipt by the licensee. For the purposes of this rule, an infrequent basis means, with regard to a particular loan, for not more than 25% of the regularly scheduled payments of the mortgage loan during any calendar year.

Historical Note

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-924 recodified from R4-4-924 (Supp. 95-1).

R20-4-925. Waiver of Examination and Course of Study

The Superintendent's waiver of the examination and course of study requirement under A.R.S. § 6-903 extends to a person designated as a responsible individual by either an applicant or a licensee under A.R.S. § 6-903.

Historical Note

New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-926. Acquisition of Additional Interest in Licensee by Majority Owner

A person that owns 51% or more of a licensee's outstanding voting equity interests, and that acquires the power to vote additional fractional equity interests, shall deliver written notice of the acquisition to the Superintendent. The person shall deliver the notice before completing the acquisition. Within 10 days after completing the acquisition, the person shall deliver documentation evidencing the acquisition to the Superintendent.

Historical Note

New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-927. Conversion to Commercial Mortgage Broker License

A. Under A.R.S. § 6-913, a mortgage broker licensee shall only be permitted to convert his or her license to a commercial mortgage broker license during the renewal period established by A.R.S. § 6-904.

B. The licensee seeking conversion shall not be subject to the 12 continuing education units as prescribed by A.R.S. § 6-903(V).

C. The licensee seeking conversion shall submit:

1. The renewal fees required by A.R.S. § 6-126 for commercial mortgage brokers, and
2. The information and documents required by A.R.S. § 6-903.

Historical Note

New Section adopted by final rulemaking at 18 A.A.R. 2622, effective December 2, 2012 (Supp. 12-4).

R20-4-928. Certificate of Exemption Application and Renewal

A. Under A.R.S. § 6-912(C), upon application for a certificate of exemption, an applicant shall pay a nonrefundable fee of $300.

B. A person holding a certificate of exemption shall pay a renewal fee of $150.00 on or before December 31 of each year. Certificates of exemption not renewed by December 31 are automatically suspended, and the certificate holder shall not act as a registered exempt person until the certificate is renewed or a new certificate is issued pursuant to A.R.S. § 6-912. While the certificate is suspended, the licensed loan originators sponsored by the registered exempt person may not transact business as a loan originator. A registered exempt person may renew an automatically suspended certificate by paying the renewal fee plus $25.00 for each day after December 31 that a renewal fee is not received by the Superintendent and

applying for renewal as prescribed by the Superintendent. A certificate of exemption that is not renewed by January 31 expires. A certificate of exemption shall not be granted to the holder of an expired certificate of exemption except as provided in A.R.S. § 6-912 for the issuance of an original certificate of exemption. Each licensed loan originator that is sponsored by a registered exempt person whose certificate has expired shall have his or her license placed on inactive status and shall not transact business in Arizona as a loan originator pursuant to A.R.S. § 6-991.02(M).

C. In addition to the application fee, on issuance of the certificate of exemption, the Superintendent shall collect the first year's renewal fee prorated according to the number of quarters remaining until the date of the next annual renewal, as required by A.R.S. § 6-126(B).

D. The following fees are payable to the Department:
1. To change the name of the federally chartered savings bank on a certificate of exemption: $250.00.
2. To change the responsible individual for the exempt entity: $250.00.
3. To issue a duplicate or replace a lost certificate of exemption: $100.00.
4. To change the address of the federally chartered savings bank on a certificate of exemption: $50.00.

Historical Note
New Section adopted by final rulemaking at 18 A.A.R. 2622, effective December 2, 2012 (Supp. 12-4).

ARTICLE 10. SAFE DEPOSIT AND SAFEKEEPING CODE

R20-4-1001. Notice of Change of Location of Safe Deposit Repository

A. A corporation or association that moves a repository shall give written notice of the location change to the Director and to its customers.
1. A corporation or association shall provide notice of the location change to the Director by mailing the notice required under this subsection by first class mail no less than 30 days before the scheduled moving date. The corporation or association shall include a copy of the notice to customers required under subsection (B).
2. A corporation or association shall provide notice of the location change to its customers by:
   a. Publishing notice of the change of location in:
      i. An English language newspaper of general circulation in the county where the repository will be closed,
      ii. In a weekly newspaper for two consecutive publications, or
      iii. In a daily newspaper for three consecutive days; and
   b. Publishing the notice no more than 90 days, and no less than 30 days, before the scheduled moving date.

B. The corporation or association shall include all the following information in the notice:
1. The date the corporation or association intends to move the repository,
2. The earliest date a customer can remove contents and transact other business related to the move,
3. The latest date a customer can remove contents and transact other business related to the move,
4. The street address of the repository to be closed, and
5. The street address of the new repository.

Historical Note
Former Rule 1. R20-4-1001 recodified from R4-4-1001 (Supp. 95-1). Amended by final rulemaking at 8 A.A.R. 5227, effective February 4, 2003 (Supp. 02-4). Preceding Historical Note entry corrected to read 2003 instead of 2002 (Supp. 03-1). Amended by final rulemaking at 29 A.A.R. 1937 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

ARTICLE 11. PUBLIC DEPOSITORIES FOR PUBLIC MONIES

R20-4-1101. Capital Structure of Banks; Defined

"Capital structure" as the term is applied to banks under Article 2.1, Chapter 2, Title 35, Arizona Revised Statutes, means the sum of the following reserves and capital accounts of the institution as stated in the institution's report of condition required by the supervisory banking authority for the year end next preceding the institution's bid for deposit:
1. Reserve for bad debt losses on loans,
2. Other reserves on loans,
3. Reserves on securities,
4. Capital notes and debentures,
5. Preferred stock – total par value,
6. Common stock – total par value,
7. Surplus,
8. Undivided profits, and
9. Reserve for contingencies and other capital reserves.

Historical Note
Adopted as an emergency effective July 29, 1975 (Supp. 75-1). Amended effective December 26, 1975 (Supp. 75-2). R20-4-1101 recodified from R4-4-1101 (Supp. 95-1). Amended by final rulemaking at 29 A.A.R. 1937 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1102. Expired

Historical Note
Adopted as an emergency effective July 29, 1975 (Supp. 75-1). Amended effective December 26, 1975 (Supp. 75-2). R20-4-1102 recodified from R4-4-1102 (Supp. 95-1). Section expired under A.R.S. § 41-1056(J) at 26 A.A.R. 382, effective February 5, 2020 (Supp. 20-1).

ARTICLE 12. RULES OF PRACTICE AND PROCEDURE BEFORE THE DIRECTOR

R20-4-1201. Scope of Article; Definitions

A. Scope. This Article, Title 6, Title 32, Chapters 9 and 36, and Title 44, Chapter 2.1 of the Arizona Revised Statutes govern administrative hearings before the Department. The Department shall use the authority of A.R.S. Title 41, Chapter 6, Article 10, the Office of Administrative Hearings' procedural rules and this Article to govern the initiation and conduct of administrative hearings. In an administrative hearing, special procedural requirements in state statute or another Section in this Article shall also govern the proceedings unless the requirements are inconsistent with either A.R.S. Title 41, Chapter 6, Article 10, the Office of Administrative Hearings' rules, or this Article. Except as otherwise provided in Section R20-4-1220 for rulemaking petitions, this Article does not apply to rulemaking or to investigative proceedings before the Director. Unless expressly applicable by rule or statute, the Arizona Rules of Civil Procedure do not apply to administrative hearings.

B. In addition to the definitions provided in A.R.S. §§ 41-1001 and 41-1092, the following terms apply to this Article:

"Administrative Hearing" means an appealable agency action as defined by A.R.S. § 41-1092(3) or a contested case as defined by A.R.S. § 41-1001(5) subject to A.R.S. Title 41, Chapter 6, Article 10.

"Attorney General" means the Attorney General of Arizona, and the Attorney General's assistants and special agents.

"Department" means the Arizona Department of Insurance and Financial Institutions – Financial Institutions Division.

"Director" has the meaning stated at A.R.S. § 20-102.

"Party" has the meaning prescribed at A.R.S. § 41-1001(16) and includes any person or entity subject to the jurisdiction of the Department under A.R.S. Title 6, Title 32 - Chapter 9, Title 32 - Chapter 36, and Title 44 - Chapter 2.1.

Historical Note

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1201 recodified from R4-4-1201 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3). Amended by final rulemaking at 28 A.A.R. 3620 (November 25, 2022), effective January 1, 2023 (Supp. 22-4).

R20-4-1202. Appearance and Practice before the Director for Administrative Hearings

A. A party may appear on their own behalf or through counsel.

B. When an attorney other than the Attorney General appears or intends to appear before the Director or the Department, they shall promptly disclose their name and contact information and the name and contact information of the party on whose behalf they intend to appear.

Historical Note

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1202 recodified from R4-4-1202 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3). Section repealed; new Section made by final rulemaking at 28 A.A.R. 3620 (November 25, 2022), effective January 1, 2023 (Supp. 22-4).

R20-4-1203. Repealed

Historical Note

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1203 recodified from R4-4-1203 (Supp. 95-1). Section repealed by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3).

R20-4-1204. Filing; Service

A. A document filed by a party with the Department is filed on the date it is received by the Department as established by the Department's earliest stamped date on the face of the document or by some other method of affixing a received date by the Department.

B. If a party is represented by an attorney, service is effectuated by service upon the attorney unless additional service upon the represented party is required by an administrative law judge or the Department.

C. A document is served upon a party as provided for under A.R.S. § 41-1092.04 and Section R2-19-108. A party effectuating service is responsible for producing proof of service if requested by the Department.

Historical Note

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1204 recodified from R4-4-1204 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3). Amended to correct a typographical error in subsection (B) (Supp. 01-4). Amended by final rulemaking at 28 A.A.R. 3620 (November 25, 2022), effective January 1, 2023 (Supp. 22-4).

R20-4-1205. Repealed

Historical Note

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1205 recodified from R4-4-1205 (Supp. 95-1). Section repealed by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3).

R20-4-1206. Repealed

Historical Note

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1206 recodified from R4-4-1206 (Supp. 95-1). Section repealed by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3).

R20-4-1207. Repealed

Historical Note

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1207 recodified from R4-4-1207 (Supp. 95-1). Section repealed by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3).

R20-4-1208. Repealed

Historical Note

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1208 recodified from R4-4-1208 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3). Repealed by final rulemaking at 28 A.A.R. 3620 (November 25, 2022), effective January 1, 2023 (Supp. 22-4).

R20-4-1209. Answer to Notice of an Administrative Hearing

A. The Department may, in a notice of hearing, direct one or more parties to file a written answer to the allegations contained in the notice of hearing. Even if not directed to do so, any party to the proceeding may file an answer.

B. A party directed to file an answer shall do so within 20 days after issuance of a notice of hearing, unless the notice of hearing states a different period for the answer. The Department may require any party to answer, in a reasonable time, amendments to the assertions in the notice made after service of the original notice.

C. An answer filed under this Section shall briefly state the party's position or defense to the proceeding and shall specifically admit or deny each of the allegations in the notice of hearing. An answering party who does not have, or cannot easily obtain, knowledge or information sufficient to admit or deny an allegation shall state that inability which shall have the effect of a denial. Any allegation not denied is admitted. A party who intends to deny only a part of an allegation, shall expressly admit as much of that allegation as is true and shall deny the remainder.

D. A party who fails to file an answer required by this Section within the time allowed is in default. The Director may resolve

the proceeding against a defaulting party. In doing so, the Director may regard any allegations in the notice of hearing as admitted by the defaulting party.

E. Defenses not raised in the answer are waived.

Historical Note
Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1209 recodified from R4-4-1209 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3). Amended by final rulemaking at 28 A.A.R. 3620 (November 25, 2022), effective January 1, 2023 (Supp. 22-4).

R20-4-1210. Stay Pending a Hearing

A person aggrieved by the Department's action or order who files a timely written request for a hearing may ask, in the request for a hearing, that the Director stay an action or any part of an order that will become effective before a hearing. The Director may, in the Director's discretion, stay the legal effectiveness of any action or order until the matter can be heard and finally decided if the aggrieved person's request demonstrates that:

1. The person has a reasonable defense that might prevail on the merits at the hearing,
2. The person will suffer irreparable injury unless the Director grants the stay,
3. The stay would not substantially or irreparably harm other interested persons, and
4. The stay would not jeopardize the public interest or contravene public policy.

Historical Note
Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1210 recodified from R4-4-1210 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3). Amended by final rulemaking at 28 A.A.R. 3620 (November 25, 2022), effective January 1, 2023 (Supp. 22-4).

R20-4-1211. Repealed

Historical Note
Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1211 recodified from R4-4-1211 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3). Repealed by final rulemaking at 28 A.A.R. 3620 (November 25, 2022), effective January 1, 2023 (Supp. 22-4).

R20-4-1212. Repealed

Historical Note
Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1212 recodified from R4-4-1212 (Supp. 95-1). Section repealed by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3).

R20-4-1213. Repealed

Historical Note
Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1213 recodified from R4-4-1213 (Supp. 95-1). Section repealed by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3).

R20-4-1214. Repealed

Historical Note
Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1214 recodified from R4-4-1214 (Supp. 95-1). Section repealed by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3).

R20-4-1215. Repealed

Historical Note
Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1215 recodified from R4-4-1215 (Supp. 95-1). Section repealed by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3).

R20-4-1216. Repealed

Historical Note
Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1216 recodified from R4-4-1216 (Supp. 95-1). Section repealed by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3).

R20-4-1217. Repealed

Historical Note
Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1217 recodified from R4-4-1217 (Supp. 95-1). Section repealed by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3).

R20-4-1218. Repealed

Historical Note
Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1218 recodified from R4-4-1218 (Supp. 95-1). Section repealed by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3).

R20-4-1219. Request for Rehearing or Review

A. Any party aggrieved by an administrative decision may file with the Director within time limits and other procedural guidelines contained in A.R.S. § 41-1092.09, a written motion for rehearing or review of the decision specifying the particular reason for the request.

B. A party filing a motion under this Section may amend the motion at any time before a response to the motion is filed. An amended motion tolls the time for filing a response and the time for rendering a decision on the motion.

C. A request for rehearing or review which is not timely filed is deemed waived for the purpose of judicial review.

D. A motion for rehearing or review shall specify which of the grounds listed in subsection (G) it is based upon and shall set forth the specific facts and laws in support of the motion. A motion may cite relevant portions of testimony from the hearing if a transcript is provided with the motion and may cite hearing exhibits by reference to the exhibit number. The motion shall specify the relief sought by the request, such as a different finding of fact, conclusion of law or order and may seek multiple forms of relief in the alternative. When a motion for rehearing or review is based on an affidavit, the moving party shall attach the affidavit to the motion.

E. A party may file a separate request for a stay of the Director's decision. Filing a stay request or a motion for rehearing or review does not stay an order filed by the Director. The Director may stay an order pending the resolution of a motion for rehearing or review.

F. Each party served with a motion for rehearing or review shall be permitted to file a written response within 15 days after the motion has been filed. Affidavits may be attached to and filed with a response. A response may cite relevant portions of testimony from the hearing if a transcript is provided with the

response and may cite hearing exhibits by reference to the exhibit number. The Director has the discretion to hear oral argument to consider a request for rehearing or review.

G. The Director may grant a motion for rehearing or review for any of the following causes:
1. Irregularity in the proceedings before the Department, in any order, or any abuse of discretion that deprives the moving party of a fair hearing;
2. Misconduct by the Department, the administrative law judge, or the prevailing party;
3. Accident or surprise that could not have been prevented by ordinary care;
4. Newly discovered material evidence that could not reasonably have been discovered and produced at the original hearing;
5. Excessive or insufficient penalties;
6. Error in admitting or rejecting evidence or other legal errors occurring at the hearing; and
7. The decision is not justified by the evidence or is contrary to law.

H. The Director may affirm or modify the decision or grant a rehearing as to all or any of the parties and on all or part of the issues for any reason listed in subsection (G). An order granting a rehearing shall specify the reason for granting the rehearing, and the rehearing shall cover only those matters specified.

I. The Director, within the time for filing a motion for rehearing, may without a motion for rehearing, order a rehearing for any reason that would allow the granting of a motion for rehearing by a party. The order for rehearing, granted without a motion, shall specify the reason for granting the rehearing.

J. The Director may grant a motion for rehearing, timely served, for a reason not stated in the motion. The order for rehearing, granted for a reason not stated in the motion, shall specify the reason for granting the rehearing.

Historical Note

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1219 recodified from R4-4-1219 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3). Amended by final rulemaking at 28 A.A.R. 3620 (November 25, 2022), effective January 1, 2023 (Supp. 22-4).

R20-4-1220. Petition for Rulemaking Action

A. The following definitions apply in this Section.
1. "Petitioner" means a person who petitions the Department for Rulemaking action as authorized under A.R.S. § 41-1033(A).
2. "Rule" has the meaning stated at A.R.S. § 41-1001 and is enforceable by the Department.
3. "Rulemaking action" means the process for formulation and finalization of a new rule, or amendment or repeal of an existing rule.
4. "Substantive Policy Statement" has the meaning stated at A.R.S. § 41-1001, is advisory only, and is not enforceable by the Department.

B. Any person may petition the Department under A.R.S. § 41-1033(A) to either:
1. Make, amend, or repeal a final Rule; or
2. Review an existing agency practice or Substantive Policy Statement that the Petitioner alleges to constitute a Rule.

C. A person who files a petition pursuant to A.R.S. § 41-1033(A), shall include the following information in the petition:
1. The Petitioner's name and contact information;
2. The name and address of any organization the Petitioner represents;
3. Whether the Petitioner is petitioning the Department to:
   a. Make, amend, or repeal a final Rule; or
   b. Review an existing agency practice or Substantive Policy Statement that the Petitioner alleges to constitute a Rule;
4. A detailed explanation of Petitioner's basis for submitting the petition;
5. If the Petitioner is petitioning the Department to make a Rule, the language of the proposed new Section and the specific authority for the requested Rulemaking action;
6. If the Petitioner is petitioning the Department to amend an existing Rule, a citation to the existing Section to be amended, the language of the proposed Rule amendment, and the specific authority for the requested Rulemaking action;
7. If the Petitioner is petitioning the Department to repeal an existing Rule, a citation to the existing Section or subsection to be repealed, and an explanation of why the Rule should be repealed including, if applicable, how the Rule does not meet the requirements of A.R.S. § 41-1030;
8. If the Petitioner is petitioning the Department to review an existing agency practice that the Petitioner alleges to constitute a Rule, a description of the Department's practice, an explanation of how the Department's practice constitutes a Rule being enforced by the Department, the language of the proposed new Rule, and the specific authority for the requested Rulemaking action;
9. If the petitioner is petitioning the Department to review a Substantive Policy Statement that the Petitioner alleges to constitute a Rule, a citation to the Substantive Policy Statement, an explanation of how the Substantive Policy Statement is being enforced by the Department as a Rule, the language of the proposed new Rule, and the specific authority for the requested Rulemaking action; and
10. The Petitioner's dated signature.

D. The petitioner may submit additional supporting information, including:
1. Statistical data; and
2. A list of other persons and entities likely to be affected by the proposed Rulemaking action, with an explanation of the likely effects.

E. Within 60 days of the date the Department receives the petition, the Director shall send the petitioner a written decision indicating whether the Department is denying the petition or will initiate the requested Rulemaking action, with the reasons for the decision.

Historical Note

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1220 recodified from R4-4-1220 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3). Section repealed; new Section amended by final rulemaking at 28 A.A.R. 3620 (November 25, 2022), effective January 1, 2023 (Supp. 22-4). Subsections C(5) through (10), (D) and (E) omitted when codified in Supp. 22-4; the rule text has been published as promulgated at 28 A.A.R. 3620 (Supp. 24-1).

ARTICLE 13. LOAN ORIGINATORS

R20-4-1301. Scope of Article

This Article applies to:

1. All loan originating activities of any person licensed under Arizona law as a loan originator, and
2. The conduct of any applicant for a loan originator license.

Historical Note

New Section made by emergency rulemaking at 16 A.A.R. 839, effective April 27, 2010 for 180 days (Supp. 10-2). Section renewed by emergency rulemaking and amended at 16 A.A.R. 2165, effective October 24, 2010 for 180 days (Supp. 10-4). Emergency expired April 21, 2011; new Section made by final rulemaking at 16 A.A.R. 2401, effective April 22, 2011 (Supp. 10-4). Since emergency expired, the emergency rulemaking has been removed. (Supp. 15-1).

R20-4-1302. Course of Study to Qualify for Licensure

A. The Superintendent shall, under the authority of A.R.S. § 6-991.03(B)(1), approve a course of study that includes only those courses reviewed and approved by the Nationwide Mortgage Licensing System pursuant to A.R.S. § 6-991.03(E) and (F) and the Secure and Fair Enforcement for Mortgage Licensing Act of 2008 (P.L. 110-289; 122 Stat. 2810; 12 U.S.C. 5101 through 5116).

B. An applicant for a loan originator license shall satisfactorily complete a course of study by:
1. Attending at least 20 hours of instruction, and
2. Receiving a passing grade of not less than 75 percent correct answers on both the national and Arizona state exam required by A.R.S. § 6-991.07 and the Secure and Fair Enforcement for Mortgage Licensing Act of 2008 (P.L. 110-289; 122 Stat. 2810; 12 U.S.C. 5101 through 5116).

C. A pre-licensure course of study shall include 20 hours of instruction in the following areas:
1. Federal law and regulation, including the Real Estate Settlement Procedures Act ("RESPA"), the Truth in Lending Act ("TILA"), good faith estimates, federal privacy laws, fair lending laws including the Equal Credit Opportunity Act ("ECOA") and the Fair Credit Reporting Act ("FCRA"): Three hours;
2. Business ethics, including fraud, consumer protection laws, and fair lending practices: Three hours;
3. Non-traditional mortgage product lending standards: Two hours;
4. Arizona real estate and mortgage lending law, including loan origination and processing, Arizona law relating to agency and the obligations between principal and agent, and state privacy laws: Four hours;
5. The remaining eight hours should be comprised of instruction in:
   a. The obligations between principal and agent;
   b. The statutory and regulatory laws governing loan originators;
   c. Arithmetical computations common to mortgage lending;
   d. Principles of real estate lending;
   e. The purpose and effect of mortgages, deeds of trust, and security agreements;
   f. The terms and conditions of conforming and non-conforming residential mortgages;
   g. Real estate appraisal; and
   h. The principles of appraisal independence.

D. A continuing education course of study shall include eight hours of instruction each year in the following areas:
1. Federal law and regulation, including the Real Estate Settlement Procedures Act ("RESPA"), the Truth in Lending Act ("TILA"), good faith estimates, federal privacy laws, fair lending laws including the Equal Credit Opportunity Act ("ECOA") and the Fair Credit Reporting Act ("FCRA"): Three hours;
2. Business ethics, including fraud, consumer protection laws, and fair lending practices: Two hours;
3. Non-traditional mortgage product lending standards: Two hours;
4. Arizona real estate and mortgage lending law, including loan origination and processing, Arizona law relating to agency and the obligations between principal and agent, and state privacy laws: One hour.

Historical Note

New Section made by emergency rulemaking at 16 A.A.R. 839, effective April 27, 2010 for 180 days (Supp. 10-2). Section renewed by emergency rulemaking and amended at 16 A.A.R. 2165, effective October 24, 2010 for 180 days (Supp. 10-4). Emergency expired April 21, 2011; new Section made by final rulemaking at 16 A.A.R. 2401, effective April 22, 2011 (Supp. 10-4). Since emergency expired, the emergency rulemaking has been removed. (Supp. 15-1).

R20-4-1303. Financial Responsibility

An applicant for a loan originator license shall demonstrate financial responsibility, as required by A.R.S. § 6-991.03, by either:
1. Depositing with the Superintendent a bond as specified by A.R.S. § 6-991.03(B)(4) and paying to the Superintendent, for deposit into the Mortgage Recovery Fund, the sum of $100 at the time of filing an original or a renewal application pursuant to A.R.S. § 6-991.03(B)(6); or
2. Depositing with the Superintendent a bond as specified by A.R.S. § 6-991.03(B)(4) and depositing with the Superintendent a bond as specified by A.R.S. § 6-991.03(B)(6).

Historical Note

New Section made by emergency rulemaking at 16 A.A.R. 839, effective April 27, 2010 for 180 days (Supp. 10-2). Section renewed by emergency rulemaking at 16 A.A.R. 2165, effective October 24, 2010 for 180 days (Supp. 10-4). Emergency expired April 21, 2011; new Section made by final rulemaking at 16 A.A.R. 2401, effective April 22, 2011 (Supp. 10-4). Since emergency expired, the emergency rulemaking has been removed. (Supp. 15-1).

R20-4-1304. Fees

Loan Originator program fees:
1. Initial application fee (non-refundable) pursuant to A.R.S. § 6-126(A)(33): $350,
2. Initial license fee (prorated according to the number of quarters remaining until the next annual renewal) pursuant to A.R.S. § 6-126(B): $150,
3. Annual renewal fee pursuant to A.R.S. § 6-126(C)(12) or fee for change to inactive status pursuant to A.R.S. §§ 6-126(C)(13) and 6-991.04(G): $150,
4. Transfer license to new employer fee pursuant to A.R.S. § 6-126(A)(34): $50,
5. Change of residence address fee pursuant to A.R.S. § 6-991.04(J): $50,
6. Examination fee pursuant to A.R.S. § 6-991.07(E): the amount charged by the vendor,
7. Late renewal fee pursuant to A.R.S. § 6-991.04(E): $25 per day after the filing deadline.

Historical Note

New Section made by emergency rulemaking at 16 A.A.R. 839, effective April 27, 2010 for 180 days (Supp. 10-2). Section renewed by emergency rulemaking and amended at 16 A.A.R. 2165, effective October 24, 2010 for 180 days (Supp. 10-4). Emergency expired April 21, 2011; new Section made by final rulemaking at 16 A.A.R. 2401, effective April 22, 2011 (Supp. 10-4). Since emergency expired, the emergency rulemaking has been removed. (Supp. 15-1).

R20-4-1305. Practice and Procedure

Loan originators shall follow the practice outlined in 20 A.A.C. 4, Article 12 (Rules of Practice and Procedure Before the Superintendent) for challenging information the Superintendent enters into the Nationwide Mortgage Licensing System and Registry pursuant to A.R.S. §§ 6-991.03(K) and 6-991.04(M).

Historical Note

New Section made by emergency rulemaking at 16 A.A.R. 839, effective April 27, 2010 for 180 days (Supp. 10-2). Section repealed; new Section made by renewed emergency rulemaking at 16 A.A.R. 2165, effective October 24, 2010 for 180 days (Supp. 10-4). Emergency expired April 21, 2011; new Section made by final rulemaking at 16 A.A.R. 2401, effective April 22, 2011 (Supp. 10-4). Since emergency expired, the emergency rulemaking has been removed. (Supp. 15-1).

ARTICLE 14. INVESTIGATIONS

R20-4-1401. Definitions

In this Article, unless the context otherwise requires:

1. "Examination" means reviewing an applicant's or licensee's operations, books, and records for any lawful purpose, including those listed in A.R.S. § 6-124(A).
2. "Investigation" means an inquiry, other than an examination, into the affairs of a licensed or unlicensed entity including a review of the entity's operations, books, and records, conducted by the Director for any lawful purpose, including those listed in A.R.S. § 6-124(A).
3. "Licensee" means a financial institution or enterprise licensed with the Department.

Historical Note

Adopted effective February 7, 1978 (Supp. 78-1). Former Section R4-4-1401 repealed, new Section R4-4-1401 renumbered from R4-4-1402 and amended effective August 14, 1991 (Supp. 91-3). Amended effective August 14, 1991 (Supp. 91-3). R20-4-1401 recodified from R4-4-1401 (Supp. 95-1). Amended by final rulemaking at 9 A.A.R. 4653, effective December 6, 2003 (Supp. 03-4). Amended by final rulemaking at 29 A.A.R. 1958 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1402. Repealed

Historical Note

Former Section R4-4-1402 renumbered to R4-4-1401, new Section R4-4-1402 adopted effective August 14, 1991 (Supp. 91-3). R20-4-1402 recodified from R4-4-1402 (Supp. 95-1). Section repealed by final rulemaking at 9 A.A.R. 4653, effective December 6, 2003 (Supp. 03-4).

R20-4-1403. Subpoenas: Service; Amendment; Investigation or Examination not a Condition of the Director's Subpoena Power

The Director may serve a subpoena using any means intended to effectuate delivery of the subpoena. A Department employee, or an attorney or agent of the Attorney General's office, may accomplish service for the Director. The Director may amend a subpoena at any time, and may serve the amended subpoena as provided in this Section. Under A.R.S. §§ 6-123(3), 6-124(B), and 12-2212, the Director may compel testimony or document production, by subpoena or other means, regardless of whether an examination or investigation is in progress.

Historical Note

Adopted effective February 7, 1978 (Supp. 78-1). Former Section R4-4-1403 repealed, new Section R4-4-1403 renumbered from R4-4-1407 and amended effective August 14, 1991 (Supp. 91-3). R20-4-1403 recodified from R4-4-1403 (Supp. 95-1). Amended by final rulemaking at 9 A.A.R. 4653, effective December 6, 2003 (Supp. 03-4). Amended by final rulemaking at 29 A.A.R. 1958 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1404. Repealed

Historical Note

Adopted effective February 7, 1978 (Supp. 78-1). Repealed effective August 14, 1991 (Supp. 91-3). R20-4-1404 recodified from R4-4-1404 (Supp. 95-1).

R20-4-1405. Background Information

A. In connection with an examination or investigation, the Director may investigate the following persons' background:

1. An applicant or a licensee, or a person whom the Director reasonably believes may be violating any statute or rule administered by the Director; and
2. An officer, director, agent, employee, partner, joint venturer, affiliate, or other person associated with a person described in subsection (A)(1), if the other person has or had any involvement in or control over the activities of the person described in subsection (A)(1).

B. In connection with an examination or investigation, the Director may require a person described in A.R.S. § 6-123.01(A) or (E) to submit a statement of personal history to the Department.

Historical Note

Adopted effective February 7, 1978 (Supp. 78-1). Former Section R4-4-1405 repealed, new Section R4-4-1405 renumbered from R4-4-1409 and amended effective August 14, 1991 (Supp. 91-3). R20-4-1405 recodified from R4-4-1405 (Supp. 95-1). Amended by final rulemaking at 9 A.A.R. 4653, effective December 6, 2003 (Supp. 03-4). Amended by final rulemaking at 29 A.A.R. 1958 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1406. Repealed

Historical Note

Adopted effective February 7, 1978 (Supp. 78-1). Repealed effective August 14, 1991 (Supp. 91-3). R20-4-1406 recodified from R4-4-1406 (Supp. 95-1).

R20-4-1407. Renumbered

Historical Note

Adopted effective February 7, 1978 (Supp. 78-1). Renumbered to R4-4-1403 effective August 14, 1991

(Supp. 91-3). R20-4-1407 recodified from R4-4-1407 (Supp. 95-1).

R20-4-1408. Repealed

Historical Note
Adopted effective February 7, 1978 (Supp. 78-1). Repealed effective August 14, 1991 (Supp. 91-3). R20-4-1408 recodified from R4-4-1408 (Supp. 95-1).

R20-4-1409. Renumbered

Historical Note
Adopted effective February 7, 1978 (Supp. 78-1). Renumbered to R4-4-1405 effective August 14, 1991 (Supp. 91-3). R20-4-1409 recodified from R4-4-1409 (Supp. 95-1).

R20-4-1410. Repealed

Historical Note
Adopted effective February 7, 1978 (Supp. 78-1). Repealed effective August 14, 1991 (Supp. 91-3). R20-4-1410 recodified from R4-4-1410 (Supp. 95-1).

ARTICLE 15. COLLECTION AGENCIES

R20-4-1501. Definitions

In this Article, unless the context otherwise requires:

1. "Account" means a contractual arrangement between a client and a collection agency that obligates the collection agency to attempt to collect one or more debts on the client's behalf.
2. "Active Manager" means the person who is in active management of the conduct of the collection agency's business, and who meets the qualifications listed in A.R.S. § 32-1023(A).
3. "Client" means a person who has hired a collection agency to collect a debt.
4. "Collection agency" has the meaning in A.R.S. § 32-1001(2).
5. "Contact" means to communicate with, and includes attempted communications.
6. "Credit bureau" or "credit reporting agency" means any person engaged exclusively in the business of gathering, recording, and disseminating information about the credit-worthiness, financial responsibility, paying habits, and character of persons being considered for credit extension.
7. "Creditor" means a person who offers or extends credit creating a debt, or to whom a debt is owed. The term does not include a person that receives an assignment or transfer of a defaulted debt solely for use in collecting the debt for someone else.
8. "Debt" means a debtor's actual or claimed obligation to pay money, whether or not the obligation has been reduced to judgment.
9. "Debtor" means a person obligated to pay a debt. The term also means a person claimed to be obligated to pay a debt.
10. "Director" has the meaning stated at A.R.S. § 20-102.

Historical Note
Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). R20-4-1501 recodified from R4-4-1501 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1502. Applications

A. An applicant for a license shall complete and file an application, as required by the Department, by delivering the application to the Director, together with the following documents and payment:
1. The bond required by A.R.S. § 32-1021;
2. The nonrefundable investigation fee and original license fee required by A.R.S. § 32-1028 and stated in A.R.S. § 6-126;
3. A current financial statement in the form required by the Department;
4. A certified copy of the current articles of incorporation, by-laws, partnership agreement, or other organizational documents under which the applicant proposes to conduct business; and
5. A statement of personal history for each principal officer, partner, and manager of the applicant, in the form required by the Department.

B. An out-of-state collection agency applying for a license under A.R.S. § 32-1024 shall complete and file the application required by subsection (A), together with a signed statement declaring that:
1. The requirements for securing the out-of-state license were, when issued, substantially the same or equivalent to the requirements imposed under A.R.S. Title 32, Chapter 9, Article 2. The statement shall also contain a complete description of those requirements.
2. The state issuing the out-of-state license extends reciprocity to Arizona licensees under similar circumstances. The statement shall also contain a complete description of the conditions for reciprocity in the other state.

C. A licensee applying for license renewal shall complete and file an application, as required by the Department, by delivering the renewal application to the Director before January 1, together with the renewal fee required by A.R.S. § 32-1028 and stated in A.R.S. § 6-126. An application for renewal shall also include a current financial statement in the form required by the Department.

D. An applicant for a provisional license under A.R.S. § 32-1027 shall complete and file an application as required by the Department, by delivering the application to the Director within 30 days of the event justifying a provisional license. The applicant shall deliver the application together with each of the following:
1. A bond that satisfies the requirements of A.R.S. § 32-1022;
2. A current financial statement as required by the Department;
3. A detailed description of the facts justifying the issuance of a provisional license; and
4. Evidence that the licensee notified the Director as required by A.R.S. § 32-1023, in the event the licensee has terminated its active manager.

E. An applicant for a provisional license shall, in each instance, be appropriate to the circumstances justifying the provisional license, as follows:
1. A licensee's personal representative, or the personal representative's appointee, shall complete and file an application if the licensee, a natural person, has died;
2. The surviving partners shall complete and file an application if the licensee, a partnership, has dissolved;

3. A licensee shall complete and file an application if an active manager's employment was terminated.

F. An applicant for a provisional license shall clearly label the top of the first page with the heading "APPLICATION FOR PROVISIONAL LICENSE UNDER A.R.S. § 32-1027."

G. The Director may require additional information the Director considers necessary in connection with any application under this Section.

Historical Note

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). R20-4-1502 recodified from R4-4-1502 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 4742, effective November 13, 2000 (Supp. 00-4). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1503. Reports

A collection agency shall notify the Director in writing of any change in the officers, directors, partners, or active manager of the collection agency not more than 10 days after the change. With the notice, the collection agency shall provide the Director with a Statement of Personal History for each new officer, director, partner, or active manager on a form obtained from the Department.

Historical Note

Adopted effective December 18, 1979 (Supp. 79-6). R20-4-1503 recodified from R4-4-1503 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1504. Records

A. A licensee may keep its books, accounts, and records as electronic records if the licensee can generate all information and copies required by this Section within the timeframe set by the Department for examination or other purposes.

B. All licensees shall keep and maintain books, accounts, and records adequate to provide a clear and readily understandable record of all business conducted by the collection agency, including:

1. Records or books of account listing all clients' accounts. Each account shall reflect its true condition at each calendar month's end, and shall include:
   a. The client's name and address;
   b. Each debtor's name worked for collection in that month;
   c. The amount, description, and date of each debit and each credit to the account; and
   d. The balance due to, or owing from, the client.
2. A record and history of each debt for collection that clearly shows:
   a. The debtor's name;
   b. The debt's principal amount;
   c. The interest charged or collected;
   d. The amount, and description, of any other charges;
   e. The amount, and date, of each payment received or collected; and
   f. The current balance due on the debt.
3. An original of each written contract between the licensee and a client, including any contract amendments.
4. A trust general ledger reflecting all deposits to and payments from a trust account. A licensee shall post transactions to its trust general ledger at least every five business days. A licensee shall bring its trust general ledger current within 24 hours when requested by the Director.
5. The licensee's trust account reconciliation, prepared at least once a month.
6. Books, records, and files maintained so that the Director can easily conduct an unannounced spot check, as well as the examinations and investigations required by A.R.S. §§ 6-122 and 6-124.
7. A copy of all pleadings in pending litigation that names the collection agency as a defendant.
8. A record of fictitious names used by the agency's debt collectors as required by R20-4-1520.

C. A person issuing a receipt for a collection agency shall sign the receipt using that person's true name. Each receipt shall also show the collection agency's name.

D. A licensee shall maintain all records required under this Section and shall make them available for examination, investigation, or audit in Arizona within three working days after the Director demands the records.

E. A licensee shall retain the records required by this Section for the following periods:

1. A licensee shall retain all records described in subsections (B)(1), and (B)(3) through (8) for at least seven years following their creation.
2. A licensee shall retain all records described in subsection (B)(2) for at least three years from an account's assignment to the licensee. If a licensee collects any money on an account, the licensee shall retain the records described in subsection (B)(2) for at least three years from the last collection date.

Historical Note

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). Amended effective December 18, 1979 (Supp. 79-6). R20-4-1504 recodified from R4-4-1504 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 4742, effective November 13, 2000 (Supp. 00-4). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1505. Trust Account

A. A licensee that maintains an office in Arizona shall deposit all funds collected for a client in a trust account at a federally insured depository institution in Arizona. A licensee that does not maintain an office in Arizona shall deposit all funds collected for a client in a trust account at a federally insured depository institution in the state where the licensee maintains its principal office. A licensee shall deposit all client funds before the close of its business on the third business day after the licensee receives the funds. Client funds shall remain on deposit as required by this Section until:

1. Paid over to a client, or
2. Otherwise paid as provided in this Section.

B. A licensee shall pay funds from the trust account either:

1. By prenumbered printed checks, or
2. By electronic payment.

C. A licensee shall deposit in its trust account only the funds it has collected for its client. A licensee, its officers, directors, partners, managers, members, or employees shall not commin-

gle, or permit the commingling of, their own funds with client funds. This prohibition includes any funds that a licensee, or any officer, director, partner, manager, member, or employee claims an interest in if that interest arises outside the licensee's contract with a client.

D. A licensee shall keep unpaid client funds in its trust account. A licensee may maintain a separate trust account for dormant accounts into which the licensee deposits unpaid funds such as those of a client that cannot be located, or any trust account check issued to a client that is returned without being negotiated. As to all those unpaid funds, under A.R.S. § 44-307, a licensee shall file an abandoned property report at the Arizona Department of Revenue as and when required by law.

E. A licensee shall withdraw from its trust account all fees and commissions due the licensee under its contract with a client and deposit them directly into its own operating account.

F. A licensee shall not pay funds from its trust account except as:
1. Provided in this Section,
2. Expressly authorized in its contract with a client, or
3. Authorized in writing by the Director.

Historical Note
Adopted effective December 18, 1979 (Supp. 79-6). R20-4-1505 recodified from R4-4-1505 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 4742, effective November 13, 2000 (Supp. 00-4). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1506. Articles of Incorporation; Bylaws; Organizing Documents

A. A collection agency organized as a corporation shall file with the Director a copy of each amendment to its articles of incorporation within 30 days after the amendment is adopted. Before filing with the Director, an officer of the collection agency shall certify the copy filed in compliance with this Section, in writing, signed by the certifying officer, attesting to the completeness, accuracy, and authenticity of the certified copy.

B. A collection agency organized as a corporation shall file with the Director a copy of each amendment to its bylaws within 10 days after the amendment is adopted. An officer of the collection agency shall certify the copy filed in compliance with this Section, in writing, attesting to the completeness, accuracy, and authenticity of the certified copy.

C. A collection agency not organized as a corporation shall file with the Director a copy of each amendment to its organizing documents within 10 days after the amendment is adopted. A partner, active manager, or agent of the collection agency shall certify the copy filed in compliance with this Section, in writing, attesting to the completeness, accuracy, and authenticity of the certified copy.

Historical Note
Adopted effective December 18, 1979 (Supp. 79-6). R20-4-1506 recodified from R4-4-1506 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1507. Representations of Collection Agency's Identity

In all communications with debtors, either orally or in writing, all the following rules apply:
1. A collection agency shall represent itself as a collection agency,
2. A collection agency shall not directly or indirectly claim to be a credit reporting agency or credit bureau if it is not,
3. A collection agency shall not directly or indirectly claim to be a law enforcement agency, and
4. A collection agency shall not directly or indirectly claim to be a law firm.

Historical Note
Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). R20-4-1507 recodified from R4-4-1507 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1508. Representations of the Law

A collection agency shall not:
1. Misrepresent the state of the law to a debtor;
2. Send a debtor written material that simulates legal process; or
3. Represent or imply that a debtor is, or may be, subject to criminal prosecution or arrest because of a failure to pay the debt.

Historical Note
Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). R20-4-1508 recodified from R4-4-1508 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1509. Representations as to Fees, Costs, and Legal Proceedings; Disinterested Counsel Required

A. A collection agency shall not threaten to collect, or attempt to collect, an attorney's fee, collection cost, or other fee that the debtor is not obliged to pay under the debtor's contract with the collection agency's creditor client.

B. A collection agency shall not inform a debtor that legal proceedings have been started unless, in fact, a lawsuit has been filed against the debtor.

C. A collection agency shall not threaten to start legal proceedings against a debtor unless the collection agency actually intends, at the time of the threat, to sue.

D. A collection agency shall not threaten to turn an account over to a lawyer unless the collection agency actually intends to do so at the time of the threat.

E. A collection agency shall not file a lawsuit against a debtor unless the lawsuit is filed by an attorney who has no personal or financial interest in the collection agency filing the lawsuit against the debtor.

Historical Note
Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). R20-4-1509 recodified from R4-4-1509 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1510. Representations as to Rights Waived or Rem-

edies Available

A. A collection agency shall not inform a debtor that:
1. The debtor waives any legal right or legal defense by a failure to contact the collection agency, and
2. The collection agency has the power or right to bypass the legal process.

B. A collection agency shall not misrepresent the remedies available to the collection agency.

Historical Note

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). R20-4-1510 recodified from R4-4-1510 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1511. Prohibition of Harassment

A. A collection agency shall not use unauthorized or oppressive tactics designed to harass any person to pay a debt.

B. A collection agency shall not use written or oral communications that ridicule, disgrace, or humiliate any person, or tend to ridicule, disgrace, or humiliate any person.

C. A collection agency shall not state, imply, or tend to imply, in written or oral communications, that any person is guilty of fraud or any other crime.

D. A collection agency shall not permit its agents, employees, representatives, debt collectors, or officers to use obscene or abusive language in efforts to collect a debt.

E. A collection agency or its agents, employees, representatives or officers are subject to penalties listed in A.R.S. § 32-1056(B) for any violation of this Article, as well as other liabilities imposed under any other provision of law.

Historical Note

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). R20-4-1511 recodified from R4-4-1511 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1512. Contacts with Debtors and Others

A. A collection agency shall contact a debtor by telephone only during reasonable hours. A collection agency shall make a reasonable attempt to contact a debtor at the debtor's residence. A collection agency may contact a debtor at the debtor's place of employment if a reasonable attempt to contact the debtor at the debtor's residence has failed.

B. A collection agency shall not threaten to or contact a third party, including a debtor's friend, relative, neighbor, or employer and:
1. Inform the third party of the debt;
2. Ask the third party to pressure the debtor into paying the debt; or
3. Ask the third party to pay the debt, unless the third party is legally obligated to pay the debt.

C. Despite the other provisions of this Section, a collection agency may make lawful service on third parties, including employers, of a writ of garnishment or other writ in aid of execution after judgment has been entered against a debtor.

Historical Note

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). R20-4-1512 recodified from R4-4-1512 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1513. Cessation of Communication with the Debtor

A. A collection agency shall stop contacting a debtor, directly or indirectly, if the debtor tells the collection agency that the debtor is represented by a lawyer and wants the collection agency to communicate with the debtor through the debtor's lawyer. The collection agency may later contact the debtor if the collection agency contacts the lawyer named by the debtor and learns that the lawyer does not represent the debtor.

B. A collection agency shall stop contacting a debtor, directly or indirectly, if the debtor gives the collection agency written notice that the debtor:
1. Refuses to pay the debt, or
2. Wants the collection agency to stop all further communication with the debtor.

C. Despite the provisions of subsection (B), a collection agency may contact a debtor to inform the debtor that:
1. The collection agency has stopped trying to collect the debt, or
2. The collection agency or the creditor may invoke specific remedies that are customarily used by the collection agency or the creditor.

D. The debtor's written notice under subsection (B) is effective upon receipt by the collection agency if delivered by mail.

Historical Note

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). Amended effective December 18, 1979 (Supp. 79-6). R20-4-1513 recodified from R4-4-1513 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1514. Disclosure of Information to Debtor

A. Within five days after the initial communication with the debtor, a collection agency shall obtain and be able to inform the debtor of:
1. The name of the creditor;
2. The time and place of the creation of the debt;
3. The merchandise, services, or other value provided in exchange for the debt; and
4. The date when the account was turned over to the collection agency by the creditor.

B. A collection agency shall give the debtor access to any of the collection agency's records that contain the information listed in subsection (A).

C. At the debtor's request, the collection agency shall give the debtor, free of charge, a copy of any document from its records that contains the information listed in subsection (A).

Historical Note

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978

(Supp. 78-6). R20-4-1514 recodified from R4-4-1514 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1515. Aiding and Abetting

A collection agency shall not help or encourage, directly or indirectly, any person to evade or violate any provision of:

1. This Article, or
2. A.R.S. Title 32, Chapter 9.

Historical Note

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). R20-4-1515 recodified from R4-4-1515 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1516. Advertising

A collection agency shall not use any form of communication to state or imply that the collection agency is:

1. Approved, bonded by, or affiliated with the state of Arizona;
2. A state agency;
3. The director of any state agency; or
4. Authorized to practice law.

Historical Note

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). R20-4-1516 recodified from R4-4-1516 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1517. Repealed

Historical Note

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). R20-4-1517 recodified from R4-4-1517 (Supp. 95-1). Section repealed by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2).

R20-4-1518. Agreements with Clients

A collection agency's records shall document each client's account in writing. The records for an account shall include either a written agreement between the client creditor and the collection agency, or a written direction from the creditor to the collection agency concerning a specific debt placed for collection. The collection agency shall keep records that are specific, easily understood, and unambiguous. A provision of a written agreement or written direction that suggests the collection agency has authority to represent the client in court, or to practice law in any other way, is void and prohibited by this Section. The records for an account shall separately state:

1. The names of the parties to the agreement or written direction,
2. The terms or rate of compensation paid to the collection agency,
3. The length of time the agreement or written direction is intended to be in effect, and
4. Any conditions regarding collection of a particular debt.

Historical Note

Adopted effective December 18, 1979 (Supp. 79-6). R20-4-1518 recodified from R4-4-1518 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1519. Licensee Names and Control

A. The Department shall not issue a license with a name that is:

1. Similar to, or that may be confused with, any federal, state, county, or municipal government function or agency;
2. Descriptive of any business activity that the applicant does not actually conduct;
3. The same as, or similar to, the name of any existing collection agency, or
4. Otherwise deceptive or misleading.

B. The Department may permit the use of a name otherwise prohibited under subsection (A)(3) based on its analysis of whether the name includes geographic or other information that distinguishes it from the existing collection agency.

C. A collection agency shall not use a collection agency license to do business under more than one name. Each collection agency shall apply for and obtain a separate license for each business name it intends to use in Arizona.

Historical Note

Adopted effective December 18, 1979 (Supp. 79-6). R20-4-1519 recodified from R4-4-1519 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1520. Representations of Collection Agency Employees' Identity or Position

A. A collection agency shall not allow its debt collector, agent, representative, employee, or officer to:

1. Misrepresent the person's true position with the collection agency;
2. Claim to be, or imply that the person is, an attorney unless the person is licensed to practice law;
3. Claim to be, or imply that the person is, a public official, peace officer, or any other type of public employee; or
4. Claim to be, or imply that the person is, any other third party.

B. In any communication with a debtor, a person working for a collection agency shall indicate that the person is a debt collector.

C. A collection agency shall keep a record of all fictitious names used by its debt collectors during their employment. The collection agency shall record the information required by this subsection before permitting the use of a fictitious name. The collection agency shall file a copy of the record of fictitious names with the Department on July 1 and December 31 of each year. After filing the initial report, a collection agency shall identify all changes to the record on July 1 and December 31 of each year. The collection agency's record of fictitious names shall include:

1. The true name of each debt collector that uses a fictitious name;

2. Each fictitious name used by the debt collector, together with the dates when the name is used; and
3. The residential street address and residential mailing address of each debt collector that uses a fictitious name.

Historical Note

Adopted effective December 18, 1979 (Supp. 79-6). R20-4-1520 recodified from R4-4-1520 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1521. Duty of Investigation

A collection agency shall give copies of its evidence of the debt to the debtor or the debtor's attorney upon request. After providing the evidence, but before continuing its collection efforts against the debtor, the collection agency shall investigate any claim by the debtor or the debtor's attorney that:

1. The debtor has been misidentified,
2. The debt has been paid,
3. The debt has been discharged in bankruptcy, or
4. Based on any other reasonable claim, the debt is not owed.

Historical Note

Adopted effective December 18, 1979 (Supp. 79-6). R20-4-1521 recodified from R4-4-1521 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

Historical Note

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). R20-4-1530 recodified from R4-4-1530 (Supp. 95-1). Section repealed by final rulemaking at 6 A.A.R. 4742, effective November 13, 2000 (Supp. 00-4).

ARTICLE 16. ACQUIRING CONTROL OF FINANCIAL INSTITUTIONS

R20-4-1601. Definitions

In addition to the definitions provided in A.R.S. § 6-141, the following terms apply to this Article unless the context otherwise requires:

"Acquiring party" means a person who intends to acquire control of a bank, trust company, savings and loan association, or controlling person under A.R.S. Title 6, Chapter 1, Article 4.

"Bank" has the meaning stated in A.R.S. § 6-101.

"Director" has the meaning stated in A.R.S. § 6-101(7).

"Savings and loan association" means a person required to possess a permit issued by the Director under A.R.S. Title 6, Chapter 3.

"Target company" means a bank, savings and loan association, trust company, or controlling person to be acquired by an acquiring party.

"Trust company" has the meaning stated in A.R.S. § 6-851.

Historical Note

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective January 12, 1979 (Supp. 79-1). R20-4-1601 recodified from R4-4-1601 (Supp. 95-1). Amended by final rulemaking at 9 A.A.R. 5055, effective January 3, 2004 (Supp. 03-4). Amended by final rulemaking at 29 A.A.R. 1937 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1602. Application for Approval to Acquire Control of Financial Institution

A. An applicant seeking approval to acquire control of a bank, savings and loan association, or controlling person of a bank or savings and loan association, under A.R.S. Title 6, Chapter 1, Article 4, shall file with the Director copies of all application documents filed with federal regulatory agencies in connection with the planned acquisition of control.

B. As used in this subsection, "executive officer" includes the chairman of the board, president, each vice president, cashier, secretary, treasurer, and every other person who participates in major policymaking functions of the applicant. Under A.R.S. § 6-145(A), an applicant seeking approval to acquire control of a trust company or controlling person of a trust company, under A.R.S. Title 6, Chapter 1, Article 4 shall supply all information the Director requires under this subsection. The Director may require an applicant to supplement or amend its application based on issues raised by the initial submission. The initial application shall consist of the following items:

1. A copy of the signed purchase agreement;
2. The applicant's audited financial statement;
3. A personal history statement, on a form supplied by the Department, for each executive officer and each director of the acquiring party;
4. Each executive officer's and each director's personal financial statement;
5. A full set of fingerprints for each executive officer and each director; and
6. A copy of each executive officer's and each director's driver's license.

Historical Note

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective January 12, 1979 (Supp. 79-1). R20-4-1602 recodified from R4-4-1602 (Supp. 95-1). Amended by final rulemaking at 9 A.A.R. 5055, effective January 3, 2004 (Supp. 03-4). Amended by final rulemaking at 29 A.A.R. 1937 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1603. Repealed

Historical Note

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective January 12, 1979 (Supp. 79-1). R20-4-1603 recodified from R4-4-1603 (Supp. 95-

1). Section repealed by final rulemaking at 9 A.A.R. 5055, effective January 3, 2004 (Supp. 03-4).

R20-4-1604. Repealed

Historical Note
Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective January 12, 1979 (Supp. 79-1). R20-4-1604 recodified from R4-4-1604 (Supp. 95-1). Section repealed by final rulemaking at 9 A.A.R. 5055, effective January 3, 2004 (Supp. 03-4).

ARTICLE 17. ARIZONA INTERSTATE BANK AND SAVINGS AND LOAN ASSOCIATION ACT

R20-4-1701. Definitions
In addition to the definitions provided in A.R.S. § 6-321, the following terms apply to this Article unless the context otherwise requires:

"Applicant" means an out-of-state financial institution that intends to acquire control of an in-state financial institution.

"Director" has the meaning stated in A.R.S. § 6-101(7).

Historical Note
Adopted effective October 1, 1986 (Supp. 86-5). R20-4-1701 recodified from R4-4-1701 (Supp. 95-1). Amended by final rulemaking at 11 A.A.R. 2031, effective July 2, 2005 (Supp. 05-2). Amended by final rulemaking at 29 A.A.R. 1937 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1702. Notice to the Director of Intent to Acquire Control of an In-state Financial Institution; Surrender of an Acquired Financial Institution's Charter

A. An applicant shall give written notice of an acquisition to the Director in the form of a courtesy copy of its federal application. The acquiring entity shall ensure that the notice is delivered to the Director not less than ten days before the effective date of the acquisition. No other application is required under the provisions of A.R.S. Title 6, Chapter 2, Article 7, the Arizona Interstate Bank and Savings and Loan Association Act. The Director may impose conditions on an acquisition under the authority of A.R.S. §§ 6-324 and 6-328.

B. An acquired in-state financial institution shall surrender, by delivery to the Director, all permits and certificates issued by the Director within ten days after the effective date of the acquisition unless the acquired institution intends to continue operating, after the acquisition, as a stand-alone subsidiary under the authority of its existing Arizona banking permit.

Historical Note
Adopted effective October 1, 1986 (Supp. 86-5). R20-4-1702 recodified from R4-4-1702 (Supp. 95-1). Amended by final rulemaking at 11 A.A.R. 2031, effective July 2, 2005 (Supp. 05-2). Amended by final rulemaking at 29 A.A.R. 1937 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1703. Repealed

Historical Note
Adopted effective October 1, 1986 (Supp. 86-5). R20-4-1703 recodified from R4-4-1703 (Supp. 95-1). Section repealed by final rulemaking at 11 A.A.R. 2031, effective July 2, 2005 (Supp. 05-2).

R20-4-1704. Public Notice

A. An applicant shall transmit to the Director one copy of each notice and the publisher's affidavit of publication required by the Federal Reserve Board, the Federal Deposit Insurance Corporation, or other regulatory authority that has concurrent jurisdiction.

B. An applicant shall provide the Director copies of any protests known to have been received by the Federal Reserve Board, the Federal Deposit Insurance Corporation, or other regulatory authority that has concurrent jurisdiction.

Historical Note
Adopted effective October 1, 1986 (Supp. 86-5). R20-4-1704 recodified from R4-4-1704 (Supp. 95-1). Amended by final rulemaking at 11 A.A.R. 2031, effective July 2, 2005 (Supp. 05-2). Amended by final rulemaking at 29 A.A.R. 1937 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1705. Repealed

Historical Note
Adopted effective October 1, 1986 (Supp. 86-5). R20-4-1705 recodified from R4-4-1705 (Supp. 95-1). Section repealed by final rulemaking at 11 A.A.R. 2031, effective July 2, 2005 (Supp. 05-2).

R20-4-1706. Repealed

Historical Note
Adopted effective October 1, 1986 (Supp. 86-5). R20-4-1706 recodified from R4-4-1706 (Supp. 95-1). Section repealed by final rulemaking at 11 A.A.R. 2031, effective July 2, 2005 (Supp. 05-2).

ARTICLE 18. MORTGAGE BANKERS

R20-4-1801. Exemption for an Entity Regulated by an Agency of this State, Other States, or by the United States

A. The exemption under A.R.S. § 6-942(A)(1) only applies to a person whose offers to make or negotiate a "mortgage banking loan" or a "mortgage loan," as those terms are defined in A.R.S. § 6-941, and all mortgage banking loans and mortgage loans made or negotiated by the person are regulated directly by an agency of this state, any other state, or the United States.

B. The required regulation of the transactions listed in subsection (A) includes:
1. Rules governing a claimant's accounting and recordkeeping practices;
2. The authority to examine a claimant's books and records relating to its mortgage banking activities or mortgage lending activities, or both; and
3. The ability to place a claimant in a receivership or conservatorship with regard to the claimant's mortgage banking activities, mortgage lending activities, or both.

Historical Note
New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-1802. Equivalent and Related Experience

A. An applicant may satisfy the three years' experience requirement of A.R.S. § 6-943 by the types of lending-related experience listed in this subsection. The Department counts each month in the following types of work experience toward the three years required either for a mortgage banker license, or as a responsible individual, both under A.R.S. § 6-943(C). The Department counts a fractional month of experience, at least 15 days long, as a full month.

1. Mortgage banker with an Arizona license, responsible individual, or branch manager for a licensee;
2. Mortgage broker with an Arizona license, responsible individual, or branch manager for a licensee;
3. Loan officer with responsibility primarily for loans secured by lien interests on real property;
4. Lender's branch manager with responsibility primarily for loans secured by lien interests on real property;
5. Mortgage banker with license from another state, or responsible individual for the mortgage banker;
6. Mortgage broker with license from another state, or responsible individual for the mortgage broker;
7. Attorney certified by any state as a real estate specialist.

B. An applicant with insufficient actual experience of the types listed in subsection (A) may satisfy the remainder of the three years' experience requirement of A.R.S. § 6-943 by the types of related experience listed in this subsection. The Department counts each month in the following types of work experience according to the ratio listed below, of actual experience to equivalent experience, credited toward qualifying for a license, or as a responsible individual, both under A.R.S. § 6-943(C). The Department counts a fractional month of experience, at least 15 days long, as a full month. An applicant receives credit in only one area listed and for not more than three years' actual experience. The remaining years of experience required to qualify for a license shall be obtained from types of work experiences listed in subsection (A).

1. Attorney without state bar certified real estate specialty...3:2
2. Paralegal with experience in real estate matters...3:2
3. Loan underwriter...3:2
4. Mortgage banker or mortgage broker from another state without license...3:2
5. Real estate broker with an Arizona license or license from a state with substantially equivalent licensing requirements...3:2
6. Escrow officer...3:2
7. Trust officer with a title company...3:2
8. Executive, supervisor, or policy maker involved in administering or operating a mortgage-related business...3:1.5
9. Title officer with a title company...3:1.5
10. Real estate broker, not qualified under subsection (B)(5)...3:1.5
11. Loan processor with responsibility primarily for loans secured by lien interests on real property...3:1.5
12. Lender's branch manager with responsibility primarily for loans not secured by lien interests on real property...3:1.5
13. Real property salesperson, with an Arizona license or a license from a state with substantially equivalent licensing requirements...3:1
14. Loan officer, with responsibility primarily for loans not secured by lien interests on real property...3:1

Historical Note

New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-1803. Restrictions on the Term of a Cash Alternative to a Surety Bond

A licensee or applicant shall not place a certificate of deposit or investment certificate as a cash alternative to a surety bond with the Superintendent that is renewable or expires earlier than 12 months from the date of issuance.

Historical Note

New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-1804. Requirements for a Person Intended to Oversee a Branch Office

A person designated to oversee the operations of a branch office shall be knowledgeable about the branch activities of the licensee, supervise compliance by the branch with applicable law and rules, and have sufficient authority to ensure such compliance. One person may oversee more than one branch.

Historical Note

New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-1805. Notification of Change of Address

If a licensee changes the licensee's principal place of business, or the location of a branch office, the licensee shall notify the Superintendent at least five business days before the address change. With the notice, a licensee shall provide the Superintendent with the license for the office changing its address and the fee required by A.R.S. § 6-126 for changing an office address. A copy of the license shall continue to be displayed at the place of business until a new license is issued.

Historical Note

New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2). Amended by final rulemaking at 8 A.A.R. 145, effective December 10, 2001 (Supp. 01-4).

R20-4-1806. Recordkeeping Requirements

A. The Superintendent shall approve a licensee's use of a computer or mechanical recordkeeping system if the licensee gives the Superintendent advanced written notice that it intends to do so. The Department shall not require a licensee to keep a written copy of the records if the licensee can generate all information required by this Section in a timely manner for examination or other purposes. A licensee may add, delete, modify, or customize an approved computer or mechanical recordkeeping system's hardware or software components. When requested, or in response to a written notice of an examination, a licensee shall report to the Superintendent any alteration in the approved system's fundamental character, medium, or function if the alteration changes:

1. Any approved computer or mechanical system back to a paper-based system; or
2. An approved mechanical system to a computer system; or
3. An approved computer system to a mechanical system.

B. In addition to any statutory requirement regarding records, a record maintained by a mortgage banker shall include the following:

1. A list of all executed loan applications or executed fee agreements that includes the following information:
   a. Applicant's name;
   b. Application date;
   c. Amount of initial loan request;
   d. Final disposition date;
   e. Disposition (funded, denied); and
   f. Name of loan officer;

2. A record, such as a cash receipts journal, of all money received in connection with mortgage banking loans or mortgage loans including:
   a. Payor's name;
   b. Date received;
   c. Amount; and
   d. Receipt's purpose including identification of a related loan, if any;
3. A sequential listing of checks written for each bank account relating to the mortgage banker business, such as a cash disbursement journal, including:
   a. Payee's name;
   b. Amount;
   c. Date; and
   d. Payment's purpose including identification of a related loan, if any;
4. Bank account activity source documents for the mortgage banker business including receipted deposit tickets, numbered receipts for cash, bank account statements, paid checks, and bank advices;
5. A trust subsidiary ledger for each borrower that deposits trust funds showing:
   a. Borrower's name or co-borrowers' names;
   b. Loan number, if any;
   c. Amount received;
   d. Purpose for the amount received;
   e. Date received;
   f. Date deposited into trust account;
   g. Amount disbursed;
   h. Date disbursed;
   i. Disbursement's payee and purpose; and
   j. Balance;
6. A file for each application for a mortgage banking loan or a mortgage loan containing:
   a. The agreement with the customer concerning the mortgage banker's services, whether as a loan application, fee agreement, or both;
   b. Document showing the application's final disposition, such as a settlement statement, or a denial or withdrawal letter;
   c. Correspondence sent, received, or both by the licensee;
   d. Contract, agreement and escrow instructions to or with any depository;
   e. Documents showing compliance with the Consumer Credit Protection Act's (15 U.S.C. §§ 1601 through 1666j) and the Real Estate Settlement Procedures Act's (12 U.S.C. §§ 2601 through 2617) disclosure requirements, to the extent applicable;
   f. If the loan is closed in the licensee's name, and funded by a lender that is not an institutional investor as defined at A.R.S. § 6-943, a copy of the executed note, executed deed of trust or mortgage, and each assignment of beneficial interest by the licensee, if any. If any of the documents listed in this subsection have been recorded, the file shall also contain legible copies of the recorded documents, and;
   g. Itemized list of all fees taken in advance including appraisal fee, credit report fee, and application fee;
7. Samples of every piece of advertising relating to the mortgage banker's business in Arizona;
8. Copies of governmental or regulatory compliance reviews;
9. If the licensee is not a natural person, a file containing:
   a. Organizational documents for the entity;
   b. Minutes;
   c. A record, such as a stock or ownership transfer ledger, showing ownership of all proportional equity interests in the licensee, ascertainable as of any given record date; and
   d. Annual report, if required by law;
10. If the licensee or anyone directly or indirectly owning more than 20% of the licensee has a felony conviction, a copy of the judgment or other record of conviction;
11. If the licensee or anyone directly or indirectly owning more than 20% of the licensee has, in the previous seven years, been named a defendant in any civil suit, a copy of the complaint, any answer filed by the licensee, and any judgment, dismissal or other final order disposing of the action;
12. If the Superintendent has granted approval to maintain records outside this state, the specific address where the records are kept, and a person's name to contact for them;
13. If a licensee does business in other states, it must be able to separate Arizona loan information from information relating to other states to enable the Superintendent to conduct an examination.
14. A licensee shall produce a trial balance of the general ledger monthly to evidence the mortgage banker's net worth.

C. If 10 or fewer transactions have occurred during the prior calendar quarter, a licensee shall reconcile and update all records specified in subsection (B) at least once each calendar quarter. A licensee shall reconcile and update all records specified in subsection (B) monthly if more than 10 transactions occurred during the prior calendar quarter. In addition to reconciling each trust bank account, a licensee shall verify each trust balance to each trust subsidiary ledger at each reconciliation.

D. A licensee shall retain the documents described in subsections (B)(1) and (6) for the length of time provided in A.R.S. § 6-946. For the purposes of A.R.S. § 6-946, the mortgage banking loan's closing date, on a loan application that did not result in the making of a loan, is either:
1. The date a licensee receives a written cancellation notice from an applicant; or
2. The date a licensee mails written notice to an applicant that an application has been denied, as required by federal law.

E. A licensee shall maintain all other records described in this Section, and not included in subsection (D), for at least two years.

Historical Note
New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-1807. Providing Copies of Records
For each loan closed in an Arizona mortgage broker's name with a concurrent assignment of beneficial interest to a mortgage banker, the mortgage banker licensee shall provide to the mortgage broker in whose name the loan closed a copy of:
1. The closing instructions;
2. Any applicable rescission notice;
3. The HUD-1 settlement statement;
4. The final truth-in-lending disclosure;
5. The note;
6. The executed deed of trust or mortgage; and
7. Each assignment of beneficial interest by the mortgage banker licensee.

Historical Note
New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-1808. Authorization to Complete Blank Spaces
An authorization, under A.R.S. § 6-947, allowing a licensee or escrow agent to complete certain blank spaces in a document after it is signed by a party to the transaction shall:

1. Specifically identify the document and the blank spaces to be completed;
2. Be in writing, dated, and signed by the authorizing parties, and
3. Contain the following notice, conspicuously printed on its face: YOUR SIGNATURE BELOW AUTHORIZES YOUR MORTGAGE BANKER OR ESCROW AGENT TO FILL IN SPACES YOU LEFT BLANK IN SPECIFIED LOAN DOCUMENTS YOU ARE ABOUT TO SIGN OR MAY HAVE ALREADY SIGNED. UNDER STATE LAW YOU CAN GIVE THIS AUTHORITY, BUT YOU ARE NOT REQUIRED TO DO SO. YOU CAN REFUSE TO SIGN ANY DOCUMENTS UNTIL ALL BLANKS ARE COMPLETELY FILLED IN.

Historical Note
New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-1809. Determining Loan Amounts
The amount of a mortgage banking loan or a mortgage loan under A.R.S. § 6-947(E) or 6-947(K), is the principal amount of the loan and does not include any points, interest, finance charges, insurance premiums of any kind, compensation paid to third parties, or compensation retained by a mortgage banker or its agents.

Historical Note
New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-1810. Delay or Cause Delay
A mortgage banker does not delay or cause delay if the delay occurs due to events outside the control of the mortgage banker.

Historical Note
New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-1811. Impound Account
The total of all funds retained by a mortgage banker from all periodic payments made by a borrower to maintain a cushion, as defined in R20-4-102, shall not exceed 1/6th of the estimated total annual payments from the impound account.

Historical Note
New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-1812. Acquisition of Additional Interest in Licensee by Majority Owner
A person that owns 51% or more of a licensee's outstanding voting equity interests, and that acquires the power to vote additional fractional equity interests, shall deliver written notice of the acquisition to the Superintendent. The person shall deliver the notice before completing the acquisition. Within 10 days after completing the acquisition, the person shall deliver documentation evidencing the acquisition to the Superintendent.

Historical Note
New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-1813. Conversion to Mortgage Broker License
Under A.R.S. § 6-949 to apply for a conversion from a mortgage banker license to a mortgage broker license, the applicant shall submit during the renewal period all applicable renewal documents and renewal fees required by A.R.S. §§ 6-126 and 6-903 for mortgage brokers.

Historical Note
New Section adopted by final rulemaking at 18 A.A.R. 2622, effective December 2, 2012 (Supp. 12-4).

ARTICLE 19. COMMERCIAL MORTGAGE BANKERS

R20-4-1901. Exemption for an Institutional Investor

A. The exemption from the licensure requirement for an institutional investor, solely as that term is used in A.R.S. §§ 6-971, 6-972, and this Article, applies only if a person claiming the exemption meets all the following criteria:
1. The claimant originates or directly or indirectly makes, negotiates, or offers to make or negotiate commercial mortgage loans that are all exclusively funded by the claimant's own resources, as defined in A.R.S. § 6-971;
2. The claimant does so in the regular course of business;
3. The claimant makes only commercial mortgage loans, as defined in A.R.S. § 6-971;
4. The claimant makes each loan on the security of commercial property, as defined in A.R.S. § 6-971; and
5. The claimant makes only loans of more than $250,000.

B. If a claimant makes even one commercial mortgage loan that does not satisfy all the above criteria, any claim of exemption is invalid, and that person shall not engage in any lending activity before obtaining a license.

Historical Note
New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-1902. Exemption for an Entity Regulated by an Agency of this State, Other States, or by the United States

A. The exemption under A.R.S. § 6-972(9) only applies to a person whose offers to make or negotiate a "commercial mortgage loan," as that term is defined in A.R.S. § 6-971, and all commercial mortgage loans made or negotiated by the person are regulated directly by an agency of this state, any other state, or the United States.

B. The required regulation of the transactions listed in subsection (A) includes:
1. Rules governing a claimant's accounting and recordkeeping practices;
2. The authority to examine a claimant's books and records relating to its commercial mortgage lending activities;
3. The ability to place a claimant in a receivership or conservatorship with regard to the claimant's commercial mortgage lending activities.

Historical Note
New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-1903. Equivalent and Related Experience

A. An applicant may satisfy the three years' experience requirement of A.R.S. § 6-973 by the types of lending-related experience listed in this subsection. The Department counts each month in the following types of work experience towards the

three years required either for a commercial mortgage banker license, or as a responsible individual, both under A.R.S. § 6-973(D). The Department counts a fractional month of experience, at least 15 days long, as a full month.

1. Commercial mortgage banker with an Arizona license, or Responsible Individual or branch manager for a licensee;
2. Mortgage broker with Arizona license, or Responsible Individual or branch manager for a licensee;
3. Mortgage banker with an Arizona license, or Responsible Individual or branch manager for a licensee;
4. Loan officer, with responsibility primarily for loans secured by lien interests on commercial real property;
5. Lender's branch manager, with responsibility primarily for loans secured by lien interests on commercial real property;
6. Commercial mortgage banker with license from another state, or Responsible Individual for the commercial mortgage banker;
7. Mortgage broker with license from another state, or Responsible Individual for the mortgage broker;
8. Mortgage banker with license from another state, or responsible individual for the mortgage banker;
9. Attorney certified by any state as a real estate specialist.

B. The experience of an applicant with insufficient actual experience of the types listed in subsection (A) is reviewed and evaluated on a case by case basis.

Historical Note
New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-1904. Restrictions on the Term of a Cash Alternative to a Surety Bond
A licensee or applicant shall not place a certificate of deposit or investment certificate as a cash alternative to a surety bond with the Superintendent that is renewable or expires earlier than 12 months from the date of issuance.

Historical Note
New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-1905. Requirements for a Person Intended to Oversee a Branch Office
A Person designated to oversee the operations of a branch office shall be knowledgeable about the branch activities of the licensee, supervise compliance by the branch with applicable law and rules, and have sufficient authority to ensure such compliance. One Person may oversee more than one branch.

Historical Note
New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-1906. Notification of Change of Address
If a licensee changes the licensee's principal place of business, or the location of a branch office, the licensee shall notify the Superintendent within five business days after the address change. With the notice, a licensee shall provide the Superintendent with the license for the office changing its address and the fee required by A.R.S. § 6-126 for changing an office address. A copy of the license shall continue to be displayed at the place of business until a new license is issued.

Historical Note
New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-1907. Recordkeeping Requirements

A. The Superintendent shall approve a licensee's use of a computer or mechanical recordkeeping system if the licensee gives the Superintendent advanced written notice that it intends to do so. The Department shall not require a licensee to keep a written copy of the records if the licensee can generate all information required by this Section in a timely manner for examination or other purposes. A licensee may add, delete, modify, or customize an approved computer or mechanical recordkeeping system's hardware or software components. When requested, or in response to a written notice of an examination, a licensee shall report to the Superintendent any material alteration in the approved system's fundamental character, medium, or function if the alteration changes:

1. Any approved computer or mechanical system back to a paper-based system; or
2. An approved mechanical system to a computer system; or
3. An approved computer system to a mechanical system.

B. In addition to any statutory requirement regarding records, a record maintained by a commercial mortgage banker shall include the following:

1. A list of all executed loan applications or executed fee agreements that includes the following information:
   a. Applicant's name;
   b. Application date;
   c. Amount of initial loan request;
   d. Final disposition date;
   e. Disposition (funded, denied); and
   f. Name of loan officer;
2. A record, such as a cash receipts journal, of all money received in connection with commercial mortgage loans including:
   a. Payor's name;
   b. Date received;
   c. Amount; and
   d. Receipt's purpose including identification of a related loan, if any;
3. A sequential listing of checks written for each bank account relating to the commercial mortgage banker business, such as a cash disbursement journal, including:
   a. Payee's name;
   b. Amount;
   c. Date; and
   d. Payment's purpose including identification of a related loan, if any;
4. Bank account activity source documents for the commercial mortgage banker business including receipted deposit tickets, numbered receipts for cash, bank account statements, paid checks, and bank advices.
5. A trust subsidiary ledger for each borrower that deposits trust funds showing:
   a. Borrower's name or co-borrowers' names;
   b. Loan number, if any;
   c. Amount received;
   d. Purpose for the amount received;
   e. Date received;
   f. Date deposited into trust account;
   g. Amount disbursed;
   h. Date disbursed;
   i. Disbursement's payee and purpose, and
   j. Balance.

6. A file for each application for a commercial mortgage loan containing:
   a. The agreement with the customer concerning the commercial mortgage banker's services, whether as a loan application, fee agreement, or both;
   b. The documents showing the application's final disposition, such as a settlement statements, a denial or withdrawal letter, or internal memorandum;
   c. Correspondence sent, received, or both by the licensee;
   d. Contract, agreement, and escrow instructions to or with any depository;
   e. If the loan is closed in the licensee's name, a copy of all closing documents including: closing instructions, copy of the executed note, executed deed of trust or mortgage, and each assignment of beneficial interest by the licensee, if any. If any of the documents listed in this subsection have been recorded, the file shall also contain legible copies of the recorded documents, and
   f. Itemized list of all fees taken in advance including appraisal fee, credit report fee, and application fee.
7. Samples of every piece of advertising relating to the commercial mortgage banker's business in Arizona;
8. Copies of governmental or regulatory reviews;
9. If the licensee is a not a natural person, a file containing:
   a. Organizational documents for the entity;
   b. Minutes;
   c. A record, such as a stock or ownership transfer ledger, showing ownership of all proportional equity interests in the licensee, ascertainable as of any given record date; and
   d. Annual report, if required by law;
10. If the licensee or anyone directly or indirectly owning more than 20% of the licensee has a felony conviction, a copy of the judgment or other record of conviction.
11. If the licensee or anyone directly or indirectly owning more than 20% of the licensee has, in the previous seven years, been named a defendant in any civil suit, a copy of the complaint, any answer filed by the licensee, and any judgment, dismissal or other final order disposing of the action.
12. If the Superintendent has granted approval to maintain records outside this state, the specific address where the records are kept, and a person's name to contact for them.
13. If a licensee does business in other states, it must be able to separate Arizona loan information from information relating to other states to enable the Superintendent to conduct an examination.
14. A licensee shall produce a trial balance of the general ledger monthly to evidence the commercial mortgage banker's net worth.

C. If 10 or fewer transactions have occurred during the prior calendar quarter, a licensee shall reconcile and update all records specified in subsection (B) at least once each calendar quarter. A licensee shall reconcile and update all records specified in subsection (B) monthly if more than 10 transactions occurred during the prior calendar quarter. In addition to reconciling each trust bank account, a licensee shall verify each trust balance to each trust subsidiary ledger at each reconciliation.

D. A licensee shall retain the documents described in subsections (B)(1) and (6) for the length of time provided in A.R.S. § 6-983. For the purposes of A.R.S. § 6-983, the commercial mortgage loan's closing date, on a loan application that did not result in the making of a loan, is either:
1. The date a licensee receives a written cancellation notice from the applicant; or
2. The date a licensee mails written notice to an applicant that an application has been denied; or
3. The date of a licensee's internal memorandum closing a loan file.

E. A licensee shall maintain all other records described in this Section, and not included in subsection (D), for at least two years.

Historical Note

New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-1908. Impound Accounts

The total of all funds, if any, retained by the commercial mortgage banker from all periodic payments made by the borrower to maintain a Cushion, as defined in R20-4-102, is limited only by the written agreement of the parties, if at all.

Historical Note

New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-1909. Authorization to Complete Blank Spaces

An authorization, under A.R.S. § 6-984, allowing a licensee or escrow agent to complete certain blank spaces in a document after it is signed by a party to the transaction shall:
1. Specifically identify the document and the blank spaces to be completed;
2. Be in writing, dated, and signed by the authorizing party, and
3. Contain the following notice, conspicuously printed on its face: YOUR SIGNATURE BELOW AUTHORIZES YOUR COMMERCIAL MORTGAGE BANKER OR ESCROW AGENT TO FILL IN SPACES YOU LEFT BLANK IN SPECIFIED LOAN DOCUMENTS YOU ARE ABOUT TO SIGN OR MAY HAVE ALREADY SIGNED. UNDER STATE LAW YOU CAN GIVE THIS AUTHORITY, BUT YOU ARE NOT REQUIRED TO DO SO. YOU CAN REFUSE TO SIGN ANY DOCUMENTS UNTIL ALL BLANKS ARE COMPLETELY FILLED IN.

Historical Note

New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-1910. Delay or Cause Delay

A commercial mortgage banker does not delay or cause delay if the delay occurs due to events outside the control of the commercial mortgage banker.

Historical Note

New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-1911. Acquisition of Additional Interest in Licensee by Majority Owner

A person that owns 51% or more of a licensee's outstanding voting equity interests, and that acquires the power to vote additional fractional equity interests, shall deliver written notice of the acquisition to the Superintendent. The person shall deliver the notice before completing the acquisition. Within 10 days after completing the acquisition, the person shall deliver documentation evidencing the acquisition to the Superintendent.

New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

E-6.

DEPARTMENT OF TRANSPORTATION
Title 17, Chapter 3, Articles 2, 3, 5, 7, & 9

GOVERNOR'S REGULATORY REVIEW COUNCIL

ATTORNEY MEMORANDUM - FIVE-YEAR REVIEW REPORT

MEETING DATE: February 4, 2025

TO: Members of the Governor's Regulatory Review Council (Council)

FROM: Council Staff

DATE: January 21, 2025

SUBJECT: **DEPARTMENT OF TRANSPORTATION**
Title 17, Chapter 3, Articles 2, 3, 5, 7, and 9

Summary

This Five-Year Review Report (5YRR) from the Department of Transportation (Department) covers twenty (20) rules Title 17, Chapter 3, Articles 2, 3, 5, 7, 9 related to Highways. Specifically, these rules cover the following articles:

- **Article 2** - Management of Contractor Bidding
- **Article 3** - Relocation Assistance
- **Article 5** - Highway Encroachments and Permits
- **Article 7** - Highway Beautification
- **Article 9** - Highway Traffic Control Devices

The Department did not complete its prior proposed course of action in the 5YRR approved by the council on February 4, 2020 as the Department did not believe that they had a sufficient justification for an exception to the rulemaking moratorium. The Department has stated that the prior proposed amendments were to improve clarity, conciseness, and understandability so the Department did not believe there was a sufficient level of urgency in amending the rules. The Department prioritized rule amendments resulting from legislative changes during this time.

The 2020 Report indicated certain rules were not effective in achieving its objective, certain rules were not enforced as written, certain rules were not consistent with other rules and statutes, and certain rules were not clear, concise, or understandable. The rule lacking statutory authority concerned charging a fee for outdoor advertisements that were erected prior to the issuance of a permit. The Department does not enforce this rule because of the lack of authority and instead they will allow for the owner of the sign to apply for a permit, if a permit is denied or application not filed then the sign will be removed in accordance with A.R.S. § 28-7906.

Proposed Action

The Department has indicated that the same issues that were identified in the 2020 report exist and are proposing to make the same changes, along with some additional amendments to ensure that the rules will be more clear, concise, and understandable. These changes are detailed below. The Department anticipates having a final rulemaking to the Council by September 2025. The Department has been in contact with their policy advisor and intends on submitting a formal request to begin rulemaking depending on the approval of the 5YRR by the Council.

1. Has the agency analyzed whether the rules are authorized by statute?

The Department cites both general and specific statutory authority for these rules

2. Summary of the agency's economic impact comparison and identification of stakeholders:

The Department indicates that the economic impact of each of these rules has been the same as estimated in the economic impact statement prepared in the last amendment of each rule. Stakeholders include the Department, contractors seeking eligibility to bid on certain advertised projects involving the construction or reconstruction of transportation facilities and displaced people, businesses, or farm operations affected by a program or project. Currently, there are 125 prequalified contractors interested in doing business with the Department.

3. Has the agency analyzed the costs and benefits of the rulemaking and determined that the rules impose the least burden and costs to those who are regulated?

The Department states that in rulemaking, it routinely adopts the least costly and least burdensome option for any process or procedure required of the regulated public or industry. Therefore, the Department has determined that the benefits of all rules in this Chapter outweigh the costs.

4. Has the agency received any written criticisms of the rules over the last five years?

The Department indicates it received no written criticisms of the rules in the last five years.

5. <u>Has the agency analyzed the rules' clarity, conciseness, and understandability?</u>

The Department indicates the rules are clear, concise, and understandable except for the following:

- R17-3-202
    - Subsection (B)(1) could be improved by clarifying what types of currency shall be stated in financial statements and expanding the length of time a contractor is prequalified.
    - Subsection (E)(1) could be improved by submitting both individual and combined financial statements, adding a requirement that the statements must cover a fiscal year absence a showing of good cause, and modify how working capital counts against calculating adjusted current assets.
    - Subsection (E)(3) could be improved by expanding the maximum prequalification limit for contractors
    - Subsection (F)(4) could be improved by increasing the prequalified amount a contractor can receive
    - Subsection (G)(1) could be improved by including a reference to the Department's administrative hearing rules in 17 AAC 1, Article 5.
- R17-Article 3
    - All rules in Article 3 need to be updated to incorporate by reference 89 FR, 36908, May 3, 2024
- R17-3-302
    - Subsection (A) and (C) could be improved by removing the word federal because the terms describe funding which would only come from the Department and not the federal government.
- R17-3-501
    - Could be improved by amending definitions by removing unnecessary language and removing references to statutory defined terms that have been renumbers
- R17-3-507
    - Subsection (A) could be improved by removing unnecessary references to statute
    - Subsection (C) could be improved by making more clear and concise and adding a reference to the Departments administrative review process found in 17 AAC 1 Article 5 to the end of subsection (C)(3)
- R17-3-701
    - Subsection (A) could be improved by including reference to other definitions found in A.R.S. § 28-7901, and the Department has identified 9 definitions that could be improved by removing unclear language.
    - Subsection (B) could be improved by removing unnecessary subsections, clarify the permit application process, remove language that is more suited for Department policy, and remove language that suggests there is a fee for non-compliance.
    - Subsection (C) could be improved by removing unnecessary subsections, clarify how to obtain an encroachment permit, bring language in line with A.R.S. § 28-7901 and § 28-7906, and include references to other Department rules.

    - Subsection (D) could be improved by removing unnecessary subsections, correcting typographical errors, and make corrections to bring in line with Department policies.
- R17-3-701.01
    - Needs to be amended to correct statutory references and to define additional terms for clarity.
- R17-3-703
    - Could be improved by both adding and amending statutory references
- R17-3-901
    - Could be improved by revisiting definitions concerning how to define areas of certain population sizes.
- R17-3-902
    - Could be improved by reflecting statutory changes to various definitions

6. <u>Has the agency analyzed the rules' consistency with other rules and statutes?</u>

The Department indicates the rules are generally consistent with other rules and statutes except for the following:

- R17-3-502
    - The Department states it is consistent with and enforces all 34 sections of the federal regulations because the regulations are incorporated by reference. However, the Department indicates that in order to determine the maximum statutory benefit allowed in Arizona, the Department must use limits provided under Title 28, Arizona Revised Statutes, Chapter 20, Article 7, which were amended by Laws 2014, Ch. 28. §§ 6 through 8 which were amended by Laws 2014, Ch. 28. §§ 6 through 8 and increased the maximum statutory limit.
- R17-3-701
    - For Subsection (B) the Department has indicated that the subsection is not consistent with A.R.S. § 28-7906 because it states that the Department charges a fee if an outdoor advertisement is not in compliance and not issue a permit prior to the erection of an advertisement. The Department does not enforce this subsection because it lacks the authority to charge a fee under § 28-7906.
    - For Subsection (C), the Department has indicated that the terminology used in the rules do not conform with terminology as designated by the Federal Highway Association.
- R17-3-701.01
    - The statutory reference to A.R.S. § 28-2102(A)(4) and (5) are incorrect because the statutory reference has changed to A.R.S. § 28-7912.
- R17-3-703
    - The statutory reference for the definition of "unzoned commercial or industrial area," has been amended from A.R.S. § 28-7901(11) to A.R.S. § 28-7901(14).

7. <u>Has the agency analyzed the rules' effectiveness in achieving its objectives?</u>

The Department indicates the rules are generally effective in achieving their objectives except for the following:

- R17-3-701
    - Subsection (A) could be improved by adding a definition of what constitutes a complete application
    - Subsection (B)(12) requires an applicant to erect a sign 120 days after a permit has been installed with a 60 day extension possible, the Department believes the rule could be improved by just allowing for 180 days and removing the administrative effort of tracking both the initial 120 days and the 60 day extension.
    - Subsection (C) and (D) could be improved by encompassing modern technologies and being more in line with federal regulations for outdoor advertising.

8. Has the agency analyzed the current enforcement status of the rules?

The Department indicates the rules are generally enforced as written with the exception of the following:

- R17-3-301
    - The Department states it enforces all 34 sections of the federal regulations as incorporated by reference. However, the Department indicates that in order to determine the maximum statutory benefit allowed in Arizona, the Department must use limits provided under Title 28, Arizona Revised Statutes, Chapter 20, Article 7, which were amended by Laws 2014, Ch. 28. §§ 6 through 8 which were amended by Laws 2014, Ch. 28. §§ 6 through 8 and increased the maximum statutory limit.
- R17-3-502
    - Subsection (D) is not enforced because the Department does not have a mechanism to enforce. Subsection D requires a new owner of an encroachment to apply for an encroachment permit within 30 days of purchase. The Department is not involved in the sale of these encroachments and does not have a mechanism in place to notify new owners. The Department does currently notify existing owners at the time of the issuing of the permit that they need to notify new owners if the land where the encroachment exists is sold. The Department is exploring potential electronic solutions and plan on amending the rule once a solution is found.
- R17-3-701
    - Subsection (B)(10) is not enforced because the Department does not have the statutory authority to charge a fee for a sign erected prior to the issuance of a permit. The Department instead allows these unlawful sign owners to apply for a permit and if denied a permit then the owner is responsible for cost to remove, which is allowed under A.R.S. § 28-7909.

9. Are the rules more stringent than corresponding federal law and, if so, is there statutory authority to exceed the requirements of federal law?

The Department indicates that the rules are not more stringent than corresponding federal law. The Department has stated that the following federal laws and rules apply to the subject matter of the Department rules. Title 23, U.S.C. 109(d), 23 U.S.C. 111(b), 23 U.S.C. 131, 23 U.S.C. 156, 23 U.S.C.402, 23 CFR 1.23(b), 23 CFR 655 Subpart F, 23 CFR 655.603, 23 CFR Part 750, 49 CFR 1.85, FHWA Order 5160.1A, IRC Sec. 170(c)(1), 49 CFR Part 24 Subparts A, C, and E, and Appendix A, 42 U.S.C. 4601, et seq, 23 U.S.C. 136

10. For rules adopted after July 29, 2010, do the rules require a permit or license and, if so, does the agency comply with A.R.S. § 41-1037?

The Department has indicated that they do issue general permits and are in compliance with A.R.S. § 41-1037

11. Conclusion

This 5YRR from the Department relates to twenty (20) rules in Title 17, Chapter 3, Articles 2, 3, 5, 7, 9 related to Highways. The Department is proposing to update the rules to ensure the rules are meeting their objective, to ensure the rules are consistent with other statutes and rules, to ensure that the rules can be enforced as written, and to improve the rules clarity, conciseness, understandability, and effectiveness. The Department has identified several rules that can be improved in these above areas. Many of these amendments were identified and proposed in the Department's previous 5YRR proposed course of action.

The Department indicates that the reason for not completing the prior course of action was based on the need to prioritize rulemaking for rules that have been impacted by recent legislation. The Department ultimately determined these rules were noncritical and did not have a significant impact on the enforceability of the rules. The Department has informed Council staff that they have been in contact with their policy advisor and are planning to request permission to engage in rulemaking upon the Council's approval of this 5YRR. The Department anticipates submitting a Notice of Final Rulemaking to the Council by September 2025.

