GOVERNOR'S REGULATORY REVIEW COUNCIL

ATTORNEY MEMORANDUM - REGULAR RULEMAKING

MEETING DATE: May 6, 2025

TO: Members of the Governor's Regulatory Review Council (Council)

FROM: Council Staff

DATE: April 14, 2025

SUBJECT: **ARIZONA HEALTH CARE COST CONTAINMENT SYSTEM**
Title 9, Chapter 22

Amend: R9-22-301; R9-22-302; R9-22-304; R9-22-305; R9-22-315

Summary:

This regular rulemaking from the Arizona Health Care Cost Containment System (AHCCCS) seeks to amend five (5) rules in Title 9, Chapter 33, Article 3 regarding General Eligibility Requirements. Specifically, rules in Article 3 outline general eligibility requirements for individuals seeking AHCCCS coverage. These rules establish the basic criteria for enrollment, including residency, financial need, and citizenship or legal status. Additionally, they specify documentation and verification needed to determine if an applicant qualifies for AHCCCS programs.

AHCCCS indicates, although the rules are effective, certain current rules do not align with the language in federal regulations or provide true clarity to individuals utilizing them in determining eligibility. AHCCCS indicates proposed changes are merely clarifying, including updating definitions for "BHS" (means the division of Behavioral Health Services) and "USCIS" (means the United States Citizen and Immigration Services), extending the timeframe an applicant or member has to provide the required verification when requested, updating a rule to state that a written declaration is not required in order for the rule to be aligned with federal regulation, and adding information regarding electronic notification delivery option. AHCCCS

indicates substantive and procedural rights of members are not affected, nor are any of the programs of the Administration.

1. **Are the rules legal, consistent with legislative intent, and within the agency's statutory authority?**

AHCCCS cites both general and specific statutory authority for these rules.

2. **Do the rules establish a new fee or contain a fee increase?**

This rulemaking does not establish a new fee or contain a fee increase.

3. **Does the preamble disclose a reference to any study relevant to the rules that the agency reviewed and either did or did not rely upon?**

AHCCCS indicates it did not review any study relevant to this rulemaking.

4. **Summary of the agency's economic impact analysis:**

AHCCCS states that these regulations govern the eligibility of members and AHCCCS and other State responsibilities on them. AHCCCS does not anticipate any economic, small business, and consumer impact with the currently proposed changes. AHCCCS indicates that the proposed changes are merely clarifying including updating definitions for "BHS" and "UCIS", extending the timeframe an applicant or member has to provide the required verification when requested, updating a rule to state that a written declaration is not required in order for the rule to be aligned with federal regulation, and adding information regarding electronic notification delivery option. AHCCCS goes on to say substantive and procedural rights of members are not affected, nor are any of the programs of the Administration.

5. **Has the agency analyzed the costs and benefits of the rulemaking and determined that the rules impose the least burden and costs to those who are regulated?**

The Administration does not anticipate any economic, small business, and consumer impact with the currently proposed changes.

6. **What are the economic impacts on stakeholders?**

The Administration does not anticipate any economic, small business, and consumer impact with the currently proposed changes.

7. **Are the final rules a substantial change, considered as a whole, from the proposed rules and any supplemental proposals?**

AHCCCS indicates there were no changes between the Notice of Proposed Rulemaking published in the Administrative Register on November 15, 2024 and the Notice of Final Rulemaking now before the Council for consideration.

8. **Does the agency adequately address the comments on the proposed rules and any supplemental proposals?**

AHCCCS indicates it received no public comments related to this rulemaking.

9. **Do the rules require a permit or license and, if so, does the agency comply with A.R.S. § 41-1037?**

Not applicable. The rule does not require the issuance of a permit, license, or agency authorization.

10. **Are the rules more stringent than corresponding federal law and, if so, is there statutory authority to exceed the requirements of federal law?**

AHCCCS indicates the rules are not more stringent than corresponding federal law.

11. **Conclusion**

This regular rulemaking from AHCCCS seeks to amend five (5) rules in Title 9, Chapter 33, Article 3 regarding General Eligibility Requirements. AHCCCS indicates, although the rules are effective, certain current rules do not align with the language in federal regulations or provide true clarity to individuals utilizing them in determining eligibility. AHCCCS indicates proposed changes are merely clarifying, including updating definitions for “BHS” and “USCIS”, extending the timeframe an applicant or member has to provide the required verification when requested, updating a rule to state that a written declaration is not required in order for the rule to be aligned with federal regulation, and adding information regarding electronic notification delivery option. AHCCCS indicates substantive and procedural rights of members are not affected, nor are any of the programs of the Administration.

AHCCCS is seeking the standard 60-day delayed effective date pursuant to A.R.S. § 41-1032(A).

Council staff recommends approval of this rulemaking.

7. An agency's justification and reason why a rule should be made, amended, repealed or renumbered, to include an explanation about the rulemaking:

Rules in R9-22-Article 3 outline general eligibility requirements for individuals seeking AHCCCS coverage. These rules establish the basic criteria for enrollment, including residency, financial need, and citizenship or legal status. Additionally, they specify documentation and verification needed to determine if an applicant qualifies for AHCCCS programs. Although effective, certain current rules do not align with some of the language in federal regulations or provide true clarity to individuals utilizing them in determining eligibility.

8. A reference to any study relevant to the rule that the agency reviewed and either relied on or did not rely on in its evaluation of or justification for the rule, where the public may obtain or review each study, all data underlying each study, and any analysis of each study and other supporting material:

Not applicable.

9. A showing of good cause why the rulemaking is necessary to promote a statewide interest if the rulemaking will diminish a previous grant of authority of a political subdivision of this state:

Not applicable.

10. A summary of the economic, small business, and consumer impact:

These regulations govern eligibility of members and AHCCCS and other State responsibilities to them. The Administration does not anticipate any economic, small business, and consumer impact with the currently proposed changes. Proposed changes are merely clarifying including updating definitions for “BHS” and “USCIS”, extending the timeframe an applicant or member has to provide the required verification when requested, updating a rule to state that a written declaration is not required in order for the rule to be aligned with federal regulation, and adding information regarding electronic notification delivery option. Substantive and procedural rights of members are not affected, nor are any of the programs of the Administration.

11. A description of any changes between the proposed rulemaking, to include supplemental notices, and the final rulemaking:

There are no changes between the proposed rulemaking and the final rulemaking.

12. An agency’s summary of the public or stakeholder comments made about the rulemaking and the agency response to the comments:

There were no public or stakeholder comments made about the rulemaking.

13. All agencies shall list other matters prescribed by statute applicable to the specific agency or to any specific rule or class of rules. Additionally, an agency subject to Council review under A.R.S. §§ 41-1052 and 41-1055 shall respond to the following questions:

There are no other matters prescribed by statute applicable specifically to the Administration or this specific rulemaking.

a. Whether the rule requires a permit, whether a general permit is used and if not, the reasons why a general permit is not used:

The rule does not require the issuance of a regulatory permit. Therefore, a general permit is not applicable.

b. Whether a federal law is applicable to the subject of the rule, whether the rule is more stringent than federal law and if so, citation to the statutory authority to exceed the requirements of federal law:

The rules are not more stringent than the federal law.

c. Whether a person submitted an analysis to the agency that compares the rule’s impact of the competitiveness of business in this state to the impact on business in other states:

No business competitiveness analysis was submitted to the Administration.

14. A list of any incorporated by reference material as specified in A.R.S. § 41-1028 and its location in the rules:

Not applicable.

15. Whether the rule was previously made, amended or repealed as an emergency rule. If so, cite the notice published in the Register as specified in R1-1-409(A). Also, the agency shall state where the text was changed between the emergency and the final rulemaking packages:

Not applicable.

16. The full text of the rules follows:

R9-22-301. General Eligibility Definitions

Definitions. In addition to definitions contained in R9-22-101 and A.R.S. § 36-2901, the words and phrases in this Article, Article 14 and Article 15 have the following meanings unless the context explicitly requires another meaning:

- “Applicant,” notwithstanding R9-22-101, means a person listed on an application for whom AHCCCS coverage is being sought.
- “BHS” means ~~the division of Behavioral Health Services within the Arizona Department of Health Services.~~
- “CRS” means the program administered by the Administration or its designee that provides covered medical services and covered support services in accordance with A.R.S. 36-261.
- “DCSS” means the Division of Child Support Services, which is the division within the Department that administers the Title IV-D program and includes a contract agent operating a child support enforcement program on behalf of the Department.
- “FAA” means the Family Assistance Administration, the administration within the Department’s Division of Benefits and Medical Eligibility with responsibility for providing cash and food stamp assistance to a member and for determining eligibility for AHCCCS medical coverage.
- “Income” means combined earned and unearned income.
- “Medical support” means to provide health care coverage in the form of health insurance or court-ordered payment for medical care.
- “Member” means an applicant who has been determined to qualify for AHCCCS coverage by the Administration or its designee.
- “Pre-enrollment process” means the process that provides an applicant the opportunity to choose an AHCCCS health plan before the determination of eligibility is completed.

“Resources” means real and personal property, including liquid assets.

“Sponsor” means an individual who signs the USCIS I-864 Affidavit of Support agreeing to support a non-citizen as a condition of the non-citizen’s admission for permanent residence in the United States.

“Sponsor deemed income” means the unearned income deemed available to the applicant named on the USCIS I-864 Affidavit of Support.

“SVES” means the State Verification and Exchange System, a system through which the Department exchanges income and benefit information with the Internal Revenue Service, Social Security Administration, and State Wage and Unemployment Insurance Benefit data files.

“USCIS” means the United States ~~Citizen~~ Citizenship and Immigration Services.

R9-22-302. AHCCCS Eligibility Application

Application process.

1. Right to apply. A person may apply for AHCCCS medical coverage by submitting an Administration-approved application to the Administration or its designee, an FAA office, or one of the following outstation locations:
 - a. ~~A BHS site;~~
 - ~~b.~~—A Federally Qualified Health Center or disproportionate share hospital under 42 U.S.C. 1396r-4; or
 - ~~eb.~~ Any other site, including a hospital, approved by the Administration or its designee.
2. Application. To initiate the application process, the Administration or its designee will accept an application from the applicant, an adult who is in the applicant’s household, as defined in 42 CFR 435.603(f), or family, as defined in section 36B(d)(1) of the Internal Revenue Service (IRS) Code, an authorized representative, or if the applicant is a minor or incapacitated, someone acting responsibly for the applicant by submitting a written or online application under 42 CFR 435.907.
 - a. A phone or written application must contain at least the following to be submitted to the Administration or its designee:
 - i. Applicant’s legible name,
 - ii. Address or location where the applicant can be reached,
 - iii. Signature of the person submitting the application,
 - iv. Date the application was signed.
 - v. The Administration or its designee shall require that a third party witness the signing and attest by signing the application if the individual signing the application signs with a mark.
 - b. An online application must be completed in full in order to be submitted to the Administration or its designee.
3. Incomplete application. If the application is incomplete, the Administration or its designee shall do at least one of the following:
 - a. Contact an applicant or an applicant’s representative by telephone or electronic medium to obtain the missing information required for an eligibility determination;
 - b. Mail a request for additional information to an applicant or an applicant’s representative, allowing 10 days from the date of the request to provide the required additional information; or
 - c. Meet with the applicant, representative, or household member.
4. Date of application. The date of application is the date application is received by the Administration or its designee either on-line or at a location listed in subsection (1).
5. Complete application form. The Administration or its designee shall consider an application complete when all questions are answered. The same person as listed under subsection (2) is the person that must sign the completed application. The application shall be witnessed and signed by a third party if the individual signing the application signs with a mark.
6. Assistance with application. The Administration or its designee shall allow a person of the applicant’s choice to accompany, assist, and represent the applicant in the application process.

R9-22-304. Verification of Eligibility Information

- A. Except as provided in subsection (E), if information provided by or on behalf of an applicant or member on an application, renewal form or otherwise does not conflict with information obtained by the agency through an electronic data match, the Administration or its designee shall determine or renew eligibility based on such information.
- B. The Administration or its designee shall not require an applicant, member, or representative to provide additional verification unless the verification cannot be obtained electronically or the verification obtained electronically conflicts with information provided by or on behalf of the applicant or member.
- C. If information provided by or on behalf of an applicant or member does conflict with information obtained through an electronic data match, the applicant or member shall provide the Administration or its designee with information or documentation necessary to verify eligibility, including evidence originating from an agency, organization, or an individual with actual knowledge of the information.
- D. Income information obtained through an electronic data match shall be considered reasonably compatible with income information provided by or on behalf of an individual if both meet or both exceed the applicable income limit.

- E. The Administration or its designee shall not accept the applicant's or member's statement by itself as verification of:
 1. SSN;
 2. Qualified alien status, except as described under 42 USC 1320b-7(d)(4)(A); or
 3. Citizenship, except as described under 42 USC 1396a(ee)(1).
- F. The Administration or its designee shall give an applicant or member at least 105 days from the date of a written or electronic request for information to provide required verification. The Administration or its designee may deny the application or discontinue eligibility if an applicant or a member does not provide the required information timely.

R9-22-305. Eligibility Requirements

As a condition of eligibility, the Administration or its designee must require applicants, and members to do the following:

- ~~1. Take all necessary steps to obtain any annuities, pensions, retirement, disability benefits to which they are entitled, unless they can show good cause for not doing so.~~
- ~~2.~~ Furnish a SSN under 42 CFR 435.910 and 435.920, or in the absence of an SSN, provide proof of a submitted application of SSN. The Administration or its designee will assist in obtaining or verifying the applicant's SSN under 42 CFR 435.910 if an applicant cannot recall the applicant's SSN or has not been issued a SSN. An applicant is not required to furnish an SSN if the applicant is not able to legally obtain a SSN. The Administration or its designee shall determine eligibility notwithstanding the applicant's lack of a SSN, if the applicant is cooperating with the Administration or its designee to obtain a SSN and obtain a SSN prior to the next scheduled review of eligibility.
- ~~3.~~ Provide proof of residency of Arizona. An applicant or a member is not eligible unless the applicant or member is a resident of Arizona under 42 CFR 435.403 effective October 1, 2012, which is incorporated by reference and on file with the Administration, and available from the U.S. Government Printing Office, Mail Stop: IDCC, 732 N. Capitol Street, NW, Washington, DC, 20401. This incorporation by reference contains no future editions or amendments.
- ~~4.~~ A ~~written~~ declaration, ~~signed under penalty of perjury~~, must be provided for each person for whom benefits are being sought stating whether the individual is a citizen or national of the United States, and, if that individual is not a citizen or national of the United States, that the individual is a qualified alien. The declaration must be provided by the individual for whom eligibility is being sought or an adult member of the individual's family or household.
- ~~5.~~ Each applicant who claims qualified alien status must provide either:
 - a. Alien registration documentation or other proof of immigration registration from the Immigration and Naturalization Service that contains the individual's alien admission number or alien file number (or numbers if the individual has more than one number), or
 - b. Other documents that the Administration or its designee accepts as evidence of immigration status, such as:
 - i. A Form I-94 Departure Record issued by the USCIS,
 - ii. A Foreign Passport,
 - iii. A USCIS Parole Notice,
 - iv. A Victim of Trafficking Certification or Eligibility Letter issued by the US DHHS Office of Refugee Resettlement,
 - v. Other documentation consistent with 42 CFR 435.406 or 435.407.
 - c. Sufficient information for the Administration or its designee to obtain electronic verification of immigration status from the USCIS.
- ~~6.~~ If a person for whom eligibility is being sought, states that they are an alien, that person is not required to comply with subsections (4) and (5); however, if they do not comply with those sections, and if they meet all other eligibility criteria, benefits will be limited to those necessary to treat an emergency medical condition.

R9-22-315. Notice of Adverse Action

- A. Adverse actions. An applicant or member may appeal, as described under Chapter 34, by requesting a hearing from the Administration or its designee concerning any of the following adverse actions:
 1. Complete or partial denial of eligibility under R9-22-307 and R9-22-313(E);
 2. Suspension, termination, or reduction of AHCCCS medical coverage under R9-22-307, R9-22-312 and R9-22314;
 3. Delay in the eligibility determination beyond the timeframes under this Article;
 4. The imposition of or increase in a premium or copayment; or
 5. The effective date of eligibility.
- B. Notice of Adverse Action. The Administration or its designee shall personally deliver or send, by mail, or electronic means a Notice of Adverse Action to the person affected by the action. For the purpose of this Section, the date of the Notice of Adverse Action shall be the date of personal delivery to the applicant, ~~or the postmark date; if mailed; or the email date if emailed.~~
- C. Automatic change and hearing rights.
 1. An applicant or a member is not entitled to a hearing if the sole issue is a federal or state law requiring an automatic change adversely affecting some or all recipients.

2. An applicant or a member is entitled to a hearing if a federal or state law requires an automatic change and the applicant or member timely files an appeal that alleges a misapplication of the facts to the law.

ECONOMIC, SMALL BUSINESS, AND CONSUMER IMPACT STATEMENT

TITLE 9. HEALTH SERVICES

CHAPTER 22. ARIZONA HEALTH CARE COST CONTAINMENT SYSTEM ADMINISTRATION

Introduction:

The Arizona Health Care Cost Containment System (AHCCCS) is Arizona's Medicaid agency, responsible for providing health care coverage to eligible low-income individuals and families. It operates through a partnership between the state and federal government to deliver necessary medical services to those who meet specific eligibility criteria. Rules in R9-22-Article 3 outline the general eligibility requirements for individuals seeking AHCCCS coverage. These regulations govern not only the eligibility of members, but also the responsibilities of AHCCCS and the State toward those members. They establish the basic criteria for enrollment, including residency, financial need, and citizenship or legal status. Additionally, they specify the documentation and verification processes required to determine if an applicant qualifies for AHCCCS programs.

Purpose of Rule:

AHCCCS is making technical and conforming changes to reflect changes to agency procedures for greater efficiency and ease for individuals applying for eligibility, as well as clarifying changes to reflect that the Division of Behavioral Health Services now resides within AHCCCS.

1. Identification of rulemaking

The Administration's proposed rulemaking would make minor technical and clarifying changes.

a. The conduct and its frequency of occurrence that the rule is designed to change:

The changes to these rules will not change the conduct or its frequency, merely streamline and clarify for those pursuing eligibility determinations.

b. The harm resulting from the conduct the rule is designed to change and the likelihood it will continue to occur if the rule is not changed:

Although the harm has not been quantified, these changes are proposed so that individuals will address the correct agency with their eligibility questions and concerns.

c. The estimated change in frequency of the targeted conduct expected from the rule change:

The Administration does not anticipate a change in frequency in conduct with the rulemaking.

2. Identification of the persons who will be directly affected by, bear the costs of, or directly benefit from the rule making.

Individuals applying for eligibility under AHCCCS will be benefitted, however there are not quantified costs associated with this rulemaking.

3. Cost-benefit analysis.

a. Probable costs and benefits to the implementing agency and other agencies directly affected by the implementation and enforcement of the proposed rulemaking including the number of new full-time employees necessary to implement and enforce the proposed rule:

i. Cost:

The Administration anticipates no increase in cost to the implementing agency.

ii. Benefit:

The Administration anticipates a benefit to the implementing agency as for increased efficiency with staff time.

iii. Need for additional Full-time Employees:

The Administration does not anticipate the need to hire full-time employees as a result of this rulemaking.

b. Probable costs and benefits to political subdivision of this state directly affected by the implementation and enforcement of the proposed rulemaking.

This rulemaking does not directly affect political subdivisions.

4. General description of the probable impact on private and public employment in businesses, agencies, and political subdivisions of this state directly affected by the rulemaking.

The Administration anticipates that public and private employment will not be impacted by the changes.

5. Statement of probable impact of the proposed rule on small businesses. The statement shall include:

a. Identification of the small businesses subject to the proposed rulemaking.

The Administration anticipates no impact on small businesses.

b. Administrative and other costs required for compliance with the proposed rulemaking.

The Administration anticipates no impact on the administrative expenses of these small businesses because the proposed rule does not require a change in claim submission coding or procedure.

c. Description of methods prescribed in section A.R.S. § 41-1035 that the agency may use to reduce the impact on small businesses, with reasons for the agency's decision to use or not use each method:

i. Establishing less stringent compliance or reporting requirements in the rule for small businesses:

This rule does not impose compliance or reporting requirements on small businesses beyond those already necessary to comply with federal law and state statute.

ii. **Establishing less stringent schedules deadlines in the rule for compliance or reporting requirements for small businesses;**

This rule does not impose compliance or reporting requirements on small businesses beyond those requirements that are necessary to comply with federal law and state statute.

iii. **Consolidate or simplify the rule's compliance or reporting requirements for small businesses;**

This rule does not impose compliance or reporting requirements on small businesses beyond those requirements that are necessary to comply with federal law and state statute.

iv. **Establish performance standards for small businesses to replace design or operational standards in the rule; and**

This rule does not establish performance standards for small businesses beyond those requirements that are necessary to comply with federal law and state statute.

v. **Exempting small businesses from any or all requirements of the rule.**

Exempting small businesses is not applicable to this rule.

d. **The probable cost and benefit to private persons and consumers who are directly affected by the proposed rulemaking.**

The effect of the rule on private persons cannot be quantified as a financial cost, however it should help to clarify the eligibility process.

6. **Statement of the probable effect on state revenues.**

It is anticipated that the rule will have no fiscal impact on state revenues.

7. **Description of any less intrusive or less costly alternative methods of achieving the purpose of the proposed rulemaking, including the monetizing of the costs and benefits for each option and providing the rationale for not using nonselected alternatives.**

The Administration did not consider other alternatives because the revisions to the rule are the most cost effective and efficient method of complying with federal law and state law and are technical and clarifying in nature.

8. **A description of any data on which a rule is based with a detailed explanation of how the data was obtained and why the data is acceptable data.**

The Administration did not consider any specific data to base the rule upon.

CHAPTER 22. ARIZONA HEALTH CARE COST CONTAINMENT SYSTEM - ADMINISTRATION

11, 2007 (Supp. 07-3). Amended by final rulemaking at 13 A.A.R. 4122, effective November 6, 2007 (Supp. 07-4).

R9-22-217. Services Included in the Federal Emergency Services Program

- A.** Definition. Notwithstanding the definition in R9-22-201, for the purposes of this Section, an emergency medical or behavioral health condition for a FES member means a medical condition or a behavioral health condition, including labor and delivery, manifesting itself by acute symptoms of sufficient severity, including severe pain, such that the absence of immediate medical attention could reasonably be expected to result in:
1. Placing the member's health in serious jeopardy,
 2. Serious impairment to bodily functions,
 3. Serious dysfunction of any bodily organ or part, or
 4. Serious physical harm to another person.
- B.** Services. "Emergency services for a FES member" mean those medical or behavioral health services provided for the treatment of an emergency condition. Emergency services include outpatient dialysis services for a FES member with End Stage Renal Disease (ESRD) where a treating physician has certified for the month in which services are received that in the physician's opinion the absence of receiving dialysis at least three times per week would reasonably be expected to result in:
1. Placing the member's health in serious jeopardy, or
 2. Serious impairment of bodily function, or
 3. Serious dysfunction of a bodily organ or part.
- C.** Covered services. Services are considered emergency services if all of the criteria specified in subsection (A) are satisfied at the time the services are rendered. The Administration shall determine whether an emergency condition exists on a case-by-case basis.
- D.** Prior authorization. A provider is not required to obtain prior authorization for emergency services for FES members. Prior authorization for outpatient dialysis services is met when the treating physician has completed and signed a monthly certification as described in subsection (B).
- E.** Services rendered through the Federal Emergency Services Program are subject to all exclusions and limitation on services in this Article including but not limited to the limitations on inpatient hospital services in R9-22-204.

New Section made by final rulemaking at 20 A.A.R. 192, with an immediate effective date of January 7, 2014; the adoption of this Section was slated to be codified in Supp. 14-1 but due to a clerical error, was not published. The new Section was published in Supp. 20-4 and no additional amendments have been made to this Section since January 7, 2014 (Supp. 20-4).

R9-22-302. AHCCCS Eligibility Application**Application Process**

1. Right to apply. A person may apply for AHCCCS medical coverage by submitting an Administration-approved application to the Administration or its designee, an FAA office, or one of the following outstation locations:
 - a. A BHS site;
 - b. A Federally Qualified Health Center or disproportionate share hospital under 42 U.S.C. 1396r-4; or
 - c. Any other site, including a hospital, approved by the Administration or its designee.
2. Application. To initiate the application process, the Administration or its designee will accept an application from the applicant, an adult who is in the applicant’s household, as defined in 42 CFR 435.603(f), or family, as defined in section 36B(d)(1) of the Internal Revenue Service (IRS) Code, an authorized representative, or if the applicant is a minor or incapacitated, someone acting responsibly for the applicant by submitting a written or online application under 42 CFR 435.907.
 - a. A phone or written application must contain at least the following to be submitted to the Administration or its designee:
 - i. Applicant’s legible name,
 - ii. Address or location where the applicant can be reached,
 - iii. Signature of the person submitting the application,
 - iv. Date the application was signed.
 - v. The Administration or its designee shall require that a third party witness the signing and attest

by signing the application if the individual signing the application signs with a mark.

- b. An online application must be completed in full in order to be submitted to the Administration or its designee.
3. Incomplete application. If the application is incomplete, the Administration or its designee shall do at least one of the following:
 - a. Contact an applicant or an applicant’s representative by telephone or electronic medium to obtain the missing information required for an eligibility determination;
 - b. Mail a request for additional information to an applicant or an applicant’s representative, allowing 10 days from the date of the request to provide the required additional information; or
 - c. Meet with the applicant, representative, or household member.
4. Date of application. The date of application is the date application is received by the Administration or its designee either on-line or at a location listed in subsection (1).
5. Complete application form. The Administration or its designee shall consider an application complete when all questions are answered. The same person as listed under subsection (2) is the person that must sign the completed application. The application shall be witnessed and signed by a third party if the individual signing the application signs with a mark.
6. Assistance with application. The Administration or its designee shall allow a person of the applicant’s choice to accompany, assist, and represent the applicant in the application process.

Amended by final rulemaking at 25 A.A.R. 1849, with an immediate effective date of July 1, 2019 (Supp. 19-3).

R9-22-304. Verification of Eligibility Information

- A.** Except as provided in subsection (E), if information provided by or on behalf of an applicant or member on an application, renewal form or otherwise does not conflict with information obtained by the agency through an electronic data match, the Administration or its designee shall determine or renew eligibility based on such information.
- B.** The Administration or its designee shall not require an applicant, member, or representative to provide additional verification unless the verification cannot be obtained electronically or the verification obtained electronically conflicts with information provided by or on behalf of the applicant or member.
- C.** If information provided by or on behalf of an applicant or member does conflict with information obtained through an electronic data match, the applicant or member shall provide the Administration or its designee with information or documentation necessary to verify eligibility, including evidence originating from an agency, organization, or an individual with actual knowledge of the information.
- D.** Income information obtained through an electronic data match shall be considered reasonably compatible with income information provided by or on behalf of an individual if both meet or both exceed the applicable income limit.
- E.** The Administration or its designee shall not accept the applicant's or member's statement by itself as verification of:
 1. SSN;
 2. Qualified alien status, except as described under 42 USC 1320b-7(d)(4)(A); or
 3. Citizenship, except as described under 42 USC 1396a(ee)(1).
- F.** The Administration or its designee shall give an applicant or member at least 10 days from the date of a written or electronic request for information to provide required verification. The Administration or its designee may deny the application or discontinue eligibility if an applicant or a member does not provide the required information timely.

Historical Note

Adopted effective August 30, 1982 (Supp. 82-4). Former Section R9-22-304 repealed, new Section R9-22-304 adopted effective November 20, 1984 (Supp. 84-6).

Amended effective October 1, 1985 (Supp. 85-5). Section repealed by final rulemaking at 5 A.A.R. 294, effective January 8, 1999 (Supp. 99-1). New Section R9-22-304

made by final rulemaking at 20 A.A.R. 192, with an immediate effective date of January 7, 2014 (Supp. 14-1).

R9-22-305. Eligibility Requirements

As a condition of eligibility, the Administration or its designee must require applicants, and members to do the following:

1. Take all necessary steps to obtain any annuities, pensions, retirement, disability benefits to which they are entitled, unless they can show good cause for not doing so.
2. Furnish a SSN under 42 CFR 435.910 and 435.920, or in the absence of an SSN, provide proof of a submitted application of SSN. The Administration or its designee will assist in obtaining or verifying the applicant's SSN under 42 CFR 435.910 if an applicant cannot recall the applicant's SSN or has not been issued a SSN. An applicant is not required to furnish an SSN if the applicant is not able to legally obtain a SSN. The Administration or its designee shall determine eligibility notwithstanding the applicant's lack of a SSN, if the applicant is cooperating with the Administration or its designee to obtain a SSN and obtain a SSN prior to the next scheduled review of eligibility.
3. Provide proof of residency of Arizona. An applicant or a member is not eligible unless the applicant or member is a resident of Arizona under 42 CFR 435.403 effective October 1, 2012, which is incorporated by reference and on file with the Administration, and available from the U.S. Government Printing Office, Mail Stop: IDCC, 732 N. Capitol Street, NW, Washington, DC, 20401. This incorporation by reference contains no future editions or amendments.
4. A written declaration, signed under penalty of perjury, must be provided for each person for whom benefits are being sought stating whether the individual is a citizen or national of the United States, and, if that individual is not a citizen or national of the United States, that the individual is a qualified alien. The declaration must be provided by the individual for whom eligibility is being sought or an adult member of the individual's family or household.
5. Each applicant who claims qualified alien status must provide either:
 - a. Alien registration documentation or other proof of immigration registration from the Immigration and Naturalization Service that contains the individual's alien admission number or alien file number (or numbers if the individual has more than one number), or
 - b. Other documents that the Administration or its designee accepts as evidence of immigration status, such as:
 - i. A Form I-94 Departure Record issued by the USCIS,
 - ii. A Foreign Passport,
 - iii. A USCIS Parole Notice,
 - iv. A Victim of Trafficking Certification or Eligibility Letter issued by the US DHHS Office of Refugee Resettlement,
 - v. Other documentation consistent with 42 CFR 435.406 or 435.407.
 - c. Sufficient information for the Administration or its designee to obtain electronic verification of immigration status from the USCIS.
6. If a person for whom eligibility is being sought, states that they are an alien, that person is not required to comply with subsections (4) and (5); however, if they do not

TITLE 9. HEALTH SERVICES

CHAPTER 22. ARIZONA HEALTH CARE COST CONTAINMENT SYSTEM - ADMINISTRATION

comply with those sections, and if they meet all other eligibility criteria, benefits will be limited to those necessary to treat an emergency medical condition.

Historical Note

Adopted effective August 30, 1982 (Supp. 82-4). Former Section R9-22-305 repealed, new Section R9-22-305 adopted effective November 20, 1984 (Supp. 84-6). Amended subsection (A) effective January 1, 1987, filed December 31, 1986 (Supp. 86-6). Amended subsection (A) effective February 26, 1988 (Supp. 88-1). Section repealed by final rulemaking at 5 A.A.R. 294, effective January 8, 1999 (Supp. 99-1). New Section R9-22-305 made by final rulemaking at 20 A.A.R. 192, with an immediate effective date of January 7, 2014 (Supp. 14-1).

R9-22-306. Administration, Administration's designee or Member Responsibilities

- A. The Administration or its designee is responsible for the following:
1. The Administration or its designee shall determine eligibility within 90 days for an applicant applying on the basis of disability and 45 days for all other applicants, unless:
 - a. The agency cannot reach a decision because the applicant or an examining physician delays or fails to take a required action, or
 - b. When there is an administrative or other emergency beyond the agency's control.
 2. If an applicant dies while an application is pending, the Administration or its designee shall complete an eligibility determination for the deceased applicant.
 3. The Administration or its designee shall complete an eligibility determination on an application filed on behalf of a deceased applicant.
 4. During the application process the Administration or its designee shall provide information to the applicant or member explaining the requirements to:
 - a. Cooperate with DCSS in establishing paternity and enforcing medical support, except in circumstances when good cause under 42 CFR 433.147 exists for not cooperating;
 - b. Establish good cause for not cooperating with DCSS in establishing paternity and enforcing medical support, when applicable;
 - c. Report a change listed under subsection (B)(3)(c) no later than 10 days from the date the applicant or member knows of the change;
 - d. Send to the Administration or its designee any medical support payments resulting from a court order;
 - e. Cooperate with the Administration or its designee's assignment of rights and securing payments received from any liable party for a member's medical care.
 5. Offer to help the applicant or member to complete the application form and to obtain the required verification;
 6. Provide the applicant or member with information explaining:
 - a. The eligibility and verification requirements for AHCCCS medical coverage;
 - b. The requirement that the applicant or member obtain and provide a SSN to the Administration or its designee;
 - c. How the Administration or its designee uses the SSN;
 7. Explain to the applicant or member the practice of exchange of eligibility and income information through the electronic service established by the Secretary;
 8. Explain to the applicant and member the right to appeal an adverse action under R9-22-315;
 9. Use any information provided by the member to complete data matches with potentially liable parties;
 10. Explain the eligibility review process;
 11. Explain the AHCCCS pre-enrollment process;
 12. Use the Systematic Alien Verification for Entitlements (SAVE) process to verify qualified alien status;
 13. Provide information regarding the penalties for perjury and fraud on the application;
 14. Review any verification items provided by the applicant or member and inform the member of any additional verification items and time-frames within which the applicant or member shall provide information to the Administration or its designee;
 15. Explain to the applicant or member the applicant's and member's responsibilities under subsection (B);
 16. Transfer the applicant's information to other insurance affordability programs as described under 42 CFR 435.1200(e) when the applicant does not qualify for Medicaid;
 17. Attain a written record of a collateral contact: such as a verbal statement from a representative of an agency or organization, or an individual with actual knowledge of the information;
 18. Complete a review of eligibility:
 - a. Any time there is a change in a member's circumstance that may affect eligibility,
 - b. For a member approved for the MED program under R9-22-1435 through R9-22-1440 before the end of the six-month eligibility period,
 - c. Of each member's continued eligibility for AHCCCS medical coverage once every 12 months;
 19. The Administration or its designee shall discontinue eligibility and notify the member of the discontinuance under R9-22-307 if the member:
 - a. Fails to comply with the review of eligibility,
 - b. Fails to comply under 42 CFR 433.148 with the requirements and conditions of eligibility under this Article regarding assignment of rights and cooperation of establishing paternity and obtaining medical support, or
 - c. Does not meet the eligibility requirements; and
 20. Redetermine eligibility for a person terminated from the SSI cash program.
 - a. Continuation of AHCCCS medical coverage. The Administration shall continue AHCCCS medical coverage for a person terminated from the SSI cash program until a redetermination of eligibility is completed.
 - b. Coverage group screening. Before terminating a person from the SSI cash program, the Administration shall determine if the person is eligible for coverage as a person described in A.R.S. §§ 36-2901(6)(a)(i) through (vi) or 36-2934.
 - c. Eligibility decision.
 - i. If a person is eligible under this Article or 9 A.A.C. 28, Article 4, the Administration shall send a notice informing the applicant that AHCCCS medical coverage is approved.

TITLE 9. HEALTH SERVICES

CHAPTER 22. ARIZONA HEALTH CARE COST CONTAINMENT SYSTEM - ADMINISTRATION

- ii. If a person is ineligible, the Administration shall send a notice to deny AHCCCS medical coverage.
- B. Applicant and Member Responsibilities.**
1. An applicant or a member shall authorize the Administration or its designee to obtain verification for initial eligibility or continuation of eligibility.
 2. As a condition of eligibility, an applicant or a member shall:
 - a. Provide the Administration or its designee with complete and truthful information. The Administration or its designee may deny an application or discontinue eligibility if:
 - i. The applicant or member fails to provide information necessary for initial or continuing eligibility;
 - ii. The applicant or member fails to provide the Administration or its designee with written authorization or electronic authorization to permit the Administration or its designee to obtain necessary initial or continuing eligibility verification;
 - iii. The applicant or member fails to provide verification under R9-22-304 after the Administration or its designee made an effort to obtain the necessary verification but has not obtained the necessary information; or
 - iv. The applicant or member does not assist the Administration or its designee in resolving incomplete, inconsistent, or unclear information that is necessary for initial or continuing eligibility;
 - b. Cooperate with the Division of Child Support Services (DCSS) in establishing paternity and enforcing medical support obligations when requested unless good cause exists for not cooperating under 42 CFR 433.147 as of October 1, 2012, which is incorporated by reference, on file with the Administration, and available from the U.S. Government Printing Office, Mail Stop: IDCC, 732 N. Capitol St., NW, Washington, DC, 20401. This incorporation by reference contains no future editions or amendments. The Administration or its designee shall not deny AHCCCS eligibility to an applicant who would otherwise be eligible, is a minor child, and whose parent or legal representative does not cooperate with the medical support requirements or first- and third-party liability requirements under Article 10 of this Chapter; and
 - c. Provide the information needed to pursue third party coverage for medical care, such as:
 - i. Name of policyholder,
 - ii. Policyholder's relationship to the applicant or member,
 - iii. Name and address of the insurance company, and
 - iv. Policy number.
 3. A member or an applicant shall:
 - a. Send to the Administration or its designee any medical support payments received while the member is eligible that result from a medical support order;
 - b. Cooperate with the Administration or its designee regarding any issues arising as a result of Eligibility Quality Control described under A.R.S. § 36-2903.01; and
 - c. Inform the Administration or its designee of the following changes within 10 days from the date the applicant or member knows of a change:
 - i. In address;
 - ii. In the household's composition;
 - iii. In income;
 - iv. In resources, when required under the Medical Expense Deduction (MED) program;
 - v. In Arizona state residency;
 - vi. In citizenship or immigrant status;
 - vii. In first- or third-party liability that may contribute to the payment of all or a portion of the person's medical costs;
 - viii. That may affect the member's or applicant's eligibility, including a change in a woman's pregnancy status;
 - ix. Death;
 - x. Change in marital status; or
 - xi. Change in school attendance.
 4. As a condition of eligibility, an applicant or a member shall cooperate with the assignment of rights as required by R9-22-311. If the applicant or member receives medical care and services for which a first or third party is or may be liable, the applicant or member shall cooperate with the Administration or its designee in assisting, identifying and providing information to assist the Administration or its designee in pursuing any first or third party who is or may be liable to pay for medical care and services.
 5. A pregnant woman under A.R.S. § 36-2901(6)(a)(ii) is not required to provide the Administration or its designee with information regarding paternity or medical support from a father of a child born out of wedlock.
- C. Administration or its designee responsibilities at Eligibility Renewal.**
1. The Administration or its designee shall renew eligibility without requiring information from the individual if able to do so based on reliable information available to the agency, including through an electronic data match. If able to renew eligibility based on such information, the Administration or its designee shall send the member notice of:
 - a. The eligibility determination; and
 - b. The member's requirement to notify the Administration or its designee if any of the information contained in the renewal notice is inaccurate.
 2. If unable to renew eligibility, the Administration or its designee shall:
 - a. Send a pre-populated renewal form listing the information needed to renew eligibility,
 - b. Give the member 30 days from the date of the renewal form to submit the signed renewal form and the information needed,
 - c. Send the member notice of the renewal decision under R9-22-312 or R9-22-1413(B) as applicable.

R9-22-316. Exemptions from Sponsor Deemed Income

- A.** An applicant shall provide proof to the Administration or its designee when claiming an exemption from sponsor deemed income.
- B.** The Administration or its designee shall grant an exemption from deeming a sponsor's income for a Lawful Permanent Resident applicant if the applicant:
1. Adjusted immigration status to Lawful Permanent Resident from status as a refugee or asylee;
 2. Is the spouse or dependent child of the sponsor and lives with the sponsor;
 3. Is indigent as specified in subsection (C);
 4. Is a victim of domestic violence or extreme cruelty as specified in subsection (D); or
 5. Has acquired 40 qualified quarters of work credit based on earnings as specified in subsection (E).
- C.** Exemption from sponsor deeming based on indigence.
1. The Administration or its designee shall consider the applicant indigent and grant an exemption from sponsor deemed income for an applicant, for a period of 12 months beginning with the first month of eligibility if all the following are met:
 - a. An applicant is indigent if all of the following are met:
 - i. The applicant does not reside with the applicant's sponsor;
 - ii. The applicant does not receive free room and board; and
 - iii. The applicant's total gross income including monies received from the sponsor and the value of any vendor payments received for food, utilities, or shelter does not exceed 100% of the FPL for the size of the income group.
 2. The Administration or its designee shall send a notice under 8 U.S.C. 1631(e)(2) to the Attorney General's Office when approving an applicant who is exempt from sponsor deemed income due to indigence.
- D.** The Administration or its designee shall grant an exemption from sponsor deemed income for an applicant who is a victim of domestic violence or extreme cruelty under 8 CFR 204.2 for a period of 12 months beginning with the first month of eligibility. The Administration or its designee shall redetermine the exemption status at each renewal.
1. The Administration or its designee considers an applicant to be a victim of domestic violence or extreme cruelty when all of the following are met:
 - a. The applicant is the victim, the parent of a child victim, or the child of a parent victim;
 - b. The perpetrator of the domestic violence or extreme cruelty was the spouse or parent of the victim or other family member related by blood, marriage or adoption to the victim;
 - c. The perpetrator was residing in the same household as the victim when the abuse occurred;
 - d. The abuse occurred in the United States;
 - e. The applicant did not participate in the domestic violence or cruelty; and
 - f. The victim does not currently live with the perpetrator.
2. The applicant shall provide proof that the applicant or the applicant's child is a victim of domestic violence or extreme cruelty by presenting one of the following:
- a. USCIS form I-360 Petition for Amerasian, Widow, or Special Immigrant;
 - b. USCIS form I-797 USCIS approval of the I-360 petition;
 - c. Reports or affidavits concerning the domestic violence or cruelty documented by police, judges, or other court officials, medical personnel, school officials, clergy, social workers, counseling or mental health personnel, or other social service agency personnel;
 - d. Legal documentation, such as an order of protection against the perpetrator or an order convicting the perpetrator of committing an act of domestic violence or extreme cruelty that chronicles the existence of domestic violence or extreme cruelty;
 - e. Evidence that indicates that the applicant sought safe haven in a battered women's shelter or similar refuge because of the domestic violence or extreme cruelty against the applicant or the applicant's child; or
 - f. Photographs of the applicant or applicant's child showing visible injury.
- E.** The Administration or its designee shall grant an exemption from sponsor deemed income for an applicant who has reached 40 qualifying quarters of work credit.
1. The Administration or its designee shall not count quarters credited after January 1, 1997 that were earned while the applicant was receiving any federal means-tested benefits.
 2. The Administration or its designee shall not count the 40 qualifying quarters of work credit unless the credited quarters are:
 - a. Quarters that the applicant worked;
 - b. Quarters worked by the applicant's spouse or deceased spouse during their marriage; or
 - c. Quarters worked by the applicant's parents when the applicant was under age 18.

made by final rulemaking at 20 A.A.R. 192, with an immediate effective date of January 7, 2014 (Supp. 14-1).

R9-22-317. Sponsor Deemed Income

- A. The Administration or its designee shall use income of a USCIS sponsor to determine eligibility for a non-citizen applicant, whether or not the income is available, to the non-citizen applicant unless exempt under R9-22-316.
- B. Counting the income from a sponsor.
1. This Section applies to non-citizen applicants who:
 - a. Are Lawful Permanent Residents under 8 CFR 101.3;
 - b. Applied for Lawful Permanent Resident Status on or after December 19, 1997;
 - c. Are sponsored by an individual who signed a USCIS I-864 Affidavit of Support; and
 - d. Are eligible for full AHCCCS medical coverage.
 2. Sponsor deemed income shall be considered the income of the non-citizen applicant only.
 3. The Administration or its designee shall not use the provisions of this Section when:
 - a. The applicant becomes a naturalized U.S. citizen;
 - b. The applicant qualifies for an exemption listed in R9-22-316; or
 - c. The sponsor dies.
- C. Determining income from a sponsor.
1. For an applicant who is exempt from sponsor deeming under R9-22-316, only cash contributions actually received from the sponsor are countable income to the applicant.
 2. For an applicant to whom the sponsor's income is deemed, the Administration or its designee shall exclude any cash contributions received from the sponsor.
- D. Calculation of income from a sponsor.
1. The Administration or its designee shall include the total gross income of the sponsor and the sponsor's spouse, when living with the sponsor;
 2. The Administration or its designee shall subtract an amount equal to 100% of the FPL for the sponsor's household size from the total gross income under (D)(1); and
 3. The amount calculated under subsection (D)(2) is deemed as income to the applicant for purposes of determining eligibility.

ARTICLE 4. PENALTY FOR OBTAINING ELIGIBILITY BY FRAUD**R9-22-401. Definitions**

Definitions. The following definitions apply specifically to terms used within this Article:

“Amounts incurred by the system” include capitation payments, costs incurred by any contractor in excess of capitation, reinsurance, and other administrative, legal or investigative costs associated with a person who obtained eligibility contrary to A.R.S. §§ 36-2905.04 and/or A.R.S. § 36-2991.

“Application for eligibility” means any request for benefits administered by AHCCCS under the authority of A.R.S. Title 36, Chapter 29, including applications for presumptive eligibility submitted to hospitals as described under Article 16 of this Chapter.

“Penalty” means an amount not to exceed the amounts incurred by the system during any time period that the person would have been ineligible for benefits but for the false or fraudulent information provided on the application for eligibility. A penalty does not include, and does not need to be reduced by, the amount of any overpayments that AHCCCS

may be entitled to recoup from a person who violated A.R.S. § 36-2905.04 and/or A.R.S. § 36-2991.

Historical Note

Adopted as an emergency effective May 20, 1982 pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 82-3). Former Section R9-22-401 adopted as an emergency now adopted as a permanent rule effective August 30, 1982 (Supp. 82-4). Amended effective January 31, 1986 (Supp. 86-1). Amended effective January 31, 1997 (Supp. 97-1). Amended by final rulemaking at 5 A.A.R. 867, effective March 4, 1999 (Supp. 99-1). Section repealed by final rulemaking at 8 A.A.R. 424, effective January 10, 2002 (Supp. 02-1). New Section made by final rulemaking at 22 A.A.R. 3191, effective October 19, 2016 (Supp. 16-4).

R9-22-402. Determining the Amount of the Penalty

- A. AHCCCS shall determine the amount of a penalty according to A.R.S. § 36-2905.04(B) or A.R.S. § 36-2991(B), whichever is applicable, and this Article.
- B. In addition to any penalty imposed pursuant to ARS §§ 36-2905.04 or 36-2991, and this Article, the Administration may also recoup from the person the amounts incurred by the system as a part of the notice and appeal process described in this Article.

Historical Note

Adopted as an emergency effective May 20, 1982, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 82-3). Former Section R9-22-402 adopted as an emergency now adopted and amended as a permanent rule effective August 30, 1982 (Supp. 82-4). Amended effective January 31, 1986 (Supp. 86-1). Amended effective January 14, 1997 (Supp. 97-1). Amended by final rulemaking at 6 A.A.R. 2435, effective June 9, 2000 (Supp. 00-2). Section repealed by final rulemaking at 8 A.A.R. 424, effective January 10, 2002 (Supp. 02-1). New Section made by final rulemaking at 22 A.A.R. 3191, effective October 19, 2016 (Supp. 16-4).

R9-22-403. Mitigating and Aggravating Circumstances

- A. AHCCCS shall consider any of the following to be mitigating circumstances when determining the amount of a penalty for obtaining eligibility by fraud.
 1. Degree of culpability. The degree of culpability of a person is a mitigating circumstance if the person did not intend to provide or cause to be provided false information on the application for eligibility but was negligent as to the truthfulness of the information provided.
 2. Prior Offenses. At the time of the submittal of the application the person:
 - a. Did not have any prior criminal convictions; and
 - b. Had not been held civilly liable for defrauding a public assistance program.
 3. Financial condition. The financial condition of a person who violates A.R.S. §§ 36-2905.04 or 36-2991 is a mitigating circumstance if the imposition of a penalty without reduction will render the person incapable of obtaining necessities of life such as food, clothing, and shelter. AHCCCS may consider the resources available to the person when determining the amount of the penalty.
 4. Other matters as justice may require. AHCCCS shall take into account other circumstances of a mitigating nature, if in the interest of justice; the circumstances require a reduction of the penalty.

36-2903.01. Additional powers and duties; report; definition

A. The director of the Arizona health care cost containment system administration may adopt rules that provide that the system may withhold or forfeit payments to be made to a noncontracting provider by the system if the noncontracting provider fails to comply with this article, the provider agreement or rules that are adopted pursuant to this article and that relate to the specific services rendered for which a claim for payment is made.

B. The director shall:

1. Prescribe uniform forms to be used by all contractors. The rules shall require a written and signed application by the applicant or an applicant's authorized representative, or, if the person is incompetent or incapacitated, a family member or a person acting responsibly for the applicant may obtain a signature or a reasonable facsimile and file the application as prescribed by the administration.

2. Enter into an interagency agreement with the department to establish a streamlined eligibility process to determine the eligibility of all persons defined pursuant to section 36-2901, paragraph 6, subdivision (a). At the administration's option, the interagency agreement may allow the administration to determine the eligibility of certain persons, including those defined pursuant to section 36-2901, paragraph 6, subdivision (a).

3. Enter into an intergovernmental agreement with the department to:

(a) Establish an expedited eligibility and enrollment process for all persons who are hospitalized at the time of application.

(b) Establish performance measures and incentives for the department.

(c) Establish the process for management evaluation reviews that the administration shall perform to evaluate the eligibility determination functions performed by the department.

(d) Establish eligibility quality control reviews by the administration.

(e) Require the department to adopt rules, consistent with the rules adopted by the administration for a hearing process, that applicants or members may use for appeals of eligibility determinations or redeterminations.

(f) Establish the department's responsibility to place sufficient eligibility workers at federally qualified health centers to screen for eligibility and at hospital sites and level one trauma centers to ensure that persons seeking hospital services are screened on a timely basis for eligibility for the system, including a process to ensure that applications for the system can be accepted on a twenty-four hour basis, seven days a week.

(g) Withhold payments based on the allowable sanctions for errors in eligibility determinations or redeterminations or failure to meet performance measures required by the intergovernmental agreement.

(h) Recoup from the department all federal fiscal sanctions that result from the department's inaccurate eligibility determinations. The director may offset all or part of a sanction if the department submits a corrective action plan and a strategy to remedy the error.

4. By rule establish a procedure and time frames for the intake of grievances and requests for hearings, for the continuation of benefits and services during the appeal process and for a grievance process at the contractor level. Notwithstanding sections 41-1092.02, 41-1092.03 and 41-1092.05, the administration shall develop rules to establish the procedure and time frame for the informal resolution of grievances and appeals. A grievance that is not related to a claim for payment of system covered services shall be filed in writing with and received by the administration or the prepaid capitated provider or program contractor not later than sixty days after the date of the adverse action, decision or policy implementation being grieved. A grievance that is related to a claim for payment of system covered services must be filed in writing and received by the administration or the prepaid capitated provider or program contractor within twelve months after the date of service, within twelve months

after the date that eligibility is posted or within sixty days after the date of the denial of a timely claim submission, whichever is later. A grievance for the denial of a claim for reimbursement of services may contest the validity of any adverse action, decision, policy implementation or rule that related to or resulted in the full or partial denial of the claim. A policy implementation may be subject to a grievance procedure, but it may not be appealed for a hearing. The administration is not required to participate in a mandatory settlement conference if it is not a real party in interest. In any proceeding before the administration, including a grievance or hearing, persons may represent themselves or be represented by a duly authorized agent who is not charging a fee. A legal entity may be represented by an officer, partner or employee who is specifically authorized by the legal entity to represent it in the particular proceeding.

5. Apply for and accept federal funds available under title XIX of the social security act (P.L. 89-97; 79 Stat. 344; 42 United States Code section 1396 (1980)) in support of the system. The application made by the director pursuant to this paragraph shall be designed to qualify for federal funding primarily on a prepaid capitated basis. Such funds may be used only for the support of persons defined as eligible pursuant to title XIX of the social security act or the approved section 1115 waiver.

6. At least thirty days before the implementation of a policy or a change to an existing policy relating to reimbursement, provide notice to interested parties. Parties interested in receiving notification of policy changes shall submit a written request for notification to the administration.

7. In addition to the cost sharing requirements specified in subsection D, paragraph 4 of this section:

(a) Charge monthly premiums up to the maximum amount allowed by federal law to all populations of eligible persons who may be charged.

(b) Implement this paragraph to the extent permitted under the federal deficit reduction act of 2005 and other federal laws, subject to the approval of federal waiver authority and to the extent that any changes in the cost sharing requirements under this paragraph would permit this state to receive any enhanced federal matching rate.

C. The director is authorized to apply for any federal funds available for the support of programs to investigate and prosecute violations arising from the administration and operation of the system. Available state funds appropriated for the administration and operation of the system may be used as matching funds to secure federal funds pursuant to this subsection.

D. The director may adopt rules or procedures to do the following:

1. Authorize advance payments based on estimated liability to a contractor or a noncontracting provider after the contractor or noncontracting provider has submitted a claim for services and before the claim is ultimately resolved. The rules shall specify that any advance payment shall be conditioned on the execution before payment of a contract with the contractor or noncontracting provider that requires the administration to retain a specified percentage, which shall be at least twenty percent, of the claimed amount as security and that requires repayment to the administration if the administration makes any overpayment.

2. Defer liability, in whole or in part, of contractors for care provided to members who are hospitalized on the date of enrollment or under other circumstances. Payment shall be on a capped fee-for-service basis for services other than hospital services and at the rate established pursuant to subsection G of this section for hospital services or at the rate paid by the health plan, whichever is less.

3. Deputize, in writing, any qualified officer or employee in the administration to perform any act that the director by law is empowered to do or charged with the responsibility of doing, including the authority to issue final administrative decisions pursuant to section 41-1092.08.

4. Notwithstanding any other law, require persons eligible pursuant to section 36-2901, paragraph 6, subdivision (a), section 36-2931 and section 36-2981, paragraph 6 to be financially responsible for any cost sharing requirements established in a state plan or a section 1115 waiver and approved by the centers for medicare and

medicaid services. Cost sharing requirements may include copayments, coinsurance, deductibles, enrollment fees and monthly premiums for enrolled members, including households with children enrolled in the Arizona long-term care system.

E. The director shall adopt rules that further specify the medical care and hospital services that are covered by the system pursuant to section 36-2907.

F. In addition to the rules otherwise specified in this article, the director may adopt necessary rules pursuant to title 41, chapter 6 to carry out this article. Rules adopted by the director pursuant to this subsection shall consider the differences between rural and urban conditions on the delivery of hospitalization and medical care.

G. For inpatient hospital admissions and outpatient hospital services on and after March 1, 1993, the administration shall adopt rules for the reimbursement of hospitals according to the following procedures:

1. For inpatient hospital stays from March 1, 1993 through September 30, 2014, the administration shall use a prospective tiered per diem methodology, using hospital peer groups if analysis shows that cost differences can be attributed to independently definable features that hospitals within a peer group share. In peer grouping the administration may consider such factors as length of stay differences and labor market variations. If there are no cost differences, the administration shall implement a stop loss-stop gain or similar mechanism. Any stop loss-stop gain or similar mechanism shall ensure that the tiered per diem rates assigned to a hospital do not represent less than ninety percent of its 1990 base year costs or more than one hundred ten percent of its 1990 base year costs, adjusted by an audit factor, during the period of March 1, 1993 through September 30, 1994. The tiered per diem rates set for hospitals shall represent no less than eighty-seven and one-half percent or more than one hundred twelve and one-half percent of its 1990 base year costs, adjusted by an audit factor, from October 1, 1994 through September 30, 1995 and no less than eighty-five percent or more than one hundred fifteen percent of its 1990 base year costs, adjusted by an audit factor, from October 1, 1995 through September 30, 1996. For the periods after September 30, 1996 no stop loss-stop gain or similar mechanisms shall be in effect. An adjustment in the stop loss-stop gain percentage may be made to ensure that total payments do not increase as a result of this provision. If peer groups are used, the administration shall establish initial peer group designations for each hospital before implementation of the per diem system. The administration may also use a negotiated rate methodology. The tiered per diem methodology may include separate consideration for specialty hospitals that limit their provision of services to specific patient populations, such as rehabilitative patients or children. The initial per diem rates shall be based on hospital claims and encounter data for dates of service November 1, 1990 through October 31, 1991 and processed through May of 1992. The administration may also establish a separate reimbursement methodology for claims with extraordinarily high costs per day that exceed thresholds established by the administration.

2. For rates effective on October 1, 1994, and annually through September 30, 2011, the administration shall adjust tiered per diem payments for inpatient hospital care by the data resources incorporated market basket index for prospective payment system hospitals. For rates effective beginning on October 1, 1999, the administration shall adjust payments to reflect changes in length of stay for the maternity and nursery tiers.

3. Through June 30, 2004, for outpatient hospital services, the administration shall reimburse a hospital by applying a hospital specific outpatient cost-to-charge ratio to the covered charges. Beginning on July 1, 2004 through June 30, 2005, the administration shall reimburse a hospital by applying a hospital specific outpatient cost-to-charge ratio to covered charges. If the hospital increases its charges for outpatient services filed with the Arizona department of health services pursuant to chapter 4, article 3 of this title, by more than 4.7 percent for dates of service effective on or after July 1, 2004, the hospital specific cost-to-charge ratio will be reduced by the amount that it exceeds 4.7 percent. If charges exceed 4.7 percent, the effective date of the increased charges will be the effective date of the adjusted Arizona health care cost containment system cost-to-charge ratio. The administration shall develop the methodology for a capped fee-for-service schedule and a statewide cost-to-charge ratio. Any covered outpatient service not included in the capped fee-for-service schedule shall be reimbursed by applying the statewide cost-to-charge ratio that is based on the services not included in the capped fee-for-service schedule. Beginning on July 1, 2005, the administration shall reimburse clean claims with dates of service on or after July 1, 2005, based on the capped fee-for-service schedule or the statewide cost-to-charge

ratio established pursuant to this paragraph. The administration may make additional adjustments to the outpatient hospital rates established pursuant to this section based on other factors, including the number of beds in the hospital, specialty services available to patients and the geographic location of the hospital.

4. Except if submitted under an electronic claims submission system, a hospital bill is considered received for purposes of this paragraph on initial receipt of the legible, error-free claim form by the administration if the claim includes the following error-free documentation in legible form:

- (a) An admission face sheet.
- (b) An itemized statement.
- (c) An admission history and physical.
- (d) A discharge summary or an interim summary if the claim is split.
- (e) An emergency record, if admission was through the emergency room.
- (f) Operative reports, if applicable.
- (g) A labor and delivery room report, if applicable.

Payment received by a hospital from the administration pursuant to this subsection or from a contractor either by contract or pursuant to section 36-2904, subsection I is considered payment by the administration or the contractor of the administration's or contractor's liability for the hospital bill. A hospital may collect any unpaid portion of its bill from other third-party payors or in situations covered by title 33, chapter 7, article 3.

5. For services rendered on and after October 1, 1997, the administration shall pay a hospital's rate established according to this section subject to the following:

- (a) If the hospital's bill is paid within thirty days of the date the bill was received, the administration shall pay ninety-nine percent of the rate.
- (b) If the hospital's bill is paid after thirty days but within sixty days of the date the bill was received, the administration shall pay one hundred percent of the rate.
- (c) If the hospital's bill is paid any time after sixty days of the date the bill was received, the administration shall pay one hundred percent of the rate plus a fee of one percent per month for each month or portion of a month following the sixtieth day of receipt of the bill until the date of payment.

6. In developing the reimbursement methodology, if a review of the reports filed by a hospital pursuant to section 36-125.04 indicates that further investigation is considered necessary to verify the accuracy of the information in the reports, the administration may examine the hospital's records and accounts related to the reporting requirements of section 36-125.04. The administration shall bear the cost incurred in connection with this examination unless the administration finds that the records examined are significantly deficient or incorrect, in which case the administration may charge the cost of the investigation to the hospital examined.

7. Except for privileged medical information, the administration shall make available for public inspection the cost and charge data and the calculations used by the administration to determine payments under the tiered per diem system, provided that individual hospitals are not identified by name. The administration shall make the data and calculations available for public inspection during regular business hours and shall provide copies of the data and calculations to individuals requesting such copies within thirty days of receipt of a written request. The administration may charge a reasonable fee for the provision of the data or information.

8. The prospective tiered per diem payment methodology for inpatient hospital services shall include a mechanism for the prospective payment of inpatient hospital capital related costs. The capital payment shall

include hospital specific and statewide average amounts. For tiered per diem rates beginning on October 1, 1999, the capital related cost component is frozen at the blended rate of forty percent of the hospital specific capital cost and sixty percent of the statewide average capital cost in effect as of January 1, 1999 and as further adjusted by the calculation of tier rates for maternity and nursery as prescribed by law. Through September 30, 2011, the administration shall adjust the capital related cost component by the data resources incorporated market basket index for prospective payment system hospitals.

9. For graduate medical education programs:

(a) Beginning September 30, 1997, the administration shall establish a separate graduate medical education program to reimburse hospitals that had graduate medical education programs that were approved by the administration as of October 1, 1999. The administration shall separately account for monies for the graduate medical education program based on the total reimbursement for graduate medical education reimbursed to hospitals by the system in federal fiscal year 1995-1996 pursuant to the tiered per diem methodology specified in this section. The graduate medical education program reimbursement shall be adjusted annually by the increase or decrease in the index published by the global insight hospital market basket index for prospective hospital reimbursement. Subject to legislative appropriation, on an annual basis, each qualified hospital shall receive a single payment from the graduate medical education program that is equal to the same percentage of graduate medical education reimbursement that was paid by the system in federal fiscal year 1995-1996. Any reimbursement for graduate medical education made by the administration shall not be subject to future settlements or appeals by the hospitals to the administration. The monies available under this subdivision shall not exceed the fiscal year 2005-2006 appropriation adjusted annually by the increase or decrease in the index published by the global insight hospital market basket index for prospective hospital reimbursement, except for monies distributed for expansions pursuant to subdivision (b) of this paragraph.

(b) The monies available for graduate medical education programs pursuant to this subdivision shall not exceed the fiscal year 2006-2007 appropriation adjusted annually by the increase or decrease in the index published by the global insight hospital market basket index for prospective hospital reimbursement. Graduate medical education programs eligible for such reimbursement are not precluded from receiving reimbursement for funding under subdivision (c) of this paragraph. Beginning July 1, 2006, the administration shall distribute any monies appropriated for graduate medical education above the amount prescribed in subdivision (a) of this paragraph in the following order or priority:

(i) For the direct costs to support the expansion of graduate medical education programs established before July 1, 2006 at hospitals that do not receive payments pursuant to subdivision (a) of this paragraph. These programs must be approved by the administration.

(ii) For the direct costs to support the expansion of graduate medical education programs established on or before October 1, 1999. These programs must be approved by the administration.

(c) The administration shall distribute to hospitals any monies appropriated for graduate medical education above the amount prescribed in subdivisions (a) and (b) of this paragraph for the following purposes:

(i) For the direct costs of graduate medical education programs established or expanded on or after July 1, 2006. These programs must be approved by the administration.

(ii) For a portion of additional indirect graduate medical education costs for programs that are located in a county with a population of less than five hundred thousand persons at the time the residency position was created or for a residency position that includes a rotation in a county with a population of less than five hundred thousand persons at the time the residency position was established. These programs must be approved by the administration.

(d) The administration shall develop, by rule, the formula by which the monies are distributed.

(e) Each graduate medical education program that receives funding pursuant to subdivision (b) or (c) of this paragraph shall identify and report to the administration the number of new residency positions created by the funding provided in this paragraph, including positions in rural areas. The program shall also report information related to the number of funded residency positions that resulted in physicians locating their practices in this state. The administration shall report to the joint legislative budget committee by February 1 of each year on the number of new residency positions as reported by the graduate medical education programs.

(f) Local, county and tribal governments and any university under the jurisdiction of the Arizona board of regents may provide monies in addition to any state general fund monies appropriated for graduate medical education in order to qualify for additional matching federal monies for providers, programs or positions in a specific locality and costs incurred pursuant to a specific contract between the administration and providers or other entities to provide graduate medical education services as an administrative activity. Payments by the administration pursuant to this subdivision may be limited to those providers designated by the funding entity and may be based on any methodology deemed appropriate by the administration, including replacing any payments that might otherwise have been paid pursuant to subdivision (a), (b) or (c) of this paragraph had sufficient state general fund monies or other monies been appropriated to fully fund those payments. These programs, positions, payment methodologies and administrative graduate medical education services must be approved by the administration and the centers for medicare and medicaid services. The administration shall report to the president of the senate, the speaker of the house of representatives and the director of the joint legislative budget committee on or before July 1 of each year on the amount of money contributed and number of residency positions funded by local, county and tribal governments, including the amount of federal matching monies used.

(g) Any funds appropriated but not allocated by the administration for subdivision (b) or (c) of this paragraph may be reallocated if funding for either subdivision is insufficient to cover appropriate graduate medical education costs.

10. Notwithstanding section 41-1005, subsection A, paragraph 9, the administration shall adopt rules pursuant to title 41, chapter 6 establishing the methodology for determining the prospective tiered per diem payments that are in effect through September 30, 2014.

11. For inpatient hospital services rendered on or after October 1, 2011, the prospective tiered per diem payment rates are permanently reset to the amounts payable for those services as of October 1, 2011 pursuant to this subsection.

12. The administration shall adopt a diagnosis-related group based hospital reimbursement methodology consistent with title XIX of the social security act for inpatient dates of service on and after October 1, 2014. The administration may make additional adjustments to the inpatient hospital rates established pursuant to this section for hospitals that are publicly operated or based on other factors, including the number of beds in the hospital, the specialty services available to patients, the geographic location and diagnosis-related group codes that are made publicly available by the hospital pursuant to section 36-437. The administration may also provide additional reimbursement for extraordinarily high cost cases that exceed a threshold above the standard payment. The administration may also establish a separate payment methodology for specific services or hospitals serving unique populations.

H. The director may adopt rules that specify enrollment procedures, including notice to contractors of enrollment. The rules may provide for varying time limits for enrollment in different situations. The administration shall specify in contract when a person who has been determined eligible will be enrolled with that contractor and the date on which the contractor will be financially responsible for health and medical services to the person.

I. The administration may make direct payments to hospitals for hospitalization and medical care provided to a member in accordance with this article and rules. The director may adopt rules to establish the procedures by which the administration shall pay hospitals pursuant to this subsection if a contractor fails to make timely payment to a hospital. Such payment shall be at a level determined pursuant to section 36-2904, subsection H

or I. The director may withhold payment due to a contractor in the amount of any payment made directly to a hospital by the administration on behalf of a contractor pursuant to this subsection.

J. The director shall establish a special unit within the administration for the purpose of monitoring the third-party payment collections required by contractors and noncontracting providers pursuant to section 36-2903, subsection B, paragraph 10 and subsection F and section 36-2915, subsection E. The director shall determine by rule:

1. The type of third-party payments to be monitored pursuant to this subsection.
2. The percentage of third-party payments that is collected by a contractor or noncontracting provider and that the contractor or noncontracting provider may keep and the percentage of such payments that the contractor or noncontracting provider may be required to pay to the administration. Contractors and noncontracting providers must pay to the administration one hundred percent of all third-party payments that are collected and that duplicate administration fee-for-service payments. A contractor that contracts with the administration pursuant to section 36-2904, subsection A may be entitled to retain a percentage of third-party payments if the payments collected and retained by a contractor are reflected in reduced capitation rates. A contractor may be required to pay the administration a percentage of third-party payments that are collected by a contractor and that are not reflected in reduced capitation rates.

K. The administration shall establish procedures to apply to the following if a provider that has a contract with a contractor or noncontracting provider seeks to collect from an individual or financially responsible relative or representative a claim that exceeds the amount that is reimbursed or should be reimbursed by the system:

1. On written notice from the administration or oral or written notice from a member that a claim for covered services may be in violation of this section, the provider that has a contract with a contractor or noncontracting provider shall investigate the inquiry and verify whether the person was eligible for services at the time that covered services were provided. If the claim was paid or should have been paid by the system, the provider that has a contract with a contractor or noncontracting provider shall not continue billing the member.

2. If the claim was paid or should have been paid by the system and the disputed claim has been referred for collection to a collection agency or referred to a credit reporting bureau, the provider that has a contract with a contractor or noncontracting provider shall:

- (a) Notify the collection agency and request that all attempts to collect this specific charge be terminated immediately.

- (b) Advise all credit reporting bureaus that the reported delinquency was in error and request that the affected credit report be corrected to remove any notation about this specific delinquency.

- (c) Notify the administration and the member that the request for payment was in error and that the collection agency and credit reporting bureaus have been notified.

3. If the administration determines that a provider that has a contract with a contractor or noncontracting provider has billed a member for charges that were paid or should have been paid by the administration, the administration shall send written notification by certified mail or other service with proof of delivery to the provider that has a contract with a contractor or noncontracting provider stating that this billing is in violation of federal and state law. If, twenty-one days or more after receiving the notification, a provider that has a contract with a contractor or noncontracting provider knowingly continues billing a member for charges that were paid or should have been paid by the system, the administration may assess a civil penalty in an amount equal to three times the amount of the billing and reduce payment to the provider that has a contract with a contractor or noncontracting provider accordingly. Receipt of delivery signed by the addressee or the addressee's employee is prima facie evidence of knowledge. Civil penalties collected pursuant to this subsection shall be deposited in the state general fund. Section 36-2918, subsections C, D and F, relating to the imposition, collection and enforcement of civil penalties, apply to civil penalties imposed pursuant to this paragraph.

L. The administration may conduct postpayment review of all claims paid by the administration and may recoup any monies erroneously paid. The director may adopt rules that specify procedures for conducting postpayment review. A contractor may conduct a postpayment review of all claims paid by the contractor and may recoup monies that are erroneously paid.

M. Subject to title 41, chapter 4, article 4, the director or the director's designee may employ and supervise personnel necessary to assist the director in performing the functions of the administration.

N. The administration may contract with contractors for obstetrical care who are eligible to provide services under title XIX of the social security act.

O. Notwithstanding any other law, on federal approval the administration may make disproportionate share payments to private hospitals, county operated hospitals, including hospitals owned or leased by a special health care district, and state operated institutions for mental disease beginning October 1, 1991 in accordance with federal law and subject to legislative appropriation. If at any time the administration receives written notification from federal authorities of any change or difference in the actual or estimated amount of federal funds available for disproportionate share payments from the amount reflected in the legislative appropriation for such purposes, the administration shall provide written notification of such change or difference to the president and the minority leader of the senate, the speaker and the minority leader of the house of representatives, the director of the joint legislative budget committee, the legislative committee of reference and any hospital trade association within this state, within three working days not including weekends after receipt of the notice of the change or difference. In calculating disproportionate share payments as prescribed in this section, the administration may use either a methodology based on claims and encounter data that is submitted to the administration from contractors or a methodology based on data that is reported to the administration by private hospitals and state operated institutions for mental disease. The selected methodology applies to all private hospitals and state operated institutions for mental disease qualifying for disproportionate share payments.

P. Disproportionate share payments made pursuant to subsection O of this section include amounts for disproportionate share hospitals designated by political subdivisions of this state, tribal governments and universities under the jurisdiction of the Arizona board of regents. Subject to the approval of the centers for medicare and medicaid services, any amount of federal funding allotted to this state pursuant to section 1923(f) of the social security act and not otherwise spent under subsection O of this section shall be made available for distribution pursuant to this subsection. Political subdivisions of this state, tribal governments and universities under the jurisdiction of the Arizona board of regents may designate hospitals eligible to receive disproportionate share payments in an amount up to the limit prescribed in section 1923(g) of the social security act if those political subdivisions, tribal governments or universities provide sufficient monies to qualify for the matching federal monies for the disproportionate share payments.

Q. Notwithstanding any law to the contrary, the administration may receive confidential adoption information to determine whether an adopted child should be terminated from the system.

R. The adoption agency or the adoption attorney shall notify the administration within thirty days after an eligible person receiving services has placed that person's child for adoption.

S. If the administration implements an electronic claims submission system, it may adopt procedures pursuant to subsection G of this section requiring documentation different than prescribed under subsection G, paragraph 4 of this section.

T. In addition to any requirements adopted pursuant to subsection D, paragraph 4 of this section, notwithstanding any other law, subject to approval by the centers for medicare and medicaid services, beginning July 1, 2011, members eligible pursuant to section 36-2901, paragraph 6, subdivision (a), section 36-2931 and section 36-2981, paragraph 6 shall pay the following:

1. A monthly premium of fifteen dollars, except that the total monthly premium for an entire household shall not exceed sixty dollars.

2. A copayment of five dollars for each physician office visit.
3. A copayment of ten dollars for each urgent care visit.
4. A copayment of thirty dollars for each emergency department visit.

U. Subject to the approval of the centers for medicare and medicaid services, political subdivisions of this state, tribal governments and any university under the jurisdiction of the Arizona board of regents may provide to the Arizona health care cost containment system administration monies in addition to any state general fund monies appropriated for critical access hospitals in order to qualify for additional federal monies. Any amount of federal monies received by this state pursuant to this subsection shall be distributed as supplemental payments to critical access hospitals.

V. For the purposes of this section, "disproportionate share payment" means a payment to a hospital that serves a disproportionate share of low-income patients as described by 42 United States Code section 1396r-4.

36-2904. Prepaid capitation coverage; requirements; long-term care; dispute resolution; award of contracts; notification; report

A. The administration may expend public funds appropriated for the purposes of this article and shall execute prepaid capitated health services contracts, pursuant to section 36-2906, with group disability insurers, hospital and medical service corporations, health care services organizations and any other appropriate public or private persons, including county-owned and operated facilities, for health and medical services to be provided under contract with contractors. The administration may assign liability for eligible persons and members through contractual agreements with contractors. If there is an insufficient number of qualified bids for prepaid capitated health services contracts for the provision of hospitalization and medical care within a county, the director may:

1. Execute discount advance payment contracts, pursuant to section 36-2906 and subject to section 36-2903.01, for hospital services.
2. Execute capped fee-for-service contracts for health and medical services, other than hospital services. Any capped fee-for-service contract shall provide for reimbursement at a level of not to exceed a capped fee-for-service schedule adopted by the administration.

B. During any period in which services are needed and no contract exists, the director may do either of the following:

1. Pay noncontracting providers for health and medical services, other than hospital services, on a capped fee-for-service basis for members and persons who are determined eligible. However, the state shall not pay any amount for services that exceeds a maximum amount set forth in a capped fee-for-service schedule adopted by the administration.
2. Pay a hospital subject to the reimbursement level limitation prescribed in section 36-2903.01.

If health and medical services are provided in the absence of a contract, the director shall continue to attempt to procure by the bid process as provided in section 36-2906 contracts for such services as specified in this subsection.

C. Payments to contractors shall be made monthly or quarterly and may be subject to contract provisions requiring the retention of a specified percentage of the payment by the director, a reserve fund or other contract provisions by which adjustments to the payments are made based on utilization efficiency, including incentives for maintaining quality care and minimizing unnecessary inpatient services. Reserve funds withheld from contractors shall be distributed to contractors who meet performance standards established by the director. Any reserve fund established pursuant to this subsection shall be established as a separate account within the Arizona health care cost containment system fund.

D. Except as prescribed in subsection E of this section, a member defined as eligible pursuant to section 36-2901, paragraph 6, subdivision (a) may select, to the extent practicable as determined by the administration, from among the available contractors of hospitalization and medical care and may select a primary care physician or primary care practitioner from among the primary care physicians and primary care practitioners participating in the contract in which the member is enrolled. The administration shall provide reimbursement only to entities that have a provider agreement with the administration and that have agreed to the contractual requirements of that agreement. Except as provided in sections 36-2908 and 36-2909, the system shall only provide reimbursement for any health or medical services or costs of related services provided by or under referral from the primary care physician or primary care practitioner participating in the contract in which the member is enrolled. The director shall establish requirements as to the minimum time period that a member is assigned to specific contractors in the system.

E. For a member defined as eligible pursuant to section 36-2901, paragraph 6, subdivision (a), item (v) the director shall enroll the member with an available contractor located in the geographic area of the member's residence. The member may select a primary care physician or primary care practitioner from among the

primary care physicians or primary care practitioners participating in the contract in which the member is enrolled. The system shall only provide reimbursement for health or medical services or costs of related services provided by or under referral from a primary care physician or primary care practitioner participating in the contract in which the member is enrolled. The director shall establish requirements as to the minimum time period that a member is assigned to specific contractors in the system.

F. If a person who has been determined eligible but who has not yet enrolled in the system receives emergency services, the director shall provide by rule for the enrollment of the person on a priority basis. If a person requires system covered services on or after the date the person is determined eligible for the system but before the date of enrollment, the person is entitled to receive these services in accordance with rules adopted by the director, and the administration shall pay for the services pursuant to section 36-2903.01 or, as specified in contract, with the contractor pursuant to the subcontracted rate or this section.

G. The administration shall not pay claims for system covered services that are initially submitted more than six months after the date of the service for which payment is claimed or after the date that eligibility is posted, whichever date is later, or that are submitted as clean claims more than twelve months after the date of service for which payment is claimed or after the date that eligibility is posted, whichever date is later, except for claims submitted for reinsurance pursuant to section 36-2906, subsection C, paragraph 6. The administration shall not pay claims for system covered services that are submitted by contractors for reinsurance after the time period specified in the contract. The director may adopt rules or require contractual provisions that prescribe requirements and time limits for submittal of and payment for those claims. Notwithstanding any other provision of this article, if a claim that gives rise to a contractor's claim for reinsurance or deferred liability is the subject of an administrative grievance or appeal proceeding or other legal action, the contractor shall have at least sixty days after an ultimate decision is rendered to submit a claim for reinsurance or deferred liability. Contractors that contract with the administration pursuant to subsection A of this section shall not pay claims for system covered services that are initially submitted more than six months after the date of the service for which payment is claimed or after the date that eligibility is posted, whichever date is later, or that are submitted as clean claims more than twelve months after the date of the service for which payment is claimed or after the date that eligibility is posted, whichever date is later. For the purposes of this subsection:

1. "Clean claims" means claims that may be processed without obtaining additional information from the subcontracted provider of care, from a noncontracting provider or from a third party but does not include claims under investigation for fraud or abuse or claims under review for medical necessity.
2. "Date of service" for a hospital inpatient means the date of discharge of the patient.
3. "Submitted" means the date the claim is received by the administration or the prepaid capitated provider, whichever is applicable, as established by the date stamp on the face of the document or other record of receipt.

H. In any county having a population of five hundred thousand or fewer persons, a hospital that executes a subcontract other than a capitation contract with a contractor for the provision of hospital and medical services pursuant to this article shall offer a subcontract to any other contractor providing services to that portion of the county and to any other person that plans to become a contractor in that portion of the county. If such a hospital executes a subcontract other than a capitation contract with a contractor for the provision of hospital and medical services pursuant to this article, the hospital shall adopt uniform criteria to govern the reimbursement levels paid by all contractors with whom the hospital executes such a subcontract. Reimbursement levels offered by hospitals to contractors pursuant to this subsection may vary among contractors only as a result of the number of bed days purchased by the contractors, the amount of financial deposit required by the hospital, if any, or the schedule of performance discounts offered by the hospital to the contractor for timely payment of claims.

I. This subsection applies to inpatient hospital admissions and to outpatient hospital services on and after March 1, 1993. The director may negotiate at any time with a hospital on behalf of a contractor for services provided pursuant to this article. If a contractor negotiates with a hospital for services provided pursuant to this article, the following procedures apply:

1. The director shall require any contractor to reimburse hospitals for services provided under this article based on reimbursement levels that do not in the aggregate exceed those established pursuant to section 36-2903.01 and under terms on which the contractor and the hospital agree. However, a hospital and a contractor may agree on a different payment methodology than the methodology prescribed by the director pursuant to section 36-2903.01. The director by rule shall prescribe:

- (a) The time limits for any negotiation between the contractor and the hospital.
- (b) The ability of the director to review and approve or disapprove the reimbursement levels and terms agreed on by the contractor and the hospital.
- (c) That if a contractor and a hospital do not agree on reimbursement levels and terms as required by this subsection, the reimbursement levels established pursuant to section 36-2903.01 apply.
- (d) That, except if submitted under an electronic claims submission system, a hospital bill is considered received for purposes of subdivision (f) on initial receipt of the legible, error-free claim form by the contractor if the claim includes the following error-free documentation in legible form:
 - (i) An admission face sheet.
 - (ii) An itemized statement.
 - (iii) An admission history and physical.
 - (iv) A discharge summary or an interim summary if the claim is split.
 - (v) An emergency record, if admission was through the emergency room.
 - (vi) Operative reports, if applicable.
 - (vii) A labor and delivery room report, if applicable.
- (e) That payment received by a hospital from a contractor is considered payment by the contractor of the contractor's liability for the hospital bill. A hospital may collect any unpaid portion of its bill from other third party payors or in situations covered by title 33, chapter 7, article 3.
- (f) That a contractor shall pay for services rendered on and after October 1, 1997 under any reimbursement level according to paragraph 1 of this subsection subject to the following:
 - (i) If the hospital's bill is paid within thirty days of the date the bill was received, the contractor shall pay ninety-nine per cent of the rate.
 - (ii) If the hospital's bill is paid after thirty days but within sixty days of the date the bill was received, the contractor shall pay one hundred per cent of the rate.
 - (iii) If the hospital's bill is paid any time after sixty days of the date the bill was received, the contractor shall pay one hundred per cent of the rate plus a fee of one per cent per month for each month or portion of a month following the sixtieth day of receipt of the bill until the date of payment.

2. In any county having a population of five hundred thousand or fewer persons, a hospital that executes a subcontract other than a capitation contract with a provider for the provision of hospital and medical services pursuant to this article shall offer a subcontract to any other provider providing services to that portion of the county and to any other person that plans to become a provider in that portion of the county. If a hospital executes a subcontract other than a capitation contract with a provider for the provision of hospital and medical services pursuant to this article, the hospital shall adopt uniform criteria to govern the reimbursement levels paid by all providers with whom the hospital executes a subcontract.

J. If there is an insufficient number of, or an inadequate member capacity in, contracts awarded to contractors, the director, in order to deliver covered services to members enrolled or expected to be enrolled in the system within a county, may negotiate and award, without bid, a contract with a health care services organization holding a certificate of authority pursuant to title 20, chapter 4, article 9. The director shall require a health care services organization contracting under this subsection to comply with section 36-2906.01. The term of the contract shall not extend beyond the next bid and contract award process as provided in section 36-2906 and shall be no greater than capitation rates paid to contractors in the same county or counties pursuant to section 36-2906. Contracts awarded pursuant to this subsection are exempt from the requirements of title 41, chapter 23.

K. A contractor may require that a subcontracting or noncontracting provider shall be paid for covered services, other than hospital services, according to the capped fee-for-service schedule adopted by the director pursuant to subsection A, paragraph 2 of this section or subsection B, paragraph 1 of this section or at lower rates as may be negotiated by the contractor.

L. The director shall require any contractor to have a plan to notify members of reproductive age either directly or through the parent or legal guardian, whichever is most appropriate, of the specific covered family planning services available to them and a plan to deliver those services to members who request them. The director shall ensure that these plans include provisions for written notification, other than the member handbook, and verbal notification during a member's visit with the member's primary care physician or primary care practitioner.

M. The director shall adopt a plan to notify members of reproductive age who receive care from a contractor who elects not to provide family planning services of the specific covered family planning services available to them and to provide for the delivery of those services to members who request them. Notification may be directly to the member, or through the parent or legal guardian, whichever is most appropriate. The director shall ensure that the plan includes provisions for written notification, other than the member handbook, and verbal notification during a member's visit with the member's primary care physician or primary care practitioner.

N. The director shall prepare a report that represents a statistically valid sample and that indicates the number of children age two by contractor who received the immunizations recommended by the national centers for disease control and prevention while enrolled as members. The report shall indicate each type of immunization and the number and percentage of enrolled children in the sample age two who received each type of immunization. The report shall be done by contract year and shall be delivered to the governor, the president of the senate and the speaker of the house of representatives no later than April 1, 2004 and every second year thereafter.

O. If the administration implements an electronic claims submission system it may adopt procedures pursuant to subsection I, paragraph 1 of this section requiring documentation different than prescribed under subsection I, paragraph 1, subdivision (d) of this section.

36-2933. Eligibility determination; application; enrollment

- A. A person who is seeking services pursuant to this article shall submit an application for eligibility for the system to the administration which shall review the completed application to determine if the person meets the residency and if applicable, the alienage requirements adopted pursuant to section 36-2932, subsection K and the eligibility criteria prescribed in section 36-2934.
- B. The administration shall conduct a preadmission screening pursuant to section 36-2936 to determine if the applicant is eligible for services.
- C. A person who is a resident of this state and, if not a citizen of the United States, who meets the alienage requirements of federal law and who meets the eligibility criteria prescribed in section 36-2934 and who is determined eligible for services pursuant to section 36-2936 shall be enrolled in the system, unless such person is enrolled in the Arizona health care cost containment system pursuant to article 1 of this chapter and only needs convalescent care as defined by the director by rule.
- D. On enrollment in the system, the administration shall conduct post-eligibility treatment of income and resources of the member as prescribed in section 36-2932, subsection L.
- E. The director may enter into an interagency agreement with the department under which the department may:
1. Determine whether all persons with developmental disabilities as defined in section 36-551 who apply to the system meet the eligibility criteria prescribed in subsection A of this section.
 2. Conduct preadmission screening pursuant to subsection B of this section on persons with developmental disabilities as defined in section 36-551 to determine if the applicant is eligible for services.
 3. Conduct post-eligibility treatment of income and resources pursuant to subsection D of this section for a member who has a developmental disability as defined in section 36-551.

GOVERNOR'S REGULATORY REVIEW COUNCIL

ATTORNEY MEMORANDUM - REGULAR RULEMAKING

MEETING DATE: May 6, 2025

TO: Members of the Governor's Regulatory Review Council (Council)

FROM: Council Staff

DATE: April 14, 2025

SUBJECT: ARIZONA HEALTH CARE COST CONTAINMENT SYSTEM
Title 9, Chapter 22

Amend: R9-22-2002; R9-22-2003; R9-22-2004; R9-22-2005

Summary:

This regular rulemaking from the Arizona Health Care Cost Containment System (AHCCCS) seeks to amend four (4) rules in Title 9, Chapter 22, Article 20 regarding the Breast and Cervical Cancer Treatment Program. Specifically, this program outlines eligibility criteria, application processes, and the scope of services provided to individuals diagnosed with breast or cervical cancer, ensuring they receive necessary medical treatment under AHCCCS. It provides access to critical medical care for breast and cervical cancer, including diagnosis, treatment, and follow-up services. Eligibility is based on diagnosis through approved screenings, income limits, and lack of insurance, ensuring comprehensive support throughout treatment.

AHCCCS indicates, while effective, some existing rules lack the necessary clarity to fully guide individuals relying on them. The proposed changes in this rulemaking are meant for clarifying purposes and do not impose any additional burdens or costs to regulated persons. Specifically, proposed changes primarily serve to provide clarification including updating a rule stating that a woman enrolled in this program is exempt from copays and replacing references to "Chief Medical Officer" with "Administration" because the determination whether a treatment is considered the standard of care may be made by Administration staff, not necessarily by the

Chief Medical Officer. Also, other technical changes are being made such as rewording a rule to clarify the reoccurrence of cancer and eligibility and removing references to a couple of rules that have been repealed. AHCCCS states, the promulgated rule represents the most cost-effective method of fulfilling AHCCCS' responsibilities while complying with all applicable state and federal laws and regulations. AHCCCS indicates substantive and procedural rights of members are not affected, nor are any of the programs of the Administration.

1. **Are the rules legal, consistent with legislative intent, and within the agency's statutory authority?**

AHCCCS cites both general and specific statutory authority for these rules.

2. **Do the rules establish a new fee or contain a fee increase?**

This rulemaking does not establish a new fee or contain a fee increase.

3. **Does the preamble disclose a reference to any study relevant to the rules that the agency reviewed and either did or did not rely upon?**

AHCCCS indicates it did not review any study relevant to this rulemaking.

4. **Summary of the agency's economic impact analysis:**

AHCCCS does not anticipate an economic impact due to these changes since the changes provide clarity and not changes in practice. AHCCCS indicates the recommendations will not incur any additional costs to the implementing agency or any agency but represent current practice. AHCCCS states the proposed changes primarily serve to provide clarification including updating a rule stating that a woman enrolled in this program is exempt from copays and replacing references to "Chief Medical Officer" with "Administration" because the determination whether a treatment is considered the standard of care maybe be made by Administration staff, not necessarily by the Chief Medical Officer. The Administration also says other technical changes are being made such as rewording a rule to clarify the reoccurrence of cancer and eligibility and removing references to a couple of rules that have been repealed.

5. **Has the agency analyzed the costs and benefits of the rulemaking and determined that the rules impose the least burden and costs to those who are regulated?**

AHCCCS does not anticipate an economic impact due to these changes since the changes provide clarity and they are not changes in practice. AHCCCS states that the promulgated rules represent the most cost-effective method of fulfilling AHCCCS responsibilities while complying with all applicable state and federal laws and regulations.

6. What are the economic impacts on stakeholders?

AHCCCS does not anticipate an economic impact due to these changes since the changes provide clarity and they are not changes in practice.

7. Are the final rules a substantial change, considered as a whole, from the proposed rules and any supplemental proposals?

AHCCCS indicates there were no changes between the Notice of Proposed Rulemaking published in the Administrative Register on January 3, 2025 and the Notice of Final Rulemaking now before the Council for consideration.

8. Does the agency adequately address the comments on the proposed rules and any supplemental proposals?

AHCCCS indicates it received no public comments related to this rulemaking.

9. Do the rules require a permit or license and, if so, does the agency comply with A.R.S. § 41-1037?

Not applicable. The rule does not require the issuance of a permit, license, or agency authorization.

10. Are the rules more stringent than corresponding federal law and, if so, is there statutory authority to exceed the requirements of federal law?

AHCCCS indicates the rules are not more stringent than corresponding federal law.

11. Conclusion

This regular rulemaking from AHCCCS seeks to amend four (4) rules in Title 9, Chapter 22, Article 20 regarding the Breast and Cervical Cancer Treatment Program. AHCCCS indicates, while effective, some existing rules lack the necessary clarity to fully guide individuals relying on them. The proposed changes in this rulemaking are meant for clarifying purposes and do not impose any additional burdens or costs to regulated persons. Specifically, proposed changes primarily serve to provide clarification including updating a rule stating that a woman enrolled in this program is exempt from copays and replacing references to “Chief Medical Officer” with “Administration” because the determination whether a treatment is considered the standard of care may be made by Administration staff, not necessarily by the Chief Medical Officer. Also, other technical changes are being made such as rewording a rule to clarify the reoccurrence of cancer and eligibility and removing references to a couple of rules that have been repealed. AHCCCS states, the promulgated rule represents the most cost-effective method of fulfilling AHCCCS’ responsibilities while complying with all applicable state and federal laws and regulations. AHCCCS indicates substantive and procedural rights of members are not affected, nor are any of the programs of the Administration.

AHCCCS is seeking the standard 60-day delayed effective date pursuant to A.R.S. § 41-1032(A).

Council staff recommends approval of this rulemaking.

7. An agency's justification and reason why a rule should be made, amended, repealed or renumbered, to include an explanation about the rulemaking:

The Arizona Administrative Code (A.A.C.) Title 9, Chapter 22, Article 20 addresses the Breast and Cervical Cancer Treatment Program. This program outlines eligibility criteria, application processes, and the scope of services provided to individuals diagnosed with breast or cervical cancer, ensuring they receive necessary medical treatment under AHCCCS. It provides access to critical medical care for breast and cervical cancer, including diagnosis, treatment, and follow-up services. Eligibility is based on diagnosis through approved screenings, income limits, and lack of insurance, ensuring comprehensive support throughout treatment. While effective, some existing rules lack the necessary clarity to fully guide individuals relying on them. The proposed changes in this rulemaking are meant for clarifying purposes and do not impose any additional burdens or costs to regulated persons. Substantive and procedural rights of members are not affected, nor are any of the programs of the Administration.

8. A reference to any study relevant to the rule that the agency reviewed and either relied on or did not rely on in its evaluation of or justification for the rule, where the public may obtain or review each study, all data underlying each study, and any analysis of each study and other supporting material:

The Administration did not review or rely on any study for this rulemaking.

9. A showing of good cause why the rulemaking is necessary to promote a statewide interest if the rulemaking will diminish a previous grant of authority of a political subdivision of this state:

Not applicable.

10. A summary of the economic, small business, and consumer impact:

The Administration does not anticipate an economic impact due to these changes since changes provide clarity and not changes in practice. The recommendations will not incur any additional costs to the implementing agency or any other agency but represent current practice. Proposed changes primarily serve to provide clarification including updating a rule stating that a woman enrolled in this program is exempt from copays and replacing references to “Chief Medical Officer” with “Administration” because the determination whether a treatment is considered the standard of care may be made by Administration staff, not necessarily by the Chief Medical Officer. Also, other technical changes are being made such as rewording a rule to clarify the reoccurrence of cancer and eligibility and removing references to a couple of rules that have been repealed. The promulgated rule represents the most cost-effective method of fulfilling AHCCCS’ responsibilities while complying with all applicable state and federal laws and regulations.

11. A description of any changes between the proposed rulemaking, to include supplemental notices, and the final rulemaking:

There are no changes between the proposed rulemaking and the final rulemaking.

12. An agency’s summary of the public or stakeholder comments made about the rulemaking and the agency response to the comments:

There were no public or stakeholder comments made about the rulemaking.

13. All agencies shall list other matters prescribed by statute applicable to the specific agency or to any specific rule or class of rules. Additionally, an agency subject to Council review under A.R.S. §§ 41-1052 and 41-1055 shall respond to the following questions:

There are no other matters prescribed by statute applicable specifically to the Administration or this specific rulemaking.

a. Whether the rule requires a permit, whether a general permit is used and if not, the reasons why a general permit is not used:

The rule does not require the issuance of a regulatory permit. Therefore, a general permit is not applicable.

b. Whether a federal law is applicable to the subject of the rule, whether the rule is more stringent than federal law and if so, citation to the statutory authority to exceed the requirements of federal law:

The rules are not more stringent than the federal law.

c. Whether a person submitted an analysis to the agency that compares the rule’s impact of the competitiveness of business in this state to the impact on business in other states:

No business competitiveness analysis was submitted to the Administration.

14. A list of any incorporated by reference material as specified in A.R.S. § 41-1028 and its location in the rules:

Not applicable

15. Whether the rule was previously made, amended or repealed as an emergency rule. If so, cite the notice published in the Register as specified in R1-1-409(A). Also, the agency shall state where the text was changed between the emergency and the final rulemaking packages:

Not applicable

R9-22-2005. Application Process

- A. Application.** A woman may apply for eligibility under this Article by submitting a complete application ~~as specified in R9-22-1406~~.
- B. Submitting the application.** The woman may complete and submit an application at the time of the AZ-NBCCEDP screening. The AZ-NBCCEDP staff may mail or fax the application directly to the Administration.
- C. Date of application.** The date of the application is the date of the diagnostic procedure that results in a positive diagnosis for breast cancer or cervical cancer, including a pre-cancerous cervical lesion.
- D. Responsibility of a woman who is applying or who is a member.** A woman who is applying or who is a member shall:
1. Provide medical insurance information, including any changes in medical insurance; and
 2. Inform the Administration about a change in address, residence, and alienage status.

ECONOMIC, SMALL BUSINESS, AND CONSUMER IMPACT STATEMENT

TITLE 9. HEALTH SERVICES

CHAPTER 22. ARIZONA HEALTH CARE COST CONTAINMENT SYSTEM ADMINISTRATION

Introduction:

The Arizona Health Care Cost Containment System (AHCCCS) serves as Arizona's Medicaid program, offering health care coverage to qualifying low-income individuals and families. Established through a collaborative effort between state and federal governments, AHCCCS ensures access to medical services for those who meet defined eligibility requirements. R9-22-Article 20 rules address specifically AHCCCS' Breast and Cervical Cancer Treatment Program. They outline the eligibility criteria, application processes, and the scope of services provided to individuals diagnosed with breast or cervical cancer, ensuring they receive necessary medical treatment under AHCCCS. It provides access to critical medical care for breast and cervical cancer, including diagnosis, treatment, and follow-up services. Eligibility is based on diagnosis through approved screenings, income limits, and lack of insurance, ensuring comprehensive support throughout treatment.

Purpose of Rule:

AHCCCS is implementing technical and clarifying updates to R9-22-Article 20 rules. These changes include revising language to clarify that women enrolled in this program are exempt from copayments, and replacing references to the "Chief Medical Officer" with the broader term "Administration," reflecting that determinations regarding the standard of care may be made by various staff within the Administration, not solely the Chief Medical Officer. Additional technical revisions include rewording a rule to better explain eligibility in cases of cancer recurrence and removing references to repealed rules.

1. Identification of rulemaking

The Administration's proposed rulemaking would make minor technical and clarifying changes.

a. The conduct and its frequency of occurrence that the rule is designed to change:

The changes to these rules will not change the conduct or its frequency, merely streamline and clarify for those pursuing eligibility determinations.

b. The harm resulting from the conduct the rule is designed to change and the likelihood it will continue to occur if the rule is not changed:

Although the harm has not been quantified, these proposed changes are intended to improve clarity and enhance public understanding of eligibility requirements.

c. The estimated change in frequency of the targeted conduct expected from the rule change:

The Administration does not anticipate a change in frequency in conduct with the rulemaking.

2. **Identification of the persons who will be directly affected by, bear the costs of, or directly benefit from the rule making.**

Individuals applying for eligibility under AHCCCS will be benefitted, however there are not quantified costs associated with this rulemaking.

3. **Cost-benefit analysis.**

a. **Probable costs and benefits to the implementing agency and other agencies directly affected by the implementation and enforcement of the proposed rulemaking including the number of new full-time employees necessary to implement and enforce the proposed rule:**

i. **Cost:**

The Administration anticipates no increase in cost to the implementing agency.

ii. **Benefit:**

The Administration anticipates a benefit to the implementing agency as for increased efficiency with staff time.

iii. **Need for additional Full-time Employees:**

The Administration does not anticipate the need to hire full-time employees as a result of this rulemaking.

b. **Probable costs and benefits to political subdivision of this state directly affected by the implementation and enforcement of the proposed rulemaking.**

This rulemaking does not directly affect political subdivisions.

4. **General description of the probable impact on private and public employment in businesses, agencies, and political subdivisions of this state directly affected by the rulemaking.**

The Administration anticipates that public and private employment will not be impacted by the changes.

5. **Statement of probable impact of the proposed rule on small businesses. The statement shall include:**

a. **Identification of the small businesses subject to the proposed rulemaking.**

The Administration anticipates no impact on small businesses.

b. **Administrative and other costs required for compliance with the proposed rulemaking.**

The Administration anticipates no impact on the administrative expenses of these small businesses because the proposed rule does not require a change in claim submission coding or procedure.

c. **Description of methods prescribed in section A.R.S. § 41-1035 that the agency may use to reduce the impact on small businesses, with reasons for the agency's decision to use or not use each method:**

i. **Establishing less stringent compliance or reporting requirements in the rule for small businesses;**

This rule does not impose compliance or reporting requirements on small businesses beyond those already necessary to comply with federal law and state statute.

ii. **Establishing less stringent schedules deadlines in the rule for compliance or reporting requirements for small businesses;**

This rule does not impose compliance or reporting requirements on small businesses beyond those requirements that are necessary to comply with federal law and state statute.

iii. **Consolidate or simplify the rule's compliance or reporting requirements for small businesses;**

This rule does not impose compliance or reporting requirements on small businesses beyond those requirements that are necessary to comply with federal law and state statute.

iv. **Establish performance standards for small businesses to replace design or operational standards in the rule; and**

This rule does not establish performance standards for small businesses beyond those requirements that are necessary to comply with federal law and state statute.

v. **Exempting small businesses from any or all requirements of the rule.**

Exempting small businesses is not applicable to this rule.

d. **The probable cost and benefit to private persons and consumers who are directly affected by the proposed rulemaking.**

The effect of the rule on private persons cannot be quantified as a financial cost, however it should help to clarify the eligibility process.

6. **Statement of the probable effect on state revenues.**

It is anticipated that the rule will have no fiscal impact on state revenues.

7. **Description of any less intrusive or less costly alternative methods of achieving the purpose of the proposed rulemaking, including the monetizing of the costs and benefits for each option and providing the rationale for not using nonselected alternatives.**

The Administration did not consider other alternatives because the revisions to the rule are the most cost effective and efficient method of complying with federal law and state law and are technical and clarifying in nature.

8. **A description of any data on which a rule is based with a detailed explanation of how the data was obtained and why the data is acceptable data.**

The Administration did not consider any specific data to base the rule upon.

R9-22-1918. Additional Eligibility Criteria for the Basic Coverage Group

An applicant or member shall meet the following eligibility criteria:

1. Disabled. As a condition of eligibility, an applicant or member shall be disabled. Disabled means a person who has been determined disabled by the Department of Economic Security, Disability Determination Services Administration, under 42 U.S.C. 1382c(a)(3)(A) through (E), except employment activity, earnings, and substantial gainful activity shall not be considered in determining whether the individual meets the definition of disability.
2. Employed. As a condition of eligibility, an applicant or member shall be employed. Employed means that an applicant or member is paid for working and Social Security or Medicare taxes are paid on the applicant or member's work.

Historical Note

New Section made by exempt rulemaking at 9 A.A.R. 95, effective January 1, 2003 (Supp. 02-4).

R9-22-1919. Additional Eligibility Criteria for the Medically Improved Group

As a condition of eligibility for the Medically Improved Group, a member shall:

1. Be employed. Under this Section, employed means an individual who:
 - a. Earns at least the minimum wage and works at least 40 hours per month, or
 - b. Has gross monthly earnings at least equal to those earned by an individual who is earning the minimum wage working 40 hours per month.
2. Cease to be eligible for medical coverage under R9-22-1918 or a similar Basic Coverage Group program administered by another state because the member, by reason of medical improvement, is determined at the time of a regularly scheduled continuing disability review to no longer be disabled; and
3. Continues to have a severe medically determinable impairment, as determined under 42 U.S.C. 1396d(v)(1).

Historical Note

R9-22-1921. Enrollment

The Administration shall enroll members under Article 17 of this Chapter. If a member has not paid a required premium, the Administration shall not grant a guaranteed enrollment period.

Historical Note

New Section made by exempt rulemaking at 9 A.A.R. 95, effective January 1, 2003 (Supp. 02-4).

R9-22-1922. Redetermination of Eligibility

- A. Redetermination. Except as provided in subsection (B), the Administration shall complete a redetermination of eligibility at least once a year.
- B. Change in circumstance. The Administration shall complete a redetermination of eligibility if there is a change in the member's circumstances, including a change in disability or employment that may affect eligibility.
- C. Medical Improvement. If a member is no longer disabled under R9-22-1918, the Administration shall determine if the member is eligible under other coverage groups including the medically improved group.

Historical Note

New Section made by exempt rulemaking at 9 A.A.R. 95, effective January 1, 2003 (Supp. 02-4). Amended by final rulemaking at 30 A.A.R. 2674 (August 30, 2024), effective October 8, 2024 (Supp. 24-3).

ARTICLE 20. BREAST AND CERVICAL CANCER TREATMENT PROGRAM**R9-22-2001. Breast and Cervical Cancer Treatment Program Related Definitions**

TITLE 9. HEALTH SERVICES

CHAPTER 22. ARIZONA HEALTH CARE COST CONTAINMENT SYSTEM - ADMINISTRATION

In addition to definitions contained in A.R.S. § 36-2901, the words and phrases in this Chapter have the following meaning unless the context explicitly requires another meaning:

“AZ-NBCCEDP” means the Arizona programs of the National Breast and Cervical Cancer Early Detection Program. AZ-NBCCEDP provides breast and cervical cancer screening and diagnosis in Arizona.

“Cryotherapy” means the destruction of abnormal tissue using an extremely cold temperature.

“LEEP” means the loop electrosurgical excision procedure that passes an electric current through a thin wire loop.

“Peer-reviewed study” means that, prior to publication, a medical study has been subjected to the review of medical experts who:

- Have expertise in the subject matter of the study,
- Evaluate the science and methodology of the study,
- Are selected by the editorial staff of the publication, and
- Review the study without knowledge of the identity or qualifications of the author.

“WWHP” means the Well Women Healthcheck Program administered by the Arizona Department of Health Services. The WWHP is one of the programs within AZ-NBCCEDP that provides breast and cervical cancer screening and diagnosis.

Historical Note

New Section made by final rulemaking at 7 A.A.R. 5814, effective December 6, 2001 (Supp. 01-4). Section repealed; new Section made by final rulemaking at 12 A.A.R. 4488, effective January 6, 2007 (Supp. 06-4).

R9-22-2002. General Requirements

- A. Confidentiality. The Administration shall maintain the confidentiality of a woman’s records and shall not disclose a woman’s financial, medical, or other confidential information except as allowed under R9-22-512.
- B. Covered services. A woman who is eligible under this Article receives all medically necessary services under Articles 2 and 12 of this Chapter.
- C. Choice of health plan. A woman who is eligible under this Article shall be enrolled with a contractor under Article 17 of this Chapter.
- D. A Native American woman who receives services through Indian Health Service (IHS) or through a tribal health program qualifies for services provided under this Article if all eligibility requirements are met.
- E. A woman qualified under this Article shall pay co-pays as described in R9-22-711.

Historical Note

New Section made by final rulemaking at 7 A.A.R. 5814, effective December 6, 2001 (Supp. 01-4). Section repealed; new Section made by final rulemaking at 12 A.A.R. 4488, effective January 6, 2007 (Supp. 06-4).

R9-22-2003. Eligibility Criteria

- A. General. To be eligible under this Article, a woman shall meet the requirements of this Article and:
 1. Be screened for breast and cervical cancer through AZ-NBCCEDP;
 2. Be less than 65 years of age;
 3. Be ineligible for Title XIX under Articles 14 and 15 in this Chapter;
 4. Receive a positive screen under subsection (A)(1), a confirmed diagnosis through AZ-NBCCEDP, and need treat-

ment for breast cancer or cervical cancer, including a pre-cancerous cervical lesion, as specified in R9-22-2004;

5. Not be covered under creditable coverage as specified in Section 2701(c) of the Public Health Services Act, 42 U.S.C. 300gg(c). For purposes of this Article, IHS or Tribal health coverage is not considered creditable coverage as specified in 42 U.S.C. 1396a(a)(10)(A)(ii), as amended by the Native American Breast and Cervical Cancer Treatment Technical Amendment Act of 2002; and
 6. Meet the requirements under R9-22-1417 and R9-22-1418.
- B. Ineligible woman. A woman is ineligible under this Article if the woman:
 1. Is an inmate of a public institution and federal financial participation (FFP) is not available,
 2. Is at least age 21 but less than age 65 and resides in an Institution for Mental Disease (IMD) as defined in R9-22-112, except if allowed under the Administration’s Section 1115 waiver, or
 3. No longer meets an eligibility requirement under this Article.
 - C. Metastasized cancer. The AHCCCS Chief Medical Officer may continue a woman’s eligibility under this Article if a metastasized cancer is found in another part of the woman’s body and that metastasized cancer is a known or a presumed complication of the breast or cervical cancer as determined by the treating physician.
 - D. Reoccurrence of cancer. A woman shall have eligibility reestablished after eligibility under this Article ends if the woman is screened under the AZ-NBCCEDP program and additional breast cancer or cervical cancer, including a pre-cancerous cervical lesion, is found.
 - E. Ineligible male. A male is precluded from receiving screening and diagnostic services under the AZ-NBCCEDP program and is ineligible under this Article.

Historical Note

New Section made by final rulemaking at 7 A.A.R. 5814, effective December 6, 2001 (Supp. 01-4). Amended by final rulemaking at 12 A.A.R. 4488, effective January 6, 2007 (Supp. 06-4).

R9-22-2004. Treatment

- A. Breast cancer. Coverage for treatment for breast cancer under this Article shall conclude on the last provider visit for the specific treatment of the cancer or at the end of hormonal therapy for the cancer, whichever is later. For purposes of this subsection treatment means:
 1. Lumpectomy or surgical removal of breast cancer;
 2. Chemotherapy;
 3. Radiation therapy; and
 4. A treatment for breast cancer that, as determined by the AHCCCS Chief Medical Officer, is considered the standard of care as supported by a peer-reviewed study published in a medical journal.
- B. Pre-cancerous cervical lesion. Coverage for treatment for a pre-cancerous cervical lesion under this Article, including moderate or severe cervical dysplasia or carcinoma in situ, shall conclude on the last provider visit for specific treatment for the pre-cancerous lesion. For purposes of this subsection treatment means:
 1. Conization;
 2. LEEP;
 3. Cryotherapy; and

CHAPTER 22. ARIZONA HEALTH CARE COST CONTAINMENT SYSTEM - ADMINISTRATION

4. A treatment for pre-cancerous cervical lesion that, as determined by the AHCCCS Chief Medical Officer, is considered the standard of care as supported by a peer-reviewed study published in a medical journal.
- C. Cervical cancer. Coverage for treatment for cervical cancer under this Article shall conclude on the last provider visit for the specific treatment for the cancer. For purposes of this subsection treatment means:
 1. Surgery;
 2. Radiation therapy;
 3. Chemotherapy; and
 4. A treatment for cervical cancer that, as determined by the AHCCCS Chief Medical Officer, is considered the standard of care as supported by a peer-reviewed study published in a medical journal.
5. Information regarding the woman's appeal and request for hearing rights.
- D. Discontinuance.
 1. Except as specified in subsection (D)(2), if a woman no longer meets an eligibility requirement under this Article, the Administration shall provide the woman a Notice of Action no later than 10 days before the effective date of the discontinuance.
 2. The Administration may mail the Notice of Action no later than the effective date of the discontinuance if the Administration:
 - a. Receives a written statement from the woman voluntarily withdrawing from AHCCCS,
 - b. Receives information confirming the death of the woman,
 - c. Receives returned mail with no forwarding address from the post office and the woman's whereabouts are unknown, or
 - d. Receives information confirming that the woman has been approved for Title XIX services outside the state of Arizona.
 3. The Notice of Action shall contain the:
 - a. Name of the ineligible woman,
 - b. Effective date of the discontinuance,
 - c. Specific reason why the woman is discontinued,
 - d. Legal citations supporting the reason for the discontinuance,
 - e. Location where the woman can review the legal citations, and
 - f. Information regarding the woman's appeal and request for hearing rights.
- E. Request for hearing. A woman who is denied, or discontinued for the Breast and Cervical Cancer Treatment Program may request a hearing under Chapter 34.

R9-22-2005. Application Process

- A. Application. A woman may apply for eligibility under this Article by submitting a complete application as specified in R9-22-1406.
- B. Submitting the application. The woman may complete and submit an application at the time of the AZ-NBCCEDP screening. The AZ-NBCCEDP staff may mail or fax the application directly to the Administration.
- C. Date of application. The date of the application is the date of the diagnostic procedure that results in a positive diagnosis for breast cancer or cervical cancer, including a pre-cancerous cervical lesion.
- D. Responsibility of a woman who is applying or who is a member. A woman who is applying or who is a member shall:
 1. Provide medical insurance information, including any changes in medical insurance; and
 2. Inform the Administration about a change in address, residence, and alienage status.

Historical Note

New Section made by final rulemaking at 7 A.A.R. 5814, effective December 6, 2001 (Supp. 01-4). Section repealed; new Section made by final rulemaking at 12 A.A.R. 4488, effective January 6, 2007 (Supp. 06-4).

R9-22-2006. Approval, Denial, or Discontinuance of Eligibility

- A. Eligibility determination. The Administration shall determine eligibility under this Article and send the notice under subsection (B) or (C) within seven days of receiving a complete application.
- B. Approval. If a woman meets all the eligibility requirements in this Article, the Administration shall provide the woman with an approval notice. The approval notice shall contain:
 1. The name of the eligible woman, and
 2. The effective date of eligibility.
- C. Denial. If the Administration denies eligibility, the Administration shall provide the woman with a denial notice. The denial notice shall contain:
 1. The name of the ineligible woman,
 2. The specific reason why the woman is ineligible,
 3. The legal citations supporting the reason for the denial,
 4. The location where the woman can review the legal citations, and

Historical Note

Section amended by final rulemaking at 19 A.A.R. 3309, effective November 30, 2013 (Supp. 13-4).

R9-22-2008. Redetermination of Eligibility

TITLE 9. HEALTH SERVICES

CHAPTER 22. ARIZONA HEALTH CARE COST CONTAINMENT SYSTEM - ADMINISTRATION

- A. Redetermination. Except as provided in subsection (B), the Administration shall redetermine eligibility at least once a year. If a woman continues to meet the requirements of eligibility for the Breast and Cervical Cancer Treatment Program under this Article, the Administration shall notify the woman of continued eligibility. A woman is not required to be screened for breast and cervical cancer through AZ-NBC-CEDP at redetermination.
- B. Change in circumstance. The Administration shall complete a redetermination of eligibility if there is a change in the woman's circumstances that may affect eligibility, including a change in treatment.

Historical Note

New Section made by final rulemaking at 12 A.A.R. 4488, effective January 6, 2007 (Supp. 06-4).

ARTICLE 21. TRAUMA AND EMERGENCY SERVICES FUND

Article 21, consisting of Sections R9-22-2101 through R9-22-2103, made by exempt rulemaking at 9 A.A.R. 4001, effective October 19, 2003 (Supp. 03-3).

R9-22-2101. General Provisions

- A. A.R.S. § 36-2903.07 establishes the Administration as the authority to administer the Trauma and Emergency Services Fund.
- B. The Administration shall distribute 90% of monies from the trauma and emergency services fund to a level I trauma center, as defined in subsection (F) of this Section, for unrecovered trauma center readiness costs as defined in subsection (F) of this Section. Reimbursement is limited to no more than the amount of unrecovered trauma center readiness costs as determined in subsections (D) and (E) of this Section. Unexpended funds may be used to reimburse unrecovered emergency room costs under subsection (C) of this Section.
- C. The Administration shall distribute 10% of monies from the trauma and emergency services fund, for unrecovered emergency services costs, to a hospital having an emergency department, using criteria under R9-22-2103. Reimbursement is limited to no more than the amount of unrecovered emergency services costs as determined in R9-22-2103. The Administration may distribute more than 10% of the monies for unrecovered emergency room costs when there are unexpended monies under subsection (B) of this Section.
- D. The Administration shall distribute a reporting tool and guidelines to level I trauma centers to determine, on an annual basis, the unrecovered trauma center readiness costs for level I trauma centers as defined in subsection (F) of this Section. The reporting time-frame is July 1 of the prior year through June 30 of the reporting year. A level I trauma center shall submit the requested data and a copy of the most recently completed uniform accounting report under A.R.S. § 36-125.04 to the Administration no later than October 31 of each reporting year.
- E. When a level I trauma center closes in a county where there are one or more level I trauma center(s) remaining in operation, the following shall occur:
1. The closing level I trauma center shall submit the requested data under subsection (D) of this Section for the months of the reporting time-frame in which it met the definition of a level I trauma center, and
 2. The data under subsection (D) of this Section, which is submitted by the closing level I trauma center, shall be added to the remaining level I trauma center(s) in that county for the current reporting time-frame only.
- F. In addition to definitions contained in A.R.S. § 36-2901, the words and phrases in this Chapter have the following meanings unless the context explicitly requires another meaning:
1. "Level I trauma center" means any acute care hospital designated by the Arizona Department of Health Services as a level I trauma center, a provisional level I trauma center, a pediatric level I trauma center or an initial level I trauma center.
 2. "Unrecovered trauma center readiness costs" means losses incurred treating trauma patients:
 - a. Determined in accordance with Generally Accepted Accounting Principles,
 - b. Based on both clinical and professional costs incurred by a level I trauma center necessary for the provision of level I trauma care, and
 - c. Based on administrative and overhead costs directly associated with providing level I trauma care.

Historical Note

New Section made by exempt rulemaking at 9 A.A.R. 4001, effective October 19, 2003 (Supp. 03-3). Amended by final rulemaking at 24 A.A.R. 2855, effective November 16, 2018 (Supp. 18-3).

R9-22-2102. Distribution of Trauma and Emergency Services Fund: Level I Trauma Centers

- A. On or after November 1, 2003, the Administration shall distribute monies, under R9-22-2101(B), to level I trauma centers using monies available in the trauma and emergency services fund at the time of payment. The Administration shall take into consideration the proportion of those hospitals' trauma case volume. The Administration shall:
1. Recalculate the November 2003 payments in July 2004 using the formula in subsection (B) of this Section;
 2. Recoup November 2003 overpayments by reducing the July 2004 distributions under subsection (C) as appropriate; and
 3. Redistribute recouped funds, with the July 2004 payment, to level I trauma centers underpaid in November 2003.
- B. On or after January 31 of each year, the Administration shall distribute monies, under R9-22-2101(B), to level I trauma centers using monies available in the trauma and emergency services fund at the time of payment. The Administration shall determine each hospital's unrecovered trauma center readiness costs for the current fiscal year using data from the most recent reporting year as provided under R9-22-2101(D) and (E). The proportion of each hospital's share of the fund for unrecovered trauma center readiness costs is determined after considering:
1. The professional, clinical, administrative, and overhead costs directly associated with providing level I trauma care, and
 2. The volume and acuity of trauma care provided by each hospital.
- C. On or after July 31 of each year, the Administration shall distribute monies to level I trauma centers using monies, under R9-22-2101(B), available in the trauma and emergency services fund at the time of payment according to the proportions calculated and used for the January payments in the same year, under subsection (B) of this Section.

Historical Note

36-2901.05. Breast and cervical cancer treatment; additional definition of eligibility.

A. For the purposes of this article, beginning January 1, 2002, "eligible person" includes a person who meets all of the following requirements:

1. Has been screened for breast and cervical cancer by a provider or entity that is recognized by the well woman healthcheck program administered by the department of health services as part of its program under title XV of the public health service act and that operates consistently with well woman healthcheck program guidelines.
2. Needs treatment for breast or cervical cancer.
3. Has an income level that is at or below two hundred fifty per cent of the federal poverty guidelines.
4. Is under sixty-five years of age.
5. Is not otherwise covered under creditable coverage as defined in section 2701(c) of the public health services act (42 United States Code section 300gg(c)).

B. The administration shall limit the assistance it provides pursuant to this section to medically necessary services provided during the period that the person requires treatment for breast or cervical cancer as determined by the administration.

C. The administration shall use a simplified eligibility form that the applicant may mail to the administration. Once the administration receives a completed application, the administration shall expedite the eligibility determination and enrollment on a prospective basis.

36-2903.01. Additional powers and duties; report; definition

A. The director of the Arizona health care cost containment system administration may adopt rules that provide that the system may withhold or forfeit payments to be made to a noncontracting provider by the system if the noncontracting provider fails to comply with this article, the provider agreement or rules that are adopted pursuant to this article and that relate to the specific services rendered for which a claim for payment is made.

B. The director shall:

1. Prescribe uniform forms to be used by all contractors. The rules shall require a written and signed application by the applicant or an applicant's authorized representative, or, if the person is incompetent or incapacitated, a family member or a person acting responsibly for the applicant may obtain a signature or a reasonable facsimile and file the application as prescribed by the administration.

2. Enter into an interagency agreement with the department to establish a streamlined eligibility process to determine the eligibility of all persons defined pursuant to section 36-2901, paragraph 6, subdivision (a). At the administration's option, the interagency agreement may allow the administration to determine the eligibility of certain persons, including those defined pursuant to section 36-2901, paragraph 6, subdivision (a).

3. Enter into an intergovernmental agreement with the department to:

(a) Establish an expedited eligibility and enrollment process for all persons who are hospitalized at the time of application.

(b) Establish performance measures and incentives for the department.

(c) Establish the process for management evaluation reviews that the administration shall perform to evaluate the eligibility determination functions performed by the department.

(d) Establish eligibility quality control reviews by the administration.

(e) Require the department to adopt rules, consistent with the rules adopted by the administration for a hearing process, that applicants or members may use for appeals of eligibility determinations or redeterminations.

(f) Establish the department's responsibility to place sufficient eligibility workers at federally qualified health centers to screen for eligibility and at hospital sites and level one trauma centers to ensure that persons seeking hospital services are screened on a timely basis for eligibility for the system, including a process to ensure that applications for the system can be accepted on a twenty-four hour basis, seven days a week.

(g) Withhold payments based on the allowable sanctions for errors in eligibility determinations or redeterminations or failure to meet performance measures required by the intergovernmental agreement.

(h) Recoup from the department all federal fiscal sanctions that result from the department's inaccurate eligibility determinations. The director may offset all or part of a sanction if the department submits a corrective action plan and a strategy to remedy the error.

4. By rule establish a procedure and time frames for the intake of grievances and requests for hearings, for the continuation of benefits and services during the appeal process and for a grievance process at the contractor level. Notwithstanding sections 41-1092.02, 41-1092.03 and 41-1092.05, the administration shall develop rules to establish the procedure and time frame for the informal resolution of grievances and appeals. A grievance that is not related to a claim for payment of system covered services shall be filed in writing with and received by the administration or the prepaid capitated provider or program contractor not later than sixty days after the date of the adverse action, decision or policy implementation being grieved. A grievance that is related to a claim for payment of system covered services must be filed in writing and received by the administration or the prepaid capitated provider or program contractor within twelve months after the date of service, within twelve months

after the date that eligibility is posted or within sixty days after the date of the denial of a timely claim submission, whichever is later. A grievance for the denial of a claim for reimbursement of services may contest the validity of any adverse action, decision, policy implementation or rule that related to or resulted in the full or partial denial of the claim. A policy implementation may be subject to a grievance procedure, but it may not be appealed for a hearing. The administration is not required to participate in a mandatory settlement conference if it is not a real party in interest. In any proceeding before the administration, including a grievance or hearing, persons may represent themselves or be represented by a duly authorized agent who is not charging a fee. A legal entity may be represented by an officer, partner or employee who is specifically authorized by the legal entity to represent it in the particular proceeding.

5. Apply for and accept federal funds available under title XIX of the social security act (P.L. 89-97; 79 Stat. 344; 42 United States Code section 1396 (1980)) in support of the system. The application made by the director pursuant to this paragraph shall be designed to qualify for federal funding primarily on a prepaid capitated basis. Such funds may be used only for the support of persons defined as eligible pursuant to title XIX of the social security act or the approved section 1115 waiver.

6. At least thirty days before the implementation of a policy or a change to an existing policy relating to reimbursement, provide notice to interested parties. Parties interested in receiving notification of policy changes shall submit a written request for notification to the administration.

7. In addition to the cost sharing requirements specified in subsection D, paragraph 4 of this section:

(a) Charge monthly premiums up to the maximum amount allowed by federal law to all populations of eligible persons who may be charged.

(b) Implement this paragraph to the extent permitted under the federal deficit reduction act of 2005 and other federal laws, subject to the approval of federal waiver authority and to the extent that any changes in the cost sharing requirements under this paragraph would permit this state to receive any enhanced federal matching rate.

C. The director is authorized to apply for any federal funds available for the support of programs to investigate and prosecute violations arising from the administration and operation of the system. Available state funds appropriated for the administration and operation of the system may be used as matching funds to secure federal funds pursuant to this subsection.

D. The director may adopt rules or procedures to do the following:

1. Authorize advance payments based on estimated liability to a contractor or a noncontracting provider after the contractor or noncontracting provider has submitted a claim for services and before the claim is ultimately resolved. The rules shall specify that any advance payment shall be conditioned on the execution before payment of a contract with the contractor or noncontracting provider that requires the administration to retain a specified percentage, which shall be at least twenty percent, of the claimed amount as security and that requires repayment to the administration if the administration makes any overpayment.

2. Defer liability, in whole or in part, of contractors for care provided to members who are hospitalized on the date of enrollment or under other circumstances. Payment shall be on a capped fee-for-service basis for services other than hospital services and at the rate established pursuant to subsection G of this section for hospital services or at the rate paid by the health plan, whichever is less.

3. Deputize, in writing, any qualified officer or employee in the administration to perform any act that the director by law is empowered to do or charged with the responsibility of doing, including the authority to issue final administrative decisions pursuant to section 41-1092.08.

4. Notwithstanding any other law, require persons eligible pursuant to section 36-2901, paragraph 6, subdivision (a), section 36-2931 and section 36-2981, paragraph 6 to be financially responsible for any cost sharing requirements established in a state plan or a section 1115 waiver and approved by the centers for medicare and

medicaid services. Cost sharing requirements may include copayments, coinsurance, deductibles, enrollment fees and monthly premiums for enrolled members, including households with children enrolled in the Arizona long-term care system.

E. The director shall adopt rules that further specify the medical care and hospital services that are covered by the system pursuant to section 36-2907.

F. In addition to the rules otherwise specified in this article, the director may adopt necessary rules pursuant to title 41, chapter 6 to carry out this article. Rules adopted by the director pursuant to this subsection shall consider the differences between rural and urban conditions on the delivery of hospitalization and medical care.

G. For inpatient hospital admissions and outpatient hospital services on and after March 1, 1993, the administration shall adopt rules for the reimbursement of hospitals according to the following procedures:

1. For inpatient hospital stays from March 1, 1993 through September 30, 2014, the administration shall use a prospective tiered per diem methodology, using hospital peer groups if analysis shows that cost differences can be attributed to independently definable features that hospitals within a peer group share. In peer grouping the administration may consider such factors as length of stay differences and labor market variations. If there are no cost differences, the administration shall implement a stop loss-stop gain or similar mechanism. Any stop loss-stop gain or similar mechanism shall ensure that the tiered per diem rates assigned to a hospital do not represent less than ninety percent of its 1990 base year costs or more than one hundred ten percent of its 1990 base year costs, adjusted by an audit factor, during the period of March 1, 1993 through September 30, 1994. The tiered per diem rates set for hospitals shall represent no less than eighty-seven and one-half percent or more than one hundred twelve and one-half percent of its 1990 base year costs, adjusted by an audit factor, from October 1, 1994 through September 30, 1995 and no less than eighty-five percent or more than one hundred fifteen percent of its 1990 base year costs, adjusted by an audit factor, from October 1, 1995 through September 30, 1996. For the periods after September 30, 1996 no stop loss-stop gain or similar mechanisms shall be in effect. An adjustment in the stop loss-stop gain percentage may be made to ensure that total payments do not increase as a result of this provision. If peer groups are used, the administration shall establish initial peer group designations for each hospital before implementation of the per diem system. The administration may also use a negotiated rate methodology. The tiered per diem methodology may include separate consideration for specialty hospitals that limit their provision of services to specific patient populations, such as rehabilitative patients or children. The initial per diem rates shall be based on hospital claims and encounter data for dates of service November 1, 1990 through October 31, 1991 and processed through May of 1992. The administration may also establish a separate reimbursement methodology for claims with extraordinarily high costs per day that exceed thresholds established by the administration.

2. For rates effective on October 1, 1994, and annually through September 30, 2011, the administration shall adjust tiered per diem payments for inpatient hospital care by the data resources incorporated market basket index for prospective payment system hospitals. For rates effective beginning on October 1, 1999, the administration shall adjust payments to reflect changes in length of stay for the maternity and nursery tiers.

3. Through June 30, 2004, for outpatient hospital services, the administration shall reimburse a hospital by applying a hospital specific outpatient cost-to-charge ratio to the covered charges. Beginning on July 1, 2004 through June 30, 2005, the administration shall reimburse a hospital by applying a hospital specific outpatient cost-to-charge ratio to covered charges. If the hospital increases its charges for outpatient services filed with the Arizona department of health services pursuant to chapter 4, article 3 of this title, by more than 4.7 percent for dates of service effective on or after July 1, 2004, the hospital specific cost-to-charge ratio will be reduced by the amount that it exceeds 4.7 percent. If charges exceed 4.7 percent, the effective date of the increased charges will be the effective date of the adjusted Arizona health care cost containment system cost-to-charge ratio. The administration shall develop the methodology for a capped fee-for-service schedule and a statewide cost-to-charge ratio. Any covered outpatient service not included in the capped fee-for-service schedule shall be reimbursed by applying the statewide cost-to-charge ratio that is based on the services not included in the capped fee-for-service schedule. Beginning on July 1, 2005, the administration shall reimburse clean claims with dates of service on or after July 1, 2005, based on the capped fee-for-service schedule or the statewide cost-to-charge

ratio established pursuant to this paragraph. The administration may make additional adjustments to the outpatient hospital rates established pursuant to this section based on other factors, including the number of beds in the hospital, specialty services available to patients and the geographic location of the hospital.

4. Except if submitted under an electronic claims submission system, a hospital bill is considered received for purposes of this paragraph on initial receipt of the legible, error-free claim form by the administration if the claim includes the following error-free documentation in legible form:

- (a) An admission face sheet.
- (b) An itemized statement.
- (c) An admission history and physical.
- (d) A discharge summary or an interim summary if the claim is split.
- (e) An emergency record, if admission was through the emergency room.
- (f) Operative reports, if applicable.
- (g) A labor and delivery room report, if applicable.

Payment received by a hospital from the administration pursuant to this subsection or from a contractor either by contract or pursuant to section 36-2904, subsection I is considered payment by the administration or the contractor of the administration's or contractor's liability for the hospital bill. A hospital may collect any unpaid portion of its bill from other third-party payors or in situations covered by title 33, chapter 7, article 3.

5. For services rendered on and after October 1, 1997, the administration shall pay a hospital's rate established according to this section subject to the following:

- (a) If the hospital's bill is paid within thirty days of the date the bill was received, the administration shall pay ninety-nine percent of the rate.
- (b) If the hospital's bill is paid after thirty days but within sixty days of the date the bill was received, the administration shall pay one hundred percent of the rate.
- (c) If the hospital's bill is paid any time after sixty days of the date the bill was received, the administration shall pay one hundred percent of the rate plus a fee of one percent per month for each month or portion of a month following the sixtieth day of receipt of the bill until the date of payment.

6. In developing the reimbursement methodology, if a review of the reports filed by a hospital pursuant to section 36-125.04 indicates that further investigation is considered necessary to verify the accuracy of the information in the reports, the administration may examine the hospital's records and accounts related to the reporting requirements of section 36-125.04. The administration shall bear the cost incurred in connection with this examination unless the administration finds that the records examined are significantly deficient or incorrect, in which case the administration may charge the cost of the investigation to the hospital examined.

7. Except for privileged medical information, the administration shall make available for public inspection the cost and charge data and the calculations used by the administration to determine payments under the tiered per diem system, provided that individual hospitals are not identified by name. The administration shall make the data and calculations available for public inspection during regular business hours and shall provide copies of the data and calculations to individuals requesting such copies within thirty days of receipt of a written request. The administration may charge a reasonable fee for the provision of the data or information.

8. The prospective tiered per diem payment methodology for inpatient hospital services shall include a mechanism for the prospective payment of inpatient hospital capital related costs. The capital payment shall

include hospital specific and statewide average amounts. For tiered per diem rates beginning on October 1, 1999, the capital related cost component is frozen at the blended rate of forty percent of the hospital specific capital cost and sixty percent of the statewide average capital cost in effect as of January 1, 1999 and as further adjusted by the calculation of tier rates for maternity and nursery as prescribed by law. Through September 30, 2011, the administration shall adjust the capital related cost component by the data resources incorporated market basket index for prospective payment system hospitals.

9. For graduate medical education programs:

(a) Beginning September 30, 1997, the administration shall establish a separate graduate medical education program to reimburse hospitals that had graduate medical education programs that were approved by the administration as of October 1, 1999. The administration shall separately account for monies for the graduate medical education program based on the total reimbursement for graduate medical education reimbursed to hospitals by the system in federal fiscal year 1995-1996 pursuant to the tiered per diem methodology specified in this section. The graduate medical education program reimbursement shall be adjusted annually by the increase or decrease in the index published by the global insight hospital market basket index for prospective hospital reimbursement. Subject to legislative appropriation, on an annual basis, each qualified hospital shall receive a single payment from the graduate medical education program that is equal to the same percentage of graduate medical education reimbursement that was paid by the system in federal fiscal year 1995-1996. Any reimbursement for graduate medical education made by the administration shall not be subject to future settlements or appeals by the hospitals to the administration. The monies available under this subdivision shall not exceed the fiscal year 2005-2006 appropriation adjusted annually by the increase or decrease in the index published by the global insight hospital market basket index for prospective hospital reimbursement, except for monies distributed for expansions pursuant to subdivision (b) of this paragraph.

(b) The monies available for graduate medical education programs pursuant to this subdivision shall not exceed the fiscal year 2006-2007 appropriation adjusted annually by the increase or decrease in the index published by the global insight hospital market basket index for prospective hospital reimbursement. Graduate medical education programs eligible for such reimbursement are not precluded from receiving reimbursement for funding under subdivision (c) of this paragraph. Beginning July 1, 2006, the administration shall distribute any monies appropriated for graduate medical education above the amount prescribed in subdivision (a) of this paragraph in the following order or priority:

(i) For the direct costs to support the expansion of graduate medical education programs established before July 1, 2006 at hospitals that do not receive payments pursuant to subdivision (a) of this paragraph. These programs must be approved by the administration.

(ii) For the direct costs to support the expansion of graduate medical education programs established on or before October 1, 1999. These programs must be approved by the administration.

(c) The administration shall distribute to hospitals any monies appropriated for graduate medical education above the amount prescribed in subdivisions (a) and (b) of this paragraph for the following purposes:

(i) For the direct costs of graduate medical education programs established or expanded on or after July 1, 2006. These programs must be approved by the administration.

(ii) For a portion of additional indirect graduate medical education costs for programs that are located in a county with a population of less than five hundred thousand persons at the time the residency position was created or for a residency position that includes a rotation in a county with a population of less than five hundred thousand persons at the time the residency position was established. These programs must be approved by the administration.

(d) The administration shall develop, by rule, the formula by which the monies are distributed.

(e) Each graduate medical education program that receives funding pursuant to subdivision (b) or (c) of this paragraph shall identify and report to the administration the number of new residency positions created by the funding provided in this paragraph, including positions in rural areas. The program shall also report information related to the number of funded residency positions that resulted in physicians locating their practices in this state. The administration shall report to the joint legislative budget committee by February 1 of each year on the number of new residency positions as reported by the graduate medical education programs.

(f) Local, county and tribal governments and any university under the jurisdiction of the Arizona board of regents may provide monies in addition to any state general fund monies appropriated for graduate medical education in order to qualify for additional matching federal monies for providers, programs or positions in a specific locality and costs incurred pursuant to a specific contract between the administration and providers or other entities to provide graduate medical education services as an administrative activity. Payments by the administration pursuant to this subdivision may be limited to those providers designated by the funding entity and may be based on any methodology deemed appropriate by the administration, including replacing any payments that might otherwise have been paid pursuant to subdivision (a), (b) or (c) of this paragraph had sufficient state general fund monies or other monies been appropriated to fully fund those payments. These programs, positions, payment methodologies and administrative graduate medical education services must be approved by the administration and the centers for medicare and medicaid services. The administration shall report to the president of the senate, the speaker of the house of representatives and the director of the joint legislative budget committee on or before July 1 of each year on the amount of money contributed and number of residency positions funded by local, county and tribal governments, including the amount of federal matching monies used.

(g) Any funds appropriated but not allocated by the administration for subdivision (b) or (c) of this paragraph may be reallocated if funding for either subdivision is insufficient to cover appropriate graduate medical education costs.

10. Notwithstanding section 41-1005, subsection A, paragraph 9, the administration shall adopt rules pursuant to title 41, chapter 6 establishing the methodology for determining the prospective tiered per diem payments that are in effect through September 30, 2014.

11. For inpatient hospital services rendered on or after October 1, 2011, the prospective tiered per diem payment rates are permanently reset to the amounts payable for those services as of October 1, 2011 pursuant to this subsection.

12. The administration shall adopt a diagnosis-related group based hospital reimbursement methodology consistent with title XIX of the social security act for inpatient dates of service on and after October 1, 2014. The administration may make additional adjustments to the inpatient hospital rates established pursuant to this section for hospitals that are publicly operated or based on other factors, including the number of beds in the hospital, the specialty services available to patients, the geographic location and diagnosis-related group codes that are made publicly available by the hospital pursuant to section 36-437. The administration may also provide additional reimbursement for extraordinarily high cost cases that exceed a threshold above the standard payment. The administration may also establish a separate payment methodology for specific services or hospitals serving unique populations.

H. The director may adopt rules that specify enrollment procedures, including notice to contractors of enrollment. The rules may provide for varying time limits for enrollment in different situations. The administration shall specify in contract when a person who has been determined eligible will be enrolled with that contractor and the date on which the contractor will be financially responsible for health and medical services to the person.

I. The administration may make direct payments to hospitals for hospitalization and medical care provided to a member in accordance with this article and rules. The director may adopt rules to establish the procedures by which the administration shall pay hospitals pursuant to this subsection if a contractor fails to make timely payment to a hospital. Such payment shall be at a level determined pursuant to section 36-2904, subsection H

or I. The director may withhold payment due to a contractor in the amount of any payment made directly to a hospital by the administration on behalf of a contractor pursuant to this subsection.

J. The director shall establish a special unit within the administration for the purpose of monitoring the third-party payment collections required by contractors and noncontracting providers pursuant to section 36-2903, subsection B, paragraph 10 and subsection F and section 36-2915, subsection E. The director shall determine by rule:

1. The type of third-party payments to be monitored pursuant to this subsection.
2. The percentage of third-party payments that is collected by a contractor or noncontracting provider and that the contractor or noncontracting provider may keep and the percentage of such payments that the contractor or noncontracting provider may be required to pay to the administration. Contractors and noncontracting providers must pay to the administration one hundred percent of all third-party payments that are collected and that duplicate administration fee-for-service payments. A contractor that contracts with the administration pursuant to section 36-2904, subsection A may be entitled to retain a percentage of third-party payments if the payments collected and retained by a contractor are reflected in reduced capitation rates. A contractor may be required to pay the administration a percentage of third-party payments that are collected by a contractor and that are not reflected in reduced capitation rates.

K. The administration shall establish procedures to apply to the following if a provider that has a contract with a contractor or noncontracting provider seeks to collect from an individual or financially responsible relative or representative a claim that exceeds the amount that is reimbursed or should be reimbursed by the system:

1. On written notice from the administration or oral or written notice from a member that a claim for covered services may be in violation of this section, the provider that has a contract with a contractor or noncontracting provider shall investigate the inquiry and verify whether the person was eligible for services at the time that covered services were provided. If the claim was paid or should have been paid by the system, the provider that has a contract with a contractor or noncontracting provider shall not continue billing the member.

2. If the claim was paid or should have been paid by the system and the disputed claim has been referred for collection to a collection agency or referred to a credit reporting bureau, the provider that has a contract with a contractor or noncontracting provider shall:

- (a) Notify the collection agency and request that all attempts to collect this specific charge be terminated immediately.

- (b) Advise all credit reporting bureaus that the reported delinquency was in error and request that the affected credit report be corrected to remove any notation about this specific delinquency.

- (c) Notify the administration and the member that the request for payment was in error and that the collection agency and credit reporting bureaus have been notified.

3. If the administration determines that a provider that has a contract with a contractor or noncontracting provider has billed a member for charges that were paid or should have been paid by the administration, the administration shall send written notification by certified mail or other service with proof of delivery to the provider that has a contract with a contractor or noncontracting provider stating that this billing is in violation of federal and state law. If, twenty-one days or more after receiving the notification, a provider that has a contract with a contractor or noncontracting provider knowingly continues billing a member for charges that were paid or should have been paid by the system, the administration may assess a civil penalty in an amount equal to three times the amount of the billing and reduce payment to the provider that has a contract with a contractor or noncontracting provider accordingly. Receipt of delivery signed by the addressee or the addressee's employee is prima facie evidence of knowledge. Civil penalties collected pursuant to this subsection shall be deposited in the state general fund. Section 36-2918, subsections C, D and F, relating to the imposition, collection and enforcement of civil penalties, apply to civil penalties imposed pursuant to this paragraph.

L. The administration may conduct postpayment review of all claims paid by the administration and may recoup any monies erroneously paid. The director may adopt rules that specify procedures for conducting postpayment review. A contractor may conduct a postpayment review of all claims paid by the contractor and may recoup monies that are erroneously paid.

M. Subject to title 41, chapter 4, article 4, the director or the director's designee may employ and supervise personnel necessary to assist the director in performing the functions of the administration.

N. The administration may contract with contractors for obstetrical care who are eligible to provide services under title XIX of the social security act.

O. Notwithstanding any other law, on federal approval the administration may make disproportionate share payments to private hospitals, county operated hospitals, including hospitals owned or leased by a special health care district, and state operated institutions for mental disease beginning October 1, 1991 in accordance with federal law and subject to legislative appropriation. If at any time the administration receives written notification from federal authorities of any change or difference in the actual or estimated amount of federal funds available for disproportionate share payments from the amount reflected in the legislative appropriation for such purposes, the administration shall provide written notification of such change or difference to the president and the minority leader of the senate, the speaker and the minority leader of the house of representatives, the director of the joint legislative budget committee, the legislative committee of reference and any hospital trade association within this state, within three working days not including weekends after receipt of the notice of the change or difference. In calculating disproportionate share payments as prescribed in this section, the administration may use either a methodology based on claims and encounter data that is submitted to the administration from contractors or a methodology based on data that is reported to the administration by private hospitals and state operated institutions for mental disease. The selected methodology applies to all private hospitals and state operated institutions for mental disease qualifying for disproportionate share payments.

P. Disproportionate share payments made pursuant to subsection O of this section include amounts for disproportionate share hospitals designated by political subdivisions of this state, tribal governments and universities under the jurisdiction of the Arizona board of regents. Subject to the approval of the centers for medicare and medicaid services, any amount of federal funding allotted to this state pursuant to section 1923(f) of the social security act and not otherwise spent under subsection O of this section shall be made available for distribution pursuant to this subsection. Political subdivisions of this state, tribal governments and universities under the jurisdiction of the Arizona board of regents may designate hospitals eligible to receive disproportionate share payments in an amount up to the limit prescribed in section 1923(g) of the social security act if those political subdivisions, tribal governments or universities provide sufficient monies to qualify for the matching federal monies for the disproportionate share payments.

Q. Notwithstanding any law to the contrary, the administration may receive confidential adoption information to determine whether an adopted child should be terminated from the system.

R. The adoption agency or the adoption attorney shall notify the administration within thirty days after an eligible person receiving services has placed that person's child for adoption.

S. If the administration implements an electronic claims submission system, it may adopt procedures pursuant to subsection G of this section requiring documentation different than prescribed under subsection G, paragraph 4 of this section.

T. In addition to any requirements adopted pursuant to subsection D, paragraph 4 of this section, notwithstanding any other law, subject to approval by the centers for medicare and medicaid services, beginning July 1, 2011, members eligible pursuant to section 36-2901, paragraph 6, subdivision (a), section 36-2931 and section 36-2981, paragraph 6 shall pay the following:

1. A monthly premium of fifteen dollars, except that the total monthly premium for an entire household shall not exceed sixty dollars.

2. A copayment of five dollars for each physician office visit.
3. A copayment of ten dollars for each urgent care visit.
4. A copayment of thirty dollars for each emergency department visit.

U. Subject to the approval of the centers for medicare and medicaid services, political subdivisions of this state, tribal governments and any university under the jurisdiction of the Arizona board of regents may provide to the Arizona health care cost containment system administration monies in addition to any state general fund monies appropriated for critical access hospitals in order to qualify for additional federal monies. Any amount of federal monies received by this state pursuant to this subsection shall be distributed as supplemental payments to critical access hospitals.

V. For the purposes of this section, "disproportionate share payment" means a payment to a hospital that serves a disproportionate share of low-income patients as described by 42 United States Code section 1396r-4.

GOVERNOR'S REGULATORY REVIEW COUNCIL

ATTORNEY MEMORANDUM - REGULAR RULEMAKING

MEETING DATE: May 6, 2025

TO: Members of the Governor's Regulatory Review Council (Council)

FROM: Council Staff

DATE: April 14, 2025

SUBJECT: ARIZONA DEPARTMENT OF ADMINISTRATION
Title 2, Chapter 5

Amend: R2-5A-101; R2-5A-403; R2-5A-404; R2-5A-B602; R2-5A-B603;
R2-5A-B611; R2-5B-102

Summary:

This regular rulemaking from the Arizona Department of Administration (Department) seeks to amend seven (7) rules in Title 2, Chapter 5 regarding Covered Employees. Specifically, the Department indicates it is amending the rules for two reasons: (1) to address issues identified during the configuration of AZ360 Human Resources (the HRIS Modernization Project), anticipated to go live in May 2025; and (2) to implement the provisions of Laws 2024, Ch. 249, which adds additional job classes within the Arizona Department of Corrections to covered service, and permits current uncovered employees who are moved from uncovered to covered service as a result of and on the effective date of the legislation to retain the annual leave benefits (accrual and accumulation) of uncovered employees.

1. **Are the rules legal, consistent with legislative intent, and within the agency's statutory authority?**

The Department cites both general and specific statutory authority for these rules.

2. Do the rules establish a new fee or contain a fee increase?

This rulemaking does not establish a new fee or contain a fee increase.

3. Does the preamble disclose a reference to any study relevant to the rules that the agency reviewed and either did or did not rely upon?

The Department indicates it did not review any study relevant to this rulemaking.

4. Summary of the agency's economic impact analysis:

The Department states that this rulemaking amends the rules in 2 A.A.C. Chapter 5, Department of Administration – State Personnel System (SPS), for the following purposes: (1) to address issues identified during the configuration of AZ360 Human Resources (the HRIS modernization Project), anticipated to go live by May 2025; and (2) to implement the provisions of Laws 2024, Ch. 249, which adds additional job classes within the Arizona Department of Corrections to covered services, and permits current uncovered employees who are moved from uncovered to covered service as a result of and on the effective date of the legislation to retain annual leave benefits (accrual and accumulation) of uncovered employees. The Department is amending seven sections to align the rules with AZ360 Human Resources system requirements and to incorporate the provisions of Laws 2024, Ch. 249. The Department indicates that these rules apply only to SPS agencies and employees and applicants for positions with the SPS. As such, they state, there is no expected impact on private employment, public employment in political subdivisions or small businesses.

5. Has the agency analyzed the costs and benefits of the rulemaking and determined that the rules impose the least burden and costs to those who are regulated?

The Department states that since this rulemaking addresses issues associated with the implementation of a new HR system, as well as aligning with state statutory requirements, there is not a less intrusive or less costly alternative available at this time. The Department indicates that as a result, no alternative method was considered.

6. What are the economic impacts on stakeholders?

The Department states the SPS is the largest personnel system in state government, encompassing over 100 state agencies, boards, commissions and offices, and approximately 34,000 employees. In addition, SPS rules affect SPS agencies, employees, and applicants for positions within the SPS. The Department indicates that the SPS does not issue permits or licenses, or charge fees, and its rules have little to no economic impact on small businesses or other consumers. Thus, the Department goes on to say, there is little to no economic impact, small business, or consumer impact, other than the minimal cost to the Department to prepare the rule package. The Department states that any financial impact or administrative expenses associated with the rules will be covered by ordinary operating funds.

7. **Are the final rules a substantial change, considered as a whole, from the proposed rules and any supplemental proposals?**

The Department indicates there were no changes between the Notice of Proposed Rulemaking published in the Administrative Register on November 22, 2024 and the Notice of Final Rulemaking now before the Council for consideration.

8. **Does the agency adequately address the comments on the proposed rules and any supplemental proposals?**

The Department indicates it received no public comments related to this rulemaking.

9. **Do the rules require a permit or license and, if so, does the agency comply with A.R.S. § 41-1037?**

Not applicable. The rule does not require the issuance of a permit, license, or agency authorization.

10. **Are the rules more stringent than corresponding federal law and, if so, is there statutory authority to exceed the requirements of federal law?**

Not applicable. The Department indicates there is no corresponding federal law directly applicable to the subject of these rules.

11. **Conclusion**

This regular rulemaking from the Department seeks to amend seven (7) rules in Title 2, Chapter 5 regarding Covered Employees. Specifically, the Department indicates it is amending the rules for two reasons: (1) to address issues identified during the configuration of AZ360 Human Resources (the HRIS Modernization Project), anticipated to go live in May 2025; and (2) to implement the provisions of Laws 2024, Ch. 249, which adds additional job classes within the Arizona Department of Corrections to covered service, and permits current uncovered employees who are moved from uncovered to covered service as a result of and on the effective date of the legislation to retain the annual leave benefits (accrual and accumulation) of uncovered employees.

The Department is requesting an immediate effective date pursuant to A.R.S. § 41-1032(A)(4) to “provide a benefit to the public and a penalty is not associated with a violation of the rule.” Specifically, the Department indicates several of the rules in this rulemaking are necessary for the successful implementation and application of AZ360 Human Resources (the HRIS Modernization Project). The Department indicates an immediate effective date will allow for the rules to be effective on the same day as the AZ360 Phase 1A go live date, thus benefitting the State Personnel System (SPS) agencies and state employees. Council staff believes the Department has provided adequate justification for an immediate effective date pursuant to A.R.S. § 41-1032(A)(4).

Council staff recommends approval of this rulemaking.

RE: Regular Rulemaking - Arizona Department of Administration, 2 A.A.C. 5
Subchapter A; Articles 1, 4 and 6
Subchapter B; Article 1

Dear Ms. Klein:

The Arizona Department of Administration (Department) is submitting the attached final rulemaking package for review and approval by the Governor's Regulatory Review Council.

As required under A.R.S. § 41-1039, approval for this rulemaking was obtained from John Owens, Operations & Policy Advisor in the Governor's Office, in an email dated October 28, 2024. Approval to submit this rulemaking to GRRC, as required under A.R.S. § 41-1039(B), was provided by Mr. Owens in an email dated February 25, 2025.

Pursuant to A.A.C. R1-6-201, the following information is provided for Council's use in reviewing the enclosed rulemaking package:

1. The close of record date: The rulemaking record was closed on January 8, 2025, at 5:00 p.m., following a period for public comment and an oral proceeding.
2. Whether the rulemaking relates to a five-year-review report and, if applicable, the date the report was approved by the Council:
This regular rulemaking does not relate to a five-year-review report.
3. Whether the rulemaking establishes a new fee and, if so, the statute authorizing the fee:
The rulemaking does not establish a new fee.

4. Whether the rulemaking contains a fee increase:
The rulemaking does not contain a fee increase.
5. Whether an immediate effective date is requested pursuant to A.R.S. § 41-1032:
The Department is requesting an immediate effective date for the rules to ensure that these rules go into effect on the same day as the AZ360 Phase 1A go live date, which is scheduled for May 20, 2025. Upon approval, the Department plans to file the Notice of Final Rulemaking with the Secretary of State on May 20, 2025.
6. Certification regarding studies:
I certify that the Department did not rely on any studies for this rulemaking.
7. Certification that the preparer of the economic, small business, and consumer impact statement has notified the Joint Legislative Budget Committee (JLBC) of the number of new full-time employees necessary to implement and enforce the rule:
I certify that the rules in this rulemaking will not require one or more full-time employees to implement and enforce the rule. As such, no notification was provided to the JLBC.
8. List of documents enclosed:
 - Notice of Final Rulemaking, including the preamble, table of contents for the rulemaking, and text of each rule;
 - An economic, small business, and consumer impact statement that contains the information required by A.R.S. § 41-1055; and,
 - The general and specific statutes authorizing the rule, including relevant statutory definitions.

The Department's point of contact for questions about this rulemaking package is Christine Bronson at Christine.Bronson@azdoa.gov.

Sincerely,

Elizabeth Alvarado-Thorson
Director

4. The effective date of the rule:

This rule shall become effective immediately after a certified original and preamble are filed in the Office of the Secretary of State pursuant to A.R.S. § 41-1032(A). The effective date is (to be filled in by Register editor).

a. If the agency selected a date earlier than the 60-day effective date as specified in A.R.S. § 41-1032(A), include the earlier date and state the reason the agency selected the earlier effective date as provided in A.R.S. § 41-1032(A)(1) through (5):

The effective date of this rule is [redacted]. Pursuant to A.R.S. § 41-1032(A)(4), the reason for the immediate effective date is to provide a benefit to the public and a penalty is not associated with a

violation of the rule. Several of the rules in this rulemaking are necessary for the successful implementation and application of AZ360 Human Resources (the HRIS Modernization Project). An immediate effective date will allow for the rules to be effective on the same day as the AZ360 Phase 1A go live date, thus benefitting the State Personnel System (SPS) agencies and state employees.

b. If the agency selected a date later than the 60-day effective date as specified in A.R.S. § 41-1032(A), include the later date and state the reason the agency selected the later effective date as provided in A.R.S. § 41-1032(B):

7. An agency's justification and reason why a rule should be made, amended, repealed or renumbered, to include an explanation about the rulemaking:

The Department is amending the rules in 2 A.A.C. Chapter 5, Department of Administration - State Personnel System (SPS), for the following purposes: (1) to address issues identified during the configuration of AZ360 Human Resources (the HRIS Modernization Project), anticipated to go live in May

2025; and (2) to implement the provisions of Laws 2024, Ch. 249, which adds additional job classes within the Arizona Department of Corrections to covered service, and permits current uncovered employees who are moved from uncovered to covered service as a result of and on the effective date of the legislation to retain the annual leave benefits (accrual and accumulation) of uncovered employees.

Section by Section Explanation of the Rulemaking:

R2-5A-101. Definitions. The rule is being amended to incorporate the provisions of Laws 2024, Ch. 249 by amending the definition of “covered employee” and adding a definition of “covered positions in the Arizona Department of Corrections”.

R2-5A-403. Supplemental Pay. The rule is being amended to incorporate the provisions of Laws 2024, Ch. 249, by amending (E)(3) pertaining to variable pay, and adding to the exceptions, the seven (7) additional job classes in the Arizona Department of Corrections that were moved to covered service. In lieu of continuing to list the individual job classes, the Department instead uses the term, “covered positions in the Arizona Department of Corrections” and defines the term in R2-5A-101.

R2-5A-404. Overtime. The rule is being amended to address an issue identified by the AZ360 configuration teams regarding overtime compensation. Currently, non-exempt employees may elect to receive: additional pay at one and one-half times their regular rate of pay, compensatory leave at a rate of one and one-half hours for each excess hour worked, or either. AZ360 is scheduled to go live in May 2025, and in AZ360, a non-exempt employee may only elect to receive additional pay or compensatory leave.

R2-5A-B602. Annual Leave. The rule is being amended to address an issue identified by the AZ360 configuration teams by changing the format for annual leave accruals from decimal format to hours and minutes (HH:MM). The rule is also being amended to incorporate the provisions of Laws 2024, Ch. 249, which permits employees of the Arizona Department of Corrections who were moved from uncovered to covered service as a result of and on the effective date of the legislation to retain the annual leave benefits (accrual and accumulation) of uncovered employees.

R2-5A-B603. Sick Leave. The rule is being amended to address an issue identified by the AZ360 configuration teams by changing the format for sick leave accruals from decimal format to hours and minutes (HH:MM).

R2-5A-B611. Meritorious Service Leave. The rule is being amended to incorporate the provisions of Laws 2024, Ch. 249, by adding to the exceptions, the seven (7) additional job classes in the Arizona Department of Corrections that were moved to covered service pursuant to Laws 2024, Ch. 249. In lieu of

continuing to list the individual job classes, the Department instead proposes using the term, “covered positions in the Arizona Department of Corrections” and defining the term in R2-5A-101.

R2-5B-102. Applicability. This rule is applicable only to covered employees. The rule is being amended to incorporate the provisions of Laws 2024, Ch. 249, by adding to the exceptions, the seven (7) additional job classes in the Arizona Department of Corrections that were moved to covered service pursuant to Laws 2024, Ch. 249.

8. A reference to any study relevant to the rule that the agency reviewed and either relied on or did not rely on in its evaluation of or justification for the rule, where the public may obtain or review each study, all data underlying each study, and any analysis of each study and other supporting material:

The Department did not review or rely on any study for this rulemaking.

9. A showing of good cause why the rulemaking is necessary to promote a statewide interest if the rulemaking will diminish a previous grant of authority of a political subdivision of this state:

Not applicable

10. A summary of the economic, small business, and consumer impact:

The State Personnel System (SPS) is the largest personnel system in state government, encompassing over 100 state agencies, boards, commissions and offices, and approximately 34,000 employees. SPS rules affect SPS agencies, employees, and applicants for positions with the SPS. Generally, any financial impact or administrative expenses associated with the rules are covered by ordinary operating funds. Annual costs/revenues changes are designated as minimal when more than \$0 and \$2,000 or less, moderate when between \$2,000 and \$20,000, and substantial when \$20,000 or greater in additional costs or revenues. A cost is listed as significant when meaningful or important, but not readily subject to quantification.

The Department anticipates that changing the format for leave from decimal format to hours and minutes (HH:MM) may cause the State to incur substantial increased costs in the form of increased liability of up to \$300,000 annually statewide. The reason for the increase is due to situations where the conversion of the decimal format to hours and minutes does not equal a whole minute. In those cases, the accrual rate will be rounded up to the next whole minute in order to hold employees harmless to the change. Although the potential statewide impact is substantial, the anticipated costs to the individual agencies will be in the minimal to moderate range, with only several of the larger agencies potentially seeing a substantial increase. As with most financial impacts created by rulemaking, these expenses will be covered by the agencies’ ordinary operating funds. However, the Department also anticipates that changing the format to hours and minutes will provide significant benefits in the form of efficiencies in AZ360, which calculates time and leave in hours and minutes.

Laws 2024, Ch. 249 (HB2034) created inconsistencies with several State Personnel System (SPS) Rules, which the Department is addressing in this rulemaking. There is a minimal cost to the Department to prepare the rule package, and the Department anticipates a moderate cost associated with programming. The legislation and corresponding rule amendments affect approximately 1,200 Arizona Department of Corrections (ADC) uncovered employees in seven job classes who were moved to covered service effective September 14, 2024. The Department anticipates that ADC will incur significant administrative costs associated with the movement of these employees and future appointments in the specified job classes to the covered service. Further, current uncovered employees who are moved from uncovered to covered service as a result of and on the effective date of the legislation retain the annual leave benefits (accrual and accumulation) of uncovered employees. The rule amendments do not create any increased costs; however, if the legislation had not included this provision, the employees would have been subject to the leave schedule for covered employees, resulting in lowered accrual rates and a lower accumulation amount, which would have resulted in reduced costs/liability for ADC.

Neither the Department nor any other state agencies will require new full-time employees to implement these amended rules.

11. A description of any changes between the proposed rulemaking, to include supplemental notices, and the final rulemaking:

No changes were made between the proposed rulemaking and the final rulemaking.

12. An agency's summary of the public or stakeholder comments made about the rulemaking and the agency response to the comments:

The Department did not receive any written comments during the public comment period for the Notice of Proposed Rulemaking. An oral proceeding was held on January 8, 2025, via Google Meet, and no one appeared for comment. The record closed at 5:00 p.m. on January 8, 2025.

13. All agencies shall list other matters prescribed by statute applicable to the specific agency or to any specific rule or class of rules. Additionally, an agency subject to Council review under A.R.S. §§ 41-1052 and 41-1055 shall respond to the following questions:

There are no other matters prescribed by statutes applicable specifically to the Department or this specific rulemaking.

a. Whether the rule requires a permit, whether a general permit is used and if not, the reasons why a general permit is not used:

Not applicable

b. Whether a federal law is applicable to the subject of the rule, whether the rule is more stringent than federal law and if so, citation to the statutory authority to exceed the requirements of federal law:

Not applicable

c. Whether a person submitted an analysis to the agency that compares the rule's impact of the competitiveness of business in this state to the impact on business in other states:

No business competitiveness analysis was received by the Department.

14. A list of any incorporated by reference material as specified in A.R.S. § 41-1028 and its location in the rules:

Not applicable

15. Whether the rule was previously made, amended or repealed as an emergency rule. If so, cite the notice published in the *Register* as specified in R1-1-409(A). Also, the agency shall state where the text was changed between the emergency and the final rulemaking packages:

“Temporary appointment” means an appointment made for a maximum of 1,500 hours worked in any agency in each calendar year.

“Transfer” means the movement of an employee from one position to another position in the same or an equivalent grade.

“Uncovered employee” means an employee in uncovered service. A.R.S. § 41-741(19)

“Uncovered service” means employment at will and includes all state employees except those in covered service. A.R.S. § 41-741(20)

“Working day” or “working hours” means a day or the hours an employee is regularly scheduled to work.

ARTICLE 4. COMPENSATION SYSTEM

R2-5A-403. Supplemental Pay

- A.** General. Supplemental pay is in addition to an employee’s base pay. The salary of an employee may exceed the maximum salary of the pay range for the employee’s class if the excess amount is due to the receipt of supplemental pay.
- B.** Shift differential. The Director may authorize a shift differential to be paid to an employee on other than a day shift. The Director shall establish a competitive shift differential rate periodically based on an annual survey of the market place. Employees in the same class in the same agency who work on the same shift shall receive the same shift differential pay.
- C.** Special assignment. An employee on a special assignment shall remain in the employee’s current position with no change to base salary. If the classification to which the employee is on a special assignment is a higher grade, the employee shall be provided a conditional pay supplement in an amount that, when added to the employee’s base salary, would be within the range of the higher classification. If the classification to which the employee is on a special assignment is the same or a lower grade, the employee shall not be eligible for a conditional pay supplement while on special assignment. Any conditional pay supplement received by the employee for the special assignment shall be discontinued at the conclusion of the special assignment.

- D.** Conditional pay supplements. The Director may establish conditional pay supplements. A conditional pay supplement provides additional compensation to an eligible employee and shall be discontinued when the qualifying conditions no longer apply. An employee may be awarded multiple conditional pay supplements. A conditional pay supplement does not:
1. Change base salary;
 2. Provide a basis for the computation of a salary increase; or
 3. Provide a basis for the computation of pay upon an employee's promotion, demotion or transfer.
- E.** Variable pay.
1. The Director may establish variable pay strategies determined to be the prevailing practices in the market and in the best interest of the state.
 2. If the Director establishes variable pay strategies, the Director shall establish guidelines for the administration of variable pay.
 3. Variable pay shall be available only to uncovered employees, except for employees in covered positions ~~classified as Correctional Officers I, II, or III, or Community Corrections Officers~~ in the Arizona Department of Corrections, or covered positions that require full authority peace officer certification, as specified in the guidelines established by the Director.
 4. Subject to the guidelines established by the Director:
 - a. Variable pay strategies may be implemented at the discretion of the agency head.
 - b. Variable pay strategies are subject to the availability of funding and must be within an agency's appropriation unless otherwise legislatively appropriated.

R2-5A-404. Overtime

- A.** Approval of overtime work. An agency head may require that an employee work overtime and:
1. Shall approve in advance all work in excess of 40 hours per workweek or in excess of a work period as defined by the Fair Labor Standards Act (FLSA). FLSA Regulations 29 CFR 553 and 778 (July 2012), are incorporated by this reference and on file with the Department and available from the U.S. Government Printing Office, 732 North Capitol Street N.W., Washington, D.C. 20401. This incorporation by reference contains no future editions or amendments; and
 2. May assign an employee who volunteers for overtime before mandatory overtime is required.
- B.** Exemptions. The Director shall determine exemptions from minimum wage and maximum hour requirements in accordance with the Fair Labor Standards Act, 29 U.S.C. 213, January 2004, incorporated by this reference and on file with the Department and available from the U.S. Government Printing Office, 732 North Capitol Street N.W., Washington, D.C. 20401. This incorporation by reference contains no future editions or amendments.
- C.** Non-exempt employees.
1. An agency shall compensate an employee in a non-exempt position who works in excess of 40 hours per workweek or in excess of a work period as defined by the FLSA by either:
 - a. Additional pay at the rate of 1 1/2 times the employee's regular rate for each excess hour worked, or

- b. Compensatory leave at the rate of 1 1/2 hours for each excess hour worked.
 - 2. An employee shall select either overtime pay or compensatory leave for overtime compensation. ~~If the employee selects both overtime pay and compensatory leave, the agency head shall determine which applies.~~ If an employee's compensatory leave balance reaches the maximum allowed in subsection (E), the agency head shall compensate the employee by overtime pay.
- D. Exempt employees.**
- 1. Unless otherwise provided by statute or as specified in subsection (D)(2), an employee who is in a position that is exempt from the FLSA is excluded from receiving either overtime pay or compensatory leave.
 - 2. An employee who is in a position that is exempt from the FLSA who works in excess of 40 hours per workweek or in excess of an established work period shall receive for each hour of overtime worked, either one hour of additional pay or earn one hour of compensatory leave, at the option of the agency head, if the employee is either:
 - a. Engaged in law enforcement activities;
 - b. Engaged in firefighting activities; or
 - c. A full authority peace officer as certified by the Arizona Peace Officer Standards and Training Board, is in a position that requires such certification, and is in the covered service.
 - 3. An exempt employee may earn compensatory leave as provided by subsection (D)(2) until the employee's compensatory leave balance reaches the maximum allowed in subsection (E). When the maximum balance is reached, an agency head shall compensate the employee by overtime pay for excess hours worked.
 - 4. For the purposes of this subsection, "engaged in law enforcement activities" has the same meaning as defined in A.R.S. Title 23, Chapter 2, Article 9.
- E. Maximum accumulation.** The maximum number of hours of accumulated compensatory leave is:
- 1. 480 hours for an employee who works in a public safety activity or an emergency response activity, or
 - 2. 240 hours for an employee who works in any other activity.

ARTICLE 6. LEAVE
PART B. PAID LEAVE

R2-5A-B602. Annual Leave

A. Definitions. For the purposes of this Section:

- 1. "Annual leave" means a period of approved absence with pay that is not chargeable to another category of leave.
- 2. "Hire date" means the employee's first day of work upon hire or, if the employee has a break in service, rehire.

B. Accrual.

- 1. All employees, except temporary and part-time employees shall accrue annual leave as follows:

- a. ~~Covered~~ Except as provided in subsection (B)(1)(b), covered employees shall accrue annual leave in accordance with the following schedule:

| Credited Service | Hours |
|---------------------------------|---|
| | Bi-weekly <u>Accrual</u> Hours Minutes (HH:MM) |
| Fewer than 3 years | 3.70 <u>3 hours 42 minutes (3:42)</u> |
| 3 years but fewer than 7 years | 4.62 <u>4 hours 38 minutes (4:38)</u> |
| 7 years but fewer than 15 years | 5.54 <u>5 hours 33 minutes (5:33)</u> |
| 15 years or more | 6.47 <u>6 hours 29 minutes (6:29)</u> |

- b. An employee of the Arizona Department of Corrections who was employed before September 14, 2024, as an uncovered Correctional Captain, Correctional Lieutenant, Correctional Sergeant, Correctional Corporal, Correctional Officer IV, Community Corrections Unit Supervisor or Community Corrections Group Supervisor and became covered on September 14, 2024, as amended by Laws 2024, Ch. 249, Sec. 3, and who remains in covered status without a break in service, shall accrue leave based on the following schedule:

| <u>Credited Service</u> | <u>Bi-weekly Accrual</u> |
|---------------------------------------|----------------------------------|
| | <u>Hours Minutes (HH:MM)</u> |
| <u>Fewer than 3 years</u> | <u>4 hours 0 minutes (4:00)</u> |
| <u>3 years but fewer than 9 years</u> | <u>5 hours 33 minutes (5:33)</u> |
| <u>9 years or more</u> | <u>6 hours 29 minutes (6:29)</u> |

- b.c. Except as provided in subsection ~~(B)(1)(c)~~ (B)(1)(d), uncovered employees shall accrue leave based on the following schedule:

| Credited Service | Hours |
|--------------------|---|
| | Bi-weekly <u>Accrual</u> Hours Minutes (HH:MM) |
| Fewer than 3 years | 4.00 <u>4 hours 0 minutes (4:00)</u> |

| | |
|--------------------------------|--|
| 3 years but fewer than 9 years | 5.54 <u>5 hours 33 minutes (5:33)</u> |
| 9 years or more | 6.47 <u>6 hours 29 minutes (6:29)</u> |

~~e.d.~~ An uncovered employee shall accrue annual leave at the rate of ~~6.47 hours~~ 6 hours 29 minutes (6:29) bi-weekly if:

- i. The employee's hire date is prior to September 29, 2012, the employee has remained employed without a break in service since that date, and the employee either was uncovered prior to September 29, 2012 or became uncovered in accordance with A.R.S. Title 41, Chapter 4, Article 4; or
 - ii. The employee is in a position listed in A.R.S. § 41-742(F).
2. Temporary employees shall not accrue annual leave.
 3. Part-time employees who:
 - a. Work 1/4 time, 1/2 time, or 3/4 time shall accrue a proportional amount of annual leave;
 - b. Work a percentage of full-time other than 1/4 time, 1/2 time, or 3/4 time shall accrue annual leave at the next lower rate;
 - c. Work less than 1/4 time shall not accrue annual leave.
 4. Except as provided by R2-5A-D602 for an employee on industrial leave, an eligible employee accrues annual leave each bi-weekly pay period if the employee is in pay status for at least one-half of the employee's scheduled work hours in that pay period.
 5. An annual leave accrual is credited on the last day of the bi-weekly pay period in which the accrual is earned and is available for use on the first day of the following pay period.
 - a. Annual leave accrued during the last pay period that begins in a calendar year is not subject to forfeiture under subsection (D).
 - b. An employee who is separating from state employment is compensated in accordance with subsection (I) for annual leave accrued through the employee's last date of employment.
 6. The effective date for change in the accrual rate is the first day of the pay period immediately following the attainment of the required credited service.

C. Credited service.

1. Credited service shall be calculated from the first day of the first complete pay period worked.
2. Credited service shall include:
 - a. A period of service as an employee of a state budget unit before a break in service of less than two years;
 - b. A period of leave without pay of 240 hours or less;
 - c. Family and Medical Leave Act (FMLA) leave;
 - d. Military leave taken under A.R.S. §§ 26-168, 26-171, or 38-610; and
 - e. Active military service of an employee who is restored to state employment under A.R.S. § 38-298.

D. Accumulation.

1. Except as provided in subsections (D)(2) and (3), an employee shall forfeit annual leave in excess of the accumulation limit as of the last day of the last pay period that begins in a calendar year. The accumulation limit is:
 - a. Except as provided in subsection (D)(1)(c), 240 hours for a covered employee.
 - b. 320 hours for an uncovered employee.
 - c. 320 hours for an employee of the Arizona Department of Corrections who was employed before September 14, 2024, as an uncovered Correctional Captain, Correctional Lieutenant, Correctional Sergeant, Correctional Corporal, Correctional Officer IV, Community Corrections Unit Supervisor or Community Corrections Group Supervisor and became covered on September 14, 2024, as amended by Laws 2024, Ch. 249, Sec. 3, and who remains in covered status without a break in service.
2. An agency head may request an exception to the accumulation limit contained in subsection (D)(1) for an employee in an individual case.
 - a. An agency head seeking an exception shall submit a written request to the Director that contains a plan to use the excess hours during the following calendar year, pay the employee for the excess hours, or a combination of both.
 - b. The Director may approve, modify, or deny the request.
3. Annual leave earned for working on a day on which a state holiday is observed is not included in the accumulation limit specified in subsection (D)(1) and shall not be forfeited.

E. Use of annual leave.

1. An employee may take annual leave at any time approved by the agency head.
2. An agency head shall not advance annual leave to an employee.

F. Donation of annual leave.

1. Definitions. For the purposes of this subsection:
 - a. *“Immediate family” means the recipient employee’s parent, spouse, or child, whether natural, adopted, foster, or step.* A.R.S. § 41-748(B)(1)
 - b. *“Family” means spouse, natural child, adopted child, foster child, stepchild, natural parent, stepparent, adoptive parent, grandparent, grandchild, brother, sister, sister-in-law, brother-in-law, son-in-law, daughter-in-law, mother-in-law, father-in-law, aunt, uncle, nephew, or niece.* A.R.S. § 41-748(B)(2)
 - c. *“Disability that is caused by pregnancy or childbirth” means, as certified by a licensed health care practitioner:*
 - i. An employee is unable to work due to the employee’s pregnancy, childbirth, or medical care associated with the pregnancy or childbirth; or
 - ii. A member of the employee’s immediate family requires assistance to perform regular daily activities due to the immediate family member’s pregnancy, childbirth, or medical care associated with the pregnancy or childbirth.

- d. "Extended" means a period of at least three consecutive weeks.
 - e. "Seriously incapacitating" means a licensed health care practitioner certifies that an illness, injury, or disability that is caused by pregnancy or childbirth:
 - i. Involves in-patient care, or
 - ii. Involves continuing treatment.
2. Eligibility to receive donation of annual leave. An employee who has exhausted all available leave balances is eligible to receive donations of annual leave if, as certified by a licensed health care practitioner:
 - a. The employee is unable to work due to:
 - i. A seriously incapacitating and extended illness or injury, or
 - ii. A seriously incapacitating and extended disability that is caused by pregnancy or childbirth, or
 - b. The employee needs to care for a member of the employee's immediate family who has:
 - i. A seriously incapacitating and extended illness or injury, or
 - ii. A seriously incapacitating and extended disability that is caused by pregnancy or childbirth.
 3. Eligibility to donate annual leave. An employee may donate annual leave to another employee who has exhausted all available leave balances if:
 - a. The recipient employee is employed in the same state agency as the donating employee, or
 - b. The recipient employee is a family member of the donating employee and employed in another state agency.
 4. Exhaustion of available leave. Before using donated annual leave, a recipient employee:
 - a. Who has a qualifying illness, injury, or disability caused by pregnancy or childbirth shall exhaust all available sick leave, compensatory leave, annual leave earned for working on a day on which a state holiday is observed and accrued annual leave; or
 - b. Whose immediate family member has a qualifying illness, injury, or disability caused by pregnancy or childbirth shall exhaust sick leave granted in accordance with R2-5A-B603(A)(4), if available, and all available compensatory leave, annual leave earned for working on a day on which a state holiday is observed and accrued annual leave.
 5. Calculation of ~~hours annual leave~~ donated. An agency head shall adjust the number of hours of annual leave donated in proportion to the hourly rate of pay of the donating employee and the recipient employee. To calculate the number of hours of donated annual leave:
 - a. Multiply the actual number of hours donated by the donating employee's hourly rate of pay, ~~and~~
 - b. Divide the result by the recipient employee's hourly rate of pay, ~~and~~
 - c. If the calculation results in a decimal, convert the decimal to minutes in accordance with the procedures established by the Director.
 6. Maximum duration. A recipient employee is limited to using donated annual leave to allow the employee to be absent from work for a maximum of six consecutive months, or if the leave is intermittent, 1040 hours (the employee's available leave plus leave donated to the employee) for each qualifying occurrence. If the recipient employee has a seriously incapacitating and extended illness or injury, or a seriously

incapacitating and extended disability that is caused by pregnancy or childbirth and the employee applies for Long-term Disability (LTD) by the end of the fifth month of the employee's leave, the recipient employee may continue to use donated annual leave for up to 60 additional days or until LTD benefit payments begin, whichever is sooner.

7. Unused donated leave. If the recipient employee separates from state employment, recovers before using all donated leave, attains the maximum donation of annual leave as permitted under subsection (F)(6), or the need for the donated annual leave is otherwise abated, the agency head shall return unused donated leave to employees who donated leave on a pro-rata basis.

G. Payment of annual leave. Subject to funding availability:

1. An agency head may pay an employee at any time at the employee's current rate of pay for all or any portion of the employee's annual leave that was earned as the result of working on a day on which a state holiday is observed.
2. An agency head may approve pay to a non-separating employee for all or any portion of the employee's accumulated and unused annual leave at the employee's current rate of pay subject to the following:
 - a. Agency procedures. Before paying an employee under this subsection, an agency head shall develop written standards and procedures that provide for equal consideration of all employees similarly situated. The agency head shall submit proposed standards and procedures and any subsequent changes to the Director for approval. The agency's procedures shall include at minimum:
 - i. Request and approval procedures;
 - ii. Documentation required to support the request for payment;
 - iii. Any limitations, as applicable, including, but not limited to: the maximum number of times an employee may receive payment under this subsection; the maximum number of hours an employee may be paid per occurrence; the minimum number of hours of annual leave an employee must have used in the previous 12 months; and the minimum balance an employee is required to maintain after payout, if any.
 - b. Restrictions. The agency head shall obtain the employee's concurrence if the payment would reduce the employee's annual leave balance to fewer than:
 - i. 240 hours for a covered employee;
 - ii. 320 hours for an uncovered employee.

H. Movement.

1. To another state agency. If an employee moves from one agency to another state agency, the employee's accumulated and unused annual leave shall be transferred to the employee's annual leave account in the new state agency, unless:
 - a. The provisions of subsection (H)(2) apply; or
 - b. The employee's leave exceeds the accumulation limit contained in subsection (D)(1). An agency head may pay an employee who transfers to another state agency for all excess annual leave at the time of the transfer. An agency head may transfer part or all of the employee's excess annual leave

accumulated by the employee who transfers to another agency with the gaining agency's concurrence. If the gaining agency does not concur, the losing agency shall pay all of the unused excess annual leave that the gaining agency will not accept.

2. To an employment status ineligible for leave accrual. If an employee becomes ineligible for accrual of annual leave under R2-5A-A601(B), the agency head or the agency head of the losing agency if the employee moves to another state agency, shall pay the employee for all unused and unforfeited annual leave at the employee's current rate of pay immediately before the change in status.
- I. Separation. An agency head shall pay an employee who separates from state employment for all unused and unforfeited annual leave at the employee's current rate of pay.

R2-5A-B603. Sick Leave

- A. Definition. "Sick leave" is any approved period of paid absence granted an employee due to:
1. Illness or injury that renders the employee unable to perform the duties of the employee's position.
 2. Disability of the employee that is caused by pregnancy, childbirth, miscarriage, or abortion.
 3. Examination or treatment of the employee by a licensed health care practitioner.
 4. Illness, injury, disability caused by pregnancy or childbirth, or examination or treatment by a licensed health care practitioner of an employee's spouse, dependent child, or parent. Sick leave granted for this purpose shall be charged to the employee's sick leave account and shall not exceed 40 hours per calendar year. For the purposes of this Section:
 - a. The term "dependent child" means a natural child, an adopted child, a foster child, or a stepchild, more than one-half of whose support is received from the employee.
 - b. The term "parent" means a birth parent, adoptive parent, stepparent, foster parent, grandparent, parent-in-law, or an individual who stood "in loco parentis."
 5. Attendance at court-related proceedings by the employee under A.R.S. § 8-420 or A.R.S. § 13-4439.
- B. Accrual.
1. All state employees, except temporary and part-time employees, shall accrue sick leave at the rate of ~~3.70~~ 3 hours 42 minutes (3:42) bi-weekly.
 2. Temporary employees shall not accrue sick leave.
 3. Part-time employees who:
 - a. Work 1/4 time, 1/2 time, or 3/4 time shall accrue a proportional amount of sick leave;
 - b. Work a percentage of full-time other than 1/4 time, 1/2 time, or 3/4 time will accrue sick leave at the next lower rate;
 - c. Work less than 1/4 time shall not accrue sick leave.
 4. Except as provided by R2-5A-D602 for an employee on industrial leave, an eligible employee accrues sick leave each bi-weekly pay period if the employee has been in a pay status for at least one-half of the employee's scheduled work hours in that pay period or month.

5. A sick leave accrual is credited on the last day of the bi-weekly pay period or month in which the accrual is earned and is available for use on the first day of the following pay period or month. An employee who is separating from state employment accrues leave through the employee's last date of employment for the purpose of determining the employee's accumulated sick leave at the time of the employee's separation pursuant to subsection (F).
- C.** Accumulation. Sick leave accumulates without limit.
- D.** Use of sick leave.
1. Sick leave may be taken when approved by the agency head.
 2. The agency head may require submission of evidence substantiating the need for sick leave. If the agency head determines the evidence is inadequate, the absence shall be charged to another category of leave or considered absence without leave.
 3. An agency head may require an employee to be examined by a licensed health care practitioner designated by the agency head.
 - a. If the licensed health care practitioner determines that the employee should not work due to illness or injury, the agency head may place the employee on sick leave or, if the employee's sick leave is exhausted, charge the absence to another category of leave or leave without pay.
 - b. The agency head may require the employee to obtain approval from the licensed health care practitioner before returning to work.
 - c. The agency shall pay for all examinations required pursuant to this subsection. The employee shall not be charged any leave while participating in or traveling to or from any examination required pursuant to this subsection.
- E.** Movement to another state agency. An employee who moves to another state agency shall transfer all accumulated and unused sick leave to the employee's sick leave account in the new state agency.
- F.** Separation. All sick leave credits are forfeited upon separation from state employment except as provided in A.R.S. § 38-615 or otherwise provided by law. However, an employee who returns to state employment within two years after separation shall be credited with all unused sick leave accumulated at the time of separation if the employee was not paid for accumulated sick leave pursuant to A.R.S. § 38-615.

R2-5A-B611. Meritorious Service Leave

- A.** The Director shall establish guidelines for meritorious service leave.
- B.** Except for employees in covered positions ~~classified as Correctional Officers I, II, or III, Community Corrections Officers in the Arizona Department of Corrections,~~ or positions that require full authority peace officer certification, meritorious service leave is only available to uncovered employees.
- C.** The guidelines established by the Director shall include at a minimum:
1. The maximum number of hours of meritorious service leave that may be awarded to an employee per calendar year;
 2. The maximum percentage of agency employees eligible for meritorious service leave;

3. A requirement that an employee shall use meritorious service leave within 12 months of receipt of the leave;
 4. A requirement that if the employee does not use the meritorious service leave within 12 months of receipt, that the leave is forfeited; and
 5. A statement that unused meritorious service leave is forfeited upon separation from state employment.
- D. Subject to the guidelines established by the Director, a meritorious service leave program may be implemented at the discretion of the agency head.

SUBCHAPTER B. COVERED EMPLOYEES

ARTICLE 1. GENERAL

R2-5B-102. Applicability

- A. The rules in this Subchapter are applicable to covered positions, applicants for covered positions and covered employees in the State Personnel System.
- B. Covered service is limited to the following:
 1. An employee who was in the state service as either a probationary or permanent status employee, was not required to become at will uncovered in accordance with A.R.S. Title 41, Chapter 4, Article 4, and who does not:
 - a. Voluntarily elect to become uncovered at will.
 - b. Voluntarily accept a change in assignment to a position in the uncovered service.
 - c. Have a break in service.
 2. An employee of the Arizona Department of Corrections who was employed before September 14, 2024, as an uncovered Correctional Captain, Correctional Lieutenant, Correctional Sergeant, Correctional Corporal, Correctional Officer IV, Community Corrections Unit Supervisor or Community Corrections Group Supervisor and became covered on September 14, 2024, as amended by Laws 2024, Ch. 249.
 - ~~2.3.~~ A newly hired employee who is appointed or a current uncovered employee who voluntarily accepts a change in assignment to:
 - a. A covered position in the Arizona Department of Corrections ~~that is classified as a Correctional Officer I, Correctional Officer II, Correctional Officer III, or a Community Corrections Officer;~~ or
 - b. A position in any state agency that requires certification as a full authority peace officer by the Arizona Peace Officer Standards and Training Board, provided the position is not in the uncovered service.

ECONOMIC, SMALL BUSINESS, AND CONSUMER IMPACT STATEMENT

TITLE 2. ADMINISTRATION

CHAPTER 5. DEPARTMENT OF ADMINISTRATION

STATE PERSONNEL SYSTEM

SUBCHAPTER A. COVERED AND UNCOVERED EMPLOYEES

SUBCHAPTER B. COVERED EMPLOYEES

January 2025

1. Identification of the rulemaking:

A.R.S. § 41-703 provides general authority for the Director of the Arizona Department of Administration (ADOA) to adopt rules. A.R.S. § 41-743 provides specific authority for the ADOA Director to adopt rules and procedures relating to personnel and personnel administration. This rulemaking amends the rules in 2 A.A.C. Chapter 5, Department of Administration - State Personnel System (SPS), for the following purposes: (1) to address issues identified during the configuration of AZ360 Human Resources (the HRIS Modernization Project), anticipated to go live in May 2025; and (2) to implement the provisions of Laws 2024, Ch. 249, which adds additional job classes within the Arizona Department of Corrections to covered service, and permits current uncovered employees who are moved from uncovered to covered service as a result of and on the effective date of the legislation to retain the annual leave benefits (accrual and accumulation) of uncovered employees.

2. Identification of the persons who will be directly affected by, bear the costs of or directly benefit from the rulemaking:

The SPS is the largest personnel system in state government, encompassing over 100 state agencies, boards, commissions and offices, and approximately 34,000 employees. SPS rules affect SPS agencies, employees, and applicants for positions within the SPS. The SPS does not issue permits or licenses, or charge fees, and its rules have little to no economic impact on small businesses or other consumers. Thus, there is little to no economic, small business, or consumer impact, other than the minimal cost to the Department to prepare the rule package. Any financial impact or administrative expenses associated with the rules will be covered by ordinary operating funds.

3. Cost benefit analysis:

Annual costs/revenues changes are designated as minimal when more than \$0 and \$2,000 or less, moderate when between \$2,000 and \$20,000, and substantial when \$20,000 or greater in additional costs or revenues. A cost is listed as significant when meaningful or important, but not readily subject to quantification.

a. **The probable costs and benefits to the implementing agency and other agencies directly affected by the rulemaking, including the number of new full-time employees necessary to implement and enforce the proposed rule:**

In this rulemaking, the Department is amending seven Sections to align the rules with AZ360 Human Resources system requirements and to incorporate the provisions of Laws 2024, Ch. 249.

In May 2025, AZ360 Human Resources will be replacing an increasingly obsolete Human Resources Information Solution (HRIS). HRIS is the system the State uses to process more than \$2 billion in annual payroll, and administer and safeguard payroll, benefits and personnel data for more than 70,000 state employees and retirees. By 2027, HRIS will be almost 30 years old and at its end of life, with application support no longer available, placing at risk critical records and financial data of all state employees and retirees. HRIS modernization is needed to carry out efficient and compliant Human Resources services, with leading-edge technology, and is anticipated to save up to 3 million staff hours a year compared to our current processes. AZ360 is an all-in-one enterprise resource planning solution that will encompass all human resources operations, personnel data management and services, as well as the State's improved central accounting system, Arizona Financial Information System (AFIS).

During the configuration of AZ360 Human Resources, the teams identified several issues with the SPS rules and system requirements. The SPS rules have allowed FLSA non-exempt employees to elect overtime compensation as: additional pay at one and one-half times their regular rate of pay, compensatory leave at a rate of one and one-half hours for each excess hour worked, or either. If an employee elects either, the agency head determines which applies. In AZ360, a non-exempt employee may only elect to receive additional pay or compensatory leave. The Department anticipates that while removing the option to elect "either" will reduce some flexibility for state agencies, it will have little to no financial impact to the State. Overtime hours must be compensated in accordance with federal and state laws and may be in the form of additional pay or compensatory leave. Earned compensatory leave can be used by an employee for time off, is subject to accumulation limits, may be paid out at any time, and must be paid to an employee upon separation of employment from the State.

The Department is amending R2-5A-B602, Annual Leave, and R2-5A-B603, Sick Leave, to change the format for leave from decimal format to hours and minutes (HH:MM) because AZ360 calculates leave in hours and minutes. The Department estimates that this change may cause the State to incur substantial increased costs in the form of increased financial liability of up to \$300,000 annually statewide. The reason for the increase is due to situations where the conversion of the decimal format to hours and minutes does not equal a whole minute. In those cases, the Department made a policy decision to round up to the next whole minute in order to hold employees harmless to the change. The rulemaking implements this policy

decision and although the potential statewide impact is substantial, the anticipated costs to individual agencies will be in the minimal to moderate range, with only several of the larger agencies potentially seeing a substantial increase, and covered by the agencies' ordinary operating funds. The Department believes that if the State does not move to a new HR system, the costs would be significantly higher. As stated previously, the State's current HR system is nearly 30 years old, highly customized and difficult to maintain. The system will reach its end of life by 2027, with no more critical security and compliance updates or technical support, placing at risk critical personnel records and financial data. The Department has estimated that the new HR system will save up to 3 million staff hours a year. According to the State of Arizona 2024 Workforce Report, the average salary for state employees for FY 2024 was \$60,289 per year, or \$28.99 per hour. A savings of up to 3 million staff hours per year would result in an overall savings of up to approximately \$87 million per year, more than offsetting any costs associated with changing the leave format. The Department also anticipates that changing the format to hours and minutes will provide significant benefits in the form of efficiencies within the AZ360 system, which calculates time and leave in hours and minutes. This will allow the State to be able to use AZ360 as defined without any crosswalks and be easier to maintain going forward.

Laws 2024, Ch. 249 (HB2034) created inconsistencies with several State Personnel System (SPS) Rules, which the Department is also addressing in this rulemaking. There is a minimal cost to the Department to prepare the rule package, and the Department anticipates a moderate cost associated with programming. The legislation and corresponding rule amendments affect approximately 1,200 Arizona Department of Corrections (ADC) uncovered employees in seven job classes who were moved to covered service effective September 14, 2024. Certain covered corrections officers have rights and protections under Arizona Revised Statutes (A.R.S.), Title 38, Chapter 8, Article 1 (often referred to as the Peace Officers Bill of Rights), which outlines requirements for the employer, such as in cases of investigations and if disciplinary action is sought after the investigation. The rules in Subchapter B of the SPS rules are applicable to all covered employees in the SPS and include, but are not limited to, probationary periods, notice of disciplinary action and an employee's right to respond to the charges, grievance and appeal rights, and reduction in force procedures. Therefore, the Department anticipates that ADC will incur significant administrative costs associated with the movement of these employees and future appointments in the specified job classes to the covered service.

Further, uncovered employees who were moved from uncovered to covered service as a result of and on the effective date of the legislation retained the annual leave benefits (accrual and accumulation) of uncovered employees. The rule amendments do not create any increased costs; however, if the legislation had not included this provision, the employees would have been subject to the leave schedule for covered employees, resulting in lowered accrual rates and a lower accumulation amount, which would have resulted in reduced costs/liability for ADC.

Neither the Department nor any other state agencies will require new full-time employees to implement these amended rules.

b. The probable costs and benefits to political subdivisions of this state directly affected by the rulemaking:

No political subdivisions are directly affected by the rulemaking.

c. The probable costs and benefits to businesses directly affected by the rulemaking:

No businesses are directly affected by the rulemaking.

4. A general description of the probable impact on private and public employment in businesses, agencies and political subdivisions of this state directly affected by the rulemaking:

These rules apply only to SPS agencies and employees and applicants for positions within the SPS. As such, there is no expected impact on private employment or on public employment in political subdivisions.

5. A statement of the probable impact of the rulemaking on small businesses:

These rules apply only to SPS agencies and employees and applicants for positions within the SPS. Therefore, this rulemaking will have no impact on small businesses.

a. An identification of the small businesses subject to the rulemaking:

Not applicable.

b. The administrative and other costs required for compliance with the rulemaking:

Not applicable.

c. A description of the methods that the agency may use to reduce the impact on small businesses:

Not applicable.

d. The probable cost and benefit to private persons and consumers who are directly affected by the rulemaking:

Not applicable.

6. A statement of the probable effect on state revenues:

The Department does not expect the rules to affect state revenues. Any financial impact or administrative expenses associated with the rules will be covered by ordinary operating funds.

7. **A statement of any less intrusive or less costly alternative methods of achieving the purpose of the rulemaking:**

Since this rulemaking addresses issues associated with the implementation of a new HR system, as well as aligning with state statutory requirements, there is not a less intrusive or less costly alternative available at this time. As a result, no alternative method was considered.

8. **A description of any data on which a rule is based with a detailed explanation of how the data was obtained and why the data is acceptable data:**

Not applicable.

The release of this Chapter in Supp. 24-3 replaces Supp. 17-3, 1-36 pages.

Please note that the Chapter you are about to replace may have rules still in effect after the publication date of this supplement. Therefore, all superseded material should be retained in a separate binder and archived for future reference.

PREFACE

Under Arizona law, the Department of State, Office of the Secretary of State (Office), Administrative Rules Division, accepts state agency rule notice and other legal filings and is the publisher of Arizona rules. The Office of the Secretary of State does not interpret or enforce rules in the *Administrative Code*. Questions about rules should be directed to the state agency responsible for the promulgation of the rule.

Scott Cancelosi, Director
ADMINISTRATIVE RULES DIVISION

RULES

The definition for a rule is provided for under A.R.S. § 41-1001. “Rule’ means an agency statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedures or practice requirements of an agency.”

THE ADMINISTRATIVE CODE

The *Arizona Administrative Code* is where the official rules of the state of Arizona are published. The *Code* is the official codification of rules that govern state agencies, boards, and commissions.

The *Code* is separated by subject into Titles. Titles are divided into Chapters. A Chapter includes state agency rules. Rules in Chapters are divided into Articles, then Sections. The “R” stands for “rule” with a sequential numbering and lettering outline separated into subsections.

Rules are codified quarterly in the *Code*. Supplement release dates are printed on the footers of each Chapter.

First Quarter: January 1 - March 31

Second Quarter: April 1 - June 30

Third Quarter: July 1 - September 30

Fourth Quarter: October 1 - December 31

For example, the first supplement for the first quarter of 2022 is cited as Supp. 22-1. Supplements are traditionally released three to four weeks after the end of the quarter because filings are accepted until the last day of the quarter.

Please note: The Office publishes by Chapter, not by individual rule Section. Therefore there might be only a few Sections codified in each Chapter released in a supplement. This is why the Office lists only updated codified Sections on the previous page.

RULE HISTORY

Refer to the HISTORICAL NOTE at the end of each Section for the effective date of a rule. The note also includes the *Register* volume and page number in which the notice was published (A.A.R.) and beginning in supplement 21-4, the date the notice was published in the *Register*.

AUTHENTICATION OF PDF CODE CHAPTERS

The Office began to authenticate Chapters of the *Code* in Supp. 18-1 to comply with A.R.S. §§ 41-1012(B) and A.R.S. § 41-5505.

A certification verifies the authenticity of each *Code* Chapter posted as it is released by the Office of the Secretary of State. The authenticated pdf of the *Code* includes an integrity mark with a certificate ID. Users should check the validity of the signature, especially if the pdf has been downloaded. If the digital signature is invalid it means the document’s content has been compromised.

HOW TO USE THE CODE

Rules may be in effect before a supplement is released by the Office. Therefore, the user should refer to issues of the *Arizona Administrative Register* for recent updates to rule Sections.

ARIZONA REVISED STATUTE REFERENCES

The Arizona Revised Statutes (A.R.S.) are available online at the Legislature’s website, www.azleg.gov. An agency’s authority note to make rules is often included at the beginning of a Chapter. Other Arizona statutes may be referenced in rule under the A.R.S. acronym.

SESSION LAW REFERENCES

Arizona Session Law references in a Chapter can be found at the Secretary of State’s website, www.azsos.gov under Services-> Legislative Filings.

EXEMPTIONS FROM THE APA

It is not uncommon for an agency to be exempt from the steps outlined in the rulemaking process as specified in the Arizona Administrative Procedures Act, also known as the APA (Arizona Revised Statutes, Title 41, Chapter 6, Articles 1 through 10). Other agencies may be given an exemption to certain provisions of the Act.

An agency’s exemption is written in law by the Arizona State Legislature or under a referendum or initiative passed into law by Arizona voters.

When an agency files an exempt rulemaking package with our Office it specifies the law exemption in what is called the preamble of rulemaking. The preamble is published in the *Register* online at www.azsos.gov/rules, click on the *Administrative Register* link.

Editor’s notes at the beginning of a Chapter provide information about rulemaking Sections made by exempt rulemaking. Exempt rulemaking notes are also included in the historical note at the end of a rulemaking Section.

The Office makes a distinction to certain exemptions because some rules are made without receiving input from stakeholders or the public. Other exemptions may require an agency to propose exempt rules at a public hearing.

PERSONAL USE/COMMERCIAL USE

This Chapter is posted as a public courtesy online, and is for private use only. Those who wish to use the contents for resale or profit should contact the Office about Commercial Use fees. For information on commercial use fees review A.R.S. § 39-121.03 and 1 A.A.C. 1, R1-1-113.

TITLE 2. ADMINISTRATION

CHAPTER 5. DEPARTMENT OF ADMINISTRATION - STATE PERSONNEL SYSTEM

A.R.S. §§ 41-703(3), 41-743(B)(3) and 41-771

Supp. 24-3

Editor's Note: The Chapter Title was amended from Department of Administration, Personnel Administration to Department of Administration, State Personnel System. All Articles 1 through 9 repealed under exempt rulemaking at 18 A.A.R. 2782 effective September 29, 2012 (Supp. 12-4).

Editor's Note: Because the rules in this Chapter that were adopted under an exemption from the provisions of the Administrative Procedure Act (A.R.S. Title 41, Chapter 6) have been repealed, the Chapter is printed on white paper (Supp. 99-3).

Editor's Note: This Chapter contains rules which were repealed and adopted under an exemption from the provisions of the Administrative Procedure Act (A.R.S. Title 41, Chapter 6) pursuant to Laws 1997, Ch. 288, § 10. Exemption from A.R.S. Title 41, Chapter 6 means the Department of Administration did not submit these rules to the Governor's Regulatory Review Council for review; the Department did not submit notice of proposed rulemaking to the Secretary of State for publication in the Arizona Administrative Register; and the Department was not required to hold public hearings on these rules. Because this Chapter contains rules which are exempt from the regular rulemaking process, the Chapter is printed on blue paper.

R2-5A-102. General Provisions

- A. Authority of Director.**
 1. The Director may approve, modify or deny a request, plan or proposal submitted by a state agency for review or when the Director’s approval is required by rule.
 2. The Director may audit an agency’s personnel policies and procedures at any time. If the Director determines that the agency’s policies or procedures are inconsistent with these rules or are inconsistent with the procedures or guidelines issued by the Director, the Director may direct the agency head to modify them to achieve consistency or to discontinue them.
- B. Delegation of authority.**
 1. The Director may, in writing, delegate authority to an agency head as consistent with legal requirements.
 2. The Director may review or audit delegated authority to determine compliance with laws, rules, and policies.
 3. Unless otherwise stated by law, or in these rules, an agency head may delegate authority granted to the agency head in these rules.
- C. Availability of funds.** The granting of any compensation under these rules is contingent upon the availability of funds, as determined by an agency head and the Director.
- D. Service of notice.** If a notice or document is to be given to a person or agency, the notice or document may be served per-

sonally or mailed to the last known residence or current business address of the person or agency. Unless otherwise provided by law or these rules, service is complete upon personal delivery or mailing.

- E. Employee handbook.** The Director may publish an employee handbook outlining pertinent rules and regulations and make the handbook available to all employees. If published, the employee handbook shall serve as the official handbook for all employees in the State Personnel System. An agency head may supplement the employee handbook with agency specific policies and directives.
- F. Employment contracts.** Unless otherwise provided by law, an appointing authority shall not execute an employment contract with any state employee.
- G. Correction of errors.** Only the Director, or designee, has authority to determine whether a manifest error exists and to correct the manifest error.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4).

R2-5A-103. Applicability

- A. General.** Except as provided in A.R.S., Title 41, Chapter 4, Article 4 and Article 5, or otherwise stated in rule, the rules in this subchapter are applicable to covered and uncovered positions, applicants for covered and uncovered positions and covered and uncovered employees in the State Personnel System. An employee who violates or fails to comply with these rules may be disciplined or separated from state employment. Any such actions involving a covered employee shall be in accordance with the rules in Subchapter B, Article 3.
- B. Temporary procedures.** The Director may:
 1. Unless otherwise prescribed by statute, waive any rule and implement temporary procedures if the Director determines that essential public services are being hampered or it is in the best interest of the state.
 2. Implement a temporary pilot project to improve efficiency, productivity, or accountability in the State Personnel System. The project may include an activity or procedure that is not in accordance with these rules and shall not exceed two years in duration.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4).

R2-5A-104. Prohibition Against Discrimination, Harassment and Retaliation

- A. General.** Agencies shall comply with all federal and state anti-discrimination laws. Agencies shall not unlawfully discriminate against any individual with regard to the terms and conditions of employment, including hiring, pay, leave, insurance benefits, retention, and rehiring. The information provided in this rule is intended to serve as a summary of agencies’ and employees’ obligations with regard to compliance with applicable federal and state laws, rules and regulations. Nothing in these rules shall be construed as providing rights in excess of, or in addition to those authorized under federal laws and Arizona Revised Statutes.
- B. Equal Employment Opportunity.** Each agency shall provide equal employment opportunity for all individuals regardless of race, color, national origin, religion, age, disability, genetic information, sex (including sexual orientation and gender identity), pregnancy, military or veteran status, or any other status protected by federal law, state law, or regulation. It is the

TITLE 2. ADMINISTRATION

CHAPTER 5. DEPARTMENT OF ADMINISTRATION - STATE PERSONNEL SYSTEM

policy of this state that all individuals are treated in a fair and non-discriminatory manner throughout the application and employment process.

- C. Harassment Prohibited.** Harassment of a sexual nature or harassment based on any protected category is prohibited. An agency shall prohibit the unlawful harassment of any employee in the course of the employee's work by supervisors, coworkers, or third parties, such as vendors or customers. Any employee who engages in unlawful harassment may be subject to disciplinary action, up to and including termination of employment.
- D. Protection from Retaliation.** The state prohibits retaliation against anyone for raising a concern about, assisting in an investigation of, or filing a complaint concerning unlawful discrimination or unlawful harassment.
- E. Complaints.**
1. An applicant for state employment who has a complaint alleging discrimination or harassment may file a complaint under the procedures in R2-5A-308.
 2. It is every employee's responsibility to promptly bring any allegation of discrimination, harassment or retaliation to the attention of the employing agency. Such complaints shall be filed under the procedures established under Article 9.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4). Amended by final rulemaking at 30 A.A.R. 2765 (September 6, 2024) effective October 12, 2024 (Supp. 24-3).

R2-5A-105. Records

- A. Definitions.** For the purposes of this Section, "record" generally refers to a paper document; however, a document may be maintained electronically.
- B. Application Materials.**
1. An agency head shall maintain and keep confidential all resumés, applications, tests, test results, records, correspondence, and other documents used to seek state employment. The agency head shall not release any materials that the agency head determines would compromise the application process for future applicants and shall restrict the review of the applicant's application materials to:
 - a. The applicant,
 - b. An individual who has written authorization from the applicant,
 - c. State officials in the normal line of duty, or,
 - d. Officials acting in response to court orders or subpoenas.
 2. The Director, or designee, shall ensure that when a person makes a public records request under A.R.S. Title 39, Chapter 1, Article 2 for applicant information:
 - a. Information shall only be provided if the position under recruitment is a high-level position and the public has a legitimate interest in the names of persons being seriously considered for the position, as determined by the Director; and
 - b. Only the names and resumés of the final candidates for the position as determined by the Director shall be released.
- C. Official Personnel File.**
1. An employee's official personnel file is the official record and documentation of the employee's employment.

2. An agency head shall, for each agency employee, maintain an official personnel file that contains:
 - a. A copy of the job application for the employee's current position;
 - b. A copy of all performance appraisals completed as required by Article 7;
 - c. Personnel action forms that authorize changes in employment status, position, classification, pay, or leave status;
 - d. Letters of commendation as established by agency policy; and
 - e. Correspondence consisting of:
 - i. Disciplinary actions;
 - ii. Acknowledgments of receipt of disciplinary actions; and
 - iii. Employee objections or responses to correspondence described in subsection (C)(2)(e)(i) that are not filed as complaints under Article 9 or grievances under Subchapter B, Article 4, if the objection or response is received within 30 calendar days of the date of the disciplinary action.
 3. For the purpose of this subsection, an official is an individual who provides identification verifying that the individual is exercising powers and duties on behalf of the chief administrative head of a public body. An agency head shall limit access to an employee's official personnel file to:
 - a. The employee;
 - b. The employee's attorney or an individual who has written authorization from the employee to review the personnel file;
 - c. Agency personnel designated by the agency head as having a need for the information;
 - d. A Department official in the normal line of duty;
 - e. An official acting in response to a court order or subpoena;
 - f. An official of an agency to which the employee has applied; and
 - g. An official of an agency of the federal government, state government, or political subdivision, if the agency head of the employing agency deems access to the file to be appropriate.
 4. When an employee moves from one state agency to another, the gaining agency shall request that the losing agency forward the employee's official personnel file to the gaining agency. The losing agency shall forward the file within 20 business days of the receipt of the request.
 5. When a former employee returns to state employment within five years of the former employee's separation to an agency other than the agency in which the employee was last employed, the gaining agency shall request that the last agency forward the employee's official personnel file. The last agency shall forward the file within 20 business days of the receipt of the request.
- D. Disclosure of information.**
1. Definitions. For the purposes of this subsection:
 - a. "Records that are reasonably necessary or appropriate to maintain an accurate knowledge of the employee's disciplinary actions" includes disciplinary actions, an official notice of charges of misconduct as applicable to covered employees, the final disciplinary letter, and any responses related to

TITLE 2. ADMINISTRATION

CHAPTER 5. DEPARTMENT OF ADMINISTRATION - STATE PERSONNEL SYSTEM

complaints, grievances or appeals upholding, amending, or overturning the discipline.

- b. "Employee responses" means any written documents, submitted and signed by the employee, either:
- i. In response to an official notice of charges of misconduct;
 - ii. As a formal complaint filed under the provisions of Article 9 or a formal grievance under Subchapter B, Article 4, pertaining to a specific disciplinary action; or
 - iii. As an objection to a specific disciplinary action and contained in the employee's official personnel file under subsection (C)(2)(e)(iii).

2. Personnel records are confidential and an agency head shall ensure that except as provided in subsection (C)(3), only the following information about a current or former employee is provided to any person making a public records request under A.R.S. Title 39, Chapter 1, Article 2.

- a. Name of employee;
- b. Date of employment;
- c. Current and previous class titles and dates of appointment to the class;
- d. Current and previous agencies to which the employee has been assigned and the location of the main office for each agency;
- e. Current and previous salaries and dates of each change;
- f. Name of employee's current or last known supervisor; and
- g. Records that are reasonably necessary or appropriate to maintain an accurate knowledge of the employee's disciplinary actions, including the employee responses to all disciplinary actions, unless providing this information is contrary to law.

- E. Insurance and medical records. An agency head:

1. May maintain group insurance enrollment forms in an employee's official personnel file for an employee hired prior to September 29, 2012.
2. Shall maintain in a separate file that is not part of the employee's official personnel file:
 - a. Medical records, and
 - b. Group insurance enrollment forms for an employee hired on or after September 29, 2012.

- F. Employment eligibility records. An agency head shall retain I-9 forms and other documents required by law to prove employment eligibility in a separate file that is not part of the employee's official personnel file.

- G. Employee access to files. An employee has the right to review only the employee's official personnel file.

- H. Recordkeeping Requirements. An agency head shall ensure that agency recruitment and employee records are maintained in accordance with the General Records Retention Schedule for Human Resources/Personnel Records published by and on file with the Secretary of State, Arizona State Library, Archives and Public Records.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4). Amended by

final rulemaking at 30 A.A.R. 2765 (September 6, 2024) effective October 12, 2024 (Supp. 24-3).

ARTICLE 2. CLASSIFICATION SYSTEM**R2-5A-201. Classification Plan**

- A. General. The Director shall group positions into classes based on similarities of duties and responsibilities. All positions are assigned a class specification with a specific title. An agency head may not appoint, transfer, promote, or demote an employee, or make any change in salary for any position until the position is allocated to a class.
- B. Class title. An agency head shall use the class title of a position to designate the position in all budget estimates, payrolls, vouchers, and communications in connection with personnel processes.
- C. Class specification. A class specification indicates the kinds of positions to be allocated to the class, as determined by the duties and responsibilities described for that class. Each class specification shall contain a statement of the minimum education, experience, competencies, and other qualifications required to perform the work. Required postsecondary education shall be attained in an institution that meets the standards established by an accrediting agency recognized by the U.S. Department of Education.
- D. Position description. An agency head shall ensure that every position in the agency has a completed position description describing the current duties, responsibilities, and essential job functions specific to the position.
- E. Allocation. The Director shall place every position in a class based on its duties and responsibilities.
- F. Reallocation. Upon completion of a review of a position, the Director may determine that the position should be placed in a different class.
- G. Regrade. Upon completion of a review of a classification, the Director may determine that the class should be placed in a different grade.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4).

R2-5A-202. Change in Classification

- A. Change in classification plan. The Director may establish new classes and divide, combine, alter, or abolish existing classes, grades, or both, in consultation with affected agency heads.
- B. Change in job duties.
 1. An employee in a position or the agency head may file a written request with the Director for review of the classification of the position. The request shall contain an updated position description, a specific explanation of how and when the position's duties and responsibilities have changed and the reasons why the current classification does not match these job duties.
 2. If a material and permanent change takes place in the duties and responsibilities of a position, the agency head shall report this change to the Director in an updated position description. The Director may order a reallocation of the position. The employee in the position at the time of reallocation shall continue to serve in the position.
- C. Effective date. The effective date of a change in classification shall be the first day of the pay period immediately following the Director's determination, unless the Director authorizes an exception.

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4).

R2-5A-203. Expired**Historical Note**

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4). Section expired under A.R.S. § 41-1056(J) at 23 A.A.R. 2489, effective August 8, 2017 (Supp. 17-3).

ARTICLE 3. RECRUITMENT, SELECTION AND APPOINTMENT**R2-5A-301. General**

An agency head shall follow the requirements outlined in this Article to identify and appoint qualified candidates to fill vacancies. The Director shall establish and maintain a centralized employment system that includes a job board for announcing vacancies in state employment, applicant tracking and candidate identification. The Director shall establish procedures for state agencies to request approval for transportation or other travel expenses or moving expenses provided by A.R.S. § 35-196.01 for out of state candidates.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4). Amended by exempt rulemaking at 19 A.A.R. 717 effective April 13, 2013 (Supp. 13-1).

R2-5A-302. Recruitment**A. Job posting.**

1. Unless exempted by A.R.S. Title 41, Chapter 4, Article 4, an appointing authority shall post an open position to the state's centralized job board. This includes recruitments open to only employees currently employed by the agency, to state employees currently employed in any state agency, or the general public. An agency head may authorize an exception to the job posting requirement for a position in an individual case. Any exceptions shall be documented by the agency head and subject to audit by the Director.
2. In addition to posting to the state's centralized job board, an appointing authority may post an open position in a publication or to a commercial job posting board or both, in compliance with applicable procurement rules.

B. Application form.

1. A candidate for a position shall complete the standardized application form developed by the Director.
2. In addition to the standardized application form, an agency head may develop supplemental application procedures and forms specific to the agency or to a certain class or classes within the agency.

C. Preferences.

1. The state will provide preference to qualified veterans and disabled veterans seeking employment with the state.
2. For positions in the covered service, preference points authorized by A.R.S. § 38-492 shall be added to an applicant's grade on any assessment or evaluation that results in a numeric grade after the final grade is determined, if a passing grade is earned without the addition of preference points. Preference points shall not be applied to promotional examinations. If an evaluation does not result in a numeric grade, preference shall be given by granting applicable preference codes to qualified applicants.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4).

R2-5A-303. Reference and Background Checks

A candidate may be required to furnish, at the candidate's own expense, evidence of education or other qualification. The appointing authority is responsible for verifying education, work experience, applicable license or licenses and references provided by candidates on the application form and in interviews. An appointing authority shall not conduct a criminal background check or a credit check on a candidate unless the agency has statutory or executive order authority to conduct such a check.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4).

R2-5A-304. Qualifications of Selected Candidate

An agency head shall ensure that any candidate selected for hire meets the established qualifications for the position filled.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4).

R2-5A-305. Employment of Relatives

- A. Relationship to supervisors. An individual shall not be employed in a position if the immediate supervisor of the individual is related within the third degree of affinity (marriage) or consanguinity (blood), or by adoption.
- B. Relationship to other employees. An individual shall not be employed in a position if the individual is related within the third degree to an employee who currently occupies a position under the same immediate supervisor.
- C. Exceptions. The Director may grant an exception to the prohibitions in subsections (A) and (B) if there is no other qualified person for the position at the location.
- D. Relationship to subordinate employees. A supervisor or manager at any level shall not make an employment decision specifically benefitting any individual who is related within the third degree, unless an exception under subsection (C) has been granted.
- E. Relationship to interviewer or interview panel members. An employee shall not interview or serve on an interview panel of any job candidate if the candidate is related within the third degree. An agency head may authorize an exception in an individual case. Any exception shall be documented by the agency head and subject to audit by the Director.
- F. Definition. For the purpose of this Section, persons related within the third degree include a spouse, child, parent, grandchild, grandparent, sister, brother, great grandchild, great grandparent, aunt, uncle, niece, nephew or first cousin.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4). Amended by final rulemaking at 30 A.A.R. 2765 (September 6, 2024) effective October 12, 2024 (Supp. 24-3).

R2-5A-306. Hiring Requirements

Agencies shall comply with federal and state law, including the verification of employment eligibility pursuant to A.R.S. § 23-214. An agency head shall ensure the completion of the Form I-9 and the employment eligibility verification process for all new hires.

TITLE 2. ADMINISTRATION

CHAPTER 5. DEPARTMENT OF ADMINISTRATION - STATE PERSONNEL SYSTEM

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4).

R2-5A-307. Appointment

- A.** General. Except as provided in A.R.S. Title 41, Chapter 4, Articles 4 and 5, all appointments shall be at will uncovered. An agency head may appoint a current state employee who accepts a change in assignment or an external candidate in accordance with these rules and the procedures established by the Director.
- B.** Types of Appointment.
1. A regular appointment may be:
 - a. Full-time employment;
 - b. Part-time employment;
 - c. Subject to funding availability, such as federal or grant funding; or
 - d. To a trainee position.
 2. A temporary appointment may be made for a recurring period of time up to a maximum of 1500 hours in any one position per agency each calendar year. A temporary appointment employee may work full time for a portion of the year, intermittently, on a seasonal basis, or on an as needed basis. An employee in a pool classification is considered a temporary appointment.
 3. An agency head may place an employee on special assignment within the agency. A special assignment may be made non-competitively and for up to 6 months with the concurrence of the agency head of the employing agency and the Director. A special assignment shall not exceed 6 months unless extended by the Director. An agency head shall not make successive special assignments of the same person to the same class.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4). Amended by exempt rulemaking at 19 A.A.R. 717 effective April 13, 2013 (Supp. 13-1).

R2-5A-308. Applicant Complaint

An applicant who has a complaint alleging discrimination or harassment relating to the procedures used in the selection or evaluation process shall submit the applicant complaint to the agency human resources representative within 90 days of the action giving rise to the complaint. The agency human resources representative shall evaluate the complaint and notify the applicant of the final action to be taken.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4).

ARTICLE 4. COMPENSATION SYSTEM**R2-5A-401. Salary Plans**

- A.** General. The Director shall establish a salary plan. The salary plan shall allow for the following:
1. Minimum and maximum rates of pay for classes outlined in the classification plan.
 2. Salary adjustments, including adjustments to base salary and pay supplements and incentives, including add-ons to base salary.
- B.** Alternative salary plan. The Director may establish a special salary plan or pay practice determined to be the prevailing practice in the labor market and in the best interest of the state.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4).

R2-5A-402. Salary Administration

- A.** General. The Director shall develop procedures for salary administration for use by all agencies when setting the salary of an employee. In setting an employee's salary, an agency head shall consider such factors as the employee's education, experience, skills, performance, and the current salaries of employees in the same class in the agency and the relative experience and performance of those employees.
- B.** Classes. The Director shall assign each class to a salary range and to a grade.
- C.** Salary. The base salary of an employee shall be not less than the minimum nor more than the maximum of the salary range of the class to which the employee's position is allocated, except as provided by these rules.
- D.** Salary adjustment. The salary used to compute a salary adjustment is the employee's base salary. Following an adjustment to the base salary, an agency shall add to the new rate of pay any special pay supplement still valid.
- E.** New hire starting rate. An agency head may offer a salary to a new hire within the salary range of the class to which the employee is being appointed in accordance with the procedures and guidelines published by the Director, unless an exception is approved by the Director.
- F.** Promotion. An employee who has a change in assignment from a position in one class to a position in another class having a higher grade shall receive a salary increase as determined by the agency head in accordance with the procedures and guidelines published by the Director, unless an exception is approved by the Director.
- G.** Demotion.
1. An employee who has a change in assignment from a position in one class to a position in another class having a lower grade, whether voluntary or involuntary, shall receive a salary decrease as determined by the agency head in accordance with the procedures and guidelines published by the Director, unless an exception is approved by the Director.
 2. A demoted employee shall not be eligible for an increase to base salary for six months after the effective date of the demotion to the new position, other than a salary increase that is legislatively mandated. After six months, the employee may become eligible for a salary increase only after a performance evaluation in the new position for which the employee received an overall rating of "meets expectations" or higher.
- H.** Lateral transfer. An employee who has a change in assignment from a position in one class to a position in the same class or in another class having the same grade shall receive no increase in salary, unless an exception is approved by the Director. The Director may approve a salary increase based upon documentation of recruitment difficulties to fill the position, specific needs identified by the agency, or the employee's qualifications. Transferred employees are not eligible for increases to base salary during their first six months in the new job unless approved by the Director. An employee who transfers to another agency may become eligible for a salary increase only after a performance evaluation in the new position for which the employee received an overall rating of "meets expectations" or higher.
- I.** Reversion of covered employee. A covered employee who is reverted under the rules in Subchapter B shall be paid the same

TITLE 2. ADMINISTRATION

CHAPTER 5. DEPARTMENT OF ADMINISTRATION - STATE PERSONNEL SYSTEM

salary as that paid prior to the promotion, plus the percentage or dollar amount of increase of an intervening general salary adjustment for which the employee was eligible.

J. Job reallocation.

1. The base salary of an employee in a position that is reallocated to a class in a higher pay range may receive a salary increase in accordance with the procedures and guidelines published by the Director. If increasing the base salary of an employee would result in a salary level that is less than the minimum or greater than the maximum salary of the pay range, the employee's salary shall be the minimum or the maximum salary of the pay range, respectively.
2. The base salary of an employee in a position that is reallocated to a class with the same or lower pay range shall remain the same provided that the employee's salary is within the pay range of the position. If the employee's salary is less than the minimum of the salary range or greater than the maximum salary of the new pay range, the employee's salary shall be the minimum salary or the maximum salary of the new pay range, respectively.

K. Job regrade.

1. The base salary of an employee in a class that is reassigned to a higher grade shall be adjusted by the amount determined by the Director. If adjusting the base salary of an employee would result in a salary level that is less than the minimum or greater than the maximum salary of the pay range, the employee's salary shall be the minimum or the maximum salary of the pay range, respectively.
2. The base salary of an employee in a class that is reassigned to a lower grade shall remain the same provided that the employee's salary is at or above the minimum salary of the new pay range of the class, and may be greater than the maximum salary of the pay range. If the employee's salary is greater than the maximum, the employee is not eligible for an increase to base pay until the employee's salary is less than the maximum salary of the new pay range.

L. Merit increases.

1. The Director shall establish guidelines for merit increases to base pay.
2. Merit increases shall be available:
 - a. To uncovered employees.
 - b. To covered employees only if such increases are legislatively appropriated.
3. Subject to the guidelines established by the Director:
 - a. Merit increases may be implemented at the discretion of the agency head.
 - b. Merit increases are subject to the availability of funding and must be within an agency's appropriation unless otherwise legislatively appropriated.

M. Legislatively-appropriated salary adjustments. Subject to legislative appropriation, the Director shall determine employee eligibility and criteria for salary adjustments.**Historical Note**

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4). Amended by exempt rulemaking at 19 A.A.R. 717 effective April 13, 2013 (Supp. 13-1). Amended by final rulemaking at 30 A.A.R. 2765 (September 6, 2024) effective October 12, 2024 (Supp. 24-3).