The report meets the requirements of A.R.S. § 41-1056 and R1-6-301. Staff recommends approval of this report.

Ms. Jessica Klein, Chair
Governor's Regulatory Review Council
100 N 15th Avenue, Suite 305
Phoenix, Arizona 85007

Re: Arizona Department of Transportation Five-year Review Report - 17 A.A.C. 3, Articles 2, 3, 5, 7, and 9

Dear Ms. Klein:

Please find enclosed the Arizona Department of Transportation's Five-year Review Report covering rules located under 17 A.A.C. Chapter 3, Articles 2, 3, 5, 7, and 9, which is due to the Council on September 30, 2024. This document complies with all requirements under A.R.S. § 41-1056 and A.A.C. R1-6-301.

The Department certifies that it is in full compliance with the requirements of A.R.S. § 41-1091.

For information regarding the report, please communicate directly with John Lindley, Senior Rules Analyst, at (480) 267-6543 or email JLindley@azdot.gov.

Sincerely,

Jennifer Toth
Director

Enclosure

Governor's Regulatory Review Council

Five-Year-Review Report

Arizona Department of Transportation

17 A.A.C. Chapter 3, Department of Transportation - Highways, Articles 2, 3, 5, 7, and 9

1. Authorization of the rule by existing statutes

General Statutory Authority:

The Director of the Department of Transportation (Department) has broad authority under A.R.S. §§ 28-366 and 28-7045 for these rules. This authority allows the Department to adopt rules for the collection of taxes and license fees, public safety and convenience, enforcement of the provisions of the laws the Director administers or enforces, and the use of state highways and routes to prevent abuse and unauthorized use of any highways or routes under the jurisdiction of the Department.

The Arizona State Transportation Board has general rulemaking authority for the administration of its powers, duties, and responsibilities as provided under A.R.S. § 28-305.

Specific Statutory Authority:

R17-3-201 R17-3-202 R17-3-203 R17-3-204	As required under A.R.S. § 28-7365, R17-3-202 provides the prequalification procedures developed by the Department and the Arizona State Transportation Board for use by contractors seeking eligibility to bid on certain advertised projects involving the construction or reconstruction of transportation facilities. A.R.S. § 41-2501(K) specifically exempts the State Transportation Board and the Department from strict adherence to the Arizona Procurement Code in relation to the subject matter contained in these rules. However, all procurement activities conducted by the Department under these rules are subject to A.R.S. Title 28, Chapter 20, and 2 CFR 200.317. A.R.S. § 28-7363(E) provides that, *"[to] ensure fair, uniform, clear and effective procedures that will deliver a quality project on time and within budget, the director, in conjunction with the appropriate and affected professionals and contractors, may adopt procedures for procuring a project using the design-build method of project delivery.*" Additionally, A.R.S. § 28-6923(M)(2) references "*contractors who are prequalified by the Department to perform a contract…*". 2 CFR 200.317 provides that, *"[w]hen procuring property and services under a Federal award, a State must follow the same policies and procedures it uses for procurements from its non-Federal funds. The State will comply with §§ 200.321, 200.322, and 200.323 and ensure that every purchase order or other contract includes any clauses required by § 200.327. All other non-Federal entities, including sub-recipients of a State, must follow the procurement standards in §§ 200.318 through 200.327."*

R17-3-301 R17-3-302 R17-3-303 R17-3-304	A.R.S. § 28-7148 provides specific statutory authority for the Department to adopt rules for the administration of relocation payments and assistance to displaced persons, businesses, or farm operations affected by a program or project undertaken by the Department under A.R.S. §§ 28-7141 to 28-7149 and 28-7152, and that involves state financial assistance. These rules are also consistent with federal statutes regarding the administration of relocation assistance on federal and federally-assisted programs and projects where the U.S. Department of Transportation has designated the Department as the lead agency for the administration of programs and projects subject to 42 U.S.C. 4601 through 4655, 5304, and 12705(b).
R17-3-501 R17-3-502 R17-3-503 R17-3-504	A.R.S. §§ 28-7045, 28-7053, and 28-7054 provide specific statutory authority for the Director to grant prior authorization in writing to any person who demonstrates a valid and reasonable need to acquire access to a public highway right-of-way under the jurisdiction of the Department before placing or maintaining any encroachment or obstruction on, making any use of, or otherwise occupying a public highway right-of-way for any purpose other than for authorized public travel, communication, transportation or transmission.
R17-3-701 R17-3-701.01 R17-3-702 R17-3-703 R17-3-704	Specific statutory authority for these rules is as provided under A.R.S. §§ 28-7908 and 28-7909, the federal and state agreement authorized under A.R.S. § 28-7907, and the authorizing federal statutes and regulations provided under 23 U.S.C. 131 and 23 CFR 750 for outdoor advertising and junkyard control.
R17-3-901 R17-3-902 R17-3-903 R17-3-904	A.R.S. § 28-7311 provides specific statutory authority for the Department to operate a rural and an urban logo sign program and requires that the Department adopt rules to implement the logo sign programs.

2. The objective of each rule:

The stated objectives for each rule maintained by the Department under 17 A.A.C. 3, are as follows:

Article 2. Management of Contractor Bidding

R17-3-201	To clarify the Department's intended meaning for certain terms and phrases used throughout the Article, and to describe the Department's Contractor Prequalification Board.
R17-3-202	To provide a uniform prequalification process for use by contractors seeking eligibility to bid on projects advertised by the Department that will involve construction or reconstruction of state transportation facilities. The prequalification process allows the Department and its Contractor Prequalification Board to verify each contractor's experience, organization, and other pertinent and material facts that determine a

	bidder's qualifications for performing work of the type and magnitude required for transportation projects.
R17-3-203	To provide the factors and processes used by the Contractor Prequalification Board for either reducing a previously approved prequalification amount or disqualifying a contractor from bidding.
R17-3-204	To provide for the confidentiality of a contractor's prequalification file and to clarify which entities are permitted access to the confidential files.

Article 3. Relocation Assistance

R17-3-301	To provide the public with official citations to the regulations needed to gain a general understanding of how the Department has implemented certain provisions of the federal Uniform Relocation Assistance Act as applicable to programs and projects administered by the Department with state-level funding.
R17-3-302	To clarify the Department's intended meaning for certain terms and phrases contained in 49 CFR 24.2, which were incorporated by reference as amended here for applicability to the relocation assistance program administered by the Department in this state.
R17-3-303	To inform the public about the state's eviction for cause statutes, as applicable to the Department's process for administering its relocation assistance program in this state.
R17-3-305	To inform the public about the amendments to the replacement housing payment provisions for homeowner occupants.

Article 5. Highway Encroachments and Permits

R17-3-501	To clarify the Department's intended meaning for certain terms and phrases used throughout the Article.
R17-3-502	To inform the public that any person who seeks an encroachment upon a state highway right-of-way shall first apply for and receive permission from the Department in the form of an encroachment permit, and to clarify which types of encroachments are either authorized or unauthorized.
R17-3-503	To specify that any person or entity, other than the Department, seeking to encroach upon a state highway right-of-way for access, landscaping, or utility installation shall first apply to the Department for an encroachment permit, and to clarify who may apply for an encroachment permit involving access, landscaping, and utility installation.
R17-3-504	To provide the general application requirements for obtaining an encroachment permit.

R17-3-505	To provide the requirement that an application for an encroachment permit shall include the supporting documentation necessary for the Department to properly analyze the proposed encroachment's impact on any state highway or right-of-way.
R17-3-506	To provide the requirements and responsibilities a permittee shall follow once an encroachment permit is issued.
R17-3-507	To inform the public of the factors the Department may use when determining whether to approve or deny an encroachment permit application, and to establish that an applicant has the right to appeal the Department's decision if an encroachment permit application is denied.
R17-3-508	To inform the public of the types of encroachment activities that are unauthorized, the requirement for removal of unauthorized encroachments, and the remedies for enforcement and violation.
R17-3-509	To inform the public that an encroachment permit applicant is entitled to a hearing if the Department denies the application or determines that the proposed encroachment is unauthorized.

Article 7. Highway Beautification

R17-3-701	(A). To present the meaning of specialized terms used by the Department in this Article to describe outdoor advertising signs and matters relating to outdoor advertising signs. (B). To provide the public with the information and procedures required of an applicant seeking permission from the Department to erect an outdoor advertising structure. (C). To provide the public with information on the Department's authority and obligation to maintain control of outdoor advertising activities conducted in close proximity to any highway under the jurisdiction of the Department, and to ensure that such activities do not adversely affect the efficient operation of transportation facilities throughout the state. (D). To provide the public with information regarding the standards that must be followed when placing signs on any highway right-of-way under the jurisdiction of the Department.
R17-3-701.01	This rule implements federal requirements to ensure that a local jurisdiction does not create commercial or industrial zoning merely to allow outdoor advertising.
R17-3-703	This rule describes the Department's responsibility to ensure effective control of junkyards established or maintained within 1000 feet of an Interstate or Federal-aid

	primary highway system as required under 23 CFR 751 and A.R.S. Chapter 23, Article 2.

Article 9. Highway Traffic Control Devices

R17-3-901	To define terms relating to highway signage for colleges and universities and to explain the process a college or university may use to request the placement of such signs on any highway under the jurisdiction of the Department.
R17-3-902	To clarify the Department's intended meaning for certain terms and phrases used throughout the Article and to specify eligibility and administrative requirements for the logo sign programs, including provisions involving contractor selection and administration, eligibility criteria for primary and secondary businesses seeking to place a logo sign panel on a particular state highway, and responsible operator pricing and lease procedures.
R17-3-904	To inform the public about the Department's obligation to follow all federal guidelines provided in the Manual on Uniform Traffic Control Devices when placing a sign on any highway that is part of the State Highway System, and the maintenance of which is under the jurisdiction of the Department.
R17-3-905	To inform the public of the rural logo sign spacing requirements and written agreements that pertain to rural logo signs.
R17-3-906	To inform the public and current logo sign leaseholders that any changes made to these rules would not impact a responsible operator's lease prior to the expiration of that operator's existing lease.

3. Are the rules effective in achieving their objectives? **Yes _X_ No ___**

If not, please identify the rules that are not effective and provide an explanation for why the rules are not effective.

Rule	Explanation
R17-3-701	(A). Purpose. While this rule is generally effective in meeting the stated objective, additional definitions are needed to clarify existing language. A definition of what constitutes a complete application should include supporting documentation to better support rule enforcement and licensing time-frame compliance under A.A.C. R17-1-102(B). (B). Outdoor Advertising Permit Application Procedure. (B)(12) provides an initial time frame and a subsequent extension period during which an applicant can build a sign, which requires additional and unnecessary

	administrative effort since the Department needs to monitor two different time frames for the construction of a sign, instead of initially allowing up to 180 days for construction. (C). Administrative Rules; and (D). Standards for directional and other official signs: While these subsections are generally effective in meeting the stated objectives, the rules would be more effective if amendments were made to encompass modern technologies, such as geospatial locating by Geographic Information Systems (GIS), and to ensure ongoing consistency with national standards as required under the Federal and State Agreement and authorizing regulations provided under 23 U.S.C. 131 and 23 CFR 750.

4. Are the rules consistent with other rules and statutes? **Yes _X_ No ___**

If not, please identify the rules that are not consistent. Also, provide an explanation and identify the provisions that are not consistent with the rules.

Rule	Explanation
R17-3-201 R17-3-202 R17-3-203 R17-3-204	A.R.S. § 41-2501(K) specifically exempts the State Transportation Board and the Department from strict adherence to the Arizona Procurement Code in relation to the subject matter contained in these rules. All procurement activities conducted by the Department under these rules are subject to A.R.S. Title 28, Chapter 20, and 2 CFR 200.317.
R17-3-301	This rule is consistent with A.R.S. §§ 28-7141 to 28-7149 and 28-7152 and federal statutes, 42 U.S.C. 4601, et seq., except as described under items 5 and 8 below. The rules incorporated by reference, as amended under this Article for programs and projects undertaken by the Department at the state level are also in compliance with other applicable federal laws and implementing regulations, including, but not limited to, the following: (a) Section I of the Civil Rights Act of 1866 (42 U.S.C. 1981 et seq.). (b) Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.). (c) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. 3601 et seq.), as amended. (d) The National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.). (e) Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 790 et seq.). (f) The Flood Disaster Protection Act of 1973 (Pub. L. 93-234). (g) The Age Discrimination Act of 1975 (42 U.S.C. 6101 et seq.). (h) Executive Order 11063—Equal Opportunity and Housing, as amended by Executive Order 12892. (i) Executive Order 11246—Equal Employment Opportunity, as amended. (j) Executive Order 11625—Minority Business Enterprise.

	(k) Executive Orders 11988—Floodplain Management, and 11990—Protection of Wetlands. (l) Executive Order 12250—Leadership and Coordination of Non-Discrimination Laws. (m) Executive Order 12630—Governmental Actions and Interference with Constitutionally Protected Property Rights. (n) Robert T. Stafford Disaster Relief and Emergency Assistance Act, as amended (42 U.S.C. 5121 et seq.). (o) Executive Order 12892—Leadership and Coordination of Fair Housing in Federal Programs: Affirmatively Furthering Fair Housing (January 17, 1994).
R17-3-701	(A). Purpose The definitions are generally consistent with federal and state laws, and the Federal and State Agreement. However, to ensure future consistency with all applicable terms already defined by statute, the introductory paragraph in this subsection should be amended to read, "In addition to the definitions prescribed under A.R.S. § 28-7901, the following terms apply to this Article, unless otherwise specified:". (B). Outdoor advertising permit application procedure The rules are generally consistent with federal and state laws, and the Federal and State Agreement. However, subsection (B)(10) is not consistent with A.R.S. § 28-7906, in that a sign that is erected prior to the issuance of a permit is unlawful and the Director shall begin the process of having the sign removed, not just charging a nominal fee. (C). Administrative Rules The rules are generally consistent with federal and state statutes and regulations, except that the highway classification terminology provided (primary or secondary highway), needs to be updated to conform to current highway classifications as designated by the Federal Highway Administration.
R17-3-701.01	This rule is generally consistent with state statutes and other rules made by the Department, except that the reference to A.R.S. § 28-2102(A)(4) or (5) was renumbered to A.R.S. § 28-7912 and amended after promulgation of the rule. An incorporated city or town or a county may control outdoor advertising along interstate, secondary and primary highways by enacting comprehensive zoning ordinances as provided under A.R.S. § 28-7912. 23 U.S.C. 131(d) provides that "[t]he States shall have full authority under their own zoning laws to zone areas for commercial or industrial purposes, and the actions of the States in this regard will be accepted for the purposes of this Act. Whenever a bona fide State, county, or local zoning authority has made a determination of customary

	use, such determination will be accepted in lieu of controls by agreement in the zoned commercial and industrial areas within the geographical jurisdiction of such authority."
R17-3-703	This rule is consistent with state statutes and other rules made by the Department, except that A.R.S. § 28-7901(11), which previously contained the definition of an "unzoned commercial or industrial area," was renumbered and amended as A.R.S. § 28-7901(14) after promulgation of the rule. The authorizing statutes and this rule are fully consistent with the federal guidelines established for junkyard control programs under 23 U.S.C. 136.
R17-3-901 R17-3-902 R17-3-904 R17-3-905 R17-3-906	These rules are consistent with A.R.S. §§ 28-642 and 28-7311 and other rules made by the Department.

5. Are the rules enforced as written? **Yes _X_ No ___**

If not, please identify the rules that are not enforced as written and provide an explanation of the issues with enforcement. In addition, include the agency's proposal for resolving the issues.

Rule	Explanation
R17-3-301	The Department enforces all 34 sections of the federal regulations as incorporated by reference under these rules. However, to determine the maximum statutory benefit allowed in Arizona, the Department must use the benefit allowance limits provided under Title 28, Arizona Revised Statutes, Chapter 20, Article 7, which were amended by Laws 2014, Ch. 28, §§ 6 through 8 and Laws 2021, Ch. 335, § 16 to match the increased amounts now permitted at the federal level as described under Item 8 below.
R17-3-502	The Department enforces this rule as written. However, the Department's enforcement efforts are limited if the previous owner of the property with an existing permitted encroachment fails to properly inform the new owner of the requirement to apply for a new encroachment permit under R17-3-502(D). Since the Department is not generally involved in sales or transfers of real property abutting a state highway right-of-way, there is no way for the Department to determine who recently purchased the property, or to verify whether or not the previous property owner appropriately disclosed to the new property owner that a new encroachment permit would be required under R17-3-502(D). *Here is an example of why this notification process is so important:*

	When a landowner requests access to a property from US60 (driveway, could be gravel, could be paved, etc.), the Department may issue an encroachment permit detailing specific requirements that the landowner must abide by when constructing and maintaining such access. If Department engineers conclude that a proposed driveway will likely cause a drainage issue, the encroachment permit issued by the Department will provide detailed instructions that the property owner must follow to appropriately mitigate the drainage issue and successfully maintain that access. The property owner may agree to clear any culvert(s) built under the driveway on a monthly basis, and acknowledge that a certain type of cattle guard gate will be installed, maintained, and inspected at least quarterly if a Department right-of-way fence is cut to allow the driveway. The permit is the contract and agreement between the abutting property owner and the Department. However, if that property is subsequently sold, the new owner may have no idea that the gate and the culvert need to be maintained. The new property owner may not need that access point or even know to whom it belongs. Gone unchecked, mud, rocks, and other debris can build up and create a drainage issue that may trigger flooding along the US60, the fence may break, cows can get onto US60, which could lead to closing down the highway while the Department and the highway patrol work diligently to wrangle and remove the unwary cattle from the roadway. Each encroachment permit issued by the Department references the notification requirement for safety reasons. The Department is actively seeking an electronic solution that may improve the notification process, and if determined by the Department to be a feasible solution, the rule will be amended accordingly.
R17-3-701(B)	The rules are generally enforced as written except for subsection (B)(10), which stipulates that the Department shall charge a fee of $20 in addition to the regular permit fee if a sign is illegally erected prior to the issuance of a permit. In this scenario, the Department would initiate a process by which the sign owner is required to remove the sign at the owner's expense, as signs erected in this manner would be deemed unlawful and found to be in violation of federal and state laws and regulations. The Department does not have statutory authority to charge a fee for signs erected prior to issuance of a permit. However, the Department will afford an unlawful sign owner the opportunity to apply for an appropriate permit on payment of the $20 application fee authorized under A.R.S. § 28-7909. If, after processing the application, the Department determines that the sign cannot be allowed to remain, and the applicant refuses to remove the sign, the Department will begin the process of having the sign removed as provided under A.R.S. § 28-7906.

6. Are the rules clear, concise, and understandable? **Yes ___ No _X_**

If not, please identify the rules not clear, concise, or understandable and provide an explanation as to how the agency plans to amend the rules to improve clarity, conciseness, and understandability.

The Department intends to further clarify the following rules by making minor technical corrections that may provide additional regulatory relief for some of the industry and ensure that the rules are more clear, concise, and understandable. Additional amendments may be needed to ensure conformity with the rulemaking format and style requirements of the Secretary of State's Office.

R17-3-202	While the rules are generally clear, concise, and understandable, the Department believes that the regulated community and the Department may benefit by amending the rules concerning financial statements, as follows: (B)(l) Clarify that all amounts stated in the financial statements shall be in US currency, and consider adding other standards for financial statements if necessary in light of changing accounting standards. Consider amending the rule to change, from 15 months to 16 months, the period of time within which prequalification remains valid. (E)(1) Amend to require contractors requesting prequalification to submit individual statements in addition to the combined statements currently required by generally accepted accounting principles. Clarify that financial statements shall cover a fiscal year, and that the Department will not consider a financial statement that does not comply with that requirement without a showing of good cause. Amend to clarify that the Board, in considering working capital (current assets minus current liabilities), will exclude the following items from current assets in calculating adjusted current assets: • 50 percent of Inventory • Receivables from owners, employees, or related parties • Prepaid insurance Clarify that adjusted working capital shall equal adjusted current assets minus current liabilities. (E)(3) Consider adjusting the maximum prequalification limit prescribed in the year 2001 to a more current value using the Federal Highway Administration's National Highway Construction Cost Index.

	(F)(4) Amend to specify that the maximum prequalification amount authorized by the Board for a contractor prequalification is the lesser of 20 times a contractor's adjusted working capital or 10 times a contractor's net worth. Amend to provide for stated prequalification amounts of up to $250 million. A prequalification amount of greater than $250 million will be considered "unlimited." (G)(1) Amend to additionally reference the Department's administrative hearing procedures under 17 A.A.C. 1, Article 5.
R17-3-302	(A) The words "federal agency or state" should be removed from the definition of "Decent, safe, and sanitary dwelling," since the funding agency for any project applicable to these rules would be the Arizona Department of Transportation, as indicated under the definition of "agency" in this Section. (C) Similarly, the word "federal" should be removed from the last sentence of this subsection. All of the rules located under Article 3 (R17-3-301, R17-3-302, R17-3-303, and R17-3-305) will be amended to incorporate by reference the updated federal regulations, as published at 89 FR 36908, May 3, 2024.
R17-3-501	The phrase "unless otherwise defined," is unnecessary and should be removed from the introductory paragraph. The term "State highway" was renumbered under A.R.S. § 28-101. Delete subsection (47) reference.
R17-3-504	(B)(5) Amend to require that an application include a legal description of the location (i.e. GPS coordinates or highway station markers).
R17-3-507	(A) Amend by striking, "under A.R.S. §§ 41-1072 through 41-1077 and A.A.C. R17-1-102," and inserting "within the time-frames established by the Department under A.A.C. R17-1-102." (C) Amend for clarity and conciseness. (C)(3) Insert "and 17 A.A.C. 1, Article 5" at the end of the sentence.
R17-3-701	(A) Amend the introductory paragraph to read, "Definitions. In addition to the definitions prescribed under A.R.S. § 28-7901, the following terms apply to this Article unless otherwise specified:". Define the term "Complete application" and clarify that it includes all required supporting documentation. (A)(1) The term "abandoned sign" is not used within the rule. Additionally, the definition is inconsistent with the federal regulatory definition.

	(A)(8) The phrase "Federal or state law" is unnecessary. (A)(9) The term "illegal sign" is defined but not used within the text of the rule. (A)(10) The definition of "Intended to be read from the main traveled way" contains regulatory criteria inappropriate for a definition Section. (A)(13) The term "lease" is unnecessary. (A)(14) The definition of "maintain" is vague. Additionally, included within the definition are the terms "of good repair," "safe condition," and "copy," which are not defined in the rule. (A)(20) The definition of "on-premise sign" is confusing and contains regulatory criteria inappropriate for a definition Section. Additionally, the independent clause "(such signs are not controlled by state statutes)," which was once necessary for clarification purposes, is no longer a true statement and should be deleted. Blinking and flashing are now controlled by statute. (A)(26) The phrase "scenic overlook or rest area" is not used in the text of the rule language, but different variations of the phrase are used. (A)(29) The definition of "Within the view of and directed at the main-traveled way" contains regulatory criteria inappropriate for a definition Section. Subsection (B) would be more clear, concise, and understandable if divided into smaller, more manageable, subsections consistent with the subject areas. (B)(1) This subsection is unnecessary. (B)(3) The current rule incorrectly specifies that new permit applications should be mailed to the maintenance permit engineer. The permit application process is centralized through the Department's Statewide Permits Services unit, located in Phoenix, thereby making the availability of assistance at District offices incorrect. (B)(5) This subsection specifies that the application must indicate the legal description of the sign site, but does not indicate what constitutes a legal description. (B)(9) This subsection is more appropriately placed within Department policies and procedures. (B)(10) Clarify the last sentence which appears to require an additional $20 noncompliance fee. If a sign was illegally erected the Department would immediately initiate the process prescribed under A.R.S. § 28-7906, by which the sign owner would be required to remove the sign at the owner's expense. However, if an application is denied for noncompliance, the applicant may

	submit a new application on payment of a new $20.00 application fee if timely compliance is subsequently achieved. Subsection (C) would be more clear, concise, and understandable if renamed to read, "Conformance Requirements; Hearings" and divided into smaller, more manageable, subsections consistent with the subject areas. (C)(1) This subsection is unnecessary. (C)(2) This subsection is unclear because it does not specify what a primary or secondary highway is, nor does it provide guidance on how to obtain an encroachment permit. The rule should be amended to reference the definitions prescribed under A.R.S. § 28-7901, and appropriate references should be added to provide guidance on how to obtain an encroachment permit. (C)(3) This subsection does not prescribe the consequences of a sign being in violation and should be amended to reference A.R.S. § 28-7906. (C)(3)(c) The restriction on a nonconforming sign being rebuilt does not qualify the phrases "different configuration" or "material composition." (C)(4) This subsection provides no reference to any definition of "commercial or industrial activity." (C)(11) This subsection should be amended to cite the administrative hearing rules provided under 17 A.A.C. 1, Article 5. Subsection (D) would be more clear, concise, and understandable if amended as follows: (D)(1) Subsection is unnecessary. (D)(3) Amend minor formatting and typographical errors. (D)(3)(d) The highway classification terms need to conform to current highway classifications. (D)(3)(f) Update to reflect the Department's current process for determining eligibility for directional signs in support of privately owned activities and attractions. (D)(3)(f)(vii) The rule does not properly reference where a person may locate the "Rules and Regulations for Outdoor Advertising along Arizona Highways." (D)(3)(g) This subsection does not specify how it is determined that an area is "primarily rural in nature," or provide who is to make such a determination. (D)(3)(h) This rule does not specify if the official signs and notices require a permit.
R17-3-701.01	(A) Strike "A.R.S. § 28-2102(A)(4) or (5)," and insert "A.R.S. § 28-7902(A)(4) or (A)(5)."

	(B)	Strike "A.R.S. § 28-2106(4)," and insert "A.R.S. § 28-7909." Define "comprehensive zoning plan" to include how the Department determines that the zoning is "created primarily to permit outdoor advertising structures." Define "limited commercial or industrial activities," to include how the Department determines that the use is "incident to other primary land uses."
R17-3-703	(B) (B)(5)	Amend to add, "In addition to the definitions provided under A.R.S. § 28-7941, the following terms apply to this Section." Strike "A.R.S. § 28-7901(11)," and insert "A.R.S. § 28-7901, "Unzoned commercial or industrial area."
R17-3-901	(A)	The definitions of "Major metro area," "Rural area," and "Urban area" appear to be in conflict with the term "Urbanized area" as defined in R17-3-902, Logo Sign Programs, as meaning the same as prescribed in A.R.S. § 28-7311(E)(2). The U.S. Census Bureau no longer distinguishes between different types of urban areas based on size of population above or below 50,000 people and they no longer label areas as either urbanized areas or urban clusters. All areas, regardless of population size, are simply called "urban areas." The Department should re-examine these definitions to determine if they should be updated to reflect the existing population standards when determining which colleges and universities might be eligible to apply for signing under these rules.
R17-3-902	(A)	The definition of "Domestic microbrewery" needs to be amended to reflect statutory updates provided under Laws 2015, Ch. 131, § 1, which raised the upper threshold to still be considered a microbrewery to 6.2 million gallons of beer in a calendar year. The definition of the term "Highway" should be amended to reflect that the term is defined under A.R.S. § 28-101, "Street" or "highway". Remove the subsection numbers from all references of A.R.S. § 28-7311 to avoid future issues when statutes are renumbered.

7. **Has the agency received written criticisms of the rules within the last five years?** **Yes ___ No _X_**

If yes, please fill out the table below:

Commenter	Comment	Agency's Response
N/A	N/A	N/A

The Department has not received any written criticisms of R17-3-701 in the last five years, however, two of the comments the Department received during its last rulemaking effort at 18 A.A.R. 2347, September 28,

2012, will still be considered if the Department is eventually able to move forward with any anticipated rule amendments:

Scenic Arizona requested that the Department amend R17-3-701(A)(16)(a) to add the term "cumulative," suggesting that this change will prevent someone from replacing a nonconforming sign by scheduling maintenance in at least two phases to stay within the required 50%. The Department believes that this comment merits further analysis and will consider the suggested language in a future, more comprehensive, rulemaking.

Scenic Arizona requested that the Department also strike the language "beyond normal maintenance" in R17-3-701(C)(3)(c), suggesting that normal maintenance does not include changes in configuration or materials used in the sign. The Department believes that this comment also merits further analysis and will consider the suggested change in a future, more comprehensive, rulemaking.

Scenic Arizona is a Tucson branch of Scenic America, which describes itself as the only national 501(c)(3) nonprofit organization dedicated to preserving and enhancing the visual character of the country's roadways, countryside, and communities.

8. Economic, small business, and consumer impact comparison:

The economic impact of each of these rules has been the same as estimated by the Department in the economic impact statement prepared on the last amendment of each rule.

Article 2. Management of Contractor Bidding	Currently, there are 125 prequalified contractors interested in doing business with the Department. The economic impact of the following rules has been the same as estimated in the economic impact statement prepared on the last amendment of the rules.
Article 3. Relocation Assistance	Although the economic impact of the rules in this Article remains the same as estimated by the Department in the economic impact statement prepared on the last amendment of the rules, Laws 2014, Ch. 28, §§ 6 through 8 and Laws 2021, Ch. 335, § 16, incorporated several of the amendments to the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended in Section 1521 of the Moving Ahead for Progress in the 21st Century Act (MAP-21), which increased the allowable maximum statutory benefit effective October 1, 2014, as follows: • Replacement housing payments for displaced homeowners under A.R.S. § 28-7144(A) increased from $22,500 to $31,000; • Replacement housing payments for displaced tenants under A.R.S. § 28-7146(B) increased from $5,250 to $7,200;

	• Reestablishment payments for displaced businesses under A.R.S. § 28-7143(A)(4) increased from $10,000 to $50,000 (effective September 29, 2021); • Fixed payments for nonresidential moves under A.R.S. § 28-7143(C) increased from $20,000 to $40,000; and • Length of occupancy requirement for homeowners under A.R.S. § 28-7144(A) was reduced from 180 days to 90 days in occupancy before the initiation of negotiations. The Federal Highway Administration will reimburse these funds to the state with Title 23 grant funding as provided under 23 CFR 710.203. Additionally, where ADOT previously reported having 14 state employees and 2 consultants directly involved with relocation and property management activities, the Department now has 4 state employees, 8 consultants, and 4 consulting firms involved with these activities.
Article 5. Encroachment Permits	Costs to persons regulated by this rule are minimal and include the costs associated with completing an application or request form provided by the Department and providing the Department with all required documentation in support of the request. The Department believes that this rule imposes no significant burden or costs to persons regulated by the rule. In **FY 2019**, the Department's Statewide Permits Services unit: • Received 2504 encroachment permit applications; • Issued 2055 encroachment permits (permits are to be issued within 150 days of receipt; unless the clock stops due to required information on the applicant's part, meetings, etc.; some projects are extensive in scope and, in some cases, may take years to finalize); and • Denied 5 encroachment permit applications. In **FY 2024**, the Department's Statewide Permits Services unit: • Received 2524 encroachment permit applications; • Issued 2076 encroachment permits; and • Denied 0 encroachment permit applications.
Article 7. Highway Beautification	In **FY 2019**, the Department's Statewide Permits Services unit processed: ● Outdoor Advertising permit applications received: 32 ● Outdoor Advertising permits issued: 28 (permits are to be issued within 60 days of receipt; unless the clock stops due to required information on the applicant's part)

<table>
<tr><td></td><td>

Outdoor Advertising applications denied: 3
Outdoor Advertising Permits canceled: 47
Current signs in inventory renewed and/or monitored annually: 2071 (permitted conforming requiring renewal of permit: 1678; permitted nonconforming requiring renewal of permit: 140; grandfathered nonconforming monitored to comply with regulations: 253)

In FY 2019, ADOT continued to employ a contractor (under contract for $365,465) to perform a semiannual inventory of current signs, and inspect new signs for new permit requests received by the Outdoor Advertising program. ADOT received $20 per new application and $5 per annual renewal (28 x $20 = $560 and 1818 x $5 = $9,090 for a total reimbursement of $9,650 for the state highway fund).

In FY 2024, the Department’s Statewide Permits Services unit has processed:

Outdoor Advertising permit applications received: 18
Outdoor Advertising permits issued: 10 (permits are to be issued within 60 days of receipt; unless the clock stops due to required information on the applicant’s part)
Outdoor Advertising applications denied: 8
Outdoor Advertising Permits canceled: 8
Current signs in inventory renewed and/or monitored annually: 2119 (permitted conforming requiring renewal of permit: 1872; permitted nonconforming requiring renewal of permit: 127; grandfathered nonconforming monitored to comply with regulations: 247)

In FY 2024, the Department’s Outdoor Advertising program performs the semiannual inventory of current signs and inspects new signs for new permit requests received. ADOT still receives $20 per new application and $5 per annual renewal (18 x $20 = $360 and 1872 x $5 = $9,360 for a total reimbursement of $9,720 for the state highway fund). This program is an unfunded federal mandate. If Arizona does not effectively control outdoor advertising, the FHWA may withhold 10% of the state’s transportation budget for the year. The probable benefits of the rules outweigh the probable costs of the rules.
</td></tr>
<tr><td>Article 9. Highway Traffic Control Devices</td><td>
Since FY 2015, the Department’s cash flow to the State Highway Fund from Urban/Rural Logo Sign Programs has increased exponentially as follows:
<table>
<tr><th></th><th>FY15 Actual</th><th>FY19 Actual</th><th>FY24 Actual</th></tr>
<tr><td>Total Infrastructure Investment</td><td>2,308,868</td><td>1,472,854</td><td>1,062,682</td></tr>
</table>
</td></tr>
</table>

		(20 traffic interchanges, 92 leases, 4.6 leases per traffic interchange)	(352 traffic interchanges, 1863 leases, 5.29 leases per traffic interchange)	(385 traffic interchanges, 2154 leases, 5.59 leases per traffic interchange)
	Cash Flow Before Operating Expenses	(971,348)	3,876,950	6,134,096
	Operating Expenses	830,681	806,829	707,698
	Cash Flow - Urban	(1,802,028)	950,655	4,026,766
	Cash Flow - Rural	(1,558,587)	2,119,465	1,216,506
	Total Cash Flow - Highway Fund	(243,441)	3,070,121	5,243,272

9. Has the agency received any business competitiveness analyses of the rules? **Yes ___ No _X_**

10. Has the agency completed the course of action indicated in the agency's previous five-year-review report?

Yes ___ No _X_ *Please state what the previous course of action was and if the agency did not complete the action, please explain why not.*

The Department did not complete the course of action indicated in its previous five-year review report for the following rules after determining that the recommendations did not merit an exemption from the rulemaking moratorium. The rules generally met objectives and were effective, consistent with statute, and enforceable as written. All the indicated amendments, although justifiable at the time of the report, were noncritical and did not have a significant impact on the enforceability of the rules. The indicated amendments (to provide additional clarification, update statutory references, and ensure conformity with current rulemaking format and style requirements) were intended only to improve rule clarity, conciseness, and understandability, but did not rise to the level of urgency necessary for the Department to seek special permission from the Governor's Office to proceed with rulemaking while under a strict rulemaking moratorium. However, the Department remains committed to making the amendments, as outlined in this report, and will request permission from the Governor's Office to complete the anticipated amendments on Council approval of this report.

Article 2. Management of Contractor Bidding: The Department's previous five-year review of the following rule indicated that the Department would seek an exception from the Governor's Office to proceed with rulemaking, and if approved, would amend the rule by June 30, 2020.

R17-3-202. Contractor Prequalification

Article 3. Relocation Assistance: The anticipated course of action indicated by the Department in its previous five-year review of these rules (to amend the rules by June 30, 2020) was entirely contingent on when the U.S. Department of Transportation could successfully amend the federal regulations under 49 CFR 24, Uniform Relocation Assistance and Real Property Acquisition for Federal and Federally Assisted Programs. The federal regulations incorporated by reference under the following rules were finally amended at 89 FR 36908, May 3, 2024, effective June 3, 2024:

R17-3-301. Relocation Assistance; Adoption of Federal Regulations
R17-3-302. Relocation Assistance; 49 CFR 24, Subpart A - General
R17-3-303. Relocation Assistance; 49 CFR 24, Subpart C - General Relocation Requirements
R17-3-305. Relocation Assistance; 49 CFR 24, Subpart E - Replacement Housing Payments

Although the Department's implementing statutes were updated by Laws 2014, Ch. 28, §§ 6 through 8 and Laws 2021, Ch. 335, § 16, to reflect the increased maximum statutory benefit amounts prescribed in Section 1521 of the Moving Ahead for Progress in the 21st Century Act (MAP-21), the Department is currently in the process of analyzing all the new amendments made to 49 CFR 24 at 89 FR 36908, May 3, 2024 and will request permission from the Governor's Office to proceed with the necessary rulemaking on Council approval of this report.

Article 5. Highway Encroachments and Permits: The Department's previous five-year review of the following rules indicated that the Department would amend the rules by June 30, 2020, to improve clarity, conciseness, and understandability as indicated under item 6 above:

R17-3-501. Definitions
R17-3-502. Applicability
R17-3-503. Who Can Apply for an Encroachment Permit
R17-3-504. General Application Procedures
R17-3-505. Supporting Documentation
R17-3-506. Encroachment Permit Requirements
R17-3-507. Review Procedures
R17-3-508. Unauthorized Encroachments; Enforcement Actions
R17-3-509. Hearings

Article 7. Highway Beautification: The Department's previously stated course of action indicated that amendments would be completed on these three rules by June 30, 2020, to improve clarity, conciseness, and understandability of the rules:

R17-3-701. Outdoor Advertising Control
R17-3-701.01. Outdoor Advertising Control: Restrictions on the Erection of Billboards and Signs and Restrictions on the Issuance of Permits
R17-3-703. Arizona Junkyard Control

The Department has noted the suggestions received from Scenic Arizona as indicated under item 7 above.

Article 9. Highway Traffic Control Devices: The Department indicated no course of action in the previous five-year review report for the following rules:

R17-3-901.	Signing for Colleges and Universities
R17-3-902.	Logo Sign Programs
R17-3-904.	MUTCD Requirements for Logo Signs
R17-3-905.	Rural Logo Sign Requirements
R17-3-906.	Existing Leases

11. <u>A determination that the probable benefits of the rule outweigh within this state the probable costs of the rule, and the rule imposes the least burden and costs to persons regulated by the rule, including paperwork and other compliance costs necessary to achieve the underlying regulatory objectives:</u>

In rulemaking, the Department routinely adopts the least costly and least burdensome option for any process or procedure required of the regulated public or industry. Therefore, the Department has determined that the benefits of all the rules in this Chapter outweigh the costs.

Article 2. Management of Contractor Bidding

R17-3-201 R17-3-202 R17-3-203 R17-3-204	Although a contractor must pay a public accountant or CPA to prepare the financial statement, the rules do not require a contractor to submit a more costly "examined" financial statement. Instead, a contractor may submit a compiled financial statement that does not give an accountant's professional opinion as to the contractor's financial stability. The rules in this Article are designed to minimally impact small business contractors and the Department believes that the probable benefits of the rules outweigh the probable costs of the rules. The Department believes that these rules already provide the least burdensome process, other than eliminating the contractor prequalification process altogether. Many firms have expressed a deep appreciation for the Department's prequalification process, and each time the Department begins to openly consider eliminating the process, many of the contractors protest the idea. The Department's prequalification process allows contractors to feel confident that if they submit a bid on a project, they will not be underbid by a disreputable firm that does not have proven work experience or the financial stability needed to carry through on any awarded contract. Additionally, some contractors are proud of their ADOT prequalification status and have successfully used that status as a good reference to help them qualify for large projects offered by other clients. The not readily quantifiable benefits of avoiding contractor default while also promoting confidence in the Department's competitive bidding process appear to be greater than any costs associated with these rules. Contractor costs are low since any

	sort of business information or documentation required of a contractor for compliance with the rules is much of the same business information or documentation already maintained in other business contexts, such as financial statements used to maintain insurance policies or as support for fiscal tax filings, etc. The business information and documentation accepted by the Department is generally readily available.

Article 3. Relocation Assistance

R17-3-301 R17-3-302 R17-3-303 R17-3-304	The relocation assistance rules in this Article mirror the federal standards and guidelines provided under 49 CFR 24, but are prescribed by the Department for use when the program or project is not currently, or intended to be, part of the National Highway System and would not otherwise qualify for federal funding. However, as provided in 23 U.S.C. 109, the U.S. Department of Transportation holds the Department in strict compliance with all existing federal standards and guidelines when administering any program or project funded, in whole or in part, by federal-aid. Adherence to well-established federal standards and guidelines for any proposed highway program or project that may eventually involve a portion of the Federal-aid Highway System provides certain assurances that all possible adverse economic, social, or environmental impacts of the proposed highway program or project will be fully considered in the development stage, and that the final decisions on the program or project will be made in the best overall public interest, taking into consideration the need for fast, safe and efficient transportation, public services, and the costs of eliminating or minimizing such adverse effects, including: (1) Air, noise, and water pollution; (2) Destruction or disruption of man-made and natural resources, aesthetic values, community cohesion and the availability of public facilities and services; (3) Adverse employment effects, and tax and property value losses; (4) Injurious displacement of people, businesses and farms; and (5) Disruption of desirable community and regional growth. Adopting the federal uniform relocation assistance guidelines for use on state-level transportation programs and projects has encouraged procedural uniformity for the Department and individuals, families, businesses, and farm operations displaced as a result of programs and projects undertaken by the Department. Although the rules in this Article represent only a small portion of the Department's exhaustive transportation planning processes, the uniform procedures allow the Department to: ensure the fair and equitable treatment of displaced persons; minimize the hardship of displacement on such persons; and ensure that those persons do not suffer

	disproportionate injuries as a result of any program or project designed for the benefit of the public as a whole, as required under A.R.S. § 28-7142.

Article 5. Highway Encroachments and Permits

R17-3-501 R17-3-502 R17-3-503 R17-3-504	Costs to persons regulated by the rules in this Article are minimal and include the costs associated with completing an encroachment permit application and providing the Department with all required documentation in support of the permit application. The Department believes that these rules impose no significant burden or costs to persons regulated by the rules other than the minimal costs involved with any necessary correspondence between the Department and the permit applicant. No fees are authorized by statute, or collected by the Department, for reviewing and acting on an encroachment permit application. ADOT employees, at no charge to the customer, perform the required engineering analyses, inspections, review, etc. The process used by Department engineers and permit technicians for deciding whether to approve or deny an encroachment permit application is complex and varies depending on the type of encroachment permit requested. Some encroachment permit applications involve portions of highways that may conflict with scheduled ADOT construction projects, or portions of highways identified as part of a joint project agreement between the Department and a county or political subdivision, which may delay issuance of the requested permit for several months. Due to obvious concerns for public safety, these permits cannot be issued until the entire analysis process is complete. ADOT does not recover costs or charge any other fees in connection with this process. The probable benefits of these rules outweigh the probable costs of the rules.

Article 7. Highway Beautification

R17-3-701 R17-3-702 R17-3-703 R17-3-704	Costs to persons regulated by the rules in this Article are minimal and include the costs associated with completing an Outdoor Advertising Permit application and providing the Department with all required documentation in support of the permit application. The Department believes that these rules impose no significant burden or costs to persons regulated by the rules other than the minimal costs involved with any necessary correspondence between the Department and the permit applicant. 23 U.S.C. 131 requires states to provide effective control of the erection and maintenance of outdoor advertising signs, displays, and devices along the interstate system and the primary system within 660 feet of the nearest edge of the right-of-way if visible from the main-traveled way of the system and erected with the purpose of

	the message being read from that main-traveled way. The Federal Highway Administration may withhold 10% of the federal-aid highway funds apportioned to the state under 23 U.S.C. 104 if it determines that the Department has not provided effective control. The probable benefits of these rules outweigh the probable costs of the rules.

Article 9. Highway Traffic Control Devices

R17-3-901 R17-3-902 R17-3-903 R17-3-904	All costs incurred by the Department and any sponsor participating in the Department's logo sign program are paid under agreements negotiated between the Department and the sponsors who seek to join the Department in providing information about motor vehicle- and motorist-related goods and services directly to the motoring public throughout the state. Federal regulations limit participation in the logo sign program to certain types of travel-related businesses (e.g. gas, food, lodging, etc.), however, participation in the program is completely voluntary and subject to the availability of logo sign space. The Department has only minor flexibility regarding the design and placement of these types of highway signs due to strict federal standards and regulations, state rules, and other highway traffic engineering considerations. Current program design, logo sign size, and locations are very dependent on traffic engineering and must comply with the current edition of the Manual on Uniform Traffic Control Devices, which specifically outlines the types of businesses that can actually qualify for participation in such programs, limits the number of logos and signs that can be erected, and controls where these types of signs are located. The Department has determined that these rules impose the least burden and cost to persons regulated by the rules, including paperwork and other compliance costs necessary to achieve the underlying objectives.

12. Are the rules more stringent than corresponding federal laws? **Yes ___ No _X_**

Please provide a citation for the federal laws. And if the rules are more stringent, is there statutory authority to exceed the requirements of federal laws?

All Articles	All of the rules contained in this Chapter are either in conformance with corresponding federal laws, or no corresponding federal law exists. The Department is obligated to follow all federal laws, rules, and guidelines relating to highways built or maintained with federal-aid funding. Where highways or other transportation facilities are built and maintained solely with state and local funding, all state laws, rules, and guidelines apply. The following references to federal laws, rules, and guidelines apply to the

	subject matter of these rules; however, the rules are not more stringent than any of the federal laws, rules, and guidelines: Title 23, United States Code (U.S.C.), Section 109(d), Standards for Federal-Aid Highways; 23 U.S.C. 111(b), Rest Areas; 23 U.S.C. 131, Control of Outdoor Advertising; 23 U.S.C. 156, Proceeds from the Sale or Lease of Real Property; 23 U.S.C. 402, Highway Safety Programs; 23 Code of Federal Regulations (CFR), Section 1.23(b), Rights-of-way; Manual on Uniform Traffic Control Devices for Streets and Highways (MUTCD), published by the Federal Highway Administration (FHWA) as prescribed under 23 CFR 655, Subpart F, Traffic Control Devices on Federal-Aid and Other Streets and Highways; 23 CFR 655.603, Standards for Traffic Control Devices on Federal-Aid and Other Streets and Highways; 23 CFR Part 750, Highway Beautification (for controlled routes); 49 CFR 1.85, Delegations to Federal Highway Administrator; and FHWA Order 5160.1A, Policy on Sponsorship Acknowledgment and Agreements within the Highway Right-of-Way (April 7, 2014); and IRC Sec. 170(c)(1) Charitable, etc., contributions and gifts.

Article 2. Management of Contractor Bidding

R17-3-201 R17-3-202 R17-3-203 R17-3-204	The rules in this Article are applicable to "state-funded" transportation facility construction or reconstruction projects and have no corresponding federal law. However, the rules are not more stringent than the federal-aid procurement regulations maintained by the Federal Highway Administration for "federally-funded" transportation facility construction or reconstruction projects. While the federal government does not require a prequalification process in order to receive federal aid, the Federal Highway Administration recognizes that, "A State Transportation Agency's (STA's) procedures for soliciting and awarding construction contracts are an important part of the competitive bidding process. To ensure a competitive contracting environment, STAs should develop effective prequalification programs and other procedures to ensure fairness in the pre-bid solicitation process and post award review of construction bids." *Guidelines on preparing engineer's estimate, bid reviews and evaluation", dated January 20, 2004.* [Source: http://www.fhwa.dot.gov/programadmin/contracts/ta508046.pdf]

	The FHWA federal-aid procurement regulations are applicable to traditional construction, engineering and design services, non-engineering/non-architectural, and innovative contracts on certain construction projects involving "federally-funded" transportation facilities, and are not intended to address potential procurement issues that are particular to a specific state or local agency's procurement legislation, regulations, or practices. Therefore, state and local agency regulations for "state-funded" transportation facility construction or reconstruction projects may be more restrictive. State and local agencies must consider their respective statutory requirements and pertinent case law in determining the legal feasibility of utilizing a particular contracting technique, feature, or provision. The following state statutes were used in determining the consistency: A.R.S. §§ 28-6923, 28-7363(E), and 41-2501(J) and (N).

Article 3. Relocation Assistance

R17-3-301 R17-3-302 R17-3-303 R17-3-304	The federal relocation assistance laws, the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, and the federal regulations in 49 CFR Part 24, Subparts A, C, and E, and Appendix A (October 1, 2010), are applicable to these rules as incorporated by reference. The Department has determined that these rules are no more stringent than any corresponding federal law. All federal regulations incorporated by reference under this Article have been amended for applicability to "state-funded" transportation programs and projects, which have no corresponding federal law. However, the rules are not more stringent than the regulations maintained by the Federal Highway Administration for relocation assistance activities involved with programs and projects involving "federally-funded" transportation facility construction or reconstruction. FHWA regulations are applicable to relocation assistance provided for construction projects involving "federally-funded" transportation facilities, and are not intended to address transportation program and project issues that are particular to a specific state or local agency's authorizing legislation, regulations, or practices. Therefore, state and local agency regulations for "state-funded" transportation facility construction or reconstruction programs or projects may be more restrictive. State and local agencies must consider their respective statutory requirements and pertinent case law in determining the legal feasibility of utilizing a particular process for providing appropriate relocation assistance. The following state statutes were used in determining consistency: A.R.S. §§ 28-7141 to 28-7149 and 28-7152 and federal statutes under 42 U.S.C. 4601, et seq.

Article 5. Highway Encroachments and Permits

R17-3-501 R17-3-502 R17-3-503 R17-3-504	The rules in this Article have no corresponding federal law that is applicable to an encroachment activity proposed or conducted on a state highway or route under the jurisdiction of the Department. However, an encroachment activity involving the right-of-way on any federal highway or route would be subject to the requirements provided under 23 USC 111.

Article 7. Highway Beautification

R17-3-701 R17-3-702 R17-3-703 R17-3-704	The Department is obligated by statute, and by agreement with the Federal Highway Administration, to adhere to all acceptable standards for effective control of outdoor advertising signs, displays, and devices. The agreement does not prohibit the state, a municipality, or county from adopting standards that are more restrictive in controlling outdoor advertising than the provisions of the agreement. Additionally, the federal regulations that implement outdoor advertising control provide the necessary authority for states to exceed the requirements of the federal regulations (see 23 U.S.C. 131(k) and 23 CFR 750.155). Based on public comments received from outdoor advertising owners during the Department's last rulemaking, the definition of normal maintenance for nonconforming signs was adjusted to allow repairs to a sign when damaged if less than 60% of the uprights require replacement for wood uprights or less than 30% of the length of each upright support above ground for metal uprights require replacement. The FHWA Destroyed Sign Guidance Memorandum dated September 9, 2009, allows for more restrictive repair and replacement percentages, 40% and 20%, respectively. However, the Department believes that even with the 60% and 30% figures, fewer signs will be allowed to be repaired than under the previous rules. The rules in this Article are not more stringent than federal law.
R17-3-701.01	This rule is generally consistent with state statutes and other rules made by the Department, except that the statute was renumbered and amended after promulgation of the rule. An incorporated city or town or a county may control outdoor advertising along interstate, secondary and primary highways by enacting comprehensive zoning ordinances as provided under A.R.S. § 28-7912. 23 U.S.C. 131(d) provides that "[t]he States shall have full authority under their own zoning laws to zone areas for commercial or industrial purposes, and the actions of the States in this regard will be accepted for the purposes of this Act. Whenever a bona fide State, county, or local zoning authority has made a determination of customary use, such determination will be accepted in lieu of controls by agreement in the zoned

	commercial and industrial areas within the geographical jurisdiction of such authority."
R17-3-703	The Department is obligated by statute, and by 23 U.S.C. 136, to maintain effective control of junkyards located within 1000 feet of the right-of-way of the Interstate or primary systems if visible from the main-traveled way. Additionally, the federal regulations that implement outdoor junkyard control provide the necessary authority for states to exceed the requirements of the federal regulations (see 23 U.S.C. 136(l)). However, this rule is not more stringent than federal law.

Article 9. Highway Traffic Control Devices

R17-3-901 R17-3-902 R17-3-903 R17-3-904	The rules in this Article are not more stringent than any corresponding federal law. The Department is required under A.R.S. § 28-641 to use a uniform system that correlates with and as far as possible conforms to the most recent edition of the Manual on Uniform Traffic Control Devices (MUTCD) for Streets and Highways. The MUTCD defines the standards used by road managers nationwide to install and maintain traffic control devices on all public streets, highways, bikeways, and private roads open to public travel. The MUTCD is published by the Federal Highway Administration (FHWA) in accordance with the authority provided under 23 Code of Federal Regulations (CFR), Part 655, Subpart F.

13. For rules adopted after July 29, 2010 that require the issuance of a regulatory permit, license, or agency authorization, whether the rules are in compliance with the general permit requirements of A.R.S. § 41-1037 or explain why the agency believes an exception applies:

These rules detail the eligibility, application, and use requirements for a variety of permits and other authorizations the Department may provide by statute for issuance to any person or entity seeking to obtain permission to conduct certain activities that may require use of, intrusion upon, or construction of an improvement within a state highway right-of-way. Those statutes also provide specific authority for issuance, conditions, restrictions, approvals, and fees for each of the permits issued by the Department under the following rules:

Outdoor Advertising Permits are issued under R17-3-701(B);
Junkyard Screening Permits are issued under R17-3-703;
Contractor Prequalification Authorization is issued under R17-3-202;
Logo Sign Leasing Authorizations for Colleges and Universities are issued under R17-3-901(B); and
Logo Sign Leasing Authorizations for Urban and Rural Logo Signs are issued under R17-3-902.

The Department has fully analyzed these rules for compliance with the general permit issuance requirement provided under A.R.S. § 41-1037 and determined that all permits and authorizations issued under these

rules are "general permits" in that each permittee issued a particular type of permit is subject to the same activities, practices, requirements, and restrictions applicable to that permit type. Each regulatory permit, license, or agency authorization provided by the Department under these rules is specifically authorized by statute and falls within the criteria provided under A.R.S. § 41-1037.

However, under certain circumstances the rules may require additional application for an encroachment permit under A.R.S. § 41-1037 and 17 A.A.C. 3, Article 5, setting forth specific instances in which encroachment permits may be granted and allowing the Department to approve or disapprove an application outside the criteria of these rules. Since some requirements for obtaining an encroachment permit are generally applicable to all encroachment activities while others are specific to the encroaching activity under consideration, the issuance of a general permit as required under A.R.S. § 41-1037, may not always be technically feasible for Encroachment Permits issued under R17-3-502.

For example, the safe movement of oversize and overweight specialized vehicles, loads, or utility equipment being transported throughout the state requires detailed coordination and implementation of complex operations involving many variables. The Department may need to collect more specific information from certain permit holders operating under these rules to make informed decisions on how best to facilitate safe movement and ensure that all appropriate precautions are in place for the preservation of public safety and transportation infrastructure. Certain instances, which generally involve applications submitted for moving oversize and overweight super loads on a highway, or when exigent circumstances exist that may require special consideration by the Department or further coordination with the Arizona Department of Public Safety, may fall outside the criteria for general permit issuance and would be an exception to the general permit issuance requirement provided under A.R.S. § 41-1037.

14. Proposed course of action

If possible, please identify a month and year by which the agency plans to complete the course of action.

Article 2. Management of Contractor Bidding: On receiving Council approval and permission from the Governor's Office to proceed with rulemaking, the Department anticipates completing all of the necessary amendments to this Article, as indicated in this report, by September 30, 2025.

Article 3. Relocation Assistance: On receiving Council approval and permission from the Governor's Office to proceed with rulemaking, the Department anticipates completing all of the necessary amendments to this Article, as indicated in this report, by September 30, 2025.

Article 5. Highway Encroachments and Permits: On receiving Council approval and permission from the Governor's Office to proceed with rulemaking, the Department anticipates completing all of the necessary amendments to this Article, as indicated in this report, by September 30, 2025.

Article 7. Highway Beautification: On receiving Council approval and permission from the Governor's Office to proceed with rulemaking, the Department anticipates completing all of the necessary amendments to this Article, as indicated in this report, by September 30, 2025.

Article 9. Highway Traffic Control Devices: On receiving Council approval and permission from the Governor's Office to proceed with rulemaking, the Department anticipates completing all of the necessary amendments to this Article, as indicated in this report, by September 30, 2025.

TITLE 17. TRANSPORTATION

CHAPTER 3. DEPARTMENT OF TRANSPORTATION - HIGHWAYS

The table of contents on page one contains links to the referenced page numbers in this Chapter.
Refer to the notes at the end of a Section to learn about the history of a rule as it was published in the *Arizona Administrative Register*.

This Chapter contains rules that were filed to be codified in the *Arizona Administrative Code* between the dates of
July 1, 2022 through September 30, 2022

Questions about these rules? Contact:

Department: Department of Transportation
Rules and Policy Development
Address: 206 S. 17th Ave., Mail Drop 180A
Phoenix, AZ 85007
Website: https://azdot.gov/about/government-relations
Name: Candace Olson, Senior Rules Analyst
Telephone: (480) 267-6610
Email: COlson2@azdot.gov

The release of this Chapter in Supp. 22-3 replaces Supp. 20-3, 1-24 pages.
Please note that the Chapter you are about to replace may have rules still in effect after the publication date of this supplement. Therefore, all superseded material should be retained in a separate binder and archived for future reference.

PREFACE

Under Arizona law, the Department of State, Office of the Secretary of State (Office), Administrative Rules Division, accepts state agency rule notice and other legal filings and is the publisher of Arizona rules. The Office of the Secretary of State does not interpret or enforce rules in the *Administrative Code*. Questions about rules should be directed to the state agency responsible for the promulgation of the rule.

Scott Cancelosi, Director
ADMINISTRATIVE RULES DIVISION

RULES

The definition for a rule is provided for under A.R.S. § 41-1001. *"'Rule' means an agency statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedures or practice requirements of an agency."*

THE ADMINISTRATIVE CODE

The *Arizona Administrative Code* is where the official rules of the state of Arizona are published. The *Code* is the official codification of rules that govern state agencies, boards, and commissions.

The *Code* is separated by subject into Titles. Titles are divided into Chapters. A Chapter includes state agency rules. Rules in Chapters are divided into Articles, then Sections. The "R" stands for "rule" with a sequential numbering and lettering outline separated into subsections.

Rules are codified quarterly in the *Code*. Supplement release dates are printed on the footers of each Chapter.

First Quarter: January 1 - March 31
Second Quarter: April 1 - June 30
Third Quarter: July 1 - September 30
Fourth Quarter: October 1 - December 31

For example, the first supplement for the first quarter of 2022 is cited as Supp. 22-1. Supplements are traditionally released three to four weeks after the end of the quarter because filings are accepted until the last day of the quarter.

Please note: The Office publishes by Chapter, not by individual rule Section. Therefore there might be only a few Sections codified in each Chapter released in a supplement. This is why the Office lists only updated codified Sections on the previous page.

RULE HISTORY

Refer to the HISTORICAL NOTE at the end of each Section for the effective date of a rule. The note also includes the *Register* volume and page number in which the notice was published (A.A.R.) and beginning in supplement 21-4, the date the notice was published in the *Register*.

AUTHENTICATION OF PDF CODE CHAPTERS

The Office began to authenticate Chapters of the *Code* in Supp. 18-1 to comply with A.R.S. §§ 41-1012(B) and A.R.S. § 41-5505.

A certification verifies the authenticity of each *Code* Chapter posted as it is released by the Office of the Secretary of State. The authenticated pdf of the *Code* includes an integrity mark with a certificate ID. Users should check the validity of the signature, especially if the pdf has been downloaded. If the digital signature is invalid it means the document's content has been compromised.

HOW TO USE THE CODE

Rules may be in effect before a supplement is released by the Office. Therefore, the user should refer to issues of the *Arizona Administrative Register* for recent updates to rule Sections.

ARIZONA REVISED STATUTE REFERENCES

The Arizona Revised Statutes (A.R.S.) are available online at the Legislature's website, www.azleg.gov. An agency's authority note to make rules is often included at the beginning of a Chapter. Other Arizona statutes may be referenced in rule under the A.R.S. acronym.

SESSION LAW REFERENCES

Arizona Session Law references in a Chapter can be found at the Secretary of State's website, www.azsos.gov under Services-> Legislative Filings.

EXEMPTIONS FROM THE APA

It is not uncommon for an agency to be exempt from the steps outlined in the rulemaking process as specified in the Arizona Administrative Procedures Act, also known as the APA (Arizona Revised Statutes, Title 41, Chapter 6, Articles 1 through 10). Other agencies may be given an exemption to certain provisions of the Act.

An agency's exemption is written in law by the Arizona State Legislature or under a referendum or initiative passed into law by Arizona voters.

When an agency files an exempt rulemaking package with our Office it specifies the law exemption in what is called the preamble of rulemaking. The preamble is published in the *Register* online at www.azsos.gov/rules, click on the *Administrative Register* link.

Editor's notes at the beginning of a Chapter provide information about rulemaking Sections made by exempt rulemaking. Exempt rulemaking notes are also included in the historical note at the end of a rulemaking Section.

The Office makes a distinction to certain exemptions because some rules are made without receiving input from stakeholders or the public. Other exemptions may require an agency to propose exempt rules at a public hearing.

PERSONAL USE/COMMERCIAL USE

This Chapter is posted as a public courtesy online, and is for private use only. Those who wish to use the contents for resale or profit should contact the Office about Commercial Use fees. For information on commercial use fees review A.R.S. § 39-121.03 and 1 A.A.C. 1, R1-1-113.

Rhonda Paschal, rules managing editor, assisted with the editing of this Chapter.

TITLE 17. TRANSPORTATION

CHAPTER 3. DEPARTMENT OF TRANSPORTATION - HIGHWAYS

Authority: A.R.S. §§ A.R.S. §§ 28-366, 28-7384, and 28-7385

Supp. 22-3

CHAPTER TABLE OF CONTENTS

ARTICLE 1. REPEALED

ARTICLE 2. MANAGEMENT OF CONTRACTOR BIDDING

Article 2, consisting of Sections R17-3-201 through R17-3-204, adopted effective March 3, 1987.

ARTICLE 3. RELOCATION ASSISTANCE

Article 3, consisting of Sections R17-3-301 through R17-3-304, repealed; new Article 3, consisting of Sections R17-3-301 through R17-3-306, made by final rulemaking at 9 A.A.R. 1075, effective May 6, 2003 (Supp. 03-1).

ARTICLE 4. REPEALED

Article 4, consisting of Sections R17-3-406 through R17-3-408, repealed by final rulemaking at 8 A.A.R. 849, effective February 8, 2002 (Supp. 02-1).

Editor's Note: The Article 5 heading "Highway Encroachments and Permits" is published as submitted by the Department (Supp. 04-4).

ARTICLE 5. HIGHWAY ENCROACHMENTS AND PERMITS

Article 5, consisting of Sections R17-3-501 through R17-3-509, made by final rulemaking at 10 A.A.R. 5202, effective February 5, 2005 (Supp. 04-4).

ARTICLE 6. TELECOMMUNICATION FACILITIES

Article 6, consisting of Sections R17-3-601 through R17-3-603, made by exempt rulemaking at 28 A.A.R. 3372 (October 21, 2022), effective January 1, 2023 (Supp. 22-3).

ARTICLE 7. HIGHWAY BEAUTIFICATION

ARTICLE 8. EXPIRED

Article 8 consisting of Sections R17-3-801 through R17-3-809 adopted effective May 30, 1984.

ARTICLE 9. HIGHWAY TRAFFIC CONTROL DEVICES

ARTICLE 1. REPEALED

R17-3-101. Reserved

R17-3-102. Repealed

Historical Note

Former Rule, ASHC Resolution. Former Section R17-3-10 renumbered without change as Section R17-3-102 (Supp. 88-4). Repealed effective May 31, 1991 (Supp. 91-2).

ARTICLE 2. MANAGEMENT OF CONTRACTOR BIDDING

R17-3-201. General

A. Definitions.

1. "Application" means a request for contractor prequalification, consisting of an application booklet available from the Department's office of Contracts and Specifications, and a financial statement prepared according to the requirements of this subsection and R17-3-202.
2. "Board" means the Contractor Prequalification Board.
3. "Compiled financial statement" means a financial statement prepared for form, appropriateness, and arithmetic accuracy. It does not express an opinion or provide any assurance regarding the financial statement.
4. "Contractor" means the individual, partnership, firm, corporation, joint venture, or any combination acceptable to the Department, that seeks to contract with the Department for constructing or reconstructing state transportation facilities, unless the context requires otherwise.
5. "Contractor prequalification" means the Department's process of review and evaluation of a contractor's work history and current financial condition before a contractor is allowed to submit a proposal for constructing or reconstructing state transportation facilities.
6. "Department" means the Arizona Department of Transportation.
7. "Examined financial statement" means a financial statement that includes the amounts and disclosures in the firm's financial statement, an assessment of the accounting principles used and the significant estimates made by management, and an evaluation of the overall financial statement presentation.
8. "Financial statement" means a financial report prepared according to generally accepted accounting principles by an independent certified public accountant or an independent public accountant. The financial statement includes a cover letter on the accountant's letterhead, a balance sheet, a statement of cash flows, an income statement, and all notes and appropriate supporting schedules.
9. "Joint venture" means the combination of two or more contractors for the purpose of submitting a proposal to the Department and performing a contract for constructing or reconstructing state transportation facilities.
10. "Prequalification amount" means the dollar limitation of each contract, based on the Department's estimate of contract value, for which a contractor may submit a proposal to the Department for constructing or reconstructing state transportation facilities.
11. "Reviewed financial statement" means a financial statement that includes an inquiry of company personnel, and a review of the analytical procedures applied to the financial data. It does not express an opinion regarding the financial statement taken as a whole.
12. "State Engineer" has the meaning in A.R.S. § 28-6901(3).

B. Contractor Prequalification Board.

1. The State Engineer shall appoint the Board to consider and decide on applications for contractor prequalification.
2. The Board will be comprised of three Department employees, one of whom shall be a professional engineer, registered by the Arizona Board of Technical Registration, and one a certified or licensed public accountant.
3. The Board's authority to determine prequalification does not limit the Department's ability to establish additional criteria for contracts.

Historical Note

Adopted effective March 3, 1987 (Supp. 87-1). Amended by final rulemaking at 8 A.A.R. 79, effective December 10, 2001 (Supp. 01-4).

R17-3-202. Contractor Prequalification

A. Criteria. An applicant for contractor prequalification shall include on the application and the Board shall consider the following information in determining the prequalification amount for a contractor:

1. Key personnel and their work experience,
2. Organizational structure,
3. History of past or current projects and contracts,
4. Company affiliations,
5. Equipment owned or controlled,
6. Any applicable licenses,
7. Type of work requested,
8. Individuals authorized to act on behalf of the contractor,
9. Any prequalification or bidding disputes with a government agency, and
10. Financial condition.

B. Prequalification Expiration and Extension.

1. Prequalification expires 15 months after the end of a contractor's fiscal year, as reflected on the financial statement. Due to the time necessary to prepare an examined financial statement, the Board may grant up to a 60 day extension on the expiration of prequalification, if:
   a. The contractor submits a letter from its accountant stating the reasons for delay in preparing the examined financial statement,
   b. The letter from the accountant states the anticipated completion date of the examined financial statement, and
   c. The contractor submits an interim compiled or reviewed financial statement that was prepared within the previous six months.
2. The Board will notify each contractor in writing of its decision on the contractor's prequalification amount.

C. Joint Ventures.

1. Each contractor in a proposed joint venture shall be prequalified. The joint venture shall submit a joint venture statement of intent at least five calendar days before the applicable bid opening date.
2. If one or more of the parties to the joint venture are corporations, a copy of a resolution from the Board of Directors authorizing the corporation to enter into the joint venture and execute all contract documents shall be submitted with the statement of intent.
3. Contractors operating as a joint venture on a continuing basis may file for prequalification as a joint venture.
4. The Board may allow a contractor operating as a joint venture to prequalify for a pro rata share of the entire contract amount. The percentage share of work shall not

exceed each individual contractor's prequalification amount.

D. Classification of Contractors. The Board shall categorize contractors into the following classifications:
1. Inexperienced firms: Firms that have no experience as contractors in transportation facilities construction work;
2. New firms: Recently organized firms that have officers with experience with other contractors in positions of responsibility for transportation facilities construction;
3. Unknown firms: Firms that have experience as contractors but have not completed a transportation facilities construction contract as a contractor for the Department within the past five years or at any time;
4. Known firms: Firms that have successfully completed at least one transportation facilities construction contract within the past five years as a contractor for the Department.

E. Classification of Financial Statements.
1. All financial statements shall be examined, reviewed, or compiled according to generally accepted accounting principles, by either an independent certified public accountant or an independent public accountant, registered and licensed under the laws of any state. A contractor shall not submit a financial statement prepared by either a certified or public accountant who is directly or indirectly interested in or affiliated with the business of the contractor.
2. A contractor that desires a prequalification amount in excess of $1.5 million shall submit an examined financial statement.
3. A contractor that submits a reviewed financial statement will be limited to a maximum prequalification amount of $1.5 million.
4. A contractor that submits a compiled financial statement will be limited to a maximum prequalification amount of $300,000.

F. Prequalification Limits. In determining the prequalification amount for each contractor, the amount set by the Board may be less than the maximum amount set out in this subsection due to the Board's evaluation of the contractor's information under R17-3-202(A).
1. Inexperienced firms. An inexperienced firm will be limited to a maximum prequalification amount of $300,000 until the contractor has satisfactorily completed at least one transportation facilities construction contract for any public agency.
2. New firms. A new firm will be limited to a maximum prequalification amount of five times the firm's net worth.
3. Unknown firms. An unknown firm will be limited to a maximum prequalification amount of five times the firm's net worth or the amount of the largest transportation facilities construction contract it has successfully completed as a contractor for any other public agency, whichever is larger.
4. Known firms. A known firm will be limited to a maximum prequalification amount of ten times the firm's net worth. An unlimited prequalification amount may be granted if the product of ten times the firm's net worth exceeds $100 million.
5. All firms. Evidence of additional assets pledged in behalf of a contractor or letters from a contractor's surety company may be considered in establishing higher prequalification amounts than stated in subsections (F)(2) through (F)(4). A parent company that pledges assets in behalf of a contractor shall submit a financial statement.

G. Reconsideration of Prequalification Determination.
1. If a contractor is dissatisfied with the Board's decision, the contractor may request in writing a hearing, within 15 days of receiving the Board's decision. The hearing shall be conducted under A.R.S. § 41-1062. The letter shall indicate the basis for the request and shall provide supportive data. The Board shall review the request and accompanying information and decide on the request within 30 calendar days of its receipt.
2. If the contractor is still dissatisfied with the decision of the Board, the contractor may appeal to the State Engineer. The Board shall notify the contractor about the appeal procedures.

H. Issuance of Bidding Documents. A contractor shall not request bid documents for a contract for which it is not prequalified.

I. The Department may waive the prequalification requirement on an individual contract when it is in the best interest of the state. The advertisement for bids shall identify if prequalification is waived.

Historical Note
Adopted effective March 3, 1987 (Supp. 87-1). Amended by final rulemaking at 8 A.A.R. 79, effective December 10, 2001 (Supp. 01-4).

R17-3-203. Reduced Prequalification Amounts or Disqualifications

A. The Board may reduce the prequalification amount of a contractor already prequalified or disqualify a contractor from bidding if a contractor:
1. Falsifies any document or misrepresents any material fact in the information furnished to the Department;
2. Fails to enter into a contract with the Department;
3. Defaults on a previous contract with any public agency;
4. Has an unsatisfactory work performance record with the Department on the basis of workmanship, competent superintendence, adequate and proper equipment, timely completion, or failure to submit required documentation for closing out a contract; or
5. Fails to provide notification to the Board, within 30 calendar days of occurrence, of any change in ownership, corporate officers or general partners, bankruptcy, receivership, court supervised reorganization, or the entry of a judgment in a judicial or administrative proceeding adverse to the contractor.

B. The Board shall notify a contractor in writing of its intention to reduce the prequalification amount or to disqualify a contractor. The Board's notice to reduce prequalification or to disqualify a contractor shall become a final determination unless the contractor requests a hearing with the Board within 20 calendar days after receiving such notification. The Board shall notify the contractor about the hearing procedures.

C. The contractor may appeal the Board's decision to the State Engineer. The Board shall notify the contractor about the appeal procedures.

Historical Note
Adopted effective March 3, 1987 (Supp. 87-1). Amended by final rulemaking at 8 A.A.R. 79, effective December 10, 2001 (Supp. 01-4).

R17-3-204. Access to Department Prequalification Files

Prequalification files are considered to be strictly confidential. The files will be available only to:

1. Members of the Board,
2. The Director of the Department or any authorized agents of the Department,
3. Members of the Arizona State Transportation Board,
4. The division administrator of the Federal Highway Administration or any authorized representatives,
5. Agents of surety upon the filing of an application for bond duly signed by an authorizing party of the prequalified contractor,
6. Members of the Arizona State Board of Accountancy or their duly authorized representatives, and
7. The contractor that is the subject of the file.

Historical Note

Adopted effective March 3, 1987 (Supp. 87-1). Amended by final rulemaking at 8 A.A.R. 79, effective December 10, 2001 (Supp. 01-4).

ARTICLE 3. RELOCATION ASSISTANCE

Article 3, consisting of Sections R17-3-301 through R17-3-304, repealed; new Article 3, consisting of Sections R17-3-301 through R17-3-306, made by final rulemaking at 9 A.A.R. 1075, effective May 6, 2003 (Supp. 03-1).

R17-3-301. Relocation Assistance; Adoption of Federal Regulations

A. The Department incorporates by reference 49 CFR 24.1 through 24.10, 49 CFR 24.201 through 24.209, 49 CFR 24.301 through 24.305, 49 CFR 24.401 through 24.404, 49 CFR 24.501 through 24.503, 49 CFR 24.601 through 24.603, and Appendix A to Part 24 as it relates to Subparts A, C, D, and E, revised as of October 1, 2010, and no later amendments or editions, as amended by this Article. These sections apply to relocation assistance activity provided by the Department. The incorporated material is on file with the Arizona Department of Transportation and is available from the U.S. Government Printing Office, P. O. Box 979050, St. Louis, MO 63197-9000. The incorporated material can be ordered online by visiting the U.S. Government Online Bookstore at http://bookstore.gpo.gov or is available free of charge at http://gpo.gov.

B. The following definition applies for the purpose of this Article unless indicated otherwise.

"Department" means the Arizona Department of Transportation.

Historical Note

Former Rule, Right of Way Resolution 70-60. Former Section R17-3-12 renumbered without change as Section R17-3-301 (Supp. 88-4). Section repealed; new Section made by final rulemaking at 9 A.A.R. 1075, effective May 6, 2003 (Supp. 03-1). Section amended by final rulemaking at 19 A.A.R. 141, effective March 10, 2013 (Supp. 13-1).

R17-3-302. Relocation Assistance; 49 CFR 24, Subpart A - General

A. 49 CFR 24.2, "Definitions and acronyms" is amended as follows:

"Agency" means the Arizona Department of Transportation."

"Contribute materially" in paragraph (a)(7) is amended to read:

The term "contribute materially" means that during the two taxable years before the taxable year in which displacement occurs, a business contributed at least 33 1/3% of the owner's or operator's average annual gross income from all sources.

"Decent, safe, and sanitary dwelling" in paragraph (a)(8) is amended to read:

The term decent, safe, and sanitary dwelling means a dwelling that meets applicable housing and occupancy codes. However, any of the following standards that are not met by an applicable code shall apply unless waived for good cause by the federal agency or state agency funding the project. The dwelling shall:

Be structurally sound, weathertight, and in good repair;

Contain a safe electrical wiring system adequate for lighting and other devices; and

Contain heating and cooling systems capable of sustaining a healthful temperature for a displaced person, except in those areas where local climatic conditions do not require such systems.

"Initiation of negotiations" has the same meaning as prescribed in A.R.S. § 28-7141.

"Notice of intent to acquire or notice of eligibility for relocation assistance" as described in 49 CFR 24.203(d) and 49 CFR 24.203(b) means:

Written notice furnished to a person to be displaced that establishes eligibility for relocation benefits before the initiation of negotiations.

"Persons not displaced" in paragraph (a)(9)(ii)(A) is amended to read:

A person who moves before the initiation of negotiations, unless this requirement is waived by the Department due to a move necessitated for reasons beyond the person's control.

"Program or project" in paragraph (a)(22) is amended to read:

The phrase "program" or "project" means any displacing activity or series of activities undertaken by the Department, related to construction or reconstruction of a transportation facility, or a facility necessary for maintaining a transportation facility.

"Salvage value" in paragraph (a)(23) is deleted.

"Uneconomic remnant" in paragraph (a)(27) is deleted.

"Uniform Act" in paragraph (a)(28) is amended to read:

The term "Uniform Act" means the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (42 U.S.C. 4601 et seq.).

"Utility facility" in paragraph (a)(31) is deleted.

"Utility relocation" in paragraph (a)(32) is deleted.

B. 49 CFR 24.5 "Manner of notices" is amended to read:

Each notice which the agency is required to provide to a property owner or occupant under this part shall be personally served or sent by certified or registered first-class mail, return receipt requested, and documented in agency files. Each notice shall be written in plain, understandable language. Persons who are unable to read and understand the notice must be provided with appropriate translation and counseling. Each notice shall indicate the name and telephone number of a person to contact for answers to questions or other needed help.

C. 49 CFR 24.9 "Recordkeeping and reports" is amended to read:

Paragraph (a) Records. The agency shall maintain adequate records of its acquisition and displacement activi-

ties in sufficient detail to demonstrate compliance with this part. These records shall be retained for at least three years after each owner of a property and each person displaced from the property receives the final payment to which each owner of property is entitled under this part, or in accordance with the applicable regulations of the federal funding agency, whichever is later.

D. 49 CFR 24.10 "Appeals" is amended to read:

In addition to the provisions of A.R.S. §§ 41-1061 through 41-1067, the following provisions apply:

1. Actions that may be appealed. A person who believes the Department has failed to properly determine the person's eligibility for, or the amount of, a relocation payment may file a written appeal. A person shall include all contested issues in one appeal.
2. Process. To appeal, a person shall submit a letter stating name and address and the reasons for disagreeing with the Department's decision to the Right-of-Way Group, Arizona Department of Transportation, 205 S. 17th Ave., MD 612E, Phoenix, AZ 85007-3212.
3. Time limit. The person shall file the written appeal within 60 days after receiving notice of the Department's determination on the person's claim. The date the appeal request is received begins the official time limit constraints, as prescribed in subsections (D)(4) and (8) of this Section. Filing the appeal does not extend any eligibility periods or a required date to vacate a property.
4. Hearing date. Within 45 days of receipt of the appeal request, the Department shall set a mutually acceptable date for a hearing before a hearing officer.
5. Review of files. After making a written request to the Department at the address in subsection (D)(2) of this Section, the person may review and receive a copy of any non-confidential documentation contained in the Department's files regarding the person's appeal.
6. Scope of review. The Department shall consider and review the person's arguments, statements, and documents in support of the appeal, allowing reasonable latitude for the hearing of relevant material.
7. Right to representation. The person has a right to be represented by legal counsel or another representative in connection with the person's appeal, but solely at the person's own expense.
8. Determination. Within 30 days of the hearing, the hearing officer shall make a recommendation to the Chief Right-of-Way Agent. The Department shall promptly issue a written decision and provide a copy to the person by certified mail. The Department shall explain the basis on which its decision was made, and what relief, if any, is to be provided.
9. Judicial review. If the Department does not grant the relief requested, the Department shall advise the person of the right to seek judicial review.

Historical Note

Former Rule, Right of Way Resolution 71-42. Former Section R17-3-13 renumbered without change as Section R17-3-302 (Supp. 88-4). Section repealed; new Section made by final rulemaking at 9 A.A.R. 1075, effective May 6, 2003 (Supp. 03-1). Section amended by final rulemaking at 19 A.A.R. 141, effective March 10, 2013 (Supp. 13-1).

R17-3-303. Relocation Assistance; 49 CFR 24, Subpart C - General Relocation Requirements

49 CFR 24.206 "Eviction for cause" is amended to read:

1. Eviction for cause must conform to A.R.S. §§ 12-1171 through 12-1183. The Department may determine that a person who is an unlawful occupant (as defined in 49 CFR 24.2) is still eligible for advisory relocation assistance. Any person who occupies the real property and is not in unlawful occupancy on the date of the initiation of negotiations, is presumed to be entitled to relocation payments and other assistance set forth in this part unless the agency determines that the factors in subsections (1)(a) or (b) apply. The Department shall use the following factors to determine eligibility of an unlawful occupant for advisory relocation assistance:
   a. The person received an eviction notice before the initiation of negotiations and, as a result of that notice, is later evicted; or
   b. The person is evicted after the initiation of negotiations for serious or repeated violation of material terms of the lease or occupancy agreement; and
   c. The eviction was not undertaken for the purpose of evading the obligation to make available the payments and other assistance set forth in this part;
   d. The person occupying the property and the owner dispute the issue of lawful occupancy;
   e. The duration of prior legal occupancy of the person occupying the property;
   f. Financial or medical hardship of the person occupying the property; or
   g. The cost of the relocation assistance is less than the cost of an appeal.
2. For purposes of determining eligibility for relocation payments, the date of displacement is the date the person moves, or if later, the date a comparable replacement dwelling is made available.
3. The state may initiate eviction proceedings due to:
   a. Unlawful activities being conducted on state-owned property,
   b. Willful destruction of state-owned property,
   c. Refusal to vacate state-owned property after all required notices to vacate have been delivered and appropriate assistance provided, or
   d. Failure to pay rent when there is no hardship.

Historical Note

Former Rule, Right of Way Resolution 71-69. Former Section R17-3-14 renumbered without change as Section R17-3-303 (Supp. 88-4). Section repealed; new Section made by final rulemaking at 9 A.A.R. 1075, effective May 6, 2003 (Supp. 03-1). Section amended by final rulemaking at 19 A.A.R. 141, effective March 10, 2013 (Supp. 13-1). Subsections numbered 2 and 3 were inadvertently combined as one paragraph in Supp. 13-1; subsection 3 has been corrected as filed at 19 A.A.R. 141 (Supp. 19-2).

R17-3-304. Repealed

Historical Note

Former Rule, Right of Way Resolution 70-51. Former Section R17-3-11 renumbered without change as Section R17-3-304 (Supp. 88-4). Section repealed; new Section made by final rulemaking at 9 A.A.R. 1075, effective May 6, 2003 (Supp. 03-1). Section repealed by final rulemaking at 19 A.A.R. 141 effective March 10, 2013

(Supp. 13-1).

R17-3-305. Relocation Assistance; 49 CFR 24, Subpart E - Replacement Housing Payments

49 CFR 24.401 "Replacement housing payment for 180-day homeowner-occupants" in paragraph (d)(3) is amended to read:

The interest rate on the new mortgage used in determining the amount of the payment shall not exceed the prevailing fixed interest rate for conventional mortgages currently charged by mortgage lending institutions in the area in which the replacement dwelling is located. If a displaced person chooses to buy down the interest rate, the agency shall:

1. Require documents indicating the initial interest rate,
2. Require documents indicating the final interest rate, and
3. Limit reimbursement to the lower of the amount the displaced person actually paid to buy down the interest rate or the amount for which the person qualified under the established market interest rate.

Historical Note

New Section made by final rulemaking at 9 A.A.R. 1075, effective May 6, 2003 (Supp. 03-1). Section amended by final rulemaking at 19 A.A.R. 141, effective March 10, 2013 (Supp. 13-1).

R17-3-306. Repealed

Historical Note

New Section made by final rulemaking at 9 A.A.R. 1075, effective May 6, 2003 (Supp. 03-1). Section repealed by final rulemaking at 19 A.A.R. 141, effective March 10, 2013 (Supp. 13-1).

ARTICLE 4. REPEALED

R17-3-401. Repealed

Historical Note

Former Rule, Traffic Engineering Resolution; Repealed effective June 18, 1979 (Supp. 79-3). New Section R17-3-05 adopted effective August 4, 1982 (Supp. 82-4). Former Section R17-3-05 renumbered without change as Section R17-3-401 (Supp. 88-4). Section repealed by final rulemaking at 7 A.A.R. 2750, effective June 7, 2001 (Supp. 01-2).

R17-3-402. Repealed

Historical Note

Former Rule, ASHC Resolution. Repealed effective January 3, 1977 (Supp. 77-1). New Section R17-3-08 adopted effective March 25, 1982 (Supp. 82-2). Former Section R17-3-08 renumbered without change as Section R17-3-402 (Supp. 88-4). Section repealed by final rulemaking at 7 A.A.R. 2748, effective June 7, 2001 (Supp. 01-2).

R17-3-403. Recodified

Historical Note

Former Rule, Right of Way Resolution 71-15. Former Section R17-3-09 renumbered without change as Section R17-3-403 (Supp. 88-4). Section recodified to A.A.C. R17-4-428 at 7 A.A.R. 1260, effective February 20, 2001 (Supp. 01-1).

R17-3-404. Repealed

Historical Note

Adopted as an emergency effective April 13, 1983 pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 83-2). Former Section R17-3-20 renumbered without change as Section R17-3-404 (Supp. 88-4). Section repealed by final rulemaking at 7 A.A.R. 2750, effective June 7, 2001 (Supp. 01-2).

R17-3-405. Reserved

R17-3-406. Repealed

Historical Note

Former Rule, Traffic Engineering Report. Former Section R17-3-02 renumbered without change as Section R17-3-406 (Supp. 88-4). Section repealed by final rulemaking at 8 A.A.R. 849, effective February 8, 2002 (Supp. 02-1).

R17-3-407. Repealed

Historical Note

Former Rule, ASHC Resolution; Former Section R17-3-06 repealed, new Section R17-3-06 adopted effective April 25, 1978 (Supp. 78-2). Former Section R17-3-06 renumbered without change as Section R17-3-407 (Supp. 88-4). Section repealed by final rulemaking at 8 A.A.R. 849, effective February 8, 2002 (Supp. 02-1).

R17-3-408. Repealed

Historical Note

Former Rule, General Order 21. Former Section R17-3-08 renumbered without change as Section R17-3-408 (Supp. 88-4). Section repealed by final rulemaking at 8 A.A.R. 849, effective February 8, 2002 (Supp. 02-1).

ARTICLE 5. HIGHWAY ENCROACHMENTS AND PERMITS

R17-3-501. Definitions

In this Article, unless otherwise defined, these terms have the following meanings:

"Abutting property" means real property or interest in real property bordering a state highway right-of-way.

"Adopt-a-highway" means a Department program that allows a group of persons access to a state highway right-of-way to conduct litter pickup on a designated portion of the state highway.

"Airspace" means the space above real property.

"Applicant" means a person or entity seeking to obtain an encroachment permit.

"Department" means the Arizona Department of Transportation.

"District Office" means one of the Department's Engineering and Maintenance district offices.

"Encroachment" means any use of, intrusion upon, or construction of improvement within a state highway right-of-way by any person or entity other than the Department for any purpose, temporary or fixed, other than public travel authorized by state statute.

"Encroachment owner" means the person or entity responsible for creating or maintaining an encroachment on a state highway right-of-way.

"Encroachment permit" means a written approval granted by the Department for construction of a fixed or temporary improvement within a state highway right-of-way, or for any activity requiring the temporary use of or intrusion upon a state highway right-of-way.

"Engineering stationing" means the Department identification system to identify the location of a state highway feature.

"Improvement" means any constructed facility or object, or alteration to any existing physical facility or object, or change in the elevation, slope, or drainage of a state highway right-of-way.

"Permittee" means a person or entity to whom the Department issues an encroachment permit, and who is responsible for meeting the obligations, responsibilities, and specifications stated in the encroachment permit.

"Right-of-way" means the real property or interest in real property on which state transportation facilities and appurtenances to the facilities are constructed or maintained.

"Special event" means any temporary organized or supervised activity that could affect the normal operation of a state highway.

"State highway" has the meaning prescribed in A.R.S. § 28-101(47).

Historical Note
New Section made by final rulemaking at 10 A.A.R. 5202, effective February 5, 2005 (Supp. 04-4).

R17-3-502. Applicability

A. A person or entity shall not encroach on a state highway right-of-way without obtaining an encroachment permit.

B. Only the following types of encroachments qualify for a Department encroachment permit:
1. Access improvements to abutting properties, consistent with subsection (C)(6);
2. Utility construction and maintenance, including underground and overhead;
3. Drainage improvements;
4. Airspace encroachments, such as overhanging signs, awnings, and banners;
5. Landscaping;
6. Special events;
7. Removing or improving an existing encroachment;
8. Rest area coffee breaks;
9. Change in the principal activity or function of an abutting property where an access or utility encroachment has been constructed;
10. Adopt-a-highway;
11. Activities, such as surveying, performed to compile information about physical features in the highway right-of-way;
12. Traffic control unrelated to the types of encroachments listed above for specific incidents, such as hazardous material removal, accident clean-up, or check points by government enforcement; and
13. For such uses as the Director specifies.

C. An encroachment not listed under subsection (B) is ineligible to qualify for an encroachment permit and is an unauthorized encroachment. An unauthorized encroachment also includes:
1. Outdoor advertising signs, except as an overhang in subsection (B)(4);
2. Parking areas;
3. Sales of any service or thing;
4. Bicycling, walking, horseback riding, or other activities prohibited under A.R.S. § 28-733;
5. Any commercial or industrial activity; or
6. Access to undeveloped property abutting a state highway, unless the applicant demonstrates a plan for:
   a. Immediate development of the property evidenced by construction plans or building permits, or
   b. Continuing maintenance of the undeveloped property.

D. A new owner of an existing permitted encroachment shall apply for an encroachment permit in the new owner's name within 30 days from the date of purchase of the abutting real property.

Historical Note
New Section made by final rulemaking at 10 A.A.R. 5202, effective February 5, 2005 (Supp. 04-4).

R17-3-503. Who Can Apply for an Encroachment Permit

A. Any person or entity, other than the Department, seeking an encroachment upon a state highway right-of-way shall apply to the Department for an encroachment permit.

B. Any person or entity is eligible to apply for an encroachment permit, except for an encroachment involving:
1. Access, only an abutting property owner is eligible to apply.
2. Landscaping and aesthetic enhancements, only an abutting property owner or a political subdivision is eligible to apply.
3. Utility installation, only an ultimate owner who will be responsible for maintenance and liability of the utility after it is put into service is eligible to apply. An ultimate owner includes a utility company, improvement district, political subdivision, or abutting property owner. A contractor or developer may apply if the contractor or developer provides evidence that an ultimate owner has approved plans and agrees to obtain an encroachment permit as a new owner upon completion of the utility installation.