R2-5A-403. Supplemental Pay

- A. General.** Supplemental pay is in addition to an employee's base pay. The salary of an employee may exceed the maximum salary of the pay range for the employee's class if the excess amount is due to the receipt of supplemental pay.
- B. Shift differential.** The Director may authorize a shift differential to be paid to an employee on other than a day shift. The Director shall establish a competitive shift differential rate periodically based on an annual survey of the market place. Employees in the same class in the same agency who work on the same shift shall receive the same shift differential pay.
- C. Special assignment.** An employee on a special assignment shall remain in the employee's current position with no change to base salary. If the classification to which the employee is on a special assignment is a higher grade, the employee shall be provided a conditional pay supplement in an amount that, when added to the employee's base salary, would be within the range of the higher classification. If the classification to which the employee is on a special assignment is the same or a lower grade, the employee shall not be eligible for a conditional pay supplement while on special assignment. Any conditional pay supplement received by the employee for the special assignment shall be discontinued at the conclusion of the special assignment.
- D. Conditional pay supplements.** The Director may establish conditional pay supplements. A conditional pay supplement provides additional compensation to an eligible employee and shall be discontinued when the qualifying conditions no longer apply. An employee may be awarded multiple conditional pay supplements. A conditional pay supplement does not:
 1. Change base salary;
 2. Provide a basis for the computation of a salary increase; or
 3. Provide a basis for the computation of pay upon an employee's promotion, demotion or transfer.
- E. Variable pay.**
 1. The Director may establish variable pay strategies determined to be the prevailing practices in the market and in the best interest of the state.
 2. If the Director establishes variable pay strategies, the Director shall establish guidelines for the administration of variable pay.
 3. Variable pay shall be available only to uncovered employees, except for employees in covered positions classified as Correctional Officers I, II, or III, or Community Corrections Officers, or covered positions that require full authority peace officer certification, as specified in the guidelines established by the Director.
 4. Subject to the guidelines established by the Director:
 - a. Variable pay strategies may be implemented at the discretion of the agency head.
 - b. Variable pay strategies are subject to the availability of funding and must be within an agency's appropriation unless otherwise legislatively appropriated.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4). Amended by final rulemaking at 30 A.A.R. 2765 (September 6, 2024) effective October 12, 2024 (Supp. 24-3).

R2-5A-404. Overtime

- A. Approval of overtime work.** An agency head may require that an employee work overtime and:
 1. Shall approve in advance all work in excess of 40 hours per workweek or in excess of a work period as defined by

TITLE 2. ADMINISTRATION

CHAPTER 5. DEPARTMENT OF ADMINISTRATION - STATE PERSONNEL SYSTEM

the Fair Labor Standards Act (FLSA). FLSA Regulations 29 CFR 553 and 778 (July 2012), are incorporated by this reference and on file with the Department and available from the U.S. Government Printing Office, 732 North Capitol Street N.W., Washington, D.C. 20401. This incorporation by reference contains no future editions or amendments; and

2. May assign an employee who volunteers for overtime before mandatory overtime is required.
- B. Exemptions.** The Director shall determine exemptions from minimum wage and maximum hour requirements in accordance with the Fair Labor Standards Act, 29 U.S.C. 213, January 2004, incorporated by this reference and on file with the Department and available from the U.S. Government Printing Office, 732 North Capitol Street N.W., Washington, D.C. 20401. This incorporation by reference contains no future editions or amendments.
- C. Non-exempt employees.**
1. An agency shall compensate an employee in a non-exempt position who works in excess of 40 hours per workweek or in excess of a work period as defined by the FLSA by either:
 - a. Additional pay at the rate of 1 1/2 times the employee's regular rate for each excess hour worked, or
 - b. Compensatory leave at the rate of 1 1/2 hours for each excess hour worked.
 2. An employee shall select either overtime pay or compensatory leave for overtime compensation. If the employee selects both overtime pay and compensatory leave, the agency head shall determine which applies. If an employee's compensatory leave balance reaches the maximum allowed in subsection (E), the agency head shall compensate the employee by overtime pay.
- D. Exempt employees.**
1. Unless otherwise provided by statute or as specified in subsection (D)(2), an employee who is in a position that is exempt from the FLSA is excluded from receiving either overtime pay or compensatory leave.
 2. An employee who is in a position that is exempt from the FLSA who works in excess of 40 hours per workweek or in excess of an established work period shall receive for each hour of overtime worked, either one hour of additional pay or earn one hour of compensatory leave, at the option of the agency head, if the employee is either:
 - a. Engaged in law enforcement activities;
 - b. Engaged in firefighting activities; or
 - c. A full authority peace officer as certified by the Arizona Peace Officer Standards and Training Board, is in a position that requires such certification, and is in the covered service.
 3. An exempt employee may earn compensatory leave as provided by subsection (D)(2) until the employee's compensatory leave balance reaches the maximum allowed in subsection (E). When the maximum balance is reached, an agency head shall compensate the employee by overtime pay for excess hours worked.
 4. For the purposes of this subsection, "engaged in law enforcement activities" has the same meaning as defined in A.R.S. Title 23, Chapter 2, Article 9.
- E. Maximum accumulation.** The maximum number of hours of accumulated compensatory leave is:
1. 480 hours for an employee who works in a public safety activity or an emergency response activity, or

2. 240 hours for an employee who works in any other activity.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4).

R2-5A-405. Education Assistance

- A. General.** A state agency may assist an employee in the pursuit of educational goals by providing tuition reimbursement and student loan repayment assistance.
- B. Tuition reimbursement.** Prior to granting tuition reimbursement, an agency shall establish a policy which shall include the following conditions:
1. The educational program will provide a benefit to the state.
 2. The employee shall successfully complete the required course work or the educational requirements of the program in order to receive reimbursement.
 3. Education assistance may not exceed \$5,250 per employee in any one calendar year unless approved in advance by the Director.
 4. An employee who receives education assistance may be required to return all or a portion of the amount received if the employee does not remain employed with the agency for a defined period of time, as specified in the agency's policy.
- C. Student loan repayment assistance.** An agency that provides tuition reimbursement may also provide student loan assistance to an eligible employee in the repayment of student loans obtained by the employee and used for the actual costs paid for educational expenses and living expenses that occurred during the employee's undergraduate, graduate or professional education if the education is required or a selective preference for the employee's current position. Before granting student loan repayment assistance, an agency head shall develop a written policy that provides for equal consideration of all employees similarly situated. The policy will describe the need being addressed, and the benefit expected to be gained. The agency head shall submit the proposed policy and any subsequent changes to the Director for approval, and include at a minimum:
1. Eligibility requirements;
 2. Request and approval procedures;
 3. Documentation required to support the request for repayment assistance;
 4. The monthly limit on student loan repayment assistance and a specified lifetime cap;
 5. A requirement that the employee receiving student loan repayment assistance must provide to the agency monthly proof of payment of the monthly repayment amount for each active student loan approved for assistance;
 6. Information regarding how an employee's leave of absence or separation affects student loan repayment assistance.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4). Amended by final rulemaking at 30 A.A.R. 2765 (September 6, 2024) effective October 12, 2024 (Supp. 24-3).

R2-5A-406. Reimbursement for Relocation

An agency head may reimburse reasonable relocation expenses to a current employee for a management initiated geographical transfer

of more than 50 miles from the employee's current work site in accordance with the procedures established by the Director.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4).

ARTICLE 5. CONDITIONS OF EMPLOYMENT**R2-5A-501. Standards of Conduct**

- A.** Required conduct. A state employee shall at all times:
1. Comply with federal and state laws and rules, statewide policies and employee handbook, and agency policies and directives;
 2. Maintain high standards of honesty, integrity, and impartiality, free from personal considerations, or favoritism;
 3. Be courteous, considerate, and prompt in interactions with and serving the public and other employees; and
 4. Conduct himself or herself in a manner that will not bring discredit or embarrassment to the state.
- B.** Prohibited conduct. A state employee shall not:
1. Use his or her official position for personal gain, or attempt to use, or use, confidential information for personal advantage;
 2. Permit himself or herself to be placed under any kind of personal obligation that could lead a person to expect official favors;
 3. Perform an act in a private capacity that may be construed to be an official act;
 4. Accept or solicit, directly or indirectly, anything of economic value as a gift, gratuity, favor, entertainment, or loan that is, or may appear to be, designed to influence the employee's official conduct. This provision shall not prohibit acceptance by an employee of food, refreshments, or unsolicited advertising or promotional material of nominal value;
 5. Directly or indirectly use or allow the use of state equipment or property of any kind, including equipment and property leased to the state, for other than official activities unless authorized by written agency policy or as otherwise allowed by these rules;
 6. Inhibit a state employee from joining or refraining from joining an employee organization; or
 7. Take disciplinary or punitive action against another employee that impedes or interferes with that employee's exercise of any right granted under the law or these rules.
- C.** Consequences of non-compliance. An employee who violates the standards of conduct requirements listed in subsection (A) or (B) may be disciplined or separated from state employment. Any such actions involving a covered employee shall be in accordance with the rules in Subchapter B, Article 3.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4). Amended by exempt rulemaking at 19 A.A.R. 717 effective April 13, 2013 (Supp. 13-1).

R2-5A-502. Hours and Location of Work

- A.** State work week. The state work week is the period of seven consecutive days starting Saturday at 12:00 a.m. and ending Friday at 11:59 p.m. An agency head may apply to the Director for an exception from the work week period for all or part of an agency workforce. The Director may grant an exception from the work week period to promote efficiency in the State Personnel System.
- B.** Hours of work.

1. An agency head shall determine the hours of employment in the work week for each agency employee.
 - a. An agency head may provide for breaks during the work period consistent with carrying out the duties of the agency.
 - b. An agency head may require an employee to work overtime.
 2. An agency head may offer a flexible 40-hour work week option to an employee if the agency head determines the agency's services can be maintained.
 3. An agency head may establish a standard of attendance.
- C.** Location of work. Every employee shall have a designated work location in the State of Arizona.
1. An agency head shall determine the work location for each agency employee.
 2. An agency head may allow an employee to work from an alternate location, subject to the employee's position requirements, the business needs of the agency, and in accordance with the procedures established by the Director. An employee who is authorized to work from an alternate location may be required to report to the employee's designated State of Arizona work location when directed.
 3. The employee's designated State of Arizona work location shall be the geographic location of the position for the purposes of R2-5A-C601, pertaining to furlough, and R2-5B-602, pertaining to reduction in force.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4). Amended by final rulemaking at 30 A.A.R. 2765 (September 6, 2024) effective October 12, 2024 (Supp. 24-3).

R2-5A-503. Outside Employment

- A.** General. A state employee may seek employment and engage in a variety of activities outside of the employee's work for the state; however, the employee shall not engage in other employment or other activity that is not compatible with the full and proper discharge of the duties and responsibilities of state employment, or that tends to impair the employee's capacity to perform the employee's duties and responsibilities in an acceptable manner.
- B.** Definitions. For the purposes of this Section:
1. "Other employment" includes, but is not limited to:
 - a. Working as an employee for any employer, including another state agency;
 - b. Owning a business;
 - c. Contracting to provide services for a fee; or
 - d. Serving as a consultant for a fee or being self-employed;
 - e. Holding any elected or appointed public office, whether federal, state, or local; or
 - f. Holding a position in a political party or organization.
 2. "Primary agency" means the agency in which the employee is employed at the time of the employee's request to obtain outside employment with another agency.
 3. "Secondary agency" means the agency in which the employee is requesting to be employed while remaining employed with the primary agency.
- C.** Notice requirement. An employee who desires to engage in other employment shall notify the employee's supervisor and abide by the policies of the employing agency. An employee

TITLE 2. ADMINISTRATION

CHAPTER 5. DEPARTMENT OF ADMINISTRATION - STATE PERSONNEL SYSTEM

engaged in outside employment, including consultant relationships, shall inform the supervisor of the nature of the employment and corresponding work hours. An employee shall also disclose actual or potential conflicts of interest related to outside employment activities as soon as the employee becomes aware of the conflict. The determination as to whether a conflict or potential conflict exists shall be made by the agency head.

- D. Outside employment with another state agency. An employee who seeks outside employment with another state agency must request approval from both the employee's primary agency and prospective secondary agency before commencing employment with the secondary agency. The primary and secondary agencies must ensure that the request complies with state and federal guidelines. Such request, if approved shall be in writing and on file with both agencies. Employment records are to be maintained in accordance with the provisions of R2-5A-105.
- E. Outside employment as a paid public official or in a political party or organization. All employees shall comply with A.R.S. § 41-752 pertaining to political activities.
- F. Termination of outside employment. If an agency head determines that an employee's outside employment interferes with the employee's performance or creates a conflict of interest, the employee will be required to terminate the outside employment.
- G. Consequences of non-compliance. An employee who fails to make required disclosures or to take action to resolve any conflict of interest may be disciplined or separated from state employment. Any such actions involving a covered employee shall be in accordance with the rules in Subchapter B, Article 3.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4).

R2-5A-504. Alcohol and Drug-free Workplace

- A. General. State agencies shall prohibit the manufacture, distribution, dispensation, possession or use of alcohol, illegal drugs, unauthorized drugs, inhalants, or other unauthorized controlled substances during an employee's working hours or while on state premises or worksites, including state vehicles and property leased to the state. A state employee shall not be impaired by alcohol or drugs while on duty.
- B. Written policy. Each agency head shall adopt a written policy to address testing or retesting for the presence of alcohol or drugs of its employees and if applicable, prospective employees. The policy shall include all of the requirements listed in A.R.S. § 23-493.04. The agency head will submit its proposed alcohol and drug-free workplace policy and any subsequent changes to the Director for approval.

ARTICLE 6. LEAVE**PART A. GENERAL****R2-5A-A601. Leave Administration**

- A. Leave plans. The Director shall adopt leave plans. Agency heads are responsible for administering leave for agency employees in accordance with the leave plans in this Article.

- B. Eligibility for leave. All state employees, except temporary employees, are eligible for any type of leave with pay from the date of appointment. Temporary employees are eligible only for holidays subject to the provisions of R2-5A-B601, administrative leave, civic duty leave for the purpose of voting, living donor leave and military leave.
- C. Amount of leave. Leave amounts are based on full-time employment and shall be pro-rated for part-time employees, even if not specified in an individual rule.
- D. Family and Medical Leave Act (FMLA) leave. FMLA Regulations, 29 CFR 825.100 through 29 CFR 825.800 (July 2012), are incorporated by this reference and on file with the Department and available from the U.S. Government Printing Office, 732 N. Capitol Street N.W., Washington, D.C. 20401. This incorporation by reference contains no future editions or amendments. An employee who meets FMLA eligibility requirements and uses leave for any of the situations covered by the FMLA shall be subject to the following:
 1. Counting FMLA leave. Periods of paid leave and periods of leave without pay shall count towards the employee's available FMLA leave.
 2. Use of accrued paid leave. An employee shall use available paid leave for all or part of the employee's FMLA leave under the conditions in:
 - a. R2-5A-D602 for an employee on industrial leave,
 - b. R2-5A-D601 for an employee on FMLA leave for any other reason.
- E. Insurance benefits continuation. An employee remains eligible for continued participation in the employee insurance plans while on leave pursuant to this Article.
- F. Requests for leave. Except in an emergency, an employee shall obtain approval in advance and in writing before taking any leave.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4).

PART B. PAID LEAVE**R2-5A-B601. Holidays**

- A. State holidays.
 1. January 1, "New Year's Day."
 2. Third Monday in January, "Martin Luther King, Jr./Civil Rights Day."
 3. Third Monday in February, "Lincoln/Washington Presidents' Day."
 4. Last Monday in May, "Memorial Day."
 5. July 4, "Independence Day."
 6. First Monday in September, "Labor Day."
 7. Second Monday in October, "Columbus Day."
 8. November 11, "Veterans Day."
 9. Fourth Thursday in November, "Thanksgiving Day."
 10. December 25, "Christmas Day."
- B. Employees scheduled to work. Unless required to work to maintain essential state services, an employee who is regularly scheduled to work on a day on which one of the holidays listed in subsection (A) is observed is entitled to be absent with pay for the number of hours regularly scheduled to work, not to exceed eight hours, provided the employee is not on leave without pay on the employee's work days immediately preceding or following the day on which the holiday is observed.
 1. Part-time employees who work 1/4 time, 1/2 time, or 3/4 time are entitled to a proportional amount of holiday pay. Part-time employees who work a percentage of full-time other than 1/4 time, 1/2 time, or 3/4 time are entitled to

TITLE 2. ADMINISTRATION

CHAPTER 5. DEPARTMENT OF ADMINISTRATION - STATE PERSONNEL SYSTEM

holiday pay at the next lower rate. An employee who works less than 1/4 time is not entitled to holiday pay.

2. Temporary employees shall receive holiday pay provided they are in pay status the day before and the day after the holiday.
- C. Employees not scheduled to work. An employee, excluding part-time and temporary employees, who is not scheduled to work on a day on which one of the holidays listed in subsection (A) above is observed shall receive holiday compensation for the number of hours normally worked per day, not to exceed eight, provided the employee is not on leave without pay on the employee's work days immediately preceding or following the day on which the holiday is observed.
- D. Employees required to work. An employee who is required to work on a day on which a holiday listed in subsection (A) is observed shall receive:
 1. Both holiday compensation and one hour of pay at the employee's current salary rate for each hour worked if the employee is in a position that is either:
 - a. FLSA non-exempt; or
 - b. Exempt from the FLSA, but meets the conditions in R2-5A-404(D)(2).
 2. No additional compensation if the employee is in a position that is exempt from the FLSA and is employed in any other capacity.
- E. Holiday compensation.
 1. Except as modified by subsection (E)(2), an employee who is eligible for holiday compensation pursuant to subsection (C) or (D) shall receive for each hour of holiday compensation authorized, at the option of the agency head, either:
 - a. One hour of additional pay at the current salary rate; or
 - b. One hour of annual leave; or
 - c. One hour time off with pay on an alternate work day specified by the agency head after the holiday and during the pay period in which the holiday is observed, or the succeeding pay period.
 2. Temporary employees do not accrue annual leave and shall receive either additional pay or time off as in subsection (E)(1)(c) above.
 3. An employee may not receive more than eight hours of holiday compensation for any holiday.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4).

R2-5A-B602. Annual Leave

- A. Definitions. For the purposes of this Section:
 1. "Annual leave" means a period of approved absence with pay that is not chargeable to another category of leave.
 2. "Hire date" means the employee's first day of work upon hire or, if the employee has a break in service, rehire.
- B. Accrual.
 1. All employees, except temporary and part-time employees shall accrue annual leave as follows:
 - a. Covered employees shall accrue annual leave in accordance with the following schedule:

| Credited Service | Hours Bi-weekly |
|--------------------------------|-----------------|
| Fewer than 3 years | 3.70 |
| 3 years but fewer than 7 years | 4.62 |

| | |
|---------------------------------|------|
| 7 years but fewer than 15 years | 5.54 |
| 15 years or more | 6.47 |

- b. Except as provided in subsection (B)(1)(c), uncovered employees shall accrue leave based on the following schedule:

| Credited Service | Hours Bi-weekly |
|--------------------------------|-----------------|
| Fewer than 3 years | 4.00 |
| 3 years but fewer than 9 years | 5.54 |
| 9 years or more | 6.47 |

- c. An uncovered employee shall accrue annual leave at the rate of 6.47 hours bi-weekly if:
 - i. The employee's hire date is prior to September 29, 2012, the employee has remained employed without a break in service since that date, and the employee either was uncovered prior to September 29, 2012 or became uncovered in accordance with A.R.S. Title 41, Chapter 4, Article 4; or
 - ii. The employee is in a position listed in A.R.S. § 41-742(F).
2. Temporary employees shall not accrue annual leave.
3. Part-time employees who:
 - a. Work 1/4 time, 1/2 time, or 3/4 time shall accrue a proportional amount of annual leave;
 - b. Work a percentage of full-time other than 1/4 time, 1/2 time, or 3/4 time shall accrue annual leave at the next lower rate;
 - c. Work less than 1/4 time shall not accrue annual leave.
4. Except as provided by R2-5A-D602 for an employee on industrial leave, an eligible employee accrues annual leave each bi-weekly pay period if the employee is in pay status for at least one-half of the employee's scheduled work hours in that pay period.
5. An annual leave accrual is credited on the last day of the bi-weekly pay period in which the accrual is earned and is available for use on the first day of the following pay period.
 - a. Annual leave accrued during the last pay period that begins in a calendar year is not subject to forfeiture under subsection (D).
 - b. An employee who is separating from state employment is compensated in accordance with subsection (I) for annual leave accrued through the employee's last date of employment.
6. The effective date for change in the accrual rate is the first day of the pay period immediately following the attainment of the required credited service.

C. Credited service.

1. Credited service shall be calculated from the first day of the first complete pay period worked.
2. Credited service shall include:
 - a. A period of service as an employee of a state budget unit before a break in service of less than two years;
 - b. A period of leave without pay of 240 hours or less;
 - c. Family and Medical Leave Act (FMLA) leave;
 - d. Military leave taken under A.R.S. §§ 26-168, 26-171, or 38-610; and

TITLE 2. ADMINISTRATION

CHAPTER 5. DEPARTMENT OF ADMINISTRATION - STATE PERSONNEL SYSTEM

- e. Active military service of an employee who is restored to state employment under A.R.S. § 38-298.
- D. Accumulation.**
1. Except as provided in subsections (D)(2) and (3), an employee shall forfeit annual leave in excess of the accumulation limit as of the last day of the last pay period that begins in a calendar year. The accumulation limit is:
 - a. 240 hours for a covered employee.
 - b. 320 hours for an uncovered employee.
 2. An agency head may request an exception to the accumulation limit contained in subsection (D)(1) for an employee in an individual case.
 - a. An agency head seeking an exception shall submit a written request to the Director that contains a plan to use the excess hours during the following calendar year, pay the employee for the excess hours, or a combination of both.
 - b. The Director may approve, modify, or deny the request.
 3. Annual leave earned for working on a day on which a state holiday is observed is not included in the accumulation limit specified in subsection (D)(1) and shall not be forfeited.
- E. Use of annual leave.**
1. An employee may take annual leave at any time approved by the agency head.
 2. An agency head shall not advance annual leave to an employee.
- F. Donation of annual leave.**
1. Definitions. For the purposes of this subsection:
 - a. *“Immediate family” means the recipient employee’s parent, spouse, or child, whether natural, adopted, foster, or step.* A.R.S. § 41-748(B)(1)
 - b. *“Family” means spouse, natural child, adopted child, foster child, stepchild, natural parent, step-parent, adoptive parent, grandparent, grandchild, brother, sister, sister-in-law, brother-in-law, son-in-law, daughter-in-law, mother-in-law, father-in-law, aunt, uncle, nephew, or niece.* A.R.S. § 41-748(B)(2)
 - c. *“Disability that is caused by pregnancy or childbirth” means, as certified by a licensed health care practitioner:*
 - i. An employee is unable to work due to the employee’s pregnancy, childbirth, or medical care associated with the pregnancy or childbirth; or
 - ii. A member of the employee’s immediate family requires assistance to perform regular daily activities due to the immediate family member’s pregnancy, childbirth, or medical care associated with the pregnancy or childbirth.
 - d. *“Extended” means a period of at least three consecutive weeks.*
 - e. *“Seriously incapacitating” means a licensed health care practitioner certifies that an illness, injury, or disability that is caused by pregnancy or childbirth:*
 - i. Involves in-patient care, or
 - ii. Involves continuing treatment.
 2. Eligibility to receive donation of annual leave. An employee who has exhausted all available leave balances is eligible to receive donations of annual leave if, as certified by a licensed health care practitioner:
 - a. The employee is unable to work due to:
 - i. A seriously incapacitating and extended illness or injury, or
 - ii. A seriously incapacitating and extended disability that is caused by pregnancy or childbirth, or
 - b. The employee needs to care for a member of the employee’s immediate family who has:
 - i. A seriously incapacitating and extended illness or injury, or
 - ii. A seriously incapacitating and extended disability that is caused by pregnancy or childbirth.
 3. Eligibility to donate annual leave. An employee may donate annual leave to another employee who has exhausted all available leave balances if:
 - a. The recipient employee is employed in the same state agency as the donating employee, or
 - b. The recipient employee is a family member of the donating employee and employed in another state agency.
 4. Exhaustion of available leave. Before using donated annual leave, a recipient employee:
 - a. Who has a qualifying illness, injury, or disability caused by pregnancy or childbirth shall exhaust all available sick leave, compensatory leave, annual leave earned for working on a day on which a state holiday is observed and accrued annual leave; or
 - b. Whose immediate family member has a qualifying illness, injury, or disability caused by pregnancy or childbirth shall exhaust sick leave granted in accordance with R2-5A-B603(A)(4), if available, and all available compensatory leave, annual leave earned for working on a day on which a state holiday is observed and accrued annual leave.
 5. Calculation of hours donated. An agency head shall adjust the number of hours of annual leave donated in proportion to the hourly rate of pay of the donating employee and the recipient employee. To calculate the number of hours of donated annual leave:
 - a. Multiply the actual number of hours donated by the donating employee’s hourly rate of pay, and
 - b. Divide the result by the recipient employee’s hourly rate of pay.
 6. Maximum duration. A recipient employee is limited to using donated annual leave to allow the employee to be absent from work for a maximum of six consecutive months, or if the leave is intermittent, 1040 hours (the employee’s available leave plus leave donated to the employee) for each qualifying occurrence. If the recipient employee has a seriously incapacitating and extended illness or injury, or a seriously incapacitating and extended disability that is caused by pregnancy or childbirth and the employee applies for Long-term Disability (LTD) by the end of the fifth month of the employee’s leave, the recipient employee may continue to use donated annual leave for up to 60 additional days or until LTD benefit payments begin, whichever is sooner.
 7. Unused donated leave. If the recipient employee separates from state employment, recovers before using all donated leave, attains the maximum donation of annual leave as permitted under subsection (F)(6), or the need for the donated annual leave is otherwise abated, the agency head shall return unused donated leave to employees who donated leave on a pro-rata basis.

TITLE 2. ADMINISTRATION

CHAPTER 5. DEPARTMENT OF ADMINISTRATION - STATE PERSONNEL SYSTEM

G. Payment of annual leave. Subject to funding availability:

1. An agency head may pay an employee at any time at the employee's current rate of pay for all or any portion of the employee's annual leave that was earned as the result of working on a day on which a state holiday is observed.
2. An agency head may approve pay to a non-separating employee for all or any portion of the employee's accumulated and unused annual leave at the employee's current rate of pay subject to the following:
 - a. Agency procedures. Before paying an employee under this subsection, an agency head shall develop written standards and procedures that provide for equal consideration of all employees similarly situated. The agency head shall submit proposed standards and procedures and any subsequent changes to the Director for approval. The agency's procedures shall include at minimum:
 - i. Request and approval procedures;
 - ii. Documentation required to support the request for payment;
 - iii. Any limitations, as applicable, including, but not limited to: the maximum number of times an employee may receive payment under this subsection; the maximum number of hours an employee may be paid per occurrence; the minimum number of hours of annual leave an employee must have used in the previous 12 months; and the minimum balance an employee is required to maintain after payout, if any.
 - b. Restrictions. The agency head shall obtain the employee's concurrence if the payment would reduce the employee's annual leave balance to fewer than:
 - i. 240 hours for a covered employee;
 - ii. 320 hours for an uncovered employee.

H. Movement.

1. To another state agency. If an employee moves from one agency to another state agency, the employee's accumulated and unused annual leave shall be transferred to the employee's annual leave account in the new state agency, unless:
 - a. The provisions of subsection (H)(2) apply; or
 - b. The employee's leave exceeds the accumulation limit contained in subsection (D)(1). An agency head may pay an employee who transfers to another state agency for all excess annual leave at the time of the transfer. An agency head may transfer part or all of the employee's excess annual leave accumulated by the employee who transfers to another agency with the gaining agency's concurrence. If the gaining agency does not concur, the losing agency shall pay all of the unused excess annual leave that the gaining agency will not accept.
2. To an employment status ineligible for leave accrual. If an employee becomes ineligible for accrual of annual leave under R2-5A-A601(B), the agency head or the agency head of the losing agency if the employee moves to another state agency, shall pay the employee for all unused and unforfeited annual leave at the employee's current rate of pay immediately before the change in status.

I. Separation. An agency head shall pay an employee who separates from state employment for all unused and unforfeited annual leave at the employee's current rate of pay.**Historical Note**

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4). Amended by exempt rulemaking at 19 A.A.R. 717 effective April 13, 2013 (Supp. 13-1).

R2-5A-B603. Sick Leave

- A. Definition.** "Sick leave" is any approved period of paid absence granted an employee due to:
 1. Illness or injury that renders the employee unable to perform the duties of the employee's position.
 2. Disability of the employee that is caused by pregnancy, childbirth, miscarriage, or abortion.
 3. Examination or treatment of the employee by a licensed health care practitioner.
 4. Illness, injury, disability caused by pregnancy or childbirth, or examination or treatment by a licensed health care practitioner of an employee's spouse, dependent child, or parent. Sick leave granted for this purpose shall be charged to the employee's sick leave account and shall not exceed 40 hours per calendar year. For the purposes of this Section:
 - a. The term "dependent child" means a natural child, an adopted child, a foster child, or a stepchild, more than one-half of whose support is received from the employee.
 - b. The term "parent" means a birth parent, adoptive parent, stepparent, foster parent, grandparent, parent-in-law, or an individual who stood "in loco parentis."
 5. Attendance at court-related proceedings by the employee under A.R.S. § 8-420 or A.R.S. § 13-4439.
- B. Accrual.**
 1. All state employees, except temporary and part-time employees, shall accrue sick leave at the rate of 3.70 hours bi-weekly.
 2. Temporary employees shall not accrue sick leave.
 3. Part-time employees who:
 - a. Work 1/4 time, 1/2 time, or 3/4 time shall accrue a proportional amount of sick leave;
 - b. Work a percentage of full-time other than 1/4 time, 1/2 time, or 3/4 time will accrue sick leave at the next lower rate;
 - c. Work less than 1/4 time shall not accrue sick leave.
 4. Except as provided by R2-5A-D602 for an employee on industrial leave, an eligible employee accrues sick leave each bi-weekly pay period if the employee has been in a pay status for at least one-half of the employee's scheduled work hours in that pay period or month.
 5. A sick leave accrual is credited on the last day of the bi-weekly pay period or month in which the accrual is earned and is available for use on the first day of the following pay period or month. An employee who is separating from state employment accrues leave through the employee's last date of employment for the purpose of determining the employee's accumulated sick leave at the time of the employee's separation pursuant to subsection (F).
- C. Accumulation.** Sick leave accumulates without limit.
- D. Use of sick leave.**
 1. Sick leave may be taken when approved by the agency head.
 2. The agency head may require submission of evidence substantiating the need for sick leave. If the agency head determines the evidence is inadequate, the absence shall

TITLE 2. ADMINISTRATION

CHAPTER 5. DEPARTMENT OF ADMINISTRATION - STATE PERSONNEL SYSTEM

be charged to another category of leave or considered absence without leave.

3. An agency head may require an employee to be examined by a licensed health care practitioner designated by the agency head.
 - a. If the licensed health care practitioner determines that the employee should not work due to illness or injury, the agency head may place the employee on sick leave or, if the employee's sick leave is exhausted, charge the absence to another category of leave or leave without pay.
 - b. The agency head may require the employee to obtain approval from the licensed health care practitioner before returning to work.
 - c. The agency shall pay for all examinations required pursuant to this subsection. The employee shall not be charged any leave while participating in or traveling to or from any examination required pursuant to this subsection.

E. Movement to another state agency. An employee who moves to another state agency shall transfer all accumulated and unused sick leave to the employee's sick leave account in the new state agency.

F. Separation. All sick leave credits are forfeited upon separation from state employment except as provided in A.R.S. § 38-615 or otherwise provided by law. However, an employee who returns to state employment within two years after separation shall be credited with all unused sick leave accumulated at the time of separation if the employee was not paid for accumulated sick leave pursuant to A.R.S. § 38-615.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4). Amended by final rulemaking at 30 A.A.R. 2765 (September 6, 2024) effective October 12, 2024 (Supp. 24-3).

R2-5A-B604. Administrative Leave

- A.** General. An agency head may authorize an employee to be absent with pay on administrative leave during a state of emergency declared by the Governor or:
1. In other emergency situations such as extreme weather conditions, fire, flood, or malfunction of publicly-owned or controlled machinery or equipment.
 2. To relieve an employee of duties temporarily during the investigation of alleged wrongdoing by the employee or during a disciplinary or dismissal process, subject to the requirements outlined in subsections (B) and (C).
- B.** Reporting administrative leave. If an employee's administrative leave totals 80 consecutive hours, the agency head shall submit a report to the Director and for each week thereafter, until the employee's administrative leave is terminated. The report shall include:
1. The name of the agency,
 2. The employee identification number (EIN) of the employee,
 3. The name of the employee,
 4. The employment status of the employee,
 5. The date the employee was placed on administrative leave,
 6. The number of hours the employee has been on administrative leave as of the date of the report, and
 7. A brief description as to why the employee is on administrative leave.

C. Approval of Director. If an employee's administrative leave is anticipated to exceed 240 consecutive working hours, the agency head shall obtain the approval of the Director.

1. An agency head requesting approval to continue an employee's administrative leave for more than 240 working hours shall submit a request to the Director for approval at least five business days before the employee's administrative leave will total 240 working hours. If circumstances beyond the agency's control do not permit at least five business days' notice, the agency head shall submit the request as soon as the agency head is aware of the necessity for the request. The request shall include all of the information listed in subsection (B), the reason the administrative leave will extend beyond 240 working hours and the anticipated date the administrative leave will be terminated.
2. The Director shall review the request and approve, modify or deny the request within three business days of receipt.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4). Amended by exempt rulemaking at 19 A.A.R. 717 effective April 13, 2013 (Supp. 13-1).

R2-5A-B605. Bereavement Leave

- A.** General. An employee may be absent with pay due to the death or funeral of a spouse, natural child, adopted child, foster child, stepchild, natural parent, stepparent, adoptive parent, an individual who stood "in loco parentis," grandparent, grandchild, brother, sister, brother-in-law, sister-in-law, mother-in-law, father-in-law, son-in-law, or daughter-in-law.
- B.** Amount of bereavement leave.
1. A full-time employee may be absent with pay for up to 24 regularly scheduled work hours. An agency head may extend the bereavement leave for up to 16 additional work hours if the employee travels out-of-state for the funeral.
 2. A part-time employee who works 1/4 time, 1/2 time, or 3/4 time may be absent with pay for a proportional amount of bereavement leave. A part-time employee who works a percentage of full-time other than 1/4 time, 1/2 time, or 3/4 time may be absent with pay at the next lower rate. An employee who works less than 1/4 time is not entitled to bereavement leave.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4).

R2-5A-B606. Civic Duty Leave

- A.** General. Upon substantiated application, an employee shall receive absence with pay as civic duty leave while serving as a juror, complying with a subpoena, voting, serving as a voting location worker, or serving as a member of a governmental board, commission, or similarly constituted governmental body, subject to the conditions set forth in this Section and the limitations in R2-5A-A601(B).
- B.** Use of civic duty leave. Except for voting pursuant to A.R.S. § 16-401 (primary elections) or A.R.S. § 16-402 (general elections), an employee granted civic duty leave shall report for duty with the employing agency whenever the employee's presence is not required for the civic duty, unless:
1. The distance to the work location would preclude timely reporting for the civic duty, or

TITLE 2. ADMINISTRATION

CHAPTER 5. DEPARTMENT OF ADMINISTRATION - STATE PERSONNEL SYSTEM

2. The employee cannot return to work at least one hour before the end of the work shift.
- C. Appearance as a witness. An employee who is subpoenaed as a witness by any court or administrative, executive, or judicial body in this state may be absent with pay unless the testimony or evidence to be given relates to the employee's commercial, business, or personal matters.
- D. Jury and witness fees. Employees who are granted civic duty leave when called for jury duty or subpoenaed as a witness shall remit any fees to the employing agency, except for mileage allowance.
- E. Membership on a public service body. An employee serving as a member of a governmental board, commission, or similarly constituted governmental body may be absent with pay while performing official duties with the body.
- F. Serving as a voting location worker. Subject to the guidelines established by the Director and following written approval from the employee's supervisor, an employee may be absent with pay during a statewide election in this State for the purpose of serving at a voting location and completing the required associated training. An employee who is granted civic duty leave for serving as a voting location worker shall remit to the employing agency any fees paid by the county administering the election for work performed while the employee is on civic duty leave.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4). Amended by final rulemaking at 30 A.A.R. 2765 (September 6, 2024) effective October 12, 2024 (Supp. 24-3).

R2-5A-B607. Compensatory Leave

- A. General. Compensatory leave is leave that has been earned by an employee under the provisions of R2-5A-404.
- B. Use of compensatory leave. An agency head:
 1. Shall approve an employee's request for earned compensatory time off within a reasonable time after the employee makes the request if the use of such time off would not unduly disrupt agency operations.
 2. May require an employee to use the employee's available compensatory leave during a period specified by the agency head.
- C. Payment. Subject to funding availability, an agency head may pay an employee at any time for all or any portion of the employee's earned compensatory leave balance at the employee's regular rate of pay.
- D. Movement.
 1. To another state agency. An agency head may pay an employee who transfers to another state agency for all unused compensatory leave at the time of the transfer. An agency head may transfer part or all of the compensatory leave earned by an employee who transfers to another agency with the gaining agency's concurrence. If the gaining agency does not concur, the losing agency shall pay all of the unused compensatory leave that the gaining agency will not accept.
 2. To an employment status or a position ineligible for compensatory leave. If an employee has a change in employment status or position that results in the employee being ineligible to earn compensatory leave, the agency head or the agency head of the losing agency if the employee moves to another state agency, shall pay the employee for all unused compensatory leave at the employee's regular

rate of pay immediately before the employee's change in status or position.

- E. Separation. An agency head shall pay an employee who separates from state employment for all unused compensatory leave at a rate of compensation not less than the higher of:
 1. The average regular rate received by such employee during the last three years of the employee's employment, or
 2. The final regular rate received by such employee.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4).

R2-5A-B608. Educational Leave

- A. General. An employee may be sent with pay to participate in a formal educational or training course of study at a college, university, or technical school with the approval of the agency head and the Director, based on the determination that the leave is in the best interest of the state.
- B. Application. The approved application shall be accompanied by a written agreement signed by the agency head and the employee containing the following provisions at a minimum:
 1. A statement of the payments, if any, to be provided to the employee and the manner of their payment.
 2. An agreement by the employee to return to or continue in state employment upon the completion of the educational or training course of study for a period of time specified by the agency head.
 3. A statement by the employee that failure to successfully complete the course, to complete the specified state employment, or to fulfill all of the terms of the agreement, shall result in the employee's being required to repay all or a proportionate part of the salary and other payments received, if any.

cers, or positions that require full authority peace officer certification, meritorious service leave is only available to uncovered employees.

- C. The guidelines established by the Director shall include at a minimum:
1. The maximum number of hours of meritorious service leave that may be awarded to an employee per calendar year;
 2. The maximum percentage of agency employees eligible for meritorious service leave;
 3. A requirement that an employee shall use meritorious service leave within 12 months of receipt of the leave;
 4. A requirement that if the employee does not use the meritorious service leave within 12 months of receipt, that the leave is forfeited; and
 5. A statement that unused meritorious service leave is forfeited upon separation from state employment.
- D. Subject to the guidelines established by the Director, a meritorious service leave program may be implemented at the discretion of the agency head.

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4). Amended by final rulemaking at 30 A.A.R. 2765 (September 6, 2024) effective October 12, 2024 (Supp. 24-3).

PART C. UNPAID LEAVE**R2-5A-C601. Furlough**

- A. Definition. A furlough is the involuntary placement of an employee on leave of absence without pay for budgetary reasons.
- B. Types of furloughs. A furlough may be authorized by legislative action. In addition, the Director may approve:
1. A reduction of funding furlough that allows an agency head to place employees on furlough for any combination of consecutive or non-consecutive days. There is no maximum number of days an employee may be placed on furlough, but consecutive furlough days shall not exceed five consecutive days or more than one-half the employee's regularly scheduled hours in a pay period, whichever is less; and
 2. A suspension of funding furlough that allows an agency head to place employees on furlough indefinitely until funding is restored.
- C. General.
1. The total number of days an employee is placed on furlough may vary based on the amount of the reduction or length of suspension of funding.
 2. A furlough day equals eight hours for full-time employees and is pro-rated for part-time employees. Furlough hours for part-time employees are calculated by multiplying the number of hours the employee is scheduled to work in a week by 0.2. If the calculation results in a fraction, the furlough hours shall be rounded to the nearest whole hour, as follows:
 - a. 0.5 or above is rounded up, and
 - b. Less than 0.5 is rounded down.
 3. A furlough is unpaid.
 4. Unless a work emergency occurs under subsection (D)(5)(d), while on furlough, an employee shall not conduct state work or volunteer to conduct state work, either with or without compensation.
 5. Paid leave shall not be substituted for furlough days.
- D. Reduction of funding furlough.
1. An agency head shall submit to the Director a furlough plan for approval if the agency head determines a furlough is necessary due to a reduction of funding. An agency head is not required to implement or exhaust other cost-savings measures prior to initiating a furlough plan.
 2. The agency head shall submit the furlough plan for approval at least 30 business days prior to the proposed implementation date of the furlough. If circumstances beyond the agency head's control do not permit at least 30 business days' notice, the agency head shall submit the furlough plan as soon as the agency head is aware of the necessity for the furlough and provide a written explanation of why the 30 business day requirement was not met.
 3. An agency head shall include all of the following in the furlough plan:
 - a. The proposed scope of the furlough plan, which shall be either agency-wide or limited to:
 - i. Agency operations in one or more geographic areas,
 - ii. One or more organizational units of the agency,
 - iii. One or more funding sources,
 - iv. One or more job classes,
 - v. One or more class series, or
 - vi. Any combination of the above.
 - b. If the furlough will not be conducted on an agency-wide basis, each affected:
 - i. Geographic location,
 - ii. Organizational unit,
 - iii. Funding source,
 - iv. Job class, and
 - v. Class series.
 - c. For each affected geographical location, organizational unit, funding source, job class, and class series specified in the furlough plan, the total number of employees scheduled for furlough;

TITLE 2. ADMINISTRATION

CHAPTER 5. DEPARTMENT OF ADMINISTRATION - STATE PERSONNEL SYSTEM

- d. If requesting any exceptions within the scope of the furlough under subsection (C)(6), the total number of employees within the scope of the furlough, the number of employees for whom an exception is requested, and the reason for the request;
- e. The number of days and date ranges for the furlough;
- f. The anticipated cost savings due to the furlough;
- g. The agency's procedures for scheduling furloughs; and
- h. The procedures for notifying employees of the furlough.
4. The Director shall review and provide written notification of approval, modification, or denial of an agency's furlough plan within 20 business days of receipt.
5. Upon approval of the Director to conduct a reduction of funding furlough, an agency head:
- a. May place an employee on furlough for any combination of consecutive or non-consecutive days, subject to the limits in subsection (B)(1);
 - b. Shall determine the scheduling of furloughs that provide for the continuation of any agency operations required by law;
 - c. May cancel or rescind any approved paid or unpaid leave in progress or scheduled for an employee who is designated for furlough and shall notify the affected employee in writing of the cancellation of the approved leave for the duration of the furlough. If the previously approved leave was scheduled to extend beyond the furlough, the employee may return to paid leave status, if available, following the furlough period. If the agency head cancels an employee's paid leave and:
 - i. The employee is on leave pursuant to the provisions of the federal Family and Medical Leave Act (FMLA) during a scheduled furlough day, the furlough day shall not count against the employee's FMLA entitlement and the employee's leave balance shall not be charged for the furlough day; or
 - ii. The employee is on military leave during a scheduled furlough day, the furlough day shall not count against the employee's military leave and the employee's leave balance shall not be charged for the furlough day; and
 - d. Shall prohibit an employee from working during the period of the furlough, unless a work emergency arises. In the event of a work emergency, an agency head may revoke the furlough for an employee in an individual case. An employee whose furlough is revoked due to an emergency shall be paid for time required to work and shall be required to take the furlough on another day, unless otherwise exempted.
- E. Suspension of funding furlough - agency head request.**
1. An agency head shall submit to the Director for approval a furlough plan if the agency head determines a furlough is required due to a suspension of funding to pay employees.
 2. The agency head shall submit the furlough plan for approval at least 15 business days prior to the proposed implementation date of the furlough. If circumstances beyond the agency head's control do not permit at least 15 business days' notice, the agency head shall submit the furlough plan as soon as the agency head is aware of the necessity for the furlough and provide a written explanation of why the 15 business day requirement was not met.
3. An agency head shall include all of the following in the furlough plan:
- a. The proposed scope of the furlough plan, which shall be either agency-wide or limited to:
 - i. Agency operations in one or more geographic areas,
 - ii. One or more organizational units of the agency,
 - iii. One or more funding sources,
 - iv. One or more job classes,
 - v. One or more class series, or
 - vi. Any combination of the above.
 - b. If the furlough will not be conducted on an agency-wide basis, each affected:
 - i. Geographic location,
 - ii. Organizational unit,
 - iii. Funding source,
 - iv. Job class, and
 - v. Class series.
 - c. For each affected geographical location, organizational unit, funding source, job class, and class series specified in the furlough plan, the total number of employees scheduled for furlough;
 - d. If requesting any exceptions within the scope of the furlough under subsection (C)(6), the total number of employees within the scope of the furlough, the number of employees for whom an exception is requested, and the reason for the request;
 - e. The procedures for notifying employees of the furlough; and
 - f. The procedures for notifying employees of restoration of funding and when to return to work.
4. The Director shall review and provide written notification of approval, modification, or denial of an agency's furlough plan within 10 business days of receipt.
5. Upon approval of the Director to conduct a suspension of funding furlough, an agency head:
- a. Shall freeze all personnel actions except for those actions that would accomplish, or assist in accomplishing the purpose of the furlough;
 - b. May place employees on furlough indefinitely until the reason for the furlough is abated;
 - c. Shall notify affected employees of the furlough and that while on furlough, an employee:
 - i. Shall not report to work or work from any location until notified to return to work; and
 - ii. Will not receive pay for any unused and forfeited annual leave, should the employee resign or be terminated, until funding is restored;
 - d. May cancel or rescind any approved paid or unpaid leave in progress or scheduled for an employee who is designated for furlough and shall notify the affected employee in writing of the cancellation of the approved leave for the duration of the furlough. If the previously approved leave was scheduled to extend beyond the furlough, the employee may return to paid leave status, if available, following the furlough period; and
 - e. Shall notify employees upon restoration of funding and when to return to work.
- F. Suspension of funding furlough - failure to pass state budget.** If the state fails to pass a budget and funds are not appropriated

TITLE 2. ADMINISTRATION

CHAPTER 5. DEPARTMENT OF ADMINISTRATION - STATE PERSONNEL SYSTEM

for the following fiscal year, the Director may authorize an agency head to implement a suspension of funding furlough. Upon such notification by the Director, an agency head:

1. Shall freeze all personnel actions except for those actions that would accomplish, or assist in accomplishing the purpose of the furlough;
2. Unless an exception has been authorized as provided in subsection (F)(4), shall place all employees on furlough indefinitely until the reason for the furlough is abated;
3. Shall require all employees to be subject to the furlough in the same manner;
4. May establish exceptions when only a portion of the employees in a particular class are necessary to perform mission critical services;
5. Shall notify affected employees of the furlough and that while on furlough, an employee:
 - a. Shall not report to work or work from any location until notified to return to work; and
 - b. Will not receive pay for any unused and unforfeited annual leave, should the employee resign or be terminated, until funding is restored;
6. Shall cancel or rescind any approved paid or unpaid leave in progress or scheduled for an employee who is designated for furlough and shall notify the affected employee in writing of the cancellation of the approved leave for the duration of the furlough. If the previously approved leave was scheduled to extend beyond the furlough, the employee may return to paid leave status, if available, following the furlough period; and
7. Shall notify employees upon restoration of funding and when to return to work.

G. Employee request for review.

1. An employee may submit a request for review of the employee's placement on furlough. The employee shall make the request for review in writing to the agency head no later than three business days after the employee's receipt of a furlough notice. The employee shall limit the request for review to the determination resulting in the employee's furlough and include a proposed resolution.
2. The agency head shall provide a written response to the employee with a final decision within:
 - a. Five business days after receipt of the request if a reduction of funding furlough, or
 - b. Fifteen business days after the employee returns to work if a suspension of funding furlough.
3. A request for review shall not delay implementation of the furlough.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4).

R2-5A-C602. Leave Without Pay

- A.** Approval. All leave without pay requires a written request by an employee in advance, including the reason for the employee's request, and approval by the agency head.
- B.** Use of leave. Except for military leave, an agency head shall not grant leave without pay in excess of 80 consecutive hours until all annual leave earned for working on a day on which a state holiday is observed, all accrued annual leave and, if the leave without pay is for medical reasons, sick leave are exhausted.
- C.** Return to work.
 1. An employee who returns to work after an authorized period of leave without pay of 80 consecutive hours or

less shall return to the same position occupied at the start of the leave without pay.

2. Except as provided in subsection (C)(4), an employee who returns to work after a period of leave without pay in excess of 80 consecutive hours may return to a position in the class held at the start of the leave without pay, if a position is available and funded, and if the leave without pay is terminated in one of the following ways:
 - a. Expiration of its term and the employee's return to work;
 - b. Rescission of the leave without pay by the agency head before its scheduled expiration due to an unforeseen need that results in an insufficient number of employees available to provide service and for which:
 - i. The agency head provides written notice of the rescission to the employee's last known address at least 15 days before the date the employee is directed to return to work; or
 - ii. If circumstances beyond the agency's control do not permit at least a 15-day notice, the agency head provides notice as soon as possible after becoming aware of the need for the employee to return to work; or
 - c. Curtailment of the leave without pay before its scheduled expiration date upon request of the employee and with approval of the agency head.
3. An agency head may consider the failure or inability of an employee to return to work on the first work day after an approved leave without pay as a resignation.
4. An employee returning to work from leave without pay granted:
 - a. For industrial illness or injury for up to six months shall return to the position occupied at the start of the leave without pay. If this position or a position in the same class is not available and funded, the agency head shall conduct a layoff or, if the employee is covered, a reduction in force in accordance with Subchapter B.
 - b. As military leave is subject to the provisions of the USERRA regulations incorporated by reference in R2-5A-D603.
 - c. As FMLA leave is subject to the provisions of the FMLA regulations incorporated by reference in R2-5A-D601.
- D.** Insurance benefits continuation. An employee who is on leave without pay may continue to participate in the employee insurance plans as follows:
 1. Health benefit plan participation.
 - a. An employee who is on FMLA leave is eligible to continue to participate in the health benefit plan for the duration of the FMLA leave by paying the employee premium/contribution. An agency head may recover the state's portion of premium/contributions paid to maintain health coverage for an employee if the employee fails to return from FMLA leave under certain circumstances, in accordance with FMLA regulations incorporated by reference in R2-5A-D601.
 - b. An employee who is on leave without pay for a health-related reason that is not an industrial illness or injury and who either does not meet FMLA eligibility requirements or has exhausted FMLA leave and remains absent from work may continue to par-

ticipate in the health benefit plan by paying both the state and employee premium/contribution. Authority to continue participation in the health benefit plan shall terminate on the earliest of:

- i. Receipt of long-term disability benefits for which there is eligibility to continue health benefit plan participation under a state-sponsored retirement plan,
 - ii. A determination of eligibility for Medicare coverage, or
 - iii. 30 months after the incapacity began.
- c. An employee who is on leave without pay for reasons other than those outlined in subsection (D)(1)(a), (b), or R2-5A-D602 pertaining to industrial leave, may continue to participate in the health benefit plan for a maximum of six months by paying both the state and employee premiums/contributions.
2. Life insurance plan participation.
 - a. An employee who is on FMLA leave continues to participate in the Basic Life and Accidental Death and Dismemberment Insurance Plan and may continue to participate in the supplemental life and dependent life insurance coverage by paying the full premium/contribution.
 - b. An employee who is on leave without pay for a health-related reason that is not an industrial illness or injury and who either does not meet FMLA eligibility requirements or has exhausted FMLA leave and remains absent from work may continue to participate in the basic life insurance plan by paying the state premium/contribution. An employee who elects to continue to participate in the basic plan may also continue any supplemental or dependent life coverage that is in force at the beginning of the leave without pay by continuing to pay the premium/contribution. Authority to continue in the life insurance plan shall terminate in accordance with the time limits specified in subsection (D)(1)(b).
 - c. An employee who is on leave without pay for reasons other than those outlined in subsection (D)(1)(a), (b), or R2-5A-D602 pertaining to industrial leave, may continue to participate in the basic life insurance plan by paying the state premium/contribution. An employee who elects to continue to participate in the basic plan may also continue any supplemental or dependent life coverage that is in force at the beginning of the leave without pay by continuing to pay the premium/contribution. Authority to continue in the life insurance plan shall be available for a maximum of six months.
 3. Termination of insurance. The insurance coverage of an individual on leave without pay who fails to pay insurance premiums/contributions when due shall terminate at 11:59 p.m. on the last day of the period covered by the last premium/contribution paid.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4).

PART D. LEAVE THAT COULD BE PAID OR UNPAID**R2-5A-D601. Family and Medical Leave Act (FMLA) Leave**

- A. General. All state agencies are responsible for complying with the federal Family and Medical Leave Act (FMLA) of 1993

and all applicable revisions. FMLA Regulations, 29 CFR 825.100 through 29 CFR 825.800 (July 2012), are incorporated by this reference and on file with the Department and available from the U.S. Government Printing Office, 732 North Capitol Street N.W., Washington, D.C. 20401. This incorporation by reference contains no future editions or amendments. Any interference with, restraint of, or denial of an employee's rights provided by the FMLA is strictly prohibited.

- B. Eligible employee.
 1. An eligible employee for the purposes of the FMLA is an employee who:
 - a. Is an employee of the state of Arizona;
 - b. Has been employed by the state of Arizona for at least 12 months; and
 - c. Worked for at least 1,250 hours of service during the 12 months immediately preceding commencement of the leave.
 2. An agency head shall not extend FMLA benefits to an ineligible employee.
- C. Situations covered by the FMLA. A state agency shall grant an eligible employee FMLA leave when the employee takes leave for one or more of the following reasons:
 1. The birth of a child or placement of a child with the employee for adoption or foster care, provided the leave concludes within 12 months of the birth or placement.
 2. To care for the employee's spouse, child or parent with a serious health condition.
 3. The employee is unable to work because of the employee's own serious health condition.
 4. Any qualifying exigency arising out of the fact that the employee's spouse, child or parent is a covered military member on active duty or call to active duty status in support of a contingency operation.
 5. To care for a covered service member with a serious injury or illness when the covered service member is the employee's spouse, child, parent or next of kin.
- D. Amount of FMLA leave.
 1. An employee who takes FMLA leave for any of the situations described in subsections (C)(1), (2), (3) or (4) may take a maximum of 12 workweeks of leave during any rolling 12-month period, measured backward from the first day of each approved period of FMLA leave.
 2. An employee who takes FMLA leave for the situation described in subsection (C)(5) may take up to 26 workweeks of leave in a single 12-month period.
 3. During a 12-month period, an eligible employee is able to take no more than 12 workweeks of FMLA leave for any of the situations described in subsections (C)(1), (2), (3) or (4) and a combined total of 26 workweeks of FMLA leave if the leave includes the situation described in subsection (C)(5).
- E. Designation of FMLA leave. An employee need not specifically request FMLA leave to be placed on FMLA leave. If an eligible employee takes leave for any reason covered by the FMLA and has not already exhausted the employee's available FMLA leave, the agency head shall designate the employee's leave as FMLA leave.
- F. Use of paid leave. Except for portions of industrial leave, an employee on FMLA leave shall be required to use the employee's available paid leave while on FMLA leave as follows and in the following order:
 1. Sick leave or, as applicable, family sick leave subject to the provisions of R2-5A-B603.

TITLE 2. ADMINISTRATION

CHAPTER 5. DEPARTMENT OF ADMINISTRATION - STATE PERSONNEL SYSTEM

2. Compensatory leave subject to the provisions of R2-5A-B607.
 3. Annual leave subject to the provisions of R2-5A-B602.
 4. Leave without pay subject to the provisions of R2-5A-C602.
- G.** Insurance benefits continuation. An employee who is using leave with pay remains eligible for continued participation in the employee insurance plans and the employee's share of premiums/contributions is paid through payroll deduction. An employee who is on leave without pay while on FMLA leave may continue to participate in the employee insurance plans as follows:
1. Health benefit plan participation. An employee is eligible to continue to participate in the health benefit plan for the duration of the FMLA leave by paying the employee premium/contribution. An agency head may recover the state's portion of premium/contributions paid to maintain health coverage for an employee if the employee fails to return from FMLA leave under certain circumstances, in accordance with FMLA regulations incorporated by reference in subsection (A).
 2. Life insurance plan participation. An employee continues to participate in the Basic Life and Accidental Death and Dismemberment Insurance Plan and may continue to participate in the supplemental life and dependent life insurance coverage by paying the full premium/contribution.
 3. Termination of insurance. The insurance coverage of an employee on leave without pay who fails to pay insurance premiums/contributions when due shall terminate at 11:59 p.m. on the last day of the period covered by the last premium/contribution paid.
- H.** Return from FMLA leave. An agency head shall restore an employee returning from FMLA leave to the employee's original job, or to an equivalent job with equivalent pay, benefits, and other terms and conditions of employment. The provisions of the FMLA, not the provisions of R2-5A-C602(C), shall govern return to work from leave without pay granted to complete an FMLA-qualified leave.
- I.** Employee responsibilities. An employee is required to adhere to the employing agency's call-in procedures, give the agency 30 days' notice in the event of a foreseeable leave, provide requested documentation, and periodic updates of the employee's status and intent to return to work as requested by the agency.
- J.** Agency rights. Nothing in the FMLA or this Section should be construed as limiting an agency's right to manage, discipline or terminate an employee, including an employee's failure to comply with the agency's request for appropriate documentation to substantiate the employee's need for the leave. However, an employee's use of FMLA leave cannot be considered as a negative factor in any employment decision.
- K.** Conflict. If there is a conflict between the provisions of these rules and the FMLA, the provisions of the FMLA govern.
- Historical Note**
- Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4). Amended by final rulemaking at 30 A.A.R. 2765 (September 6, 2024) effective October 12, 2024 (Supp. 24-3).
- R2-5A-D602. Industrial Leave**
- A.** Use of leave.
1. An agency head shall place an employee who sustains a job-related illness or injury that is compensable under the Workers' Compensation Law, A.R.S. Title 23, Chapter 6 on sick leave.
 2. If an employee who is on leave under the Worker's Compensation laws meets Family and Medical Leave Act (FMLA) eligibility requirements and the leave qualifies for FMLA leave, an agency head shall count it as FMLA leave. An agency head shall apply industrial leave and FMLA concurrently.
 3. An employee shall use leave in an amount necessary to receive total payments (leave payments plus Workers' Compensation payments) that do not exceed the gross salary of the employee.
 4. If an employee exhausts all sick leave, compensatory leave and annual leave, an agency head shall place the employee on leave without pay.
- B.** Payments. If an employee receives a retroactive Workers' Compensation payment for any period of industrial illness or injury for which leave payments were received, the employee shall reimburse the agency for Workers' Compensation payments that exceed 100% of the employee's gross salary before the illness or injury, and the agency head shall restore the equivalent value of leave to the employee's appropriate leave account.
- C.** Light duty. If an employee has a job-related illness or injury that impairs performance on the former job, the agency head shall make every effort to place the employee in a suitable position within the agency, including a light duty assignment.
- D.** Restriction. An agency head shall not grant sick leave or leave without pay to an employee who fails to accept compensation available under the industrial injury and disease provisions of A.R.S. §§ 23-901 to 23-1091.
- E.** Insurance benefits continuation. An employee who is using leave with pay in accordance with subsection (A) remains eligible for continued participation in the employee insurance plans and the employee's share of premiums/contributions is paid through payroll deduction. An employee who is on leave without pay due to an industrial illness or injury may continue to participate in the employee insurance plans as follows:
1. Health benefit plan participation.
 - a. An employee may continue to participate in the health benefit plan for a maximum of six months from the date of illness or injury by paying the employee premium/contribution.
 - b. At the end of the six-month period, an employee who remains on leave without pay due to industrial illness or injury may continue to participate in the health benefit plan by paying both the state and employee premiums/contributions, until the employee returns to work or is determined to be eligible for Medicare coverage or Long-term Disability, whichever occurs first.
 2. Life insurance plan participation. An employee who is on leave without pay continues to participate in the basic life and accidental death and dismemberment insurance plan without cost for six months after the month in which the illness or injury occurs. During this six-month period, the employee may continue supplemental life and dependent life coverages that were in effect at the start of the leave by paying the applicable premium/contribution.
 3. Termination of insurance. The insurance coverage of an employee on leave without pay who fails to pay insurance premiums/contributions when due shall terminate at 11:59 p.m. on the last day of the period covered by the last premium/contribution paid.

TITLE 2. ADMINISTRATION

R2-5A-D603. Military Leave

An employee who requests absence with pay on military leave under A.R.S. §§ 26-168, 26-171, or 38-610 shall submit a copy of the orders for duty with the request for military leave. An employee who has not received the orders for duty prior to the start of the military leave shall submit a copy of the orders within five workdays of receipt. An employee may be absent with pay for military purposes for up to three times the average of regularly scheduled work hours in a weekly work period each year and up to six times the average of regularly scheduled work hours in a weekly work period in any two consecutive federal fiscal years. All state agencies are responsible for complying with the federal Uniformed Services Employment and Reemployment Rights Act (USERRA) of 1994 and all applicable revisions. USERRA Regulations, 20 CFR 1002.1 through 20 CFR 1002.314 (April 2012), are incorporated by this reference and on file with the Department and available from the U.S. Government Printing Office, 732 North Capitol Street N.W., Washington, D.C. 20401. R2-5A-D604. Victim Leave

An employee who is a victim of a juvenile offense or a crime and who requests absence from work to attend court-related proceedings under A.R.S. §§ 8-420 or 13-4439 shall submit a copy of the form provided to the employee by the law enforcement agency or a copy of the information the law enforcement agency provided to the employee with the request for victim leave. An employee shall use the employee's available sick leave, compensatory leave or annual leave for such absence. If an employee exhausts all sick leave, compensatory leave and annual leave, an agency head shall place the employee on leave without pay.

ARTICLE 7. PERFORMANCE MANAGEMENT**R2-5A-701. General**

- A. Performance management system. The Director shall establish a performance management system to evaluate the job performance of state employees. The performance management system established by the Director shall contain performance rating levels and shall contain numerical points to apply to each performance rating level established.
- B. Administration. The Director shall develop an administrative manual and training on the performance management system.
- C. Exceptions. The performance management system may be used:
1. As determined by the appointing authority for the agency head, to evaluate the job performance of the agency head.

2. As determined by the agency head, to evaluate the job performance of each subordinate uncovered employee in a position listed in A.R.S. § 41-742(F).

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4). Amended by final rulemaking at 30 A.A.R. 2765 (September 6, 2024) effective October 12, 2024 (Supp. 24-3).

R2-5A-702. Performance Management Process

- A. Performance plan. For the purposes of this subsection, "performance plan" means a communication by an employee's supervisor that outlines what is expected of the employee and how the employee's performance will be measured. Subject to review by agency management, a supervisor:
1. Shall communicate performance expectations with each employee within 30 days of becoming the employee's supervisor.
 2. May modify a performance plan at any time during a performance period.
 3. Shall modify a performance plan when significant responsibilities or expectations are added to or removed from a position.
 4. Shall notify the affected employee of any modifications made to a performance plan under subsection (A)(2) or (3).
- B. Performance evaluation requirements.
1. Informal evaluation. A supervisor shall:
 - a. Monitor and evaluate an employee's performance throughout the rating period,
 - b. Provide feedback to the employee on a regular basis, and
 - c. Attempt to correct inadequate performance where possible and appropriate.
 2. Formal evaluation. A supervisor shall:
 - a. Formally evaluate, document and rate the performance of each employee at least annually.
 - b. Submit the evaluation to agency management for review prior to the evaluation being administered to the employee.
 3. Covered probationary employees. Prior to granting a covered probationary employee permanent status, a supervisor shall evaluate a probationary employee at least once prior to the end of the employee's probationary period.
- C. Responsibilities.
1. An employee shall comply with the performance plan established by the supervisor.
 2. A supervisor shall comply with performance evaluation requirements.
 3. An agency head shall ensure that all performance evaluations are completed as required by this Section.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4). Amended by final rulemaking at 30 A.A.R. 2765 (September 6, 2024) effective October 12, 2024 (Supp. 24-3).

ARTICLE 8. DISCIPLINARY ACTIONS**R2-5A-801. General**

- A. Authority. An agency head has the primary authority and responsibility for managing the conduct of all employees within an agency. A covered employee may be disciplined only for cause. An agency head shall discipline a covered employee in accordance with this Article and the rules in Sub-

TITLE 2. ADMINISTRATION

CHAPTER 5. DEPARTMENT OF ADMINISTRATION - STATE PERSONNEL SYSTEM

chapter B of this Chapter. An uncovered employee serves at the pleasure of the appointing authority and may be dismissed at will. Except for an employee who is in a position listed in A.R.S. § 41-742(F), any action that involves a suspension greater than 80 working hours, an involuntary demotion, or a dismissal requires review by the Director prior to the agency head administering such action.

- B. Level of discipline.**
1. If an agency head deems it necessary to discipline an employee, the agency head may determine the level of discipline to be imposed, up to and including dismissal, subject to review by the Director, if applicable.
 2. In determining the level of discipline to be imposed, the agency head may consider the following factors:
 - a. Consistent application of rules and standards,
 - i. Unless otherwise prescribed by statute, the agency head need only consider those cases decided under the administration of the current agency head. Decisions in cases prior to the administration of the current agency head are not binding upon the current agency head and are not relevant in determining consistent application of rules and standards.
 - ii. In determining consistent application of rules and standards, the disciplinary actions imposed by one agency may not be binding upon any other agency and may not be used for comparison purposes in hearings wherein the consistent application of rules and standards is at issue.
 - b. Prior knowledge of rules and standards,
 - c. The severity of the infraction,
 - d. The repeated nature of violations,
 - e. Prior corrective or disciplinary actions,
 - f. Previous oral discussions,
 - g. The employee's past work record,
 - h. The effect on agency operations,
 - i. The potential of the violations for causing damage to persons or property.
- C. Limitations.**
1. Except as otherwise provided by statute or rule, suspensions shall not exceed a total of 30 working days during any 12-month period. The 12-month period begins with the first day of the first suspension.
 2. An employee who is involuntarily demoted must possess the qualifications for the position and:
 - a. A covered employee who has attained permanent status may be involuntarily demoted only to a regular position in the covered service.
 - b. An uncovered employee may be involuntarily demoted only to a position in the uncovered service.
- D. Review by Director.**
1. Letters of reprimand and suspensions without pay of 80 working hours or less are not subject to review by the Director.
 2. Prior to imposing a suspension greater than 80 working hours, an involuntary demotion, or dismissal, the agency head shall submit the proposed action to the Director for review as prescribed in R2-5A-802, unless the employee is in a position listed in A.R.S. § 41-742(F). If the employee is in a position listed in A.R.S. § 41-742(F), a review by the Director is not required.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4).

R2-5A-802. Procedures for Review by the Director

- A.** Prior to administering any action requiring review by the Director, the agency head shall submit the proposed letter to the Director prior to the date the agency head intends to issue the letter to the employee.
- B.** The Director shall review the agency head's proposed action and provide notification of concurrence or recommend modification to the proposed action.
- C.** When the agency head administers the action to an employee, the agency head shall also send a copy of the employee's letter to the Director. If the agency head determines that no action will be taken, the agency head shall notify the Director.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4).

R2-5A-803. Employee Request for Review of Disciplinary Action

- A.** A covered employee who is issued a disciplinary action may have grievance or appeal rights, as applicable.
- B.** An uncovered employee does not have grievance rights or the right of appeal to the State Personnel Board or the Law Enforcement Merit System Council.
- C.** A covered employee who files a complaint on a disciplinary action alleging discrimination or harassment is precluded from also filing a grievance through the agency's grievance procedure on the same disciplinary action that is the subject of the employee's complaint.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4). Amended by final rulemaking at 30 A.A.R. 2765 (September 6, 2024) effective October 12, 2024 (Supp. 24-3).

ARTICLE 9. COMPLAINTS**R2-5A-901. Complaint System**

- A. General.** Each agency head shall:
 1. Adopt a procedure to address employee complaints concerning discrimination or harassment in compliance with this rule.
 2. Designate an employee of the agency to serve as the agency's complaint coordinator, who shall be responsible for receiving complaints, determining applicability under the complaint system, investigating or assigning the complaint to the appropriate individual within the agency for review or investigation, and tracking the processing of complaints.
- B. Matters subject to the complaint system.** The adopted complaint procedure shall require the complainant to file the complaint with the agency complaint coordinator within 180 days of the action giving rise to the complaint and to clearly outline the allegations to be addressed, including whether the basis of the complaint is based on:
 1. Unlawful discrimination based on race, color, religion, sex (including pregnancy), age, national origin, genetic information or on the basis of a disability.
 2. Allegation of sexual harassment or other form of harassment.
 3. Retaliation for filing a complaint.

TITLE 2. ADMINISTRATION

CHAPTER 5. DEPARTMENT OF ADMINISTRATION - STATE PERSONNEL SYSTEM

4. Retaliation or intimidation for exercising any right under state or federal law.
 - C. Preparation. A complainant shall not be allowed the use of state time or state property to prepare a complaint, prepare for a meeting with agency management or to meet with a representative. Subject to supervisory approval, a complainant may request available compensatory or annual leave for this purpose.
 - D. Multiple complaints. Multiple complaints by an employee may be consolidated into a single complaint. Separate complaints filed by two or more employees regarding the same issue or issues may be consolidated into a group complaint. Employees having a common complaint may submit one group complaint, identifying one complainant as the selected spokesperson for the group. Employees who choose to file a group complaint are prohibited from filing separate complaints on the same issue.
 - E. Amendments. Once a complaint is submitted to the agency complaint coordinator, it may not be amended. If additional documentation is submitted by the complainant after the initiation of the complaint, the reviewing or investigating official may remand the complaint to the complainant for reconsideration and resubmission.
 - F. Approval. Each agency will submit its proposed complaint procedure and any subsequent changes to the Director for approval.
7. The agency head, or designee, shall review the findings and recommendations and issue a decision in writing to the complainant.
 8. A statement advising that retaliation against an employee for filing a complaint in good faith will not be tolerated or permitted.
 9. A statement specifying that a grievance filed by a covered employee under R2-5B-403 that includes an allegation of discrimination or harassment shall be reviewed or investigated under the provisions of this Article, and not the grievance system.
- B. Review by Director.**
1. An employee, other than a Department of Administration employee, who is not satisfied with the agency head's response to a complaint alleging discrimination or harassment, may elevate the complaint to the Director within five business days after the receipt of the agency head's response. The Director will furnish a copy of the final decision to the agency head and the complainant within 20 business days following receipt of the complaint by the Director. The 20 business days may be extended by the Director with the concurrence of the complainant. The decision of the Director is the final step in the complaint procedure.
 2. A complainant who is a Department of Administration employee and who is not satisfied with the Director's decision on a complaint alleging discrimination or harassment may resubmit the complaint to the Director within five business days after receipt of the Director's decision. The Director will appoint an individual who is not an employee of the Department of Administration and who serves in a position that is assigned to manage an agency's employee relations or investigations work unit to investigate the resubmitted complaint. The investigator shall conduct an investigation and furnish a copy of the findings and final decision to the Director and the complainant within 20 business days following receipt of the complaint by the investigator. The 20 business days may be extended by the investigator with the concurrence of the complainant. The decision of the investigator is the final step in the complaint procedure.
 3. The response will refer the employee to the appropriate entity if the employee is dissatisfied with the final step of the complaint procedure.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4).

R2-5A-902. Complaint Procedures

- A. Content.** Each agency complaint procedure shall include as a minimum that:
1. The agency head be notified of all verbal or written complaints of discrimination or harassment reported by an employee immediately upon receipt of a complaint.
 2. Employees who are told or otherwise become aware that discrimination or harassment is occurring must immediately report the allegation or complaint to the agency's complaint coordinator.
 3. The complaint include all facts and circumstances involved in the alleged violation, including:
 - a. Description of the incident(s),
 - b. Name(s) of individual(s) involved,
 - c. Name(s) of witness(es),
 - d. The date(s) the discrimination or harassment occurred (if known),
 - e. Resolution sought,
 - f. Federal or state law alleged to have been violated.
 4. The agency complaint coordinator shall acknowledge receipt of the complaint in writing to the complainant not later than five business days after receipt of the written complaint.
 5. The agency complaint coordinator shall initiate an investigation into the alleged complaint or assign the complaint to the appropriate individual within the agency for review or investigation within 10 business days and the review or investigation shall be completed within 60 business days of receipt of the written complaint. If extenuating circumstances exist, an extension shall be requested through the agency complaint coordinator.
 6. Barring resolution of the complaint by agreement of the parties, the agency complaint coordinator shall forward a written recommendation to the agency head, or designee,

ARTICLE 10. SEPARATIONS**R2-5A-1001. Voluntary Separation**

- A. Resignation.** An employee may terminate employment with the state by submitting a written resignation to the agency head. An employee should submit a resignation at least 10 business days prior to the effective date of the resignation. If an employee resigns orally, the agency head shall confirm the resignation in writing. An agency head may refuse to accept a resignation and separate the employee pursuant to R2-5A-1002.
- B. Job abandonment.** An agency head may consider an employee to have voluntarily resigned from employment with the agency when the employee is absent from duty for three consecutive workdays or equivalent without proper authorization.

R2-5A-1002. Involuntary Separation

- A.** General. An agency head may terminate an employee as deemed necessary to meet the needs of the agency and in keeping with federal and state laws and regulations. A covered employee may be dismissed only for cause. An agency head shall dismiss a covered employee in accordance with Article 8 and the rules in Subchapter B of this Chapter.
- B.** Staff reduction. At times, a staff reduction is necessary due to lack of work, lack of funds, economic slowdowns, technological or structural changes in the agency's operations, or because a staff reduction is determined to be necessary to ensure the financial health and viability of the agency.
1. Except for an employee who is in a position listed in A.R.S. § 41-742(F), a staff reduction of an uncovered employee requires review by the Director prior to the agency head administering such action.
 2. An agency head shall conduct staff reductions of covered employees in accordance with Subchapter B, Article 6, Reduction in Force.

SUBCHAPTER B. COVERED EMPLOYEES**ARTICLE 1. GENERAL****R2-5B-101. Definitions**

In addition to the definitions provided in Subchapter A of this Chapter, the following definitions apply to this Subchapter:

"Limited appointment employee" means an employee who, before September 29, 2012, was subject to the provisions of A.R.S. Title 41, Chapter 4, Articles 5 and 6 that were in effect before September 29, 2012, was appointed to a position that was based on the duration of funding, and was not eligible to acquire reduction in force rights.

"Original probationary period" means the specified period following initial appointment to covered service. A.R.S. § 41-741(10)

"Permanent status" means the standing a covered employee achieves after the completion of an original probation or a promotional probation.

"Probationary period" means a working test period of employment in a covered service position for evaluation of the employee's work. A.R.S. § 41-741(11)

"Promotional probation" means the specified period of employment following promotion of a permanent status employee to another covered position that has a higher pay grade. A.R.S. § 41-741(12)

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4).

R2-5B-102. Applicability

- A.** The rules in this Subchapter are applicable to covered positions, applicants for covered positions and covered employees in the State Personnel System.
- B.** Covered service is limited to the following:
1. An employee who was in the state service as either a probationary or permanent status employee, was not required

to become at will uncovered in accordance with A.R.S. Title 41, Chapter 4, Article 4, and who does not:

- a. Voluntarily elect to become uncovered at will.
 - b. Voluntarily accept a change in assignment to a position in the uncovered service.
 - c. Have a break in service.
2. A newly hired employee who is appointed or a current uncovered employee who voluntarily accepts a change in assignment to:
 - a. A position in the Arizona Department of Corrections that is classified as a Correctional Officer I, Correctional Officer II, Correctional Officer III, or a Community Corrections Officer; or
 - b. A position in any state agency that requires certification as a full authority peace officer by the Arizona Peace Officer Standards and Training Board, provided the position is not in the uncovered service.

Historical Note

ARTICLE 2. EMPLOYMENT STATUS**R2-5B-201. Applicability**

The rules under this Article are applicable only to positions in the covered service and covered employees.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4).

R2-5B-202. Original Probation

- A.** General. A new employee hired into a position in the covered service shall serve an original probation period of one year.
- B.** Extension of probation.
1. An agency head may extend an employee's original probation up to six additional months for employment-related reasons.
 2. The probationary period shall be extended for any period for which a probationary employee is on leave without pay for more than 80 consecutive working hours. If original probation is extended for this reason, the employee's probation may exceed 18 months.
- C.** Completion of original probation.
1. In accordance with the rules in Subchapter 5A, Article 7, a supervisor shall evaluate an original probationary employee and submit a report to the agency head before expiration of the employee's probationary period. If the agency head takes no action to extend the probationary period or to terminate the employee, the agency head shall grant permanent status to the employee upon completion of the probationary period.
 2. If an agency head determines at any time during an original probationary period that the services of a probationary employee are no longer required in that position for any reason or for no reason, the agency head may:
 - a. Dismiss the employee without a stated reason and without the right of appeal, providing the employee a letter of dismissal; or
 - b. Offer the employee another position for which the employee possesses the qualifications. An employee who accepts a position that is not in the covered service is an at will uncovered employee.

TITLE 2. ADMINISTRATION

CHAPTER 5. DEPARTMENT OF ADMINISTRATION - STATE PERSONNEL SYSTEM

- D.** Change in position. An original probation employee who is selected for another position in the covered service shall serve an original probation period in the new position.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4).

R2-5B-203. Promotional Probation

- A.** General. A permanent-status employee who is promoted to a position in the covered service shall serve a promotional probation period of six months.
- B.** Extension of probation.
1. An agency head may extend an employee's promotional probation up to six additional months for employment-related reasons.
 2. The probationary period shall be extended for any period for which a probationary employee is on leave without pay for more than 80 consecutive working hours. If promotional probation is extended for this reason, the employee's probation may exceed one year.
- C.** Completion of promotional probation.
1. In accordance with the rules in Subchapter 5A, Article 7, a supervisor shall evaluate a promotional probationary employee and submit a report to the agency head before expiration of the employee's probationary period. If the agency head takes no action to extend the probationary period, to revert or separate the employee, or offer the employee another position, the agency head shall grant permanent status to the employee upon completion of the probationary period.
 2. If an employee fails to complete a promotional probation successfully the agency head may revert the employee in the current employing agency to:
 - a. A vacant position in the class in which the employee held permanent status immediately before promotion, or
 - b. A similar position in another class at the same grade as the class that the employee holds permanent status if the employee possesses the qualifications for that position.
- D.** Discipline. Neither subsection (C)(2)(a) nor (b) shall preclude the imposition of disciplinary action.
- E.** Failure to complete promotional probation. An employee who is reverted shall not have the right to appeal.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4).

R2-5B-204. Permanent Status

- A covered employee who has successfully completed the employee's probationary period shall attain permanent status in the position.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4).

R2-5B-205. Change from Covered to Uncovered Service

- A.** Voluntary election. A covered employee may voluntarily elect to become an at will uncovered employee without a change in assignment. Such an election is subject to the approval of the head of the employing agency and the Director. If approved, the effective date of the employee's change to uncovered service shall be the first day of the pay period immediately following the Director's approval.

- B.** Change in assignment. Except for a special assignment, a covered employee who voluntarily accepts a change in assignment to a position that is not in the covered service, regardless of whether the voluntary change in assignment is a promotion, demotion, or lateral transfer, is an at will uncovered employee. The effective date of the employee's change to uncovered service shall be the same as the effective date of the change in assignment. A special assignment is not a change in assignment.
- C.** Return to state employment. A covered employee who has a break in service and returns to employment in an agency in the State Personnel System in any capacity shall be an at will uncovered employee, unless the appointment is to a position in the covered service.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4). Amended by exempt rulemaking at 19 A.A.R. 717 effective April 13, 2013 (Supp. 13-1).

ARTICLE 3. DISCIPLINARY ACTIONS**R2-5B-301. General**

- A.** Applicability. The rules under this Article are applicable only to covered employees.
- B.** Review by Director. Disciplinary actions for covered employees are subject to the review requirements outlined in R2-5A-801(D) and R2-5A-802.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4).

R2-5B-302. Reprimand

- A.** Authority. An agency head may issue a written reprimand to an employee for cause.
- B.** Reprimand Procedures. The agency head shall provide the employee with a written statement of the reasons for the reprimand and the employee's grievance rights.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4).

R2-5B-303. Suspension

- A.** Authority. An agency head may suspend an employee without pay for cause.
- B.** Limitation. Except as otherwise provided by statute or rule, suspensions shall not exceed a total of 30 working days during any 12-month period. The 12-month period begins with the first day of the first suspension.
- C.** Pre-suspension procedures for suspensions exceeding 80 working hours. Before an employee with permanent status can be suspended for more than 80 working hours, the agency head shall submit the proposed action to the Director for review as prescribed in R2-5A-802, give the employee written notice of the charges, a summary of the agency head's basis for the charges, and an opportunity for the employee to present a written response. The employee's response shall be made not later than three business days after the employee receives notice of the charges, unless extended in writing by the agency head.
- D.** Suspension procedures. The agency head shall provide the employee with a written statement of the reasons for the suspension. The statement shall specify the period of suspension and the employee's grievance or appeal rights.

R2-5B-304. Involuntary Demotion

- A. Authority. An agency head may involuntarily demote a permanent status employee for cause to any covered position in the employing agency, provided the employee possesses the qualifications for such position.
- B. Pre-demotion procedures. Before an employee with permanent status can be involuntarily demoted, the agency head shall submit the proposed action to the Director for review as prescribed in R2-5A-802, give the employee written notice of the charges, a summary of the agency head's basis for the charges, and an opportunity for the employee to present a written response. The employee's response shall be made not later than three business days after the employee receives notice of the charges, unless extended in writing by the agency head.
- C. Involuntary demotion procedures. Prior to the effective date of the involuntary demotion, a written notice containing specific reasons for the demotion and the employee's right of appeal shall be provided to the employee and the Director.
- D. Probation. Except as otherwise provided in these rules, an employee who is involuntarily demoted shall not be required to serve a probationary period in the position to which demoted.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4).

R2-5B-305. Dismissal

- A. Relief from duty. Nothing in this rule shall preclude the agency head from immediately placing an employee on administrative leave pending implementation of procedures under this Section, but no pay shall be withheld for such period.
- B. Dismissal during original probation. An employee on original probation may be dismissed without a stated reason and without the right of appeal.
- C. Pre-dismissal procedures. Before an employee with permanent status can be dismissed, the agency head shall submit the proposed action to the Director for review as prescribed in R2-5A-802, give the employee written notice of the charges, a summary of the agency head's basis for the charges, and an opportunity for the employee to present a written response. The employee's response shall be made not later than three business days after the employee receives notice of the charges, unless extended in writing by the agency head.
- D. Dismissal procedures. The agency head may dismiss an employee with permanent status only for cause but not before attempting to serve the employee personally or by registered or certified mail, return receipt requested (addressee only), with written notice of the specific reasons for dismissal in sufficient detail to inform the employee of the facts, with a copy to the Director. The agency head shall include a statement of the employee's right to appeal.
- E. Effective date of dismissal. The dismissal action is not effective until one of the following occurs:
 - 1. The employee signs for receipt of the dismissal letter personally served or served by mail;
 - 2. Three business days have passed since the letter was mailed to the employee; or
 - 3. An attempt is made to personally serve the dismissal letter, but the employee refuses to sign for the letter. Such attempt to personally serve the letter shall be witnessed.

ARTICLE 4. GRIEVANCES**R2-5B-401. Applicability**

The rules under this Article are applicable only to covered employees.

Historical Note

Section made by exempt rulemaking at 18 A.A.R. 2782, effective September 29, 2012 (Supp. 12-4).

R2-5B-402. Grievance System

- A. General. Each agency that has one or more covered employees shall:
 - 1. Adopt a grievance procedure which will afford each covered employee a systematic means of resolving an employee's disagreement with the receipt of a disciplinary action that is either:
 - a. A written reprimand, or
 - b. A suspension of:
 - i. 40 working hours or less if the employee is a full authority peace officer, or
 - ii. 80 working hours or less if the employee is a covered employee in any other capacity.
 - 2. Designate an employee of the agency to serve as the agency's grievance coordinator, who shall be responsible for receiving grievances, determining applicability under the grievance system, forwarding the grievance to the appropriate individual within the agency for review or investigation, and tracking the processing of grievances.
- B. Non-applicable matters. The adopted grievance procedure shall not apply to any matter for which another method of review is provided, including but not limited to:
 - 1. Retirement, Life Insurance, or Health Insurance;
 - 2. Any classification action;
 - 3. Any recruitment, selection, or appointment;
 - 4. Any compensation action;
 - 5. A disciplinary action that is either:
 - a. A suspension of:
 - i. More than 40 working hours if the employee is a full authority peace officer, or
 - ii. More than 80 working hours if the employee is a covered employee in any other capacity,
 - b. A demotion, or
 - c. A dismissal.
 - 6. A complaint alleging discrimination or harassment; or
 - 7. Any reduction in force action.
- C. Restrictions. An employee may not submit a grievance challenging the following management rights:
 - 1. An agency head's right to direct agency employees.
 - 2. An agency head's right to hire, promote, transfer, assign, and retain employees.
 - 3. An agency head's right to maintain efficiency of government operations and to determine the methods, means, and personnel by which these operations are to be conducted.
- D. Preparation. A grievant shall not be allowed the use of state time or state property to prepare a grievance, prepare for a meeting with agency management or to meet with a representative. Subject to supervisory approval, a grievant may request available compensatory or annual leave for this purpose.
- E. Steps. An agency's grievance procedure shall have two steps for review.

TITLE 2. ADMINISTRATION

CHAPTER 5. DEPARTMENT OF ADMINISTRATION - STATE PERSONNEL SYSTEM

1. As determined by the agency head, the first step in the grievance procedure shall be:
 - a. The employee's second line supervisor,
 - b. The assistant director or equivalent, or
 - c. Any level of management between (a) and (b).
 2. The final step in the grievance procedure shall be the agency head, or designee.
 3. An agency head may choose to incorporate an additional step in the agency grievance procedure after the first step review.
- F.** Amendments. Once a grievance is submitted to the first step, it may not be amended. If additional documentation is submitted by the grievant after the initiation of the grievance, the reviewing official may remand the grievance to the appropriate previous level for reconsideration.
- G.** Approval. Each agency head will submit the agency's proposed grievance procedure and any subsequent changes to the Director for approval.

R2-5B-403. Grievance Procedures

Content. The grievance procedure established in each state agency shall include as a minimum:

1. An initial statement that any complaint alleging unlawful discrimination or unlawful harassment will be reviewed or investigated according to the provisions of the separate complaint process outlined in Subchapter A, Article 9, and not the grievance system.
2. A requirement that the grievant have an oral discussion with the individual designated as the first step in the agency's grievance procedure in an attempt to resolve the employee's disagreement with the disciplinary action, prior to initiating the written grievance procedure.
3. A requirement that the employee file the grievance in writing with the agency grievance coordinator, within 10 business days after the occurrence of the action being grieved. The date of occurrence of a:
 - a. Reprimand is the date the reprimand was issued to the employee.
 - b. Suspension is the first day of suspension.
4. A requirement that the grievance contain a complete statement of all the facts and circumstances involved and the specific redress sought.
5. A provision that the grievant may select a representative at any step in the procedure after the oral discussion with the immediate supervisor.
6. A requirement that another state employee who serves as the representative of a grievant must receive approval for annual or compensatory leave to represent the grievant.
7. A requirement that the grievant must have a minimum of five business days after receipt of a response to forward the grievance at any step, must sign the grievance at each step, and must state the reasons why the response at the previous step was unsatisfactory.
8. A requirement that the agency head will respond to the grievant not later than 30 business days after receipt of the grievance at the first step. Within the 30 business day period, the time for any step may be extended by the agency head with the concurrence of the grievant.
9. A statement that the decision of the agency head is the final step in the grievance process.

R2-5B-602. Reduction in Force Procedures

- A. General.**
1. An agency head shall submit to the Director a proposal to conduct a reduction in force if required for one or more of the following reasons:
 - a. Lack of funds or work,
 - b. Abolition of one or more covered positions,
 - c. Material change in job duties or agency organization, or
 - d. Introduction of a cost reduction initiative.
 2. An agency head shall submit the proposal for a reduction in force at least 30 business days before the proposed effective date of the reduction in force. If circumstances beyond the agency's control do not permit at least 30 business days' notice, the agency head shall submit the

CHAPTER 5. DEPARTMENT OF ADMINISTRATION - STATE PERSONNEL SYSTEM

- proposal as soon as the agency head is aware of the necessity for a reduction in force.
3. An agency head shall include all of the following in the proposal for a reduction in force:
 - a. The reason for the reduction in force;
 - b. The proposed scope of the reduction in force, which shall be limited to either:
 - i. The agency,
 - ii. An organizational unit of the agency, or
 - iii. Agency operations within a geographic area,
 - c. Each specific covered position proposed for elimination and an organization chart identifying each position, and
 - d. The proposed effective date of the reduction in force.
 4. An agency head shall submit a proposal that is consistent with A.R.S. § 41-772 and this Section.
 5. An agency head shall not approve a personnel action that would have an effect on the reduction in force after the agency head has submitted a proposal for a reduction in force.
 6. An agency head shall not re-establish a position that was abolished as a result of a reduction in force for two years if the position was filled when the reduction in force occurred, unless the position was abolished due to fiscal constraints, legislative action, or court order.
- B. Administration of reduction in force.** The Director shall review and approve, modify or deny a reduction in force within 20 business days of receipt. Upon approval of the Director to conduct a reduction in force:
1. An agency head shall separate a covered employee who is not a permanent status employee in the class affected by the reduction in force in the following order before any reduction in force action is taken that affects a permanent status employee, provided the separation of the non-permanent status employee will accomplish, or assist in accomplishing, the purpose of the reduction in force:
 - a. Temporary employee,
 - b. Original probationary employee, and
 - c. Limited appointment employee.
 2. An agency head shall use retention points to identify a permanent status employee within a class series affected by a reduction in force for retention in the employee's current position, transfer, reduction, or separation based on the employee's relative standing on the retention point list.
 3. An agency head shall base retention points upon performance calculated in accordance with the instructions in subsections (C) and (D).
 4. An employee on promotional probation or special assignment shall compete for retention in the employee's permanent status class.
 5. An employee in an underfill position shall compete for retention in the employee's permanent status class.
 6. A permanent part-time employee shall compete for retention against another permanent part-time employee in the same class.
- C. Calculation of retention points.** An agency head shall compute the average score of a maximum of the three most recent performance evaluations in the 24 months concluded before the date of proposal for a reduction in force. An employee's average score shall be the employee's retention points. If an employee has not had a performance evaluation in the past 24 months, the employee shall receive 2.0 retention points.
- D. Resolution of ties.** An agency head shall break any tie in total retention points in the following manner and order:
1. The employee with the highest most recent performance evaluation shall be given preference.
 2. If a tie continues to exist, the agency head shall break the tie by lot.
- E. Offer of position.**
1. An agency head shall provide written notice at least five business days in advance to each employee identified for transfer, reduction, or separation. If circumstances beyond the agency's control do not permit at least five business days' notice, the agency head shall provide notice as soon as the agency head is aware of the necessity to transfer, reduce, or separate the employee.
 2. The notice shall include:
 - a. The reason for and effective date of the action;
 - b. A job offer, if any, including the salary, location of the position, and supervisor's name;
 - c. The availability of reduction in force procedures and records for review, with references to relevant statutes and rules; and
 - d. The employee's right to request a review of the determination as provided in R2-5B-603.
 3. An agency head shall offer a position to an employee identified for transfer, reduction, or separation with the highest number of points on the retention point list in descending order as follows:
 - a. If a vacant covered position exists and an employee possesses the required qualifications for the position, an agency head shall make the single best offer, in terms of pay range, within the agency of:
 - i. A regular position at the same or lower pay range in the same class series as the employee's present permanent status position;
 - ii. A regular position at the same or lower pay range in any class series in which the employee has held permanent status during the past five years; or
 - iii. If both positions described in subsections (E)(3)(a)(i) and (ii) are available, the position described in subsection (E)(3)(a)(i).
 - b. If the offer under subsection (E)(3)(a) is a position at a lower pay range, the agency head shall provide the employee the option of accepting a vacant covered:
 - i. Funded, regular position at the employee's present pay range in a class series in which the employee has never held permanent status for which the employee is qualified; or
 - ii. Temporary or part-time position at the employee's present pay range for which the employee is qualified.
 4. An employee shall possess the qualifications required when the position was last filled, unless the Director grants an exception.
 5. Any job offer shall contain a time period of not less than three business days in which the employee may accept the offer. Failure of an employee to reply in writing within the stated time period, or failure to accept the job offer, shall constitute a resignation. An employee may accept a job offer and retain the right to request a review of the determination.
 6. If no position exists, the agency head may separate the employee.

R2-5B-603. Employee Request for Review

- A.** An employee may request a review of the following determinations made during a reduction in force:
1. Calculation of the employee's retention points,
 2. A job offer resulting in the employee's transfer or reduction, and
 3. Notification of the employee's separation.
- B.** Within three business days of receipt of a determination notice, unless a longer period is authorized by an agency head,

an employee may submit a written request to the agency head for a review of the determination. The request for review shall be based upon an error, contain specific information concerning the error involved, and include a proposed resolution of the problem.

- C.** The agency head shall review the request and respond to the employee within five business days after receipt of the request.
- D.** An agency head may postpone any portion of a reduction in force until completion of an employee request for review.

STATUTORY AUTHORITY FOR THE RULES IN 2 A.A.C. 5
SUBCHAPTER A; ARTICLES 1, 4 AND 6
SUBCHAPTER B; ARTICLE 1

January 2025

41-703. Duties of director

The director shall:

1. Be directly responsible to the governor for the direction, control and operation of the department.
2. Provide assistance to the governor and legislature as requested.
3. Adopt rules the director deems necessary or desirable to further the objectives and programs of the department.
4. Formulate policies, plans and programs to effectuate the missions and purposes of the department.
5. Employ, determine the conditions of employment and prescribe the duties and powers of administrative, professional, technical, secretarial, clerical and other persons as may be necessary in the performance of the department's duties and contract for the services of outside advisors, consultants and aides as may be reasonably necessary.
6. Make contracts and incur obligations within the general scope of the department's activities and operations subject to the availability of monies.
7. Contract with or assist other departments, agencies and institutions of the state, local and federal governments in the furtherance of the department's purposes, objectives and programs.
8. Accept and disburse grants, gifts, donations, matching monies and direct payments from public or private agencies for the conduct of programs that are consistent with the overall purposes and objectives of the department.
9. Establish and maintain separate financial accounts as required by federal law or regulations.
10. Advise and make recommendations to the governor and the legislature on all matters concerning the department's objectives.
11. Delegate the administrative functions, duties and powers as the director deems necessary to carry out the efficient operation of the department.

41-743. Powers and duties of the director

- A. The director is responsible for the direction and control of personnel administration.
- B. The director shall:
 - 1. Employ staff as necessary to perform the duties prescribed by this article.
 - 2. Establish those offices as the director determines necessary to maintain an effective and efficient program of personnel administration.
 - 3. Adopt rules and procedures relating to personnel and personnel administration for both covered and uncovered employees. The rules shall include:
 - (a) The establishment and maintenance of classification and compensation plans.
 - (b) The recruitment, selection and appointment process of eligible applicants.
 - (c) Leave benefits and administration.
 - (d) Procedures for the periodic and regular review and evaluation of the quality and quantity of work performed by employees.
 - (e) Changes to employment status.
 - (f) Procedures for the review of complaints if the complaint contains an allegation of discrimination or harassment.
 - (g) Procedures requiring review by the director of dismissals, suspensions for more than eighty working hours or involuntary demotions before administering the action.
 - (h) Grievance rights specific to covered employees.
 - (i) Appeal rights and other rules specific to covered employees.
 - (j) Any other aspects of personnel administration as determined by the director.
 - 4. Provide an annual report and recommendation to the legislature and the joint legislative budget committee as provided in section 41-751.
 - 5. Establish a mandatory program of personnel management training for all employees with supervisory responsibility that is appropriate to the nature and scope of the employees' responsibilities. The director may waive the mandatory training on a case by case basis. The training shall include at least the following subjects:
 - (a) Basic employee supervision.
 - (b) Employee performance evaluations.

(c) Employee discipline.

(d) Other subjects as the director determines.

6. Provide consultation to state agency management in all aspects of personnel management to increase efficiency and economy in state agencies by improving the methods of personnel administration with full recognition of the requirements and needs of management.

C. The director may:

1. Delegate specific personnel functions to a state agency head consistent with legal requirements.

2. Enter into agreements with any state agency or political subdivision of this state or any agency of a political subdivision of this state to furnish personnel administration services and facilities of the department. Unless monies have been appropriated by the legislature for this purpose, any agreement shall provide for reimbursement to this state of the actual cost of the services and facilities furnished, as determined by the department.

3. Subject to legislative appropriation, contract for the services of consultants necessary to perform the annual salary plan and salary plan adjustment recommendations.

D. Subsection B, paragraph 3, subdivision (g) of this section relating to review by the director for certain disciplinary actions does not apply to those employees listed in section 41-742, subsection F.

41-771. Powers and duties of director relating to employees in covered service

The director shall adopt rules and procedures that are applicable only to employees in covered service. The rules and procedures shall provide for:

1. The continuation of a probationary period for probationary employees.

2. A minimum period of original probationary service following the initial appointment of a full authority peace officer as certified by the Arizona peace officer standards and training board or the initial appointment of a correctional captain, correctional lieutenant, correctional sergeant, correctional corporal, correctional officer I, correctional officer II, correctional officer III, correctional officer IV, community corrections unit supervisor, community corrections group supervisor or community corrections officer. During an original probationary period, the probationary employee shall perform the actual duties of the position and may be discharged without cause. The director shall establish a period of promotional probation service.

3. Disciplinary action to be taken against an employee only if cause exists.

4. Reduction in force by reason of lack of monies or work, abolition of a position or a material change in duties or organization as provided in section 41-772.

5. The continuation of the same annual leave accrual rate and the maximum number of annual leave hours that may carry over into a new calendar year as an uncovered employee for an employee of the state department of corrections who is employed on September 14, 2024 as a correctional captain, correctional lieutenant, correctional sergeant, correctional corporal, correctional officer IV, community corrections unit supervisor or community corrections group supervisor.

GOVERNOR'S REGULATORY REVIEW COUNCIL

ATTORNEY MEMORANDUM - EXPEDITED RULEMAKING

MEETING DATE: May 6, 2025

TO: Members of the Governor's Regulatory Review Council (Council)

FROM: Council Staff

DATE: April 22, 2025

SUBJECT: **BOARD OF ACCOUNTANCY**
Title 4, Chapter 1

Amend: R4-1-229, R4-1-345, R4-1-454, R4-1-455

Summary:

This Expedited rulemaking from the Arizona Board of Accountancy (Board) seeks to amend four (4) rules in Title 4, Chapter 1 related to CPA Examination, Certification and Registration, and Regulation. Specifically, the amendments will do the following:

- R4-1-229
 - Amendments are strictly grammatical fixes.
- R4-1-345
 - Amendments will remove reference to the fee amount that was in place from July 1, 2020 to June 30, 2024 and will remove reference that the fee amount will revert back to \$300 on July 1, 2024. The Board has indicated that this was a temporary discount enacted by the Board and because this discount expired in June 2024, the reference is no longer needed. The Board is not increasing or adding any additional fees.

- R4-1-454
 - Amendments will update the incorporation by reference for the AICPA Professional Standards by the American Institute of Certified Public Accountants. Council Staff believes that the updated incorporation by reference meets the requirements of A.R.S. § 41-1028. Additionally, the Board is proposing to amend the rule to further specify what documents a firm must have accessible to the Accounting Board.
- R4-1-455
 - Amendments will update the incorporation by reference to the American Institute of Certified Public Accountants' (AICPA's) Code of Professional Conduct.

1. Do the rules satisfy the criteria for expedited rulemaking pursuant to A.R.S. § 41-1027(A)?

To qualify for expedited rulemaking, the rulemaking must not increase the cost of regulatory compliance, increase a fee, or reduce procedural rights of persons regulated and meet one or more criteria listed in A.R.S. § 41-1027(A). The Board indicates the rules satisfy the criteria for expedited rulemaking under A.R.S. § 41-1027 (A)(6), amends or repeals rules that are outdated, redundant or otherwise no longer necessary for the operation of state government and (A)(3), corrects typographical errors, makes address or name changes or clarifies language of a rule without changing its effect. The Board is removing an outdated reference in R4-1-345, which meets the requirements of A.R.S. § 41-1027(A)(6) and updates the incorporation by reference. The other changes are grammatical and fall under A.R.S. § 41-1027(A)(3). Council Staff believes that the Board has satisfied the criteria found in A.R.S. § 41-1027(A).

2. Are the rules legal, consistent with legislative intent, and within the agency's statutory authority?

The Board cites both general and specific statutory authority for these rules.

3. Does the agency adequately address the comments on the proposed rules and any supplemental proposals?

The Board indicates that they did not receive any comments related to this rulemaking.

4. Are the final rules a substantial change, considered as a whole, from the proposed rules and any supplemental proposals?

The Board indicates that they have made five changes between the proposed expedited rulemaking to the final rulemaking now before the Council. The changes are as follows:

- R4-1-454(A)

- The Board has indicated the previous language included “issued in April 2019”. The Board removed the language because the publish date was already listed and the Board believed the language to be duplicative.
- R4-1-454(B)(6)
 - Added the word Date at the beginning of the sentence because the date is the information the Board needs as opposed to the entirety of the letter.
- R4-1-454(B)(8)
 - Removed the if applicable language between “and” and “due date”, along with removing the word actions after “action and”. The Board removed because they did not consider the language to be necessary.
- R4-1-454(B)(9)
 - Added the word date at the beginning, and removed the term “if applicable” because the term is not necessary. The Board indicated that the clarification was needed because the objective information that the AICPA is able to provide is the date of the peer review or corrective action extension letters, not the letters themselves.
- R4-1-454(B)(10)
 - Added the word date at the beginning. The Board has indicated that the reason for this clarification is to show that the objective information that the AICPA is able to provide is the date of the letter acknowledging the peer review was scheduled, not the letter itself.

5. Are the rules more stringent than corresponding federal law and, if so, is there statutory authority to exceed the requirements of federal law?

The Board states there is no corresponding federal law related to this rulemaking.

6. Do the rules require a permit or license and, if so, does the agency comply with A.R.S. § 41-1037?

The Board indicates that these rules do not require a permit, license, or agency authorization.

7. Does the preamble disclose a reference to any study relevant to the rules that the agency reviewed and either did or did not rely upon?

The Board did not review or rely on any study during the course of this rulemaking.

8. Conclusion

This Expedited rulemaking from the Arizona Board of Accountancy seeks to amend four rules in Title 4, Chapter 1 related to CPA Examination, Certification and Registration, and Regulation. Specifically, the Board is amending the rules to make grammatical changes, remove reference to an expired fee, and to update incorporations by reference.

As indicated above, this rulemaking satisfies the criteria of an expedited rulemaking pursuant to ARS § 41-1027(A). Pursuant to A.R.S. § 41-1027(H), an expedited rulemaking becomes effective immediately on the filing of the approved Notice of Final Expedited Rulemaking with the Secretary of State.

Council staff recommends approval of this rulemaking.

Re: Request for Approval - Notice of Final Expedited Rulemaking

Council Members:

I am pleased to submit the Notice of Final Expedited Rulemaking on behalf of the Arizona Board of Accountancy. This submission is meant to supersede the submission provided to the Governor's Regulatory Review Council (GRRC) on March 7, 2025. Pursuant to Arizona Administrative Code (A.A.C.) R1-6-202(A)(1), I have addressed the following:

- a. **The close of record date** – January 27, 2025
- b. **Explanation of how the expedited rules meet the criteria in Arizona Revised Statutes (A.R.S.) § 41-1027(A):**
 - a. **A.A.C R4-1-229. Conditioned Credit**
 - i. **Summary of Changes:** Clerical errors were recently identified in this rule. For example, in subsection B, in the last sentence, an incorrect indefinite article is used before "30-month period." Additionally, the most recent edition of the Secretary of State's Rulemaking Manual advises that agencies not use "(s)" in rule language to signify that the subject may be singular or plural. Adjustments are made to reflect this stylistic preference.
 - ii. **Compliance with A.R.S. § 41-1027(A):** These changes do not increase the cost of regulatory compliance, increase a fee, or reduce procedural rights of persons regulated. Furthermore, it corrects typographical errors, which is a permitted justification pursuant to paragraph three of the statute.
 - b. **A.A.C. R4-1-345. Registration; Fees**
 - i. **Summary of Changes:** From July 1, 2020 to June 30, 2024, the Board instituted a temporary biennial fee discount of \$25 for CPAs renewing their certificate, which saved the regulated community approximately \$500,000. The fee discount expired on July 1, 2024 and the fee has returned to the normal amount of \$300 as a matter of law. Because of this, there is no longer any reason or use to keep the

The Americans with Disabilities Act

language found in A.A.C. R4-1-345(C)(2)(a)(i) and (ii) that permitted the fee discount, and it should be omitted.

- ii. **Compliance with A.R.S. § 41-1027(A):** These changes do not increase the cost of regulatory compliance, increase a fee, or reduce the procedural rights of persons regulated. Furthermore, it amends or repeals rules that are outdated, redundant, or otherwise no longer necessary for the operation of state government, pursuant to paragraph eight of the statute.

c. **A.A.C. R4-1-454. Peer Review**

- i. **Summary of Changes:** There are two changes that the Board is pursuing as it relates to this rule:

- 1. **Subsection A:** The Board would like to perform its annual update of the incorporation by reference of the Standards for Performing and Reporting on Peer Reviews.¹ A.R.S. § 41-1028(B) requires that a reference in rule fully identify an incorporated matter by location, date and state that the rule does not include any later amendments or editions of the incorporated matter, hence the Board's need to annually update.

- 2. **Subsection B:** The proposed updates permit the Board to see additional information in the American Institute of Certified Public Accountants' (AICPA's)² Facilitated State Board Access (FSBA). The AICPA's FSBA is a system that allows boards of accountancy across the nation to see the status and documentation related to a firm's peer review. The information that this Board is requesting access to view is already contained in the FSBA and would not put an additional burden on CPA firms. In fact, it would save firms time from having to address questions by Board staff that can be independently accessed in the FSBA without any inquiry of the firm. The information would be used to assist the Board in understanding the firm's progress in the peer review program.

- ii. **Compliance with A.R.S. § 41-1027(A):** The Board meets the requirements of this statute as these changes do not increase the cost of regulatory compliance, increase a fee, or reduce procedural rights of persons regulated. Furthermore, it amends a rule that is outdated, which is a permitted justification pursuant to paragraph six of the statute. The AICPA's standards publication is updated on a yearly basis, and the timely updating of these standards ensures that CPAs are regulated by the same standards that industry has implemented. Untimely implementation may lead to ineffective regulation, which may harm the public.

¹ Peer reviews are periodic quality reviews that CPA firms undergo to educate them as to whether complex engagements (e.g., audits) are performed in accordance with applicable standards.

² The AICPA is a national membership organization representing the interest of CPAs in the United States. The AICPA promulgates a code of professional conduct for CPAs to follow and it oversees the peer review program, which is administered by certain entities across the country.

d. A.A.C. R4-1-455. Professional Conduct and Standards

- i. **Summary of Changes:** The Board would like to perform its annual update of the incorporation by reference of the AICPA's Code of Professional Conduct (the Code)³. A.R.S. § 41-1028(B) requires that a reference in rule fully identify an incorporated matter by location, date and state that the rule does not include any later amendments or editions of the incorporated matter, hence the Board's need to annually update.
- ii. **Compliance with A.R.S. § 41-1027(A):** The Board meets the requirements of this statute as this change does not increase the cost of regulatory compliance, increase a fee, or reduce procedural rights of persons regulated. Furthermore, it amends a rule that is outdated, which is a permitted justification pursuant to paragraph six of the statute. The AICPA's standards publication is updated on a yearly basis, and the timely updating of these standards ensures that CPAs are regulated by the same standards that industry has implemented. Untimely implementation may lead to ineffective regulation, which may harm the public.

c. **Whether the rulemaking activity relates to a five-year rule review report and, if applicable, the date the report was approved by Council** – This rulemaking does not relate to a five-year rule review report.

d. **A certification that the preamble discloses a reference to any study relevant to the rules that the agency reviewed and either did or did not rely on in the agency's evaluation or justification for the rule** – I certify that the Board did not review or rely on any study for this rulemaking.

e. **A list of all the documents enclosed:**

- a. Approvals from the Governor's Office to proceed with expedited rulemaking,
- b. Notice of Final Expedited Rulemaking (including preamble),
- c. Material incorporated by reference, and
- d. General and specific statutes authorizing the rules.

Thank you for your consideration and approval of the Board's Notice of Final Expedited Rulemaking.

Sincerely,

Monica L. Petersen
Executive Director

3. Citations to the agency's statutory rulemaking authority to include the authorizing statute (general) and the implementing statute (specific):

Authorizing statute: A.R.S. § 32-703(B)(7) and (13)

Implementing statute: A.R.S. § 32-703(B)(8)

4. The effective date of the rule:

The rules are effective the day the Notice of Final Expedited Rulemaking is filed with the Office of the Secretary of State.

5. Citations to all related notices published in the Register as specified in R1-1-409(A) that pertain to the current record of the final expedited rule:

Notice of Rulemaking Docket Opening: 30 A.A.R. 3780, Issue Date: December 13, 2024, Issue Number: 50, File number: R24-269

Notice of Proposed Expedited Rulemaking: 30 A.A.R. 3774, Issue Date: December 13, 2024, Issue Number: 50, File number: R24-268

6. The agency's contact person who can answer questions about the rulemaking:

Name: Monica L. Petersen
Title: Executive Director
Address: Arizona State Board of Accountancy
 100 N. 15th Ave., Suite 165
 Phoenix, AZ 85007
Telephone: (602) 364-0870
Fax: (602) 364-0903
Email: mpetersen@azaccountancy.gov

7. An agency's justification and reason why a rule should be made, amended, repealed or renumbered, to include an explanation about the rulemaking:

R4-1-229. Clerical errors were recently identified in this rule. For example, in subsection B, in the last sentence, an incorrect indefinite article is used before "30-month period." Additionally, the most recent edition of the Secretary of State's Rulemaking Manual advises that agencies not use "(s)" in rule language to signify that the subject may be singular or plural. Amendments are made to this rule to use the correct indefinite article and to reflect the rule language preferences of the Secretary of State's office.

R4-1-345. From July 1, 2020 to June 30, 2024, the Board instituted a temporary biennial fee discount of \$25 for CPAs renewing their certificate, which saved the regulated community approximately \$500,000. The fee discount expired on July 1, 2024. Therefore, the fee has returned to the normal amount of \$300 as a matter of law. Because of this, there is no longer any reason or use to keep the language found in A.A.C. R4-1-345(C)(2)(a)(i) and (ii) that permitted the fee discount. Accordingly, the amendments to this rule remove that purposeless language.

R4-1-454. The first change related to this rule (subsection A) is the updating of the Board's incorporation by reference of the Standards for Performing and Reporting on Peer Reviews. A.R.S. § 41-1028(B) requires that a reference in rule fully identify an incorporated matter by location, date, and state that the rule does not include any later amendments or editions of the incorporation, hence the Board's need to annually update. Peer reviews are periodic quality reviews that CPA firms undergo to educate them as to whether complex engagements (e.g., audits) are performed in accordance with applicable standards. The regulated community already uses the latest version of the standards and the Board endeavors to keep its incorporation by reference up-to-date accordingly.

The second change related to this rule (subsection B) permits the Board to see additional information in the American Institute of Certified Public Accountants' (AICPA's) Facilitated State Board Access (FSBA). The AICPA's FSBA is a system that allows boards of accountancy across the nation to see the status and documentation related to a firm's peer review. The information that this Board is requesting access to view is already contained in the FSBA and would not put an additional burden on CPA firms. In fact, it would save firms time from having to address questions by Board staff that can be independently accessed in the FSBA without any inquiry of the firm. The information would be used to assist the Board in understanding the firm's progress in the peer review program.

R4-1-455. The Board seeks to update its incorporation by reference of the AICPA's Code of Professional Conduct. A.R.S. § 41-1028(B) requires that a reference in rule fully identify an incorporated matter by location, date, and state that the rule does not include any later amendments or editions of the incorporation, hence the Board's need to annually update. The updating of this references is essential to the Board's public safety mission. The AICPA's standards publication is updated on a yearly basis, and the timely updating of these standards ensures that CPAs are regulated by the same standards that industry has implemented. Untimely implementation may create confusion for registrants and complainants, and ultimately lead to ineffective regulation, which may harm the public we must protect.

8. A reference to any study relevant to the rule that the agency reviewed and either relied on or did not rely on in its evaluation of or justification for the rule, where the public may obtain or review each study, all data underlying each study, and any analysis of each study and other supporting material:

Not applicable.

9. A showing of good cause why the rulemaking is necessary to promote a statewide interest if the rulemaking will diminish a previous grant of authority of a political subdivision of this state:

Not applicable.

10. A statement that the agency is exempt from the requirements under A.R.S. § 41-1055(G) to obtain and file a summary of the economic, small business, and consumer impact under A.R.S. § 41-1055(D)(2):

This rulemaking is exempt from the requirements to obtain and file an economic, small business, and consumer impact under A.R.S. § 41-1055(D)(2).

11. A description of any change between the proposed expedited rulemaking, to include a supplemental proposed notice, and the final rulemaking:

Between the proposed expedited rulemaking and the final expedited rulemaking, there have been the following minor technical changes:

1. R4-1-454(A) – “... *issued April 2019 and...*” is being recommended for deletion as we do not believe it is necessary for the incorporation by reference. This change does not substantively affect the rule in question.
2. R4-1-454(B)(6) – In further consultation with the Technical Director of Peer Review at the AICPA, it has been clarified that the objective information that the AICPA is able to provide is the date of the most current peer review program enrollment or reenrollment letter, not the letter itself. The language is amended to correct that error. This change does not substantively affect the rule in question.
3. R4-1-454(B)(8) – “... *if applicable,...*” contained in the middle of this provision is being recommended for deletion as we do not believe it is necessary language for the rule. Furthermore, “... *action and actions,*” at the end of the provision has been simplified to just “actions”. These changes do not substantively affect the rule in question.
4. R4-1-454(B)(9) – In further consultation with the Technical Director of Peer Review at the AICPA, it has been clarified that the objective information that the AICPA is able to provide is the date of the peer review or corrective action extension letters, not the letters themselves. The language is amended to correct that error. Furthermore, the “... *if applicable*” at the end of the provision has been removed as it is unnecessary. These changes do not substantively affect the rule in question.
5. R4-1-454(B)(10) – In further consultation with the Technical Director of Peer Review at the AICPA, it has been clarified that the objective information that the AICPA is able to provide is the date of the letter acknowledging the peer review was scheduled, not the letter itself. The language is amended to correct that error. This change does not substantively affect the rule in question.

12. An agency’s summary of the public or stakeholder comments made about the rulemaking and the agency response to the comments:

The Board did not receive any public or stakeholder comments regarding the rulemaking.

13. All agencies shall list other matters prescribed by statute applicable to the specific agency or to any specific rule or class of rules. Additionally, an agency subject to Council review under A.R.S. §§ 41-1052 and 41-1055 shall respond to the following questions:

a. Whether the rule requires a permit, whether a general permit is used and if not, the reasons why a general permit is not used:

The rules do not require a permit.

b. Whether a federal law is applicable to the subject of the rule, whether the rule is more stringent than federal law and if so, citation to the statutory authority to exceed the requirements of federal law:

There is no federal law regarding CPAs or any other subjects of the rules.

c. Whether a person submitted an analysis to the agency regarding the rule's impact on the competitiveness of businesses in this state as compared to the competitiveness of businesses in other states under A.R.S. § 41-1055(I). If yes, include the analysis with the rulemaking package.

No analysis was submitted.

14. List all incorporated by reference material as specified in A.R.S. § 41-1028 and include a citation where the material is located:

R4-1-455(A) - Code of Professional Conduct

<https://pub.aicpa.org/codeofconduct/ethicsresources/et-cod.pdf>

15. Whether the rule was previously made, amended or repealed as an emergency rule. If so, cite the notice published in the *Register* as specified in R1-1-409(A) state where the text was changed between the emergency and the final expedited rulemaking package:

The rules were not previously made as an emergency rule.

Article 2 – CPA Examination

R4-1-229. Conditioned Credit

- A. An applicant is allowed to sit for each section individually and in any order. An applicant is given conditioned credit for each section of the examination passed. Effective retroactively from and after January 1, 2024, a conditioned credit is valid for 30 months from the score release date of the examination. Upon written request to the Board and showing good cause, an applicant may be granted by the Board a 90-day extension to a conditioned credit.
- B. Transfer of conditioned credit. The Board shall give an applicant credit for all sections of an examination passed in another jurisdiction if the credit has been conditioned. If an applicant transfers conditioned credit from another jurisdiction, the applicant shall pass the remaining sections of the examination within the 30-month period from the score release date that the first section was passed. An applicant who fails to pass all sections of the Uniform CPA Examination within 30 months shall retake previously passed sections of the Uniform CPA Examination to ensure passage of all sections within ~~an~~ a 30-month period.
- C. Any candidate who had exam credit expire between January 30, 2020, and May 11, 2023, during the National Public Health Emergency declared by the United States Department of Health and Human Services which have not been subsequently replaced by new credits for the same sections and any candidate with Uniform CPA Examination ~~credit(s)~~ credit on January 1, 2024 will have such ~~credit(s)~~ credit extended to June 30, 2025.

Article 3 – Certification and Registration

R4-1-345. Registration; Fees

- A. Initial registration: After the Board approves an applicant’s request for certification or firm registration, the registrant shall file a registration in a format prescribed by the Board and pay a registration fee under subsection (C).
- B. Renewal registration: A registrant shall file an application for renewal registration in a format prescribed by the Board no later than 5:00 p.m. on the last business day of the month. A renewal registration is deemed filed on the date and time received in the Board office. The Board shall record the date and time either by electronic date stamp in Arizona time or on physical receipt in the board’s office. The Board shall not accept a postmark as evidence of timely filing. It is the sole responsibility of the registrant to complete the renewal registration requirements at the following times:
 - 1. Individual registrant: An individual registrant shall renew registration at the following times:
 - a. A registrant born in an even-numbered year shall renew registration during the month of birth in each even-numbered year.
 - b. A registrant born in an odd-numbered year shall renew registration during the month of birth in each odd-numbered year.
 - 2. Firm registrant: A firm shall renew registration at the following times:
 - a. A business organization firm that initially registered with the Board in an even-numbered year shall renew registration during the board-approved month of the initial registration in each even-numbered year.
 - b. A business organization firm that initially registered with the Board in an odd-numbered year shall renew registration during the board-approved month of the initial registration in each odd-numbered year.
 - c. An individual or a sole proprietorship firm shall renew its registration pursuant to paragraph (B)(1).
- C. Registration fees:
 - 1. Initial Registration Fee –
 - a. Certification – \$300 and, if applicable, a late fee of \$50.
 - b. The registration fee shall be prorated by month for an initial registration period of less than two years.

2. Biennial Registration Fee –
 - a. Certification – \$300 and, if applicable, a late fee of \$50.
 - i. ~~For registrations due during the period from July 1, 2020 to June 30, 2024, the biennial registration fee will be reduced temporarily to \$275.~~
 - ii. ~~For registrations due beginning July 1, 2024, the biennial registration fee will revert to \$300.~~
 - b. Firm Registration – \$300 and, if applicable, a late fee of \$50. Under A.R.S. § 32-729, the Board shall not charge a fee for the registration of additional offices of the same firm or for the registration of a sole practitioner.

Article 4 – Regulation

R4-1-454. Peer Review

- A. Each firm, review team, and member of a review team shall comply with the Standards for Performing and Reporting on Peer Reviews, ~~issued April 2019 and published June 1, 2023~~ June 15, 2024 in the AICPA Professional Standards by the American Institute of Certified Public Accountants, 220 Leigh Farm Road, Durham, North Carolina 27707-8110 (www.aicpa.org), which is incorporated by reference. This incorporation by reference does not include any later amendments or editions. The incorporated material is available for inspection and copying at the Board’s office.
- B. A firm ~~must~~ shall allow the sponsoring organization to make the following documents and objective information accessible to the Board via the FSBA process:
 1. Peer review report which has been accepted by the sponsoring organization,
 2. Firm’s letter of response accepted by the sponsoring organization, if applicable,
 3. ~~Completion~~ The acceptance letter from the sponsoring organization,
 4. Letter or letters accepting the documents signed by the firm with the understanding that the firm agrees to take any actions required by the sponsoring organization, if applicable, ~~and~~
 5. Letter signed by the sponsoring organization notifying the firm that required actions have been appropriately completed, if applicable;
 6. Date of the most current peer review program enrollment or reenrollment letter.
 7. Firm representation to the sponsoring organization that it has not performed engagements subject to peer review in the last 12 months, if applicable.
 8. Due date of the current peer review and due date on any open corrective actions.
 9. Date of the peer review or corrective action extension letters.
 10. Date of the letter acknowledging the peer review was scheduled, and
 11. Estimated dates of the peer review commencement and presentation to a report acceptance body.
- C. Information discovered solely as a result of a peer review is not grounds for suspension or revocation of a certificate.
- D. Firms that reorganize a current firm, rename a firm, or create a new firm, within which at least one of the prior CPA owners remains an owner or employee, shall remain subject to the provisions of this Section. If a firm is merged, combined, dissolved, or separated, the sponsoring organization shall determine which resultant firm shall be considered the succeeding firm. The succeeding firm shall retain its peer review status and the review due date.

R4-1-455. Professional Conduct and Standards

- A. It is the Board’s policy that the rules governing registrants be consistent with the rules governing the accounting profession generally. Except as otherwise set forth in these regulations, registrants shall conform their conduct to the Code of Professional Conduct,

published ~~June 1, 2023~~ June 15, 2024 in the AICPA Professional Standards by the American Institute of Certified Public Accountants, 220 Leigh Farm Road, Durham, North Carolina 27707-8110 (www.aicpa.org), available from the AICPA.

- B.** The AICPA Code of Professional Conduct, and any interpretations and ethical rulings by the issuing body, shall apply to all registrants, including those who are not members of the AICPA. The version specified above, including any interpretations and ethical rulings in effect shall apply. Any later amendments, additions, interpretations, or ethical rulings shall not apply.

32-703. Powers and duties; rules; executive director; advisory committees and individuals

A. The primary duty of the board is to protect the public from unlawful, incompetent, unqualified or unprofessional certified public accountants through certification, regulation and rehabilitation.

B. The board may:

1. Investigate complaints filed with the board or on its own motion to determine whether a certified public accountant has engaged in conduct in violation of this chapter or rules adopted pursuant to this chapter.
2. Establish and maintain high standards of competence, independence and integrity in the practice of accounting by a certified public accountant as required by generally accepted auditing standards and generally accepted accounting principles and, in the case of publicly held corporations or enterprises offering securities for sale, in accordance with state or federal securities agency accounting requirements.
3. Establish reporting requirements that require registrants to report:
 - (a) The imposition of any discipline on the right to practice before the federal securities and exchange commission, the internal revenue service, any state board of accountancy, other government agencies or the public company accounting oversight board.
 - (b) Any criminal conviction, any civil judgment involving negligence in the practice of accounting by a certified public accountant and any judgment or order as described in section 32-741, subsection A, paragraphs 7 and 8.
4. Establish basic requirements for continuing professional education of certified public accountants, except that the requirements shall not exceed eighty hours in any registration renewal period.
5. Adopt procedures concerning disciplinary actions, administrative hearings and consent decisions.
6. Issue to qualified applicants certificates executed for and on behalf of the board by the signatures of the president and secretary of the board.
7. Adopt procedures and rules to administer this chapter.
8. Require peer review pursuant to rules adopted by the board on a general and random basis of the professional work of a registrant engaged in the practice of accounting.
9. Subject to title 41, chapter 4, article 4, employ an executive director and other personnel that it considers necessary to administer and enforce this chapter.
10. Appoint accounting and auditing, tax, peer review, law, certification, continuing professional education or other committees or individuals as it considers necessary to advise or assist the board or the board's executive director in administering and enforcing this chapter. These committees and individuals serve at the pleasure of the board.
11. Take all action that is necessary and proper to effectuate the purposes of this chapter.
12. Sue and be sued in its official name as an agency of this state.
13. Adopt and amend rules concerning the definition of terms, the orderly conduct of the board's affairs and the effective administration of this chapter.
14. Delegate to the executive director the authority to:
 - (a) Approve an applicant to take the uniform certified public accountant examination pursuant to section 32-723.

- (b) Issue a certificate of certified public accountant pursuant to section 32-721.
- (c) Approve an application for firm registration pursuant to section 32-731.
- (d) Approve a registrant's name change and reissue a certificate of certified public accountant due to the name change.
- (e) Approve a registrant's cancellation request pursuant to section 32-730.02.
- (f) Approve a request for retired status pursuant to section 32-730.04.
- (g) Approve reactivation from inactive status or retired status pursuant to section 32-732.
- (h) Approve compliance with peer review requirements pursuant to this section.
- (i) Approve compliance with continuing professional education audits.
- (j) Approve continuing professional education compliance with decisions and orders.
- (k) Terminate decisions and orders based on a registrant's successful completion of all order requirements.
- (l) Approve a request for continuing professional education reciprocity.

C. The board or an authorized agent of the board may:

1. Issue subpoenas to compel the attendance of witnesses or the production of documents. If a subpoena is disobeyed, the board may invoke the aid of any court in requiring the attendance and testimony of witnesses and the production of documents.
2. Administer oaths and take testimony.
3. Cooperate with the appropriate authorities in other jurisdictions in investigation and enforcement concerning violations of this chapter and comparable statutes of other jurisdictions.
4. Receive evidence concerning all matters within the scope of this chapter.

The release of this Chapter in Supp. 24-3 replaces Supp. 23-2, 1-17 pages.

Please note that the Chapter you are about to replace may have rules still in effect after the publication date of this supplement. Therefore, all superseded material should be retained in a separate binder and archived for future reference.

PREFACE

Under Arizona law, the Department of State, Office of the Secretary of State (Office), Administrative Rules Division, accepts state agency rule notice and other legal filings and is the publisher of Arizona rules. The Office of the Secretary of State does not interpret or enforce rules in the *Administrative Code*. Questions about rules should be directed to the state agency responsible for the promulgation of the rule.

Scott Cancelosi, Director
ADMINISTRATIVE RULES DIVISION

RULES

The definition for a rule is provided for under A.R.S. § 41-1001. “Rule’ means an agency statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedures or practice requirements of an agency.”

THE ADMINISTRATIVE CODE

The *Arizona Administrative Code* is where the official rules of the state of Arizona are published. The *Code* is the official codification of rules that govern state agencies, boards, and commissions.

The *Code* is separated by subject into Titles. Titles are divided into Chapters. A Chapter includes state agency rules. Rules in Chapters are divided into Articles, then Sections. The “R” stands for “rule” with a sequential numbering and lettering outline separated into subsections.

Rules are codified quarterly in the *Code*. Supplement release dates are printed on the footers of each Chapter.

First Quarter: January 1 - March 31

Second Quarter: April 1 - June 30

Third Quarter: July 1 - September 30

Fourth Quarter: October 1 - December 31

For example, the first supplement for the first quarter of 2022 is cited as Supp. 22-1. Supplements are traditionally released three to four weeks after the end of the quarter because filings are accepted until the last day of the quarter.

Please note: The Office publishes by Chapter, not by individual rule Section. Therefore there might be only a few Sections codified in each Chapter released in a supplement. This is why the Office lists only updated codified Sections on the previous page.

RULE HISTORY

Refer to the HISTORICAL NOTE at the end of each Section for the effective date of a rule. The note also includes the *Register* volume and page number in which the notice was published (A.A.R.) and beginning in supplement 21-4, the date the notice was published in the *Register*.

AUTHENTICATION OF PDF CODE CHAPTERS

The Office began to authenticate Chapters of the *Code* in Supp. 18-1 to comply with A.R.S. §§ 41-1012(B) and A.R.S. § 41-5505.

A certification verifies the authenticity of each *Code* Chapter posted as it is released by the Office of the Secretary of State. The authenticated pdf of the *Code* includes an integrity mark with a certificate ID. Users should check the validity of the signature, especially if the pdf has been downloaded. If the digital signature is invalid it means the document’s content has been compromised.

HOW TO USE THE CODE

Rules may be in effect before a supplement is released by the Office. Therefore, the user should refer to issues of the *Arizona Administrative Register* for recent updates to rule Sections.

ARIZONA REVISED STATUTE REFERENCES

The Arizona Revised Statutes (A.R.S.) are available online at the Legislature’s website, www.azleg.gov. An agency’s authority note to make rules is often included at the beginning of a Chapter. Other Arizona statutes may be referenced in rule under the A.R.S. acronym.

SESSION LAW REFERENCES

Arizona Session Law references in a Chapter can be found at the Secretary of State’s website, www.azsos.gov under Services-> Legislative Filings.

EXEMPTIONS FROM THE APA

It is not uncommon for an agency to be exempt from the steps outlined in the rulemaking process as specified in the Arizona Administrative Procedures Act, also known as the APA (Arizona Revised Statutes, Title 41, Chapter 6, Articles 1 through 10). Other agencies may be given an exemption to certain provisions of the Act.

An agency’s exemption is written in law by the Arizona State Legislature or under a referendum or initiative passed into law by Arizona voters.

When an agency files an exempt rulemaking package with our Office it specifies the law exemption in what is called the preamble of rulemaking. The preamble is published in the *Register* online at www.azsos.gov/rules, click on the *Administrative Register* link.

Editor’s notes at the beginning of a Chapter provide information about rulemaking Sections made by exempt rulemaking. Exempt rulemaking notes are also included in the historical note at the end of a rulemaking Section.

The Office makes a distinction to certain exemptions because some rules are made without receiving input from stakeholders or the public. Other exemptions may require an agency to propose exempt rules at a public hearing.

PERSONAL USE/COMMERCIAL USE

This Chapter is posted as a public courtesy online, and is for private use only. Those who wish to use the contents for resale or profit should contact the Office about Commercial Use fees. For information on commercial use fees review A.R.S. § 39-121.03 and 1 A.A.C. 1, R1-1-113.

R4-1-104. Board Records; Public Access; Copying Fees

- A.** The Board shall maintain all records, subject to A.R.S. Title 39, Chapter 1, reasonably necessary or appropriate to maintain an accurate knowledge of the Board's official activities including, but not limited to:
1. Applications for CPA certificates and supporting documentation and correspondence;
 2. Applications to take the Uniform Certified Public Accountant Examination;
 3. Registration for registrants;
 4. Documents, transcripts, and pleadings relating to disciplinary proceedings and to hearings on the denial of a certificate; and
 5. Investigative reports; staff memoranda; and general correspondence between any person and the Board, members of the Board, or staff members.
- B.** Any person desiring to inspect or obtain copies of records of the Board available to the public under this section shall make a request to the Board's Executive Director or the Director's designee. The Executive Director or the director's designee shall, as soon as possible within a reasonable time, advise the person making the request whether the records sought can be made available, or, if the Executive Director or the director's designee is unsure whether a record may be made available for public inspection and copying, the Executive Director or the director's designee shall refer the matter to the Board for final determination.
- C.** A person shall not remove original records of the Board from the office of the Board unless the records are in the custody and control of a board member, a member of the Board's committees or staff, or the Board's attorney. The Executive Director or the director's designee may designate a staff member to observe and monitor any examination of Board records.
- D.** The Board shall provide copies of all records available for public inspection and copying shall be provided according to the procedures described in A.R.S. Title 39, Chapter 1, Article 2.
- E.** Any person aggrieved by a decision of the Executive Director or the director's designee denying access to records of the Board may request a hearing before the Board to review the action of the Executive Director or the director's designee by

The Board and Board committees shall conduct meetings in accordance with the current edition of Robert's Rules of Order if the rules are compatible with the laws of the state of Arizona or the Board's own resolutions regarding meetings.

1. Regular and special meetings of the Board for the purpose of conducting business shall be called by the President or a majority of the board members.
2. Regular and special meetings of the committees shall be called by the chairperson or a majority of the committee members.

Historical Note

Former Rules 2A, 2B, 2C, 2D; Former Section R4-1-13 renumbered as Section R4-1-113 without change effective July 1, 1983 (Supp. 83-4). Amended effective November 20, 1998 (Supp. 98-4). Amended by final rulemaking at 20 A.A.R. 520, effective February 4, 2014 (Supp. 14-1).

R4-1-114. Hearing; Rehearing or Review

A. Hearing: The Board or an Administrative Law Judge (ALJ) employed by the Office of Administrative Hearings (OAH)

shall hear all contested cases and appealable agency actions. The Board shall conduct hearings according to the provisions of A.R.S. Title 41, Chapter 6, Article 10 as supplemented by R4-1-117. The OAH shall conduct hearings according to A.R.S. Title 41, Chapter 6, Article 10 and the rules and procedures established by the OAH. To the extent that there is no conflict with A.R.S. Title 41, Chapter 6, Article 10, the provisions of A.R.S. § 32-743 apply to hearings conducted by the Board and the OAH. The following subsections apply to hearings conducted by the Board and hearings conducted by the OAH where applicable.

1. Power to join any interested party: Any board member or the ALJ may join as a party applicant or as a party defendant, any person, firm or corporation, that appears to have an interest in the matter before the Board.
2. Stipulation at hearing: The parties may stipulate to facts that are not in dispute. The stipulation may be in writing or may be made orally by reading the stipulation into the record at the hearing. The stipulation is binding upon the parties unless the Board or the ALJ grants permission to withdraw from the stipulation. The Board or the ALJ may set aside any stipulation.
3. Settlements and consent orders: At any time before or after formal disciplinary proceedings have been instituted against a registrant, the registrant may submit to the Board an offer of conditional settlement to avoid formal disciplinary proceedings by the Board. In the offer of conditional settlement, the registrant shall agree to take specific remedial steps such as enrolling in CPE courses, limiting the scope of the registrant's practice, accepting limitation on the filing of public reports, and submitting the registrant's work product for peer review. If the Board determines that the proposed conditional settlement will protect the public safety and welfare and is more likely to rehabilitate or educate the registrant than formal disciplinary action under A.R.S. § 32-741, the Board may accept the offer and enter an order that incorporates the registrant's proposed conditional settlement and to which the registrant consents. A consent order issued under this subsection shall provide that, upon successful compliance by the registrant with all provisions of the order, the disciplinary proceedings shall be terminated and any notice of hearing previously issued shall be vacated. The consent order shall further provide that, upon failure of the registrant to comply with all provisions of the order, or upon the discovery of material facts unknown to the Board at the time the Board issued the order, formal disciplinary proceedings against the registrant may be instituted or resumed. The consent order additionally may provide that, upon failure of the registrant to comply with all provisions of the order, the Board may immediately and summarily suspend the registrant's certificate for not more than one year. Within 30 days after the summary suspension, the registrant may request a hearing solely concerning the issue of compliance with the consent order.
4. Decisions and orders: The Board shall make all decisions and orders by a majority vote of the members considering the case. The Board shall issue a final written decision in a contested case or state the decision on the record. The decision shall state separately the findings of fact and conclusions of law on which the decision is based, and the Board's order to implement the decision. All written decisions and orders of the Board shall be signed by the

President or Secretary of the Board. When the Board suspends or revokes the certificate of a registrant, the Board may order the registrant to return the registrant's certificate within 30 days after receipt of the order. The Board shall serve each party, each attorney of record, and the Attorney General with a copy of each decision or order of the Board, as provided in R4-1-117.

- B.** ALJ: In hearings conducted by the OAH, the ALJ shall provide the Board with written findings of fact, conclusions of law, and a recommended order within 20 days after the conclusion of the hearing or as otherwise provided by A.R.S. Title 41, Chapter 6, Article 10. The Board's decision approving or modifying the ALJ's recommendations is the final decision of the Board, subject to the filing of a motion for rehearing or review as provided in subsection (C).
- C.** Rehearing or Review: Any party aggrieved by a decision of the Board may file with the Board a written motion for rehearing or review within 30 days after service of the decision specifying the particular grounds for the motion. The Attorney General may file a response to the motion for rehearing within 15 days after service of the motion. The Board may require the filing of written briefs upon issues raised in the motion for rehearing or review and provide for oral argument. Upon review of the documents submitted, the Board may modify the decision or vacate it and grant a rehearing for any of the following causes materially affecting a party's rights:
1. Irregularity in the administrative proceedings or any order or abuse of discretion, that deprived a party of a fair hearing;
 2. Misconduct of the Board or the ALJ;
 3. Accident or surprise that could not have been prevented by ordinary prudence;
 4. Newly discovered material evidence, that could not with reasonable diligence have been discovered and produced at the original hearing;
 5. Excessive or insufficient penalties;
 6. Error in the admission or rejection of evidence or other errors of law occurring at the administrative hearing, or during the progress of the proceeding; or
 7. That the findings of fact or decision is not justified by the evidence or is contrary to law.

Historical Note

Former Rules 5A, 5B, 5C; Amended effective January 3, 1977 (Supp. 77-1). Amended effective February 22, 1978 (Supp. 78-1). Former Section R4-1-14 renumbered as Section R4-1-114 without change effective July 1, 1983 (Supp. 83-4). Amended effective December 6, 1995 (Supp. 95-4). Amended effective November 20, 1998 (Supp. 98-4). Amended by final rulemaking at 20 A.A.R. 520, effective February 4, 2014 (Supp. 14-1).

R4-1-115. Accounting and Auditing and Tax Advisory Committees

- A.** The Board may appoint advisory committees concerning accounting reports, taxation and other areas of public accounting as the Board deems appropriate. The committees shall evaluate investigation files referred by the Board, hold voluntary informal interviews and make advisory recommendations to the Board concerning settlement, dismissal or other disposition of the reviewed matter.
- B.** The Board, in its discretion, may accept, reject, or modify the recommendation of the advisory committee.

Historical Note

Adopted effective July 1, 1983 (Supp. 83-4). Amended effective November 20, 1998 (Supp. 98-4). Amended by final rulemaking at 20 A.A.R. 520, effective February 4, 2014 (Supp. 14-1).

R4-1-115.01. Law Review Advisory Committee

- A.** The Board may appoint an advisory committee to assist in the evaluation of statutory and regulatory provisions. The committee shall make advisory recommendations to the Board.
- B.** The Board, in its discretion, may accept, reject, or modify the recommendations of the advisory committee.

Historical Note

Adopted effective November 20, 1998 (Supp. 98-4). Amended by final rulemaking at 20 A.A.R. 520, effective February 4, 2014 (Supp. 14-1).

R4-1-115.02. Continuing Professional Education Advisory Committee

- A.** The Board may appoint an advisory committee to assist in the evaluation of CPE. The committee shall make advisory recommendations to the Board concerning the following:
1. CPE programs;
 2. A registrant's satisfaction of CPE requirements; and
 3. A registrant's compliance with disciplinary orders requiring CPE.
- B.** The Board, in its discretion, may accept, reject, or modify the recommendations of the advisory committee.

Historical Note

Adopted effective November 20, 1998 (Supp. 98-4). Amended by final rulemaking at 20 A.A.R. 520, effective February 4, 2014 (Supp. 14-1).

R4-1-115.03. Peer Review Oversight Advisory Committee

- A.** The Board may appoint an advisory committee to:
1. Make advisory recommendations to the Board concerning peer review, and
 2. Monitor the peer review program and report to the Board on its effectiveness.
- B.** The Board may accept, reject, or modify recommendations of the Peer Review Oversight Advisory Committee.

Historical Note

New Section made by final rulemaking at 10 A.A.R. 4352, effective December 4, 2004 (04-4). Amended by final rulemaking at 20 A.A.R. 520, effective February 4, 2014 (Supp. 14-1). Amended by final rulemaking at 26 A.A.R. 339, effective April 5, 2020 (Supp. 20-1). Amended by final rulemaking at 28 A.A.R. 1106 (May 27, 2022), effective July 3, 2022 (Supp. 22-2).

R4-1-115.04. Certification Advisory Committee

- A.** The Board may appoint an advisory committee to assist in the evaluation of applicants for the Uniform Certified Public Accountant Examination and for certified public accountant. The committee shall review applications, transcripts, and related materials, and make advisory recommendations to the Board concerning the qualifications of applicants for the Uniform Certified Public Accountant Examination and for certification of certified public accountants.
- B.** The Board, in its discretion, may accept, reject, or modify the advisory recommendation in determining the qualifications of applicants.

TITLE 4. PROFESSIONS AND OCCUPATIONS

CHAPTER 1. BOARD OF ACCOUNTANCY

Historical Note

New Section R4-1-115.04 renumbered from R4-1-116 and amended by final rulemaking, effective February 4, 2014 (Supp. 14-1).

R4-1-116. Renumbered**Historical Note**

Adopted effective July 1, 1983 (Supp. 83-4). Amended effective November 20, 1998 (Supp. 98-4). Section R4-1-116 renumbered to R4-1-115.04 by final rulemaking at 20 A.A.R. 520, effective February 4, 2014 (Supp. 14-1).

R4-1-117. Procedure: Witnesses; Service

- A.** Pleadings; depositions; briefs; and related documents. A party shall print or type all pleadings, depositions, briefs, and related documents and use only one side of the paper.
- B.** Witness' depositions. If a party wants to take the oral deposition of a witness residing outside the state, the party shall file with the Board a petition for permission to take the deposition stating the name and address of the witness and describing in detail the nature and substance of the testimony expected to be given by the witness. The petition may be denied if the testimony of the witness is not relevant and material. If the petition is granted, the party may proceed to take the deposition of the witness by complying with the Arizona Rules of Civil Procedure. The party applying to the Board for permission to take a deposition shall bear the expense of the deposition.
- C.** Witness' interrogatories. A party desiring to take the testimony of a witness residing outside the state by means of interrogatories may do so by serving the adverse party as in civil matters and by filing with the Board a copy of the interrogatories and a statement showing the name and address of the witness. The adverse party may file in duplicate cross-interrogatories with a copy of the statement within 10 days following service on the adverse party. A party that objects to the form of an interrogatory or cross-interrogatory may file a statement of the objection with the Board within five days after service of the interrogatories or cross-interrogatories and may suggest to the Board any amendment to an interrogatory or cross-interrogatory. The Board may amend, add, or strike out an interrogatory or cross-interrogatory when the Board determines it is proper to do so.
1. Notwithstanding the fact that a party may petition for permission to take the oral deposition of a witness, the Board may require that the information be provided through written interrogatories and vice versa.
 2. A party shall provide a copy of answers to the interrogatories to the Board within 45 days after the interrogatories are answered.
- D.** Subpoenas. The Board officer presiding at a hearing may authorize subpoenas for the attendance of witnesses and for the production of books, records, documents, and other evidence, and shall administer oaths. A party desiring the Board to issue a subpoena for the production of evidence, documents or to compel the appearance of a witness at a hearing shall apply for the subpoena in writing stating the substance of the witness's testimony. If the testimony appears to be relevant and material, the Board shall issue the subpoena. Affixing the seal of the Board and the signature of a Board officer is sufficient to show that the subpoena is genuine. The party applying for the subpoena shall bear the expense of service.
- E.** Service.
1. Service of any decision, order, subpoena, notice, or other document may be made personally in the same manner as a summons served in a civil action. If a document is

served personally, service is deemed complete at the time of delivery.

2. Except as provided in subsection (E)(3), service of any document may also be made by:
 - a. Personal service.
 - b. By enclosing a copy of the document in a sealed envelope and depositing the envelope in the United States mail, with first-class postage prepaid, addressed to the party, at the address last provided to the Board.
 - i. Service by mail is deemed complete when the document to be served is deposited in the United States mail. If the distance between the place of mailing and the place of address is more than 100 miles, service is deemed complete one day after the deposit of the document for each 100 miles to a maximum of six days after the date of mailing.
 - ii. In computing time, the date of mailing is not counted. All intermediate Sundays and holidays are counted. If the last day falls on a Sunday or holiday, that day is not counted and service is considered completed on the next business day.
 - c. By attaching the document to an email and sending it to the email address last provided to the Board.
3. The Board shall mail each notice of hearing and final decision by certified mail to the last known address reflected in the records of the Board.
4. Service on attorney. Service on an attorney who has appeared for a party constitutes service on the party.
5. Proof of service. A party shall demonstrate proof of service by filing an affidavit, as provided by law, proof of mailing by certified mail, or an affidavit of first-class mailing.

R4-1-226.01. Applications; Examination - Computer-based

A. A person desiring to take the Uniform Certified Public Accountant Examination who is qualified under A.R.S. § 32-723 may apply by submitting an initial application. A person whose initial application has already been approved by the Board to sit for the Uniform CPA Examination may apply by submitting an application for re-examination.

1. The requirements for initial application for examination are:
 - a. A completed application for initial examination,

- b. A \$100 initial application fee if:
 - i. The applicant has not previously filed an application for initial examination in Arizona, or
 - ii. The Board administratively closed a previously submitted application, or
 - iii. The applicant has been previously denied by the Board.
 - c. University or college transcripts to verify that the applicant meets the educational requirements and if necessary for education taken outside the United States an additional course-by-course evaluation from the National Association of State Boards of Accountancy International Evaluation Services (NIES).
 - d. Other information or documents requested by the Board to determine compliance with eligibility requirements.
2. The requirements for application for re-examination are:
 - a. A completed application for re-examination, and
 - b. A \$50 re-examination application fee.
- B.** Within 30 days of receiving an initial application, the Board shall provide written notice to the applicant that the application is either complete or incomplete. If the application is incomplete, the notice shall specify what information is missing. The applicant has 30 days from the date of the Board's letter to respond to the Board's request for additional information or the Board or its designee may administratively close the file. An applicant whose file is administratively closed and who later wishes to apply shall reapply under subsection (A)(1).
- C.** The Board's certification advisory committee (CAC) shall evaluate the applicant's file and make a recommendation to the Board to approve or deny the application. The CAC may defer a decision on the applicant's file to a subsequent CAC meeting to provide the applicant opportunity to submit any information requested by written notice by the CAC that the CAC believes is relevant to make a recommendation to the Board. The applicant has 30 days from the date of the Board's letter to respond to the CAC's request for additional information or the Board or its designee may administratively close the file.
- D.** If the Board approves the application, the Board shall notify the applicant in writing and send an authorization to test (ATT) to the National Association of State Boards of Accountancy (NASBA) to permit the applicant to take the specified section or sections of the examination for which the applicant applied. If the Board denies the application, the Board shall send the applicant written notice explaining:
1. The reason for denial, with citations to supporting statutes or rules;
 2. The applicant's right to seek a fair hearing to challenge the denial; and
 3. The time periods for appealing the denial.
- E.** If the applicant does not timely pay to the NASBA the fees owed for the examination section or sections for which the applicant applied, the ATT expires. An applicant that still wishes to take a section or sections of the Uniform CPA Examination shall submit an application for re-examination under subsection (A)(2).
- F.** After an applicant has paid NASBA, NASBA shall issue a notice to schedule (NTS) to the applicant. A NTS enables an applicant to schedule testing at an approved examination center. The NTS is effective on the date of issuance and expires when the applicant sits for all sections listed on the NTS or six months from the date of issuance, whichever occurs first.

TITLE 4. PROFESSIONS AND OCCUPATIONS

CHAPTER 1. BOARD OF ACCOUNTANCY

Upon written request to the Board and showing good cause that prevents the applicant from appearing for the examination, an applicant may be granted by the Board a 90-day extension to a current NTS.

- G.** The Board shall send the applicant any written notice required by this Section in accordance with R4-1-117(E)(1) or (2).

Historical Note

New Section made by final rulemaking at 9 A.A.R. 5022, effective January 3, 2004 (Supp. 03-4). Amended by final rulemaking at 20 A.A.R. 520, effective February 4, 2014 (Supp. 14-1). Amended by final rulemaking at 27 A.A.R. 921, effective August 1, 2021 (Supp. 21-2).

R4-1-227. Repealed**Historical Note**

Former Rule 6D; Amended effective July 17, 1978 (Supp. 78-4). Former Section R4-1-27 renumbered and amended as Section R4-1-227 effective July 1, 1983 (Supp. 83-4). Section R4-1-227 repealed effective November 20, 1998 (Supp. 98-4).

R4-1-228. Denial of Examination

An applicant whose application for examination is denied by the Board is entitled to a hearing before the Board or an ALJ.

1. Written application. The applicant shall file a notice of appeal under A.R.S. § 41-1092.03 within 30 days after receipt of the notice of denial.
2. Hearing notice. The Board shall provide the applicant with notice of the hearing in the manner prescribed by A.R.S. § 41-1092.05.
3. Conduct of hearing. The Board or the ALJ shall conduct the hearing in accordance with A.R.S. Title 41, Chapter 6, Article 10 and applicable rules governing hearings.
4. Burden of persuasion. At the hearing, the applicant is the moving party and has the burden of persuasion.
5. Matters limited. At the hearing, the Board or ALJ shall limit the issues to those originally presented to the Board.

Historical Note

Former Rules 6E, 6F; Former Section R4-1-28 renumbered as Section R4-1-228 without change effective July 1, 1983 (Supp. 83-4). Amended effective November 20, 1998 (Supp. 98-4). R4-1-229. Conditioned Credit

- A.** An applicant is allowed to sit for each section individually and in any order. An applicant is given conditioned credit for each section of the examination passed. Effective retroactively from and after January 1, 2024, a conditioned credit is valid for 30 months from the score release date of the examination. Upon written request to the Board and showing good cause, an applicant may be granted by the Board a 90-day extension to a conditioned credit.
- B.** Transfer of conditioned credit. The Board shall give an applicant credit for all sections of an examination passed in another jurisdiction if the credit has been conditioned. If an applicant transfers conditioned credit from another jurisdiction, the applicant shall pass the remaining sections of the examination within the 30-month period from the score release date that the

first section was passed. An applicant who fails to pass all sections of the Uniform CPA Examination within 30 months shall retake previously passed sections of the Uniform CPA Examination to ensure passage of all sections within an 30-month period.

- C.** Any candidate who had exam credit expire between January 30, 2020, and May 11, 2023, during the National Public Health Emergency declared by the United States Department of Health and Human Services which have not been subsequently replaced by new credits for the same sections and any candidate with Uniform CPA Examination credit or credits on January 1, 2024 will have such credit or credits extended to June 30, 2025.

R4-1-453. Continuing Professional Education

- A. Measurement Standards. The Board shall use the following standards to measure the hours of credit given for CPE programs completed by an individual registrant.
1. CPE credit shall be given in one-fifth or one-half increments for periods of not less than one class hour except as noted in subsection (A)(8). The computation of CPE credit shall be measured as follows:
 - a. A class hour shall consist of a minimum of 50 continuous minutes of instruction,
 - b. A half-class hour shall consist of a minimum of 25 continuous minutes of instruction, and
 - c. A one-fifth class hour shall consist of a minimum of 10 continuous minutes of instruction.
 2. Courses taken at colleges and universities apply toward the CPE requirement as follows:
 - a. Each semester - system credit hour is worth 15 CPE credit hours,
 - b. Each quarter - system credit hour is worth 10 CPE credit hours, and
 - c. Each noncredit class hour is worth one CPE credit hour.
 3. Each self-study program hour is worth one CPE credit hour.
 4. Acting as a lecturer or discussion leader in a CPE program, including college courses, may be counted as CPE credit. The Board shall determine the amount of credit on the basis of actual presentation hours, and shall allow CPE credit for preparation time that is less than or equal to the presentation hours. A registrant may only claim as much preparation time as is actually spent for a presentation. Total credit earned under this subsection for service as a lecturer or discussion leader, including preparation time may not exceed 40 credit hours of the renewal period's requirement. Credit is limited to only one presentation of any seminar or course with no credit for repeat teaching of that course.
 5. The following may be counted for a maximum of 20 hours of CPE credit during each renewal period.

TITLE 4. PROFESSIONS AND OCCUPATIONS

CHAPTER 1. BOARD OF ACCOUNTANCY

- a. Credit may be earned for writing and publishing articles or books that contribute to the accounting profession and is published by a recognized third-party publisher of accounting material or a sponsor as long as it is not used in conjunction with a seminar.
 - b. Credit may be earned for the writing or development of online course curriculum for undergraduate, graduate, or doctoral education that contribute to the accounting profession.
 - c. Two credit hours will be given for each 3,000 words of original material written or developed into curriculum. Materials must be at least 3,000 words in length. Multiple authors may share credit for material written or developed into curriculum.
6. A registrant may earn a combined maximum of 40 hours of CPE credit under subsections (A)(4) and (5) during each renewal period.
 7. A registrant may earn a maximum of 20 hours of CPE during each renewal period by completing introductory computer-related courses. Computer-related courses may qualify as consulting services pursuant to subsection (C).
 8. A registrant may earn a maximum of 4 hours of CPE during each renewal period by completing nano-learning courses. A nano-learning program is a tutorial program designed to permit a participant to learn a given subject in a ten-minute time-frame through the use of electronic media and without interaction with a real time instructor.
 9. CPE credit shall be given in one-fifth or one-half hour increments if the CPE is a segment of a continuing series related to a specific subject as long as the segments are connected by an overarching course that is a minimum of one hour and taken within the same CPE reporting period.
 10. Credit shall not be allowed for repeat participation in any seminar or course during the registration period.
- B. Programs that Qualify.** CPE credit may be given for a program that provides a formal course of learning at a professional level and contributes directly to the professional competence of participants.
1. The Board shall accept a CPE course as qualified if it:
 - a. Is developed by persons knowledgeable and experienced in the subject matter,
 - b. Provides written outlines or full text,
 - c. Is administered by an instructor or organization knowledgeable in the program, and
 - d. Uses teaching methods consistent with the study program.
 2. The Board shall accept a self-study program which includes online or computer based programs if the sponsors maintain written records of each student's participation and records of the program outline for three years following the conclusion of the program.
 3. An ethics program taught or developed by an employer or co-worker of a registrant does not qualify for the ethics requirements of subsection (C)(4).
- C. Hour Requirement.** As a prerequisite to registration pursuant to A.R.S. § 32-730(C) or to reactivate from inactive status pursuant to A.R.S. § 32-732(A), a registrant shall complete the CPE requirements during the two-year period immediately before registration or application respectively as specified under subsections (C)(1) through (C)(5). For registration periods of less than two years CPE may be prorated by quarter, with the exception of ethics.
1. A registrant whose last registration period was for two years shall complete 80 hours of CPE.
 2. A registrant shall complete a minimum of 40 hours in the subject areas of accounting, auditing, taxation, business law, or consulting services with a minimum of 16 hours in the subject areas of accounting, auditing, or taxation.
 3. A registrant shall complete a minimum of 16 of the required hours:
 - a. In a classroom setting,
 - b. Through an interactive live webinar, or
 - c. By acting as a lecturer or discussion leader in a CPE program, including college courses
 4. A registrant shall complete four hours of CPE in the subject area of ethics. The four hours required by this subsection shall include a minimum of one hour of each of the following subjects:
 - a. Ethics related to the practice of accounting including the Code of Professional Conduct of the American Institute of Certified Public Accountants, and
 - b. Board statutes and administrative rules.
 5. A registrant shall report, at a minimum, the CPE hours required for the registration period.
 6. CPE hours completed for a registration period may not be used for a subsequent registration period in any of the following instances:
 - a. To vacate a suspension for nonregistration,
 - b. To vacate a suspension for noncompliance with CPE requirements, or
 - c. To comply with a granted CPE extension.
 7. As a prerequisite to reactivate from retired status or reinstate from cancelled, expired, relinquished or revoked status, a registrant or an applicant shall complete up to 160 hours of CPE during the four-year period immediately before application to reactivate or reinstate. For periods of less than four years CPE may be prorated by quarter, with the exception of ethics.
 - a. A registrant or an applicant shall complete a minimum of 80 hours in the subject areas of accounting, auditing, taxation, business law, or consulting services with a minimum of 32 hours in the subject areas of accounting, auditing or taxation.
 - b. A registrant or an applicant shall complete a minimum of 32 hours of the required hours:
 - i. In a classroom setting,
 - ii. Through an interactive live webinar, or
 - iii. By acting as a lecturer or discussion leader in a CPE program, including college courses.
 - c. A registrant or an applicant shall complete CPE in the subject area of ethics. Four hours of ethics CPE shall be required if 1 – 24 months have passed since the last registration due date for which CPE was completed. Eight hours of ethics CPE shall be required if 25 – 48 months have passed since the last registration due date for which CPE was completed. The hours required by this subsection shall include a minimum of one hour of each of the following subjects. The following subjects shall be completed during the two-year period immediately preceding application for reactivation or reinstatement:
 - i. Ethics related to the practice of accounting including the Code of Professional Conduct of the American Institute of Certified Public Accountants; and
 - ii. Board statutes and administrative rules.

TITLE 4. PROFESSIONS AND OCCUPATIONS

CHAPTER 1. BOARD OF ACCOUNTANCY

- D.** Reporting: A registrant or an applicant for reactivation or reinstatement, a registrant who is subject to an audit, or a registrant completing their registration must report the following details about their completed CPE:
1. Sponsoring organization,
 2. Number of CPE credit hours,
 3. Title of program or description of content,
 4. Dates attended,
 5. Subject, and
 6. Method.
- E.** In addition to the information required under subsection (D), a registrant or an applicant for reactivation or reinstatement from cancelled, expired, relinquished or revoked status, or a registrant subject to a CPE audit pursuant to subsection (G) shall provide the Board the following CPE records at its request: copies of transcripts, course outlines, and certificates of completion that include registrant's name, course provider or sponsor, course title, credit hours, and date of completion.
- F.** CPE Record Retention: A registrant shall maintain CPE records for three years from the date the registration was dated as received by the Board the following documents for all CPE completed for the registration period, even if not reported on the registration: transcripts, course outlines, and certificates of completion that include registrant's name, course provider or sponsor, course title, credit hours, and date of completion.
- G.** CPE audits: The Board, at its discretion, may conduct audits of a registrant's CPE and require that the registrant provide the CPE records that the registrant is required to maintain under subsection (F) to verify compliance with CPE requirements.
- H.** The Board may grant a full or partial exemption from CPE requirements on demonstration of good cause for a disability for only one registration period.
- I.** A non-resident registrant seeking renewal of a certificate in this state shall be determined to have met the CPE requirements of this Section by meeting the CPE requirements for renewal of a certificate in the jurisdiction in which the registrant's principal place of business is located.
1. Non-resident applicants for renewal shall demonstrate compliance with the CPE renewal requirements of the jurisdiction in which the registrant's principal place of business is located by signing a statement to that effect on the renewal application of this state.
 2. If a non-resident registrant's principal place of business jurisdiction has no CPE requirements for renewal of a certificate or license, the non-resident registrant must comply with all CPE requirements for renewal of a certificate in this state.

R4-1-455.02. Professional Conduct: Competence and Technical Standards

- A.** In reporting on financial statements for which a registrant has performed attest services (as defined in A.R.S. § 32-701) any of the following will constitute a violation of A.R.S. § 32-741(A)(4):
1. In an audit engagement, failing to:
 - a. Prepare audit documentation that is sufficient to enable an experienced auditor, having no previous connection with the audit, to understand:
 - i. The nature, timing, and extent of the audit procedures performed;
 - ii. The results of the audit procedures performed, and the audit evidence obtained; and
 - iii. Significant findings or issues arising during the audit, the conclusions reached thereon, and significant professional judgments made in reaching those conclusions;
 - b. Obtain sufficient appropriate evidence to conclude that the financial statements taken as a whole are free from material misstatement; or
 - c. Modify the opinion in the auditor's report when:
 - i. The financial statements as a whole are materially misstated; or
 - ii. Sufficient appropriate audit evidence to conclude that the financial statements as a whole are free from material misstatement has not been obtained.
 2. In a review engagement, failing to:
 - a. Accumulate sufficient review evidence to provide a reasonable basis for obtaining limited assurance that there are no material modifications that should be made to the financial statements in order to be in conformity with the applicable financial reporting framework; or
 - b. Modify the accountant's review report for a departure from the applicable financial reporting framework, including inadequate disclosure, that is material to the financial statements.
 3. In an examination of prospective financial statements engagement, failing to:
 - a. Obtain sufficient evidence to provide a reasonable basis for the conclusion that is expressed in the report; or
 - b. Modify the report when:
 - i. One or more significant assumptions do not provide a reasonable basis for the prospective financial statements; or
 - ii. The examination is affected by conditions that preclude application of one or more procedures considered necessary in the circumstances.
- B.** The provisions of this subsection are not intended to be all inclusive or to limit the application of A.R.S. § 32-741(A)(4).

R4-1-455.03. Professional Conduct: Specific Responsibilities

TITLE 4. PROFESSIONS AND OCCUPATIONS

CHAPTER 1. BOARD OF ACCOUNTANCY

and Practices

- A.** Discreditable acts: In addition to any other acts prohibited by any standards incorporated in these rules, a registrant shall not commit an act that reflects adversely on the registrant's fitness to engage in the practice of public accounting, including and without limitation:
1. Violating a provision of R4-1-455, R4-1-455.01, R4-1-455.02, R4-1-455.03 or R4-1-455.04;
 2. Violating a fiduciary duty or trust relationship with respect to any person; or
 3. Violating a provision of A.R.S. Title 32, Chapter 6, Article 3, or this Chapter.
- B.** Advertising practices and solicitation practices: A registrant has violated A.R.S. § 32-741(A)(4) and engaged in dishonest or fraudulent conduct in the practice of public accounting in connection with the communication or advertising or solicitation of accounting services through any media, if the registrant willfully engages in any of the following conduct:
1. Violates A.R.S. § 44-1522 and a court finds the violation willful;
 2. Engages in fraudulent or misleading practices in the advertising of accounting services that leads to a conviction pursuant to A.R.S. § 44-1481; or
 3. Engages in fraudulent practices in the advertising of accounting services that leads to a conviction for a violation of any other state or federal law.
- C.** Form of practice and name: A registrant shall not use a professional or firm name or designation that is misleading about the legal form of the firm, or about the persons who are partners, officers, members, managers, or shareholders of the firm, or about any other matter. A firm name or designation shall not include words such as "& Company," "& Associates," or "& Consultants" unless the terms refer to additional full-time CPAs that are not otherwise mentioned in the firm name.
- D.** Communications: When requested, a registrant shall file a written response to a communication from the Board within 30 days of the date of the mailing of such communication by certified mail. A written response is deemed filed on the date and time received in the Board office. The Board shall record the date and time either by electronic date stamp in Arizona time or on physical receipt in the Board's office. The Board shall not accept a postmark as evidence of timely filing.
- E.** The provisions of R4-1-455.03(A) through (C) are not intended to be all inclusive or to limit the application of any standards incorporated by R4-1-455.

Historical Note

R4-1-456. Reporting Practice Suspensions and Violations

- A.** A registrant shall report to the Board:
1. Any suspension or revocation of the right to practice accounting before the federal Securities and Exchange Commission, the Internal Revenue Service, or any other state or federal agency;
 2. Any final judgment in a civil action or administrative proceeding in which the court or public agency makes findings of violations, by the registrant, of any fraud provisions of the laws of this state or of federal securities laws;
 3. Any final judgment in a civil action in which the court makes findings of accounting violations, dishonesty, fraud, misrepresentation, or breach of fiduciary duty by the registrant;
 4. Any final judgment in a civil action involving negligence in the practice of public accounting by the registrant; and
 5. All convictions of the registrant of any felony, or any crime involving accounting or tax violations, dishonesty, fraud, misrepresentation, embezzlement, theft, forgery, perjury, or breach of fiduciary duty.
- B.** A registrant required to report under subsection (A) shall make the report in the form of a written letter and ensure that the report is received by the Board within 30 days after the entry of any judgment or suspension or revocation of the registrant's right to practice before any agency. The registrant shall ensure that the letter contains the following information:
1. Description of the registrant's activities that resulted in a suspension or revocation;
 2. Final judgment or conviction;
 3. Name of the state or federal agency that restricted the registrant's right to practice;
 4. Effective date and length of any practice restriction;
 5. Case file number of any court action, civil or criminal;
 6. Name and location of the court rendering the final judgment or conviction; and
 7. Entry date of the final judgment or conviction.

GOVERNOR'S REGULATORY REVIEW COUNCIL

ATTORNEY MEMORANDUM - REGULAR RULEMAKING

MEETING DATE: May 6, 2025

TO: Members of the Governor's Regulatory Review Council (Council)

FROM: Council Staff

DATE: April 14, 2025

SUBJECT: DEPARTMENT OF HEALTH SERVICES
Title 9, Chapter 16

Amend: R9-16-901; R9-16-902; R9-16-903; R9-16-904; R9-16-906;
R9-16-907; Table 9.1; R9-16-908

New Section: R9-16-909

Summary:

This regular rulemaking from the Department of Health Services (Department) seeks to amend seven (7) rules, one (1) table, and add one (1) new section to Title 9, Chapter 16, Article 9 regarding the certification of doulas in Arizona. Specifically, Title 9, Chapter 16, Article 9 was promulgated by final exempt rulemaking which became effective August 1, 2023. Pursuant to A.R.S. § 41-1008(E), “[a] fee that is established or increased by exempt rule making from and after September 30, 2012 is effective for two years unless an extension is granted by the council.” The Department proposes to amend the rules to re-establish the fees in accordance with A.R.S. § 41-1008(E); include updates to align the rules with the Department's practice; reduce the burden regarding requests for duplicate certificates and training; and make the rules clearer and more concise and understandable.

The Department notes this rulemaking does not propose a fee increase in comparison to the fees previously established. Furthermore, this rulemaking proposes to amend the definition

Section (R9-16-901) by removing terms from this Section and entering the definition where the term is used (Section R9-16-907); reduce the burden by removing the rule requirement to complete neonatal resuscitation training, which is not required by statute; makes general corrections; align the rule with statute in Section R9-16-906; update terminology also in R9-16-906; update time-frames (Section R9-16-907 and Table) to reflect current practice; and update R9-16-908 to reflect current practice.

1. **Are the rules legal, consistent with legislative intent, and within the agency's statutory authority?**

The Department cites both general and specific statutory authority for these rules.

2. **Do the rules establish a new fee or contain a fee increase?**

Pursuant to A.R.S. § 41-1008(A)(1), “an agency shall not...[c]harge or receive a fee or make a rule establishing a fee unless the fee for the specific activity is expressly authorized by statute or tribal state gaming compact.

Here, fees charged for the certification of doulas being “re-established” pursuant to A.R.S. § 41-1008(F), as outlined above. The Department indicates A.R.S. § 36-766.06 grants the Department specific authority to charge fees for the certification and renewals of certification of doulas. As such, Council staff believes the Department is in compliance with A.R.S. § 41-1008.

3. **Does the preamble disclose a reference to any study relevant to the rules that the agency reviewed and either did or did not rely upon?**

The Department indicates it did not review or rely on any study for this rulemaking.

4. **Summary of the agency's economic impact analysis:**

The Department states A.R.S. § 36-766.02 authorizes the Department of Health Services to adopt rules to establish standards and requirements for individuals who wish to obtain a state doula certification. The Department says Title 9, Chapter 16, Article 9 was promulgated by final exempt rulemaking. The Department proposes to amend the rules to re-establish the fees in accordance with A.R.S. § 41-1008(E); include updates to align the rules with the Department's practice; reduce the burden regarding requests for duplicate certificates and training; and make the rules clearer and more concise and understandable. The Department states that a regular rulemaking is required to re-establish the fees previously made by exempt rulemaking (refer to Sections R9-16-903, R9-16-904, R9-16-908 and R9-16-909).

The Department indicates that stakeholders include the Department; doula state-certification applicants and state-certified doulas; state-certified doulas seeking reimbursement for services rendered through AHCCCS; individuals seeking services provided by a doula provider; AHCCCS; and the general public. The Department says that, as defined in

A.R.S. § 36-766(3), a doula is a “trained nonmedical professional who may provide continuous physical, emotional and informational support to families before, during and after childbirth for a period of one year after birth or in the case of loss and who may serve as a liaison between birth parents and medical and social services staff to improve the quality of medical, social and behavioral outcomes.”

5. Has the agency analyzed the costs and benefits of the rulemaking and determined that the rules impose the least burden and costs to those who are regulated?

The Department believes the current rules pose the minimum cost and burden on the regulated public. The Department states that as authorized by A.R.S. § 36-766.06 the Department established fees that the Department determined imposed the least burden and costs for this self-funded program. The Department indicates that the costs for the processing of applications for doula certification are necessary to achieve the underlying objectives and statutory requirements.

6. What are the economic impacts on stakeholders?

The Department states that the rulemaking proposes to amend the definition Section (R9-16-901) by removing terms from this Section and entering the definition where the term is used (Section R9-16-907); reduce the burden by removing the rule requirement to complete neonatal resuscitation training, which is not required by statute; makes general corrections; align the rules with statute in Sections R9-16-906; update terminology also in R9-16-906, update time-frames (Section R9-16-907 and Table) to reflect current practice; and update R9-16-908 to reflect current practice.

The Department does not believe the proposed amendments and re-establishing the fees will have a significant economic impact for individuals seeking a doula certification as the fees will not change from those previously established under exempt rulemaking. The Department states that this rulemaking does not propose a fee increase in comparison to the fees previously established.

7. Are the final rules a substantial change, considered as a whole, from the proposed rules and any supplemental proposals?

The Department indicates there were no changes between the Notice of Proposed Rulemaking published in the Administrative Register on January 10, 2025 and the Notice of Final Rulemaking now before the Council for consideration.

8. Does the agency adequately address the comments on the proposed rules and any supplemental proposals?

The Department indicates it did not receive any public comments regarding this rulemaking.

9. Do the rules require a permit or license and, if so, does the agency comply with A.R.S. § 41-1037?

Pursuant to A.R.S. § 41-1037(A), if an agency proposes an amendment to an existing rule that requires the issuance of a regulatory permit, license, or agency authorization, the agency shall use a general permit, as defined by A.R.S. § 41-1001(12), if the facilities, activities or practices in the class are substantially similar in nature unless certain exceptions apply.

A.R.S. § 41-1001(12) defines “general permit” to mean “a regulatory permit, license or agency authorization that is for facilities, activities or practices in a class that are substantially similar in nature and that is issued or granted by an agency to a qualified applicant to conduct identified operations or activities if the applicant meets the applicable requirements of the general permit, that requires less information than an individual or traditional permit, license or authorization and that does not require a public hearing.”

The Department indicates that a general permit is not applicable to the certification for doulas as the issuance of an alternative type of permit, license or authorization is specifically authorized by state statute. *See* A.R.S. § 41-1037(A)(2). As such, Council staff believes the Department is in compliance with A.R.S. § 41-1037.

10. Are the rules more stringent than corresponding federal law and, if so, is there statutory authority to exceed the requirements of federal law?

Not applicable. The Department indicates there is no corresponding federal law directly applicable to the subject of these rules.

11. Conclusion

This regular rulemaking from the Department seeks to amend seven (7) rules, one (1) table, and add one (1) new section to Title 9, Chapter 16, Article 9 regarding the certification of doulas in Arizona. Specifically, Title 9, Chapter 16, Article 9 was promulgated by final exempt rulemaking which became effective August 1, 2023. Pursuant to A.R.S. § 41-1008(E), “[a] fee that is established or increased by exempt rule making from and after September 30, 2012 is effective for two years unless an extension is granted by the council.” The Department proposes to amend the rules to re-establish the fees in accordance with A.R.S. § 41-1008(E); include updates to align the rules with the Department's practice; reduce the burden regarding requests for duplicate certificates and training; and make the rules clearer and more concise and understandable.

Pursuant to A.R.S. § 41-1032(B), “a rule making agency may specify an effective date more than sixty days after the filing of the rule in the office of the secretary of state if the agency determines that good cause exists for and the public interest will not be harmed by the later date.” Here, the Department is requesting an effective date of August 2, 2025. According to A.R.S. § 41-1008(E) a fee established under an exempt rule making is effective for two years. As outlined above, the fees in this Article were established under exempt rulemaking that

became effective August 1, 2023. With this rulemaking, the Department is re-establishing the fees and would like the re-established fees to become effective after the prior fees established through exempt rulemaking expire.

Council staff recommends approval of this rulemaking.

RE: Department of Health Services, 9 A.A.C. 16, Department of Health Services - Occupational Licensing, Article 9, Doula Certification

Dear Ms. Klein:

The attached final rulemaking package is respectfully submitted for review and approval by the Council. The following information is provided for your use in reviewing the rulemaking package:

1. The close of record date: February 10, 2025
2. Whether the rulemaking relates to five-year-review report and, if applicable, the date the report was approved by the Council:
The rulemaking for 9 A.A.C. 16, Article 9 is not related to a five-year review report. However, it is partially related to a one-year-review report approved by the Council on October 1, 2024.
3. Whether the rulemaking establishes a new fee and, if so, the statutes authorizing the fee:
A.R.S. § 41-1008 states that a fee established under an exempt rule making is effective for two years. With this regular rulemaking the Department proposes to re-establish the fees. A.R.S. § 36-766.06 grants the Department specific authority to charge fees for the certification and renewals of certification of doulas.
4. Whether the rulemaking contains a fee increase:
The rulemaking does not contain a fee increase.
5. Whether an immediate effective date is requested pursuant to A.R.S. § 41-1032:
The Department is not requesting an immediate effective date for the rules.

6. A certification that the preamble discloses a reference to any study relevant to the rule that the agency reviewed and either did or did not rely on in the agency's evaluation or justification for the rule:
The preamble discloses that the Department did not review any studies relevant to the rules and did not rely on any studies in its evaluation of or justification for the rules.

7. If one or more full-time employees are necessary to implement and enforce the rule, a certification that the preparer of the economic, small business, and consumer impact statement has notified the Joint Legislative Budget Committee (JLBC) of the number of new full-time employees necessary to implement and enforce the rule:
The Department of Health Services is not required to make a certification to JLBC because the rule does not require any new full-time employees.

8. A list of all documents enclosed:
 - Notice of Final Rulemaking, including the Preamble, Table of Contents, and text of each rule;
 - An economic, small business, and consumer impact statement that contains the information required by A.R.S. §41-1055
 - General and specific statutes authorizing the rules
 - Copy of current rules
 - Governor's Office approval via e mail from the Policy Advisor (initial and of the Notice of Final Rulemaking)

7. An agency's justification and reason why a rule should be made, amended, repealed or renumbered, to include an explanation about the rulemaking:

A.R.S. § 36-766.02 authorizes the Department to adopt rules to establish standards and requirements for individuals who wish to obtain a state doula certification. The Department has adopted rules for state-certified doulas in Arizona Administrative Code, Title 9, Chapter 16, Article 9. The Department proposes to amend the rules to re-establish the fees in accordance with A.R.S. § 41-1008(E); include updates to align the rules with the Department's practice; reduce the burden

regarding requests for duplicate certificates and training; and make the rules clearer and more concise and understandable.

8. A reference to any study relevant to the rule that the agency reviewed and either relied on or did not to rely on in its evaluation of or justification for the rule, where the public may obtain or review each study, all data underlying each study, and any analysis of each study and other supporting material:

The Department did not review or rely on any study relevant to the rule.

9. A showing of good cause why the rulemaking is necessary to promote a statewide interest if the rulemaking will diminish a previous grant of authority of a political subdivision of this state:

Not applicable

10. A summary of the economic, small business, and consumer impact:

A.R.S. § 36-766.02 authorizes the Department of Health Services (Department) to adopt rules to establish standards and requirements for individuals who wish to obtain a state doula certification. Title 9, Chapter 16, Article 9 was promulgated by final exempt rulemaking. The Department proposes to amend the rules to re-establish the fees in accordance with A.R.S. § 41-1008(E); include updates to align the rules with the Department's practice; reduce the burden regarding requests for duplicate certificates and training; and make the rules clearer and more concise and understandable.

A.R.S. § 41-1008 states that a fee established under an exempt rule making is effective for two years. A.R.S. § 36-766.06 grants the Department specific authority to charge fees for the certification and renewals of certification of doulas. A.R.S. § 36-766.07 states a person is not required "to be certified by the department in order to practice as doula in this state." A regular rulemaking is required to re-establish the fees previously made by exempt rulemaking (refer to Sections R9-16-903, R9-16-904, R9-16-908, and R9-16-909).

Furthermore, this rulemaking proposes to amend the definition Section (R9-16-901) by removing terms from this Section and entering the definition where the term is used (Section R9-16-907); reduce the burden by removing the rule requirement to complete neonatal resuscitation training, which is not required by statute; makes general corrections; align the rule with statute in Section R9-16-906; update terminology also in R9-16-906; update time-frames (Section R9-16-907 and Table) to reflect current practice; and update R9-16-908 to reflect current practice.

The Department does not believe the proposed amendments and re-establishing the fees will have a significant economic impact for individuals seeking a doula certification as the fees will not change from those previously established under exempt rulemaking. This rulemaking does not propose a fee increase in comparison to the fees previously established.

11. A description of any changes between the proposed rulemaking, to include supplemental notices, and the final rulemaking:

The Department did not make any changes between the proposed rulemaking and the final rulemaking.

12. An agency's summary of the public or stakeholder comments made about the rulemaking and the agency response to the comments:

No comments were received.

13. All agencies shall list other matters prescribed by statute applicable to the specific agency or to any specific rule or class of rules. Additionally, an agency subject to Council review under A.R.S. §§ 41-1052 and 41-1055 shall respond to the following questions:

None

a. Whether the rule requires a permit, whether a general permit is used and if not, the reasons why a general permit is not used:

The Department believes that under A.R.S. § 41-1037(A)(2) that a general permit is not applicable.

b. Whether a federal law is applicable to the subject of the rule, whether the rule is more stringent than federal law and if so, citation to the statutory authority to exceed the requirements of federal law:

Federal laws do not apply to 9 A.A.C. 16, Article 9.

c. Whether a person submitted an analysis to the agency that compares the rule's impact of the competitiveness of business in this state to the impact on business in other states:

No analysis was submitted.

14. A list of any incorporated by reference material as specified in A.R.S. § 41-1028 and its location in the rules:

Not applicable

15. Whether the rule was previously made, amended or repealed as an emergency rule. If so, cite the notice published in the Register as specified in R1-1-409(A). Also, the agency shall state where the text was changed between the emergency and the final rulemaking packages:

Not applicable

TITLE 9. HEALTH SERVICES

CHAPTER 16. DEPARTMENT OF HEALTH SERVICES - OCCUPATIONAL LICENSING

ARTICLE 9. DOULA CERTIFICATION

1. An identification of the rulemaking

Arizona Revised Statute (A.R.S.) § 36-766.02 authorizes the Department of Health Services (Department) to adopt rules to establish standards and requirements for individuals who wish to obtain a state doula certification. The Department has adopted rules, through exempt rulemaking, for state-certified doulas in the Arizona Administrative Code, Title 9, Chapter 16, Article 9. The Department proposes to amend the rules to re-establish the fees in accordance with A.R.S. § 41-1008(E), include updates to align the rules with the Department's practice, reduce the burden regarding requests for duplicate certificates and training, and make the rules clearer and more concise and understandable.

2. Identification of the persons who will be directly affected by, bear the costs of, or directly benefit from the rules.

- Department of Health Services (Department)
- Doula state-certification applicants and state-certified doulas
- State-certified doulas seeking reimbursement for services rendered through AHCCCS
- Individuals seeking services provided by a doula provider
- Arizona Health Care Cost Containment System (AHCCCS)
- General public

3. Cost/Benefit Analysis

The cost bearers and beneficiaries from these rules, including the rule amendments, are as listed in section # 2 above.

As defined in Arizona Revised Statutes (A.R.S.) § 36-766(3) a doula is a "trained nonmedical professional who may provide continuous physical, emotional and informational support to families before, during and after childbirth for a period of one year after birth or in the case of loss and who may serve as a liaison between birth parents and medical and social services staff to improve the quality of medical, social and behavioral outcomes."

Furthermore, pursuant to A.R.S. § 36-766.07, a person is not required "to be certified by the department in order to practice as doula in this state." The Department maintains a list of state-certified doulas that is available to the public. The Department believes the rules support the statute and provide further guidance.

For the purpose of this Article costs/revenue scale is defined as follows: minimal when less than \$1000, moderate when between \$1000 and \$10,000, and substantial when \$10,000 or greater in additional costs or revenues. A cost or benefit was "significant" when meaningful or important, but not readily subject to quantification.

Department

Although doulas are not required to be state-certified in order to practice, A.R.S. § 36-766.02 authorizes the Department to adopt rules to establish standards and requirements for individuals who wish to obtain a state doula certification. This statute also allows the Department to "administer and enforce" the statute and rule. Costs incurred by the Department are significant; given the Department's organization, the costs associated with the responsibilities of this Article are not readily quantifiable. The Bureau of Licensing for Professions and Occupations is a bureau/unit within the Department that is responsible for the licensing and regulation of the rules in this Article. This bureau has one Section Chief, one Deputy Bureau Chief, one Individual Licensing Program Manager, two Licensing Project Managers, and five licensing coordinators that manage the licensing or certification of eight licensing or certification types, of which

doula certification is included. The Department does not anticipate allotting any new full-time employees or making changes to those currently allotted. The Department believes that the current staffing is adequate to implement and regulate the rules and the rule amendments.

In accordance with A.R.S. § 36-766.06, the Department established fees for state-certified doula certification for this self-funded program. A.R.S. § 41-1008 states that a fee established under an exempt rule making is effective for two years. With this rulemaking the Department is proposing to re-establish these fees (Sections R9-16-903, R9-16-904, R9-16-908, and R9-16-909). Furthermore, the fee amounts remain the same with this rulemaking in comparison with those established through exempt rulemaking in 2023.

According to A.R.S. § 36-766.01, a person applying for doula certification "requires a valid fingerprint clearance card issued pursuant to Title 41, Chapter 12, 3.1." Fingerprint clearance cards are processed by the Department of Public Safety (DPS); however, the Federal Bureau of Investigation (FBI) must first approve for DPS to run a background check for doula certification. DPS recently received such approval and therefore, recently began processing any applications for fingerprint clearance cards for purposes of doula certification as of September 27, 2024. As a result, the Department's metrics or data are limited at this time. In 2024, the Department approved and issued licenses to five (5) doula applicants. For those who did not already have a fingerprint clearance card, they were able to apply once DPS received FBI approval to begin processing applications for fingerprint clearance cards in September 2024. As of now, there are a total of five (5) licensed doulas. Pursuant to A.R.S. § 36-766.06, fees collected by the Department to process certification applications are deposited in a "segregated account in the health services licensing fund established by section 36-414." In 2024, the Department has collected \$1,500.00 in fees for doula certification.

Doula state-certification applicants and state-certified doulas

Initial or recertification costs to individuals applying for doula certification are estimated as minimal. The Department believes the rules in this Article have a positive impact due to the rules explaining the requirements and procedures for applying for a doula certification as well as the scope of practice. A person initially applying for a doula certification is charged a \$100 application fee. This is a one-time fee. A person applying for an initial doula certification is also charged a \$200 certification fee. This translates to \$300 total cost for initial certification, which is good for three (3) years. An applicant applying for renewal of their certification is charged a fee of \$200. The renewal certification period is for three (3) years which translates to approximately \$66.67 per year. The fees charged for doula certification is comparable to other licenses, such as licenses for speech and hearing and community health workers; however, with a difference that their initial license and renewals are both for a period of two (2) years, whereas the initial and renewal for doula certifications are for a period of three (3) years. The doula certification fees align closely with other occupational licensing fees under 9 A.A.C. 16, particularly in terms of upfront costs. However, due to the three-year license duration, the doula certification offers a slightly lower annual cost compared to similar two-year licenses. This structure maintains consistency in application and renewal fees, while also providing an economic benefit to doula applicants over time. Furthermore, this structure reflects equitable access and affordability for doula applicants, especially given their certification is good for three years; and renewal fees remain consistent across all comparable licenses/certifications, maintaining fairness in ongoing certification costs. This analysis supports the continuation of the existing fee structure, emphasizing its alignment with our broader licensing program costs and goals for affordability. Additionally, the proposed amendments will reduce the doula's burden of cost by removing the requirement of completing a neonatal resuscitation training which is not a statutory requirement and removing the fee for requests for duplicate certifications. The Department does not believe the proposed amendments and re-establishing the fees will have a significant economic impact for individuals seeking a doula certification as the fee amounts will not change from those previously established under exempt rulemaking. This rulemaking does not propose a fee increase in comparison to the fees previously established.

Furthermore, costs associated with the proposed amendments are estimated as minimal. This rulemaking proposes to amend the definition Section (R9-16-901) by removing terms from this Section and entering the definition where the term is used (Section R9-16-907); reduce the burden by removing the rule requirement to complete neonatal resuscitation, which is not a statutory requirement; make general corrections; align the rule with statute in Section R9-16-906; update time-frames (Section R9-16-907 and Table) to reflect current practice; and update R9-16-908 to reflect current practice.

Additionally, state-certified doulas, who are also registered with AHCCCS, may submit claims for reimbursement for services rendered to an AHCCCS member.

Arizona Health Care Cost Containment System (AHCCCS)

The Department expects AHCCCS costs related to this Article and the proposed amendments in this rulemaking to be significant. In October 2024, AHCCCS received approval from the Centers for Medicare and Medicaid Services allowing AHCCCS to cover and reimburse for doula services provided to AHCCCS members. In order for AHCCCS to reimburse doula providers, the doula providers must be certified by Department and registered with AHCCCS. AHCCCS establishes the rates, recommendations, referral, etc. requirements for reimbursement through AHCCCS. Additional details provided in #4.

General public and persons seeking doula services

The rules in this Article and the proposed amendments are expected to provide a significant benefit to the general public. Although state certification to provide doula services is not required in Arizona, the general public may receive a significant benefit from having a list of certified doulas to help them determine whether to choose a doula who is certified or not certified by the Department. The Department maintains a list of state-certified doulas that is available to the public. Additionally, the general public may receive a significant benefit from knowing the criteria required to become a state-certified doula. The rules in this Article provide the public details of the requirements and procedures for applying for and maintaining a doula state-certification as well as their scope of practice.

4. A general description of the probable impact on private and public employment in businesses, agencies, and political subdivisions of this state directly affected by the rulemaking.

According to A.R.S. § 36-766.07, certification through the Department is not required in Arizona. It is not believed that political subdivisions of this state are directly affected by the rulemaking. As mentioned, doula certification with the Department is voluntary. The Department believes that the rules in this Article and the proposed amendments would benefit businesses that would like to seek reimbursement from Arizona's Medicaid program, Arizona Health Care Cost Containment System (AHCCCS). In October 2024 AHCCCS received approval from the Centers for Medicare and Medicaid Services allowing AHCCCS to cover and reimburse for doula services provided to AHCCCS members.¹ In order to obtain Medicaid reimbursement, doula providers must be certified by the Department of Health Services and registered with AHCCCS. With the option to register with AHCCCS, doulas and businesses offering doula services, could potentially expand their client base. The impact of this is unknown; however, the Department believes that this option may have a positive impact to persons or business who may seek to employ doula's certified by the Department. As mentioned, it is the Department's belief that the proposed amendments will benefit all who are seeking doula certification through the Department. It is also the Department's belief that the re-establishment of the fees will not increase the burden to doula certification applicants.

Fees for doula certification were initially established under exempt rulemaking. In accordance with A.R.S. § 41-1008 a fee established under an exempt rule making is effective for two years. With this rulemaking the Department proposes to re-establish said fees. The fee amounts will remain the same with this rulemaking.

The Department believes that a person and/or a business providing doula services could benefit from the rules in this Article as they can expand their services to AHCCCS members and seek reimbursement from an AHCCCS.

The proposed amendments update the rules to reflect current practice, make general corrections, align rules with statute, make the rules clearer and more concise, decrease the burden, and re-establish the fees previously established under exempt rulemaking. It is the Department's belief that the proposed amendments will have a positive impact on businesses.

5. A statement of the probable impact of the rules on small business.

A small business may benefit from the rules in this Article as a doula who is state-certified has the potential to expand their clientele to AHCCCS members.

5.1 Identification of the small business businesses subject to the rules.

The rules in this Article for state doula certification affects persons seeking doula certification and those small businesses who employ doulas.

5.2 The administrative and other costs required for compliance with the rules.

The rule amendments do not add any administrative and other costs required for compliance with the rules.

5.3 A description of the methods that the agency may use to reduce the impact on small businesses.

Doula certification with the Department is voluntary, pursuant to A.R.S. § 36-766.07. There are no other methods identified to reduce the impact on small businesses.

5.4 The probable costs and benefits to private persons and consumers who are directly affected by the rules.

In general, the public may benefit from the rules in this Article. A doula, as defined in statute (A.R.S. § 36-766(3)), is a "trained nonmedical professional

who may provide continuous physical, emotional, and informational support to families before, during, and after childbirth for a period of one year after birth or in the case of loss and who may serve as a liaison between birth parents and medical and social services staff to improve the quality of medical social and behavioral outcomes." Additionally, per A.R.S. § 36-766.07, a person is not required "to be certified by the department in order to practice as doula in this state." The public may benefit from having access to a list, maintained by the Department, of state-certified doulas to help them determine whether to choose a doula who is certified or not certified by the Department.

According to AHCCCS, "Studies have shown that additional pregnancy support, including doulas, leads to healthier pregnancies that are less likely to require C-sections or result in premature births needing neonatal intensive care unit (NICU) stays. It also decreases rates of anxiety and depression for the birthing parent."² Also according to AHCCCS, "More than half of Arizona's births are covered by AHCCCS, the state's Medicaid agency. Doula reimbursement is available to any doula certified through the Arizona Department of Health Services' voluntary doula certification program and registered with AHCCCS as a provider."³ The 2024 March of Dimes report card for Arizona reports that "preterm birth rate in Arizona was 9.9% in 2023, higher than the rate in 2022." This report includes that "485 babies died before their first birthday" in 2022; the maternal death rate of birthing people in Arizona is 30 per 100,000 births; and 18.8% of birthing people received inadequate prenatal care. Among other information in this report, it also includes that having "policies and sufficient funding" surrounding doula reimbursement through AHCCCS as a factor that "is critical to improve and sustain maternal and infant healthcare."⁴

The proposed amendments may lessen the burden of costs to private persons seeking doula certification by the Department. The proposed amendments remove the requirement of doulas obtaining neonatal resuscitation which is not required by statute. Additionally, the Department is working on doulas being able to print their own certifications; therefore, the proposed rules removes the requirement for doulas to request a duplicate license and the corresponding fee for this request. As mentioned in paragraphs #3 and 4, the Department proposes to re-establish the fee amounts, with no changes, to those previously established in 2023. Additionally, those affected by the rules may also benefit from the proposed amendments as they are updated to reflect current practice; provide clarification; align rules with statute; and make corrections.

6. A statement of the probable effect on state revenues.

Pursuant to A.R.S. § 36-766.06, fees collected by the Department to process certification applications are deposited in a "segregated account in the health services licensing fund established by section 36-414."

7. A description of any less intrusive or less costly alternative methods of achieving the purpose of the proposed rulemaking.

The Department believes the current rules pose the minimum cost and burden on the regulated public. As authorized by A.R.S. § 36-766.06 the Department established fees that the Department determined imposed the least burden and costs for this self-funded program. The costs for the processing of applications for doula certification are necessary to achieve the underlying objectives and statutory requirements.

8. A description of any data on which the rule is based with a detailed explanation of how the data was obtained and why the data is acceptable data.

R9-16-905. Continuing Education

- A. A certified doula shall complete 15 hours of continuing education hours within the three years prior to renewing certification specified in A.R.S. § 36-766.01.
- B. Continuing education shall:
 1. Directly relate to doula core competencies as specified in R9-16-901(9) including services, skills, and knowledge that:
 - a. Facilitates access to quality of care delivery and health outcomes for clients receiving services; and
 - b. Expands health and wellness in diverse communities to reduce health disparities;
 2. Have educational objectives that exceed an introductory level of knowledge related to doula core competencies and scope of practices; and
 3. Consist of courses related to core competencies, such as:
 - a. Health and social service systems, including disease prevention to help manage health conditions;
 - b. Health promotion education;
 - i. Health literacy and cross-cultural communication;
 - ii. Referrals and providing follow-up;
 - iii. Individual support and coaching; and
 - iv. Outreach methods and strategies;
 - c. Client and community assessment;
 - d. Health education for behavior change;
 - e. Provide direct services;
 - f. Home visits to provide education, assessment, and social support; and
 - g. Support, advocacy, and health system navigation for clients.
- C. A continuing education course developed, endorsed, or sponsored by the Department according to A.R.S. § 36-766.09(B) is available at www.azdhs.gov.

Historical Note

New Section made by exempt rulemaking at 29 A.A.R. 803 (March 31, 2023), effective August 1, 2023 (Supp. 23-1).

R9-16-906. Enforcement

- A. The Department may deny, suspend, or revoke a certificate holder's certification, permanently or for a fixed period of time specified in A.R.S. § 36-766.04 and this Article.
- B. In determining which disciplinary action specified in subsection (A) is appropriate, the Department shall consider:
 1. The type of violation,
 2. The severity of the violation,

TITLE 9. HEALTH SERVICES

CHAPTER 16. DEPARTMENT OF HEALTH SERVICES - OCCUPATIONAL LICENSING

- 3. The danger to public health and safety,
 - 4. The number of violations,
 - 5. The number of clients affected by the violations,
 - 6. The degree of harm to the consumer,
 - 7. A pattern of noncompliance, and
 - 8. Any mitigating or aggravating circumstances.
- C. A certificate holder may appeal an enforcement action taken by the Department according to A.R.S. Title 41, Chapter 6, Article 10.
- D. If a certified doula is employed by a tribe and appears to have violated this Article according to A.R.S. § 36-766.04(C), the tribal government having jurisdiction and following tribal ordinances and policies shall:
- 1. Review and determine whether the certified doula has violated this Article; and
 - 2. Provide the Department with a written determination of whether denied, suspended, or revoked, including specific penalties from disciplinary actions taken by the tribal government.
- b. A notice of deficiencies suspends the administrative completeness review time-frame and the overall time-frame from the date of the notice until the date the Department receives the missing information or documentation.
 - c. If the applicant does not submit to the Department all the information or documentation listed in the notice of deficiencies within 30 calendar days after the date of the notice of deficiencies, the Department shall consider the application withdrawn.
3. If the Department issues a certificate during the administrative completeness review time-frame, the Department shall not issue a separate written notice of administrative completeness.

Historical Note

New Section made by exempt rulemaking at 29 A.A.R. 803 (March 31, 2023), effective August 1, 2023 (Supp. 23-1).

R9-16-907. Time-frames

- A. For a certificate or approval issued by the Department under this Article, Table 9.1 specifies the overall time-frame.
- 1. An applicant and the Department may agree in writing to extend the substantive review time-frame and the overall time-frame.
 - 2. The extension of the substantive review time-frame and the overall time-frame may not exceed 25% of the overall time-frame.
- B. For a certificate or approval issued by the Department under this Article, Table 9.1 specifies the administrative completeness review time-frame.
- 1. The administrative completeness review time-frame begins the date the Department receives an application required in this Article.
 - 2. Except as provided in subsection (B)(3), the Department shall provide a written notice of administrative completeness or a notice of deficiencies to an applicant within the administrative completeness review time-frame.
 - a. If a certificate application is not complete, the notice of deficiencies listing each deficiency and the information or documentation needed to complete the application.
- C. For a certificate or approval issued by the Department under this Article, Table 9.1 specifies the substantive review time-frame, which begins on the date the Department sends a written notice of administrative completeness.
- 1. Within the substantive review time-frame, the Department shall provide a written notice to the applicant that the Department approved or denied the application.
 - 2. During the substantive review time-frame:
 - a. The Department may make one comprehensive written request for additional information or documentation; and
 - b. If the Department and the applicant agree in writing, the Department may make supplemental requests for additional information or documentation.
 - 3. A comprehensive written request or a supplemental request for additional information or documentation suspends the substantive review time-frame and the overall time-frame from the date of the request until the date the Department receives all the information or documentation requested.
 - 4. If the applicant does not submit to the Department all the information or documentation listed in a comprehensive written request or supplemental request for additional information or documentation within 30 calendar days after the date of the request, the Department shall deny the certificate or approval.
- D. An applicant who is denied certification may appeal the denial according to A.R.S. Title 41, Chapter 6, Article 10.

36-132. Department of health services; functions; contracts

A. The department, in addition to other powers and duties vested in it by law, shall:

1. Protect the health of the people of the state.
2. Promote the development, maintenance, efficiency and effectiveness of local health departments or districts of sufficient population and area that they can be sustained with reasonable economy and efficient administration, provide technical consultation and assistance to local health departments or districts, provide financial assistance to local health departments or districts and services that meet minimum standards of personnel and performance and in accordance with a plan and budget submitted by the local health department or districts to the department for approval, and recommend the qualifications of all personnel.
3. Collect, preserve, tabulate and interpret all information required by law in reference to births, deaths and all vital facts, and obtain, collect and preserve information relating to the health of the people of this state and the prevention of diseases as may be useful in the discharge of functions of the department not in conflict with chapter 3 of this title and sections 36-693, 36-694 and 39-122.
4. Operate sanitariums, hospitals or other facilities assigned to the department by law or by the governor.
5. Conduct a statewide program of health education relevant to the powers and duties of the department, prepare educational materials and disseminate information as to conditions affecting health, including basic information to promote good health on the part of individuals and communities, and prepare and disseminate technical information concerning public health to the health professions, local health officials and hospitals. In cooperation with the department of education, the department of health services shall prepare and disseminate materials and give technical assistance for the purpose of educating children in hygiene, sanitation and personal and public health, and provide consultation and assistance in community organization to counties, communities and groups of people.
6. Administer or supervise a program of public health nursing, prescribe the minimum qualifications of all public health nurses engaged in official public health work, and encourage and aid in coordinating local public health nursing services.
7. Encourage and aid in coordinating local programs concerning control of preventable diseases in accordance with statewide plans that shall be formulated by the department.
8. Encourage and aid in coordinating local programs concerning maternal and child health, including midwifery, antepartum and postpartum care, infant and preschool

health and the health of schoolchildren, including special fields such as the prevention of blindness and conservation of sight and hearing.

9. Encourage and aid in coordinating local programs concerning nutrition of the people of this state.

10. Encourage, administer and provide dental health care services and aid in coordinating local programs concerning dental public health, in cooperation with the Arizona dental association. The department may bill and receive payment for costs associated with providing dental health care services and shall deposit the monies in the oral health fund established by section 36-138.

11. Establish and maintain adequate serological, bacteriological, parasitological, entomological and chemical laboratories with qualified assistants and facilities necessary for routine examinations and analyses and for investigations and research in matters affecting public health.

12. Supervise, inspect and enforce the rules concerning the operation of public bathing places and public and semipublic swimming pools adopted pursuant to section 36-136, subsection I, paragraph 10.

13. Take all actions necessary or appropriate to ensure that bottled water sold to the public and water used to process, store, handle, serve and transport food and drink are free from filth, disease-causing substances and organisms and unwholesome, poisonous, deleterious or other foreign substances. All state agencies and local health agencies involved with water quality shall provide to the department any assistance requested by the director to ensure that this paragraph is effectuated.

14. Enforce the state food, caustic alkali and acid laws in accordance with chapter 2, article 2 of this title, chapter 8, article 1 of this title and chapter 9, article 4 of this title, and collaborate in enforcing the federal food, drug, and cosmetic act (52 Stat. 1040; 21 United States Code sections 1 through 905).

15. Recruit and train personnel for state, local and district health departments.

16. Conduct continuing evaluations of state, local and district public health programs, study and appraise state health problems and develop broad plans for use by the department and for recommendation to other agencies, professions and local health departments for the best solution of these problems.

17. License and regulate health care institutions according to chapter 4 of this title.

18. Issue or direct the issuance of licenses and permits required by law.

19. Participate in the state civil defense program and develop the necessary organization and facilities to meet wartime or other disasters.

20. Subject to the availability of monies, develop and administer programs in perinatal health care, including:

- (a) Screening in early pregnancy for detecting high-risk conditions.
- (b) Comprehensive prenatal health care.
- (c) Maternity, delivery and postpartum care.
- (d) Perinatal consultation, including transportation of the pregnant woman to a perinatal care center when medically indicated.
- (e) Perinatal education oriented toward professionals and consumers, focusing on early detection and adequate intervention to avert premature labor and delivery.

21. License and regulate the health and safety of group homes and behavioral-supported group homes for persons with developmental disabilities. The department shall issue a license to an accredited facility for a period of the accreditation, except that a licensing period shall not be longer than three years. The department is authorized to conduct an inspection of an accredited facility to ensure that the facility meets health and safety licensure standards. The results of the accreditation survey shall be public information. A copy of the final accreditation report shall be filed with the department of health services. For the purposes of this paragraph, "accredited" means accredited by a nationally recognized accreditation organization.

B. The department may accept from the state or federal government, or any agency of the state or federal government, and from private donors, trusts, foundations or eleemosynary corporations or organizations grants or donations for or in aid of the construction or maintenance of any program, project, research or facility authorized by this title, or in aid of the extension or enforcement of any program, project or facility authorized, regulated or prohibited by this title, and enter into contracts with the federal government, or an agency of the federal government, and with private donors, trusts, foundations or eleemosynary corporations or organizations, to carry out such purposes. All monies made available under this section are special project grants. The department may also expend these monies to further applicable scientific research within this state.

C. The department, in establishing fees authorized by this section, shall comply with title 41, chapter 6. The department shall not set a fee at more than the department's cost of providing the service for which the fee is charged. State agencies are exempt from all fees imposed pursuant to this section.

D. The department may enter into contracts with organizations that perform nonrenal organ transplant operations and organizations that primarily assist in the management of end-stage renal disease and related problems to provide, as payors of last resort,

prescription medications necessary to supplement treatment and transportation to and from treatment facilities. The contracts may provide for department payment of administrative costs it specifically authorizes.

36-136. Powers and duties of director; compensation of personnel; rules; definitions

A. The director shall:

1. Be the executive officer of the department of health services and the state registrar of vital statistics but shall not receive compensation for services as registrar.
2. Perform all duties necessary to carry out the functions and responsibilities of the department.
3. Prescribe the organization of the department. The director shall appoint or remove personnel as necessary for the efficient work of the department and shall prescribe the duties of all personnel. The director may abolish any office or position in the department that the director believes is unnecessary.
4. Administer and enforce the laws relating to health and sanitation and the rules of the department.
5. Provide for the examination of any premises if the director has reasonable cause to believe that on the premises there exists a violation of any health law or rule of this state.
6. Exercise general supervision over all matters relating to sanitation and health throughout this state. When in the opinion of the director it is necessary or advisable, a sanitary survey of the whole or of any part of this state shall be made. The director may enter, examine and survey any source and means of water supply, sewage disposal plant, sewerage system, prison, public or private place of detention, asylum, hospital, school, public building, private institution, factory, workshop, tenement, public washroom, public restroom, public toilet and toilet facility, public eating room and restaurant, dairy, milk plant or food manufacturing or processing plant, and any premises in which the director has reason to believe there exists a violation of any health law or rule of this state that the director has the duty to administer.
7. Prepare sanitary and public health rules.
8. Perform other duties prescribed by law.

B. If the director has reasonable cause to believe that there exists a violation of any health law or rule of this state, the director may inspect any person or property in transportation through this state, and any car, boat, train, trailer, airplane or other vehicle in which that person or property is transported, and may enforce detention or

disinfection as reasonably necessary for the public health if there exists a violation of any health law or rule.

C. The director, after consultation with the department of administration, may take all necessary steps to enhance the highest and best use of the state hospital property, including contracting with third parties to provide services, entering into short-term lease agreements with third parties to occupy or renovate existing buildings and entering into long-term lease agreements to develop the land and buildings. The director shall deposit any monies collected from contracts and lease agreements entered into pursuant to this subsection in the Arizona state hospital charitable trust fund established by section 36-218. At least thirty days before issuing a request for proposals pursuant to this subsection, the department of health services shall hold a public hearing to receive community and provider input regarding the highest and best use of the state hospital property related to the request for proposals. The department shall report to the joint committee on capital review on the terms, conditions and purpose of any lease or sublease agreement entered into pursuant to this subsection relating to state hospital lands or buildings or the disposition of real property pursuant to this subsection, including state hospital lands or buildings, and the fiscal impact on the department and any revenues generated by the agreement. Any lease or sublease agreement entered into pursuant to this subsection relating to state hospital lands or buildings or the disposition of real property pursuant to this subsection, including state hospital lands or buildings, must be reviewed by the joint committee on capital review.

D. The director may deputize, in writing, any qualified officer or employee in the department to do or perform on the director's behalf any act the director is by law empowered to do or charged with the responsibility of doing.

E. The director may delegate to a local health department, county environmental department or public health services district any functions, powers or duties that the director believes can be competently, efficiently and properly performed by the local health department, county environmental department or public health services district if:

1. The director or superintendent of the local health department, environmental department or public health services district is willing to accept the delegation and agrees to perform or exercise the functions, powers and duties conferred in accordance with the standards of performance established by the director of the department of health services.

2. Monies appropriated or otherwise made available to the department for distribution to or division among counties or public health services districts for local health work may be allocated or reallocated in a manner designed to ensure the accomplishment of recognized local public health activities and delegated functions, powers and duties in

accordance with applicable standards of performance. If in the director's opinion there is cause, the director may terminate all or a part of any delegation and may reallocate all or a part of any monies that may have been conditioned on the further performance of the functions, powers or duties conferred.

F. The compensation of all personnel shall be as determined pursuant to section 38-611.

G. The director may make and amend rules necessary for the proper administration and enforcement of the laws relating to the public health.

H. Notwithstanding subsection I, paragraph 1 of this section, the director may define and prescribe emergency measures for detecting, reporting, preventing and controlling communicable or infectious diseases or conditions if the director has reasonable cause to believe that a serious threat to public health and welfare exists. Emergency measures are effective for not longer than eighteen months.

I. The director, by rule, shall:

1. Define and prescribe reasonably necessary measures for detecting, reporting, preventing and controlling communicable and preventable diseases. The rules shall declare certain diseases that are reportable. The rules shall prescribe measures, including isolation or quarantine, that are reasonably required to prevent the occurrence of, or to seek early detection and alleviation of, disability, insofar as possible, from communicable or preventable diseases. The rules shall include reasonably necessary measures to control animal diseases that are transmittable to humans.

2. Define and prescribe reasonably necessary measures, in addition to those prescribed by law, regarding the preparation, embalming, cremation, interment, disinterment and transportation of dead human bodies and the conduct of funerals, relating to and restricted to communicable diseases and regarding the removal, transportation, cremation, interment or disinterment of any dead human body.

3. Define and prescribe reasonably necessary procedures that are not inconsistent with law in regard to the use and accessibility of vital records, delayed birth registration and the completion, change and amendment of vital records.

4. Except as relating to the beneficial use of wildlife meat by public institutions and charitable organizations pursuant to title 17, prescribe reasonably necessary measures to ensure that all food or drink, including meat and meat products and milk and milk products sold at the retail level, provided for human consumption is free from unwholesome, poisonous or other foreign substances and filth, insects or disease-causing organisms. The rules shall prescribe reasonably necessary measures governing the production, processing, labeling, storing, handling, serving and

transportation of these products. The rules shall prescribe minimum standards for the sanitary facilities and conditions that shall be maintained in any warehouse, restaurant or other premises, except a meatpacking plant, slaughterhouse, wholesale meat processing plant, dairy product manufacturing plant or trade product manufacturing plant. The rules shall prescribe minimum standards for any truck or other vehicle in which food or drink is produced, processed, stored, handled, served or transported. The rules shall provide for the inspection and licensing of premises and vehicles so used, and for abatement as public nuisances of any premises or vehicles that do not comply with the rules and minimum standards. The rules shall provide an exemption relating to food or drink that is:

- (a) Served at a noncommercial social event such as a potluck.
- (b) Prepared at a cooking school that is conducted in an owner-occupied home.
- (c) Not potentially hazardous and prepared in a kitchen of a private home for sale or distribution for noncommercial purposes.
- (d) Prepared or served at an employee-conducted function that lasts less than four hours and is not regularly scheduled, such as an employee recognition, an employee fundraising or an employee social event.
- (e) Offered at a child care facility and limited to commercially prepackaged food that is not potentially hazardous and whole fruits and vegetables that are washed and cut on-site for immediate consumption.
- (f) Offered at locations that sell only commercially prepackaged food or drink that is not potentially hazardous.
- (g) A cottage food product that is prepared in a kitchen of a private home for commercial purposes consistent with chapter 8, article 2 of this title.
- (h) A whole fruit or vegetable grown in a public school garden that is washed and cut on-site for immediate consumption.
- (i) Produce in a packing or holding facility that is subject to the United States food and drug administration produce safety rule (21 Code of Federal Regulations part 112) as administered by the Arizona department of agriculture pursuant to title 3, chapter 3, article 4.1. For the purposes of this subdivision, "holding", "packing" and "produce" have the same meanings prescribed in section 3-525.
- (j) Spirituous liquor produced on the premises licensed by the department of liquor licenses and control. This exemption includes both of the following:
 - (i) The area in which production and manufacturing of spirituous liquor occurs, as defined in an active basic permit on file with the United States alcohol and tobacco tax and trade bureau.

(ii) The area licensed by the department of liquor licenses and control as a microbrewery, farm winery or craft distiller that is open to the public and serves spirituous liquor and commercially prepackaged food, crackers or pretzels for consumption on the premises. A producer of spirituous liquor may not provide, allow or expose for common use any cup, glass or other receptacle used for drinking purposes. For the purposes of this item, "common use" means the use of a drinking receptacle for drinking purposes by or for more than one person without the receptacle being thoroughly cleansed and sanitized between consecutive uses by methods prescribed by or acceptable to the department.

(k) Spirituous liquor produced by a producer that is licensed by the department of liquor licenses and control or spirituous liquor imported and sold by wholesalers that is licensed by the department of liquor licenses and control. This exemption includes all commercially prepackaged spirituous liquor and all spirituous liquor poured at a licensed special event, festival or fair in this state.

5. Prescribe reasonably necessary measures to ensure that all meat and meat products for human consumption handled at the retail level are delivered in a manner and from sources approved by the Arizona department of agriculture and are free from unwholesome, poisonous or other foreign substances and filth, insects or disease-causing organisms. The rules shall prescribe standards for sanitary facilities to be used in identifying, storing, handling and selling all meat and meat products sold at the retail level.

6. Prescribe reasonably necessary measures regarding production, processing, labeling, handling, serving and transportation of bottled water to ensure that all bottled drinking water distributed for human consumption is free from unwholesome, poisonous, deleterious or other foreign substances and filth or disease-causing organisms. The rules shall prescribe minimum standards for the sanitary facilities and conditions that shall be maintained at any source of water, bottling plant and truck or vehicle in which bottled water is produced, processed, stored or transported and shall provide for inspection and certification of bottled drinking water sources, plants, processes and transportation and for abatement as a public nuisance of any water supply, label, premises, equipment, process or vehicle that does not comply with the minimum standards. The rules shall prescribe minimum standards for bacteriological, physical and chemical quality for bottled water and for submitting samples at intervals prescribed in the standards.

7. Define and prescribe reasonably necessary measures governing ice production, handling, storing and distribution to ensure that all ice sold or distributed for human consumption or for preserving or storing food for human consumption is free from unwholesome, poisonous, deleterious or other foreign substances and filth or disease-causing organisms. The rules shall prescribe minimum standards for the

sanitary facilities and conditions and the quality of ice that shall be maintained at any ice plant, storage and truck or vehicle in which ice is produced, stored, handled or transported and shall provide for inspection and licensing of the premises and vehicles, and for abatement as public nuisances of ice, premises, equipment, processes or vehicles that do not comply with the minimum standards.

8. Define and prescribe reasonably necessary measures concerning sewage and excreta disposal, garbage and trash collection, storage and disposal, and water supply for recreational and summer camps, campgrounds, motels, tourist courts, trailer coach parks and hotels. The rules shall prescribe minimum standards for preparing food in community kitchens, adequacy of excreta disposal, garbage and trash collection, storage and disposal and water supply for recreational and summer camps, campgrounds, motels, tourist courts, trailer coach parks and hotels and shall provide for inspection of these premises and for abatement as public nuisances of any premises or facilities that do not comply with the rules. Primitive camp and picnic grounds offered by this state or a political subdivision of this state are exempt from rules adopted pursuant to this paragraph but are subject to approval by a county health department under sanitary regulations adopted pursuant to section 36-183.02. Rules adopted pursuant to this paragraph do not apply to two or fewer recreational vehicles as defined in section 33-2102 that are not park models or park trailers, that are parked on owner-occupied residential property for less than sixty days and for which no rent or other compensation is paid. For the purposes of this paragraph, "primitive camp and picnic grounds" means camp and picnic grounds that are remote in nature and without accessibility to public infrastructure such as water, electricity and sewer.

9. Define and prescribe reasonably necessary measures concerning the sewage and excreta disposal, garbage and trash collection, storage and disposal, water supply and food preparation of all public schools. The rules shall prescribe minimum standards for sanitary conditions that shall be maintained in any public school and shall provide for inspection of these premises and facilities and for abatement as public nuisances of any premises that do not comply with the minimum standards.

10. Prescribe reasonably necessary measures to prevent pollution of water used in public or semipublic swimming pools and bathing places and to prevent deleterious health conditions at these places. The rules shall prescribe minimum standards for sanitary conditions that shall be maintained at any public or semipublic swimming pool or bathing place and shall provide for inspection of these premises and for abatement as public nuisances of any premises and facilities that do not comply with the minimum standards. The rules shall be developed in cooperation with the director of the department of environmental quality and shall be consistent with the rules adopted by the director of the department of environmental quality pursuant to section 49-104, subsection B, paragraph 12.

11. Prescribe reasonably necessary measures to keep confidential information relating to diagnostic findings and treatment of patients, as well as information relating to contacts, suspects and associates of communicable disease patients. Confidential information may not be made available for political or commercial purposes.

12. Prescribe reasonably necessary measures regarding human immunodeficiency virus testing as a means to control the transmission of that virus, including the designation of anonymous test sites as dictated by current epidemiologic and scientific evidence.

13. Establish an online registry of food preparers that are authorized to prepare cottage food products for commercial purposes pursuant to paragraph 4 of this subsection and chapter 8, article 2 of this title. A registered food preparer shall renew the registration every three years and shall provide to the department updated registration information within thirty days after any change.

14. Prescribe an exclusion for fetal demise cases from the standardized survey known as "the hospital consumer assessment of healthcare providers and systems".

J. The rules adopted under the authority conferred by this section shall be observed throughout this state and shall be enforced by each local board of health or public health services district, but this section does not limit the right of any local board of health or county board of supervisors to adopt ordinances and rules as authorized by law within its jurisdiction if the ordinances and rules do not conflict with state law and are equal to or more restrictive than the rules of the director.

K. The powers and duties prescribed by this section do not apply in instances in which regulatory powers and duties relating to public health are vested by the legislature in any other state board, commission, agency or instrumentality, except that with regard to the regulation of meat and meat products, the department of health services and the Arizona department of agriculture within the area delegated to each shall adopt rules that are not in conflict.

L. The director, in establishing fees authorized by this section, shall comply with title 41, chapter 6. The department shall not set a fee at more than the department's cost of providing the service for which the fee is charged. State agencies are exempt from all fees imposed pursuant to this section.

M. After consultation with the state superintendent of public instruction, the director shall prescribe the criteria the department shall use in deciding whether or not to notify a local school district that a pupil in the district has tested positive for the human immunodeficiency virus antibody. The director shall prescribe the procedure by which the department shall notify a school district if, pursuant to these criteria, the department determines that notification is warranted in a particular situation. This procedure shall include a requirement that before notification the department shall

determine to its satisfaction that the district has an appropriate policy relating to nondiscrimination of the infected pupil and confidentiality of test results and that proper educational counseling has been or will be provided to staff and pupils.

N. Until the department adopts exemptions by rule as required by subsection I, paragraph 4, subdivision (f) of this section, food and drink are exempt from the rules prescribed in subsection I of this section if offered at locations that sell only commercially prepackaged food or drink that is not potentially hazardous, without a limitation on its display area.

O. Until the department adopts exemptions by rule as required by subsection I, paragraph 4, subdivision (h) of this section, a whole fruit or vegetable grown in a public school garden that is washed and cut on-site for immediate consumption is exempt from the rules prescribed in subsection I of this section.

P. Until the department adopts an exclusion by rule as required by subsection I, paragraph 14 of this section, the standardized survey known as "the hospital consumer assessment of healthcare providers and systems" may not include patients who experience a fetal demise.

Q. Until the department adopts exemptions by rule as required by subsection I, paragraph 4, subdivision (j) of this section, spirituous liquor and commercially prepackaged food, crackers or pretzels that meet the requirements of subsection I, paragraph 4, subdivision (j) of this section are exempt from the rules prescribed in subsection I of this section.

R. For the purposes of this section:

1. "Cottage food product" has the same meaning prescribed in section 36-931.
2. "Fetal demise" means a fetal death that occurs or is confirmed in a licensed hospital. Fetal demise does not include an abortion as defined in section 36-2151.

36-766.01. Application for certificate; certification; fingerprint clearance card; renewal; continuing education

A. A person may apply to the director for a certificate to practice as a state-certified doula on a form prescribed by the director and shall furnish the information required by the director.

B. The director shall grant a certificate to a doula who:

1. Meets the qualifications prescribed by this article and rules adopted pursuant to this article.

2. Pays the applicable fees. The director shall prescribe by rule a sliding fee scale for all fees required by this article and rules adopted pursuant to this article.

3. Possesses a valid fingerprint clearance card issued pursuant to title 41, chapter 12, 3.1.

C. A doula certificate is valid for three years and may be renewed every three years by applying to the director and paying the applicable fees.

D. A person shall file an application for renewal at least thirty days and not more than ninety days before the date the current doula certificate expires. A state-certified doula must complete fifteen hours of related continuing education and submit documentation of completion with the renewal application.

36-766.02. Powers and duties of director; rules; waiver

A. The director, by rule, shall:

1. Outline the scope of practice and the core competencies of state-certified doulas regarding the skills and areas of knowledge that are essential to expand health and wellness, to reduce health disparities and to promote culturally relevant practices within diverse communities.

2. Describe and define reasonable and necessary minimum qualifications, including those prescribed in section 36-766.03.

3. Adopt standards and requirements to establish state-certified doula education and training programs in this state.

4. Adopt standards to approve or accept continuing education courses for renewing state-certified doula certificates.

5. Establish criteria for granting, denying, suspending and revoking state-certified doula certificates in order to protect the public health and safety.

B. The director may consult with subject matter experts from an integrated public health program at a higher education institution located in this state regarding the development of rules prescribed by this section.

C. The director may adopt rules:

1. That are necessary to administer and enforce this article.

2. That allow for reciprocity agreements, including with the Indian health service.

D. The director shall waive the minimum training and education requirements for certification for applicants who provide documentation of current certification with a nationally recognized doula organization.

36-766.03. Applicant requirements; education and training; alternate certification

A. An applicant for certification under this article shall do all of the following:

1. Provide one of the following:

(a) Documentation of completing at least thirty hours of in-person instruction or a combination of in-person and online instruction in core competency topics that may include the following:

- (i) Entrepreneurship.
- (ii) Standards of practice and ethics.
- (iii) The childbirth process.
- (iv) Parental engagement.
- (v) Postpartum care.
- (vi) Grief.
- (vii) Trauma-informed care.
- (viii) Cultural doula practices.
- (ix) Anatomy and physiology.

(b) For doulas who are from a community trained in non-western doula practices as determined by the director, documentation confirming that core competencies have been met through culturally specific training or education that is subject to review by the director.

(c) Other related individualized or experiential training or education that is subject to review by the director.

2. Provide department-approved written documentation of both of the following:

- (a) Observing at least one birth after training is completed.
- (b) Attending at least three births while serving as the primary doula support person and receiving a department-approved and acceptable evaluation from the laboring mother and from the medical provider who assisted the laboring mother.

3. Complete instruction on first aid and cardiopulmonary resuscitation.

4. Submit a code of ethics agreement as prescribed by the director.

B. An individual who does not qualify for state certification under this article but who has been practicing as a doula in this state for at least five years before September 29,

2021 may apply to the department for certification if the individual submits all of the following:

1. Proof of current certification from a nationally recognized doula organization in lieu of proof of the minimum qualifications prescribed in this article and rules adopted pursuant to this article.
2. Three letters of recommendation from health care professionals who have worked with the applicant within the preceding two years and can attest to the applicant's competency in providing doula services.