Historical Note
New Section made by final rulemaking at 10 A.A.R. 5202, effective February 5, 2005 (Supp. 04-4).

R17-3-504. General Application Procedures

A. An applicant shall obtain an encroachment permit application form from the District Office serving the Department's district in which the proposed encroachment will be located.

B. An applicant shall include the following information on a District Office's encroachment permit application:
1. Name, address, city, state, zip code, telephone number, and signature of proposed encroachment owner;
2. Name, address, city, state, zip code, telephone number, and signature of applicant, if different from proposed encroachment owner;
3. Applicant's legal relationship to proposed encroachment owner;
4. City nearest to the proposed encroachment;
5. Location of proposed encroachment from the nearest milepost (in feet), including state highway route number, side of highway, and engineering stationing (if applicable); and
6. Purpose of proposed encroachment, as listed in R17-3-502(B), and a description of the proposed work or activity in the right-of-way.

C. By signing an application, an applicant or proposed encroachment owner, or both, agree to accept the following general obligations and responsibilities:
1. Assume all legal liability and financial responsibility for the encroachment activity for the duration of the permit;

2. Be responsible for any repair or maintenance work to the encroachment for the duration of the permit;
3. Comply with the Department's traffic control standards;
4. Obtain written approval from the abutting property owner if the encroachment encroaches on abutting property;
5. Upon notice from the Department, repair any aspect or condition of the encroachment that causes danger or hazard to the traveling public;
6. Remove the encroachment and restore the right-of-way to its original or better condition if the Department cancels the encroachment permit, and terminates all rights under the permit;
7. Reimburse the Department for costs incurred or deposit with the Department money necessary to cover all costs incurred for activities related to the encroachment, such as inspections, restoring the right-of-way to its original or better condition, or removing the encroachment;
8. Notify a new owner to apply for an encroachment permit, as required by R17-3-502(D);
9. Apply for a new encroachment permit if the use of the permitted encroachment changes;
10. Keep a copy of the encroachment permit at the work site or site of encroachment activity;
11. Construct the encroachment according to plans that the Department approves as part of the final permit;
12. Obtain required permits from other government agencies or political subdivisions;
13. Remove any defective materials, or materials that fail to pass the Department's final inspection, and replace with materials the Department specifies.

Historical Note

New Section made by final rulemaking at 10 A.A.R. 5202, effective February 5, 2005 (Supp. 04-4).

R17-3-505. Supporting Documentation

An applicant for an encroachment permit shall provide supporting documentation relevant to the type of encroachment activity and necessary to allow the Department to analyze the proposed encroachment's impact on the state highway and right-of-way, using such criteria as:

1. Whether the proposed encroachment is for commercial or residential access;
2. The proposed encroachment's impact on roadway features within the right-of-way;
3. The amount of traffic the proposed encroachment will generate;
4. Duration of the proposed encroachment;
5. The proposed encroachment's potential to disrupt traffic or change traffic patterns;
6. The surrounding terrain and physical features of the right-of-way and the abutting property; and
7. The number, size, and intended use of any buildings that would be accessed via the proposed encroachment.

Historical Note

New Section made by final rulemaking at 10 A.A.R. 5202, effective February 5, 2005 (Supp. 04-4).

R17-3-506. Encroachment Permit Requirements

A. An encroachment permit consists of the materials submitted by an applicant under R17-3-504 and R17-3-505, and additional requirements from the Department as described in subsection (B). An encroachment permit will list in detail the requirements with which the permittee shall comply in order to perform the requested encroaching activity. Some of the requirements are general and apply to every encroachment permit. Others are specific to a particular encroachment activity.

B. The Department shall set encroachment permit requirements to:

1. Maintain the integrity of the Department's right-of-way and transportation facilities;
2. Mitigate the risk to traffic safety;
3. Improve traffic movement, efficiency, and capacity;
4. Mitigate adverse drainage on state property or abutting property affecting state property;
5. Mitigate environmental impacts;
6. Mitigate maintenance costs to transportation facilities;
7. Mitigate potential liability for the Department or the state; and
8. Mitigate potential harms to national or state security.

C. By accepting an encroachment permit, a permittee agrees to the requirements described in the permit. If the permittee disagrees with the requirements, the permittee shall return the permit immediately to the District Office.

Historical Note

New Section made by final rulemaking at 10 A.A.R. 5202, effective February 5, 2005 (Supp. 04-4).

R17-3-507. Review Procedures

A. The Department shall conduct an administrative completeness review and substantive review of an application for an encroachment permit under A.R.S. §§ 41-1072 through 41-1077 and A.A.C. R17-1-102.

B. The Department shall decide whether to grant an encroachment permit based solely on the documents and information before the Department.

C. Decision.

1. The Department shall approve an encroachment permit if:
   a. The proposed encroachment use is lawful,
   b. The applicant provides complete and accurate information,
   c. The proposed encroachment use qualifies under R17-3-502(B), and
   d. The applicant agrees to comply with the Department's requirements as set out in the permit.
2. The Department shall deny an encroachment permit application if:
   a. The proposed encroachment use is unlawful,
   b. The applicant provides incomplete or inaccurate information,
   c. The proposed encroachment use does not qualify under R17-3-502(B), or
   d. The permittee disagrees with the requirements in the permit.
3. An applicant may appeal the Department's denial decision on an encroachment permit application as prescribed in R17-3-509.

Historical Note

New Section made by final rulemaking at 10 A.A.R. 5202, effective February 5, 2005 (Supp. 04-4).

R17-3-508. Unauthorized Encroachments; Enforcement Actions

A. An encroachment is unauthorized if:

1. A permittee fails to comply with the permit requirements,
2. A permittee provides false or inaccurate information on the encroachment permit application,

3. A person or entity fails to obtain an encroachment permit, or
4. The encroachment is unauthorized under R17-3-502(C).

B. An encroachment owner shall remove any unauthorized encroachment at the owner's own cost.

C. After considering the totality of the circumstances and in consultation with the Office of the Attorney General, the Department may refer a matter to the Office of the Attorney General according to A.R.S. §§ 28-7053 and 28-7054 for:
1. Enforcement against the owner of an unauthorized encroachment, or
2. Recovery of costs from the encroachment owner for the Department removing an unauthorized encroachment if the encroachment owner fails to remove the unauthorized encroachment.

Historical Note
New Section made by final rulemaking at 10 A.A.R. 5202, effective February 5, 2005 (Supp. 04-4).

R17-3-509. Hearings
The Department shall inform an applicant or permittee of the hearing procedures when the Department:
1. Denies an application for an encroachment permit, or
2. Determines that an encroachment is unauthorized.

Historical Note
New Section made by final rulemaking at 10 A.A.R. 5202, effective February 5, 2005 (Supp. 04-4).

ARTICLE 6. TELECOMMUNICATION FACILITIES

R17-3-601. Definitions
In addition to the definitions provided under A.R.S. §28-7381, the following terms apply to this Article unless otherwise specified:

"At-grade" means roadways, intersections, or facilities at the same elevation or level.

"Clear zone" means a specific distance from the edge of a travel lane free of above ground obstacles as determined by the Department and in accordance with the American Association of State Highway and Transportation Officials (AASHTO) Roadside Design Guide.

"Controlled access" has the same meaning as a controlled access highway as defined in A.R.S. § 28-601.

"Department" has the same meaning as defined in A.R.S. § 28-101.

"Dig Once" means reducing the number and scale of excavations when installing telecommunication facilities in highway rights-of-way.

"Encroachment permit" has the same meaning as defined in R17-3-501.

"Guideline for Accommodating Utilities on Highway Rights-of-Way" means the guidelines and procedures adopted by the Department for the accommodation of utilities on highway rights-of-way.

"Interstate System" has the same meaning as defined in A.R.S. § 28-7901.

"Lease agreement" means the written agreement between the Department and the provider, which authorizes the provider to utilize spare conduit and related facilities of the Department subject to the terms and conditions outlined in the agreement and this Article.

"New installation" means an initial installation on a highway right-of-way except in the event of a relocation required by the Department.

"Right-of-way" has the same meaning as defined in A.R.S. § 28-101.

"Right-of-way occupancy rate" means the compensation from a provider for longitudinal access to the right-of-way of a state highway for the purpose of installing telecommunication facilities as authorized under A.R.S. § 28-7385.

"State" means the state of Arizona.

"State highway" has the same meaning as defined in A.R.S. § 28-101.

"State Milepost System" means the markers placed on the highway at one-mile intervals that indicate the distance through the state.

"Uncontrolled access" means a highway to which owners or occupants of abutting lands and other persons have a legal right of access.

"Telecommunication use and occupancy agreement" means the written agreement between the Department and the provider allowing the provider longitudinal access of highway right-of-way for its telecommunication facilities or private line subject to the terms and conditions outlined in the agreement and this Article.

Historical Note
New Section made by exempt rulemaking at 28 A.A.R. 3372 (October 21, 2022), effective January 1, 2023 (Supp. 22-3).

R17-3-602. Telecommunication Use and Occupancy Agreement; Time-frames; Compensation for Longitudinal Access to the Right-of-Way

A. A provider must enter into a telecommunication use and occupancy agreement with the Department and obtain an encroachment permit, as prescribed under Article 5 of this Chapter, before being granted longitudinal access for new installation of a telecommunication facility. This Section does not apply to a telecommunication facility with an encroachment permit approved before January 1, 2023.

B. A provider seeking to enter into a telecommunication use and occupancy agreement shall complete and provide the following information on a telecommunication use and occupancy agreement application provided by the Department at www.azdot.gov:
1. Name of provider;
2. The point of contact's information, which includes name, telephone number, and email address;
3. A description of the proposed work or activity in the right-of-way or facilities; and
4. A map, drawing, or geographical description of the proposed telecommunication facility installation, including the starting and ending milepost to the nearest tenth of a mile, state highway number, the cardinal direction of the highway, the number and size of conduits, and accompanying telecommunication facility locations.

C. The Department shall, within five calendar days of receiving an application under subsection (B), provide written notice to the provider acknowledging receipt of the application:
1. If the application is complete, the notice shall acknowledge receipt of a complete application and indicate the date the Department received the complete application; or

2. If the application is incomplete, the notice shall indicate the current date and include an itemized list of all additional information the provider must provide to the Department before the application can be considered complete and subsequently processed.

D. A provider with an incomplete application shall respond to the notice provided by the Department under subsection (C)(2) within 15 calendar days after the date indicated on the notice or the Department may deny the application.

E. The Department shall render a decision on the application within 15 calendar days after the date on the notice the Department gave to the provider under subsection (C)(1) acknowledging receipt of a complete application.

F. For the purpose of A.R.S. § 41-1073, the Department establishes the following time-frames:
1. Administrative completeness review time-frame: five calendar days.
2. Substantive review time-frame: 10 calendar days.
3. Overall time-frame: 15 calendar days.

G. A provider shall pay an annual right-of-way occupancy rate as compensation to the Department for longitudinal access to a highway right-of-way for new installations of telecommunication facilities, including overhead, surface, or underground, in accordance with A.R.S. § 28-7385.
1. The annual right-of-way occupancy rate schedule is as follows:
   a. Interstate System: $1.00 per linear foot of longitudinal access.
   b. Controlled Access Highways (non-interstate): $0.50 per linear foot of longitudinal access.
   c. Uncontrolled Access Highways: $0.25 per linear foot of longitudinal access.
2. At the beginning of each calendar year, starting January 1, 2024, the cost per linear foot as prescribed in subsection (G)(1), increases at a rate of 2% per calendar year. The new annual right-of-way occupancy rate applies to any new or renewed telecommunication use and occupancy agreements established within that given year.
3. The annual right-of-way occupancy rate, established at the time of signing the telecommunication use and occupancy agreement, shall be the rate for each year of a 20-year or 30-year agreement.
4. The distance is measured using the State Milepost System, rounded to the nearest tenth of a mile and converted to a linear foot value.
5. The total amount of the annual right-of-way occupancy rate is determined by using the following calculation: cost per linear feet x distance = total annual right-of-way occupancy rate.
6. The Department shall receive monetary compensation in the form of an annual or lump sum payment, unless an in-kind compensation or combination of in-kind and monetary compensation is agreed upon by the Department and the provider.
   a. Annual monetary compensation. The provider shall pay the total annual right-of-way occupancy rate established at the time of signing the telecommunication and occupancy use agreement and at the time of signing any renewals.
   b. Lump-sum monetary compensation. The provider shall pay in accordance with the following:
      i. The total annual right-of-way occupancy rate is multiplied by the number of years of the agreement.
      ii. A discounted rate of 10% is applied utilizing net present value calculation.
   c. In-kind compensation.
      i. Telecommunication facilities shall be valued on a present value basis at the estimated, reasonable cost to the provider for procuring and installing such telecommunication facilities. The in-kind value shall be agreed upon, between the Department and provider, in the telecommunication use and occupancy agreement.
      ii. The Department shall provide the provider with a list of the specific telecommunication facilities and services for consideration as in-kind compensation. The value of such in-kind compensation shall be subtracted from the total amount of monetary compensation due for occupancy of the right-of-way and the remaining balance, if any, shall be remitted as monetary compensation.
      iii. Any telecommunication facilities acquired as in-kind compensation shall be used exclusively for the further development of telecommunications that serve state purposes and may not be sold or leased in competition with providers.
      iv. The provider maintains ownership and is responsible for maintenance of the in-kind compensation provided, however, the associated costs will be agreed upon in the telecommunication use and occupancy agreement.
   d. Combination of monetary and in-kind compensation. The provider will pay the total annual right-of-way occupancy rate in accordance with subsections (G)(6)(a) through (c), as applicable, and as agreed upon by the Department and the provider.
7. The payment of the annual right-of-way occupancy rate will be made as follows:
   a. For monetary compensation, the provider shall pay the total annual right-of-way occupancy rate to the Department within 30 calendar days of signing the telecommunication use and occupancy agreement and any renewals.
   b. For in-kind compensation, the agreement shall set forth the timeline for the Department to receive agreed upon telecommunication facilities.

H. By signing a telecommunication use and occupancy agreement, a provider agrees to accept the following general obligations and responsibilities:
1. Complying with the encroachment permit rules in Article 5 of this Chapter;
2. Complying with the terms and conditions contained in the telecommunication use and occupancy agreement and encroachment permit documents for installation, operation, maintenance, and relocation of telecommunication facilities;
3. Not having exclusive access or rights to the right-of-way;
4. Having the term length of the telecommunication use and occupancy agreement to be for one year, 20 years, or 30 years with an option to renew the agreement at the current applicable starting rate for the first year of a new agreement or renewal; the rate will be increased annually if the renewal is for a one-year period, otherwise pursuant to the terms of a new 20-year or 30-year agreement; and

5. Terminating the telecommunication use and occupancy agreement due to removal of facilities from the right of way.
   a. For any monetary compensation, the provider shall receive a prorated refund based on the number of months remaining in the term agreement.
   b. For any in-kind compensation, the access to facilities or services provided will terminate at the time of the removal of the facilities.

Historical Note
New Section made by exempt rulemaking at 28 A.A.R. 3372 (October 21, 2022), effective January 1, 2023 (Supp. 22-3).

R17-3-603. Installation, Maintenance, Operation, and Relocation of Telecommunication Facilities

A. Installations of telecommunication facilities may be permitted under the following conditions:
1. The installation does not adversely affect the safety, design, construction, operation, maintenance or stability of the highway;
2. The installation does not interfere with or impair the planned future expansion of the highway;
3. The installation does not interfere with or impair planned future Department-owned telecommunication facilities projects;
4. In accordance with Dig Once, the Department may require providers to adhere to Dig Once when installing telecommunication facilities into the same general location on the highway system and providers shall coordinate their planning and work, install in a joint trench, and equitably share costs;
5. The Department does not incur any unreimbursed additional expense or maintenance costs associated with the telecommunication facility installation, relocation, or removal;
6. The Department and state are not liable for any claims, demands, costs or expenses, including all legal expenses, for loss, damages or injury to any person or property, including third-party persons or property, due to the telecommunication facilities' use of the rights-of-way excluding claims made pursuant to A.R.S. § 28-7382;
7. At-grade or underground telecommunication facility items requiring access, such as conduit, fiber, splice locations, vaults, manholes, and pull boxes may be allowed inside the control of access;
8. Above ground telecommunication facility items such as cabinets, node buildings, amplifiers, pedestals, and regeneration huts will be located where they do not need to be accessed from the travel lane such as traffic interchanges, frontage roads, and intersections;
9. Above ground telecommunication facilities will not be installed within the clear zone; and
10. The location of longitudinal telecommunication facilities are as close to the right-of-way line as practical or as determined by one of the Department's Engineering and Maintenance district offices.

B. Telecommunication facilities may be installed longitudinally within a controlled access highway when it meets the requirements as outlined in the ADOT Guideline for Accommodating Utilities on Highway Rights-of-Way.

C. Pursuant to A.R.S. § 28-7384, the Department requires the removal or relocation of telecommunication facilities located on the highway right-of-way to accommodate operations and highway projects at the provider's expense. The Department may require removal or relocation of such telecommunication facilities upon expiration or earlier termination of the telecommunication use and occupancy agreement, encroachment permit, or other agreements at the provider's expense.

Historical Note
New Section made by exempt rulemaking at 28 A.A.R. 3372 (October 21, 2022), effective January 1, 2023 (Supp. 22-3).

ARTICLE 7. HIGHWAY BEAUTIFICATION

R17-3-701. Outdoor Advertising Control

A. Purpose. The purpose of this subsection is to present the definitions of specialized terms used in describing outdoor advertising signs and matters relating to outdoor advertising signs. Terms used in this rule are defined as follows:
1. "Abandoned sign" means a sign for which neither the sign owner nor the landowner claim any responsibility.
2. "Back-to-back sign" means a sign that carries faces attached on each side of the structure and is read from opposite directions.
3. "Directional" means signs containing directional information about public places owned or operated by federal, state, or local government or their agencies; publicly or privately owned natural phenomena, historic, cultural, scientific, educational, religious, and rural activity sites; and areas of natural scenic beauty or naturally suited for outdoor recreation, deemed to be in the interest of the traveling public.
4. "Directional and other official signs and notices" includes only official signs and notices, public utility signs, service club and religious notices, public service signs, and directional signs.
5. "Double-faced sign" means a sign that has two faces facing in the same direction.
6. "Erect" means to construct, build, raise, assemble, place, affix, attach, create, paint, draw, or in any way bring into being or establish.
7. "Face" means the surface of an outdoor advertising structure on which the design is posted or painted, usually made of galvanized metal sheets, fiberboard, plywood or plastic.
8. "Federal or state law" means a federal or state constitutional provision or statute, or an ordinance, rule, or regulation enacted or adopted by a state or federal agency or a political subdivision of a state pursuant to a federal or state constitution or statute.
9. "Illegal sign" means a sign that was erected or maintained, or both, in violation of the state law.
10. "Intended to be read from the main-traveled way" is defined by any of the following criteria:
    a. More than 80% of the average daily traffic (as determined by traffic counts) viewing the outdoor advertising is traveling in either or both directions along the main-traveled way.
    b. Message content is of such a nature that it would be only of interest for the traffic using the main-traveled way.
    c. The sales value of the outdoor advertising is directly attributable to advertising circulation generated by traffic along the main-traveled way.
11. "Interchange" means a junction of two or more highways by a system of separate levels that permit traffic to pass

from one to another without the crossing of traffic streams.

12. "Landmark sign" means a sign of historic or artistic significance that existed on October 22, 1965, which may be preserved or maintained as determined by the Director and approved by the Secretary of Transportation.
13. "Lease" means an agreement, oral or in writing, by which possession or use of land or interests in land is given by the owner to another person for a specified period of time.
14. "Maintain" means to allow to exist, including such activities necessary to keep the sign in good repair, safe condition, and change of copy.
15. "Nonconforming sign" means a sign that was lawfully erected but does not comply with the provisions of state law or state laws passed at a later date or later fails to comply with state law or state regulations due to changed conditions. Illegally erected or maintained signs are not nonconforming signs.
16. "Normal maintenance (nonconforming sign)" means the maintenance customary to keep a sign in ordinary repair, upkeep or refurbishing. The maintenance does not include:
    a. Maintenance that exceeds 50% of the appraised value using current appraisal schedules for a sign, or
    b. Repairs to a sign damaged to such an extent that 60% or more of the uprights require replacement for wood uprights, or 30% or more of the length of each upright support above ground requires replacement for metal uprights.
17. "Obsolete sign" means a directional or other official sign the purpose of which is no longer pertinent.
18. "Official signs and notices" means signs and notices, other than traffic regulatory signs and notices, erected and maintained by public officers or public agencies within their territorial or zoning jurisdiction and pursuant to direction or authorization contained in federal, state, or local law for the purposes of carrying out an official duty or responsibility. Historical markers authorized by state law and erected by state or local government agencies or nonprofit historical societies are official signs.
19. "Off-premise sign" means an outdoor advertising sign that advertises an activity, service or product and that is located on premises other than the premises at which the activity or service occurs or the product is sold or manufactured.
20. "On-premise sign" means any sign that meets the following requirements (such signs are not controlled by state statutes):
    a. Premises. The sign must be located on the same premises as the activity or property advertised.
    b. Purpose. The sign must have as its purpose:
        i. The identification of the activity, or its products or services, or
        ii. The sale or lease of the property on which the sign is located, rather than the purpose of general advertising.

c. In the case of an on-premise sign advertising an activity, the premises must include all actual land used or occupied for the activity, including its buildings, parking, storage and service areas, streets, driveways and established front, rear, and side yards constituting an integral part of such activity, provided the sign is located on property under the same ownership or lease as the activity. Uses of land that serve no reasonable or integrated purpose related to the activity other than to attempt to qualify the land for signing purposes are not premises. Generally these will be inexpensive facilities, such as picnic grounds, playgrounds, walking paths, or fences.

21. "Parkland" means any publicly owned land that is designated or used as a public park, recreation area, wildlife or waterfowl refuge or historic site.
22. "Public service signs" means signs that are located on school bus stop shelters and that:
    a. Identify the donor, sponsor, or contribution of the shelters;
    b. Contain safety slogans or messages, which must occupy not less than 60% of the area of the sign;
    c. Contain no other message;
    d. Are located on school bus shelters that are authorized or approved by city, county, or state law, regulation, or ordinance, and at places approved by the city, county, or state agency controlling the highway involved; and
    e. May not exceed 32 square feet in area. Not more than one sign on each shelter shall face in any one direction.
23. "Public utility signs" means warning markers that are customarily erected and maintained by publicly or privately owned public utilities to protect their facilities.
24. "Re-erection" means the placing of any sign in a vertical position subsequent to its initial erection. Re-erection shall only occur in the event the sign has been damaged by tortious acts, or in the course of normal maintenance.
25. "Scenic area" means any area of particular scenic beauty or historical significance as determined by the federal, state, or local officials having jurisdiction of the area, and includes interests in land that have been acquired for the restoration, preservation, and enhancement of scenic beauty.
26. "Scenic overlook or rest area" means an area or site established and maintained within or adjacent to the highway right-of-way by or under public supervision or control for the convenience of the traveling public.
27. "Service club and religious notices" means signs and notices, whose erection is authorized by law, relating to meetings of nonprofit service clubs or charitable associations, or religious service, that do not exceed eight square feet in area.
28. "V-type signs" means signs that are oriented at an angle to each other, the nearest points of which are not more than 10 feet apart.
29. "Within the view of and directed at the main-traveled way" means any sign that is readable from the main-traveled way for more than five seconds traveling at the posted speed limit or for such a time as the whole message can be read, whichever is less.

B. Outdoor advertising permit application procedure.

1. Purpose. The purpose of this subsection is to present the procedures to be followed by applicants in requesting permits for the erection of outdoor advertising facilities.
2. Permit form and fee required. Each application for a permit to erect an outdoor advertising facility must be made on the appropriate Arizona Department of Transportation form and shall be accompanied by a check or money order in the amount of $20.00 payable to the Arizona Department of Transportation.

a. The initial application fee shall be valid for a period of one year from date of issuance. It shall be renewable annually upon payment of a $5.00 fee.
b. Renewal fees will become delinquent 30 days after the annual renewal date. On becoming delinquent, such sign structures will be in violation and a new initial application fee of $20.00 will be required.

3. Applications mailed to maintenance permit engineer. Applications for outdoor advertising permits should be mailed to: Arizona Department of Transportation, Intermodal Transportation Division; 206 South 17th Avenue; Phoenix, Arizona 85007; Attention: Maintenance Permits Section. Assistance to applicants is available at District offices.
4. Separate application for each sign. Each outdoor advertising sign, display or device requires a separate application with fee. All required information describing the location of the sign, the sign qualification standards, and the permitted area identification shall be completely entered on the permit form.
5. Legal description of sign site required. Applicants shall be required to obtain a certification from the governing zoning authority certifying that the zoning is correct for the legal description of the proposed sign location. In cases where the legal description is listed incorrectly on the application, a new certification must be obtained for the correct legal description. Legal descriptions shall adequately describe the property for which the application is made.
6. Location diagram required. Applicants shall submit a location diagram indicating highway route number and such physical features as: buildings, bridges, culverts, poles, mileposts and other stationary land marks necessary to adequately describe the location. The sketch will also indicate the distance in feet the sign is to be erected from the nearest milepost or a street intersection and other off-premise signs in the same vicinity.
7. Applicants must mark site locations. Applicants are required to place an identifiable device or object bearing applicant's name at the proposed sign location to aid field inspectors in site evaluations.
8. Landowner's permission mandatory. Applicants shall be required to obtain a signed certification stating that the applicant has the permission of the landowner to erect the sign at the noted legal description, or in lieu of the signed certification, furnish a copy of an executed lease.
9. Each pending application field checked. Each pending application will be field checked for compliance with the state act and regulations by the district. The findings of the field check will be forwarded to the Maintenance Permit Engineer, Maintenance Section, for final examination and, if approved, permit issuance.
10. Noncompliance. Each application for a permit to erect an outdoor advertising facility which does not comply with all requirements of the law and the Arizona Department of Transportation regulations, will be denied and the application fee may be retained by the state. Exception will be made in cases where applicants did not have knowledge of previous applications or permits for the same site. An additional $20.00 fee shall be added to the regular permit fee for signs illegally erected prior to the issuance of a permit.
11. Permit decals on sign structures. Applicants shall affix permit decals on a permanent surface near the portion of the sign structure closest to the main-traveled way and clearly visible from the roadway. Permit decals to replace any which have been issued and were improperly affixed, lost or destroyed, whether before or after attaching to the sign structure, may be purchased at a cost of $5.00. Signs bearing permit decals for signs other than the sign for which they were issued shall be in violation.
12. Forfeiture of permit fee. Outdoor advertising facilities for which permits have been issued shall be erected within 120 days and shall bear the official permit identification issued for the specific facility. If the applicant mails a written request for extension of time prior to expiration of the 120 days, an additional 60-day extension may be granted. Any permit canceled because no sign was erected within the prescribed time will result in forfeiture of the $20.00 fee.
13. Denial of permit renewals. An existing permit will not be renewed for an approved location on which no sign structure exists.
14. Removal and re-erection time limits. If an outdoor advertising sign is removed from a permitted location for any reason, the permit shall expire within 30 days from date of removal, except that the permittee may notify the Arizona Department of Transportation, Intermodal Transportation Division; Maintenance Permits Section, of intent to re-erect which will allow 120 days for re-erection. Failure to re-erect which will allow 120 days for re-erection. Failure to re-erect within the 120 days allowed will cancel the existing permit.
15. Transfer of permits. Permits are transferable upon sale of sign provided a new owner furnishes the Arizona Department of Transportation with notification of sale within 30 days after date of sale.
16. Calendar days. All references to days made in this permit application procedure, as well as those references in all rules and regulations applying to outdoor advertising control, shall mean calendar days.

C. Administrative rules.

1. Purpose. The purpose of this subsection is to present administrative rules developed by the Arizona Department of Transportation for control of outdoor advertising.
2. Restrictions on rights-of-way use. No sign shall be erected or maintained from or by use of interstate highway rights-of-way. Any observed action of this type will result in cancellation of the permit. Signs may be erected and maintained from primary and secondary highways only if no other access is available and an encroachment permit is issued.
3. Nonconforming signs shall be in violation if:
   a. A sign is enlarged (increased in any dimensions of the sign face or structural support),
   b. A sign is replaced (an existing sign is removed and replaced with a completely different sign),
   c. A sign is rebuilt to a different configuration or material composition beyond normal maintenance,
   d. A sign is relocated (moved to a new position or location without being lawfully permitted), or
   e. A sign which was previously non-illuminated has lighting added.
4. Commercial or industrial activities. Commercial or industrial activities which define a business area, or an unzoned commercial or industrial area must be in operation at the time the permit application is made. Should any commercial or industrial activity, which has been

used in defining or delineating a business area, or an unzoned commercial or industrial area, cease to operate for a period of six continuous months, any signs qualified by such activity shall become nonconforming.

5. On premise. Should any activity which has been used in defining an on-premise sign cease to operate for a period of six continuous months any signs qualified by that activity shall be considered as off premise and will require appropriate permits. If the signs are then not permitable they will be in violation.
6. Municipal limit between signs. When a municipal limit falls between signs the spacing requirement shall be 300 feet between signs on primary or secondary highways.
7. Proposed interstate alignment locations. Signs existing or to be erected on primary or secondary highway systems which have been declared by the Director of Transportation as an interstate freeway alignment prior to construction of such interstate or freeway shall be classified as though the Interstate or Freeway already exists, requiring spacing criteria for Interstate or other freeways.
8. Double-faced, back-to-back, and V-type signs. Double-faced, back-to-back and V-type sign structure permits will be limited to a single sign ownership for each site. No more than two faces will be allowed facing each direction of travel. Double-faced signs shall not exceed 350 square feet per face. V-type signs will be limited to a 10’ spacing between faces at the apex. V-type sign spacing from other signs shall be measured from the middle of the apex.
9. Multifaced community signs. Local chambers of commerce may obtain permits to erect signs with more than two faces. These signs shall not exceed 1,200 square feet in area with a maximum overall vertical facing of 25 feet and a maximum overall horizontal facing of 60 feet, including border and trim, and excluding base or apron supports and other structural members. All other laws, rules and regulations will apply to multifaced community signs as to other off premise signs.
10. New sign making existing sign nonconforming. If a new sign which would otherwise be conforming will make an existing sign nonconforming, the new sign shall not be allowed.
11. Hearing requests. The land owner or sign owner may request a hearing in connection with a permit application denied or other action taken by the Arizona Department of Transportation in connection with the rules prescribed in this Section. Within seven days after notice of the action is mailed or posted, the land owner or sign owner may make written request for a hearing on the action. The Director of the Department of Transportation shall designate a hearing officer, who shall be an administrative employee of the Department of Transportation, to conduct and preside at the hearings. When a hearing is requested, the hearing shall be held within 30 days after the request, and the party requesting the hearing shall be given at least five days notice of the time of the hearing. All hearings shall be conducted at Department of Transportation administrative offices. A full and complete record and transcript of the hearing shall be taken. The presiding officer shall within 10 days after the hearing make a written determination of the presiding officer’s findings of fact, conclusions and decision and shall mail a copy of the same, by certified mail, to the owner or the party who requested the hearing.
12. Landmark signs. The Director will submit a one-time declaration listing all landmark signs to the Secretary of Transportation. The preservation of these signs would be consistent with the purposes of state highway beautification laws.
13. Blanked out or discontinued nonconforming signs. When an existing nonconforming sign ceases to display advertising matter for a period of one year the use of the structure as a nonconforming outdoor advertising sign is terminated.
14. Vandalized signs. Legal nonconforming signs may be rebuilt to their original configuration and size when they are destroyed due to vandalism and other criminal or tortious acts.

D. Standards for directional and other official signs.

1. Purpose. The purpose of this subsection is to present standards applicable to directional and other official signs.
2. Scope and application. The standards presented in this Chapter apply to directional and other official signs and notices which are erected and maintained within 660 feet of the nearest edge of the right-of-way of the interstate, federal-aid primary and secondary highway systems and which are visible from the main-traveled way of the systems. These types of signs must conform to national standards, promulgated by the Secretary of Transportation under authority set forth in 23 U.S.C. 131(c). These standards do not apply, however, to directional and other official signs erected on the highway right-of-way.
3. Standards for directional signs. The following apply only to directional signs:
    a. General. The following signs are prohibited:
        i. Signs advertising activities that are illegal under federal or state laws or regulations in effect at the location of those signs or at the location of those activities.
        ii. Signs located in such a manner as to obscure or otherwise interfere with the effectiveness of an official traffic sign, signal, or device or obstruct or interfere with the driver’s view of approaching, merging, or intersecting traffic.
        iii. Signs which are erected or maintained upon trees or painted or drawn upon rocks or other natural features.
        iv. Obsolete signs.
        v. Signs which are structurally unsafe or in disrepair.
        vi. Signs which move or have any animated or moving parts.
        vii. Signs located in rest areas, parklands or scenic areas.
    b. Size. No sign shall exceed the following limits, which include border and trim, but exclude supports.
        i. Maximum area -- 150 square feet.
        ii. Maximum height -- 20 feet.
        iii. Maximum length -- 20 feet.
    c. Lighting. Signs may be illuminated, subject to the following:
        i. Signs which contain, include, or are illuminated by any flashing, intermittent or moving light or lights are prohibited.
        ii. Signs which are not effectively shielded so as to prevent beams or rays of light from being directed at any portion of the traveled way of an Interstate or primary highway or which are of

such intensity or brilliance as to cause glare or to impair the vision of the driver of any motor vehicle, or which otherwise interfere with any driver's operation of a motor vehicle are prohibited.

iii. No sign may be so illuminated as to interfere with the effectiveness of or obscure an official traffic sign, device, or signal.

d. Spacing.

i. Each location of a directional sign must be approved by the Arizona Department of Transportation.

ii. No directional sign may be located within 2,000 feet of an interstate, or intersection at grade along the interstate system or other freeways (measured along the interstate of freeway from the nearest point of the beginning or ending of pavement widening at the exit from or entrance to the main traveled way).

iii. No directional sign may be located within 2,000 feet of a rest area, parkland, or scenic area.

(1) No two directional signs facing the same direction of travel shall be spaced less than one mile apart;

(2) Not more than three directional signs pertaining to the same activity and facing the same direction of travel may be erected along a single route approaching the activity;

(3) Directional signs located adjacent to the Interstate System shall be within 75 air miles of the activity; and

(4) Directional signs located adjacent to the Primary System shall be within 50 air miles of the activity.

(5) No directional signs shall be located within 500 feet of an off-premise outdoor advertising sign on any state highway.

e. Message content. The message on directional signs shall be limited to the identification of the attraction or activity and directional information useful to the traveler in locating the attraction, such as mileage, route numbers, or exit number. Descriptive words or phrases, and pictorial or photographic representations of the activity or its environs are prohibited.

f. Selection methods and criteria for privately owned activities or attractions to obtain directional sign approval.

i. Privately owned activities are attractions eligible for directional signing are limited to the following categories:

(1) Natural phenomena,
(2) Scenic attractions,
(3) Historic sites,
(4) Educational sites,
(5) Cultural sites,
(6) Scientific sites,
(7) Religious sites, and
(8) Outdoor recreational areas.

ii. To be eligible, privately owned attractions or activities must be nationally or regionally known, and of outstanding interest to the traveling public.

iii. The Director, Arizona Department of Transportation, will appoint a Selection Board for Directional Signing Qualifications consisting of three administrative or professional employees of the Department of Transportation, one of whom shall be designated as chairperson, to judge and approve the qualifications for directional signing of privately owned activities or attractions as limited to the categories in subsection (D)(3)(f)(i) and the qualification in subsection (D)(3)(f)(ii).

iv. Applicants for directional signs involving privately owned activities or attractions, shall first qualify the activity or attraction by submitting an official qualification form to the attention of the maintenance permit engineer, highways division, Arizona Department of Transportation. The maintenance permit engineer will forward the application for qualification, along with any technical data which may assist the selection board in making the selection board's determination, to the selection board.

v. Applicant shall indicate one or more categories (as listed in subsection (D)(3)(f)(i) that is applicable to the activity or attraction for which qualification is sought. Applicants shall submit a statement and supporting evidence that the activity or attraction is nationally or regionally known and is of outstanding interest to the traveling public.

vi. The selection board will, upon approval or rejection of an application, give notification of the selection board's determination in writing, to the applicant and to the maintenance permit engineer.

vii. The maintenance permit engineer will not issue any permits for directional signs for any privately owned activity or attraction until receipt of qualification approval by the selection board. All directional sign permits issued for the Department of Transportation by the maintenance permit engineer will meet the standards for directional and other official signs as incorporated in the "Rules and Regulations for Outdoor Advertising along Arizona Highways" approved and issued by the Director, Arizona Department of Transportation.

g. Rural activity signs are intended to give directions to rural activity sites located along rural roads connecting to state highways. The signs must be located in areas primarily rural in nature. Rural activities that may qualify include ranches, recreational areas and mines. Signs for private residences, subdivisions, and commercial activities are not permitted. Industrial activities that are located in primarily rural areas such as mines or material pits may be allowed. The signs shall not be located in business areas, unzoned commercial or industrial areas, or within municipal limits. The selection board may make final determination of eligibility for those signs when necessary. Not more than one sign pertaining to a rural activity facing the same direction of travel may be erected along a single route approaching the rural connecting road. Signs will be limited to 10

square feet in area. All other standards for directional signs shall apply.

h. No application fee is required for official signs and notices, public utility signs, service club and religious notices, public service signs or directional signs erected by federal, state or local governments. Other directional signs require a permit application and $20.00 fee.

Historical Note

Adopted effective January 3, 1977 (Supp. 77-1). Former Section R17-3-711 renumbered without change as Section R17-3-701 (Supp. 88-4). Amended by final rulemaking at 18 A.A.R. 2347, effective November 10, 2012 (Supp. 12-3).

Exhibit 1. Expired

Historical Note

Exhibit 1 expired under A.R.S. § 41-1056(E) at 15 A.A.R. 2104, effective October 1, 2009 (Supp. 09-4).

Exhibit 2. Expired

Historical Note

Exhibit 2 expired under A.R.S. § 41-1056(E) at 15 A.A.R. 2104, effective October 1, 2009 (Supp. 09-4).

Exhibit 3. Expired

Historical Note

Exhibit 3 expired under A.R.S. § 41-1056(E) at 15 A.A.R. 2104, effective October 1, 2009 (Supp. 09-4).

Exhibit 4. Expired

Historical Note

Exhibit 4 expired under A.R.S. § 41-1056(E) at 15 A.A.R. 2104, effective October 1, 2009 (Supp. 09-4).

Exhibit 5. Expired

Historical Note

Exhibit 5 expired under A.R.S. § 41-1056(E) at 15 A.A.R. 2104, effective October 1, 2009 (Supp. 09-4).

Exhibit 6. Expired

Historical Note

Exhibit 6 expired under A.R.S. § 41-1056(E) at 15 A.A.R. 2104, effective October 1, 2009 (Supp. 09-4).

Exhibit 7. Expired

Historical Note

Exhibit 7 expired under A.R.S. § 41-1056(E) at 15 A.A.R. 2104, effective October 1, 2009 (Supp. 09-4).

Exhibit 8. Expired

Historical Note

Exhibit 8 expired under A.R.S. § 41-1056(E) at 15 A.A.R. 2104, effective October 1, 2009 (Supp. 09-4).

Exhibit 9. Expired

Historical Note

Exhibit 9 expired under A.R.S. § 41-1056(E) at 15 A.A.R. 2104, effective October 1, 2009 (Supp. 09-4).

R17-3-701.01. Outdoor Advertising Control: Restrictions on the Erection of Billboards and Signs and Restrictions on the Issuance of Permits

A. Outdoor advertising shall not be erected under A.R.S. § 28-2102(A)(4) or (5) in a zoned area:

1. Which is not part of a comprehensive zoning plan and which is created primarily to permit outdoor advertising structures, or
2. In which limited commercial or industrial activities are permitted as an incident to other primary land uses.

B. A permit for outdoor advertising shall not be issued under A.R.S. § 28-2106(4) in a zoned area:

1. Which is not part of a comprehensive zoning plan and which is created primarily to permit outdoor advertising structures, or
2. In which limited commercial or industrial activities are permitted as an incident to other primary land uses.

Historical Note

Emergency rule adopted effective May 17, 1994, pursuant to A.R.S. § 41-1026, valid for 90 days (Supp. 94-2). Permanently adopted without change effective August 12, 1994 (Supp. 94-3).

R17-3-702. Repealed

Historical Note

Adopted effective September 9, 1977 (Supp. 77-5). Amended effective May 11, 1981 (Supp. 81-3). Former Section R17-3-712 renumbered without change as Section R17-3-702 (Supp. 88-4). Section R17-3-702 and Exhibits 1-9 repealed by final rulemaking at 10 A.A.R. 5202, effective February 5, 2005 (Supp. 04-4).

R17-3-703. Arizona Junkyard Control

A. Purpose. The purpose of this Section is to describe the Arizona Department of Transportation's responsibility to effectively control junkyards within 1000 feet of the right-of-way on interstate highways under A.R.S. §§ 28-7941 through 28-7946.

B. Definitions. For purposes of this Section:

1. "Department" means the Arizona Department of Transportation.
2. "Director" means the Director, Arizona Department of Transportation or the Director's designated representative.
3. "Screening" means the use of vegetative planting, fencing, masonry wall or other constructed structure, earthen embankment, or a combination of any of these that effectively hides from view a deposit of junk from the main-traveled way.
4 "Screening license" means a license issued by the Director as required by A.R.S. § 28-7943 and as described in this Section.
5. "Unzoned industrial area" means the same as in A.R.S. § 28-7901(11).

C. Screening license application procedure.

1. Screening license required. The Department requires a screening license for a junkyard that:
   a. Was established or expanded after July 1, 1974;
   b. Is located within 1000 feet of the nearest edge of the right-of-way of the interstate highway system;
   c. Is within view of the main-traveled way of the interstate highway system; and
   d. Is not located in a zoned or unzoned industrial area.

2. Screening license form. An applicant shall use the Department "junkyard permit application" form to apply for a screening license, and provide the following information:
   a. Name, address, and telephone number of the owner;
   b. Legal description of the land where the junkyard to be screened is located;
   c. Name and address of the junkyard business;
   d. Location of the junkyard, including:
      i. The highway route number,
      ii. Distance, in feet, to nearest highway milepost,
      iii. Distance, in feet, from the highway right-of-way to the junkyard boundaries.
   e. Zoning classification of the land where the junkyard is located; and,
   f. Type, size, and date of establishment of the junkyard.
3. Application mailed to Permits Manager. An applicant shall mail the completed junkyard permit application, required documentation and the $25.00 fee, in the form of a check or money order payable to the Arizona Department of Transportation, to:
   Arizona Department of Transportation
   Intermodal Transportation Division
   206 South 17th Avenue, MD 004R
   Phoenix, AZ 85007
   Attention: Maintenance Permits Manager, Maintenance Section
4. Required documentation. Along with the junkyard permit application, an applicant shall submit the following documentation:
   a. A location diagram or plat of the junkyard area that indicates:
      i. The highway route number;
      ii. Distance, in feet, to nearest highway milepost;
      iii. Physical features such as buildings, bridges, culverts, utility poles, and other stationary improvements or site features that adequately describe the location; and
      iv. Distance, in feet, from the highway right-of-way to the junkyard boundaries.
   b. A drawing or plan, drawn to scale, of the junkyard screening design to be used, that includes:
      i. Plan view;
      ii. Elevation;
      iii. Construction details of fencing, berms, and plantings used alone or in combination;
      iv. If applicable, plant pit size, backfill material to be used, planting and staking details, botanical names of plant materials, plant size at the time of planting, and the spacing between plants; and
      v. Any details necessary to show design and construction materials to be used.
5. Extensions. A request for an extension shall be in writing. The Department shall grant a 60 day extension in the following circumstances:
   a. If an applicant requests an extension for completion of screening within 90 days after the Department approves a screening license; and
   b. If the Department gives a junkyard owner a violation notice and the junkyard owner requests an extension to submit the screening application within 60 days of receiving the violation notice.
6. License issuance or denial.
   a. The Department shall grant an application for a screening license only if the application complies with all requirements of A.R.S. §§ 28-7941 through 28-7946 and this Section.
      i. A junkyard owner has 180 days from the date of approval to screen the junkyard.
      ii. The Department shall field check each approved license to ensure compliance with the screening requirements of A.R.S. §§ 28-7941 through 28-7946, and this Section.
   b. If the Department denies an application because the screening plan does not comply with A.R.S. §§ 28-7942 through 28-7946 or this Section, an applicant may, within 10 days of the denial, request permission in writing to submit an amended application and amended screening plan without paying an additional fee.
   c. A junkyard owner who fails to complete the junkyard screening within 180 days from approval of the screening license, or other prescribed period, may be found guilty under subsection (D)(9).
7. Invalidation of screening license. An existing screening license shall become invalid at a previously approved location when the junkyard is enlarged or substantially changed in use so that the screening no longer adequately screens the junk. An owner shall apply for a new and separate screening license.
8. Transfer of screening license. To transfer a screening license upon sale of a junkyard, a new owner shall submit to the Department written notification of sale within 30 days after date of sale. Upon sale of a junkyard, the new owner shall continue all screening maintenance.

D. Screening.
1. Purpose. This subsection describes the requirements governing the location, planting, construction, and maintenance, of materials used in screening junkyards as required in A.R.S. § 28-7942(D).
2. Junkyard expansions. A junkyard owner shall be responsible for any expense to expand an existing junkyard screen. Screening expansions shall be aesthetically compatible, as the Director determines, with existing screens.
3. Screening location. Fences and screens shall be located so as not to be hazardous to the traveling public. New junkyards and expansions shall have screens in place before any junk is deposited.
4. Acceptable screening. When fencing is used alone or in combination with plant material, the fencing shall be capable of screening the junk entirely from view. When planting is used alone or in combination with an earthen berm, the number, type, size, and spacing of the plants shall be capable of screening the junk entirely from view, as determined by the Department.
5. Acceptable fencing materials. Acceptable fencing includes: steel or other metals; durable woods such as heart cypress, redwood, or other wood treated with a preservative; and walls of concrete block, brick, stone, or other masonry. Metal fencing shall be stained, colored, coated, or painted to blend into surroundings and be aesthetically unobtrusive.
6. Acceptable plant materials. Plant materials used shall be predominantly evergreen. In general, the minimum size of plant materials used shall be equal to five-gallon con-

tainers. An applicant may obtain a list of acceptable plant materials from the Department.

7. Screening maintenance. A junkyard owner shall ensure that screening does not enter the right-of-way. A junkyard owner shall maintain all screening in good condition by:
   a. Maintaining fences, walls, or other structural material in good appearance by timely painting and repair.
   b. Adequately watering, cultivating, mulching, or giving other maintenance to plant material, including spraying for insect control, to keep the planting in healthy condition; and
   c. Removing all dead plant material immediately and replacing it promptly during the following planting season. Replacement plants shall be at least as large as the initial planting as approved on the screening license.
8. Abandoned, destroyed, or voluntarily discontinued junkyards. A junkyard that ceases to operate for a period of one year or longer, shall comply with A.R.S. § 28-7943 and obtain a screening license to be reopened.
9. Violation.
   a. The Department shall issue a violation notice to a junkyard owner for failing to comply with A.R.S. §§ 28-7941 through 28-7946. A junkyard owner shall have 60 days from the date the violation notice is issued to apply for a screening license and submit a screening plan for the Department's review and approval.
   b. A person who violates any provision of A.R.S. §§ 28-7941 through 28-7946 or this Section for junkyard control can be found guilty of a misdemeanor under A.R.S. § 28-7946.

Historical Note

Adopted effective September 7, 1979 (Supp. 79-5). Amended effective June 13, 1980 (Supp. 80-3). Former Section R17-3-713 renumbered without change as Section R17-3-703 (Supp. 88-4). Amended by final rulemaking at 8 A.A.R. 844, effective February 8, 2002 (Supp. 02-1).

ARTICLE 8. EXPIRED

R17-3-801. Expired

Historical Note

Adopted effective May 30, 1984 (Supp. 84-3). Amended effective August 3, 1994 (Supp. 94-3). Amended by final rulemaking at 10 A.A.R. 2073, effective July 6, 2004 (Supp. 04-2). Section expired under A.R.S. § 41-1056(J) at 26 A.A.R. 382, effective February 4, 2020 (Supp. 20-1).

R17-3-802. Expired

Historical Note

Adopted effective May 30, 1984 (Supp. 84-3). Amended effective August 3, 1994 (Supp. 94-3). Amended by final rulemaking at 10 A.A.R. 2073, effective July 6, 2004 (Supp. 04-2). Section expired under A.R.S. § 41-1056(J) at 26 A.A.R. 382, effective February 4, 2020 (Supp. 20-1).

R17-3-803. Expired

Adopted effective May 30, 1984 (Supp. 84-3). Amended effective August 3, 1994 (Supp. 94-3). Section repealed; new Section made by final rulemaking at 10 A.A.R. 2073, effective July 6, 2004 (Supp. 04-2). Section expired under A.R.S. § 41-1056(J) at 26 A.A.R. 382, effective February 4, 2020 (Supp. 20-1).

R17-3-804. Expired

Historical Note

Adopted effective May 30, 1984 (Supp. 84-3). Amended effective August 3, 1994 (Supp. 94-3). Section repealed; new Section made by final rulemaking at 10 A.A.R. 2073, effective July 6, 2004 (Supp. 04-2). Section expired under A.R.S. § 41-1056(J) at 26 A.A.R. 382, effective February 4, 2020 (Supp. 20-1).

R17-3-805. Expired

Historical Note

Adopted effective May 30, 1984 (Supp. 84-3). Correction to subsection (C) (Supp. 88-4). Amended effective August 3, 1994 (Supp. 94-3). Amended by final rulemaking at 10 A.A.R. 2073, effective July 6, 2004 (Supp. 04-2). Section expired under A.R.S. § 41-1056(J) at 26 A.A.R. 382, effective February 4, 2020 (Supp. 20-1).

R17-3-806. Expired

Historical Note

Adopted effective May 30, 1984 (Supp. 84-3). Amended effective August 3, 1994 (Supp. 94-3). Amended by final rulemaking at 10 A.A.R. 2073, effective July 6, 2004 (Supp. 04-2). Section expired under A.R.S. § 41-1056(J) at 26 A.A.R. 382, effective February 4, 2020 (Supp. 20-w1).

R17-3-807. Expired

Historical Note

Adopted effective May 30, 1984 (Supp. 84-3). Amended effective August 3, 1994 (Supp. 94-3). Amended by final rulemaking at 10 A.A.R. 2073, effective July 6, 2004 (Supp. 04-2). Section expired under A.R.S. § 41-1056(J) at 26 A.A.R. 1589, effective February 4, 2020 (Supp. 20-3).

R17-3-808. Expired

Historical Note

Adopted effective May 30, 1984 (Supp. 84-3). Amended effective August 3, 1994 (Supp. 94-3). Section repealed; new Section made by final rulemaking at 10 A.A.R. 2073, effective July 6, 2004 (Supp. 04-2). Section expired under A.R.S. § 41-1056(J) at 26 A.A.R. 382, effective February 4, 2020 (Supp. 20-1).

R17-3-809. Repealed

Historical Note

Adopted effective May 30, 1984 (Supp. 84-3). Amended effective August 3, 1994 (Supp. 94-3). Section repealed by final rulemaking at 10 A.A.R. 2073, effective July 6, 2004 (Supp. 04-2).

ARTICLE 9. HIGHWAY TRAFFIC CONTROL DEVICES

R17-3-901. Signing for Colleges and Universities

A. Definitions.

"Community College" has the meaning as prescribed in A.R.S. § 15-1401.

"Department" means the Arizona Department of Transportation.

"FHWA" means the Federal Highway Administration of the U.S. DOT.

"Major metro area" means an urban area with a population of at least 50,000.

"Municipality" means an incorporated city or town.

"MUTCD" means the Manual on Uniform Traffic Control Devices, a national standard for the design and application of traffic control devices that is published by the U.S. DOT/FHWA and that is the standard for traffic control devices on the streets and highways of this state as required by A.R.S. § 28-641.

"Nonconforming sign" means an erected sign that does not comply with this Section or A.R.S. § 28-642(D) due to changes in the statutes, rules, or changed conditions. Examples of changed conditions include the reconstruction of a highway or physical deterioration of a sign.

"Regionally accredited college or university" means a college or university accredited by a regional institutional accrediting association recognized by the Arizona State Board for Private Postsecondary Education.

"Rural area" means all areas other than a major metro area or an urban area.

"Signing" means standard highway supplemental guide signs as specified in the MUTCD.

"State highway" has the same meaning as prescribed in A.R.S. § 28-101.

"State University" means a university established and maintained by the Arizona Board of Regents under A.R.S. § 15-1601.

"Trailblazing sign" means a sign installed by a local governmental agency, off the state highway, to guide traffic to a college or university.

"Trip" means a one-way commute to or from a college or university, calculated by the Department based on the number of students or dorm beds, using the following equivalents:

One student = 1 1/2 trips
One dorm bed = three trips.

"Urban area" means a municipality having a population of at least 10,000 but less than 50,000.

"U.S. DOT" means the United States Department of Transportation.

B. Application for signing. A college or university referenced in A.R.S. § 28-642(D) may request signing by submitting a letter on its letterhead to the Department's State Traffic Engineer. The letter shall contain the following information:

1. Name of college or university;
2. Complete street address;
3. Names of agencies granting accreditation;
4. Number of students;
5. Number of dormitory beds, if applicable; and
6. Signature of a person authorized to sign for the college or university.

C. Requirements. To be considered for signing, a college or university referenced in A.R.S. § 28-642(D) shall satisfy the following:

1. Is on a road that intersects a state highway. If a college or university is on a road that does not intersect a state highway, it still may qualify if:
   a. The governing political subdivision submits to the Department, within 30 days from the Department's receipt of the request for signing, written confirmation stating that the governing political subdivision will install and maintain trailblazing signs; and
   b. The governing political subdivision installs trailblazing signs before the Department places signing on the state highway.
2. Meets all the requirements under subsection (C)(2)(a), (b), or (c) of this Section.
   a. If in a major metro area:
      i. Generates at least 4000 trips per weekday.
      ii. Is three miles or less from a state highway, except the distance may be increased 1/4 mile for each 10% increase in the required number of trips per weekday to a maximum of five miles.
   b. If in an urban area:
      i. Generates at least 2000 trips per weekday.
      ii. Is four miles or less from a state highway, except the distance may be increased 1/4 mile for each 10% increase in the required number of trips per weekday to a maximum of five miles.
   c. If in a rural area:
      i. Generates at least 1000 trips per weekday.
      ii. Is five miles or less from the state highway, except the distance may be increased 1/4 mile for each 10% increase in the required number of trips per weekday to a maximum of 15 miles.

D. Exceptions to standards. The Department may place supplemental guide signs on state highways to direct traffic to colleges and universities. The Department shall determine whether to place supplemental guide signs for a college or university based on the specific criteria and the guidelines in the MUTCD.

E. Nonconforming signs. The Department may remove a nonconforming sign if:

1. Other signs have greater priority under the criteria in the MUTCD,
2. Physical spacing of signs is limited for an upcoming interchange or intersection, or
3. A greater number of trips are generated by the subject of other guide signs.

F. College or university. Only the initial, main campus of a college or university referenced in A.R.S. § 28-642(D) may qualify for signing, unless otherwise permitted by statute.

Historical Note
Adopted effective May 7, 1991 (Supp. 91-2). Amended by final rulemaking at 8 A.A.R. 3838, effective August 12, 2002 (Supp. 02-3). Amended by final rulemaking at 18 A.A.R. 1263, effective July 6, 2012 (Supp. 12-2). Amended by final rulemaking at 19 A.A.R. 1324, effective July 6, 2013 (Supp. 13-2).

R17-3-902. Logo Sign Programs

A. Definitions.

"Attraction" means any of the following:

"Arena" means a facility that has a capacity of at least 5000 seats, and is a:

Stadium or auditorium;

Track for automobile, boat, or animal racing; or

Fairground that has a tract of land where fairs or exhibitions are held and permanent buildings that include bandstands, exhibition halls, and livestock exhibition pens.

"Cultural" means an organized and permanent facility that is open to all ages of the public, and is a:

Facility for the performing arts, exhibits, or concerts; or

Museum with professional staff, and an artistic, historical, or educational purpose, that owns or uses tangible objects, cares for them, and exhibits them to the public.

"Domestic farm winery" means a site licensed by the Arizona Department of Liquor Licenses and Control under A.R.S. § 4-205.04 that produces at least 200 gallons and not more than 40,000 gallons of wine annually that is commercially packaged for off-premises sale, and is open to the public for tours to provide an educational format for informing visitors about wine.

"Domestic microbrewery" means a site licensed by the Arizona Department of Liquor Licenses and Control under A.R.S. § 4-205.08 that produces not less than 5000 gallons of beer in each calendar year following the first year of operation and not more than 1.24 million gallons of beer in a calendar year, and is open to the public for tours to provide an educational format for informing visitors about beer.

"Dude ranch" means a facility offering overnight lodging, meals, horseback riding, and activities related to cattle ranching;

"Farm-related" means an established area or facility where consumers can purchase directly from Arizona producers locally-grown, consumer-picked or pre-picked produce, or local products produced from locally-grown produce.

"Golf course" means a facility offering at least 18 holes of play. Golf course excludes a miniature golf course, driving range, chip-and-putt course, and indoor golf.

"Historic" means a structure, district, or site that is listed on the National or Arizona Register of Historic Places as being of historical significance, and includes an informational device to educate the public about the facility's historic features.

"Mall" means a shopping area with at least 1 million square feet of retail shopping space.

"Recreational" means a facility for physical exercise or enjoyment of nature that includes at least one of the following activities: walking, hiking, skiing, boating, swimming, picnicking, camping, fishing, playing tennis, horseback riding, skating, hang-gliding, and climbing;

"Scenic tours" means a business that offers guided tours of scenic areas in Arizona through various means, including air, motorized vehicle, animal, walking, or biking;

"Average annual daily traffic" means the total volume of traffic passing a point or segment of an interstate or other state highway in both directions for one year, divided by the number of days in the year, adjusted for hours of the day counted, days of the week, and seasons of the year.

"Business" means an entity that provides a specific service open for the general public and is located on a roadway within the required distance of an interstate or other state highway.

"Contract" means a written agreement between a contractor and the Department to operate a logo sign program or any aspect of a logo sign program that describes the obligations and rights of both parties.

"Contractor" means a person or entity that enters into an agreement with the Department to operate a logo sign program or any aspect of a logo sign program, and that is responsible for those aspects of a logo sign program as provided in the contract.

"Department" means the Arizona Department of Transportation.

"Exit ramp" means a roadway by which traffic may leave a controlled access highway.

"FHWA" means the Federal Highway Administration of the U.S. DOT.

"Food court" means a collective food facility that exists in one contiguous area and contains a minimum of three separate food service businesses.

"Highway" has the same meaning as prescribed in A.R.S. § 28-101.

"Interchange" means the point at which traffic on a system of interconnecting roadways that have one or more grade separations, moves from one roadway to another at a different level.

"Intersection" has the same meaning as prescribed in A.R.S. § 28-601.

"Interstate system" has the same meaning as prescribed in A.R.S. § 28-7901.

"Lease agreement" means a written contract between a contractor and a responsible operator, or between the Department and a responsible operator, to lease space for a responsible operator's logo on a contractor's or the Department's specific service information sign.

"Logo" means an identification brand, symbol, trademark, name, or a combination of these, for a responsible operator.

"Logo sign" means a specific service information sign consisting of a lettered board attached to a separate rectangular panel that displays an identification brand, symbol, trademark, name, or a combination of these, for a responsible operator.

"Logo sign panel" means a separate rectangular panel on which a logo is placed.

"Municipality" means an incorporated city or town.

"MUTCD" means the Manual on Uniform Traffic Control Devices, a national standard for the design and application of traffic control devices that is published by the U.S. DOT/FHWA and that is the standard for traffic control devices on the streets and highways of this state as required by A.R.S. § 28-641.

"Primary business" means:

A gas service business that is within three miles of an intersection or exit ramp; is in continuous operation to provide services at least 16 hours per day, seven days per

week for the interstate system; and 12 hours per day, seven days per week, for other highways;

A food service business that is within three miles of an intersection or exit ramp terminal and is in continuous operation to serve at least two meals per day at least six days per week;

A lodging service business that is within three miles of an intersection or exit ramp terminal;

A camping service business that is within five miles of an intersection or exit ramp terminal;

An attraction service business, or staging area of that business, that is within three miles of an intersection or exit ramp terminal; or

A 24-hour pharmacy that is within three miles in any direction of an interchange or exit ramp terminal on the interstate system.

"Ramp terminal" means the area where an exit ramp intersects with a roadway.

"Responsible operator" means a person or entity that:

Owns or operates an eligible business, pursuant to subsection (C) of this Section,

Has authority to enter into a lease,

Enters into a lease for a logo sign through the rural or urban logo sign program, and

Has not become ineligible to participate.

"Rural logo sign program" means a system to install and maintain specific service information signs on a rural state highway outside of an urbanized area, as provided in A.R.S. § 28-7311(E)(2).

"Rural state highway" means any class of state highway, located outside of an urbanized area as provided in A.R.S. § 28-7311 (E)(2).

"Secondary business" means a business as follows:

A gas service business that is within three to 15 miles of an intersection or exit ramp terminal, and is in continuous operation to provide services at least eight hours per day, five consecutive days per week;

A food service business that is within three to 15 miles of an intersection or exit ramp terminal, and is in continuous operation to serve at least two meals per day (either breakfast and lunch, or lunch and dinner) for a minimum of five consecutive days per week;

A lodging service business that is within three to 15 miles of an intersection or exit ramp terminal;

A camping service business that is within five to 15 miles of an intersection or exit ramp terminal; or

An attraction service business, or staging area of that business, that is within three to 15 miles of an intersection or exit ramp terminal.

"Specific service" means gas, food, lodging, camping, attractions, or 24-hour pharmacies.

"Specific service information sign" means a rectangular sign panel that contains directional information, one or more logos, and the following words:

"GAS," "FOOD," "LODGING," "CAMPING," "ATTRACTION," OR "24-HOUR PHARMACY."

"Staging area" means a regular, designated site where a scenic tour begins.

"State highway" has the same meaning as prescribed in A.R.S. § 28-101.

"Trailblazing sign" means a specific service information sign that provides additional directional guidance to a location, route, or building from another highway or roadway.

"Urbanized area" has the same meaning as prescribed in A.R.S. § 28-7311(E)(2).

"Urban logo sign program" means a system to install and maintain specific service information signs on an interstate system or other state highway within an urbanized area, as provided in A.R.S. § 28-7311.

"U.S. DOT" means the United States Department of Transportation.

B. Administration.

1. The Department may operate an urban and a rural logo sign program, or may select a contractor to administer an urban and a rural logo sign program. An urban logo sign program may be implemented on state highways in any urbanized areas in the state. A rural logo sign program may be implemented on state highways located outside of urbanized areas in the state. If the Department utilizes a contractor to administer an urban and a rural logo sign program, the Department shall solicit offers, as provided in A.R.S. §§ 41-2501 through 41-2673, to select a contractor.
2. The Department may contract separately for an urban and a rural logo sign program.
3. A contract shall specify the standards that a contractor shall use, which are contained in the MUTCD, U.S. DOT/FHWA current edition as adopted by the Department under A.R.S. § 28-641 and any other requirements and standards prescribed by the Department.
4. The Department may propose its own form of a written lease agreement with a responsible operator. The Department shall prescribe the form of any written lease agreement between a contractor and a responsible operator. A contractor's lease agreement with a responsible operator shall include, by reference, the terms and conditions of the Department's contract with a contractor under A.R.S. §§ 41-2501 through 41-2673. A contractor or the Department may terminate program participation of any responsible operator under subsection (C)(1) of this Section.

C. Eligibility criteria for primary and secondary businesses.

1. Any business is ineligible to place a logo on a logo sign panel on a particular state highway if it already has a highway guide sign installed on that state highway by a contractor or the Department. Any business is ineligible for program participation if:
   a. Thirty calendar days have elapsed since a contractor or the Department issued a notice of default to a business, during which time a business failed to cure the default, or
   b. A business has defaulted on a lease.
2. Gas service business. To be eligible to place a logo on a logo sign panel, a gas service business shall:
   a. Provide gasoline, diesel fuel, oil, and water for public purchase or use;

b. Provide sanitary restroom facilities and drinking water;
c. Provide a telephone available for public use; and
d. Meet the additional requirements for a primary or secondary gas service business in the definition of a primary or secondary business in subsection (A) of this Section.

3. Food service business. To be eligible to place a logo on a logo sign panel, a food service business shall:
   a. Provide sanitary restroom facilities for customers;
   b. Provide a telephone available for public use;
   c. If a food service business is part of a food court located within a shopping mall, the shopping mall may qualify as the responsible operator if the food court:
      i. Complies with this Section, and
      ii. Has clearly identifiable, on-premise signing consistent with the logo sign that is sufficient to guide motorists directly to the entrance to the food court.
   d. Have a license where required; and
   e. Meet the additional requirements for a primary or secondary food service business in the definition of a primary or secondary business in subsection (A) of this Section.
4. Lodging service business. To be eligible to place a logo on a logo sign panel, a lodging service business shall:
   a. Provide five or more units of sleeping accommodations;
   b. Provide a telephone available for public use;
   c. Have a license, where required;
   d. Provide sanitary restroom facilities for customers; and
   e. Meet the additional requirements for a primary or secondary lodging service business in the definition of a primary or secondary business in subsection (A) of this Section.
5. Camping service business. To be eligible to place a logo on a logo sign panel, a camping service business shall:
   a. Be able to accommodate all common types of travel trailers and recreational vehicles;
   b. Have a license, where required;
   c. Provide sanitary restroom facilities and drinking water;
   d. Be available on a year-round basis unless camping in the community is of a seasonal nature in which case, the facilities in question shall be open to the public 24 hours per day, seven days per week during the entire season; and
   e. Meet the additional requirements for a primary or secondary camping service business in the definition of a primary or secondary business in subsection (A) of this Section.
6. Attraction service business. To be eligible to place a logo on a logo sign panel, an attraction service business shall meet the following requirements, if applicable:
   a. Derive less than 50% of its sales from:
      i. The sale of alcohol consumed on the premises, or
      ii. Gambling.
   b. Derive more than 50% of its sales or visitors during the normal business season from motorists who do not reside within a 25-mile radius of the business.
   c. Provide at least 10 parking spaces.
   d. Provide historical, cultural, amusement, or leisure activities to the public.
   e. Be in continuous operation at least six hours per day, six days per week, except:
      i. An arena attraction shall hold events at least 28 days annually;
      ii. A cultural attraction shall be open at least 180 days annually;
      iii. A domestic farm winery or domestic microbrewery shall be open for tours at least 40 days annually;
      iv. A farm-related attraction shall be open at least 120 days annually; or
      v. A dude ranch shall be open at least 150 days annually.
   f. Meet the additional requirements for a primary or secondary attraction service business in the definition of a primary or secondary business in subsection (A) of this Section.
7. Twenty-four hour pharmacy business. To be eligible to place a logo on a logo sign panel, a 24-hour pharmacy business shall:
   a. Operate continuously 24 hours per day, seven days per week;
   b. Have a state-licensed pharmacist present and on duty at all times; and
   c. Meet the additional requirements for a primary 24-four hour pharmacy business in the definition of a primary business in subsection (A) of this Section.

D. Responsible operator pricing and lease procedures.
1. In the rural and urban logo sign programs, a contractor or the Department may use:
   a. Rate schedules that are established and periodically adjusted by the Department; or
   b. Competitive pricing established by one or more offers from potential or current responsible operators.
2. A contractor or the Department may use competitive pricing or rate schedules to determine the ranking order of potential or current responsible operators who may be awarded a logo sign lease at each appropriate highway interchange or location.
3. Along with the amount of available signage, competitive pricing or rate schedules may be based on any one or a combination of the following additional factors:
   a. The average, annual, daily traffic at, or adjacent to, the highway location of the specific service information sign;
   b. The population mix and relative distribution between primary and secondary businesses that appear to meet all the program requirements;
   c. The ranking order determined by a contractor or the Department as established by competitive pricing proposed or offered by potential or current responsible operators, or rate schedules, at each appropriate highway interchange or location; or
   d. The competitive market conditions, as well as economic, regulatory, logistical, and other related factors as determined by the Department.
4. If any of the factors in subsection (D)(3) of this Section are used in competitive pricing or rate schedules, a contractor or the Department shall make information relevant to these factors available to businesses on the contractor's or the Department's website.

5. If the factors in subsection (D)(3) of this Section do not resolve the business rankings at a location, a contractor or the Department shall prioritize the remaining requests for placement of a logo on a specific service information sign panel based on the following additional factors in the order listed below:
   a. The responsible operator situated closest to the highway intersection or exit ramp terminal;
   b. A gas service business or a food service business that provides the most days and hours of service to the public; and
   c. The first-in-time, eligible responsible operator to request placement of a logo on a logo sign panel.
6. If a potential responsible operator requests placement of a logo on a specific service information sign panel at a highway intersection or interchange where there are no available placements, and does so no later than 90 calendar days before the first expiration of an existing lease with a lower-ranked responsible operator at that location, a contractor or the Department may award a lease to the highest-ranked responsible operator at that location. A contractor or the Department may establish a waiting list of requesting businesses and potential responsible operators.
7. A contractor or the Department may choose not to renew an existing lease or a lease expiring within the next 90 calendar days, if another eligible business with higher priority requests placement of a logo on a specific service information sign panel at the same location.

E. Secondary businesses.

1. Lease limitations. For a secondary business, a contractor or the Department may enter into a lease for up to five years or renew a lease for up to five years, with the following terms:
   a. A contractor or the Department shall review the lease of a responsible operator at the beginning of the 24th month of the lease term to determine if the responsible operator complies with all other terms of the lease;
   b. After the 24-month review, a contractor or the Department may terminate the lease and remove the appropriate logo from the logo sign panel if another eligible business with higher priority requests lease space for a logo on a logo sign panel; and
   c. A contractor or the Department shall notify a responsible operator at least 90 calendar days before terminating the lease and removing a logo from the logo sign panel.
2. A contractor or the Department may display the following additional information on a specific service information sign for a secondary business, as space allows, based on the following ranking order:
   a. Distance,
   b. Days and hours of operation, and
   c. Seasonal operation.

F. Contractor or Department responsibility.

1. A contractor shall follow all Department design standards and specifications for all sign panels, supports, and materials, as provided in the contract and the MUTCD.
2. A contractor or the Department shall ensure that a business complies with all criteria established in this Section. A contractor or the Department may choose not to enter into a lease agreement or renew a lease agreement if the eligibility criteria in subsection (C) of this Section are not met. If a responsible operator becomes ineligible to place a logo on a logo sign panel, a contractor or the Department shall remove a logo from a logo sign panel after notifying a responsible operator as provided in the lease.
3. A contractor or the Department shall require that a responsible operator certify in writing as directed that a responsible operator will comply with all applicable federal, state, and local laws, ordinances, rules, regulations, and contractual requirements of the rural or urban logo sign program.
4. Nothing in these rules shall require a contractor or the Department to place or maintain a specific service information sign at any particular interchange or intersection. A contractor or the Department shall not place a specific service information sign that obstructs or interferes with a traffic control device.
5. A contractor shall not remove or relocate an existing official traffic control device, as defined in A.R.S. § 28-601, to accommodate a specific service information sign without prior written approval by the Department, or a local authority under A.R.S. § 28-643.
6. A contractor or the Department shall provide a copy of the signed lease agreement to a responsible operator. A responsible operator shall deliver a logo for the logo sign panel to a contractor or the Department for installation, or contract with a contractor to fabricate a logo for a logo sign panel to a responsible operator's, and the Department's, specifications.
7. Within 30 calendar days after receipt of a written request from a responsible operator, a contractor or the Department shall return any pre-paid lease payments to a responsible operator if a responsible operator's logo is not installed on a logo sign panel within 90 calendar days of tendering the payments, for reasons solely caused by the Department or a contractor.
8. A contractor shall obtain an encroachment permit under R17-3-501 through R17-3-509 before erecting or modifying a specific service information sign along a state highway.
9. If a contractor requests an encroachment permit under R17-3-501 through R17-3-509, the Department's staff shall decide the best placement of a specific service information sign and shall cooperate with a contractor to provide information to the motoring public as prescribed in subsection (E)(2) of this Section.
10. If an urban or rural logo sign program is terminated, a contractor or the Department shall:
    a. Notify a responsible operator by certified mail, or a mutually agreed upon electronic communication method, of the program termination and the location where a responsible operator may claim its logo;
    b. Remove all sign panels and supports, as directed by the Department; and
    c. Refund any unused lease payments on a prorated basis to each responsible operator.
11. A contractor or the Department shall solely determine the position and location of new or additional logos on logo sign panels or specific service information signs when logo sign vacancies occur on a logo sign panel or a specific service information sign panel, and a new responsible operator wishes to lease space on that panel, or a waiting list exists.
12. In a lease agreement with a responsible operator, a contractor or the Department may collect all applicable taxes.

G. Urbanized or rural boundary changes. If the boundaries of an urbanized area, as identified in a subsequent decennial census, are relocated or adjusted, a contractor or the Department shall allow:
1. The logo signs within the urbanized area boundaries and outside of those boundaries to remain in place until the minimum lease obligations between a contractor or the Department and a responsible operator have been fulfilled; or
2. Until lease termination, whichever occurs first.

H. Signage transition. Logo signage in place at the end of a lease term following boundary changes in subsection (G) of this Section may be transitioned from the urban to the rural logo sign program or from the rural to the urban logo sign program as appropriate.

I. Elimination of exit ramp or interchange. When the Department eliminates an exit ramp or interchange from the state highway system, a contractor or the Department may install and maintain a specific service information sign at an exit ramp or interchange directly preceding the exit ramp or interchange that the Department eliminates in each direction, as follows:
1. On request of a responsible operator, the Department may relocate a logo sign panel or a specific service information sign, as deemed appropriate by the Department.
2. A business affected by exit ramp or interchange elimination shall meet all eligibility criteria for continued program participation as prescribed in Subsection C of this Section and the following:
   a. Be located directly off the interstate or other state highway, and
   b. Had previous routine access from the eliminated exit ramp or interchange with direct access from:
      i. The crossroad at the eliminated exit ramp or interchange;
      ii. The frontage road of the interstate or other state highway at the eliminated exit ramp or interchange, within 1000 feet of the crossroad; or
      iii. The frontage road of the interstate or other state highway at the eliminated exit ramp or interchange, within 1000 feet of the crossroad, as the frontage road existed before the exit ramp or interchange was eliminated.

Historical Note

Adopted effective March 22, 1985 (Supp. 85-2). Amended effective April 10, 1987 (Supp. 87-2). Former Section R17-3-911 renumbered without change as Section R17-3-909 (Supp. 88-4). Former Sections R17-3-902 through R17-3-909 renumbered without change as Section R17-3-902 (Supp. 89-1). Amended effective May 3, 1993 (Supp. 93-2). Amended by final rulemaking at 9 A.A.R. 624, effective February 7, 2003 (Supp. 03-1). Amended by final rulemaking at 9 A.A.R. 5047, effective November 4, 2003 (Supp. 03-4). Amended by final rulemaking at 11 A.A.R. 3856, effective September 15, 2005 (Supp. 05-3). Amended by final rulemaking at 18 A.A.R. 1263, effective July 6, 2012 (Supp. 12-2). Amended by final rulemaking at 19 A.A.R. 1324, effective July 6, 2013 (Supp. 13-2).

R17-3-903. Repealed

Historical Note

Adopted effective March 22, 1985 (Supp. 85-2). Amended effective April 10, 1987 (Supp. 87-2). Section repealed by final rulemaking at 7 A.A.R. 1021, effective February 8, 2001 (Supp. 01-1). New Section made by final rulemaking at 9 A.A.R. 624, effective February 7, 2003 (Supp. 03-1). Amended by final rulemaking at 18 A.A.R. 1263, effective July 6, 2012 (Supp. 12-2). Repealed by final rulemaking at 19 A.A.R. 1324, effective July 6, 2013 (Supp. 13-2).

R17-3-904. MUTCD Requirements for Logo Signs

A. Number of sign panels and services allowed. No more than four specific service information sign panels are allowed on an interstate or other state highway at the approach to an intersection, interchange, or exit ramp.
1. Each specific service information sign panel shall contain a maximum of six logos as provided in Chapter 2J of the current version of the MUTCD.
2. No more than two specific service information sign panels for each type of specific service are allowed on an interstate or other state highway at the approach to an intersection, interchange, or exit ramp. A contractor or the Department may combine types of specific services as prescribed in subsection (A)(3) of this Section.
3. Except for existing logo signs displayed or approved for display as of July 6, 2012, no more than three types of services shall be represented on any specific service information sign panel. If three types of services are displayed on one specific service information sign panel, the panel shall have two logo sign panels for each service, or a total of six logo sign panels. If two types of services are displayed on one sign, the logo sign panels shall be limited to either three for each type, for a total of six logo sign panels, or four for one type and two for the other type, for a total of six logo sign panels.
4. One service type shall appear on no more than two specific service information sign panels.
5. When logos for more than six businesses of a specific service type are displayed at the same interchange or intersection approach, no more than 12 logos of a specific service type shall be displayed on no more than two specific service information sign panels.

B. Sign sequence. A contractor or the Department shall install successive specific service information signs for participating responsible operators in the direction of travel for the following as specified in the MUTCD:
1. Twenty-four hour pharmacies,
2. Attractions,
3. Camping,
4. Lodging,
5. Food, and
6. Gas services.

C. Seasonal requirements. If a responsible operator operates on a seasonal basis, a contractor or the Department shall:
1. Remove or cover a logo on a logo sign panel during the off-season; or
2. Display the dates of operation, if additional information is not required on the sign under R17-3-902(E)(2).

D. Sign standards. If the Department decides to move a specific service information sign because of construction or reconstruction of transportation facilities, or the placement of other signs or traffic control devices, the standards of the MUTCD apply regarding the new placement.

E. Trailblazing signs.
1. A contractor or the Department shall install a trailblazing sign for a responsible operator along a highway if a responsible operator's business is not located on, and is

not visible from, an intersection with a highway as directed from the specific service information sign.
2. A contractor or the Department may locate a trailblazing sign near all intersections where the direction of the route changes or where a motorist may be uncertain which road to follow.
3. A trailblazing sign is limited to four or fewer logo sign panels.
4. A contractor or the Department shall obtain written approval from a local governing authority to install and maintain a trailblazing sign along a highway that is not under the Department's maintenance jurisdiction.
5. A contractor or the Department shall not install a logo on a specific service information sign panel until all necessary trailblazing signs have been installed.
6. A trailblazing sign shall indicate by arrow the direction to a responsible operator's business.
7. A trailblazing sign may:
   a. Duplicate the logo sign or specific service information sign, or both;
   b. Consist of two lines of text; or
   c. Include the type of specific service and distance to a responsible operator's business.

F. Sign requirements. A logo sign shall comply with A.R.S. § 28-648. Descriptive advertising words, phrases, or slogans are prohibited on a logo sign, except:
1. If a responsible operator does not have an official trademark or logo, a responsible operator may display as its logo, on a logo sign panel, the name indicated in its partnership agreement, incorporation documents, or other documentation.
2. A contractor or the Department may place supplemental wording on logo sign panels in accordance with the MUTCD.

Historical Note
Adopted effective March 22, 1985 (Supp. 85-2). Amended effective April 10, 1987 (Supp. 87-2). Section repealed by final rulemaking at 7 A.A.R. 1021, effective February 8, 2001 (Supp. 01-1). New Section made by final rulemaking at 9 A.A.R. 624, effective February 7, 2003 (Supp. 03-1). Amended by final rulemaking at 9 A.A.R. 4132, effective September 9, 2003 (Supp. 03-3). Amended by final rulemaking at 9 A.A.R. 5047, effective November 4, 2003 (Supp. 03-4). Amended by final rulemaking at 18 A.A.R. 1263, effective July 6, 2012 (Supp. 12-2). Amended by final rulemaking at 19 A.A.R. 1324, effective July 6, 2013 (Supp. 13-2).

Appendix A. Repealed

Historical Note
Adopted effective March 22, 1985 (Supp. 85-2). Amended effective April 10, 1987 (Supp. 87-2). Appendix A repealed by final rulemaking at 9 A.A.R. 624, effective February 7, 2003 (Supp. 03-1).

Appendix B. Repealed

Historical Note
Adopted effective May 3, 1993 (Supp. 93-2). Appendix B repealed by final rulemaking at 9 A.A.R. 624, effective February 7, 2003 (Supp. 03-1).

R17-3-905. Rural Logo Sign Requirements

A. In addition to R17-3-902 through R17-3-904 and R17-3-906, the spacing between specific service information signs on a rural state highway shall be in accordance with the MUTCD based on engineering judgment.

B. Agreement. A community official designated by a municipality or town organized under Arizona law may sign a written agreement with a contractor or the Department to prohibit installation of logos on logo sign panels or specific service information sign panels on rural state highways within the recognized boundaries of the community.

Historical Note
Adopted effective March 22, 1985 (Supp. 85-2). Amended effective April 10, 1987 (Supp. 87-2). Section repealed by final rulemaking at 7 A.A.R. 1021, effective February 8, 2001 (Supp. 01-1). New Section made by final rulemaking at 9 A.A.R. 624, effective February 7, 2003 (Supp. 03-1). Amended by final rulemaking at 18 A.A.R. 1263, effective July 6, 2012 (Supp. 12-2). Amended by final rulemaking at 19 A.A.R. 1324, effective July 6, 2013 (Supp. 13-2).

R17-3-906. Existing Leases

Any change to R17-3-902 through R17-3-905 does not affect a responsible operator's lease before the current lease expires.

Historical Note
Adopted effective March 22, 1985 (Supp. 85-2). Amended effective April 10, 1987 (Supp. 87-2). Section repealed by final rulemaking at 7 A.A.R. 1021, effective February 8, 2001 (Supp. 01-1). New Section made by final rulemaking at 9 A.A.R. 624, effective February 7, 2003 (Supp. 03-1). Amended by final rulemaking at 9 A.A.R. 5047, effective November 4, 2003 (Supp. 03-4). Amended by final rulemaking at 19 A.A.R. 1324, effective July 6, 2013 (Supp. 13-2).

Historical Note
New Illustration made by final rulemaking at 9 A.A.R. 624, effective February 7, 2003 (Supp. 03-1). Illustration repealed by final rulemaking at 18 A.A.R. 1263, effective July 6, 2012 (Supp. 12-2).

R17-3-907. Repealed

Historical Note
Adopted effective March 22, 1985 (Supp. 85-2). Former Section R17-3-907 repealed and a new Section R17-3-907 adopted effective June 18, 1987 (Supp. 87-2). Section repealed by final rulemaking at 7 A.A.R. 1021, effective February 8, 2001 (Supp. 01-1).

R17-3-908. Repealed

Historical Note

Adopted effective March 22, 1985 (Supp. 85-2). Former Section R17-3-908 repealed and a new Section R17-3-908 adopted effective April 10, 1987 (Supp. 87-2). Section repealed by final rulemaking at 7 A.A.R. 1021, effective February 8, 2001 (Supp. 01-1).

R17-3-909. Repealed

Historical Note

Adopted effective March 22, 1985 (Supp. 85-2). Amended effective April 10, 1987 (Supp. 87-2). Former Section R17-3-911 renumbered without change as Section R17-3-909 (Supp. 88-4). Section repealed by final rulemaking at 7 A.A.R. 1021, effective February 8, 2001 (Supp. 01-1).

28-305. Powers and duties of the board; rules

The board may prescribe rules for the effective administration of its powers, duties and responsibilities, including rules relating to:

1. Priority programs.

2. Establishing, altering or vacating highways.

3. Construction contracts.

4. Revenue bonds.

5. Local government airport grants.

6. Prohibiting bid rigging.

28-366. Director; rules

The director shall adopt rules pursuant to title 41, chapter 6 as the director deems necessary for:

1. Collection of taxes and license fees.

2. Public safety and convenience.

3. Enforcement of the provisions of the laws the director administers or enforces.

4. The use of state highways and routes to prevent the abuse and unauthorized use of state highways and routes.

28-6923. Bid requirements; procedure; bond

A. All items of construction or reconstruction of department facilities involving an expenditure of $189,000 or more shall be called for by advertising in a newspaper of general circulation published in this state for either:

1. Two consecutive publications if it is a weekly newspaper.

2. Two publications at least six but not more than ten days apart if it is a daily newspaper.

B. In fiscal year 2008-2009 and each fiscal year thereafter, the amount provided in subsection A of this section shall be adjusted by the annual percentage change in the GDP price deflator as defined in section 41-563.

C. The advertisement shall state specifically the character of the work to be done and where a person may obtain copies of the plans, specifications and complete information as to the proposed work.

D. The bidding information provided shall state specifically the character of the work to be performed and the kind, quantity and quality of materials or supplies to be furnished. The plans and specifications:

1. Shall be sufficiently complete, definite and explicit to allow informed, free, open and competitive bidding on a common basis.

2. May require performance on the basis of either means and methods specifications or end result specifications.

3. If end result specifications are used, shall provide an objective or standard to be achieved with the successful bidder expected to exercise the bidder's skill and ingenuity in achieving that objective or standard of performance by selecting the means and manner of performance and by assuming a corresponding responsibility for that selection.

E. If contractor insurance is required for construction or reconstruction pursuant to this section, the insurance shall be placed with an insurer authorized to transact insurance in this state pursuant to title 20, chapter 2, article 1 or a surplus lines insurer approved and identified by the director of the department of insurance and financial institutions pursuant to title 20, chapter 2, article 5.

F. A bid shall be accompanied by a certified check, cashier's check or surety bond for ten percent of the amount of the bid included in the proposal as a guarantee that the contractor will enter into a contract to perform the proposal pursuant to the plans and specifications.

G. The certified check, cashier's check or surety bond shall be returned to the contractors whose proposals are not accepted and to the successful contractor on the execution of a satisfactory bond and contract as provided in this article.

H. The surety bond provided pursuant to subsection F of this section shall be executed and furnished as required by title 34, chapter 2, and the conditions and provisions of the surety bid bond regarding the surety's obligations shall follow the form required under section 34-201, subsection A, paragraph 3.

I. If a bid that is satisfactory to the board is received, it shall let a contract to the lowest responsible bidder, on the contractor giving performance and payment bonds that follow the form and include the provisions required by title 34, chapter 2, article 2.

J. If the bids received for construction or reconstruction are not satisfactory to the board, a second call shall be made. If they are again rejected by the board, it may authorize the state engineer to construct or reconstruct the item as it deems most advantageous.

K. In determining the lowest responsible bidder under this section, the department and the board may consider the time of completion proposed by the bidder if the department and the board determine that this procedure will

serve the public interest by providing a substantial fiscal benefit or that the use of the traditional awarding of contracts is not practicable for meeting desired construction standards or delivery schedules and if the formula for considering the time of completion is specifically stated in the bidding information.

L. This section does not prohibit a change to a construction contract that either:

1. Does not alter the scope of the work under a contract and the cost of the change does not exceed ten percent of the contract amount or $50,000, whichever is greater.

2. Does alter the scope of the work if the cost of the change does not exceed ten percent of the contract amount or $50,000, whichever is greater, and the changed work is within twenty percent of the total project length.

M. If a project is funded completely with private monies, the private entity is not required to comply with subsections A through L of this section if the private entity complies with all of the following:

1. Before advertising for bids, submits to the department a bond that is issued by a surety insurer authorized to do business in this state and that is in an amount equal to one hundred twenty-five percent of the anticipated construction cost of the project, including construction management and contractor costs.

2. Solicits sealed bids from at least four contractors who are prequalified by the department to perform a contract of the anticipated dollar amount of the construction.

3. Awards the contract to the best bidder taking into account price and other criteria as provided in the bid documents.

4. Obtains bonds from the selected contractor that provide the same coverage as performance and payment bonds issued under title 34, chapter 2, article 2.

5. Uses department construction standards.

6. Pays all costs of department reviews of the contract and inspections of the project.

N. For the purposes of this section, a project is funded completely with private monies if all of the following apply:

1. The contractor is paid entirely with monies from private entities.

2. The private entities hire a competent construction manager and contractor who do not have an affiliation with each other.

3. The private entities either pay all costs of design or reimburse the department for all costs of design.

28-7045. Director; state highway and route use; rules

The director shall exercise complete and exclusive operational control and jurisdiction over the use of state highways and routes and adopt rules regarding the use as the director deems necessary to prevent the abuse and unauthorized use of these highways and routes.

28-7053. Misuse of public highway or airport; violation; classification; injunction; definition

A. A person who commits or causes to be committed any of the following acts is guilty of a petty offense:

1. Places or maintains an encroachment or obstruction on, makes any use of or otherwise occupies a public highway or airport of this state or any of its political subdivisions for any purpose other than for authorized public travel, communication, transportation or transmission, except as otherwise provided in this section.

2. Places or maintains an encroachment or obstruction on, uses, occupies, damages or otherwise interferes with a public highway, airport or public bridge, causeway, viaduct, trestle or dam, unless either:

(a) Authorized by the director, if it is a state highway or structure or airport facility.

(b) Authorized by the governing body of the political subdivision in which the act is committed, if it is not a state highway or structure or airport facility.

3. Knowingly molests or destroys any part, projection, structure, appurtenance or accessory of a public highway or airport or destroys or otherwise interferes with a drainage ditch constructed for the protection of a public highway or airport or a dike, ditch, levee or jetty or an embankment appurtenant to a drainage ditch constructed for the protection of a public highway or airport.

4. Knowingly destroys or interferes with a ford, dip, culvert or crossing of a creek, gulch, river or stream by digging away the banks or by damming, deepening or widening a creek, gulch, river or stream to divert waters on the public highway or airport or to cause injury or damage to the public highway or airport by flooding or otherwise.

5. Knowingly places or maintains a vehicle, aircraft or structure parked or placed wholly or partly within a public highway, runway or taxiway specifically for the purpose of selling the vehicle, aircraft or structure or of selling or specifically advertising the sale of, at any location, an article, service or thing.

6. Knowingly stores, services, repairs or otherwise works on a vehicle wholly or partly within a highway other than on a vehicle that is temporarily disabled.

7. Knowingly removes, damages or destroys a tree or shrub standing on a highway right-of-way.

8. Knowingly obstructs or injures a public highway, runway or taxiway by causing or permitting flow or seepage of water under the person's control to escape onto the highway, runway or taxiway.