ATTORNEY MEMORANDUM - REGULAR RULEMAKING

MEETING DATE: May 6, 2025

TO: Members of the Governor's Regulatory Review Council (Council)

FROM: Council Staff

DATE: April 22, 2025

SUBJECT: DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS
Title 20, Chapter 4

Amend: R20-4-903, R20-4-906, R20-4-907, R20-4-911, R20-4-912, R20-4-915, R20-4-916, R20-4-917, R20-4-919, R20-4-920, R20-4-921, R20-4-922, R20-4-923, R20-4-924, R20-4-925, R20-4-926, R20-4-927, R20-4-928

Summary:

This regular rulemaking from the Department of Insurance and Financial Institutions (Department) seeks to amend eighteen (18) rules in Title 20, Chapter 4, Article 9 regarding Mortgage Brokers. The amendments are intended to improve clarity and effectiveness of the rules, remove unnecessary fees, and to update terminology. The Department indicates that this rulemaking is needed to carry out the proposed course of action from the Department's Five-Year Review Report approved in September 2024.

14 of the 18 amendments can be classified as either minor grammatical changes or updating statutory references that have been renumbered. Most of these changes are a result of the merger between the Department of Insurance and Department of Financial Institutions in 2020. For the other four the changes are as follows:

- R20-4-906
 - In subsection (A), the Department is amending the rules to modify the lending-related experience requirements for applicants. Specifically, the

Department is modifying what is considered sufficient prior lending related experience for individuals. The length of time does not change only how previous occupations constitute experience. The only change in existing experience requirements is that for an attorney to have adequate experience, they must be licensed in Arizona. The previous standard was an attorney licensed in any state and certified as a real estate specialist. Attorneys from other states can still count their experience in another state under subsection (B) of this rule. Additionally, the Department is adding four additional ways to acquire the necessary experience in subsections (A)(6)-(A)(9).

- Subsection (B) allows for alternative types of experience not found in subsection (A), and allows for these alternative types of experience to count for 2 out of the three years, with at least one year of experience coming from the list in subsection (A). The Department is amending (B) to clarify that one must have a minimum of one year in a field found in (A). Additionally, the Department is amending the rule to clarify what classifies as sufficient experience.
- R20-4-916
 - The Department is proposing to remove the fee associated with a licensee changing their address. The rule is also being amended to better reflect the language in A.R.S. § 6-904(G) and (H), which respectively deal with the display of a license, and change in location for the principal place of business or change in the branch office location.
- R20-4-917
 - The Department has indicated that this rule needs to be amended to allow for records to be kept electronically, along with removing the requirement that the Director (previously Superintendent) must specifically approve a licensee to maintain the record outside the state.
- R20-4-928
 - The Department is proposing to remove fees for the renewal of Certificate of Exemption, along with removing fees associated with name changes of the federally chartered savings bank listed on the certificate, changes to the responsive individual listed on the certificate, the issuance of duplicate or replacement certificates, and a change of address of the federally chartered savings bank listed on the certificate.

1. **Are the rules legal, consistent with legislative intent, and within the agency's statutory authority?**

The Department cites both general and specific statutory authority for these rules.

2. **Do the rules establish a new fee or contain a fee increase?**

This rulemaking does not establish a new fee or contain a fee increase. The rulemaking does remove fees associated with Certificates of Exemption, specifically related to fees surrounding the renewal of certificates and any changes to information on the certificates.

3. **Does the preamble disclose a reference to any study relevant to the rules that the agency reviewed and either did or did not rely upon?**

The Department indicates it did not review any study relevant to this rulemaking.

4. **Summary of the agency's economic impact analysis:**

The Department indicates the rulemaking is not designed to change any conduct. Instead, it is necessary to reflect the new structure of the Department, to modernize and clarify some of the Sections, and bring the rules more in line with current Federal requirements. The Department states that the compliance costs incurred by Mortgage Brokers are minimal and are not expected to impact revenue or payroll expenditures. The Department says the rules augment the statutory sections regulating persons seeking or holding a Mortgage Broker license pursuant to A.R.S. §§ 6-903 through 6-928.

5. **Has the agency analyzed the costs and benefits of the rulemaking and determined that the rules impose the least burden and costs to those who are regulated?**

The Department believes that the current rulemaking offers the least intrusive and least costly alternative method to achieve the purpose of the proposed rulemaking, which is to update the rules governing Mortgage Brokers.

6. **What are the economic impacts on stakeholders?**

The Department does not anticipate any costs or benefits in implementing and enforcing the proposed rulemaking. In addition, no political subdivisions of this state are directly affected by the implementation and enforcement of the proposed rulemaking.

The Department states that no additional costs are anticipated to be imposed on Mortgage Brokers. The Department is not proposing any new fees and is, instead, eliminating some current fees in Sections R20-4-916 and R20-4-928. The Department indicates that licensees may be required to comply with additional reporting but the requirements are already in federal law.

The Department does not expect any appreciable increase in either costs or benefits to private persons and consumers created by this rulemaking. The Department indicates that the costs and benefits to private persons and consumers are expected to be the same as those identified during the original adoptions of these rules.

7. **Are the final rules a substantial change, considered as a whole, from the proposed rules and any supplemental proposals?**

The Department indicates that there was only one change between the proposed rules and the final rules before the Council. The Department removed the term “and Renewal” from the heading of R20-4-928 because the rule does not concern renewals only the initial application. Council Staff believes this change to be non-substantive under A.R.S. § 41-1025(B).

8. **Does the agency adequately address the comments on the proposed rules and any supplemental proposals?**

The Department indicates it did not receive any public comments regarding this rulemaking

9. **Do the rules require a permit or license and, if so, does the agency comply with A.R.S. § 41-1037?**

The Department indicates that the rules do not require a permit or a license. The Department does note that mortgage brokers do require a license under the requirements in A.R.S. § 6-903.

10. **Are the rules more stringent than corresponding federal law and, if so, is there statutory authority to exceed the requirements of federal law?**

The Department indicates there are some corresponding federal laws concerning mortgage brokers but that the rules are not more stringent than those corresponding federal laws.

- For R20-4-907 (Course of Study), Federal Housing Administration, Veterans Administration, Federal National Mortgage Association, Real Estate Settlement Procedures Act, 12 U.S.C. 2601 through 2617, the Consumer Credit Protection Act, 15 U.S.C. 1601 et seq., and the regulations related to the act, and Federal Home Loan Mortgage Corporation requirements apply.
- For R20-4-917 (Recordkeeping Requirements), the Department has indicated that the The Consumer Credit Protection Act (15 U.S.C. §§ 1601 et seq.), the Real Estate Settlement Procedures Act (12 U.S.C. §§ 2601 through 2617), TILA-RESPA Integrated Disclosure Rule (12 CFR 1024 and 1026), and the HUD-1 settlement statements apply.

11. **Conclusion**

This regular rulemaking by the Department seeks to amend eighteen (18) rules regarding mortgage brokers. The Department specifically seeks to amend the rules to include updated terminology, clarify what constitutes acceptable previous experience for a mortgage broker applicant, make grammatical changes, and to correct statutory references that have been renumbered. The Department also seeks to amend the rules to align the Financial Institutions

Division with the Insurance Division (these were two separate agencies prior to merging in 2020); remove unnecessary fees related to change of addresses for licensed mortgage brokers and fees related to the renewal of Certificates of Exemption, along with changes to the name of the bank on the certificate, changes to the responsible individual of the exempt entity, a change in the address of the bank listed on the certificate, and the issuance of a duplicant or replacement certificate.

The Department is seeking the standard 60-day delayed effective date pursuant to A.R.S. § 41-1032(A).

Council staff recommends approval of this rulemaking.

7. An agency’s justification and reason why a rule should be made, amended, repealed or renumbered, to include an explanation about the rulemaking:

The Arizona Department of Insurance and Financial Institutions – Financial Institutions Division (“Department”) is proposing changes to A.A.C. Title 20, Chapter 4, Article 9 – Mortgage Brokers. The changes the Department is proposing will reflect the structural change to the former Department of Financial Institutions which merged with the Department of Insurance to form the Department of Insurance and Financial Institutions (the “new agency”), on July 1, 2020. The former Department of Financial Institutions became a division of the new agency. As a result of the merger, the new agency made statutory changes to eliminate the position of Superintendent. Instead, the Director of the new agency assumed those duties. This structural change necessitated replacing references to “Superintendent” with “Director” throughout the Article.

When reviewing the rules in the Article, the Department also endeavored to modernize the current rules since the most recent rulemaking for Article 9 was in 2012 (with most Sections last updated in 1999). The Department is also modifying and adding experience requirements, removing some fees while re-establishing one other to comport with a statutory requirement, correcting statutory and regulation cites, allowing the use of electronic recordkeeping, and adding to documentation requirements. This rulemaking addresses the changes suggested by the Department in its June, 2024 Five-Year Review Report.

The rules augment the correlating statutory sections regulating these entities found at Title 6, A.R.S. §§ 6-903 through 6-928.

This rulemaking amends Article 9 (Mortgage Brokers) as follows:

- R20-4-903 (Exemption for an Entity Regulated by an Agency of this State, Other States, or by the United States) will be amended to correct punctuation and to add clarifying language.
- R20-4-906 (Equivalent and Related Experience) will be amended to correct statutory references, modify experience requirements, and to impose a 1-Year requirement on the types of experience required in subsection (A) when an applicant is attempting to qualify under subsection (B).
- R20-4-907 (Course of Study) will be amended to replace “Superintendent” with “Director,” correct punctuation, correct statutory cites, and cite to federal regulations.
- R20-4-911 (Qualified Replacement Responsible Individual) will be amended to correct statutory cites and to replace “Superintendent” with “Director.”
- R20-4-912 (Restrictions on the Term of a Cash Alternative) will be amended to replace “Superintendent” with “Director,” and to correct a statutory cite.
- R20-4-915 (Requirements for a Person Intended to Oversee a Branch Office) will be amended to clarify that a person intended to oversee a branch office as referenced in the statute is a “branch office manager.”
- R20-4-916 (Notification of Change of Address) will be amended to comport with the language of A.R.S. § 6-904(G) and (H), and remove the fee requirement.
- R20-4-917 (Recordkeeping Requirements) will be amended to allow records to be kept electronically and outside the state without the Director’s approval, to add clarifying language, to add an additional document required to be kept in a mortgage loan file, to correct federal statutory cites, to replace “Superintendent” with “Director,” and to correct punctuation.
- R20-4-919 (Deposit of Monies Received by a Mortgage Broker) will be amended to remove antiquated language.
- R20-4-920 (Requirements for the Testing Committee) will be amended to replace “Superintendent” with “Director,” and to remove an unnecessary notification.
- R20-4-921 (Authorizations to Complete Blank Spaces) will be amended to correct a statutory citation.
- R20-4-922 (Determining Loan Amounts) will be amended to add Oxford commas for clarity.
- R20-4-923 (Delay or Cause Delay) will be amended to add clarifying language.

- R20-4-924 (Receipt and Disbursement of Monies) will be amended to add clarifying language.
- R20-4-925 (Waiver of Examination and Course of Study) will be amended to replace “Superintendent” with “Director.”
- R20-4-926 (Acquisition of Additional Interest in Licensee by Majority Owner) will be amended to replace “Superintendent” with “Director,” and to add clarifying language.
- R20-4-927 (Conversion to Commercial Mortgage Broker License) will be amended to remove gender specific terminology.
- R20-4-928 (Certificate of Exemption Application and Renewal) will be amended to remove “and Renewal” from the Section title, to add a statutory cite, and to remove unnecessary fees.

8. A reference to any study relevant to the rule that the agency reviewed and either relied on or did not rely on in its evaluation of or justification for the rule, where the public may obtain or review each study, all data underlying each study, and any analysis of each study and other supporting material:

Not applicable

9. A showing of good cause why the rulemaking is necessary to promote a statewide interest if the rulemaking will diminish a previous grant of authority of a political subdivision of this state:

Not applicable

10. A summary of the economic, small business, and consumer impact:

Pursuant to A.R.S. § 41-1055(A)(1):

The rulemaking is not designed to change any conduct. Instead, it is necessary to reflect the new structure of the Department, to modernize and clarify some of the Sections, and to bring the rules more in line with current Federal requirements.

Pursuant to A.R.S. § 41-1055(A)(2):

The compliance costs incurred by Mortgage Brokers are minimal and not expected to

impact revenues or payroll expenditures.

Pursuant to A.R.S. § 41-1055(A)(3):

An economic, small business and consumer impact summary accompanies the submission of the Final Rulemaking to the Governor’s Regulatory Review Council.

11.A description of any changes between the proposed rulemaking, to include supplemental notices, and the final rulemaking:

The Department removed “and Renewal” from the Section title of R20-4-928 to better reflect that the rule is about the application fee only. The Department does not consider this a substantive change within the meaning of A.R.S. § 41-1025(B)

12.An agency’s summary of the public or stakeholder comments made about the rulemaking and the agency response to the comments:

Not applicable

13. All agencies shall list other matters prescribed by statute applicable to the specific agency or to any specific rule or class of rules. Additionally, an agency subject to Council review under A.R.S. §§ 41-1052 and 41-1055 shall respond to the following questions:

Not applicable

a. Whether the rule requires a permit, whether a general permit is used and if not, the reasons why a general permit is not used:

The rules do not require a permit and do not use a general permit. A.R.S. § 6-903 requires a Mortgage Broker to obtain a traditional license before engaging in the business of a Mortgage Broker.

b. Whether a federal law is applicable to the subject of the rule, whether the rule is more stringent than federal law and if so, citation to the statutory authority to exceed the requirements of federal law:

A number of federal laws are applicable to the subject of the rules.
For Article 9. Mortgage Brokers, the following federal laws are applicable:

R20-4-907. Course of Study (the rule is not more stringent than the federal laws)

Subsection (C)(2)(f): Federal Housing Administration, Veterans Administration, Federal National Mortgage Association, Federal Home Loan Mortgage Corporation requirements; Subsection (C)(2)(l): Real Estate Settlement Procedures Act, 12 U.S.C. 2601 through 2617, and Consumer Credit Protection Act, 15 U.S.C. 1601 et seq., and the regulations promulgated thereunder.

R20-4-917. Recordkeeping Requirements (the rule is not more stringent than the federal laws)

Subsection (B)(6)(e): The Consumer Credit Protection Act (15 U.S.C. §§ 1601 et seq.) disclosure requirements, the Real Estate Settlement Procedures Act (12 U.S.C. §§ 2601 through 2617) disclosure requirements, and the regulations promulgated thereunder, and disclosures required by the TILA-RESPA Integrated Disclosure Rule (12 CFR 1024 and 1026);

Subsection (B)(6)(g): HUD-1 settlement statement, and final truth-in-lending disclosure.

c. Whether a person submitted an analysis to the agency that compares the rule's impact of the competitiveness of business in this state to the impact on business in other states:

Not applicable

14. A list of any incorporated by reference material as specified in A.R.S. § 41-1028 and its location in the rules:

Not applicable

15. Whether the rule was previously made, amended or repealed as an emergency rule. If so, cite the notice published in the Register as specified in R1-1-409(A). Also, the agency shall state where the text was changed between the emergency and the final rulemaking packages:

Not applicable

16. The full text of the rules follows:

 - k. Real estate law;
 - l. Real Estate Settlement Procedures Act, 12 U.S.C. 2601 through 2617, and Consumer Credit Protection Act, ~~15 U.S.C. 1601 through 1666j~~; 15 U.S.C. 1601 et seq., and the regulations promulgated thereunder; and
 - m. Securities law.
3. A final exam shall be given that substantially tests the student's knowledge of the subjects described above.
- C. The ~~Superintendent~~ Director shall review the items submitted to the Department and determine within 60 days of submission whether the proposed course of study is satisfactory. The ~~Superintendent~~ Director may audit a course of study at any time. If the ~~Superintendent~~ Director finds that a course of study is unsatisfactory, or if the ~~Superintendent~~ Director has not received the course materials, course content outlines, and sample final exam within the prior 13 months, the ~~Superintendent~~ Director may withhold or suspend approval.

R20-4-911. Qualified Replacement Responsible Individual

If a licensee chooses an individual to serve as a replacement responsible individual and that individual has not satisfactorily completed the course of study required by ~~A.R.S. § 6-903(B)(2)~~ A.R.S. § 6-903(C)(2) or passed the mortgage broker examination required by ~~A.R.S. § 6-903(B)(3)~~, A.R.S. § 6-903(C)(3), and is not given the opportunity to do so prior to the expiration of the 90-day time period provided in ~~A.R.S. § 6-903(F)~~, A.R.S. § 6-903(I), but otherwise meets the requirements of ~~A.R.S. § 6-903(B)~~, A.R.S. §§ 6-903(C), 6-903(D) or 6-903(H), the individual shall be qualified as a replacement responsible individual until the next course of study has been held and, if the person successfully completes the course of study, until the mortgage broker examination next following the completion of the course of study has been held and the results of the examination are available. If the individual fails to satisfactorily complete the course of study or fails the mortgage broker examination, the licensee shall then have a new 90-day time period within which to place itself under the active management of a qualified responsible individual. Notwithstanding the foregoing, a licensee shall have no longer than 180 days within which to place the license under the active management of a qualified responsible individual unless the ~~Superintendent~~ Director grants additional time to the licensee for good cause shown.

R20-4-912. Restrictions on the Term of a Cash Alternative

If an applicant or a licensee elects to place with the ~~Superintendent~~ Director a deposit in the form of a certificate of deposit or investment certificate, in addition to the requirements of ~~A.R.S. § 6-903(J)~~, A.R.S. § 6-903(M), the certificate of deposit or investment certificate shall not be renewable, nor expire, earlier than 12 months from the date of issuance.

R20-4-915. Requirements for a Person Intended to Oversee a Branch Office

~~A~~ The person designated as a branch office manager to oversee the operations of a branch office, as specified in A.R.S. § 6-904(H), shall be knowledgeable about the branch activities of the licensee, shall supervise compliance by the branch with applicable law and rules, and shall have sufficient authority to ensure such compliance. One person may oversee more than one branch.

R20-4-916. Notification of Change of Address

If the address of the principal place of business or of any branch office is changed, the licensee shall immediately notify the Superintendent Director of the change ~~within five business days after the occurrence of the change~~ of location. ~~Together with such notice, the licensee shall provide to the Department the license for the office changing addresses together with the fee required by A.R.S. § 6-126 for changing the address of an office.~~ A copy of ~~such~~ the license shall continue to be displayed at the place of business until a new license is issued.

R20-4-917. Recordkeeping Requirements

~~A. The Superintendent shall approve a licensee's use of a computer or mechanical recordkeeping system if the licensee gives the Superintendent advanced written notice that it intends to do so. The Department shall not require a licensee to keep a written copy of the~~ A licensee may keep its records as electronic records if the licensee can generate all information and complete and legible copies required by this Section ~~in a timely manner within the timeframe set by the Department~~ for examination or other purposes. ~~A licensee may add, delete, modify, or customize an approved computer or mechanical recordkeeping system's hardware or software components. When requested, or in response to a written notice of an examination, a licensee shall report to the Superintendent any alteration in the approved system's fundamental character, medium, or function if the alteration changes:~~

- ~~1. Any approved computer or mechanical system back to a paper-based system;~~₂
- ~~2. An approved mechanical system to a computer system;~~₁ or
- ~~3. An approved computer system to a mechanical system.~~

B. In addition to any statutory requirement regarding records, a record maintained by a mortgage broker shall include the following:

1. A list of all executed loan applications or executed fee agreements that includes the following information:
 - a. Applicant's name;
 - b. Application date;
 - c. Amount of initial loan request;
 - d. Final disposition date;
 - e. Disposition (funded, denied, etc.); and
 - f. Name of loan officer;

2. A record, such as a cash receipts journal, of all money received in connection with a mortgage loan including:
 - a. Payor's name;
 - b. Date received;
 - c. Amount; and
 - d. Receipt's purpose, including identification of a related loan, if any;
3. A sequential listing of checks written for each bank account relating to the mortgage broker business, such as a cash disbursement journal, including:
 - a. Payee's name;
 - b. Amount;
 - c. Date; and
 - d. Payment's purpose, including identification of a related loan, if any;
4. Bank account activity source documents for the mortgage broker business including receipted deposit tickets, numbered receipts for cash, bank account statements, paid checks, and bank advices;
5. A trust subsidiary ledger for each borrower that deposits trust funds showing:
 - a. Borrower's name or co-borrowers' names;
 - b. Loan number, if any;
 - c. Amount received;
 - d. Purpose for the amount received;
 - e. Date received;
 - f. Date deposited into trust account;
 - g. Amount disbursed; from trust account;
 - h. Date disbursed; from trust account;
 - i. Disbursement's payee and purpose; and
 - j. Balance;
6. A file for each application for a mortgage loan containing:
 - a. The agreement with the customer concerning the broker's services, whether as a loan application, fee agreement, or both;
 - b. Document showing the application's final disposition, such as a settlement statement, closing disclosure, or a denial or withdrawal letter;
 - c. Correspondence sent, received, or both by the licensee;

- d. Contract, agreement, and escrow instructions to or with any depository;
 - e. Documents showing compliance, to the extent applicable, with the Consumer Credit Protection Act's (~~15 U.S.C. §§ 1601 through 1666j~~) (15 U.S.C. §§ 1601 et seq.) disclosure requirements, ~~and~~ the Real Estate Settlement Procedures Act's (12 U.S.C. §§ 2601 through 2617) disclosure requirements, ~~to the extent applicable~~; and the regulations promulgated thereunder such as copies of the loan estimates and closing disclosures required by the TILA-RESPA Integrated Disclosure Rule (12 CFR 1024 and 1026);
 - f. If the loan is funded by an investor that is not a financial institution, an enterprise, a licensed real estate broker or salesman, a profit sharing or pension trust or, an insurance company, the documents provided to the investor under A.R.S. § 6-907, a copy of the executed note and executed deed of trust or mortgage, and any assignment by the broker to the investor;
 - g. If the loan is closed in the mortgage broker's name, a copy of all closing documents including: closing instructions, any applicable rescission notice, HUD-1 settlement statement, closing disclosure, final truth-in-lending disclosure, executed note, executed deed of trust or mortgage, and each assignment of beneficial interest by the licensee; and
 - h. Itemized list of all fees taken in advance including appraisal fee, credit report fee, and application fee;
7. Samples of every piece of advertising relating to the mortgage broker's business in Arizona;
 8. Copies of governmental or regulatory compliance reviews;
 9. If the licensee is not a natural person, a file containing:
 - a. Organizational documents for the entity;
 - b. Minutes;
 - c. A record, ~~such as~~ including a stock or ownership transfer ledger, showing ownership of all proportional equity interests in the licensee, ascertainable as of any given record date; and
 - d. Annual report, if required by law;
 10. If the licensee or anyone directly or indirectly owning more than 20% of the licensee has a felony conviction, a copy of the judgment or other record of conviction;
 11. If the licensee or anyone directly or indirectly owning more than 20% of the licensee has, in the previous seven years, been named a defendant in any civil suit, a copy of the complaint, any answer filed by the licensee, and any judgment, dismissal, or other final order disposing of the action; and

12. If the ~~Superintendent has granted approval to maintain~~ licensee maintains records outside this state, the specific address where the records are kept, and a person's name to contact for them.
- C. If 10 or fewer transactions have occurred during the prior calendar quarter, a licensee shall reconcile and update all records specified in subsection (B) at least once each calendar quarter. A licensee shall reconcile and update all records specified in subsection (B) monthly if more than 10 transactions occurred during the prior calendar quarter. In addition to reconciling each trust bank account, a licensee shall verify each trust balance to each trust subsidiary ledger at each reconciliation.
- D. A licensee shall retain the documents described in subsections (B)(1) and (B)(6) for the length of time provided in A.R.S. § 6-906. For the purposes of A.R.S. § 6-906, a mortgage loan's closing date, on a loan application that did not result in the making of a loan, is either:
1. The date a licensee receives a written cancellation notice from an applicant; or
 2. The date a licensee mails written notice to an applicant that the application has been denied, as required by federal law.
- E. A licensee shall maintain all records described in this Section, and not included in subsection (D), for at least two years.

R20-4-919. Deposit of Monies Received by a Mortgage Broker

All monies received by a mortgage broker which are required to be deposited into an escrow account with an escrow agent licensed pursuant to A.R.S. § 6-801 et seq. shall be ~~so~~ deposited by 5:00 p.m. on the next business day after receipt of the funds.

R20-4-920. Requirements for the Testing Committee

- A. No licensee shall submit more than five names as nominees to serve on the testing committee. The resumes of the nominees shall be included. The names and resumes shall be submitted to the ~~Superintendent~~ Director no later than August 1 of each even-numbered year. On or before September 30 of each even-numbered year, the ~~Superintendent~~ Director shall appoint four persons from the nominees submitted and one employee of the Department as members of the testing committee. A person may serve more than one two-year term. If the ~~Superintendent~~ Director does not find at least four persons from the list to be acceptable, the ~~Superintendent~~ Director shall solicit additional nominees from licensees.

- B. In the event of a vacancy on the testing committee, the remaining members of the committee shall submit a list of nominees within 45 days of the vacancy to the ~~Superintendent~~ Director containing not less than two nominees for each vacancy. The ~~Superintendent~~ Director shall then appoint a nominee from the list to fill each vacancy for the remainder of the term. If the ~~Superintendent~~ Director does not find at least one person from the list to be acceptable to fill each vacancy, the remaining members of the committee shall, upon request, submit an additional list of nominees to the ~~Superintendent.~~ Director.
- C. The ~~Superintendent~~ Director may remove any member of the committee at any time without cause.
- D. The committee shall review and revise questions on the test not less than once every two years. All questions used on the test shall first be submitted to and approved by the ~~Superintendent.~~ Director.
- E. ~~The committee shall inform the applicant of the applicant's score on the test in writing within 30 days of administration of the test.~~
- F. The handbook for mortgage brokers shall be updated by the committee as necessary to reflect changes in the law.

R20-4-921. Authorizations to Complete Blank Spaces

An authorization, under ~~A.R.S. § 6-909~~, A.R.S. § 6-909(A), allowing a licensee or escrow agent to complete certain blank spaces in a document after it is signed by a party to the transaction shall:

1. Specifically identify the document and the blank spaces to be completed;
2. Be in writing, dated, and signed by the authorizing parties; and
3. Contain the following notice, conspicuously printed on its face: YOUR SIGNATURE BELOW AUTHORIZES YOUR MORTGAGE BROKER OR ESCROW AGENT TO FILL IN SPACES YOU LEFT BLANK IN SPECIFIED LOAN DOCUMENTS YOU ARE ABOUT TO SIGN OR MAY HAVE ALREADY SIGNED. UNDER STATE LAW YOU CAN GIVE THIS AUTHORITY, BUT YOU ARE NOT REQUIRED TO DO SO. YOU CAN REFUSE TO SIGN ANY DOCUMENTS UNTIL ALL BLANKS ARE COMPLETELY FILLED IN.

R20-4-922. Determining Loan Amounts

In determining the amount of a mortgage loan pursuant to A.R.S. § 6-909(D) or (G), only the principal amount of the loan shall be considered and not any points, interest, finance charges, insurance premi-

ums of any kind, compensation paid to third parties, or compensation retained by the mortgage broker, or its agents.

R20-4-923. Delay or Cause Delay

A mortgage broker shall not be deemed to have delayed or to have caused delay if such delay occurs due to events outside the control of the mortgage broker.

R20-4-924. Receipt and Disbursement of Monies

A licensee is not receiving or disbursing monies in servicing or arranging a mortgage loan if the licensee, at the request of the lender or servicing agent, on an infrequent basis, assists in the collection or servicing of a mortgage loan by receiving from the borrower a check or draft payable to the lender or servicing agent and forwarding such instrument to the lender or servicing agent not later than 5:00 p.m. on the next business day after receipt by the licensee. For the purposes of this rule, an infrequent basis means, with regard to a particular loan, for not more than 25% of the regularly scheduled payments of the mortgage loan during ~~any~~ a calendar year.

R20-4-925. Waiver of Examination and Course of Study

The ~~Superintendent's~~ Director's waiver of the examination and course of study requirement under A.R.S. § 6-903 extends to a person designated as a responsible individual by either an applicant or a licensee under A.R.S. § 6-903.

R20-4-926. Acquisition of Additional Interest in Licensee by Majority Owner

A person ~~that owns~~ owning 51% or more of a licensee's outstanding voting equity interests, and ~~that~~ who acquires the power to vote additional fractional equity interests, shall deliver written notice of the acquisition to the ~~Superintendent.~~ Director. The person shall deliver the notice before completing the acquisition. Within 10 days after completing the acquisition, the person shall deliver documentation evidencing the acquisition to the ~~Superintendent.~~ Director.

R20-4-927. Conversion to Commercial Mortgage Broker License

- A. Under A.R.S. § 6-913, a mortgage broker licensee shall only be permitted to convert ~~his or her~~ the license to a commercial mortgage broker license during the renewal period established by A.R.S. § 6-904.
- B. The licensee seeking conversion shall not be subject to the 12 continuing education units as prescribed by A.R.S. § 6-903(V).
- C. The licensee seeking conversion shall submit:
 1. The renewal fees required by A.R.S. § 6-126 for commercial mortgage brokers, and
 2. The information and documents required by A.R.S. § 6-903.

R20-4-928. Certificate of Exemption Application and Renewal

- ~~A. Under A.R.S. § 6-912(C), A.R.S. §§ 6-902.01(C) and 6-912(C), upon application for a certificate of exemption, an applicant shall pay a nonrefundable fee of \$300.~~
- ~~B. A person holding a certificate of exemption shall pay a renewal fee of \$150.00 on or before December 31 of each year. Certificates of exemption not renewed by December 31 are automatically suspended, and the certificate holder shall not act as a registered exempt person until the certificate is renewed or a new certificate is issued pursuant to A.R.S. § 6-912. While the certificate is suspended, the licensed loan originators sponsored by the registered exempt person may not transact business as a loan originator. A registered exempt person may renew an automatically suspended certificate by paying the renewal fee plus \$25.00 for each day after December 31 that a renewal fee is not received by the Superintendent and applying for renewal as prescribed by the Superintendent. A certificate of exemption that is not renewed by January 31 expires. A certificate of exemption shall not be granted to the holder of an expired certificate of exemption except as provided in A.R.S. § 6-912 for the issuance of an original certificate of exemption. Each licensed loan originator that is sponsored by a registered exempt person whose certificate has expired shall have his or her their license placed on inactive status and shall not transact business in Arizona as a loan originator pursuant to A.R.S. § 6-991.02(M).~~
- ~~C. In addition to the application fee, on issuance of the certificate of exemption, the Superintendent shall collect the first year's renewal fee prorated according to the number of quarters remaining until the date of the next annual renewal, as required by A.R.S. § 6-126(B).~~
- ~~D. The following fees are payable to the Department:~~

- ~~1. To change the name of the federally chartered savings bank on a certificate of exemption:
\$250.00.~~
- ~~2. To change the responsible individual for the exempt entity: \$250.00.~~
- ~~3. To issue a duplicate or replace a lost certificate of exemption: \$100.00.~~
- ~~4. To change the address of the federally chartered savings bank on a certificate of exemption:
\$50.00.~~

A.R.S. § 41-1055(B) Economic, Small Business, And Consumer Impact Statement
Title 20. Commerce, Financial Institutions, and Insurance
Chapter 4. Department of Insurance and Financial Institutions –
Financial Institutions

A.R.S. § 41-1055(B)(1): An identification of the proposed rulemaking.

The Arizona Department of Insurance and Financial Institutions – Financial Institutions Division (“Department”) is proposing changes to A.A.C. Title 20, Chapter 4, Article 9 – Mortgage Brokers. The changes the Department is proposing will reflect the structural change to the former Department of Financial Institutions which merged with the Department of Insurance to form the Department of Insurance and Financial Institutions (the “new agency”), on July 1, 2020. The former Department of Financial Institutions became a division of the new agency.

As a result of the merger, the new agency made statutory changes to eliminate the position of Superintendent. Instead, the Director of the new agency assumed those duties. This structural change necessitated replacing references to “Superintendent” with “Director” throughout the Article.

When reviewing the rules in the Article, the Department also endeavored to modernize the current rules since the most recent rulemaking for Article 9 was in 2012 (with most Sections last updated in 1999). The Department is also modifying and adding experience requirements, removing some fees while re-establishing one other to comport with a statutory requirement, correcting statutory and regulation cites, allowing the use of electronic recordkeeping, and adding to documentation requirements.

The rules augment the correlating statutory sections regulating these entities found at Title 6, A.R.S. §§ 6-903 through 6-928.

This rulemaking amends Article 9 (Mortgage Brokers) as follows:

- R20-4-903 (Exemption for an Entity Regulated by an Agency of this State, Other States, or by the United States) will be amended to correct punctuation and to add clarifying language.
- R20-4-906 (Equivalent and Related Experience) will be amended to correct statutory references, modify experience requirements, and to impose a 1-Year requirement on the types of experience required in subsection (A) when an applicant is attempting to qualify under subsection (B).

- R20-4-907 (Course of Study) will be amended to replace “Superintendent” with “Director,” correct punctuation, correct statutory cites, and cite to federal regulations.
- R20-4-911 (Qualified Replacement Responsible Individual) will be amended to correct statutory cites and to replace “Superintendent” with “Director.”
- R20-4-912 (Restrictions on the Term of a Cash Alternative) will be amended to replace “Superintendent” with “Director,” and to correct a statutory cite.
- R20-4-915 (Requirements for a Person Intended to Oversee a Branch Office) will be amended to clarify that a person intended to oversee a branch office as referenced in the statute is a “branch office manager.”
- R20-4-916 (Notification of Change of Address) will be amended to comport with the language of A.R.S. § 6-904(G) and (H), and remove the fee requirement.
- R20-4-917 (Recordkeeping Requirements) will be amended to allow records to be kept electronically and outside the state without the Director’s approval, to add clarifying language, to add an additional document required to be kept in a mortgage loan file, to correct federal statutory cites, to replace “Superintendent” with “Director,” and to correct punctuation.
- R20-4-919 (Deposit of Monies Received by a Mortgage Broker) will be amended to remove antiquated language.
- R20-4-920 (Requirements for the Testing Committee) will be amended to replace “Superintendent” with “Director,” and to remove an unnecessary notification.
- R20-4-921 (Authorizations to Complete Blank Spaces) will be amended to correct a statutory citation.
- R20-4-922 (Determining Loan Amounts) will be amended to add Oxford commas for clarity.
- R20-4-923 (Delay or Cause Delay) will be amended to add clarifying language.
- R20-4-924 (Receipt and Disbursement of Monies) will be amended to add clarifying language.

- R20-4-925 (Waiver of Examination and Course of Study) will be amended to replace “Superintendent” with “Director.”
- R20-4-926 (Acquisition of Additional Interest in Licensee by Majority Owner) will be amended to replace “Superintendent” with “Director,” and to add clarifying language.
- R20-4-927 (Conversion to Commercial Mortgage Broker License) will be amended to remove gender specific terminology.
- R20-4-928 (Certificate of Exemption Application and Renewal) will be amended to add a statutory cite, and to remove unnecessary fees.

This rulemaking addresses the changes suggested by the Department in its June, 2024 Five-Year Review Report.

Questions about this Economic Impact Statement may be directed to: Mary E. Kosinski (mary.kosinski@difi.az.gov).

A.R.S. § 41-1055(B)(2): An identification of the persons who will be directly affected by, bear the costs of or directly benefit from the proposed rulemaking.

The rules augment the statutory sections regulating persons seeking or holding a Mortgage Broker license pursuant to A.R.S. §§ 6-903 through 6-928.

A.R.S. § 41-1055(B)(3): A cost benefit analysis of the following:

- (a) The probable costs and benefits to the implementing agency and other agencies directly affected by the implementation and enforcement of the proposed rulemaking. The probable costs to the implementing agency shall include the number of new full-time employees necessary to implement and enforce the proposed rule. The preparer of the economic, small business and consumer impact statement shall notify the joint legislative budget committee of the number of new full-time employees necessary to implement and enforce the rule before the rule is approved by the council.**

The Department does not anticipate any costs or benefits in implementing and enforcing the proposed rulemaking. No new full-time employees will be necessary to implement and enforce the proposed rule changes.

(b) The probable costs and benefits to a political subdivision of this state directly affected by the implementation and enforcement of the proposed rulemaking.

No political subdivision of this state is directly affected by the implementation and enforcement of the proposed rulemaking.

(c) The probable costs and benefits to businesses directly affected by the proposed rulemaking, including any anticipated effect on the revenues or payroll expenditures of employers who are subject to the proposed rulemaking.

No additional costs are anticipated to be imposed upon Mortgage Brokers. The Department is not proposing any new fees and is, instead, eliminating some current fees in Sections R20-4-916 and R20-4-928. Licensees may be required to comply with additional reporting but the requirements are already in Federal law.

A.R.S. § 41-1055(B)(4): A general description of the probable impact on private and public employment in businesses, agencies and political subdivisions of this state directly affected by the proposed rulemaking.

The Department does not anticipate any impact on the private employment of licensees. Likewise, the Department does not anticipate any impact on public employment in the Department.

A.R.S. § 41-1055(B)(5): A statement of the probable impact of the proposed rulemaking on small businesses. The statement shall include:

(a) An identification of the small businesses subject to the proposed rulemaking.

Many of the Mortgage Brokers regulated by the Department may qualify as small businesses within the meaning of A.R.S. § 41-1001(23). However, the Department does not track the number of employees or annual receipts of a mortgage broker and cannot identify specific mortgage brokers that qualify as small businesses.

(b) The administrative and other costs required for compliance with the proposed rulemaking.

The Department requested, but did not receive, any information from licensees on administrative or other costs required for compliance with the proposed rulemaking.

Two Sections of the rulemaking eliminate fees (R20-4-916 and R20-4-928). One Section allows a licensee to keep electronic records and records outside the state without first receiving the Director's approval (R20-4-917). These changes should result in savings to licensees.

The additional record keeping requirements imposed in Section R20-4-917 are already required by Federal law so should have no compliance impact.

Lastly, the addition of the requirement that an applicant for a license have at least one year of the type of experience listed in R20-4-906(A) before augmenting it with the types of experience listed in subsection (B), should result in a minimal, if any cost, to an applicant.

(c) A description of the methods prescribed in section 41-1035 that the agency may use to reduce the impact on small businesses, with reasons for the agency's decision to use or not to use each method.

The Department does not believe that any of the methods listed at A.R.S. § 41-1035 are useful to reduce the impact of the rulemaking on small businesses.

(d) The probable cost and benefit to private persons and consumers who are directly affected by the proposed rulemaking.

The Department does not expect any appreciable increase in either costs or benefits to private persons and consumers created by this rulemaking. The costs and benefits to private persons and consumers are expected to be the same as those identified during the original adoption of these rules.

A.R.S. § 41-1055(B)(6): A statement of the probable effect on state revenues.

No impact on state revenues is anticipated.

A.R.S. § 41-1055(B)(7): A description of any less intrusive or less costly alternative methods of achieving the purpose of the proposed rulemaking, including the monetizing of the costs and benefits for each option and providing the rationale for not using nonselected alternatives.

The Department believes that the current rulemaking offers the least intrusive and least costly alternative method to achieve the purpose of the proposed rulemaking which is to update the rules governing Mortgage Brokers.

A.R.S. § 41-1055(B)(8): A description of any data on which a rule is based with a detailed explanation of how the data was obtained and why the data is acceptable data. An agency advocating that any data is acceptable data has the burden of proving that the data is acceptable. For the purposes of this paragraph, "acceptable data" means empirical, replicable and testable data as evidenced in supporting documentation, statistics, reports, studies or research.

The rule is not based on any data.

RULES

The definition for a rule is provided for under A.R.S. § 41-1001. “Rule’ means an agency statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedures or practice requirements of an agency.”

THE ADMINISTRATIVE CODE

The *Arizona Administrative Code* is where the official rules of the state of Arizona are published. The *Code* is the official codification of rules that govern state agencies, boards, and commissions.

The *Code* is separated by subject into Titles. Titles are divided into Chapters. A Chapter includes state agency rules. Rules in Chapters are divided into Articles, then Sections. The “R” stands for “rule” with a sequential numbering and lettering outline separated into subsections.

Rules are codified quarterly in the *Code*. Supplement release dates are printed on the footers of each Chapter.

First Quarter: January 1 - March 31

Second Quarter: April 1 - June 30

Third Quarter: July 1 - September 30

Fourth Quarter: October 1 - December 31

For example, the first supplement for the first quarter of 2022 is cited as Supp. 22-1. Supplements are traditionally released three to four weeks after the end of the quarter because filings are accepted until the last day of the quarter.

Please note: The Office publishes by Chapter, not by individual rule Section. Therefore there might be only a few Sections codified in each Chapter released in a supplement. This is why the Office lists only updated codified Sections on the previous page.

RULE HISTORY

Refer to the HISTORICAL NOTE at the end of each Section for the effective date of a rule. The note also includes the *Register* volume and page number in which the notice was published (A.A.R.) and beginning in supplement 21-4, the date the notice was published in the *Register*.

AUTHENTICATION OF PDF CODE CHAPTERS

The Office began to authenticate Chapters of the *Code* in Supp. 18-1 to comply with A.R.S. §§ 41-1012(B) and A.R.S. § 41-5505.

A certification verifies the authenticity of each *Code* Chapter posted as it is released by the Office of the Secretary of State. The authenticated pdf of the *Code* includes an integrity mark with a certificate ID. Users should check the validity of the signature, especially if the pdf has been downloaded. If the digital signature is invalid it means the document’s content has been compromised.

HOW TO USE THE CODE

Rules may be in effect before a supplement is released by the Office. Therefore, the user should refer to issues of the *Arizona Administrative Register* for recent updates to rule Sections.

ARIZONA REVISED STATUTE REFERENCES

The Arizona Revised Statutes (A.R.S.) are available online at the Legislature’s website, www.azleg.gov. An agency’s authority note to make rules is often included at the beginning of a Chapter. Other Arizona statutes may be referenced in rule under the A.R.S. acronym.

SESSION LAW REFERENCES

Arizona Session Law references in a Chapter can be found at the Secretary of State’s website, www.azsos.gov under Services-> Legislative Filings.

EXEMPTIONS FROM THE APA

It is not uncommon for an agency to be exempt from the steps outlined in the rulemaking process as specified in the Arizona Administrative Procedures Act, also known as the APA (Arizona Revised Statutes, Title 41, Chapter 6, Articles 1 through 10). Other agencies may be given an exemption to certain provisions of the Act.

An agency’s exemption is written in law by the Arizona State Legislature or under a referendum or initiative passed into law by Arizona voters.

When an agency files an exempt rulemaking package with our Office it specifies the law exemption in what is called the preamble of rulemaking. The preamble is published in the *Register* online at www.azsos.gov/rules, click on the *Administrative Register* link.

Editor’s notes at the beginning of a Chapter provide information about rulemaking Sections made by exempt rulemaking. Exempt rulemaking notes are also included in the historical note at the end of a rulemaking Section.

The Office makes a distinction to certain exemptions because some rules are made without receiving input from stakeholders or the public. Other exemptions may require an agency to propose exempt rules at a public hearing.

PERSONAL USE/COMMERCIAL USE

This Chapter is posted as a public courtesy online, and is for private use only. Those who wish to use the contents for resale or profit should contact the Office about Commercial Use fees. For information on commercial use fees review A.R.S. § 39-121.03 and 1 A.A.C. 1, R1-1-113.

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

ARTICLE 1. GENERAL**R20-4-101. Scope of Article**

The rules in this Article apply to all activities of the Superintendent and to the interpretation of all Arizona statutes and rules administered by the Superintendent.

Historical Note

Former Rule 1. Former R4-4-101 repealed, new R4-4-101 adopted effective August 16, 1991 (Supp. 91-3).
R20-4-101 recodified from R4-4-101 (Supp. 95-1).

R20-4-102. Definitions

In this Chapter, unless otherwise specified:

1. "Active management" means directing a licensee's activities by a responsible individual, who:
 - a. Is knowledgeable about the licensee's Arizona activities;
 - b. Supervises compliance with:
 - i. The laws enforced by the Department of Financial Institutions as they relate to the licensee, and
 - ii. Other applicable laws and rules; and
 - c. Has sufficient authority to ensure compliance.
2. "Affiliate" has the meaning stated at A.R.S. § 6-901.
3. "Attorney General" means the Attorney General or an assistant Attorney General of the state of Arizona.
4. "Branch office" means any location within or outside Arizona, including a personal residence, but not including a licensee's principal place of business in Arizona, where the licensee holds out to the public that the licensee acts as a licensee.
5. "Business of a savings and loan association or savings bank" means receiving money on deposit subject to payment by check or any other form of order or request or on presentation of a certificate of deposit or other evidence of debt.
6. "Compensation" means, in applying that term's definition in A.R.S. §§ 6-901, 6-941, and 6-971, anything received in advance, after repayment, or at any time during a loan's life. This subsection expressly excludes the following items from those definitions of compensation:
 - a. Charges or fees customarily received after a loan's closing including prepayment penalties, termination fees, reinvestment fees, late fees, default interest, transfer fees, impound account interest and fees, extension fees, and modification fees. However, extension fees and modification fees are compensation if the lender advances additional funds or increases the credit limit on an open-end mortgage as part of the extension or modification;
 - b. Out-of-pocket expenses paid to independent third parties including appraisal fees, credit report fees, legal fees, document preparation fees, title insurance premiums, recording, filing, and statutory fees, collection fees, servicing fees, escrow fees, and trustee's fees;
 - c. Insurance commissions;
 - d. Contingent or additional interest, including interest based on net operating income; or
 - e. Equity participation.
7. "Commercial finance transaction," as that term is used in this Section's definitions of the terms "Engaged in the business of making mortgage loans" and "Engaged in the business of making mortgage loans or mortgage banking loans," means a loan made primarily for other than personal, family, or household purposes.
8. "Control of a licensee," as used in A.R.S. §§ 6-903, 6-944, or 6-978, does not include acquiring additional fractional equity interests in a licensee by any person who already has the power to vote 51% or more of the licensee's outstanding voting equity interests.
9. "Correspondent contract," as that term is used in A.R.S. §§ 6-941, 6-943, 6-971, or 6-973, means an agreement between a lender and a funding source under which the funding source may fund, or is required to fund, loans originated by the lender.
10. "Cushion," as that term is used in R20-4-1811 or R20-4-1908, means funds that a servicer or lender may require a borrower to pay into an escrow or impound account before the borrower's periodic payments are available in the account to cover unanticipated disbursements.
11. "Directly or indirectly makes, negotiates, or offers to make or negotiate" and "Directly or indirectly making, negotiating, or offering to make or negotiate," as those phrases are used in A.R.S. §§ 6-901, 6-941, or 6-971, mean:
 - a. Providing consulting or advisory services in connection with a mortgage loan transaction, mortgage banking loan transaction, or commercial mortgage loan transaction;
 - i. To an investor, concerning the location or identity of potential borrowers, regardless of whether the person providing consulting or advisory services directly contacts any potential borrowers; or
 - ii. To a borrower, concerning the location or identity of potential investors or lenders; or
 - b. Providing assistance in preparing an application for a mortgage loan transaction, mortgage banking loan transaction, or commercial mortgage banking loan transaction, regardless of whether the person providing assistance directly contacts any potential investor or lender; and
 - c. Processing a loan; but
 - d. "Directly or indirectly makes, negotiates, or offers to make or negotiate" and "Directly or indirectly making, negotiating, or offering to make or negotiate" do not include:
 - i. Providing clerical, mechanical, or word processing services to prepare papers or documents associated with a mortgage loan transaction, mortgage banking loan transaction, or commercial mortgage banking loan transaction;
 - ii. Purchasing, selling, negotiating to purchase or sell, or offering to purchase or sell a mortgage loan, mortgage banking loan, or commercial mortgage banking loan already funded;
 - iii. Making, negotiating, or offering to make additional advances on an existing open-ended mortgage loan, mortgage banking loan, or commercial mortgage loan including revolving credit lines;
 - iv. Modifying, renewing, or replacing a mortgage loan, a mortgage banking loan, or a commercial mortgage loan already funded, if the parties to and security for the loan are the same as the original loan immediately before the modifica-

- tion, renewal, or replacement, and if no additional funds are advanced and no increase is made in the credit limit on an open-ended loan. Replacing a loan means making a new loan simultaneously with terminating an existing loan.
12. "Electronic record" has the meaning stated at A.R.S. § 44-7002(7).
13. "Employee" means a natural person who has an employment relationship with a licensee that is acknowledged by both the person and the licensee, and:
- The person is entitled to payment, or is paid, by the licensee;
 - The licensee withholds and remits, or is liable for withholding and remitting, payroll deductions for all applicable federal and state payroll taxes;
 - The licensee has the right to hire and fire the employee and the employee's assistants;
 - The licensee directs the methods and procedures for performing the employee's job;
 - The licensee supervises the employee's business conduct and the employee's compliance with applicable laws and rules; and
 - The rights and duties under subsections (13)(a) through (e) belong to the licensee regardless of whether another person also shares those rights and duties.
14. "Engaged in the business of making mortgage loans," as that phrase is used in A.R.S. § 6-902, and "engaged in the business of making mortgage loans or mortgage banking loans," as that phrase is used in A.R.S. § 6-942, mean the direct or indirect making of a total of more than five mortgage banking loans or mortgage loans, or both in a calendar year. Each loan counts only once as of its closing date. A person is not "engaged in the business of making mortgage loans or mortgage banking loans" if the person makes loans solely in commercial finance transactions in which no more than 35% of the aggregate value of all security taken by the investor on the closing date is a lien, or liens, on real property.
15. "Exclusive contract," as that term is used in A.R.S. §§ 6-912 and 6-991.02, means a written agreement in which a loan originator agrees to perform services as a loan originator subject to supervision and control by a person holding a certificate of exemption issued under A.R.S. § 6-912 on an exclusive basis. The agreement provides that the loan originator is expressly prohibited from performing loan origination or modification services for any other person during the time the agreement is in effect.
16. "Generally accepted accounting principles" has the meaning used by the Financial Accounting Standards Board or the American Institute of Certified Public Accountants.
17. "Holds out to the public," as used in this Section's definition of "branch office," means advertising or otherwise informing the public that mortgage banking loans, commercial mortgage loans, or mortgage loans are made or negotiated at a location. "Holds out to the public" includes listing a location on business cards, stationery, brochures, rate lists, or other promotional items. "Holds out to the public" does not include a clearly identified home or mobile telephone number on a business card or stationery.
18. "Loan," as that term is used in A.R.S. §§ 6-126(C)(6) and (8), means all loans negotiated or closed, without regard to the location of the real property collateral or type of loan.
19. "Loan Processing" means obtaining a loan application's supporting documents for use in underwriting.
20. "Person" means a natural person or any legal or commercial entity including a corporation, business trust, estate, trust, partnership, limited partnership, joint venture, association, limited liability company, limited liability partnership, or limited liability limited partnership.
21. "Property insurance," as that term is used in A.R.S. §§ 6-909 and 6-947, does not include flood insurance as that term is used in the Flood Disaster Protection Act of 1973, as modified by the National Flood Insurance Reform Act of 1994. 42 U.S.C. 4001, et seq.
22. "Reasonable investigation of the background," as that term is used in A.R.S. §§ 6-903, 6-943, or 6-976 means a licensee, at a minimum:
- Collects and reviews all the documents authorized by the Immigration Reform and Control Act of 1986, 8 U.S.C. 1324a;
 - Obtains a completed Employment Eligibility Verification (Form I-9);
 - Obtains a completed and signed employment application;
 - Obtains a signed statement attesting to all of an applicant's felony convictions, including detailed information regarding each conviction;
 - Consults with the applicant's most recent or next most recent employer, if any;
 - Inquiries regarding the applicant's qualifications and competence for the position;
 - If for a loan officer, loan originator, loan processor, branch manager, supervisor, or similar position, obtains a current credit report from a credit reporting agency; and
 - Investigates further if any information received in the above inquiries raises questions as to the applicant's honesty, truthfulness, integrity, or competence. An inquiry is sufficient after two attempts to contact a person, including at least one written inquiry.
23. "Record" has the meaning stated at A.R.S. § 44-7002(13).
24. "Registered to do business in this state" means:
- If an Arizona corporation, it is incorporated under A.R.S. Title 10, Chapter 2, Article 1;
 - If a foreign corporation, it either transfers its domicile under A.R.S. Title 10, Chapter 2, Article 2, or obtains authority to transact business in Arizona under A.R.S. Title 10, Chapter 15, Article 1;
 - If a business trust, it obtains authority to transact business in Arizona under A.R.S. Title 10, Chapter 18, Article 4;
 - If an estate, it acts through a personal representative duly appointed by this state's Superior Court, under the provisions of A.R.S. Title 14, Chapter 3 or 4;
 - If a trust, it delivers to the Superintendent an executed copy of the trust instrument creating the trust together with:
 - All the current amendments, or

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

A true copy of the trust instrument certified accurate and complete by a trustee of the trust before a notary public;

- f. If a general partnership, limited partnership, limited liability company, limited liability partnership, or limited liability limited partnership, it is organized under A.R.S. Title 29;
 - g. If a foreign general partnership, limited partnership, limited liability company, limited liability partnership, or limited liability limited partnership, it is registered with the Arizona Secretary of State's office under A.R.S. Title 29;
 - h. If a joint venture, association, or any entity not specified in this subsection, it is organized and conducts its business in compliance with Arizona law; or
 - i. The entity is exempt from registration.
25. "Registered Exempt Person" means a person who is exempt from licensure pursuant to A.R.S. § 6-912 and A.R.S. Title 6, Chapter 9, Articles 1, 2 and 3 as a federally chartered savings bank that is registered with the nationwide mortgage licensing system and registry and holds a certificate of exemption.
26. "Resident of this state" means a natural person domiciled in Arizona.
27. "Responsible individual" or "responsible person", as those terms are used in A.R.S. §§ 6-903, 6-943, 6-973, and 6-976, means a resident of this state who:
- a. Lives in Arizona during the entire period of designation as the responsible individual on a license;
 - b. Is in active management of a licensee's affairs;
 - c. Meets the qualifications listed in A.R.S. §§ 6-903, 6-943, or 6-973; and
 - d. Is an officer, director, member, partner, employee, or trustee of a licensed entity.

Historical Note

Former Rule 2. Former R4-4-102 repealed, new R4-4-102 adopted effective August 16, 1991 (Supp. 91-3). R20-4-102 recodified from R4-4-102 (Supp. 95-1). Amended by final rulemaking at 5 A.A.R. 2094, effective June 10 (Supp. 99-2). Amended by final rulemaking at 7 A.A.R. 668, effective January 10, 2001 (Supp. 01-1). Amended by final rulemaking at 8 A.A.R. 145, effective December 10, 2001 (Supp. 01-4). Amended by final rulemaking at 18 A.A.R. 2622, effective December 2, 2012 (Supp. 12-4).

R20-4-103. Fingerprints

- A. A licensee or applicant shall deliver fingerprints requested or required by the Superintendent on fingerprint cards provided by the Superintendent.
- B. A licensee or applicant shall bear any costs incurred in obtaining or submitting fingerprints.
- C. A licensee or applicant shall arrange to have fingerprints taken, signed, and dated by:
 - 1. A municipal police department,
 - 2. A local sheriff's office, or
 - 3. Another law enforcement authority recognized by the Superintendent.

Historical Note

Former Rule 3. Former R4-4-103 repealed, new R4-4-103 adopted effective August 16, 1991 (Supp. 91-3). R20-4-103 recodified from R4-4-103 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 4670, effective

November 14, 2000 (Supp. 00-4).

R20-4-104. Acceptance of Other Forms

If another entity's applications and forms provide all the information required by Arizona law, the Superintendent has the discretion to accept them, even if another provision of this Chapter requires use of a specific Department of Financial Institutions form. The Superintendent's exercise of the discretion to accept alternative forms does not limit the Superintendent's power to require additional information necessary to complete an application or other form.

Historical Note

Former Rule 4. Former R4-4-104 repealed, new R4-4-104 adopted effective August 16, 1991 (Supp. 91-3). R20-4-104 recodified from R4-4-104 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 4670, effective November 14, 2000 (Supp. 00-4).

R20-4-105. Claims Against a Deposit in Place of Bond

- A. As used in this Section:
 - 1. "Deposit" means cash or alternatives to cash deposited by a licensee with the Superintendent in place of a bond.
 - 2. "Depositor" means licensee or an employee of the licensee who makes a deposit with the Superintendent.
 - 3. "Verified claim" means a claim filed with the Superintendent under subsection (B).
 - 4. "Award" means an amount of money granted under subsection (F).
- B. A person may file a claim against a deposit by delivering documentation of the claim to the Superintendent. The claim shall be based on a final judgment in favor of the claimant, entered by a court of competent jurisdiction. To support a claim, the judgment shall be:
 - 1. Against a depositor;
 - 2. For injury caused by the depositor's wrongful act, default, fraud, or misrepresentation committed in the course of the depositor's licensed business activity; and
 - 3. Documented by:
 - a. A certified copy of the complaint in the action;
 - b. A certified copy of the judgment in the action;
 - c. A statement that execution of the judgment has not been stayed, or an explanation of the terms and reason for any stay;
 - d. A statement of any amounts recovered on the judgment; and
 - e. A sworn and notarized statement that the claim is true and correct to the best of the claimant's knowledge and belief.
- C. A claimant shall file a claim with the Superintendent, and all required supporting documentation, not more than six months after entry of the judgment asserted in the claim. However, if execution of the asserted judgment is stayed during the first six months after its entry, the claimant may file a verified claim only during the six months after the stay is lifted. The Department shall process a timely-filed verified claim as a request for hearing under R20-4-1208.
- D. The claimant shall notify the depositor of the filing of a verified claim under this Section, and make the depositor a party to all proceedings on the claim. To do so, the claimant shall send the depositor a copy of all documents filed under subsection (B). The claimant shall make this delivery no more than 10 days after the original filing with the Superintendent under subsection (B). The Department considers a proceeding on a verified claim to be a contested case, governed by the provisions of 20 A.A.C. 4, Article 12.

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

- E. The Superintendent shall, after a hearing, deny a verified claim if the hearing produces evidence of any of the following circumstances:
1. The judgment is not for an injury caused by the depositor and described in subsection (B)(2);
 2. The judgment was awarded by default, stipulation, or consent, and no showing is made in the hearing of an injury caused by the depositor and described in subsection (B)(2);
 3. The judgment's execution has been stayed for any reason;
 4. The judgment was procured through fraud or collusion;
 5. The judgment has been satisfied from other sources; or
 6. The action that produced the judgment was barred by the applicable statute of limitations at the time it was commenced.
- F. If the Superintendent grants a verified claim, the Superintendent shall do so in the amount of the compensatory damages awarded against the depositor in the judgment, exclusive of:
1. Attorney's fees, and
 2. Amounts previously paid on the judgment.
- G. A person injured by a depositor shall give the Superintendent written notice at the time of filing a civil action if the claims alleged could be made as a verified claim under this Section. The written notice shall include a statement of the amount of compensatory damages sought against the depositor. The injured person shall provide further information about the civil action to the Superintendent upon request.
- H. If the Superintendent grants a verified claim under subsection (F), the Superintendent shall authorize the State Treasurer, in writing, to release the deposit to the claimant in the amount stated in subsection (F) if the Superintendent has not received notice of another pending civil action under subsection (G).
- I. If given notice under subsection (G), the Superintendent shall determine whether the deposit is sufficient to satisfy all claims under subsection (F). The Superintendent shall determine award amounts for each claim of which the Superintendent has notice, and authorize payment, as follows:
1. If the deposit is sufficient to satisfy all claims under subsection (F), the Superintendent shall authorize its release as described in subsection (H).
 2. If the deposit is not sufficient to satisfy all claims under subsection (F), the Superintendent shall calculate the award on each claim as follows:
 - a. Each granted claim shall receive a pro rata share of the total deposit.
 - b. Each pro rata share shall be a dollar amount calculated by multiplying the total deposit by a fraction.
 - i. The numerator of the fraction is the amount of the Superintendent's award for the verified claim.
 - ii. The denominator of the fraction is the sum of the amount of the Superintendent's award for the verified claim plus the total compensatory damages sought in all other civil actions against the same depositor disclosed to the Superintendent under subsection (G).
 - c. The Superintendent shall authorize the State Treasurer to release the pro rata portion of the deposit calculated for each verified claim.
- J. A depositor or former licensee may request return of its deposit if it substitutes a bond for the deposit, or if its license is surrendered, revoked, or expired, and if all statutory conditions for release of the deposit have been satisfied. The Superintendent shall not release any part of a deposit to a depositor or former licensee until the Superintendent determines whether there are any awards on verified claims unsatisfied because of an apportionment under subsection (I). The Superintendent shall use the deposit amount to pay any unsatisfied portion of those awards. If the deposit amount is not sufficient to pay in full all unsatisfied awards, the Superintendent shall pay the remaining amount of the deposit to claimants in the ratio their awards bear to the total of all awards granted against the deposit.
- K. The court supervising a licensee in receivership may order the release of a deposit to persons injured by conduct described in subsection (B). In that event, the receiver shall deliver a certified copy of the court's order to the Superintendent. The copy may be uncertified if the receiver is the Superintendent or any other officer or agency of the state of Arizona. The Superintendent shall then authorize the State Treasurer, in writing, to release the deposit to the receiver. The receiver shall distribute the deposit as ordered by the receivership court, rather than under this Section.

Historical Note

Adopted effective August 16, 1991 (Supp. 91-3). R20-4-105 recodified from R4-4-105 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 4670, effective November 14, 2000 (Supp. 00-4).

R20-4-106. Bankruptcy

An enterprise licensee or consumer lender licensee shall immediately deliver written notice to the Superintendent if it files a voluntary bankruptcy petition, or if its creditors name the licensee a debtor in an involuntary bankruptcy petition. On the date of each of the following documents' filing with the bankruptcy court, the licensee shall deliver to the Superintendent a copy of the:

1. Petition for relief,
2. Schedule of assets and liabilities,
3. Statement of financial affairs,
4. List of creditors, and
5. Plan of reorganization.

Historical Note

Adopted effective August 16, 1991 (Supp. 91-3). R20-4-106 recodified from R4-4-106 (Supp. 95-1). Amended by final rulemaking at 8 A.A.R. 145, effective December 10, 2001 (Supp. 01-4).

R20-4-107. Licensing Time-frames

- A. As used in this Section, "application" means a document specified or described in this Title, or in any statute enforced by the Department, requesting any permit, certificate, approval, registration, charter, or similar permission described in Table A, together with all supporting documentation required by statute or rule.
- B. The time-frames in Table A apply solely to applications received by the Department after the effective date of this Section. Each overall time-frame consists of an administrative completeness review time-frame, and a substantive review time-frame. The administrative completeness review time-frame begins to run upon receipt of an application by the Department.
1. Within the administrative completeness review time-frame in Table A, the Department shall notify the applicant in writing whether the application is complete. If the application is incomplete, the notice shall specify the missing information or component.
 2. An applicant whose application is incomplete shall supply the missing information within 60 days after the date

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

of the notice. If an applicant shows good cause in writing before the expiration of the 60 day time limit, the Superintendent shall extend the period for administrative completion of an application. The administrative completeness review time-frame stops running on the postmark date of the Department's written notice of an incomplete application, and resumes when the Department receives a complete application. If the applicant fails to submit a complete application within the specified time limit, the Department shall reject the application and close the file. An applicant may reapply.

3. The substantive review time-frame begins to run on the postmark date of the Department's written notice that the application is administratively complete.
4. Within the overall time-frame set forth in Table A the Department shall send the applicant written notice of its decision to approve, conditionally approve, or deny a license, unless the time-frame is extended by mutual

agreement under A.R.S. § 41-1075. If the Department denies an application, it shall provide written justification for the denial and a written explanation of the applicant's right to a hearing or appeal in the form required by A.R.S. § 41-1076.

5. The Department shall calculate time limits prescribed in this Section under R2-19-107.
- C. The time-frames in this Section apply solely to actions taken by the Department. Nothing in this Section relieves a licensee or applicant of a duty to fulfill any other legal or regulatory requirement that is a condition of its power and authority to engage in business.

Historical Note

Adopted effective September 9, 1998 (Supp. 98-3).
Amended by final rulemaking at 8 A.A.R. 145, effective December 10, 2001 (Supp. 01-4).

Table B removed from R20-4-206(A) to conform with the codification scheme of this Chapter and amended by final rulemaking at 29 A.A.R. 1919 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-207. Capital Obligations

- A. An applicant for a Director’s order of approval to issue a capital obligation shall submit the following documents to the Director and shall not issue any capital obligation before the Director issues the order of approval. The required documents are:
 - 1. A certified copy of the resolution adopted by the Board of Directors, or a certified copy of the unanimous written consent of the Board of Directors, authorizing the sale of the capital obligation;
 - 2. A copy of the agreement underlying the capital obligation;
 - 3. A copy of the note or debenture intended to represent the capital obligation; and
 - 4. A copy of the prospectus, if any, proposed for use in the sale of the capital obligation.
- B. Each document evidencing a capital obligation shall:
 - 1. Bear on its face, in bold face type, the following: This obligation is not a deposit and is not insured by the Federal Deposit Insurance Corporation.
 - 2. Have a maturity provision that either:
 - a. Gives the obligation a maturity of at least five years, or
 - b. In the case of an obligation or issue that provides for scheduled repayments of principal, gives an average maturity of at least five years. The restriction on maturity stated in this subsection does not apply to any obligation that otherwise meets all the requirements of this Section if the Director determines that exigent circumstances require the issuance of the obligation without regard to any restriction on maturity. The provisions of this subsection do not apply to mandatory convertible debt obligations or issues.
 - 3. State expressly on its face that the obligation:
 - a. Is subordinated and junior in right of payment to the issuing bank’s obligations to its depositors and to the bank’s other obligations to its general and secured creditors, and
 - b. Is ineligible as collateral for a loan by the issuing bank, except as provided in A.R.S. § 6-354.
 - 4. Be unsecured.
 - 5. State expressly on its face that the issuing bank may not retire any part of its capital obligation without the Director’s prior written order of approval, and the prior written consent of the Federal Deposit Insurance Corporation.

- 6. Include, if the obligation is issued to a depository institution, a specific waiver of the right of offset by the lending depository institution.
 - 7. State that, in the event of liquidation, all depositors and other creditors of the bank are to be paid in full before any payment of principal or interest is made on a capital obligation.
- C. No payment shall be made under an optional right of payment reserved to the bank without the separate authorization of the Director. The Director may grant that authority in the initial order of approval or in a later order of approval.

Historical Note

Former Rule 7. R20-4-207 recodified from R4-4-207 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 2155, effective May 4, 2001 (Supp. 01-2). Amended by final rulemaking at 29 A.A.R. 1919 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

Historical Note

Former Rule 8. R20-4-208 recodified from R4-4-208 (Supp. 95-1). Section repealed by final rulemaking at 6 A.A.R. 3188, effective August 3, 2000 (Supp. 00-3).

R20-4-209. Notice of Permanent Closing of Banking Office

A bank may close fewer than all of its banking offices. Before closing any office, a bank shall deliver a letter to the Director specifying the banking office it plans to close and the closing date. The bank shall ensure that the Director receives the letter at least 10 days before the closing date. Closing the banking office shall terminate the bank’s authority to maintain that banking office on the date of the actual closure.

Historical Note

Former Rule 9. R20-4-209 recodified from R4-4-209 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 5388, effective November 9, 2001 (Supp. 01-4). Amended by final rulemaking at 29 A.A.R. 1919 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-210. Repealed

Historical Note

Former Rule 10. R20-4-210 recodified from R4-4-210 (Supp. 95-1). Section repealed by final rulemaking at 6 A.A.R. 3188, effective August 3, 2000 (Supp. 00-3).

R20-4-211. Application for a Banking Permit

- A. Before an application is filed, the representatives of the potential applicant shall meet with the Director to discuss capitalization, location, and management of the proposed bank.
- B. After the meeting required by subsection (A), persons who wish to proceed with the application process shall submit an application in the form the Director prescribes. The applicant shall support the application with sufficient information to enable the Director to make a determination.

Historical Note

Former Rule 11. R20-4-211 recodified from R4-4-211 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 3188, effective August 3, 2000 (Supp. 00-3). Amended by final rulemaking at 29 A.A.R. 1919 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

Historical Note

Former Rule 12. Amended effective September 4, 1981 (Supp. 81-4). R20-4-212 recodified from R4-4-212 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-213. Repealed

Historical Note

Former Rule 13. Repealed effective September 13, 1981 (Supp. 81-5). R20-4-213 recodified from R4-4-213 (Supp. 95-1).

R20-4-214. Preservation of Records

- A. Every bank shall keep its corporate and business records as originals or as copies of the originals made by reproduction methods that accurately and permanently preserve the records. Copies complying with this subsection, when satisfactorily identified, have the same evidentiary status as an original. A bank may keep its records as electronic records if the bank can generate all information and copies required by this Section within the timeframe set by the Department for examination or other purposes.
- B. A bank shall keep its corporate and business records for the period required by this Section. These periods are measured from the date of the last entry or final action date. A bank shall have and comply with its own record retention schedule that is consistent with this Section. A bank may comply with this Section by complying with a preemptive federal regulation, even if the federal regulation requires a shorter retention period than is listed in this Section. This Section does not prohibit record retention for longer periods than these state-required minimums for any reason, including a retention period established by preemptive federal law or regulation. Likewise, this Section does not prohibit a bank from keeping any type of record not required in subsection (D).
- C. Beginning on the effective date of this Section, corporate and business records of a bank operating in the state of Arizona are classified, and their retention periods are prescribed, according to the schedule in subsection (D). Retention periods are listed in subsection (D) using the notations, acronyms, and abbreviations listed in subsections (C)(1) through (20).
 - 1. A numerical designation refers to a period of years unless a shorter period of time is specified in the schedule.
 - 2. "AC" means after closure.
 - 3. "ACH" means automated clearing house.
 - 4. "AE" means after expiration.

R20-4-602. Applications

- A.** An applicant for a debt management company license shall send the Department an application on the form required by the Director. If the Director determines that a credit report is required as authorized under A.R.S. § 6-704(A), the applicant shall order a credit report from a credit reporting agency disclosing the credit history of the applicant's principals or managing agents and submit the credit report to the Department. A complete application shall include the credit report required by this Section and all of the following:
1. The surety bond required by A.R.S. § 6-704(B);

2. Fidelity bonds if required by the Director under A.R.S. § 6-704(D);
3. The nonrefundable application fee specified in A.R.S. § 6-126(A)(14);
4. An original license fee described in A.R.S. §§ 6-126(B), 6-126(D)(2), and 6-706;
5. A sample of the contract intended to be used by the applicant required by A.R.S. § 6-704(E);
6. Current financial statements as described in R20-4-604(A)(5);
7. A copy of the current articles of incorporation, by-laws, partnership agreement or other organizing documents used to form the applicant business entity;
8. The name and address information required under A.R.S. § 6-704(A); and
9. A background check, on the form required by the Department, for each of the applicant's principals, principal officers, trustees, partners, and managing agents.

- B.** A debt management company applying to operate a branch office or use an agency shall send the Department an application on the form required by the Director.

- C.** A debt management company applying to renew a license shall deliver, on or before June 15 of each year, an application to the Department on the form required by the Director. A debt management company shall apply separately to renew each authorized business location. With each application for renewal, a debt management company shall include the renewal fee described in A.R.S. § 6-706 and specified in A.R.S. § 6-126(D)(2).

- D.** The Department may require additional information the Director considers necessary in connection with an application under this Section.

record of all its business activity. A debt management company may keep its books, accounts, and records as electronic records if the debt management company can generate all information and documentation required by this Section in the timeframe set by the Department for examination or other purposes. A debt management company's books, accounts, and records shall include:

1. A file for each account containing:
 - a. A copy of all correspondence concerning the account;
 - b. Evidence of the notice given to creditors of the debt management contract;
 - c. A subsidiary ledger disclosing all financial transactions concerning the account;
 - d. A copy of each written statement of account given to the debtor;
 - e. The original budget analysis required under R20-4-607; and
 - f. The original contract between the debt management company and the debtor, including all amendments.
 2. A trust account general ledger, which is kept current daily, which reflects each deposit to and disbursement from the trust account.
 3. Each reconciliation of the debt management company's trust account, prepared at least once a month.
 4. A general ledger, kept current monthly, which reflects each financial transaction by the debt management company except those recorded in its trust account general ledger.
 5. A financial statement produced in accordance with generally accepted accounting principles at least once every three months, or more frequently if directed by the Director, which reflects the financial condition of the debt management company. The financial statement shall include:
 - a. A balance sheet,
 - b. A statement of income and retained earnings,
 - c. A statement of changes in financial condition, and
 - d. Appropriate footnotes that either:
 - i. Explain entries in the documents listed in subsections (A)(5)(a), (b), and (c);
 - ii. Contain material information not required or not reportable in documents listed in subsections (A)(5)(a), (b), or (c); or
 - iii. Contain other disclosures required by generally accepted accounting principles.
 6. A record of all litigation naming the debt management company as a party including:
 - a. For pending litigation:
 - i. A copy of the complaint;
 - ii. A copy of any answer filed by the debt management company in response to the complaint; and
 - iii. A copy of any motion filed by the debt management company; and
 - b. For any litigation that is no longer pending, a copy of any judgment showing the settlement date, dismissal, or other final order disposing of the litigation.
- B.** All records required under this Section may be maintained at the debt management company's office in Arizona. A debt management company may keep its records outside this state if it:

1. Makes the records available to the Director, for examination or other purposes, in this state not more than three business days after demand; and
 2. Allows its debtor customers to call toll free to obtain information from the records that are not available from the debt management company's office in Arizona.
- C.** Each debt management company shall preserve its books, accounts, and records for the period required by A.R.S. §§ 6-709(J) and 6-710(1).

R20-4-607. Budget Analysis

- A.** A debt management company shall not accept an account unless it first concludes that the debtor can reasonably meet the payments agreed upon by the debt management company and the debtor. The debt management company's conclusion shall be supported by a written budget analysis kept in the company's records.
- B.** The written budget analysis shall either be part of an application form or a separate document. The debtor shall date and sign the written budget analysis before the debt management company draws any conclusions from the budget analysis.
- C.** The budget analysis shall disclose the disposable income available for payment to the debt management company after the debtor pays their reasonable and necessary living expenses including taxes, insurance, child support, alimony, and residential rent or mortgage payments.

this Section within the timeframe set by the Department for examination or other purposes.

- B.** A trust department or trust company shall keep books, accounts, and records adequate to provide clear and readily understandable evidence of all business conducted by the trust department or trust company, including the following:
1. A file for each account that includes:
 - a. The governing instrument,
 - b. All contracts and other legal documents,
 - c. Copies of all correspondence,
 - d. Accounting records disclosing all the financial transactions, and
 - e. A listing of all the account's assets and liabilities.
 2. An investment file for each account that includes:
 - a. All original documentary evidence of the account's assets; or
 - b. Copies of the original documentary evidence of the account's assets, together with written evidence of custody or receipt of the originals by an authorized holder; and
 - c. A record of the initial and annual investment reviews for the account.
 3. The corporate general ledger kept current on a daily basis. This record shall identify and segregate all financial transactions conducted by the trust department or trust company for itself, distinguishing them from those relating to the trust department's or trust company's trust business;
 4. Unaudited financial statements. A trust department or trust company shall produce these statements quarterly or more frequently when required by the Director. The financial statements shall include at least:
 - a. A balance sheet; and
 - b. A statement of income, expenses, and retained earnings.
 5. Adequate records of all pending litigation that names the trust department or trust company as a party.
- C.** A trust department shall keep its fiduciary records separate and distinct from the trust department's corporate records.
- D.** A trust department or trust company shall keep records described in subsections (B)(1) and (2) for at least three years after closing an account. If litigation occurs concerning a particular account, the trust department or trust company shall keep that account's records, described in subsections (B)(1) and (2), for three years after the litigation is resolved.

Historical Note

Adopted effective September 1, 1977 (Supp. 77-3). R20-4-806 recodified from R4-4-806 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 2471, effective June 8, 2000 (Supp. 00-2). R20-4-807. Unsafe or Unsound Condition

For purposes of A.R.S. §§ 6-863 and 6-865, a trust company conducts business in an unsafe manner or its affairs are in an unsound condition if it:

1. Violates any fiduciary duty or obligation, including those listed in Sections R20-4-809 through R20-4-815;
2. Violates any state or federal requirement for operating or maintaining trusts, common trust funds, or other accounts;

3. Violates any applicable federal or state law or regulation regarding corporations or securities;
4. Employs an officer or director who violates a corporate fiduciary duty;
5. Is insolvent; or
6. Engages in any conduct that the Director determines constitutes an unsafe or unsound business practice jeopardizing the trust company's financial condition or the interests of a stockholder, creditor, trustor, beneficiary, or trust company's principal.

Historical Note

Adopted effective June 30, 1977 (Supp. 77-3). R20-4-807 recodified from R4-4-807 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 2471, effective June 8, 2000 (Supp. 00-2). R20-4-808. Administration of Fiduciary Powers

- A.** The board of directors and the officers share responsibility for the exercise of fiduciary powers by a trust department or trust company. The board of directors is responsible for determining policy; investing and disposing of trust assets; and directing and reviewing the actions of all directors, officers, and committees of the board that exercise fiduciary powers. The board of directors may delegate the necessary power and authority to perform the trust department's or trust company's duties as a fiduciary to selected directors, officers, employees, or committees of the board if the delegation is consistent with the corporate charter. The minutes of the board's meetings shall duly reflect all those delegations.
- B.** A trust department or trust company shall not accept a new account without first obtaining the board's approval, or that of the directors, officers, or committees that the board may have authorized to approve new accounts. The trust department or trust company shall keep a written record of each new account approval and of the closing of each account. The trust department or trust company shall conduct an asset review within 60 days after it accepts each new account if it has investment responsibility for that account. The trust department's or trust company's board shall ensure that an annual review of account assets is conducted for each account in which the trust department or trust company has investment responsibility, to determine whether to retain or dispose of the assets.
- C.** A trust department or trust company exercising fiduciary powers shall use independent legal counsel admitted to practice in Arizona to advise and inform the trust department or trust company on fiduciary matters and all other legal issues presented to the trust department or trust company by the conduct of its trust business.

R20-4-809. Fiduciary Duties

A trust department or trust company shall perform all fiduciary duties imposed upon it by law, including the following:

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

1. Administer accounts strictly according to the governing instrument and solely in the account beneficiary's interests;
2. Use reasonable care and skill to make the account productive;
3. Provide complete and accurate information about the nature and amount of assets held to each account's beneficiary or principal and permit the beneficiary, principal, or any person duly authorized by the beneficiary or principal to inspect the account's records at any time during normal business hours. The information provided in compliance with this subsection shall be delivered at least quarterly, unless:
 - a. The trust department or trust company and its account's beneficiary, principal, or authorized person agree otherwise in writing;
 - b. The governing instrument provides otherwise; or
 - c. A different frequency is established by a lawful course of dealing before the effective date of this Section; and
4. Comply with all lawful provisions of the governing instrument.

Historical Note

R20-4-810. Funds Awaiting Investment or Distribution

- A. Trust funds held by a trust department or trust company awaiting investment or distribution shall not remain uninvested or undistributed any longer than is reasonable for the account's proper management.
- B. A trust department or trust company may keep trust funds in deposit accounts maintained by the trust department or trust company unless prohibited by law or by the governing instrument. The trust department or trust company shall set aside collateral security for all deposited trust funds under a third party's control. The collateral shall be the following types of securities, in any combination:
 1. Direct obligations of the United States or any agency, department, division, or administration of the federal government;
 2. Any other obligations fully guaranteed by the United States government as to principal and interest;
 3. Obligations of a Federal Reserve Bank;
 4. Obligations of any state, political subdivision of a state, or public authority organized under the laws of a state; or
 5. Readily marketable securities that either:
 - a. Qualify as investment securities under the Investment Securities regulations of the Comptroller of the Currency, 12 CFR, Chapter 1, Part 1; or
 - b. Satisfy state pledging requirements under A.R.S. § 6-245(C).
- C. The securities set aside under subsection (B) shall, at all times, have a market value no less than the amount of trust funds deposited. No collateral security is required to the extent the Federal Deposit Insurance Corporation, or its successor, insures the deposited trust funds.

Amended by final rulemaking at 29 A.A.R. 1952 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-811. Investment of Trust Funds

- A. A trust department or trust company shall invest trust funds according to:
 1. The governing instrument; and
 2. All applicable laws, including A.R.S. §§ 6-862, 14-7402, and 14-7501 through 14-7512
- B. A trust department or trust company shall make any collective investment of trust funds exclusively under the terms of R20-4-815.

Historical Note

Adopted effective June 30, 1977 (Supp. 77-3). R20-4-811 recodified from R4-4-811 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 2471, effective June 8, 2000 (Supp. 00-2). R20-4-812. Self-dealing

- A. A trust department or trust company shall not invest trust funds in the following types of property unless expressly authorized by the governing instrument, applicable state or federal law, or court order:
 1. Its own securities;
 2. Other types of property acquired from the trust department or trust company;
 3. Property acquired from the trust department's or trust company's directors, officers, or employees;
 4. Property acquired from the trust department's or trust company's affiliates;
 5. Property acquired from its affiliates' directors, officers, or employees; or
 6. Property acquired from other individuals or organizations with an interest in the trust department or trust company if that interest might affect the trust department's or trust company's exercise of discretion to the detriment of its trust clients.
- B. A trust department or trust company may use trust funds to purchase its own securities, or its affiliates' securities:
 1. If the trust department or trust company has authority under subsection (A), and
 2. If those securities are offered pro rata to all stockholders of the trust department or trust company.
- C. A trust department or trust company shall not sell or loan trust property to itself, or to the following types of persons, unless expressly authorized by the governing instrument, applicable state or federal law, or court order:
 1. Its directors, officers, or employees;
 2. Its affiliates;
 3. Its affiliates' directors, officers, or employees; or
 4. Other individuals or organizations with an interest in the trust department or trust company if that interest might affect the trust department's or trust company's exercise of discretion to the detriment of its trust clients.

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

- D.** However, a trust department or trust company may sell or loan trust property to persons prohibited by subsection (C) if either:
1. Its counsel has advised in writing that, by holding certain property, the trust department or trust company has incurred a contingent or potential liability for breach of fiduciary duty; and
 - a. The proposed sale or loan avoids the contingent or potential liability;
 - b. Its board of directors authorizes the sale or loan by an action duly noted in the trust department's or trust company's minutes;
 - c. Its board of directors' action expressly authorizes reimbursement to the affected account; and
 - d. The affected account is reimbursed, in cash, at no loss to that account; or
 2. The Director requires or approves, in writing, the sale or loan to otherwise prohibited parties.
- E.** A trust department or trust company may sell trust property held in one account to another of its accounts if:
1. The transaction is fair to both accounts; and
 2. The transaction is not prohibited by the governing instruments, applicable state or federal law, or court order.
- F.** A trust department or trust company may loan trust property held in one account to another of its accounts if:
1. The transaction is fair to both accounts; and
 2. The transaction is not prohibited by the governing instruments, applicable state or federal law, or court order.
- G.** A trust department or trust company may make a loan to a trust account, taking trust assets of the borrowing account as security for repayment, if:
1. The transaction is fair to the borrowing account; and
 2. The transaction is not prohibited by the governing instrument, applicable state or federal law, or court order.

Historical Note

Adopted effective June 30, 1977 (Supp. 77-3). R20-4-812 recodified from R4-4-812 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 2471, effective June 8, 2000 (Supp. 00-2). R20-4-813. Custody of Investments

- A.** A trust department or trust company shall keep each account's investments separate from its own assets. A trust department or trust company shall place each account's assets in the joint control of at least two officers or employees of the trust department or trust company designated in writing for that purpose by:
1. The trust department's or trust company's board of directors, or
 2. One or more officers authorized by the trust department's or trust company's board of directors to make the designation.
- B.** A trust department or trust company shall either:
1. Keep each account's investments separate from all other accounts' investments, except as provided in R20-4-815; or
 2. Adequately identify each account's property in the trust department's or trust company's records.

Historical Note

Adopted effective June 30, 1977 (Supp. 77-3). R20-4-813 recodified from R4-4-813 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 2471, effective June 8, 2000

R20-4-814. Compensation

- A.** A trust department or trust company acting as a fiduciary may charge a reasonable fee for its services. The trust department or trust company shall receive the fee allowed by the court when it is acting under a court appointment. Any agreement as to fees in the governing instrument shall control the fee unless contrary to law, regulation, or court order.
- B.** A trust department or trust company shall not permit any of its officers or employees to take any compensation for acting as a co-fiduciary with the trust department or trust company in the administration of an account.

Historical Note

Adopted effective June 30, 1977 (Supp. 77-3). R20-4-814 recodified from R4-4-814 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 2471, effective June 8, 2000 (Supp. 00-2). Amended by final rulemaking at 8 A.A.R. 2718, effective June 6, 2002 (Supp. 02-2). Amended by final rulemaking at 29 A.A.R. 1952 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-815. Collective Investments

- A.** All collective investments made by a trust department or trust company shall be in a common trust fund established under A.R.S. § 6-871 and maintained by the trust department or trust company exclusively for the collective investment and reinvestment of funds contributed by the trust department or trust company acting as a fiduciary. A trust department or trust company shall not establish a common trust fund unless it first:
1. Prepares a written plan regarding the common trust fund; and
 2. Obtains its board of directors' approval of the plan, evidenced by a duly adopted resolution or the board's unanimous written consent.
- B.** The plan shall describe the common trust fund's operational details, including a description of:
1. The trust department's or trust company's investment powers and investment policy over all funds deposited in the common trust fund,
 2. The manner for allocating the common trust fund's income and losses,
 3. The criteria for admission to or withdrawal from participating in the common trust fund, and
 4. The method for valuing assets in the common trust fund and the frequency of valuation.
- C.** A trust department or trust company shall advise all persons having an interest in its common trust fund of the existence of the plan described in subsection (B), and shall provide a copy of the plan upon request.
- D.** The annual report required under R20-4-805(A) shall include all common trust funds operated by the trust department or trust company.

R20-4-816. Termination of Trust or Fiduciary Powers and Duties

- A.** Any trust department that wants to surrender its trust powers shall file with the Director a certified copy of the appropriate resolution of its board of directors or of the board's unanimous written consent. If, after investigation, the Director concludes that the trust department has no remaining fiduciary duties, the Director shall notify the trust department that it no longer has authority to exercise trust powers.
- B.** Any trust company that wants to surrender its certificate of authority to conduct trust business and wind up its affairs shall file with the Director a certified copy of the appropriate resolution of its board of directors or of the board's unanimous written consent. Upon receipt of the resolution or consent, the Director shall cancel the trust company's certificate of authority, and the trust company shall not accept new trust accounts.
- C.** After winding up its affairs, any trust company that wants to surrender its rights and obligations as a fiduciary and remove itself from the Director's supervision shall file with the Director a certified copy of the appropriate resolution of its board of directors or of the board's unanimous written consent. If, after investigation, the Director concludes that the trust company has no further fiduciary duties, the Director shall notify the trust company that it no longer has authority to exercise fiduciary powers.
- D.** Any trust department or trust company that surrenders its powers, rights, obligations, or certificate under this Section or that has them canceled, suspended, or revoked shall continue to be regulated under A.R.S. § 6-864 and this Article until it winds up its affairs. No action under this Section impairs any liability or cause of action, existing or incurred, against any trust department or trust company or its stockholders, directors, or officers.

R20-4-911. Qualified Replacement Responsible Individual

If a licensee chooses an individual to serve as a replacement responsible individual and that individual has not satisfactorily completed

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

the course of study required by A.R.S. § 6-903(B)(2) or passed the mortgage broker examination required by A.R.S. § 6-903(B)(3), and is not given the opportunity to do so prior to the expiration of the 90-day time period provided in A.R.S. § 6-903(F), but otherwise meets the requirements of A.R.S. § 6-903(B), the individual shall be qualified as a replacement responsible individual until the next course of study has been held and, if the person successfully completes the course of study, until the mortgage broker examination next following the completion of the course of study has been held and the results of the examination are available. If the individual fails to satisfactorily complete the course of study or fails the mortgage broker examination, the licensee shall then have a new 90-day time period within which to place itself under the active management of a qualified responsible individual. Notwithstanding the foregoing, a licensee shall have no longer than 180 days within which to place the license under the active management of a qualified responsible individual unless the Superintendent grants additional time to the licensee for good cause shown.

Historical Note

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-911 recodified from R4-4-911 (Supp. 95-1).

R20-4-912. Restrictions on the Term of a Cash Alternative

If an applicant or a licensee elects to place with the Superintendent a deposit in the form of a certificate of deposit or investment certificate, in addition to the requirements of A.R.S. § 6-903(J), the certificate of deposit or investment certificate shall not be renewable, nor expire, earlier than 12 months from the date of issuance.

R20-4-915. Requirements for a Person Intended to Oversee a Branch Office

A person designated to oversee the operations of a branch office shall be knowledgeable about the branch activities of the licensee, shall supervise compliance by the branch with applicable law and rules, and shall have sufficient authority to ensure such compliance. One person may oversee more than one branch.

Historical Note

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-915 recodified from R4-4-915 (Supp. 95-1).

R20-4-916. Notification of Change of Address

If the address of the principal place of business or of any branch office is changed, the licensee shall notify the Superintendent of the change within five business days after the occurrence of the change of location. Together with such notice, the licensee shall provide to the Department the license for the office changing addresses

together with the fee required by A.R.S. § 6-126 for changing the address of an office. A copy of such license shall continue to be displayed at the place of business until a new license is issued.

Historical Note

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-916 recodified from R4-4-916 (Supp. 95-1).

R20-4-917. Recordkeeping Requirements

- A.** The Superintendent shall approve a licensee's use of a computer or mechanical recordkeeping system if the licensee gives the Superintendent advanced written notice that it intends to do so. The Department shall not require a licensee to keep a written copy of the records if the licensee can generate all information required by this Section in a timely manner for examination or other purposes. A licensee may add, delete, modify, or customize an approved computer or mechanical recordkeeping system's hardware or software components. When requested, or in response to a written notice of an examination, a licensee shall report to the Superintendent any alteration in the approved system's fundamental character, medium, or function if the alteration changes:
1. Any approved computer or mechanical system back to a paper-based system;
 2. An approved mechanical system to a computer system; or
 3. An approved computer system to a mechanical system.
- B.** In addition to any statutory requirement regarding records, a record maintained by a mortgage broker shall include the following:
1. A list of all executed loan applications or executed fee agreements that includes the following information:
 - a. Applicant's name;
 - b. Application date;
 - c. Amount of initial loan request;
 - d. Final disposition date;
 - e. Disposition (funded, denied, etc.); and
 - f. Name of loan officer;
 2. A record, such as a cash receipts journal, of all money received in connection with a mortgage loan including:
 - a. Payor's name;
 - b. Date received;
 - c. Amount; and
 - d. Receipt's purpose, including identification of a related loan, if any;
 3. A sequential listing of checks written for each bank account relating to the mortgage broker business, such as a cash disbursement journal, including:
 - a. Payee's name;
 - b. Amount;
 - c. Date; and
 - d. Payment's purpose, including identification of a related loan, if any;
 4. Bank account activity source documents for the mortgage broker business including receipted deposit tickets, numbered receipts for cash, bank account statements, paid checks, and bank advices.
 5. A trust subsidiary ledger for each borrower that deposits trust funds showing:
 - a. Borrower's name or co-borrowers' names;
 - b. Loan number, if any;
 - c. Amount received;
 - d. Purpose for the amount received;
 - e. Date received;
 - f. Date deposited into trust account;
 - g. Amount disbursed;

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

- h. Date disbursed;
- i. Disbursement's payee and purpose; and
- j. Balance;
6. A file for each application for a mortgage loan containing:
- a. The agreement with the customer concerning the broker's services, whether as a loan application, fee agreement, or both;
 - b. Document showing the application's final disposition, such as a settlement statement, or a denial or withdrawal letter;
 - c. Correspondence sent, received, or both by the licensee;
 - d. Contract, agreement, and escrow instructions to or with any depository;
 - e. Documents showing compliance with the Consumer Credit Protection Act's (15 U.S.C. §§ 1601 through 1666j) and the Real Estate Settlement Procedures Act's (12 U.S.C. §§ 2601 through 2617) disclosure requirements, to the extent applicable;
 - f. If the loan is funded by an investor that is not a financial institution, an enterprise, a licensed real estate broker or salesman, a profit sharing or pension trust or, an insurance company, the documents provided to the investor under A.R.S. § 6-907, a copy of the executed note and executed deed of trust or mortgage, and any assignment by the broker to the investor;
 - g. If the loan is closed in the mortgage broker's name, a copy of all closing documents including: closing instructions, any applicable rescission notice, HUD-1 settlement statement, final truth-in-lending disclosure, executed note, executed deed of trust or mortgage, and each assignment of beneficial interest by the licensee; and
 - h. Itemized list of all fees taken in advance including appraisal fee, credit report fee, and application fee;
7. Samples of every piece of advertising relating to the mortgage broker's business in Arizona;
8. Copies of governmental or regulatory compliance reviews;
9. If the licensee is not a natural person, a file containing:
- a. Organizational documents for the entity;
 - b. Minutes;
 - c. A record, such as a stock or ownership transfer ledger, showing ownership of all proportional equity interests in the licensee, ascertainable as of any given record date; and
 - d. Annual report, if required by law;
10. If the licensee or anyone directly or indirectly owning more than 20% of the licensee has a felony conviction, a copy of the judgment or other record of conviction;
11. If the licensee or anyone directly or indirectly owning more than 20% of the licensee has, in the previous seven years, been named a defendant in any civil suit, a copy of the complaint, any answer filed by the licensee, and any judgment, dismissal, or other final order disposing of the action; and
12. If the Superintendent has granted approval to maintain records outside this state, the specific address where the records are kept, and a person's name to contact for them.
- C. If 10 or fewer transactions have occurred during the prior calendar quarter, a licensee shall reconcile and update all records specified in subsection (B) at least once each calendar quarter.
- A licensee shall reconcile and update all records specified in subsection (B) monthly if more than 10 transactions occurred during the prior calendar quarter. In addition to reconciling each trust bank account, a licensee shall verify each trust balance to each trust subsidiary ledger at each reconciliation.
- D. A licensee shall retain the documents described in subsections (B)(1) and (B)(6) for the length of time provided in A.R.S. § 6-906. For the purposes of A.R.S. § 6-906, a mortgage loan's closing date, on a loan application that did not result in the making of a loan, is either:
1. The date a licensee receives a written cancellation notice from an applicant; or
 2. The date a licensee mails written notice to an applicant that the application has been denied, as required by federal law.
- E. A licensee shall maintain all records described in this Section, and not included in subsection (D), for at least two years.

- R20-4-919. Deposit of Monies Received by a Mortgage Broker**
- All monies received by a mortgage broker which are required to be deposited into an escrow account with an escrow agent licensed pursuant to A.R.S. § 6-801 et seq. shall be so deposited by 5:00 p.m. on the next business day after receipt of the funds.
- Historical Note**
Adopted effective August 14, 1991 (Supp. 91-3). R20-4-919 recodified from R4-4-919 (Supp. 95-1).
- R20-4-920. Requirements for the Testing Committee**
- A. No licensee shall submit more than five names as nominees to serve on the testing committee. The resumes of the nominees shall be included. The names and resumes shall be submitted to the Superintendent no later than August 1 of each even-numbered year. On or before September 30 of each even-numbered year, the Superintendent shall appoint four persons from the nominees submitted and one employee of the Department as members of the testing committee. A person may serve more than one two-year term. If the Superintendent does not find at least four persons from the list to be acceptable, the Superintendent shall solicit additional nominees from licensees.
- B. In the event of a vacancy on the testing committee, the remaining members of the committee shall submit a list of nominees within 45 days of the vacancy to the Superintendent containing not less than two nominees for each vacancy. The Superintendent shall then appoint a nominee from the list to fill each vacancy for the remainder of the term. If the Superintendent does not find at least one person from the list to be acceptable to fill each vacancy, the remaining members of the committee shall, upon request, submit an additional list of nominees to the Superintendent.

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

- C. The Superintendent may remove any member of the committee at any time without cause.
- D. The committee shall review and revise questions on the test not less than once every two years. All questions used on the test shall first be submitted to and approved by the Superintendent.
- E. The committee shall inform the applicant of the applicant's score on the test in writing within 30 days of administration of the test.
- F. The handbook for mortgage brokers shall be updated by the committee as necessary to reflect changes in the law.

R20-4-921. Authorizations to Complete Blank Spaces

An authorization, under A.R.S. § 6-909, allowing a licensee or escrow agent to complete certain blank spaces in a document after it is signed by a party to the transaction shall:

1. Specifically identify the document and the blank spaces to be completed;
2. Be in writing, dated, and signed by the authorizing parties; and
3. Contain the following notice, conspicuously printed on its face: YOUR SIGNATURE BELOW AUTHORIZES YOUR MORTGAGE BROKER OR ESCROW AGENT TO FILL IN SPACES YOU LEFT BLANK IN SPECIFIED LOAN DOCUMENTS YOU ARE ABOUT TO SIGN OR MAY HAVE ALREADY SIGNED. UNDER STATE LAW YOU CAN GIVE THIS AUTHORITY, BUT YOU ARE NOT REQUIRED TO DO SO. YOU CAN REFUSE TO SIGN ANY DOCUMENTS UNTIL ALL BLANKS ARE COMPLETELY FILLED IN.

Historical Note

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-921 recodified from R4-4-921 (Supp. 95-1). Amended by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-922. Determining Loan Amounts

In determining the amount of a mortgage loan pursuant to A.R.S. § 6-909(D) or (G), only the principal amount of the loan shall be considered and not any points, interest, finance charges, insurance premiums of any kind, compensation paid to third parties or compensation retained by the mortgage broker or its agents.

Historical Note

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-922 recodified from R4-4-922 (Supp. 95-1).

R20-4-923. Delay or Cause Delay

A mortgage broker shall not be deemed to have delayed or caused delay if such delay occurs due to events outside the control of the mortgage broker.

Historical Note

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-923 recodified from R4-4-923 (Supp. 95-1).

R20-4-924. Receipt and Disbursement of Monies

A licensee is not receiving or disbursing monies in servicing or arranging a mortgage loan if the licensee, at the request of the lender or servicing agent, on an infrequent basis, assists in the collection or servicing of a mortgage loan by receiving from the borrower a check or draft payable to the lender or servicing agent and forwarding such instrument to the lender or servicing agent not later

than 5:00 p.m. on the next business day after receipt by the licensee. For the purposes of this rule, an infrequent basis means, with regard to a particular loan, for not more than 25% of the regularly scheduled payments of the mortgage loan during any calendar year.

Historical Note

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-924 recodified from R4-4-924 (Supp. 95-1).

R20-4-925. Waiver of Examination and Course of Study

The Superintendent's waiver of the examination and course of study requirement under A.R.S. § 6-903 extends to a person designated as a responsible individual by either an applicant or a licensee under A.R.S. § 6-903.

Historical Note

New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-926. Acquisition of Additional Interest in Licensee by Majority Owner

A person that owns 51% or more of a licensee's outstanding voting equity interests, and that acquires the power to vote additional fractional equity interests, shall deliver written notice of the acquisition to the Superintendent. The person shall deliver the notice before completing the acquisition. Within 10 days after completing the acquisition, the person shall deliver documentation evidencing the acquisition to the Superintendent.

Historical Note

New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-927. Conversion to Commercial Mortgage Broker License

- A. Under A.R.S. § 6-913, a mortgage broker licensee shall only be permitted to convert his or her license to a commercial mortgage broker license during the renewal period established by A.R.S. § 6-904.
- B. The licensee seeking conversion shall not be subject to the 12 continuing education units as prescribed by A.R.S. § 6-903(V).
- C. The licensee seeking conversion shall submit:
 1. The renewal fees required by A.R.S. § 6-126 for commercial mortgage brokers, and
 2. The information and documents required by A.R.S. § 6-903.

Historical Note

New Section adopted by final rulemaking at 18 A.A.R. 2622, effective December 2, 2012 (Supp. 12-4).

R20-4-928. Certificate of Exemption Application and Renewal

- A. Under A.R.S. § 6-912(C), upon application for a certificate of exemption, an applicant shall pay a nonrefundable fee of \$300.
- B. A person holding a certificate of exemption shall pay a renewal fee of \$150.00 on or before December 31 of each year. Certificates of exemption not renewed by December 31 are automatically suspended, and the certificate holder shall not act as a registered exempt person until the certificate is renewed or a new certificate is issued pursuant to A.R.S. § 6-912. While the certificate is suspended, the licensed loan originators sponsored by the registered exempt person may not transact business as a loan originator. A registered exempt person may renew an automatically suspended certificate by paying the renewal fee plus \$25.00 for each day after December 31 that a renewal fee is not received by the Superintendent and

applying for renewal as prescribed by the Superintendent. A certificate of exemption that is not renewed by January 31 expires. A certificate of exemption shall not be granted to the holder of an expired certificate of exemption except as provided in A.R.S. § 6-912 for the issuance of an original certificate of exemption. Each licensed loan originator that is sponsored by a registered exempt person whose certificate has expired shall have his or her license placed on inactive status and shall not transact business in Arizona as a loan originator pursuant to A.R.S. § 6-991.02(M).

- C. In addition to the application fee, on issuance of the certificate of exemption, the Superintendent shall collect the first year's renewal fee prorated according to the number of quarters remaining until the date of the next annual renewal, as required by A.R.S. § 6-126(B).
- D. The following fees are payable to the Department:
1. To change the name of the federally chartered savings bank on a certificate of exemption: \$250.00.
 2. To change the responsible individual for the exempt entity: \$250.00.
 3. To issue a duplicate or replace a lost certificate of exemption: \$100.00.
 4. To change the address of the federally chartered savings bank on a certificate of exemption: \$50.00.

R20-4-1209. Answer to Notice of an Administrative Hearing

- A.** The Department may, in a notice of hearing, direct one or more parties to file a written answer to the allegations contained in the notice of hearing. Even if not directed to do so, any party to the proceeding may file an answer.
- B.** A party directed to file an answer shall do so within 20 days after issuance of a notice of hearing, unless the notice of hearing states a different period for the answer. The Department may require any party to answer, in a reasonable time, amendments to the assertions in the notice made after service of the original notice.
- C.** An answer filed under this Section shall briefly state the party’s position or defense to the proceeding and shall specifically admit or deny each of the allegations in the notice of hearing. An answering party who does not have, or cannot easily obtain, knowledge or information sufficient to admit or deny an allegation shall state that inability which shall have the effect of a denial. Any allegation not denied is admitted. A party who intends to deny only a part of an allegation, shall expressly admit as much of that allegation as is true and shall deny the remainder.
- D.** A party who fails to file an answer required by this Section within the time allowed is in default. The Director may resolve

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

the proceeding against a defaulting party. In doing so, the Director may regard any allegations in the notice of hearing as admitted by the defaulting party.

E. Defenses not raised in the answer are waived.

Historical Note

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1209 recodified from R4-4-1209 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3). Amended by final rulemaking at 28 A.A.R. 3620 (November 25, 2022), effective January 1, 2023 (Supp. 22-4).

R20-4-1210. Stay Pending a Hearing

A person aggrieved by the Department's action or order who files a timely written request for a hearing may ask, in the request for a hearing, that the Director stay an action or any part of an order that will become effective before a hearing. The Director may, in the Director's discretion, stay the legal effectiveness of any action or order until the matter can be heard and finally decided if the aggrieved person's request demonstrates that:

1. The person has a reasonable defense that might prevail on the merits at the hearing,
2. The person will suffer irreparable injury unless the Director grants the stay,
3. The stay would not substantially or irreparably harm other interested persons, and
4. The stay would not jeopardize the public interest or contravene public policy.

Historical Note

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1210 recodified from R4-4-1210 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3). Amended by final rulemaking at 28 A.A.R. 3620 (November 25, 2022), effective January 1, 2023 (Supp. 22-4).

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1212 recodified from R4-4-1212 (Supp. 95-1). Section repealed by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3).

R20-4-1213. Repealed**Historical Note**

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1213 recodified from R4-4-1213 (Supp. 95-1). Section repealed by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3).

R20-4-1214. Repealed**Historical Note**

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1214 recodified from R4-4-1214 (Supp. 95-1). Section

repealed by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3).

R20-4-1215. Repealed**Historical Note**

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1215 recodified from R4-4-1215 (Supp. 95-1). Section repealed by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3).

R20-4-1216. Repealed**Historical Note**

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1216 recodified from R4-4-1216 (Supp. 95-1). Section repealed by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3).

R20-4-1217. Repealed**Historical Note**

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1217 recodified from R4-4-1217 (Supp. 95-1). Section repealed by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3).

R20-4-1218. Repealed**Historical Note**

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1218 recodified from R4-4-1218 (Supp. 95-1). Section repealed by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3).

R20-4-1219. Request for Rehearing or Review

- A. Any party aggrieved by an administrative decision may file with the Director within time limits and other procedural guidelines contained in A.R.S. § 41-1092.09, a written motion for rehearing or review of the decision specifying the particular reason for the request.
- B. A party filing a motion under this Section may amend the motion at any time before a response to the motion is filed. An amended motion tolls the time for filing a response and the time for rendering a decision on the motion.
- C. A request for rehearing or review which is not timely filed is deemed waived for the purpose of judicial review.
- D. A motion for rehearing or review shall specify which of the grounds listed in subsection (G) it is based upon and shall set forth the specific facts and laws in support of the motion. A motion may cite relevant portions of testimony from the hearing if a transcript is provided with the motion and may cite hearing exhibits by reference to the exhibit number. The motion shall specify the relief sought by the request, such as a different finding of fact, conclusion of law or order and may seek multiple forms of relief in the alternative. When a motion for rehearing or review is based on an affidavit, the moving party shall attach the affidavit to the motion.
- E. A party may file a separate request for a stay of the Director's decision. Filing a stay request or a motion for rehearing or review does not stay an order filed by the Director. The Director may stay an order pending the resolution of a motion for rehearing or review.
- F. Each party served with a motion for rehearing or review shall be permitted to file a written response within 15 days after the motion has been filed. Affidavits may be attached to and filed with a response. A response may cite relevant portions of testimony from the hearing if a transcript is provided with the

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

response and may cite hearing exhibits by reference to the exhibit number. The Director has the discretion to hear oral argument to consider a request for rehearing or review.

- G.** The Director may grant a motion for rehearing or review for any of the following causes:
1. Irregularity in the proceedings before the Department, in any order, or any abuse of discretion that deprives the moving party of a fair hearing;
 2. Misconduct by the Department, the administrative law judge, or the prevailing party;
 3. Accident or surprise that could not have been prevented by ordinary care;
 4. Newly discovered material evidence that could not reasonably have been discovered and produced at the original hearing;
 5. Excessive or insufficient penalties;
 6. Error in admitting or rejecting evidence or other legal errors occurring at the hearing; and
 7. The decision is not justified by the evidence or is contrary to law.
- H.** The Director may affirm or modify the decision or grant a rehearing as to all or any of the parties and on all or part of the issues for any reason listed in subsection (G). An order granting a rehearing shall specify the reason for granting the rehearing, and the rehearing shall cover only those matters specified.
- I.** The Director, within the time for filing a motion for rehearing, may without a motion for rehearing, order a rehearing for any reason that would allow the granting of a motion for rehearing by a party. The order for rehearing, granted without a motion, shall specify the reason for granting the rehearing.
- J.** The Director may grant a motion for rehearing, timely served, for a reason not stated in the motion. The order for rehearing, granted for a reason not stated in the motion, shall specify the reason for granting the rehearing.

Historical Note

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1219 recodified from R4-4-1219 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3). Amended by final rulemaking at 28 A.A.R. 3620 (November 25, 2022), effective January 1, 2023 (Supp. 22-4).

R20-4-1220. Petition for Rulemaking Action

- A.** The following definitions apply in this Section.
1. "Petitioner" means a person who petitions the Department for Rulemaking action as authorized under A.R.S. § 41-1033(A).
 2. "Rule" has the meaning stated at A.R.S. § 41-1001 and is enforceable by the Department.
 3. "Rulemaking action" means the process for formulation and finalization of a new rule, or amendment or repeal of an existing rule.
 4. "Substantive Policy Statement" has the meaning stated at A.R.S. § 41-1001, is advisory only, and is not enforceable by the Department.
- B.** Any person may petition the Department under A.R.S. § 41-1033(A) to either:
1. Make, amend, or repeal a final Rule; or
 2. Review an existing agency practice or Substantive Policy Statement that the Petitioner alleges to constitute a Rule.
- C.** A person who files a petition pursuant to A.R.S. § 41-1033(A), shall include the following information in the petition:
1. The Petitioner's name and contact information;

2. The name and address of any organization the Petitioner represents;
 3. Whether the Petitioner is petitioning the Department to:
 - a. Make, amend, or repeal a final Rule; or
 - b. Review an existing agency practice or Substantive Policy Statement that the Petitioner alleges to constitute a Rule;
 4. A detailed explanation of Petitioner's basis for submitting the petition;
 5. If the Petitioner is petitioning the Department to make a Rule, the language of the proposed new Section and the specific authority for the requested Rulemaking action;
 6. If the Petitioner is petitioning the Department to amend an existing Rule, a citation to the existing Section to be amended, the language of the proposed Rule amendment, and the specific authority for the requested Rulemaking action;
 7. If the Petitioner is petitioning the Department to repeal an existing Rule, a citation to the existing Section or subsection to be repealed, and an explanation of why the Rule should be repealed including, if applicable, how the Rule does not meet the requirements of A.R.S. § 41-1030;
 8. If the Petitioner is petitioning the Department to review an existing agency practice that the Petitioner alleges to constitute a Rule, a description of the Department's practice, an explanation of how the Department's practice constitutes a Rule being enforced by the Department, the language of the proposed new Rule, and the specific authority for the requested Rulemaking action;
 9. If the petitioner is petitioning the Department to review a Substantive Policy Statement that the Petitioner alleges to constitute a Rule, a citation to the Substantive Policy Statement, an explanation of how the Substantive Policy Statement is being enforced by the Department as a Rule, the language of the proposed new Rule, and the specific authority for the requested Rulemaking action; and
 10. The petitioner's dated signature.
- D.** The petitioner may submit additional supporting information, including:
1. Statistical data; and
 2. A list of other persons and entities likely to be affected by the proposed Rulemaking action, with an explanation of the likely effects.
- E.** Within 60 days of the date the Department receives the petition, the Director shall send the petitioner a written decision indicating whether the Department is denying the petition or will initiate the requested Rulemaking action, with the reasons for the decision.

Historical Note

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1220 recodified from R4-4-1220 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3). Section repealed; new Section amended by final rulemaking at 28 A.A.R. 3620 (November 25, 2022), effective January 1, 2023 (Supp. 22-4). Subsections C(5) through (10), (D) and (E) omitted when codified in Supp. 22-4; the rule text has been published as promulgated at 28 A.A.R. 3620 (Supp. 24-1).