B. Each day of violation of any provision of subsection A of this section is a separate violation on failure to remove or to diligently prosecute the removal of an encroachment after notice under section 28-7054. Each encroachment shall be treated as a separate violation.

C. In addition to the penalties prescribed by this section, an act in violation of this section is a public nuisance and may be abated by an injunction. A person who commits the act is subject to an action for damages by this state brought by the attorney general or the county attorney of the county in which the act is committed on direction of the attorney general.

D. This section does not apply to:

1. Department personnel or agents performing normal construction and maintenance functions.

2. A person who has prior authorization in writing from the director to perform any of the acts referred to in this section.

E. For the purposes of this section, "encroachment" includes a structure or object of any kind or character that is placed in, under or over a portion of the public highway or airport.

28-7141. Definitions

In this article, unless the context otherwise requires:

1. "Business" means a lawful activity, except a farm operation, that is conducted primarily by or for any of the following:

(a) The purchase, sale, lease and rental of personal and real property and the manufacture, processing or marketing of products, commodities or other personal property.

(b) The sale of services to the public.

(c) By a nonprofit corporation.

(d) Solely for the purposes of section 28-7143, for assisting in the purchase, sale, resale, manufacture, processing or marketing of products, commodities, personal property or services by the erection and maintenance of an outdoor advertising display or displays, whether or not the display or displays are located on the premises on which any of the above activities are conducted.

2. "Comparable replacement dwelling" means a dwelling that is all of the following:

(a) Decent, safe and sanitary.

(b) Adequate in size to accommodate the occupants.

(c) Within the financial means of the displaced person.

(d) Functionally equivalent.

(e) In an area that is not subject to unreasonably adverse environmental conditions.

(f) In a location that is generally not less desirable than the location of the displaced person's dwelling with respect to public utilities, facilities, services and the displaced person's place of employment.

3. "Displaced person":

(a) Means a person who moves from real property or moves the person's personal property from real property either:

(i) As a direct result of a written notice of intent to acquire or the acquisition of the real property in whole or in part for a program or project undertaken by a displacing agency.

(ii) On which the person is a residential or business tenant or conducts a small business, a farm operation or a business as a direct result of rehabilitation, demolition or any other displacing activity as the department may prescribe under a program or project undertaken by a displacing agency in a case in which the displacing agency determines that the displacement is permanent.

(b) Solely for the purposes of sections 28-7142 and 28-7143, means a person who moves from real property or moves the person's personal property from real property either:

(i) As a direct result of a written notice of intent to acquire or the acquisition of other real property, in whole or in part, on which the person conducts a business or farm operation, for a program or project undertaken by a displacing agency.

(ii) As a direct result of rehabilitation, demolition or any other displacing activity as the department may prescribe of other real property on which the person conducts a business or a farm operation, under a program or

project undertaken by a displacing agency if the displacing agency determines that the displacement is permanent.

(c) Does not include either:

(i) A person who has been determined either to be unlawfully occupying the displacement dwelling or to have occupied the dwelling for the purpose of obtaining assistance under this article.

(ii) In a case in which the displacing agency acquires property for a program or project, a person, other than a person who was an occupant of the property at the time it was acquired, who occupies the property on a rental basis for a short term or a period subject to termination when the property is needed for the program or project.

4. "Displacing agency" means the department in carrying out a program or project with federal or state financial assistance that causes a person to be a displaced person.

5. "Family" means two or more persons who are living together in the same dwelling unit and who are related to each other by blood, marriage, adoption or legal guardianship.

6. "Farm operation" means an activity conducted primarily for the production of one or more agricultural products or commodities, including timber for sale and home use, and customarily producing the products or commodities in sufficient quantity to be capable of contributing materially to the operator's support.

7. "Individual" means a person who is not a member of a family.

8. "Initiation of negotiations" means the date the department first makes personal contact with the owner or the owner's personal representative of the property sought to be acquired if the price to be paid for the property is discussed.

9. "Mortgage" means the classes of liens as are commonly given to secure advances on or the unpaid purchase price of real property under the laws of the state in which the real property is located and the credit instruments, if any, secured thereby.

10. "Person" means an individual, family, partnership, corporation or association.

28-7148. Rules

A. The director shall adopt rules as the director determines is necessary to ensure that:

1. The payments and assistance authorized by this article are administered in a manner that is fair and reasonable and as uniform as practicable.

2. A displaced person who makes proper application for a payment authorized by this article is paid promptly after a move, or in hardship cases, paid in advance.

3. An aggrieved person may have the person's application reviewed.

B. The director shall adopt any other rules that are consistent with this article as the director deems necessary or appropriate to carry out this article.

28-7149. Payments not income

A payment received by a displaced person under this article:

1. Is not income for the purposes of title 43 relating to the taxation of income.

2. Is not considered as income or resources to a recipient of public assistance.

3. Shall not be deducted from the amount of aid to which the recipient would otherwise be entitled under a federal, state, county or city welfare program.

28-7152. Assurance of dwellings

A. If a program or project undertaken by a displacing agency cannot proceed on a timely basis because comparable replacement dwellings are not available and the head of the displacing agency determines that the dwellings cannot otherwise be made available, the head of the displacing agency shall take any action that is necessary or appropriate to provide the dwellings by the use of monies authorized for the project. The displacing agency may exceed the maximum amounts that may be paid under sections 28-7144 and 28-7146 on a case by case basis for good cause as determined pursuant to department rules.

B. A person shall not be required to move from a dwelling on account of a program or project undertaken by a displacing agency unless the displacing agency is satisfied that comparable replacement housing is available to the person.

C. The displacing agency shall ensure that a person is not required to move from a dwelling unless the person has had a reasonable opportunity to relocate to a comparable replacement dwelling, except in any of the following cases:

1. A major disaster as defined in section 102(2) of the federal disaster relief act of 1974.

2. A national emergency declared by the president of the United States.

3. Any other emergency that requires the person to move immediately from the dwelling because continued occupancy of the dwelling by the person is a substantial danger to the health or safety of the person.

28-7311. Urban and rural logo sign programs; rules; definitions

A. The department may establish an urban and a rural logo sign program. Notwithstanding sections 28-648, 28-7048 and 28-7053, as part of the program the department may contract with a third party to install and maintain specific services information signs, known as logo signs, on any class of state highway or interstate highway system in this state. If the department contracts with a third party, the third party shall agree in the contract to:

1. Furnish, install, maintain and replace signs for the benefit of business advertisers who provide gas, food, lodging, twenty-four hour pharmacy service, attraction and camping facilities for the general public.

2. Lease advertising space on the signs to operators of the facilities prescribed in paragraph 1 of this subsection.

B. Notwithstanding sections 28-648, 28-7048 and 28-7053, as part of the rural logo sign program the department may contract with a third party to install and maintain specific services information signs, known as logo signs, on any class of state highway or interstate highway system, located outside of an urbanized area with a population of one hundred thousand or more persons of this state. If the department contracts with a third party, the third party shall agree in the contract to:

1. Furnish, install, maintain and replace signs for the benefit of business advertisers that provide gas, food, lodging, twenty-four hour pharmacy service, attraction and camping facilities for the general public.

2. Lease advertising space on the signs to operators of the facilities prescribed in paragraph 1 of this subsection.

C. The department shall adopt rules to implement and operate the logo sign programs. Costs incurred under the programs established by this section shall be paid under agreements negotiated between the department or third party and the business advertisers.

D. The department may enter into a revenue sharing agreement with the third party. The department shall deposit, pursuant to sections 35-146 and 35-147, revenues generated, less program operating costs, in the state highway fund established by section 28-6991.

E. For the purposes of this section:

1. "Population" means the population determined in the most recent United States decennial census or in the most recent special census as provided in section 28-6532.

2. "Urbanized area" means an urbanized area as defined in the decennial census by the United States bureau of the census.

28-7363. Design-build method of project delivery

A. Notwithstanding any other law, the department may use the design-build method of project delivery on a project if the department makes a determination in writing that it is appropriate and in the best interests of the department to use the design-build method of project delivery for that project, except that:

1. The department shall not enter into a contract to operate any structure, facility or other item pursuant to this article.

2. Each design-build project shall be a specific single project.

3. The department shall not commence any design-build project after December 31, 2030. For the purposes of this paragraph, a project is commenced on the date the department solicits the contract for the project. If the department solicits a design-build contract on or before December 31, 2030, the contract may be executed and services and construction under the contract may be rendered in whole or in part after December 31, 2030.

B. The estimated cost of the project shall not include the cost to procure any right-of-way or other cost of condemnation. The cost to procure any right-of-way or other cost of condemnation remains at all times the responsibility of the department. The department shall obtain all necessary rights-of-way.

C. The department is responsible for preparing and acquiring all environmental documents, including the scope of any remediation and required clearances.

D. If construction of a design-build project involves railroad facilities, the railroad shall approve the use of the design-build delivery method before the department awards the design-build contract.

E. To ensure fair, uniform, clear and effective procedures that will deliver a quality project on time and within budget, the director, in conjunction with the appropriate and affected professionals and contractors, may adopt procedures for procuring a project using the design-build method of project delivery.

F. The provisions of sections 28-6923 and 28-6924 relating to bid, performance and payment bonds and to change orders, progress payments, contract retentions, definitions and authority to award contracts apply to department design-build projects for transportation facilities pursuant to this article.

28-7365. Design-build; two-phase solicitation

A. If the department determines that the design-build method of project delivery is appropriate, the department shall establish a two-phase procedure for awarding the design-build contract. The department shall limit each solicitation for a design-build contract to a specific single project.

B. During phase one, and before solicitation, the director shall appoint a selection team of at least three persons. At least one-half of the selection team shall be architects or engineers who are registered pursuant to section 32-121. The selection team members may be either department employees or outside consultants. The selection team shall also include at least one person who is a senior management employee of a licensed contractor who is not involved in the project. Any architect or engineer who is serving on the selection team and who is not a department employee shall not be otherwise involved in the project. The department shall prepare documents for a request for qualifications.

C. The request for qualifications shall include all of the following:

1. The minimum qualifications of the design-builder.

2. A scope of work statement and schedule.

3. Documents defining the project requirements.

4. The form of contract to be awarded.

5. The selection criteria for compiling a short list and the number of firms to be included on the short list. At least three but not more than five firms shall be included on the short list.

6. A description of the phase two requirements and subsequent management needed to bring the project to completion.

7. The maximum time allowable for design and construction.

8. The department's estimated cost of design and construction.

D. The selection team shall evaluate the design-build qualifications of responding firms and shall compile a short list of firms in accordance with technical and qualifications-based criteria. The number of firms on the short list shall be the number of firms specified in the request for qualifications, except that, if a smaller number of firms responds to the solicitation or if one or more of the firms on the short list drop out so that only two firms remain on the short list, the selection team may proceed with the selection process with the remaining firms if at least two firms remain or the department may readvertise as the department deems necessary.

E. During phase two, the department shall issue a request for proposals to the design-builders on the short list. The request shall include:

1. The scope of work, including programmatic, performance and technical requirements, conceptual design, specifications and functional and operational elements for the delivery of the completed project, which shall all be prepared by an architect or engineer, as appropriate, who is registered pursuant to section 32-121.

2. A description of the qualifications required of the design-builder and the selection criteria, including the weight or relative order, or both, of each criterion.

3. Copies of the contract documents that the successful proposer will be expected to sign.

4. The maximum time allowable for design and construction.

5. The department's estimated cost of design and construction.

6. The requirement that a proposal be segmented into two parts, a technical proposal and a price proposal. Each proposal shall be in a separately sealed, clearly identified package and shall include the date and time of the submittal deadline. The technical proposal shall include a schedule, schematic design plans and specifications, technical reports, calculations, permit requirements, applicable development fees and other data requested in the request for proposals. The price proposal shall contain all design, construction, engineering, inspection and construction costs of the proposed project.

7. The date, time and location of the public opening of the sealed price proposals.

8. Other information relevant to the project.

F. If stated in the request for proposals, in order to inform each firm whether the firm's concept is responsive to the request for proposals, the department may enter into a separate confidential discussion with each firm on the short list to discuss alternative technical concepts that the firm may propose.

G. The department shall proceed as follows:

1. The selection team shall review the technical proposals and score the technical proposals using the selection criteria in the request for proposals. The technical review team shall then submit a technical proposal score for each design-builder to the department. The technical review team shall reject any proposal it deems to be nonresponsive.

2. The department shall announce the technical proposal score for each design-builder, shall publicly open the sealed price proposals and shall divide each design-builder's price by the score that the selection team has given to it to obtain an adjusted score. The design-builder selected shall be that responsive and responsible design-builder whose adjusted score is the lowest.

3. If a time factor is included with the selection criteria in the request for proposals package, the department may also adjust the bids using a value of the time factor established by the department. The value of the time factor shall be a value per day. The adjustment shall be based on the total time value. The total time value is the design-builder's proposed number of days to complete the project multiplied by the factor. The time adjusted price is the total time value plus the bid amount. This adjustment shall be used for selection purposes only and shall not affect the department's liquidated damages schedule or incentive and disincentive program. An adjusted score shall then be obtained by dividing each design-builder's time adjusted price by the score given by the technical review team. The department shall select the responsive and responsible design-builder whose adjusted score is the lowest.

4. Unless all proposals are rejected, the board shall award the contract to the responsive and responsible design-builder with the lowest adjusted score. The board reserves the right to reject all proposals.

5. The department shall award a stipulated fee equal to four-tenths of one percent of the department's estimated cost of design and construction to each short list responsible proposer that provides a responsive, but unsuccessful proposal. If the department does not award a contract, all responsive proposers shall receive the stipulated fee. If the department cancels the contract before reviewing the technical proposals, the department shall award each design-builder on the selected short list a stipulated fee equal to four-tenths of one percent of the department's estimated cost of design and construction. The department shall pay the stipulated fee to each proposer within ninety days after the award of the contract or the decision not to award a contract. In consideration for paying the stipulated fee, the department may use any ideas or information contained in the proposals in connection with any contract awarded for the project, or in connection with a subsequent procurement, without any obligation to pay any additional compensation to the unsuccessful proposers. Notwithstanding the other provisions of this paragraph, an unsuccessful short list proposer may elect to waive the stipulated fee. If an unsuccessful short list proposer elects to waive the stipulated fee, the department may not use ideas and information contained in the proposer's proposal, except that this restriction does not prevent the department from using any idea or information if the idea or information is also included in a proposal of a short list proposer that accepts the stipulated fee.

28-7907. Agreement with secretary of transportation

A. The director shall enter into the agreement with the United States secretary of transportation provided for by 23 United States Code section 131(d) providing the standards governing the size, lighting and spacing of outdoor advertising authorized under section 28-7902, subsection A, paragraphs 4 and 5 and defining an unzoned commercial or industrial area.

B. If the standards and definitions contained in the agreement do not agree substantially with this article, the agreement is not effective until this article is amended to conform with the terms of the agreement.

28-7908. Rules

A. The director shall adopt and enforce rules governing the placing, maintenance and removal of outdoor advertising. The rules shall be consistent with:

1. The public policy of this state to protect the safety and welfare of the traveling public.

2. This article.

3. The terms of the agreement with the United States secretary of transportation pursuant to section 28-7907.

4. The national standards, criteria and regulations promulgated by the United States secretary of transportation pursuant to 23 United States Code section 131.

B. The director shall define by rule unzoned commercial or industrial areas, defined hardship areas and defined areas along the interstate and primary systems. The definitions shall:

1. Be consistent with the definitions of these areas provided in this article and in the agreement with the United States secretary of transportation pursuant to section 28-7907.

2. Take into consideration the negative economic impact and economic hardship of these areas.

28-7909. Permits; fees; disposition

A. The director shall issue permits to place or maintain, or both, outdoor advertising authorized under section 28-7902, subsection A, paragraphs 1, 4, 5, 6, 7 and 8 and to establish and collect fees for the issuance of the permits. The fees shall not exceed the actual costs to the department.

B. The department shall deposit, pursuant to sections 35-146 and 35-147, the fees collected under this article in the state highway fund.

E-7.

ARIZONA HEALTH CARE COST CONTAINMENT SYSTEM
Title 9, Chapter 22, Article 12

GOVERNOR'S REGULATORY REVIEW COUNCIL

ATTORNEY MEMORANDUM - FIVE-YEAR REVIEW REPORT

MEETING DATE: February 4, 2025

TO: Members of the Governor's Regulatory Review Council (Council)

FROM: Council Staff

DATE: January 13, 2025

SUBJECT: **ARIZONA HEALTH CARE COST CONTAINMENT SYSTEM**
Title 9, Chapter 22, Article 12

Summary

This Five-Year Review Report (5YRR) from the Arizona Health Care Cost Containment System (AHCCCS) relates to six (6) rules in Title 9, Chapter 22, Article 12 regarding Behavior Health Services.

In the last 5YRR for these rules, which was approved by the Council in January 2020, AHCCCS proposed to amend rules R9-22-1202 and R9-22-1207 to replace all references to ADHS with references to AHCCCS. AHCCCS indicates it did not complete its prior proposed course of action because the agency's resources at the time had been diverted to address COVID-19 public health emergency. At this time, AHCCCS indicates this 5YRR adopts those changes recommended in the prior 5YRR as well as few additional technical and clarifying changes, and AHCCCS indicates it has already submitted a request for an exemption from the rulemaking moratorium from the Governor's Office and plans to initiate the regular rulemaking immediately following GRRC's approval of this 5YRR.

Proposed Action

In the current report, AHCCCS seeks to update all references to ADHS, DBHS, RBHA, and RHBA as well as other technical and clarifying changes as outlined in more detail below.

AHCCCS indicates it has requested an exemption from the rulemaking moratorium from the Governor's Office to begin a rulemaking immediately following Council approval of this report and anticipates submitting this rulemaking to Council in December 2024.

1. Has the agency analyzed whether the rules are authorized by statute?

AHCCCS cites both general and specific statutory authority for these rules.

2. Summary of the agency's economic impact comparison and identification of stakeholders:

According to AHCCCS, the economic, small business, and consumer impact of this chapter aligns with the projection made in the last 5YRR. In the last 5YRR, it was anticipated that none of the changes would have any effect on the economic impact of this chapter and the actual economic impact remains the same as had been anticipated. These regulations govern administration of behavioral health services to AHCCCS members, as well as eligibility for such coverage by AHCCCS. There is no economic, small business or consumer financial impact beyond the existing cost of the agency operations. Additionally, the changes suggested in this 5YRR are clarifying, therefore the impact on the economy remains the same.

Stakeholders include AHCCCS, its members, the Department of Health Services, contractors, behavioral healthcare services providers, and Children's Rehabilitative Services (CRS).

3. Has the agency analyzed the costs and benefits of the rulemaking and determined that the rules impose the least burden and costs to those who are regulated?

The Administration states that the rules impose the least burden and cost to achieve the benefits provided to regulated persons.

4. Has the agency received any written criticisms of the rules over the last five years?

AHCCCS indicates it received no written criticisms of the rules in the last five years.

5. Has the agency analyzed the rules' clarity, conciseness, and understandability?

AHCCCS indicates the rules are clear, concise, and understandable.

6. Has the agency analyzed the rules' consistency with other rules and statutes?

AHCCCS indicates the rules are generally consistent with other rules and statutes except for the following:

- **R9-22-1205(F)(1):**

    - A.A.C. citation reference should be updated. Typographical errors should be corrected.
- **R9-22-1205(H)(1):**
    - Citation in this rule should be corrected to state "R9-22-1201" as the definition is not found in "R9-10" as it currently reads.

7. Has the agency analyzed the rules' effectiveness in achieving its objectives?

AHCCCS indicates the rules are effective in achieving their objectives.

8. Has the agency analyzed the current enforcement status of the rules?

AHCCCS indicates the following rules are not currently enforced as written:

- **R9-22-1201:**
    - The definition of 'Behavioral Health Technician' and 'Clinical oversight' should be updated to refer to the Department of Health Services definitions. The definition for Health Plan should be added to reflect ACC transition of RBHAs to MCOs.
- **R9-22-1202:**
    - Rule should be repealed as Division of Behavioral Health Services (DBHS) is no longer at ADHS, and these processes are further outlined in AHCCCS policy
- **R9-22-1205(G):**
    - Reference to "ADHS/DBHS" should be removed as DBHS is no longer at ADHS.
- **R9-22-1205(H)(6):**
    - Reference to "RBHA" should be removed.
- **R9-22-1207(A)(1):**
    - Reference to "RHBA" should be replaced with "health plan."
- **R9-22-1207(A)(2):**
    - Reference to "RHBA" should be replaced with "health plan."
- **R9-22-1207(A)(5):**
    - Reference to "ADHS/DBHS" should be removed as DBHS is no longer at ADHS.
- **R9-22-1207(A)(7):**
    - Reference to "RHBA" should be replaced with "health plan."
- **R9-22-1207(B):**
    - Reference to "RBHA" and "ADHS/DBHS" should be removed.

9. Are the rules more stringent than corresponding federal law and, if so, is there statutory authority to exceed the requirements of federal law?

AHCCCS indicates 42 C.F.R. 438 is relevant to these rules. AHCCCS states these rules are not more stringent than the corresponding federal law.

10. For rules adopted after July 29, 2010, do the rules require a permit or license and, if so, does the agency comply with A.R.S. § 41-1037?

Not applicable. AHCCCS indicates the rules do not require the issuance of a license, permit, or agency authorization.

11. Conclusion

This 5YRR from AHCCCS relates to six (6) rules in Title 9, Chapter 22, Article 12 regarding Behavior Health Services. AHCCCS seeks to update all references to ADHS, DBHS, RBHA, and RHBA as well as other technical and clarifying changes as outlined above. AHCCCS indicates it has requested an exemption from the rulemaking moratorium from the Governor's Office to begin a rulemaking immediately following Council approval of this report and anticipates submitting this rulemaking to Council in December 2024.

Council staff recommends approval of this report.

Jessica Klein, Chair
Governor's Regulatory Review Council
100 North 15th Avenue, Suite 302
Phoenix, Arizona 85007

RE: AHCCCS Title 9, Chapter 22, Article 12;

Dear Ms. Klein

Please find enclosed AHCCCS's Five-Year Review Report for Title 9, Chapter 22, Article 12 due on September 30, 2024.

AHCCCS hereby certifies compliance with A.R.S. 41-1091.

For questions about this report, please contact Sladjana Kuzmanovic at 602-417-4232 or sladjana.kuzmanovic@azahcccs.gov.

Sincerely,

Nicole Fries
Chief Deputy General Counsel

Arizona Health Care Cost Containment System (AHCCCS)

5 YEAR REVIEW REPORT

A.A.C. Title 9, Chapter 22, Article 12

September 2024

1. Authorization of the rule by existing statutes

General Statutory Authority: A.R.S. § 36-2903.01(F)

Specific Statutory Authority: A.R.S. § 36-2907

2. The objective of each rule:

Rule	Objective
R9-22-1201	This rule provides definitions for terms used in behavioral health services by Arizona Health Care Cost Containment System (AHCCCS).
R9-22-1202	This rule explains the responsibilities of Arizona Department of Health Services (ADHS), Contractor, Administration and Children's Rehabilitative Services (CRS).
R9-22-1203	This rule explains the eligibility requirements for covered services by Arizona Health Care Cost Containment System (AHCCCS).
R9-22-1204	This rule explains general service requirements by Arizona Health Care Cost Containment System (AHCCCS).
R9-22-1205	This rule outlines the scope and coverage of behavioral health services offered by Arizona Health Care Cost Containment System (AHCCCS).
R9-22-1207	This rule explains the general provisions for payment for claim submissions.

3. Are the rules effective in achieving their objectives? **Yes _X_** **No __**

4. Are the rules consistent with other rules and statutes? **Yes ___** **No _X_**

Rule	Objective
R9-22-1205(F)(1)	A.A.C. citation reference should be updated. Typographical errors should be corrected.
R9-22-1205(H)(1)	Citation in this rule should be corrected to state "R9-22-1201" as definition is not found in R9-10 as it currently reads.

5. Are the rules enforced as written? **Yes __** **No _X_**

Rule	Objective
R9-22-1201	The definition of 'Behavioral Health Technician' and 'Clinical oversight' should be updated to refer to the Department of Health Services definitions. The definition for Health Plan should be added to reflect ACC transition of RBHAs to MCOs.
R9-22-1202	Rule should be repealed as Division of Behavioral Health Services (DBHS) is no longer at ADHS, and these processes are further outlined in AHCCCS policy
R9-22-1205(G)	Reference to "ADHS/DBHS" should be removed as DBHS is no longer at ADHS.

R9-22-1205(H)(6)	Reference to "RBHA" should be removed.
R9-22-1207(A)(1)	Reference to "RHBA" should be replaced with "health plan."
R9-22-1207(A)(2)	Reference to "RHBA" should be replaced with "health plan."
R9-22-1207(A)(5)	Reference to "ADHS/DBHS" should be removed as DBHS is no longer at ADHS.
R9-22-1207(A)(7)	Reference to "RHBA" should be replaced with "health plan."
R9-22-1207(B)	Reference to "RBHA" and "ADHS/DBHS" should be removed.

6. Are the rules clear, concise, and understandable? **Yes _X_** **No __**

7. Has the agency received written criticisms of the rules within the last five years? **Yes ___** **No _X_**

8. Economic, small business, and consumer impact comparison:

The economic, small business, and consumer impact of this chapter align with the projections made in the last Five-Year Review Report. In the last Five-Year Review Report, it was anticipated that none of the changes would have any effect on the economic impact of this chapter and the actual economic impact remains the same as had been anticipated. These regulations govern administration of behavioral health services to AHCCCS members, as well as eligibility for such coverage by AHCCCS. There is no economic, small business or consumer financial impact beyond the existing cost of the agency operations. The changes suggested in this Five-Year Review Report are clarifying, therefore the impact on the economy remains the same.

9. Has the agency received any business competitiveness analyses of the rules? **Yes ___** **No _X_**

10. Has the agency completed the course of action indicated in the agency's previous five-year-review report?

The recommendations made in the prior Five-Year Review Report were not made because agency's resources at the time had been diverted to address COVID-19 public health emergency. At this time, the Five-Year Review Report adopts those changes recommended in the prior Five-Year Review Report as well as few additional technical and clarifying changes, and AHCCCS has already submitted a request for an exemption from the rulemaking moratorium from the Governor's Office and plans to initiate the regular rulemaking immediately following GRRC's approval of this Five-Year Review Report.

11. A determination that the probable benefits of the rule outweigh within this state the probable costs of the rule, and the rule imposes the least burden and costs to regulated persons by the rule, including paperwork and other compliance costs, necessary to achieve the underlying regulatory objective:

The changes that are proposed in this Five-Year Review Report are meant for clarifying purposes and do not impose any additional burdens or costs to regulated persons. Furthermore, they impost the least burden and cost to achieve the same benefits as the Article currently provides to regulated persons.

12. Are the rules more stringent than corresponding federal laws? **Yes ___** **No _X_**

The rules are not more stringent than 42 C.F.R. 438.

13. For rules adopted after July 29, 2010 that require the issuance of a regulatory permit, license, or agency authorization, whether the rules are in compliance with the general permit requirements of A.R.S. § 41-1037 or explain why the agency believes an exception applies:

These rules do not require an issuance of a regulatory permit, license, or agency authorization, therefore, compliance with the general permit requirements of A.R.S. 41-1037 or explanation why the agency believes an exception applies is not applicable.

14. Proposed course of action

The Administration has requested an exemption from the rulemaking moratorium from the Governor's Office to begin a rulemaking immediately following GRRC's approval of this report in order to make the changes outlined above and update the rules in Article 12. The Administration anticipates submitting this rulemaking to Council in December 2024.

Amended by final rulemaking at 17 A.A.R. 2615, effective February 4, 2012 (Supp. 11-4).

R9-22-1107. Reserved

R9-22-1108. Request for a Compromise

A. To request a compromise, the person shall file a written request with AHCCCS within 30 days from the date of receipt of the Notice of Intent. The written request for compromise shall contain the person's reasons for the reduction or modification of the penalty, assessment, or penalty and assessment.

B. Within 30 days from the date of receipt of the request for compromise from the person, AHCCCS shall send a Notice of Compromise Decision that accepts, denies, or offers a counter proposal to the person's request for compromise. If AHCCCS offers a counter proposal the amount of the counter proposal shall represent the penalty, assessment, or penalty and assessment.

1. If AHCCCS does not withdraw the Notice of Intent under R9-22-1112 or denies the request for compromise the original penalty, assessment, or penalty and assessment is upheld.
2. To dispute the Compromise Decision, the person shall file a request for a State Fair Hearing under R9-22-1110 within 30 days from the date of receipt of the Notice of Compromise Decision. A failure to respond to the Notice of Compromise Decision will lead to the decision being upheld.

Historical Note

New Section made by final rulemaking at 10 A.A.R. 3056, effective September 11, 2004 (Supp. 04-3). Amended by final rulemaking at 17 A.A.R. 2615, effective February 4, 2012 (Supp. 11-4). Amended by final rulemaking at 30 A.A.R. 925 (May 10, 2024), with an immediate effective date of April 25, 2024 (Supp. 24-2).

R9-22-1109. Failure to Respond to the Notice of Intent

If a person fails to respond timely to the Notice of Intent, AHCCCS shall uphold the original penalty, assessment, or penalty and assessment.

Historical Note

New Section made by final rulemaking at 10 A.A.R. 3056, effective September 11, 2004 (Supp. 04-3). Amended by final rulemaking at 17 A.A.R. 2615, effective February 4, 2012 (Supp. 11-4).

R9-22-1110. Request for State Fair Hearing

A. To request a State Fair Hearing regarding a dispute concerning a penalty, assessment, or penalty and assessment, the person shall file a written request for a State Fair Hearing with AHCCCS within 60 days from the date of the receipt of the Notice of Intent under R9-22-1106 or within 30 days from the date of receipt of the Notice of Compromise Decision under R9-22-1108, if applicable.

B. AHCCCS shall mail a Notice of Hearing under A.R.S. § 41-1092.05 if AHCCCS receives a timely request for a State Fair Hearing from the person.

C. AHCCCS shall mail a Director's Decision to the person no later than 30 days after the date the Administrative Law Judge sends the decision of the Office of Administrative Hearings (OAH) to AHCCCS.

D. AHCCCS shall accept a written request for withdrawal of a hearing request if the written request for withdrawal is received from the person before AHCCCS mails a Notice of Hearing under A.R.S. § 41-1092 et seq. If AHCCCS mailed a Notice of Hearing under A.R.S. § 41-1092 et seq., a person may withdraw the hearing request only by sending a written request for withdrawal to OAH.

Historical Note

New Section made by final rulemaking at 10 A.A.R. 3056, effective September 11, 2004 (Supp. 04-3). Amended by final rulemaking at 17 A.A.R. 2615, effective February 4, 2012 (Supp. 11-4).

R9-22-1111. Issues and Burden of Proof

A. Preponderance of evidence. In any State Fair Hearing conducted under R9-22-1110, AHCCCS shall prove by a preponderance of the evidence that a person presented or caused to be presented each claim in violation of this Article and any aggravating circumstances under R9-22-1105. A person shall bear the burden of producing and proving by a preponderance of the evidence any circumstance that would justify reducing the amount of the penalty, assessment, or penalty and assessment.

B. Statistical sampling.

1. In meeting the burden of proof described in subsection (A), AHCCCS may introduce the results of a statistical sampling study as evidence of the number and amount of claims that were presented or caused to be presented by the person. A statistical sampling study constitutes prima facie evidence of the number and amount of claims if computed by valid statistical methods.
2. The burden of proof shall shift to the person to produce evidence reasonably calculated to rebut the findings of the statistical sampling study once AHCCCS has made a prima facie case as described in subsection (B)(1). AHCCCS shall be given the opportunity to rebut this evidence.

Historical Note

New Section made by final rulemaking at 10 A.A.R. 3056, effective September 11, 2004 (Supp. 04-3). Amended by final rulemaking at 17 A.A.R. 2615, effective February 4, 2012 (Supp. 11-4).

R9-22-1112. Withdrawal and Continuances

AHCCCS may withdraw the Notice of Intent at any time. Prior to referring a matter to the Office of Administrative Hearings the parties may mutually agree to a continuance.

Historical Note

New Section made by final rulemaking at 10 A.A.R. 3056, effective September 11, 2004 (Supp. 04-3).

ARTICLE 12. BEHAVIORAL HEALTH SERVICES

R9-22-1201. Definitions

Definitions. The following definitions apply to this Article:

"Adult behavioral health therapeutic home" as defined in 9 A.A.C. 10, Article 1.

"Agency" for the purposes of this Article means a behavioral health facility, a classification of a health care institution, including a mental health treatment agency defined in A.R.S. § 36-501, that is licensed to provide behavioral health services according to A.R.S. Title 36, Chapter 4.

"Assessment" means an analysis of a patient's need for physical health services or behavioral health services to determine which services a health care institution will provide to the patient.

"Behavior management services" means services that assist the member in carrying out daily living tasks and other activi-

ties essential for living in the community, including personal care services.

"Behavioral health therapeutic home care services" means interactions that teach the client living, social, and communication skills to maximize the client's ability to live and participate in the community and to function independently, including assistance in the self-administration of medication and any ancillary services indicated by the client's treatment plan, as appropriate.

"Behavioral health services" means medical services, nursing services, health-related services, or ancillary services provided to an individual to address the individual's behavioral health issue.

"Behavioral health technician" means an individual who is not a behavioral health professional who provides behavioral health services at or for a health care institution according to the health care institution's policies and procedures that:

If the behavioral health services were provided in a setting other than a licensed health care institution, the individual would be required to be licensed as a behavioral professional under A.R.S. Title 32, Chapter 33; and

Are provided with clinical oversight by a behavioral health professional.

"Case management" for the purposes of this Article, means services and activities that enhance treatment, compliance, and effectiveness of treatment.

"Certified psychiatric nurse practitioner" means a registered nurse practitioner who meets the psychiatric specialty area requirements under A.A.C. R4-19-505(C).

"Clinical oversight" means as described under 9 A.A.C. 10.

"Cost avoid" means to avoid payment of a third-party liability claim when the probable existence of third-party liability has been established under 42 CFR 433.139(b).

"Court-ordered evaluation" has the same meaning as "evaluation" in A.R.S. § 36-501.

"Court-ordered pre-petition screening" has the same meaning as "pre-petition screening" in A.R.S. § 36-501.

"Court-ordered treatment" means treatment provided according to A.R.S. Title 36, Chapter 5.

"Crisis services" means immediate and unscheduled behavioral health services provided to a patient to address an acute behavioral health issue affecting the patient.

"Direct supervision" has the same meaning as "supervision" in A.R.S. § 36-401.

"Emergency medical services provider" has the same meaning as in A.R.S. § 36-2201.

"Health care institution" has the same meaning as defined in A.R.S. § 36-401.

"Health care practitioner" means a:

Physician;

Physician assistant;

Nurse practitioner; or

Other individual licensed and authorized by law to use and prescribe medication and devices, as defined in A.R.S. § 32-1901.

"Licensee" means the same as in 9 A.A.C. 10, Article 1.

"Medical practitioner" means a physician, physician assistant, or nurse practitioner.

"Partial care" means a day program of services provided to individual members or groups that is designed to improve the ability of a person to function in a community, and includes basic, therapeutic, and medical day programs.

"Physician assistant" means the same as in A.R.S. § 32-2501 except that when providing a behavioral health service, the physician assistant shall be supervised by an AHCCCS-registered psychiatrist.

"Psychiatrist" means a physician who meets the licensing requirements under A.R.S. § 32-1401 or a doctor of osteopathy who meets the licensing requirements under A.R.S. § 32-1800, and meets the additional requirements of a psychiatrist under A.R.S. § 36-501.

"Psychologist" means a person who meets the licensing requirements under A.R.S. §§ 32-2061 and 36-501.

"Qualified behavioral health service provider" means a behavioral health service provider that meets the requirements of R9-22-1206.

"Respite" means a period of care and supervision of a member to provide rest or relief to a family member or other person caring for the member. Respite provides activities and services to meet the social, emotional, and physical needs of the member during respite.

"TRBHA" or "Tribal Regional Behavioral Health Authority" means a Native American tribe under contract with ADHS/DBHS to coordinate the delivery of behavioral health services to eligible and enrolled members of the federally-recognized tribal nation.

Historical Note

Adopted under an exemption from A.R.S. Title 41, Ch. 6, pursuant to Laws 1992, Ch. 301, § 61, effective November 1, 1992; received in the Office of the Secretary of State November 25, 1992 (Supp. 92-4). Amended under an exemption from A.R.S. Title 41, Ch. 6, pursuant to Laws 1992, Ch. 301, § 61, effective September 30, 1993 (Supp. 93-3). Amended under an exemption from A.R.S. Title 41, Ch. 6, pursuant to Laws 1995, Ch. 204, § 11, effective October 1, 1995; filed with the Secretary of State September 29, 1995 (Supp. 95-4). Section repealed; new Section adopted by final rulemaking at 6 A.A.R. 179, effective December 13, 1999 (Supp. 99-4). Amended by exempt rulemaking at 7 A.A.R. 4593, effective October 1, 2001 (Supp. 01-3). Amended by final rulemaking at 13 A.A.R. 836, effective May 5, 2007 (Supp. 07-1). Amended by final rulemaking at 20 A.A.R. 3098, effective January 4, 2015 (Supp. 14-4).

R9-22-1202. ADHS, Contractor, Administration and CRS Responsibilities

A. ADHS responsibilities. ADHS is responsible for payment of behavioral health services provided to members, except as specified under subsection (D). ADHS' responsibility for payment of behavioral health services includes claims for inpatient hospital services, which may include physical health

services, when the principal diagnosis on the hospital claim is a behavioral health diagnosis. Behavioral health diagnoses are identified as "mental disorders" in the latest International Classification of Diseases (ICD) code set as required by AHCCCS claims and encounters.

B. ADHS/DBHS may contract with a TRBHA for the provision of behavioral health services for American Indian members. American Indian members may receive covered behavioral health services:
1. From an IHS or tribally operated 638 facility,
2. From a TRBHA, or
3. From a RBHA.

C. Contractor responsibilities. A contractor shall:
1. Refer a member to a RBHA under the contract terms;
2. Provide EPSDT developmental and behavioral health screening as specified in R9-22-213;
3. Coordinate a member's transition of care and medical records; and
4. Be responsible for providing covered inpatient hospital services, which may include behavioral health inpatient hospital services, when the principal diagnosis on the hospital claim is not a behavioral health diagnosis.

D. Administration and CRS responsibilities.
1. The Administration shall be responsible for payment of behavioral health services provided to an ALTCS FFS or an FES member and for behavioral health services provided by IHS and tribally operated 638 facilities. The Administration is also responsible for payment of behavioral health services provided to these members during prior quarter coverage.
2. CRS shall be responsible for payment of behavioral health services provided to members enrolled with CRS.

Historical Note

Adopted under an exemption from A.R.S. Title 41, Ch. 6, pursuant to Laws 1992, Ch. 301, § 61, effective November 1, 1992; received in the Office of the Secretary of State November 25, 1992 (Supp. 92-4). Amended under an exemption from A.R.S. Title 41, Ch. 6, pursuant to Laws 1992, Ch. 301, § 61, effective September 30, 1993 (Supp. 93-3). Amended under an exemption from A.R.S. Title 41, Ch. 6, pursuant to Laws 1995, Ch. 204, § 11, effective October 1, 1995; filed with the Secretary of State September 29, 1995 (Supp. 95-4). Section repealed; new Section adopted by final rulemaking at 6 A.A.R. 179, effective December 13, 1999 (Supp. 99-4). Amended by exempt rulemaking at 7 A.A.R. 4593, effective October 1, 2001 (Supp. 01-3). Amended to correct typographical errors, filed in the Office of the Secretary of State October 30, 2001 (Supp. 01-4). Amended by final rulemaking at 13 A.A.R. 836, effective May 5, 2007 (Supp. 07-1). Amended by final rulemaking at 20 A.A.R. 3098, effective January 4, 2015 (Supp. 14-4). Amended by final rulemaking at 21 A.A.R. 1225, effective July 7, 2015 (Supp. 15-3).

R9-22-1203. Eligibility for Covered Services

Title XIX members. A member determined eligible under A.R.S. § 36-2901(6)(a) or (g) except for the failure to meet U.S. citizenship or qualified alien status requirements, shall receive medically necessary covered services under Article 12 and Article 2.

Historical Note

Adopted under an exemption from A.R.S. Title 41, Ch. 6, pursuant to Laws 1992, Ch. 301, § 61, effective November 1, 1992; received in the Office of the Secretary of State November 25, 1992 (Supp. 92-4). Amended under an exemption from A.R.S. Title 41, Ch. 6, pursuant to Laws 1992, Ch. 301, § 61, effective September 30, 1993 (Supp. 93-3). Amended under an exemption from A.R.S. Title 41, Ch. 6, pursuant to Laws 1995, Ch. 204, § 11, effective October 1, 1995; filed with the Secretary of State September 29, 1995 (Supp. 95-4). Section repealed, new Section adopted by final rulemaking at 6 A.A.R. 179, effective December 13, 1999 (Supp. 99-4). Amended by exempt rulemaking at 7 A.A.R. 4593, effective October 1, 2001 (Supp. 01-3). Amended by final rulemaking at 13 A.A.R. 836, effective May 5, 2007 (Supp. 07-1). Amended by final rulemaking at 20 A.A.R. 3098, effective January 4, 2015 (Supp. 14-4).

R9-22-1204. General Service Requirements

A. Services. Behavioral health services include mental health, substance abuse, and physical services. Medically necessary services shall be covered and service requirements met as described under Article 2 and Article 5.

B. Notification to Administration for American Indians enrolled with a tribal contractor. A provider shall notify the Administration no later than 72 hours after an American Indian member enrolled with a tribal contractor presents to a behavioral health hospital for inpatient emergency behavioral health services.

C. Restrictions and limitations. Room and board is not a covered service unless provided in a behavioral health inpatient facility under R9-22-1205.

Historical Note

Adopted under an exemption from A.R.S. Title 41, Ch. 6, pursuant to Laws 1992, Ch. 301, § 61, effective November 1, 1992; received in the Office of the Secretary of State November 25, 1992 (Supp. 92-4). Amended under an exemption from A.R.S. Title 41, Ch. 6, pursuant to Laws 1992, Ch. 301, § 61, effective September 30, 1993 (Supp. 93-3). Amended under an exemption from A.R.S. Title 41, Ch. 6, pursuant to Laws 1995, Ch. 204, § 11, effective October 1, 1995; filed with the Secretary of State September 29, 1995 (Supp. 95-4). Amended under an exemption from A.R.S. Title 41, Ch. 6, pursuant to Laws 1995, Ch. 204, § 11, effective January 1, 1996; filed with the Secretary of State December 22, 1995 (Supp. 95-4). Section repealed; new Section adopted by final rulemaking at 6 A.A.R. 179, effective December 13, 1999 (Supp. 99-4). Amended by exempt rulemaking at 7 A.A.R. 4593, effective October 1, 2001 (Supp. 01-3). Amended by final rulemaking at 13 A.A.R. 836, effective May 5, 2007 (Supp. 07-1). Amended by final rulemaking at 20 A.A.R. 3098, effective January 4, 2015 (Supp. 14-4).

R9-22-1205. Scope and Coverage of Behavioral Health Services

A. Inpatient behavioral health services. The following inpatient services are covered subject to the limitations and exclusions in this Article and Article 2.
1. Covered inpatient behavioral health services include all behavioral health services, medical detoxification, accommodations and staffing, supplies, and equipment, if the service is provided under the direction of a physician in a Medicare-certified:
   a. General acute care hospital,
   b. Inpatient psychiatric unit in a general acute care hospital, or

c. Behavioral health hospital.
2. Inpatient service limitations:
a. Inpatient services, other than emergency services specified in this Section, are not covered unless prior authorization is obtained.
b. Inpatient services and room and board are reimbursed on a per diem basis. The per diem rate includes all services, except the following licensed or certified providers may bill independently for services:
i. A licensed psychiatrist,
ii. A certified psychiatric nurse practitioner,
iii. A licensed physician assistant,
iv. A licensed psychologist,
v. A licensed clinical social worker,
vi. A licensed marriage and family therapist,
vii. A licensed professional counselor,
viii. A licensed independent substance abuse counselor, and
ix. A medical practitioner.

B. Behavioral Health Inpatient facility for children. Services provided in a Behavioral Health Inpatient facility for children as defined in 9 A.A.C. 10, Article 3 are covered subject to the limitations and exclusions under this Article.
1. Behavioral Health Inpatient facility for children services are not covered unless provided under the direction of a licensed physician in a licensed Behavioral Health Inpatient facility for children accredited by an AHCCCS-approved accrediting body as specified in contract.
2. Covered Behavioral Health Inpatient facility for children services include room and board and treatment services for behavioral health and substance abuse conditions.
3. Inpatient Behavioral Health Inpatient facility for children service limitations.
a. Services are not covered unless prior authorized, except for emergency services as specified in this Section.
b. Services are reimbursed on a per diem basis. The per diem rate includes all services, except the following licensed or certified providers may bill independently for services:
i. A licensed psychiatrist,
ii. A certified psychiatric nurse practitioner,
iii. A licensed physician assistant,
iv. A licensed psychologist,
v. A licensed clinical social worker,
vi. A licensed marriage and family therapist,
vii. A licensed professional counselor,
viii. A licensed independent substance abuse counselor, and
ix. A medical practitioner.
4. The following may be billed independently if prescribed by a provider as specified in this Section who is operating within the scope of practice:
a. Laboratory services, and
b. Radiology services.

C. Covered Inpatient sub-acute agency services. Services provided in a inpatient sub-acute facility as defined in 9 A.A.C. 10, Article 1 are covered subject to the limitations and exclusions under this Article.
1. Inpatient sub-acute facility services are not covered unless provided under the direction of a licensed physician in a licensed inpatient sub-acute facility that is accredited by an AHCCCS-approved accrediting body.
2. Covered Inpatient sub-acute facility services include room and board and treatment services for behavioral health and substance abuse conditions.
3. Services are reimbursed on a per diem basis. The per diem rate includes all services, except the following licensed or certified providers may bill independently for services:
a. A licensed psychiatrist,
b. A certified psychiatric nurse practitioner,
c. A licensed physician assistant,
d. A licensed psychologist,
e. A licensed clinical social worker,
f. A licensed marriage and family therapist,
g. A licensed professional counselor,
h. A licensed independent substance abuse counselor, and
i. A medical practitioner.
4. The following may be billed independently if prescribed by a provider specified in this Section who is operating within the scope of practice:
a. Laboratory services, and
b. Radiology services.

D. Behavioral health residential facility services. Services provided in a licensed behavioral health residential facility as defined in 9 A.A.C. 10, Article 1 are covered subject to the limitations and exclusions under this Article.
1. Behavioral health residential facility services are not covered unless provided by a licensed behavioral health residential facility.
2. Covered services include all non-prescription drugs as defined in A.R.S. § 32-1901, non-customized medical supplies, and clinical oversight or direct supervision of the behavioral health residential facility staff, whichever is applicable. Room and board are not covered services.
3. The following licensed and certified providers may bill independently for services:
a. A licensed psychiatrist,
b. A certified psychiatric nurse practitioner,
c. A licensed physician assistant,
d. A licensed psychologist,
e. A licensed clinical social worker,
f. A licensed marriage and family therapist,
g. A licensed professional counselor,
h. A licensed independent substance abuse counselor, and

E. Partial care. Partial care services are covered subject to the limitations and exclusions in this Article.
1. Partial care services are not covered unless provided by a licensed and AHCCCS-registered behavioral health agency that provides a regularly scheduled day program of individual member, group, or family activities that are designed to improve the ability of the member to function in the community. Partial care services include basic, therapeutic, and medical day programs.
2. Partial care services. Educational services that are therapeutic and are included in the member's behavioral health treatment plan are included in per diem reimbursement for partial care services.

F. Outpatient services. Outpatient services are covered subject to the limitations and exclusions in this Article and Article 2.
1. Outpatient services include the following:
a. Screening provided by a behavioral health professional or a behavioral health technician as defined in R9-22-1201;

b. A behavioral health assessment provided by a behavioral health professional or a behavioral health technician;
c. Counseling including individual therapy, group therapy, and family therapy provided by a behavioral health professional or a behavioral health technician;
d. Behavior management services as defined in R9-22-1201; and
e. Psychosocial rehabilitation services as defined in R9-22-201.

2. Outpatient service limitations.
a. The following licensed or certified providers may bill independently for outpatient services:
i. A licensed psychiatrist;
ii. A certified psychiatric nurse practitioner;
iii. A licensed physician assistant as defined in R9-22-1201;
iv. A licensed psychologist;
v. A licensed clinical social worker;
vi. A licensed professional counselor;
vii. A licensed marriage and family therapist;
viii. A licensed independent substance abuse counselor;
ix. A medical practitioner; and
x. An outpatient treatment center or substance abuse transitional facility licensed under 9 A.A.C. 10, Article 14, that is an AHCCCS-registered provider.
b. A behavioral health practitioner not specified in subsections (F)(2)(a)(i) through (x), who is contracted with or employed by an AHCCCS-registered behavioral health agency shall not bill independently.

G. Emergency behavioral health services are covered subject to the limitations and exclusions under this Article. In order to be covered, behavioral health services shall be provided by qualified service providers under R9-22-1206. ADHS/DBHS shall ensure that emergency behavioral health services are available 24 hours per day, seven days per week in each GSA for an emergency behavioral health condition for a non-FES member as defined in R9-22-201.

H. Other covered behavioral health services. Other covered behavioral health services include:
1. Case management as defined in 9 A.A.C. 10, Article 1;
2. Laboratory and radiology services for behavioral health diagnosis and medication management;
3. Medication;
4. Monitoring, administration, and adjustment for psychotropic medication and related medications;
5. Respite care as described within subsection (J);
6. Behavioral health therapeutic home care services provided by a RBHA in a professional foster home defined in 6 A.A.C. 5, Article 58 or in an adult behavioral health therapeutic home as defined in 9 A.A.C. 10, Article 1;
7. Other support services to maintain or increase the member's self-sufficiency and ability to live outside an institution.

I. Transportation services. Transportation services are covered under R9-22-211.

J. Limited Behavioral Health services. Respite services are limited to no more than 600 hours per benefit year.

Historical Note

Adopted under an exemption from A.R.S. Title 41, Ch. 6, pursuant to Laws 1992, Ch. 301, § 61, effective November 1, 1992; received in the Office of the Secretary of State November 25, 1992 (Supp. 92-4). Amended under an exemption from A.R.S. Title 41, Ch. 6, pursuant to Laws 1992, Ch. 301, § 61, effective September 30, 1993 (Supp. 93-3). Amended under an exemption from A.R.S. Title 41, Ch. 6, pursuant to Laws 1995, Ch. 204, § 11, effective October 1, 1995; filed with the Secretary of State September 29, 1995 (Supp. 95-4). Section repealed, new Section adopted by final rulemaking at 6 A.A.R. 179, effective December 13, 1999 (Supp. 99-4). Amended by exempt rulemaking at 7 A.A.R. 4593, effective October 1, 2001 (Supp. 01-3). Amended by final rulemaking at 11 A.A.R. 5480, effective December 6, 2005 (Supp. 05-4). Amended by final rulemaking at 13 A.A.R. 836, effective May 5, 2007 (Supp. 07-1). Amended by exempt rulemaking at 17 A.A.R. 1870, effective October 1, 2011 (Supp. 11-3). Amended by final rulemaking at 19 A.A.R. 2747, effective October 8, 2013 (Supp. 13-3). Amended by final rulemaking at 20 A.A.R. 3098, effective January 4, 2015 (Supp. 14-4).

R9-22-1206. Repealed

Historical Note

Adopted under an exemption from A.R.S. Title 41, Ch. 6, pursuant to Laws 1992, Ch. 301, § 61, effective November 1, 1992; received in the Office of the Secretary of State November 25, 1992 (Supp. 92-4). Amended under an exemption from A.R.S. Title 41, Ch. 6, pursuant to Laws 1992, Ch. 301, § 61, effective September 30, 1993 (Supp. 93-3). Amended under an exemption from A.R.S. Title 41, Ch. 6, pursuant to Laws 1995, Ch. 204, § 11, effective October 1, 1995; filed with the Secretary of State September 29, 1995 (Supp. 95-4). Section repealed, new Section adopted by final rulemaking at 6 A.A.R. 179, effective December 13, 1999 (Supp. 99-4). Amended by exempt rulemaking at 7 A.A.R. 4593, effective October 1, 2001 (Supp. 01-3). Amended by final rulemaking at 13 A.A.R. 836, effective May 5, 2007 (Supp. 07-1). Repealed by final rulemaking at 20 A.A.R. 3098, effective January 4, 2015 (Supp. 14-4).

R9-22-1207. General Provisions for Payment

A. Claims submissions.
1. A provider of behavioral health services shall submit a claim for non-emergency behavioral health services provided to a member to the appropriate RBHA.
2. A provider of behavioral health services shall submit a claim for non-inpatient emergency behavioral health services provided to a member to the appropriate RBHA.
3. A provider of behavioral health services shall submit a claim for non-inpatient emergency behavioral health services provided to a member enrolled in a TRBHA to the Administration.
4. A provider of behavioral health services shall submit a claim for non-emergency behavioral health services provided to a member enrolled in a TRBHA to the Administration.
5. A provider of emergency behavioral health services, that are the responsibility of ADHS/DBHS or a contractor, shall submit a claim to the entity responsible for emergency behavioral health services under R9-22-210.01(A).
6. A provider shall comply with the time-frames and other payment procedures in Article 7 of this Chapter, if applicable, and A.R.S. § 36-2904.
7. ADHS/DBHS or a contractor, whichever entity is responsible for covering behavioral health services, shall cost

avoid any behavioral health service claims if it establishes the existence or probable existence of first-party liability or third-party liability.

B. Prior authorization. Payment to a provider for behavioral health services or items requiring prior authorization may be denied if a provider does not obtain prior authorization from a RBHA, ADHS/DBHS, a TRBHA, the Administration or a contractor.

Historical Note
Adopted under an exemption from A.R.S. Title 41, Ch. 6, pursuant to Laws 1992, Ch. 301, § 61, effective November 1, 1992; received in the Office of the Secretary of State November 25, 1992 (Supp. 92-4). Amended under an exemption from A.R.S. Title 41, Ch. 6, pursuant to Laws 1995, Ch. 204, § 11, effective October 1, 1995; filed with the Secretary of State September 29, 1995 (Supp. 95-4). Section repealed; new Section adopted by final rulemaking at 6 A.A.R. 179, effective December 13, 1999 (Supp. 99-4). Amended by final rulemaking at 13 A.A.R. 836, effective May 5, 2007 (Supp. 07-1). Amended by final rulemaking at 20 A.A.R. 3098, effective January 4, 2015 (Supp. 14-4).

R9-22-1208. Repealed

Historical Note
New Section adopted by final rulemaking at 6 A.A.R. 179, effective December 13, 1999 (Supp. 99-4). Amended by final rulemaking at 6 A.A.R. 3317, effective August 7, 2000 (Supp. 00-3). Section repealed by final rulemaking at 11 A.A.R. 5480, effective December 6, 2005 (Supp. 05-4).

ARTICLE 13. CHILDREN'S REHABILITATIVE SERVICES (CRS)

Article 13, consisting of Sections R9-22-1301 through R9-22-1306, made by final rulemaking at 19 A.A.R. 2954, effective November 10, 2013 (Supp. 13-3).

Article 13, consisting of Sections R9-22-1301 through R9-22-1306, made by exempt rulemaking at 18 A.A.R. 2074, effective August 1, 2012 (Supp. 12-3). Exemption to promulgate rules repealed under Laws 2012, Chapter 299, Section 7 (Supp. 13-3).

Article 13, consisting of Sections R9-22-1301 through R9-22-1309, repealed by final rulemaking at 10 A.A.R. 808, effective April 3, 2004. The subject matter of Article 13 is now in 9 A.A.C. 34 (Supp. 04-1).

R9-22-1301. Children's Rehabilitative Services (CRS) related Definitions
In addition to definitions contained in A.R.S. § 36-2901, the words and phrases in this Article have the following meanings unless the context explicitly requires another meaning:

"Active treatment" means there is a current need for treatment of the CRS qualifying condition(s) or it is anticipated that treatment or evaluation for continuing treatment of the CRS qualifying condition(s) will be needed within the next 18 months from the last date of service for treatment of any CRS qualifying condition.

"CRS application" means a submitted form with any additional documentation required by the Administration to determine whether an individual is medically eligible for CRS.

"CRS condition" means a list of medical condition(s) in R9-22-1303 and which are referred to as covered conditions in A.R.S. § 36-2912.

"Functionally limiting" means a restriction having a significant effect on an individual's ability to perform an activity of daily living as determined by a provider.

"Medically eligible" means meeting the medical eligibility requirements of R9-22-1303.

"Redetermination" means a decision made by the Administration regarding whether a member continues to meet the requirements in R9-22-1302.

Historical Note
Adopted effective September 9, 1998 (Supp. 98-3). Amended by final rulemaking at 6 A.A.R. 3317, effective August 7, 2000 (Supp. 00-3). Section repealed by final rulemaking at 10 A.A.R. 808, effective April 3, 2004 (Supp. 04-1). Section made by exempt rulemaking at 18 A.A.R. 2074, effective August 1, 2012 (Supp. 12-3). Rulemaking exemption repealed by Laws, 2012, Ch. 299, Section 7; therefore a new Section was made by final rulemaking at 19 A.A.R. 2954, effective November 10, 2013 (Supp. 13-3). Amended by final rulemaking at 21 A.A.R. 2022, effective October 1, 2015 (Supp. 15-3).

R9-22-1302. Children's Rehabilitative Services (CRS) Eligibility Requirements
Beginning October 1, 2013, an AHCCCS member who needs active treatment for one or more of the qualifying medical condition(s) in R9-22-1303 shall be given a CRS Designation. An American Indian member can choose to receive CRS services through an American Indian Health Plan or a contractor. A member enrolled in CMDP shall obtain CRS services through CMDP. The contractor shall provide covered services necessary to treat the condition(s) and other services described within the contract. The effective date of the CRS Designation shall be as specified in contract.

Historical Note
Adopted effective September 9, 1998 (Supp. 98-3). Amended by final rulemaking at 6 A.A.R. 3317, effective August 7, 2000 (Supp. 00-3). Section repealed by final rulemaking at 10 A.A.R. 808, effective April 3, 2004 (Supp. 04-1). Section made by exempt rulemaking at 18 A.A.R. 2074, effective August 1, 2012 (Supp. 12-3). Rulemaking exemption repealed by Laws, 2012, Ch. 299, Section 7; therefore a new Section was made by final rulemaking at 19 A.A.R. 2954, effective November 10, 2013 (Supp. 13-3). Amended by final rulemaking at 24 A.A.R. 2855, effective November 16, 2018 (Supp. 18-3).

R9-22-1303. Medical Eligibility
The following lists identify those medical condition(s) that do qualify for CRS services as well as those that do not qualify for CRS services. The list of condition(s) that qualify for a CRS Designation is all inclusive. The list of condition(s) that do not qualify for a CRS Designation is not an all-inclusive list.

1. Cardiovascular System
   a. CRS condition(s) that qualify for CRS medical eligibility:
      i. Arrhythmia,
      ii. Arteriovenous fistula,
      iii. Cardiomyopathy,
      iv. Conduction defect,
      v. Congenital heart defect other than isolated small Ventricular Septal Defects (VSD), Patent

36-2903.01. Additional powers and duties; report; definition

A. The director of the Arizona health care cost containment system administration may adopt rules that provide that the system may withhold or forfeit payments to be made to a noncontracting provider by the system if the noncontracting provider fails to comply with this article, the provider agreement or rules that are adopted pursuant to this article and that relate to the specific services rendered for which a claim for payment is made.

B. The director shall:

1. Prescribe uniform forms to be used by all contractors. The rules shall require a written and signed application by the applicant or an applicant's authorized representative, or, if the person is incompetent or incapacitated, a family member or a person acting responsibly for the applicant may obtain a signature or a reasonable facsimile and file the application as prescribed by the administration.

2. Enter into an interagency agreement with the department to establish a streamlined eligibility process to determine the eligibility of all persons defined pursuant to section 36-2901, paragraph 6, subdivision (a). At the administration's option, the interagency agreement may allow the administration to determine the eligibility of certain persons, including those defined pursuant to section 36-2901, paragraph 6, subdivision (a).

3. Enter into an intergovernmental agreement with the department to:

(a) Establish an expedited eligibility and enrollment process for all persons who are hospitalized at the time of application.

(b) Establish performance measures and incentives for the department.

(c) Establish the process for management evaluation reviews that the administration shall perform to evaluate the eligibility determination functions performed by the department.

(d) Establish eligibility quality control reviews by the administration.

(e) Require the department to adopt rules, consistent with the rules adopted by the administration for a hearing process, that applicants or members may use for appeals of eligibility determinations or redeterminations.

(f) Establish the department's responsibility to place sufficient eligibility workers at federally qualified health centers to screen for eligibility and at hospital sites and level one trauma centers to ensure that persons seeking hospital services are screened on a timely basis for eligibility for the system, including a process to ensure that applications for the system can be accepted on a twenty-four hour basis, seven days a week.

(g) Withhold payments based on the allowable sanctions for errors in eligibility determinations or redeterminations or failure to meet performance measures required by the intergovernmental agreement.

(h) Recoup from the department all federal fiscal sanctions that result from the department's inaccurate eligibility determinations. The director may offset all or part of a sanction if the department submits a corrective action plan and a strategy to remedy the error.

4. By rule establish a procedure and time frames for the intake of grievances and requests for hearings, for the continuation of benefits and services during the appeal process and for a grievance process at the contractor level. Notwithstanding sections 41-1092.02, 41-1092.03 and 41-1092.05, the administration shall develop rules to establish the procedure and time frame for the informal resolution of grievances and appeals. A grievance that is not related to a claim for payment of system covered services shall be filed in writing with and received by the administration or the prepaid capitated provider or program contractor not later than sixty days after the date of the adverse action, decision or policy implementation being grieved. A grievance that is related to a claim for payment of system covered services must be filed in writing and received by the administration or the prepaid capitated provider or program contractor within twelve months after the date of service, within twelve months

after the date that eligibility is posted or within sixty days after the date of the denial of a timely claim submission, whichever is later. A grievance for the denial of a claim for reimbursement of services may contest the validity of any adverse action, decision, policy implementation or rule that related to or resulted in the full or partial denial of the claim. A policy implementation may be subject to a grievance procedure, but it may not be appealed for a hearing. The administration is not required to participate in a mandatory settlement conference if it is not a real party in interest. In any proceeding before the administration, including a grievance or hearing, persons may represent themselves or be represented by a duly authorized agent who is not charging a fee. A legal entity may be represented by an officer, partner or employee who is specifically authorized by the legal entity to represent it in the particular proceeding.

5. Apply for and accept federal funds available under title XIX of the social security act (P.L. 89-97; 79 Stat. 344; 42 United States Code section 1396 (1980)) in support of the system. The application made by the director pursuant to this paragraph shall be designed to qualify for federal funding primarily on a prepaid capitated basis. Such funds may be used only for the support of persons defined as eligible pursuant to title XIX of the social security act or the approved section 1115 waiver.

6. At least thirty days before the implementation of a policy or a change to an existing policy relating to reimbursement, provide notice to interested parties. Parties interested in receiving notification of policy changes shall submit a written request for notification to the administration.

7. In addition to the cost sharing requirements specified in subsection D, paragraph 4 of this section:

(a) Charge monthly premiums up to the maximum amount allowed by federal law to all populations of eligible persons who may be charged.

(b) Implement this paragraph to the extent permitted under the federal deficit reduction act of 2005 and other federal laws, subject to the approval of federal waiver authority and to the extent that any changes in the cost sharing requirements under this paragraph would permit this state to receive any enhanced federal matching rate.

C. The director is authorized to apply for any federal funds available for the support of programs to investigate and prosecute violations arising from the administration and operation of the system. Available state funds appropriated for the administration and operation of the system may be used as matching funds to secure federal funds pursuant to this subsection.

D. The director may adopt rules or procedures to do the following:

1. Authorize advance payments based on estimated liability to a contractor or a noncontracting provider after the contractor or noncontracting provider has submitted a claim for services and before the claim is ultimately resolved. The rules shall specify that any advance payment shall be conditioned on the execution before payment of a contract with the contractor or noncontracting provider that requires the administration to retain a specified percentage, which shall be at least twenty percent, of the claimed amount as security and that requires repayment to the administration if the administration makes any overpayment.

2. Defer liability, in whole or in part, of contractors for care provided to members who are hospitalized on the date of enrollment or under other circumstances. Payment shall be on a capped fee-for-service basis for services other than hospital services and at the rate established pursuant to subsection G of this section for hospital services or at the rate paid by the health plan, whichever is less.

3. Deputize, in writing, any qualified officer or employee in the administration to perform any act that the director by law is empowered to do or charged with the responsibility of doing, including the authority to issue final administrative decisions pursuant to section 41-1092.08.

4. Notwithstanding any other law, require persons eligible pursuant to section 36-2901, paragraph 6, subdivision (a), section 36-2931 and section 36-2981, paragraph 6 to be financially responsible for any cost sharing requirements established in a state plan or a section 1115 waiver and approved by the centers for medicare and

medicaid services. Cost sharing requirements may include copayments, coinsurance, deductibles, enrollment fees and monthly premiums for enrolled members, including households with children enrolled in the Arizona long-term care system.

E. The director shall adopt rules that further specify the medical care and hospital services that are covered by the system pursuant to section 36-2907.

F. In addition to the rules otherwise specified in this article, the director may adopt necessary rules pursuant to title 41, chapter 6 to carry out this article. Rules adopted by the director pursuant to this subsection shall consider the differences between rural and urban conditions on the delivery of hospitalization and medical care.

G. For inpatient hospital admissions and outpatient hospital services on and after March 1, 1993, the administration shall adopt rules for the reimbursement of hospitals according to the following procedures:

1. For inpatient hospital stays from March 1, 1993 through September 30, 2014, the administration shall use a prospective tiered per diem methodology, using hospital peer groups if analysis shows that cost differences can be attributed to independently definable features that hospitals within a peer group share. In peer grouping the administration may consider such factors as length of stay differences and labor market variations. If there are no cost differences, the administration shall implement a stop loss-stop gain or similar mechanism. Any stop loss-stop gain or similar mechanism shall ensure that the tiered per diem rates assigned to a hospital do not represent less than ninety percent of its 1990 base year costs or more than one hundred ten percent of its 1990 base year costs, adjusted by an audit factor, during the period of March 1, 1993 through September 30, 1994. The tiered per diem rates set for hospitals shall represent no less than eighty-seven and one-half percent or more than one hundred twelve and one-half percent of its 1990 base year costs, adjusted by an audit factor, from October 1, 1994 through September 30, 1995 and no less than eighty-five percent or more than one hundred fifteen percent of its 1990 base year costs, adjusted by an audit factor, from October 1, 1995 through September 30, 1996. For the periods after September 30, 1996 no stop loss-stop gain or similar mechanisms shall be in effect. An adjustment in the stop loss-stop gain percentage may be made to ensure that total payments do not increase as a result of this provision. If peer groups are used, the administration shall establish initial peer group designations for each hospital before implementation of the per diem system. The administration may also use a negotiated rate methodology. The tiered per diem methodology may include separate consideration for specialty hospitals that limit their provision of services to specific patient populations, such as rehabilitative patients or children. The initial per diem rates shall be based on hospital claims and encounter data for dates of service November 1, 1990 through October 31, 1991 and processed through May of 1992. The administration may also establish a separate reimbursement methodology for claims with extraordinarily high costs per day that exceed thresholds established by the administration.

2. For rates effective on October 1, 1994, and annually through September 30, 2011, the administration shall adjust tiered per diem payments for inpatient hospital care by the data resources incorporated market basket index for prospective payment system hospitals. For rates effective beginning on October 1, 1999, the administration shall adjust payments to reflect changes in length of stay for the maternity and nursery tiers.

3. Through June 30, 2004, for outpatient hospital services, the administration shall reimburse a hospital by applying a hospital specific outpatient cost-to-charge ratio to the covered charges. Beginning on July 1, 2004 through June 30, 2005, the administration shall reimburse a hospital by applying a hospital specific outpatient cost-to-charge ratio to covered charges. If the hospital increases its charges for outpatient services filed with the Arizona department of health services pursuant to chapter 4, article 3 of this title, by more than 4.7 percent for dates of service effective on or after July 1, 2004, the hospital specific cost-to-charge ratio will be reduced by the amount that it exceeds 4.7 percent. If charges exceed 4.7 percent, the effective date of the increased charges will be the effective date of the adjusted Arizona health care cost containment system cost-to-charge ratio. The administration shall develop the methodology for a capped fee-for-service schedule and a statewide cost-to-charge ratio. Any covered outpatient service not included in the capped fee-for-service schedule shall be reimbursed by applying the statewide cost-to-charge ratio that is based on the services not included in the capped fee-for-service schedule. Beginning on July 1, 2005, the administration shall reimburse clean claims with dates of service on or after July 1, 2005, based on the capped fee-for-service schedule or the statewide cost-to-charge

ratio established pursuant to this paragraph. The administration may make additional adjustments to the outpatient hospital rates established pursuant to this section based on other factors, including the number of beds in the hospital, specialty services available to patients and the geographic location of the hospital.

4. Except if submitted under an electronic claims submission system, a hospital bill is considered received for purposes of this paragraph on initial receipt of the legible, error-free claim form by the administration if the claim includes the following error-free documentation in legible form:

(a) An admission face sheet.

(b) An itemized statement.

(c) An admission history and physical.

(d) A discharge summary or an interim summary if the claim is split.

(e) An emergency record, if admission was through the emergency room.

(f) Operative reports, if applicable.

(g) A labor and delivery room report, if applicable.

Payment received by a hospital from the administration pursuant to this subsection or from a contractor either by contract or pursuant to section 36-2904, subsection I is considered payment by the administration or the contractor of the administration's or contractor's liability for the hospital bill. A hospital may collect any unpaid portion of its bill from other third-party payors or in situations covered by title 33, chapter 7, article 3.

5. For services rendered on and after October 1, 1997, the administration shall pay a hospital's rate established according to this section subject to the following:

(a) If the hospital's bill is paid within thirty days of the date the bill was received, the administration shall pay ninety-nine percent of the rate.

(b) If the hospital's bill is paid after thirty days but within sixty days of the date the bill was received, the administration shall pay one hundred percent of the rate.

(c) If the hospital's bill is paid any time after sixty days of the date the bill was received, the administration shall pay one hundred percent of the rate plus a fee of one percent per month for each month or portion of a month following the sixtieth day of receipt of the bill until the date of payment.

6. In developing the reimbursement methodology, if a review of the reports filed by a hospital pursuant to section 36-125.04 indicates that further investigation is considered necessary to verify the accuracy of the information in the reports, the administration may examine the hospital's records and accounts related to the reporting requirements of section 36-125.04. The administration shall bear the cost incurred in connection with this examination unless the administration finds that the records examined are significantly deficient or incorrect, in which case the administration may charge the cost of the investigation to the hospital examined.

7. Except for privileged medical information, the administration shall make available for public inspection the cost and charge data and the calculations used by the administration to determine payments under the tiered per diem system, provided that individual hospitals are not identified by name. The administration shall make the data and calculations available for public inspection during regular business hours and shall provide copies of the data and calculations to individuals requesting such copies within thirty days of receipt of a written request. The administration may charge a reasonable fee for the provision of the data or information.

8. The prospective tiered per diem payment methodology for inpatient hospital services shall include a mechanism for the prospective payment of inpatient hospital capital related costs. The capital payment shall

include hospital specific and statewide average amounts. For tiered per diem rates beginning on October 1, 1999, the capital related cost component is frozen at the blended rate of forty percent of the hospital specific capital cost and sixty percent of the statewide average capital cost in effect as of January 1, 1999 and as further adjusted by the calculation of tier rates for maternity and nursery as prescribed by law. Through September 30, 2011, the administration shall adjust the capital related cost component by the data resources incorporated market basket index for prospective payment system hospitals.

9. For graduate medical education programs:

(a) Beginning September 30, 1997, the administration shall establish a separate graduate medical education program to reimburse hospitals that had graduate medical education programs that were approved by the administration as of October 1, 1999. The administration shall separately account for monies for the graduate medical education program based on the total reimbursement for graduate medical education reimbursed to hospitals by the system in federal fiscal year 1995-1996 pursuant to the tiered per diem methodology specified in this section. The graduate medical education program reimbursement shall be adjusted annually by the increase or decrease in the index published by the global insight hospital market basket index for prospective hospital reimbursement. Subject to legislative appropriation, on an annual basis, each qualified hospital shall receive a single payment from the graduate medical education program that is equal to the same percentage of graduate medical education reimbursement that was paid by the system in federal fiscal year 1995-1996. Any reimbursement for graduate medical education made by the administration shall not be subject to future settlements or appeals by the hospitals to the administration. The monies available under this subdivision shall not exceed the fiscal year 2005-2006 appropriation adjusted annually by the increase or decrease in the index published by the global insight hospital market basket index for prospective hospital reimbursement, except for monies distributed for expansions pursuant to subdivision (b) of this paragraph.

(b) The monies available for graduate medical education programs pursuant to this subdivision shall not exceed the fiscal year 2006-2007 appropriation adjusted annually by the increase or decrease in the index published by the global insight hospital market basket index for prospective hospital reimbursement. Graduate medical education programs eligible for such reimbursement are not precluded from receiving reimbursement for funding under subdivision (c) of this paragraph. Beginning July 1, 2006, the administration shall distribute any monies appropriated for graduate medical education above the amount prescribed in subdivision (a) of this paragraph in the following order or priority:

(i) For the direct costs to support the expansion of graduate medical education programs established before July 1, 2006 at hospitals that do not receive payments pursuant to subdivision (a) of this paragraph. These programs must be approved by the administration.

(ii) For the direct costs to support the expansion of graduate medical education programs established on or before October 1, 1999. These programs must be approved by the administration.

(c) The administration shall distribute to hospitals any monies appropriated for graduate medical education above the amount prescribed in subdivisions (a) and (b) of this paragraph for the following purposes:

(i) For the direct costs of graduate medical education programs established or expanded on or after July 1, 2006. These programs must be approved by the administration.

(ii) For a portion of additional indirect graduate medical education costs for programs that are located in a county with a population of less than five hundred thousand persons at the time the residency position was created or for a residency position that includes a rotation in a county with a population of less than five hundred thousand persons at the time the residency position was established. These programs must be approved by the administration.

(d) The administration shall develop, by rule, the formula by which the monies are distributed.

(e) Each graduate medical education program that receives funding pursuant to subdivision (b) or (c) of this paragraph shall identify and report to the administration the number of new residency positions created by the funding provided in this paragraph, including positions in rural areas. The program shall also report information related to the number of funded residency positions that resulted in physicians locating their practices in this state. The administration shall report to the joint legislative budget committee by February 1 of each year on the number of new residency positions as reported by the graduate medical education programs.

(f) Local, county and tribal governments and any university under the jurisdiction of the Arizona board of regents may provide monies in addition to any state general fund monies appropriated for graduate medical education in order to qualify for additional matching federal monies for providers, programs or positions in a specific locality and costs incurred pursuant to a specific contract between the administration and providers or other entities to provide graduate medical education services as an administrative activity. Payments by the administration pursuant to this subdivision may be limited to those providers designated by the funding entity and may be based on any methodology deemed appropriate by the administration, including replacing any payments that might otherwise have been paid pursuant to subdivision (a), (b) or (c) of this paragraph had sufficient state general fund monies or other monies been appropriated to fully fund those payments. These programs, positions, payment methodologies and administrative graduate medical education services must be approved by the administration and the centers for medicare and medicaid services. The administration shall report to the president of the senate, the speaker of the house of representatives and the director of the joint legislative budget committee on or before July 1 of each year on the amount of money contributed and number of residency positions funded by local, county and tribal governments, including the amount of federal matching monies used.

(g) Any funds appropriated but not allocated by the administration for subdivision (b) or (c) of this paragraph may be reallocated if funding for either subdivision is insufficient to cover appropriate graduate medical education costs.

10. Notwithstanding section 41-1005, subsection A, paragraph 9, the administration shall adopt rules pursuant to title 41, chapter 6 establishing the methodology for determining the prospective tiered per diem payments that are in effect through September 30, 2014.

11. For inpatient hospital services rendered on or after October 1, 2011, the prospective tiered per diem payment rates are permanently reset to the amounts payable for those services as of October 1, 2011 pursuant to this subsection.

12. The administration shall adopt a diagnosis-related group based hospital reimbursement methodology consistent with title XIX of the social security act for inpatient dates of service on and after October 1, 2014. The administration may make additional adjustments to the inpatient hospital rates established pursuant to this section for hospitals that are publicly operated or based on other factors, including the number of beds in the hospital, the specialty services available to patients, the geographic location and diagnosis-related group codes that are made publicly available by the hospital pursuant to section 36-437. The administration may also provide additional reimbursement for extraordinarily high cost cases that exceed a threshold above the standard payment. The administration may also establish a separate payment methodology for specific services or hospitals serving unique populations.

H. The director may adopt rules that specify enrollment procedures, including notice to contractors of enrollment. The rules may provide for varying time limits for enrollment in different situations. The administration shall specify in contract when a person who has been determined eligible will be enrolled with that contractor and the date on which the contractor will be financially responsible for health and medical services to the person.

I. The administration may make direct payments to hospitals for hospitalization and medical care provided to a member in accordance with this article and rules. The director may adopt rules to establish the procedures by which the administration shall pay hospitals pursuant to this subsection if a contractor fails to make timely payment to a hospital. Such payment shall be at a level determined pursuant to section 36-2904, subsection H

or I. The director may withhold payment due to a contractor in the amount of any payment made directly to a hospital by the administration on behalf of a contractor pursuant to this subsection.

J. The director shall establish a special unit within the administration for the purpose of monitoring the third-party payment collections required by contractors and noncontracting providers pursuant to section 36-2903, subsection B, paragraph 10 and subsection F and section 36-2915, subsection E. The director shall determine by rule:

1. The type of third-party payments to be monitored pursuant to this subsection.

2. The percentage of third-party payments that is collected by a contractor or noncontracting provider and that the contractor or noncontracting provider may keep and the percentage of such payments that the contractor or noncontracting provider may be required to pay to the administration. Contractors and noncontracting providers must pay to the administration one hundred percent of all third-party payments that are collected and that duplicate administration fee-for-service payments. A contractor that contracts with the administration pursuant to section 36-2904, subsection A may be entitled to retain a percentage of third-party payments if the payments collected and retained by a contractor are reflected in reduced capitation rates. A contractor may be required to pay the administration a percentage of third-party payments that are collected by a contractor and that are not reflected in reduced capitation rates.

K. The administration shall establish procedures to apply to the following if a provider that has a contract with a contractor or noncontracting provider seeks to collect from an individual or financially responsible relative or representative a claim that exceeds the amount that is reimbursed or should be reimbursed by the system:

1. On written notice from the administration or oral or written notice from a member that a claim for covered services may be in violation of this section, the provider that has a contract with a contractor or noncontracting provider shall investigate the inquiry and verify whether the person was eligible for services at the time that covered services were provided. If the claim was paid or should have been paid by the system, the provider that has a contract with a contractor or noncontracting provider shall not continue billing the member.

2. If the claim was paid or should have been paid by the system and the disputed claim has been referred for collection to a collection agency or referred to a credit reporting bureau, the provider that has a contract with a contractor or noncontracting provider shall:

(a) Notify the collection agency and request that all attempts to collect this specific charge be terminated immediately.

(b) Advise all credit reporting bureaus that the reported delinquency was in error and request that the affected credit report be corrected to remove any notation about this specific delinquency.

(c) Notify the administration and the member that the request for payment was in error and that the collection agency and credit reporting bureaus have been notified.

3. If the administration determines that a provider that has a contract with a contractor or noncontracting provider has billed a member for charges that were paid or should have been paid by the administration, the administration shall send written notification by certified mail or other service with proof of delivery to the provider that has a contract with a contractor or noncontracting provider stating that this billing is in violation of federal and state law. If, twenty-one days or more after receiving the notification, a provider that has a contract with a contractor or noncontracting provider knowingly continues billing a member for charges that were paid or should have been paid by the system, the administration may assess a civil penalty in an amount equal to three times the amount of the billing and reduce payment to the provider that has a contract with a contractor or noncontracting provider accordingly. Receipt of delivery signed by the addressee or the addressee's employee is prima facie evidence of knowledge. Civil penalties collected pursuant to this subsection shall be deposited in the state general fund. Section 36-2918, subsections C, D and F, relating to the imposition, collection and enforcement of civil penalties, apply to civil penalties imposed pursuant to this paragraph.

L. The administration may conduct postpayment review of all claims paid by the administration and may recoup any monies erroneously paid. The director may adopt rules that specify procedures for conducting postpayment review. A contractor may conduct a postpayment review of all claims paid by the contractor and may recoup monies that are erroneously paid.

M. Subject to title 41, chapter 4, article 4, the director or the director's designee may employ and supervise personnel necessary to assist the director in performing the functions of the administration.

N. The administration may contract with contractors for obstetrical care who are eligible to provide services under title XIX of the social security act.

O. Notwithstanding any other law, on federal approval the administration may make disproportionate share payments to private hospitals, county operated hospitals, including hospitals owned or leased by a special health care district, and state operated institutions for mental disease beginning October 1, 1991 in accordance with federal law and subject to legislative appropriation. If at any time the administration receives written notification from federal authorities of any change or difference in the actual or estimated amount of federal funds available for disproportionate share payments from the amount reflected in the legislative appropriation for such purposes, the administration shall provide written notification of such change or difference to the president and the minority leader of the senate, the speaker and the minority leader of the house of representatives, the director of the joint legislative budget committee, the legislative committee of reference and any hospital trade association within this state, within three working days not including weekends after receipt of the notice of the change or difference. In calculating disproportionate share payments as prescribed in this section, the administration may use either a methodology based on claims and encounter data that is submitted to the administration from contractors or a methodology based on data that is reported to the administration by private hospitals and state operated institutions for mental disease. The selected methodology applies to all private hospitals and state operated institutions for mental disease qualifying for disproportionate share payments.

P. Disproportionate share payments made pursuant to subsection O of this section include amounts for disproportionate share hospitals designated by political subdivisions of this state, tribal governments and universities under the jurisdiction of the Arizona board of regents. Subject to the approval of the centers for medicare and medicaid services, any amount of federal funding allotted to this state pursuant to section 1923(f) of the social security act and not otherwise spent under subsection O of this section shall be made available for distribution pursuant to this subsection. Political subdivisions of this state, tribal governments and universities under the jurisdiction of the Arizona board of regents may designate hospitals eligible to receive disproportionate share payments in an amount up to the limit prescribed in section 1923(g) of the social security act if those political subdivisions, tribal governments or universities provide sufficient monies to qualify for the matching federal monies for the disproportionate share payments.

Q. Notwithstanding any law to the contrary, the administration may receive confidential adoption information to determine whether an adopted child should be terminated from the system.

R. The adoption agency or the adoption attorney shall notify the administration within thirty days after an eligible person receiving services has placed that person's child for adoption.

S. If the administration implements an electronic claims submission system, it may adopt procedures pursuant to subsection G of this section requiring documentation different than prescribed under subsection G, paragraph 4 of this section.

T. In addition to any requirements adopted pursuant to subsection D, paragraph 4 of this section, notwithstanding any other law, subject to approval by the centers for medicare and medicaid services, beginning July 1, 2011, members eligible pursuant to section 36-2901, paragraph 6, subdivision (a), section 36-2931 and section 36-2981, paragraph 6 shall pay the following:

1. A monthly premium of fifteen dollars, except that the total monthly premium for an entire household shall not exceed sixty dollars.

2. A copayment of five dollars for each physician office visit.

3. A copayment of ten dollars for each urgent care visit.

4. A copayment of thirty dollars for each emergency department visit.

U. Subject to the approval of the centers for medicare and medicaid services, political subdivisions of this state, tribal governments and any university under the jurisdiction of the Arizona board of regents may provide to the Arizona health care cost containment system administration monies in addition to any state general fund monies appropriated for critical access hospitals in order to qualify for additional federal monies. Any amount of federal monies received by this state pursuant to this subsection shall be distributed as supplemental payments to critical access hospitals.

V. For the purposes of this section, "disproportionate share payment" means a payment to a hospital that serves a disproportionate share of low-income patients as described by 42 United States Code section 1396r-4.

36-2907. Covered health and medical services; modifications; related delivery of service requirements; rules; definition

A. Subject to the limits and exclusions specified in this section, contractors shall provide the following medically necessary health and medical services:

1. Inpatient hospital services that are ordinarily furnished by a hospital to care and treat inpatients and that are provided under the direction of a physician or a primary care practitioner. For the purposes of this section, inpatient hospital services exclude services in an institution for tuberculosis or mental diseases unless authorized under an approved section 1115 waiver.

2. Outpatient health services that are ordinarily provided in hospitals, clinics, offices and other health care facilities by licensed health care providers. Outpatient health services include services provided by or under the direction of a physician or a primary care practitioner, including occupational therapy.

3. Other laboratory and X-ray services ordered by a physician or a primary care practitioner.

4. Medications that are ordered on prescription by a physician or a dentist who is licensed pursuant to title 32, chapter 11. Persons who are dually eligible for title XVIII and title XIX services must obtain available medications through a medicare licensed or certified medicare advantage prescription drug plan, a medicare prescription drug plan or any other entity authorized by medicare to provide a medicare part D prescription drug benefit.

5. Medical supplies, durable medical equipment, insulin pumps and prosthetic devices ordered by a physician or a primary care practitioner. Suppliers of durable medical equipment shall provide the administration with complete information about the identity of each person who has an ownership or controlling interest in their business and shall comply with federal bonding requirements in a manner prescribed by the administration.

6. For persons who are at least twenty-one years of age, treatment of medical conditions of the eye, excluding eye examinations for prescriptive lenses and the provision of prescriptive lenses.

7. Early and periodic health screening and diagnostic services as required by section 1905(r) of title XIX of the social security act for members who are under twenty-one years of age.

8. Family planning services that do not include abortion or abortion counseling. If a contractor elects not to provide family planning services, this election does not disqualify the contractor from delivering all other covered health and medical services under this chapter. In that event, the administration may contract directly with another contractor, including an outpatient surgical center or a noncontracting provider, to deliver family planning services to a member who is enrolled with the contractor that elects not to provide family planning services.

9. Podiatry services that are performed by a podiatrist who is licensed pursuant to title 32, chapter 7 and ordered by a primary care physician or primary care practitioner.

10. Nonexperimental transplants approved for title XIX reimbursement.

11. Dental services as follows:

(a) Except as provided in subdivision (b) of this paragraph, for persons who are at least twenty-one years of age, emergency dental care and extractions in an annual amount of not more than $1,000 per member.

(b) Subject to approval by the centers for medicare and medicaid services, for persons treated at an Indian health service or tribal facility, adult dental services that are eligible for a federal medical assistance percentage of one hundred percent and that exceed the limit prescribed in subdivision (a) of this paragraph.

12. Ambulance and nonambulance transportation, except as provided in subsection G of this section.

13. Hospice care.

14. Orthotics, if all of the following apply:

(a) The use of the orthotic is medically necessary as the preferred treatment option consistent with medicare guidelines.

(b) The orthotic is less expensive than all other treatment options or surgical procedures to treat the same diagnosed condition.

(c) The orthotic is ordered by a physician or primary care practitioner.

15. Subject to approval by the centers for medicare and medicaid services, medically necessary chiropractic services that are performed by a chiropractor who is licensed pursuant to title 32, chapter 8 and that are ordered by a primary care physician or primary care practitioner pursuant to rules adopted by the administration. The primary care physician or primary care practitioner may initially order up to twenty visits annually that include treatment and may request authorization for additional chiropractic services in that same year if additional chiropractic services are medically necessary.

16. For up to ten program hours annually, diabetes outpatient self-management training services, as defined in 42 United States Code section 1395x, if prescribed by a primary care practitioner in either of the following circumstances:

(a) The member is initially diagnosed with diabetes.

(b) For a member who has previously been diagnosed with diabetes, either:

(i) A change occurs in the member's diagnosis, medical condition or treatment regimen.

(ii) The member is not meeting appropriate clinical outcomes.

B. The limits and exclusions for health and medical services provided under this section are as follows:

1. Circumcision of newborn males is not a covered health and medical service.

2. For eligible persons who are at least twenty-one years of age:

(a) Outpatient health services do not include speech therapy.

(b) Prosthetic devices do not include hearing aids, dentures, bone-anchored hearing aids or cochlear implants. Prosthetic devices, except prosthetic implants, may be limited to $12,500 per contract year.

(c) Percussive vests are not covered health and medical services.

(d) Durable medical equipment is limited to items covered by medicare.

(e) Nonexperimental transplants do not include pancreas-only transplants.

(f) Bariatric surgery procedures, including laparoscopic and open gastric bypass and restrictive procedures, are not covered health and medical services.

C. The system shall pay noncontracting providers only for health and medical services as prescribed in subsection A of this section and as prescribed by rule.

D. The director shall adopt rules necessary to limit, to the extent possible, the scope, duration and amount of services, including maximum limits for inpatient services that are consistent with federal regulations under title XIX of the social security act (P.L. 89-97; 79 Stat. 344; 42 United States Code section 1396 (1980)). To the extent possible and practicable, these rules shall provide for the prior approval of medically necessary services provided pursuant to this chapter.

E. The director shall make available home health services in lieu of hospitalization pursuant to contracts awarded under this article. For the purposes of this subsection, "home health services" means the provision of nursing services, home health aide services or medical supplies, equipment and appliances that are provided on a part-time or intermittent basis by a licensed home health agency within a member's residence based on the orders of a physician or a primary care practitioner. Home health agencies shall comply with the federal bonding requirements in a manner prescribed by the administration.

F. The director shall adopt rules for the coverage of behavioral health services for persons who are eligible under section 36-2901, paragraph 6, subdivision (a). The administration acting through the regional behavioral health authorities shall establish a diagnostic and evaluation program to which other state agencies shall refer children who are not already enrolled pursuant to this chapter and who may be in need of behavioral health services. In addition to an evaluation, the administration acting through regional behavioral health authorities shall also identify children who may be eligible under section 36-2901, paragraph 6, subdivision (a) or section 36-2931, paragraph 5 and shall refer the children to the appropriate agency responsible for making the final eligibility determination.