R20-4-1502. Applications

- A. An applicant for a license shall complete and file an application, as required by the Department, by delivering the application to the Director, together with the following documents and payment:
 1. The bond required by A.R.S. § 32-1021;
 2. The nonrefundable investigation fee and original license fee required by A.R.S. § 32-1028 and stated in A.R.S. § 6-126;
 3. A current financial statement in the form required by the Department;
 4. A certified copy of the current articles of incorporation, by-laws, partnership agreement, or other organizational documents under which the applicant proposes to conduct business; and
 5. A statement of personal history for each principal officer, partner, and manager of the applicant, in the form required by the Department.
- B. An out-of-state collection agency applying for a license under A.R.S. § 32-1024 shall complete and file the application required by subsection (A), together with a signed statement declaring that:
 1. The requirements for securing the out-of-state license were, when issued, substantially the same or equivalent to the requirements imposed under A.R.S. Title 32, Chapter 9, Article 2. The statement shall also contain a complete description of those requirements.
 2. The state issuing the out-of-state license extends reciprocity to Arizona licensees under similar circumstances. The statement shall also contain a complete description of the conditions for reciprocity in the other state.
- C. A licensee applying for license renewal shall complete and file an application, as required by the Department, by delivering the renewal application to the Director before January 1, together with the renewal fee required by A.R.S. § 32-1028 and stated in A.R.S. § 6-126. An application for renewal shall also include a current financial statement in the form required by the Department.
- D. An applicant for a provisional license under A.R.S. § 32-1027 shall complete and file an application as required by the Department, by delivering the application to the Director within 30 days of the event justifying a provisional license. The applicant shall deliver the application together with each of the following:
 1. A bond that satisfies the requirements of A.R.S. § 32-1022;
 2. A current financial statement as required by the Department;
 3. A detailed description of the facts justifying the issuance of a provisional license; and
 4. Evidence that the licensee notified the Director as required by A.R.S. § 32-1023, in the event the licensee has terminated its active manager.
- E. An applicant for a provisional license shall, in each instance, be appropriate to the circumstances justifying the provisional license, as follows:
 1. A licensee's personal representative, or the personal representative's appointee, shall complete and file an application if the licensee, a natural person, has died;
 2. The surviving partners shall complete and file an application if the licensee, a partnership, has dissolved;

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

3. A licensee shall complete and file an application if an active manager's employment was terminated.

R20-4-1503. Reports

A collection agency shall notify the Director in writing of any change in the officers, directors, partners, or active manager of the collection agency not more than 10 days after the change. With the notice, the collection agency shall provide the Director with a Statement of Personal History for each new officer, director, partner, or active manager on a form obtained from the Department.

Historical Note

Adopted effective December 18, 1979 (Supp. 79-6). R20-4-1503 recodified from R4-4-1503 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1504. Records

- A. A licensee may keep its books, accounts, and records as electronic records if the licensee can generate all information and copies required by this Section within the timeframe set by the Department for examination or other purposes.
- B. All licensees shall keep and maintain books, accounts, and records adequate to provide a clear and readily understandable record of all business conducted by the collection agency, including:
 1. Records or books of account listing all clients' accounts. Each account shall reflect its true condition at each calendar month's end, and shall include:
 - a. The client's name and address;
 - b. Each debtor's name worked for collection in that month;
 - c. The amount, description, and date of each debit and each credit to the account; and
 - d. The balance due to, or owing from, the client.
 2. A record and history of each debt for collection that clearly shows:
 - a. The debtor's name;
 - b. The debt's principal amount;
 - c. The interest charged or collected;
 - d. The amount, and description, of any other charges;
 - e. The amount, and date, of each payment received or collected; and
 - f. The current balance due on the debt.
 3. An original of each written contract between the licensee and a client, including any contract amendments.

- C. A person issuing a receipt for a collection agency shall sign the receipt using that person's true name. Each receipt shall also show the collection agency's name.
- D. A licensee shall maintain all records required under this Section and shall make them available for examination, investigation, or audit in Arizona within three working days after the Director demands the records.
- E. A licensee shall retain the records required by this Section for the following periods:
 1. A licensee shall retain all records described in subsections (B)(1), and (B)(3) through (8) for at least seven years following their creation.
 2. A licensee shall retain all records described in subsection (B)(2) for at least three years from an account's assignment to the licensee. If a licensee collects any money on an account, the licensee shall retain the records described in subsection (B)(2) for at least three years from the last collection date.

Historical Note

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). Amended effective December 18, 1979 (Supp. 79-6). R20-4-1504 recodified from R4-4-1504 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 4742, effective November 13, 2000 (Supp. 00-4). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1505. Trust Account

- A. A licensee that maintains an office in Arizona shall deposit all funds collected for a client in a trust account at a federally insured depository institution in Arizona. A licensee that does not maintain an office in Arizona shall deposit all funds collected for a client in a trust account at a federally insured depository institution in the state where the licensee maintains its principal office. A licensee shall deposit all client funds before the close of its business on the third business day after the licensee receives the funds. Client funds shall remain on deposit as required by this Section until:
 1. Paid over to a client, or
 2. Otherwise paid as provided in this Section.
- B. A licensee shall pay funds from the trust account either:
 1. By prenumbered printed checks, or
 2. By electronic payment.
- C. A licensee shall deposit in its trust account only the funds it has collected for its client. A licensee, its officers, directors, partners, managers, members, or employees shall not commin-

gle, or permit the commingling of, their own funds with client funds. This prohibition includes any funds that a licensee, or any officer, director, partner, manager, member, or employee claims an interest in if that interest arises outside the licensee's contract with a client.

- D. A licensee shall keep unpaid client funds in its trust account. A licensee may maintain a separate trust account for dormant accounts into which the licensee deposits unpaid funds such as those of a client that cannot be located, or any trust account check issued to a client that is returned without being negotiated. As to all those unpaid funds, under A.R.S. § 44-307, a licensee shall file an abandoned property report at the Arizona Department of Revenue as and when required by law.
- E. A licensee shall withdraw from its trust account all fees and commissions due the licensee under its contract with a client and deposit them directly into its own operating account.
- F. A licensee shall not pay funds from its trust account except as:
 1. Provided in this Section,
 2. Expressly authorized in its contract with a client, or
 3. Authorized in writing by the Director.

Historical Note

R20-4-1506. Articles of Incorporation; Bylaws; Organizing Documents

- A. A collection agency organized as a corporation shall file with the Director a copy of each amendment to its articles of incorporation within 30 days after the amendment is adopted. Before filing with the Director, an officer of the collection agency shall certify the copy filed in compliance with this Section, in writing, signed by the certifying officer, attesting to the completeness, accuracy, and authenticity of the certified copy.
- B. A collection agency organized as a corporation shall file with the Director a copy of each amendment to its bylaws within 10 days after the amendment is adopted. An officer of the collection agency shall certify the copy filed in compliance with this Section, in writing, attesting to the completeness, accuracy, and authenticity of the certified copy.
- C. A collection agency not organized as a corporation shall file with the Director a copy of each amendment to its organizing documents within 10 days after the amendment is adopted. A partner, active manager, or agent of the collection agency shall certify the copy filed in compliance with this Section, in writing, attesting to the completeness, accuracy, and authenticity of the certified copy.

Historical Note

Adopted effective December 18, 1979 (Supp. 79-6). R20-4-1506 recodified from R4-4-1506 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1507. Representations of Collection Agency's Identity

In all communications with debtors, either orally or in writing, all the following rules apply:

1. A collection agency shall represent itself as a collection agency,

2. A collection agency shall not directly or indirectly claim to be a credit reporting agency or credit bureau if it is not,
3. A collection agency shall not directly or indirectly claim to be a law enforcement agency, and
4. A collection agency shall not directly or indirectly claim to be a law firm.

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

Remedies Available

- A.** A collection agency shall not inform a debtor that:
1. The debtor waives any legal right or legal defense by a failure to contact the collection agency, and
 2. The collection agency has the power or right to bypass the legal process.
- B.** A collection agency shall not misrepresent the remedies available to the collection agency.

Historical Note

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). R20-4-1510 recodified from R4-4-1510 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1511. Prohibition of Harassment

- A.** A collection agency shall not use unauthorized or oppressive tactics designed to harass any person to pay a debt.
- B.** A collection agency shall not use written or oral communications that ridicule, disgrace, or humiliate any person, or tend to ridicule, disgrace, or humiliate any person.
- C.** A collection agency shall not state, imply, or tend to imply, in written or oral communications, that any person is guilty of fraud or any other crime.
- D.** A collection agency shall not permit its agents, employees, representatives, debt collectors, or officers to use obscene or abusive language in efforts to collect a debt.
- E.** A collection agency or its agents, employees, representatives or officers are subject to penalties listed in A.R.S. § 32-1056(B) for any violation of this Article, as well as other liabilities imposed under any other provision of law.

Historical Note

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). R20-4-1511 recodified from R4-4-1511 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1512. Contacts with Debtors and Others

- A.** A collection agency shall contact a debtor by telephone only during reasonable hours. A collection agency shall make a reasonable attempt to contact a debtor at the debtor's residence. A collection agency may contact a debtor at the debtor's place of employment if a reasonable attempt to contact the debtor at the debtor's residence has failed.
- B.** A collection agency shall not threaten to or contact a third party, including a debtor's friend, relative, neighbor, or employer and:
1. Inform the third party of the debt;
 2. Ask the third party to pressure the debtor into paying the debt; or
 3. Ask the third party to pay the debt, unless the third party is legally obligated to pay the debt.
- C.** Despite the other provisions of this Section, a collection agency may make lawful service on third parties, including employers, of a writ of garnishment or other writ in aid of execution after judgment has been entered against a debtor.

Historical Note

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1513. Cessation of Communication with the Debtor

- A.** A collection agency shall stop contacting a debtor, directly or indirectly, if the debtor tells the collection agency that the debtor is represented by a lawyer and wants the collection agency to communicate with the debtor through the debtor's lawyer. The collection agency may later contact the debtor if the collection agency contacts the lawyer named by the debtor and learns that the lawyer does not represent the debtor.
- B.** A collection agency shall stop contacting a debtor, directly or indirectly, if the debtor gives the collection agency written notice that the debtor:
1. Refuses to pay the debt, or
 2. Wants the collection agency to stop all further communication with the debtor.
- C.** Despite the provisions of subsection (B), a collection agency may contact a debtor to inform the debtor that:
1. The collection agency has stopped trying to collect the debt, or
 2. The collection agency or the creditor may invoke specific remedies that are customarily used by the collection agency or the creditor.
- D.** The debtor's written notice under subsection (B) is effective upon receipt by the collection agency if delivered by mail.

Historical Note

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). R20-4-1515 recodified from R4-4-1515 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1516. Advertising

A collection agency shall not use any form of communication to state or imply that the collection agency is:

1. Approved, bonded by, or affiliated with the state of Arizona;
2. A state agency;
3. The director of any state agency; or
4. Authorized to practice law.

Historical Note

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). R20-4-1516 recodified from R4-4-1516 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1517. Repealed**Historical Note**

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). R20-4-1517 recodified from R4-4-1517 (Supp. 95-1). Section repealed by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2).

R20-4-1518. Agreements with Clients

A collection agency's records shall document each client's account in writing. The records for an account shall include either a written agreement between the client creditor and the collection agency, or a written direction from the creditor to the collection agency concerning a specific debt placed for collection. The collection agency shall keep records that are specific, easily understood, and unambiguous. A provision of a written agreement or written direction that suggests the collection agency has authority to represent the client in court, or to practice law in any other way, is void and prohibited by this Section. The records for an account shall separately state:

1. The names of the parties to the agreement or written direction,
2. The terms or rate of compensation paid to the collection agency,

3. The length of time the agreement or written direction is intended to be in effect, and
4. Any conditions regarding collection of a particular debt.

Historical Note

Adopted effective December 18, 1979 (Supp. 79-6). R20-4-1518 recodified from R4-4-1518 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1519. Licensee Names and Control

- A.** The Department shall not issue a license with a name that is:
1. Similar to, or that may be confused with, any federal, state, county, or municipal government function or agency;
 2. Descriptive of any business activity that the applicant does not actually conduct;
 3. The same as, or similar to, the name of any existing collection agency, or
 4. Otherwise deceptive or misleading.
- B.** The Department may permit the use of a name otherwise prohibited under subsection (A)(3) based on its analysis of whether the name includes geographic or other information that distinguishes it from the existing collection agency.
- C.** A collection agency shall not use a collection agency license to do business under more than one name. Each collection agency shall apply for and obtain a separate license for each business name it intends to use in Arizona.

Historical Note

Adopted effective December 18, 1979 (Supp. 79-6). R20-4-1519 recodified from R4-4-1519 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1520. Representations of Collection Agency Employees' Identity or Position

- A.** A collection agency shall not allow its debt collector, agent, representative, employee, or officer to:
1. Misrepresent the person's true position with the collection agency;
 2. Claim to be, or imply that the person is, an attorney unless the person is licensed to practice law;
 3. Claim to be, or imply that the person is, a public official, peace officer, or any other type of public employee; or
 4. Claim to be, or imply that the person is, any other third party.
- B.** In any communication with a debtor, a person working for a collection agency shall indicate that the person is a debt collector.
- C.** A collection agency shall keep a record of all fictitious names used by its debt collectors during their employment. The collection agency shall record the information required by this subsection before permitting the use of a fictitious name. The collection agency shall file a copy of the record of fictitious names with the Department on July 1 and December 31 of each year. After filing the initial report, a collection agency shall identify all changes to the record on July 1 and December 31 of each year. The collection agency's record of fictitious names shall include:
1. The true name of each debt collector that uses a fictitious name;

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

2. Each fictitious name used by the debt collector, together with the dates when the name is used; and
3. The residential street address and residential mailing address of each debt collector that uses a fictitious name.

Historical Note

Adopted effective December 18, 1979 (Supp. 79-6). R20-4-1520 recodified from R4-4-1520 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1521. Duty of Investigation

A collection agency shall give copies of its evidence of the debt to the debtor or the debtor's attorney upon request. After providing the evidence, but before continuing its collection efforts against the debtor, the collection agency shall investigate any claim by the debtor or the debtor's attorney that:

1. The debtor has been misidentified,
2. The debt has been paid,
3. The debt has been discharged in bankruptcy, or
4. Based on any other reasonable claim, the debt is not owed.

New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-1804. Requirements for a Person Intended to Oversee a Branch Office

A person designated to oversee the operations of a branch office shall be knowledgeable about the branch activities of the licensee, supervise compliance by the branch with applicable law and rules, and have sufficient authority to ensure such compliance. One person may oversee more than one branch.

Historical Note

New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-1805. Notification of Change of Address

If a licensee changes the licensee's principal place of business, or the location of a branch office, the licensee shall notify the Superintendent at least five business days before the address change. With the notice, a licensee shall provide the Superintendent with the license for the office changing its address and the fee required by A.R.S. § 6-126 for changing an office address. A copy of the license shall continue to be displayed at the place of business until a new license is issued.

Historical Note

New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2). Amended by final rulemaking at 8 A.A.R. 145, effective December 10, 2001 (Supp. 01-4).

R20-4-1806. Recordkeeping Requirements

A. The Superintendent shall approve a licensee's use of a computer or mechanical recordkeeping system if the licensee gives the Superintendent advanced written notice that it intends to do so. The Department shall not require a licensee to keep a written copy of the records if the licensee can generate all information required by this Section in a timely manner for examination or other purposes. A licensee may add, delete, modify, or customize an approved computer or mechanical recordkeeping system's hardware or software components. When requested, or in response to a written notice of an examination, a licensee shall report to the Superintendent any alteration in the approved system's fundamental character, medium, or function if the alteration changes:

1. Any approved computer or mechanical system back to a paper-based system; or
2. An approved mechanical system to a computer system; or
3. An approved computer system to a mechanical system.

B. In addition to any statutory requirement regarding records, a record maintained by a mortgage banker shall include the following:

1. A list of all executed loan applications or executed fee agreements that includes the following information:
 - a. Applicant's name;
 - b. Application date;
 - c. Amount of initial loan request;
 - d. Final disposition date;
 - e. Disposition (funded, denied); and
 - f. Name of loan officer;

2. A record, such as a cash receipts journal, of all money received in connection with mortgage banking loans or mortgage loans including:
 - a. Payor's name;
 - b. Date received;
 - c. Amount; and
 - d. Receipt's purpose including identification of a related loan, if any;
 3. A sequential listing of checks written for each bank account relating to the mortgage banker business, such as a cash disbursement journal, including:
 - a. Payee's name;
 - b. Amount;
 - c. Date; and
 - d. Payment's purpose including identification of a related loan, if any;
 4. Bank account activity source documents for the mortgage banker business including receipted deposit tickets, numbered receipts for cash, bank account statements, paid checks, and bank advices;
 5. A trust subsidiary ledger for each borrower that deposits trust funds showing:
 - a. Borrower's name or co-borrowers' names;
 - b. Loan number, if any;
 - c. Amount received;
 - d. Purpose for the amount received;
 - e. Date received;
 - f. Date deposited into trust account;
 - g. Amount disbursed;
 - h. Date disbursed;
 - i. Disbursement's payee and purpose; and
 - j. Balance;
 6. A file for each application for a mortgage banking loan or a mortgage loan containing:
 - a. The agreement with the customer concerning the mortgage banker's services, whether as a loan application, fee agreement, or both;

 - c. Correspondence sent, received, or both by the licensee;
 - d. Contract, agreement and escrow instructions to or with any depository;
 - e. Documents showing compliance with the Consumer Credit Protection Act's (15 U.S.C. §§ 1601 through 1666j) and the Real Estate Settlement Procedures Act's (12 U.S.C. §§ 2601 through 2617) disclosure requirements, to the extent applicable;
 - f. If the loan is closed in the licensee's name, and funded by a lender that is not an institutional investor as defined at A.R.S. § 6-943, a copy of the executed note, executed deed of trust or mortgage, and each assignment of beneficial interest by the licensee, if any. If any of the documents listed in this subsection have been recorded, the file shall also contain legible copies of the recorded documents, and;
 - g. Itemized list of all fees taken in advance including appraisal fee, credit report fee, and application fee;
 7. Samples of every piece of advertising relating to the mortgage banker's business in Arizona;
 8. Copies of governmental or regulatory compliance reviews;
 9. If the licensee is not a natural person, a file containing:
 - a. Organizational documents for the entity;
 - b. Minutes;
 - c. A record, such as a stock or ownership transfer ledger, showing ownership of all proportional equity interests in the licensee, ascertainable as of any given record date; and
 - d. Annual report, if required by law;
 10. If the licensee or anyone directly or indirectly owning more than 20% of the licensee has a felony conviction, a copy of the judgment or other record of conviction;
 11. If the licensee or anyone directly or indirectly owning more than 20% of the licensee has, in the previous seven years, been named a defendant in any civil suit, a copy of the complaint, any answer filed by the licensee, and any judgment, dismissal or other final order disposing of the action;
 12. If the Superintendent has granted approval to maintain records outside this state, the specific address where the records are kept, and a person's name to contact for them;
 13. If a licensee does business in other states, it must be able to separate Arizona loan information from information relating to other states to enable the Superintendent to conduct an examination.
 14. A licensee shall produce a trial balance of the general ledger monthly to evidence the mortgage banker's net worth.
- C.** If 10 or fewer transactions have occurred during the prior calendar quarter, a licensee shall reconcile and update all records specified in subsection (B) at least once each calendar quarter. A licensee shall reconcile and update all records specified in subsection (B) monthly if more than 10 transactions occurred during the prior calendar quarter. In addition to reconciling each trust bank account, a licensee shall verify each trust balance to each trust subsidiary ledger at each reconciliation.
- D.** A licensee shall retain the documents described in subsections (B)(1) and (6) for the length of time provided in A.R.S. § 6-946. For the purposes of A.R.S. § 6-946, the mortgage banking loan's closing date, on a loan application that did not result in the making of a loan, is either:
1. The date a licensee receives a written cancellation notice from an applicant; or
 2. The date a licensee mails written notice to an applicant that an application has been denied, as required by federal law.
- E.** A licensee shall maintain all other records described in this Section, and not included in subsection (D), for at least two years.

ARTICLE 19. COMMERCIAL MORTGAGE BANKERS**R20-4-1901. Exemption for an Institutional Investor**

A. The exemption from the licensure requirement for an institutional investor, solely as that term is used in A.R.S. §§ 6-971, 6-972, and this Article, applies only if a person claiming the exemption meets all the following criteria:

1. The claimant originates or directly or indirectly makes, negotiates, or offers to make or negotiate commercial mortgage loans that are all exclusively funded by the claimant's own resources, as defined in A.R.S. § 6-971;
2. The claimant does so in the regular course of business;
3. The claimant makes only commercial mortgage loans, as defined in A.R.S. § 6-971;
4. The claimant makes each loan on the security of commercial property, as defined in A.R.S. § 6-971; and
5. The claimant makes only loans of more than \$250,000.

B. If a claimant makes even one commercial mortgage loan that does not satisfy all the above criteria, any claim of exemption is invalid, and that person shall not engage in any lending activity before obtaining a license.

Historical Note

New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-1902. Exemption for an Entity Regulated by an Agency of this State, Other States, or by the United States

A. The exemption under A.R.S. § 6-972(9) only applies to a person whose offers to make or negotiate a "commercial mortgage loan," as that term is defined in A.R.S. § 6-971, and all commercial mortgage loans made or negotiated by the person are regulated directly by an agency of this state, any other state, or the United States.

B. The required regulation of the transactions listed in subsection (A) includes:

1. Rules governing a claimant's accounting and recordkeeping practices;
2. The authority to examine a claimant's books and records relating to its commercial mortgage lending activities;
3. The ability to place a claimant in a receivership or conservatorship with regard to the claimant's commercial mortgage lending activities.

Historical Note

Subsidiaries and service corporations of these institutions shall not be exempt and shall be subject to the provisions of this article unless preempted by federal law.

2. A person who makes a mortgage loan:

(a) With his own monies.

(b) For his own investment.

(c) Without intent to resell.

(d) And is not engaged in the business of making mortgage loans.

3. A person who funds a mortgage loan which has been originated and processed by a licensee, by a mortgage banker licensed in this state or by a person exempt under paragraph 1 of this subsection and who meets all of the following:

(a) Does not maintain a place of business in this state in connection with funding mortgage loans.

(b) Does not directly or indirectly solicit borrowers in this state for the purpose of making mortgage loans.

(c) Does not participate in the negotiation of mortgage loans.

4. A person who, as seller of real property, receives one or more mortgages or deeds of trust as security for a purchase money obligation.

5. A person who is licensed to practice law in this state, but is not actively and principally engaged in the business of negotiating mortgage loans, if this person renders services in the course of his practice as an attorney at law.

6. A person who receives a mortgage or deed of trust on real property as security for an obligation payable on an installment or deferred payment basis and arising out of materials furnished or services rendered in the improvement of that real property or any lien created without the consent of the owner of the real property.

7. A person who is licensed pursuant to article 2 or 3 of this chapter.

8. An agency of any state or of the United States.

9. A nonprofit federally tax exempt corporation certified by the United States small business administration and organized to promote economic development within this state whose primary activity consists of providing financing for business expansion.

10. An institutional investor as defined in section 6-971 unless the institutional investor makes a mortgage loan other than a commercial mortgage loan as defined in section 6-971.

B. For the purposes of:

1. Subsection A, paragraph 3 of this section, "originate" includes loans closed in a name other than that of the licensee, a mortgage banker licensed in this state or exempt person only if the person in whose name the loan is closed meets the other requirements of subsection A, paragraph 3 of this section.

2. Subsection A, paragraph 3, subdivision (c) of this section, "negotiation of mortgage loans" does not include setting the terms under which a person may buy a mortgage loan originated by a licensee or a person exempt under subsection A, paragraph 1 of this section.

6-902.01. Exemption; responsible individual; fees; revocation; rules

A. A parent company may apply for and be granted a certificate of exemption on behalf of an entity that allows a responsible individual, as prescribed in section 6-903, subsection H, to reside out of state if the responsible individual meets the following criteria:

1. Is a natural person.

2. Meets all of the requirements pursuant to this article.

3. Receives notification from the parent company that the parent company was granted a certificate of exemption by the director.

B. The parent company must apply on behalf of the entity and submit an attestation form as prescribed by the director that the parent company meets all of the following requirements:

1. Maintains a physical presence in this state.
 2. Does not have any disciplinary actions by the department.
 3. Has a class of securities registered with the United States securities and exchange commission.
- C. The applicant shall pay all applicable fees as prescribed in rule.
- D. The director may revoke the certificate if the director finds either of the following:
1. The interests of the consumer are not met.
 2. The requirements of the responsible individual prescribed by this section are not met.
- E. The duration of the certificate of exemption is continuous during the license period unless the certificate of exemption is revoked pursuant to this section.
- F. If the director denies the application for or revokes a certificate of exemption, the director shall issue an order outlining the findings of fact, conclusions of law and reasons for the denial or revocation. The applicant has a right to a hearing pursuant to title 41, chapter 6, article 10.
- G. The director may prescribe rules to carry out this section.

6-903. Licensing of mortgage brokers required; qualifications; application; bond; fees; renewal

- A. A person shall not act as a mortgage broker if the person is not licensed under this article. A person who brokers only commercial mortgage loans shall obtain either a mortgage broker license or a commercial mortgage broker license. A person who brokers residential mortgage loans shall obtain a mortgage broker license.
- B. The deputy director shall not grant a mortgage broker's license or a commercial mortgage broker's license to a person, other than a natural person, that is not registered to do business in this state on the date of granting the license.
- C. An applicant for an original mortgage broker's license shall:
1. Have not less than three years' experience as a mortgage broker or loan originator or equivalent lending experience in a related business during the five years immediately preceding the time of application.
 2. Have satisfactorily completed a course of study approved by the deputy director during the three years immediately preceding the time of application.
 3. Have passed a mortgage broker's test pursuant to section 6-908.
- D. An applicant for an original commercial mortgage broker's license shall:

1. Have not less than three years' experience in the commercial mortgage broker business or equivalent lending experience in a related business during the five years immediately preceding the time of application.

2. Have made in the past or intend to make or negotiate or offer to make or negotiate commercial mortgage loans.

3. Provide the deputy director with the following:

(a) A balance sheet prepared within the immediately preceding six months and certified by the licensee. The deputy director may require a more recent balance sheet.

(b) If the applicant has begun operations, a statement of operations and retained earnings and a statement of changes in financial position.

(c) Notes to the financial statement if applicable.

E. Notwithstanding subsection D, paragraph 3 of this section, commercial mortgage broker licensees and commercial mortgage broker license applicants whose own resources are derived exclusively from correspondent contracts with institutional investors shall provide the deputy director with a current financial statement or that of its parent company prepared according to generally accepted accounting principles, including:

1. A balance sheet prepared within the immediately preceding six months and certified by the licensee. The deputy director may require a more recent balance sheet.

2. If the applicant has begun operations, a statement of operations and retained earnings and a statement of changes in financial position.

3. Notes to the financial statement if applicable.

F. A person shall apply for a license or for a renewal of a license in writing on the forms, in the manner and accompanied by the information prescribed by the deputy director. The deputy director may require additional information on the experience, background and competency of the applicant and any responsible individual designated by the applicant. If the applicant is a person other than a natural person, the deputy director may require information as to the competency of any officer, director, shareholder or other interested party of the association, corporation or group.

G. The nonrefundable application fee and annual renewal fee are as prescribed in section 6-126. The nonrefundable application fee shall accompany each application for an original license only. The deputy director shall deposit, pursuant to sections 35-146 and 35-147, the monies in the state general fund.

H. If a licensee is a person other than a natural person, the license issued to it entitles all officers, directors, members, partners, trustees and employees of the licensed corporation, partnership,

association or trust to engage in the mortgage business if one officer, director, member, partner, employee or trustee of the person or an employee of an affiliated entity or the parent company of the licensee is designated in the license as the individual responsible for the person under this article. If a licensee is a natural person, the license entitles all employees of the licensee to engage in the mortgage business. If the natural person is not a resident of this state, an employee of the licensee shall be designated in the license as the individual responsible for the licensee under this article. For the purposes of this subsection, an employee does not include an independent contractor. The responsible individual shall be a resident of this state unless the director grants an exemption pursuant to section 6-902.01, shall be in active management of the activities of the licensee governed by this article and shall meet the qualifications set forth in subsection C or D of this section for a licensee.

I. A licensee shall notify the deputy director that its responsible individual will cease to be in active management of the activities of the licensee within ten days after learning that fact. The licensee has ninety days after the notification is received by the deputy director within which to replace the responsible individual with a qualified replacement and to so notify the deputy director. If the license is not placed under active management of a qualified responsible individual and if notice is not given to the deputy director within the ninety-day period, the license of the licensee expires.

J. Every person licensed as a mortgage broker or a commercial mortgage broker shall deposit with the deputy director, before doing business as a mortgage broker or a commercial mortgage broker, a bond executed by the licensee as principal and a surety company authorized to do business in this state as surety. The bond shall be conditioned on the faithful compliance of the licensee, including the licensee's directors, officers, members, partners, trustees and employees, with this article. The bond is payable to any person injured by the wrongful act, default, fraud or misrepresentation of the licensee or the licensee's employees and to this state for the benefit of the person injured. Only one bond is required for any person, firm, association or corporation irrespective of the number of officers, directors, members, partners or trustees who are employed by or are members of such firm, association or corporation. A suit may not be commenced on the bond after the expiration of one year following the commission of the act on which the suit is based, except that claims for fraud or mistake are limited to the limitation period provided in section 12-543, paragraph 3. If an injured person commences an action for a judgment to collect from the bond, the injured person shall notify the deputy director of the action in writing at the time of the commencement of the action and shall provide copies of all documents relating to the action to the deputy director on request.

K. The bond required by this section is \$10,000 for licensees whose investors are limited solely to institutional investors and \$15,000 for licensees whose investors include any noninstitutional investors.

L. For the purposes of subsection K of this section:

1. "Institutional investor" means a state or national bank, a state or federal savings and loan association, a state or federal savings bank, a state or federal credit union, a federal government

agency or instrumentality, a quasi-federal government agency, a financial enterprise, a licensed real estate broker or salesman, a profit sharing or pension trust or an insurance company.

2. "Investor" means any person who directly or indirectly provides to a mortgage broker funds that are, or are intended to be, used in making a loan and any person who purchases a loan or any interest in a loan from a mortgage broker or in a transaction that has been directly or indirectly arranged or negotiated by a mortgage broker.

M. Notwithstanding section 35-155, in lieu of the bond described in this section, an applicant for a license or a licensee may deposit with the deputy director a deposit in the form of cash or alternatives to cash in the same amount as the bond required under subsection J of this section. The deputy director may accept any of the following as an alternative to cash:

1. Certificates of deposits or investment certificates that are payable or assigned to the state treasurer, issued by banks or savings banks doing business in this state and fully insured by the federal deposit insurance corporation or any successor institution.

2. Certificates of deposit, investment certificates or share accounts that are payable or assigned to the state treasurer, issued by a savings and loan association doing business in this state and fully insured by the federal deposit insurance corporation or any successor institution.

3. Certificates of deposit, investment certificates or share accounts that are payable or assigned to the state treasurer, issued by a credit union doing business in this state and fully insured by the national credit union administration or any successor institution.

N. The deputy director shall deposit the cash or alternatives to cash received under this section with the state treasurer. The state treasurer shall hold the cash or alternatives to cash in the name of this state to guarantee the faithful performance of all legal obligations of the person required to post bond pursuant to this section. The person is entitled to receive any accrued interest earned from the alternatives to cash. The state treasurer may impose a fee to reimburse the state treasurer for administrative expenses. The fee shall not exceed \$10 for each cash or alternatives to cash deposit and shall be paid by the applicant or licensee. The state treasurer may prescribe rules relating to the terms and conditions of each type of security provided by this section.

O. In addition to such other terms and conditions as the deputy director prescribes by rule or order, the principal amount of the deposit shall be released only on written authorization of the deputy director or on the order of a court of competent jurisdiction. The principal amount of the deposit shall not be released before the expiration of three years from the first to occur of any of the following:

1. The date of substitution of a bond for a cash alternative.

2. The surrender of the license.

3. The revocation of the license.

4. The expiration of the license.

P. A licensee or an employee of the licensee shall not advertise for or solicit mortgage business in any manner without using the license name, or other assumed name or trade name that is submitted to the department pursuant to section 6-117, and the license number. If a license is issued in the name of a natural person, the advertising or solicitation may not imply the license is in the name of another person or entity. For the purposes of this subsection, advertise does not include business cards, radio and television advertising directed at national or regional markets and promotional items except if those items contain rates or terms on which a mortgage loan may be obtained.

Q. A licensee shall not employ any person unless the licensee:

1. Conducts a reasonable investigation of the background, honesty, truthfulness, integrity and competency of the employee before hiring.

2. Keeps a record of the investigation for not less than two years after termination.

R. A license is not transferable or assignable and control of a licensee may not be acquired through a stock purchase or other device without the prior written consent of the deputy director. Written consent shall not be given if the deputy director finds that any of the grounds for denial, revocation or suspension of a license as set forth in section 6-905 are applicable to the acquiring person. For the purposes of this subsection, "control" means the power to vote more than twenty percent of outstanding voting shares of a licensed corporation, partnership, association or trust.

S. The licensee is liable for any damage caused by any of the licensee's employees while acting as an employee of the licensee.

T. A licensee shall comply with the requirements of section 6-114 relating to balloon payments.

U. The examination and course of study requirements of this section shall be waived by the deputy director for any person applying for a license who, within the six months immediately before submitting the application, has been a licensee or a responsible person pursuant to this chapter.

V. If the applicant for renewal of a mortgage broker license is a natural person, the applicant shall have satisfactorily completed twelve continuing education units by a continuing education provider approved by the deputy director before submitting the renewal application. If the applicant is other than a natural person, the designated responsible individual shall have satisfactorily completed twelve continuing education units by a continuing education provider approved by the deputy director before submitting the renewal application. An applicant for renewal of a commercial mortgage broker license is not subject to the continuing education requirements prescribed by this article.

W. A licensee who employs a loan originator shall comply with section 6-991.03.

6-904. Issuance of license; renewal; inactive status; branch office license; application; fee

A. The deputy director, on determining that the applicant is qualified and has paid the fees, shall issue a mortgage broker's license or a commercial mortgage broker's license to the applicant which is evidenced by a continuous certificate. The deputy director shall grant or deny a license within one hundred twenty days after receipt of the completed application and fees. An applicant who has been denied a license may not reapply for such a license before one year from the date of the previous application.

B. For licenses approved on or before September 30, 2008, a licensee shall pay the renewal fee on or before September 30, 2008 and on or before December 31 for subsequent years beginning on or before December 31, 2009. Licenses not renewed by September 30, 2008 are suspended, and the licensee shall not act as a mortgage broker or a commercial mortgage broker until the license is renewed or a new license is issued pursuant to this article. A person may renew a suspended license by paying the renewal fee plus \$25 for each day after September 30, 2008 that a license renewal fee is not received by the deputy director and making application for renewal as prescribed by the deputy director. Licenses which are not renewed by October 31, 2008 expire. A license shall not be granted to the holder of an expired license except as provided in this article for the issuance of an original license.

C. For licenses approved on or before September 30, 2008, a licensee may request inactive status on or before September 30, 2008 for the following license year, and the license shall be placed on inactive status after payment to the deputy director of the inactive status renewal fee prescribed in section 6-126 and the surrender of the license to the deputy director. During inactive status, an inactive licensee is not required to maintain a bond and shall not act as a mortgage broker or a commercial mortgage broker. A licensee may not be on inactive status for more than two consecutive years, nor for more than four years in any ten-year period. The license is deemed expired on violation of any of the limitations of this subsection.

D. For licenses approved after or renewed on September 30, 2008, a licensee shall pay the renewal fee on or before December 31, 2009 and on or before December 31 of each subsequent year. Licenses not renewed by December 31 are suspended, and the licensee shall not act as a mortgage broker or a commercial mortgage broker until the license is renewed or a new license is issued pursuant to this article. A person may renew a suspended license by paying the renewal fee plus \$25 for each day after December 31 that a license renewal fee is not received by the deputy director and applying for renewal as prescribed by the deputy director. A license that is not renewed by January 31 expires. A license shall not be granted to the holder of an expired license except as provided in this article for the issuance of an original license.

E. For licenses approved after or renewed on September 30, 2008, beginning in 2009 and each subsequent year, a licensee may request inactive status for the following license year if the licensee makes the request on or before December 31. The license shall be placed on inactive status after the licensee pays to the deputy director the inactive status renewal fee prescribed in section 6-126 and surrenders the license to the deputy director. During inactive status, an inactive licensee is not required to maintain a bond and shall not act as a mortgage broker or a commercial mortgage broker. A licensee may not be on inactive status for more than two

consecutive years or for more than four years in any ten-year period. The license expires on violation of this subsection.

F. An inactive licensee may return to active status notwithstanding the requirements of section 6-903, subsections C and D by making a written request to the deputy director for reactivation and paying the prorated portion of the annual assessment that would have been charged to the licensee. The licensee shall also provide the deputy director with proof that the licensee meets all of the other requirements for acting as a mortgage broker or a commercial mortgage broker, including required bond coverage or the deposit of a cash alternative.

G. A licensee shall prominently display the mortgage broker license or commercial mortgage broker license in the office of the mortgage broker or commercial mortgage broker.

H. Every licensed mortgage broker and licensed commercial mortgage broker shall designate and maintain a principal place of business in this state for the transaction of business. The license shall specify the address of the licensee's principal place of business. If a licensee wishes to maintain one or more locations in addition to a principal place of business, the licensee shall first obtain a branch office license from the deputy director and designate a person for each branch office to oversee the operations of that office. The licensee shall submit a fee as set forth in section 6-126 for each branch office license. If the deputy director determines that the applicant is qualified, the deputy director shall issue a branch office license indicating the address of the branch office. The licensee shall conspicuously display the branch office license in the branch office. If the address of the principal place of business or of any branch office is changed, the licensee shall immediately notify the deputy director of the change and the deputy director shall endorse the change of address on the license for a fee as prescribed in section 6-126.

6-906. Required accounting practices and records; escrow of monies; disclosure

A. Every mortgage broker shall keep and maintain at all times correct and complete records as prescribed by the deputy director that will enable the deputy director to determine whether the licensee is conducting the licensee's business in accordance with this article. A mortgage broker shall make records available to the deputy director in this state not more than three business days after demand and provide for the acceptance of collect calls or provide a toll-free telephone number to borrowers to obtain information from the records if the licensed place of business in this state cannot readily provide the information requested by the borrowers. Every mortgage broker shall maintain original documents or clearly legible copies of all mortgage loan transactions for not less than five years after the date of the mortgage loan closing.

B. Every mortgage broker shall observe generally accepted accounting principles and practices.

C. A mortgage broker shall immediately deposit all monies received by the mortgage broker in an escrow account with an escrow agent licensed pursuant to chapter 7 of this title. Withdrawals shall only be disbursed according to the terms of the escrow instructions. The escrow agent shall not be the mortgage broker. A mortgage broker, however, may accept an appraisal fee, which the mortgage broker shall only use to obtain an appraisal, a credit investigation fee and a fee in connection with an application for a mortgage loan. The mortgage broker shall not commingle

the appraisal fee or credit investigation fee with other monies of the mortgage broker. A mortgage broker shall not accept any monies or documents in connection with an application for a mortgage loan in an amount of \$200,000 or less, except as provided in this section and pursuant to a written agreement. The parties shall sign the written agreement and the agreement shall contain terms pertaining to the disposition of the monies and documents, whether the loan is finally consummated or not, the term for which the agreement is to remain in force before return of the monies and documents for nonperformance can be required and an itemized list of all estimated costs to the borrower of obtaining the mortgage loan, including all costs charged by third parties. The licensee shall preserve all agreements between the parties involved in the transaction and all contracts, agreements and escrow instructions to or with the depository. All documents provided by the borrower or at the expense of the borrower to the mortgage broker, including any appraisals, are the property of the borrower and, at the borrower's request, shall be returned to the borrower or transferred to any person designated by the borrower without further expense to the borrower if the loan is not consummated, provided that any such document is not prohibited by law from being transferred or returned.

D. Before a mortgage loan closing on residential real property designed principally for the occupancy of from one to four families, a licensee shall fully comply, to the extent applicable, with the real estate lending disclosure requirements of title I of the consumer credit protection act (15 United States Code sections 1601 through 1666j), the real estate settlement procedures act (12 United States Code sections 2601 through 2617) and the regulations promulgated under those acts.

6-907. Required disclosure to investors

A. Before payment of any money by an investor in connection with a mortgage loan, a licensee shall provide to an investor that is not a financial institution, state or national bank, state or federal savings and loan association, state or federal savings bank, state or federal credit union, financial enterprise, licensed real estate broker or salesman, profit sharing or pension trust or insurance company:

1. An opinion from an independent source stating the value of the property subject to the mortgage loan being made or sold. The opinion shall state the value of the property as it exists on the date of the opinion.

2. A copy of the preliminary title report that states the condition of title and discloses any encumbrances, assessments and liens of record on the property securing the mortgage loan being made or sold.

3. A disclosure statement that includes the following information:

(a) The name and address of the fee owner of the property securing the mortgage loan being made or sold.

(b) Information relative to the ability of the borrower to meet the obligations of the mortgage loan.

(c) A legal description or address of the property securing the mortgage loan being made or sold.

(d) The existence of any improvements on the property or any utilities on or adjacent to the property that will serve the property.

(e) The terms and conditions of the mortgage loan being made or sold, including the principal balance owed and the status of principal and interest payments thereon.

(f) The terms and conditions of all liens on the property securing the mortgage loan being made or sold.

(g) A statement as to whether the mortgage broker is acting as principal or agent in the transaction.

(h) Any additional information prescribed by the deputy director.

B. After using the licensee's best efforts to verify all of the information required by this section, the licensee shall sign the statement attesting to the validity of the information to the best of the licensee's knowledge and belief. The licensee shall maintain a record of acknowledgment from the lender of the receipt of this information for not less than two years from the date of the mortgage loan closing.

6-908. Testing committee; testing of applicants; approval by deputy director; definition

A. The deputy director shall establish a testing committee to create, periodically update and establish standards for passing a test for mortgage brokers. The committee shall consist of five members appointed by the deputy director once every two years. Four of the members shall be licensees appointed from nominations submitted by licensees and one of the members shall be an employee of the department. Licensees who serve as members of the committee shall serve without expense to this state. The test is subject to the approval of the deputy director.

B. Each applicant for an original license, before issuance of the license, shall personally take and pass the written test given under the supervision of the department. The test must reasonably examine the applicant's knowledge of:

1. The obligations between principal and agent, the applicable canons of business ethics, the provisions of this article and the rules adopted under this article.

2. The arithmetical computations common to mortgage brokerage.

3. The principles of real estate lending.

4. The general purposes and legal effect of mortgages, deeds of trust and security agreements.

C. The department shall administer the test to applicants for licenses not less than once every six months. The deputy director may contract for the testing of applicants. The department or the

department's contractor shall reasonably prescribe the time, place and conduct of testing and collect a fee for administration of the test to be assessed to all persons taking the test. The fee is \$50 per testing. If the deputy director contracts for the testing of applicants, the testing fee owed pursuant to this section is payable by the applicant directly to the contractor. The deputy director may allow a contractor to charge a reasonable testing fee that is more than the fee prescribed in this subsection. An applicant may not take the test more than four times within a twelve-month period.

D. All tests shall be given, conducted and graded in a fair and impartial manner and without unfair discrimination between individuals tested. The committee shall inform the applicant of the result of the test within thirty days.

E. For testing purposes, the department shall prepare a handbook for mortgage brokers and distribute it to all applicants for a fee of not to exceed the actual cost of producing and distributing the handbook.

F. For the purposes of this section "applicant" means a person who has submitted a completed application in the form prescribed by law, accompanied by a letter of inquiry to a surety company authorized to do business in this state regarding the procurement of a bond pursuant to section 6-903, to be issued on completion of all requirements for the granting of a license.

6-909. Prohibited acts

A. Except for employment verifications, verifications of mortgages and loans, and deposit or account verifications, a person, in connection with or incidental to the making of any mortgage loan, shall not induce, require or permit any document to be signed by a party to the transaction if such document contains any blank spaces to be filled in after it has been signed, except that the party may specifically authorize the licensee or the escrow agent handling the transaction, in writing, to complete certain blank spaces.

B. A person is not entitled to receive compensation in connection with arranging for or negotiating a mortgage loan if such person is not licensed pursuant to this article. A mortgage broker shall not pay compensation to, contract with or employ as an independent contractor a person who is acting as a mortgage broker or mortgage banker but who is not licensed under this chapter.

C. A person engaged in the mortgage business shall not knowingly advertise, display, distribute, broadcast or televise, or cause or permit to be advertised, displayed, distributed, broadcast or televised, in any manner whatever, any false, misleading or deceptive statement or representation with regard to the rates, terms or conditions for a mortgage loan. The charges or rates of charge, if stated, shall be set forth in such manner as to prevent misunderstanding by prospective borrowers.

D. A mortgage broker shall not request or require a person seeking a mortgage loan on real property designed principally for the occupancy of from one to four families in an amount of two

hundred thousand dollars or less to enter into an agreement that prohibits the person from seeking the loan from another source.

E. A mortgage broker, except in good faith, shall not delay or cause delay in the closing of a loan that results in increased costs to a borrower.

F. A mortgage broker shall not record or cause to be recorded any document that would give rise to liability under section 33-420.

G. A mortgage broker shall not, for compensation, either directly or indirectly make or negotiate or offer to make or negotiate a loan that is either:

1. Less than five thousand dollars.

2. Not secured by a mortgage or deed of trust or other lien interest in real property.

H. A person who is employed by a licensee to act in the capacity of a mortgage broker shall not be concurrently employed by any other licensee to act as a mortgage broker, except with the prior written approval of all the concurrently employing licensees.

I. A mortgage broker shall not collect compensation for rendering services as a real estate broker or real estate salesman unless both of the following apply:

1. The mortgage broker is licensed pursuant to title 32, chapter 20.

2. The mortgage broker has disclosed to the person from whom the compensation is collected that the mortgage broker is receiving compensation both for mortgage broker services, if applicable, and for real estate broker or real estate salesman services.

J. A licensee shall not accept any assignment of the borrower's wages or salary in connection with activities governed by this article.

K. A mortgage broker shall not receive or disburse monies in servicing or arranging a mortgage loan except as provided in section 6-906, subsection C.

L. A mortgage broker shall not make a false promise or misrepresentation or conceal an essential or material fact in the course of the mortgage broker business.

M. A mortgage broker shall not fail to truthfully account for the monies belonging to a party to a mortgage loan transaction or fail to disburse monies in accordance with his agreements.

N. A mortgage broker shall not engage in illegal or improper business practices.

O. A mortgage broker shall not record a mortgage or deed of trust if monies are not available for the immediate disbursement to the mortgagor unless, before that recording, the mortgage broker

informs the mortgagor in writing of a definite date by which payment shall be made and obtains the mortgagor's written permission for the delay.

P. A mortgage broker shall not require a person seeking a loan secured by real property to obtain property insurance coverage in an amount that exceeds the replacement cost of the improvements as established by the property insurer.

Q. A mortgage broker must reasonably supervise the activities of a loan originator who is licensed pursuant to article 4 of this chapter and who is employed by the mortgage broker.

6-912. Certificate of exemption

A. A person who is exempt from licensure pursuant to this article and articles 2 and 3 of this chapter as a federally chartered savings bank that is registered with the nationwide mortgage licensing system and registry may file a written application with the department for a certificate of exemption for the following purposes:

1. Registering with the department except that the registration shall not affect the exempt status of the applicant.
2. Sponsoring one or more mortgage loan originators.
3. Fulfilling any reporting requirements.
4. Reasonably supervising the activities of a mortgage loan originator who is licensed pursuant to article 4 of this chapter and who is employed by or under exclusive contract with the applicant.

B. A person shall apply for a certificate of exemption or renewal of a certificate of exemption in writing on the forms, in the manner and accompanied by the information prescribed by the deputy director. The deputy director may require additional information on the experience, background and competency of the applicant and the responsible individual designated by the applicant.

C. The department may charge a fee for processing the original or renewal application for a certificate of exemption and for other costs incurred by the department.

D. An exempt person shall notify the deputy director that the person has designated a responsible individual to actively manage the activities of the mortgage loan originator licensees. The responsible individual may be located in this state or in the state where the primary business of the bank is conducted and shall have at least three years of experience in the business of making mortgage loans or equivalent experience in a related business. The responsible individual may supervise one or more licensed mortgage loan originators in this state.

E. Within ten days after learning that a responsible individual will cease managing the licensees' activities, an exempt person must notify the deputy director. Within ninety days after the notification is received by the deputy director, the exempt person must replace the responsible

individual with a person who meets the qualifications prescribed by subsection D of this section and must notify the deputy director of the replacement. A certificate of exemption expires if either of the following occurs:

1. The exempt person is not placed under active management of a qualified responsible individual.
2. The exempt person does not provide notice of replacement of the responsible individual to the deputy director as prescribed by this section.

F. After reviewing the application for a certificate of exemption and after verifying the submitted information, the department shall issue the certificate of exemption.

G. An exempt person who sponsors a loan originator on an exclusive contract shall comply with section 6-991.03.

H. The deputy director may deny a certificate of exemption to a person or suspend or revoke a certificate of exemption if the deputy director finds that an applicant or certificate holder has done any of the following:

1. Violated any applicable law, rule or order.
2. Refused or failed to furnish, within a reasonable time, any information or make any report that may be required by the deputy director.
3. Had a final judgment entered against the applicant or certificate holder in a civil action on grounds of fraud, deceit or misrepresentation and the conduct on which the judgment is based indicates that it would be contrary to the interest of the public to allow the applicant or certificate holder to manage a loan originator.
4. Had an order entered against the applicant or certificate holder involving fraud, deceit or misrepresentation by an administrative agency of this state, the federal government or any other state or territory of the United States and the facts relating to the order indicate that it would be contrary to the interest of the public to allow the applicant or certificate holder to manage a loan originator.
5. Made a material misstatement or suppressed or withheld information on the application for a certificate of exemption or any document required to be filed with the deputy director.

I. If a person to whom a certificate of exemption is issued or who has applied for a certificate of exemption under this article is indicted or informed against for forgery, embezzlement, obtaining money under false pretenses, extortion, criminal conspiracy to defraud or a like offense, and a certified copy of the indictment or information or other proper evidence of the indictment or information is filed with the deputy director, the deputy director may suspend the certificate of exemption issued to the exempt person or refuse to grant a certificate of exemption to an applicant pending trial on the indictment or information.

J. Every person to whom a certification of exemption is issued pursuant to this section shall deposit with the deputy director, before doing business as a registered exempt person, a bond executed by the registered exempt person as principal and a surety company authorized to do business in this state as surety. The bond shall be conditioned on the faithful compliance of the registered exempt person, including the registered exempt person's directors, officers, members, partners, trustees and employees, with this article. The bond is payable to any person injured by the wrongful act, default, fraud or misrepresentation of the registered exempt person, or the registered exempt person's directors, officers, members, partners, trustees and employees and to this state for the benefit of the person injured. Only one bond is required for any person, firm, association or corporation irrespective of the number of officers, directors, members, partners or trustees who are employed by or are members of such firm, association or corporation. A suit may not be commenced on the bond after the expiration of one year following the commission of the act on which the suit is based, except that claims for fraud or mistake are limited to the limitation provided in section 12-543, paragraph 3. If an injured person commences an action for a judgment to collect from the bond, the injured person shall notify the deputy director of the action in writing at the time of the commencement of the action and shall provide copies of all documents relating to the action to the deputy director on request. The bond required by this section is \$200,000.

6-913. Conversion to commercial mortgage broker license

Notwithstanding section 6-903, a person who holds a mortgage broker license may convert it to a commercial mortgage broker license by applying in a manner prescribed by the deputy director by rule. The approval of the conversion is at the discretion of the deputy director.

GOVERNOR'S REGULATORY REVIEW COUNCIL

ATTORNEY MEMORANDUM - REGULAR RULEMAKING

MEETING DATE: May 6, 2025

TO: Members of the Governor's Regulatory Review Council (Council)

FROM: Council Staff

DATE: April 22, 2025

SUBJECT: DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS
Title 20, Chapter 4

Amend: R20-4-1301, R20-4-1302, R20-4-1303, R20-4-1304, R20-4-1305

Summary:

This regular rulemaking from the Department of Insurance and Financial Institutions (Department) seeks to amend five (5) rules in Title 20, Chapter 4, Article 13 regarding Loan Originators. The amendments are intended to improve clarity and effectiveness of the rules by amending statutory references and replacing the term Superintendent with Director to comply with statutory changes as a result of the combination of the Department of Insurance and the Department of Financial Institutions in 2020.

1. **Are the rules legal, consistent with legislative intent, and within the agency's statutory authority?**

The Department cites both general and specific statutory authority for these rules.

2. **Do the rules establish a new fee or contain a fee increase?**

This rulemaking does not establish a new fee or contain a fee increase..

3. **Does the preamble disclose a reference to any study relevant to the rules that the agency reviewed and either did or did not rely upon?**

The Department indicates it did not review any study relevant to this rulemaking.

4. **Summary of the agency's economic impact analysis:**

The Department indicates the rulemaking is not designed to change any conduct. Instead, it is necessary to reflect the new structure of the Department, to modernize and clarify some of the Sections, and correct some statutory references. The Department states that the compliance costs incurred by Loan Originators are minimal and are not expected to impact revenue or payroll expenditures. The Department says the rules augment the statutory sections regulating licensees of the Department with a Loan Originator license pursuant to A.R.S. §§ 6-991 through 6-991.22.

5. **Has the agency analyzed the costs and benefits of the rulemaking and determined that the rules impose the least burden and costs to those who are regulated?**

The Department believes that the current rulemaking offers the least intrusive and least costly alternative method to achieve the purpose of the proposed rulemaking which is to update the rules governing Loan Originators.

6. **What are the economic impacts on stakeholders?**

The Department does not anticipate any costs or benefits in implementing and enforcing the proposed rulemaking. In addition, no political subdivisions of this state are directly affected by the implementation and enforcement of the proposed rulemaking.

The Department states that no additional costs are anticipated to be imposed on Loan Originators. The Department is not proposing any new fees. The Department does not anticipate any impact on the private employment of licensees. Likewise, the Department does not anticipate any impact on public employment in the Department.

The Department does not expect any appreciable increase in either costs or benefits to private persons and consumers created by this rulemaking. The Department indicates that the costs and benefits to private persons and consumers are expected to be the same as those identified during the original adoptions of these rules.

7. **Are the final rules a substantial change, considered as a whole, from the proposed rules and any supplemental proposals?**

The Department indicates that there were no changes between the proposed rules and the rules before the Council.

8. Does the agency adequately address the comments on the proposed rules and any supplemental proposals?

The Department indicates it did not receive any public comments regarding this rulemaking

9. Do the rules require a permit or license and, if so, does the agency comply with A.R.S. § 41-1037?

The Department indicates that the rules do not require a permit or a license. The Department does note that Loan Originators do require a license under the requirements in A.R.S. § 6-991.03.

10. Are the rules more stringent than corresponding federal law and, if so, is there statutory authority to exceed the requirements of federal law?

The Department indicates there are some corresponding federal law concerning mortgage brokers but that the rules are not more stringent than those corresponding federal laws.

- For R20-4-1302 (Course of Study to Qualify for Licensure)
 - For Subsections (A) and (B)(2): The Secure and Fair Enforcement for Mortgage Licensing Act of 2008 (12 U.S.C. §§ 5101 through 5117);
- For Subsections (C)(1) and (D)(1):
 - Federal law and regulation, including the Real Estate Settlement Procedures Act (“RESPA”), the Truth in Lending Act (“TILA”), federal

11. Conclusion

This regular rulemaking from the Department of Insurance and Financial Institutions (Department) seeks to amend five (5) rules in Title 20, Chapter 4, Article 13 regarding Loan Originators. The amendments are intended to improve clarity and effectiveness of the rules by amending statutory references and replacing the term Superintendent with Director to comply with statutory changes as a result of the combination of the Department of Insurance and the Department of Financial Institutions in 2020.

The Department is seeking the standard 60-day delayed effective date pursuant to A.R.S. § 41-1032(A).

Council staff recommends approval of this rulemaking.

RE: Arizona Department of Insurance and Financial Institutions
Financial Institutions Division
Article 13 Notice of Final Rulemaking

Dear Chairperson Klein:

Please find enclosed the Notice of Final Rulemaking for Article 13 (Loan Originators) being submitted by the Arizona Department of Insurance and Financial Institutions, Financial Institutions Division ("Department").

Pursuant to A.A.C. R1-6-201(A)(1), the Department responds as follows:

- a. The close of record date for the Notice of Proposed Rulemaking was January 19, 2025.
- b. This rulemaking does not relate to a Five-Year Review Report.
- c. The rulemaking does not establish a new fee.
- d. The rulemaking does not contain a fee increase.
- e. The rulemaking does not request an immediate effective date under A.R.S. § 41-1032.
- f. The Department certifies that the preamble discloses a reference to any study relevant to the rule that it reviewed and either did or did not rely on in its evaluation of or justification for the rulemaking. The Department did not review or rely on any study relevant to the rulemaking.
- g. No additional full-time employees are necessary to implement and enforce the rules. Consequently, no notification has been made to the Joint Legislative Budget Committee.
- h. The following documents are also submitted to the Council with this cover letter:
 - i. The Notice of Final Rulemaking;
 - ii. An economic, small business, and consumer impact statement that contains the information required by A.R.S. § 41-1055;

Arizona Department of Insurance and Financial Institutions

- iii. The general and specific statutes authorizing the rulemaking; and
- iv. Permission from the Governor's Office to submit this Notice of Final Rulemaking required by A.R.S. § 41-1039(B).

By this submission, the Department is requesting approval of this rulemaking from the Council.

For questions about this rulemaking, please contact Mary Kosinski at (602) 364-3476 or mary.kosinski@difi.az.gov.

7. An agency's justification and reason why a rule should be made, amended, repealed or renumbered, to include an explanation about the rulemaking:

The Arizona Department of Insurance and Financial Institutions – Financial Institutions Division (“Department”) is proposing changes to A.A.C. Title 20, Chapter 4, Article 13 – Loan

Originators. The changes the Department is proposing will reflect the structural change to the former Department of Financial Institutions which merged with the Department of Insurance to form the Department of Insurance and Financial Institutions (the “new agency”), on July 1, 2020. The former Department of Financial Institutions became a division of the new agency. As a result of the merger, the new agency made statutory changes to eliminate the position of Superintendent. Instead, the Director of the new agency assumed those duties. This structural change necessitated replacing references to “Superintendent” with “Director” throughout the Article.

When reviewing the rules in the Article, the Department also endeavored to modernize the current rules since the most recent rulemaking for Article 13 was in 2011. The Department is also correcting Federal statutory cites. This rulemaking does not relate to a Five-Year Review Report.

The rules augment the correlating statutory sections regulating these entities found at Title 6, A.R.S. §§ 6-991 through 6-991.22.

This rulemaking amends Article 13 (Loan Originators) as follows:

- R20-4-1301 (Scope of Article) will be amended to add clarifying language.
- R20-4-1302 (Course of Study to Qualify for Licensure) will be amended to correct statutory references, to replace “Superintendent” with “Director,” and to remove unnecessary capitalization.
- R20-4-1303 (Financial Responsibility) will be amended to replace “Superintendent” with “Director,” and to update statutory references.
- R20-4-1304 (Fees) will be amended to correct statutory references and to add clarifying language.
- R20-4-1305 (Practice and Procedure) will be amended to replace “Superintendent” with “Director.”

8. A reference to any study relevant to the rule that the agency reviewed and either relied on or did not rely on in its evaluation of or justification for the rule, where the public may obtain or review each study, all data underlying each study, and any analysis of each study and other supporting material:

Not applicable

9. A showing of good cause why the rulemaking is necessary to promote a statewide interest if the rulemaking will diminish a previous grant of authority of a political subdivision of this state:

Not applicable

10. A summary of the economic, small business, and consumer impact:

Pursuant to A.R.S. § 41-1055(A)(1):

The rulemaking is not designed to change any conduct. Instead, it is necessary to reflect the new structure of the Department, to modernize and clarify some of the Sections, and to correct some statutory references.

Pursuant to A.R.S. § 41-1055(A)(2):

The compliance costs incurred by Loan Originators are minimal and not expected to impact revenues or payroll expenditures.

Pursuant to A.R.S. § 41-1055(A)(3):

An economic, small business and consumer impact summary accompanies the submission of the Final Rulemaking to the Governor's Regulatory Review Council.

11. A description of any changes between the proposed rulemaking, to include supplemental notices, and the final rulemaking:

The Department has made a change to R20-4-1304(1) to correct the statutory reference from A.R.S. § 6-126(3), which was incorrect in the Notice of Proposed Rulemaking, to A.R.S. § 6-126(26).

The Department has made a change to R20-4-1304(3) to correct the statutory reference in the original code subsection from A.R.S. § 6-126(C)(12), which does not exist in the statute, to A.R.S. § 6-126(D)(10).

The Department has made a change to R20-4-1304(4) to correct the statutory reference in the original code subsection from A.R.S. § 6-126(A)(34), which does not exist in the statute, to A.R.S. § 6-126(A)(27).

The Department does not consider these substantive changes within the meaning of A.R.S. § 41-1025(B) because 1) persons affected by the rule would have understood the reference to the fee statute (A.R.S. § 6-126); 2) the subject matter is the same (a fee); and 3) the effects should be

minimal because the fee statute was cited correctly, only the subsection was cited incorrectly.

12. An agency's summary of the public or stakeholder comments made about the rulemaking and the agency response to the comments:

Not applicable

13. All agencies shall list other matters prescribed by statute applicable to the specific agency or to any specific rule or class of rules. Additionally, an agency subject to Council review under A.R.S. §§ 41-1052 and 41-1055 shall respond to the following questions:

Not applicable

a. Whether the rule requires a permit, whether a general permit is used and if not, the reasons why a general permit is not used:

The rules do not require a permit and do not use a general permit. A.R.S. § 6-991.03 requires a Loan Originator to obtain a traditional license before engaging in the business of a Loan Originator.

b. Whether a federal law is applicable to the subject of the rule, whether the rule is more stringent than federal law and if so, citation to the statutory authority to exceed the requirements of federal law:

A number of federal laws are applicable to the subject of the rules.

For Article 13. Loan Originators, the following federal laws are applicable:

R20-4-1302. Course of Study to Qualify for Licensure (the rule is not more stringent than the federal laws)

Subsections (A) and (B)(2): The Secure and Fair Enforcement for Mortgage Licensing Act of 2008 (12 U.S.C. §§ 5101 through 5117);

Subsections (C)(1) and (D)(1): Federal law and regulation, including the Real Estate Settlement Procedures Act ("RESPA"), the Truth in Lending Act ("TILA"), federal privacy laws, fair lending laws including the Equal Credit Opportunity Act ("ECOA") and the Fair Credit Reporting Act ("FCRA").

c. Whether a person submitted an analysis to the agency that compares the rule's impact of the competitiveness of business in this state to the impact on business in other states:

Not applicable

14. A list of any incorporated by reference material as specified in A.R.S. § 41-1028 and its location in the rules:

Not applicable

15. Whether the rule was previously made, amended or repealed as an emergency rule. If so, cite the notice published in the Register as specified in R1-1-409(A). Also, the agency shall state where the text was changed between the emergency and the final rulemaking packages:

The Department previously adopted Article 13 as an emergency rule, effective April 27, 2010 (16 A.A.R. 839, May 21, 2010). The Department renewed Article 13 as an emergency rule, effective October 24, 2010 (16 A.A.R. 2165, November 12, 2010). The emergency rule expired on April 21, 2011.

The Department adopted the current Article 13 effective April 22, 2011 (16 A.A.R. 2401, December 10, 2010).

A.R.S. § 41-1055(B) Economic, Small Business, And Consumer Impact Statement
Title 20. Commerce, Financial Institutions, and Insurance
Chapter 4. Department of Insurance and Financial Institutions –
Financial Institutions

A.R.S. § 41-1055(B)(1): An identification of the proposed rulemaking.

The Arizona Department of Insurance and Financial Institutions – Financial Institutions Division (“Department”) is proposing changes to A.A.C. Title 20, Chapter 4, Article 13 – Loan Originators. The changes the Department is proposing will reflect the structural change to the former Department of Financial Institutions which merged with the Department of Insurance to form the Department of Insurance and Financial Institutions (the “new agency”), on July 1, 2020. The former Department of Financial Institutions became a division of the new agency.

As a result of the merger, the new agency made statutory changes to eliminate the position of Superintendent. Instead, the Director of the new agency assumed those duties. This structural change necessitated replacing references to “Superintendent” with “Director” throughout the Article.

When reviewing the rules in the Article, the Department also endeavored to modernize the current rules since the most recent rulemaking for Article 13 was in 2011. The Department is also correcting Federal statutory cites.

The rules augment the correlating statutory sections regulating these entities found at Title 6, A.R.S. §§ 6-991 through 6-991.22.

This rulemaking amends Article 13 (Loan Originators) as follows:

- R20-4-1301 (Scope of Article) will be amended to add clarifying language.
- R20-4-1302 (Course of Study to Qualify for Licensure) will be amended to correct statutory references, to replace “Superintendent” with “Director,” and to remove unnecessary capitalization.
- R20-4-1303 (Financial Responsibility) will be amended to replace “Superintendent” with “Director,” and to update statutory references.
- R20-4-1304 (Fees) will be amended to correct statutory references and to add clarifying language.

- R20-4-1305 (Practice and Procedure) will be amended to replace “Superintendent” with “Director.”

This rulemaking does not relate to a Five-Year Review Report.

Questions about this Economic Impact Statement may be directed to: Mary E. Kosinski (mary.kosinski@difi.az.gov).

A.R.S. § 41-1055(B)(2): An identification of the persons who will be directly affected by, bear the costs of or directly benefit from the proposed rulemaking.

The rules augment the statutory sections regulating licensees of the Department with a Loan Originator license pursuant to A.R.S. §§ 6-991 through 6-991.22.

A.R.S. § 41-1055(B)(3): A cost benefit analysis of the following:

- (a) The probable costs and benefits to the implementing agency and other agencies directly affected by the implementation and enforcement of the proposed rulemaking. The probable costs to the implementing agency shall include the number of new full-time employees necessary to implement and enforce the proposed rule. The preparer of the economic, small business and consumer impact statement shall notify the joint legislative budget committee of the number of new full-time employees necessary to implement and enforce the rule before the rule is approved by the council.**

The Department does not anticipate any costs or benefits in implementing and enforcing the proposed rulemaking. No new full-time employees will be necessary to implement and enforce the proposed rule changes.

- (b) The probable costs and benefits to a political subdivision of this state directly affected by the implementation and enforcement of the proposed rulemaking.**

No political subdivision of this state is directly affected by the implementation and enforcement of the proposed rulemaking.

- (c) The probable costs and benefits to businesses directly affected by the proposed rulemaking, including any anticipated effect on the revenues or**

payroll expenditures of employers who are subject to the proposed rulemaking.

No additional costs are anticipated to be imposed upon Loan Originators. The Department is not proposing any new fees.

A.R.S. § 41-1055(B)(4): A general description of the probable impact on private and public employment in businesses, agencies and political subdivisions of this state directly affected by the proposed rulemaking.

The Department does not anticipate any impact on the private employment of licensees. Likewise, the Department does not anticipate any impact on public employment in the Department.

A.R.S. § 41-1055(B)(5): A statement of the probable impact of the proposed rulemaking on small businesses. The statement shall include:

(a) An identification of the small businesses subject to the proposed rulemaking.

Many of the Loan Originators regulated by the Department would qualify as small businesses within the meaning of A.R.S. § 41-1001(23). However, the Department does not track the number of employees or annual receipts of a loan originator and cannot identify loan originators that qualify as small businesses.

(b) The administrative and other costs required for compliance with the proposed rulemaking.

The Department did not receive any information from licensees on administrative or other costs required for compliance with the proposed rulemaking. The Department does not anticipate that any costs will be required for compliance with the proposed rulemaking. No new fees have been added to Article 13 and no additional reporting or other duties have been imposed on loan originators by the rulemaking.

(c) A description of the methods prescribed in section 41-1035 that the agency may use to reduce the impact on small businesses, with reasons for the agency's decision to use or not to use each method.

The Department does not believe that any of the methods listed at A.R.S. § 41-1035 are useful to reduce the impact of the rulemaking on small businesses.

(d) The probable cost and benefit to private persons and consumers who are directly affected by the proposed rulemaking.

The Department does not expect any appreciable increase in either costs or benefits to private persons and consumers created by this rulemaking. The costs and benefits to private persons and consumers are expected to be the same as those identified during the original adoption of these rules.

A.R.S. § 41-1055(B)(6): A statement of the probable effect on state revenues.

No impact on state revenues is anticipated.

A.R.S. § 41-1055(B)(7): A description of any less intrusive or less costly alternative methods of achieving the purpose of the proposed rulemaking, including the monetizing of the costs and benefits for each option and providing the rationale for not using nonselected alternatives.

The Department believes that the current rulemaking offers the least intrusive and least costly alternative method to achieve the purpose of the proposed rulemaking which is to update the rules governing Loan Originators.

A.R.S. § 41-1055(B)(8): A description of any data on which a rule is based with a detailed explanation of how the data was obtained and why the data is acceptable data. An agency advocating that any data is acceptable data has the burden of proving that the data is acceptable. For the purposes of this paragraph, "acceptable data" means empirical, replicable and testable data as evidenced in supporting documentation, statistics, reports, studies or research.

The rule is not based on any data.

PREFACE

Under Arizona law, the Department of State, Office of the Secretary of State (Office), Administrative Rules Division, accepts state agency rule notice and other legal filings and is the publisher of Arizona rules. The Office of the Secretary of State does not interpret or enforce rules in the *Administrative Code*. Questions about rules should be directed to the state agency responsible for the promulgation of the rule.

Scott Cancelosi, Director
ADMINISTRATIVE RULES DIVISION

RULES

The definition for a rule is provided for under A.R.S. § 41-1001. “Rule’ means an agency statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedures or practice requirements of an agency.”

THE ADMINISTRATIVE CODE

The *Arizona Administrative Code* is where the official rules of the state of Arizona are published. The *Code* is the official codification of rules that govern state agencies, boards, and commissions.

The *Code* is separated by subject into Titles. Titles are divided into Chapters. A Chapter includes state agency rules. Rules in Chapters are divided into Articles, then Sections. The “R” stands for “rule” with a sequential numbering and lettering outline separated into subsections.

Rules are codified quarterly in the *Code*. Supplement release dates are printed on the footers of each Chapter.

First Quarter: January 1 - March 31
Second Quarter: April 1 - June 30
Third Quarter: July 1 - September 30
Fourth Quarter: October 1 - December 31

For example, the first supplement for the first quarter of 2022 is cited as Supp. 22-1. Supplements are traditionally released three to four weeks after the end of the quarter because filings are accepted until the last day of the quarter.

Please note: The Office publishes by Chapter, not by individual rule Section. Therefore there might be only a few Sections codified in each Chapter released in a supplement. This is why the Office lists only updated codified Sections on the previous page.

RULE HISTORY

Refer to the HISTORICAL NOTE at the end of each Section for the effective date of a rule. The note also includes the *Register* volume and page number in which the notice was published (A.A.R.) and beginning in supplement 21-4, the date the notice was published in the *Register*.

AUTHENTICATION OF PDF CODE CHAPTERS

The Office began to authenticate Chapters of the *Code* in Supp. 18-1 to comply with A.R.S. §§ 41-1012(B) and A.R.S. § 41-5505.

A certification verifies the authenticity of each *Code* Chapter posted as it is released by the Office of the Secretary of State. The authenticated pdf of the *Code* includes an integrity mark with a certificate ID. Users should check the validity of the signature, especially if the pdf has been downloaded. If the digital signature is invalid it means the document’s content has been compromised.

HOW TO USE THE CODE

Rules may be in effect before a supplement is released by the Office. Therefore, the user should refer to issues of the *Arizona Administrative Register* for recent updates to rule Sections.

ARIZONA REVISED STATUTE REFERENCES

The Arizona Revised Statutes (A.R.S.) are available online at the Legislature’s website, www.azleg.gov. An agency’s authority note to make rules is often included at the beginning of a Chapter. Other Arizona statutes may be referenced in rule under the A.R.S. acronym.

SESSION LAW REFERENCES

Arizona Session Law references in a Chapter can be found at the Secretary of State’s website, www.azsos.gov under Services-> Legislative Filings.

EXEMPTIONS FROM THE APA

It is not uncommon for an agency to be exempt from the steps outlined in the rulemaking process as specified in the Arizona Administrative Procedures Act, also known as the APA (Arizona Revised Statutes, Title 41, Chapter 6, Articles 1 through 10). Other agencies may be given an exemption to certain provisions of the Act.

An agency’s exemption is written in law by the Arizona State Legislature or under a referendum or initiative passed into law by Arizona voters.

When an agency files an exempt rulemaking package with our Office it specifies the law exemption in what is called the preamble of rulemaking. The preamble is published in the *Register* online at www.azsos.gov/rules, click on the *Administrative Register* link.

Editor’s notes at the beginning of a Chapter provide information about rulemaking Sections made by exempt rulemaking. Exempt rulemaking notes are also included in the historical note at the end of a rulemaking Section.

The Office makes a distinction to certain exemptions because some rules are made without receiving input from stakeholders or the public. Other exemptions may require an agency to propose exempt rules at a public hearing.

PERSONAL USE/COMMERCIAL USE

This Chapter is posted as a public courtesy online, and is for private use only. Those who wish to use the contents for resale or profit should contact the Office about Commercial Use fees. For information on commercial use fees review A.R.S. § 39-121.03 and 1 A.A.C. 1, R1-1-113.

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

Authority: A.R.S. § 20-124

Supp. 24-1

Editor's Note: The name of the Arizona Department of Financial Institutions was changed to the Department of Insurance and Financial Institutions under Laws 2019, Ch. 252, effective July 1, 2020 (Supp. 22-2).

Editor's Note: The Banking Department's name was changed to the Arizona Department of Financial Institutions under the authority of A.R.S. § 6-110, originally enacted as Laws 2004, Ch. 188, effective January 1, 2006 (Supp. 06-1).

Editor's Note: Title 20, formerly Commerce, Banking, and Insurance, is now Commerce, Financial Institutions, and Insurance. This change became effective when the Banking Department changed its name to the Department of Financial Institutions, effective January 1, 2006 (Supp. 06-1).

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

ARTICLE 1. GENERAL**R20-4-101. Scope of Article**

The rules in this Article apply to all activities of the Superintendent and to the interpretation of all Arizona statutes and rules administered by the Superintendent.

Historical Note

Former Rule 1. Former R4-4-101 repealed, new R4-4-101 adopted effective August 16, 1991 (Supp. 91-3).
R20-4-101 recodified from R4-4-101 (Supp. 95-1).

R20-4-102. Definitions

In this Chapter, unless otherwise specified:

1. "Active management" means directing a licensee's activities by a responsible individual, who:
 - a. Is knowledgeable about the licensee's Arizona activities;
 - b. Supervises compliance with:
 - i. The laws enforced by the Department of Financial Institutions as they relate to the licensee, and
 - ii. Other applicable laws and rules; and
 - c. Has sufficient authority to ensure compliance.
2. "Affiliate" has the meaning stated at A.R.S. § 6-901.
3. "Attorney General" means the Attorney General or an assistant Attorney General of the state of Arizona.
4. "Branch office" means any location within or outside Arizona, including a personal residence, but not including a licensee's principal place of business in Arizona, where the licensee holds out to the public that the licensee acts as a licensee.
5. "Business of a savings and loan association or savings bank" means receiving money on deposit subject to payment by check or any other form of order or request or on presentation of a certificate of deposit or other evidence of debt.
6. "Compensation" means, in applying that term's definition in A.R.S. §§ 6-901, 6-941, and 6-971, anything received in advance, after repayment, or at any time during a loan's life. This subsection expressly excludes the following items from those definitions of compensation:
 - a. Charges or fees customarily received after a loan's closing including prepayment penalties, termination fees, reinvestment fees, late fees, default interest, transfer fees, impound account interest and fees, extension fees, and modification fees. However, extension fees and modification fees are compensation if the lender advances additional funds or increases the credit limit on an open-end mortgage as part of the extension or modification;
 - b. Out-of-pocket expenses paid to independent third parties including appraisal fees, credit report fees, legal fees, document preparation fees, title insurance premiums, recording, filing, and statutory fees, collection fees, servicing fees, escrow fees, and trustee's fees;
 - c. Insurance commissions;
 - d. Contingent or additional interest, including interest based on net operating income; or
 - e. Equity participation.
7. "Commercial finance transaction," as that term is used in this Section's definitions of the terms "Engaged in the business of making mortgage loans" and "Engaged in the business of making mortgage loans or mortgage banking loans," means a loan made primarily for other than personal, family, or household purposes.
8. "Control of a licensee," as used in A.R.S. §§ 6-903, 6-944, or 6-978, does not include acquiring additional fractional equity interests in a licensee by any person who already has the power to vote 51% or more of the licensee's outstanding voting equity interests.
9. "Correspondent contract," as that term is used in A.R.S. §§ 6-941, 6-943, 6-971, or 6-973, means an agreement between a lender and a funding source under which the funding source may fund, or is required to fund, loans originated by the lender.
10. "Cushion," as that term is used in R20-4-1811 or R20-4-1908, means funds that a servicer or lender may require a borrower to pay into an escrow or impound account before the borrower's periodic payments are available in the account to cover unanticipated disbursements.
11. "Directly or indirectly makes, negotiates, or offers to make or negotiate" and "Directly or indirectly making, negotiating, or offering to make or negotiate," as those phrases are used in A.R.S. §§ 6-901, 6-941, or 6-971, mean:
 - a. Providing consulting or advisory services in connection with a mortgage loan transaction, mortgage banking loan transaction, or commercial mortgage loan transaction;
 - i. To an investor, concerning the location or identity of potential borrowers, regardless of whether the person providing consulting or advisory services directly contacts any potential borrowers; or
 - ii. To a borrower, concerning the location or identity of potential investors or lenders; or
 - b. Providing assistance in preparing an application for a mortgage loan transaction, mortgage banking loan transaction, or commercial mortgage banking loan transaction, regardless of whether the person providing assistance directly contacts any potential investor or lender; and
 - c. Processing a loan; but
 - d. "Directly or indirectly makes, negotiates, or offers to make or negotiate" and "Directly or indirectly making, negotiating, or offering to make or negotiate" do not include:
 - i. Providing clerical, mechanical, or word processing services to prepare papers or documents associated with a mortgage loan transaction, mortgage banking loan transaction, or commercial mortgage banking loan transaction;
 - ii. Purchasing, selling, negotiating to purchase or sell, or offering to purchase or sell a mortgage loan, mortgage banking loan, or commercial mortgage banking loan already funded;
 - iii. Making, negotiating, or offering to make additional advances on an existing open-ended mortgage loan, mortgage banking loan, or commercial mortgage loan including revolving credit lines;
 - iv. Modifying, renewing, or replacing a mortgage loan, a mortgage banking loan, or a commercial mortgage loan already funded, if the parties to and security for the loan are the same as the original loan immediately before the modifica-

- tion, renewal, or replacement, and if no additional funds are advanced and no increase is made in the credit limit on an open-ended loan. Replacing a loan means making a new loan simultaneously with terminating an existing loan.
12. "Electronic record" has the meaning stated at A.R.S. § 44-7002(7).
13. "Employee" means a natural person who has an employment relationship with a licensee that is acknowledged by both the person and the licensee, and:
- The person is entitled to payment, or is paid, by the licensee;
 - The licensee withholds and remits, or is liable for withholding and remitting, payroll deductions for all applicable federal and state payroll taxes;
 - The licensee has the right to hire and fire the employee and the employee's assistants;
 - The licensee directs the methods and procedures for performing the employee's job;
 - The licensee supervises the employee's business conduct and the employee's compliance with applicable laws and rules; and
 - The rights and duties under subsections (13)(a) through (e) belong to the licensee regardless of whether another person also shares those rights and duties.
14. "Engaged in the business of making mortgage loans," as that phrase is used in A.R.S. § 6-902, and "engaged in the business of making mortgage loans or mortgage banking loans," as that phrase is used in A.R.S. § 6-942, mean the direct or indirect making of a total of more than five mortgage banking loans or mortgage loans, or both in a calendar year. Each loan counts only once as of its closing date. A person is not "engaged in the business of making mortgage loans or mortgage banking loans" if the person makes loans solely in commercial finance transactions in which no more than 35% of the aggregate value of all security taken by the investor on the closing date is a lien, or liens, on real property.
15. "Exclusive contract," as that term is used in A.R.S. §§ 6-912 and 6-991.02, means a written agreement in which a loan originator agrees to perform services as a loan originator subject to supervision and control by a person holding a certificate of exemption issued under A.R.S. § 6-912 on an exclusive basis. The agreement provides that the loan originator is expressly prohibited from performing loan origination or modification services for any other person during the time the agreement is in effect.
16. "Generally accepted accounting principles" has the meaning used by the Financial Accounting Standards Board or the American Institute of Certified Public Accountants.
17. "Holds out to the public," as used in this Section's definition of "branch office," means advertising or otherwise informing the public that mortgage banking loans, commercial mortgage loans, or mortgage loans are made or negotiated at a location. "Holds out to the public" includes listing a location on business cards, stationery, brochures, rate lists, or other promotional items. "Holds out to the public" does not include a clearly identified home or mobile telephone number on a business card or stationery.
18. "Loan," as that term is used in A.R.S. §§ 6-126(C)(6) and (8), means all loans negotiated or closed, without regard to the location of the real property collateral or type of loan.
19. "Loan Processing" means obtaining a loan application's supporting documents for use in underwriting.
20. "Person" means a natural person or any legal or commercial entity including a corporation, business trust, estate, trust, partnership, limited partnership, joint venture, association, limited liability company, limited liability partnership, or limited liability limited partnership.
21. "Property insurance," as that term is used in A.R.S. §§ 6-909 and 6-947, does not include flood insurance as that term is used in the Flood Disaster Protection Act of 1973, as modified by the National Flood Insurance Reform Act of 1994. 42 U.S.C. 4001, et seq.
22. "Reasonable investigation of the background," as that term is used in A.R.S. §§ 6-903, 6-943, or 6-976 means a licensee, at a minimum:
- Collects and reviews all the documents authorized by the Immigration Reform and Control Act of 1986, 8 U.S.C. 1324a;
 - Obtains a completed Employment Eligibility Verification (Form I-9);
 - Obtains a completed and signed employment application;
 - Obtains a signed statement attesting to all of an applicant's felony convictions, including detailed information regarding each conviction;
 - Consults with the applicant's most recent or next most recent employer, if any;
 - Inquiries regarding the applicant's qualifications and competence for the position;
 - If for a loan officer, loan originator, loan processor, branch manager, supervisor, or similar position, obtains a current credit report from a credit reporting agency; and
 - Investigates further if any information received in the above inquiries raises questions as to the applicant's honesty, truthfulness, integrity, or competence. An inquiry is sufficient after two attempts to contact a person, including at least one written inquiry.
23. "Record" has the meaning stated at A.R.S. § 44-7002(13).
24. "Registered to do business in this state" means:
- If an Arizona corporation, it is incorporated under A.R.S. Title 10, Chapter 2, Article 1;
 - If a foreign corporation, it either transfers its domicile under A.R.S. Title 10, Chapter 2, Article 2, or obtains authority to transact business in Arizona under A.R.S. Title 10, Chapter 15, Article 1;
 - If a business trust, it obtains authority to transact business in Arizona under A.R.S. Title 10, Chapter 18, Article 4;
 - If an estate, it acts through a personal representative duly appointed by this state's Superior Court, under the provisions of A.R.S. Title 14, Chapter 3 or 4;
 - If a trust, it delivers to the Superintendent an executed copy of the trust instrument creating the trust together with:
 - All the current amendments, or

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

A true copy of the trust instrument certified accurate and complete by a trustee of the trust before a notary public;

- f. If a general partnership, limited partnership, limited liability company, limited liability partnership, or limited liability limited partnership, it is organized under A.R.S. Title 29;
 - g. If a foreign general partnership, limited partnership, limited liability company, limited liability partnership, or limited liability limited partnership, it is registered with the Arizona Secretary of State's office under A.R.S. Title 29;
 - h. If a joint venture, association, or any entity not specified in this subsection, it is organized and conducts its business in compliance with Arizona law; or
 - i. The entity is exempt from registration.
25. "Registered Exempt Person" means a person who is exempt from licensure pursuant to A.R.S. § 6-912 and A.R.S. Title 6, Chapter 9, Articles 1, 2 and 3 as a federally chartered savings bank that is registered with the nationwide mortgage licensing system and registry and holds a certificate of exemption.
26. "Resident of this state" means a natural person domiciled in Arizona.
27. "Responsible individual" or "responsible person", as those terms are used in A.R.S. §§ 6-903, 6-943, 6-973, and 6-976, means a resident of this state who:
- a. Lives in Arizona during the entire period of designation as the responsible individual on a license;
 - b. Is in active management of a licensee's affairs;
 - c. Meets the qualifications listed in A.R.S. §§ 6-903, 6-943, or 6-973; and
 - d. Is an officer, director, member, partner, employee, or trustee of a licensed entity.

Historical Note

Former Rule 2. Former R4-4-102 repealed, new R4-4-102 adopted effective August 16, 1991 (Supp. 91-3). R20-4-102 recodified from R4-4-102 (Supp. 95-1). Amended by final rulemaking at 5 A.A.R. 2094, effective June 10 (Supp. 99-2). Amended by final rulemaking at 7 A.A.R. 668, effective January 10, 2001 (Supp. 01-1). Amended by final rulemaking at 8 A.A.R. 145, effective December 10, 2001 (Supp. 01-4). Amended by final rulemaking at 18 A.A.R. 2622, effective December 2, 2012 (Supp. 12-4).

R20-4-103. Fingerprints

- A. A licensee or applicant shall deliver fingerprints requested or required by the Superintendent on fingerprint cards provided by the Superintendent.
- B. A licensee or applicant shall bear any costs incurred in obtaining or submitting fingerprints.
- C. A licensee or applicant shall arrange to have fingerprints taken, signed, and dated by:
 - 1. A municipal police department,
 - 2. A local sheriff's office, or
 - 3. Another law enforcement authority recognized by the Superintendent.

Historical Note

Former Rule 3. Former R4-4-103 repealed, new R4-4-103 adopted effective August 16, 1991 (Supp. 91-3). R20-4-103 recodified from R4-4-103 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 4670, effective

November 14, 2000 (Supp. 00-4).

R20-4-104. Acceptance of Other Forms

If another entity's applications and forms provide all the information required by Arizona law, the Superintendent has the discretion to accept them, even if another provision of this Chapter requires use of a specific Department of Financial Institutions form. The Superintendent's exercise of the discretion to accept alternative forms does not limit the Superintendent's power to require additional information necessary to complete an application or other form.

Historical Note

Former Rule 4. Former R4-4-104 repealed, new R4-4-104 adopted effective August 16, 1991 (Supp. 91-3). R20-4-104 recodified from R4-4-104 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 4670, effective November 14, 2000 (Supp. 00-4).

R20-4-105. Claims Against a Deposit in Place of Bond

- A. As used in this Section:
 - 1. "Deposit" means cash or alternatives to cash deposited by a licensee with the Superintendent in place of a bond.
 - 2. "Depositor" means licensee or an employee of the licensee who makes a deposit with the Superintendent.
 - 3. "Verified claim" means a claim filed with the Superintendent under subsection (B).
 - 4. "Award" means an amount of money granted under subsection (F).
- B. A person may file a claim against a deposit by delivering documentation of the claim to the Superintendent. The claim shall be based on a final judgment in favor of the claimant, entered by a court of competent jurisdiction. To support a claim, the judgment shall be:
 - 1. Against a depositor;
 - 2. For injury caused by the depositor's wrongful act, default, fraud, or misrepresentation committed in the course of the depositor's licensed business activity; and
 - 3. Documented by:
 - a. A certified copy of the complaint in the action;
 - b. A certified copy of the judgment in the action;
 - c. A statement that execution of the judgment has not been stayed, or an explanation of the terms and reason for any stay;
 - d. A statement of any amounts recovered on the judgment; and
 - e. A sworn and notarized statement that the claim is true and correct to the best of the claimant's knowledge and belief.
- C. A claimant shall file a claim with the Superintendent, and all required supporting documentation, not more than six months after entry of the judgment asserted in the claim. However, if execution of the asserted judgment is stayed during the first six months after its entry, the claimant may file a verified claim only during the six months after the stay is lifted. The Department shall process a timely-filed verified claim as a request for hearing under R20-4-1208.
- D. The claimant shall notify the depositor of the filing of a verified claim under this Section, and make the depositor a party to all proceedings on the claim. To do so, the claimant shall send the depositor a copy of all documents filed under subsection (B). The claimant shall make this delivery no more than 10 days after the original filing with the Superintendent under subsection (B). The Department considers a proceeding on a verified claim to be a contested case, governed by the provisions of 20 A.A.C. 4, Article 12.

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

- E.** The Superintendent shall, after a hearing, deny a verified claim if the hearing produces evidence of any of the following circumstances:
1. The judgment is not for an injury caused by the depositor and described in subsection (B)(2);
 2. The judgment was awarded by default, stipulation, or consent, and no showing is made in the hearing of an injury caused by the depositor and described in subsection (B)(2);
 3. The judgment's execution has been stayed for any reason;
 4. The judgment was procured through fraud or collusion;
 5. The judgment has been satisfied from other sources; or
 6. The action that produced the judgment was barred by the applicable statute of limitations at the time it was commenced.
- F.** If the Superintendent grants a verified claim, the Superintendent shall do so in the amount of the compensatory damages awarded against the depositor in the judgment, exclusive of:
1. Attorney's fees, and
 2. Amounts previously paid on the judgment.
- G.** A person injured by a depositor shall give the Superintendent written notice at the time of filing a civil action if the claims alleged could be made as a verified claim under this Section. The written notice shall include a statement of the amount of compensatory damages sought against the depositor. The injured person shall provide further information about the civil action to the Superintendent upon request.
- H.** If the Superintendent grants a verified claim under subsection (F), the Superintendent shall authorize the State Treasurer, in writing, to release the deposit to the claimant in the amount stated in subsection (F) if the Superintendent has not received notice of another pending civil action under subsection (G).
- I.** If given notice under subsection (G), the Superintendent shall determine whether the deposit is sufficient to satisfy all claims under subsection (F). The Superintendent shall determine award amounts for each claim of which the Superintendent has notice, and authorize payment, as follows:
1. If the deposit is sufficient to satisfy all claims under subsection (F), the Superintendent shall authorize its release as described in subsection (H).
 2. If the deposit is not sufficient to satisfy all claims under subsection (F), the Superintendent shall calculate the award on each claim as follows:
 - a. Each granted claim shall receive a pro rata share of the total deposit.
 - b. Each pro rata share shall be a dollar amount calculated by multiplying the total deposit by a fraction.
 - i. The numerator of the fraction is the amount of the Superintendent's award for the verified claim.
 - ii. The denominator of the fraction is the sum of the amount of the Superintendent's award for the verified claim plus the total compensatory damages sought in all other civil actions against the same depositor disclosed to the Superintendent under subsection (G).
 - c. The Superintendent shall authorize the State Treasurer to release the pro rata portion of the deposit calculated for each verified claim.
- J.** A depositor or former licensee may request return of its deposit if it substitutes a bond for the deposit, or if its license is surrendered, revoked, or expired, and if all statutory conditions for release of the deposit have been satisfied. The Superintendent shall not release any part of a deposit to a depositor or former licensee until the Superintendent determines whether there are any awards on verified claims unsatisfied because of an apportionment under subsection (I). The Superintendent shall use the deposit amount to pay any unsatisfied portion of those awards. If the deposit amount is not sufficient to pay in full all unsatisfied awards, the Superintendent shall pay the remaining amount of the deposit to claimants in the ratio their awards bear to the total of all awards granted against the deposit.
- K.** The court supervising a licensee in receivership may order the release of a deposit to persons injured by conduct described in subsection (B). In that event, the receiver shall deliver a certified copy of the court's order to the Superintendent. The copy may be uncertified if the receiver is the Superintendent or any other officer or agency of the state of Arizona. The Superintendent shall then authorize the State Treasurer, in writing, to release the deposit to the receiver. The receiver shall distribute the deposit as ordered by the receivership court, rather than under this Section.

Historical Note

Adopted effective August 16, 1991 (Supp. 91-3). R20-4-105 recodified from R4-4-105 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 4670, effective November 14, 2000 (Supp. 00-4).

R20-4-106. Bankruptcy

An enterprise licensee or consumer lender licensee shall immediately deliver written notice to the Superintendent if it files a voluntary bankruptcy petition, or if its creditors name the licensee a debtor in an involuntary bankruptcy petition. On the date of each of the following documents' filing with the bankruptcy court, the licensee shall deliver to the Superintendent a copy of the:

1. Petition for relief,
2. Schedule of assets and liabilities,
3. Statement of financial affairs,
4. List of creditors, and
5. Plan of reorganization.

Historical Note

Adopted effective August 16, 1991 (Supp. 91-3). R20-4-106 recodified from R4-4-106 (Supp. 95-1). Amended by final rulemaking at 8 A.A.R. 145, effective December 10, 2001 (Supp. 01-4).

R20-4-107. Licensing Time-frames

- A.** As used in this Section, "application" means a document specified or described in this Title, or in any statute enforced by the Department, requesting any permit, certificate, approval, registration, charter, or similar permission described in Table A, together with all supporting documentation required by statute or rule.
- B.** The time-frames in Table A apply solely to applications received by the Department after the effective date of this Section. Each overall time-frame consists of an administrative completeness review time-frame, and a substantive review time-frame. The administrative completeness review time-frame begins to run upon receipt of an application by the Department.
1. Within the administrative completeness review time-frame in Table A, the Department shall notify the applicant in writing whether the application is complete. If the application is incomplete, the notice shall specify the missing information or component.
 2. An applicant whose application is incomplete shall supply the missing information within 60 days after the date

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

of the notice. If an applicant shows good cause in writing before the expiration of the 60 day time limit, the Superintendent shall extend the period for administrative completion of an application. The administrative completeness review time-frame stops running on the postmark date of the Department's written notice of an incomplete application, and resumes when the Department receives a complete application. If the applicant fails to submit a complete application within the specified time limit, the Department shall reject the application and close the file. An applicant may reapply.

3. The substantive review time-frame begins to run on the postmark date of the Department's written notice that the application is administratively complete.
4. Within the overall time-frame set forth in Table A the Department shall send the applicant written notice of its decision to approve, conditionally approve, or deny a license, unless the time-frame is extended by mutual

agreement under A.R.S. § 41-1075. If the Department denies an application, it shall provide written justification for the denial and a written explanation of the applicant's right to a hearing or appeal in the form required by A.R.S. § 41-1076.

5. The Department shall calculate time limits prescribed in this Section under R2-19-107.
- C. The time-frames in this Section apply solely to actions taken by the Department. Nothing in this Section relieves a licensee or applicant of a duty to fulfill any other legal or regulatory requirement that is a condition of its power and authority to engage in business.

Historical Note

Adopted effective September 9, 1998 (Supp. 98-3).
Amended by final rulemaking at 8 A.A.R. 145, effective December 10, 2001 (Supp. 01-4).

Historical Note

Table B removed from R20-4-206(A) to conform with the codification scheme of this Chapter and amended by final rulemaking at 29 A.A.R. 1919 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-207. Capital Obligations

- A. An applicant for a Director’s order of approval to issue a capital obligation shall submit the following documents to the Director and shall not issue any capital obligation before the Director issues the order of approval. The required documents are:
 - 1. A certified copy of the resolution adopted by the Board of Directors, or a certified copy of the unanimous written consent of the Board of Directors, authorizing the sale of the capital obligation;
 - 2. A copy of the agreement underlying the capital obligation;
 - 3. A copy of the note or debenture intended to represent the capital obligation; and
 - 4. A copy of the prospectus, if any, proposed for use in the sale of the capital obligation.
- B. Each document evidencing a capital obligation shall:
 - 1. Bear on its face, in bold face type, the following: This obligation is not a deposit and is not insured by the Federal Deposit Insurance Corporation.
 - 2. Have a maturity provision that either:
 - a. Gives the obligation a maturity of at least five years, or
 - b. In the case of an obligation or issue that provides for scheduled repayments of principal, gives an average maturity of at least five years. The restriction on maturity stated in this subsection does not apply to any obligation that otherwise meets all the requirements of this Section if the Director determines that exigent circumstances require the issuance of the obligation without regard to any restriction on maturity. The provisions of this subsection do not apply to mandatory convertible debt obligations or issues.
 - 3. State expressly on its face that the obligation:
 - a. Is subordinated and junior in right of payment to the issuing bank’s obligations to its depositors and to the bank’s other obligations to its general and secured creditors, and
 - b. Is ineligible as collateral for a loan by the issuing bank, except as provided in A.R.S. § 6-354.
 - 4. Be unsecured.
 - 5. State expressly on its face that the issuing bank may not retire any part of its capital obligation without the Director’s prior written order of approval, and the prior written consent of the Federal Deposit Insurance Corporation.

- 6. Include, if the obligation is issued to a depository institution, a specific waiver of the right of offset by the lending depository institution.
 - 7. State that, in the event of liquidation, all depositors and other creditors of the bank are to be paid in full before any payment of principal or interest is made on a capital obligation.
- C. No payment shall be made under an optional right of payment reserved to the bank without the separate authorization of the Director. The Director may grant that authority in the initial order of approval or in a later order of approval.

Historical Note

Former Rule 7. R20-4-207 recodified from R4-4-207 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 2155, effective May 4, 2001 (Supp. 01-2). Amended by final rulemaking at 29 A.A.R. 1919 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

Historical Note

Former Rule 8. R20-4-208 recodified from R4-4-208 (Supp. 95-1). Section repealed by final rulemaking at 6 A.A.R. 3188, effective August 3, 2000 (Supp. 00-3).

R20-4-209. Notice of Permanent Closing of Banking Office

A bank may close fewer than all of its banking offices. Before closing any office, a bank shall deliver a letter to the Director specifying the banking office it plans to close and the closing date. The bank shall ensure that the Director receives the letter at least 10 days before the closing date. Closing the banking office shall terminate the bank’s authority to maintain that banking office on the date of the actual closure.

Historical Note

Former Rule 9. R20-4-209 recodified from R4-4-209 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 5388, effective November 9, 2001 (Supp. 01-4). Amended by final rulemaking at 29 A.A.R. 1919 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-210. Repealed

Historical Note

Former Rule 10. R20-4-210 recodified from R4-4-210 (Supp. 95-1). Section repealed by final rulemaking at 6 A.A.R. 3188, effective August 3, 2000 (Supp. 00-3).

R20-4-211. Application for a Banking Permit

- A. Before an application is filed, the representatives of the potential applicant shall meet with the Director to discuss capitalization, location, and management of the proposed bank.
- B. After the meeting required by subsection (A), persons who wish to proceed with the application process shall submit an application in the form the Director prescribes. The applicant shall support the application with sufficient information to enable the Director to make a determination.

Historical Note

Former Rule 11. R20-4-211 recodified from R4-4-211 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 3188, effective August 3, 2000 (Supp. 00-3). Amended by final rulemaking at 29 A.A.R. 1919 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-212. Repealed

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

Historical Note

Former Rule 12. Amended effective September 4, 1981 (Supp. 81-4). R20-4-212 recodified from R4-4-212 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-213. Repealed

Historical Note

Former Rule 13. Repealed effective September 13, 1981 (Supp. 81-5). R20-4-213 recodified from R4-4-213 (Supp. 95-1).

R20-4-214. Preservation of Records

- A. Every bank shall keep its corporate and business records as originals or as copies of the originals made by reproduction methods that accurately and permanently preserve the records. Copies complying with this subsection, when satisfactorily identified, have the same evidentiary status as an original. A bank may keep its records as electronic records if the bank can generate all information and copies required by this Section within the timeframe set by the Department for examination or other purposes.
- B. A bank shall keep its corporate and business records for the period required by this Section. These periods are measured from the date of the last entry or final action date. A bank shall have and comply with its own record retention schedule that is consistent with this Section. A bank may comply with this Section by complying with a preemptive federal regulation, even if the federal regulation requires a shorter retention period than is listed in this Section. This Section does not prohibit record retention for longer periods than these state-required minimums for any reason, including a retention period established by preemptive federal law or regulation. Likewise, this Section does not prohibit a bank from keeping any type of record not required in subsection (D).
- C. Beginning on the effective date of this Section, corporate and business records of a bank operating in the state of Arizona are classified, and their retention periods are prescribed, according to the schedule in subsection (D). Retention periods are listed in subsection (D) using the notations, acronyms, and abbreviations listed in subsections (C)(1) through (20).
 - 1. A numerical designation refers to a period of years unless a shorter period of time is specified in the schedule.
 - 2. "AC" means after closure.
 - 3. "ACH" means automated clearing house.
 - 4. "AE" means after expiration.

R20-4-602. Applications

- A.** An applicant for a debt management company license shall send the Department an application on the form required by the Director. If the Director determines that a credit report is required as authorized under A.R.S. § 6-704(A), the applicant shall order a credit report from a credit reporting agency disclosing the credit history of the applicant's principals or managing agents and submit the credit report to the Department. A complete application shall include the credit report required by this Section and all of the following:
1. The surety bond required by A.R.S. § 6-704(B);

2. Fidelity bonds if required by the Director under A.R.S. § 6-704(D);
3. The nonrefundable application fee specified in A.R.S. § 6-126(A)(14);
4. An original license fee described in A.R.S. §§ 6-126(B), 6-126(D)(2), and 6-706;
5. A sample of the contract intended to be used by the applicant required by A.R.S. § 6-704(E);
6. Current financial statements as described in R20-4-604(A)(5);
7. A copy of the current articles of incorporation, by-laws, partnership agreement or other organizing documents used to form the applicant business entity;
8. The name and address information required under A.R.S. § 6-704(A); and
9. A background check, on the form required by the Department, for each of the applicant's principals, principal officers, trustees, partners, and managing agents.

- B.** A debt management company applying to operate a branch office or use an agency shall send the Department an application on the form required by the Director.

- C.** A debt management company applying to renew a license shall deliver, on or before June 15 of each year, an application to the Department on the form required by the Director. A debt management company shall apply separately to renew each authorized business location. With each application for renewal, a debt management company shall include the renewal fee described in A.R.S. § 6-706 and specified in A.R.S. § 6-126(D)(2).

- D.** The Department may require additional information the Director considers necessary in connection with an application under this Section.

record of all its business activity. A debt management company may keep its books, accounts, and records as electronic records if the debt management company can generate all information and documentation required by this Section in the timeframe set by the Department for examination or other purposes. A debt management company's books, accounts, and records shall include:

1. A file for each account containing:
 - a. A copy of all correspondence concerning the account;
 - b. Evidence of the notice given to creditors of the debt management contract;
 - c. A subsidiary ledger disclosing all financial transactions concerning the account;
 - d. A copy of each written statement of account given to the debtor;
 - e. The original budget analysis required under R20-4-607; and
 - f. The original contract between the debt management company and the debtor, including all amendments.
 2. A trust account general ledger, which is kept current daily, which reflects each deposit to and disbursement from the trust account.
 3. Each reconciliation of the debt management company's trust account, prepared at least once a month.
 4. A general ledger, kept current monthly, which reflects each financial transaction by the debt management company except those recorded in its trust account general ledger.
 5. A financial statement produced in accordance with generally accepted accounting principles at least once every three months, or more frequently if directed by the Director, which reflects the financial condition of the debt management company. The financial statement shall include:
 - a. A balance sheet,
 - b. A statement of income and retained earnings,
 - c. A statement of changes in financial condition, and
 - d. Appropriate footnotes that either:
 - i. Explain entries in the documents listed in subsections (A)(5)(a), (b), and (c);
 - ii. Contain material information not required or not reportable in documents listed in subsections (A)(5)(a), (b), or (c); or
 - iii. Contain other disclosures required by generally accepted accounting principles.
 6. A record of all litigation naming the debt management company as a party including:
 - a. For pending litigation:
 - i. A copy of the complaint;
 - ii. A copy of any answer filed by the debt management company in response to the complaint; and
 - iii. A copy of any motion filed by the debt management company; and
 - b. For any litigation that is no longer pending, a copy of any judgment showing the settlement date, dismissal, or other final order disposing of the litigation.
- B.** All records required under this Section may be maintained at the debt management company's office in Arizona. A debt management company may keep its records outside this state if it:
1. Makes the records available to the Director, for examination or other purposes, in this state not more than three business days after demand; and
 2. Allows its debtor customers to call toll free to obtain information from the records that are not available from the debt management company's office in Arizona.
- C.** Each debt management company shall preserve its books, accounts, and records for the period required by A.R.S. §§ 6-709(J) and 6-710(1).

ARTICLE 7. ESCROW AGENTS

R20-4-701. Change in Location of Business

An escrow agent shall submit to the Director notice of any change in the location of the escrow agent’s business. The escrow agent

shall ensure that the Director receives the notice at least five days before the escrow agent conducts business at the new location. The escrow agent shall remit the fee required by A.R.S. § 6-126(A), to the Director with the notice of the location change.

Historical Note

Former Rule 1. R20-4-701 recodified from R4-4-701 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 5385, effective November 9, 2001 (Supp. 01-4). Amended by final rulemaking at 29 A.A.R. 1949 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-702. Account Practices and Records

An escrow agent shall maintain records to enable the Director to reconstruct the details of each escrow transaction. The records shall include the following:

- 1. The seller’s name and address;
- 2. The buyer’s name and address;
- 3. The lender’s name and address, if any;
- 4. The borrower’s name and address, if any;
- 5. The real estate agent’s name and address, if any;
- 6. Complete escrow instructions;
- 7. Records and supporting documentation for each receipt and disbursement made through the escrow; and
- 8. A copy of the escrow settlement.

Historical Note

R20-4-805. Reports

- A. Within 90 days following each December 31, each trust department and trust company shall file an annual report of trust assets with the Director on the form prescribed by the Director. The annual report shall include the current market value of all trust assets held by the trust department or trust company as of December 31. The report shall also identify and briefly describe all transactions conducted in the report period that are regulated by subsections R20-4-812(E) through (G).
- B. Each trust company shall deliver a copy of its annual report and certificate of disclosure to the Director within 10 days of filing the report and certificate at the Arizona Corporation Commission. A report or certificate covered by this subsection is one filed under the authority of A.R.S. §§ 10-202 or 10-1622. A copy delivered to the Director, as required in this subsection, shall be date-stamped by the Arizona Corporation Commission to confirm the actual filing date.
- C. Each trust company shall notify the Director of any change in the directors or officers of the company within 10 days of the change. Any trust company with more than 25 officers may, after obtaining the Director's written approval, limit the officers covered by this subsection to those with substantial involvement in the trust company's corporate operations or in the trust company's trust business in this state.

this Section within the timeframe set by the Department for examination or other purposes.

- B.** A trust department or trust company shall keep books, accounts, and records adequate to provide clear and readily understandable evidence of all business conducted by the trust department or trust company, including the following:
1. A file for each account that includes:
 - a. The governing instrument,
 - b. All contracts and other legal documents,
 - c. Copies of all correspondence,
 - d. Accounting records disclosing all the financial transactions, and
 - e. A listing of all the account's assets and liabilities.
 2. An investment file for each account that includes:
 - a. All original documentary evidence of the account's assets; or
 - b. Copies of the original documentary evidence of the account's assets, together with written evidence of custody or receipt of the originals by an authorized holder; and
 - c. A record of the initial and annual investment reviews for the account.
 3. The corporate general ledger kept current on a daily basis. This record shall identify and segregate all financial transactions conducted by the trust department or trust company for itself, distinguishing them from those relating to the trust department's or trust company's trust business;
 4. Unaudited financial statements. A trust department or trust company shall produce these statements quarterly or more frequently when required by the Director. The financial statements shall include at least:
 - a. A balance sheet; and
 - b. A statement of income, expenses, and retained earnings.
 5. Adequate records of all pending litigation that names the trust department or trust company as a party.
- C.** A trust department shall keep its fiduciary records separate and distinct from the trust department's corporate records.
- D.** A trust department or trust company shall keep records described in subsections (B)(1) and (2) for at least three years after closing an account. If litigation occurs concerning a particular account, the trust department or trust company shall keep that account's records, described in subsections (B)(1) and (2), for three years after the litigation is resolved.

R20-4-807. Unsafe or Unsound Condition

For purposes of A.R.S. §§ 6-863 and 6-865, a trust company conducts business in an unsafe manner or its affairs are in an unsound condition if it:

1. Violates any fiduciary duty or obligation, including those listed in Sections R20-4-809 through R20-4-815;
2. Violates any state or federal requirement for operating or maintaining trusts, common trust funds, or other accounts;

3. Violates any applicable federal or state law or regulation regarding corporations or securities;
4. Employs an officer or director who violates a corporate fiduciary duty;
5. Is insolvent; or
6. Engages in any conduct that the Director determines constitutes an unsafe or unsound business practice jeopardizing the trust company's financial condition or the interests of a stockholder, creditor, trustor, beneficiary, or trust company's principal.

Historical Note

R20-4-808. Administration of Fiduciary Powers

- A.** The board of directors and the officers share responsibility for the exercise of fiduciary powers by a trust department or trust company. The board of directors is responsible for determining policy; investing and disposing of trust assets; and directing and reviewing the actions of all directors, officers, and committees of the board that exercise fiduciary powers. The board of directors may delegate the necessary power and authority to perform the trust department's or trust company's duties as a fiduciary to selected directors, officers, employees, or committees of the board if the delegation is consistent with the corporate charter. The minutes of the board's meetings shall duly reflect all those delegations.
- B.** A trust department or trust company shall not accept a new account without first obtaining the board's approval, or that of the directors, officers, or committees that the board may have authorized to approve new accounts. The trust department or trust company shall keep a written record of each new account approval and of the closing of each account. The trust department or trust company shall conduct an asset review within 60 days after it accepts each new account if it has investment responsibility for that account. The trust department's or trust company's board shall ensure that an annual review of account assets is conducted for each account in which the trust department or trust company has investment responsibility, to determine whether to retain or dispose of the assets.
- C.** A trust department or trust company exercising fiduciary powers shall use independent legal counsel admitted to practice in Arizona to advise and inform the trust department or trust company on fiduciary matters and all other legal issues presented to the trust department or trust company by the conduct of its trust business.