G. The director shall adopt rules providing for transportation services and rules providing for copayment by members for transportation for other than emergency purposes. Subject to approval by the centers for medicare and medicaid services, nonemergency medical transportation shall not be provided except for stretcher vans and ambulance transportation. Prior authorization is required for transportation by stretcher van and for medically necessary ambulance transportation initiated pursuant to a physician's direction. Prior authorization is not required for medically necessary ambulance transportation services rendered to members or eligible persons initiated by dialing telephone number 911 or other designated emergency response systems.

H. The director may adopt rules to allow the administration, at the director's discretion, to use a second opinion procedure under which surgery may not be eligible for coverage pursuant to this chapter without documentation as to need by at least two physicians or primary care practitioners.

I. If the director does not receive bids within the amounts budgeted or if at any time the amount remaining in the Arizona health care cost containment system fund is insufficient to pay for full contract services for the remainder of the contract term, the administration, on notification to system contractors at least thirty days in advance, may modify the list of services required under subsection A of this section for persons defined as eligible other than those persons defined pursuant to section 36-2901, paragraph 6, subdivision (a). The director may also suspend services or may limit categories of expense for services defined as optional pursuant to title XIX of the social security act (P.L. 89-97; 79 Stat. 344; 42 United States Code section 1396 (1980)) for persons defined pursuant to section 36-2901, paragraph 6, subdivision (a). Such reductions or suspensions do not apply to the continuity of care for persons already receiving these services.

J. All health and medical services provided under this article shall be provided in the geographic service area of the member, except:

1. Emergency services and specialty services provided pursuant to section 36-2908.

2. That the director may allow the delivery of health and medical services in other than the geographic service area in this state or in an adjoining state if the director determines that medical practice patterns justify the delivery of services or a net reduction in transportation costs can reasonably be expected. Notwithstanding the definition of physician as prescribed in section 36-2901, if services are procured from a physician or primary care practitioner in an adjoining state, the physician or primary care practitioner shall be licensed to practice in

that state pursuant to licensing statutes in that state that are similar to title 32, chapter 13, 15, 17 or 25 and shall complete a provider agreement for this state.

K. Covered outpatient services shall be subcontracted by a primary care physician or primary care practitioner to other licensed health care providers to the extent practicable for purposes including, but not limited to, making health care services available to underserved areas, reducing costs of providing medical care and reducing transportation costs.

L. The director shall adopt rules that prescribe the coordination of medical care for persons who are eligible for system services. The rules shall include provisions for transferring patients and medical records and initiating medical care.

M. Notwithstanding section 36-2901.08, monies from the hospital assessment fund established by section 36-2901.09 may not be used to provide chiropractic services as prescribed in subsection A, paragraph 15 of this section.

N. Notwithstanding section 36-2901.08, monies from the hospital assessment fund established by section 36-2901.09 may not be used to provide diabetes outpatient self-management training services as prescribed in subsection A, paragraph 16 of this section.

O. For the purposes of this section, "ambulance" has the same meaning prescribed in section 36-2201.

E-8.

DEPARTMENT OF HEALTH SERVICES
Title 9, Chapter 6, Article 5

GOVERNOR'S REGULATORY REVIEW COUNCIL

ATTORNEY MEMORANDUM - FIVE-YEAR REVIEW REPORT

MEETING DATE: February 4, 2025

TO: Members of the Governor's Regulatory Review Council (Council)

FROM: Council Staff

DATE: January 21, 2025

SUBJECT: **Department of Health Services**
Title 9, Chapter 6 Article 5

Summary

This Five-Year Review Report (5YRR) from the Department of Health Services (Department) covers four (4) rules in Title 9, Chapter 6, Article 5 related to Rabies Control.

In the 5YRR approved by the council in 2020, the Department stated a plan to revise the rules to address the amount of time a dog or cat exposed to rabies is to be confined. The Department completed this course of action through an expedited rulemaking at 27 A.A.R. 1329 with an immediate effective date of August 4, 2021.

Proposed Action

The Department plans to amend the rules in 9 A.A.C 6 Article 5 to address the amount of time an animal must be revaccinated after the animal has been exposed to rabies and when a non-vaccinated animal must be vaccinated after exposure to rabies. Both revisions are intended to align with the National Association of State Public Health Veterinarians. The Department also plans on improving the clarity of the rules. The Department plans on submitting a NFR to the Council by October 2025.

1. Has the agency analyzed whether the rules are authorized by statute?

Yes. The Department cites to both general and specific statutorily authority.

2. Summary of the agency's economic impact comparison and identification of stakeholders:

The rules were last amended through a Notice of Final Expedited Rulemaking, effective August 4, 2021. The Department did not complete an economic, small business, and consumer impact statement with this 2021 expedited rulemaking. It is believed that the amendments made in the 2021 expedited rulemaking did not have any additional economic impact on stakeholders. At the time of the 5YRR in 2019, the designated annual costs and revenues remained the same. There have been no significant changes from the economic, small business, and consumer impact of these rules between the 2019 5YRR and now. The Department continues to believe the costs and benefits identified in the EIS are consistent with the actual costs and benefits of the rules. Upon review, the Department believes the economic impact of the rules in Article 5 has continued to be consistent with the impact predicted in 2004.

Stakeholders are identified as animal control agencies, the Department, and the general public.

3. Has the agency analyzed the costs and benefits of the rulemaking and determined that the rules impose the least burden and costs to those who are regulated?

The Department has determined that the rules impose the least burden and costs to persons regulated by the rules necessary to achieve the underlying regulatory objective.

4. Has the agency received any written criticisms of the rules over the last five years?

The Department has not received written criticism of the rules in the past five years.

5. Has the agency analyzed the rules' clarity, conciseness, and understandability?

The Department indicates the rules are clear, concise, and understandable except for the following:

- R9-6-502
    - The section does not mention canine/wolf hybrids or cat/wild cat hybrids. Expectations are not clear for when these types of hybrid animals are exposed to rabies. The Department intends on adding this language to provide guidance.
    - Subsection (A)(1)(b) uses language "confine and observe" but does not properly explain what the expectations are for when an animal is confined and observed.
- R9-6-504
    - The rule currently states that an animal control agency must submit a report to the Department by April 30 every year. This does not reflect the current practice and the Department plans to amend the report to indicate that the report should be made available upon Department request.

6. Has the agency analyzed the rules' consistency with other rules and statutes?

The Department states the rules are consistent with other rules and statutes.

7. Has the agency analyzed the rules' effectiveness in achieving its objectives?

The Department indicates the rules are generally effective in achieving their objectives except for the following:

- R9-6-502
    - Subsection (A)(1)(a) could be improved by amending the length of time in which an animal would need to be revaccinated after the animal has been exposed to rabies. The update would be in line with the National Association of State Public Health Veterinarians.
    - Subsection (A)(2)(b) could be improved by amending the length of time in which an unvaccinated animal would need to be vaccinated after the animal has been exposed to rabies. The update would be in line with the National Association of State Public Health Veterinarians.

8. Has the agency analyzed the current enforcement status of the rules?

Yes. The Department indicates the rules are enforced as written.

9. Are the rules more stringent than corresponding federal law and, if so, is there statutory authority to exceed the requirements of federal law?

Not applicable. There is no corresponding federal law for these rules.

10. For rules adopted after July 29, 2010, do the rules require a permit or license and, if so, does the agency comply with A.R.S. § 41-1037?

Not applicable. The rules were adopted before July 29, 2010.

11. Conclusion

This Five Year Review Report from the Arizona Department of Health and Safety covers four rules in Title 9, Chapter 6, Article 5 covering rabies control in animals.

The Department indicates that one rule is not effective in achieving their objective and that two rules are not clear, concise, or understandable. The Department is proposing to amend the rules to address these issues and the Department anticipates submitting a Notice of Final Rulemaking to the council by October 2025.

The report meets the requirements of A.R.S. § 41-1056 and R1-6-301. Council staff recommends approval.

RE: Department of Health Services, 9 A.A.C. 6, Article 5, Five-Year-Review Report

Dear Ms. Klein:

Please find enclosed the Five-Year-Review Report from the Arizona Department of Health Services (Department) for 9 A.A.C. 6, Article 5, which is due on or before October 31, 2024.

The Department hereby certifies compliance with A.R.S. § 41-1091.

For questions about this Report, please contact Angie Trevino at angelica.trevino@azdhs.gov or (480) 589-0298.

Sincerely,

Stacie Gravito

FIVE-YEAR-REVIEW REPORT

TITLE 9. HEALTH SERVICES

CHAPTER 6. DEPARTMENT OF HEALTH SERVICES

COMMUNICABLE DISEASES AND INFESTATIONS

ARTICLE 5. RABIES CONTROL

DUE: OCTOBER 31, 2024

SUBMITTED: OCTOBER 8, 2024

1. Authorization of the rule by existing statutes

General authority: A.R.S. §§ 36-132(A)(1) and 36-136(G)

Specific authority: A.R.S. §§ 11-1003 and 36-136(I)(1)

2. The objective of each rule:

Rule	Objective
R9-6-501. Definitions	The objective of the rule is to define terms used only in Article 5 to enable the reader to understand clearly the requirements of the Article and allow for consistent interpretation.
R9-6-502. Management of Exposed Animals	The objectives of the rule are to specify how an animal control agency shall handle animals, other than livestock, that are exposed to a rabid animal or an animal suspected of being rabid, and specify that livestock shall be handled according to A.A.C. R3-2-408.
R9-6-503. Suspect Cases	The objectives of the rule are to specify the term of confinement for an animal suspected of being rabid, and the treatment of the brain of an animal suspected of being rabid that has been euthanized by an animal control agency.
R9-6-504. Animal Control Agency Reporting Requirements	The objective of the rule is to specify the content of a report that is required to be submitted by animal control agencies to the Department by April 30 of each year.

3. Are the rules effective in achieving their objectives? **Yes ___** **No_X__**

Rule	Explanation
R9-6-502	R9-6-502(A)(1)(a): The Department of Health Services (Department) believes that this subsection could be improved by amending the time in which an animal must be revaccinated when the animal has been exposed to rabies. The Department intends to

	amend this time to be more closely aligned with the National Association of State Public Health Veterinarians (NASPHV) compendium. R9-6-502(A)(2)(b): The Department believes that this subsection could be improved by amending the time in which an animal, who is not vaccinated, must be vaccinated when the animal has been exposed to rabies. The Department intends to amend this time to be more closely aligned with the NASPHV compendium.

4. Are the rules consistent with other rules and statutes? **Yes _X__** **No____**

5. Are the rules enforced as written? **Yes _X__** **No___**

6. Are the rules clear, concise, and understandable? **Yes ___** **No __X_**

Rule	Explanation
R9-6-502	Subsection (A)(1)(b) uses the terms "confine and observe" to explain what an animal control agency should do when a dog, cat, or ferret is exposed to rabies. The Department proposes to amend or add language that clarifies what the expectations are when an animal is to be confined and observed in order to meet the standards.
R9-6-502	To make this Section clearer, the Department proposes to add language concerning canine/wolf hybrids and domestic cat/wild cat hybrids. The current rules do not mention these hybrids of animals. Therefore, it is not clear what the expectations are on how to manage their exposure to rabies. The Department proposes to add language to the rules that provides guidance on how these hybrids of animals are managed when they are exposed to rabies.
R9-5-504	To make this Section clearer, the rules should be updated to reflect current practice. This Section requires an animal control agency to submit a report every year by April 30. The rules should be amended to indicate that the report should be made available to the Department upon request as opposed to an annual requirement.

7. Has the agency received written criticisms of the rules within the last five years? **Yes ___** **No__X__**

8. Economic, small business, and consumer impact comparison:

A.R.S. § 36-136(I)(1) requires the Department of Health Services (Department) to define and prescribe reasonably necessary measures for detecting, reporting, preventing, and controlling communicable and preventable diseases. The Department serves as a repository for information about rabies control activities and provides assistance and guidance to animal control agencies. The Department also performs tests for rabies on animals submitted for testing and monitors human exposure to laboratory-confirmed rabid animals. The following table

provides the number of laboratory-confirmed rabies-positive animals and the number of humans exposed to laboratory-confirmed rabid animals from the last five years:

	2019	2020	2021	2022	2023	January 1, 2024 to August 30, 2024
Lab-confirmed Rabies Positive Animals	139	107	83	49	59	66
Humans Exposed to Lab-confirmed Rabid Animals	34	17	18	11	31	22

The rules in 9 A.A.C. 6, Article 5 were last amended through a Notice of Final Expedited Rulemaking at 27 A.A.R. 1329, effective August 4, 2021. The Department did not complete an economic, small business, and consumer impact statement with the 2021 expedited rulemaking. This last rulemaking included amending the days of confinement from 180 to 120 days when an animal exposed to rabies is not currently vaccinated against rabies. It is believed that the amendments made in the 2021 expedited rulemaking did not have any additional economic impact on the Department or animal control agencies, and the general public.

At the time of the five-year-review report in 2019, the Department continued to use the designated annual costs and revenues which were submitted with the 2004 rulemaking and are as follows: minimal when less than $1,000, moderate when between $1,000 to $10,000, and substantial when $10,000 or greater. These designated annual costs and revenues remains the same. The affected persons previously identified remain the same (the Department, animal control agencies, and the general public). There have been no significant changes from the economic, small business, and consumer impact of these rules between the 2019 five-year-review report and now.

Animal control agencies have a major responsibility for rabies control through immunization and licensure programs and through impounding and, if appropriate, euthanizing suspect rabies cases or exposed animals. The Department continues to believe the costs and benefits identified in the EIS are consistent with the actual costs and benefits of the rules. Upon review, the Department believes the economic impact of the rules in Article 5 has continued to be consistent with the impact predicted in 2004.

9. Has the agency received any business competitiveness analyses of the rules? Yes___ No _X_

10. Has the agency completed the course of action indicated in the agency's previous five-year-review report?

The Department of Health Services (Department) completed the course of action indicated in the Department's previous five-year-review report.

11. A determination that the probable benefits of the rule outweigh within this state the probable costs of the rule, and the rule imposes the least burden and costs to regulated persons by the rule, including paperwork and other compliance costs, necessary to achieve the underlying regulatory objective:

The rules impose the least burden and costs to persons regulated by the rules necessary to achieve the underlying regulatory objective.

12. Are the rules more stringent than corresponding federal laws? Yes___ No __X_

Federal laws are not applicable to the rules in 9 A.A.C. 6, Article 5.

13. For rules adopted after July 29, 2010 that require the issuance of a regulatory permit, license, or agency authorization, whether the rules are in compliance with the general permit requirements of A.R.S. § 41-1037 or explain why the agency believes an exception applies:

The Department of Health Services has determined that A.R.S. 41-1037 does not apply to these rules. The rules in 9 A.A.C. 6, Article 5 do not require the issuance of a regulatory permit, license, or agency authorization.

14. Proposed course of action

The Department plans to amend the rules to address the issue identified in this report. The Department plans to submit a Notice of Final Rulemaking to the Governor's Regulatory Review Council by October 2025.

ARTICLE 5. RABIES CONTROL

R9-6-501. Definitions
In this Article, unless otherwise specified:

1. "Animal control agency" means a board, commission, department, office, or other administrative unit of federal or state government or of a political subdivision of the state that has the responsibility for controlling rabies in animals in a particular geographic area.
2. "Approved rabies vaccine" means a rabies vaccine authorized for use in this state by the state veterinarian under A.A.C. R3-2-409.
3. "Cat" means an animal of the genus species *Felis domesticus*.
4. "Currently vaccinated" means that an animal was last immunized against rabies with an approved rabies vaccine:
   a. At least 28 days and no longer than one year before being exposed, if the animal has only received an initial dose of approved rabies vaccine;
   b. No longer than one year before being exposed, if the approved rabies vaccine is approved for annual use under A.A.C. R3-2-409; or
   c. No longer than three years before being exposed, if the approved rabies vaccine is approved for triennial use under A.A.C. R3-2-409.
5. "Dog" means an animal of the genus species *Canis familiaris*.
6. "Euthanize" means to kill an animal painlessly.
7. "Exposed" means bitten by or having touched a rabid animal or an animal suspected of being rabid.
8. "Ferret" means an animal of the genus species *Mustela putoriu*s.
9. "Not currently vaccinated" means that an animal does not meet the definition of "currently vaccinated."
10. "Rabid" means infected with rabies virus, a rhabdovirus of the genus *Lyssavirus*.
11. "Suspect case" means an animal whose signs or symptoms indicate that the animal may be rabid.

Historical Note
Amended effective December 22, 1976 (Supp. 76-5). Correction, this Section shown as amended effective December 22, 1976 should read amended effective May 12, 1977 (Supp. 77-3). Corrections, subsections (A), (B) and (C) (Supp. 77-5). Amended effective April 10, 1980 (Supp. 80-2). Former Section R9-6-116 renumbered without change as R9-6-501 effective January 28, 1987 (Supp. 87-1). Section R9-6-501 repealed, new Section adopted effective January 20, 1992 (Supp. 92-1). Former Section R9-6-501 renumbered to R9-6-701, new Section R9-6-501 renumbered from R9-6-201 and amended effective October 19, 1993 (Supp. 93-4). Amended effective April 4, 1997 (Supp. 97-2). Former R9-6-501 renumbered to R9-6-502; new R9-6-501 renumbered from R9-6-105 and amended by final rulemaking at 10 A.A.R. 3559, effective October 2, 2004 (Supp. 04-3).

R9-6-502. Management of Exposed Animals

A. An animal control agency shall manage an exposed dog, cat, or ferret as follows:
1. If the exposed dog, cat, or ferret is currently vaccinated, the animal control agency shall:
   a. Revaccinate the animal with an approved rabies vaccine within seven days after the date that the animal is exposed; and
   b. Confine and observe the animal in the owner's home or, at the owner's expense, in a veterinary hospital or the animal control agency's facility, as determined

by the animal control agency, for 45 days after the animal is exposed; or

2. If the exposed dog, cat, or ferret is not currently vaccinated, the animal control agency shall:
   a. Euthanize the animal; or
   b. At the owner's request, confine the animal for 120 days, at the owner's expense, in a veterinary hospital or the animal control agency's facility, as determined by the animal control agency, and vaccinate the animal with an approved rabies vaccine 28 days before it is released from confinement.

B. An animal control agency that is aware of an exposed animal, other than a cat, dog, ferret, or livestock, shall:
1. Make every effort to capture the exposed animal as soon as it is identified, and
2. Euthanize the animal as soon as it is captured.

C. An animal control agency shall release from confinement a dog, cat, or ferret exposed to a suspect case when the animal control agency receives a negative rabies report on the suspect case from the Department.

D. Livestock shall be handled according to A.A.C. R3-2-408.

Historical Note

Amended effective December 22, 1976 (Supp. 76-5). Correction, this Section shown as amended effective December 22, 1976 should read amended effective May 12, 1977 (Supp. 77-3). Amended effective April 10, 1980 (Supp. 80-2). Amended as an emergency effective August 31, 1982 pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 82-4). Emergency expired. Former R9-6-117 amended as a permanent rule by adding a new subsection (C) and repealing the former subsections (C), (D) and (E) effective January 21, 1983 (Supp. 83-1). Former Section R9-6-117 renumbered without change as R9-6-502 effective January 28, 1987 (Supp. 87-1). Section R9-6-502 repealed, new Section adopted effective January 20, 1992 (Supp. 92-1). Former Section R9-6-502 renumbered to R9-6-702, new Section R9-6-502 renumbered from R9-6-202 and amended effective October 19, 1993 (Supp. 93-4). Former R9-6-502 renumbered to R9-6-503; new R9-6-502 renumbered from R9-6-501 and amended by final rulemaking at 10 A.A.R. 3559, effective October 2, 2004 (Supp. 04-3). Amended by final expedited rulemaking at 27 A.A.R. 1329, with an immediate effective date of August 4, 2021 (Supp. 21-3).

R9-6-503. Suspect Cases

A. An animal control agency shall ensure confinement of a dog, cat, or ferret that is a suspect case until:
1. The animal dies,
2. The animal is euthanized, or
3. A veterinarian determines that the animal is not rabid.

B. When an animal control agency euthanizes a suspect case, the animal control agency shall avoid damaging the brain, so that rabies testing can be performed.

Historical Note

Amended effective December 22, 1976 (Supp. 76-5). Correction, this Section shown as amended effective December 22, 1976 should read amended effective May 12, 1977 (Supp. 77-3). Amended effective April 10, 1980 (Supp. 80-2). Amended as an emergency effective August 31, 1982 pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 82-4). Emergency expired. Former R9-6-118 amended as a permanent rule by repealing subsection (C) and renumbering subsections (D) through (I) effective January 21, 1983 (Supp. 83-1). Former Section R9-6-118 renumbered without change as R9-6-503 effective January 28, 1987 (Supp. 87-1). Section R9-6-503 repealed, new Section adopted effective January 20, 1992 (Supp. 92-1). Former Section R9-6-503 renumbered to R9-6-703, new Section R9-6-503 renumbered from R9-6-203 and amended effective October 19, 1993 (Supp. 93-4). Former R9-6-503 renumbered to R9-6-504; new R9-6-503 renumbered from R9-6-502 and amended by final rulemaking at 10 A.A.R. 3559, effective October 2, 2004 (Supp. 04-3).

R9-6-504. Animal Control Agency Reporting Requirements

By April 30 of each year, an animal control agency shall submit a report to the Department that contains the number of animal bites to humans reported as occurring in the animal control agency's jurisdiction during the preceding calendar year and a breakdown of the bites by:
1. Species of animal,
2. Age of victim, and
3. Month of occurrence.

Historical Note

Amended effective December 22, 1976 (Supp. 76-5). Correction, this Section shown as amended effective December 22, 1976 should read amended effective May 12, 1977 (Supp. 77-3). Amended effective April 10, 1980 (Supp. 80-2). Amended as an emergency effective August 31, 1982 pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 82-4). Emergency expired. Former R9-6-119 amended as a permanent rule by repealing subsections (A) and (B), renumbering and amending subsections (C) through (I) effective January 21, 1983 (Supp. 83-1). Former Section R9-6-119 renumbered without change as R9-6-504 effective January 28, 1987 (Supp. 87-1). Section R9-6-504 repealed, new Section adopted effective January 20, 1992 (Supp. 92-1). Former Section R9-6-504 renumbered to R9-6-704 effective October 19, 1993 (Supp. 93-4). Section renumbered from R9-6-503 and amended by final rulemaking at 10 A.A.R. 3559, effective October 2, 2004 (Supp. 04-3).

36-132. Department of health services; functions; contracts

A. The department, in addition to other powers and duties vested in it by law, shall:

1. Protect the health of the people of the state.

2. Promote the development, maintenance, efficiency and effectiveness of local health departments or districts of sufficient population and area that they can be sustained with reasonable economy and efficient administration, provide technical consultation and assistance to local health departments or districts, provide financial assistance to local health departments or districts and services that meet minimum standards of personnel and performance and in accordance with a plan and budget submitted by the local health department or districts to the department for approval, and recommend the qualifications of all personnel.

3. Collect, preserve, tabulate and interpret all information required by law in reference to births, deaths and all vital facts, and obtain, collect and preserve information relating to the health of the people of this state and the prevention of diseases as may be useful in the discharge of functions of the department not in conflict with chapter 3 of this title and sections 36-693, 36-694 and 39-122.

4. Operate sanitariums, hospitals or other facilities assigned to the department by law or by the governor.

5. Conduct a statewide program of health education relevant to the powers and duties of the department, prepare educational materials and disseminate information as to conditions affecting health, including basic information to promote good health on the part of individuals and communities, and prepare and disseminate technical information concerning public health to the health professions, local health officials and hospitals. In cooperation with the department of education, the department of health services shall prepare and disseminate materials and give technical assistance for the purpose of educating children in hygiene, sanitation and personal and public health, and provide consultation and assistance in community organization to counties, communities and groups of people.

6. Administer or supervise a program of public health nursing, prescribe the minimum qualifications of all public health nurses engaged in official public health work, and encourage and aid in coordinating local public health nursing services.

7. Encourage and aid in coordinating local programs concerning control of preventable diseases in accordance with statewide plans that shall be formulated by the department.

8. Encourage and aid in coordinating local programs concerning maternal and child health, including midwifery, antepartum and postpartum care, infant and preschool health and the health of schoolchildren, including special fields such as the prevention of blindness and conservation of sight and hearing.

9. Encourage and aid in coordinating local programs concerning nutrition of the people of this state.

10. Encourage, administer and provide dental health care services and aid in coordinating local programs concerning dental public health, in cooperation with the Arizona dental association. The department may bill and receive payment for costs associated with providing dental health care services and shall deposit the monies in the oral health fund established by section 36-138.

11. Establish and maintain adequate serological, bacteriological, parasitological, entomological and chemical laboratories with qualified assistants and facilities necessary for routine examinations and analyses and for investigations and research in matters affecting public health.

12. Supervise, inspect and enforce the rules concerning the operation of public bathing places and public and semipublic swimming pools adopted pursuant to section 36-136, subsection I, paragraph 10.

13. Take all actions necessary or appropriate to ensure that bottled water sold to the public and water used to process, store, handle, serve and transport food and drink are free from filth, disease-causing substances and organisms and unwholesome, poisonous, deleterious or other foreign substances. All state agencies and local health agencies involved with water quality shall provide to the department any assistance requested by the director to ensure that this paragraph is effectuated.

14. Enforce the state food, caustic alkali and acid laws in accordance with chapter 2, article 2 of this title, chapter 8, article 1 of this title and chapter 9, article 4 of this title, and collaborate in enforcing the federal food, drug, and cosmetic act (52 Stat. 1040; 21 United States Code sections 1 through 905).

15. Recruit and train personnel for state, local and district health departments.

16. Conduct continuing evaluations of state, local and district public health programs, study and appraise state health problems and develop broad plans for use by the department and for recommendation to other agencies, professions and local health departments for the best solution of these problems.

17. License and regulate health care institutions according to chapter 4 of this title.

18. Issue or direct the issuance of licenses and permits required by law.

19. Participate in the state civil defense program and develop the necessary organization and facilities to meet wartime or other disasters.

20. Subject to the availability of monies, develop and administer programs in perinatal health care, including:

(a) Screening in early pregnancy for detecting high-risk conditions.

(b) Comprehensive prenatal health care.

(c) Maternity, delivery and postpartum care.

(d) Perinatal consultation, including transportation of the pregnant woman to a perinatal care center when medically indicated.

(e) Perinatal education oriented toward professionals and consumers, focusing on early detection and adequate intervention to avert premature labor and delivery.

21. License and regulate the health and safety of group homes and behavioral-supported group homes for persons with developmental disabilities. The department shall issue a license to an accredited facility for a period of the accreditation, except that a licensing period shall not be longer than three years. The department is authorized to conduct an inspection of an accredited facility to ensure that the facility meets health and safety licensure standards. The results of the accreditation survey shall be public information. A copy of the final accreditation report shall be filed with the department of health services. For the purposes of this paragraph, "accredited" means accredited by a nationally recognized accreditation organization.

B. The department may accept from the state or federal government, or any agency of the state or federal government, and from private donors, trusts, foundations or eleemosynary corporations or organizations grants or donations for or in aid of the construction or maintenance of any program, project, research or facility authorized by this title, or in aid of the extension or enforcement of any program, project or facility authorized, regulated or prohibited by this title, and enter into contracts with the federal government, or an agency of the federal government, and with private donors, trusts, foundations or eleemosynary corporations or organizations, to carry out such purposes. All monies made available under this section are special project grants.

The department may also expend these monies to further applicable scientific research within this state.

C. The department, in establishing fees authorized by this section, shall comply with title 41, chapter 6. The department shall not set a fee at more than the department's cost of providing the service for which the fee is charged. State agencies are exempt from all fees imposed pursuant to this section.

D. The department may enter into contracts with organizations that perform nonrenal organ transplant operations and organizations that primarily assist in the management of end-stage renal disease and related problems to provide, as payors of last resort, prescription medications necessary to supplement treatment and transportation to and from treatment facilities. The contracts may provide for department payment of administrative costs it specifically authorizes.

36-136. Powers and duties of director; compensation of personnel; rules; definitions

A. The director shall:

1. Be the executive officer of the department of health services and the state registrar of vital statistics but shall not receive compensation for services as registrar.

2. Perform all duties necessary to carry out the functions and responsibilities of the department.

3. Prescribe the organization of the department. The director shall appoint or remove personnel as necessary for the efficient work of the department and shall prescribe the duties of all personnel. The director may abolish any office or position in the department that the director believes is unnecessary.

4. Administer and enforce the laws relating to health and sanitation and the rules of the department.

5. Provide for the examination of any premises if the director has reasonable cause to believe that on the premises there exists a violation of any health law or rule of this state.

6. Exercise general supervision over all matters relating to sanitation and health throughout this state. When in the opinion of the director it is necessary or advisable, a sanitary survey of the whole or of any part of this state shall be made. The director may enter, examine and survey any source and means of water supply, sewage disposal plant, sewerage system, prison, public or private place of detention, asylum,

hospital, school, public building, private institution, factory, workshop, tenement, public washroom, public restroom, public toilet and toilet facility, public eating room and restaurant, dairy, milk plant or food manufacturing or processing plant, and any premises in which the director has reason to believe there exists a violation of any health law or rule of this state that the director has the duty to administer.

7. Prepare sanitary and public health rules.

8. Perform other duties prescribed by law.

B. If the director has reasonable cause to believe that there exists a violation of any health law or rule of this state, the director may inspect any person or property in transportation through this state, and any car, boat, train, trailer, airplane or other vehicle in which that person or property is transported, and may enforce detention or disinfection as reasonably necessary for the public health if there exists a violation of any health law or rule.

C. The director, after consultation with the department of administration, may take all necessary steps to enhance the highest and best use of the state hospital property, including contracting with third parties to provide services, entering into short-term lease agreements with third parties to occupy or renovate existing buildings and entering into long-term lease agreements to develop the land and buildings. The director shall deposit any monies collected from contracts and lease agreements entered into pursuant to this subsection in the Arizona state hospital charitable trust fund established by section 36-218. At least thirty days before issuing a request for proposals pursuant to this subsection, the department of health services shall hold a public hearing to receive community and provider input regarding the highest and best use of the state hospital property related to the request for proposals. The department shall report to the joint committee on capital review on the terms, conditions and purpose of any lease or sublease agreement entered into pursuant to this subsection relating to state hospital lands or buildings or the disposition of real property pursuant to this subsection, including state hospital lands or buildings, and the fiscal impact on the department and any revenues generated by the agreement. Any lease or sublease agreement entered into pursuant to this subsection relating to state hospital lands or buildings or the disposition of real property pursuant to this subsection, including state hospital lands or buildings, must be reviewed by the joint committee on capital review.

D. The director may deputize, in writing, any qualified officer or employee in the department to do or perform on the director's behalf any act the director is by law empowered to do or charged with the responsibility of doing.

E. The director may delegate to a local health department, county environmental department or public health services district any functions, powers or duties that the director believes can be competently, efficiently and properly performed by the local health department, county environmental department or public health services district if:

1. The director or superintendent of the local health department, environmental department or public health services district is willing to accept the delegation and agrees to perform or exercise the functions, powers and duties conferred in accordance with the standards of performance established by the director of the department of health services.

2. Monies appropriated or otherwise made available to the department for distribution to or division among counties or public health services districts for local health work may be allocated or reallocated in a manner designed to ensure the accomplishment of recognized local public health activities and delegated functions, powers and duties in accordance with applicable standards of performance. If in the director's opinion there is cause, the director may terminate all or a part of any delegation and may reallocate all or a part of any monies that may have been conditioned on the further performance of the functions, powers or duties conferred.

F. The compensation of all personnel shall be as determined pursuant to section 38-611.

G. The director may make and amend rules necessary for the proper administration and enforcement of the laws relating to the public health.

H. Notwithstanding subsection I, paragraph 1 of this section, the director may define and prescribe emergency measures for detecting, reporting, preventing and controlling communicable or infectious diseases or conditions if the director has reasonable cause to believe that a serious threat to public health and welfare exists. Emergency measures are effective for not longer than eighteen months.

I. The director, by rule, shall:

1. Define and prescribe reasonably necessary measures for detecting, reporting, preventing and controlling communicable and preventable diseases. The rules shall declare certain diseases that are reportable. The rules shall prescribe measures, including isolation or quarantine, that are reasonably required to prevent the occurrence of, or to seek early detection and alleviation of, disability, insofar as possible, from communicable or preventable diseases. The rules shall include

reasonably necessary measures to control animal diseases that are transmittable to humans.

2. Define and prescribe reasonably necessary measures, in addition to those prescribed by law, regarding the preparation, embalming, cremation, interment, disinterment and transportation of dead human bodies and the conduct of funerals, relating to and restricted to communicable diseases and regarding the removal, transportation, cremation, interment or disinterment of any dead human body.

3. Define and prescribe reasonably necessary procedures that are not inconsistent with law in regard to the use and accessibility of vital records, delayed birth registration and the completion, change and amendment of vital records.

4. Except as relating to the beneficial use of wildlife meat by public institutions and charitable organizations pursuant to title 17, prescribe reasonably necessary measures to ensure that all food or drink, including meat and meat products and milk and milk products sold at the retail level, provided for human consumption is free from unwholesome, poisonous or other foreign substances and filth, insects or disease-causing organisms. The rules shall prescribe reasonably necessary measures governing the production, processing, labeling, storing, handling, serving and transportation of these products. The rules shall prescribe minimum standards for the sanitary facilities and conditions that shall be maintained in any warehouse, restaurant or other premises, except a meatpacking plant, slaughterhouse, wholesale meat processing plant, dairy product manufacturing plant or trade product manufacturing plant. The rules shall prescribe minimum standards for any truck or other vehicle in which food or drink is produced, processed, stored, handled, served or transported. The rules shall provide for the inspection and licensing of premises and vehicles so used, and for abatement as public nuisances of any premises or vehicles that do not comply with the rules and minimum standards. The rules shall provide an exemption relating to food or drink that is:

(a) Served at a noncommercial social event such as a potluck.

(b) Prepared at a cooking school that is conducted in an owner-occupied home.

(c) Not potentially hazardous and prepared in a kitchen of a private home for sale or distribution for noncommercial purposes.

(d) Prepared or served at an employee-conducted function that lasts less than four hours and is not regularly scheduled, such as an employee recognition, an employee fundraising or an employee social event.

(e) Offered at a child care facility and limited to commercially prepackaged food that is not potentially hazardous and whole fruits and vegetables that are washed and cut on-site for immediate consumption.

(f) Offered at locations that sell only commercially prepackaged food or drink that is not potentially hazardous.

(g) A cottage food product that is prepared in a kitchen of a private home for commercial purposes consistent with chapter 8, article 2 of this title.

(h) A whole fruit or vegetable grown in a public school garden that is washed and cut on-site for immediate consumption.

(i) Produce in a packing or holding facility that is subject to the United States food and drug administration produce safety rule (21 Code of Federal Regulations part 112) as administered by the Arizona department of agriculture pursuant to title 3, chapter 3, article 4.1. For the purposes of this subdivision, "holding", "packing" and "produce" have the same meanings prescribed in section 3-525.

(j) Spirituous liquor produced on the premises licensed by the department of liquor licenses and control. This exemption includes both of the following:

(i) The area in which production and manufacturing of spirituous liquor occurs, as defined in an active basic permit on file with the United States alcohol and tobacco tax and trade bureau.

(ii) The area licensed by the department of liquor licenses and control as a microbrewery, farm winery or craft distiller that is open to the public and serves spirituous liquor and commercially prepackaged food, crackers or pretzels for consumption on the premises. A producer of spirituous liquor may not provide, allow or expose for common use any cup, glass or other receptacle used for drinking purposes. For the purposes of this item, "common use" means the use of a drinking receptacle for drinking purposes by or for more than one person without the receptacle being thoroughly cleansed and sanitized between consecutive uses by methods prescribed by or acceptable to the department.

(k) Spirituous liquor produced by a producer that is licensed by the department of liquor licenses and control or spirituous liquor imported and sold by wholesalers that is licensed by the department of liquor licenses and control. This exemption includes all commercially prepackaged spirituous liquor and all spirituous liquor poured at a licensed special event, festival or fair in this state.

5. Prescribe reasonably necessary measures to ensure that all meat and meat products for human consumption handled at the retail level are delivered in a manner and from sources approved by the Arizona department of agriculture and are free from unwholesome, poisonous or other foreign substances and filth, insects or disease-causing organisms. The rules shall prescribe standards for sanitary facilities to be used in identifying, storing, handling and selling all meat and meat products sold at the retail level.

6. Prescribe reasonably necessary measures regarding production, processing, labeling, handling, serving and transportation of bottled water to ensure that all bottled drinking water distributed for human consumption is free from unwholesome, poisonous, deleterious or other foreign substances and filth or disease-causing organisms. The rules shall prescribe minimum standards for the sanitary facilities and conditions that shall be maintained at any source of water, bottling plant and truck or vehicle in which bottled water is produced, processed, stored or transported and shall provide for inspection and certification of bottled drinking water sources, plants, processes and transportation and for abatement as a public nuisance of any water supply, label, premises, equipment, process or vehicle that does not comply with the minimum standards. The rules shall prescribe minimum standards for bacteriological, physical and chemical quality for bottled water and for submitting samples at intervals prescribed in the standards.

7. Define and prescribe reasonably necessary measures governing ice production, handling, storing and distribution to ensure that all ice sold or distributed for human consumption or for preserving or storing food for human consumption is free from unwholesome, poisonous, deleterious or other foreign substances and filth or disease-causing organisms. The rules shall prescribe minimum standards for the sanitary facilities and conditions and the quality of ice that shall be maintained at any ice plant, storage and truck or vehicle in which ice is produced, stored, handled or transported and shall provide for inspection and licensing of the premises and vehicles, and for abatement as public nuisances of ice, premises, equipment, processes or vehicles that do not comply with the minimum standards.

8. Define and prescribe reasonably necessary measures concerning sewage and excreta disposal, garbage and trash collection, storage and disposal, and water supply for recreational and summer camps, campgrounds, motels, tourist courts, trailer coach parks and hotels. The rules shall prescribe minimum standards for preparing food in community kitchens, adequacy of excreta disposal, garbage and trash collection, storage and disposal and water supply for recreational and summer camps, campgrounds, motels, tourist courts, trailer coach parks and hotels and shall provide for inspection of these premises and for abatement as public nuisances of any premises or facilities that do not comply with the rules. Primitive camp and picnic

grounds offered by this state or a political subdivision of this state are exempt from rules adopted pursuant to this paragraph but are subject to approval by a county health department under sanitary regulations adopted pursuant to section 36-183.02. Rules adopted pursuant to this paragraph do not apply to two or fewer recreational vehicles as defined in section 33-2102 that are not park models or park trailers, that are parked on owner-occupied residential property for less than sixty days and for which no rent or other compensation is paid. For the purposes of this paragraph, "primitive camp and picnic grounds" means camp and picnic grounds that are remote in nature and without accessibility to public infrastructure such as water, electricity and sewer.

9. Define and prescribe reasonably necessary measures concerning the sewage and excreta disposal, garbage and trash collection, storage and disposal, water supply and food preparation of all public schools. The rules shall prescribe minimum standards for sanitary conditions that shall be maintained in any public school and shall provide for inspection of these premises and facilities and for abatement as public nuisances of any premises that do not comply with the minimum standards.

10. Prescribe reasonably necessary measures to prevent pollution of water used in public or semipublic swimming pools and bathing places and to prevent deleterious health conditions at these places. The rules shall prescribe minimum standards for sanitary conditions that shall be maintained at any public or semipublic swimming pool or bathing place and shall provide for inspection of these premises and for abatement as public nuisances of any premises and facilities that do not comply with the minimum standards. The rules shall be developed in cooperation with the director of the department of environmental quality and shall be consistent with the rules adopted by the director of the department of environmental quality pursuant to section 49-104, subsection B, paragraph 12.

11. Prescribe reasonably necessary measures to keep confidential information relating to diagnostic findings and treatment of patients, as well as information relating to contacts, suspects and associates of communicable disease patients. Confidential information may not be made available for political or commercial purposes.

12. Prescribe reasonably necessary measures regarding human immunodeficiency virus testing as a means to control the transmission of that virus, including the designation of anonymous test sites as dictated by current epidemiologic and scientific evidence.

13. Establish an online registry of food preparers that are authorized to prepare cottage food products for commercial purposes pursuant to paragraph 4 of this subsection and chapter 8, article 2 of this title. A registered food preparer shall renew the registration

every three years and shall provide to the department updated registration information within thirty days after any change.

14. Prescribe an exclusion for fetal demise cases from the standardized survey known as "the hospital consumer assessment of healthcare providers and systems".

J. The rules adopted under the authority conferred by this section shall be observed throughout this state and shall be enforced by each local board of health or public health services district, but this section does not limit the right of any local board of health or county board of supervisors to adopt ordinances and rules as authorized by law within its jurisdiction if the ordinances and rules do not conflict with state law and are equal to or more restrictive than the rules of the director.

K. The powers and duties prescribed by this section do not apply in instances in which regulatory powers and duties relating to public health are vested by the legislature in any other state board, commission, agency or instrumentality, except that with regard to the regulation of meat and meat products, the department of health services and the Arizona department of agriculture within the area delegated to each shall adopt rules that are not in conflict.

L. The director, in establishing fees authorized by this section, shall comply with title 41, chapter 6. The department shall not set a fee at more than the department's cost of providing the service for which the fee is charged. State agencies are exempt from all fees imposed pursuant to this section.

M. After consultation with the state superintendent of public instruction, the director shall prescribe the criteria the department shall use in deciding whether or not to notify a local school district that a pupil in the district has tested positive for the human immunodeficiency virus antibody. The director shall prescribe the procedure by which the department shall notify a school district if, pursuant to these criteria, the department determines that notification is warranted in a particular situation. This procedure shall include a requirement that before notification the department shall determine to its satisfaction that the district has an appropriate policy relating to nondiscrimination of the infected pupil and confidentiality of test results and that proper educational counseling has been or will be provided to staff and pupils.

N. Until the department adopts exemptions by rule as required by subsection I, paragraph 4, subdivision (f) of this section, food and drink are exempt from the rules prescribed in subsection I of this section if offered at locations that sell only commercially prepackaged food or drink that is not potentially hazardous, without a limitation on its display area.

O. Until the department adopts exemptions by rule as required by subsection I, paragraph 4, subdivision (h) of this section, a whole fruit or vegetable grown in a public school garden that is washed and cut on-site for immediate consumption is exempt from the rules prescribed in subsection I of this section.

P. Until the department adopts an exclusion by rule as required by subsection I, paragraph 14 of this section, the standardized survey known as "the hospital consumer assessment of healthcare providers and systems" may not include patients who experience a fetal demise.

Q. Until the department adopts exemptions by rule as required by subsection I, paragraph 4, subdivision (j) of this section, spirituous liquor and commercially prepackaged food, crackers or pretzels that meet the requirements of subsection I, paragraph 4, subdivision (j) of this section are exempt from the rules prescribed in subsection I of this section.

R. For the purposes of this section:

1. "Cottage food product" has the same meaning prescribed in section 36-931.

2. "Fetal demise" means a fetal death that occurs or is confirmed in a licensed hospital. Fetal demise does not include an abortion as defined in section 36-2151.

11-1103. Development fees; intergovernmental agreements; purposes

A county may enter into an intergovernmental agreement to accept or disburse development fees for construction of a public facility pursuant to a benefit area plan, including an agreement with a city or special taxing district for the joint establishment of a needs assessment, the adoption of a benefit area plan and the imposition, collection and disbursement of development fees to implement a joint plan for development.

DEPARTMENT OF REVENUE
Title 15, Chapter 2

GOVERNOR'S REGULATORY REVIEW COUNCIL

ATTORNEY MEMORANDUM - FIVE-YEAR REVIEW REPORT

MEETING DATE: February 4, 2025

TO: Members of the Governor's Regulatory Review Council (Council)

FROM: Council Staff

DATE: January 21, 2025

SUBJECT: **ARIZONA DEPARTMENT OF REVENUE**
Title 15, Chapter 2, Department of Revenue - Income and Withholding Tax

---

Summary

This Five-year Review Report (5YRR) from the Arizona Department of Revenue (Department) relates to sixty-two (62) rules in Title 15, Chapter 2, regarding Income and Withholding Tax.

The Department did not complete the proposed course of action indicated in the agency's previous 5YRR for these rules. In the previous 5YRR, the Department considered taking action on 5 rules in Chapter 2. The Department indicates in this report that it believed it did not have proper justification to seek an exemption from the rulemaking moratorium and thus did not request an exemption. In communication with Council staff, the Department has provided further clarification that updating the rules would not have any tangible benefit to justify an exemption. In the previous 5YRR, the Department indicated that they did not complete their proposed course of action for the same reasons. In the 2014 5YRR approved by the Council in March 2015, the Department identified that they did not take their previous course of action from their 2009 5YRR because of the rulemaking moratorium and for not having proper justification. In 2017 and 2018, the Department did expire rules identified in their 2014 5YRR.

While the Department did not make the proposed changes to the rules, the Department does indicate they were able to resolve the deficiencies identified in the previous 5YRR by

modifying their forms to have increased instructions on them and improved their webpage. The proposed changes from the previous 5YRR and the Department action is as follows:

- R15-2A-202:
    - Proposed Course: The Department proposed to amend the rule to provide specificity with respect to the determination of expenses related to nontaxable income and to remove a reference to a repealed statute. The Department will reach out to the Governor's Office for a possible exception to the rulemaking moratorium. If the exception is granted the Department anticipates opening the rulemaking process by June 2020.
        - Department Remedy: The Department has modified Form 120 and 140 instructions to provide more detail regarding determination of expenses related to nontaxable income.
- R15-2B-101:
    - Proposed Course: The Department proposed to amend the rule by removing subsection J of the rule which refers to the minimum withholding percentage for employees which no longer exists. The Department will reach out to the Governor's Office for a possible exception to the rulemaking moratorium. If the exception is granted the Department anticipates opening the rulemaking process by June 2020.
    - Department Remedy: The Department created a new version of withholding form with new instructions.
- R15-2C-101:
    - Proposed Curse: The Department proposed to amend the rule to provide specificity with respect to the application of a refund to the subsequent year's estimated tax, the method of determining the amount of tax considered due for purposes of this section when married taxpayers change from joint to separate filing method, and to update a statutory reference. The Department also proposes to amend the rule by adding language that estimated taxes can now be paid by credit card through www.aztaxes.gov. The Department will reach out to the Governor's Office for a possible exception to the rulemaking moratorium. If the exception is granted the Department anticipates opening the rulemaking process by June 2020.
        - Department Remedy: The Department added a new webpage with information on how to make estimated payments along with curating a new Publication.
- R15-2C-601:
    - Proposed Course: The Department proposed to amend the rule to provide specificity with respect to the calculation of Arizona income derived from a multistate business and reference the unitary business to the definition in R152D101. The Department will also amend the rule to conform to the standards of the Governor's Regulatory Review Council and remove language like "should" and "must". The Department will reach out to the Governor's Office for a possible exception to the rulemaking moratorium. If the exception is granted the Department anticipates opening the rulemaking process by June 2020.

        - Department Remedy: The Department added language to Form 120 instructions specifically for multistate corporations
- R15-2D-302
    - Proposed Course: The Department proposed to amend the rule to reflect a statutory change which now allows net operating losses created after December 31, 2011 to be carried forward for 20 years, replacing the previous 5 year carryforward limitation. The Department will also amend the rule to conform to the standards of the Governor's Regulatory Review Council and remove language like "should" and "must". The Department will reach out to the Governor's Office for a possible exception to the rulemaking moratorium. If the exception is granted the Department anticipates opening the rulemaking process by June 2020.
        - Department Remedy: The Department has updated Form 120 instructions to reflect the 20 year time period.

Proposed Action

In the current report, the Department is not proposing to make any changes because the Department has indicated that the actions taken in the past five years have remedied the deficiencies in the rules.

1. Has the agency analyzed whether the rules are authorized by statute?

The Department cites both general and specific statutory authority for these rules.

2. Summary of the agency's economic impact comparison and identification of stakeholders:

According to the Department, the economic impact of the tax regulatory scheme is derived from the statutes themselves and not the rules adopted to interpret the application of a tax. It is only when a rule imposes requirements not specifically required by statue (e.g., to prepare a form, submit documentation, or maintain records) that the rule has an economic impact. The economic impact for the rules estimated minimal (less than $1,000) costs related to the public hearing and publishing of the rules.

Stakeholders include the Department and Arizona taxpayers.

3. Has the agency analyzed the costs and benefits of the rulemaking and determined that the rules impose the least burden and costs to those who are regulated?

According to the Department, the income and withholding tax rules impose the least burden and costs to the regulated public, including paperwork and other compliance costs necessary to achieve the underlying regulatory objective because the Department's review shows the income and withholding tax rules are consistent with statutes, rules and enforcement policies that result in significantly less burden on the regulated public. No written comments, complaints, or suggestions have been received from the public regarding

the existing income and withholding tax rules within the last five years.

4. Has the agency received any written criticisms of the rules over the last five years?

The Department indicates it received no written criticisms of the rules in the last five years.

5. Has the agency analyzed the rules' clarity, conciseness, and understandability?

The Department indicates the rules are clear, concise, and understandable. However, the Department identified in their 2019 report that neither R15-2A-202 or R15-2B-101 were clear, concise, and understandable. This is detailed above in the Summary of this memo.

R15-2A-202 in subsection (A) contains a reference to A.R.S. § 43-1049, which was repealed by HB 2028 in the Third Special Session of 1990. The Department also stated they would amend the rule to improve specificity regarding the determination of expenses related to nontaxable income. The Department stated this was accomplished by improving their forms.

R15-2B-101 states that this section is not enforced because it is outdated and updated information is provided on forms provided by the Department.

6. Has the agency analyzed the rules' consistency with other rules and statutes?

The Department indicates that the rules are consistent with other rules and statutes. The Department did not identify any rules in their previous report as being inconsistent with other rules and statutes. However, the Department has previously indicated that statutory changes have made certain rules obsolete as identified in both Items 5 and 7 of this Memo.

7. Has the agency analyzed the rules' effectiveness in achieving its objectives?

The Department indicates that the rules within Chapter 2 are effective in achieving their objectives. However in the previous 5 YRR the Department indicated 4 rules were ineffective in meeting their objective. This is detailed above in the Summary of this memo. The rules in question are R15-2A-202, R15-2C-101, R15-2C-601, and R15-2D-302. The latter was identified because it did not meet statutory standards in A.R.S. § 43-1123 as a result of HB 2815 signed into law in 2012.

The former 3 rules were identified because they were not specific enough and failed to provide enough information for proper guidance. The Department has consistently been updating their webpage and forms to provide proper guidance. The Department has indicated to Department staff that the guidance provided by these forms and Department website do impose any additional requirements on stakeholders.

8. Has the agency analyzed the current enforcement status of the rules?

The Department indicates that the rules are enforced as written. However, in the previous report the Department indicated that R15-2B-101(J) was not enforced as written, this is explained in the Summary and Item 7 of this memo.

9. Are the rules more stringent than corresponding federal law and, if so, is there statutory authority to exceed the requirements of federal law?

The Department indicates that the rules are not stricter than the United States internal revenue code.

10. For rules adopted after July 29, 2010, do the rules require a permit or license and, if so, does the agency comply with A.R.S. § 41-1037?

The Department indicates the rules do not require or relate to permits or licenses.

11. Conclusion

Council Staff has concerns regarding the Agency not completing their previous course of action. Staff encourages the Council to inquire about the Department actions detailed in page 10 and 11 of the Department's report. Specifically, staff recommends that the Council ask why there are inconsistencies between the Department's previous 5YRR and this 5YRR when the Department did not complete their previous Courses of Actions in correcting the rules, only updating the Department's forms and website. In addition, if the Department believes that this information can be provided by Form and not Rule, why has the Department not proposed repealing these rules. Lastly, if these rules are necessary, staff encourages Council to inquire about how the Department plans to accomplish rulemaking after not completing the previous course of actions identified in the last three 5YRR.

- **The objective of each rule:**

Rule	Objective
R15-2A-103	The first objective is to provide guidance to taxpayers with respect to the time for filing fractional year returns and returns for deceased individuals. The second objective is to prescribe when a return is considered timely filed when the return is filed pursuant to a filing extension, by mail, or when the due date falls on a weekend or holiday.
R15-2A-104	The objective of the rule is to provide guidance to taxpayers with respect to filing income tax returns when taxpayers are out of the country and it is impossible or impractical to file a timely return.
R15-2A-202	The objective of the rule is to explain which items are not deductible in computing Arizona taxable income.
R15-2B-101	The objective of the rule is to explain how to determine which withholding payment schedule to use.
R15-2B-102	The objective of the rule is to explain when employment is excluded from the withholding provisions of the statutes.
R15-2B-201	The objective of the rule is to explain the procedure to be followed by the surviving spouse or personal representative of an estate in order to obtain a refund of excess tax withheld when the taxpayer died.
R15-2C-101	The objective of the rule is to set forth how taxpayers can determine who must pay estimated tax and when the estimated payments must be made.
R15-2C-201	The objective of the rule is to give taxpayers an overview of how Arizona individual income taxes are computed.

R15-2C-211	The objective of the rule is to explain how to treat amounts previously deducted on the Arizona return when they flow through from the federal return due to timing differences.
R15-2C-301	The objective of the rule is to explain how the $2,500 subtraction for certain government pensions applies.
R15-2C-305	The objective of the rule is to clarify the treatment of social security benefits and Tier I railroad retirement benefits that are included in federal adjusted gross income.
R15-2C-306	The objective of the rule is to address the subtraction for income that was previously recognized for Arizona purposes when that income is included later in federal adjusted gross income.
R15-2C-307	The objective of the rule is to provide additional explanation for the statutory provision granting exemptions to taxpayers for those situations delineated in the title of the rule.
R15-2C-502	The objectives of this rule are to provide a definition of adjusted gross income for determining eligibility for the property tax credit, to clarify the calculation of specific income items to be included in that adjusted gross income, and to delineate the documentation required to substantiate the credit.
R15-2C-503	The objective of this rule is to delineate the documentation required in the application for claiming the renewable energy production tax credit.
R15-2C-601	The objective of this rule is to delineate and describe the types of income that a non-resident must include in determining Arizona gross income and how to determine the amount of that income.
R15-2C-602	The objective of the rule is to clarify and explain the provisions in the statute.
R15-2C-604	The objective of this rule is to delineate and describe the types of income that non-resident members of professional athletic teams must include in determining Arizona gross income and how to determine the amount of that income.
R15-2C-605	The objective of this rule is to delineate and describe the types of income that a non-resident professional athlete, who is not a member of a team, must include in determining Arizona gross income and how to determine the amount of that income.
R15-2D-101	The objective of this rule is to provide additional definitions of terms used to determine income of a multistate business.
R15-2D-302	The objective of this rule is to provide corporate taxpayers with guidance in computing the net operating loss subtraction.
R15-2D-303	The objective of the rule is to provide guidance to taxpayers regarding the income taxation of Domestic International Sales Corporations (DISC) and their shareholders

R15-2D-305	The objective of the rule is to explain how to calculate the deduction for deferred exploration expenses currently allowed by A.R.S. § 43-1127.
R15-2D-306	The objective of the rule is to provide guidance to corporate taxpayers regarding the requirements for claiming amortization of property used for atmospheric and water pollution control.
R15-2D-307	The objective of the rule is to establish the criteria for taxpayers operating child care facilities to take the amortization deduction allowed by A.R.S. § 43-1130
R15-2D-401	The objective of the rule is to provide guidance to corporate taxpayers regarding the requirements for determining whether a group of affiliated corporations is conducting a unitary business and the necessity of filing a combined return.
R15-2D-403	The objective of the rule is to clarify when a taxpayer's income is taxable in another state for purposes of requiring apportionment or allocation of income.
R15-2D-404	The objective of the rule is to clarify that business income shall be apportioned to Arizona using an apportionment formula.
R15-2D-405	The objective of the rule is to clarify the treatment of intercompany transactions of members of a consolidated or combined group.
R15-2D-501	The objective of this rule is to provide guidance in the determination of business and nonbusiness income or loss.
R15-2D-502	The objective of this rule is to provide guidance in the determination of business and nonbusiness rental income or loss.
R15-2D-503	The objective of this rule is to provide guidance in the determination of business and nonbusiness gain or loss from the sale of assets.
R15-2D-504	The objective of this rule is to provide guidance in the determination of business and nonbusiness interest income.
R15-2D-505	The objective of this rule is to provide guidance in the determination of business and nonbusiness dividend income.
R15-2D-506	The objective of this rule is to provide guidance in the determination of business and nonbusiness royalty income.

R15-2D-507	The objective of this rule is to provide for the proration of expenses among the classes of income to which they apply.
R15-2D-508	The objective of the rule is to require a taxpayer to report income and deductions in a uniform and consistent manner.
R15-2D-601	The objective of the rule is to identify general property that should or should not be included in the property factor as part of the apportionment formula.
R15-2D-602	The objective of the rule is to identify specific property that should or should not be included in the property factor as part of the apportionment formula.
R15-2D-603	The objective of the rule is to identify the property that should be included in the Arizona numerator of the property factor as part of the apportionment formula.
R15-2D-604	The objective of the rule is to explain how property is to be valued for purposes of the property factor.
R15-2D-605	The objective of the rule is to explain how rented property is to be valued for purposes of the property factor.
R15-2D-606	The objective of the rule is to explain how to determine the average value of property for purposes of the property factor.
R15-2D-607	The objective of the rule is to require a taxpayer to compute the property factor in a uniform and consistent manner.
R15-2D-701	The objective of the rule is to identify compensation that should or should not be included in the payroll factor as part of the apportionment formula.
R15-2D-702	The objective of the rule is to identify compensation that should or should not be included in the denominator of the payroll factor as part of the apportionment formula.
R15-2D-703	The objective of the rule is to identify the compensation that should be included in the Arizona numerator of the payroll factor as part of the apportionment formula.
R15-2D-704	The objective of the rule is to define terms used to determine whether compensation is paid in this state for purposes of the payroll factor.
R15-2D-705	The objective of the rule is to require a taxpayer to compute the payroll factor in a uniform and consistent manner.
R15-2D-801	The objective of the rule is to identify sales that should or should not be included in the sales factor as part of the apportionment formula.

R15-2D-803	The objective of the rule is to identify sales that should be included in the numerator of the sales factor as part of the apportionment formula.
R15-2D-804	The objective of the rule is to identify property that is considered to be delivered or shipped to a purchaser in the state.
R15-2D-805	The objective of the rule is to identify sales that are considered to be sales to the United States government.
R15-2D-806	The objective of the rule is to identify sales that should be included in the numerator of the sales factor as part of the apportionment formula when the sales are other than sales of tangible personal property.
R15-2D-807	The objective of the rule is to require a taxpayer to compute the sales factor in a uniform and consistent manner.
R15-2D-901	The objective of the rule is to provide for alternate apportionment provisions when the standard provisions cannot be reasonably applied.
R15-2D-902	The objective of the rule is to provide alternate property factor provisions when the standard apportionment provisions cannot be reasonably applied.
R15-2D-903	The objective of the rule is to provide alternate sales factor provisions when the standard apportionment provisions cannot be reasonably applied.
R15-2D-1001	The objective of this rule is to provide record keeping requirements for documents and records necessary to substantiate the credit.
R15-2D-1002	The objective of this rule is to delineate the documentation required in the application for claiming the renewable energy production tax credit.
R15-2F-101	The objective of the rule is to state the requirement that a fiduciary file an information return.
R15-2G-101	The objective of the rule is to state the requirement that a partnership file an information return.

3.Are the rules effective in achieving their objectives? **Yes** **__X_**
No

If not, please identify the rule(s) that is not effective and provide an explanation for why the rule(s) is not effective.

- **Are the rules consistent with other rules and statutes?** **Yes** **_X__**
No

If not, please identify the rule(s) that is not consistent. Also, provide an explanation and identify the provisions that are not consistent with the rule.

- **Are the rules enforced as written?** **Yes**
_X__ **No**

If not, please identify the rule(s) that is not enforced as written and provide an explanation of the issues with enforcement. In addition, include the agency's proposal for resolving the issue.

- **Are the rules clear, concise, and understandable?** **Yes**
_X__ **No**

If not, please identify the rule(s) that is not clear, concise, or understandable and provide an explanation as to how the agency plans to amend the rule(s) to improve clarity, conciseness, and understandability.

- **Has the agency received written criticisms of the rules within the last five years?** **Yes __ No_ X**

If yes, please fill out the table below:

Commenter	Comment	Agency's Response

- **Economic, small business, and consumer impact comparison:**

The economic impact of the tax regulatory scheme is derived from the statutes themselves and not the rules adopted to interpret the application of a tax. It is only when a rule imposes requirements not specifically required by statute (e.g., to prepare a form, submit documentation, or maintain records) that the rule has an economic impact.

The economic impact for the rules estimated minimal costs related to the public hearing and publishing the rules. "Minimal" is defined as an impact of less than $1,000 in costs or benefits.

- **Has the agency received any business competitiveness analyses of the rules? Yes ___ No X**

  No analysis regarding the income and withholding tax rules impacts on business competitiveness in this state compared with the impact on businesses in other states has been submitted to the Department within the last five years.

- **Has the agency completed the course of action indicated in the agency's previous five-year review report?**

  Please state what the previous course of action was and if the agency did not complete the action, please explain why not.

  In the previous five year review the Department considered proposed action for five different rules. Due to the rules moratorium those anticipated amendments were not made. The Department did not seek an exception to the rules moratorium because it did not have proper justification to do so under the current or previous Executive Orders.

  For each of the five identified rules the Department has taken the following actions to remedy any deficiencies in the rules:

  R15-2A-202: The Department has modified the Form 120 and Form 140 instructions to provide more detailed information regarding the determination of expenses related to nontaxable income**.**

  R15-2B-101: The Department has created a new version of the withholding form, A-4, and instructions that reflect the current withholding rates.

  R15-2C-101: The Department has added a new webpage with comprehensive

information on how to make estimated payments. The Department has also created and curated Publication 12 with additional information on estimated payments.

R15-2C-601: The Department has added substantial language to the Form 120 instructions specifically applying to multistate corporations and the apportionment of income.

R15-2D-302: The Department has updated the Form 120 instructions to reflect the current 20 year NOL carry forward period.

- **A determination that the probable benefits of the rule outweigh within this state the probable costs of the rule, and the rule imposes the least burden and costs to regulated persons by the**

  rule, including paperwork and other compliance costs, necessary to achieve the underlying regulatory objective:

  The income and withholding tax rules impose the least burden and costs to the regulated public, including paperwork and other compliance costs necessary to achieve the underlying regulatory objective because the Department's review shows the income and withholding tax rules are consistent with statutes, rules and enforcement policies that results in significantly less burden on the regulated public. No written comments, complaints, or suggestions have been received from the public regarding the existing income and withholding tax rules within the last five years.

- **Are the rules more stringent than corresponding federal laws? Yes ___ No X**

  Please provide a citation for the federal law(s). And if the rule(s) is more stringent, is there statutory authority to exceed the requirements of federal law(s)?

  The Department has determined after analysis that the income and withholding tax rules are not more stringent than the United States internal revenue code of 1986, as amended and in effect on January 1, 2024 unless there is statutory authority to exceed the requirements of that federal law.

.

- **For rules adopted after July 29, 2010 that require the issuance of a regulatory permit, license, or agency authorization, whether the rules are in compliance with the general permit requirements of A.R.S. § 41-1037 or explain why the agency believes an exception applies:**

  No income or withholding tax rules were adopted after July 29, 2010 which require the issuance of a regulatory permit, license or agency authorization.

- **Proposed course of action**

  If possible, please identify a month and year by which the agency plans to complete the course of action.

  At this time the Department does not intend to take any action in regards to the above rules. We feel the remedies that we have implemented for the five rules identified in the previous five year review are sufficient and have proven successful. In the future if the rules moratorium is lifted the Department may revisit these rules to determine if changes are necessary.

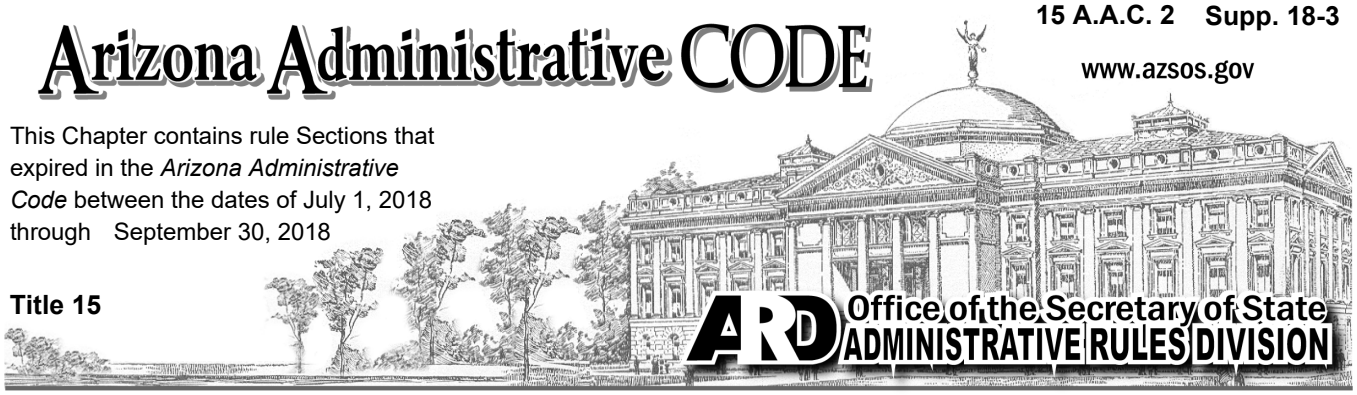
Arizona Administrative CODE

This Chapter contains rule Sections that expired in the *Arizona Administrative Code* between the dates of July 1, 2018 through September 30, 2018

Title 15



TITLE 15. REVENUE

CHAPTER 2. DEPARTMENT OF REVENUE - INCOME AND WITHHOLDING TAX SECTION

The table of contents on the first page contains quick links to the referenced page numbers in this Chapter. Refer to the notes at the end of a Section to learn about the history of a rule as it was published in the *Arizona Administrative Register*.

Sections, Parts, Exhibits, Tables or Appendices codified in this supplement. The list provided contains quick links to the updated rules.

SUBCHAPTER E. EXPIRED

ARTICLE 1. EXPIRED

ARTICLE 2. EXPIRED

ARTICLE 3. EXPIRED

Questions about the expired rules? Contact:

Council:	The Governor's Regulatory Review Council
Name:	GRRC
Address:	100 N. 15th Ave #305 Phoenix, AZ 85007
Telephone:	(602) 542-2058

The release of this Chapter in Supp. 18-3 replaces Supp. 17-4, 34 pages

Please note that the Chapter you are about to replace may have rules still in effect after the publication date of this supplement. Therefore, all superseded material should be retained in a separate binder and archived for future reference.

PREFACE

Under Arizona law, the Department of State, Office of the Secretary of State (Office), accepts state agency rule filings and is the publisher of Arizona rules. The Office of the Secretary of State does not interpret or enforce rules in the *Administrative Code*. Questions about rules should be directed to the state agency responsible for the promulgation of the rule.

Scott Cancelosi, Director
ADMINISTRATIVE RULES DIVISION

RULES

The definition for a rule is provided for under A.R.S. § 41-1001. "'Rule' means an agency statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedures or practice requirements of an agency."

THE ADMINISTRATIVE CODE

The *Arizona Administrative Code* is where the official rules of the state of Arizona are published. The *Code* is the official codification of rules that govern state agencies, boards, and commissions.

The *Code* is separated by subject into titles. Titles are divided into chapters. A chapter includes state agency rules. Rules in chapters are divided into Articles, then Sections. The "R" stands for "rule" with a sequential numbering and lettering outline separated into subsections.

Rules are codified quarterly in the *Code*. Supplement release dates are printed on the footers of each chapter.
First Quarter: January 1 - March 31
Second Quarter: April 1 - June 30
Third Quarter: July 1 - September 30
Fourth Quarter: October 1 - December 31
For example, the first supplement for the first quarter of 2018 is cited as Supp. 18-1.

Please note: The Office publishes by chapter, not by individual rule section. Therefore there might be only a few sections codified in each chapter released in a supplement. Historical notes at the end of a section provide an effective date and information when a rule was last updated.

AUTHENTICATION OF PDF CODE CHAPTERS

The Office began to authenticate chapters of the *Administrative Code* in Supp. 18-1 to comply with A.R.S. § 41-1012(B) and A.R.S. § 5302(1), (2)(d) through (e), and (3)(d) through (e).

A certification verifies the authenticity of each *Code* chapter posted as it is released by the Office of the Secretary of State. The authenticated pdf of the *Code* includes an integrity mark with a certificate ID. Users should check the validity of the signature, especially if the pdf has been downloaded. If the digital signature is invalid it means the document's content has been compromised.

HOW TO USE THE CODE

Rules may be in effect before a supplement is released by the Office. Therefore, the user should refer to issues of the *Arizona Administrative Register* for recent updates to rule Sections.

ARIZONA REVISED STATUTE REFERENCES

The Arizona Revised Statutes (A.R.S.) are available online at the Legislature's website, www.azleg.gov. An agency's authority note to make rules is often included at the beginning of a chapter. Other Arizona statutes may be referenced in rule under the A.R.S. acronym.

SESSION LAW REFERENCES

Arizona Session Law references in a chapter can be found at the Secretary of State's website, under Services-> Legislative Filings.

EXEMPTIONS FROM THE APA

It is not uncommon for an agency to be exempt from the steps outlined in the rulemaking process as specified in the Arizona Administrative Procedures Act, also known as the APA (Arizona Revised Statutes, Title 41, Chapter 6, Articles 1 through 10). Other agencies may be given an exemption to certain provisions of the Act.

An agency's exemption is written in law by the Arizona State Legislature or under a referendum or initiative passed into law by Arizona voters.

When an agency files an exempt rulemaking package with our Office it specifies the law exemption in what is called the preamble of rulemaking. The preamble is published in the *Register* online at www.azsos.gov/rules, click on the *Administrative Register* link.

Editor's notes at the beginning of a chapter provide information about rulemaking sections made by exempt rulemaking. Exempt rulemaking notes are also included in the historical note at the end of a rulemaking Section.

The Office makes a distinction to certain exemptions because some rules are made without receiving input from stakeholders or the public. Other exemptions may require an agency to propose exempt rules at a public hearing.

EXEMPTIONS AND PAPER COLOR

At one time the office published exempt rules on either blue or green paper. Blue meant the authority of the exemption was given by the Legislature; green meant the authority was determined by a court order. In 2001 the Office discontinued publishing rules using these paper colors.

PERSONAL USE/COMMERCIAL USE

This chapter is posted as a public courtesy online, and is for private use only. Those who wish to use the contents for resale or profit should contact the Office about Commercial Use fees. For information on commercial use fees review A.R.S. § 39-121.03 and 1 A.A.C. 1, R1-1-113.

Rhonda Paschal, managing rules editor, assisted with the editing of this chapter.

Administrative Rules Division
The Arizona Secretary of State electronically publishes each A.A.C. Chapter with a digital certificate. The certificate-based signature displays the date and time the document was signed and can be validated in Adobe Acrobat Reader.

TITLE 15. REVENUE

CHAPTER 2. DEPARTMENT OF REVENUE - INCOME AND WITHHOLDING TAX SECTION

(Authority: A.R.S. § 43-101 et seq.)

Editor's Note: The Department of Revenue recodified this Chapter at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000. The rescinded Chapter, which contains the former codification and Historical Notes, is on file in the Office of the Secretary of State (Supp. 00-2).

Chapter 2 consisting of Articles 1 through 14 adopted effective December 22, 1981.

Former Chapter 2 consisting of Article 1 repealed effective December 22, 1981.

SUBCHAPTER A. GENERAL AND ADMINISTRATIVE

ARTICLE 1. DEFINITIONS AND GENERAL PROVISIONS

ARTICLE 2. GENERAL ACCOUNTING PROVISIONS

SUBCHAPTER B. WITHHOLDING

ARTICLE 1. WITHHOLDING BY EMPLOYER

ARTICLE 2. WITHHOLDING AS PAYMENT OF TAX FOR EMPLOYEE

SUBCHAPTER C. INDIVIDUALS

ARTICLE 1. PAYMENT AND COLLECTION OF TAX

ARTICLE 2. ADDITIONS TO ARIZONA GROSS INCOME

ARTICLE 3. SUBTRACTIONS FROM ARIZONA GROSS INCOME

ARTICLE 4. EXPIRED

ARTICLE 5. CREDITS

ARTICLE 6. NONRESIDENTS

ARTICLE 7. REPEALED

Article 7, consisting of Sections R15-2C-701 through R15-2C-705 repealed by exempt rulemaking at 14 A.A.R. 4249, effective October 24, 2008 (Supp. 08-4).

SUBCHAPTER D. CORPORATIONS

ARTICLE 1. GENERAL

ARTICLE 2. ADDITIONS TO ARIZONA GROSS INCOME

ARTICLE 3. SUBTRACTIONS FROM ARIZONA GROSS INCOME

ARTICLE 4. MULTISTATE DIVISION OF INCOME

ARTICLE 5. BUSINESS AND NONBUSINESS INCOME

ARTICLE 6. PROPERTY FACTOR

ARTICLE 7. PAYROLL FACTOR

ARTICLE 8. SALES FACTOR

ARTICLE 9. DEPARTURE FROM STANDARD APPORTIONMENT AND ALLOCATION PROVISIONS

ARTICLE 10. CREDITS

Article 10, consisting of Section R15-2D-1001, adopted by final rulemaking at 6 A.A.R. 4105, effective October 4, 2000 (Supp. 00-4).

ARTICLE 11. REPEALED

Article 11, consisting of Sections R15-2D-1101 through R7-2D-1105 repealed by exempt rulemaking at 14 A.A.R. 4253, effective October 24, 2008 (Supp. 08-4).

SUBCHAPTER E. EXPIRED

ARTICLE 1. EXPIRED

ARTICLE 2. EXPIRED

ARTICLE 3. EXPIRED

CHAPTER 2. DEPARTMENT OF REVENUE - INCOME AND WITHHOLDING TAX SECTION

SUBCHAPTER F. ESTATES AND TRUSTS

ARTICLE 1. RETURNS

ARTICLE 2. IMPOSITION OF TAX ON ESTATES AND TRUSTS

SUBCHAPTER G. PARTNERSHIPS

ARTICLE 1. TAXATION OF PARTNERSHIPS

CHAPTER 2. DEPARTMENT OF REVENUE - INCOME AND WITHHOLDING TAX SECTION

SUBCHAPTER A. GENERAL AND ADMINISTRATIVE

ARTICLE 1. DEFINITIONS AND GENERAL PROVISIONS

R15-2A-101. Repealed

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Section repealed by final rulemaking at 7 A.A.R. 653, effective January 11, 2001 (Supp. 01-1).

R15-2A-102. Repealed

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Section repealed by final rulemaking at 7 A.A.R. 2885, effective June 13, 2001 (Supp. 01-2).

R15-2A-103. Time for Filing Returns

A. Generally, a taxpayer shall file an income tax return on or before the 15th day of the fourth full calendar month following the close of the taxable year. This requirement is subject to the following exceptions:
1. The final income tax return of a decedent shall be filed on or before the 15th day of the fourth month following the close of the 12-month period that began with the first day of the taxable year in which the decedent died.
2. The Department may prescribe a later time for filing a return for a fractional part of a year upon a showing by the taxpayer of unusual circumstances.
3. A corporation liquidating all its assets and ceasing operations during any taxable year may file a return with the Department for that year immediately after liquidation and shall report the income of the corporation for the part of the year during which the corporation was engaged in business.
4. Under A.R.S. § 43-1126, a corporation taxable as an S corporation under the Internal Revenue Code shall file its income tax return with the Department on or before the 15th day of the third month following the close of the taxable year.
5. Under A.R.S. § 43-1241, an organization, otherwise exempt under A.R.S. § 43-1201, having unrelated business income shall file its income tax return with the Department on or before the 15th day of the fifth month following the close of the taxable year.

B. The due date for filing an income tax return with the Department is the date on or before which a return is required to be filed under A.R.S. Title 43 or the last day of the period covered by a filing extension granted by the Department. When the due date falls on Saturday, Sunday, or a legal holiday, the due date for filing the income tax return with the Department is the business day following the Saturday, Sunday, or legal holiday.

C. An income tax return that is placed in the United States mail, properly addressed with postage paid, is deemed filed on the date of the postmark stamped on the envelope. For purposes of this subsection, the terms "United States mail" and "postmark" have the meaning in A.R.S. § 1-218(E).

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 2885, effective June 13, 2001 (Supp. 01-2).

R15-2A-104. Returns Filed by Persons Outside the United States

A. If a taxpayer is outside the United States and is unable to file an Arizona individual income tax return or perform any act required by A.R.S. Title 43, the taxpayer may request that the Department disregard the period in which the taxpayer was unable to comply by filing a written request with the Department within 30 days after returning to the United States that:
1. Explains the reasons why the taxpayer was unable to file the income tax return or perform the required act,
2. Indicates the time period in which the taxpayer was unable to file the income tax return or perform the required act, and
3. Includes the income tax return and any applicable tax payment.

B. The taxpayer shall mail the request required under subsection (A) to the Arizona Department of Revenue, Out-of-Country Waiver, 1600 West Monroe, Phoenix, Arizona 85007.

C. The Department may extend the request period under subsection (A) if circumstances exist that prevent the taxpayer from filing the request within the 30-day period.

D. A taxpayer may request an extension to file the income tax return required in subsection (A)(3) if:
1. The other requirements in subsection (A), including payment of the estimated tax due, are met, and
2. The taxpayer provides documentation of the taxpayer's inability to file the income tax return by the 30-day requirement.

E. If the Department determines that it was impossible or impracticable for the taxpayer to timely file an income tax return or perform the required act, the Department shall relieve the taxpayer from the interest and penalties accruing from the failure to file a timely return or perform the required act.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 2885, effective June 13, 2001 (Supp. 01-2).

ARTICLE 2. GENERAL ACCOUNTING PROVISIONS

R15-2A-201. Repealed

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Repealed by final rulemaking at 7 A.A.R. 2885, effective June 13, 2001 (Due to clerical error Section not shown as repealed until Supp. 08-4).

R15-2A-202. Items not Deductible in Computing Taxable Income

A. Personal and family expenses. Insurance paid on a dwelling owned and occupied by a taxpayer is a personal expense and not deductible. Premiums paid for life insurance by the insured are not deductible. In the case of a professional man who rents a property for residential purposes but incidentally receives clients, patients, or caller there in connection with his professional work (his place of business being elsewhere), no part of the rent is deductible as a business expense. However, if he uses part of the house for his office, such portion of the rent as is properly attributable to such office is deductible. If the father is entitled to the services of his minor children, any allowances that he gives them whether said to be in consideration of services or otherwise are not allowable deductions in his return of income. Generally, attorneys' fees paid in a suit for divorce or separate maintenance are not deductible. However, the part of an attorney's fee paid in a divorce or separate

maintenance proceeding that is properly attributable to the production or collection of amounts of includible in gross income is deductible. Amounts paid as alimony or allowance for support on divorce or separation are not deductible except as otherwise provided. The cost of equipment of an Army officer to the extent only that it is especially required by his profession and does not merely take the place of articles required in civilian life is deductible. Accordingly, the cost of a sword is an allowable deduction, but the cost of a uniform is not. See Section 43-1049 for deduction of extraordinary medical expenses including amounts paid for accident or health insurance.

B. Amounts allocable to non-includible income

1. Class of non-includible income
   a. This Section applies to income that is not required to be included in Arizona adjusted gross income or Arizona taxable income. Examples of such non-includible income would be interest exempt from the Arizona income tax by the Constitution or federal or state law, or the income of a corporation which was derived from sources outside this state. The fact that a person's otherwise taxable income may be reduced by allowable deductions and personal exemptions will not render such income subject to this provision.
   b. The object is to segregate non-includible income from the taxable income in order that a double exemption may not be obtained through the reduction of taxable income by expenses and other items incurred in the production of items of non-includible income. Accordingly, just as certain items of income are excluded from the computation of Arizona gross income and Arizona taxable income by Sections 43-1022 and 43-1122, Section 43-961 excludes from the computation of deductions all items referable to the production of non-includible income as above defined.
2. Determination of amounts allocable to a class of exempt income
   a. No deduction may be allowed for the amount of any item or part thereof allocable to a class or classes of exempt income, or other income not includible in Arizona adjusted gross income or Arizona taxable income.

      Example: Expenses paid or incurred for the production or collection of income that is wholly exempt from income taxes such as interest or dividends of a type not includible in gross income are not deductible expenses. Items or parts of such items directly attributable to any class or classes of exempt income shall be allocated to that, and items or parts of such items directly attributable to any class or classes of taxable income shall not be allocated to that.
   b. If an item is indirectly attributable both to taxable income and to non-includible income, a reasonable proportion of it determined in the light of the facts and circumstances in each case shall be allocated to each. Apportionments must in all cases be reasonable.
3. Statement of items of non-includible incomes-records
   a. A taxpayer receiving any class of non-includible income or holding any property or engaging in any activity the income from which is non-includible shall submit with his return as a part of it an itemized statement in detail showing:
      i. the amount of each class of such non-includible income and
      ii. the amount of items or parts of items allocated to each such class (the amount allocated by apportionment being shown separately) as required by subsection (B)(2) of this subsection.
   b. If an item is apportioned between a class of non-includible income and a class of taxable income, the statement shall show the basis of the apportionment. Such statement shall also recite that each deduction claimed in the return is not in any way referable to non-includible income.

Historical Note

Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2).

SUBCHAPTER B. WITHHOLDING

ARTICLE 1. WITHHOLDING BY EMPLOYER

R15-2B-101. Payment Schedule; Rates; Election by Employee

A. An employer shall determine its Arizona withholding payment schedule for each calendar quarter by calculating the average amount of Arizona income taxes withheld in the 4 preceding calendar quarters. The employer shall calculate this average at the beginning of each calendar quarter by adding the actual amount withheld in each of the 4 preceding calendar quarters and then dividing that sum by 4.

1. If the average amount of Arizona income taxes withheld in the 4 preceding calendar quarters does not exceed $1,500, the employer shall make its Arizona withholding payments on a quarterly basis.
   Example:
   An employer determines its Arizona withholding payment schedule for the 4th calendar quarter of 1999 as follows:

3rd quarter of 1999 withholding	$1,100
2nd quarter of 1999 withholding	$1,600
1st quarter of 1999 withholding	$1,000
4th quarter of 1998 withholding	$1,200
Total withholding	$4,900
Divide by	4
Average withholding	$1,225

   The 4 quarter average of Arizona income taxes withheld does not exceed $1,500. Therefore, the employer shall make its Arizona withholding payments on a quarterly basis.
2. If the average amount of Arizona income taxes withheld in the 4 preceding calendar quarters exceeds $1,500, the employer shall make its Arizona withholding payments at the same time as the employer is required to make its federal withholding deposits.
   Example:
   An employer determines its Arizona withholding payment schedule for the 3rd calendar quarter of 1999 as follows:

2nd quarter of 1999 withholding	$1,800
1st quarter of 1999 withholding	$1,400
4th quarter of 1998 withholding	$1,900
3rd quarter of 1998 withholding	$1,300
Total withholding	$6,400
Divide by	4
Average withholding	$1,600

The 4 quarter average of Arizona income taxes withheld exceeds $1,500. Therefore, the employer shall make its Arizona withholding payments at the same time as its federal withholding deposits.

B. An employer that purchases an existing business shall determine its Arizona withholding payment schedule for each calendar quarter by calculating the average amount withheld in the 4 preceding calendar quarters as follows:

1. For the 1st quarter of withholding, the employer shall calculate the previous owner's average amount of Arizona income taxes withheld in the 4 preceding calendar quarters.
2. For the 2nd through 4th quarters of withholding, the employer shall calculate the average amount withheld in the 4 preceding calendar quarters by combining its prior quarters of withholding with the previous owner's quarters of withholding.
3. For subsequent quarters of withholding, the employer shall add the amounts it withheld in the 4 preceding calendar quarters and then divide that sum by 4.

C. A newly formed business shall determine its Arizona withholding payment schedule as follows:

1. For the 1st quarter of withholding, the employer shall make its Arizona withholding payments on a quarterly basis.
2. For the 2nd quarter of withholding, the employer shall determine its Arizona withholding payment schedule based on the amount withheld in the 1st quarter of withholding.
3. For the 3rd quarter of withholding, the employer shall determine its Arizona withholding payment schedule by adding the amounts withheld in the 1st and 2nd quarters and dividing by 2.
4. For the 4th quarter of withholding, the employer shall determine its Arizona withholding payment schedule by adding the amounts withheld in the 1st, 2nd, and 3rd quarters and dividing by 3.
5. For subsequent quarters of withholding, the employer shall determine its Arizona withholding payment schedule by adding the amounts withheld in the 4 preceding calendar quarters and dividing by 4.

D. If 2 or more employers consolidate their business activities to form 1 entity, the new employer shall determine its Arizona withholding payment schedule based on the combined withholding of the prior employers for the preceding 4 calendar quarters. Any prior employer with fewer than 4 full quarters of withholding activity shall annualize the amounts withheld and divide by 4. The new employer shall determine its Arizona withholding payment schedule by combining this amount with the quarterly averages of the other prior employers with 4 full quarters of withholding activity.

E. The employer shall complete the quarterly reconciliation required by A.R.S. § 43-401 by filing the quarterly tax return prescribed by the Department.

F. For calendar years beginning after December 31, 1997, an employer may make its Arizona withholding payments on an annual basis if all of the following conditions are met:

1. The employer has established a history of withholding activity by filing the quarterly tax return required by subsection (E) for at least the 4 preceding calendar quarters.
2. The employer's withholding liability was an amount greater than zero for at least 1 of the 4 preceding calendar quarters.
3. The average amount of Arizona income taxes withheld by the employer in the 4 preceding calendar quarters does not exceed $200. The employer will meet this average withholding requirement if the total amount withheld in the 4 preceding calendar quarters is $800 or less.
4. The employer has timely filed the quarterly tax return and has timely made its Arizona withholding payments for at least 3 of the 4 preceding calendar quarters.
5. The employer has filed the quarterly tax return for all preceding calendar quarters and does not have a balance due (tax, penalty, or interest) for any preceding calendar quarter.
6. The employer has filed the annual reconciliation tax return required by A.R.S. § 43-412 for all preceding calendar years and has timely filed the annual reconciliation tax return for the preceding calendar year.

G. An employer that makes its Arizona withholding payments on a annual basis under subsection (F), shall file the annual tax return required by A.R.S. § 43-401 on the form prescribed by the Department. The form shall contain all the information required by A.R.S. § 43-412. The employer shall make its annual Arizona withholding payment by February 28 of the year following the year for which the report was made.

H. An employer that makes its Arizona withholding payments on an annual basis under subsection (F), may continue to make its Arizona withholding payments on an annual basis for the succeeding calendar year if both of the following conditions are met:

1. The average amount of Arizona income taxes withheld by the employer in the 4 preceding calendar quarters does not exceed $200.

   Example 1:

   An employer determines whether the average amount of Arizona income taxes withheld in the 4 preceding calendar quarters does not exceed $200 as follows:

4th quarter of 1999 withholding	$200
3rd quarter of 1999 withholding	$200
2nd quarter of 1999 withholding	$250
1st quarter of 1999 withholding	$150
Total withholding	$800
Divide by	4
Average withholding	$200

   The average amount of Arizona income taxes withheld in the 4 preceding calendar quarters does not exceed $200. Therefore, the employer may make its Arizona withholding payments on an annual basis for the succeeding calendar year, if the employer also meets the condition stated in subsection (H)(2).

   Example 2:

   An employer determines whether the average amount of Arizona income taxes withheld in the 4 preceding calendar quarters does not exceed $200 as follows:

4th quarter of 1999 withholding	$200
3rd quarter of 1999 withholding	$400
2nd quarter of 1999 withholding	$250
1st quarter of 1999 withholding	$150
Total withholding	$1,000
Divide by	4
Average withholding	$250

   The average amount of Arizona income taxes withheld in the 4 preceding calendar quarters exceeds $200. Therefore, the employer may not make its Arizona withholding payments on an annual basis for the succeeding calendar year.
2. The employer has timely filed the annual tax return and has timely made its annual Arizona withholding payment as prescribed by subsection (G) for the preceding calendar year.

I. If the employer does not meet the conditions prescribed by subsection (H):
1. The employer shall determine its Arizona withholding payment schedule for succeeding calendar quarters as prescribed by subsection (A); and
2. The employer shall file the quarterly tax return for succeeding calendar quarters as prescribed by subsection (E).

J. An employer shall determine the applicable rate of withholding for each employee as follows:
1. If an employee whose annual compensation is less than $15,000 elects the minimum withholding rate, that rate shall apply until 1 of the following situations occurs:
   a. Until the employee has 12 full months of work history with the employer, the employer shall determine the employee's annualized compensation at the end of each month. The employer may use any method of annualization that accurately reflects the employee's annual compensation. If the employer determines that the employee's annualized compensation is $15,000 or more, the employer shall adjust the employee's rate of withholding beginning the next full pay period following the determination. The employer shall adjust the rate to the minimum rate prescribed by A.R.S. § 43-401, unless the employee elects a higher prescribed rate of withholding for the employee's annual compensation. The employer shall apply the minimum rate of withholding until the employee has been employed for 12 full months, unless the employee elects a higher prescribed rate of withholding for the employee's annual compensation. After 12 full months of employment, the employer shall determine the rate under subsection (J)(1)(b);
   b. If the employee has 12 full months of work history with the employer, the employer shall determine the employee's total compensation for the 12-month period. If the records for that period show that the employee earned $15,000 or more, the employer shall adjust the rate of withholding beginning the next full pay period following the determination. The employer shall adjust the rate to the minimum rate prescribed by A.R.S. § 43-401, unless the employee elects a higher prescribed rate of withholding for the employee's annual compensation. The employer shall apply this rate of withholding through the end of the calendar year, unless the employee elects a higher prescribed rate of withholding for the employee's annual compensation. At the end of that calendar year and at the end of each succeeding calendar year, the employer shall redetermine the employee's total annual compensation. If the employee's annual compensation for the preceding year changes the employee's rate of withholding, the rate change shall begin the next full pay period following the determination; or
   c. If the employee receives a salary increase that makes the employee's annualized compensation $15,000 or more, the employer shall adjust the employe's rate of withholding to the minimum rate prescribed by A.R.S. § 43-401, beginning the next full pay period following the receipt of the increase by the employee.
2. An employee who has elected a withholding rate higher than the minimum prescribed withholding rate may later elect to reduce the rate to a lower prescribed rate for the employee's annual compensation.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2).