R20-4-809. Fiduciary Duties

A trust department or trust company shall perform all fiduciary duties imposed upon it by law, including the following:

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

1. Administer accounts strictly according to the governing instrument and solely in the account beneficiary's interests;
2. Use reasonable care and skill to make the account productive;
3. Provide complete and accurate information about the nature and amount of assets held to each account's beneficiary or principal and permit the beneficiary, principal, or any person duly authorized by the beneficiary or principal to inspect the account's records at any time during normal business hours. The information provided in compliance with this subsection shall be delivered at least quarterly, unless:
 - a. The trust department or trust company and its account's beneficiary, principal, or authorized person agree otherwise in writing;
 - b. The governing instrument provides otherwise; or
 - c. A different frequency is established by a lawful course of dealing before the effective date of this Section; and
4. Comply with all lawful provisions of the governing instrument.

Historical Note

Adopted effective June 30, 1977 (Supp. 77-3). R20-4-809 recodified from R4-4-809 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 2471, effective June 8, 2000 (Supp. 00-2). R20-4-810. Funds Awaiting Investment or Distribution

- A. Trust funds held by a trust department or trust company awaiting investment or distribution shall not remain uninvested or undistributed any longer than is reasonable for the account's proper management.
- B. A trust department or trust company may keep trust funds in deposit accounts maintained by the trust department or trust company unless prohibited by law or by the governing instrument. The trust department or trust company shall set aside collateral security for all deposited trust funds under a third party's control. The collateral shall be the following types of securities, in any combination:
 1. Direct obligations of the United States or any agency, department, division, or administration of the federal government;
 2. Any other obligations fully guaranteed by the United States government as to principal and interest;
 3. Obligations of a Federal Reserve Bank;
 4. Obligations of any state, political subdivision of a state, or public authority organized under the laws of a state; or
 5. Readily marketable securities that either:
 - a. Qualify as investment securities under the Investment Securities regulations of the Comptroller of the Currency, 12 CFR, Chapter 1, Part 1; or
 - b. Satisfy state pledging requirements under A.R.S. § 6-245(C).
- C. The securities set aside under subsection (B) shall, at all times, have a market value no less than the amount of trust funds deposited. No collateral security is required to the extent the Federal Deposit Insurance Corporation, or its successor, insures the deposited trust funds.

Amended by final rulemaking at 29 A.A.R. 1952 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-811. Investment of Trust Funds

- A. A trust department or trust company shall invest trust funds according to:
 1. The governing instrument; and
 2. All applicable laws, including A.R.S. §§ 6-862, 14-7402, and 14-7501 through 14-7512
- B. A trust department or trust company shall make any collective investment of trust funds exclusively under the terms of R20-4-815.

Historical Note

Adopted effective June 30, 1977 (Supp. 77-3). R20-4-811 recodified from R4-4-811 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 2471, effective June 8, 2000 (Supp. 00-2). R20-4-812. Self-dealing

- A. A trust department or trust company shall not invest trust funds in the following types of property unless expressly authorized by the governing instrument, applicable state or federal law, or court order:
 1. Its own securities;
 2. Other types of property acquired from the trust department or trust company;
 3. Property acquired from the trust department's or trust company's directors, officers, or employees;
 4. Property acquired from the trust department's or trust company's affiliates;
 5. Property acquired from its affiliates' directors, officers, or employees; or
 6. Property acquired from other individuals or organizations with an interest in the trust department or trust company if that interest might affect the trust department's or trust company's exercise of discretion to the detriment of its trust clients.
- B. A trust department or trust company may use trust funds to purchase its own securities, or its affiliates' securities:
 1. If the trust department or trust company has authority under subsection (A), and
 2. If those securities are offered pro rata to all stockholders of the trust department or trust company.
- C. A trust department or trust company shall not sell or loan trust property to itself, or to the following types of persons, unless expressly authorized by the governing instrument, applicable state or federal law, or court order:
 1. Its directors, officers, or employees;
 2. Its affiliates;
 3. Its affiliates' directors, officers, or employees; or
 4. Other individuals or organizations with an interest in the trust department or trust company if that interest might affect the trust department's or trust company's exercise of discretion to the detriment of its trust clients.

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

- D.** However, a trust department or trust company may sell or loan trust property to persons prohibited by subsection (C) if either:
1. Its counsel has advised in writing that, by holding certain property, the trust department or trust company has incurred a contingent or potential liability for breach of fiduciary duty; and
 - a. The proposed sale or loan avoids the contingent or potential liability;
 - b. Its board of directors authorizes the sale or loan by an action duly noted in the trust department's or trust company's minutes;
 - c. Its board of directors' action expressly authorizes reimbursement to the affected account; and
 - d. The affected account is reimbursed, in cash, at no loss to that account; or
 2. The Director requires or approves, in writing, the sale or loan to otherwise prohibited parties.
- E.** A trust department or trust company may sell trust property held in one account to another of its accounts if:
1. The transaction is fair to both accounts; and
 2. The transaction is not prohibited by the governing instruments, applicable state or federal law, or court order.
- F.** A trust department or trust company may loan trust property held in one account to another of its accounts if:
1. The transaction is fair to both accounts; and
 2. The transaction is not prohibited by the governing instruments, applicable state or federal law, or court order.
- G.** A trust department or trust company may make a loan to a trust account, taking trust assets of the borrowing account as security for repayment, if:
1. The transaction is fair to the borrowing account; and
 2. The transaction is not prohibited by the governing instrument, applicable state or federal law, or court order.

Historical Note

R20-4-813. Custody of Investments

- A.** A trust department or trust company shall keep each account's investments separate from its own assets. A trust department or trust company shall place each account's assets in the joint control of at least two officers or employees of the trust department or trust company designated in writing for that purpose by:
1. The trust department's or trust company's board of directors, or
 2. One or more officers authorized by the trust department's or trust company's board of directors to make the designation.
- B.** A trust department or trust company shall either:
1. Keep each account's investments separate from all other accounts' investments, except as provided in R20-4-815; or
 2. Adequately identify each account's property in the trust department's or trust company's records.

Historical Note

R20-4-814. Compensation

- A.** A trust department or trust company acting as a fiduciary may charge a reasonable fee for its services. The trust department or trust company shall receive the fee allowed by the court when it is acting under a court appointment. Any agreement as to fees in the governing instrument shall control the fee unless contrary to law, regulation, or court order.
- B.** A trust department or trust company shall not permit any of its officers or employees to take any compensation for acting as a co-fiduciary with the trust department or trust company in the administration of an account.

Historical Note

Adopted effective June 30, 1977 (Supp. 77-3). R20-4-814 recodified from R4-4-814 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 2471, effective June 8, 2000 (Supp. 00-2). R20-4-815. Collective Investments

- A.** All collective investments made by a trust department or trust company shall be in a common trust fund established under A.R.S. § 6-871 and maintained by the trust department or trust company exclusively for the collective investment and reinvestment of funds contributed by the trust department or trust company acting as a fiduciary. A trust department or trust company shall not establish a common trust fund unless it first:
1. Prepares a written plan regarding the common trust fund; and
 2. Obtains its board of directors' approval of the plan, evidenced by a duly adopted resolution or the board's unanimous written consent.
- B.** The plan shall describe the common trust fund's operational details, including a description of:
1. The trust department's or trust company's investment powers and investment policy over all funds deposited in the common trust fund,
 2. The manner for allocating the common trust fund's income and losses,
 3. The criteria for admission to or withdrawal from participating in the common trust fund, and
 4. The method for valuing assets in the common trust fund and the frequency of valuation.
- C.** A trust department or trust company shall advise all persons having an interest in its common trust fund of the existence of the plan described in subsection (B), and shall provide a copy of the plan upon request.
- D.** The annual report required under R20-4-805(A) shall include all common trust funds operated by the trust department or trust company.

R20-4-816. Termination of Trust or Fiduciary Powers and Duties

- A.** Any trust department that wants to surrender its trust powers shall file with the Director a certified copy of the appropriate resolution of its board of directors or of the board's unanimous written consent. If, after investigation, the Director concludes that the trust department has no remaining fiduciary duties, the Director shall notify the trust department that it no longer has authority to exercise trust powers.
- B.** Any trust company that wants to surrender its certificate of authority to conduct trust business and wind up its affairs shall file with the Director a certified copy of the appropriate resolution of its board of directors or of the board's unanimous written consent. Upon receipt of the resolution or consent, the Director shall cancel the trust company's certificate of authority, and the trust company shall not accept new trust accounts.
- C.** After winding up its affairs, any trust company that wants to surrender its rights and obligations as a fiduciary and remove itself from the Director's supervision shall file with the Director a certified copy of the appropriate resolution of its board of directors or of the board's unanimous written consent. If, after investigation, the Director concludes that the trust company has no further fiduciary duties, the Director shall notify the trust company that it no longer has authority to exercise fiduciary powers.
- D.** Any trust department or trust company that surrenders its powers, rights, obligations, or certificate under this Section or that has them canceled, suspended, or revoked shall continue to be regulated under A.R.S. § 6-864 and this Article until it winds up its affairs. No action under this Section impairs any liability or cause of action, existing or incurred, against any trust department or trust company or its stockholders, directors, or officers.

R20-4-905. Repealed**Historical Note**

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-905 recodified from R4-4-905 (Supp. 95-1). Section repealed by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-906. Equivalent and Related Experience

- A.** An applicant may satisfy the three years' experience requirement of A.R.S. § 6-903 by the types of lending-related experience listed in this subsection. The Department counts each month in the following types of work experience toward the three years required for a mortgage broker license, under A.R.S. § 6-903(B), or as a responsible individual, under A.R.S. § 6-903(E). The Department counts a fractional month of experience, at least 15 days long, as a full month.
1. Mortgage broker with an Arizona license, responsible individual, or branch manager for a licensee;
 2. Mortgage banker with an Arizona license, responsible individual, or branch manager for a licensee;
 3. Loan officer with responsibility primarily for loans secured by lien interests on real property;
 4. Lender's branch manager with responsibility primarily for loans secured by lien interests on real property;
 5. Mortgage broker with license from another state, or responsible individual for a mortgage broker licensed in another state;

R20-4-911. Qualified Replacement Responsible Individual

If a licensee chooses an individual to serve as a replacement responsible individual and that individual has not satisfactorily completed

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

the course of study required by A.R.S. § 6-903(B)(2) or passed the mortgage broker examination required by A.R.S. § 6-903(B)(3), and is not given the opportunity to do so prior to the expiration of the 90-day time period provided in A.R.S. § 6-903(F), but otherwise meets the requirements of A.R.S. § 6-903(B), the individual shall be qualified as a replacement responsible individual until the next course of study has been held and, if the person successfully completes the course of study, until the mortgage broker examination next following the completion of the course of study has been held and the results of the examination are available. If the individual fails to satisfactorily complete the course of study or fails the mortgage broker examination, the licensee shall then have a new 90-day time period within which to place itself under the active management of a qualified responsible individual. Notwithstanding the foregoing, a licensee shall have no longer than 180 days within which to place the license under the active management of a qualified responsible individual unless the Superintendent grants additional time to the licensee for good cause shown.

Historical Note

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-911 recodified from R4-4-911 (Supp. 95-1).

R20-4-912. Restrictions on the Term of a Cash Alternative

If an applicant or a licensee elects to place with the Superintendent a deposit in the form of a certificate of deposit or investment certificate, in addition to the requirements of A.R.S. § 6-903(J), the certificate of deposit or investment certificate shall not be renewable, nor expire, earlier than 12 months from the date of issuance.

R20-4-915. Requirements for a Person Intended to Oversee a Branch Office

A person designated to oversee the operations of a branch office shall be knowledgeable about the branch activities of the licensee, shall supervise compliance by the branch with applicable law and rules, and shall have sufficient authority to ensure such compliance. One person may oversee more than one branch.

Historical Note

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-915 recodified from R4-4-915 (Supp. 95-1).

R20-4-916. Notification of Change of Address

If the address of the principal place of business or of any branch office is changed, the licensee shall notify the Superintendent of the change within five business days after the occurrence of the change of location. Together with such notice, the licensee shall provide to the Department the license for the office changing addresses

together with the fee required by A.R.S. § 6-126 for changing the address of an office. A copy of such license shall continue to be displayed at the place of business until a new license is issued.

Historical Note

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-916 recodified from R4-4-916 (Supp. 95-1).

R20-4-917. Recordkeeping Requirements

- A.** The Superintendent shall approve a licensee's use of a computer or mechanical recordkeeping system if the licensee gives the Superintendent advanced written notice that it intends to do so. The Department shall not require a licensee to keep a written copy of the records if the licensee can generate all information required by this Section in a timely manner for examination or other purposes. A licensee may add, delete, modify, or customize an approved computer or mechanical recordkeeping system's hardware or software components. When requested, or in response to a written notice of an examination, a licensee shall report to the Superintendent any alteration in the approved system's fundamental character, medium, or function if the alteration changes:
1. Any approved computer or mechanical system back to a paper-based system;
 2. An approved mechanical system to a computer system; or
 3. An approved computer system to a mechanical system.
- B.** In addition to any statutory requirement regarding records, a record maintained by a mortgage broker shall include the following:
1. A list of all executed loan applications or executed fee agreements that includes the following information:
 - a. Applicant's name;
 - b. Application date;
 - c. Amount of initial loan request;
 - d. Final disposition date;
 - e. Disposition (funded, denied, etc.); and
 - f. Name of loan officer;
 2. A record, such as a cash receipts journal, of all money received in connection with a mortgage loan including:
 - a. Payor's name;
 - b. Date received;
 - c. Amount; and
 - d. Receipt's purpose, including identification of a related loan, if any;
 3. A sequential listing of checks written for each bank account relating to the mortgage broker business, such as a cash disbursement journal, including:
 - a. Payee's name;
 - b. Amount;
 - c. Date; and
 - d. Payment's purpose, including identification of a related loan, if any;
 4. Bank account activity source documents for the mortgage broker business including receipted deposit tickets, numbered receipts for cash, bank account statements, paid checks, and bank advices.
 5. A trust subsidiary ledger for each borrower that deposits trust funds showing:
 - a. Borrower's name or co-borrowers' names;
 - b. Loan number, if any;
 - c. Amount received;
 - d. Purpose for the amount received;
 - e. Date received;
 - f. Date deposited into trust account;
 - g. Amount disbursed;

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

- h. Date disbursed;
- i. Disbursement's payee and purpose; and
- j. Balance;
6. A file for each application for a mortgage loan containing:
- a. The agreement with the customer concerning the broker's services, whether as a loan application, fee agreement, or both;
 - b. Document showing the application's final disposition, such as a settlement statement, or a denial or withdrawal letter;
 - c. Correspondence sent, received, or both by the licensee;
 - d. Contract, agreement, and escrow instructions to or with any depository;
 - e. Documents showing compliance with the Consumer Credit Protection Act's (15 U.S.C. §§ 1601 through 1666j) and the Real Estate Settlement Procedures Act's (12 U.S.C. §§ 2601 through 2617) disclosure requirements, to the extent applicable;
 - f. If the loan is funded by an investor that is not a financial institution, an enterprise, a licensed real estate broker or salesman, a profit sharing or pension trust or, an insurance company, the documents provided to the investor under A.R.S. § 6-907, a copy of the executed note and executed deed of trust or mortgage, and any assignment by the broker to the investor;
 - g. If the loan is closed in the mortgage broker's name, a copy of all closing documents including: closing instructions, any applicable rescission notice, HUD-1 settlement statement, final truth-in-lending disclosure, executed note, executed deed of trust or mortgage, and each assignment of beneficial interest by the licensee; and
 - h. Itemized list of all fees taken in advance including appraisal fee, credit report fee, and application fee;
7. Samples of every piece of advertising relating to the mortgage broker's business in Arizona;
8. Copies of governmental or regulatory compliance reviews;
9. If the licensee is not a natural person, a file containing:
- a. Organizational documents for the entity;
 - b. Minutes;
 - c. A record, such as a stock or ownership transfer ledger, showing ownership of all proportional equity interests in the licensee, ascertainable as of any given record date; and
 - d. Annual report, if required by law;
10. If the licensee or anyone directly or indirectly owning more than 20% of the licensee has a felony conviction, a copy of the judgment or other record of conviction;
11. If the licensee or anyone directly or indirectly owning more than 20% of the licensee has, in the previous seven years, been named a defendant in any civil suit, a copy of the complaint, any answer filed by the licensee, and any judgment, dismissal, or other final order disposing of the action; and
12. If the Superintendent has granted approval to maintain records outside this state, the specific address where the records are kept, and a person's name to contact for them.
- C. If 10 or fewer transactions have occurred during the prior calendar quarter, a licensee shall reconcile and update all records specified in subsection (B) at least once each calendar quarter.
- A licensee shall reconcile and update all records specified in subsection (B) monthly if more than 10 transactions occurred during the prior calendar quarter. In addition to reconciling each trust bank account, a licensee shall verify each trust balance to each trust subsidiary ledger at each reconciliation.
- D. A licensee shall retain the documents described in subsections (B)(1) and (B)(6) for the length of time provided in A.R.S. § 6-906. For the purposes of A.R.S. § 6-906, a mortgage loan's closing date, on a loan application that did not result in the making of a loan, is either:
1. The date a licensee receives a written cancellation notice from an applicant; or
 2. The date a licensee mails written notice to an applicant that the application has been denied, as required by federal law.
- E. A licensee shall maintain all records described in this Section, and not included in subsection (D), for at least two years.

- R20-4-919. Deposit of Monies Received by a Mortgage Broker**
- All monies received by a mortgage broker which are required to be deposited into an escrow account with an escrow agent licensed pursuant to A.R.S. § 6-801 et seq. shall be so deposited by 5:00 p.m. on the next business day after receipt of the funds.
- Historical Note**
Adopted effective August 14, 1991 (Supp. 91-3). R20-4-919 recodified from R4-4-919 (Supp. 95-1).
- R20-4-920. Requirements for the Testing Committee**
- A. No licensee shall submit more than five names as nominees to serve on the testing committee. The resumes of the nominees shall be included. The names and resumes shall be submitted to the Superintendent no later than August 1 of each even-numbered year. On or before September 30 of each even-numbered year, the Superintendent shall appoint four persons from the nominees submitted and one employee of the Department as members of the testing committee. A person may serve more than one two-year term. If the Superintendent does not find at least four persons from the list to be acceptable, the Superintendent shall solicit additional nominees from licensees.
- B. In the event of a vacancy on the testing committee, the remaining members of the committee shall submit a list of nominees within 45 days of the vacancy to the Superintendent containing not less than two nominees for each vacancy. The Superintendent shall then appoint a nominee from the list to fill each vacancy for the remainder of the term. If the Superintendent does not find at least one person from the list to be acceptable to fill each vacancy, the remaining members of the committee shall, upon request, submit an additional list of nominees to the Superintendent.

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

- C. The Superintendent may remove any member of the committee at any time without cause.
- D. The committee shall review and revise questions on the test not less than once every two years. All questions used on the test shall first be submitted to and approved by the Superintendent.
- E. The committee shall inform the applicant of the applicant's score on the test in writing within 30 days of administration of the test.
- F. The handbook for mortgage brokers shall be updated by the committee as necessary to reflect changes in the law.

R20-4-921. Authorizations to Complete Blank Spaces

An authorization, under A.R.S. § 6-909, allowing a licensee or escrow agent to complete certain blank spaces in a document after it is signed by a party to the transaction shall:

1. Specifically identify the document and the blank spaces to be completed;
2. Be in writing, dated, and signed by the authorizing parties; and
3. Contain the following notice, conspicuously printed on its face: YOUR SIGNATURE BELOW AUTHORIZES YOUR MORTGAGE BROKER OR ESCROW AGENT TO FILL IN SPACES YOU LEFT BLANK IN SPECIFIED LOAN DOCUMENTS YOU ARE ABOUT TO SIGN OR MAY HAVE ALREADY SIGNED. UNDER STATE LAW YOU CAN GIVE THIS AUTHORITY, BUT YOU ARE NOT REQUIRED TO DO SO. YOU CAN REFUSE TO SIGN ANY DOCUMENTS UNTIL ALL BLANKS ARE COMPLETELY FILLED IN.

Historical Note

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-921 recodified from R4-4-921 (Supp. 95-1). Amended by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-922. Determining Loan Amounts

In determining the amount of a mortgage loan pursuant to A.R.S. § 6-909(D) or (G), only the principal amount of the loan shall be considered and not any points, interest, finance charges, insurance premiums of any kind, compensation paid to third parties or compensation retained by the mortgage broker or its agents.

Historical Note

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-922 recodified from R4-4-922 (Supp. 95-1).

R20-4-923. Delay or Cause Delay

A mortgage broker shall not be deemed to have delayed or caused delay if such delay occurs due to events outside the control of the mortgage broker.

Historical Note

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-923 recodified from R4-4-923 (Supp. 95-1).

R20-4-924. Receipt and Disbursement of Monies

A licensee is not receiving or disbursing monies in servicing or arranging a mortgage loan if the licensee, at the request of the lender or servicing agent, on an infrequent basis, assists in the collection or servicing of a mortgage loan by receiving from the borrower a check or draft payable to the lender or servicing agent and forwarding such instrument to the lender or servicing agent not later

than 5:00 p.m. on the next business day after receipt by the licensee. For the purposes of this rule, an infrequent basis means, with regard to a particular loan, for not more than 25% of the regularly scheduled payments of the mortgage loan during any calendar year.

Historical Note

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-924 recodified from R4-4-924 (Supp. 95-1).

R20-4-925. Waiver of Examination and Course of Study

The Superintendent's waiver of the examination and course of study requirement under A.R.S. § 6-903 extends to a person designated as a responsible individual by either an applicant or a licensee under A.R.S. § 6-903.

Historical Note

New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-926. Acquisition of Additional Interest in Licensee by Majority Owner

A person that owns 51% or more of a licensee's outstanding voting equity interests, and that acquires the power to vote additional fractional equity interests, shall deliver written notice of the acquisition to the Superintendent. The person shall deliver the notice before completing the acquisition. Within 10 days after completing the acquisition, the person shall deliver documentation evidencing the acquisition to the Superintendent.

Historical Note

New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-927. Conversion to Commercial Mortgage Broker License

- A. Under A.R.S. § 6-913, a mortgage broker licensee shall only be permitted to convert his or her license to a commercial mortgage broker license during the renewal period established by A.R.S. § 6-904.
- B. The licensee seeking conversion shall not be subject to the 12 continuing education units as prescribed by A.R.S. § 6-903(V).
- C. The licensee seeking conversion shall submit:
 1. The renewal fees required by A.R.S. § 6-126 for commercial mortgage brokers, and
 2. The information and documents required by A.R.S. § 6-903.

Historical Note

New Section adopted by final rulemaking at 18 A.A.R. 2622, effective December 2, 2012 (Supp. 12-4).

R20-4-928. Certificate of Exemption Application and Renewal

- A. Under A.R.S. § 6-912(C), upon application for a certificate of exemption, an applicant shall pay a nonrefundable fee of \$300.
- B. A person holding a certificate of exemption shall pay a renewal fee of \$150.00 on or before December 31 of each year. Certificates of exemption not renewed by December 31 are automatically suspended, and the certificate holder shall not act as a registered exempt person until the certificate is renewed or a new certificate is issued pursuant to A.R.S. § 6-912. While the certificate is suspended, the licensed loan originators sponsored by the registered exempt person may not transact business as a loan originator. A registered exempt person may renew an automatically suspended certificate by paying the renewal fee plus \$25.00 for each day after December 31 that a renewal fee is not received by the Superintendent and

applying for renewal as prescribed by the Superintendent. A certificate of exemption that is not renewed by January 31 expires. A certificate of exemption shall not be granted to the holder of an expired certificate of exemption except as provided in A.R.S. § 6-912 for the issuance of an original certificate of exemption. Each licensed loan originator that is sponsored by a registered exempt person whose certificate has expired shall have his or her license placed on inactive status and shall not transact business in Arizona as a loan originator pursuant to A.R.S. § 6-991.02(M).

- C. In addition to the application fee, on issuance of the certificate of exemption, the Superintendent shall collect the first year's renewal fee prorated according to the number of quarters remaining until the date of the next annual renewal, as required by A.R.S. § 6-126(B).
- D. The following fees are payable to the Department:
1. To change the name of the federally chartered savings bank on a certificate of exemption: \$250.00.
 2. To change the responsible individual for the exempt entity: \$250.00.
 3. To issue a duplicate or replace a lost certificate of exemption: \$100.00.
 4. To change the address of the federally chartered savings bank on a certificate of exemption: \$50.00.

ARTICLE 12. RULES OF PRACTICE AND PROCEDURE BEFORE THE DIRECTOR**R20-4-1201. Scope of Article; Definitions**

- A. Scope. This Article, Title 6, Title 32, Chapters 9 and 36, and Title 44, Chapter 2.1 of the Arizona Revised Statutes govern administrative hearings before the Department. The Department shall use the authority of A.R.S. Title 41, Chapter 6, Article 10, the Office of Administrative Hearings' procedural rules and this Article to govern the initiation and conduct of administrative hearings. In an administrative hearing, special procedural requirements in state statute or another Section in this Article shall also govern the proceedings unless the requirements are inconsistent with either A.R.S. Title 41, Chapter 6, Article 10, the Office of Administrative Hearings' rules, or this Article. Except as otherwise provided in Section R20-4-1220 for rulemaking petitions, this Article does not apply to rulemaking or to investigative proceedings before the Director. Unless expressly applicable by rule or statute, the Arizona Rules of Civil Procedure do not apply to administrative hearings.

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

- B.** In addition to the definitions provided in A.R.S. §§ 41-1001 and 41-1092, the following terms apply to this Article:

R20-4-1209. Answer to Notice of an Administrative Hearing

- A.** The Department may, in a notice of hearing, direct one or more parties to file a written answer to the allegations contained in the notice of hearing. Even if not directed to do so, any party to the proceeding may file an answer.
- B.** A party directed to file an answer shall do so within 20 days after issuance of a notice of hearing, unless the notice of hearing states a different period for the answer. The Department may require any party to answer, in a reasonable time, amendments to the assertions in the notice made after service of the original notice.
- C.** An answer filed under this Section shall briefly state the party’s position or defense to the proceeding and shall specifically admit or deny each of the allegations in the notice of hearing. An answering party who does not have, or cannot easily obtain, knowledge or information sufficient to admit or deny an allegation shall state that inability which shall have the effect of a denial. Any allegation not denied is admitted. A party who intends to deny only a part of an allegation, shall expressly admit as much of that allegation as is true and shall deny the remainder.
- D.** A party who fails to file an answer required by this Section within the time allowed is in default. The Director may resolve

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

the proceeding against a defaulting party. In doing so, the Director may regard any allegations in the notice of hearing as admitted by the defaulting party.

- E. Defenses not raised in the answer are waived.

Historical Note

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1209 recodified from R4-4-1209 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3). Amended by final rulemaking at 28 A.A.R. 3620 (November 25, 2022), effective January 1, 2023 (Supp. 22-4).

R20-4-1210. Stay Pending a Hearing

A person aggrieved by the Department's action or order who files a timely written request for a hearing may ask, in the request for a hearing, that the Director stay an action or any part of an order that will become effective before a hearing. The Director may, in the Director's discretion, stay the legal effectiveness of any action or order until the matter can be heard and finally decided if the aggrieved person's request demonstrates that:

1. The person has a reasonable defense that might prevail on the merits at the hearing,
2. The person will suffer irreparable injury unless the Director grants the stay,
3. The stay would not substantially or irreparably harm other interested persons, and
4. The stay would not jeopardize the public interest or contravene public policy.

Historical Note

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1210 recodified from R4-4-1210 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3). Amended by final rulemaking at 28 A.A.R. 3620 (November 25, 2022), effective January 1, 2023 (Supp. 22-4).

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1212 recodified from R4-4-1212 (Supp. 95-1). Section repealed by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3).

R20-4-1213. Repealed**Historical Note**

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1213 recodified from R4-4-1213 (Supp. 95-1). Section repealed by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3).

R20-4-1214. Repealed**Historical Note**

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1214 recodified from R4-4-1214 (Supp. 95-1). Section

repealed by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3).

R20-4-1215. Repealed**Historical Note**

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1215 recodified from R4-4-1215 (Supp. 95-1). Section repealed by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3).

R20-4-1216. Repealed**Historical Note**

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1216 recodified from R4-4-1216 (Supp. 95-1). Section repealed by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3).

R20-4-1217. Repealed**Historical Note**

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1217 recodified from R4-4-1217 (Supp. 95-1). Section repealed by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3).

R20-4-1218. Repealed**Historical Note**

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1218 recodified from R4-4-1218 (Supp. 95-1). Section repealed by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3).

R20-4-1219. Request for Rehearing or Review

- A. Any party aggrieved by an administrative decision may file with the Director within time limits and other procedural guidelines contained in A.R.S. § 41-1092.09, a written motion for rehearing or review of the decision specifying the particular reason for the request.
- B. A party filing a motion under this Section may amend the motion at any time before a response to the motion is filed. An amended motion tolls the time for filing a response and the time for rendering a decision on the motion.
- C. A request for rehearing or review which is not timely filed is deemed waived for the purpose of judicial review.
- D. A motion for rehearing or review shall specify which of the grounds listed in subsection (G) it is based upon and shall set forth the specific facts and laws in support of the motion. A motion may cite relevant portions of testimony from the hearing if a transcript is provided with the motion and may cite hearing exhibits by reference to the exhibit number. The motion shall specify the relief sought by the request, such as a different finding of fact, conclusion of law or order and may seek multiple forms of relief in the alternative. When a motion for rehearing or review is based on an affidavit, the moving party shall attach the affidavit to the motion.
- E. A party may file a separate request for a stay of the Director's decision. Filing a stay request or a motion for rehearing or review does not stay an order filed by the Director. The Director may stay an order pending the resolution of a motion for rehearing or review.
- F. Each party served with a motion for rehearing or review shall be permitted to file a written response within 15 days after the motion has been filed. Affidavits may be attached to and filed with a response. A response may cite relevant portions of testimony from the hearing if a transcript is provided with the

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

response and may cite hearing exhibits by reference to the exhibit number. The Director has the discretion to hear oral argument to consider a request for rehearing or review.

- G.** The Director may grant a motion for rehearing or review for any of the following causes:
1. Irregularity in the proceedings before the Department, in any order, or any abuse of discretion that deprives the moving party of a fair hearing;
 2. Misconduct by the Department, the administrative law judge, or the prevailing party;
 3. Accident or surprise that could not have been prevented by ordinary care;
 4. Newly discovered material evidence that could not reasonably have been discovered and produced at the original hearing;
 5. Excessive or insufficient penalties;
 6. Error in admitting or rejecting evidence or other legal errors occurring at the hearing; and
 7. The decision is not justified by the evidence or is contrary to law.
- H.** The Director may affirm or modify the decision or grant a rehearing as to all or any of the parties and on all or part of the issues for any reason listed in subsection (G). An order granting a rehearing shall specify the reason for granting the rehearing, and the rehearing shall cover only those matters specified.
- I.** The Director, within the time for filing a motion for rehearing, may without a motion for rehearing, order a rehearing for any reason that would allow the granting of a motion for rehearing by a party. The order for rehearing, granted without a motion, shall specify the reason for granting the rehearing.
- J.** The Director may grant a motion for rehearing, timely served, for a reason not stated in the motion. The order for rehearing, granted for a reason not stated in the motion, shall specify the reason for granting the rehearing.

Historical Note

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1219 recodified from R4-4-1219 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3). Amended by final rulemaking at 28 A.A.R. 3620 (November 25, 2022), effective January 1, 2023 (Supp. 22-4).

R20-4-1220. Petition for Rulemaking Action

- A.** The following definitions apply in this Section.
1. "Petitioner" means a person who petitions the Department for Rulemaking action as authorized under A.R.S. § 41-1033(A).
 2. "Rule" has the meaning stated at A.R.S. § 41-1001 and is enforceable by the Department.
 3. "Rulemaking action" means the process for formulation and finalization of a new rule, or amendment or repeal of an existing rule.
 4. "Substantive Policy Statement" has the meaning stated at A.R.S. § 41-1001, is advisory only, and is not enforceable by the Department.
- B.** Any person may petition the Department under A.R.S. § 41-1033(A) to either:
1. Make, amend, or repeal a final Rule; or
 2. Review an existing agency practice or Substantive Policy Statement that the Petitioner alleges to constitute a Rule.
- C.** A person who files a petition pursuant to A.R.S. § 41-1033(A), shall include the following information in the petition:
1. The Petitioner's name and contact information;

2. The name and address of any organization the Petitioner represents;
 3. Whether the Petitioner is petitioning the Department to:
 - a. Make, amend, or repeal a final Rule; or
 - b. Review an existing agency practice or Substantive Policy Statement that the Petitioner alleges to constitute a Rule;
 4. A detailed explanation of Petitioner's basis for submitting the petition;
 5. If the Petitioner is petitioning the Department to make a Rule, the language of the proposed new Section and the specific authority for the requested Rulemaking action;
 6. If the Petitioner is petitioning the Department to amend an existing Rule, a citation to the existing Section to be amended, the language of the proposed Rule amendment, and the specific authority for the requested Rulemaking action;
 7. If the Petitioner is petitioning the Department to repeal an existing Rule, a citation to the existing Section or subsection to be repealed, and an explanation of why the Rule should be repealed including, if applicable, how the Rule does not meet the requirements of A.R.S. § 41-1030;
 8. If the Petitioner is petitioning the Department to review an existing agency practice that the Petitioner alleges to constitute a Rule, a description of the Department's practice, an explanation of how the Department's practice constitutes a Rule being enforced by the Department, the language of the proposed new Rule, and the specific authority for the requested Rulemaking action;
 9. If the petitioner is petitioning the Department to review a Substantive Policy Statement that the Petitioner alleges to constitute a Rule, a citation to the Substantive Policy Statement, an explanation of how the Substantive Policy Statement is being enforced by the Department as a Rule, the language of the proposed new Rule, and the specific authority for the requested Rulemaking action; and
 10. The petitioner's dated signature.
- D.** The petitioner may submit additional supporting information, including:
1. Statistical data; and
 2. A list of other persons and entities likely to be affected by the proposed Rulemaking action, with an explanation of the likely effects.
- E.** Within 60 days of the date the Department receives the petition, the Director shall send the petitioner a written decision indicating whether the Department is denying the petition or will initiate the requested Rulemaking action, with the reasons for the decision.

Historical Note

R20-4-1502. Applications

- A. An applicant for a license shall complete and file an application, as required by the Department, by delivering the application to the Director, together with the following documents and payment:
 1. The bond required by A.R.S. § 32-1021;
 2. The nonrefundable investigation fee and original license fee required by A.R.S. § 32-1028 and stated in A.R.S. § 6-126;
 3. A current financial statement in the form required by the Department;
 4. A certified copy of the current articles of incorporation, by-laws, partnership agreement, or other organizational documents under which the applicant proposes to conduct business; and
 5. A statement of personal history for each principal officer, partner, and manager of the applicant, in the form required by the Department.
- B. An out-of-state collection agency applying for a license under A.R.S. § 32-1024 shall complete and file the application required by subsection (A), together with a signed statement declaring that:
 1. The requirements for securing the out-of-state license were, when issued, substantially the same or equivalent to the requirements imposed under A.R.S. Title 32, Chapter 9, Article 2. The statement shall also contain a complete description of those requirements.
 2. The state issuing the out-of-state license extends reciprocity to Arizona licensees under similar circumstances. The statement shall also contain a complete description of the conditions for reciprocity in the other state.
- C. A licensee applying for license renewal shall complete and file an application, as required by the Department, by delivering the renewal application to the Director before January 1, together with the renewal fee required by A.R.S. § 32-1028 and stated in A.R.S. § 6-126. An application for renewal shall also include a current financial statement in the form required by the Department.
- D. An applicant for a provisional license under A.R.S. § 32-1027 shall complete and file an application as required by the Department, by delivering the application to the Director within 30 days of the event justifying a provisional license. The applicant shall deliver the application together with each of the following:
 1. A bond that satisfies the requirements of A.R.S. § 32-1022;
 2. A current financial statement as required by the Department;
 3. A detailed description of the facts justifying the issuance of a provisional license; and
 4. Evidence that the licensee notified the Director as required by A.R.S. § 32-1023, in the event the licensee has terminated its active manager.
- E. An applicant for a provisional license shall, in each instance, be appropriate to the circumstances justifying the provisional license, as follows:
 1. A licensee's personal representative, or the personal representative's appointee, shall complete and file an application if the licensee, a natural person, has died;
 2. The surviving partners shall complete and file an application if the licensee, a partnership, has dissolved;

R20-4-1503. Reports

A collection agency shall notify the Director in writing of any change in the officers, directors, partners, or active manager of the collection agency not more than 10 days after the change. With the notice, the collection agency shall provide the Director with a Statement of Personal History for each new officer, director, partner, or active manager on a form obtained from the Department.

Historical Note

Adopted effective December 18, 1979 (Supp. 79-6). R20-4-1503 recodified from R4-4-1503 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1504. Records

- A. A licensee may keep its books, accounts, and records as electronic records if the licensee can generate all information and copies required by this Section within the timeframe set by the Department for examination or other purposes.
- B. All licensees shall keep and maintain books, accounts, and records adequate to provide a clear and readily understandable record of all business conducted by the collection agency, including:
 1. Records or books of account listing all clients' accounts. Each account shall reflect its true condition at each calendar month's end, and shall include:
 - a. The client's name and address;
 - b. Each debtor's name worked for collection in that month;
 - c. The amount, description, and date of each debit and each credit to the account; and
 - d. The balance due to, or owing from, the client.
 2. A record and history of each debt for collection that clearly shows:
 - a. The debtor's name;
 - b. The debt's principal amount;
 - c. The interest charged or collected;
 - d. The amount, and description, of any other charges;
 - e. The amount, and date, of each payment received or collected; and
 - f. The current balance due on the debt.
 3. An original of each written contract between the licensee and a client, including any contract amendments.

- C. A person issuing a receipt for a collection agency shall sign the receipt using that person's true name. Each receipt shall also show the collection agency's name.
- D. A licensee shall maintain all records required under this Section and shall make them available for examination, investigation, or audit in Arizona within three working days after the Director demands the records.
- E. A licensee shall retain the records required by this Section for the following periods:
 1. A licensee shall retain all records described in subsections (B)(1), and (B)(3) through (8) for at least seven years following their creation.
 2. A licensee shall retain all records described in subsection (B)(2) for at least three years from an account's assignment to the licensee. If a licensee collects any money on an account, the licensee shall retain the records described in subsection (B)(2) for at least three years from the last collection date.

Historical Note

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). Amended effective December 18, 1979 (Supp. 79-6). R20-4-1504 recodified from R4-4-1504 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 4742, effective November 13, 2000 (Supp. 00-4). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1505. Trust Account

- A. A licensee that maintains an office in Arizona shall deposit all funds collected for a client in a trust account at a federally insured depository institution in Arizona. A licensee that does not maintain an office in Arizona shall deposit all funds collected for a client in a trust account at a federally insured depository institution in the state where the licensee maintains its principal office. A licensee shall deposit all client funds before the close of its business on the third business day after the licensee receives the funds. Client funds shall remain on deposit as required by this Section until:
 1. Paid over to a client, or
 2. Otherwise paid as provided in this Section.
- B. A licensee shall pay funds from the trust account either:
 1. By prenumbered printed checks, or
 2. By electronic payment.
- C. A licensee shall deposit in its trust account only the funds it has collected for its client. A licensee, its officers, directors, partners, managers, members, or employees shall not commin-

Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1511. Prohibition of Harassment

- A.** A collection agency shall not use unauthorized or oppressive tactics designed to harass any person to pay a debt.
- B.** A collection agency shall not use written or oral communications that ridicule, disgrace, or humiliate any person, or tend to ridicule, disgrace, or humiliate any person.
- C.** A collection agency shall not state, imply, or tend to imply, in written or oral communications, that any person is guilty of fraud or any other crime.
- D.** A collection agency shall not permit its agents, employees, representatives, debt collectors, or officers to use obscene or abusive language in efforts to collect a debt.
- E.** A collection agency or its agents, employees, representatives or officers are subject to penalties listed in A.R.S. § 32-1056(B) for any violation of this Article, as well as other liabilities imposed under any other provision of law.

Historical Note

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1512. Contacts with Debtors and Others

- A.** A collection agency shall contact a debtor by telephone only during reasonable hours. A collection agency shall make a reasonable attempt to contact a debtor at the debtor's residence. A collection agency may contact a debtor at the debtor's place of employment if a reasonable attempt to contact the debtor at the debtor's residence has failed.
- B.** A collection agency shall not threaten to or contact a third party, including a debtor's friend, relative, neighbor, or employer and:
1. Inform the third party of the debt;
 2. Ask the third party to pressure the debtor into paying the debt; or
 3. Ask the third party to pay the debt, unless the third party is legally obligated to pay the debt.
- C.** Despite the other provisions of this Section, a collection agency may make lawful service on third parties, including employers, of a writ of garnishment or other writ in aid of execution after judgment has been entered against a debtor.

Historical Note

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1513. Cessation of Communication with the Debtor

- A.** A collection agency shall stop contacting a debtor, directly or indirectly, if the debtor tells the collection agency that the debtor is represented by a lawyer and wants the collection agency to communicate with the debtor through the debtor's lawyer. The collection agency may later contact the debtor if the collection agency contacts the lawyer named by the debtor and learns that the lawyer does not represent the debtor.
- B.** A collection agency shall stop contacting a debtor, directly or indirectly, if the debtor gives the collection agency written notice that the debtor:
1. Refuses to pay the debt, or
 2. Wants the collection agency to stop all further communication with the debtor.
- C.** Despite the provisions of subsection (B), a collection agency may contact a debtor to inform the debtor that:
1. The collection agency has stopped trying to collect the debt, or
 2. The collection agency or the creditor may invoke specific remedies that are customarily used by the collection agency or the creditor.
- D.** The debtor's written notice under subsection (B) is effective upon receipt by the collection agency if delivered by mail.

Historical Note

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). Amended effective December 18, 1979 (Supp. 79-6). R20-4-1513 recodified from R4-4-1513 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1516. Advertising

A collection agency shall not use any form of communication to state or imply that the collection agency is:

1. Approved, bonded by, or affiliated with the state of Arizona;
2. A state agency;
3. The director of any state agency; or
4. Authorized to practice law.

Historical Note

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). R20-4-1516 recodified from R4-4-1516 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). R20-4-1517. Repealed**Historical Note**

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). R20-4-1517 recodified from R4-4-1517 (Supp. 95-1). Section repealed by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2).

R20-4-1518. Agreements with Clients

A collection agency's records shall document each client's account in writing. The records for an account shall include either a written agreement between the client creditor and the collection agency, or a written direction from the creditor to the collection agency concerning a specific debt placed for collection. The collection agency shall keep records that are specific, easily understood, and unambiguous. A provision of a written agreement or written direction that suggests the collection agency has authority to represent the client in court, or to practice law in any other way, is void and prohibited by this Section. The records for an account shall separately state:

1. The names of the parties to the agreement or written direction,
2. The terms or rate of compensation paid to the collection agency,

3. The length of time the agreement or written direction is intended to be in effect, and
4. Any conditions regarding collection of a particular debt.

Historical Note

R20-4-1519. Licensee Names and Control

- A.** The Department shall not issue a license with a name that is:
1. Similar to, or that may be confused with, any federal, state, county, or municipal government function or agency;
 2. Descriptive of any business activity that the applicant does not actually conduct;
 3. The same as, or similar to, the name of any existing collection agency, or
 4. Otherwise deceptive or misleading.
- B.** The Department may permit the use of a name otherwise prohibited under subsection (A)(3) based on its analysis of whether the name includes geographic or other information that distinguishes it from the existing collection agency.
- C.** A collection agency shall not use a collection agency license to do business under more than one name. Each collection agency shall apply for and obtain a separate license for each business name it intends to use in Arizona.

Historical Note

Adopted effective December 18, 1979 (Supp. 79-6). R20-4-1519 recodified from R4-4-1519 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1520. Representations of Collection Agency Employees' Identity or Position

- A.** A collection agency shall not allow its debt collector, agent, representative, employee, or officer to:
1. Misrepresent the person's true position with the collection agency;
 2. Claim to be, or imply that the person is, an attorney unless the person is licensed to practice law;
 3. Claim to be, or imply that the person is, a public official, peace officer, or any other type of public employee; or
 4. Claim to be, or imply that the person is, any other third party.
- B.** In any communication with a debtor, a person working for a collection agency shall indicate that the person is a debt collector.
- C.** A collection agency shall keep a record of all fictitious names used by its debt collectors during their employment. The collection agency shall record the information required by this subsection before permitting the use of a fictitious name. The collection agency shall file a copy of the record of fictitious names with the Department on July 1 and December 31 of each year. After filing the initial report, a collection agency shall identify all changes to the record on July 1 and December 31 of each year. The collection agency's record of fictitious names shall include:
1. The true name of each debt collector that uses a fictitious name;

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

2. Each fictitious name used by the debt collector, together with the dates when the name is used; and
3. The residential street address and residential mailing address of each debt collector that uses a fictitious name.

Historical Note

R20-4-1521. Duty of Investigation

A collection agency shall give copies of its evidence of the debt to the debtor or the debtor's attorney upon request. After providing the evidence, but before continuing its collection efforts against the debtor, the collection agency shall investigate any claim by the debtor or the debtor's attorney that:

1. The debtor has been misidentified,
2. The debt has been paid,
3. The debt has been discharged in bankruptcy, or
4. Based on any other reasonable claim, the debt is not owed.

R20-4-1803. Restrictions on the Term of a Cash Alternative to a Surety Bond

A licensee or applicant shall not place a certificate of deposit or investment certificate as a cash alternative to a surety bond with the Superintendent that is renewable or expires earlier than 12 months from the date of issuance.

Historical Note

New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-1804. Requirements for a Person Intended to Oversee a Branch Office

A person designated to oversee the operations of a branch office shall be knowledgeable about the branch activities of the licensee, supervise compliance by the branch with applicable law and rules, and have sufficient authority to ensure such compliance. One person may oversee more than one branch.

Historical Note

New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-1805. Notification of Change of Address

If a licensee changes the licensee's principal place of business, or the location of a branch office, the licensee shall notify the Superintendent at least five business days before the address change. With the notice, a licensee shall provide the Superintendent with the license for the office changing its address and the fee required by A.R.S. § 6-126 for changing an office address. A copy of the license shall continue to be displayed at the place of business until a new license is issued.

Historical Note

R20-4-1806. Recordkeeping Requirements

A. The Superintendent shall approve a licensee's use of a computer or mechanical recordkeeping system if the licensee gives the Superintendent advanced written notice that it intends to do so. The Department shall not require a licensee to keep a written copy of the records if the licensee can generate all information required by this Section in a timely manner for examination or other purposes. A licensee may add, delete, modify, or customize an approved computer or mechanical recordkeeping system's hardware or software components. When requested, or in response to a written notice of an examination, a licensee shall report to the Superintendent any alteration in the approved system's fundamental character, medium, or function if the alteration changes:

1. Any approved computer or mechanical system back to a paper-based system; or
2. An approved mechanical system to a computer system; or
3. An approved computer system to a mechanical system.

B. In addition to any statutory requirement regarding records, a record maintained by a mortgage banker shall include the following:

1. A list of all executed loan applications or executed fee agreements that includes the following information:
 - a. Applicant's name;
 - b. Application date;
 - c. Amount of initial loan request;
 - d. Final disposition date;
 - e. Disposition (funded, denied); and

 - a. Payor's name;
 - b. Date received;
 - c. Amount; and
 - d. Receipt's purpose including identification of a related loan, if any;
 3. A sequential listing of checks written for each bank account relating to the mortgage banker business, such as a cash disbursement journal, including:
 - a. Payee's name;
 - b. Amount;
 - c. Date; and
 - d. Payment's purpose including identification of a related loan, if any;
 4. Bank account activity source documents for the mortgage banker business including receipted deposit tickets, numbered receipts for cash, bank account statements, paid checks, and bank advices;
 5. A trust subsidiary ledger for each borrower that deposits trust funds showing:
 - a. Borrower's name or co-borrowers' names;
 - b. Loan number, if any;
 - c. Amount received;
 - d. Purpose for the amount received;
 - e. Date received;
 - f. Date deposited into trust account;
 - g. Amount disbursed;
 - h. Date disbursed;
 - i. Disbursement's payee and purpose; and
 - j. Balance;
 6. A file for each application for a mortgage banking loan or a mortgage loan containing:
 - a. The agreement with the customer concerning the mortgage banker's services, whether as a loan application, fee agreement, or both;
 - b. Document showing the application's final disposition, such as a settlement statement, or a denial or withdrawal letter;
 - c. Correspondence sent, received, or both by the licensee;
 - d. Contract, agreement and escrow instructions to or with any depository;
 - e. Documents showing compliance with the Consumer Credit Protection Act's (15 U.S.C. §§ 1601 through 1666j) and the Real Estate Settlement Procedures Act's (12 U.S.C. §§ 2601 through 2617) disclosure requirements, to the extent applicable;
 - f. If the loan is closed in the licensee's name, and funded by a lender that is not an institutional investor as defined at A.R.S. § 6-943, a copy of the executed note, executed deed of trust or mortgage, and each assignment of beneficial interest by the licensee, if any. If any of the documents listed in this subsection have been recorded, the file shall also contain legible copies of the recorded documents, and;
 - g. Itemized list of all fees taken in advance including appraisal fee, credit report fee, and application fee;
 7. Samples of every piece of advertising relating to the mortgage banker's business in Arizona;
 8. Copies of governmental or regulatory compliance reviews;
 9. If the licensee is not a natural person, a file containing:

 10. If the licensee or anyone directly or indirectly owning more than 20% of the licensee has a felony conviction, a copy of the judgment or other record of conviction;
 11. If the licensee or anyone directly or indirectly owning more than 20% of the licensee has, in the previous seven years, been named a defendant in any civil suit, a copy of the complaint, any answer filed by the licensee, and any judgment, dismissal or other final order disposing of the action;
 12. If the Superintendent has granted approval to maintain records outside this state, the specific address where the records are kept, and a person's name to contact for them;
 13. If a licensee does business in other states, it must be able to separate Arizona loan information from information relating to other states to enable the Superintendent to conduct an examination.
 14. A licensee shall produce a trial balance of the general ledger monthly to evidence the mortgage banker's net worth.
- C.** If 10 or fewer transactions have occurred during the prior calendar quarter, a licensee shall reconcile and update all records specified in subsection (B) at least once each calendar quarter. A licensee shall reconcile and update all records specified in subsection (B) monthly if more than 10 transactions occurred during the prior calendar quarter. In addition to reconciling each trust bank account, a licensee shall verify each trust balance to each trust subsidiary ledger at each reconciliation.
- D.** A licensee shall retain the documents described in subsections (B)(1) and (6) for the length of time provided in A.R.S. § 6-946. For the purposes of A.R.S. § 6-946, the mortgage banking loan's closing date, on a loan application that did not result in the making of a loan, is either:
1. The date a licensee receives a written cancellation notice from an applicant; or
 2. The date a licensee mails written notice to an applicant that an application has been denied, as required by federal law.
- E.** A licensee shall maintain all other records described in this Section, and not included in subsection (D), for at least two years.

Historical Note

New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-1807. Providing Copies of Records

ARTICLE 19. COMMERCIAL MORTGAGE BANKERS**R20-4-1901. Exemption for an Institutional Investor**

A. The exemption from the licensure requirement for an institutional investor, solely as that term is used in A.R.S. §§ 6-971, 6-972, and this Article, applies only if a person claiming the exemption meets all the following criteria:

1. The claimant originates or directly or indirectly makes, negotiates, or offers to make or negotiate commercial mortgage loans that are all exclusively funded by the claimant's own resources, as defined in A.R.S. § 6-971;
2. The claimant does so in the regular course of business;
3. The claimant makes only commercial mortgage loans, as defined in A.R.S. § 6-971;
4. The claimant makes each loan on the security of commercial property, as defined in A.R.S. § 6-971; and
5. The claimant makes only loans of more than \$250,000.

B. If a claimant makes even one commercial mortgage loan that does not satisfy all the above criteria, any claim of exemption is invalid, and that person shall not engage in any lending activity before obtaining a license.

Historical Note

New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-1902. Exemption for an Entity Regulated by an Agency of this State, Other States, or by the United States

A. The exemption under A.R.S. § 6-972(9) only applies to a person whose offers to make or negotiate a "commercial mortgage loan," as that term is defined in A.R.S. § 6-971, and all commercial mortgage loans made or negotiated by the person are regulated directly by an agency of this state, any other state, or the United States.

B. The required regulation of the transactions listed in subsection (A) includes:

1. Rules governing a claimant's accounting and recordkeeping practices;
2. The authority to examine a claimant's books and records relating to its commercial mortgage lending activities;
3. The ability to place a claimant in a receivership or conservatorship with regard to the claimant's commercial mortgage lending activities.

13. For an advance fee loan broker, \$25.

6-991.01. Exemptions

This article does not apply to:

1. Registered loan originators.
2. An individual who offers or negotiates terms of a residential mortgage loan secured by a dwelling that served as the individual's residence.
3. A person who is a responsible individual as described in section 6-903, 6-943 or 6-973 and who does not act as a loan originator pursuant to article 1, 2 or 3 of this chapter.
4. An employee of a commercial mortgage banker licensed pursuant to article 3 of this chapter.
5. An employee of a person licensed pursuant to this chapter if the licensee affirms in writing to the deputy director that the licensee will not originate or negotiate a mortgage loan that has security in the form of a residential dwelling of one to four units.
6. A person who, as seller of real property, receives one or more mortgages or deeds of trust as security for a purchase money obligation.
7. A licensed attorney who negotiates the terms of a residential mortgage loan on behalf of a client as an ancillary matter to the attorney's representation of the client, unless the attorney is compensated by a lender, a mortgage broker or any other loan originator or by any agent of the lender, mortgage broker or other loan originator.
8. An individual who offers to negotiate terms of a residential mortgage loan with or on behalf of the individual's immediate family member and who does not otherwise engage in the business of a loan originator.
9. A manufactured home retailer and its employees if performing only clerical or support duties in connection with the sale or lease of a manufactured home and the manufactured home retailer and its employees receive no compensation or other gain from a mortgage banker or a mortgage broker for the performance of the clerical or support duties.
10. An individual who is employed by a residential mortgage loan servicer if the individual is involved solely in loss mitigation efforts, unless the United States department of housing and urban development determines that the secure and fair enforcement for mortgage licensing act of 2008 (P.L. 110-289; 122 Stat. 2810; 12 United States Code sections 5101 through 5116) requires the individual to be licensed as a mortgage loan originator. For the purposes of this paragraph, "loss mitigation efforts" means a residential mortgage loan borrower is in default or default is reasonably foreseeable and an individual works with the borrower on behalf of the residential

mortgage loan servicer to modify either temporarily or permanently the obligation or to otherwise mitigate loss on an existing residential mortgage loan.

11. An employee or the person who is the responsible individual of a financial institution who is licensed pursuant to article 1, 2 or 3 of this chapter if the responsible individual certifies in writing to the deputy director that the employee or the responsible individual, or both the employee and the responsible individual, will only originate commercial mortgage loans as defined in section 6-901.

6-991.02. Prohibited acts

A. A loan originator acting on the loan originator's own behalf shall not accept any monies or documents in connection with an application for a mortgage loan.

B. An individual is not entitled to receive compensation in connection with arranging for or negotiating a mortgage loan if the individual is not licensed pursuant to this chapter. An individual who is not specifically exempted from licensure pursuant to this article shall not engage in the business of a loan originator with respect to any dwelling in this state without first obtaining and maintaining annually a license pursuant to this article. Each licensed loan originator must register with and maintain a valid unique identifier issued by the nationwide mortgage licensing system and registry established by the secure and fair enforcement for mortgage licensing act of 2008 (P.L. 110-289; 122 Stat. 2810; 12 United States Code sections 5101 through 5116) or its successor.

C. A loan originator acting on the loan originator's own behalf shall not advertise, display, distribute, broadcast or televise, or cause or allow to be advertised, displayed, distributed, broadcast or televised, in any manner, any solicitation of mortgage business.

D. A loan originator shall not make, negotiate or offer to make or negotiate for compensation, either directly or indirectly, a loan that is either:

1. Less than the minimum amount that the loan originator's employer is allowed to make.

2. Not secured by a mortgage or deed of trust or other lien interest in real property unless employed by a consumer lender.

E. A loan originator who is employed by a mortgage broker or mortgage banker to act in the capacity of the mortgage broker or mortgage banker shall not be employed concurrently by any other mortgage broker or mortgage banker.

F. A loan originator shall not collect compensation for rendering services as a real estate broker or real estate salesperson licensed pursuant to title 32, chapter 20 unless both of the following apply:

1. The loan originator is licensed pursuant to title 32, chapter 20.

2. The employing mortgage broker or mortgage banker has disclosed to the person from whom the compensation is collected at the time a mortgage loan application is received that the loan originator is receiving compensation both for mortgage broker or mortgage banker services, if applicable, and for real estate broker or real estate salesperson services.

G. A loan originator shall not accept any assignment of the borrower's wages or salary in connection with activities governed by this article.

H. A loan originator shall not receive or disburse monies in servicing or arranging a mortgage loan.

I. A loan originator shall not make a false promise or misrepresentation or conceal an essential or material fact in the course of the mortgage broker or mortgage banker business.

J. A loan originator shall not fail to truthfully account for the monies belonging to a party to a mortgage loan transaction or fail to disburse monies in accordance with the employing mortgage broker or mortgage banker agreements.

K. A loan originator shall not engage in illegal or improper business practices.

L. A loan originator shall not require a person seeking a loan secured by real property to obtain property insurance coverage in an amount that exceeds the replacement cost of the improvements as established by the property insurer.

M. A loan originator shall not originate a mortgage loan unless employed by a mortgage broker, mortgage banker or consumer lender or under an exclusive contract with an exempt person who is registered pursuant to section 6-912.

N. A loan originator shall not advertise for or solicit mortgage business in any manner without all of the following:

1. The employer's name, or other assumed name or trade name that is submitted to the department pursuant to section 6-117, and the employer's license number.

2. Approval of the employing mortgage broker, mortgage banker, consumer lender or registered exempt person.

3. The unique identifier the loan originator maintains with the nationwide mortgage licensing system and registry established by the secure and fair enforcement for mortgage licensing act of 2008 (P.L. 110-289; 122 Stat. 2810; 12 United States Code sections 5101 through 5116) or its successor.

O. On request, a loan originator shall make available to the deputy director the books and records relating to the loan originator's operations. The deputy director may have access to the books and records and interview the officers, principals, employees, independent contractors, agents and customers of the loan originator concerning their business. In connection with a request pursuant

to this subsection, a person may not knowingly withhold, abstract, remove, mutilate, destroy or secrete any books, records or other information.

P. A loan processor or underwriter who is an independent contractor may not engage in the activities of a loan processor or underwriter unless the loan processor or underwriter obtains and maintains a license pursuant to section 6-991.03. Each independent contractor loan processor or underwriter licensed as a loan originator must have and maintain a valid unique identifier.

Q. An individual engaging solely in loan processor or underwriter activities shall not represent to the public through advertising or other means of communicating that the individual can or will perform any of the activities of a loan originator.

6-991.03. Licensing; renewal; qualifications; application; fees

A. A natural person shall not act as a loan originator unless the person is licensed under this article.

B. The deputy director shall not grant a loan originator license to a person, other than a natural person. An applicant for an original loan originator's license shall have done all of the following:

1. Satisfactorily completed a course of study, including at least twenty hours of education, for loan originators approved by the deputy director during the three-year period immediately preceding the time of application. The twenty hours of education must include at least all of the following:

(a) Three hours of federal law.

(b) Three hours of ethics, which shall include instruction on fraud, consumer protection and fair lending issues.

(c) Two hours of training related to lending standards of the nontraditional mortgage product marketplace.

(d) Four hours of the laws of this state.

2. Completed late continuing education for the purposes of satisfying continuing education for the last year that the loan originator was in renewable status.

3. Passed a loan originator's examination pursuant to section 6-991.07. The applicant shall demonstrate knowledge and understanding of the following:

(a) Federal laws.

(b) Other applicable laws.

(c) Subjects described in section 6-991.07, subsection A.

4. Retaken the loan originator's examination if the licensed loan originator failed to maintain a valid license for a period of five years or longer, not including any time during which the applicant is a registered loan originator.
 5. Obtained a unique identifier through the nationwide mortgage licensing system and registry established by the secure and fair enforcement for mortgage licensing act of 2008 (P.L. 110-289; 122 Stat. 2810; 12 United States Code sections 5101 through 5116) or its successor.
 6. Deposited with the deputy director a bond executed by the applicant's employer or registered exempt person as principal and a surety company licensed to do business in this state as a surety pursuant to section 6-903, 6-912 or 6-943.
 7. Submitted fingerprints to the department for the purpose of a background investigation.
 8. Paid an amount to be determined by the deputy director for deposit in the mortgage recovery fund established pursuant to section 6-991.09 or deposited with the deputy director a bond executed by the applicant's employer or registered exempt person as principal and a surety company licensed or approved to do business in this state for the benefit of any person aggrieved by any act, representation, transaction or conduct of a licensed loan originator that violates this title or the rules adopted pursuant to this title. Notwithstanding section 6-903 or 6-943, the amount of the bond shall be in an amount of not less than \$200,000. Loan originators working under the employer or registered exempt person bond described in this paragraph do not have to contribute to the mortgage recovery fund.
- C. A person shall apply for a license or renewal of a license in writing in the manner prescribed by the deputy director and accompanied by the information prescribed by the deputy director.
- D. Before submitting a renewal application, an applicant for renewal of a loan originator license shall have satisfactorily completed eight approved continuing education units that include at least:
1. Three hours of federal law.
 2. Two hours of ethics, including instruction on fraud, consumer protection and fair lending issues.
 3. Two hours of training related to lending standards for the nontraditional mortgage product marketplace.
 4. One hour of the laws of this state.
- E. Education courses taken before licensure shall be reviewed and approved by the nationwide mortgage licensing system and registry established by the secure and fair enforcement for mortgage licensing act of 2008 (P.L. 110-289; 122 Stat. 2810; 12 United States Code sections 5101 through 5116) or its successor.

F. Continuing education courses shall be reviewed and approved by the nationwide mortgage licensing system and registry established by the secure and fair enforcement for mortgage licensing act of 2008 (P.L. 110-289; 122 Stat. 2810; 12 United States Code sections 5101 through 5116) or its successor. A licensed loan originator:

1. May only receive credit for a continuing education course in the year in which the course is taken.

2. May not take the same approved course in the same year or successive years to meet the annual requirements for continuing education.

G. The nonrefundable application fee shall accompany each application for an original loan originator license.

H. A license issued pursuant to this article is not transferable or assignable.

I. At the deputy director's discretion, application fees may be waived if the applicant is a housing counselor certified by the United States department of housing and urban development and employed by a nonprofit agency.

J. Each mortgage broker, mortgage banker or registered exempt person shall submit to the nationwide mortgage licensing system and registry established by the secure and fair enforcement for mortgage licensing act of 2008 (P.L. 110-289; 122 Stat. 2810; 12 United States Code sections 5101 through 5116) or its successor reports of condition that are in a form and that contain information required by the nationwide mortgage licensing system.

K. The deputy director shall establish a process for loan originators to challenge information that the deputy director enters into the nationwide mortgage licensing system and registry.

6-991.04. Issuance of license; notice from employing mortgage broker, mortgage banker or consumer lender or registered exempt person; renewal; inactive status; address change; fee

A. The deputy director, on determining that an applicant is qualified and has paid the required fees, shall issue a loan originator's license to the applicant evidenced by a continuous certificate. The deputy director shall grant or deny a license within one hundred twenty days after receiving the completed application and fees. An applicant who has been denied a license may not reapply for a license before one year after the date of the previous application.

B. On issuance of the license, the deputy director shall keep the loan originator's license until a mortgage broker or mortgage banker licensed pursuant to this chapter or a consumer lender employs the loan originator and the employer provides a written notice that the employer has hired the loan originator or until an exempt person who is registered pursuant to section 6-912 provides a written notice that the exempt person has engaged the loan originator on an exclusive contract with the exempt person. The employer shall provide the notice before the loan originator begins working for the employer. Exempt persons who are registered pursuant to section 6-912 shall provide the notice before the loan originator begins work under the exclusive contract with

the exempt person. The notice shall be from an officer or other person authorized by the employer or registered exempt person.

C. Licenses shall be issued for a one-year period.

D. A loan originator shall apply for renewal on forms prescribed by the deputy director. The application shall include original certificates evidencing the loan originator's successful completion of eight continuing education units during the preceding one-year period by a continuing education provider approved by the deputy director.

E. A loan originator shall pay the renewal fee every year on or before December 31. Licenses not renewed by December 31 are suspended, and the licensee shall not act as a loan originator until the license is renewed or a new license is issued pursuant to this article. A person may renew a suspended license by paying the renewal fee plus a dollar amount to be determined by the deputy director for each day after December 31 that a license renewal fee is not received by the deputy director.

F. Licenses that are not renewed by January 31 of each year expire. A license shall not be granted to the holder of an expired license except as provided in this article for the issuance of an original license.

G. From December 1 through December 31 of each renewal period, a licensee may request inactive status for the following license period. The license shall be placed on inactive status after the licensee pays to the deputy director the inactive status renewal fee and surrenders the license to the deputy director. During inactive status, an inactive licensee shall not act as a loan originator. The license expires if the licensee violates this subsection.

H. At renewal, an inactive licensee may return to active status by doing all of the following:

1. Providing the deputy director with evidence that the licensee has met the requirements of section 6-991.03, subsection B.

2. Making a written request to the deputy director for reactivation.

3. Paying the annual licensing fee.

4. Providing the deputy director with proof that the licensee meets all other requirements for acting as a loan originator.

I. The mortgage broker, mortgage banker, consumer lender or registered exempt person shall keep and maintain at the principal place of business in this state the loan originator's license during the loan originator's employment or exclusive contract term. A copy of the loan originator's license shall be available for public inspection during regular business hours.

J. A loan originator shall immediately notify the deputy director of a change in the loan originator's residence address. The deputy director shall endorse the change of address on the license for a fee to be determined by the deputy director.

K. Within five business days after any licensee's employment termination, the employing mortgage broker, mortgage banker, consumer lender or registered exempt person shall do both of the following:

1. Notify the deputy director of the licensee's termination.
2. Return the license to the deputy director.

L. An applicant for a loan originator license who is currently registered with the nationwide mortgage licensing system and registry established by the secure and fair enforcement for mortgage licensing act of 2008 (P.L. 110-289; 122 Stat. 2810; 12 United States Code sections 5101 through 5116) or its successor may be granted a temporary license for a period of not more than one hundred eighty days.

M. The deputy director shall establish a process for loan originators to challenge information that the deputy director enters into the nationwide mortgage licensing system and registry.

6-991.07. Examination; fee; definition

A. Each applicant for an original loan originator license, before issuance of the license, shall take and pass an examination that is developed or otherwise deemed acceptable by the nationwide mortgage licensing system and registry established by the secure and fair enforcement for mortgage licensing act of 2008 (P.L. 110-289; 122 Stat. 2810; 12 United States Code sections 5101 through 5116) or its successor and that is given under the supervision of the department or its designee. The examination must reasonably examine the applicant's knowledge of all of the following:

1. The obligations between principal and agent.
2. The applicable canons of business ethics.
3. The arithmetical computations common to mortgage brokerage.
4. The principles of real estate lending.
5. The general purposes and legal effect of mortgages, deeds of trust and security agreements.
6. The terms and conditions of conforming and nonconforming residential mortgage products.

B. The examination is subject to the deputy director's approval.

C. An applicant may take the examination three consecutive times with each consecutive taking occurring at least thirty days after the preceding examination. An applicant who fails the examination on three consecutive occasions must wait at least six months before taking the examination again.

D. All examinations shall be given, conducted and graded in a fair and impartial manner and without unfair discrimination between individuals examined. The department's designee shall inform the applicant of the result of the examination within thirty days after the examination.

E. The deputy director shall set the fee for each examination that is consistent with the requirements established by the nationwide mortgage licensing system and registry established by the secure and fair enforcement for mortgage licensing act of 2008 (P.L. 110-289; 122 Stat. 2810; 12 United States Code sections 5101 through 5116) or its successor. The deputy director may contract for the examination for the licensing of applicants. If the deputy director contracts for the examination, the fee for examination for licenses pursuant to this section is payable directly to the contractor by the applicant for examination.

F. For the purposes of this section, "applicant" means a person who has submitted a completed application in the form prescribed by the deputy director.

GOVERNOR'S REGULATORY REVIEW COUNCIL

ATTORNEY MEMORANDUM - REGULAR RULEMAKING

MEETING DATE: May 6, 2025

TO: Members of the Governor's Regulatory Review Council (Council)

FROM: Council Staff

DATE: April 22, 2025

SUBJECT: DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS
Title 20, Chapter 4

Amend: R20-4-1801, R20-4-1802, R20-4-1803, R20-4-1804, R20-4-1805, R20-4-1806,

R20-4-1813

Summary:

This regular rulemaking from the Department of Insurance and Financial Institutions (Department) seeks to amend thirteen (13) rules in Title 20, Chapter 4, Article 18 regarding Mortgage Bankers. The amendments are intended to improve clarity and effectiveness of the rules by amending statutory references and replacing the term Superintendent with Director to comply with statutory changes as a result of the combination of the Department of Insurance and the Department of Financial Institutions in 2020. The Department has also indicated that the amendments are needed to modernize the rules because they have not been updated since 2012. Outside of those general improvements, the Department specifically intends on doing the following:

- R20-4-1802(A)
 - The Department is amending the rules to modify the lending-related experience requirements for applicants. Specifically, the Department is modifying what is considered sufficient prior lending related experience for individuals. The length of time does not change only how previous occupations constitute experience.

The only change in existing experience requirements is that for an attorney to have adequate experience, they must be licensed in Arizona. The previous standard was an attorney licensed in any state and certified as a real estate specialist. Attorneys from other states can still count their experience in another state under subsection (B) of this rule. Additionally, the Department is adding four additional ways to acquire the necessary experience in subsections (A)(6)-(A)(9).

- R20-4-1802(B)
 - Subsection (B) allows for alternative types of experience not found in subsection (A), and allows for these alternative types of experience to count for 2 out of the three years, with at least one year of experience coming from the list in subsection (A). The Department is amending (B) to clarify that one must have a minimum of one year in a field found in (A). In addition, the Department is amending the rule to clarify what classifies as sufficient experience.
- R20-4-1806
 - The Department has indicated that this rule needs to be amended to allow for records to be kept electronically, along with removing the requirement that the Director (previously Superintendent) must specifically approve a licensee to maintain the record outside the state.
- R20-4-1807
 - The Department is amending the list of documents that a mortgage banker must provide a mortgage broker. The only additional requirement is providing the closing disclosure and adding the term if applicable to the HUD-1 settlement statement.

1. **Are the rules legal, consistent with legislative intent, and within the agency's statutory authority?**

The Department cites both general and specific statutory authority for these rules.

2. **Do the rules establish a new fee or contain a fee increase?**

This rulemaking does not establish a new fee or contain a fee increase.

3. **Does the preamble disclose a reference to any study relevant to the rules that the agency reviewed and either did or did not rely upon?**

The Department indicates it did not review any study relevant to this rulemaking.

4. **Summary of the agency's economic impact analysis:**

The Department indicates the rulemaking is not designed to change any conduct. Instead, it is necessary to reflect the new structure of the Department, to modernize and clarify some of the Sections, and bring the rules more in line with current Federal requirements. The Department states that the compliance costs incurred by Mortgage Bankers are

minimal and are not expected to impact revenue or payroll expenditures. The Department says the rules augment the statutory sections regulating licensees of the Department with a Mortgage Banker license pursuant to A.R.S. §§ 6-941 through 6-949.

5. **Has the agency analyzed the costs and benefits of the rulemaking and determined that the rules impose the least burden and costs to those who are regulated?**

The Department believes that the current rulemaking offers the least intrusive and least costly alternative method to achieve the purpose of the proposed rulemaking which is to update the rules governing Mortgage Bankers.

6. **What are the economic impacts on stakeholders?**

The Department does not anticipate any costs or benefits in implementing and enforcing the proposed rulemaking. In addition, no political subdivisions of this state are directly affected by the implementation and enforcement of the proposed rulemaking.

The Department states that no additional costs are anticipated to be imposed on Mortgage Bankers. The Department is not proposing any new fees and is, instead, eliminating a fee in Sections R20-4-1805. The Department indicates that licensees may be required to comply with additional reporting but the requirements are already in federal law.

The Department does not expect any appreciable increase in either costs or benefits to private persons and consumers created by this rulemaking. The Department indicates that the costs and benefits to private persons and consumers are expected to be the same as those identified during the original adoptions of these rules.

7. **Are the final rules a substantial change, considered as a whole, from the proposed rules and any supplemental proposals?**

The Department indicates that there were no changes between the proposed rules and the rules before the Council.

8. **Does the agency adequately address the comments on the proposed rules and any supplemental proposals?**

The Department indicates it did not receive any public comments regarding this rulemaking

9. **Do the rules require a permit or license and, if so, does the agency comply with A.R.S. § 41-1037?**

The Department indicates that the rules do not require a permit or a license. The Department does note that mortgage bankers do require a license under the requirements in A.R.S. § 6-943.

10. Are the rules more stringent than corresponding federal law and, if so, is there statutory authority to exceed the requirements of federal law?

The Department indicates there are some corresponding federal law concerning mortgage bankers but that the rules are not more stringent than those corresponding federal laws.

- For R20-4-1806(B)(6)(e) (Recording Requirements), The Consumer Credit Protection Act (15 U.S.C. §§ 1601 et seq.) disclosure requirements, the Real Estate Settlement Procedures Act (12 U.S.C. §§ 2601 through 2617) disclosure requirements, and the regulations promulgated thereunder, and the TILA-RESPA Integrated Disclosure Rule (12 CFR 1024 and 1026).
- For R20-4-1807 (Providing Copies of Records), The HUD-1 settlement statement, and the final truth in lending disclosure.

11. Conclusion

This regular rulemaking from the Department of Insurance and Financial Institutions (Department) seeks to amend thirteen (13) rules in Title 20, Chapter 4, Article 18 regarding Mortgage Bankers. The amendments are intended to improve clarity and effectiveness of the rules by amending statutory references and replacing the term Superintendent with Director to comply with statutory changes as a result of the combination of the Department of Insurance and the Department of Financial Institutions in 2020. The Department is also proposing more substantive changes including; removing unnecessary fees related to change of addresses for licensed mortgage bankers, allowing parties to keep records electronically and out of state without Director approval, and clarifying the types of documents required for record keeping.

The Department is seeking the standard 60-day delayed effective date pursuant to A.R.S. § 41-1032(A).

Council staff recommends approval of this rulemaking.

7. An agency's justification and reason why a rule should be made, amended, repealed or renumbered, to include an explanation about the rulemaking:

The Arizona Department of Insurance and Financial Institutions – Financial Institutions Division (“Department”) is proposing changes to A.A.C. Title 20, Chapter 4, Article 18 – Mortgage Bankers. The changes the Department is proposing will reflect the structural change to the former Department of Financial Institutions which merged with the Department of Insurance to form the Department of Insurance and Financial Institutions (the “new agency”), on July 1, 2020. The former Department of Financial Institutions became a division of the new agency. As a result of the merger, the new agency made statutory changes to eliminate the position of Superintendent. Instead, the Director of the new agency assumed those duties. This structural change necessitated replacing references to “Superintendent” with “Director” throughout the Article.

When reviewing the rules in the Article, the Department also endeavored to modernize the current rules since the most recent rulemaking for Article 18 was in 2012 (with most Sections last updated in 1999). The Department is also modifying and adding experience requirements, removing some fees, updating federal statutory cites, allowing the use of electronic recordkeeping, and adding to documentation requirements.

The rules augment the correlating statutory sections regulating these entities found at Title 6, A.R.S. §§ 6-941 through 6-949.

This rulemaking amends Article 18 (Mortgage Bankers) as follows:

- R20-4-1801 (Exemption for an Entity Regulated by an Agency of this State, Other States, or by the United States) will be amended to add clarifying language.
- R20-4-1802 (Equivalent and Related Experience) will be amended to add clarifying language to subsection (B), to modify and add to experience requirements and to impose a 1-Year requirement on the types of experience required in subsection (A) when an applicant is attempting to qualify under subsection (B).
- R20-4-1803 (Restrictions on the Term of a Cash Alternative to a Surety Bond) will be amended to replace “Superintendent” with “Director.”

- R20-4-1804 (Requirements for a Person Intended to Oversee a Branch Office) will be amended to clarify that a person intended to oversee a branch office as referenced in the statute is a “branch office manager.”
- R20-4-1805 (Notification of Change of Address) will be amended to comport with the language of A.R.S. § 6-944(D) and (E), and to remove the fee.
- R20-4-1806 (Recordkeeping Requirements) will be amended to allow records to be kept electronically, to add clarifying language, to add an additional document required to be kept in a mortgage banking loan file, to correct and update federal statutory cites, to remove Director’s approval to maintain records outside the State, to replace “Superintendent” with “Director,” and to correct punctuation.
- R20-4-1807 (Providing Copies of Records) will be amended to revise the list of documents a mortgage banker must provide to a mortgage broker.
- R20-4-1808 (Authorization to Complete Blank Spaces) will be amended to correct a statutory citation and punctuation.
- R20-4-1809 (Determining Loan Amounts) will be amended to add a “§” symbol and an Oxford comma for readability.
- R20-4-1810 (Delay or Cause Delay) will be amended to add clarifying language.
- R20-4-1811 (Impound Account) will be amended to conform to rule-writing standards.
- R20-4-1812 (Acquisition of Additional Interest in Licensee by Majority Owner) will be amended to replace “Superintendent” with “Director,” and to add clarifying language.
- R20-4-1813 (Conversion to Mortgage Broker License) will be amended to clarify the order of submissions, and to correct a statutory citation.

The changes proposed in this rulemaking relate to the Department’s June, 2024 Five-Year Review Report for this Article.

8. A reference to any study relevant to the rule that the agency reviewed and either relied on or did not rely on in its evaluation of or justification for the rule, where the public may obtain or review each study, all data underlying each study, and any analysis of each study and other supporting material:

Not applicable

9. A showing of good cause why the rulemaking is necessary to promote a statewide interest if the rulemaking will diminish a previous grant of authority of a political subdivision of this state:

Not applicable

10. A summary of the economic, small business, and consumer impact:

Pursuant to A.R.S. § 41-1055(A)(1):

The rulemaking is not designed to change any conduct. Instead, it is necessary to reflect the new structure of the Department, to modernize and clarify some of the Sections, and to bring the rules more in line with current Federal requirements.

Pursuant to A.R.S. § 41-1055(A)(2):

The compliance costs incurred by Mortgage Bankers are expected to be minimal and not expected to impact revenues or payroll expenditures.

Pursuant to A.R.S. § 41-1055(A)(3):

An economic, small business and consumer impact summary accompanies the submission of the Final Rulemaking to the Governor's Regulatory Review Council.

11. A description of any changes between the proposed rulemaking, to include supplemental notices, and the final rulemaking:

Not applicable

12. An agency's summary of the public or stakeholder comments made about the rulemaking and the agency response to the comments:

Not applicable

13. All agencies shall list other matters prescribed by statute applicable to the specific agency or to any specific rule or class of rules. Additionally, an agency subject to Council review under A.R.S. §§ 41-1052 and 41-1055 shall respond to the following questions:

Not applicable

a. Whether the rule requires a permit, whether a general permit is used and if not, the reasons why a general permit is not used:

The rules do not require a permit and do not use a general permit. A.R.S. § 6-943 requires a Mortgage Banker to obtain a traditional license before engaging in the business of a Mortgage Banker.

b. Whether a federal law is applicable to the subject of the rule, whether the rule is more stringent than federal law and if so, citation to the statutory authority to exceed the requirements of federal law:

A number of federal laws are applicable to the subject of the rules.

For Article 18. Mortgage Bankers, the following federal laws are applicable:

R20-4-1806. Recordkeeping Requirements (the rule is not more stringent than the federal laws)

Subsection (B)(6)(e): The Consumer Credit Protection Act (15 U.S.C. §§ 1601 et seq.) disclosure requirements, the Real Estate Settlement Procedures Act (12 U.S.C. §§ 2601 through 2617) disclosure requirements, and the regulations promulgated thereunder, and the TILA-RESPA Integrated Disclosure Rule (12 CFR 1024 and 1026).

R20-4-1807. Providing Copies of Records (the rule is not more stringent than the federal laws)

The HUD-1 settlement statement, and the final truth in lending disclosure.

c. Whether a person submitted an analysis to the agency that compares the rule's impact of the competitiveness of business in this state to the impact on business in other states:

Not applicable

14. A list of any incorporated by reference material as specified in A.R.S. § 41-1028 and its location in the rules:

Not applicable

15. Whether the rule was previously made, amended or repealed as an emergency rule. If so, cite the notice published in the *Register* as specified in R1-1-409(A). Also, the agency shall state where the text was changed between the emergency and the final rulemaking packages:

Not applicable

A.R.S. § 41-1055(B)(1): An identification of the proposed rulemaking.

The Arizona Department of Insurance and Financial Institutions – Financial Institutions Division (“Department”) is proposing changes to A.A.C. Title 20, Chapter 4, Article 18 – Mortgage Bankers. The changes the Department is proposing will reflect the structural change to the former Department of Financial Institutions which merged with the Department of Insurance to form the Department of Insurance and Financial Institutions (the “new agency”), on July 1, 2020. The former Department of Financial Institutions became a division of the new agency.

As a result of the merger, the new agency made statutory changes to eliminate the position of Superintendent. Instead, the Director of the new agency assumed those duties. This structural change necessitated replacing references to “Superintendent” with “Director” throughout the Article.

When reviewing the rules in the Article, the Department also endeavored to modernize the current rules since the most recent rulemaking for Article 18 was in 2012 (with most Sections last updated in 1999). The Department is also modifying and adding experience requirements, removing some fees, updating federal statutory cites, allowing the use of electronic recordkeeping, and adding to documentation requirements.

The rules augment the correlating statutory sections regulating these entities found at Title 6, A.R.S. §§ 6-941 through 6-949.

This rulemaking amends Article 18 (Mortgage Bankers) as follows:

- R20-4-1801 (Exemption for an Entity Regulated by an Agency of this State, Other States, or by the United States) will be amended to add clarifying language.
- R20-4-1802 (Equivalent and Related Experience) will be amended to add clarifying language to subsection (B), to modify and add to experience requirements and to impose a 1-Year requirement on the types of experience

required in subsection (A) when an applicant is attempting to qualify under subsection (B).

- R20-4-1803 (Restrictions on the Term of a Cash Alternative to a Surety Bond) will be amended to replace “Superintendent” with “Director.”
- R20-4-1804 (Requirements for a Person Intended to Oversee a Branch Office) will be amended to clarify that a person intended to oversee a branch office as referenced in the statute is a “branch office manager.”
- R20-4-1805 (Notification of Change of Address) will be amended to comport with the language of A.R.S. § 6-944(D) and (E), and to remove the fee.
- R20-4-1806 (Recordkeeping Requirements) will be amended to allow records to be kept electronically, to add clarifying language, to add an additional document required to be kept in a mortgage banking loan file, to correct and update federal statutory cites, to remove Director’s approval to maintain records outside the State, to replace “Superintendent” with “Director,” and to correct punctuation.
- R20-4-1807 (Providing Copies of Records) will be amended to revise the list of documents a mortgage banker must provide to a mortgage broker.
- R20-4-1808 (Authorization to Complete Blank Spaces) will be amended to correct a statutory citation and punctuation.
- R20-4-1809 (Determining Loan Amounts) will be amended to add a “§” symbol and an Oxford comma for readability.
- R20-4-1810 (Delay or Cause Delay) will be amended to add clarifying language.
- R20-4-1811 (Impound Account) will be amended to conform to rule-writing standards.
- R20-4-1812 (Acquisition of Additional Interest in Licensee by Majority Owner) will be amended to replace “Superintendent” with “Director,” and to add clarifying language.
- R20-4-1813 (Conversion to Mortgage Broker License) will be amended to clarify the order of submissions, and to correct a statutory citation.

This rulemaking addresses the changes suggested by the Department in its June, 2024 Five-Year Review Report.

Questions about this Economic Impact Statement may be directed to: Mary E. Kosinski (mary.kosinski@difi.az.gov).

A.R.S. § 41-1055(B)(2): An identification of the persons who will be directly affected by, bear the costs of or directly benefit from the proposed rulemaking.

The rules augment the statutory sections regulating licensees of the Department with a Mortgage Banker license pursuant to A.R.S. §§ 6-941 through 6-949.

A.R.S. § 41-1055(B)(3): A cost benefit analysis of the following:

(a) The probable costs and benefits to the implementing agency and other agencies directly affected by the implementation and enforcement of the proposed rulemaking. The probable costs to the implementing agency shall include the number of new full-time employees necessary to implement and enforce the proposed rule. The preparer of the economic, small business and consumer impact statement shall notify the joint legislative budget committee of the number of new full-time employees necessary to implement and enforce the rule before the rule is approved by the council.

The Department does not anticipate any costs or benefits in implementing and enforcing the proposed rulemaking. No new full-time employees will be necessary to implement and enforce the proposed rule changes.

(b) The probable costs and benefits to a political subdivision of this state directly affected by the implementation and enforcement of the proposed rulemaking.

No political subdivision of this state is directly affected by the implementation and enforcement of the proposed rulemaking.

(c) The probable costs and benefits to businesses directly affected by the proposed rulemaking, including any anticipated effect on the revenues or payroll expenditures of employers who are subject to the proposed rulemaking.

No additional costs are anticipated to be imposed upon Mortgage Bankers. The Department is not proposing any new fees and is, instead, eliminating a fee in Section R20-4-1805. Licensees may be required to comply with additional reporting but the requirements are already in Federal law.

A.R.S. § 41-1055(B)(4): A general description of the probable impact on private and public employment in businesses, agencies and political subdivisions of this state directly affected by the proposed rulemaking.

The Department does not anticipate any impact on the private employment of licensees. Likewise, the Department does not anticipate any impact on public employment in the Department.

A.R.S. § 41-1055(B)(5): A statement of the probable impact of the proposed rulemaking on small businesses. The statement shall include:

(a) An identification of the small businesses subject to the proposed rulemaking.

Some of the Mortgage Bankers regulated by the Department may qualify as small businesses within the meaning of A.R.S. § 41-1001(23). However, the Department does not track the number of employees or annual receipts of a mortgage banker and cannot identify specific mortgage bankers that qualify as small businesses.

(b) The administrative and other costs required for compliance with the proposed rulemaking.

The Department requested, but did not receive, any information from licensees on administrative or other costs required for compliance with the proposed rulemaking.

One Section of the rulemaking eliminate a fee (R20-4-1805). One Section allows a licensee to keep electronic records and records outside the state without first receiving the Director's approval (R20-4-1806). These changes should result in savings to licensees.

The additional record keeping requirements imposed in Section R20-4-1806 are already required by Federal law so should have no compliance impact.

Lastly, the addition of the requirement that an applicant for a license have at least one year of the type of experience listed in R20-4-1802(A) before augmenting it with the types of experience listed in subsection (B), should result in a minimal, if any cost, to an applicant.

(c) A description of the methods prescribed in section 41-1035 that the agency may use to reduce the impact on small businesses, with reasons for the agency's decision to use or not to use each method.

The Department does not believe that any of the methods listed at A.R.S. § 41-1035 are useful to reduce the impact of the rulemaking on small businesses.

(d) The probable cost and benefit to private persons and consumers who are directly affected by the proposed rulemaking.

The Department does not expect any appreciable increase in either costs or benefits to private persons and consumers created by this rulemaking. The costs and benefits to private persons and consumers are expected to be the same as those identified during the original adoption of these rules.

A.R.S. § 41-1055(B)(6): A statement of the probable effect on state revenues.

No impact on state revenues is anticipated.

A.R.S. § 41-1055(B)(7): A description of any less intrusive or less costly alternative methods of achieving the purpose of the proposed rulemaking, including the monetizing of the costs and benefits for each option and providing the rationale for not using nonselected alternatives.

The Department believes that the current rulemaking offers the least intrusive and least costly alternative method to achieve the purpose of the proposed rulemaking which is to update the rules governing Mortgage Bankers.

A.R.S. § 41-1055(B)(8): A description of any data on which a rule is based with a detailed explanation of how the data was obtained and why the data is acceptable

data. An agency advocating that any data is acceptable data has the burden of proving that the data is acceptable. For the purposes of this paragraph, "acceptable data" means empirical, replicable and testable data as evidenced in supporting documentation, statistics, reports, studies or research.

The rule is not based on any data.

PREFACE

Under Arizona law, the Department of State, Office of the Secretary of State (Office), Administrative Rules Division, accepts state agency rule notice and other legal filings and is the publisher of Arizona rules. The Office of the Secretary of State does not interpret or enforce rules in the *Administrative Code*. Questions about rules should be directed to the state agency responsible for the promulgation of the rule.

Scott Cancelosi, Director
ADMINISTRATIVE RULES DIVISION

RULES

The definition for a rule is provided for under A.R.S. § 41-1001. “Rule’ means an agency statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedures or practice requirements of an agency.”

THE ADMINISTRATIVE CODE

The *Arizona Administrative Code* is where the official rules of the state of Arizona are published. The *Code* is the official codification of rules that govern state agencies, boards, and commissions.

The *Code* is separated by subject into Titles. Titles are divided into Chapters. A Chapter includes state agency rules. Rules in Chapters are divided into Articles, then Sections. The “R” stands for “rule” with a sequential numbering and lettering outline separated into subsections.

Rules are codified quarterly in the *Code*. Supplement release dates are printed on the footers of each Chapter.

First Quarter: January 1 - March 31

Second Quarter: April 1 - June 30

Third Quarter: July 1 - September 30

Fourth Quarter: October 1 - December 31

For example, the first supplement for the first quarter of 2022 is cited as Supp. 22-1. Supplements are traditionally released three to four weeks after the end of the quarter because filings are accepted until the last day of the quarter.

Please note: The Office publishes by Chapter, not by individual rule Section. Therefore there might be only a few Sections codified in each Chapter released in a supplement. This is why the Office lists only updated codified Sections on the previous page.

RULE HISTORY

Refer to the HISTORICAL NOTE at the end of each Section for the effective date of a rule. The note also includes the *Register* volume and page number in which the notice was published (A.A.R.) and beginning in supplement 21-4, the date the notice was published in the *Register*.

AUTHENTICATION OF PDF CODE CHAPTERS

The Office began to authenticate Chapters of the *Code* in Supp. 18-1 to comply with A.R.S. §§ 41-1012(B) and A.R.S. § 41-5505.

A certification verifies the authenticity of each *Code* Chapter posted as it is released by the Office of the Secretary of State. The authenticated pdf of the *Code* includes an integrity mark with a certificate ID. Users should check the validity of the signature, especially if the pdf has been downloaded. If the digital signature is invalid it means the document’s content has been compromised.

HOW TO USE THE CODE

Rules may be in effect before a supplement is released by the Office. Therefore, the user should refer to issues of the *Arizona Administrative Register* for recent updates to rule Sections.

ARIZONA REVISED STATUTE REFERENCES

The Arizona Revised Statutes (A.R.S.) are available online at the Legislature’s website, www.azleg.gov. An agency’s authority note to make rules is often included at the beginning of a Chapter. Other Arizona statutes may be referenced in rule under the A.R.S. acronym.

SESSION LAW REFERENCES

Arizona Session Law references in a Chapter can be found at the Secretary of State’s website, www.azsos.gov under Services-> Legislative Filings.

EXEMPTIONS FROM THE APA

It is not uncommon for an agency to be exempt from the steps outlined in the rulemaking process as specified in the Arizona Administrative Procedures Act, also known as the APA (Arizona Revised Statutes, Title 41, Chapter 6, Articles 1 through 10). Other agencies may be given an exemption to certain provisions of the Act.

An agency’s exemption is written in law by the Arizona State Legislature or under a referendum or initiative passed into law by Arizona voters.

When an agency files an exempt rulemaking package with our Office it specifies the law exemption in what is called the preamble of rulemaking. The preamble is published in the *Register* online at www.azsos.gov/rules, click on the *Administrative Register* link.

Editor’s notes at the beginning of a Chapter provide information about rulemaking Sections made by exempt rulemaking. Exempt rulemaking notes are also included in the historical note at the end of a rulemaking Section.

The Office makes a distinction to certain exemptions because some rules are made without receiving input from stakeholders or the public. Other exemptions may require an agency to propose exempt rules at a public hearing.

PERSONAL USE/COMMERCIAL USE

This Chapter is posted as a public courtesy online, and is for private use only. Those who wish to use the contents for resale or profit should contact the Office about Commercial Use fees. For information on commercial use fees review A.R.S. § 39-121.03 and 1 A.A.C. 1, R1-1-113.

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

ARTICLE 1. GENERAL**R20-4-101. Scope of Article**

The rules in this Article apply to all activities of the Superintendent and to the interpretation of all Arizona statutes and rules administered by the Superintendent.

Historical Note

Former Rule 1. Former R4-4-101 repealed, new R4-4-101 adopted effective August 16, 1991 (Supp. 91-3).
R20-4-101 recodified from R4-4-101 (Supp. 95-1).

R20-4-102. Definitions

In this Chapter, unless otherwise specified:

1. "Active management" means directing a licensee's activities by a responsible individual, who:
 - a. Is knowledgeable about the licensee's Arizona activities;
 - b. Supervises compliance with:
 - i. The laws enforced by the Department of Financial Institutions as they relate to the licensee, and
 - ii. Other applicable laws and rules; and
 - c. Has sufficient authority to ensure compliance.
2. "Affiliate" has the meaning stated at A.R.S. § 6-901.
3. "Attorney General" means the Attorney General or an assistant Attorney General of the state of Arizona.
4. "Branch office" means any location within or outside Arizona, including a personal residence, but not including a licensee's principal place of business in Arizona, where the licensee holds out to the public that the licensee acts as a licensee.
5. "Business of a savings and loan association or savings bank" means receiving money on deposit subject to payment by check or any other form of order or request or on presentation of a certificate of deposit or other evidence of debt.
6. "Compensation" means, in applying that term's definition in A.R.S. §§ 6-901, 6-941, and 6-971, anything received in advance, after repayment, or at any time during a loan's life. This subsection expressly excludes the following items from those definitions of compensation:
 - a. Charges or fees customarily received after a loan's closing including prepayment penalties, termination fees, reinvestment fees, late fees, default interest, transfer fees, impound account interest and fees, extension fees, and modification fees. However, extension fees and modification fees are compensation if the lender advances additional funds or increases the credit limit on an open-end mortgage as part of the extension or modification;
 - b. Out-of-pocket expenses paid to independent third parties including appraisal fees, credit report fees, legal fees, document preparation fees, title insurance premiums, recording, filing, and statutory fees, collection fees, servicing fees, escrow fees, and trustee's fees;
 - c. Insurance commissions;
 - d. Contingent or additional interest, including interest based on net operating income; or
 - e. Equity participation.
7. "Commercial finance transaction," as that term is used in this Section's definitions of the terms "Engaged in the business of making mortgage loans" and "Engaged in the business of making mortgage loans or mortgage banking loans," means a loan made primarily for other than personal, family, or household purposes.
8. "Control of a licensee," as used in A.R.S. §§ 6-903, 6-944, or 6-978, does not include acquiring additional fractional equity interests in a licensee by any person who already has the power to vote 51% or more of the licensee's outstanding voting equity interests.
9. "Correspondent contract," as that term is used in A.R.S. §§ 6-941, 6-943, 6-971, or 6-973, means an agreement between a lender and a funding source under which the funding source may fund, or is required to fund, loans originated by the lender.
10. "Cushion," as that term is used in R20-4-1811 or R20-4-1908, means funds that a servicer or lender may require a borrower to pay into an escrow or impound account before the borrower's periodic payments are available in the account to cover unanticipated disbursements.
11. "Directly or indirectly makes, negotiates, or offers to make or negotiate" and "Directly or indirectly making, negotiating, or offering to make or negotiate," as those phrases are used in A.R.S. §§ 6-901, 6-941, or 6-971, mean:
 - a. Providing consulting or advisory services in connection with a mortgage loan transaction, mortgage banking loan transaction, or commercial mortgage loan transaction;
 - i. To an investor, concerning the location or identity of potential borrowers, regardless of whether the person providing consulting or advisory services directly contacts any potential borrowers; or
 - ii. To a borrower, concerning the location or identity of potential investors or lenders; or
 - b. Providing assistance in preparing an application for a mortgage loan transaction, mortgage banking loan transaction, or commercial mortgage banking loan transaction, regardless of whether the person providing assistance directly contacts any potential investor or lender; and
 - c. Processing a loan; but
 - d. "Directly or indirectly makes, negotiates, or offers to make or negotiate" and "Directly or indirectly making, negotiating, or offering to make or negotiate" do not include:
 - i. Providing clerical, mechanical, or word processing services to prepare papers or documents associated with a mortgage loan transaction, mortgage banking loan transaction, or commercial mortgage banking loan transaction;
 - ii. Purchasing, selling, negotiating to purchase or sell, or offering to purchase or sell a mortgage loan, mortgage banking loan, or commercial mortgage banking loan already funded;
 - iii. Making, negotiating, or offering to make additional advances on an existing open-ended mortgage loan, mortgage banking loan, or commercial mortgage loan including revolving credit lines;
 - iv. Modifying, renewing, or replacing a mortgage loan, a mortgage banking loan, or a commercial mortgage loan already funded, if the parties to and security for the loan are the same as the original loan immediately before the modifica-

- tion, renewal, or replacement, and if no additional funds are advanced and no increase is made in the credit limit on an open-ended loan. Replacing a loan means making a new loan simultaneously with terminating an existing loan.
12. "Electronic record" has the meaning stated at A.R.S. § 44-7002(7).
13. "Employee" means a natural person who has an employment relationship with a licensee that is acknowledged by both the person and the licensee, and:
- The person is entitled to payment, or is paid, by the licensee;
 - The licensee withholds and remits, or is liable for withholding and remitting, payroll deductions for all applicable federal and state payroll taxes;
 - The licensee has the right to hire and fire the employee and the employee's assistants;
 - The licensee directs the methods and procedures for performing the employee's job;
 - The licensee supervises the employee's business conduct and the employee's compliance with applicable laws and rules; and
 - The rights and duties under subsections (13)(a) through (e) belong to the licensee regardless of whether another person also shares those rights and duties.
14. "Engaged in the business of making mortgage loans," as that phrase is used in A.R.S. § 6-902, and "engaged in the business of making mortgage loans or mortgage banking loans," as that phrase is used in A.R.S. § 6-942, mean the direct or indirect making of a total of more than five mortgage banking loans or mortgage loans, or both in a calendar year. Each loan counts only once as of its closing date. A person is not "engaged in the business of making mortgage loans or mortgage banking loans" if the person makes loans solely in commercial finance transactions in which no more than 35% of the aggregate value of all security taken by the investor on the closing date is a lien, or liens, on real property.
15. "Exclusive contract," as that term is used in A.R.S. §§ 6-912 and 6-991.02, means a written agreement in which a loan originator agrees to perform services as a loan originator subject to supervision and control by a person holding a certificate of exemption issued under A.R.S. § 6-912 on an exclusive basis. The agreement provides that the loan originator is expressly prohibited from performing loan origination or modification services for any other person during the time the agreement is in effect.
16. "Generally accepted accounting principles" has the meaning used by the Financial Accounting Standards Board or the American Institute of Certified Public Accountants.
17. "Holds out to the public," as used in this Section's definition of "branch office," means advertising or otherwise informing the public that mortgage banking loans, commercial mortgage loans, or mortgage loans are made or negotiated at a location. "Holds out to the public" includes listing a location on business cards, stationery, brochures, rate lists, or other promotional items. "Holds out to the public" does not include a clearly identified home or mobile telephone number on a business card or stationery.
18. "Loan," as that term is used in A.R.S. §§ 6-126(C)(6) and (8), means all loans negotiated or closed, without regard to the location of the real property collateral or type of loan.
19. "Loan Processing" means obtaining a loan application's supporting documents for use in underwriting.
20. "Person" means a natural person or any legal or commercial entity including a corporation, business trust, estate, trust, partnership, limited partnership, joint venture, association, limited liability company, limited liability partnership, or limited liability limited partnership.
21. "Property insurance," as that term is used in A.R.S. §§ 6-909 and 6-947, does not include flood insurance as that term is used in the Flood Disaster Protection Act of 1973, as modified by the National Flood Insurance Reform Act of 1994. 42 U.S.C. 4001, et seq.
22. "Reasonable investigation of the background," as that term is used in A.R.S. §§ 6-903, 6-943, or 6-976 means a licensee, at a minimum:
- Collects and reviews all the documents authorized by the Immigration Reform and Control Act of 1986, 8 U.S.C. 1324a;
 - Obtains a completed Employment Eligibility Verification (Form I-9);
 - Obtains a completed and signed employment application;
 - Obtains a signed statement attesting to all of an applicant's felony convictions, including detailed information regarding each conviction;
 - Consults with the applicant's most recent or next most recent employer, if any;
 - Inquiries regarding the applicant's qualifications and competence for the position;
 - If for a loan officer, loan originator, loan processor, branch manager, supervisor, or similar position, obtains a current credit report from a credit reporting agency; and
 - Investigates further if any information received in the above inquiries raises questions as to the applicant's honesty, truthfulness, integrity, or competence. An inquiry is sufficient after two attempts to contact a person, including at least one written inquiry.
23. "Record" has the meaning stated at A.R.S. § 44-7002(13).
24. "Registered to do business in this state" means:
- If an Arizona corporation, it is incorporated under A.R.S. Title 10, Chapter 2, Article 1;
 - If a foreign corporation, it either transfers its domicile under A.R.S. Title 10, Chapter 2, Article 2, or obtains authority to transact business in Arizona under A.R.S. Title 10, Chapter 15, Article 1;
 - If a business trust, it obtains authority to transact business in Arizona under A.R.S. Title 10, Chapter 18, Article 4;
 - If an estate, it acts through a personal representative duly appointed by this state's Superior Court, under the provisions of A.R.S. Title 14, Chapter 3 or 4;
 - If a trust, it delivers to the Superintendent an executed copy of the trust instrument creating the trust together with:
 - All the current amendments, or

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

A true copy of the trust instrument certified accurate and complete by a trustee of the trust before a notary public;

- f. If a general partnership, limited partnership, limited liability company, limited liability partnership, or limited liability limited partnership, it is organized under A.R.S. Title 29;
 - g. If a foreign general partnership, limited partnership, limited liability company, limited liability partnership, or limited liability limited partnership, it is registered with the Arizona Secretary of State's office under A.R.S. Title 29;
 - h. If a joint venture, association, or any entity not specified in this subsection, it is organized and conducts its business in compliance with Arizona law; or
 - i. The entity is exempt from registration.
25. "Registered Exempt Person" means a person who is exempt from licensure pursuant to A.R.S. § 6-912 and A.R.S. Title 6, Chapter 9, Articles 1, 2 and 3 as a federally chartered savings bank that is registered with the nationwide mortgage licensing system and registry and holds a certificate of exemption.
26. "Resident of this state" means a natural person domiciled in Arizona.
27. "Responsible individual" or "responsible person", as those terms are used in A.R.S. §§ 6-903, 6-943, 6-973, and 6-976, means a resident of this state who:
- a. Lives in Arizona during the entire period of designation as the responsible individual on a license;
 - b. Is in active management of a licensee's affairs;
 - c. Meets the qualifications listed in A.R.S. §§ 6-903, 6-943, or 6-973; and
 - d. Is an officer, director, member, partner, employee, or trustee of a licensed entity.

Historical Note

Former Rule 2. Former R4-4-102 repealed, new R4-4-102 adopted effective August 16, 1991 (Supp. 91-3). R20-4-102 recodified from R4-4-102 (Supp. 95-1). Amended by final rulemaking at 5 A.A.R. 2094, effective June 10 (Supp. 99-2). Amended by final rulemaking at 7 A.A.R. 668, effective January 10, 2001 (Supp. 01-1). Amended by final rulemaking at 8 A.A.R. 145, effective December 10, 2001 (Supp. 01-4). Amended by final rulemaking at 18 A.A.R. 2622, effective December 2, 2012 (Supp. 12-4).

R20-4-103. Fingerprints

- A. A licensee or applicant shall deliver fingerprints requested or required by the Superintendent on fingerprint cards provided by the Superintendent.
- B. A licensee or applicant shall bear any costs incurred in obtaining or submitting fingerprints.
- C. A licensee or applicant shall arrange to have fingerprints taken, signed, and dated by:
 - 1. A municipal police department,
 - 2. A local sheriff's office, or
 - 3. Another law enforcement authority recognized by the Superintendent.

Historical Note

Former Rule 3. Former R4-4-103 repealed, new R4-4-103 adopted effective August 16, 1991 (Supp. 91-3). R20-4-103 recodified from R4-4-103 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 4670, effective

November 14, 2000 (Supp. 00-4).

R20-4-104. Acceptance of Other Forms

If another entity's applications and forms provide all the information required by Arizona law, the Superintendent has the discretion to accept them, even if another provision of this Chapter requires use of a specific Department of Financial Institutions form. The Superintendent's exercise of the discretion to accept alternative forms does not limit the Superintendent's power to require additional information necessary to complete an application or other form.

Historical Note

Former Rule 4. Former R4-4-104 repealed, new R4-4-104 adopted effective August 16, 1991 (Supp. 91-3). R20-4-104 recodified from R4-4-104 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 4670, effective November 14, 2000 (Supp. 00-4).

R20-4-105. Claims Against a Deposit in Place of Bond

- A. As used in this Section:
 - 1. "Deposit" means cash or alternatives to cash deposited by a licensee with the Superintendent in place of a bond.
 - 2. "Depositor" means licensee or an employee of the licensee who makes a deposit with the Superintendent.
 - 3. "Verified claim" means a claim filed with the Superintendent under subsection (B).
 - 4. "Award" means an amount of money granted under subsection (F).
- B. A person may file a claim against a deposit by delivering documentation of the claim to the Superintendent. The claim shall be based on a final judgment in favor of the claimant, entered by a court of competent jurisdiction. To support a claim, the judgment shall be:
 - 1. Against a depositor;
 - 2. For injury caused by the depositor's wrongful act, default, fraud, or misrepresentation committed in the course of the depositor's licensed business activity; and
 - 3. Documented by:
 - a. A certified copy of the complaint in the action;
 - b. A certified copy of the judgment in the action;
 - c. A statement that execution of the judgment has not been stayed, or an explanation of the terms and reason for any stay;
 - d. A statement of any amounts recovered on the judgment; and
 - e. A sworn and notarized statement that the claim is true and correct to the best of the claimant's knowledge and belief.
- C. A claimant shall file a claim with the Superintendent, and all required supporting documentation, not more than six months after entry of the judgment asserted in the claim. However, if execution of the asserted judgment is stayed during the first six months after its entry, the claimant may file a verified claim only during the six months after the stay is lifted. The Department shall process a timely-filed verified claim as a request for hearing under R20-4-1208.
- D. The claimant shall notify the depositor of the filing of a verified claim under this Section, and make the depositor a party to all proceedings on the claim. To do so, the claimant shall send the depositor a copy of all documents filed under subsection (B). The claimant shall make this delivery no more than 10 days after the original filing with the Superintendent under subsection (B). The Department considers a proceeding on a verified claim to be a contested case, governed by the provisions of 20 A.A.C. 4, Article 12.

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

- E. The Superintendent shall, after a hearing, deny a verified claim if the hearing produces evidence of any of the following circumstances:
1. The judgment is not for an injury caused by the depositor and described in subsection (B)(2);
 2. The judgment was awarded by default, stipulation, or consent, and no showing is made in the hearing of an injury caused by the depositor and described in subsection (B)(2);
 3. The judgment's execution has been stayed for any reason;
 4. The judgment was procured through fraud or collusion;
 5. The judgment has been satisfied from other sources; or
 6. The action that produced the judgment was barred by the applicable statute of limitations at the time it was commenced.
- F. If the Superintendent grants a verified claim, the Superintendent shall do so in the amount of the compensatory damages awarded against the depositor in the judgment, exclusive of:
1. Attorney's fees, and
 2. Amounts previously paid on the judgment.
- G. A person injured by a depositor shall give the Superintendent written notice at the time of filing a civil action if the claims alleged could be made as a verified claim under this Section. The written notice shall include a statement of the amount of compensatory damages sought against the depositor. The injured person shall provide further information about the civil action to the Superintendent upon request.
- H. If the Superintendent grants a verified claim under subsection (F), the Superintendent shall authorize the State Treasurer, in writing, to release the deposit to the claimant in the amount stated in subsection (F) if the Superintendent has not received notice of another pending civil action under subsection (G).
- I. If given notice under subsection (G), the Superintendent shall determine whether the deposit is sufficient to satisfy all claims under subsection (F). The Superintendent shall determine award amounts for each claim of which the Superintendent has notice, and authorize payment, as follows:
1. If the deposit is sufficient to satisfy all claims under subsection (F), the Superintendent shall authorize its release as described in subsection (H).
 2. If the deposit is not sufficient to satisfy all claims under subsection (F), the Superintendent shall calculate the award on each claim as follows:
 - a. Each granted claim shall receive a pro rata share of the total deposit.
 - b. Each pro rata share shall be a dollar amount calculated by multiplying the total deposit by a fraction.
 - i. The numerator of the fraction is the amount of the Superintendent's award for the verified claim.
 - ii. The denominator of the fraction is the sum of the amount of the Superintendent's award for the verified claim plus the total compensatory damages sought in all other civil actions against the same depositor disclosed to the Superintendent under subsection (G).
 - c. The Superintendent shall authorize the State Treasurer to release the pro rata portion of the deposit calculated for each verified claim.
- J. A depositor or former licensee may request return of its deposit if it substitutes a bond for the deposit, or if its license is surrendered, revoked, or expired, and if all statutory conditions for release of the deposit have been satisfied. The Superintendent shall not release any part of a deposit to a depositor or former licensee until the Superintendent determines whether there are any awards on verified claims unsatisfied because of an apportionment under subsection (I). The Superintendent shall use the deposit amount to pay any unsatisfied portion of those awards. If the deposit amount is not sufficient to pay in full all unsatisfied awards, the Superintendent shall pay the remaining amount of the deposit to claimants in the ratio their awards bear to the total of all awards granted against the deposit.
- K. The court supervising a licensee in receivership may order the release of a deposit to persons injured by conduct described in subsection (B). In that event, the receiver shall deliver a certified copy of the court's order to the Superintendent. The copy may be uncertified if the receiver is the Superintendent or any other officer or agency of the state of Arizona. The Superintendent shall then authorize the State Treasurer, in writing, to release the deposit to the receiver. The receiver shall distribute the deposit as ordered by the receivership court, rather than under this Section.