R15-2B-102. Employment Excluded from Withholding

A. An employer shall not withhold Arizona income taxes from:
1. Wages paid to an employee of a common carrier when that employee is a nonresident of Arizona and regularly performs services inside and outside the state.
2. Wages paid for domestic service in a private home. Generally, service of a household nature in or about a private home includes services rendered by cooks, maids, butlers, valets, housekeepers, gardeners, caretakers, companions, child-care providers (baby-sitter, governess, nanny), grooms, and chauffeurs of automobiles for family use. If the home is used primarily for the purpose of supplying board or lodging to the public as a business enterprise, it ceases to be a private home. The compensation paid for the services listed above is not exempt from withholding if performed in or about rooming or lodging houses, boarding houses, clubs, hotels, motels, bed-and-breakfasts, hospitals, charitable institutions, or commercial offices or establishments. Services that are not ordinarily part of household duties and that involve the use of skilled or specialized training are not domestic services. Compensation paid for services performed as a private secretary even though performed in the employer's home is not exempt from withholding.
3. Wages paid by employers for casual labor not in the course of the employer's trade or business. "Casual labor not in the course of the employer's trade or business" means services that do not promote or advance the trade or business of the employer. The term does not include services performed for a corporation. For example, casual labor includes the labor performed by a carpenter employed by an individual to do incidental work on the individual's house. If that individual employed a carpenter to do incidental work in a factory operated by the individual, the work would be in the course of the individual's trade or business. The compensation paid for that labor is not exempt from withholding. Seasonal employment of sales clerks during any peak sales periods of a business is subject to withholding.
4. Wages paid for part-time or seasonal agricultural labor. Wages paid to part-time or seasonal employees whose services to the employer consist solely of labor in connection with the planting, cultivating, harvesting, or field packing of seasonal agricultural crops are not subject to withholding. Wages paid to employees whose principal duties are to operate any mechanically driven device in these agricultural operations are subject to withholding. An employee is part-time or seasonal agricultural employee if:
   a. The employer hires the employee to help in 1 of the steps in the development of a seasonal agricultural crop;
   b. The employee does not perform any other services for the same employer; and
   c. The employee understands, at the date of employment, that the employee's job will end on or before the completion of that step.

B. Wages paid to a nonresident of Arizona engaged in any phase of motion picture production are not subject to withholding if the employee qualifies for a credit for taxes paid to the

employee's state of residency or domicile. Before payment of the wages is due, the employer shall apply for an exemption by having the employee complete the withholding exemption certificate prescribed by the Department. The employer shall submit the completed certificate for each employee with the next quarterly return required by R15-2B-101(E).

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Correction to manifest typographical error, under subsection R15-2B-102(A)(2), "used" corrected to "use' as adopted at 5 A.A.R. 3766 (Supp. 08-4).

ARTICLE 2. WITHHOLDING AS PAYMENT OF TAX FOR EMPLOYEE

R15-2B-201. Refund of Excess Withholding
If a refund for an overpayment of income tax withheld is payable to a deceased taxpayer, the surviving spouse or other claimant shall attach the form prescribed by the Department to the deceased taxpayer's income tax return to establish the claimant's right to the refund.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2).

SUBCHAPTER C. INDIVIDUALS

ARTICLE 1. PAYMENT AND COLLECTION OF TAX

R15-2C-101. Payment of Estimated Income Tax by Individuals

A. Individual taxpayers subject to Arizona income tax who reasonably expect to have Arizona gross income of more than $75,000.00 in the current tax year or had Arizona gross income of more than $75,000.00 in the preceding tax year are subject to the provisions in this rule. For tax years ending on or before 12/31/92, the requirement to make estimated payments is based on Arizona gross income of more than $100,000.00.
1. The requirement to make estimated tax payments is based on the Arizona gross income of each individual taxpayer.
2. All taxpayers, whether classified as a nonresident or a resident, shall be subject to the estimated payment requirements.
3. Nonresidents shall use the definition of Arizona gross income pursuant to A.R.S. § 43-1091 for purposes of determining if estimated tax payments are required.
4. Individual taxpayers, moving into or out of Arizona during a tax year resulting in a change of residency status, shall use the definition of Arizona gross income in A.R.S. § 43-1001, allocated pursuant to A.R.S. § 43-1097, for purposes of determining if estimated tax payments are required for the portion of the year in which they are Arizona residents.

B. In projecting current Arizona gross income, the taxpayer shall use ordinary business care and prudence in determining if Arizona estimated tax payments are required.
1. The reasonableness of the projection of Arizona gross income shall depend on the facts of each case and the burden of proof rests on the taxpayer to substantiate that penalty and interest shall not be imposed for non-payment, late payment, or underpayment of estimated tax.
2. The taxpayer may request a waiver from the requirement to make estimated payments for 1 or more payment periods in the current year by attaching a written statement to the individual's income tax return for that year.
   a. The waiver is available only if the individual taxpayer did not have Arizona gross income over $75,000.00 in the preceding tax year and cannot reasonably project that Arizona gross income for the current year exceeds $75,000.00. ($100,000.00 for tax years ending on or before 12/31/92).
   b. The statement shall include the reason why Arizona gross income could not have reasonably been projected for 1 or more payment periods during the current tax year.

C. Other than as provided in subsection (D), Arizona estimated tax payments shall be paid in 4 equal installments on or before due dates established by the Internal Revenue Code.
1. For purposes of this rule, Arizona withholding shall be considered an estimated payment which is paid equally on each due date, unless the taxpayer establishes otherwise.
2. The sum of Arizona estimated tax payments, when combined with the taxpayer's Arizona withholding for the current year, shall equal the lesser of:
   a. At least 90% of the Arizona tax liability for the current year; or
   b. 100% of the Arizona tax liability, as shown on the personal income tax return for the preceding taxable year. This clause shall apply only if the individual is required to file and does file an Arizona personal income tax return for the preceding taxable year pursuant to the provisions under A.R.S. § 43-301.

D. Those taxpayers qualifying under the following circumstances may make Arizona estimated tax payments in other than 4 equal installments.
1. There shall be no requirement to make the 4th estimated tax payment if the taxpayer files an Arizona tax return, covering a calendar year, on or before January 31 of the year following the tax year or, for a fiscal year taxpayer, on or before the last day of the month following the close of the fiscal year, and the taxpayer pays in full the amount stated on the return as payable.
2. An individual who reports as a farmer or fisherman on the federal income tax return is only required to make 1 installment for a taxable year. The due date for such installment shall be January 15th of the year following a calendar tax year or the 15th day of the 1st month after the end of a fiscal year. There shall be no requirement to make this payment if, on or before March 1 of the year following a calendar tax year or on or before the 1st day of the 3rd month after the end of a fiscal year, the taxpayer files an Arizona income tax return for the tax year and pays in full the amount stated on the return as payable.
3. An individual who elects to be treated as a nonresident alien on the federal income tax return may make 3 estimated payments.
   a. Payment shall be made on or before due dates established by the Internal Revenue Code.
   b. The amount of the 1st required payment shall be 50% of the total estimated tax liability for the tax year. The 2nd and 3rd payments shall each be 25% of the total estimated tax liability.
4. A taxpayer may be able to reduce the amount of 1 or more required installments if income is not received evenly throughout the tax year. A taxpayer who uses the annualization method for determining the amount of the required installments on the federal individual income tax return may also use the annualization method on the Arizona personal income tax return. A taxpayer electing to use the annualization method for Arizona purposes shall use the method as delineated on the Arizona return and in the accompanying instructions. If the taxpayer elects to

use the annualization method for 1 due date in a tax year, the taxpayer shall use that method for all due dates for that tax year.

5. A taxpayer, due to the provisions in subsection (B) of this rule, may not be required to make 4 equal payments of estimated tax. Such a taxpayer shall be liable for the payment of estimated tax beginning no later than the 1st due date after the taxpayer establishes that the Arizona gross income requirement is applicable.
   a. If the taxpayer is 1st liable for the payment of estimated tax beginning in the 2nd payment period, such payment shall equal 50% of the total liability for the current tax year. If the liability occurs in the 3rd payment period, such payment shall equal 75% of the total liability for the current tax year. Subsequent payments shall equal 25% each.
   b. The total of these payments shall equal the amount pursuant to subsection (C) of this rule.

E. Effective 7/17/93, a penalty shall be assessed on the underpayment amount for each payment period pursuant to A.R.S. § 42-136(O). The underpayment amount is the difference between the estimated payment required to be made and the estimated payment actually paid. Penalty and interest shall be assessed for each underpayment amount for the number of days that amount remains unpaid.

1. For the purpose of computing penalty and interest, a payment shall be applied to the quarter designated by the taxpayer regardless of any outstanding underpayment balance on an earlier installment. Any overpayment of the quarterly amount shall be applied to outstanding estimated payment balances, beginning with the oldest outstanding balance, unless otherwise designated by the taxpayer.
2. Penalty and interest, on late payment, non-payment or underpayment amounts of estimated tax, shall stop accruing at the earlier of the date of payment of the underpaid amount or of the original due date of the income tax return for the tax year in which the estimated payment is required.

F. Payments of estimated tax shall be made by check, cashier's check, certified check, money order, U.S. currency, or by the application of an overpayment from a prior tax return.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2).

ARTICLE 2. ADDITIONS TO ARIZONA GROSS INCOME

R15-2C-201. Additions to and Subtractions from Arizona Gross Income

The starting point in calculating Arizona adjusted gross income is federal adjusted gross income calculated under the Internal Revenue Code. The taxpayer shall make additions to or subtractions from Arizona gross income under A.R.S. §§ 43-1021 and 43-1022 to calculate Arizona adjusted gross income.

Historical Note

R15-2C-211. Amounts Already Deducted
A taxpayer shall not deduct the same expense twice in computing Arizona taxable income.

1. If a taxpayer includes an expense item in determining the current year's federal adjusted gross income or federal taxable income for the taxable year, the taxpayer shall not include that expense item a second time in determining Arizona taxable income for the same taxable year.
2. If a taxpayer deducted an expense item in an Arizona individual income tax return and deducts the expense item again in a subsequent return in computing either federal adjusted gross income or Arizona taxable income, the taxpayer shall add back the expense item to determine Arizona adjusted gross income.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 2889, effective June 13, 2001 (Supp. 01-2).

ARTICLE 3. SUBTRACTIONS FROM ARIZONA GROSS INCOME

R15-2C-301. Retirement Benefits, Annuities, Pensions
An individual is allowed to subtract up to $2,500.00 per taxable year from Arizona gross income for income received from sources as delineated in A.R.S. § 43-1022(2)(a) and (b).

1. An individual receiving income from more than 1 such source shall only subtract a total of $2,500.00 for all such income received during the taxable year.
2. The amount allowed as a subtraction is calculated per individual. The allowable subtraction for a married-filing- joint return when both spouses receive income from 1 or more such sources is determined based on the actual amount of income which is received by each individual but not to exceed $2,500.00 per individual.
3. The aggregate subtraction allowed for purposes of individuals filing married-filing-separate returns shall not exceed the limitations as delineated in this rule.

R15-2C-304. Expired

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 2889, effective June 13, 2001 (Supp. 01-2). Section expired under A.R.S. § 41-1056(J) at 23 A.A.R. 1044, effective April 11, 2017 (Supp. 17-2).

R15-2C-305. Social Security and Railroad Retirement Benefits

A. Under A.R.S. § 43-1022, a taxpayer shall subtract from Arizona gross income the amount of Social Security and Tier 1 Railroad Retirement benefits taxable under Internal Revenue Code § 86 that is included in federal adjusted gross income.

B. In accordance with 45 U.S.C. 231(m), a taxpayer shall subtract from Arizona gross income the amount of benefits provided under the Railroad Retirement Act of 1974 that is included in federal adjusted gross income and not subtracted under subsection (A).

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 2889, effective June 13, 2001 (Supp. 01-2).

R15-2C-306. Income Previously Recognized
A taxpayer shall not include the same income item twice in computing Arizona taxable income.

1. If a taxpayer includes an income item in determining federal adjusted gross income or federal taxable income for a taxable year, the taxpayer shall not include that income a second time in determining Arizona taxable income for the same taxable year.
2. If a taxpayer included an income item in an Arizona income tax return and includes the same income item again in the computation of either federal adjusted gross income or Arizona taxable income in a subsequent return, the taxpayer shall subtract the income item included for the second time in the subsequent return to determine Arizona adjusted gross income.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 2889, effective June 13, 2001 (Supp. 01-2).

R15-2C-307. Exemption for Blind Persons

A. If both a husband and wife are blind or partially blind and they elect to file a joint return, they may claim a total of 2 exemptions under A.R.S. § 43-1023(A). For purposes of this Section, "partially blind" means an individual whose vision is no better than 20/200 in the better eye with correcting lenses or who has a field of vision of 20 degrees or less.

B. If a taxpayer or the taxpayer's spouse dies during the taxable year and the decedent was blind or partially blind on the date of death, the decedent is eligible for the exemption under A.R.S. § 43-1023(A).

C. If a taxpayer or the taxpayer's spouse for whom the taxpayer is claiming an exemption under A.R.S. § 43-1023(A)(2) is partially blind on the last day of the taxable year, the taxpayer shall obtain a statement from a licensed optometrist or a physician skilled in diseases of the eye. The taxpayer shall keep the statement for the taxpayer's records. The statement shall certify that the person claiming the exemption or on whose behalf the exemption is claimed:

1. Has vision no better than 20/200 in the better eye with correcting lenses, or

2. Has a field of vision of 20 degrees or less.

D. If the taxpayer's vision is not likely to improve beyond the condition listed in subsection (C), the taxpayer may obtain a statement certified by a licensed optometrist or a physician skilled in diseases of the eye to this effect instead of the annual statement required under subsection (C). The taxpayer shall keep the statement for the taxpayer's records.

ARTICLE 5. CREDITS

R15-2C-501. Expired

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 11 A.A.R. 2441, effective August 6, 2005 (Supp. 05-2). Section expired under A.R.S. § 41-1056(J) at 23 A.A.R. 3427, effective November 14, 2017 (Supp. 17-4).

R15-2C-502. Property Tax Credit

A. The following definitions apply for purposes of this Section:
1. "Adjusted gross income" means the sum of all income not specifically excluded in A.R.S. § 43-1072 whether or not subject to Arizona income tax, except those items that A.R.S. § 43-1072 specifically includes in income.
2. "Member of the household" means a claimant and any other person residing with the claimant in the homestead during the taxable year, whether or not the person is related to, or a dependent of, the claimant.

B. Household income determines eligibility for, and amount of, a property tax credit. A claimant shall arrive at household income by combining the separately determined income of each member of the household.

C. For purposes of arriving at adjusted gross income for each member of the household, all of the following apply:
1. Income from business or farm activities is net income or loss from business or farm activities, determined in the same manner as income or loss reportable for federal income tax purposes;
2. Income from rents or royalties is gross income from rent or royalty activities less deductions, determined in the same manner as income or loss reportable for federal income tax purposes; and
3. Income from capital gains is the net capital gains and losses for each member of the household. Net losses are limited to $1,500 for each household member.

D. There shall be only one claimant under this Section per household per year.

E. If a claimant files a property tax credit claim, the claimant shall attach the following documents to the claim, as applicable:
1. If the claimant owns a home, a copy of the property tax statement indicating the amount of taxes paid for the tax year, the property tax bill stamped "paid," or copies of cancelled checks for taxes paid and a copy of the property tax bill;
2. If the claimant is a resident of a nursing home or a renter, a copy of the completed Arizona Form 201;
3. If the claimant owns a mobile home and pays rent on the mobile home space, a copy of the completed Arizona Form 201 and a copy of the property tax statement indicating the amount of taxes paid on the mobile home for the tax year, the property tax bill stamped "paid," or copies of cancelled checks for taxes paid and a copy of the property tax bill;
4. If the claimant is a shareholder of a cooperative corporation or a condominium association, a statement of the claimant's pro rata share of the assessed property taxes for the tax year and a copy of either:
   a. The mortgage company statement of the corporation or association indicating the total amount of property taxes paid for the tax year; or
   b. A copy of the tax bill of the corporation or association stamped "paid;" or
5. If the claimant received Title 16 Supplemental Security Income payments, a statement from the Social Security Administration indicating the amount of payments for the current tax year.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 11 A.A.R. 2441, effective August 6, 2005 (Supp. 05-2).

R15-2C-503. Renewable Energy Production Tax Credit

A. For each year for which an owner of a qualified energy generator plans to claim a renewable energy production tax credit, the owner shall file one of the following applications:
1. An initial application in accordance with subsection (B) for:
   a. Energy produced in 2011 for which an owner of a qualified energy generator plans to claim a credit on the 2011 tax return filed in 2012, and
   b. Energy produced after 2011 for which an owner of a qualified energy generator did not have a place on the prior year's Credit Authorization List for the renewable energy production tax credit under A.R.S. § 43-1083.02(G).
2. A renewal application in accordance with subsection (C) for an owner of a qualified energy generator that did have a place on the prior year's Credit Authorization List for the renewable energy production tax credit under A.R.S. § 43-1083.02(G).

B. An initial application shall include the following information:
1. The information required by A.R.S. § 43-1083.02(F).

2. The business structure of the applicant.
3. If the credit will be passed through to shareholders or partners, a list including the name, taxpayer identification number, and ownership percentage of each shareholder or partner. If the tax year end is other than December 31, and the shareholders or partners, or ownership percentages change, the applicant shall update the list for the tax year end by the due date of the applicant's Arizona return, including extensions.
4. The applicant's tax year end.
5. The name of the contact person, his or her title, telephone number and fax number.
6. If the applicant has any affiliates or subsidiaries, a list of the affiliates and subsidiaries, including the name, address, taxpayer identification number, and percentage of ownership. The applicant may substitute a federal Form 851, or other federal form with the required information, for this list.
7. Self-assigned name or identification number of the qualified energy generator.
8. Assessor's parcel number or numbers of the land on which the qualified energy generator is located or, if not available, the legal description.
9. The centrally valued property tax identification number for the personal property on the land.
10. The type of qualified energy resource used to generate electricity. If the qualified energy resource is biomass, the type of biomass.
11. The generating capacity of the qualified energy generator.
12. The number of kilowatt-hours of electricity produced for the calendar year.
13. Printouts for the calendar year from the production meter located at the qualified energy generator that:
    a. Measures the output from the qualified energy generator, and
    b. Provides the output information to a grid-tied energy management system.
14. A signed affidavit in which the applicant states that the information contained in the application is true and correct under penalty of perjury and that the qualified energy generator for which the applicant is claiming the credit did not produce electricity prior to 2011.

C. A renewal application shall include the information required by subsections (B)(1) through (6) and (B)(12) through (14). In addition, where the information required by subsections (B)(7) through (11) has changed since the prior year's application, the applicant shall provide the new information on the renewal application.

D. Copies of invoices or receipts from the electricity purchaser, verifying kilowatt-hours sold, shall be made available to the Department upon request.

E. If an owner owns more than one qualified energy generator, the owner shall submit a separate application for each qualified energy generator.

F. Each application shall be mailed separately in its own envelope by United States Postal Service Express Mail to: Arizona Department of Revenue, Renewable Energy Production Tax Credit Program, P.O. Box 25248, Phoenix, AZ 85002. Notwithstanding A.R.S. § 1-218(E)(1), the Department shall not accept applications through any other delivery method for purposes of this Section and A.R.S. § 43-1083.02.

G. For each initial application received in accordance with subsections (B) and (F), the Department shall assign a priority placement number that reflects the date and time on the Express Mail label, without regard to which time zone mailing took place.

H. If the Department receives more than one initial application in accordance with subsection (G) that it would assign the same priority placement number based on date and time on the Express Mail label, then the order received shall be determined by a random drawing of affected applications.

I. If the Department denies an application or approves a smaller amount of credit than the amount requested on the application, the Department's decision is an appealable agency action as defined in A.R.S. § 41-1092(3) and the applicant may appeal the decision under subsection (J) and A.R.S. Title 41, Chapter 6, Article 10.

J. To appeal a decision made under subsection (I), the applicant shall file a petition, in accordance with A.A.C. R15-10-105(B) and A.R.S. § 41-1092.03(B), within 30 days of receipt of the Department's decision.

K. For each decision made under subsection (I), the Department shall reserve the portion of the cap that the applicant would have been entitled to if the Department had approved the application in full, up to the generator cap limit, until the applicant waives or exhausts the appeal rights in subsection (J).

L. For the cap reserved under subsection (K), once the applicant waives or exhausts the appeal rights in subsection (J), the Department shall certify the cap to the next eligible applicant on the Credit Authorization List, until the full cap is certified.

M. In addition to the definitions provided in A.R.S. § 43-1083.02, unless the context provides otherwise, the following definitions apply to this Section and to implementation of A.R.S. § 43-1083.02:
1. "Cap" means the annual tax credit limit of $20 million in A.R.S. §§ 43-1164.03(G) and 43-1083.02(G).
2. "Generator cap" means the annual tax credit limit of $2 million per qualified energy generator in A.R.S. §§ 43-1164.03(G) and 43-1083.02(G).

Historical Note

New Section made by final rulemaking at 18 A.A.R. 600, effective April 8, 2012 (Supp. 12-1).

ARTICLE 6. NONRESIDENTS

R15-2C-601. Income of a Non-resident

A. Gross income
1. Non-residents of the state are required to include in the Arizona gross income only that portion of their federal adjusted gross income which is relevant in determining the amount of net income derived from sources within this state.
2. The gross income of a non-resident of the state who is a member of a partnership, pool, or syndicate includes the member's distributive share of the net income of the partnership, pool, or syndicate in addition to any other income from sources within this state to the extent that the member's distributive share is derived from sources within this state.
3. A non-resident beneficiary of an estate or trust must include in gross income, income from the estate or trust which is deductible by the estate or trust and which is derived from sources within this state.

B. Income from sources within this state includes:
1. Income from real or tangible personal property located in this state.
2. Income from a business, trade, or profession carried on within this state.
3. Income from stocks, bonds, notes, bank deposits, and other intangible personal property having a business or taxable situs in this state.
4. Rentals or royalties for the use of or for the privilege of using in this state patents, copyrights, secret processes

and formulas, good will, trade marks, trade brands, franchises, and other like property having a taxable or business situs in this state.

C. Income from real or tangible personal property. Income of a non-resident from sources within this state includes rents from real or tangible personal property in this state, gains realized from the sale or transfer of such property regardless of where the sale or transfer is consummated, and any other type of income derived from the ownership, control, or management of real and tangible personal property located in this state irrespective of whether a trade, business, or profession is carried on within this state.

D. Income from a business, trade, or profession

1. If a non-resident's business, trade, or profession is carried on entirely without the state, no portion of the gross income therefrom should be reported. If, on the other hand, the non-resident's business, trade, or profession is conducted wholly within the state, the entire gross income therefrom must be reported.
2. If the non-resident's business, trade, or profession is conducted partly within and partly without the state, and the part within the state is so separate and distinct from and unconnected with the part without the state that the net income from the part within the state can be determined without regard to the part without the state, only the gross income from the business, trade, or profession within the state should be reported. Thus, if a non-resident operates hotels both in this state and elsewhere for example, he should report only the gross income from the hotels in this state.
3. Unitary business
   a. The gross income from the entire business, trade, or profession must be reported if a business, trade, or profession carried on within this state is an integral part of a unitary business carried on both within and without the state, or if the part within the state is so connected with the part without the state that the net income from the part within the state cannot be accurately determined independently of the part without the state. Thus, if a non-resident engaged in the business of manufacturing and selling goods for example maintains a factory outside this state and sales offices in this state or vice versa, he must report the gross income from the entire business.
   b. The net income from sources within this state subject to the tax imposed by the law should be determined by subtracting from gross income the deductions allowed by the law and by apportioning the remaining net income to sources within and without the state in the manner described in subsection (D)(4).
4. Every non-resident who conducts a business, trade, or profession within and without the state of the character described in subsection (D)(3) should accompany his return with a schedule of statement showing the following:
   a. The total value of real and tangible personal property
      i. Within the state
      ii. Within and without the state
   b. The total wages, salaries, and other compensation paid for personal services performed
      i. Within the state
      ii. Within and without the state
   c. The total gross sales or charges for personal services performed
      i. Within the state
      ii. Within and without the state
   d. "Total gross sales within the state" shall include all sales relating to Arizona business even though the sales may be subject to confirmation at an out-of-state office and even though title may actually pass at some point outside of this state. Such sales shall include all sales where the product sold is to be used in Arizona. The value of real and tangible personal property generally should be determined by taking the average of the value of such property at the beginning of the taxable year and at the end of the taxable year. Only property used in the business, trade, or profession should be included.
   e. Generally, the amount of net income from a business, trade, or profession of the character described in (D)(3) above which is derived from sources within the state may be determined by taking that portion of the total net income equal to the average percentage of subsections (D)(4)(a)(i), (b)(i) and (c)(i) to subsections (D)(4)(a)(ii), (b)(ii) and (c)(ii) respectively as shown by the schedule or statement accompanying the return.
   f. The use of the foregoing factors shall not be exclusive, and, if the Department believes that the net income from sources within this state cannot properly be determined by the above method, it may require additional factors to be used in making the allocation such as purchases or expenses of manufacture. If a non-resident taxpayer believes that the net income from sources within this state cannot properly be determined by the above method, he may employ another method after 1st receiving the consent of the Department.
   g. Wages, salaries and other compensation for personal services performed in this state
      i. The gross income from commissions earned by a non-resident traveling salesman, agent, or other employee for services performed or sales made whose compensation depends directly on the volume of business transacted by him includes that proportion of the compensation received which the volume of business transacted by that employee with this state bears to the total volume of business transacted by him within and without the state.
      ii. Non-resident actors, singers, performers, entertainers, wrestlers, boxers, etc., must include in gross income as income from sources within this state the gross amount received for performances in this state.
      iii. Non-resident attorneys, physicians, account ants, engineers, etc., even though not regularly engaged in carrying on their professions in this state, must include in gross income as income from sources within this state the entire amount of fees or compensation for services performed in this state on behalf of their clients.
      iv. If non-resident employees including officers of corporations but excluding employees mentioned in subsection (D)(4)(g)(i) above are employed continuously in this state for a definite portion of any taxable year, the gross income of the employees from sources within this state includes the total compensation for the period employed in this state.

v. If non-resident employees are employed in this state at intervals throughout the year, as would be the case if employed in operating trains, boats, planes, motor buses, truck, etc., between this state and other states, and foreign countries, and are paid on a daily, weekly, or monthly basis; the gross income from sources within this state includes that portion of the total compensation for personal services which the total amount of working time within this state bears to the total amount of working time both within and without the state. If the employees are paid on a mileage basis, the gross income from sources within this state includes that portion of the total compensation for personal services which the number of miles traversed in this state bears to the total number of miles traversed within and without the state. If the employees are paid on some other basis, the total compensation for personal services must be apportioned between this state and other states and foreign countries in such a manner as to allocate to this state that portion of the total compensation which is reasonably attributable to personal services performed in this state.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Correction to manifest typographical error, under subsection R15-2C-601(D)(4)(d), deleted "0" between "sales" and "within" (Supp. 08-4).

R15-2C-602. Income from Intangible Personal Property

A. Income of non-residents from rentals or royalties for the use of or for the privilege of using patents, copyrights, secret processes and formulas, goodwill, trademarks, trade brands, franchises, and other like property in this state is taxable if such intangible property has a business situs in this state within the meaning of subsection (C) below.

B. Income of non-residents from intangible personal property such as shares of stock in corporations, bonds, notes, bank deposits and other indebtedness is taxable as income from sources within this state only if the property has a situs for taxation in this state. However, if a non-resident buys or sells stocks, bonds, and other such property in this state or places orders with brokers in this state to buy or sell such property regularly, systematically, and continuously as to constitute doing business in this state, the profit or gain derived from such activity is taxable as income from a business carried on here irrespective of the situs of the property for taxation.

C. Business situs of intangible personal property

1. Intangible personal property has a business situs in this state if it is employed as capital in this state or possession and control of the property has been localized in connection with a business, trade, or profession in this state so that the substantial use of the property and the value attached to it become an asset of the business, trade, or profession in this state.

   Example: If a non-resident pledges stocks, bonds, or other intangible personal property in this state as security for the payment of indebtedness, taxes, etc., incurred in connection with a business in this state, the property has a business situs here. Again, if a non-resident maintains a branch office here and a bank account on which the agent in charge of the branch office may draw for the payment of expenses in connection with the activities in this state, the bank account has a business situs here.

2. If intangible personal property of a non-resident has acquired a business situs here, the entire income from the sale thereof is income from sources within this state and is taxable to the non-resident regardless of where the sale is consummated.

D. Transactions in this state extending over a period of less than 6 months shall not constitute doing business within this state.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2).

R15-2C-603. Expired

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 11 A.A.R. 2441, effective August 6, 2005 (Supp. 05-2). Section expired under A.R.S. § 41-1056(J) at 23 A.A.R. 3427, effective November 14, 2017 (Supp. 17-4).

R15-2C-604. Nonresident Members of Professional Athletic Teams

A. The Arizona source income of a nonresident individual who is a member of a professional athletic team includes that portion of the individual's total compensation for services rendered as a member of the professional athletic team during a taxable year which the number of duty days spent within Arizona rendering services for the team in any manner during the taxable year bears to the total number of duty days spent both within and without Arizona during the taxable year. Duty days shall be included in the taxable year in which they occur.

B. Travel days that do not involve a game, practice, team meeting, promotional caravan or other similar team event in Arizona are not considered duty days spent in Arizona. However, these travel days shall be considered in the total duty days spent both within and without Arizona.

C. For purposes of this Section:

1. The term "professional athletic team" includes, but is not limited to, any professional baseball, basketball, football, soccer, or hockey team.
2. The term "member of a professional athletic team" includes employees who are active players, players on the disabled list, and any other persons required to travel and who travel with and perform services for a professional athletic team on a regular basis. This includes, but is not limited to, coaches, managers, trainers, and broadcasters.
3. The term "duty days" includes:
   a. All days during a taxable year from the beginning of a professional athletic team's 1st regular game of the season through the last game in which the team competes or is scheduled to compete except:
      i. If a person joins a team during the period described in subsection (C)(3)(a), the person's duty days shall begin on the day the person joins the team. Conversely, if a person leaves a team during the period described in subsection (C)(3)(a), the person's duty days shall end on the day the person leaves the team. If a person switches teams during the taxable year, a separate duty day calculation shall be made for the period the person is with each team.
      ii. Days for which a member of a professional athletic team is not compensated and is not rendering services for the team in any manner,

including days when the member is suspended without pay and prohibited from performing any services for the team, shall not be treated as duty days.

b. Days that do not fall within the period described in subsection (C)(3)(a) on which a member of a professional athletic team renders a service for a team, except practice days and exhibition games before the 1st regular game of the season (for example, participation in instructional leagues, the "Pro Bowl," or promotional events). Rendering a service includes conducting training after the 1st regular game of the season and rehabilitation activities, but only if conducted at the team facilities.

c. Game days (except exhibition games, practice days, and days spent at team meetings after the 1st regular game of the season), promotional events, and days served with the team through all post-season games in which the team competes or is scheduled to compete.

d. Days on the disability list. However, days for which a member of a professional athletic team is on the disabled list and does not conduct rehabilitation activities at team facilities in Arizona and is not otherwise rendering services for the team in Arizona, shall not be considered duty days spent in Arizona.

e. The provisions of this subsection can be illustrated by the following examples:

Example 1: Player A, a member of a professional athletic team, is a nonresident of Arizona. Player A's contract for the team requires A to report to the team's training camp and to participate in all exhibition, regular season, and playoff games. Player A has a contract that covers seasons that occur during year1/year2 and year2/year3. Player A's contract provides that A receives $500,000 for the year1/year2 season and $600,000 for the year2/year3 season. Assuming player A receives $550,000 from the contract during taxable year 2 ($250,000 for one-half the year1/year2 season and $300,000 for one-half the year2/year3 season), the portion of the compensation received by player A for taxable year 2, attributable to Arizona, is determined by multiplying the compensation player A receives during the taxable year ($550,000) by a fraction, the numerator of which is the total number of duty days player A spends rendering services for the team in Arizona during taxable year 2 (attributable to both the year1/year2 season and the year2/year3 season) and the denominator of which is the total number of player A's duty days spent both within and without Arizona for the entire taxable year.

Example 2: Player B, a member of a professional athletic team, is a nonresident of Arizona. During the season, B is injured and is unable to render services for B's team. While B is undergoing medical treatment at a clinic, which is not a team facility, but is located in Arizona, B's team travels to Arizona for a game. The number of days B's team spends in Arizona for practice, games, meetings, and other activities, while B is present at the clinic, are not considered duty days spent in Arizona for B for that taxable year for purposes of this Section, but the days are included within total duty days spent both within and without Arizona.

Example 3: Player C, a member of a professional athletic team, is a nonresident of Arizona. During the season, C is injured and is unable to render services for C's team. C performs rehabilitation exercises at the team facilities in Arizona as well as at personal facilities in Arizona. The days C performs rehabilitation exercises in the team facilities are duty days spent in Arizona for C for that taxable year for purposes of this Section. However, days C spends at personal facilities in Arizona are not duty days spent in Arizona for C for the taxable year for purposes of this Section, but these days are included within total duty days spent both within and without Arizona.

Example 4: Player D, a member of a professional athletic team, is a nonresident of Arizona. During the season, D travels to Arizona to participate in the annual all-star game as a representative of D's team. The number of days D spends in Arizona for practice, the game, meetings, etc., are duty days spent in Arizona for D for the taxable year for purposes of this Section, as well as being included within total duty days spent both within and without Arizona.

Example 5: Assume the same facts as given in example 4, except that player D is not participating in the all-star game and is not rendering services for D's team in any manner. Instead D is travelling to and attending the game solely as a spectator. The number of days D spends in Arizona for the game are not duty days spent in Arizona for purposes of this Section. However, these days are included within total duty days spent both within and without Arizona.

4. The term "total compensation for services rendered as a member of a professional athletic team" means the total compensation received during the taxable year for services rendered from the beginning of the official pre-season training period through the last game in which the team competes or is scheduled to compete during the taxable year. Total compensation includes compensation received for services that are rendered during the taxable year on a date that does not fall within this period (for example, participation in instructional leagues, the "Pro Bowl," or promotional events).

5. For purposes of subsection (C)(4) total compensation includes, but is not limited to, salaries, wages, bonuses as described in subsection (C)(6), and any other type of compensation paid during the taxable year to a member of a professional athletic team for services performed during the year. Total compensation does not include strike benefits, severance pay, termination pay, contract or option year buy-out payments, expansion or relocation payments, or any other payments not related to services rendered for the team.

6. For purposes of this Section, "bonuses" included in "total compensation for services rendered as a member of a professional athletic team" subject to the allocation described in subsection (A) are:

a. Bonuses earned as a result of play (for example, performance bonuses) during the season, including bonuses paid for championship, playoff or "bowl" games played by the team, or for selection to all-star league or other honorary positions; and

b. Bonuses paid for signing a contract, unless all of the following conditions are met:

i. The payment of the signing bonus is not conditional upon the signee playing any games for

the team, or performing any subsequent services for the team, or even making the team;

ii. The signing bonus is payable separately from the salary and any other compensation; and

iii. The signing bonus is nonrefundable.

D. If it is demonstrated that the method provided under this Section does not fairly and equitably apportion compensation, the Department may allow the member of a professional athletic team to apportion and allocate compensation under an alternative method prescribed by the Department as long as the prescribed method results in a fair and equitable apportionment. A nonresident member of a professional athletic team may submit a proposal for an alternative method to apportion compensation if the nonresident member demonstrates that the method provided under this Section does not fairly and equitably apportion compensation. The proposed method must be fully explained in the nonresident member's Arizona nonresident personal income tax return.

E. This Section is effective January 1, 2001.

Historical Note
New Section adopted by final rulemaking at 6 A.A.R. 4504, effective January 1, 2001 (Supp. 00-4).

R15-2C-605. Nonresident Professional Athletes Who Are Not Team Members

Individual nonresident professional athletes who are not members of a professional athletic team and whose income is event-oriented (for example, golfers, tennis players, boxers, and jockeys) shall allocate to Arizona income earned in Arizona and expenses allowable in arriving at federal adjusted gross income that are allocable to the Arizona source income.

Example: A professional golfer comes into Arizona to compete in a tournament. The golfer wins $150,000 prize money based on success in the tournament. The golfer must report the $150,000 to Arizona as Arizona income. The golfer may subtract expenses that are allowable in arriving at federal adjusted gross income and that are incurred in winning the $150,000.

Historical Note
New Section adopted by final rulemaking at 6 A.A.R. 4504, effective November 7, 2000 (Supp. 00-4).

ARTICLE 7. REPEALED

R15-2C-705. Repealed

Historical Note
New Section made by exempt rulemaking at 7 A.A.R. 5715, effective November 29, 2001 (Supp. 01-4). Repealed by exempt rulemaking at 14 A.A.R. 4249, effective October 24, 2008 (Supp.08-4).

SUBCHAPTER D. CORPORATIONS

ARTICLE 1. GENERAL

R15-2D-101. Definitions

In addition to the definitions provided in A.R.S. §§ 43-104, 43-1101, and 43-1131, the following definitions apply to this Subchapter:

"Allocation" means the assignment of nonbusiness income to a particular state.

"Apportionment" means the division of business income between states by the use of a formula that contains apportionment factors.

"Arizona affiliated group" has the same meaning as prescribed in A.R.S. § 43-947(I).

"Business activity" means transactions and activity occurring in the regular course of a particular trade or business of a taxpayer.

"Combined return" means a corporate income tax return filed by a group of commonly owned corporations or businesses that constitute a unitary business, except that a combined return does not include either a foreign corporation that is not itself subject to a tax imposed by A.R.S. Title 43, or an insurance company that is exempt under A.R.S. § 43-1201.

"Consolidated return" means a corporate income tax return filed by an Arizona affiliated group under A.R.S. § 43-947.

"Employee" means any officer of a corporation; or any individual who, under the usual common-law rules applicable in determining the employer-employee relationship, has the status of an employee.

"Incidental to" means occurring in, or associated with, the normal, typical, or customary operations of the particular trade or business under consideration.

"Sales" means all gross receipts derived by a taxpayer from transactions and activity in the regular course of a trade or business and includes all gross receipts of the taxpayer not allocated under A.R.S. §§ 43-1134 through 43-1138.

"Unitary business" means an entity, group of entities, or components of an entity whose basic operations are substantially integrated and interdependent. The determination of whether an entity, group of entities, or components of an entity constitute a unitary business is made under R15-2D-401.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

ARTICLE 2. ADDITIONS TO ARIZONA GROSS INCOME

R15-2D-201. Repealed

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Section repealed by final rulemaking at 7 A.A.R. 654, effective January 11, 2001 (Supp. 01-1).

ARTICLE 3. SUBTRACTIONS FROM ARIZONA GROSS INCOME

R15-2D-301. Repealed

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Section repealed by final rulemaking at 7 A.A.R. 654, effective January 11, 2001 (Supp. 01-1).

R15-2D-302. Corporate Net Operating Loss

A. The following definitions apply for purposes of this rule:
1. "Arizona adjusted income" means Arizona gross income of the taxpayer adjusted by the additions and subtractions as delineated in A.R.S. Title 43, Chapter 11, Article 3, except as provided in subsections (B) and (E) of this rule.
2. "Arizona gross income" means federal taxable income for the taxable year.
3. "Arizona net operating loss" means Arizona adjusted income which is a negative amount.
4. "Taxable year" means taxable year as defined in statute.

B. In calculating the Arizona net operating loss, the taxpayer shall not include:
1. An Arizona net operating loss carryforward,
2. A net operating loss incurred by the taxpayer prior to doing business in Arizona; or,
3. A net operating loss from a prior period if such loss was incurred by another corporation or group of corporations, prior to a merger, consolidation, or reorganization with the taxpayer, to the extent that Arizona adjusted income, earned after the merger, consolidation, or reorganization, is not attributable to the same entity which incurred the net operating loss.
   a. A net operating loss, incurred by a separate corporation required to file a combined return, may be carried forward against that portion of the combined income which is related to the former separate corporation.
   b. The portion of any combined net operating loss which is related to a separate corporation which is determined to not be includible in the unitary group may be carried forward against income of that corporation computed on a separate basis.
   c. The portion of the combined income or loss which is related to the separate corporation shall be determined by computing a ratio based on the property, payroll, and sales factors of the separate corporation to the combined group's total property, payroll, and sales factors. This ratio shall be multiplied by the combined net income or loss subject to apportionment resulting in the net income or loss attributable to the separate corporation.
   d. If the separate corporation operates both within and without Arizona, the Arizona portion of the separate corporation's income or loss shall be computed by multiplying the income attributable to that separate corporation by the corporation's ratio of Arizona property, payroll, and sales factors to the corporation's total property payroll and sales factors plus any income or loss allocable to Arizona.

C. An Arizona net operating loss may be carried forward to each of the 5 succeeding taxable years of the taxpayer.
1. An Arizona net operating loss, or any part thereof, which is not used during the 5 succeeding taxable years, shall be lost to the taxpayer.
2. A taxpayer shall not carryback an Arizona net operating loss.
3. Arizona net operating loss carryforwards shall be reduced by the amount of Arizona adjusted income incurred in any of the 5 succeeding taxable years.
4. For purposes of determining the 5-year carryforward limitation, each Arizona net operating loss carryover shall be applied separately to Arizona adjusted income in the order in which the Arizona net operating loss was incurred.
5. The aggregate of all Arizona net operating loss carryforwards meeting the 5-year carryforward limitation may be applied to any Arizona adjusted income incurred in a taxable year.

D. A taxpayer claiming an Arizona net operating loss carryforward shall file a statement with the corporate income tax return for the taxable year in which the Arizona net operating loss carryforward is claimed. The statement shall include a detailed schedule showing the computation of the Arizona net operating loss carryforward.

E. In calculating and applying an Arizona net operating loss, a multistate taxpayer shall be subject to:
1. The provisions of A.R.S. Title 43, Chapter 11, Article 4;
2. The statutory provisions regarding the Arizona net operating loss; and
3. The provisions of this rule.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2).

R15-2D-303. Domestic International Sales Corporation (DISC)

A. For purposes of this Section, "DISC" means a corporation that elects to be treated as a DISC under Internal Revenue Code § 992. The Arizona gross income of a DISC is the DISC's federal taxable income computed as if the DISC were a corporation that had not elected to be treated as a DISC. A DISC that meets the combined return filing requirements of R15-2D-401 shall file as part of a combined return unless:
1. The DISC is a foreign corporation that is not subject to Arizona income tax, or
2. The corporation with which the DISC would otherwise be required to file a combined return is a member of an Arizona affiliated group as defined in A.R.S. § 43-947.

B. For purposes of subsections (B) and (C), "deducted amount" means the amount of commissions, rentals, and other amounts paid or accrued to a DISC that is deducted in computing federal taxable income. A corporation that directly or indirectly owns or controls 50% or more of the voting stock of a DISC shall add to Arizona gross income the entire deducted amount, unless either subsection (B)(1) or (B)(2) applies.
1. If the corporation and the DISC file as part of the same Arizona combined return, no addition to Arizona gross income is required.
2. If the DISC is taxable in Arizona and subsection (B)(1) does not apply, the addition to Arizona gross income is the deducted amount minus the quotient of the DISC's Arizona taxable income attributable to the deducted amount divided by the corporation's apportionment ratio computed under A.R.S. § 43-1139. In no case shall the addition to Arizona gross income be less than zero.

Example: Corporation A owns 60% of the voting stock of a DISC. Corporation A has a 50% Arizona apportionment ratio and the DISC has a 10% Arizona apportionment ratio for the taxable year. Corporation A and the DISC are not required to file a combined return. Corporation A pays the DISC commissions of $100,000 and deducts this amount on its federal income tax return. The DISC's Arizona taxable income attributable to the commission is $10,000 ($100,000 x 10%). Therefore, Corporation A's addition to Arizona gross income for the DISC commissions is $80,000 ($100,000 - ($10,000 ÷ .50)).

C. A corporation that deducts the interest charge required under Internal Revenue Code § 995(f) in determining federal taxable income for the taxable year shall add to Arizona gross income the amount of the interest charge deducted, unless subsection (C)(1), (C)(2), or (C)(3) applies.

1. If the corporation and a DISC file as part of the same Arizona combined return for the taxable year in which the corporation reports DISC income related to the interest charge, the corporation shall not add the interest charge to Arizona gross income.
2. If the interest charge is attributable to the deducted amount that the corporation is required to add to Arizona gross income under subsection (B), the corporation shall not add the interest charge to Arizona gross income.
3. If the interest charge is attributable to income of a DISC, the dividends of which are includible in the corporation's Arizona taxable income, the corporation shall not add the interest charge to Arizona gross income.
   Example: Corporation B owns 30% of a DISC that is not a foreign corporation. If the DISC dividends are includible in the Arizona taxable income of Corporation B, the interest charge is not added to Corporation B's Arizona gross income.

D. The Department shall not adjust DISC transactions that comply with the inter-company pricing provisions of Internal Revenue Code § 994.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 2896, effective June 13, 2001 (Supp. 01-2).

R15-2D-304. Expired

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Section expired under A.R.S. § 41-1056(E) at 10 A.A.R. 5220, effective October 31, 2004 (Supp. 04-4).

R15-2D-305. Deferred Exploration Expenses

A. A taxpayer may elect to subtract a ratable portion of deferred exploration expenses added to income under A.R.S. § 43-1121. To make the election, a taxpayer shall attach a statement to the return for the applicable taxable year. The taxpayer shall disclose the following in the statement:

1. The amount of exploration expenses subject to the election; and
2. The name, location, and nature of the ore or mineral deposit to which the election relates.

B. A taxpayer may make an election under this Section at any time before the expiration of the period for filing a claim for credit or refund for the taxable year the election is to be effective. An election made under this Section is binding for the taxable year unless the taxpayer revokes the election to deduct exploration expenses under Internal Revenue Code § 617. If the taxpayer revokes the federal election, the taxpayer shall file Arizona amended income tax returns to reflect the changes in federal taxable income and Arizona taxable income that result from the revocation of the election.

C. Except as provided by subsection (D), a taxpayer shall compute the subtraction for a ratable portion of deferred exploration expenses by using the following formula:

$$A = B \times [C / (C + D)]$$

The above variables are defined as follows:
"A" is the deferred exploration expense subtraction allowable for the taxable year,
"B" is the total deferred exploration expenses reduced by the amount of deferred exploration expenses subtracted in prior taxable years,
"C" is the number of units of ore or mineral sold during the taxable year from the mine or deposit for which the deferred exploration expenses were incurred, and
"D" is the number of units of ore or mineral remaining at the end of the taxable year to be recovered and sold from the mine or deposit for which the deferred exploration expenses were incurred.

D. A taxpayer that has elected to recapture and capitalize exploration expenses under Internal Revenue Code § 617(b)(1)(A) shall reduce the amount computed under subsection (C) by the amount of the federal depletion deducted for the current taxable year that is allocable to the amount of Arizona deferred exploration expenses. A taxpayer shall not reduce the amount computed under subsection (C) to less than zero. A taxpayer shall compute the amount of the federal depletion deduction allocable to the Arizona deferred exploration expenses by multiplying the federal depletion deduction that relates to the mineral interest for which the exploration expenses were incurred by the ratio of the Arizona deferred exploration expenses to the total federal adjusted basis of the mineral interest before any depletion deduction. A taxpayer shall make the computation under this subsection for each subsequent taxable year until the cumulative amount of subtractions for deferred exploration expenses for all taxable years equals the total amount of exploration expenses that were deferred. The amount of the federal depletion deduction allocable to the deferred exploration expenses shall be considered a subtraction of deferred exploration expenses for purposes of computing:

1. The variable B in the formula under subsection (C) for subsequent taxable years,
2. The Arizona adjusted basis under subsection (I), and
3. The cumulative amount of subtractions for deferred exploration expenses.

E. A taxpayer that has elected to recapture and capitalize exploration expenses under Internal Revenue Code § 617(b)(1)(A) and not to defer up to $75,000 of exploration expenses under A.R.S. § 43-1121, shall add to Arizona gross income the amount of federal depletion deducted for the current taxable year that is allocable to the exploration expenses not deferred. A taxpayer shall compute the amount of the federal depletion deduction allocable to the exploration expenses not deferred by multiplying the federal depletion deduction that relates to the mineral interest for which the exploration expenses were incurred by the ratio of the exploration expenses not deferred to the total federal adjusted basis of the mineral interest before any depletion deduction. A taxpayer shall make the adjustment under this subsection for each subsequent taxable year until the cumulative adjustments for all taxable years equal the total amount of exploration expenses not deferred.

F. For purposes of computing the subtraction under subsection (C), a taxpayer shall estimate the number of recoverable units of ore or mineral according to an accepted industry method.

The taxpayer shall revise the estimate if, before the close of the current taxable year, it is determined, as the result of further discovery, development, or operation, that the remaining units are materially greater or less than the units previously estimated. The revised estimate shall be used for the current taxable year and subsequent taxable years until it is determined that another revision is required.

G. A taxpayer that leases an ore or mineral deposit and retains a royalty interest in the ore or mineral deposit may subtract the ratable portion of related deferred exploration expenses as computed under subsection (C).

H. If a taxpayer abandons an ore or mineral interest, the taxpayer may subtract the related unamortized deferred exploration expenses in the taxable year of abandonment. For purposes of this subsection, a taxpayer has abandoned an ore or mineral interest during the taxable year if all of the following conditions exist:

1. The taxpayer has discontinued all operations and activities with respect to the ore or mineral interest.
2. The taxpayer has no intention of exploring, developing, or otherwise using the ore or mineral interest in the future.
3. The taxpayer has no intention of selling, exchanging, or otherwise disposing of the ore or mineral interest.

I. A taxpayer that sells property for which exploration expenses were incurred shall report the difference between the federal adjusted basis of the property and the Arizona adjusted basis of the property in the year of the sale. If the Arizona adjusted basis exceeds the federal adjusted basis, a subtraction from income for the excess is required. If the federal adjusted basis exceeds the Arizona adjusted basis, an addition to income for the excess is required. The Arizona adjusted basis of the property is computed as follows:

1. The federal adjusted basis, plus
2. The exploration expenses added to income under A.R.S. § 43-1121, minus
3. The subtraction from income for the federal exploration expense recapture under A.R.S. § 43-1122, minus
4. The total subtractions from income for deferred exploration expenses allowed under this Section.

J. A taxpayer shall not include the amount of mine exploration expenses that were not deferred under A.R.S. § 43-1121 in computing the subtraction from income for the recapture of mine exploration expenses under A.R.S. § 43-1122.

K. Under A.R.S. § 43-1122, a taxpayer may elect to subtract a ratable portion of deferred exploration expenses related to oil, gas, or geothermal resources. A taxpayer shall make the election and compute the subtraction in the same manner as the election related to ore and mineral property.

Historical Note

Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Section repealed; new Section adopted by final rulemaking at 6 A.A.R. 4105, effective October 4, 2000 (Supp. 00-4).

R15-2D-306. Amortization of Property Used for Atmospheric and Water Pollution Control

A. A taxpayer may elect to amortize, over a 60-month period, the adjusted basis of any device, machinery, or equipment that is certified by the Arizona Department of Environmental Quality as property that collects and controls atmospheric and water pollutants and contaminants at their source. The amortization subtractions allowed for the 60-month period are in lieu of the federal depreciation and amortization related to the pollution control property. The related federal depreciation and amortization deducted in computing federal taxable income is an addition to income under A.R.S. § 43-1121. The adjusted basis for purposes of amortization is the basis for determining depreciation under Internal Revenue Code § 167 on the date the pollution control property is placed in service. The adjusted basis does not include land or buildings.

B. A taxpayer that elects to amortize pollution control property shall include a statement in the original or amended return for the taxable year of election. The taxpayer shall identify in the statement each piece of property subject to the election, the month the property is placed in service, the adjusted basis of the property, and the date of certification by the Arizona Department of Environmental Quality.

C. The amortization period is 60 consecutive months beginning with the month the property is placed in service. If the property is disposed of or retired from service before the end of the 60-month period, the amortization period ends with the month of disposition or retirement. The monthly amortization allowable is computed by dividing the adjusted basis of the property at the beginning of the amortization period by 60. The total amortization subtraction for a particular taxable year is the sum of the amortization for each month of the amortization period that falls within the taxable year.

D. A taxpayer may elect to discontinue the amortization election before the end of the 60-month amortization period.

1. A taxpayer shall include a statement in the original or amended return for the taxable year that the election to discontinue amortization is effective. The taxpayer shall identify in the statement each piece of property for which the election to discontinue amortization applies and the last month of amortization.
2. Generally, a taxpayer is not required to make the addition to income referred to in subsection (A) for the months following the election to discontinue amortization. However, an addition to income is required for the federal depreciation or amortization that exceeds the adjusted basis not previously recovered through depreciation or amortization. For example, a taxpayer elects to discontinue amortization after 48 months. If the property had an adjusted basis of $100,000 at the beginning of the amortization period, the adjusted basis remaining to be recovered is $20,000 ($100,000 minus the previous amortization of $80,000). If federal depreciation for the property is $10,000 per year for 10 years, an addition to income of $10,000 per year is required beginning with the third taxable year following the election to discontinue amortization.

Historical Note

Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Section repealed; new Section adopted by final rulemaking at 6 A.A.R. 4105, effective October 4, 2000 (Supp. 00-4).

R15-2D-307. Amortization of Child Care Facilities

A. The following definitions apply for purposes of amortization of child care facilities under A.R.S. § 43-1130 and this Section:

1. "Child care facility" means a facility as defined under A.R.S. § 36-881.
2. "Employee" means any person employed by a taxpayer that owns a child care facility.
3. "Property" means a child care facility and its related equipment of a character subject to depreciation.

B. For purposes of qualifying for the 24-month amortization period under A.R.S. § 43-1130(B), a child care facility is considered to be primarily for the children of employees of the taxpayer if the required ratio is at least 80% for the taxable

year during which the property is placed in service. The taxpayer shall maintain a required ratio of at least 80% for the subsequent taxable years that include part of the 24-month amortization period.

1. "Required ratio" means:
   a. The total daily attendance of employee children for the taxable year, divided by
   b. The total daily attendance of all children for the taxable year.
2. For purposes of computing the required ratio, the employees of all joint owners of a child care facility are considered to be employees of each of the joint owners.

C. To elect either the 24-month or the 60-month amortization period, a taxpayer shall attach to the income tax return for the taxable year during which the property is placed in service a written statement that contains all of the following information:

1. A clear description of the property.
2. The date of expenditure or the period during which the expenditures were made for the property.
3. The date the property was placed in service.
4. The amount of the expenditure.
5. The amortization period elected.
6. The annual amortization deduction claimed with respect to the property.

D. A taxpayer may make an election under this Section at any time before the expiration of the period for filing a claim for credit or refund for the taxable year that the property is placed in service.

E. A taxpayer may revoke an election made under this Section at any time before the expiration of the period for filing a claim for credit or refund for the taxable year that the property is placed in service. A taxpayer that revokes an election made under this Section shall attach a statement to an amended income tax return for the taxable year that the election was made. The taxpayer shall identify in the statement the property for which the revocation is effective.

F. The amortization period begins with the month the property is placed in service. A taxpayer shall compute the monthly amortization allowable by dividing the cost of the property by the number of months in the amortization period. The total amortization subtraction for a particular taxable year is the sum of the amortization for each month of the amortization period that falls within the taxable year.

1. If the amortization election is terminated as provided under subsection (H), the taxpayer shall prorate the amortization for the month during which the termination occurs, based on the ratio of the number of days in the month that are before the termination date to the total number of days in the month.
2. If a taxpayer qualified for the 24-month amortization in the preceding taxable year and fails to meet the 80% requirement under subsection (B) in the current taxable year, the last month of the preceding taxable year is the final month of amortization.

G. A taxpayer shall treat additions or improvements to an existing item of amortized property as a separate item of property. A taxpayer may treat 2 or more items of property as a single item of property if the items are placed in service within the same month.

H. The amortization election made with respect to an item of property is terminated as of the earliest date on which either of the following occurs:

1. The specific use of the item of property in connection with the operation of a child care facility is discontinued.
2. The child care facility no longer meets applicable requirements in this Section.

I. Under A.R.S. § 43-1121, a taxpayer that elects to amortize child care facility property shall add to Arizona gross income the related federal depreciation or amortization deducted under Internal Revenue Code § 167 or 188. If the Arizona amortization election is terminated, the taxpayer may recover the remaining unamortized cost of the property by reducing the addition to income required under A.R.S. § 43-1121.

1. The amount of the reduction for the taxable year of termination is the amount of the related federal depreciation and amortization allocable to the portion of the taxable year after the termination date.
2. The amount of the reduction for taxable years subsequent to the taxable year of termination is the amount of the related federal depreciation and amortization.
3. The taxpayer may reduce the addition to income in the taxable year of termination and subsequent taxable years until the cumulative reductions equal the unamortized cost of the property.

Historical Note

Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Section repealed; new Section adopted by final rulemaking at 6 A.A.R. 4105, effective October 4, 2000 (Supp. 00-4).

ARTICLE 4. MULTISTATE DIVISION OF INCOME

R15-2D-401. Unitary Business and Combined Returns

A. An entity, group of entities, or components of an entity is not a unitary business for apportionment purposes unless there is actual substantial interdependence and integration of the basic operations of the business carried on in more than one taxing jurisdiction. The potential to operate an entity or a component as part of the unitary business is not dispositive.

B. The determination of whether the operations of a taxpayer constitute a unitary business is based on economic substance and not form. Therefore, a unitary business may consist of part of a corporation, one corporation, or many corporations. If the unitary business consists of more than one corporation, the corporations comprising the unitary business shall file a combined return apportioning the business income of the corporations using a single apportionment formula.

C. The main reason for defining a business as unitary is that its components in various states are so tied together at the basic operational level that it is difficult to determine the state in which profits are earned. Centralized top-level management, financing, accounting, insurance and benefit programs, or overhead functions by a home office are not sufficient for a business to be unitary without further analysis of the basic operations of the components.

D. The following are necessary threshold characteristics for components of an entity, an entity, or a group of entities to be considered a unitary business:

1. The entities comprising the unitary business are owned or controlled, directly or indirectly, by the same interests that collectively own more than 50 percent of the voting stock,
2. The entities or components share common management, and
3. The entities or components have reconciled accounting systems.

E. The presence of the three characteristics listed in subsection (D) is not sufficient for a business to be considered unitary without evidence of substantial operational integration. Factors that indicate operational integration include the following:

1. The same or similar business conducted by components;

2. Vertical development of a product by components, such as manufacturing, distribution, and sales;
3. Horizontal development of a product by components, such as sales, service, repair, and financing;
4. Transfer of materials, goods, products, and technological data and processes between components;
5. Sharing of assets by components;
6. Sharing or exchanging of operational employees by components;
7. Centralized training of operational employees;
8. Centralized mass purchasing of inventory, materials, equipment, and technology;
9. Centralized development and distribution of technology relating to the day-to-day operations of the components;
10. Use of common trademark or logo at the basic operational level;
11. Centralized advertising with impact at the basic operational level;
12. Exclusive sales-purchase agreements between components;
13. Price differentials between components as compared to unrelated businesses;
14. Sales or leases between components; and
15. Any other integration between components at the basic operational level.

F. Not all of the factors listed in subsection (E) need be present in every unitary business.

G. A manufacturing, producing, or mercantile type of business is not a unitary business unless there is a substantial transfer of material, products, goods, technological data and processes, or machinery and equipment between the branches, divisions, subsidiaries, or affiliates.
1. A transfer of 20 percent of the total goods annually manufactured, produced, or purchased as inventory for processing or sale, or both, by the transferor, or 20 percent of the total goods annually acquired for processing or sale, or both, by the transferee is presumptive evidence of a unitary business.
2. A smaller percentage of goods transferred may be indicative of a unitary business if other characteristics indicating substantial operational integration are present.

H. In a unitary service business, the operations of the various components or entities of the business are integrated and interrelated by their involvement with the central office or parent in delivering substantially the same service. The day-to-day operations of the components or entities use the same procedures and technologies that are developed, organized, purchased, or prescribed by the central office or parent. There usually is an exchange of employees among the components or entities and centralized training of employees.

I. A taxpayer may have more than one unitary business. In this case, it is necessary to determine the business income attributable to each separate unitary business. The income of each business is apportioned using an apportionment formula that considers the in-state and out-of-state factors of the business.

J. Generally, a conglomerate composed of diverse businesses is not a single unitary business. However, a line or lines of business within the conglomerate may be a unitary business if the operations of the components of the line or lines are integrated and interrelated.

K. All members of a combined return shall determine income using the same accounting period.
1. If the members of a combined return have different accounting periods, the accounting period to be used by the members shall be determined as follows:
   a. If the combined return includes the common parent corporation, the parent's accounting period is used.
   b. If the combined return does not include the common parent corporation, the accounting period of a member that has a presence in Arizona shall be used. The same group member's accounting period shall be used consistently from year to year.
2. Each member of a combined return that uses an accounting period that is different from the common accounting period determined in subsection (K)(1), shall use one of the following methods to determine the income to be included in the common accounting period:
   a. Determine income and related deductions using actual book or accounting entries for the relevant period.
   b. Determine income based on the number of months falling within the required common accounting period. For example, if one member uses a calendar year, and the common accounting period ends October 31, 1981, the member will include 2/12 of the income for the year ended December 31, 1980, and 10/12 of the income for the year ended December 31, 1981. Estimates may be necessary if this proration method involves a member's year that ends subsequent to the common accounting period.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

R15-2D-402. Repealed

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Section repealed by final rulemaking at 7 A.A.R. 654, effective January 11, 2001 (Supp. 01-1).

R15-2D-403. Taxable in Another State

A. A taxpayer is subject to the allocation and apportionment provisions of A.R.S. §§ 43-1131 through 43-1148 if it has income from business activity that is taxable both within and without this state. A taxpayer's income from business activity is taxable without this state if the taxpayer, by reason of the business activity, is taxable in another state under either one of the two tests specified in A.R.S. § 43-1133. A taxpayer is not taxable in another state with respect to a particular trade or business merely because the taxpayer conducts activities in that other state pertaining to the production of nonbusiness income or business activities relating to a separate trade or business.

B. A taxpayer is "subject to" one of the taxes specified in A.R.S. § 43-1133(1) if it carries on business activities in a state and that state imposes one of the taxes on the taxpayer. Any taxpayer that asserts that it is subject to one of the taxes specified in A.R.S. § 43-1133(1) in another state shall furnish to the Department upon its request evidence to support that assertion. The Department may request that the evidence include proof that the taxpayer has filed the requisite tax return in the other state and has paid any taxes imposed under the laws of the other state. The taxpayer's failure to produce this proof may be taken into account in determining whether the taxpayer is subject to one of the taxes specified in A.R.S. § 43-1133(1) in the other state.
1. A taxpayer that voluntarily files and pays one or more of the taxes specified in A.R.S. § 43-1133(1) when not required to do so by the laws of the other state or pays a

minimal fee for qualification, organization, or the privilege of doing business in that state is not "subject to" one of the taxes specified in A.R.S. § 43-1133(1) if the taxpayer:

a. Does not engage in business activity in that state; or
b. Engages in some business activity, not sufficient for nexus, and the minimum tax bears no relationship to the taxpayer's business activity within that state.

2. The concept of taxability in another state is based upon the premise that every state in which the taxpayer is engaged in business activity may impose an income tax even though every state does not do so. In states that do not impose an income tax, other types of taxes may be imposed as a substitute. Therefore, the Department shall consider only those taxes enumerated in A.R.S. § 43-1133(1) that are basically revenue raising rather than regulatory measures in determining whether the taxpayer is "subject to" one of the taxes in another state.

Example 1: State A requires all nonresident corporations that qualify or register in State A to pay to the Secretary of State an annual license fee or tax for the privilege of doing business in the state regardless of whether the privilege is in fact exercised. The amount paid is determined according to the total authorized capital stock of the corporation; the rates are progressively higher by bracketed amounts. The statute sets a minimum fee of $50 and a maximum fee of $500. Failure to pay the tax bars a corporation from using the state courts for enforcement of its rights. State A also imposes a corporation income tax. Nonresident Corporation X is qualified in State A and pays the required fee to the Secretary of State but does not carry on any business activity in State A (although it may use the courts of State A). Corporation X is not "taxable" in State A.

Example 2: The facts are the same as example one except that Corporation X is subject to and pays the corporation income tax. Payment is prima facie evidence that Corporation X is "subject to" the net income tax of State A and is "taxable" in State A.

Example 3: State B requires all nonresident corporations qualified or registered in State B to pay to the Secretary of State an annual permit fee or tax for doing business in the state. The base of the fee or tax is the sum of outstanding capital stock, and surplus and undivided profits. The fee or tax base attributable to State B is determined by a three-factor apportionment formula. Nonresident Corporation X, which operates a plant in State B, pays the required fee or tax to the Secretary of State. Corporation X is "taxable" in State B.

Example 4: State A has a corporation franchise tax measured by net income for the privilege of doing business in that state. Corporation X files a return based on its business activity in the state but the amount of computed liability is less than the minimum tax. Corporation X pays the minimum tax. Corporation X is subject to State A's corporation franchise tax.

C. A.R.S. § 43-1133(2) applies if the taxpayer's business activity is sufficient to give the state jurisdiction to impose a net income tax by reason of the business activity. Jurisdiction to tax is not present if the state is prohibited from imposing the tax by reason of the provisions of Public Law 86-272, 15 U.S.C.A. §§ 381-384.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4). Correction to manifest typographical error, under subsection R15-2D-403(B), deleted "2" between "A.R.S." and "§" as adopted at 5 A.A.R. 3766 (Supp. 08-4).

R15-2D-404. Apportionment Formula

A. All business income of each trade or business of the taxpayer shall be apportioned to this state by use of the apportionment formula in A.R.S. § 43-1139. The elements of the apportionment formula are the property factor, the payroll factor, and the sales factor of the trade or business of the taxpayer.

B. A unitary business that files a combined return shall use an apportionment formula that combines the property, payroll, and sales figures of all of the unitary group members before calculating the factors.

C. An Arizona affiliated group that files a consolidated return shall use an apportionment formula that combines the property, payroll, and sales figures of all of the members of the Arizona affiliated group before calculating the factors.

D. This Section does not apply to a taxpayer engaged in air commerce that apportions its income in accordance with A.R.S. § 43-1139(B).

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

R15-2D-405. Intercompany Eliminations

Members of a combined or consolidated return shall eliminate intercompany amounts included in the group's income, expense, and apportionment factors when necessary to avoid distortion of the group's Arizona taxable income.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

ARTICLE 5. BUSINESS AND NONBUSINESS INCOME

R15-2D-501. General

A. For purposes of administration, the income of a taxpayer is business income unless clearly classifiable as nonbusiness income.

B. The classification of income by labels, such as manufacturing income, compensation for services, sales income, interest, dividends, rents, royalties, gains, operating income, or nonoperating income, is of no aid in determining whether income is business or nonbusiness income. Income of any type or class and from any source is business income if it arises from transactions and activity occurring in the regular course of a trade or business. Accordingly, the critical elements in determining whether income is "business income" or "nonbusiness income" are the transactions and activity of a particular trade or business. In general, all transactions and activity of a taxpayer that are the result of or incidental to the operations of a particular trade or business of the taxpayer are transactions and activity arising in the regular course of, and constitute integral parts of, a trade or business.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended

by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

R15-2D-502. Rents From Real and Tangible Personal Property

Rental income from real and tangible personal property is business income if the property with respect to which the rental income is received is used in the taxpayer's trade or business or is incidental to the trade or business and is includable in the property factor.

Example 1: The taxpayer operates a multistate car rental business. The income from the car rentals is business income.

Example 2: The taxpayer is engaged in the heavy construction business in which it uses equipment such as cranes, tractors, and earth-moving vehicles. The taxpayer makes short-term leases of the equipment when particular pieces of equipment are not needed on any particular project. The rental income is business income.

Example 3: The taxpayer operates a multistate chain of men's clothing stores. The taxpayer purchases a five-story office building for use in connection with its trade or business. It uses the street floor as one of its retail stores and the second and third floors for its general corporate headquarters. The remaining two floors are leased to others. The rental of the two floors is incidental to the operation of the taxpayer's trade or business. The rental income is business income.

Example 4: The taxpayer operates a multistate chain of grocery stores. It purchases as an investment an office building in another state with surplus funds and leases the entire building to others. The net rental income is not business income of the grocery store trade or business. Therefore, the net rental income is nonbusiness income.

Example 5: The taxpayer operates a multistate chain of men's clothing stores. The taxpayer invests in a 20-story office building and uses the street floor as one of its retail stores and the second floor for its general corporate headquarters. The remaining 18 floors are leased to others. The rental of the 18 floors is not incidental to but rather is separate from the operation of the taxpayer's trade or business. The net rental income is not business income of the clothing store trade or business. Therefore, the net rental income is nonbusiness income.

Example 6: The taxpayer constructed a plant for use in its multistate manufacturing business and 20 years later the plant was closed and put up for sale. The plant was rented for a temporary period from the time it was closed by the taxpayer until it was sold 18 months later. The rental income is business income and the gain on the sale of the plant is business income.

Example 7: The taxpayer operates a multistate chain of grocery stores. It owned an office building that it occupied as its corporate headquarters. Because of inadequate space, the taxpayer acquired a new and larger building elsewhere for its corporate headquarters. The old building was rented to an investment company under a five-year lease. Upon expiration of the lease, the taxpayer sold the building at a gain (or loss). The net rental income received over the lease period is nonbusiness income and the gain (or loss) on the sale of the building is nonbusiness income.

Historical Note

Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

R15-2D-503. Gains or Losses From Sales of Assets

Gain or loss from the sale, exchange, or other disposition of tangible or intangible personal property or real property constitutes business income if the property while owned by the taxpayer was used in the taxpayer's trade or business. However, if the property was used for the production of nonbusiness income or otherwise was removed from the property factor, in accordance with Article 6, before its sale, exchange, or other disposition, the gain or loss constitutes nonbusiness income.

Example 1: In conducting its multistate manufacturing business, the taxpayer systematically replaces automobiles, machines, and other equipment used in the business. The gains or losses resulting from those sales constitute business income.

Example 2: The taxpayer constructed a plant for use in its multistate manufacturing business and 20 years later sold the property at a gain while it was in operation by the taxpayer. The gain is business income.

Example 3: Same as example two except that the plant was closed and put up for sale but was not in fact sold until a buyer was found 18 months later. The gain is business income.

Example 4: Same as example two except that the plant was rented while being held for sale. The rental income is business income and the gain on the sale of the plant is business income.

Example 5: The taxpayer operates a multistate chain of grocery stores. It owned an office building that it occupied as its corporate headquarters. Because of inadequate space, the taxpayer acquired a new and larger building elsewhere for its corporate headquarters. The old building was rented to an unrelated investment company under a five-year lease. Upon expiration of the lease, the taxpayer sold the building at a gain (or loss). The gain (or loss) on the sale is nonbusiness income and the rental income received over the lease period is nonbusiness income.

Historical Note

Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

R15-2D-504. Interest

Interest income is business income if the intangible property with respect to which the taxpayer receives interest arises out of or is created in the regular course of the taxpayer's trade or business operations or if the purpose for acquiring and holding the intangible property is related to or incidental to the trade or business operations.

Example 1: The taxpayer operates a multistate chain of department stores, selling for cash and on credit. The taxpayer receives service charges, interest, or time-price differentials and the like with respect to installment sales and revolving charge accounts. These amounts are business income.

Example 2: The taxpayer conducts a multistate manufacturing business. During the year the taxpayer receives a federal income tax refund and collects a judgment against a debtor of the business. Both the tax refund and the judgment bear interest. The interest income is business income.

Example 3: The taxpayer is engaged in a multistate manufacturing and wholesaling business. In connection with that business, the taxpayer maintains special accounts to cover items such as worker's compensation claims, rain and storm damage, and machinery replacement. The moneys in those accounts are invested at interest. Similarly, the taxpayer temporarily invests funds intended for payment of federal, state,

and local tax obligations. The interest income is business income.

Example 4: The taxpayer is engaged in a multistate money order and traveler's check business. In addition to the fees received in connection with the sale of the money orders and traveler's checks, the taxpayer earns interest income by investing the funds pending their redemption. The interest income is business income.

Example 5: The taxpayer is engaged in a multistate manufacturing and selling business. The taxpayer usually has working capital totaling $200,000 that it regularly invests in short-term, interest-bearing securities. The interest income is business income.

Example 6: In January, the taxpayer sells all of the stock of a subsidiary for $20,000,000. The funds are placed in an interest-bearing account pending a decision by management as to how the funds are to be used. The interest income is nonbusiness income.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

R15-2D-505. Dividends
Dividends are business income if the stock with respect to which the taxpayer receives dividends arises out of or was acquired in the regular course of the taxpayer's trade or business operations or if the purpose for acquiring and holding the stock is related to or incidental to the trade or business operations.

Example 1: The taxpayer operates a multistate chain of stock brokerage houses. During the year, the taxpayer receives dividends on stock that it owns. The dividends are business income.

Example 2: The taxpayer is engaged in a multistate manufacturing and wholesaling business. In connection with that business, the taxpayer maintains special accounts to cover items such as worker's compensation claims, rain and storm damage, and machinery replacement. A portion of the moneys in those accounts is invested in interest-bearing bonds. The remainder is invested in various common stocks listed on national stock exchanges. Both the interest income and any dividends are business income.

Example 3: The taxpayer and several unrelated corporations own all of the stock of a corporation whose business operations consist solely of acquiring and processing materials for delivery to the corporate owners. The taxpayer acquired the stock to obtain a source of supply of materials used in its manufacturing business. The dividends are business income.

Example 4: The taxpayer is engaged in a multistate heavy construction business. Much of its construction work is performed for agencies of the federal government and various state governments. Under state and federal laws applicable to contracts for these agencies, a contractor must have adequate bonding capacity, as measured by the ratio of its current assets (cash and marketable securities) to current liabilities. To maintain an adequate bonding capacity, the taxpayer holds various stocks and interest-bearing securities. Both the interest income and any dividends received are business income.

Example 5: The taxpayer receives dividends from the stock of its subsidiary or affiliate, which acts as the marketing agency for products manufactured by the taxpayer. The dividends are business income.

Example 6: The taxpayer is engaged in a multistate glass manufacturing business. It also holds a portfolio of stock and interest-bearing securities, the acquisition and holding of which are unrelated to the manufacturing business. The dividends and interest income received are nonbusiness income.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

R15-2D-506. Royalties
Patent and copyright royalties are business income if the patent or copyright with respect to which the taxpayer receives royalties arises out of or is created in the regular course of the taxpayer's trade or business operations or if the purpose for acquiring and holding the patent or copyright is related to the trade or business operations. Other royalties and licensing fees are business income if the property or licensing agreement that generates the income arises out of or is created in the regular course of the taxpayer's trade or business operations or if the purpose for acquiring and holding the property or license agreement is related to or incidental to the trade or business operations.

Example 1: The taxpayer is engaged in the multistate business of manufacturing and selling industrial chemicals. In connection with that business the taxpayer obtained patents on certain of its products. The taxpayer licensed the production of the chemicals in foreign countries, in return for which the taxpayer receives royalties. The royalties received by the taxpayer are business income.

Example 2: The taxpayer is engaged in the music publishing business and holds copyrights on numerous songs. The taxpayer acquires the assets of a smaller publishing company, including music copyrights. The taxpayer later uses these acquired copyrights in its business. Any royalties received on these copyrights are business income.

Example 3: The same as example two, except that the acquired company also held the patent on a type of phonograph needle. The taxpayer does not manufacture or sell phonographs or phonograph equipment. Any royalties received on the patent are nonbusiness income.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

R15-2D-507. Proration of Deductions
In most cases an allowable deduction of a taxpayer will be applicable only to the business income arising from a particular trade or business or to a particular item of nonbusiness income. In some cases an allowable deduction may apply to the business incomes of more than one trade or business or to several items of nonbusiness income. In these cases the deduction shall be prorated among the trades or businesses and the items of nonbusiness income in a manner that fairly distributes the deduction among the classes of income to which it applies.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

R15-2D-508. Consistency and Uniformity in Reporting

A. If a taxpayer departs from or modifies the manner in which income has been classified as business income or nonbusiness income, or the manner of prorating any related deduction, in Arizona returns for prior years, the taxpayer shall disclose in the return for the current year the nature and extent of the modification.

B. If the returns or reports filed by a taxpayer for all states to which the taxpayer reports under the Uniform Division of Income for Tax Purposes Act are not uniform in the classification of income as business or nonbusiness income, or the application or proration of any related deduction, the taxpayer shall disclose the nature and extent of the variance upon request by the Department.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

ARTICLE 6. PROPERTY FACTOR

R15-2D-601. General

A. The property factor, as defined in A.R.S. § 43-1140, for each trade or business of a taxpayer includes all real and tangible personal property owned or rented by the taxpayer and used during the tax period in the regular course of the trade or business. The term "real and tangible personal property" includes land, buildings, machinery, stocks of goods, equipment, but does not include coin or currency.

B. A taxpayer shall exclude from the property factor property used in connection with the production of nonbusiness income.

C. Property used both in the regular course of a taxpayer's trade or business and in the production of nonbusiness income is included in the property factor only to the extent the property is used in the regular course of the taxpayer's trade or business. The method of determining that portion of the value to be included in the property factor will depend upon the facts of each case.

D. The property factor includes the average value of property includable in the factor.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

R15-2D-602. Property Used for the Production of Business Income

A. A taxpayer shall include in the property factor property that is used, available for use, or capable of being used during the tax period in the regular course of the taxpayer's trade or business.

B. A taxpayer shall include in the property factor property held as reserves or standby facilities or property held as a reserve source of materials. For example, a plant temporarily idle or raw material reserves not currently being processed are includable in the factor.

C. A taxpayer shall exclude from the property factor property or equipment under construction during the tax period, except inventoriable goods in process, until the property or equipment is used in the regular course of the taxpayer's trade or business. If the property or equipment is partially used in the regular course of the taxpayer's trade or business while under construction, the value of the property to the extent used shall be included in the property factor.

D. Property used in the regular course of the trade or business of the taxpayer remains in the property factor until its permanent withdrawal is established by an identifiable event such as its conversion to the production of nonbusiness income, its sale, or the lapse of an extended period of time (normally, five years) during which the property is held for sale.

Example 1: The taxpayer closes its manufacturing plant in State X and holds the property for sale. The property remains vacant until its sale one year later. The value of the manufacturing plant is included in the property factor until the plant is sold.

Example 2: Same as example one except that the property is rented until the plant is sold. The plant is included in the property factor until the plant is sold.

Example 3: The taxpayer closes its manufacturing plant and leases the building under a five-year lease. The plant is included in the property factor until the lease begins.

Example 4: The taxpayer operates a chain of retail grocery stores. Taxpayer closes Store A, which is then remodeled into three small retail stores such as a dress shop, dry cleaning, and barber shop, which are leased to unrelated parties. The property is removed from the property factor on the date the remodeling of Store A begins.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

R15-2D-603. Property Factor Numerator

The numerator of the property factor is the average value of the real and tangible personal property owned or rented by a taxpayer and used in this state during the tax period in the regular course of the taxpayer's trade or business.

1. Property in transit between locations of the taxpayer to which it belongs is considered to be at its destination for purposes of the property factor.
2. Property in transit between a buyer and seller that is included by a taxpayer in the denominator of its property factor in accordance with its regular accounting practices is included in the numerator according to the state of destination.
3. The value of mobile or movable property such as construction equipment, trucks, or leased electronic equipment that is located within and without this state during the tax period is determined for purposes of the numerator of the property factor on the basis of total time within the state during the tax period.
4. An automobile assigned to a traveling employee is included in the numerator of the property factor of the state to which the employee's compensation is assigned under the payroll factor or in the numerator of the property factor of the state in which the automobile is licensed.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

R15-2D-604. Valuation of Owned Property

A. Property owned by a taxpayer is valued at its original cost. Generally, "original cost" means the basis of the property for federal income tax purposes (before any federal adjustments) at the time of acquisition by the taxpayer and adjusted by subsequent capital additions or improvements to the property and partial disposition of the property, by reason of sale, exchange,

abandonment, or other similar event. However, capitalized intangible drilling and development costs are included in the property factor whether or not they have been expensed for either federal or state tax purposes.

Example 1: The taxpayer acquires a factory building in this state at a cost of $500,000 and, 18 months later, expends $100,000 for major remodeling of the building. The taxpayer files its return for the current taxable year on the calendar-year basis. The taxpayer claims a depreciation deduction in the amount of $22,000 with respect to the building on the return for the current taxable year. The value of the building includable in the numerator and the denominator of the property factor is $600,000; the depreciation deduction is not taken into account in determining the value of the building for purposes of the property factor.

Example 2: During the current taxable year, Corporation X merges into Corporation Y in a tax-free reorganization under the Internal Revenue Code. At the time of the merger, Corporation X owns a factory that it built five years earlier at a cost of $1,000,000. Corporation X has been depreciating the factory at the rate of two percent per year, and its basis to Corporation X, at the time of the merger is $900,000. Because the property is acquired by Corporation Y in a transaction in which, under the Internal Revenue Code, its basis to Corporation Y is the same as its basis to Corporation X, Corporation Y includes the property in its property factor at Corporation X's original cost, without adjustment for depreciation, $1,000,000.

Example 3: Corporation Y acquires the assets of Corporation X in a liquidation by which Corporation Y is entitled to use its stock cost as the basis of the Corporation X assets under Internal Revenue Code § 334(b)(2). Under these circumstances, Corporation Y's cost of the assets is the purchased price of the Corporation X stock, prorated over the Corporation X assets.

B. If the original cost of property is unascertainable, the property is included in the property factor at its fair market value as of the date of acquisition by the taxpayer.

C. Inventory of stock of goods is included in the property factor in accordance with the valuation method used for federal income tax purposes.

D. Property acquired by gift or inheritance is included in the property factor at its basis for determining depreciation for federal income tax purposes.

Historical Note

Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

R15-2D-605. Valuation of Rented Property

A. Property rented by a taxpayer is valued at eight times its net annual rental rate. The net annual rental rate for any item of rented property is the annual rental rate paid by the taxpayer for the property, less the aggregate annual subrental rates paid by subtenants of the taxpayer. Subrents are not deducted when the subrents constitute business income because the taxpayer uses the property that produces the subrents in the regular course of a trade or business of the taxpayer when it is producing the subrent income; accordingly, there is no reduction in its value. If the adjustment for subrents produces a negative or inaccurate value of rented property, the special provisions in R15-2D-902 apply.

Example 1: The taxpayer receives subrents from a bakery concession in a food market operated by the taxpayer. Because the subrents are business income they are not deducted from rent paid by the taxpayer for the food market.

Example 2: The taxpayer rents a five-story office building primarily for use in its multistate business, uses three floors for its offices and subleases two floors to various other businesses and persons such as professionals and shops. The rental of the two floors is incidental to the operation of the taxpayer's trade or business. Because the subrents are business income, they are not deducted from the rent paid by the taxpayer.

Example 3: The taxpayer rents a 20-story office building and uses the lower two stories for its general corporation headquarters. The remaining 18 floors are subleased to others. The rental of the 18 floors is not incidental to but rather is separate from the operation of the taxpayer's trade or business. Because the subrents are nonbusiness income they are deducted from the rent paid by the taxpayer.

B. "Annual rental rate" means the amount paid as rental for property for a 12-month period.

1. If property is rented for less than a 12-month period, the rent paid for the actual period of rental is the "annual rental rate" for the tax period.
2. If a taxpayer has rented property for a term of 12 or more months and the current tax period covers a period of less than 12 months (due, for example, to a reorganization or change of accounting period), the taxpayer shall annualize the rent paid for the short tax period. If the rental term is for less than 12 months, the rent is not annualized beyond its term.

   Example 1: Taxpayer A ordinarily files its returns based on a calendar year and merges into Taxpayer B on April 30. The net rent paid under a lease with five years remaining is $2,500 a month. The rent for the tax period January 1 to April 30 is $10,000. After the rent is annualized the net rent is $30,000 ($2,500 x 12).

   Example 2: Same facts as in example one except that the lease would have terminated on August 31. In this case, the annualized rent is $20,000 ($2,500 x 8).
3. A taxpayer shall not annualize rent when the rental term is on a month-to-month basis.

C. "Annual rent" means the actual sum of money or other consideration payable, directly or indirectly, by a taxpayer or for its benefit for the use of property and includes:

1. Any amount payable for the use of real or tangible personal property, or any part of the property, whether designated as a fixed sum of money or as a percentage of sales, profits, or otherwise.

   Example: A taxpayer, under the terms of a lease, pays a lessor $1,000 per month as a base rental and at the end of year pays the lessor one percent of its gross sales of $400,000. The annual rent is $16,000 ($12,000 plus one percent of $400,000 or $4,000).
2. Any amount payable as additional rent or instead of rents, such as interest, taxes, insurance, repairs, or any other items that are required to be paid by the terms of the lease or other arrangement, not including amounts paid as service charges, such as utilities or janitor services. If a payment includes rent and other charges unsegregated, the

amount of rent is determined by consideration of the relative values of the rent and the other items.

Example 1: A taxpayer, under to the terms of a lease, pays the lessor $12,000 a year rent plus taxes in the amount of $2,000 and interest on a mortgage in the amount of $1,000. The annual rent is $15,000.

Example 2: A taxpayer stores part of its inventory in a public warehouse. The total charge for the year is $1,000 of which $700 is for the use of storage space and $300 for inventory insurance, handling and shipping charges, and C.O.D. collections. The annual rent is $700.

D. "Annual rent" does not include:

1. Incidental day-to-day expenses, such as hotel or motel accommodations and daily rental of automobiles; and
2. Royalties based on extraction of natural resources, whether represented by delivery or purchase. For purposes of this subsection, a royalty includes any consideration conveyed or credited to a holder of an interest in property that constitutes a sharing of current or future production of natural resources from the property, irrespective of the method of payment or how the consideration may be characterized, whether as a royalty, advance royalty, rental, or otherwise.

E. For purposes of the property factor, leasehold improvements are treated as property owned by a taxpayer regardless of whether the taxpayer is entitled to remove the improvements or the improvements revert to the lessor upon expiration of the lease. The original cost of leasehold improvements are included in the property factor.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

R15-2D-606. Averaging of Monthly Property Values

The Department may require or allow averaging of monthly values if that method is required to properly reflect the average value of a taxpayer's property for the tax period. The Department shall not require the averaging of monthly values if that method has a de minimis effect on a taxpayer's Arizona tax liability for the tax period.

1. Averaging of monthly values will generally be required if substantial fluctuations in the values of the property exist during the tax period or if property is acquired after the beginning of the tax period or disposed of before the end of the tax period.
   Example: The monthly value of the taxpayer's property is as follows:

January	$2,000	July	$15,000
February	$2,000	August	$17,000
March	$3,000	September	$23,000
April	$3,500	October	$25,000
May	$4,500	November	$13,000
June	$10,000	December	$2,000
Subtotal	$25,000	Subtotal	$95,000
		Total	$120,000

   The average monthly value of the taxpayer's property includable in the property factor for the income year is $10,000 (120,000 divided by 12).
2. Rented property is averaged by determining the net annual rental rate of the property.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

R15-2D-607. Consistency and Uniformity in Reporting

A. If a taxpayer departs from or modifies the manner of valuing property, or of excluding or including property in the property factor, used in Arizona returns for prior years, the taxpayer shall disclose in the return for the current year the nature and extent of the modification.

B. If the returns or reports filed by a taxpayer with all states to which the taxpayer reports under the Uniform Division of Income for Tax Purposes Act are not uniform in the valuation of property or in the exclusion or inclusion of property in the property factor, the taxpayer shall disclose the nature and extent of the variance upon request by the Department.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

ARTICLE 7. PAYROLL FACTOR

R15-2D-701. General

A. The payroll factor, as defined in A.R.S. § 43-1143, for each trade or business of a taxpayer includes the total amount paid by the taxpayer in the regular course of its trade or business for compensation during the tax period.

1. The total amount "paid" to employees is determined upon the basis of the taxpayer's accounting method.
   a. If the taxpayer has adopted the accrual method of accounting, all compensation properly accrued is deemed to have been paid.
   b. Notwithstanding the taxpayer's method of accounting, compensation paid to employees may, at the election of the taxpayer, be included in the payroll factor by use of the cash method if the taxpayer is required to report the compensation under that method for unemployment compensation purposes.
2. The compensation of any employee for activities that are connected with the production of nonbusiness income is excluded from the payroll factor.

   Example 1: The taxpayer uses some of its employees in the construction of a storage building which, upon completion, is used in the regular course of the taxpayer's trade or business. The wages paid to those employees are treated as a capital expenditure by the taxpayer. The amount of those wages is included in the payroll factor.

   Example 2: The taxpayer owns various securities that it holds as an investment separate and apart from its trade or business. The management of the taxpayer's investment portfolio is the only duty of Mr. X, an employee. The salary paid to Mr. X is excluded from the payroll factor.
3. Payments made to an independent contractor or any other person not properly classifiable as an employee are excluded from the payroll factor.
4. Only amounts paid directly to employees are included in the payroll factor. Amounts considered paid directly include the value of board, rent, housing, lodging, and other benefits or services furnished to employees by the taxpayer in return for personal services, provided that the amounts constitute income to the recipient under the

Internal Revenue Code. In the case of employees not subject to the Internal Revenue Code, such as those employed in foreign countries, the determination of whether benefits or services would constitute income to the employees shall be made as though the employees were subject to the Internal Revenue Code.

B. Generally, a person is considered to be an employee if the person is treated by the taxpayer as an employee for purposes of the payroll taxes imposed by the Federal Insurance Contributions Act. However, because certain individuals are included within the term "employees" in the Federal Insurance Contributions Act who are not employees under the usual common-law rules, a taxpayer may establish that a person who is treated as an employee for purposes of the Federal Insurance Contributions Act is not an employee for purposes of this Section.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

R15-2D-702. Payroll Factor Denominator
The denominator of the payroll factor is the total compensation paid by the taxpayer everywhere during the tax period. Therefore, compensation paid to employees whose services are performed entirely in a state where the taxpayer is immune from taxation is included in the denominator of the payroll factor.

Example: A taxpayer has employees in its state of legal domicile (State A) and is taxable in State B. In addition, the taxpayer has other employees whose services are performed entirely in State C where the taxpayer is immune from taxation under the provisions of Public Law 86-272. The compensation paid to the employees in State C is assigned to State C where the services are performed (included in the denominator but not the numerator of the payroll factor) even though the taxpayer is not taxable in State C.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

R15-2D-703. Payroll Factor Numerator
The numerator of the payroll factor is the total compensation paid in this state during the tax period by the taxpayer for compensation. The tests in A.R.S. § 43-1144 for determining whether compensation is paid in this state are derived from the Model Unemployment Compensation Act. Accordingly, if the taxpayer includes compensation paid to employees in the payroll factor by use of the cash method of accounting or if the taxpayer is required to report the compensation under this method for unemployment compensation purposes, the Department shall presume that the total wages reported by the taxpayer to this state for unemployment compensation purposes constitute compensation paid in this state except for compensation excluded under this Article. The presumption may be overcome by evidence satisfactory to the Department that an employee's compensation is not properly reportable to this state for unemployment compensation purposes.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

R15-2D-704. Compensation Paid in this State: Definitions
For the purpose of determining whether compensation is paid in this state under this Article and A.R.S. § 43-1144, the following definitions apply:

1. "Incidental" means any service that is temporary or transitory in nature or rendered in connection with an isolated transaction.
2. "Place from which the service is directed or controlled" means the site from which the power to direct or control is exercised by the taxpayer.
3. "Base of operations" means the site of more or less permanent nature from which the employee starts work and to which the employee customarily returns in order to:
   a. Receive instructions from the taxpayer,
   b. Receive communications from the taxpayer's customers or other persons,
   c. Replenish stock or other materials,
   d. Repair equipment, or
   e. Perform any other functions necessary to the exercise of the trade or profession.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

R15-2D-705. Consistency and Uniformity in Reporting

A. If the taxpayer departs from or modifies the treatment of compensation paid used in Arizona returns for prior years, the taxpayer shall disclose in the return for the current year the nature and extent of the modification.

B. If the returns or reports filed by a taxpayer with all states to which the taxpayer reports under the Uniform Division of Income for Tax Purposes Act are not uniform in the treatment of compensation paid, the taxpayer shall disclose the nature and extent of the variance upon request by the Department.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

ARTICLE 8. SALES FACTOR

R15-2D-801. General

A. The following are provisions for determining "sales" under A.R.S. § 43-1145:

1. In the case of a taxpayer engaged in manufacturing and selling or purchasing and reselling goods or products, "sales" includes all gross receipts from the sales of the goods or products (or other property of a kind that would properly be included in the inventory of the taxpayer if on hand at the close of the tax period) held by the taxpayer primarily for sale to customers in the ordinary course of its trade or business. For purposes of this subsection, "gross receipts" means gross sales less returns and allowances and includes all interest income, service charges, carrying charges, or time-price differential charges incidental to the sales. Federal and state excise taxes (including sales taxes) are included as part of the receipts if the taxes are passed on to the buyer or included as part of the selling price of the product.
2. In the case of cost-plus-fixed-fee contracts, such as the operation of a government-owned plant for a fee, "sales" includes the entire reimbursed cost plus the fee.
3. In the case of a taxpayer engaged in providing services, such as the operation of an advertising agency or the performance of equipment service contracts or research and

development contracts, "sales" includes the gross receipts from the performance of the services including fees, commissions, and similar items.

4. In the case of a taxpayer engaged in renting or licensing the use of real or tangible property, "sales" includes the gross receipts from these activities.
5. In the case of a taxpayer engaged in the sale, assignment, or licensing the use of intangible personal property such as patents and copyrights, "sales" includes the gross receipts from these activities.
6. If a taxpayer derives receipts from the sale of equipment used in its business, those receipts constitute "sales." For example, a truck express company owns a fleet of trucks and sells its trucks under a regular replacement program. The gross receipts from the sales of the trucks are included in the sales factor.

B. In some cases certain gross receipts are disregarded in determining the sales factor so that the apportionment formula will operate fairly to apportion to this state the income of the taxpayer's trade or business. See R15-2D-903.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

R15-2D-802. Repealed

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Section repealed by final rulemaking at 7 A.A.R. 654, effective January 11, 2001 (Supp. 01-1).

R15-2D-803. Sales Factor Numerator
The numerator of the sales factor is the gross receipts attributable to this state and derived by the taxpayer from transactions and activity in the regular course of its trade or business. All interest income, service charges, carrying charges, or time-price differential charges incidental to the gross receipts are included regardless of the place where the accounting records are maintained or the location of the contract or other evidence of indebtedness.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

R15-2D-804. Property Delivered or Shipped to a Purchaser within this State

A. Property is deemed to be delivered or shipped to a purchaser within this state if the recipient is located in this state, even though the property is ordered from outside this state.

Example: The taxpayer, with inventory in State A, sells $100,000 of its products to a purchaser with branch stores in several states, including this state. The order for the purchase is placed by the purchaser's central purchasing department, located in State B. The taxpayer ships $25,000 of the purchase order directly to purchaser's branch store in this state. The branch store in this state is the "purchaser within this state" with respect to $25,000 of the taxpayer's sales.

B. Property is delivered or shipped to a purchaser within this state if the shipment terminates in this state, even though the property is subsequently transferred by the purchaser to another state.

Example: The taxpayer makes a sale to a purchaser who maintains a central warehouse in this state at which all merchandise purchases are received. The purchaser reships the goods to its branch stores in other states for sale. All of the taxpayer's products shipped to the purchaser's warehouse in this state constitute property delivered or shipped to a purchaser within this state.

C. The term "purchaser within this state" includes the ultimate recipient of the property if the taxpayer in this state, at the designation of the purchaser, delivers to or has the property shipped to the ultimate recipient within this state.

Example: A taxpayer in this state sells merchandise to a purchaser in State A. The taxpayer directs the manufacturer or supplier of the merchandise in State B to ship the merchandise to the purchaser's customer in this state according to purchaser's instructions. The sale by the taxpayer is "in this state."

D. If property being shipped by a seller from the state of origin to a consignee in another state is diverted while en route to a purchaser in this state, the sales are in this state.

Example: The taxpayer, a produce grower in State A, begins shipment of perishable produce to the purchaser's place of business in State B. While en route, the produce is diverted to the purchaser's place of business in this state in which the taxpayer is subject to tax. The sale by the taxpayer is in this state.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

R15-2D-805. Sales of Tangible Personal Property to the United States Government
Sales of tangible personal property to the United States Government are not included in the numerator of the sales factor. For the purposes of this Section, only sales for which the United States Government makes direct payment to the seller under the terms of a contract constitute sales to the United States Government. Thus, as a general rule, sales by a subcontractor to a prime contractor, who has the contract with the United States Government, do not constitute sales to the United States Government.

Example 1: A taxpayer contracts with General Services Administration to deliver X number of trucks that are paid for by the United States Government. The sale is a sale to the United States Government.

Example 2: The taxpayer, as a subcontractor to a prime contractor with the National Aeronautics and Space Administration, contracts to build a component of a rocket for $1,000,000. The sale by the subcontractor to the prime contractor is not a sale to the United States Government.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

R15-2D-806. Sales other than Sales of Tangible Personal Property in this State
This Section provides for the inclusion in the numerator of the sales factor of gross receipts from transactions other than sales of tangible personal property (including transactions with the United States Government). Under this Section, gross receipts are attributed to this state if the income-producing activity that gives rise to the receipts is performed wholly within this state. Also, gross receipts

are attributed to this state if, with respect to a particular item of income, the income-producing activity is performed within and without this state but the greater proportion of the income-producing activity is performed in this state rather than in any other state, based on costs of performance.

1. The term "income-producing activity" applies to each separate item of income and means the transactions and activities directly engaged in by a taxpayer in the regular course of its trade or business for the ultimate purpose of obtaining gains or profit. Income-producing activity does not include transactions and activities performed on behalf of a taxpayer, such as those conducted on its behalf by an independent contractor. Accordingly, "income-producing activity" includes but is not limited to the following:
   a. The rendering of personal services by employees or the use of tangible and intangible property by the taxpayer in performing a service;
   b. The sale, rental, leasing, licensing, or other use of real property;
   c. The rental, leasing, licensing, or other use of tangible personal property; and
   d. The sale, licensing, or other use of intangible personal property. The mere holding of intangible personal property is not, of itself, an income-producing activity.
2. The term "costs of performance" means direct costs determined in a manner consistent with generally accepted accounting principles and in accordance with accepted conditions or practices in the trade or business of the taxpayer.
3. The following are special provisions for determining when receipts from the income-producing activities described are in this state:
   a. Gross receipts from the sale, lease, rental, or licensing of real property are in this state if the real property is located in this state.
   b. Gross receipts from the rental, lease, or licensing of tangible personal property are in this state if the property is located in this state. The rental, lease, licensing, or other use of tangible personal property in this state is an income-producing activity separate from the rental, lease, licensing, or other use of the same property while located in another state; consequently, if property is within and without this state during the rental, lease, or licensing period, gross receipts attributable to this state are measured by the ratio of the time the property is physically present or is used in this state to the total time the property is present or used anywhere during that period.
      Example: The taxpayer is the owner of 10 railroad cars. During the year, the total of the days during which each railroad car is present in this state is 50 days. The receipts attributable to the use of each of the railroad cars in this state are a separate item of income and shall be determined as follows:
      [(10 x 50)] ÷ (10 x 365)] x Total Receipts = Receipts Attributable to this State
   c. Gross receipts for the performance of personal services are attributable to this state to the extent the services are performed in this state. If services relating to a single item of income are performed partly within and partly without this state, the gross receipts from the performance of the services are attributable to this state only if the greater proportion of the services is performed in this state, based on costs of performance. Usually, if services are performed partly within and partly without this state, the services performed in each state constitute a separate income-producing activity; in such a case the gross receipts from the performance of services attributable to this state are measured by the ratio of the time spent performing the services in this state to the total time spent performing the services everywhere. Time spent performing services includes the amount of time expended in the performance of a contract or other obligation that gives rise to the gross receipts. Personal service not directly connected with the performance of the contract or other obligation, such as time expended in negotiating the contract, is excluded from the computations.
      Example 1: The taxpayer, a road show, gives theatrical performances at various locations in State X and in this state during the tax period. All gross receipts from performances given in this state are attributed to this state.
      Example 2: The taxpayer, a public opinion survey corporation, conducts a poll by means of its employees in State X and in this state for the sum of $9,000. The project required 600 hours to obtain the basic data and prepare the survey report. The taxpayer expended 200 of the 600 hours in this state. The receipts attributable to this state are $3,000 [(200 ÷ 600) x $9,000].

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

R15-2D-807. Consistency and Uniformity in Reporting

A. If the taxpayer departs from or modifies the basis for excluding or including gross receipts in the sales factor used in Arizona returns for prior years, the taxpayer shall disclose in the return for the current year the nature and extent of the modification.

B. If the returns or reports filed by the taxpayer with all states to which the taxpayer reports under the Uniform Division of Income for Tax Purposes Act are not uniform in the inclusion or exclusion of gross receipts, the taxpayer shall disclose the nature and extent of the variance upon request by the Department.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

ARTICLE 9. DEPARTURE FROM STANDARD APPORTIONMENT AND ALLOCATION PROVISIONS

R15-2D-901. General

A. A.R.S. § 43-1148 permits a departure from the allocation and apportionment provisions only in limited cases. A.R.S. § 43-1148 may be invoked only if unusual fact situations produce incongruous results under the apportionment and allocation provisions contained in A.R.S. Title 43, Chapter 11, Article 4.

B. If a departure from the allocation and apportionment provisions referred to in subsection (A) includes a change in the number of factors, the denominator of the apportionment ratio shall be adjusted to reflect the change.
Example 1: If two equally weighted factors are used, the denominator is two.

Example 2: If two factors are used and one of the factors is double weighted, the denominator is three.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

R15-2D-902. Special Provisions for the Property Factor
The following special provisions apply to the property factor of the apportionment formula:

1. If the subrents taken into account in determining the net annual rental rate under R15-2D-605 produce a negative or inaccurate value for any item of property, the Department shall require and the taxpayer shall use another method that will properly reflect the value of the rented property. In no case, however, shall the value be less than an amount that bears the same ratio to the annual rental rate paid by the taxpayer for the property as the fair market value of that portion of the property used by the taxpayer bears to the total fair market value of the rented property.
   Example: The taxpayer rents a 10-story building at an annual rental rate of $1,000,000. Taxpayer occupies two stories and sublets eight stories for $1,000,000 a year. The net annual rental rate of the taxpayer shall not be less than 2/10ths of the taxpayer's annual rental rate for the entire year, or $200,000.
2. If property owned by others is used by the taxpayer at no charge or rented by the taxpayer for a nominal rate, the net annual rental rate for the property shall be determined on the basis of a reasonable market rental rate for the property.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

R15-2D-903. Special Provisions for the Sales Factor
The following special provisions apply to the sales factor of the apportionment formula:

1. If substantial amounts of gross receipts arise from an incidental or occasional sale of a fixed asset used in the regular course of the taxpayer's trade or business, those gross receipts are excluded from the sales factor. For example, gross receipts from the sale of a factory or plant are excluded.
2. Insubstantial amounts of gross receipts, arising from incidental or occasional transactions or activities, may be excluded from the sales factor, unless their exclusion would materially affect the amount of income apportioned to this state. For example, the taxpayer ordinarily may include or exclude from the sales factor gross receipts from transactions such as the sale of office furniture, business automobiles, or other similar items.
3. If the income-producing activity with respect to business income from intangible personal property can be readily identified, the income is included in the denominator of the sales factor and, if the income-producing activity occurs in this state, in the numerator of the sales factor as well. For example, usually the income-producing activity can be readily identified with respect to interest income received on deferred payments on sales of tangible property and income from the sale, licensing, or other use of intangible personal property. If business income from intangible property cannot readily be attributed to any particular income-producing activity of the taxpayer, the income is not assigned to the numerator of the sales factor for any state and is excluded from the denominator of the sales factor. For example, if business income in the form of dividends received on stock, royalties received on patents or copyrights, or interest received on bonds, debentures, or government securities results from the mere holding of the intangible personal property by the taxpayer, the dividends and interest shall be excluded from the denominator of the sales factor.
4. Items of income that are not subject to taxation under A.R.S. Title 43 or judicial decision is excluded from the sales factor. Examples of these items include controlled corporation dividends, gross-up dividends, Subpart F dividends, and interest from federal obligations.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 4973, effective October 5, 2001 (Supp. 01-4).

ARTICLE 10. CREDITS

R15-2D-1001. Environmental Technology Facility Tax Credit

A. A taxpayer claiming a tax credit for a qualified environmental technology facility under A.R.S. § 43-1169 shall retain records as required by A.R.S. § 42-1105. In addition, a taxpayer shall retain the following records to substantiate the tax credit:
1. A copy of the completed application packet submitted to the Arizona Department of Commerce.
2. The certificate of qualification issued by the Arizona Department of Commerce.
3. A copy of the memorandum of understanding entered into with the Arizona Department of Commerce.
4. A copy of each of the environmental technology annual qualification reports filed with the Arizona Department of Commerce.
5. A schedule showing the amount of credit claimed for each taxable year and the amount used for each taxable year.
6. The source documents that support the amount and date of capital expenditures made in constructing a qualified environmental technology facility.

B. A taxpayer shall retain the records specified in subsection (A) for the period in which the Department may issue a deficiency assessment for any taxable year that the taxpayer claims a credit or a carryover credit. A taxpayer may retain source documents in a machine-sensible format or through microfilm or microfiche, if the information is retrievable on request by Department personnel.

C. In addition to the recapture of previously used credits required by subsections (G) and (H) of A.R.S. § 43-1169, a taxpayer shall reduce the amount of any unused carryover credit related to amounts spent to construct a qualified environmental technology facility as follows:
1. If, before the facility is placed in service, the taxpayer abandons construction or changes plans in a manner that no longer qualifies as an environmental technology manufacturing, producing, or processing facility under A.R.S. § 41-1514.02, the total unused carryover credit is reduced to zero.
2. If, within five years after being placed in service, the facility ceases for any reason to operate as an environmental technology manufacturing, producing, or processing facility as described in A.R.S. § 41-1514.02, the total

unused carryover credit is reduced by the applicable percentage in A.R.S. § 43-1169(H).

Historical Note
New Section adopted by final rulemaking at 6 A.A.R. 4105, effective October 4, 2000 (Supp. 00-4).

R15-2D-1002. Renewable Energy Production Tax Credit

A. For each year for which an owner of a qualified energy generator plans to claim a renewable energy production tax credit, the owner shall file one of the following applications:
1. An initial application in accordance with subsection (B) for:
   a. Energy produced in 2011 for which an owner of a qualified energy generator plans to claim a credit on the 2011 tax return filed in 2012, and
   b. Energy produced after 2011 for which an owner of a qualified energy generator did not have a place on the prior year's Credit Authorization List for the renewable energy production tax credit under A.R.S. § 43-1164.03(G).
2. A renewal application in accordance with subsection (C) for an owner of a qualified energy generator that did have a place on the prior year's Credit Authorization List for the renewable energy production tax credit under A.R.S. § 43-1164.03(G).

B. An initial application shall include the following information:
1. The information required by A.R.S. § 43-1164.03(F).
2. The business structure of the applicant.
3. If the credit will be passed through to shareholders or partners, a list including the name, taxpayer identification number, and ownership percentage of each shareholder or partner. If the tax year end is other than December 31, and the shareholders or partners, or ownership percentages change, the applicant shall update the list for the tax year end by the due date of the applicant's Arizona return, including extensions.
4. The applicant's tax year end.
5. The name of the contact person, his or her title, telephone number and fax number.
6. If the applicant has any affiliates or subsidiaries, a list of the affiliates and subsidiaries, including the name, address, taxpayer identification number, and percentage of ownership. The applicant may substitute a federal Form 851, or other federal form with the required information, for this list.
7. Self-assigned name or identification number of the qualified energy generator.
8. Assessor's parcel number or numbers of the land on which the qualified energy generator is located or, if not available, the legal description.
9. The centrally valued property tax identification number for the personal property on the land.
10. The type of qualified energy resource used to generate electricity. If the qualified energy resource is biomass, the type of biomass.
11. The generating capacity of the qualified energy generator.
12. The number of kilowatt-hours of electricity produced for the calendar year.
13. Printouts for the calendar year from the production meter located at the qualified energy generator that:
    a. Measures the output from the qualified energy generator, and
    b. Provides the output information to a grid-tied energy management system.
14. A signed affidavit in which the applicant states that the information contained in the application is true and correct under penalty of perjury and that the qualified energy generator for which the applicant is claiming the credit did not produce electricity prior to 2011.

C. A renewal application shall include the information required by subsections (B)(1) through (6) and (B)(12) through (14). In addition, where the information required by subsections (B)(7) through (11) has changed since the prior year's application, the applicant shall provide the new information on the renewal application.

D. Copies of invoices or receipts from the electricity purchaser, verifying kilowatt-hours sold, shall be made available to the Department upon request.

E. If an owner owns more than one qualified energy generator, the owner shall submit a separate application for each qualified energy generator.

F. Each application shall be mailed separately in its own envelope by United States Postal Service Express Mail to: Arizona Department of Revenue, Renewable Energy Production Tax Credit Program, P.O. Box 25248, Phoenix, AZ 85002. Notwithstanding A.R.S. § 1-218(E)(1), the Department shall not accept applications through any other delivery method for purposes of this Section and A.R.S. § 43-1164.03.

G. For each initial application received in accordance with subsections (B) and (F), the Department shall assign a priority placement number that reflects the date and time on the Express Mail label, without regard to which time zone mailing took place.

H. If the Department receives more than one initial application in accordance with subsection (G) that it would assign the same priority placement number based on date and time on the Express Mail label, then the order received shall be determined by a random drawing of affected applications.

I. If the Department denies an application or approves a smaller amount of credit than the amount requested on the application, the Department's decision is an appealable agency action as defined in A.R.S. § 41-1092(3) and the applicant may appeal the decision under subsection (J) and A.R.S. Title 41, Chapter 6, Article 10.

J. To appeal a decision made under subsection (I), the applicant shall file a petition, in accordance with A.A.C. R15-10-105(B) and A.R.S. § 41-1092.03(B), within 30 days of receipt of the Department's decision.

K. For each decision made under subsection (I), the Department shall reserve the portion of the cap that the applicant would have been entitled to if the Department had approved the application in full, up to the generator cap limit, until the applicant waives or exhausts the appeal rights in subsection (J).

L. For the cap reserved under subsection (K), once the applicant waives or exhausts the appeal rights in subsection (J), the Department shall certify the cap to the next eligible applicant on the Credit Authorization List, until the full cap is certified.

M. In addition to the definitions provided in A.R.S. § 43-1164.03, unless the context provides otherwise, the following definitions apply to this Section and to implementation of A.R.S. § 43-1164.03:
1. "Cap" means the annual tax credit limit of $20 million in A.R.S. §§ 43-1164.03(G) and 43-1083.02(G).
2. "Generator cap" means the annual tax credit limit of $2 million per qualified energy generator in A.R.S. §§ 43-1164.03(G) and 43-1083.02(G).

SUBCHAPTER F. ESTATES AND TRUSTS

ARTICLE 1. RETURNS

R15-2F-101. Fiduciary Returns

A. In cases in which the gross income of the estate or trust is $5,000 or more, a copy of the will or trust instrument sworn to by the fiduciary as a true and complete copy must be filed with the fiduciary return of the estate or trust together with a statement by the fiduciary indicating the provisions of the will or trust instrument which in his opinion determine the extent to which the income of the estate or trust is taxable to the estate or trust, the beneficiaries, or the grantor respectively. However, if a copy of the will or trust instrument and statement relating to the provisions of the will or trust instrument have once been filed, they need not be filed again if the fiduciary return contains a statement showing when they were filed. If the trust instrument is amended in any way after such copies have been filed, a copy of the amendment must be filed with the return for the taxable year in which the amendment was made. In addition, the fiduciary must attach a statement to the copy of the amendment indicating the effect, if any, in his opinion of such amendment on the extent to which the income of the estate or trust is taxable to the estate or trust, the beneficiaries, or the grantor, respectively.

B. A certificate that all taxes due or to become due from the decedent or estate for whom a fiduciary acts have been paid or secured will not be issued unless all the following requirements are complied with:

1. A return must be filed by or on behalf of the decedent and for the estate for each taxable year in which the respective incomes of the decedent or estate exceeded the requirements for filing returns.
2. Although it is possible that no tax will become due from an estate for the year in which it is distributed, since all the income of the estate may be either properly paid or credited to the beneficiaries and hence deductible, a return for each year must be filed at the time the certificate is requested, regardless of the amount of gross or net income for such year. Such return must disclose all income to be distributed to beneficiaries upon the final distribution of the estate as well as income property paid or credited to beneficiaries during the year covered by the return and prior to final distribution.
3. A statement under declaration of perjury must be made by the fiduciary on the request for certificate, regarding the status of returns filed by or on behalf of the decedent or for the estate for the 4 taxable years immediately preceding the date a certificate is requested. The statement

required should indicate the years for which returns were filed or indicate the years for which the gross and net incomes were less than the amount necessary to require the filing of returns. If additional information is required, a supplemental statement will be requested.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2).

R15-2F-102. Expired

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Section expired under A.R.S. § 41-1056(E) at 11 A.A.R. 618, effective October 31, 2004 (Supp. 05-1).

R15-2F-103. Expired

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Section expired under A.R.S. § 41-1056(E) at 11 A.A.R. 618, effective October 31, 2004 (Supp. 05-1).

ARTICLE 2. IMPOSITION OF TAX ON ESTATES AND TRUSTS

R15-2F-201. Expired

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Section expired under A.R.S. § 41-1056(E) at 10 A.A.R. 5220, effective October 31, 2004 (Supp. 04-4).

SUBCHAPTER G. PARTNERSHIPS

ARTICLE 1. TAXATION OF PARTNERSHIPS

R15-2G-101. Partnerships

A. For purposes of this Section:
1. "Distributive share of the partnership" means a partner's share, as determined under the partnership agreement, of the items enumerated in A.R.S. § 43-1412.
2. "Arizona distributive share of the partnership" means the amount computed in subsection (A)(1), subject to the allocation and apportionment provisions of A.R.S. §§ 43-1131 through 43-1148.

B. A partnership is not subject to income tax but shall file a return of income for information purposes.

C. In computing taxable income:
1. A resident partner shall include the resident partner's distributive share of the partnership.
2. A nonresident partner shall include the nonresident partner's Arizona distributive share of the partnership.

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Amended by final rulemaking at 7 A.A.R. 2898, effective June 13, 2001 (Supp. 01-2).

R15-2G-102. Repealed

Historical Note
Recodified at 6 A.A.R. 2308, filed in the Office of the Secretary of State June 2, 2000 (Supp. 00-2). Section repealed by final rulemaking at 7 A.A.R. 2898, effective June 13, 2001 (Supp. 01-2).

42-1005. Powers and duties of director

A. The director shall be directly responsible to the governor for the direction, control and operation of the department and shall:

1. Make such administrative rules as he deems necessary and proper to effectively administer the department and enforce this title and title 43.

2. On or before November 15 of each year issue a written report to the governor and legislature concerning the department's activities during the year. In any election year a copy of this report shall be made available to the governor-elect and to the legislature-elect.

3. On or before December 15 of each year issue a supplemental report which shall also contain proposed legislation recommended by the department for the improvement of the system of taxation in the state.

4. In addition to the report required by paragraph 2 of this subsection, on or before November 15 of each year issue a written report to the governor and legislature detailing the approximate costs in lost revenue for all state tax expenditures in effect at the time of the report. For the purpose of this paragraph, "tax expenditure" means any tax provision in state law which exempts, in whole or in part, any persons, income, goods, services or property from the impact of established taxes including deductions, subtractions, exclusions, exemptions, allowances and credits.

5. Annually, on or before January 10, prepare and submit to the legislature a report containing a summary of all the revisions made to the internal revenue code during the preceding calendar year.

6. Provide such assistance to the governor and the legislature as they may require.

7. Delegate such administrative functions, duties or powers as he deems necessary to carry out the efficient operation of the department.

B. The director may enter into an agreement with the taxing authority of any state which imposes a tax on or measured by income to provide that compensation paid in that state to residents of this state is exempt in that state from liability for income tax, the requirement for filing a tax return and withholding tax from compensation. Compensation paid in this state to residents of that state is reciprocally exempt from the requirements of title 43.

43-102. Declaration of intent

A. It is the intent of the legislature by the adoption of this title to accomplish the following objectives:

1. To adopt the provisions of the federal internal revenue code relating to the measurement of adjusted gross income for individuals, to the end that adjusted gross income reported each taxable year by an individual to the internal revenue service shall be the identical sum reported to this state, subject only to modifications contained in this title.

2. To adopt the provisions of the federal internal revenue code relating to the measurement of taxable income for corporations, trusts, estates and partnerships, to the end that taxable income reported each taxable year by a corporation, trust, estate or partnership to the internal revenue service shall be the identical sum reported to this state, subject only to modifications contained in this title.

3. To achieve the results in paragraphs 1 and 2 by the application of the various provisions of the federal internal revenue code relating to the definitions of income, exceptions, deductions, accounting methods, taxation of individuals, corporations, trusts, estates and partnerships, basis and other pertinent provisions relating to gross income as defined, resulting in an amount called adjusted gross income for individuals and taxable income for corporations, trusts, estates and partnerships in the internal revenue code.

4. To impose on each resident of this state a tax measured by taxable income wherever derived.

5. To impose on each nonresident and each corporation with a business situs in this state a tax measured by taxable income which is the result of activity within or derived from sources within this state.

B. Nothing contained in this title shall be construed to require a taxpayer to include an item of income or permit a taxpayer to deduct an expense item more than once in computing Arizona taxable income.

43-325. Time for filing returns

Unless otherwise indicated:

1. Returns made on the basis of the calendar year shall be filed on or before the fifteenth day of April following the close of the calendar year.

2. Returns made on the basis of a fiscal year shall be filed on or before the fifteenth day of the fourth month following the close of the fiscal year.

3. For taxable years beginning from and after December 31, 2015, partnership returns are due on or before the fifteenth day of the third month following the close of the taxable year.

43-328. Returns filed by persons outside the United States

If it is determined by the department, under regulations prescribed by it, that by reason of an individual being outside the United States, it is impossible or impractical to perform any one or more of the acts specified in this title, then in determining under this title whether the act was performed within the prescribed time, in respect of any liability for taxes, interest or penalties affected by the failure to perform the act within such time and in determining the amount of any credit or refund, including interest, affected by such failure, there shall be disregarded the period such person was thus unable to conform to the provisions of this title.

43-401. Withholding tax; rates; election by employee

A. Except as provided by subsections B and H of this section, every employer at the time of the payment of wages, salary, bonus or other emolument to any employee whose compensation is for services performed within this state shall deduct and retain from the compensation an amount prescribed by tables adopted by the department.

B. An employer may voluntarily elect to not withhold tax during December by notifying:

1. The department on a form prescribed by the department.

2. The employer's employees in writing in a manner prescribed by the department.

C. If the amount collected and payable by the employer to the department in each of the preceding four calendar quarters did not exceed an average of one thousand five hundred dollars, the amount collected shall be paid to the department on or before April 30, July 31, October 31 and January 31 for the preceding calendar quarter. If the amount exceeded one thousand five hundred dollars in each of the preceding four calendar quarters, the employer shall pay to the department the amount the employer deducts and retains pursuant to this section at the same time as the employer is required to make deposits of federal tax pursuant to section 6302 of the internal revenue code. On or before April 30, July 31, October 31 and January 31 each year, the employer shall reconcile the amounts payable during the preceding calendar quarter in a manner prescribed by the department, except that if the full amount collected and payable is paid timely to the department under this subsection, the employer may reconcile the amounts on or before May 10, August 10, November 10 and February 10 each year. The department by rule may allow and determine which employers qualify for annual payments of withholding taxes, with an annual report by the employer pursuant to section 43-412, subsection B, if the qualifying employer has established sufficient payment history to indicate that the employer is current and in good standing pursuant to standards established by rule. For any business that has not had a withholding certificate for the four preceding consecutive quarters, the quarterly average shall be computed in a manner prescribed by the department.

D. If an employer fails to make a timely monthly payment because prior to that reporting period it reported on a quarterly basis instead of on a monthly basis, the department shall notify the employer that it is out of compliance with this section. Notwithstanding section 42-1125, the department shall not assess a penalty against an employer for failing to make a timely monthly payment if the employer had filed and remitted all taxes due on a quarterly basis and brings all filings and payments into current compliance within thirty days after being notified by the department.

E. Each employee shall elect the amount authorized by subsection A of this section to be withheld for application toward the employee's state income tax liability. The election provided under this subsection shall be exercised by each employee, in writing on a form prescribed by the department. The election shall be made within five days of employment. Each employer shall notify the employees of the election made available under this subsection and shall have election forms available at all times. Each form shall be completed in triplicate, with one copy each for the department, the employer and the employee. The employer shall file a copy of each completed form with the department. Any employee failing to complete an election form as prescribed shall be deemed to have elected the withholding percentage prescribed by the department.

F. Before July 1 of each year, each employer who chooses to not withhold tax pursuant to subsection B of this section shall notify each employee that:

1. State income taxes will not be withheld from compensation in December.

2. The employee may elect to change the rate of withholding tax prescribed by this section to compensate for the resulting change in annual withholdings from the employee's compensation.

G. At an employee's written request, the employer may agree to reduce the amount withheld under this section by the amount of credit that the employee represents to the employer that the employee will qualify for and be

entitled to under sections 43-1088, 43-1089, 43-1089.01 and 43-1089.03. The employee's request must include the name and address of the qualifying charitable organization, qualified school tuition organization or public school. Within thirty days after agreeing to the employee's request, the employer shall reduce the withholding amount by the amount of the credit, but not below zero, prorated for the number of pay periods remaining in the employee's taxable year after the employee makes the request. If an employer agrees to reduce the withholding amount pursuant to this subsection, the following apply:

1. Within fifteen days after the end of each calendar quarter, the employer must pay the entire amount of the reduction in withholding tax for that quarter to the designated charitable organization, school tuition organization or public school. These payments are considered to be on the employee's behalf, and not the employer's, for the purposes of qualifying for the income tax credits under sections 43-1088, 43-1089, 43-1089.01 and 43-1089.03.

2. The employee is responsible and accountable for the accuracy and the amount of reduction in withholding tax and the payments to the charitable organization, school tuition organization or public school.

3. The employer is responsible and accountable to the charitable organization, school tuition organization or public school, to the employee and to the department for actually making the required payments.

4. Within thirty days after the end of each calendar year, or within fifteen days after the termination of employment, the employer must furnish to each electing employee a statement of the amount withheld and paid on behalf of the employee during that year.

H. An employer shall not withhold tax on the wages of the employer's nonresident employees who are in this state on a temporary basis for the purpose of performing disaster recovery from a declared disaster during a disaster period as defined in section 42-1130.

43-403. Employment excluded from withholding

A. No amount shall be deducted or retained from:

1. Wages or salary paid to an employee of a common carrier when such employee is a nonresident of this state as defined in section 43-104 and regularly performs services both within and without this state.

2. Wages paid for domestic service in a private home.

3. Wages paid for casual labor not in the course of the employer's trade or business.

4. Wages paid to part-time or seasonal employees whose services to the employer consist solely of labor in connection with the planting, cultivating, harvesting or field packing of seasonal agricultural crops, except such employees whose principal duties are operating any mechanically-driven device in such operations.

5. Wages or salary paid to a nonresident of this state who is:

(a) An employee of an individual, fiduciary, partnership, corporation or limited liability company having property, payroll and sales in this state, or of a related entity having more than fifty per cent direct or indirect common ownership.

(b) Physically present in this state for less than sixty days in a calendar year for the purpose of performing a service that will benefit the employer or the related entity. For purposes of determining the number of days of service in this state, days spent in the following activities are not included:

(i) In transit.

(ii) Engaging in personal activities.

(iii) Participating in training or professional development activities or attending meetings that are not directly connected to the Arizona operations of the employer or the related entity.

6. Wages or salary paid to a nonresident who is in this state on a temporary basis for the purpose of performing disaster recovery from a declared disaster during a disaster period as defined in section 42-1130.

B. In addition to the exemptions from the withholding provisions contained in subsection A of this section, because of the temporary nature of such employment, no amount shall be deducted or retained from wages paid to a nonresident of this state engaged in any phase of motion picture production when, prior to the time of payment of such wages, an application is made by the employer to the department, on forms prescribed by the department, for an exemption from the withholding provisions of this section and the department determines that the nonresident would be allowed a credit under section 43-1096 against all of the taxes upon such wages imposed by this chapter.

C. Subsection A, paragraph 5 of this section does not apply to a nonresident employee who is in this state solely for athletic or entertainment purposes.

D. Notwithstanding subsection A, paragraph 5 of this section:

1. The nonresident employee may elect to have withholding deducted in the manner prescribed by section 43-401, subsection E and the employer shall withhold tax pursuant to that election.

2. The employer may elect to withhold tax from the nonresident employee before the sixty-day limitation has elapsed.

43-432. Refund for excess withholding

A. When the total amount withheld under section 43-401 exceeds the amount of the tax on the employee's entire taxable income as computed under this title, the department shall, after auditing the annual return filed by the employee in accordance with chapter 3 of this title, and without requiring a filing of a refund claim as provided in section 42-1106, subsection A, refund the amount of the excess withheld, subject to setoff for debts pursuant to section 42-1122. Failure of the department to make such refund shall not limit the right of the taxpayer to file a claim for a refund as provided in chapter 6, article 1 of this title. If the excess tax withheld is less than one dollar, no refund shall be made unless specifically requested by the taxpayer at the time such return is filed. In no event shall any excess be allowed as a credit against any tax accruing on a return filed for a year subsequent to the year during which such excess was withheld, the provisions of chapter 6 of this title notwithstanding.

B. The department may make separate refunds of withheld taxes upon request by a husband or wife who has filed a joint return, the refund payable to each spouse being proportioned to the gross earnings of each shown by the information returns filed by the employer or otherwise shown to the satisfaction of the department. If a taxpayer entitled to a refund under this subsection dies, the department may certify to the department of administration that the refund be made to the taxpayer's duly appointed executor, administrator or personal representative.

43-581. Payment of estimated tax; rules; penalty; forms

A. An individual who is subject to the tax imposed by section 43-1011 and whose Arizona gross income, as defined by section 43-1001, or as described by section 43-1091 in the case of nonresidents, for the taxable year exceeds $75,000 or $150,000 if a joint return is filed and whose Arizona gross income was greater than $75,000 in the preceding taxable year or $150,000 in the preceding taxable year if a joint return is filed shall make payments of estimated tax during the individual's taxable year. The amount of the payments of estimated tax shall be an amount that reasonably reflects a taxpayer's Arizona income tax liability that will be unpaid at the end of the taxpayer's taxable year. This amount shall be paid in four installments on or before the due dates established by the internal revenue code and shall total, when combined with the taxpayer's withholding tax, at least ninety percent of the tax due for the current taxable year or one hundred percent of the tax due for the preceding taxable year.

B. Any other individual who is subject to the tax imposed by this title may make payments of estimated tax during the individual's taxable year. The amount of any estimated tax payments for the taxable year shall be an amount that reasonably reflects a taxpayer's Arizona income tax liability that will be unpaid at the end of the taxpayer's taxable year.

C. For taxable years beginning from and after December 31, 2021, an entity that is treated as a partnership or S corporation for federal income tax purposes, that elects to pay the tax under section 43-1014 and whose taxable income for the taxable year exceeds $150,000 in the preceding taxable year shall make payments of estimated tax during the taxable year in a manner that is consistent with the manner prescribed in this section for individuals.

D. The department shall prescribe rules for the payments of estimated tax that shall provide for estimated payments in a manner similar to the manner prescribed in the internal revenue code.

E. If the taxpayer does not pay the estimated tax required by subsection A or C of this section on or before the prescribed dates, there is assessed and the department shall collect a penalty on the unpaid amount as prescribed by section 42-1125, subsection Q. Penalties or interest shall not be assessed or collected if either of the following applies:

1. The estimated tax payments made pursuant to this section are allowable exceptions under section 6654 of the internal revenue code.

2. The taxpayer's Arizona income tax liability due on the taxpayer's return is less than $1,000. For the purposes of this paragraph, "Arizona income tax liability due on the taxpayer's return" means the amount of tax due on the return minus the amount of Arizona income tax withheld and tax credits claimed by the taxpayer.

F. The department shall make available suitable forms and instructions to taxpayers who make estimated tax payments pursuant to this article.

43-942. Allocation in the case of controlled corporations

A. In any case of two or more corporations owned or controlled directly or indirectly by the same interests, the department may distribute, apportion or allocate gross income, deductions, credits or allowances between or among such taxpayers, if it determines that such distributions, apportionment or allocation is necessary in order to prevent evasion of taxes or clearly to reflect the income of any such taxpayer.

B. For the purpose of enforcing this section, the department may require the filing of a combined report and such other information as it deems necessary unless the taxpayer has elected or is required to file a consolidated return pursuant to section 43-947.

43-961. Items not deductible in computation of taxable income

In computing taxable income no deduction shall in any case be allowed in respect of:

1. Personal, living or family expenses, except medical expenses allowed pursuant to section 43-1042.

2. With respect to financial institutions, as defined in section 6-101, that portion of any amount otherwise allowable as an interest expense deduction pursuant to the internal revenue code and determined by dividing the total of the amount of interest income received on obligations of the United States, this state or any political subdivision of this state by the sum of tax exempt interest as defined in section 103 of the internal revenue code plus gross income determined pursuant to the internal revenue code, and by multiplying the result thus obtained by any interest deduction allowed pursuant to section 163 or 591 of the internal revenue code without regard to the application of section 265 of the internal revenue code, and by adding to such result an amount equal to ten per cent of the total of the amount of interest income received on obligations of the United States, this state or any political subdivision of this state. The total amount disallowed by operation of this paragraph shall be reduced to the extent such disallowance would cause the tax payable by the financial institution under this title to exceed the total of gross income determined pursuant to the internal revenue code, plus the amount of interest income received on obligations of any state, territory or possession of the United States, or any political subdivision thereof, located outside this state, less the amount of interest income received on obligations of the United States.

3. Any amount paid or accrued on indebtedness incurred or continued to purchase a single premium life insurance or endowment contract. For the purposes of this paragraph, if substantially all the premiums of a life insurance or endowment contract are paid within a period of four years from the date on which such contract is purchased, such contract shall be considered a single premium life insurance or endowment contract.

4. Expenses attributable to Arizona gross income derived from illegal activities nor shall any deductions be allowed to any taxpayer on any of his Arizona gross income derived from any other activities which tend to promote or to further, or are connected or associated with, such illegal activities.

5. Any amount, not otherwise provided for by this section, that would otherwise be allowable as a deduction or an adjustment, which is allocable to one or more classes of income, whether or not any amount of income of that class or classes is received or accrued, and that is not required to be included in a person's Arizona adjusted gross income or Arizona taxable income.

43-1021. Addition to Arizona gross income

In computing Arizona adjusted gross income, the following amounts shall be added to Arizona gross income:

1. A beneficiary's share of the fiduciary adjustment to the extent that the amount determined by section 43-1333 increases the beneficiary's Arizona gross income.

2. An amount equal to the ordinary income portion of a lump sum distribution that was excluded from federal adjusted gross income pursuant to the special rule for individuals who attained fifty years of age before January 1, 1986 under Public Law 99-514, section 1122(h)(3).

3. The amount of interest income received on obligations of any state, territory or possession of the United States, or any political subdivision thereof, located outside of this state, reduced, for taxable years beginning from and after December 31, 1996, by the amount of any interest on indebtedness and other related expenses that were incurred or continued to purchase or carry those obligations and that are not otherwise deducted or subtracted in arriving at Arizona gross income.

4. The excess of a partner's share of partnership taxable income required to be included under chapter 14, article 2 of this title over the income required to be reported under section 702(a)(8) of the internal revenue code.

5. The excess of a partner's share of partnership losses determined pursuant to section 702(a)(8) of the internal revenue code over the losses allowable under chapter 14, article 2 of this title.

6. Any amount of agricultural water conservation expenses that were deducted pursuant to the internal revenue code for which a credit is claimed under section 43-1084.

7. The amount by which the depreciation or amortization computed under the internal revenue code with respect to property for which a credit was taken under section 43-1081.01 or that is pollution control equipment for which a credit was taken before taxable year 2022 exceeds the amount of depreciation or amortization computed pursuant to the internal revenue code on the Arizona adjusted basis of the property.

8. The amount by which the adjusted basis computed under the internal revenue code with respect to property for which a credit was claimed under section 43-1074.02 or 43-1081.01 or that is pollution control equipment for which a credit was taken before taxable year 2022 and that is sold or otherwise disposed of during the taxable year exceeds the adjusted basis of the property computed under section 43-1074.02 or 43-1081.01 or for pollution control equipment, the section in which the credit was taken, as applicable.

9. The deduction referred to in section 1341(a)(4) of the internal revenue code for restoration of a substantial amount held under a claim of right.

10. The amount by which a net operating loss carryover or capital loss carryover allowable pursuant to section 1341(b)(5) of the internal revenue code exceeds the net operating loss carryover or capital loss carryover allowable pursuant to section 43-1029, subsection F.

11. The amount of any depreciation allowance allowed pursuant to section 167(a) of the internal revenue code to the extent not previously added.

12. The amount of a nonqualified withdrawal, as defined in section 15-1871, from a college savings plan established pursuant to section 529 of the internal revenue code that is made to a distributee to the extent the amount is not included in computing federal adjusted gross income, except that the amount added under this paragraph shall not exceed the difference between the amount subtracted under section 43-1022 in prior taxable years and the amount added under this section in any prior taxable years.

13. If a subtraction is or has been taken by the taxpayer under section 43-1024, in the current or a prior taxable year for the full amount of eligible access expenditures paid or incurred to comply with the requirements of the

Americans with disabilities act of 1990 (P.L. 101-336) or title 41, chapter 9, article 8, any amount of eligible access expenditures that is recognized under the internal revenue code, including any amount that is amortized according to federal amortization schedules, and that is included in computing taxable income for the current taxable year.

14. For taxable years beginning from and after December 31, 2017, the amount of any net capital loss included in Arizona gross income for the taxable year that is derived from the exchange of one kind of legal tender for another kind of legal tender. For the purposes of this paragraph:

(a) "Legal tender" means a medium of exchange, including specie, that is authorized by the United States Constitution or Congress to pay debts, public charges, taxes and dues.

(b) "Specie" means coins having precious metal content.

15. For taxable years beginning from and after December 31, 2021, the amount deducted by the partnership or S corporation pursuant to the internal revenue code for the amount paid to this state under section 43-1014 and for taxes that the department determines are substantially similar to the tax imposed under section 43-1014. This amount shall be reflected in the partner's or shareholder's Arizona gross income and the partnership's or S corporation's Arizona taxable income.

16. The amount of any motion picture production costs that was deducted pursuant to the internal revenue code for which a tax credit is claimed under section 43-1082.

43-1022. Subtractions from Arizona gross income

In computing Arizona adjusted gross income, the following amounts shall be subtracted from Arizona gross income:

1. The amount of exemptions allowed by section 43-1023.

2. Benefits, annuities and pensions in an amount totaling not more than $2,500 received from one or more of the following:

(a) The United States government service retirement and disability fund, the United States foreign service retirement and disability system and any other retirement system or plan established by federal law, except retired or retainer pay of the uniformed services of the United States that qualifies for a subtraction under paragraph 26 of this section.

(b) The Arizona state retirement system, the corrections officer retirement plan, the public safety personnel retirement system, the elected officials' retirement plan, an optional retirement program established by the Arizona board of regents under section 15-1628, an optional retirement program established by a community college district board under section 15-1451 or a retirement plan established for employees of a county, city or town in this state.

3. A beneficiary's share of the fiduciary adjustment to the extent that the amount determined by section 43-1333 decreases the beneficiary's Arizona gross income.

4. Interest income received on obligations of the United States, minus any interest on indebtedness, or other related expenses, and deducted in arriving at Arizona gross income, that were incurred or continued to purchase or carry such obligations.

5. The excess of a partner's share of income required to be included under section 702(a)(8) of the internal revenue code over the income required to be included under chapter 14, article 2 of this title.

6. The excess of a partner's share of partnership losses determined pursuant to chapter 14, article 2 of this title over the losses allowable under section 702(a)(8) of the internal revenue code.

7. The amount allowed by section 43-1025 for contributions during the taxable year of agricultural crops to charitable organizations.

8. The portion of any wages or salaries paid or incurred by the taxpayer for the taxable year that is equal to the amount of the federal work opportunity credit, the empowerment zone employment credit, the credit for employer paid social security taxes on employee cash tips and the Indian employment credit that the taxpayer received under sections 45A, 45B, 51(a) and 1396 of the internal revenue code.

9. The amount of exploration expenses that is determined pursuant to section 617 of the internal revenue code, that has been deferred in a taxable year ending before January 1, 1990 and for which a subtraction has not previously been made. The subtraction shall be made on a ratable basis as the units of produced ores or minerals discovered or explored as a result of this exploration are sold.

10. The amount included in federal adjusted gross income pursuant to section 86 of the internal revenue code, relating to taxation of social security and railroad retirement benefits.

11. To the extent not already excluded from Arizona gross income under the internal revenue code, compensation received for active service as a member of the reserves, the national guard or the armed forces of the United States, including compensation for service in a combat zone as determined under section 112 of the internal revenue code.

12. The amount of unreimbursed medical and hospital costs, adoption counseling, legal and agency fees and other nonrecurring costs of adoption not to exceed $3,000. In the case of a husband and wife who file separate returns, the subtraction may be taken by either taxpayer or may be divided between them, but the total subtractions allowed both husband and wife may not exceed $3,000. The subtraction under this paragraph may be taken for the costs that are described in this paragraph and that are incurred in prior years, but the subtraction may be taken only in the year during which the final adoption order is granted.

13. The amount authorized by section 43-1027 for the taxable year relating to qualified wood stoves, wood fireplaces or gas fired fireplaces.

14. The amount by which a net operating loss carryover or capital loss carryover allowable pursuant to section 43-1029, subsection F exceeds the net operating loss carryover or capital loss carryover allowable pursuant to section 1341(b)(5) of the internal revenue code.

15. Any amount of qualified educational expenses that is distributed from a qualified state tuition program determined pursuant to section 529 of the internal revenue code and that is included in income in computing federal adjusted gross income.

16. Any item of income resulting from an installment sale that has been properly subjected to income tax in another state in a previous taxable year and that is included in Arizona gross income in the current taxable year.

17. For property placed in service:

(a) In taxable years beginning before December 31, 2012, an amount equal to the depreciation allowable pursuant to section 167(a) of the internal revenue code for the taxable year computed as if the election described in section 168(k) of the internal revenue code had been made for each applicable class of property in the year the property was placed in service.

(b) In taxable years beginning from and after December 31, 2012 through December 31, 2013, an amount determined in the year the asset was placed in service based on the calculation in subdivision (a) of this paragraph. In the first taxable year beginning from and after December 31, 2013, the taxpayer may elect to subtract the amount necessary to make the depreciation claimed to date for the purposes of this title the same as it would have been if subdivision (c) of this paragraph had applied for the entire time the asset was in service. Subdivision (c) of this paragraph applies for the remainder of the asset's life. If the taxpayer does not make the election under this subdivision, subdivision (a) of this paragraph applies for the remainder of the asset's life.

(c) In taxable years beginning from and after December 31, 2013 through December 31, 2015, an amount equal to the depreciation allowable pursuant to section 167(a) of the internal revenue code for the taxable year as computed as if the additional allowance for depreciation had been ten percent of the amount allowed pursuant to section 168(k) of the internal revenue code.

(d) In taxable years beginning from and after December 31, 2015 through December 31, 2016, an amount equal to the depreciation allowable pursuant to section 167(a) of the internal revenue code for the taxable year as computed as if the additional allowance for depreciation had been fifty-five percent of the amount allowed pursuant to section 168(k) of the internal revenue code.

(e) In taxable years beginning from and after December 31, 2016, an amount equal to the depreciation allowable pursuant to section 167(a) of the internal revenue code for the taxable year as computed as if the additional allowance for depreciation had been the full amount allowed pursuant to section 168(k) of the internal revenue code.

18. With respect to property that is sold or otherwise disposed of during the taxable year by a taxpayer that complied with section 43-1021, paragraph 11 with respect to that property, the amount of depreciation that has been allowed pursuant to section 167(a) of the internal revenue code to the extent that the amount has not already reduced Arizona taxable income in the current or prior taxable years.

19. The amount contributed during the taxable year to college savings plans established pursuant to section 529 of the internal revenue code on behalf of the designated beneficiary to the extent that the contributions were not deducted in computing federal adjusted gross income. The amount subtracted may not exceed:

(a) $2,000 per beneficiary for a single individual or a head of household.

(b) $4,000 per beneficiary for a married couple filing a joint return. In the case of a husband and wife who file separate returns, the subtraction may be taken by either taxpayer or may be divided between them, but the total subtractions allowed both husband and wife may not exceed $4,000 per beneficiary.

20. The portion of the net operating loss carryforward that would have been allowed as a deduction in the current year pursuant to section 172 of the internal revenue code if the election described in section 172(b)(1)(H) of the internal revenue code had not been made in the year of the loss that exceeds the actual net operating loss carryforward that was deducted in arriving at federal adjusted gross income. This subtraction only applies to taxpayers who made an election under section 172(b)(1)(H) of the internal revenue code as amended by section 1211 of the American recovery and reinvestment act of 2009 (P.L. 111-5) or as amended by section 13 of the worker, homeownership, and business assistance act of 2009 (P.L. 111-92).

21. For taxable years beginning from and after December 31, 2013, the amount of any net capital gain included in federal adjusted gross income for the taxable year derived from investment in a qualified small business as determined by the Arizona commerce authority pursuant to section 41-1518.

22. An amount of any net long-term capital gain included in federal adjusted gross income for the taxable year that is derived from an investment in an asset acquired after December 31, 2011, as follows:

(a) For taxable years beginning from and after December 31, 2012 through December 31, 2013, ten percent of the net long-term capital gain included in federal adjusted gross income.

(b) For taxable years beginning from and after December 31, 2013 through December 31, 2014, twenty percent of the net long-term capital gain included in federal adjusted gross income.

(c) For taxable years beginning from and after December 31, 2014, twenty-five percent of the net long-term capital gain included in federal adjusted gross income. For the purposes of this paragraph, a transferee that receives an asset by gift or at the death of a transferor is considered to have acquired the asset when the asset was acquired by the transferor. If the date an asset is acquired cannot be verified, a subtraction under this paragraph is not allowed.

23. If an individual is not claiming itemized deductions pursuant to section 43-1042, the amount of premium costs for long-term care insurance, as defined in section 20-1691.

24. The amount of eligible access expenditures paid or incurred during the taxable year to comply with the requirements of the Americans with disabilities act of 1990 (P.L. 101-336) or title 41, chapter 9, article 8 as provided by section 43-1024.

25. For taxable years beginning from and after December 31, 2017, the amount of any net capital gain included in Arizona gross income for the taxable year that is derived from the exchange of one kind of legal tender for another kind of legal tender. For the purposes of this paragraph:

(a) "Legal tender" means a medium of exchange, including specie, that is authorized by the United States Constitution or Congress to pay debts, public charges, taxes and dues.

(b) "Specie" means coins having precious metal content.

26. Benefits, annuities and pensions received as retired or retainer pay of the uniformed services of the United States in amounts as follows:

(a) For taxable years through December 31, 2018, an amount totaling not more than $2,500.

(b) For taxable years beginning from and after December 31, 2018 through December 31, 2020, an amount totaling not more than $3,500.

(c) For taxable years beginning from and after December 31, 2020, the full amount received.

27. For taxable years beginning from and after December 31, 2020, the amount contributed during the taxable year to an achieving a better life experience account established pursuant to section 529A of the internal revenue code on behalf of the designated beneficiary to the extent that the contributions were not deducted in computing federal adjusted gross income. The amount subtracted may not exceed:

(a) $2,000 per beneficiary for a single individual or a head of household.

(b) $4,000 per beneficiary for a married couple filing a joint return. In the case of a husband and wife who file separate returns, the subtraction may be taken by either taxpayer or may be divided between them, but the total subtractions allowed both husband and wife may not exceed $4,000 per beneficiary.

28. For taxable years beginning from and after December 31, 2020, Arizona small business gross income but only if an individual taxpayer has elected to separately report and pay tax on the taxpayer's Arizona small business adjusted gross income on the Arizona small business income tax return.

29. To the extent not already excluded from Arizona gross income under the internal revenue code, the value of virtual currency and non-fungible tokens the taxpayer received pursuant to an airdrop at the time of the airdrop. This paragraph may not be interpreted as providing a subtraction for any appreciation in value that occurs from holding the virtual currency after the initial receipt of the airdrop. For the purposes of this paragraph:

(a) "Airdrop" means the receipt of virtual currency through a means of distribution of virtual currency to the distributed ledger addresses of multiple taxpayers.

(b) "Non-fungible token" has the same meaning prescribed in section 43-1028.

(c) "Virtual currency" has the same meaning prescribed in section 43-1028.

30. The amount allowed as a subtraction by section 43-1028 for gas fees not already included in the taxpayer's virtual currency or non-fungible token basis.

43-1023. Exemptions for blind persons and persons sixty-five years of age or older

A. A taxpayer is allowed an exemption of $1,500:

1. For a taxpayer who is blind or if either the taxpayer's central visual acuity does not exceed 20/200 in the better eye with correcting lenses or the taxpayer's visual acuity is greater than 20/200 but is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle not greater than twenty degrees.

2. For the taxpayer's spouse if a separate return is made by the taxpayer and if the spouse is blind as described in paragraph 1 of this subsection, has no Arizona adjusted gross income for the calendar year in which the taxable year of the taxpayer begins and is not the dependent of another taxpayer. For the purposes of this paragraph, the determination of whether the spouse is blind shall be made at the close of the taxable year of the taxpayer. If the spouse dies during the taxable year, the determination shall be made as of the time of the spouse's death.

B. A taxpayer is allowed an exemption of $2,300 for:

1. Each person sixty-five years of age or older regardless of the person's relationship to the taxpayer:

(a) If the taxpayer pays more than one-fourth of the total cost of maintaining that person in a nursing care institution or residential care institution licensed pursuant to title 36, chapter 4, or an assisted living facility provider of a type certified pursuant to title 11, chapter 2, article 7, if such payments exceed $800 in the taxable year.

(b) If the taxpayer otherwise makes payments exceeding $800 in the taxable year for home health care or other types of medical care.

2. For taxable years beginning from and after December 31, 2003, each birth for which a certificate of birth resulting in stillbirth has been issued pursuant to section 36-330 if the child otherwise would have been a member of the taxpayer's household. The taxpayer may claim the exemption under this paragraph only in the taxable year in which the stillbirth occurred.

C. For taxable years beginning from and after December 31, 1998, a resident taxpayer is allowed an exemption of $10,000 for each parent or ancestor of a parent of the taxpayer, who is sixty-five years of age or older, who requires assistance with activities of daily living and who lives in the taxpayer's principal residence for the entire taxable year, if the taxpayer pays more than one-half of the person's total support and maintenance costs. An exemption under this subsection is in lieu of an exemption under subsection B of this section for the same person.

D. An exemption under subsection B or C of this section is in lieu of claiming a credit for the same person under section 43-1073.01.

E. A taxpayer is allowed an exemption of $2,100:

1. If the taxpayer has attained sixty-five years of age before the close of the taxable year filing a separate or joint return and the taxpayer is not claimed as a dependent by another taxpayer.

2. For the taxpayer's spouse if the spouse has attained sixty-five years of age before the close of the taxable year, a joint return is filed and the spouse is not a dependent of another taxpayer.

43-1072. Earned credit for property taxes; residents sixty-five years of age or older; definitions

A. There shall be allowed to each resident a credit against the taxes imposed by this title for a taxable year for property taxes accrued or rent, or both, paid in that taxable year, in accordance with subsection B of this section, if all of the following apply:

1. Such resident attained the age of sixty-five years prior to or during the taxable year or such resident is a recipient of public monies under title 16 of the social security act, as amended.

2. Such person paid either property taxes or rent during the taxable year.

3. Such person either:

(a) Did not live with a spouse or any other persons and had an income from all sources in the taxable year of less than three thousand seven hundred fifty-one dollars.

(b) Lived with a spouse or one or more persons and the combined income from all sources in the taxable year of all persons residing in the residence was less than five thousand five hundred one dollars.

B. The credit allowed under this section is the amount of property taxes actually paid during the taxable year or the amount computed as follows, whichever is less:

1. For a person eligible under subsection A, paragraph 3, subdivision (a) of this section, according to the following table:

Household Income	Tax Credit
$ 0-1,750	$502
1,751-1,850	479
1,851-1,950	457
1,951-2,050	435
2,051-2,150	412
2,151-2,250	390
2,251-2,350	368
2,351-2,450	345
2,451-2,550	323
2,551-2,650	301
2,651-2,750	279
2,751-2,850	256
2,851-2,950	234
2,951-3,050	212
3,051-3,150	189

3,151-3,250	167
3,251-3,350	145
3,351-3,450	123
3,451-3,550	100
3,551-3,650	78
3,651-3,750	56

2. For a person eligible under subsection A, paragraph 3, subdivision (b) of this section, according to the following table:

Household Income	Tax Credit
$ 0-2,500	$502
2,501-2,650	479
2,651-2,800	457
2,801-2,950	435
2,951-3,100	412
3,101-3,250	390
3,251-3,400	368
3,401-3,550	345
3,551-3,700	323
3,701-3,850	301
3,851-4,000	279
4,001-4,150	256
4,151-4,300	234
4,301-4,450	212
4,451-4,600	189
4,601-4,750	167
4,751-4,900	145
4,901-5,050	123
5,051-5,200	100
5,201-5,350	78

5,351-5,500	56

C. The owner or lessor of property leased or rented solely for residential purposes, on request, shall furnish to the tenants of the property a written statement of the percentage of rental payments that are attributable to property tax for purposes of this section.

D. Disposition of the claimant's allowable credit shall be as provided below:

1. If the allowable amount of such claim exceeds the income taxes otherwise due on the claimant's income, the amount of the claim not used as an offset against income taxes, after audit by the department, shall be paid in the same manner as a refund granted under chapter 6, article 1 of this title. Refunds made pursuant to this paragraph are subject to setoff under section 42-1122.

2. The amount of any claim otherwise payable for credit for property taxes accrued or rent may be applied by the department against any liability outstanding on the books of the department against the claimant or against the claimant's spouse who was a member of the claimant's household in the taxable year.

E. The department shall make available suitable forms with instructions for claimants. Claimants who certify on the prescribed form that they have no income tax liability for the taxable year shall not be required to file an individual income tax return. The claim shall be in such form as the department may prescribe but shall require the social security numbers of persons who were allowed to claim as dependents for the taxes imposed by this title claimants filing pursuant to this section. The claimant shall also submit a copy of the claimant's property tax statement or a suitable representation of the statement as prescribed by the department. The department shall audit a sufficient number of claims to enforce the provisions of this chapter.

F. No claim with respect to property taxes or with respect to rent shall be allowed or paid unless the claim is actually filed on or before April 15 for the next preceding calendar year. The department may, upon request, grant for a period of not to exceed six months an extension of time for filing the claim.

G. Only one claimant per household per year shall be entitled to a tax credit pursuant to this section.

H. In this section, unless the context otherwise requires:

1. "Claimant" means a person who has filed a claim for credit under this section and was a resident of this state during the entire taxable year. In the case of a claim for rent, the claimant shall have rented property in this state during the entire taxable year except as otherwise provided by this section. If two individuals of a household are able to meet the qualifications for a claimant, they may determine between them as to whom the claimant shall be. If they are unable to agree, the matter shall be referred to the department and its decision shall be final. If a homestead is occupied by two or more individuals and more than one individual is able to qualify as a claimant, and some or all of the qualified individuals are not related, the individuals may determine among them as to whom the claimant shall be. If they are unable to agree, the matter shall be referred to the department, and its decision shall be final.

2. "Gross rent" means rental paid for the right of occupancy of a homestead or space rental paid to a landlord for the parking of a mobile home. If the department is satisfied that the gross rent charge was paid solely for purposes of receiving a credit pursuant to this section, it shall not allow a claim.

3. "Homestead" means the principal dwelling, whether owned or rented by the claimant. "Homestead" may also include a mobile home and the land upon which it is located.

4. "Household" means the household of the claimant and such other persons as resided with the claimant in the claimant's homestead during the taxable year.

5. "Household income" means all income received by all persons of a household in a taxable year while members of the household.

6. "Income" means the sum of the following:

(a) Adjusted gross income as defined by the department.

(b) The amount of capital gains excluded from adjusted gross income.

(c) Nontaxable strike benefits.

(d) Nontaxable interest received from the federal government or any of its instrumentalities.

(e) Payments received from a retirement program paid by this state or any of its political subdivisions.

(f) Payments received from a retirement program paid by the United States through any of its agencies, instrumentalities or programs, except as provided in subsection I of this section.

(g) The gross amount of any pension or annuity not otherwise exempted except as provided in subsection I of this section.

7. "Property taxes" means property taxes levied on a claimant's homestead in this state in any taxable year. For purposes of this paragraph, property taxes are "levied" when the tax roll is delivered to the county treasurer for collection. If a claimant and the claimant's household own their homestead part of the taxable year and rent it or different homesteads for the rest of the same year, provided property taxes were levied on the homestead which was owned by the claimant and the claimant's household, such claimant shall be eligible for a credit pursuant to this section.

I. Income as defined in subsection H, paragraph 6, subdivisions (f) and (g) of this section shall not include monies received from cash public assistance and relief, relief granted under the provisions of this section, railroad retirement benefits, payments received under the federal social security act (49 Stat. 620), payments received under Arizona state unemployment insurance laws, payments received from veterans' disability pensions, payments received as workers' compensation, the gross amount of "loss of time" insurance, and gifts from nongovernmental sources or surplus foods or other relief in kind supplied by a governmental agency.

43-1083.02. Renewable energy production tax credit; definitions

A. A credit is allowed against the taxes imposed by this title for the production of electricity using renewable energy resources.

B. The taxpayer is eligible for the credit:

1. If the taxpayer holds title to a qualified energy generator that first produces electricity from and after December 31, 2010 and before January 1, 2021.

2. For ten consecutive calendar years beginning with the calendar year in which the qualified energy generator begins producing electricity that is transmitted through a transmission facility to a grid connection with a public or private electric transmission or distribution utility system. That same date applies with respect to that generator until the expiration of the ten-year period regardless of whether the generator is sold to another taxpayer or goes out of production before the expiration of the ten-year period.

C. The credit authorized by this section is based on the electricity that is generated by a qualified energy generator during a calendar year. For a taxpayer that files on a fiscal year basis, the credit shall be claimed on the return for the taxable year in which the calendar year ends.

D. Subject to subsection G of this section, the amount of the credit is:

1. One cent per kilowatt-hour of the first two hundred thousand megawatt-hours of electricity produced by a qualified energy generator in the calendar year using a wind or biomass derived qualified energy resource.

2. The following amounts for electricity produced by a qualified energy generator using a solar light derived or solar heat derived qualified energy resource:

(a) Four cents per kilowatt-hour in the first calendar year in which the qualified energy generator produces electricity.

(b) Four cents per kilowatt-hour in the second calendar year in which the qualified energy generator produces electricity.

(c) Three and one-half cents per kilowatt-hour in the third calendar year in which the qualified energy generator produces electricity.

(d) Three and one-half cents per kilowatt-hour in the fourth calendar year in which the qualified energy generator produces electricity.

(e) Three cents per kilowatt-hour in the fifth calendar year in which the qualified energy generator produces electricity.

(f) Three cents per kilowatt-hour in the sixth calendar year in which the qualified energy generator produces electricity.

(g) Two cents per kilowatt-hour in the seventh calendar year in which the qualified energy generator produces electricity.

(h) Two cents per kilowatt-hour in the eighth calendar year in which the qualified energy generator produces electricity.

(i) One and one-half cents per kilowatt-hour in the ninth calendar year in which the qualified energy generator produces electricity.

(j) One cent per kilowatt-hour in the tenth calendar year in which the qualified energy generator produces electricity.

E. To qualify for the purposes of this section, an energy generator may be located within one mile of an existing qualified energy generator only if the owner of the energy generator or the owner's corporate affiliates are not the owner of or the corporate affiliate of the owner of the existing qualified energy generator.

F. To be eligible for the credit under this section, the taxpayer must apply to the department, on a form prescribed by the department, for certification of the credit. The department shall only accept applications beginning January 2 through January 31 of the year following the calendar year for which the credit is being requested. The application shall include:

1. The name, address and social security number or federal employer identification number of the applicant.

2. The location of the taxpayer's facility that produces electricity using renewable energy resources for which the credit is claimed.

3. The amount of the credit that is claimed.

4. The date the qualified energy generator began producing commercially marketable amounts of electricity.

5. Any additional information that the department requires.

G. The department shall review each application under subsection F of this section and certify to the taxpayer the amount of the credit that is authorized. The amount of the credit for any calendar year shall not exceed two million dollars per facility that produces electricity using renewable energy resources. Credits are allowed under this section and section 43-1164.03 on a first come, first served basis. The department shall not authorize tax credits under this section and section 43-1164.03 that exceed in the aggregate a total of twenty million dollars for any calendar year. The first time that a taxpayer submits a qualified application for a qualified energy generator under subsection F of this section, the department shall add the taxpayer's name to a credit authorization list that is maintained in the order in which qualified applications are first received by the department on behalf of the qualified energy generator. A taxpayer's position on the credit authorization list shall be determined in the first year the taxpayer submits an application under subsection F of this section for the qualified energy generator. The taxpayer's position on the credit authorization list for a particular qualified energy generator shall remain unchanged for the ten years that are specified in subsection B, paragraph 2 of this section or until a year in which the taxpayer fails to submit a timely application under subsection F of this section or otherwise fails to comply with this section. If a taxpayer is removed from the credit authorization list for a qualified energy generator, the taxpayer may establish a new position on the credit authorization list in a subsequent year by filing a timely application for a qualified energy generator that qualifies for the credit. If an application is received that, if authorized, would require the department to exceed the twenty million dollar limit, the department shall grant the applicant only the remaining credit amount that would not exceed the twenty million dollar limit. After the department authorizes twenty million dollars in tax credits, the department shall deny any subsequent applications that are received for that calendar year. The department shall not authorize any additional tax credits that exceed the twenty million dollar limit even if the amounts that have been certified to any taxpayer were not claimed or a taxpayer otherwise fails to meet the requirements to claim the additional credit.

H. Co-owners of a qualified energy generator, including partners in a partnership, members of a limited liability company and shareholders of an S corporation as defined in section 1361 of the internal revenue code, may each claim the pro rata share of the credit allowed under this section based on ownership interest. The total of the credits allowed all such owners of the qualified energy generator may not exceed the amount that would have been allowed for a sole owner of the generator.

I. If the allowable tax credit for a taxpayer exceeds the taxes otherwise due under this title on the claimant's income, or if there are no taxes due under this title, the amount of the claim not used to offset taxes under this

title may be carried forward for not more than five consecutive taxable years as a credit against subsequent years' income tax liability.

J. The department shall adopt rules and publish and prescribe forms and procedures as necessary to effectuate the purposes of this section.

K. For the purposes of this section:

1. "Biomass" means organic material that is available on a renewable or recurring basis, including:

(a) Forest-related materials, including mill residues, logging residues, forest thinnings, slash, brush, low-commercial value materials or undesirable species, salt cedar and other phreatophyte or woody vegetation removed from river basins or watersheds and woody material harvested for the purpose of forest fire fuel reduction or forest health and watershed improvement.

(b) Agricultural-related materials, including orchard trees, vineyard, grain or crop residues, including straws and stover, aquatic plants and agricultural processed coproducts and waste products, including fats, oils, greases, whey and lactose.

(c) Animal waste, including manure and slaughterhouse and other processing waste.

(d) Solid woody waste materials, including landscape or right-of-way tree trimmings, rangeland maintenance residues, waste pallets, crates and manufacturing, construction and demolition wood wastes, excluding pressure-treated, chemically-treated or painted wood wastes and wood contaminated with plastic.

(e) Crops and trees planted for the purpose of being used to produce energy.

(f) Landfill gas, wastewater treatment gas and biosolids, including organic waste byproducts generated during the wastewater treatment process.

2. "Qualified energy generator" means a facility that has at least five megawatts generating capacity, that is located on land in this state owned or leased by the taxpayer, that produces electricity using a qualified energy resource and that sells that electricity to an unrelated entity, unless the electricity is sold to a public service corporation.

3. "Qualified energy resource" means a resource that generates electricity through the use of only the following energy sources:

(a) Solar light.

(b) Solar heat.

(c) Wind.

(d) Biomass.

43-1091. Gross income of a nonresident

A. In the case of nonresidents, Arizona gross income includes only that portion of federal adjusted gross income which represents income from sources within this state.

B. Income of a nonresident from the wages or salary received by the nonresident employee who is in this state on a temporary basis for the purpose of performing disaster recovery from a declared disaster during a disaster period as defined in section 42-1130 is not considered income from sources within this state.

43-1092. Intangible income of a nonresident

A. Except as provided in subsection B of this section, income of nonresidents from stocks, bonds, notes or other intangible personal property is not income from sources within this state unless the property has acquired a business situs within this state, except that if a nonresident buys or sells such property in this state or places orders with brokers within this state to buy or sell such property so regularly, systematically and continuously as to constitute doing business in this state, the profit or gain derived from such activity is income from sources within this state irrespective of the situs of the property. However, in no case shall transactions extending over a period of less than six months be deemed to constitute doing business in this state.

B. Any income received by nonresidents which is derived from a small business corporation making an election pursuant to section 43-1126 shall be considered taxable income of this state.

43-1101. Definitions

In this chapter, unless the context otherwise requires:

1. "Arizona gross income" of a corporation means its federal taxable income for the taxable year.

2. "Arizona taxable income" of a corporation means its Arizona gross income adjusted by the modifications specified in article 3 of this chapter.

3. "Domestic corporation" means a corporation created or organized in the United States or under the laws of the United States or of any state of the United States or the District of Columbia.

4. "Federal taxable income" means the taxable income of a corporation computed pursuant to the internal revenue code.

5. "Foreign corporation" means any of the following:

(a) A corporation which is not a domestic corporation.

(b) A domestic corporation with less than twenty per cent of its property, payroll and sales in the United States for the three year period ending with the close of the taxable year of the corporation preceding the current taxable year, or for such part of that period as the corporation has been in existence.

(c) A domestic corporation that has derived eighty per cent or more of its federal gross income for the three year period immediately preceding the close of the taxable year, or for such part of that period as the corporation has been in existence, from sources in the Commonwealth of Puerto Rico or any other possession of the United States except the Virgin Islands if sixty per cent, for taxable years beginning in calendar year 1984, or sixty-five per cent, for taxable years beginning after calendar year 1984, or more of the domestic corporation's federal gross income for that period, or part of that period as the corporation has been in existence, was derived from the active conduct of a trade or business in the Commonwealth of Puerto Rico or any other possession of the United States except the Virgin Islands.

6. "Net income" means Arizona taxable income.

7. "Person" and "taxpayer" means a corporation.

43-1123. Net operating loss; definition

A. For the purposes of this section, "net operating loss" means:

1. In the case of a taxpayer who has a net operating loss for the taxable year within the meaning of section 172(c) of the internal revenue code, the amount of the net operating loss increased by the subtractions specified in section 43-1122, except the subtraction allowed in section 43-1122, paragraph 10, and reduced by the additions specified in section 43-1121.

2. In the case of a taxpayer not described in paragraph 1 of this subsection, any excess of the subtractions specified in section 43-1122, except the subtraction allowed in section 43-1122, paragraph 10, over the sum of the Arizona gross income plus the additions specified in section 43-1121.

B. If for any taxable year the taxpayer has a net operating loss:

1. Such net operating loss shall be a net operating loss carryover for:

(a) Each of the five succeeding taxable years for net operating losses arising in taxable periods through December 31, 2011.

(b) Each of the twenty succeeding taxable years for net operating losses arising in taxable periods beginning from and after December 31, 2011.

2. The carryover in the case of each such succeeding taxable year, other than the first succeeding taxable year, shall be the excess, if any, of the amount of such net operating loss over the sum of the taxable income for each of the intervening years computed by determining the net operating loss subtraction for each intervening taxable year, without regard to such net operating loss or to the net operating loss for any succeeding taxable year.

C. The amount of the net operating loss subtraction shall be the aggregate of the net operating loss carryovers to the taxable year.

43-1125. Domestic international sales corporation

A domestic international sales corporation, commonly referred to as "disc", as defined in section 992 of the internal revenue code shall be taxed pursuant to the provisions of this chapter without regard to the provisions of sections 991 through 996 of the internal revenue code.

43-1127. Deferred exploration expenses

The amount of exploration expenses added to Arizona gross income pursuant to section 43-1121, paragraph 10 may be subtracted on a ratable basis as the units of produced ores or minerals discovered or explored by reason of such expenditures are sold. An election made for any taxable year shall be binding for that year.

43-1129. Amortization of expenses incurred in acquisition of pollution control devices; depreciation

A. Any taxpayer may elect to amortize the adjusted basis of any device, machinery or equipment for the collection and control at the source of atmospheric and water pollutants and contaminants based upon a period of sixty months. In computing Arizona taxable income, such amortization shall be allowed as a subtraction ratably over the period allowed under this subsection beginning with the month in which such device, machinery or equipment is completed or acquired and is placed in service by the taxpayer. This election shall be indicated by the taxpayer in an appropriate statement in the taxpayer's income tax return for the taxable year of the acquisition or completion and placement in service of such devices, machinery or equipment. An election to discontinue amortization with respect to the remainder of the amortization period is permitted and shall be indicated by an appropriate statement in the taxpayer's income tax return for the taxable year of discontinuance.

B. If the taxpayer does not elect to amortize pursuant to subsection A, there shall be allowed a deduction for normal exhaustion, wear and tear of property. The amount of such deduction shall be computed pursuant to the provisions of section 167 of the internal revenue code.

C. In determining the adjusted basis for the purposes of subsection A, such device, machinery or equipment upon certification by the department of environmental quality as a device, machinery or equipment for the collection and control at the source of atmospheric and water pollutants and contaminants shall include only an amount that is properly attributable to the construction, reconstruction, remodeling, installation or acquisition of such device, machinery or equipment as certified by the department of environmental quality.

43-1130. Amortization of the cost of child care facilities

A. At the election of any corporate taxpayer operating a child care facility for the purpose of making profit, any expenditure made to purchase, construct, renovate or remodel child care facilities or equipment shall be allowable as a subtraction ratably over a period of sixty months, beginning with the month in which the property is placed in service.

B. At the election of a taxpayer operating a child care facility within this state primarily for the children of employees of the taxpayer, any expenditure made to acquire, construct, renovate or remodel the child care facility or equipment is allowable as a subtraction ratably over a period of twenty-four months beginning with the month in which the property is placed in service.

C. The subtraction provided by this section shall be in lieu of any allowance for the exhaustion, wear and tear of such property used in a trade or business or of property held for the production of income, including a reasonable allowance for obsolescence pursuant to section 167 or 188 of the internal revenue code.

D. In the case of a partnership, joint venture or other pooled investment or joint ownership of child care property each participating corporate owner may claim the pro rata share of the subtraction based on the corporate ownership interest in the property. The total of the subtractions allowed all such owners of the property shall not exceed the amount that would have been allowed for a sole owner of the property.

43-1131. Definitions

As used in this article, unless the context otherwise requires:

1. "Business income" means income arising from transactions and activity in the regular course of the taxpayer's trade or business and includes income from tangible and intangible property if the acquisition, management and disposition of the property constitute integral parts of the taxpayer's regular trade or business operations.

2. "Commercial domicile" means the principal place from which the trade or business of the taxpayer is directed or managed.

3. "Compensation" means wages, salaries, commissions and any other form of remuneration paid to employees for personal services.

4. "Nonbusiness income" means all income other than business income.

5. "Sales" means all gross receipts of the taxpayer not allocated under this article.

6. "State" means any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, any territory or possession of the United States and any foreign country or political subdivision thereof.

7. "Taxpayer" means any person subject to the tax imposed by this title.

43-1133. Taxability in other state

For purposes of allocation and apportionment of income under this article, a taxpayer is taxable in another state if either of the following applies:

1. In that state he is subject to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business or a corporate stock tax.

2. That state has jurisdiction to subject the taxpayer to a net income tax regardless of whether, in fact, the state does or does not.

43-1135. Net rents and royalties

A. Net rents and royalties from real property located in this state are allocable to this state.

B. Net rents and royalties from tangible personal property are allocable to this state either:

1. If and to the extent that the property is utilized in this state.

2. In their entirety if the taxpayer's commercial domicile is in this state and the taxpayer is not organized under the laws of or taxable in the state in which the property is utilized.

C. The extent of utilization of tangible personal property in a state is determined by multiplying the rents and royalties by a fraction, the numerator of which is the number of days of physical location of the property in the state during the rental or royalty period in the taxable year and the denominator of which is the number of days of physical location of the property everywhere during all rental or royalty periods in the taxable year. If the physical location of the property during the rental or royalty period is unknown or unascertainable by the taxpayer, tangible personal property is utilized in the state in which the property was located at the time the rental or royalty payer obtained possession.

43-1136. Capital gains and losses

A. Capital gains and losses from sales of real property located in this state are allocable to this state.

B. Capital gains and losses from the sales of tangible personal property are allocable to this state if either:

1. The property had a situs in this state at the time of the sale.

2. The taxpayer's commercial domicile is in this state and the taxpayer is not taxable in the state in which the property had a situs.

C. Capital gains and losses from sales of intangible personal property are allocable to this state if the taxpayer's commercial domicile is in this state.

43-1137. Interest and dividends

Interest and dividends are allocable to this state if the taxpayer's commercial domicile is in this state unless the interest or dividend constitutes business income.

43-1138. Patent and copyright royalties

A. Patent and copyright royalties are allocable to this state either:

1. If and to the extent that the patent or copyright is utilized by the payer in this state.

2. If and to the extent that the patent or copyright is utilized by the payer in a state in which the taxpayer is not taxable and the taxpayer's commercial domicile is in this state.

B. A patent is utilized in a state to the extent that it is employed in production, fabrication, manufacturing or other processing in the state or to the extent that a patented product is produced in the state. If the basis of receipts from patent royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the patent is utilized in the state in which the taxpayer's commercial domicile is located.

C. A copyright is utilized in a state to the extent that printing or other publication originates in the state. If the basis of receipts from copyright royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the copyright is utilized in the state in which the taxpayer's commercial domicile is located.

43-1139. Allocation of business income

A. Except as provided in subsection B of this section, the taxpayer shall elect to apportion all business income to this state for taxable years beginning from and after:

1. December 31, 2006 through December 31, 2007 by either:

(a) Multiplying the income by a fraction, the numerator of which is the property factor plus the payroll factor plus two times the sales factor, and the denominator of which is four.

(b) Multiplying the income by a fraction, the numerator of which is two times the property factor plus two times the payroll factor plus six times the sales factor, and the denominator of which is ten.

2. December 31, 2007 through December 31, 2008 by either:

(a) Multiplying the income by a fraction, the numerator of which is the property factor plus the payroll factor plus two times the sales factor, and the denominator of which is four.

(b) Multiplying the income by a fraction, the numerator of which is one and one-half times the property factor plus one and one-half times the payroll factor plus seven times the sales factor, and the denominator of which is ten.

3. December 31, 2008 through December 31, 2013 by either:

(a) Multiplying the income by a fraction, the numerator of which is the property factor plus the payroll factor plus two times the sales factor, and the denominator of which is four.

(b) Multiplying the income by a fraction, the numerator of which is the property factor plus the payroll factor plus eight times the sales factor, and the denominator of which is ten.

4. December 31, 2013 through December 31, 2014 by either:

(a) Multiplying the income by a fraction, the numerator of which is the property factor plus the payroll factor plus two times the sales factor, and the denominator of which is four.

(b) Multiplying the income by a fraction, the numerator of which is seven and one-half times the property factor plus seven and one-half times the payroll factor plus eighty-five times the sales factor, and the denominator of which is one hundred.

5. December 31, 2014 through December 31, 2015 by either:

(a) Multiplying the income by a fraction, the numerator of which is the property factor plus the payroll factor plus two times the sales factor, and the denominator of which is four.

(b) Multiplying the income by a fraction, the numerator of which is five times the property factor plus five times the payroll factor plus ninety times the sales factor, and the denominator of which is one hundred.

6. December 31, 2015 through December 31, 2016 by either:

(a) Multiplying the income by a fraction, the numerator of which is the property factor plus the payroll factor plus two times the sales factor, and the denominator of which is four.

(b) Multiplying the income by a fraction, the numerator of which is two and one-half times the property factor plus two and one-half times the payroll factor plus ninety-five times the sales factor, and the denominator of which is one hundred.

7. December 31, 2016 by either:

(a) Multiplying the income by a fraction, the numerator of which is the property factor plus the payroll factor plus two times the sales factor, and the denominator of which is four.

(b) Multiplying the income by the sales factor.

B. All business income of a taxpayer engaged in air commerce shall be apportioned to this state by multiplying the income by a fraction, the numerator of which is the revenue aircraft miles flown within this state for flights beginning or ending in this state and the denominator of which is the total revenue aircraft miles flown by the taxpayer's aircraft everywhere. This subsection applies to each taxpayer, including a combined group filing a combined return or an affiliated group electing to file a consolidated return under section 43-947, if fifty per cent or more of that taxpayer's gross income is derived from air commerce. For the purposes of this subsection:

1. "Air commerce" means transporting persons or property for hire by aircraft in interstate, intrastate or international transportation.

2. "Revenue aircraft miles flown" has the same meaning prescribed by the United States department of transportation uniform system of accounts and reports for large certificated air carriers (14 Code of Federal Regulations part 241).

43-1140. Property factor

The property factor is a fraction, the numerator of which is the average value of the taxpayer's real and tangible personal property owned or rented and used in this state during the tax period and the denominator of which is the average value of all the taxpayer's real and tangible personal property owned or rented and used during the tax period other than real and tangible personal property used by either:

1. A foreign corporation which is not itself subject to the tax imposed by this title, unless the corporation is subject to the tax as a member of an Arizona affiliated group, as defined in section 43-947.

2. An insurance company that is exempt from tax under section 43-1201.

43-1141. Valuation of property

Property owned by the taxpayer is valued at its original cost. Property rented by the taxpayer is valued at eight times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the taxpayer less any annual rental rate received by the taxpayer from subrentals.

43-1142. Average value of property

The average value of property shall be determined by averaging the values at the beginning and ending of the tax period, but the department may require the averaging of monthly values during the tax period if reasonably required to reflect properly the average value of the taxpayer's property.

43-1143. Payroll factor

The payroll factor is a fraction, the numerator of which is the total amount paid in this state during the tax period by the taxpayer for compensation, and the denominator of which is the total compensation paid everywhere during the tax period other than compensation paid by either:

1. A foreign corporation which is not itself subject to the tax imposed by this title, unless the corporation is subject to the tax as a member of an Arizona affiliated group, as defined in section 43-947.

2. An insurance company that is exempt from tax under section 43-1201.

43-1144. Compensation paid in state

Compensation is paid in this state if any of the following apply:

1. The individual's service is performed entirely within this state.

2. The individual's service is performed both within and without the state, but the service performed without the state is incidental to the individual's service within the state.

3. Some of the service is performed in the state and the base of operations or, if there is no base of operations, the place from which the service is directed or controlled is in the state, or the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual's residence is in this state.

43-1145. Sales factor

The sales factor is a fraction, the numerator of which is the total sales of the taxpayer in this state during the tax period, and the denominator of which is the total sales of the taxpayer everywhere during the tax period other than sales of either:

1. A foreign corporation which is not itself subject to the tax imposed by this title, unless the corporation is subject to the tax as a member of an Arizona affiliated group, as defined in section 43-947.

2. An insurance company that is exempt from tax under section 43-1201.

43-1146. Situs of sales of tangible personal property

Sales of tangible personal property are considered to be in this state if the property is delivered or shipped to a purchaser, other than the United States government, within this state regardless of the F.O.B. point or other conditions of the sale.

43-1147. Situs of sales of other than tangible personal property; definitions

A. Except as provided by subsection B of this section, sales, other than sales of tangible personal property, are in this state if either of the following applies:

1. The income-producing activity is performed in this state.

2. The income-producing activity is performed both in and outside this state and a greater proportion of the income-producing activity is performed in this state than in any other state, based on costs of performance.

B. For taxable years beginning from and after December 31, 2013, a multistate service provider may elect to treat sales from services as being in this state based on a combination of income-producing activity sales and market sales. If the election under this subsection is made pursuant to subsection C of this section, the sales of services that are in this state shall be determined for taxable years beginning from and after:

1. December 31, 2013 through December 31, 2014, by the sum of the following:

(a) Eighty-five percent of the market sales.

(b) Fifteen percent of the income-producing activity sales.

2. December 31, 2014 through December 31, 2015, by the sum of the following:

(a) Ninety percent of the market sales.

(b) Ten percent of the income-producing activity sales.

3. December 31, 2015 through December 31, 2016, by the sum of the following:

(a) Ninety-five percent of the market sales.

(b) Five percent of the income-producing activity sales.

4. December 31, 2016, by one hundred percent of the market sales.

C. A multistate service provider may elect to treat sales from services as being in this state under subsection B of this section as follows:

1. The election must be made on the taxpayer's timely filed original income tax return. The election is:

(a) Effective retroactively for the full taxable year of the income tax return on which the election is made.

(b) Binding on the taxpayer for at least five consecutive taxable years, regardless of whether the taxpayer no longer meets the percentage threshold of a multistate service provider during that time period, except as provided by paragraph 2 of this subsection. To continue with the election after five consecutive taxable years, the taxpayer must meet the qualifications to be considered a multistate service provider and renew the election for another five consecutive taxable years.

2. During the election period, the election may be terminated as follows:

(a) Without the permission of the department on the acquisition or merger of the taxpayer.

(b) With the permission of the department before the expiration of five consecutive taxable years.

D. For a multistate service provider under subsection E, paragraph 3, subdivision (b) of this section, an election under subsection B of this section is limited to the treatment of sales for educational services. For a multistate

service provider under subsection E, paragraph 3, subdivision (c) of this section, an election under subsection B of this section is limited to the treatment of sales for support services, the payment for which is a percentage of the sales for educational services generated by a regionally accredited institution of higher education.

E. For the purposes of this section:

1. "Income-producing activity sales" means the total sales from services that are sales in this state under subsection A of this section.

2. "Market sales" means the total sales from services and sales of intangibles, as defined in paragraph 3, subdivision (a) of this subsection, for which the purchaser received the benefit of the service or intangibles in this state.

3. "Multistate service provider" means any of the following:

(a) A taxpayer that derives more than eighty-five percent of its sales from services or sales from intangibles provided to purchasers who receive the benefit of the service or intangibles outside this state in the taxable year of election, and includes all taxpayers required to file a combined report pursuant to section 43-942 and all members of an affiliated group included in a consolidated return pursuant to section 43-947. In calculating the eighty-five percent, sales to students receiving educational services at campuses physically located in this state shall be excluded from the calculation. For the purposes of this subdivision, "sales from intangibles" means sales derived from credit and charge card receivables, including fees, merchant discounts, interchanges, interest and related revenue.

(b) A taxpayer that is a regionally accredited institution of higher education with at least one university campus in this state that has more than two thousand students residing on the campus, and includes all taxpayers required to file a combined report pursuant to section 43-942 and all members of an affiliated group included in a consolidated return pursuant to section 43-947.

(c) A taxpayer that has more than two thousand employees in this state and that derives more than eighty-five percent of its sales from support services provided to a regionally accredited institution of higher education, and includes all taxpayers required to file a combined report pursuant to section 43-942 and all members of an affiliated group included in a consolidated return pursuant to section 43-947.

4. "Received the benefit of the service in this state" means the services are received by the purchaser in this state. If the state where the services are received cannot be readily determined, the services are considered to be received at the home of the customer or, in the case of a business, the office of the customer from which the services were ordered in the regular course of the customer's trade or business. If the ordering location cannot be determined, the services are considered to be received at the home or office of the customer to which the services were billed. In the case of a multistate service provider under paragraph 3, subdivision (c) of this subsection, the benefit of support services shall be deemed received at the billing address of the student to which the services relate.

5. "Sales for educational services" means tuition and fees required for enrollment and fees required for courses of instruction, transcripts and graduation.

43-1148. Apportionment by department

A. If the allocation and apportionment provisions of this article do not fairly represent the extent of the taxpayer's business activity in this state, the taxpayer may petition for or the department may require, in respect to all or any part of the taxpayer's business activity, if reasonable, any of the following:

1. Separate accounting, except with respect to an Arizona affiliated group, as defined in section 43-947.

2. The exclusion of any one or more of the factors.

3. The inclusion of one or more additional factors which will fairly represent the taxpayer's business activity in this state.

4. The employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income, other than disallowing a properly elected consolidated return.

B. If the department, in the exercise of its discretion, determines that an adjustment is necessary pursuant to subsection A of this section, it may, in its discretion, authorize such an adjustment for a period of not less than one taxable year.

43-1149. Interpretation

This article shall be so construed as to effectuate its general purpose to make uniform the law of those states which enact it.

43-1164.03. Renewable energy production tax credit; definitions

A. A credit is allowed against the taxes imposed by this title for the production of electricity using renewable energy resources.

B. The taxpayer is eligible for the credit:

1. If the taxpayer holds title to a qualified energy generator that first produces electricity from and after December 31, 2010 and before January 1, 2021.

2. For ten consecutive calendar years beginning with the calendar year in which the qualified energy generator begins producing electricity that is transmitted through a transmission facility to a grid connection with a public or private electric transmission or distribution utility system. That same date applies with respect to that generator until the expiration of the ten-year period regardless of whether the generator is sold to another taxpayer or goes out of production before the expiration of the ten-year period.

C. The credit authorized by this section is based on the electricity that is generated by a qualified energy generator during a calendar year. For a taxpayer that files on a fiscal year basis, the credit shall be claimed on the return for the taxable year in which the calendar year ends.

D. Subject to subsection G of this section, the amount of the credit is:

1. One cent per kilowatt-hour of the first two hundred thousand megawatt-hours of electricity produced by a qualified energy generator in the calendar year using a wind or biomass derived qualified energy resource.

2. The following amounts for electricity produced by a qualified energy generator using a solar light derived or solar heat derived qualified energy resource:

(a) Four cents per kilowatt-hour in the first calendar year in which the qualified energy generator produces electricity.

(b) Four cents per kilowatt-hour in the second calendar year in which the qualified energy generator produces electricity.

(c) Three and one-half cents per kilowatt-hour in the third calendar year in which the qualified energy generator produces electricity.

(d) Three and one-half cents per kilowatt-hour in the fourth calendar year in which the qualified energy generator produces electricity.

(e) Three cents per kilowatt-hour in the fifth calendar year in which the qualified energy generator produces electricity.

(f) Three cents per kilowatt-hour in the sixth calendar year in which the qualified energy generator produces electricity.

(g) Two cents per kilowatt-hour in the seventh calendar year in which the qualified energy generator produces electricity.

(h) Two cents per kilowatt-hour in the eighth calendar year in which the qualified energy generator produces electricity.

(i) One and one-half cents per kilowatt-hour in the ninth calendar year in which the qualified energy generator produces electricity.

(j) One cent per kilowatt-hour in the tenth calendar year in which the qualified energy generator produces electricity.

E. To qualify for the purposes of this section, an energy generator may be located within one mile of an existing qualified energy generator only if the owner of the energy generator or the owner's corporate affiliates are not the owner of or the corporate affiliate of the owner of the existing qualified energy generator.

F. To be eligible for the credit under this section, the taxpayer must apply to the department, on a form prescribed by the department, for certification of the credit. The department shall only accept applications beginning January 2 through January 31 of the year following the calendar year for which the credit is being requested. The application shall include:

1. The name, address and social security number or federal employer identification number of the applicant.

2. The location of the taxpayer's facility that produces electricity using renewable energy resources for which the credit is claimed.

3. The amount of the credit that is claimed.

4. The date the qualified energy generator began producing commercially marketable amounts of electricity.

5. Any additional information that the department requires.

G. The department shall review each application under subsection F of this section and certify to the taxpayer the amount of the credit that is authorized. The amount of the credit for any calendar year shall not exceed two million dollars per facility that produces electricity using renewable energy resources. Credits are allowed under this section and section 43-1083.02 on a first come, first served basis. The department shall not authorize tax credits under this section and section 43-1083.02 that exceed in the aggregate a total of twenty million dollars for any calendar year. The first time that a taxpayer submits a qualified application for a qualified energy generator under subsection F of this section, the department shall add the taxpayer's name to a credit authorization list that is maintained in the order in which qualified applications are first received by the department on behalf of the qualified energy generator. A taxpayer's position on the credit authorization list shall be determined in the first year the taxpayer submits an application under subsection F of this section for the qualified energy generator. The taxpayer's position on the credit authorization list for a particular qualified energy generator shall remain unchanged for the ten years that are specified in subsection B, paragraph 2 of this section or until a year in which the taxpayer fails to submit a timely application under subsection F of this section or otherwise fails to comply with this section. If a taxpayer is removed from the credit authorization list for a qualified energy generator, the taxpayer may establish a new position on the credit authorization list in a subsequent year by filing a timely application for a qualified energy generator that qualifies for the credit. If an application is received that, if authorized, would require the department to exceed the twenty million dollar limit, the department shall grant the applicant only the remaining credit amount that would not exceed the twenty million dollar limit. After the department authorizes twenty million dollars in tax credits, the department shall deny any subsequent applications that are received for that calendar year. The department shall not authorize any additional tax credits that exceed the twenty million dollar limit even if the amounts that have been certified to any taxpayer were not claimed or a taxpayer otherwise fails to meet the requirements to claim the additional credit.

H. Co-owners of a qualified energy generator, including corporate partners in a partnership and members of a limited liability company, may each claim the pro rata share of the credit allowed under this section based on ownership interest. The total of the credits allowed all such owners of the qualified energy generator may not exceed the amount that would have been allowed for a sole owner of the generator.

I. If the allowable tax credit for a taxpayer exceeds the taxes otherwise due under this title on the claimant's income, or if there are no taxes due under this title, the amount of the claim not used to offset taxes under this title may be carried forward for not more than five consecutive taxable years as a credit against subsequent years' income tax liability.

J. The department shall adopt rules and publish and prescribe forms and procedures as necessary to effectuate the purposes of this section.

K. For the purposes of this section:

1. "Biomass" means organic material that is available on a renewable or recurring basis, including:

(a) Forest-related materials, including mill residues, logging residues, forest thinnings, slash, brush, low-commercial value materials or undesirable species, salt cedar and other phreatophyte or woody vegetation removed from river basins or watersheds and woody material harvested for the purpose of forest fire fuel reduction or forest health and watershed improvement.

(b) Agricultural-related materials, including orchard trees, vineyard, grain or crop residues, including straws and stover, aquatic plants and agricultural processed coproducts and waste products, including fats, oils, greases, whey and lactose.

(c) Animal waste, including manure and slaughterhouse and other processing waste.

(d) Solid woody waste materials, including landscape or right-of-way tree trimmings, rangeland maintenance residues, waste pallets, crates and manufacturing, construction and demolition wood wastes, excluding pressure-treated, chemically-treated or painted wood wastes and wood contaminated with plastic.

(e) Crops and trees planted for the purpose of being used to produce energy.

(f) Landfill gas, wastewater treatment gas and biosolids, including organic waste byproducts generated during the wastewater treatment process.

2. "Qualified energy generator" means a facility that has at least five megawatts generating capacity, that is located on land in this state owned or leased by the taxpayer, that produces electricity using a qualified energy resource and that sells that electricity to an unrelated entity, unless the electricity is sold to a public service corporation.

3. "Qualified energy resource" means a resource that generates electricity through the use of only the following energy sources:

(a) Solar light.

(b) Solar heat.

(c) Wind.

(d) Biomass.

43-1411. Partnership, individual partnership liability

An individual carrying on a business in partnership shall be liable for income tax only in his individual capacity.

F.

CONSIDERATION, DISCUSSION, AND POSSIBLE ACTION ON A.R.S. § 41-1033(H) INFORMATION RELATED TO DEPARTMENT OF PUBLIC SAFETY SUBSTANTIVE POLICY STATEMENT CVETFD-1

GOVERNOR'S REGULATORY REVIEW COUNCIL

ATTORNEY MEMORANDUM - PETITION

MEETING DATE: February 4, 2025

TO: Members of the Governor's Regulatory Review Council (Council)

FROM: Council Staff

DATE: November 13, 2024

SUBJECT: **A.R.S. 41-1033(H) Information - Department of Public Safety**

Background

On September 16, 2024, GRRC staff received a correspondence from Amy Carlyle, Executive Director of Career Development, Inc. dba Northern Arizona Academy, requesting review of Department of Public Safety (Department) substantive policy statement CVETFD-1, which was published in Volume 28, Issue 38 of the Arizona Administrative Register on September 23, 2022. Specifically, Ms. Carlyle alleges, while Senate Bill (SB) 1630 and A.R.S. § 15-925 authorized the Department to adopt rules regulating the use of 11- to 15-person passenger vehicles, the Department has not done so.[1] Instead, the Department issued the above-referenced substantive policy statement which sets forth applicable requirements. Ms. Carlyle alleges, "[s]ubstantive [p]olicy [s]tatements cannot create rules or 'impose additional requirements or penalties on regulated parties.'" *See* Carlyle correspondence dated September 16, 2024.

Relevant Statutes

A.R.S. § 41-1033(H) allows a person to submit information to the Council "that alleges an existing agency practice or substantive policy statement may constitute a rule." Pursuant to A.R.S. § 41-1001(24) a "substantive policy statement" is defined as "a written expression which

[1] The Department indicates it is statutorily required to consult with the Student Transportation Advisory Council (STAC), established by A.R.S. § 28-3053 and pursuant to A.R.S. §§ 28-900(A) and 28-3228(B)(1) and (C), to implement rules. However, the STAC currently has no appointed members and cannot meet. As such, the Department has been unable to make rules for the regulation of 11- to 15- person passenger vehicles.

informs the general public of an agency's current approach to, or opinion of, the requirements of the federal or state constitution, federal or state statute, administrative rule or regulation, or final judgment of a court of competent jurisdiction, including, where appropriate, the agency's current practice, procedure or method of action based upon that approach or opinion. *A substantive policy statement is advisory only.* A substantive policy statement does not include internal procedural documents which only affect the internal procedures of the agency and *does not impose additional requirements or penalties on regulated parties,* confidential information or rules made in accordance with this chapter." (Emphasis added). Alternatively, a "rule" is defined as "an agency statement of general applicability that implements, interprets or prescribes law or policy, or describes the procedure or practice requirements of an agency." *See* A.R.S. § 41-1001(21).

If the Council receives information that alleges an existing agency practice or substantive policy statement may constitute a rule, and at least three Council members request of the Chairperson that the matter be heard in a public meeting:

1. Within ninety days after receipt of the third council member's request, the council shall determine whether the agency practice or substantive policy statement constitutes a rule.

2. Within ten days after receipt of the third council member's request, the council shall notify the agency that the matter has been or will be placed on an agenda.

3. Not later than thirty days after receiving notice from the council, the agency shall submit a statement not more than five double-spaced pages to the council that addresses whether the existing agency practice, substantive policy statement constitutes a rule.

See A.R.S. § 41-1033(H).

Analysis

It appears the Department's substantive policy statement CVETFD-1 may constitute rules related to regulation of 11- to 15-person passenger vehicles in lieu of rules enacted through the rulemaking process. Section A of CVETFD-1 explicitly states, "[u]ntil such time as the Department can consult with the [STAC] and implement final rules in relation to the provisions in Senate Bill (SB) 1630 and A.R.S. § 15-925…, the Department's interim intent to authorize, inspect and enforce 11- to-15-person passenger vehicles (925 vehicles) and drivers will be in a manner consistent with other types of school buses and in accordance with this policy statement." Sections B through M of CVETFD-1 go on to outline the requirements for regulated parties with Section N indicating the CVETFD-1 will expire "upon the filing of final rules." As such, CVETFD-1 appears to impose additional requirements or penalties on regulated parties and is not merely advisory, falling outside the definition of a substantive policy statement. Instead, CVETFD-1 likely meets the definition of a rule as it sets forth the Department's current approach to, or opinion of, the requirements of federal or state statute and administrative rule or regulation.

Conclusion

Council staff believes Ms. Carlyle has provided sufficient information alleging the Department's substantive policy statement CVETFD-1 may constitute rules pursuant to A.R.S. § 41-1033(H). Therefore, Council staff recommends that this matter receive a hearing at a future Council meeting.

The Substantive Policy issued by the Arizona Department of Public Safety in the Arizona Administrative Register Volume 28 Issue 38 page 2499 is being used as a rule to impose additional requirements on regulated parties without following the requirements established by law to impose restrictions or guidelines on the use of 15 passenger motor vehicles. In short, because DPS has not assembled the Student Transportation Advisory Council, they are attempting to short-cut the process and impose rules on Charter schools and Districts using a Substantive Policy instead of following the protocol required by law to create rules.

State Bill 1630 passed in July 2020 states the following (highlighting and emphasis added):

15-925. School transportation; allowable vehicles

NOT WITHSTANDING ANY OTHER LAW, A SCHOOL DISTRICT OR CHARTER SCHOOL IN THIS STATE OR A PRIVATELY OWNED AND OPERATED ENTITY THAT IS CONTRACTED FOR COMPENSATION WITH A SCHOOL DISTRICT OR CHARTER SCHOOL IN THIS STATE MAY USE A MOTOR VEHICLE THAT IS DESIGNED TO CARRY AT LEAST ELEVEN AND NOT MORE THAN FIFTEEN PASSENGERS **OR** A MOTOR VEHICLE THAT IS DESIGNED AS A TYPE A SCHOOL BUS **OR** TYPE B SCHOOL BUS AS DEFINED BY THE DEPARTMENT OF PUBLIC SAFETY TO CARRY AT LEAST ELEVEN AND UP TO FIFTEEN PASSENGERS TO TRANSPORT STUDENTS TO OR FROM HOME OR SCHOOL ON A REGULARLY SCHEDULED BASIS IN ACCORDANCE WITH THE SAFETY RULES ADOPTED BY THE DEPARTMENT OF PUBLIC SAFETY PURSUANT TO SECTIONS 28-900 AND 28-3228.

Sec. 6. Section 28-900, Arizona Revised Statutes, is amended to read:

28-900. School transportation rules

A. The department of public safety in consultation with the STUDENT TRANSPORTATION advisory council established by section 28-3053 shall adopt rules as necessary to improve the safety and welfare of STUDENT passengers by minimizing the probability of accidents involving school buses and STUDENT passengers and by minimizing the risk of serious bodily injury to STUDENT passengers in the event of an accident.

B. The rules may include:

1. Minimum standards for the design and equipment of school buses THAT ARE DESIGNED FOR SIXTEEN OR MORE PASSENGERS.

2. Minimum standards for the periodic inspection and maintenance of school buses THAT ARE DESIGNED FOR SIXTEEN OR MORE PASSENGERS.

3. Procedures for the operation of school buses THAT ARE DESIGNED FOR SIXTEEN OR MORE PASSENGERS

4. MINIMUM STANDARDS FOR THE DESIGN AND EQUIPMENT OF MOTOR VEHICLES DESCRIBED IN SECTION 15-925 **THAT ARE SUBSTANTIALLY DIFFERENT** THAN THE MINIMUM STANDARDS PRESCRIBED IN PARAGRAPH 1 OF THIS SUBSECTION.

5. MINIMUM STANDARDS FOR THE PERIODIC INSPECTION AND MAINTENANCE OF MOTOR VEHICLES DESCRIBED IN SECTION 15-925.

6. PROCEDURES FOR THE OPERATION OF MOTOR VEHICLES DESCRIBED IN 7 SECTION 15-925.

7. Other criteria as deemed by the department of public safety and the STUDENT TRANSPORTATION advisory council to be necessary and appropriate to ensure the safe operation of school buses AND MOTOR VEHICLES THAT ARE DESCRIBED IN SECTION 15-925. ANY RULES ADOPTED PURSUANT TO THIS SECTION SHALL ALLOW FOR A VARIETY OF VEHICLES TO BE USED TO MEET THE NEEDS OF STUDENTS AND SYSTEMS OF VARYING SIZES AND LOCATIONS.

The Substantive policy statement issued in the Arizona Administrative Register Volume 28 Issue 38 page 2499 states requirements for motor vehicle usage that undermines and restricts the usage of motor vehicles as intended by the law. Furthermore, the requirements listed are not "substantially different than the minimum standards for school busses" nor were they created "in consultation with the Student Transportation Advisory Council."

Additionally, "The Administrative Procedure Act requires the publication of substantive policy statements issued by agencies (A.R.S. § 41-1013(B)(14)). Substantive policy statements are written expressions which inform the general public of an agency's current approach to rule or regulation practice. **Substantive policy statements are advisory only.** A substantive policy statement does not include internal procedural documents that only affect the internal procedures of the agency and **does not impose additional requirements or penalties on regulated parties"**

However, I was told by Sergeant Will Lunt of DPS, "DPS is charged with writing rules to govern the use of 11-15 passenger vehicles for school bus use. The rules cannot be finalized until the Student Transportation Advisory Council, which is addressed in SB1630, is appointed and functioning. Until the Council is up and running, **the Substantive Policy Statement is the rule**

that must be followed." It is my understanding that Substantive Policies are not rules, but internal guidelines.

Subject: RE: Petition for the Review of Substantive Policy Statement
To: grrccomments@azdoa.gov <grrccomments@azdoa.gov>

I would like to add some additional information that I have obtained.

Specifically, the section of SB 1630 that DPS is ignoring is the following:

28-900 Authorizes DPS school transportation rules to include minimum standards for the:

a) design and equipment of 11-15 passenger vehicles that are **substantially different from the minimum standards for school buses**;

b) periodic inspection and maintenance of 11-15 passenger vehicles;

c) establishment of procedures for the operation of 11-15 passenger vehicles; and

d) to allow for a variety of vehicles to be used to meet the needs of students and systems of varying sizes and locations.

The statute clearly differentiates between Schol Busses that are designed for 16 or more passengers and Motor Vehicles described in section 15-925

The Substantive Policy Statement ignores this and instead says the motor vehicles described in section 15-925 must meet the same standards as school busses that are designed for 16 or more passengers. This is clearly the establishment of a rule that ignores the law enacted by SB1630.

Thank you,

Amy Carlyle

Subject: Petition for the Review of Substantive Policy Statement

Hello,

[Quoted text hidden]

Arizona Department of Public Safety
Response to Petition on Substantive Policy Statement
A.R.S. § 15-925, 11 to 15 Student Transportation Passenger Vehicles
13 A.A.C. 13, School Buses
January 2025

"In an apparent effort to reduce transportation costs, some school districts and other school operators across the nation have purchased or leased full-sized passenger vans with capacities of 10 passengers or more (11 or more persons including the driver) in lieu of school buses; refer to Figure 1 *Van Descriptions* on Page 5. Since drivers of these vehicles are not required to possess a CDL, schools may be able to bypass a number of federal and state requirements. In addition to the lack of a CDL, drivers of vans may not receive specialized driver training, a criminal background check, a periodic medical fitness examination, drug and alcohol testing or ongoing checks for driving violations."[1] "Under federal law, any motor vehicle designed to carry 10 passengers (11 or more persons including the driver) is classified as a *bus*. A *bus* is classified as a *school bus* if it is used, or intended for use, in transporting students to and from school or school related activities."[1] Congress specified in 2005 that "…schools or school systems may not purchase or lease a new van designed to transport 10 to 14 passengers (11 to 15 persons including the driver) and not built to school bus or multifunction school activity bus standards, if the vehicle will be used by, or on behalf of, the school or school system to transport preprimary, primary, or secondary school students to or from school or an event related to school."[1] Federal law prohibits dealers from selling or leasing these vehicles if Federal Motor Vehicle Safety Standards for school buses or multifunction school activity-buses are not met. For some of these vehicles, the dealers/manufacturers apply a certification label stating *Not A School Bus*. The Department has encountered these *Not A School Bus* labels in viewing some of these vans. A.R.S. § 15-925 intends to regulate these vans and drivers to ensure the intended use of the van, the skill of the driver and conformance with safety standards.

[1] National Association of State Directors of Pupil Transportation Services, Position Paper: Non-conforming Vans Used for School Transportation, December 4, 2017.

The Department has two groups of stakeholders; One: the schools who operate the vehicles and Two: the children (and their parents) and other adults (e.g. teachers and teacher aides) who ride on those vehicles. The Department is required to inspect and certify the vehicles under A.R.S. § 15-925. The Department is also required under statute (A.R.S. §§ 28-900 and 28-3228) to consult with the Student Transportation Advisory Council (STAC) on *all matters* related to rulemaking.

As the Department indicated in its five-year review report to the Council earlier in 2024, the STAC currently has no appointed members and did not have enough members to form a quorum over the last several years to conduct any form of rulemaking. The Department stated in the report it sought legal advice on whether it could proceed with rulemaking without consulting the STAC. The legal opinion was the Department could not proceed. Without other alternatives, the Department then had to consider the policy statement as an interim intent to implement the statute until rulemaking could occur. Had the Department had the ability to bypass the STAC, it would likely have engaged in an Emergency Rulemaking to implement A.R.S. § 15-925 and then conduct a regular rulemaking right behind it; but that was not possible.

In response to Member Thorwald's comments during the five-year review meetings earlier this year, the Department has been proactive on the STAC over the last several years. Each year, the Department has reminded the Governor's Office of the need for a STAC and has multiple times provided a list of names totaling approximately 60 candidates from the schools who were interested in being appointed to the STAC. However, at the time of this statement there remains no members on the STAC.

When A.R.S. § 15-925 went into effect, the Department was contacted by schools to receive an inspection certification and other guidance as they wanted to purchase and put these vehicles and drivers into service as quickly as possible but did not want to purchase vehicles that may conflict with future administrative code. The Department cannot, in good faith, issue an inspection approval sticker to a vehicle or certify a driver without basing the decision on some set of criteria. The Department created the policy statement that set forth a

series of minimum, least intrusive criteria to certify these vehicles and drivers in a good and reasonable faith effort so the schools would not be delayed in purchasing and using those vehicles.

Regarding A.R.S. § 28-900(B)(4), the Department's interpretation is the statute creates a permissive statement for the Department to create standards for these vehicles that may be substantially different than other school buses. The Department did not interpret this passage to mean it is limited to only creating standards that are substantially different than other school buses. The Department believes there are elements in design, equipment and operation from other school buses that are appropriate, but it also recognizes these vehicles may be of a different design, requiring a different approach where appropriate. For example, the Department believes it is appropriate to paint these vehicles the traditional school-bus yellow as opposed to setting a substantially different paint color standard as the motoring public is accustomed to school-bus yellow. The Department further argues that setting rules that are only substantially different makes no logical sense; for example, tires must still meet tread depth and inflation standards, brakes still need to work, and rotors and pads still need to meet a minimum thickness, horns must still work, lights/lamps/turn signals must still work and so forth. If the Department could only write new rules that were substantially different, then that would mean tires, brakes, lights and the like could not be regulated as they would be duplicative in concept to other school buses. The Department does not believe the legislative intent was to allow the A.R.S. § 15-925 vehicles to travel on the roadway with bad tires, bad brakes and other non-functioning equipment and untrained drivers. As mentioned, the Department does believe there are differences that don't make sense to regulate equally and accounts for such in its policy; for example, these vehicles do not come equipped with roof and window emergency exits and therefore are logically not subject to that inspection.

The Department believes the drivers should meet a minimum standard. As with other school buses, the driver is responsible for the children and is often the only adult onboard with the children. Should an emergency

occur, the driver should still have the training to handle the situation and the physical ability to remove children, including special-needs children from harm.

Since the policy statement went into effect in 2022, the Department has not received any negative criticism until recently leading to the petition to the Council. Additionally, the Department has held open, in-person Question & Answer sessions with stakeholders at the 2023 and 2024 School Transportation Administrators of Arizona annual conference (https://taa-online.org). This conference includes school transportation administrators, school bus drivers and school bus mechanics. At both conferences, the Department did not receive any negative questions or concerns about the policy statement.

Collisions in school vehicles are not uncommon. In 2024 the Department investigated 500 collisions/incidents involving school buses. In 2020 there was a single vehicle fatality collision where an 11 to 15 passenger van with an unregulated driver overcorrected, rolling the van, ejecting and killing three students (one each from Duncan, Pima and Thatcher high schools). In 2023, the Gila River Leading Edge Academy with their 11 to 15 passenger van was involved in a head-on collision with multiple occupants receiving serious injuries.

Additionally, it is not uncommon for Department school bus inspectors to find school buses that do not meet safety standards; where the school was either unaware of the problem or were deficient in maintenance to correct a known problem. In 2024 the Department placed 1,323 school buses out-of-service for a total of 2,045 major safety violations.

If the Department cannot enforce a set of interim minimum standards until a STAC is appointed and formal rules promulgated, the Department would have no choice but to cease all inspection and certification of these vehicles and drivers and permit unregulated drivers and unregulated vehicles to transport Arizona's children to and from school. "The National Association of State Directors of Pupil Transportation Services believes that it is appropriate to require higher levels of safety in vehicles that transport children to and from

school and school-related activities….[and] supports the position that school children should be transported in school buses that provide the highest level of safety…[and] endorses the safety recommendation (H-99-22) of the National Transportation Safety Board…which states that the 50 states…should *Require that all vehicles carrying more than 10 passengers (buses) and transporting children to and from school and school-related activities…meet the school bus structural standards or equivalent as set forth in 49 CFR 571.*"[2]

The Department errors on the side of safety first and cost secondarily asking itself the question: What are parents' expectations for the vehicles their children ride in and the drivers that transport them, and what is the price of a child's life?

Figure 1: *Van Descriptions*

An **Allowable Alternate Vehicle** meets all federal school bus crashworthiness standards, but does not meet conspicuity regulations or traffic control standards, i.e. flashing red lights, school bus yellow paint, and left side stop arm.

AAV

School Van

A **school van** is a regular van converted to full school bus specifications. Major alterations are made to the vehicle including cutting the roof off and welding in a full roll cage, along with dozens of other major alterations. When complete, the vehicle rides like a regular van, but meets the Federal Motor Vehicle Safety Standards for school buses.

A non-conforming van is a vehicle which does not conform to the applicable Federal Motor Vehicle Safety Standards for school buses. Most 15-passenger vans are little more than cargo vehicles converted to passenger application. Most do not even have the basic safety features of traditional passenger vehicles.

Non-conforming Van

[2] National Association of State Directors of Pupil Transportation Services, Position Paper: Non-conforming Vans Used for School Transportation, December 4, 2017.

3.1 A.A.C. Sections R18-9-A312(C)(2) and A.A.C. R18-9-A312(G) allow OWTF applicants to request a reduced setback for both conventional and alternative systems, either separately or in combination, when submitting an NOI for OWTFs.

3.2 According to Section R18-9-A312(G)(3), the Department reviews the request for a reduced setback and determines whether either of the following criteria have been demonstrated in the request:

3.2.1 The requested change achieves equal or better performance compared with the general permit requirement, or

3.2.2 The requested change addresses site or system conditions more satisfactorily than the requirements of this Article.

3.3 According to A.A.C. R18-9-A312(G)(4), approval of the request is left to the discretion of the Department.

3.4 According to A.A.C. R18-9-A312(G)(5) and (6), the Department must deny the requested change if any of the following are determined:

3.4.1 The requested change will adversely affect other permittees or cause or contribute to a violation of an Aquifer Water Quality Standard.

3.4.2 The requested change fails to achieve equal or better performance compared to the general permit requirement.

3.4.3 The requested change fails to address site or system conditions more satisfactorily than the general permit requirement.

3.4.4 The requested change is insufficiently justified based on the information provided in the submittal.

3.4.5 The requested change requires excessive review time, research, or specialized expertise by the Department to act on the request.

3.4.6 The Department has justifiable cause to deny.

3.5 The Department must additionally consider the criteria in A.A.C. Section R18-9-A312(G)(7) if the requested reduced setback is for an OWTF or OWTFs described in one or more of the general permits in Section R18-9-E303 through R18-9-E322 (i.e., an alternative system), either separately or in combination with a conventional septic tank system described in A.A.C. Section R18-9-E302.

3.6 The criteria in A.A.C R18-9-A312(G)(7) are not applicable for a reduced setback for a conventional septic tank system described in A.A.C. R18-9-E302.

3.7 The Department may approve a request for a reduced setback for a conventional septic tank system described in A.A.C. Section R18-9-E302 using the criteria in Section R18-9-A312(G)(1) through (6).

4. Federal or state constitutional provision; federal or state statute, administrative rule, or regulation; or final court judgment that underlies the substantive policy statement:

Arizona Revised Statutes § 49-104(a)(1) provides authority for ADEQ to formulate policies, plans and programs to implement Title 49 to protect the environment. A.R.S. § 49-245 provides authority for ADEQ to promulgate rules for general APP.

5. A statement as to whether the substantive policy statement is a new statement or a revision:

This is a new substantive policy statement.

6. The agency contact person who can answer questions about the substantive policy statement:

Name:	Jon Rezabek
Address:	1110 W. Washington St. Phoenix, AZ 85007
Telephone:	(602) 771- 8219
Email:	rezabek.jon@azdeq.gov
Website:	www.azdeq.gov

7. Information about where a person may obtain a copy of the substantive policy statement and the costs for obtaining the policy statement:

Copies of this document are available at no cost on the Department's website: http://www.azdeq.gov. Hard copies may be obtained by contacting http://www.azdeq.gov/records-center the ADEQ Records Center, 8:30 a.m. to 4:30 p.m., Monday through Friday, 1110 W. Washington St., Phoenix, AZ 85007, (602) 771-4380. Cost is $0.25 per page.

NOTICE OF SUBSTANTIVE POLICY STATEMENT

DEPARTMENT OF PUBLIC SAFETY

[M22-59]

1. Title of the Substantive Policy Statement and the number by which the substantive policy statement is referenced:

Title: Senate Bill 1630, 11 to 15 Student Transportation Passenger Vehicles

Policy No.: CVETFD-1

2. Date the substantive policy statement was issued and the effective date of the policy statement, if different from the issuance date:

Effective October 1, 2022

3. Summary of the contents of the substantive policy statement:

The policy establishes the following:

A. Until such time as the Department can consult with the Student Transportation Advisory Council and implement final rules in relation to the provisions in Senate Bill (SB) 1630 and A.R.S. § 15-925 (Item 4 below), the Department's interim intent to authorize, inspect and enforce 11-to-15-person passenger vehicles (925 vehicles) and drivers will be in a manner consistent with other types of school buses and in accordance with this policy statement. A rulemaking to amend school bus rules for SB1630 and all other necessary rule changes to modernize the decades-old rules is expected to be a lengthy process potentially exceeding a year. The Department recognizes the desire of schools to implement SB1630 as quickly as possible and this guidance is intended to assist schools in decision making moving forward.

B. Any Type A or Type B multifunction school activity bus in service prior to July 1, 2022 that is painted white may be used up to July 1, 2027 if equipped with an eight lamp, alternating flashing signal lamp as in R13-13-107(17) and a stop arm as in R13-13-107(31).

C. The removal of seats to meet the requirements will be prohibited and does not reclassify the vehicle.

D. Any vehicle that is not a Type A or Type B school bus shall meet the following: seating and crash protection requirements of 49 CFR 571.222; tires and wheels requirements of 49 CFR 393.75; color of school bus yellow requirements of the *National School Transportation Specifications and Procedures* by the National Congress on School Transportation; have a reflective strip at least 4 inches tall of alternating white and yellow 2-inch stripes set at a 45º angle the stretches across the lower rear of the vehicle and terminating no more than 4 inches from the outside edges of the vehicle; have on both sides of the vehicle the name of the school or the name of the private company in 3-inch block, black letters; Have on the rear of the vehicle the lettering *STUDENT TRANSPORTATION* in 4-inch block, black letters; have a vehicle number displayed in 3-inch block, black number either on the lower left or right area on the back of the vehicle or on the left or right side of the vehicle at a point forward of the centerline of the driver and front passenger doors; seatbelts installed and functioning in accordance with the manufacturer's specifications; be equipped with a high-mounted, amber (as opposed to white in R13-13-104(D)(32) flashing light centered on the rear roof line that is activated by the driver at railroad grade crossing which flashes at a rate equal to or greater than the turn signal rate with a visibility equivalent to a stop lamp as defined in A.R.S. § 28-939.

E. Drivers shall comply with R13-13-104(B)(9),(C),(D),(E), and R13-13-108 as applicable to a 925 vehicle. For example, if a 925 vehicle does not have a service door or clutch, that portion of the rules will not be applicable. However, if the 925 has a similar feature, performance of that feature may be required; for example, if the 925 vehicle is not equipped with a service door the driver may be asked to perform a similar function of opening and closing the passenger doors on the 925 vehicle or similarly rolling windows up/down.

F. Should not stop on a highway, interstate or primary roadway to load or unload passengers. Should stop in low-traffic volume areas with speed limits below 35 miles per hour. When loading or unloading the driver should place the vehicle in park, activate the four-way hazard flashers and the top/rear mounted flashing light described in Item 3(D) above.

G. For railroad grade crossings, the driver shall comply with R13-13-104(B)(15) with the requirement to operate the flashing light in Item 3(D) above. For vehicles without a service door in R13-13-104(B)(15)(d), the right front window shall be fully opened or fully rolled down.

H. The driver shall secure wheelchairs as specified in R13-13-105.

I. Any manufacturer-installed child safety locks on doors shall not be engaged.

J. The driver shall not remove the vehicle from park until all passengers are properly wearing their seatbelts or properly restrained. All passengers shall properly wear or use all safety belts.

K. The driver shall comply with the requirements in R13-13-102 with the exceptions of:

(1) Subsection 102(A)(3)(a)(v) and (A)(4) an Arizona commercial vehicle driver license is not required. The Department will require at a minimum an Arizona Class D driver license pursuant to the authorizing statute.

(2) Subsection 102(A)(5) a school bus (letter S) endorsement is not required pursuant to the authorizing statute.

L. Classroom and behind-the-wheel instructors shall comply with the requirements in R13-13-103. The Department will continue to require at a minimum a CDL for instructors.

M. Until such time as a passenger (letter P) endorsement can be placed on a driver license by MVD and until such time the Department's Student Transportation Unit can program their database to accept 925 driver certifications, the Department will provide a certified driver with a hardcopy and/or electronic credential the driver can retain/provide for verification of certification.

N. This substantive policy statement expires upon the filing of final rules.

4. Federal or state constitutional provision; federal or state statute, administrative rule, or regulation; or final court judgment that underlies the substantive policy statement:

Fifty-fifth Legislature, Second Regular Session, 2022, Chapter 290, Senate Bill 1630, amending sections 15-383, 15-746, 15-922, 15-945, 28-900, 28-3053 and 28-3228, adding 15-925. Approved by the Governor June 13, 2022. Filed in the Office of the Secretary of State June 13, 2022.

5. A statement as to whether the substantive policy statement is a new statement or a revision:

This is a new statement.

6. The agency contact person who can answer questions about the substantive policy statement:

Name: William Lunt, Sergeant, for bus inspections or Kimberly Thomas, Supervisor, for driver certification.

Address: Arizona Department of Public Safety
P.O. Box 6638, MD3002
Phoenix, AZ 85005-6638

Specify Mail Drop 3002 for bus inspections or Mail Drop 3150 for driver certification.
Telephone: (602) 206-5093 for bus inspections or (602) 271-7389 for driver certification.
Email: wlunt@azdps.gov for bus inspections or kthomas@azdps.gov for driver certification.

7. Information about where a person may obtain a copy of the substantive policy statement and the costs for obtaining the policy statement:

A copy of this statement for a fee of $9 is available from the Department through the public records request process at https://www.azdps.gov/services/public/records/public.

Senate Engrossed

State of Arizona
Senate
Fifty-fifth Legislature
Second Regular Session
2022

SENATE BILL 1630

AN ACT

AMENDING SECTIONS 15-383, 15-746 AND 15-922, ARIZONA REVISED STATUTES; AMENDING TITLE 15, CHAPTER 9, ARTICLE 2, ARIZONA REVISED STATUTES, BY ADDING SECTION 15-925; AMENDING SECTIONS 15-945, 28-900, 28-3053 AND 28-3228, ARIZONA REVISED STATUTES; RELATING TO TRANSPORTATION.

(TEXT OF BILL BEGINS ON NEXT PAGE)

Be it enacted by the Legislature of the State of Arizona:

Section 1. Section 15-383, Arizona Revised Statutes, is amended to read:

15-383. Insurance on school bus and other vehicle operators; authority of the governing board to purchase

A. The governing board may purchase public liability and property damage insurance covering school bus drivers while driving school buses AND OPERATORS OF VEHICLES DESCRIBED IN SECTION 15-925 WHILE DRIVING THOSE VEHICLES.

B. The governing board of any school district may require the operator of a school bus OR VEHICLE DESCRIBED IN SECTION 15-925 used for transportation of pupils attending schools in the district to carry public liability insurance in amounts not to exceed ~~twenty thousand dollars~~ $20,000 for personal injury to any one person, and ~~one hundred thousand dollars~~ $100,000 for personal injuries arising out of any one accident, covering any liability to which the operator may be subject on account of personal injuries to a passenger or other person caused or contributed to by an act of the operator while operating a school bus OR A VEHICLE DESCRIBED IN SECTION 15-925. If the policy of insurance is filed with and approved by the governing board of the school district, the governing board may increase the compensation otherwise payable to the operator by an amount equal to the cost to the operator of the insurance.

Sec. 2. Section 15-746, Arizona Revised Statutes, is amended to read:

15-746. School report cards

A. Each school shall distribute an annual report card that contains at least the following information:

1. A description of the school's regular, magnet and special instructional programs.

2. A description of the school's current academic goals.

3. A summary of each of the following:

(a) The results achieved by pupils enrolled at the school during the prior three school years as measured by the statewide assessment and the nationally standardized norm-referenced achievement test as designated by the state board and as reported in the annual report prescribed by section 15-743.

(b) Pupil progress on an ongoing and annual basis, showing the trends in gain or loss in pupil achievement over time in reading, language arts and mathematics for all years in which pupils are enrolled in the school district for an entire school year and for which this information is available.

(c) Pupil progress for pupils who are not enrolled in a district for an entire school year.

4. The attendance rate of pupils enrolled at the school as reflected in the school's average daily membership as defined in section 15-901.

5. The total number of incidents that occurred on the school grounds, at school bus stops, AT STOPS FOR VEHICLES DESCRIBED IN SECTION 15-925, on school buses, ON VEHICLES DESCRIBED IN SECTION 15-925 and at school-sponsored events and that required the contact of a local, county, tribal, state or federal law enforcement officer pursuant to section 13-3411, subsection F, section 13-3620, section 15-341, subsection A, paragraph 30 or section 15-515. The total number of incidents reported shall only include reports that law enforcement officers report to the school AND that are supported by probable cause. For the purposes of this paragraph, a certified peace officer who serves as a school resource officer is a law enforcement officer. A school may provide clarifying information if the school has a school resource officer on campus.

6. The percentage of pupils who have either graduated to the next grade level or graduated from high school.

7. A description of the social services available at the school site.

8. The school calendar, including the length of the school day and hours of operations.

9. The total number of pupils enrolled at the school during the previous school year.

10. The transportation services available.

11. A description of the responsibilities of parents of children enrolled at the school.

12. A description of the responsibilities of the school to the parents of the children enrolled at the school, including dates the report cards are delivered to the home.

13. A description of the composition and duties of the school council as prescribed in section 15-351 if such a school council exists.

14. For the most recent year available, the average current expenditure per pupil for administrative functions compared to the predicted average current expenditure per pupil for administrative functions according to an analysis of administrative cost data by the joint legislative budget committee staff.

15. If the school provides instruction to pupils in kindergarten programs and grades one through three, the ratio of pupils to teachers in each classroom where instruction is provided in kindergarten programs and grades one through three.

16. The average class size per grade level for all grade levels, kindergarten programs and grades one through eight. For the purposes of this paragraph, "average class size" means the weighted average of each class.

B. The department of education shall develop a standardized report card format that meets the requirements of subsection A of this section. The department shall modify the standardized report card as necessary on an annual basis. The department shall distribute to each school in this state a copy of the standardized report card that includes the required test scores for each school. Additional copies of the standardized report card shall be available on request.

C. After each school has completed the report card distributed to it by the department of education, the school, in addition to distributing the report card as prescribed in subsection A of this section, shall send a copy of the report card to the department. The department shall prepare an annual report that contains the report card from each school in this state.

D. The school shall distribute report cards to parents of pupils enrolled at the school, not later than the last day of school of each fiscal year, and shall present a summary of the contents of the report cards at an annual public meeting held at the school. The school shall give notice at least two weeks before the public meeting that clearly states the purposes, time and place of the meeting.

E. Beginning in fiscal year 2021-2022, the school report card prescribed by this section shall include a link to access the information required by section 15-747.

Sec. 3. Section 15-922, Arizona Revised Statutes, is amended to read:

15-922. Reporting duties of the school district; definition

A. Each school district, ~~shall~~ within twelve days after the first one hundred days or two hundred days in session, as applicable, SHALL certify to the superintendent of public instruction, in an electronic format as prescribed by the department of education, the following:

1. The daily route mileage of the school district in the current year. The route mileage shall not include more than ~~twenty~~ THIRTY miles each way to and from the school of attendance or to and from a pickup point on a regular transportation route to transport eligible students who reside in nonadjacent school districts.

2. The route mileage of the school district in the current year transporting eligible students for extended school year services in accordance with section 15-881.

3. The number of eligible students transported during the current year.

B. A school district shall meet the requirements of this section to receive state aid. The superintendent of public instruction may withhold a school district's apportionment of state aid if ~~it is determined by~~ the superintendent of public instruction DETERMINES that the school district is not complying with the requirements of this section. A school district may include in the calculation of daily route mileage any vehicle that

meets the definition of a school bus prescribed in this section OR ANY MOTOR VEHICLE DESCRIBED IN SECTION 15-925. The department of education shall not deny transportation funding or state aid for a school district that transports pupils in any vehicle that meets the definition of a school bus prescribed in this section OR ANY MOTOR VEHICLE DESCRIBED IN SECTION 15-925.

C. For the purposes of this article and section 15-901, "school bus" or "bus" means a school bus as defined in section 28-101, except that the passenger capacity standards prescribed in that section do not apply.

Sec. 4. Title 15, chapter 9, article 2, Arizona Revised Statutes, is amended by adding section 15-925, to read:

15-925. School transportation; allowable vehicles

NOTWITHSTANDING ANY OTHER LAW, A SCHOOL DISTRICT OR CHARTER SCHOOL IN THIS STATE OR A PRIVATELY OWNED AND OPERATED ENTITY THAT IS CONTRACTED FOR COMPENSATION WITH A SCHOOL DISTRICT OR CHARTER SCHOOL IN THIS STATE MAY USE A MOTOR VEHICLE THAT IS DESIGNED TO CARRY AT LEAST ELEVEN AND NOT MORE THAN FIFTEEN PASSENGERS TO TRANSPORT STUDENTS TO OR FROM HOME OR SCHOOL ON A REGULARLY SCHEDULED BASIS IN ACCORDANCE WITH THE SAFETY RULES AND REGULATIONS ADOPTED BY THE DEPARTMENT OF PUBLIC SAFETY PURSUANT TO SECTIONS 28-900 AND 28-3228.

Sec. 5. Section 15-945, Arizona Revised Statutes, is amended to read:

15-945. Transportation support level

A. The support level for to and from school for each school district for the current year shall be computed as follows:

1. Determine the approved daily route mileage of the school district for the fiscal year prior to the current year.

2. Multiply the figure obtained in paragraph 1 of this subsection by one hundred eighty, or for a school district that elects to provide two hundred days of instruction pursuant to section 15-902.04, multiply the figure obtained in paragraph 1 of this subsection by two hundred.

3. Determine the number of eligible students transported in the fiscal year prior to the current year.

4. Divide the amount determined in paragraph 1 of this subsection by the amount determined in paragraph 3 of this subsection to determine the approved daily route mileage per eligible student transported.

5. Determine the classification in column 1 of this paragraph for the quotient determined in paragraph 4 of this subsection. Multiply the product obtained in paragraph 2 of this subsection by the corresponding state support level for each route mile as provided in column 2 of this paragraph.

Column 1 Approved Daily Route Mileage per Eligible Student Transported	Column 2 State Support Level per Route Mile for Fiscal Year 2021-2022
0.5 or less	2.77
More than 0.5 through 1.0	2.27
More than 1.0	2.77

6. Add the amount spent during the prior fiscal year for bus tokens and bus passes for students who qualify as eligible students as defined in section 15-901.

B. The support level for academic education, career and technical education, vocational education and athletic trips for each school district for the current year is computed as follows:

1. Determine the classification in column 1 of paragraph 2 of this subsection for the quotient determined in subsection A, paragraph 4 of this section.

2. Multiply the product obtained in subsection A, paragraph 5 of this section by the corresponding state support level for academic education, career and technical education, vocational education and athletic trips as provided in column 2, 3 or 4 of this paragraph, whichever is appropriate for the type of district.

Column 1 Approved Daily Route Mileage per Eligible Student Transported	Column 2 District Type 02 or 03	Column 3 District Type 04	Column 4 District Type 05
0.5 or less	0.15	0.10	0.25
More than 0.5 through 1.0	0.15	0.10	0.25
More than 1.0	0.18	0.12	0.30

For the purposes of this paragraph, "district type 02" means a unified school district or an accommodation school that offers instruction in grades nine through twelve, "district type 03" means a common school district not within a high school district, "district type 04" means a common school district within a high school district or an accommodation school that does not offer instruction in grades nine through twelve and "district type 05" means a high school district.

C. The support level for extended school year services for pupils with disabilities is computed as follows:

1. Determine the sum of the following:

(a) The total number of miles driven by all buses of a school district while transporting eligible pupils with disabilities on scheduled routes from their residence to the school of attendance and from the school of attendance to their residence on routes for extended school year services in accordance with section 15-881.

(b) The total number of miles driven on routes approved by the superintendent of public instruction for which a private party, a political subdivision or a common or a contract carrier is reimbursed for bringing an eligible pupil with a disability from the place of the pupil's residence to a school transportation pickup point or to the school facility of attendance and from the school transportation scheduled return point or from the school facility to the pupil's residence for extended school year services in accordance with section 15-881.

2. Multiply the sum determined in paragraph 1 of this subsection by the state support level for the district determined as provided in subsection A, paragraph 5 of this section.

D. The transportation support level for each school district for the current year is the sum of the support level for to and from school as determined in subsection A of this section, the support level for academic education, career and technical education, vocational education and athletic trips as determined in subsection B of this section and the support level for extended school year services for pupils with disabilities as determined in subsection C of this section.

E. The state support level for each approved route mile, as provided in subsection A, paragraph 5 of this section, shall be adjusted by the growth rate prescribed by law, subject to appropriation.

F. School districts must provide the odometer reading for each bus as of the end of the current year and the total bus mileage during the current year.

G. A SCHOOL DISTRICT MAY INCLUDE ROUTE MILEAGE AND THE NUMBER OF RIDERS TO CALCULATE FUNDING PURSUANT TO THIS SECTION FOR TRANSPORTING ELIGIBLE STUDENTS USING MOTOR VEHICLES DESCRIBED IN SECTION 15-925.

Sec. 6. Section 28-900, Arizona Revised Statutes, is amended to read:

28-900. School transportation rules

A. The department of public safety in consultation with the ~~school bus~~ STUDENT TRANSPORTATION advisory council established by section 28-3053 shall adopt rules as necessary to improve the safety and welfare of ~~school bus~~ STUDENT passengers by minimizing the probability of accidents involving school buses and ~~school bus~~ STUDENT passengers and by minimizing the risk of serious bodily injury to ~~school bus~~ STUDENT passengers in the event of an accident.

B. The rules may include:

1. Minimum standards for the design and equipment of school buses THAT ARE DESIGNED FOR SIXTEEN OR MORE PASSENGERS.

2. Minimum standards for the periodic inspection and maintenance of school buses THAT ARE DESIGNED FOR SIXTEEN OR MORE PASSENGERS.

3. Procedures for the operation of school buses THAT ARE DESIGNED FOR SIXTEEN OR MORE PASSENGERS.

4. MINIMUM STANDARDS FOR THE DESIGN AND EQUIPMENT OF MOTOR VEHICLES THAT ARE DESCRIBED IN SECTION 15-925 THAT ARE SUBSTANTIALLY DIFFERENT THAN THE MINIMUM STANDARDS PRESCRIBED IN PARAGRAPH 1 OF THIS SUBSECTION.

5. MINIMUM STANDARDS FOR THE PERIODIC INSPECTION AND MAINTENANCE OF MOTOR VEHICLES THAT ARE DESCRIBED IN SECTION 15-925.

6. PROCEDURES FOR THE OPERATION OF MOTOR VEHICLES DESCRIBED IN SECTION 15-925.

~~4.~~ 7. Other criteria as deemed by the department of public safety and the ~~school bus~~ STUDENT TRANSPORTATION advisory council to be necessary and appropriate to ensure the safe operation of school buses AND MOTOR VEHICLES THAT ARE DESCRIBED IN SECTION 15-925. ANY RULES ADOPTED PURSUANT TO THIS SECTION SHALL ALLOW FOR A VARIETY OF VEHICLES TO BE USED TO MEET THE NEEDS OF STUDENTS AND SYSTEMS OF VARYING SIZES AND LOCATIONS.

C. The rules shall provide, if applicable, minimum standards equal to or more restrictive than those adopted by the United States department of transportation in accordance with 23 United States Code and rules adopted pursuant to 23 United States Code.

D. Notwithstanding a rule adopted by the department of public safety with respect to exterior color of a school bus THAT IS DESIGNED FOR SIXTEEN OR MORE PASSENGERS, in order to reduce the interior temperature of a school bus, the exterior top of a school bus may be painted white, but the white area shall not extend beyond the center clearance lights, front and rear, and shall not extend below a line five inches above the top of the side windows.

E. An officer or employee of any school district OR CHARTER SCHOOL who violates any of the rules or who fails to include the obligation to comply with the rules in any contract executed by the officer or employee on behalf of ~~a~~ THE school district OR CHARTER SCHOOL is guilty of misconduct and is subject to removal from office or employment. Any person who operates a school bus OR MOTOR VEHICLE under contract with a school district OR CHARTER SCHOOL and who fails to comply with any of the rules is in breach of contract, and the school district OR CHARTER SCHOOL shall cancel the contract after notice and a hearing by the responsible officers of the school district OR CHARTER SCHOOL.

F. The department of public safety shall enforce the rules adopted pursuant to this section.

Sec. 7. Section 28-3053, Arizona Revised Statutes, is amended to read:

28-3053. Student transportation advisory council

A. The ~~school bus~~ STUDENT TRANSPORTATION advisory council is established consisting of ~~nine~~ THIRTEEN members appointed by the governor. The governor shall appoint the members as follows:

1. One member representing the department of public safety.

2. One member representing the state board of education.

3. ONE MEMBER REPRESENTING THE STATE BOARD FOR CHARTER SCHOOLS.

~~3.~~ 4. One member from a school district with a student count of less than six hundred IN A COUNTY WITH A POPULATION OF LESS THAN THREE HUNDRED THOUSAND PERSONS.

~~4.~~ 5. One member from a school district with a student count of six hundred or more but less than three thousand.

~~5.~~ 6. One member from a school district with a student count of MORE THAN three thousand ~~or more but less than ten thousand~~.

~~6. One member from a school district with a student count of ten thousand or more.~~

7. One member representing transportation administrators.

8. One member who is a certified school bus driver or school bus driver instructor.

9. One member representing a private sector school bus service provider OR A PRIVATE SECTOR STUDENT TRANSPORTATION SERVICE PROVIDER.

10. ONE MEMBER FROM A CHARTER SCHOOL WITH A STUDENT COUNT OF LESS THAN SIX HUNDRED.

11. ONE MEMBER FROM A CHARTER SCHOOL WITH A STUDENT COUNT OF MORE THAN SIX HUNDRED.

12. ONE MEMBER WITH EXPERTISE IN ELECTRIC VEHICLE FLEETS, ELECTRIC VEHICLE CHARGING INFRASTRUCTURE OR CHARGING MANAGEMENT SERVICES.

13. TWO PUBLIC MEMBERS.

B. The members shall serve staggered three-year terms unless a member vacates the position. Appointment to fill a vacancy resulting other than from expiration of a term is for the unexpired portion of the term only.

C. The ~~school bus~~ STUDENT TRANSPORTATION advisory council shall:

1. Meet at least TWICE annually.

2. Select a chairperson from its members.

3. Advise and assist the department of public safety in developing the rules required by sections 28-900 and 28-3228.

4. Recommend curricula for school bus driver safety and training courses required by section 28-3228.

5. Advise and consult with the department of public safety concerning matters related to the certification of school bus drivers and the safety of school buses AND VEHICLES DESCRIBED IN SECTION 15-925.

6. ADVISE AND CONSULT WITH THE DEPARTMENT OF PUBLIC SAFETY CONCERNING MATTERS RELATED TO MODERNIZING AND INNOVATING K-12 STUDENT TRANSPORTATION TO REDUCE TRANSPORTATION BARRIERS FOR STUDENTS, INCREASE ACCESS TO PUBLIC SCHOOL OPTIONS AND PROVIDE MORE TRANSPORTATION OPTIONS FOR SCHOOL DISTRICTS AND CHARTER SCHOOLS, INCLUDING ELECTRIC TRANSPORTATION.

7. ADVISE AND CONSULT WITH THE DEPARTMENT OF ADMINISTRATION CONCERNING PURCHASING STRATEGIES TO MAXIMIZE TRANSPORTATION RESOURCES AND FIND EFFICIENCIES TO MODERNIZE AND PROPERLY SIZE TRANSPORTATION VEHICLES AND SYSTEMS.

~~6.~~ 8. Establish a mailing list that includes any party expressing an interest in the council's activities. The council shall provide written notice to each person on the list at least fifteen days before the date on which the meeting is to be held. The notice shall be sent by mail or electronic means to the party's last address of record with the council or by any other method reasonably calculated to effect actual notice to any party expressing interest in the council's activities. Written notice by electronic means is effective when transmitted. For other methods written notice is effective on receipt or five days after the date shown on the postmark stamped on the envelope, whichever is earlier.

D. Members of the ~~school bus~~ STUDENT TRANSPORTATION advisory council are not eligible to receive compensation or reimbursement for expenses.

Sec. 8. Section 28-3228, Arizona Revised Statutes, is amended to read:

28-3228. School bus drivers; student transportation requirements; rules; cancellation of certificate

A. A person shall not operate a school bus ~~transporting~~ THAT IS DESIGNED FOR SIXTEEN OR MORE PASSENGERS AND THAT TRANSPORTS school children unless the person possesses the appropriate license class for the size of school bus being operated that is issued by the department of transportation, a bus endorsement that is issued by the department of transportation and a school bus certificate that is issued by the department of public safety. A PERSON SHALL NOT OPERATE A VEHICLE AUTHORIZED PURSUANT TO SECTION 15-925 TO TRANSPORT SCHOOL CHILDREN UNLESS THE PERSON POSSESSES THE APPROPRIATE LICENSE CLASS FOR THE SIZE OF THE VEHICLE BEING OPERATED, A SCHOOL BUS CERTIFICATE THAT IS ISSUED BY THE DEPARTMENT OF PUBLIC SAFETY AND A VALID FINGERPRINT CLEARANCE CARD PURSUANT TO SUBSECTION D OF THIS SECTION.

B. To be certified as a school bus driver FOR A VEHICLE THAT IS DESIGNED FOR SIXTEEN OR MORE PASSENGERS, a person shall do both of the following:

1. Meet and maintain the minimum standards prescribed by this section and rules adopted by the department of public safety in consultation with the ~~school bus~~ STUDENT TRANSPORTATION advisory council established by section 28-3053.

2. Complete an initial instructional course on school bus driver safety and training, including behind the wheel training.

C. The department of public safety in consultation with the ~~school bus~~ STUDENT TRANSPORTATION advisory council established by section 28-3053 shall adopt rules that establish minimum standards for the certification of school bus drivers AND DRIVERS OF OTHER VEHICLES DESCRIBED IN SECTION 15-925. In cooperation with local school districts AND CHARTER SCHOOLS, the department of public safety shall provide for school ~~bus driver~~

TRANSPORTATION safety and training courses. The standards established shall:

1. Include requirements concerning moral character, knowledge of ~~school bus operation~~ OPERATING A SCHOOL BUS OR A VEHICLE DESCRIBED IN SECTION 15-925, pupil and motor vehicle safety, physical impairments that might affect the applicant's ability to safely operate a school bus OR VEHICLE DESCRIBED IN SECTION 15-925 or that might endanger the health or safety of ~~school bus~~ passengers, knowledge of first aid, establishment of school bus AND OTHER VEHICLE safety and training courses, a refresher course to be completed on at least a biennial basis and other matters as the department of public safety and the ~~school bus~~ STUDENT TRANSPORTATION advisory council established by section 28-3053 prescribe for the protection of the public.

2. Require tests to detect the presence of alcohol or the use of a drug in violation of title 13, chapter 34 that may adversely affect the ability of the applicant to safely operate a school bus OR VEHICLE DESCRIBED IN SECTION 15-925.

3. Authorize the performance of hearing tests with or without the use of a hearing aid as provided in 49 Code of Federal Regulations section 391.41.

4. Require the applicant to possess a commercial driver license issued by the department, except that:

(a) Notwithstanding subsection A of this section the applicant may possess a commercial driver license issued by another state if the applicant will be driving a school bus for a school district that is adjacent to that state.

(b) AN APPLICANT TO DRIVE A VEHICLE DESCRIBED IN SECTION 15-925 DOES NOT NEED TO POSSESS OR OBTAIN A COMMERCIAL DRIVER LICENSE.

D. Each person who applies for a school bus driver certificate shall have a valid fingerprint clearance card that is issued pursuant to title 41, chapter 12, article 3.1 and shall submit an identity verified fingerprint card as described in section 15-106 that the department of public safety shall use to process the fingerprint clearance card as outlined in section 15-106.

E. A person who is issued a school bus driver certificate shall maintain a valid identity verified fingerprint clearance card for the duration of any school bus driver certification period.

F. The department of public safety shall suspend a school bus driver certificate if the fingerprint clearance card is invalid, suspended, canceled or revoked.

G. The department of public safety shall issue a school bus driver certificate to an applicant who meets the requirements of this section. The certificate is valid if the applicant maintains the minimum standards established by this section.

H. The department of public safety may cancel the certificate if the person's license to drive is suspended, canceled, revoked or disqualified. The department of public safety shall cancel the certificate if the person fails to maintain the minimum standards established pursuant to this section. A person whose application for a certificate is refused or whose certificate is canceled for failure to meet or maintain the minimum standards may request and receive a hearing from the department of public safety.

I. The department of public safety shall enforce the rules adopted pursuant to this section.

41-1033. Petition for a rule or review of an agency practice, substantive policy statement, final rule or unduly burdensome licensing requirement; notice

A. Any person may petition an agency to do either of the following:

1. Make, amend or repeal a final rule.

2. Review an existing agency practice or substantive policy statement that the petitioner alleges to constitute a rule.

B. An agency shall prescribe the form of the petition and the procedures for the petition's submission, consideration and disposition. The person shall state on the petition the rulemaking to review or the agency practice or substantive policy statement to consider revising, repealing or making into a rule.

C. Not later than sixty days after submission of the petition, the agency shall either:

1. Reject the petition and state its reasons in writing for rejection to the petitioner.

2. Initiate rulemaking proceedings in accordance with this chapter.

3. If otherwise lawful, make a rule.

D. The agency's response to the petition is open to public inspection.

E. If an agency rejects a petition pursuant to subsection C of this section, the petitioner has thirty days to appeal to the council to review whether the existing agency practice or substantive policy statement constitutes a rule. The petitioner's appeal may not be more than five double-spaced pages.

F. A person may petition the council to request a review of a final rule based on the person's belief that the final rule does not meet the requirements prescribed in section 41-1030. A petition submitted under this subsection may not be more than five double-spaced pages.

G. A person may petition the council to request a review of an existing agency practice, substantive policy statement, final rule or regulatory licensing requirement that the petitioner alleges is not specifically authorized by statute, exceeds the agency's statutory authority, is unduly burdensome or is not demonstrated to be necessary to specifically fulfill a public health, safety or welfare concern. On receipt of a properly submitted petition pursuant to this section, the council shall review the existing agency practice, substantive policy statement, final rule or regulatory licensing requirement as prescribed by this section. A petition submitted under this subsection may not be more than five double-spaced pages. This subsection does not apply to an individual or institution that is subject to title 36, chapter 4, article 10 or chapter 20.

H. If the council receives information that alleges an existing agency practice or substantive policy statement may constitute a rule, that a final rule does not meet the requirements prescribed in section 41-1030 or that an existing agency practice, substantive policy statement, final rule or regulatory licensing requirement exceeds the agency's statutory authority, is not specifically authorized by statute or does not meet the guidelines prescribed in subsection G of this section, or if the council receives an appeal under subsection E of this section, and at least three council members request of the chairperson that the matter be heard in a public meeting:

1. Within ninety days after receiving the third council member's request, the council shall determine whether any of the following applies:

(a) The agency practice or substantive policy statement constitutes a rule.

(b) The final rule meets the requirements prescribed in section 41-1030.

(c) An existing agency practice, substantive policy statement, final rule or regulatory licensing requirement exceeds the agency's statutory authority, is not specifically authorized by statute or meets the guidelines prescribed in subsection G of this section.

2. Within ten days after receiving the third council member's request, the council shall notify the agency that the matter has been or will be placed on the council's agenda for consideration on the merits.

3. Not later than thirty days after receiving notice from the council, the agency shall submit a statement of not more than five double-spaced pages to the council that addresses whether any of the following applies:

(a) The existing agency practice or substantive policy statement constitutes a rule.

(b) The final rule meets the requirements prescribed in section 41-1030.

(c) An existing agency practice, substantive policy statement, final rule or regulatory licensing requirement exceeds the agency's statutory authority, is not specifically authorized by statute or meets the guidelines prescribed in subsection G of this section.

I. At the hearing, the council shall allocate the petitioner and the agency an equal amount of time for oral comments not including any time spent answering questions raised by council members. The council may also allocate time for members of the public who have an interest in the issue to provide oral comments.

J. For the purposes of subsection H of this section, the council meeting shall not be scheduled until the expiration of the agency response period prescribed in subsection H, paragraph 3 of this section.

K. An agency practice, substantive policy statement, final rule or regulatory licensing requirement considered by the council pursuant to this section shall remain in effect while under consideration of the council. If the council determines that the agency practice, substantive policy statement or regulatory licensing requirement exceeds the agency's statutory authority, is not authorized by statute or constitutes a rule or that the final rule does not meet the requirements prescribed in section 41-1030, the practice, policy statement, rule or regulatory licensing requirement shall be void. If the council determines that the existing agency practice, substantive policy statement, final rule or regulatory licensing requirement is unduly burdensome or is not demonstrated to be necessary to specifically fulfill a public health, safety or welfare concern, the council shall modify, revise or declare void any such existing agency practice, substantive policy statement, final rule or regulatory licensing requirement. If an agency decides to further pursue a practice, substantive policy statement or regulatory licensing requirement that has been declared void or has been modified or revised by the council, the agency may do so only pursuant to a new rulemaking.

L. A council decision pursuant to this section shall be made by a majority of the council members who are present and voting on the issue. Notwithstanding any other law, the council may not base any decision concerning an agency's compliance with the requirements of section 41-1030 in issuing a final rule or substantive policy statement on whether any party or person commented on the rulemaking or substantive policy statement.

M. A decision by the council pursuant to this section is not subject to judicial review, except that, in addition to the procedure prescribed in this section or in lieu of the procedure prescribed in this section, a person may seek declaratory relief pursuant to section 41-1034.

N. Each agency and the secretary of state shall post prominently on their websites notice of an individual's right to petition the council for review pursuant to this section.

41-1001. Definitions

In this chapter, unless the context otherwise requires:

1. "Agency" means any board, commission, department, officer or other administrative unit of this state, including the agency head and one or more members of the agency head or agency employees or other persons directly or indirectly purporting to act on behalf or under the authority of the agency head, whether created under the Constitution of Arizona or by enactment of the legislature. Agency does not include the legislature, the courts or the governor. Agency does not include a political subdivision of this state or any of the administrative units of a political subdivision, but does include any board, commission, department, officer or other administrative unit created or appointed by joint or concerted action of an agency and one or more political subdivisions of this state or any of their units. To the extent an administrative unit purports to exercise authority subject to this chapter, an administrative unit otherwise qualifying as an agency must be treated as a separate agency even if the administrative unit is located within or subordinate to another agency.

2. "Appealable agency action" has the same meaning prescribed in section 41-1092.

3. "Audit" means an audit, investigation or inspection pursuant to title 23, chapter 2 or 4.

4. "Code" means the Arizona administrative code, which is published pursuant to section 41-1011.

5. "Committee" means the administrative rules oversight committee.

6. "Contested case" means any proceeding, including rate making, except rate making pursuant to article XV, Constitution of Arizona, price fixing and licensing, in which the legal rights, duties or privileges of a party are required or permitted by law, other than this chapter, to be determined by an agency after an opportunity for an administrative hearing.

7. "Council" means the governor's regulatory review council.

8. "Delegation agreement" means an agreement between an agency and a political subdivision that authorizes the political subdivision to exercise functions, powers or duties conferred on the delegating agency by a provision of law. Delegation agreement does not include intergovernmental agreements entered into pursuant to title 11, chapter 7, article 3.

9. "Emergency rule" means a rule that is made pursuant to section 41-1026.

10. "Fee" means a charge prescribed by an agency for an inspection or for obtaining a license.

11. "Final rule" means any rule filed with the secretary of state and made pursuant to an exemption from this chapter in section 41-1005, made pursuant to section 41-1026, approved by the council pursuant to section 41-1052 or 41-1053 or approved by the attorney general pursuant to section 41-1044. For purposes of judicial review, final rule includes expedited rules pursuant to section 41-1027.

12. "General permit" means a regulatory permit, license or agency authorization that is for facilities, activities or practices in a class that are substantially similar in nature and that is issued or granted by an agency to a qualified applicant to conduct identified operations or activities if the applicant meets the applicable requirements of the general permit, that requires less information than an individual or traditional permit, license or authorization and that does not require a public hearing.

13. "License" includes the whole or part of any agency permit, certificate, approval, registration, charter or similar form of permission required by law, but does not include a license required solely for revenue purposes.

14. "Licensing" includes the agency process respecting the grant, denial, renewal, revocation, suspension, annulment, withdrawal, change, reduction, modification or amendment of a license, including an existing permit,

certificate, approval, registration, charter or similar form of permission, approval or authorization obtained from an agency by the holder of a license.

15. "Licensing decision" means any action by an agency to grant or deny any request for permission, approval or authorization issued in response to any request from an applicant for a license or to the holder of a license to exercise authority within the scope of the license.

16. "Party" means each person or agency named or admitted as a party or properly seeking and entitled as of right to be admitted as a party.

17. "Person" means an individual, partnership, corporation, association, governmental subdivision or unit of a governmental subdivision, a public or private organization of any character or another agency.

18. "Preamble" means:

(a) For any rulemaking subject to this chapter, a statement accompanying the rule that includes:

(i) Reference to the specific statutory authority for the rule.

(ii) The name and address of agency personnel with whom persons may communicate regarding the rule.

(iii) An explanation of the rule, including the agency's reasons for initiating the rulemaking.

(iv) A reference to any study relevant to the rule that the agency reviewed and either proposes to rely on in its evaluation of or justification for the rule or proposes not to rely on in its evaluation of or justification for the rule, where the public may obtain or review each study, all data underlying each study and any analysis of each study and other supporting material.

(v) The economic, small business and consumer impact summary, or in the case of a proposed rule, a preliminary summary and a solicitation of input on the accuracy of the summary.

(vi) A showing of good cause why the rule is necessary to promote a statewide interest if the rule will diminish a previous grant of authority of a political subdivision of this state.

(vii) Such other matters as are prescribed by statute and that are applicable to the specific agency or to any specific rule or class of rules.

(b) In addition to the information set forth in subdivision (a) of this paragraph, for a proposed rule, the preamble also shall include a list of all previous notices appearing in the register addressing the proposed rule, a statement of the time, place and nature of the proceedings for the making, amendment or repeal of the rule and where, when and how persons may request an oral proceeding on the proposed rule if the notice does not provide for one.

(c) In addition to the information set forth in subdivision (a) of this paragraph, for an expedited rule, the preamble also shall include a statement of the time, place and nature of the proceedings for the making, amendment or repeal of the rule and an explanation of why expedited proceedings are justified.

(d) For a final rule, except an emergency rule, the preamble also shall include, in addition to the information set forth in subdivision (a), the following information:

(i) A list of all previous notices appearing in the register addressing the final rule.

(ii) A description of the changes between the proposed rules, including supplemental notices and final rules.

(iii) A summary of the comments made regarding the rule and the agency response to them.

(iv) A summary of the council's action on the rule.

(v) A statement of the rule's effective date.

(e) In addition to the information set forth in subdivision (a) of this paragraph, for an emergency rule, the preamble also shall include an explanation of the situation justifying the rule being made as an emergency rule, the date of the attorney general's approval of the rule and a statement of the emergency rule's effective date.

19. "Provision of law" means the whole or a part of the federal or state constitution, or of any federal or state statute, rule of court, executive order or rule of an administrative agency.

20. "Register" means the Arizona administrative register, which is:

(a) This state's official publication of rulemaking notices that are filed with the office of secretary of state.

(b) Published pursuant to section 41-1011.

21. "Rule" means an agency statement of general applicability that implements, interprets or prescribes law or policy, or describes the procedure or practice requirements of an agency. Rule includes prescribing fees or the amendment or repeal of a prior rule but does not include intraagency memoranda that are not delegation agreements.

22. "Rulemaking" means the process to make a new rule or amend, repeal or renumber a rule.

23. "Small business" means a concern, including its affiliates, which is independently owned and operated, which is not dominant in its field and which employs fewer than one hundred full-time employees or which had gross annual receipts of less than four million dollars in its last fiscal year. For purposes of a specific rule, an agency may define small business to include more persons if it finds that such a definition is necessary to adapt the rule to the needs and problems of small businesses and organizations.

24. "Substantive policy statement" means a written expression which informs the general public of an agency's current approach to, or opinion of, the requirements of the federal or state constitution, federal or state statute, administrative rule or regulation, or final judgment of a court of competent jurisdiction, including, where appropriate, the agency's current practice, procedure or method of action based upon that approach or opinion. A substantive policy statement is advisory only. A substantive policy statement does not include internal procedural documents which only affect the internal procedures of the agency and does not impose additional requirements or penalties on regulated parties, confidential information or rules made in accordance with this chapter.

15-925. School transportation; allowable vehicles

Notwithstanding any other law, a school district or charter school in this state or a privately owned and operated entity that is contracted for compensation with a school district or charter school in this state may use a motor vehicle that is designed to carry at least eleven and not more than fifteen passengers or a motor vehicle that is designed as a type A school bus or type B school bus as defined by the department of public safety to carry at least eleven and up to fifteen passengers to transport students to or from home or school on a regularly scheduled basis in accordance with the safety rules adopted by the department of public safety pursuant to sections 28-900 and 28-3228.

28-3053. Student transportation advisory council

A. The student transportation advisory council is established consisting of the following members appointed by the governor:

1. One member representing the department of public safety.

2. One member representing the state board of education.

3. One member representing the state board for charter schools.

4. One member from a school district with a student count of less than six hundred in a county with a population of less than three hundred thousand persons.

5. One member from a school district with a student count of six hundred or more but less than three thousand.

6. One member from a school district with a student count of more than three thousand.

7. One member representing transportation administrators.

8. One member who is a certified school bus driver or school bus driver instructor.

9. One member representing a private sector school bus service provider or a private sector student transportation service provider.

10. One member from a charter school with a student count of less than six hundred.

11. One member from a charter school with a student count of more than six hundred.

12. One member with expertise in electric vehicle fleets, electric vehicle charging infrastructure or charging management services.

13. Two public members.

B. The members shall serve staggered three-year terms unless a member vacates the position. Appointment to fill a vacancy resulting other than from expiration of a term is for the unexpired portion of the term only.

C. The student transportation advisory council shall:

1. Meet at least twice annually.

2. Select a chairperson from its members.

3. Advise and assist the department of public safety in developing the rules required by sections 28-900 and 28-3228.

4. Recommend curricula for school bus driver safety and training courses required by section 28-3228.

5. Advise and consult with the department of public safety concerning matters related to the certification of school bus drivers and the safety of school buses and vehicles described in section 15-925.

6. Advise and consult with the department of public safety concerning matters related to modernizing and innovating K-12 student transportation to reduce transportation barriers for students, increase access to public school options and provide more transportation options for school districts and charter schools, including electric transportation.

7. Advise and consult with the department of administration concerning purchasing strategies to maximize transportation resources and find efficiencies to modernize and properly size transportation vehicles and systems.

8. Establish a mailing list that includes any party expressing an interest in the council's activities. The council shall provide written notice to each person on the list at least fifteen days before the date on which the meeting is to be held. The notice shall be sent by mail or electronic means to the party's last address of record with the council or by any other method reasonably calculated to effect actual notice to any party expressing interest in the council's activities. Written notice by electronic means is effective when transmitted. For other methods written notice is effective on receipt or five days after the date shown on the postmark stamped on the envelope, whichever is earlier.

9. Preapprove contract carriers and private parties as prescribed in section 15-923, subsection B.

D. Members of the student transportation advisory council are not eligible to receive compensation or reimbursement for expenses.

28-900. School transportation rules

A. The department of public safety in consultation with the student transportation advisory council established by section 28-3053 shall adopt rules as necessary to improve the safety and welfare of student passengers by minimizing the probability of accidents involving school buses and student passengers and by minimizing the risk of serious bodily injury to student passengers in the event of an accident.

B. The rules may include:

1. Minimum standards for the design and equipment of school buses that are designed for sixteen or more passengers.

2. Minimum standards for the periodic inspection and maintenance of school buses that are designed for sixteen or more passengers.

3. Procedures for the operation of school buses that are designed for sixteen or more passengers.

4. Minimum standards for the design and equipment of motor vehicles described in section 15-925 that are substantially different than the minimum standards prescribed in paragraph 1 of this subsection.

5. Minimum standards for the periodic inspection and maintenance of motor vehicles described in section 15-925.

6. Procedures for the operation of motor vehicles described in section 15-925.

7. Other criteria as deemed by the department of public safety and the student transportation advisory council to be necessary and appropriate to ensure the safe operation of school buses and motor vehicles that are described in section 15-925. Any rules adopted pursuant to this section shall allow for a variety of vehicles to be used to meet the needs of students and systems of varying sizes and locations.

C. The rules shall provide, if applicable, minimum standards equal to or more restrictive than those adopted by the United States department of transportation in accordance with 23 United States Code and rules adopted pursuant to 23 United States Code.

D. Notwithstanding a rule adopted by the department of public safety with respect to exterior color of a school bus that is designed for sixteen or more passengers, in order to reduce the interior temperature of a school bus, the exterior top of a school bus may be painted white, but the white area shall not extend beyond the center clearance lights, front and rear, and shall not extend below a line five inches above the top of the side windows.

E. An officer or employee of any school district or charter school who violates any of the rules or who fails to include the obligation to comply with the rules in any contract executed by the officer or employee on behalf of the school district or charter school is guilty of misconduct and is subject to removal from office or employment. Any person who operates a school bus or motor vehicle under contract with a school district or charter school and who fails to comply with any of the rules is in breach of contract, and the school district or charter school shall cancel the contract after notice and a hearing by the responsible officers of the school district or charter school.

F. The department of public safety shall enforce the rules adopted pursuant to this section.

28-3228. School bus drivers; student transportation requirements; rules; cancellation of certificate

A. A person shall not operate a school bus that is designed for sixteen or more passengers and that transports school children unless the person possesses the appropriate license class for the size of school bus being operated that is issued by the department of transportation, a bus endorsement that is issued by the department of transportation and a school bus certificate that is issued by the department of public safety. A person shall not operate a vehicle described in section 15-925 to transport schoolchildren unless the person possesses the appropriate license class for the size of the vehicle being operated, a school bus driver certificate that is issued by the department of public safety and a valid fingerprint clearance card as required by subsection D of this section.

B. To be certified as a school bus driver for a vehicle that is designed for sixteen or more passengers, a person shall do both of the following:

1. Meet and maintain the minimum standards prescribed by this section and rules adopted by the department of public safety in consultation with the student transportation advisory council established by section 28-3053.

2. Complete an initial instructional course on school bus driver safety and training, including behind the wheel training.

C. The department of public safety in consultation with the student transportation advisory council established by section 28-3053 shall adopt rules that establish minimum standards for the certification of school bus drivers and drivers of other vehicles described in section 15-925. In cooperation with local school districts and charter schools, the department of public safety shall provide for school transportation safety and training courses. The standards established shall:

1. Include requirements concerning knowledge of operating a school bus or a vehicle described in section 15-925, pupil and motor vehicle safety, physical impairments that might affect the applicant's ability to safely operate a school bus or vehicle described in section 15-925 or that might endanger the health or safety of passengers, knowledge of first aid, establishment of school bus and other vehicle safety and training courses, a refresher course to be completed on at least a biennial basis and other matters as the department of public safety and the student transportation advisory council established by section 28-3053 prescribe for the protection of the public.

2. Require tests to detect the presence of alcohol or the use of a drug in violation of title 13, chapter 34 that may adversely affect the ability of the applicant to safely operate a school bus or vehicle described in section 15-925.

3. Authorize the performance of hearing tests with or without the use of a hearing aid as provided in 49 Code of Federal Regulations section 391.41.

4. Require the applicant to possess a commercial driver license issued by the department, except that:

(a) Notwithstanding subsection A of this section the applicant may possess a commercial driver license issued by another state if the applicant will be driving a school bus for a school district that is adjacent to that state.

(b) An applicant to drive a vehicle described in section 15-925 does not need to possess or obtain a commercial driver license. This subdivision applies only if a commercial driver license is not required by state or federal law to operate the vehicle based on the vehicle's gross vehicle weight rating or occupancy.

D. Each person who applies for a school bus driver certificate shall have a valid fingerprint clearance card that is issued pursuant to title 41, chapter 12, article 3.1 and shall submit an identity verified fingerprint card as described in section 15-106 that the department of public safety shall use to process the fingerprint clearance card as outlined in section 15-106.

E. A person who is issued a school bus driver certificate shall maintain a valid identity verified fingerprint clearance card for the duration of any school bus driver certification period.

F. The department of public safety shall suspend a school bus driver certificate if the fingerprint clearance card is invalid, suspended, canceled or revoked.

G. The department of public safety shall issue a school bus driver certificate to an applicant who meets the requirements of this section. The certificate is valid if the applicant maintains the minimum standards established by this section.

H. The department of public safety may cancel the certificate if the person's license to drive is suspended, canceled, revoked or disqualified. The department of public safety shall cancel the certificate if the person fails to maintain the minimum standards established pursuant to this section. A person whose application for a certificate is refused or whose certificate is canceled for failure to meet or maintain the minimum standards may request and receive a hearing from the department of public safety.

I. The department of public safety shall enforce the rules adopted pursuant to this section.

G.

CONSIDERATION, DISCUSSION, AND POSSIBLE ACTION ON EXTENSION REQUEST FROM DEPARTMENT OF ENVIRONMENTAL QUALITY FOR FIVE-YEAR REVIEW REPORT ON TITLE 18, CHAPTER 11, ARTICLE 1

Katie Hobbs
Governor

Arizona Department of Environmental Quality

Karen Peters
Deputy Director

January 10, 2024

Re: Five-Year Review Report for A.A.C. Title 18, Chapter 11, Article 1 (Water Quality Standards) – Extension Request

Chairperson Klein:

Pursuant to A.R.S. § 41-1056(F) and A.A.C. R1-6-303(B), the Arizona Department of Environmental Quality (ADEQ) requests a one-year extension of the April 30, 2025 due date for the above-referenced Five-Year Review Report. ADEQ recently completed modifications to Article 1 and is in the process of modifying the rules once again to bring our water quality standards in line with Federal requirements. ADEQ requests a new deadline date of April 30, 2026.

ADEQ completed the process of making significant modifications to our Clean Water Act (CWA) programs in 2023 as a result of the landmark water quality legislation passed as HB2691 (2021). That bill directed the ADEQ to develop a state-level Surface Water Protection Program and establish a variety of other regulations. ADEQ finalized those modifications to Article 1 on January 27, 2023 at 29 A.A.R. 301.

Additionally, ADEQ has filed both a Notice of Proposed Rulemaking (NPRM) and a Supplemental Notice of Proposed Rulemaking (SNPRM) that will make further changes to Article 1. The NPRM was published on May 17, 2024, at 30 A.A.R. 957 and the SNPRM was published on November 8, 2024, at 30 A.A.R. 3296. ADEQ anticipates filing a Notice of Final Rulemaking during calendar year 2025.

Please contact Jonathan Quinsey at 602-771-8193 or quinsey.jonathan@azdeq.gov if you have any questions.

Sincerely,

DocuSigned by:

CONSIDERATION, DISCUSSION, AND POSSIBLE ACTION ON DEPARTMENT OF HEALTH SERVICES RULE R9-10-819

6. Documentation of each evacuation drill is created, is maintained for at least 12 months after the date of the evacuation drill, and includes:
   a. The date and time of the evacuation drill;
   b. The amount of time taken for employees and residents to evacuate the assisted living facility;
   c. If applicable:
      i. An identification of residents needing assistance for evacuation, and
      ii. An identification of residents who were not evacuated;
   d. Any problems encountered in conducting the evacuation drill; and
   e. Recommendations for improvement, if applicable; and
7. An evacuation path is conspicuously posted in each hallway of each floor of the assisted living facility.

B. A manager shall ensure that:
1. A resident receives orientation to the exits from the assisted living facility and the route to be used when evacuating the assisted living facility within 24 hours after the resident's acceptance by the assisted living facility, and
2. The resident's orientation is documented.

C. A manager shall ensure that a first-aid kit is maintained in the assisted living facility in a location accessible to caregivers and assistant caregivers.

D. When a resident has an accident, emergency, or injury that results in the resident needing medical services, a manager shall ensure that a caregiver or an assistant caregiver:
1. Immediately notifies the resident's emergency contact and primary care provider; and
2. Documents the following:
   a. The date and time of the accident, emergency, or injury;
   b. A description of the accident, emergency, or injury;
   c. The names of individuals who observed the accident, emergency, or injury;
   d. The actions taken by the caregiver or assistant caregiver;
   e. The individuals notified by the caregiver or assistant caregiver; and
   f. Any action taken to prevent the accident, emergency, or injury from occurring in the future.

E. A manager of an assisted living center shall ensure that:
1. Unless the assisted living center has documentation of having received an exception from the Department before October 1, 2013, in the areas of the assisted living center providing personal care services or directed care services:
   a. A fire alarm system is installed according to the National Fire Protection Association 72: National Fire Alarm and Signaling Code, incorporated by reference in R9-10-104.01, and is in working order; and
   b. A sprinkler system is installed according to the National Fire Protection Association 13: Standard for the Installation of Sprinkler Systems, incorporated by reference in R9-10-104.01, and is in working order;
2. For the areas of the assisted living center providing only supervisory care services:
   a. A fire alarm system and a sprinkler system meeting the requirements in subsection (E)(1) are installed and in working order, or
   b. The assisted living center complies with the requirements in subsection (F);
3. A fire inspection is conducted by a local fire department or the State Fire Marshal before licensing and according to the time-frame established by the local fire department or the State Fire Marshal;
4. Any repairs or corrections stated on the fire inspection report are made; and
5. Documentation of a current fire inspection is maintained.

F. A manager of an assisted living home shall ensure that:
1. A fire extinguisher that is labeled as rated at least 2A-10-BC by the Underwriters Laboratories is mounted and maintained in the assisted living home;
2. A disposable fire extinguisher is replaced when its indicator reaches the red zone;
3. A rechargeable fire extinguisher:
   a. Is serviced at least once every 12 months, and
   b. Has a tag attached to the fire extinguisher that specifies the date of the last servicing and the identification of the person who serviced the fire extinguisher;
4. Except as provided in subsection (G):
   a. A smoke detector is:
      i. Installed in each bedroom, hallway that adjoins a bedroom, storage room, laundry room, attached garage, and room or hallway adjacent to the kitchen, and other places recommended by the manufacturer;
      ii. Either battery operated or, if hard-wired into the electrical system of the assisted living home, has a back-up battery;
      iii. In working order; and
      iv. Tested at least once a month; and
   b. Documentation of the test required in subsection (F)(4)(a)(iv) is maintained for at least 12 months after the date of the test;
5. An appliance, light, or other device with a frayed or spliced electrical cord is not used at the assisted living home; and
6. An electrical cord, including an extension cord, is not run under a rug or carpeting, over a nail, or from one room to another at the assisted living home.

G. A manager of an assisted living home may use a fire alarm system and a sprinkler system to ensure the safety of residents if the fire alarm system and sprinkler system:
1. Are installed and in working order, and
2. Meet the requirements in subsection (E)(1).

Historical Note

New Section made by final rulemaking at 9 A.A.R. 319, effective March 14, 2003 (Supp. 03-1). Section repealed; new Section made by exempt rulemaking at 19 A.A.R. 2015, effective October 1, 2013 (Supp. 13-2). Amended by exempt rulemaking at 20 A.A.R. 1409, pursuant to Laws 2013, Ch. 10, § 13; effective July 1, 2014 (Supp. 14-2). Amended by final rulemaking at 25 A.A.R. 1583, effective October 1, 2019 (Supp. 19-3). Amended by final expedited rulemaking, at 25 A.A.R. 3481 with an immediate effective date of November 5, 2019 (Supp. 19-4).

R9-10-819. Environmental Standards

A. A manager shall ensure that:
1. The premises and equipment used at the assisted living facility are:

a. Cleaned and, if applicable, disinfected according to policies and procedures designed to prevent, minimize, and control illness or infection; and
b. Free from a condition or situation that may cause a resident or other individual to suffer physical injury;

2. A pest control program that complies with A.A.C. R3-8-201(C)(4) is implemented and documented;
3. Garbage and refuse are:
   a. Stored in covered containers lined with plastic bags, and
   b. Removed from the premises at least once a week;
4. Heating and cooling systems maintain the assisted living facility at a temperature between 70° F and 84° F at all times, unless individually controlled by a resident;
5. Common areas:
   a. Are lighted to ensure the safety of residents, and
   b. Have lighting sufficient to allow caregivers and assistant caregivers to monitor resident activity;
6. Hot water temperatures are maintained between 95º F and 120º F in areas of an assisted living facility used by residents;
7. The supply of hot and cold water is sufficient to meet the personal hygiene needs of residents and the cleaning and sanitation requirements in this Article;
8. A resident has access to a laundry service or a washing machine and dryer in the assisted living facility;
9. Soiled linen and soiled clothing stored by the assisted living facility are maintained separate from clean linen and clothing and stored in closed containers away from food storage, kitchen, and dining areas;
10. Oxygen containers are secured in an upright position;
11. Poisonous or toxic materials stored by the assisted living facility are maintained in labeled containers in a locked area separate from food preparation and storage, dining areas, and medications and are inaccessible to residents;
12. Combustible or flammable liquids and hazardous materials stored by the assisted living facility are stored in the original labeled containers or safety containers in a locked area inaccessible to residents;
13. Equipment used at the assisted living facility is:
   a. Maintained in working order;
   b. Tested and calibrated according to the manufacturer's recommendations or, if there are no manufacturer's recommendations, as specified in policies and procedures; and
   c. Used according to the manufacturer's recommendations;
14. If pets or animals are allowed in the assisted living facility, pets or animals are:
   a. Controlled to prevent endangering the residents and to maintain sanitation;
   b. Licensed consistent with local ordinances; and
   c. For a dog or cat, vaccinated against rabies;
15. If a water source that is not regulated under 18 A.A.C. 4 by the Arizona Department of Environmental Quality is used:
   a. The water source is tested at least once every 12 months for total coliform bacteria and fecal coliform or *E. coli* bacteria;
   b. If necessary, corrective action is taken to ensure the water is safe to drink; and
   c. Documentation of testing is retained for at least 12 months after the date of the test; and
16. If a non-municipal sewage system is used, the sewage system is in working order and is maintained according to applicable state laws and rules.

B. If a swimming pool is located on the premises, a manager shall ensure that:
1. On a day that a resident uses the swimming pool, an employee:
   a. Tests the swimming pool's water quality at least once for compliance with one of the following chemical disinfection standards:
      i. A free chlorine residual between 1.0 and 3.0 ppm as measured by the N, N-Diethyl-p-phenylenediamine test;
      ii. A free bromine residual between 2.0 and 4.0 ppm as measured by the N, N-Diethyl-p-phenylenediamine test; or
      iii. An oxidation-reduction potential equal to or greater than 650 millivolts; and
   b. Records the results of the water quality tests in a log that includes the date tested and test result;
2. Documentation of the water quality test is maintained for at least 12 months after the date of the test; and
3. A swimming pool is not used by a resident if a water quality test shows that the swimming pool water does not comply with subsection (B)(1)(a).

Historical Note

New Section made by final rulemaking at 9 A.A.R. 319, effective March 14, 2003 (Supp. 03-1). Section repealed; new Section made by exempt rulemaking at 19 A.A.R. 2015, effective October 1, 2013 (Supp. 13-2). Amended by exempt rulemaking at 20 A.A.R. 1409, pursuant to Laws 2013, Ch. 10, § 13; effective July 1, 2014 (Supp. 14-2). Amended by final expedited rulemaking at 25 A.A.R. 259, effective January 8, 2019 (Supp. 19-1).

R9-10-820. Physical Plant Standards

A. A manager shall ensure that an assisted living center complies with the applicable physical plant health and safety codes and standards, incorporated by reference in R9-10-104.01, that:
1. Are applicable to the level of services planned to be provided or being provided; and
2. Were in effect on the date the assisted living facility submitted architectural plans and specifications to the Department for approval, according to R9-10-104.

B. A manager shall ensure that:
1. The premises and equipment are sufficient to accommodate:
   a. The services stated in the assisted living facility's scope of services, and
   b. An individual accepted as a resident by the assisted living facility;
2. A common area for use by residents is provided that has sufficient space and furniture to accommodate the recreational and socialization needs of residents;
3. A dining area has sufficient space and tables and chairs to accommodate the needs of the residents;
4. At least one bathroom is accessible from a common area and:
   a. May be used by residents and visitors;
   b. Provides privacy when in use; and
   c. Contains the following:
      i. At least one working sink with running water,
      ii. At least one working toilet that flushes and has a seat,