Historical Note

Adopted effective August 16, 1991 (Supp. 91-3). R20-4-105 recodified from R4-4-105 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 4670, effective November 14, 2000 (Supp. 00-4).

R20-4-106. Bankruptcy

An enterprise licensee or consumer lender licensee shall immediately deliver written notice to the Superintendent if it files a voluntary bankruptcy petition, or if its creditors name the licensee a debtor in an involuntary bankruptcy petition. On the date of each of the following documents' filing with the bankruptcy court, the licensee shall deliver to the Superintendent a copy of the:

1. Petition for relief,
2. Schedule of assets and liabilities,
3. Statement of financial affairs,
4. List of creditors, and
5. Plan of reorganization.

Historical Note

Adopted effective August 16, 1991 (Supp. 91-3). R20-4-106 recodified from R4-4-106 (Supp. 95-1). Amended by final rulemaking at 8 A.A.R. 145, effective December 10, 2001 (Supp. 01-4).

R20-4-107. Licensing Time-frames

- A. As used in this Section, "application" means a document specified or described in this Title, or in any statute enforced by the Department, requesting any permit, certificate, approval, registration, charter, or similar permission described in Table A, together with all supporting documentation required by statute or rule.
- B. The time-frames in Table A apply solely to applications received by the Department after the effective date of this Section. Each overall time-frame consists of an administrative completeness review time-frame, and a substantive review time-frame. The administrative completeness review time-frame begins to run upon receipt of an application by the Department.
1. Within the administrative completeness review time-frame in Table A, the Department shall notify the applicant in writing whether the application is complete. If the application is incomplete, the notice shall specify the missing information or component.
 2. An applicant whose application is incomplete shall supply the missing information within 60 days after the date

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

of the notice. If an applicant shows good cause in writing before the expiration of the 60 day time limit, the Superintendent shall extend the period for administrative completion of an application. The administrative completeness review time-frame stops running on the postmark date of the Department's written notice of an incomplete application, and resumes when the Department receives a complete application. If the applicant fails to submit a complete application within the specified time limit, the Department shall reject the application and close the file. An applicant may reapply.

3. The substantive review time-frame begins to run on the postmark date of the Department's written notice that the application is administratively complete.
4. Within the overall time-frame set forth in Table A the Department shall send the applicant written notice of its decision to approve, conditionally approve, or deny a license, unless the time-frame is extended by mutual

agreement under A.R.S. § 41-1075. If the Department denies an application, it shall provide written justification for the denial and a written explanation of the applicant's right to a hearing or appeal in the form required by A.R.S. § 41-1076.

5. The Department shall calculate time limits prescribed in this Section under R2-19-107.
- C. The time-frames in this Section apply solely to actions taken by the Department. Nothing in this Section relieves a licensee or applicant of a duty to fulfill any other legal or regulatory requirement that is a condition of its power and authority to engage in business.

Historical Note

Adopted effective September 9, 1998 (Supp. 98-3).
Amended by final rulemaking at 8 A.A.R. 145, effective December 10, 2001 (Supp. 01-4).

Table B removed from R20-4-206(A) to conform with the codification scheme of this Chapter and amended by final rulemaking at 29 A.A.R. 1919 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-207. Capital Obligations

- A. An applicant for a Director’s order of approval to issue a capital obligation shall submit the following documents to the Director and shall not issue any capital obligation before the Director issues the order of approval. The required documents are:
 - 1. A certified copy of the resolution adopted by the Board of Directors, or a certified copy of the unanimous written consent of the Board of Directors, authorizing the sale of the capital obligation;
 - 2. A copy of the agreement underlying the capital obligation;
 - 3. A copy of the note or debenture intended to represent the capital obligation; and
 - 4. A copy of the prospectus, if any, proposed for use in the sale of the capital obligation.
- B. Each document evidencing a capital obligation shall:
 - 1. Bear on its face, in bold face type, the following: This obligation is not a deposit and is not insured by the Federal Deposit Insurance Corporation.
 - 2. Have a maturity provision that either:
 - a. Gives the obligation a maturity of at least five years, or
 - b. In the case of an obligation or issue that provides for scheduled repayments of principal, gives an average maturity of at least five years. The restriction on maturity stated in this subsection does not apply to any obligation that otherwise meets all the requirements of this Section if the Director determines that exigent circumstances require the issuance of the obligation without regard to any restriction on maturity. The provisions of this subsection do not apply to mandatory convertible debt obligations or issues.
 - 3. State expressly on its face that the obligation:
 - a. Is subordinated and junior in right of payment to the issuing bank’s obligations to its depositors and to the bank’s other obligations to its general and secured creditors, and
 - b. Is ineligible as collateral for a loan by the issuing bank, except as provided in A.R.S. § 6-354.
 - 4. Be unsecured.
 - 5. State expressly on its face that the issuing bank may not retire any part of its capital obligation without the Director’s prior written order of approval, and the prior written consent of the Federal Deposit Insurance Corporation.

- 6. Include, if the obligation is issued to a depository institution, a specific waiver of the right of offset by the lending depository institution.
 - 7. State that, in the event of liquidation, all depositors and other creditors of the bank are to be paid in full before any payment of principal or interest is made on a capital obligation.
- C. No payment shall be made under an optional right of payment reserved to the bank without the separate authorization of the Director. The Director may grant that authority in the initial order of approval or in a later order of approval.

Historical Note

Former Rule 7. R20-4-207 recodified from R4-4-207 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 2155, effective May 4, 2001 (Supp. 01-2). Amended by final rulemaking at 29 A.A.R. 1919 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-209. Notice of Permanent Closing of Banking Office

A bank may close fewer than all of its banking offices. Before closing any office, a bank shall deliver a letter to the Director specifying the banking office it plans to close and the closing date. The bank shall ensure that the Director receives the letter at least 10 days before the closing date. Closing the banking office shall terminate the bank’s authority to maintain that banking office on the date of the actual closure.

Historical Note

Former Rule 9. R20-4-209 recodified from R4-4-209 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 5388, effective November 9, 2001 (Supp. 01-4). Amended by final rulemaking at 29 A.A.R. 1919 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-210. Repealed

Historical Note

Former Rule 10. R20-4-210 recodified from R4-4-210 (Supp. 95-1). Section repealed by final rulemaking at 6 A.A.R. 3188, effective August 3, 2000 (Supp. 00-3).

R20-4-211. Application for a Banking Permit

- A. Before an application is filed, the representatives of the potential applicant shall meet with the Director to discuss capitalization, location, and management of the proposed bank.
- B. After the meeting required by subsection (A), persons who wish to proceed with the application process shall submit an application in the form the Director prescribes. The applicant shall support the application with sufficient information to enable the Director to make a determination.

Historical Note

Former Rule 11. R20-4-211 recodified from R4-4-211 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 3188, effective August 3, 2000 (Supp. 00-3). Amended by final rulemaking at 29 A.A.R. 1919 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

Historical Note

Former Rule 12. Amended effective September 4, 1981 (Supp. 81-4). R20-4-212 recodified from R4-4-212 (Supp. 95-1). Repealed effective September 19, 1996 (Supp. 96-3).

R20-4-213. Repealed

Historical Note

Former Rule 13. Repealed effective September 13, 1981 (Supp. 81-5). R20-4-213 recodified from R4-4-213 (Supp. 95-1).

R20-4-214. Preservation of Records

- A. Every bank shall keep its corporate and business records as originals or as copies of the originals made by reproduction methods that accurately and permanently preserve the records. Copies complying with this subsection, when satisfactorily identified, have the same evidentiary status as an original. A bank may keep its records as electronic records if the bank can generate all information and copies required by this Section within the timeframe set by the Department for examination or other purposes.
- B. A bank shall keep its corporate and business records for the period required by this Section. These periods are measured from the date of the last entry or final action date. A bank shall have and comply with its own record retention schedule that is consistent with this Section. A bank may comply with this Section by complying with a preemptive federal regulation, even if the federal regulation requires a shorter retention period than is listed in this Section. This Section does not prohibit record retention for longer periods than these state-required minimums for any reason, including a retention period established by preemptive federal law or regulation. Likewise, this Section does not prohibit a bank from keeping any type of record not required in subsection (D).
- C. Beginning on the effective date of this Section, corporate and business records of a bank operating in the state of Arizona are classified, and their retention periods are prescribed, according to the schedule in subsection (D). Retention periods are listed in subsection (D) using the notations, acronyms, and abbreviations listed in subsections (C)(1) through (20).
 - 1. A numerical designation refers to a period of years unless a shorter period of time is specified in the schedule.
 - 2. "AC" means after closure.
 - 3. "ACH" means automated clearing house.
 - 4. "AE" means after expiration.
 - 5. "ALC" means after last contact.

R20-4-602. Applications

- A.** An applicant for a debt management company license shall send the Department an application on the form required by the Director. If the Director determines that a credit report is required as authorized under A.R.S. § 6-704(A), the applicant shall order a credit report from a credit reporting agency disclosing the credit history of the applicant's principals or managing agents and submit the credit report to the Department. A complete application shall include the credit report required by this Section and all of the following:
1. The surety bond required by A.R.S. § 6-704(B);

2. Fidelity bonds if required by the Director under A.R.S. § 6-704(D);
3. The nonrefundable application fee specified in A.R.S. § 6-126(A)(14);
4. An original license fee described in A.R.S. §§ 6-126(B), 6-126(D)(2), and 6-706;
5. A sample of the contract intended to be used by the applicant required by A.R.S. § 6-704(E);
6. Current financial statements as described in R20-4-604(A)(5);
7. A copy of the current articles of incorporation, by-laws, partnership agreement or other organizing documents used to form the applicant business entity;
8. The name and address information required under A.R.S. § 6-704(A); and
9. A background check, on the form required by the Department, for each of the applicant's principals, principal officers, trustees, partners, and managing agents.

- B.** A debt management company applying to operate a branch office or use an agency shall send the Department an application on the form required by the Director.

- C.** A debt management company applying to renew a license shall deliver, on or before June 15 of each year, an application to the Department on the form required by the Director. A debt management company shall apply separately to renew each authorized business location. With each application for renewal, a debt management company shall include the renewal fee described in A.R.S. § 6-706 and specified in A.R.S. § 6-126(D)(2).

- D.** The Department may require additional information the Director considers necessary in connection with an application under this Section.

record of all its business activity. A debt management company may keep its books, accounts, and records as electronic records if the debt management company can generate all information and documentation required by this Section in the timeframe set by the Department for examination or other purposes. A debt management company's books, accounts, and records shall include:

1. A file for each account containing:
 - a. A copy of all correspondence concerning the account;
 - b. Evidence of the notice given to creditors of the debt management contract;
 - c. A subsidiary ledger disclosing all financial transactions concerning the account;
 - d. A copy of each written statement of account given to the debtor;
 - e. The original budget analysis required under R20-4-607; and
 - f. The original contract between the debt management company and the debtor, including all amendments.
 2. A trust account general ledger, which is kept current daily, which reflects each deposit to and disbursement from the trust account.
 3. Each reconciliation of the debt management company's trust account, prepared at least once a month.
 4. A general ledger, kept current monthly, which reflects each financial transaction by the debt management company except those recorded in its trust account general ledger.
 5. A financial statement produced in accordance with generally accepted accounting principles at least once every three months, or more frequently if directed by the Director, which reflects the financial condition of the debt management company. The financial statement shall include:
 - a. A balance sheet,
 - b. A statement of income and retained earnings,
 - c. A statement of changes in financial condition, and
 - d. Appropriate footnotes that either:
 - i. Explain entries in the documents listed in subsections (A)(5)(a), (b), and (c);
 - ii. Contain material information not required or not reportable in documents listed in subsections (A)(5)(a), (b), or (c); or
 - iii. Contain other disclosures required by generally accepted accounting principles.
 6. A record of all litigation naming the debt management company as a party including:
 - a. For pending litigation:
 - i. A copy of the complaint;
 - ii. A copy of any answer filed by the debt management company in response to the complaint; and
 - iii. A copy of any motion filed by the debt management company; and
 - b. For any litigation that is no longer pending, a copy of any judgment showing the settlement date, dismissal, or other final order disposing of the litigation.
- B.** All records required under this Section may be maintained at the debt management company's office in Arizona. A debt management company may keep its records outside this state if it:
1. Makes the records available to the Director, for examination or other purposes, in this state not more than three business days after demand; and
 2. Allows its debtor customers to call toll free to obtain information from the records that are not available from the debt management company's office in Arizona.
- C.** Each debt management company shall preserve its books, accounts, and records for the period required by A.R.S. §§ 6-709(J) and 6-710(1).

R20-4-805. Reports

- A. Within 90 days following each December 31, each trust department and trust company shall file an annual report of trust assets with the Director on the form prescribed by the Director. The annual report shall include the current market value of all trust assets held by the trust department or trust company as of December 31. The report shall also identify and briefly describe all transactions conducted in the report period that are regulated by subsections R20-4-812(E) through (G).
- B. Each trust company shall deliver a copy of its annual report and certificate of disclosure to the Director within 10 days of filing the report and certificate at the Arizona Corporation Commission. A report or certificate covered by this subsection is one filed under the authority of A.R.S. §§ 10-202 or 10-1622. A copy delivered to the Director, as required in this subsection, shall be date-stamped by the Arizona Corporation Commission to confirm the actual filing date.
- C. Each trust company shall notify the Director of any change in the directors or officers of the company within 10 days of the change. Any trust company with more than 25 officers may, after obtaining the Director's written approval, limit the officers covered by this subsection to those with substantial involvement in the trust company's corporate operations or in the trust company's trust business in this state.

Historical Note

this Section within the timeframe set by the Department for examination or other purposes.

- B.** A trust department or trust company shall keep books, accounts, and records adequate to provide clear and readily understandable evidence of all business conducted by the trust department or trust company, including the following:
1. A file for each account that includes:
 - a. The governing instrument,
 - b. All contracts and other legal documents,
 - c. Copies of all correspondence,
 - d. Accounting records disclosing all the financial transactions, and
 - e. A listing of all the account's assets and liabilities.
 2. An investment file for each account that includes:
 - a. All original documentary evidence of the account's assets; or
 - b. Copies of the original documentary evidence of the account's assets, together with written evidence of custody or receipt of the originals by an authorized holder; and
 - c. A record of the initial and annual investment reviews for the account.
 3. The corporate general ledger kept current on a daily basis. This record shall identify and segregate all financial transactions conducted by the trust department or trust company for itself, distinguishing them from those relating to the trust department's or trust company's trust business;
 4. Unaudited financial statements. A trust department or trust company shall produce these statements quarterly or more frequently when required by the Director. The financial statements shall include at least:
 - a. A balance sheet; and
 - b. A statement of income, expenses, and retained earnings.
 5. Adequate records of all pending litigation that names the trust department or trust company as a party.
- C.** A trust department shall keep its fiduciary records separate and distinct from the trust department's corporate records.
- D.** A trust department or trust company shall keep records described in subsections (B)(1) and (2) for at least three years after closing an account. If litigation occurs concerning a particular account, the trust department or trust company shall keep that account's records, described in subsections (B)(1) and (2), for three years after the litigation is resolved.

R20-4-807. Unsafe or Unsound Condition

For purposes of A.R.S. §§ 6-863 and 6-865, a trust company conducts business in an unsafe manner or its affairs are in an unsound condition if it:

1. Violates any fiduciary duty or obligation, including those listed in Sections R20-4-809 through R20-4-815;
2. Violates any state or federal requirement for operating or maintaining trusts, common trust funds, or other accounts;

3. Violates any applicable federal or state law or regulation regarding corporations or securities;
4. Employs an officer or director who violates a corporate fiduciary duty;
5. Is insolvent; or
6. Engages in any conduct that the Director determines constitutes an unsafe or unsound business practice jeopardizing the trust company's financial condition or the interests of a stockholder, creditor, trustor, beneficiary, or trust company's principal.

Historical Note

Adopted effective June 30, 1977 (Supp. 77-3). R20-4-807 recodified from R4-4-807 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 2471, effective June 8, 2000 (Supp. 00-2). R20-4-808. Administration of Fiduciary Powers

- A.** The board of directors and the officers share responsibility for the exercise of fiduciary powers by a trust department or trust company. The board of directors is responsible for determining policy; investing and disposing of trust assets; and directing and reviewing the actions of all directors, officers, and committees of the board that exercise fiduciary powers. The board of directors may delegate the necessary power and authority to perform the trust department's or trust company's duties as a fiduciary to selected directors, officers, employees, or committees of the board if the delegation is consistent with the corporate charter. The minutes of the board's meetings shall duly reflect all those delegations.
- B.** A trust department or trust company shall not accept a new account without first obtaining the board's approval, or that of the directors, officers, or committees that the board may have authorized to approve new accounts. The trust department or trust company shall keep a written record of each new account approval and of the closing of each account. The trust department or trust company shall conduct an asset review within 60 days after it accepts each new account if it has investment responsibility for that account. The trust department's or trust company's board shall ensure that an annual review of account assets is conducted for each account in which the trust department or trust company has investment responsibility, to determine whether to retain or dispose of the assets.
- C.** A trust department or trust company exercising fiduciary powers shall use independent legal counsel admitted to practice in Arizona to advise and inform the trust department or trust company on fiduciary matters and all other legal issues presented to the trust department or trust company by the conduct of its trust business.

Historical Note

R20-4-809. Fiduciary Duties

A trust department or trust company shall perform all fiduciary duties imposed upon it by law, including the following:

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

1. Administer accounts strictly according to the governing instrument and solely in the account beneficiary's interests;
2. Use reasonable care and skill to make the account productive;
3. Provide complete and accurate information about the nature and amount of assets held to each account's beneficiary or principal and permit the beneficiary, principal, or any person duly authorized by the beneficiary or principal to inspect the account's records at any time during normal business hours. The information provided in compliance with this subsection shall be delivered at least quarterly, unless:
 - a. The trust department or trust company and its account's beneficiary, principal, or authorized person agree otherwise in writing;
 - b. The governing instrument provides otherwise; or
 - c. A different frequency is established by a lawful course of dealing before the effective date of this Section; and
4. Comply with all lawful provisions of the governing instrument.

Historical Note

Adopted effective June 30, 1977 (Supp. 77-3). R20-4-809 recodified from R4-4-809 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 2471, effective June 8, 2000 (Supp. 00-2). R20-4-810. Funds Awaiting Investment or Distribution

- A. Trust funds held by a trust department or trust company awaiting investment or distribution shall not remain uninvested or undistributed any longer than is reasonable for the account's proper management.
- B. A trust department or trust company may keep trust funds in deposit accounts maintained by the trust department or trust company unless prohibited by law or by the governing instrument. The trust department or trust company shall set aside collateral security for all deposited trust funds under a third party's control. The collateral shall be the following types of securities, in any combination:
 1. Direct obligations of the United States or any agency, department, division, or administration of the federal government;
 2. Any other obligations fully guaranteed by the United States government as to principal and interest;
 3. Obligations of a Federal Reserve Bank;
 4. Obligations of any state, political subdivision of a state, or public authority organized under the laws of a state; or
 5. Readily marketable securities that either:
 - a. Qualify as investment securities under the Investment Securities regulations of the Comptroller of the Currency, 12 CFR, Chapter 1, Part 1; or
 - b. Satisfy state pledging requirements under A.R.S. § 6-245(C).
- C. The securities set aside under subsection (B) shall, at all times, have a market value no less than the amount of trust funds deposited. No collateral security is required to the extent the Federal Deposit Insurance Corporation, or its successor, insures the deposited trust funds.

Amended by final rulemaking at 29 A.A.R. 1952 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-811. Investment of Trust Funds

- A. A trust department or trust company shall invest trust funds according to:
 1. The governing instrument; and
 2. All applicable laws, including A.R.S. §§ 6-862, 14-7402, and 14-7501 through 14-7512
- B. A trust department or trust company shall make any collective investment of trust funds exclusively under the terms of R20-4-815.

Historical Note

Adopted effective June 30, 1977 (Supp. 77-3). R20-4-811 recodified from R4-4-811 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 2471, effective June 8, 2000 (Supp. 00-2). R20-4-812. Self-dealing

- A. A trust department or trust company shall not invest trust funds in the following types of property unless expressly authorized by the governing instrument, applicable state or federal law, or court order:
 1. Its own securities;
 2. Other types of property acquired from the trust department or trust company;
 3. Property acquired from the trust department's or trust company's directors, officers, or employees;
 4. Property acquired from the trust department's or trust company's affiliates;
 5. Property acquired from its affiliates' directors, officers, or employees; or
 6. Property acquired from other individuals or organizations with an interest in the trust department or trust company if that interest might affect the trust department's or trust company's exercise of discretion to the detriment of its trust clients.
- B. A trust department or trust company may use trust funds to purchase its own securities, or its affiliates' securities:
 1. If the trust department or trust company has authority under subsection (A), and
 2. If those securities are offered pro rata to all stockholders of the trust department or trust company.
- C. A trust department or trust company shall not sell or loan trust property to itself, or to the following types of persons, unless expressly authorized by the governing instrument, applicable state or federal law, or court order:
 1. Its directors, officers, or employees;
 2. Its affiliates;
 3. Its affiliates' directors, officers, or employees; or
 4. Other individuals or organizations with an interest in the trust department or trust company if that interest might affect the trust department's or trust company's exercise of discretion to the detriment of its trust clients.

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

- D.** However, a trust department or trust company may sell or loan trust property to persons prohibited by subsection (C) if either:
1. Its counsel has advised in writing that, by holding certain property, the trust department or trust company has incurred a contingent or potential liability for breach of fiduciary duty; and
 - a. The proposed sale or loan avoids the contingent or potential liability;
 - b. Its board of directors authorizes the sale or loan by an action duly noted in the trust department's or trust company's minutes;
 - c. Its board of directors' action expressly authorizes reimbursement to the affected account; and
 - d. The affected account is reimbursed, in cash, at no loss to that account; or
 2. The Director requires or approves, in writing, the sale or loan to otherwise prohibited parties.
- E.** A trust department or trust company may sell trust property held in one account to another of its accounts if:
1. The transaction is fair to both accounts; and
 2. The transaction is not prohibited by the governing instruments, applicable state or federal law, or court order.
- F.** A trust department or trust company may loan trust property held in one account to another of its accounts if:
1. The transaction is fair to both accounts; and
 2. The transaction is not prohibited by the governing instruments, applicable state or federal law, or court order.
- G.** A trust department or trust company may make a loan to a trust account, taking trust assets of the borrowing account as security for repayment, if:
1. The transaction is fair to the borrowing account; and
 2. The transaction is not prohibited by the governing instrument, applicable state or federal law, or court order.

Historical Note

Adopted effective June 30, 1977 (Supp. 77-3). R20-4-812 recodified from R4-4-812 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 2471, effective June 8, 2000 (Supp. 00-2). Amended by final rulemaking at 8 A.A.R. 2718, effective June 6, 2002 (Supp. 02-2). Amended by final rulemaking at 29 A.A.R. 1952 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-813. Custody of Investments

- A.** A trust department or trust company shall keep each account's investments separate from its own assets. A trust department or trust company shall place each account's assets in the joint control of at least two officers or employees of the trust department or trust company designated in writing for that purpose by:
1. The trust department's or trust company's board of directors, or
 2. One or more officers authorized by the trust department's or trust company's board of directors to make the designation.
- B.** A trust department or trust company shall either:
1. Keep each account's investments separate from all other accounts' investments, except as provided in R20-4-815; or
 2. Adequately identify each account's property in the trust department's or trust company's records.

Historical Note

Adopted effective June 30, 1977 (Supp. 77-3). R20-4-813 recodified from R4-4-813 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 2471, effective June 8, 2000

R20-4-814. Compensation

- A.** A trust department or trust company acting as a fiduciary may charge a reasonable fee for its services. The trust department or trust company shall receive the fee allowed by the court when it is acting under a court appointment. Any agreement as to fees in the governing instrument shall control the fee unless contrary to law, regulation, or court order.
- B.** A trust department or trust company shall not permit any of its officers or employees to take any compensation for acting as a co-fiduciary with the trust department or trust company in the administration of an account.

Historical Note

Adopted effective June 30, 1977 (Supp. 77-3). R20-4-814 recodified from R4-4-814 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 2471, effective June 8, 2000 (Supp. 00-2). Amended by final rulemaking at 8 A.A.R. 2718, effective June 6, 2002 (Supp. 02-2). Amended by final rulemaking at 29 A.A.R. 1952 (September 1, 2023), effective October 8, 2023 (Supp. 23-3).

R20-4-815. Collective Investments

- A.** All collective investments made by a trust department or trust company shall be in a common trust fund established under A.R.S. § 6-871 and maintained by the trust department or trust company exclusively for the collective investment and reinvestment of funds contributed by the trust department or trust company acting as a fiduciary. A trust department or trust company shall not establish a common trust fund unless it first:
1. Prepares a written plan regarding the common trust fund; and
 2. Obtains its board of directors' approval of the plan, evidenced by a duly adopted resolution or the board's unanimous written consent.
- B.** The plan shall describe the common trust fund's operational details, including a description of:
1. The trust department's or trust company's investment powers and investment policy over all funds deposited in the common trust fund,
 2. The manner for allocating the common trust fund's income and losses,
 3. The criteria for admission to or withdrawal from participating in the common trust fund, and
 4. The method for valuing assets in the common trust fund and the frequency of valuation.
- C.** A trust department or trust company shall advise all persons having an interest in its common trust fund of the existence of the plan described in subsection (B), and shall provide a copy of the plan upon request.
- D.** The annual report required under R20-4-805(A) shall include all common trust funds operated by the trust department or trust company.

R20-4-816. Termination of Trust or Fiduciary Powers and Duties

- A.** Any trust department that wants to surrender its trust powers shall file with the Director a certified copy of the appropriate resolution of its board of directors or of the board's unanimous written consent. If, after investigation, the Director concludes that the trust department has no remaining fiduciary duties, the Director shall notify the trust department that it no longer has authority to exercise trust powers.
- B.** Any trust company that wants to surrender its certificate of authority to conduct trust business and wind up its affairs shall file with the Director a certified copy of the appropriate resolution of its board of directors or of the board's unanimous written consent. Upon receipt of the resolution or consent, the Director shall cancel the trust company's certificate of authority, and the trust company shall not accept new trust accounts.
- C.** After winding up its affairs, any trust company that wants to surrender its rights and obligations as a fiduciary and remove itself from the Director's supervision shall file with the Director a certified copy of the appropriate resolution of its board of directors or of the board's unanimous written consent. If, after investigation, the Director concludes that the trust company has no further fiduciary duties, the Director shall notify the trust company that it no longer has authority to exercise fiduciary powers.
- D.** Any trust department or trust company that surrenders its powers, rights, obligations, or certificate under this Section or that has them canceled, suspended, or revoked shall continue to be regulated under A.R.S. § 6-864 and this Article until it winds up its affairs. No action under this Section impairs any liability or cause of action, existing or incurred, against any trust department or trust company or its stockholders, directors, or officers.

R20-4-903. Exemption for an Entity Regulated by an Agency of this State, Other States, or by the United States

- A.** The exemption under A.R.S. § 6-902 (A)(1) only applies to a person whose offers to make or negotiate a mortgage loan, as defined in A.R.S. § 6-901, and all mortgage loans made or negotiated by the person are regulated directly by an agency of this state, any other state, or the United States.
- B.** The required regulation of the transactions listed in subsection (A) includes:
1. Rules governing a claimant's accounting and recordkeeping practices;
 2. The authority to examine a claimant's books and records relating to its mortgage lending activities; and
 3. The ability to place a claimant in a receivership or conservatorship with regard to the claimant's mortgage lending activities.

R20-4-906. Equivalent and Related Experience

- A.** An applicant may satisfy the three years' experience requirement of A.R.S. § 6-903 by the types of lending-related experience listed in this subsection. The Department counts each month in the following types of work experience toward the three years required for a mortgage broker license, under A.R.S. § 6-903(B), or as a responsible individual, under A.R.S. § 6-903(E). The Department counts a fractional month of experience, at least 15 days long, as a full month.
1. Mortgage broker with an Arizona license, responsible individual, or branch manager for a licensee;
 2. Mortgage banker with an Arizona license, responsible individual, or branch manager for a licensee;
 3. Loan officer with responsibility primarily for loans secured by lien interests on real property;
 4. Lender's branch manager with responsibility primarily for loans secured by lien interests on real property;
 5. Mortgage broker with license from another state, or responsible individual for a mortgage broker licensed in another state;

R20-4-911. Qualified Replacement Responsible Individual

If a licensee chooses an individual to serve as a replacement responsible individual and that individual has not satisfactorily completed

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

the course of study required by A.R.S. § 6-903(B)(2) or passed the mortgage broker examination required by A.R.S. § 6-903(B)(3), and is not given the opportunity to do so prior to the expiration of the 90-day time period provided in A.R.S. § 6-903(F), but otherwise meets the requirements of A.R.S. § 6-903(B), the individual shall be qualified as a replacement responsible individual until the next course of study has been held and, if the person successfully completes the course of study, until the mortgage broker examination next following the completion of the course of study has been held and the results of the examination are available. If the individual fails to satisfactorily complete the course of study or fails the mortgage broker examination, the licensee shall then have a new 90-day time period within which to place itself under the active management of a qualified responsible individual. Notwithstanding the foregoing, a licensee shall have no longer than 180 days within which to place the license under the active management of a qualified responsible individual unless the Superintendent grants additional time to the licensee for good cause shown.

Historical Note

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-911 recodified from R4-4-911 (Supp. 95-1).

R20-4-912. Restrictions on the Term of a Cash Alternative

If an applicant or a licensee elects to place with the Superintendent a deposit in the form of a certificate of deposit or investment certificate, in addition to the requirements of A.R.S. § 6-903(J), the certificate of deposit or investment certificate shall not be renewable, nor expire, earlier than 12 months from the date of issuance.

R20-4-915. Requirements for a Person Intended to Oversee a Branch Office

A person designated to oversee the operations of a branch office shall be knowledgeable about the branch activities of the licensee, shall supervise compliance by the branch with applicable law and rules, and shall have sufficient authority to ensure such compliance. One person may oversee more than one branch.

Historical Note

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-915 recodified from R4-4-915 (Supp. 95-1).

R20-4-916. Notification of Change of Address

If the address of the principal place of business or of any branch office is changed, the licensee shall notify the Superintendent of the change within five business days after the occurrence of the change of location. Together with such notice, the licensee shall provide to the Department the license for the office changing addresses

together with the fee required by A.R.S. § 6-126 for changing the address of an office. A copy of such license shall continue to be displayed at the place of business until a new license is issued.

Historical Note

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-916 recodified from R4-4-916 (Supp. 95-1).

R20-4-917. Recordkeeping Requirements

- A.** The Superintendent shall approve a licensee's use of a computer or mechanical recordkeeping system if the licensee gives the Superintendent advanced written notice that it intends to do so. The Department shall not require a licensee to keep a written copy of the records if the licensee can generate all information required by this Section in a timely manner for examination or other purposes. A licensee may add, delete, modify, or customize an approved computer or mechanical recordkeeping system's hardware or software components. When requested, or in response to a written notice of an examination, a licensee shall report to the Superintendent any alteration in the approved system's fundamental character, medium, or function if the alteration changes:
1. Any approved computer or mechanical system back to a paper-based system;
 2. An approved mechanical system to a computer system; or
 3. An approved computer system to a mechanical system.
- B.** In addition to any statutory requirement regarding records, a record maintained by a mortgage broker shall include the following:
1. A list of all executed loan applications or executed fee agreements that includes the following information:
 - a. Applicant's name;
 - b. Application date;
 - c. Amount of initial loan request;
 - d. Final disposition date;
 - e. Disposition (funded, denied, etc.); and
 - f. Name of loan officer;
 2. A record, such as a cash receipts journal, of all money received in connection with a mortgage loan including:
 - a. Payor's name;
 - b. Date received;
 - c. Amount; and
 - d. Receipt's purpose, including identification of a related loan, if any;
 3. A sequential listing of checks written for each bank account relating to the mortgage broker business, such as a cash disbursement journal, including:
 - a. Payee's name;
 - b. Amount;
 - c. Date; and
 - d. Payment's purpose, including identification of a related loan, if any;
 4. Bank account activity source documents for the mortgage broker business including receipted deposit tickets, numbered receipts for cash, bank account statements, paid checks, and bank advices.
 5. A trust subsidiary ledger for each borrower that deposits trust funds showing:
 - a. Borrower's name or co-borrowers' names;
 - b. Loan number, if any;
 - c. Amount received;
 - d. Purpose for the amount received;
 - e. Date received;
 - f. Date deposited into trust account;
 - g. Amount disbursed;

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

- h. Date disbursed;
- i. Disbursement's payee and purpose; and
- j. Balance;
6. A file for each application for a mortgage loan containing:
- a. The agreement with the customer concerning the broker's services, whether as a loan application, fee agreement, or both;
 - b. Document showing the application's final disposition, such as a settlement statement, or a denial or withdrawal letter;
 - c. Correspondence sent, received, or both by the licensee;
 - d. Contract, agreement, and escrow instructions to or with any depository;
 - e. Documents showing compliance with the Consumer Credit Protection Act's (15 U.S.C. §§ 1601 through 1666j) and the Real Estate Settlement Procedures Act's (12 U.S.C. §§ 2601 through 2617) disclosure requirements, to the extent applicable;
 - f. If the loan is funded by an investor that is not a financial institution, an enterprise, a licensed real estate broker or salesman, a profit sharing or pension trust or, an insurance company, the documents provided to the investor under A.R.S. § 6-907, a copy of the executed note and executed deed of trust or mortgage, and any assignment by the broker to the investor;
 - g. If the loan is closed in the mortgage broker's name, a copy of all closing documents including: closing instructions, any applicable rescission notice, HUD-1 settlement statement, final truth-in-lending disclosure, executed note, executed deed of trust or mortgage, and each assignment of beneficial interest by the licensee; and
 - h. Itemized list of all fees taken in advance including appraisal fee, credit report fee, and application fee;
7. Samples of every piece of advertising relating to the mortgage broker's business in Arizona;
8. Copies of governmental or regulatory compliance reviews;
9. If the licensee is not a natural person, a file containing:
- a. Organizational documents for the entity;
 - b. Minutes;
 - c. A record, such as a stock or ownership transfer ledger, showing ownership of all proportional equity interests in the licensee, ascertainable as of any given record date; and
 - d. Annual report, if required by law;
10. If the licensee or anyone directly or indirectly owning more than 20% of the licensee has a felony conviction, a copy of the judgment or other record of conviction;
11. If the licensee or anyone directly or indirectly owning more than 20% of the licensee has, in the previous seven years, been named a defendant in any civil suit, a copy of the complaint, any answer filed by the licensee, and any judgment, dismissal, or other final order disposing of the action; and
12. If the Superintendent has granted approval to maintain records outside this state, the specific address where the records are kept, and a person's name to contact for them.
- C. If 10 or fewer transactions have occurred during the prior calendar quarter, a licensee shall reconcile and update all records specified in subsection (B) at least once each calendar quarter.
- A licensee shall reconcile and update all records specified in subsection (B) monthly if more than 10 transactions occurred during the prior calendar quarter. In addition to reconciling each trust bank account, a licensee shall verify each trust balance to each trust subsidiary ledger at each reconciliation.
- D. A licensee shall retain the documents described in subsections (B)(1) and (B)(6) for the length of time provided in A.R.S. § 6-906. For the purposes of A.R.S. § 6-906, a mortgage loan's closing date, on a loan application that did not result in the making of a loan, is either:
1. The date a licensee receives a written cancellation notice from an applicant; or
 2. The date a licensee mails written notice to an applicant that the application has been denied, as required by federal law.
- E. A licensee shall maintain all records described in this Section, and not included in subsection (D), for at least two years.
- Historical Note**
Adopted effective August 14, 1991 (Supp. 91-3). R20-4-917 recodified from R4-4-917 (Supp. 95-1). Amended by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

- R20-4-919. Deposit of Monies Received by a Mortgage Broker**
- All monies received by a mortgage broker which are required to be deposited into an escrow account with an escrow agent licensed pursuant to A.R.S. § 6-801 et seq. shall be so deposited by 5:00 p.m. on the next business day after receipt of the funds.
- Historical Note**
Adopted effective August 14, 1991 (Supp. 91-3). R20-4-919 recodified from R4-4-919 (Supp. 95-1).
- R20-4-920. Requirements for the Testing Committee**
- A. No licensee shall submit more than five names as nominees to serve on the testing committee. The resumes of the nominees shall be included. The names and resumes shall be submitted to the Superintendent no later than August 1 of each even-numbered year. On or before September 30 of each even-numbered year, the Superintendent shall appoint four persons from the nominees submitted and one employee of the Department as members of the testing committee. A person may serve more than one two-year term. If the Superintendent does not find at least four persons from the list to be acceptable, the Superintendent shall solicit additional nominees from licensees.
- B. In the event of a vacancy on the testing committee, the remaining members of the committee shall submit a list of nominees within 45 days of the vacancy to the Superintendent containing not less than two nominees for each vacancy. The Superintendent shall then appoint a nominee from the list to fill each vacancy for the remainder of the term. If the Superintendent does not find at least one person from the list to be acceptable to fill each vacancy, the remaining members of the committee shall, upon request, submit an additional list of nominees to the Superintendent.

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

- C. The Superintendent may remove any member of the committee at any time without cause.
- D. The committee shall review and revise questions on the test not less than once every two years. All questions used on the test shall first be submitted to and approved by the Superintendent.
- E. The committee shall inform the applicant of the applicant's score on the test in writing within 30 days of administration of the test.
- F. The handbook for mortgage brokers shall be updated by the committee as necessary to reflect changes in the law.

Historical Note

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-920 recodified from R4-4-920 (Supp. 95-1).

R20-4-921. Authorizations to Complete Blank Spaces

An authorization, under A.R.S. § 6-909, allowing a licensee or escrow agent to complete certain blank spaces in a document after it is signed by a party to the transaction shall:

1. Specifically identify the document and the blank spaces to be completed;
2. Be in writing, dated, and signed by the authorizing parties; and
3. Contain the following notice, conspicuously printed on its face: YOUR SIGNATURE BELOW AUTHORIZES YOUR MORTGAGE BROKER OR ESCROW AGENT TO FILL IN SPACES YOU LEFT BLANK IN SPECIFIED LOAN DOCUMENTS YOU ARE ABOUT TO SIGN OR MAY HAVE ALREADY SIGNED. UNDER STATE LAW YOU CAN GIVE THIS AUTHORITY, BUT YOU ARE NOT REQUIRED TO DO SO. YOU CAN REFUSE TO SIGN ANY DOCUMENTS UNTIL ALL BLANKS ARE COMPLETELY FILLED IN.

Historical Note

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-921 recodified from R4-4-921 (Supp. 95-1). Amended by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-922. Determining Loan Amounts

In determining the amount of a mortgage loan pursuant to A.R.S. § 6-909(D) or (G), only the principal amount of the loan shall be considered and not any points, interest, finance charges, insurance premiums of any kind, compensation paid to third parties or compensation retained by the mortgage broker or its agents.

Historical Note

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-922 recodified from R4-4-922 (Supp. 95-1).

R20-4-923. Delay or Cause Delay

A mortgage broker shall not be deemed to have delayed or caused delay if such delay occurs due to events outside the control of the mortgage broker.

Historical Note

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-923 recodified from R4-4-923 (Supp. 95-1).

R20-4-924. Receipt and Disbursement of Monies

A licensee is not receiving or disbursing monies in servicing or arranging a mortgage loan if the licensee, at the request of the lender or servicing agent, on an infrequent basis, assists in the collection or servicing of a mortgage loan by receiving from the borrower a check or draft payable to the lender or servicing agent and forwarding such instrument to the lender or servicing agent not later

than 5:00 p.m. on the next business day after receipt by the licensee. For the purposes of this rule, an infrequent basis means, with regard to a particular loan, for not more than 25% of the regularly scheduled payments of the mortgage loan during any calendar year.

Historical Note

Adopted effective August 14, 1991 (Supp. 91-3). R20-4-924 recodified from R4-4-924 (Supp. 95-1).

R20-4-925. Waiver of Examination and Course of Study

The Superintendent's waiver of the examination and course of study requirement under A.R.S. § 6-903 extends to a person designated as a responsible individual by either an applicant or a licensee under A.R.S. § 6-903.

Historical Note

New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-926. Acquisition of Additional Interest in Licensee by Majority Owner

A person that owns 51% or more of a licensee's outstanding voting equity interests, and that acquires the power to vote additional fractional equity interests, shall deliver written notice of the acquisition to the Superintendent. The person shall deliver the notice before completing the acquisition. Within 10 days after completing the acquisition, the person shall deliver documentation evidencing the acquisition to the Superintendent.

Historical Note

New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-927. Conversion to Commercial Mortgage Broker License

- A. Under A.R.S. § 6-913, a mortgage broker licensee shall only be permitted to convert his or her license to a commercial mortgage broker license during the renewal period established by A.R.S. § 6-904.
- B. The licensee seeking conversion shall not be subject to the 12 continuing education units as prescribed by A.R.S. § 6-903(V).
- C. The licensee seeking conversion shall submit:
 1. The renewal fees required by A.R.S. § 6-126 for commercial mortgage brokers, and
 2. The information and documents required by A.R.S. § 6-903.

Historical Note

New Section adopted by final rulemaking at 18 A.A.R. 2622, effective December 2, 2012 (Supp. 12-4).

R20-4-928. Certificate of Exemption Application and Renewal

- A. Under A.R.S. § 6-912(C), upon application for a certificate of exemption, an applicant shall pay a nonrefundable fee of \$300.
- B. A person holding a certificate of exemption shall pay a renewal fee of \$150.00 on or before December 31 of each year. Certificates of exemption not renewed by December 31 are automatically suspended, and the certificate holder shall not act as a registered exempt person until the certificate is renewed or a new certificate is issued pursuant to A.R.S. § 6-912. While the certificate is suspended, the licensed loan originators sponsored by the registered exempt person may not transact business as a loan originator. A registered exempt person may renew an automatically suspended certificate by paying the renewal fee plus \$25.00 for each day after December 31 that a renewal fee is not received by the Superintendent and

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

applying for renewal as prescribed by the Superintendent. A certificate of exemption that is not renewed by January 31 expires. A certificate of exemption shall not be granted to the holder of an expired certificate of exemption except as provided in A.R.S. § 6-912 for the issuance of an original certificate of exemption. Each licensed loan originator that is sponsored by a registered exempt person whose certificate has expired shall have his or her license placed on inactive status and shall not transact business in Arizona as a loan originator pursuant to A.R.S. § 6-991.02(M).

- C. In addition to the application fee, on issuance of the certificate of exemption, the Superintendent shall collect the first year's renewal fee prorated according to the number of quarters remaining until the date of the next annual renewal, as required by A.R.S. § 6-126(B).
- D. The following fees are payable to the Department:
1. To change the name of the federally chartered savings bank on a certificate of exemption: \$250.00.
 2. To change the responsible individual for the exempt entity: \$250.00.

ARTICLE 12. RULES OF PRACTICE AND PROCEDURE BEFORE THE DIRECTOR**R20-4-1201. Scope of Article; Definitions**

- A. Scope. This Article, Title 6, Title 32, Chapters 9 and 36, and Title 44, Chapter 2.1 of the Arizona Revised Statutes govern administrative hearings before the Department. The Department shall use the authority of A.R.S. Title 41, Chapter 6, Article 10, the Office of Administrative Hearings' procedural rules and this Article to govern the initiation and conduct of administrative hearings. In an administrative hearing, special procedural requirements in state statute or another Section in this Article shall also govern the proceedings unless the requirements are inconsistent with either A.R.S. Title 41, Chapter 6, Article 10, the Office of Administrative Hearings' rules, or this Article. Except as otherwise provided in Section R20-4-1220 for rulemaking petitions, this Article does not apply to rulemaking or to investigative proceedings before the Director. Unless expressly applicable by rule or statute, the Arizona Rules of Civil Procedure do not apply to administrative hearings.

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

R20-4-1209. Answer to Notice of an Administrative Hearing

- A.** The Department may, in a notice of hearing, direct one or more parties to file a written answer to the allegations contained in the notice of hearing. Even if not directed to do so, any party to the proceeding may file an answer.
- B.** A party directed to file an answer shall do so within 20 days after issuance of a notice of hearing, unless the notice of hearing states a different period for the answer. The Department may require any party to answer, in a reasonable time, amendments to the assertions in the notice made after service of the original notice.
- C.** An answer filed under this Section shall briefly state the party’s position or defense to the proceeding and shall specifically admit or deny each of the allegations in the notice of hearing. An answering party who does not have, or cannot easily obtain, knowledge or information sufficient to admit or deny an allegation shall state that inability which shall have the effect of a denial. Any allegation not denied is admitted. A party who intends to deny only a part of an allegation, shall expressly admit as much of that allegation as is true and shall deny the remainder.
- D.** A party who fails to file an answer required by this Section within the time allowed is in default. The Director may resolve

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

the proceeding against a defaulting party. In doing so, the Director may regard any allegations in the notice of hearing as admitted by the defaulting party.

E. Defenses not raised in the answer are waived.

Historical Note

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1209 recodified from R4-4-1209 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3). Amended by final rulemaking at 28 A.A.R. 3620 (November 25, 2022), effective January 1, 2023 (Supp. 22-4).

R20-4-1210. Stay Pending a Hearing

A person aggrieved by the Department's action or order who files a timely written request for a hearing may ask, in the request for a hearing, that the Director stay an action or any part of an order that will become effective before a hearing. The Director may, in the Director's discretion, stay the legal effectiveness of any action or order until the matter can be heard and finally decided if the aggrieved person's request demonstrates that:

1. The person has a reasonable defense that might prevail on the merits at the hearing,
2. The person will suffer irreparable injury unless the Director grants the stay,
3. The stay would not substantially or irreparably harm other interested persons, and
4. The stay would not jeopardize the public interest or contravene public policy.

Historical Note

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1210 recodified from R4-4-1210 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3). Amended by final rulemaking at 28 A.A.R. 3620 (November 25, 2022), effective January 1, 2023 (Supp. 22-4).

R20-4-1213. Repealed**Historical Note**

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1213 recodified from R4-4-1213 (Supp. 95-1). Section repealed by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3).

R20-4-1214. Repealed**Historical Note**

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1214 recodified from R4-4-1214 (Supp. 95-1). Section

repealed by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3).

R20-4-1215. Repealed**Historical Note**

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1215 recodified from R4-4-1215 (Supp. 95-1). Section repealed by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3).

R20-4-1216. Repealed**Historical Note**

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1216 recodified from R4-4-1216 (Supp. 95-1). Section repealed by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3).

R20-4-1217. Repealed**Historical Note**

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1217 recodified from R4-4-1217 (Supp. 95-1). Section repealed by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3).

R20-4-1218. Repealed**Historical Note**

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1218 recodified from R4-4-1218 (Supp. 95-1). Section repealed by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3).

R20-4-1219. Request for Rehearing or Review

- A. Any party aggrieved by an administrative decision may file with the Director within time limits and other procedural guidelines contained in A.R.S. § 41-1092.09, a written motion for rehearing or review of the decision specifying the particular reason for the request.
- B. A party filing a motion under this Section may amend the motion at any time before a response to the motion is filed. An amended motion tolls the time for filing a response and the time for rendering a decision on the motion.
- C. A request for rehearing or review which is not timely filed is deemed waived for the purpose of judicial review.
- D. A motion for rehearing or review shall specify which of the grounds listed in subsection (G) it is based upon and shall set forth the specific facts and laws in support of the motion. A motion may cite relevant portions of testimony from the hearing if a transcript is provided with the motion and may cite hearing exhibits by reference to the exhibit number. The motion shall specify the relief sought by the request, such as a different finding of fact, conclusion of law or order and may seek multiple forms of relief in the alternative. When a motion for rehearing or review is based on an affidavit, the moving party shall attach the affidavit to the motion.
- E. A party may file a separate request for a stay of the Director's decision. Filing a stay request or a motion for rehearing or review does not stay an order filed by the Director. The Director may stay an order pending the resolution of a motion for rehearing or review.
- F. Each party served with a motion for rehearing or review shall be permitted to file a written response within 15 days after the motion has been filed. Affidavits may be attached to and filed with a response. A response may cite relevant portions of testimony from the hearing if a transcript is provided with the

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

response and may cite hearing exhibits by reference to the exhibit number. The Director has the discretion to hear oral argument to consider a request for rehearing or review.

- G.** The Director may grant a motion for rehearing or review for any of the following causes:
1. Irregularity in the proceedings before the Department, in any order, or any abuse of discretion that deprives the moving party of a fair hearing;
 2. Misconduct by the Department, the administrative law judge, or the prevailing party;
 3. Accident or surprise that could not have been prevented by ordinary care;
 4. Newly discovered material evidence that could not reasonably have been discovered and produced at the original hearing;
 5. Excessive or insufficient penalties;
 6. Error in admitting or rejecting evidence or other legal errors occurring at the hearing; and
 7. The decision is not justified by the evidence or is contrary to law.
- H.** The Director may affirm or modify the decision or grant a rehearing as to all or any of the parties and on all or part of the issues for any reason listed in subsection (G). An order granting a rehearing shall specify the reason for granting the rehearing, and the rehearing shall cover only those matters specified.
- I.** The Director, within the time for filing a motion for rehearing, may without a motion for rehearing, order a rehearing for any reason that would allow the granting of a motion for rehearing by a party. The order for rehearing, granted without a motion, shall specify the reason for granting the rehearing.
- J.** The Director may grant a motion for rehearing, timely served, for a reason not stated in the motion. The order for rehearing, granted for a reason not stated in the motion, shall specify the reason for granting the rehearing.

Historical Note

Adopted effective February 7, 1978 (Supp. 78-1). R20-4-1219 recodified from R4-4-1219 (Supp. 95-1). Amended by final rulemaking at 7 A.A.R. 4262, effective September 12, 2001 (Supp. 01-3). Amended by final rulemaking at 28 A.A.R. 3620 (November 25, 2022), effective January 1, 2023 (Supp. 22-4).

R20-4-1220. Petition for Rulemaking Action

- A.** The following definitions apply in this Section.
1. "Petitioner" means a person who petitions the Department for Rulemaking action as authorized under A.R.S. § 41-1033(A).
 2. "Rule" has the meaning stated at A.R.S. § 41-1001 and is enforceable by the Department.
 3. "Rulemaking action" means the process for formulation and finalization of a new rule, or amendment or repeal of an existing rule.
 4. "Substantive Policy Statement" has the meaning stated at A.R.S. § 41-1001, is advisory only, and is not enforceable by the Department.
- B.** Any person may petition the Department under A.R.S. § 41-1033(A) to either:
1. Make, amend, or repeal a final Rule; or
 2. Review an existing agency practice or Substantive Policy Statement that the Petitioner alleges to constitute a Rule.
- C.** A person who files a petition pursuant to A.R.S. § 41-1033(A), shall include the following information in the petition:
1. The Petitioner's name and contact information;

2. The name and address of any organization the Petitioner represents;
 3. Whether the Petitioner is petitioning the Department to:
 - a. Make, amend, or repeal a final Rule; or
 - b. Review an existing agency practice or Substantive Policy Statement that the Petitioner alleges to constitute a Rule;
 4. A detailed explanation of Petitioner's basis for submitting the petition;
 5. If the Petitioner is petitioning the Department to make a Rule, the language of the proposed new Section and the specific authority for the requested Rulemaking action;
 6. If the Petitioner is petitioning the Department to amend an existing Rule, a citation to the existing Section to be amended, the language of the proposed Rule amendment, and the specific authority for the requested Rulemaking action;
 7. If the Petitioner is petitioning the Department to repeal an existing Rule, a citation to the existing Section or subsection to be repealed, and an explanation of why the Rule should be repealed including, if applicable, how the Rule does not meet the requirements of A.R.S. § 41-1030;
 8. If the Petitioner is petitioning the Department to review an existing agency practice that the Petitioner alleges to constitute a Rule, a description of the Department's practice, an explanation of how the Department's practice constitutes a Rule being enforced by the Department, the language of the proposed new Rule, and the specific authority for the requested Rulemaking action;
 9. If the petitioner is petitioning the Department to review a Substantive Policy Statement that the Petitioner alleges to constitute a Rule, a citation to the Substantive Policy Statement, an explanation of how the Substantive Policy Statement is being enforced by the Department as a Rule, the language of the proposed new Rule, and the specific authority for the requested Rulemaking action; and
 10. The petitioner's dated signature.
- D.** The petitioner may submit additional supporting information, including:
1. Statistical data; and
 2. A list of other persons and entities likely to be affected by the proposed Rulemaking action, with an explanation of the likely effects.
- E.** Within 60 days of the date the Department receives the petition, the Director shall send the petitioner a written decision indicating whether the Department is denying the petition or will initiate the requested Rulemaking action, with the reasons for the decision.

Historical Note

R20-4-1502. Applications

- A. An applicant for a license shall complete and file an application, as required by the Department, by delivering the application to the Director, together with the following documents and payment:
 1. The bond required by A.R.S. § 32-1021;
 2. The nonrefundable investigation fee and original license fee required by A.R.S. § 32-1028 and stated in A.R.S. § 6-126;
 3. A current financial statement in the form required by the Department;
 4. A certified copy of the current articles of incorporation, by-laws, partnership agreement, or other organizational documents under which the applicant proposes to conduct business; and
 5. A statement of personal history for each principal officer, partner, and manager of the applicant, in the form required by the Department.
- B. An out-of-state collection agency applying for a license under A.R.S. § 32-1024 shall complete and file the application required by subsection (A), together with a signed statement declaring that:
 1. The requirements for securing the out-of-state license were, when issued, substantially the same or equivalent to the requirements imposed under A.R.S. Title 32, Chapter 9, Article 2. The statement shall also contain a complete description of those requirements.
 2. The state issuing the out-of-state license extends reciprocity to Arizona licensees under similar circumstances. The statement shall also contain a complete description of the conditions for reciprocity in the other state.
- C. A licensee applying for license renewal shall complete and file an application, as required by the Department, by delivering the renewal application to the Director before January 1, together with the renewal fee required by A.R.S. § 32-1028 and stated in A.R.S. § 6-126. An application for renewal shall also include a current financial statement in the form required by the Department.
- D. An applicant for a provisional license under A.R.S. § 32-1027 shall complete and file an application as required by the Department, by delivering the application to the Director within 30 days of the event justifying a provisional license. The applicant shall deliver the application together with each of the following:
 1. A bond that satisfies the requirements of A.R.S. § 32-1022;
 2. A current financial statement as required by the Department;
 3. A detailed description of the facts justifying the issuance of a provisional license; and
 4. Evidence that the licensee notified the Director as required by A.R.S. § 32-1023, in the event the licensee has terminated its active manager.
- E. An applicant for a provisional license shall, in each instance, be appropriate to the circumstances justifying the provisional license, as follows:
 1. A licensee's personal representative, or the personal representative's appointee, shall complete and file an application if the licensee, a natural person, has died;
 2. The surviving partners shall complete and file an application if the licensee, a partnership, has dissolved;

R20-4-1504. Records

- A. A licensee may keep its books, accounts, and records as electronic records if the licensee can generate all information and copies required by this Section within the timeframe set by the Department for examination or other purposes.
- B. All licensees shall keep and maintain books, accounts, and records adequate to provide a clear and readily understandable record of all business conducted by the collection agency, including:
 1. Records or books of account listing all clients' accounts. Each account shall reflect its true condition at each calendar month's end, and shall include:
 - a. The client's name and address;
 - b. Each debtor's name worked for collection in that month;
 - c. The amount, description, and date of each debit and each credit to the account; and
 - d. The balance due to, or owing from, the client.
 2. A record and history of each debt for collection that clearly shows:
 - a. The debtor's name;
 - b. The debt's principal amount;
 - c. The interest charged or collected;
 - d. The amount, and description, of any other charges;
 - e. The amount, and date, of each payment received or collected; and
 - f. The current balance due on the debt.
 3. An original of each written contract between the licensee and a client, including any contract amendments.

- C. A person issuing a receipt for a collection agency shall sign the receipt using that person's true name. Each receipt shall also show the collection agency's name.
- D. A licensee shall maintain all records required under this Section and shall make them available for examination, investigation, or audit in Arizona within three working days after the Director demands the records.
- E. A licensee shall retain the records required by this Section for the following periods:
 1. A licensee shall retain all records described in subsections (B)(1), and (B)(3) through (8) for at least seven years following their creation.
 2. A licensee shall retain all records described in subsection (B)(2) for at least three years from an account's assignment to the licensee. If a licensee collects any money on an account, the licensee shall retain the records described in subsection (B)(2) for at least three years from the last collection date.

Historical Note

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). Amended effective December 18, 1979 (Supp. 79-6). R20-4-1504 recodified from R4-4-1504 (Supp. 95-1). Amended by final rulemaking at 6 A.A.R. 4742, effective November 13, 2000 (Supp. 00-4). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1505. Trust Account

- A. A licensee that maintains an office in Arizona shall deposit all funds collected for a client in a trust account at a federally insured depository institution in Arizona. A licensee that does not maintain an office in Arizona shall deposit all funds collected for a client in a trust account at a federally insured depository institution in the state where the licensee maintains its principal office. A licensee shall deposit all client funds before the close of its business on the third business day after the licensee receives the funds. Client funds shall remain on deposit as required by this Section until:
 1. Paid over to a client, or
 2. Otherwise paid as provided in this Section.
- B. A licensee shall pay funds from the trust account either:
 1. By prenumbered printed checks, or
 2. By electronic payment.
- C. A licensee shall deposit in its trust account only the funds it has collected for its client. A licensee, its officers, directors, partners, managers, members, or employees shall not commin-

gle, or permit the commingling of, their own funds with client funds. This prohibition includes any funds that a licensee, or any officer, director, partner, manager, member, or employee claims an interest in if that interest arises outside the licensee's contract with a client.

- D. A licensee shall keep unpaid client funds in its trust account. A licensee may maintain a separate trust account for dormant accounts into which the licensee deposits unpaid funds such as those of a client that cannot be located, or any trust account check issued to a client that is returned without being negotiated. As to all those unpaid funds, under A.R.S. § 44-307, a licensee shall file an abandoned property report at the Arizona Department of Revenue as and when required by law.
- E. A licensee shall withdraw from its trust account all fees and commissions due the licensee under its contract with a client and deposit them directly into its own operating account.
- F. A licensee shall not pay funds from its trust account except as:
 1. Provided in this Section,
 2. Expressly authorized in its contract with a client, or
 3. Authorized in writing by the Director.

R20-4-1510. Representations as to Rights Waived or Rem-

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

Remedies Available

- A.** A collection agency shall not inform a debtor that:
1. The debtor waives any legal right or legal defense by a failure to contact the collection agency, and
 2. The collection agency has the power or right to bypass the legal process.
- B.** A collection agency shall not misrepresent the remedies available to the collection agency.

Historical Note

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). R20-4-1510 recodified from R4-4-1510 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1511. Prohibition of Harassment

- A.** A collection agency shall not use unauthorized or oppressive tactics designed to harass any person to pay a debt.
- B.** A collection agency shall not use written or oral communications that ridicule, disgrace, or humiliate any person, or tend to ridicule, disgrace, or humiliate any person.
- C.** A collection agency shall not state, imply, or tend to imply, in written or oral communications, that any person is guilty of fraud or any other crime.
- D.** A collection agency shall not permit its agents, employees, representatives, debt collectors, or officers to use obscene or abusive language in efforts to collect a debt.
- E.** A collection agency or its agents, employees, representatives or officers are subject to penalties listed in A.R.S. § 32-1056(B) for any violation of this Article, as well as other liabilities imposed under any other provision of law.

Historical Note

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). R20-4-1511 recodified from R4-4-1511 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1512. Contacts with Debtors and Others

- A.** A collection agency shall contact a debtor by telephone only during reasonable hours. A collection agency shall make a reasonable attempt to contact a debtor at the debtor's residence. A collection agency may contact a debtor at the debtor's place of employment if a reasonable attempt to contact the debtor at the debtor's residence has failed.
- B.** A collection agency shall not threaten to or contact a third party, including a debtor's friend, relative, neighbor, or employer and:
1. Inform the third party of the debt;
 2. Ask the third party to pressure the debtor into paying the debt; or
 3. Ask the third party to pay the debt, unless the third party is legally obligated to pay the debt.
- C.** Despite the other provisions of this Section, a collection agency may make lawful service on third parties, including employers, of a writ of garnishment or other writ in aid of execution after judgment has been entered against a debtor.

Historical Note

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). R20-4-1512 recodified from R4-4-1512 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1513. Cessation of Communication with the Debtor

- A.** A collection agency shall stop contacting a debtor, directly or indirectly, if the debtor tells the collection agency that the debtor is represented by a lawyer and wants the collection agency to communicate with the debtor through the debtor's lawyer. The collection agency may later contact the debtor if the collection agency contacts the lawyer named by the debtor and learns that the lawyer does not represent the debtor.
- B.** A collection agency shall stop contacting a debtor, directly or indirectly, if the debtor gives the collection agency written notice that the debtor:
1. Refuses to pay the debt, or
 2. Wants the collection agency to stop all further communication with the debtor.
- C.** Despite the provisions of subsection (B), a collection agency may contact a debtor to inform the debtor that:
1. The collection agency has stopped trying to collect the debt, or
 2. The collection agency or the creditor may invoke specific remedies that are customarily used by the collection agency or the creditor.
- D.** The debtor's written notice under subsection (B) is effective upon receipt by the collection agency if delivered by mail.

Historical Note

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). Amended effective December 18, 1979 (Supp. 79-6). R20-4-1513 recodified from R4-4-1513 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1514. Disclosure of Information to Debtor

- A.** Within five days after the initial communication with the debtor, a collection agency shall obtain and be able to inform the debtor of:
1. The name of the creditor;
 2. The time and place of the creation of the debt;
 3. The merchandise, services, or other value provided in exchange for the debt; and
 4. The date when the account was turned over to the collection agency by the creditor.
- B.** A collection agency shall give the debtor access to any of the collection agency's records that contain the information listed in subsection (A).
- C.** At the debtor's request, the collection agency shall give the debtor, free of charge, a copy of any document from its records that contains the information listed in subsection (A).

Historical Note

R20-4-1515. Aiding and Abetting

A collection agency shall not help or encourage, directly or indirectly, any person to evade or violate any provision of:

1. This Article, or
2. A.R.S. Title 32, Chapter 9.

Historical Note

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). R20-4-1515 recodified from R4-4-1515 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1516. Advertising

A collection agency shall not use any form of communication to state or imply that the collection agency is:

1. Approved, bonded by, or affiliated with the state of Arizona;
2. A state agency;
3. The director of any state agency; or
4. Authorized to practice law.

Historical Note

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). R20-4-1516 recodified from R4-4-1516 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1517. Repealed**Historical Note**

Adopted as an emergency effective September 6, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-5). Adopted effective December 6, 1978 (Supp. 78-6). R20-4-1517 recodified from R4-4-1517 (Supp. 95-1). Section repealed by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2).

R20-4-1518. Agreements with Clients

A collection agency's records shall document each client's account in writing. The records for an account shall include either a written agreement between the client creditor and the collection agency, or a written direction from the creditor to the collection agency concerning a specific debt placed for collection. The collection agency shall keep records that are specific, easily understood, and unambiguous. A provision of a written agreement or written direction that suggests the collection agency has authority to represent the client in court, or to practice law in any other way, is void and prohibited by this Section. The records for an account shall separately state:

1. The names of the parties to the agreement or written direction,
2. The terms or rate of compensation paid to the collection agency,

3. The length of time the agreement or written direction is intended to be in effect, and
4. Any conditions regarding collection of a particular debt.

Historical Note

Adopted effective December 18, 1979 (Supp. 79-6). R20-4-1518 recodified from R4-4-1518 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1519. Licensee Names and Control

- A.** The Department shall not issue a license with a name that is:
1. Similar to, or that may be confused with, any federal, state, county, or municipal government function or agency;
 2. Descriptive of any business activity that the applicant does not actually conduct;
 3. The same as, or similar to, the name of any existing collection agency, or
 4. Otherwise deceptive or misleading.
- B.** The Department may permit the use of a name otherwise prohibited under subsection (A)(3) based on its analysis of whether the name includes geographic or other information that distinguishes it from the existing collection agency.
- C.** A collection agency shall not use a collection agency license to do business under more than one name. Each collection agency shall apply for and obtain a separate license for each business name it intends to use in Arizona.

Historical Note

Adopted effective December 18, 1979 (Supp. 79-6). R20-4-1519 recodified from R4-4-1519 (Supp. 95-1). Amended by final rulemaking at 12 A.A.R. 1331, effective June 4, 2006 (Supp. 06-2). Amended by final rulemaking at 29 A.A.R. 1961 (September 1, 2023), effective October 2, 2023 (Supp. 23-3).

R20-4-1520. Representations of Collection Agency Employees' Identity or Position

- A.** A collection agency shall not allow its debt collector, agent, representative, employee, or officer to:
1. Misrepresent the person's true position with the collection agency;
 2. Claim to be, or imply that the person is, an attorney unless the person is licensed to practice law;
 3. Claim to be, or imply that the person is, a public official, peace officer, or any other type of public employee; or
 4. Claim to be, or imply that the person is, any other third party.
- B.** In any communication with a debtor, a person working for a collection agency shall indicate that the person is a debt collector.
- C.** A collection agency shall keep a record of all fictitious names used by its debt collectors during their employment. The collection agency shall record the information required by this subsection before permitting the use of a fictitious name. The collection agency shall file a copy of the record of fictitious names with the Department on July 1 and December 31 of each year. After filing the initial report, a collection agency shall identify all changes to the record on July 1 and December 31 of each year. The collection agency's record of fictitious names shall include:
1. The true name of each debt collector that uses a fictitious name;

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

2. Each fictitious name used by the debt collector, together with the dates when the name is used; and
3. The residential street address and residential mailing address of each debt collector that uses a fictitious name.

Historical Note

R20-4-1521. Duty of Investigation

A collection agency shall give copies of its evidence of the debt to the debtor or the debtor's attorney upon request. After providing the evidence, but before continuing its collection efforts against the debtor, the collection agency shall investigate any claim by the debtor or the debtor's attorney that:

1. The debtor has been misidentified,
2. The debt has been paid,
3. The debt has been discharged in bankruptcy, or
4. Based on any other reasonable claim, the debt is not owed.

Historical Note

R20-4-1802. Equivalent and Related Experience

- A. An applicant may satisfy the three years’ experience requirement of A.R.S. § 6-943 by the types of lending-related experience listed in this subsection. The Department counts each month in the following types of work experience toward the three years required either for a mortgage banker license, or as a responsible individual, both under A.R.S. § 6-943(C). The Department counts a fractional month of experience, at least 15 days long, as a full month.

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

1. Mortgage banker with an Arizona license, responsible individual, or branch manager for a licensee;
 2. Mortgage broker with an Arizona license, responsible individual, or branch manager for a licensee;
 3. Loan officer with responsibility primarily for loans secured by lien interests on real property;
 4. Lender's branch manager with responsibility primarily for loans secured by lien interests on real property;
 5. Mortgage banker with license from another state, or responsible individual for the mortgage banker;
 6. Mortgage broker with license from another state, or responsible individual for the mortgage broker;
 7. Attorney certified by any state as a real estate specialist.
- B.** An applicant with insufficient actual experience of the types listed in subsection (A) may satisfy the remainder of the three years' experience requirement of A.R.S. § 6-943 by the types of related experience listed in this subsection. The Department counts each month in the following types of work experience according to the ratio listed below, of actual experience to equivalent experience, credited toward qualifying for a license, or as a responsible individual, both under A.R.S. § 6-943(C). The Department counts a fractional month of experience, at least 15 days long, as a full month. An applicant receives credit in only one area listed and for not more than three years' actual experience. The remaining years of experience required to qualify for a license shall be obtained from types of work experiences listed in subsection (A).

 3. A sequential listing of checks written for each bank account relating to the mortgage banker business, such as a cash disbursement journal, including:
 - a. Payee's name;
 - b. Amount;
 - c. Date; and
 - d. Payment's purpose including identification of a related loan, if any;
 4. Bank account activity source documents for the mortgage banker business including receipted deposit tickets, numbered receipts for cash, bank account statements, paid checks, and bank advices;
 5. A trust subsidiary ledger for each borrower that deposits trust funds showing:
 - a. Borrower's name or co-borrowers' names;
 - b. Loan number, if any;
 - c. Amount received;
 - d. Purpose for the amount received;
 - e. Date received;
 - f. Date deposited into trust account;
 - g. Amount disbursed;
 - h. Date disbursed;
 - i. Disbursement's payee and purpose; and
 - j. Balance;
 6. A file for each application for a mortgage banking loan or a mortgage loan containing:
 - a. The agreement with the customer concerning the mortgage banker's services, whether as a loan application, fee agreement, or both;
 - b. Document showing the application's final disposition, such as a settlement statement, or a denial or withdrawal letter;
 - c. Correspondence sent, received, or both by the licensee;
 - d. Contract, agreement and escrow instructions to or with any depository;
 - e. Documents showing compliance with the Consumer Credit Protection Act's (15 U.S.C. §§ 1601 through 1666j) and the Real Estate Settlement Procedures Act's (12 U.S.C. §§ 2601 through 2617) disclosure requirements, to the extent applicable;
 - f. If the loan is closed in the licensee's name, and funded by a lender that is not an institutional investor as defined at A.R.S. § 6-943, a copy of the executed note, executed deed of trust or mortgage, and each assignment of beneficial interest by the licensee, if any. If any of the documents listed in this subsection have been recorded, the file shall also contain legible copies of the recorded documents, and;
 - g. Itemized list of all fees taken in advance including appraisal fee, credit report fee, and application fee;
 7. Samples of every piece of advertising relating to the mortgage banker's business in Arizona;
 8. Copies of governmental or regulatory compliance reviews;
 9. If the licensee is not a natural person, a file containing:

 10. If the licensee or anyone directly or indirectly owning more than 20% of the licensee has a felony conviction, a copy of the judgment or other record of conviction;
 11. If the licensee or anyone directly or indirectly owning more than 20% of the licensee has, in the previous seven years, been named a defendant in any civil suit, a copy of the complaint, any answer filed by the licensee, and any judgment, dismissal or other final order disposing of the action;
 12. If the Superintendent has granted approval to maintain records outside this state, the specific address where the records are kept, and a person's name to contact for them;
 13. If a licensee does business in other states, it must be able to separate Arizona loan information from information relating to other states to enable the Superintendent to conduct an examination.
 14. A licensee shall produce a trial balance of the general ledger monthly to evidence the mortgage banker's net worth.
- C.** If 10 or fewer transactions have occurred during the prior calendar quarter, a licensee shall reconcile and update all records specified in subsection (B) at least once each calendar quarter. A licensee shall reconcile and update all records specified in subsection (B) monthly if more than 10 transactions occurred during the prior calendar quarter. In addition to reconciling each trust bank account, a licensee shall verify each trust balance to each trust subsidiary ledger at each reconciliation.
- D.** A licensee shall retain the documents described in subsections (B)(1) and (6) for the length of time provided in A.R.S. § 6-946. For the purposes of A.R.S. § 6-946, the mortgage banking loan's closing date, on a loan application that did not result in the making of a loan, is either:
1. The date a licensee receives a written cancellation notice from an applicant; or
 2. The date a licensee mails written notice to an applicant that an application has been denied, as required by federal law.
- E.** A licensee shall maintain all other records described in this Section, and not included in subsection (D), for at least two years.

Historical Note

New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-1807. Providing Copies of Records

ARTICLE 19. COMMERCIAL MORTGAGE BANKERS**R20-4-1901. Exemption for an Institutional Investor**

A. The exemption from the licensure requirement for an institutional investor, solely as that term is used in A.R.S. §§ 6-971, 6-972, and this Article, applies only if a person claiming the exemption meets all the following criteria:

1. The claimant originates or directly or indirectly makes, negotiates, or offers to make or negotiate commercial mortgage loans that are all exclusively funded by the claimant's own resources, as defined in A.R.S. § 6-971;
2. The claimant does so in the regular course of business;
3. The claimant makes only commercial mortgage loans, as defined in A.R.S. § 6-971;
4. The claimant makes each loan on the security of commercial property, as defined in A.R.S. § 6-971; and
5. The claimant makes only loans of more than \$250,000.

B. If a claimant makes even one commercial mortgage loan that does not satisfy all the above criteria, any claim of exemption is invalid, and that person shall not engage in any lending activity before obtaining a license.

Historical Note

New Section adopted by final rulemaking at 5 A.A.R. 2094, effective June 10, 1999 (Supp. 99-2).

R20-4-1902. Exemption for an Entity Regulated by an Agency of this State, Other States, or by the United States

A. The exemption under A.R.S. § 6-972(9) only applies to a person whose offers to make or negotiate a "commercial mortgage loan," as that term is defined in A.R.S. § 6-971, and all commercial mortgage loans made or negotiated by the person are regulated directly by an agency of this state, any other state, or the United States.

B. The required regulation of the transactions listed in subsection (A) includes:

1. Rules governing a claimant's accounting and recordkeeping practices;
2. The authority to examine a claimant's books and records relating to its commercial mortgage lending activities;
3. The ability to place a claimant in a receivership or conservatorship with regard to the claimant's commercial mortgage lending activities.

Participate in the nationwide mortgage licensing system and registry established by the secure and fair enforcement for mortgage licensing act of 2008 (P.L. 110-289; 122 Stat. 2810; 12 United States Code sections 5101 through 5116), or its successor, and use the system for all aspects of licensure pursuant to this title, title 32, chapter 9 and title 44, chapter 2.1. The deputy director may allow the system to collect licensing fees on behalf of the deputy director, to collect a processing fee for the services of the system directly from each applicant for a license or licensee and to process and maintain records on behalf of the deputy director, including information collected pursuant to this section and section 6-123.01. This paragraph does not affect the records disclosure requirements and limitations prescribed in section 6-129.01.

Implementing Statutes

6-941. Definitions

In this article, unless the context otherwise requires:

1. "Affiliate" means an entity which directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with the entity specified.
2. "Compensation" means anything of value or any benefit including points, commissions, bonuses, referral fees, loan origination fees and other similar fees but excluding periodic interest resulting from the application of the note rate of interest to the outstanding principal balance remaining unpaid from time to time.
3. "Generally accepted accounting principles" means United States generally accepted accounting principles issued by the financial accounting standards board or the international financial reporting standards issued by the international accounting standards board.
4. "License" means a license issued under this article.
5. "Licensee" means a person licensed under this article.
6. "Mortgage banker" means a person who is not exempt under section 6-942 and who for compensation or in the expectation of compensation either directly or indirectly makes, negotiates or offers to make or negotiate a mortgage banking loan or a mortgage loan.
7. "Mortgage banking loan" means a loan which is funded exclusively from the mortgage banker's own resources, which is directly or indirectly secured by a mortgage or deed of trust or any lien interest on real estate located in this state and which is created with the consent of the owner of the real property. For the purposes of this paragraph, "own resources" means any of the following:
 - (a) Cash, corporate capital, warehouse credit lines at commercial banks, savings banks or savings and loan associations or other sources that are liability items on the mortgage banker's financial statements for which its assets are pledged.
 - (b) Correspondent contracts between the mortgage banker and a bank, savings bank, trust company, savings and loan association, credit union, profit sharing or pension trust, consumer lender or insurance company.
 - (c) The mortgage banker's affiliates' cash, corporate capital, warehouse credit lines at commercial banks or other sources that are liability items on the affiliates' financial statements for which the affiliates' assets are pledged.

8. "Mortgage banking loan closing" means the day by which all documents relating to the mortgage banking loan or mortgage loan have been executed and recorded and all monies have been accounted for.

9. "Mortgage loan" means any loan, other than a mortgage banking loan, secured by a mortgage or deed of trust or any lien interest on real estate located in this state and created with the consent of the owner of the real estate.

6-942. Exemptions

A. This article does not apply to:

1. A person who does business under any other law of this state, or any other state while regulated by a state agency of such other state, or of the United States, relating to banks, savings banks, trust companies, savings and loan associations, profit sharing and pension trusts, credit unions, insurance companies or consumer lenders, or receiverships, including directly or indirectly making, negotiating or offering to make or negotiate a mortgage banking loan or a mortgage loan if the mortgage transactions are regulated by the other law or are under the jurisdiction of a court.

2. A person who makes a mortgage banking loan or a mortgage loan:

(a) With his own monies.

(b) For his own investment.

(c) Without intent to resell.

(d) And is not engaged in the business of making mortgage loans or mortgage banking loans.

3. A person who funds a mortgage loan or mortgage banking loan which has been originated and processed by a licensee, by a mortgage broker licensed in this state or by a person exempt under paragraph 1 of this subsection and who meets all of the following:

(a) Does not maintain a place of business in this state in connection with funding mortgage loans or mortgage banking loans.

(b) Does not directly or indirectly solicit borrowers in this state for the purpose of making mortgage loans.

(c) Does not participate in the negotiation of mortgage loans.

4. A person who, as seller of real property, receives one or more mortgages or deeds of trust as security for a purchase money obligation.

5. A person who is licensed to practice law in this state, but is not actively and principally engaged in the business of negotiating mortgage banking loans or mortgage loans, if this person renders services in the course of his practice as an attorney at law.

6. A person who receives a mortgage or deed of trust on real property as security for an obligation payable on an installment or deferred payment basis and arising out of materials furnished or services rendered in the improvement of that real property or any lien created without the consent of the owner of such real property.

7. A person who is licensed pursuant to article 1 or 3 of this chapter.

8. An agency of any state or of the United States.

9. A nonprofit federally tax exempt corporation certified by the United States small business administration and organized to promote economic development within this state whose primary activity consists of providing financing for business expansion.

10. An institutional investor as defined in section 6-971 unless the institutional investor makes either:

(a) A mortgage loan other than a commercial mortgage loan as defined in section 6-971.

(b) A mortgage banking loan other than a commercial mortgage loan as defined in section 6-971.

B. Subsidiaries and service corporations of institutions exempt under subsection A, paragraph 1 of this section shall not be exempt and shall be subject to the provisions of this article unless preempted by federal law.

C. For the purposes of:

1. Subsection A, paragraph 3 of this section, "originate" includes loans closed in a name other than that of the licensee, a mortgage broker licensed in this state or exempt person only if the person in whose name the loan is closed meets the other requirements of subsection A, paragraph 3 of this section.

2. Subsection A, paragraph 3, subdivision (c) of this section, negotiation of mortgage loans does not include setting the terms under which a person may buy a mortgage loan originated by a licensee or a person exempt under subsection A, paragraph 1 of this section.

6-943. Licensing of mortgage bankers required; qualifications; application; bond; fees; renewal

A. A person shall not act as a mortgage banker if the person is not licensed under this article.

B. The deputy director shall not grant a mortgage banker's license to a person, other than a natural person, who is not registered to do business in this state on the date of application for a license. The deputy director shall not issue a mortgage banker's license or a renewal of a license

to an applicant unless the applicant meets all of the requirements prescribed in subsection C of this section. The deputy director shall determine whether the applicant meets the requirements based on the application and evidence presented at a hearing, if any, or any other evidence that the deputy director may have regarding qualifications of the applicant.

C. In order to qualify for a mortgage banker license or a renewal of a license, an applicant shall:

1. Have not fewer than three years' experience in the business of making mortgage banking loans or equivalent lending experience in a related business. If the applicant is a person other than a natural person, the responsible individual shall meet this requirement.

2. Have engaged or intend to engage in the business of making mortgage loans or mortgage banking loans.

3. Either:

(a) Be authorized to do business with any of the following:

(i) The federal housing administration.

(ii) The United States department of veterans affairs.

(iii) The federal national mortgage association.

(iv) The federal home loan mortgage corporation.

(b) Notwithstanding paragraph 5 of this subsection, at all times have and maintain a net worth of not less than \$100,000.

4. Provide the deputy director with a current audited financial statement, or that of its parent company, that is prepared by an independent certified public accountant in accordance with generally accepted accounting principles and that includes:

(a) The certified public accountant's opinion as to the fairness of the presentation in conformity with generally accepted accounting principles.

(b) A balance sheet prepared within the previous six months and certified by the licensee. The deputy director may require a more recent balance sheet.

(c) A statement of operations and retained earnings and a statement of changes in financial position if the applicant has commenced operations.

(d) Notes to the financial statement, if applicable.

5. At all times have and maintain a net worth of not less than \$100,000.

D. A person shall apply for a license or for a renewal of a license in writing on the forms, in the manner and accompanied by the information prescribed by the deputy director, including the requirements prescribed in subsection C of this section. The deputy director may require additional information on the experience, background and competency of the applicant and any responsible individual designated by the applicant. If the applicant is a person other than a natural person, the deputy director may require information as to the competency of any officer, director, shareholder, member, partner, trustee, employee or other interested party of the association, corporation or group.

E. The nonrefundable application fee and annual renewal fee are as prescribed in section 6-126. The nonrefundable application fee shall accompany each application for an original license only.

F. If a licensee is a person other than a natural person, the license issued to it entitles all officers, directors, members, partners, trustees and employees of the licensed corporation, partnership, association or trust to engage in the mortgage banking business if one officer, director, member, partner, employee or trustee of the person is designated in the license as the individual responsible for the person under this article. If a licensee is a natural person, the license entitles all employees of the licensee to engage in the mortgage banking business. If the natural person is not a resident of this state, an employee of the licensee shall be designated in the license as the individual responsible for the licensee under this article. For the purposes of this article, an employee does not include an independent contractor. For the purposes of this article, the responsible individual shall be a resident of this state, shall be in active management of the activities of the licensee governed by this article and shall have not less than three years' experience in the business of making mortgage banking loans or equivalent experience in a related business.

G. A licensee shall notify the deputy director that its responsible individual will cease to be in active management of the licensee within ten days after learning that fact. Not more than ninety days after the deputy director receives the notice, the licensee shall place itself under the active management of a qualified responsible person and notify the deputy director. If the licensee is not placed under active management of a qualified responsible individual and if notice is not received by the deputy director within the ninety-day period, the license of the licensee expires.

H. Every person licensed as a mortgage banker shall deposit with the deputy director, before doing business as a mortgage banker, a bond executed by the licensee as principal and a surety company authorized to do business in this state as surety. The bond shall be conditioned on the faithful compliance of the licensee, including the licensee's directors, officers, members, partners, trustees and employees, with this article. Only one bond is required for a person, firm, association or corporation irrespective of the number of officers, directors, members, partners or trustees who are employed by or are members of the firm, association or corporation. The bond is payable to any person injured by the wrongful act, default, fraud or misrepresentation of the licensee and to this state for the benefit of any injured person. The coverage shall be maintained in the minimum amount prescribed in this subsection, computed on a base consisting of the total assets of the licensee plus the unpaid balance of loans it has contracted to service for others as of the end of the licensee's fiscal year.

Base Minimum Bond

Not over \$1,000,000 \$25,000 for the first \$500,000 plus

\$5,000 for each \$100,000 or fraction

thereof over \$500,000

\$1,000,001 to \$10,000,000 \$50,000 plus \$5,000 for each \$1,800,000

or fraction thereof over \$1,000,000

\$10,000,001 to \$100,000,000 \$75,000 plus \$5,000 for each \$18,000,000

or fraction thereof over \$10,000,000

\$100,000,001 and over \$100,000

A suit may not be commenced on the bond after the expiration of one year following the commission of the act on which the suit is based, except that claims for fraud or mistake are limited to the limitation period provided in section 12-543, paragraph 3. If any injured person commences an action for a judgment to collect on the bond, the injured person shall notify the deputy director of the action in writing at the time of the commencement of the action and shall provide copies of all documents relating to the action to the deputy director on request.

I. Notwithstanding subsection H of this section, the bond required is \$25,000 for licensees whose investors are limited solely to institutional investors.

J. For the purposes of subsection I of this section:

1. "Institutional investor" means a state or national bank, a state or federal savings and loan association, a state or federal savings bank, a state or federal credit union, a federal government agency or instrumentality, a quasi-federal government agency, a financial enterprise, a licensed real estate broker or salesman, a profit sharing or pension trust, or an insurance company.

2. "Investor" means any person who directly or indirectly provides to a mortgage banker funds that are, or are intended to be, used in the making of a loan, and any person who purchases a loan, or any interest therein, from a mortgage banker or in a transaction that has been directly or indirectly arranged or negotiated by a mortgage banker.

K. Notwithstanding section 35-155, in lieu of the bond described in this section, an applicant for a license or a licensee may deposit with the deputy director a deposit in the form of cash or alternatives to cash in the amount prescribed in subsection H or I of this section, as applicable. The deputy director may accept any of the following as an alternative to cash:

1. Certificates of deposit or investment certificates that are payable or assigned to the state treasurer, issued by banks or savings banks doing business in this state and fully insured by the federal deposit insurance corporation or any successor institution.

2. Certificates of deposit, investment certificates or share accounts that are payable or assigned to the state treasurer, issued by a savings and loan association doing business in this state and fully insured by the federal deposit insurance corporation or any successor institution.

3. Certificates of deposit, investment certificates or share accounts that are payable or assigned to the state treasurer, issued by a credit union doing business in this state and fully insured by the national credit union administration or any successor institution.

L. The deputy director shall deposit the cash or alternatives to cash received under this section with the state treasurer. The state treasurer shall hold the cash or alternatives to cash in the name of this state to guarantee the faithful performance of all legal obligations of the person required to post bond pursuant to this section. The person is entitled to receive any accrued interest earned from the alternatives to cash. The state treasurer may impose a fee to reimburse the state treasurer for administrative expenses. The fee shall not exceed \$10 for each cash or alternatives to cash deposit and shall be paid by the applicant or licensee. The state treasurer may prescribe rules relating to the terms and conditions of each type of security provided by this section.

M. In addition to such other terms and conditions as the deputy director prescribes by rule or order, the principal amount of the deposit shall be released only on written authorization of the deputy director or on the order of a court of competent jurisdiction. The principal amount of the deposit shall not be released before the expiration of three years from the first to occur of any of the following:

1. The date of substitution of a bond for a cash alternative.
2. The surrender of the license.
3. The revocation of the license.
4. The expiration of the license.

N. A licensee or an employee of the licensee shall not advertise for or solicit mortgage banking business in any manner without using the license name, or other assumed name or trade name that is submitted to the department pursuant to section 6-117, and the license number. If a license is issued in the name of a natural person, the advertising or solicitation may not imply that the license is in the name of another person or entity. For the purposes of this subsection, advertise does not include business cards, radio and television advertising directed at national or regional markets and promotional items except if those items contain rates or terms on which a mortgage loan or mortgage banking loan may be obtained.

O. A licensee shall not employ any person unless the licensee:

1. Conducts a reasonable investigation of the background, honesty, truthfulness, integrity and competency of the employee before hiring.

2. Keeps a record of the investigation for not less than two years after termination.

P. The licensee is liable for any damage caused by any of the licensee's employees while engaged in the business of making mortgage loans or mortgage banking loans.

Q. A licensee shall comply with the requirements of section 6-114 relating to balloon payments.

R. Notwithstanding subsection C, paragraph 4 of this section, licensees and applicants whose own resources are derived exclusively from correspondent contracts between mortgage bankers and banks, savings banks, trust companies, savings and loan associations, credit unions, profit sharing or pension trusts, consumer lenders or insurance companies shall provide the deputy director with a current financial statement, or that of its parent company, that is prepared in accordance with generally accepted accounting principles and that includes:

1. A balance sheet prepared within the previous six months and certified by the licensee. The deputy director may require a more recent balance sheet.

2. A statement of operations and retained earnings and a statement of changes in financial position if the applicant has commenced operations.

3. Notes to the financial statement if applicable.

S. In addition to the grounds specified in section 6-945, subsection A, failure of a licensee to operate the business of making mortgage loans or mortgage banking loans for a continuous period of twelve months or more shall constitute grounds for revocation of such a license. The deputy director, on good cause shown, may extend the time for operating such a business for a single fixed period, which shall not exceed twelve months.

T. If the applicant for renewal of a mortgage banker license is a natural person, the applicant shall have satisfactorily completed twelve continuing education units by a continuing education provider approved by the deputy director before submitting the renewal application. If the applicant is other than a natural person, the designated responsible individual shall have satisfactorily completed twelve continuing education units by a continuing education provider approved by the deputy director before submitting the renewal application.

U. A licensee who employs a loan originator shall comply with section 6-991.03.

6-944. Issuance of license; renewal; branch office license; application; fee

A. If the deputy director determines that the applicant has met the requirements set forth in section 6-943, subsection C, is qualified and has paid the fees, the deputy director shall issue a mortgage banker's license to the applicant evidenced by a continuous certificate. The license is not transferable or assignable. An applicant who has been denied a license may not reapply for

such a license before one year from the date of the previous application. A person may not acquire control of a licensee through a stock purchase or other device without the prior written consent of the deputy director. Written consent shall not be given if the deputy director finds that any of the grounds for denial, revocation or suspension of a license as set forth in section 6-945 are applicable to the acquiring person. For the purposes of this subsection, "control" means the power to vote more than twenty percent of outstanding voting shares of a licensed corporation, partnership, association or trust.

B. For licenses approved on or before March 31, 2009, a licensee shall make an application and pay the renewal fee set forth in section 6-126 on or before March 31, 2009 but not sooner than February 1, 2009 and on or before December 31 for subsequent years beginning in 2009. Licenses not renewed by March 31, 2009 are suspended, and the licensee shall not act as a mortgage banker until the license is renewed or a new license is issued pursuant to this article. A person may renew a suspended license by paying the renewal fee plus \$25 for each day after March 31, 2009 that a license renewal fee is not received by the department and making application for renewal as prescribed by the deputy director. Licenses which are not renewed by April 30, 2009 expire. A license shall not be granted to the holder of an expired license except as provided in this article for the issuance of an original license.

C. For licenses approved after or renewed on March 31, 2009, a licensee shall pay the renewal fee on or before December 31, beginning in 2009. Licenses not renewed by December 31 are suspended, and the licensee shall not act as a mortgage banker until the license is renewed or a new license is issued pursuant to this article. A person may renew a suspended license by paying the renewal fee plus \$25 for each day after December 31 that a license renewal fee is not received by the deputy director and applying for renewal as prescribed by the deputy director. Licenses that are not renewed by January 31 expire. A license shall not be granted to the holder of an expired license except as provided in this article for the issuance of an original license.

D. A licensee shall prominently display the mortgage banker license in the office of the mortgage banker.

E. Every licensed mortgage banker shall designate and maintain a principal place of business in this state for the transaction of business. The license shall specify the address of the principal place of business. If a licensee wishes to maintain one or more locations in addition to a principal place of business, the licensee shall first obtain a branch office license from the deputy director and designate a person for each branch office to oversee the operations of that office. The licensee shall submit a fee as prescribed in section 6-126 for each branch office license. If the deputy director determines that the applicant is qualified, the deputy director shall issue a branch office license indicating the address of the branch office. The licensee shall conspicuously display the branch office license in the branch office. If the address of the principal place of business or of any branch office is changed, the licensee shall notify the deputy director before the change and the deputy director shall endorse the change of address on the license for a fee as prescribed in section 6-126.

[6-946. Required accounting practices and records; refundable deposits; periodic impoundment payments; disclosure](#)

A. Every mortgage banker shall keep and maintain at all times correct and complete records clearly reflecting the financial condition of the business as prescribed by the deputy director that will enable the deputy director to determine whether the licensee is conducting the licensee's business in accordance with this article. A mortgage banker shall make records available to the deputy director in this state not more than three business days after demand and provide for the acceptance of collect calls or provide a toll-free telephone number to borrowers to obtain information from the records if the licensed places of business in this state cannot readily provide the information requested by the borrowers. Every mortgage banker shall maintain original documents, or clearly legible copies, of all mortgage banking loan transactions and mortgage loan transactions, unless the mortgage banking loan or mortgage loan is paid in full or the mortgage banking loan or mortgage loan and its servicing are sold, for not less than two years after the date of the mortgage banking loan closing or the date of the last disbursement of monies by the licensee, whichever occurs last. A licensee that uses a computer or mechanical recordkeeping system is not required to keep a written copy of the records if the licensee is able to generate all information required by this section in a timely manner for examination or for other purposes.

B. Every mortgage banker shall observe generally accepted accounting principles and practices.

C. If a mortgage banker requires an advance or fee to be paid in connection with an application for a mortgage banking loan or mortgage loan, there shall be a written agreement. The parties shall sign the written agreement, and the agreement shall contain terms pertaining to the payment of the fee or disposition of the advance or fee, whether the loan is finally consummated or not, and the term for which the agreement is to remain in force before return of the advance or fee for nonperformance can be required. Advances or fees shall be immediately deposited in a trust account in a bank, savings bank or savings and loan association that is fully insured by the federal deposit insurance corporation or any successor agency and shall not be commingled with other monies. The trust account shall designate the licensee as trustee and shall provide for withdrawal of the monies without previous notice. Withdrawals shall only be disbursed according to the terms of the agreement. A licensee who receives advances or fees shall preserve and on request make available to the deputy director all deposits, withdrawal receipts and statements of account rendered by the bank or savings and loan association. The licensee shall further preserve all agreements between the parties involved in the transaction and all contracts, agreements and instructions to or with the depository and shall keep an accurate accounting of each separate bank account in which the trust funds have been deposited. If the loan is declined by or on behalf of the lender or cancelled by the applicant, all documents provided by or at the expense of the applicant, including any appraisal, are the property of the applicant. At the applicant's discretion, said documents shall be returned or transferred to any financial institution or enterprise so designated without additional consideration except for fees for which the applicant has previously contracted, provided that any such document is not prohibited by law from being transferred or returned.

D. If periodic payments are to be collected from the mortgagor to provide for payments by the mortgagee of taxes, assessments, insurance premiums, ground rents or other current charges against the real estate security, the estimated payment amount stated to the mortgagor by the mortgage banker shall be such that the total of these payments collected for each category during

the tax or other period will approximate the actual tax or other payment when due. All such periodic payments of taxes, assessments, insurance premiums, ground rents and other current charges shall be accounted for annually to the borrower and, to the extent monies have been collected for payment, shall be paid promptly by the mortgage banker.

E. Before a mortgage banking loan closing on residential real property designed principally for the occupancy of from one to four families, a licensee shall fully comply, to the extent they apply, with the real estate lending disclosure requirements of title I of the consumer credit protection act (15 United States Code sections 1601 through 1666j), the real estate settlement procedures act (12 United States Code sections 2601 through 2617) and the regulations promulgated under those acts.

6-947. Prohibited acts

A. Except for employment verifications and deposit or account verifications, a person in connection with or incidental to the making of any mortgage banking loan or mortgage loan shall not induce, require or permit any document to be signed by a party to the transaction if the document contains any blank spaces to be filled in after it has been signed, except that the party may specifically authorize the licensee or the escrow agent handling the transaction, in writing, to complete blank spaces in certain documents.

B. A person is not entitled to receive compensation in connection with arranging for or negotiating a mortgage banking loan or mortgage loan if the person is not licensed pursuant to this article. A mortgage banker shall not pay compensation to, contract with or employ as an independent contractor a person who is acting as a mortgage broker or mortgage banker but who is not licensed under this chapter.

C. A mortgage banker may not commingle monies of borrowers or monies held for the benefit of borrowers with monies of the mortgage banker.

D. A person engaged in the mortgage banking business shall not knowingly advertise, display, distribute, broadcast or televise, or cause or permit to be advertised, displayed, distributed, broadcast or televised, in any manner whatever, any false, misleading or deceptive statement or representation with regard to the rates, terms or conditions for a mortgage banking loan or mortgage loan. The charges or rates of charge, if stated, shall be set forth in a clear and concise manner.

E. A mortgage banker shall not request or require a person seeking a mortgage banking loan or mortgage loan, on real property designed principally for the occupancy of from one to four families, in an amount of two hundred thousand dollars or less to enter into an agreement which prohibits the person from seeking the loan from another source.

F. A mortgage banker shall not, except in good faith, delay or cause delay in the closing of a loan that results in increased costs to a borrower.

G. A mortgage banker shall not record or cause to be recorded any document which would give rise to liability under section 33-420.

H. A person who is employed by a licensee to act in the capacity of a mortgage banker shall not be concurrently employed by any other licensee to act in the capacity of a mortgage banker, except with the prior written approval of all such concurrently employing licensees.

I. A mortgage banker shall not collect compensation for rendering services as a real estate broker or real estate salesman unless both of the following apply:

1. The mortgage banker is licensed pursuant to title 32, chapter 20.

2. The mortgage banker has disclosed to the person from whom the compensation is collected that the mortgage banker is receiving compensation both for mortgage banker services, if applicable, and for real estate broker or real estate salesman services.

J. A licensee shall not accept any assignment of the borrower's wages or salary in connection with activities governed by this article.

K. A mortgage banker shall not, for compensation, either directly or indirectly make or negotiate or offer to make or negotiate a loan of money in an amount of ten thousand dollars or less that is not secured by a mortgage or deed of trust or other lien interest in real property.

L. A mortgage banker shall not make a false promise or misrepresentation or conceal an essential or material fact in the course of the mortgage banker business.

M. A mortgage banker shall not fail to truthfully account for the monies belonging to a party to a mortgage loan or mortgage banking loan transaction or fail to disburse monies in accordance with his agreements.

N. A mortgage banker shall not record a mortgage or deed of trust if monies are not available for the immediate disbursement to the mortgagor unless, before that recording, the mortgage banker informs the mortgagor in writing of a definite date by which payment shall be made and obtains the mortgagor's written permission for the delay.

O. A mortgage banker shall not require a person seeking a loan secured by real property to obtain property insurance coverage in an amount that exceeds the replacement cost of the improvements as established by the property insurer.

P. A mortgage banker must reasonably supervise the activities of a loan originator who is licensed pursuant to article 4 of this chapter and who is employed by the mortgage banker.

6-949. Conversion to mortgage broker license

Notwithstanding any other law, a licensee who funds in the aggregate one hundred fifty or fewer loans in the immediately preceding calendar year may apply at the time of license renewal to the

department for a conversion to a mortgage broker license issued pursuant to article 1 of this chapter. The conversion application shall be in a manner prescribed by the deputy director by rule. The approval of the conversion is at the discretion of the deputy director.

GOVERNOR'S REGULATORY REVIEW COUNCIL

ATTORNEY MEMORANDUM - REGULAR RULEMAKING

MEETING DATE: May 6, 2025

TO: Members of the Governor's Regulatory Review Council (Council)

FROM: Council Staff

DATE: April 22, 2025

SUBJECT: DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS
Title 20, Chapter 4

Amend: R20-4-1901, R20-4-1902, R20-4-1903, R20-4-1904, R20-4-1905, R20-4-1906,
R20-4-1907, R20-4-1908, R20-4-1909, R20-4-1910, R20-4-1911

Summary:

This regular rulemaking from the Department of Insurance and Financial Institutions (Department) seeks to amend eleven (11) rules in Title 20, Chapter 4, Article 19 regarding Commercial Mortgage Bankers. The amendments are intended to improve clarity and effectiveness of the rules by amending statutory references and replacing the term Superintendent with Director to comply with statutory changes as a result of the combination of the Department of Insurance and the Department of Financial Institutions in 2020. The Department has also indicated that the amendments are needed to modernize the rules because they have not been updated since 1999. Outside of those general improvements, the Department specifically intends on doing the following:

- R20-4-1903
 - The Department is amending the rules to modify the experience requirements for applicants. Specifically, the Department is modifying what is considered sufficient prior experience for individuals. The length of time does not change only how previous occupations constitute experience. The only change in experience is that for an attorney to have adequate experience, they must be licensed in Arizona.

The previous standard was an attorney licensed in another state and certified as a real estate specialist. The Department is adding four additional ways to acquire the necessary experience in subsections (A)(8)-(A)(11).

- R20-4-1906
 - The Department has indicated they are amending this rule to remove the fee associated with changing the address of the licensee's place of business or location of a branch office. The fee is being removed because A.R.S. § 6-126 was amended and no longer authorizes the Department to charge this fee.
- R20-4-1907
 - The Department has indicated that this rule needs to be amended to allow for records to be kept electronically, along with removing the requirement that the Director (previously Superintendent) must specifically approve a licensee to maintain the record outside the state.

1. **Are the rules legal, consistent with legislative intent, and within the agency's statutory authority?**

The Department cites both general and specific statutory authority for these rules.

2. **Do the rules establish a new fee or contain a fee increase?**

This rulemaking does not establish a new fee or contain a fee increase. The rulemaking does remove fees associated with changing the address of a principal place of business or location of a branch office. The fee is being removed because the Department no longer has the statutory authority to charge a fee.

3. **Does the preamble disclose a reference to any study relevant to the rules that the agency reviewed and either did or did not rely upon?**

The Department indicates it did not review any study relevant to this rulemaking.

4. **Summary of the agency's economic impact analysis:**

The Department indicates the rulemaking is not designed to change any conduct. Instead, it is necessary to reflect the new structure of the Department, and to modernize and clarify some of the Sections. The Department states that the compliance costs incurred by Commercial Mortgage Bankers are minimal and are not expected to impact revenue or payroll expenditures. The Department says the rules augment the statutory sections regulating licensees of the Department with a Commercial Mortgage Banker license pursuant to A.R.S. §§ 6-971 through 6-985.

5. **Has the agency analyzed the costs and benefits of the rulemaking and determined that the rules impose the least burden and costs to those who are regulated?**

The Department believes that the current rulemaking offers the least intrusive and least

costly alternative method to achieve the purpose of the proposed rulemaking, which is to update the rules governing Commercial Mortgage Bankers.

6. What are the economic impacts on stakeholders?

The Department does not anticipate any costs or benefits in implementing and enforcing the proposed rulemaking. In addition, no political subdivisions of this state are directly affected by the implementation and enforcement of the proposed rulemaking.

The Department states that no additional costs are anticipated to be imposed on Commercial Mortgage Bankers. The Department is not proposing any new fees and is, instead, eliminating a fee in Section R20-4-1906.

The Department does not anticipate any impact on the private employment of licensees. Likewise, the Department states, it does not anticipate any impact on public employment in the Department. The Department does not expect any appreciable increase in either cost of benefits to private persons and consumers created by this rulemaking. The Department indicates that the costs and benefits to private persons and consumers are expected to be the same as those identified during the original adoptions of these rules.

7. Are the final rules a substantial change, considered as a whole, from the proposed rules and any supplemental proposals?

The Department indicates that there were no changes between the proposed rules and the rules before the Council.

8. Does the agency adequately address the comments on the proposed rules and any supplemental proposals?

The Department indicates it did not receive any public comments regarding this rulemaking

9. Do the rules require a permit or license and, if so, does the agency comply with A.R.S. § 41-1037?

The Department indicates that the rules do not require a permit or a license. The Department does note that commercial mortgage bankers do require a license under the requirements in A.R.S. § 6-973.

10. Are the rules more stringent than corresponding federal law and, if so, is there statutory authority to exceed the requirements of federal law?

The Department indicates there are no corresponding federal laws.

11. Conclusion

This regular rulemaking from the Department of Insurance and Financial Institutions (Department) seeks to amend eleven (11) rules in Title 20, Chapter 4, Article 19 regarding Commercial Mortgage Bankers. The amendments are intended to improve clarity and effectiveness of the rules by amending statutory references and replacing the term Superintendent with Director to comply with statutory changes as a result of the combination of the Department of Insurance and the Department of Financial Institutions in 2020. The Department additionally proposes more substantive changes including; what constitutes acceptable previous experience for a commercial mortgage banker applicant, removing a fee associated with a change of address of a licensee's principal place of business, or location of a branch office, and to allow for parties to keep records electronically and out of state without Director approval

The Department is seeking the standard 60-day delayed effective date pursuant to A.R.S. § 41-1032(A).

Council staff recommends approval of this rulemaking.

7. An agency’s justification and reason why a rule should be made, amended, repealed or renumbered, to include an explanation about the rulemaking:

The Arizona Department of Insurance and Financial Institutions – Financial Institutions Division (“Department”) is proposing changes to A.A.C. Title 20, Chapter 4, Article 19 – Commercial Mortgage Bankers. The changes the Department is proposing will reflect the structural change to the former Department of Financial Institutions which merged with the Department of Insurance to form the Department of Insurance and Financial Institutions (the “new agency”), on July 1, 2020. The former Department of Financial Institutions became a division of the new agency.

As a result of the merger, the new agency made statutory changes to eliminate the position of Superintendent. Instead, the Director of the new agency assumed those duties. This structural change necessitated replacing references to “Superintendent” with “Director” throughout the Article.

When reviewing the rules in the Article, the Department also endeavored to modernize the current rules since the most recent rulemaking for Article 19 was in 1999. The Department is also modifying and adding experience requirements, removing a fee, correcting statutory citations, and allowing the use of electronic recordkeeping.

The rules augment the correlating statutory sections regulating these entities found at Title 6, A.R.S. §§ 6-971 through 6-985.

This rulemaking amends Article 19 (Commercial Mortgage Bankers) as follows:

- R20-4-1901 (Exemption for an Institutional Investor) will be amended to correct punctuation.
- R20-4-1902 (Exemption for an Entity Regulated by an Agency of this State, Other States, or by the United States) will be amended to correct punctuation, and to add clarifying language.
- R20-4-1903 (Equivalent and Related Experience) will be amended to modify and add to experience requirements, and to correct for passive voice.
- R20-4-1904 (Restrictions on the Term of a Cash Alternative to a Surety Bond) will be amended to replace “Superintendent” with “Director.”
- R20-4-1905 (Requirements for a Person Intended to Oversee a Branch Office) will be

amended to clarify that a person intended to oversee a branch office as referenced in the statute is a “branch office manager,” and to correct unnecessary capitalization.

- R20-4-1906 (Notification of Change of Address) will be amended to comport with the language of A.R.S. § 6-979(C) and (D), and to remove the fee.
- R20-4-1907 (Recordkeeping Requirements) will be amended to allow records to be kept electronically and outside the state without first obtaining the Director’s approval, to add clarifying language, to replace “Superintendent” with “Director,” and to correct punctuation.
- R20-4-1908 (Impound Accounts) will be amended to remove unnecessary capitalization.
- R20-4-1909 (Authorization to Complete Blank Spaces) will be amended to correct a statutory citation.
- R20-4-1910 (Delay or Cause Delay) will be amended to add clarifying language.
- R20-4-1911 (Acquisition of Additional Interest in Licensee by Majority Owner) will be amended to replace “Superintendent” with “Director,” and to add clarifying language.

The changes proposed in this rulemaking relate to the Department’s June, 2024 Five-Year Review Report for this Article.

8. A reference to any study relevant to the rule that the agency reviewed and either relied on or did not rely on in its evaluation of or justification for the rule, where the public may obtain or review each study, all data underlying each study, and any analysis of each study and other supporting material:

Not applicable

9. A showing of good cause why the rulemaking is necessary to promote a statewide interest if the rulemaking will diminish a previous grant of authority of a political subdivision of this state:

Not applicable

10. A summary of the economic, small business, and consumer impact:

Pursuant to A.R.S. § 41-1055(A)(1):

The rulemaking is not designed to change any conduct. Instead, it is necessary to reflect

the new structure of the Department, and to modernize and clarify some of the Sections.

Pursuant to A.R.S. § 41-1055(A)(2):

The compliance costs incurred by Commercial Mortgage Bankers are expected to be minimal and not expected to impact revenues or payroll expenditures.

Pursuant to A.R.S. § 41-1055(A)(3):

An economic, small business and consumer impact summary accompanies the submission of the Final Rulemaking to the Governor's Regulatory Review Council.

11. A description of any changes between the proposed rulemaking, to include supplemental notices, and the final rulemaking:

Not applicable

12. An agency's summary of the public or stakeholder comments made about the rulemaking and the agency response to the comments:

Not applicable

13. All agencies shall list other matters prescribed by statute applicable to the specific agency or to any specific rule or class of rules. Additionally, an agency subject to Council review under A.R.S. §§ 41-1052 and 41-1055 shall respond to the following questions:

Not applicable

a. Whether the rule requires a permit, whether a general permit is used and if not, the reasons why a general permit is not used:

The rules do not require a permit and do not use a general permit. A.R.S. § 6-973 requires a Commercial Mortgage Banker to obtain a traditional license before engaging in the business of a Commercial Mortgage Banker.

b. Whether a federal law is applicable to the subject of the rule, whether the rule is more stringent than federal law and if so, citation to the statutory authority to exceed the requirements of federal law:

No federal law is applicable to the subject of the rules.

c. Whether a person submitted an analysis to the agency that compares the rule's impact of the competitiveness of business in this state to the impact on business in other states:

Not applicable

14. A list of any incorporated by reference material as specified in A.R.S. § 41-1028 and its location in the rules:

Not applicable

15. Whether the rule was previously made, amended or repealed as an emergency rule. If so, cite the notice published in the *Register* as specified in R1-1-409(A). Also, the agency shall state where the text was changed between the emergency and the final rulemaking packages:

Not applicable

16. The full text of the rules follows:

A.R.S. § 41-1055(B) Economic, Small Business, And Consumer Impact Statement
Title 20. Commerce, Financial Institutions, and Insurance
Chapter 4. Department of Insurance and Financial Institutions –
Financial Institutions

A.R.S. § 41-1055(B)(1): An identification of the proposed rulemaking.

The Arizona Department of Insurance and Financial Institutions – Financial Institutions Division (“Department”) is proposing changes to A.A.C. Title 20, Chapter 4, Article 19 – Commercial Mortgage Bankers. The changes the Department is proposing will reflect the structural change to the former Department of Financial Institutions which merged with the Department of Insurance to form the Department of Insurance and Financial Institutions (the “new agency”), on July 1, 2020. The former Department of Financial Institutions became a division of the new agency.

As a result of the merger, the new agency made statutory changes to eliminate the position of Superintendent. Instead, the Director of the new agency assumed those duties. This structural change necessitated replacing references to “Superintendent” with “Director” throughout the Article.

When reviewing the rules in the Article, the Department also endeavored to modernize the current rules since the most recent rulemaking for Article 19 was in 1999. The Department is also modifying and adding experience requirements, removing a fee, correcting statutory citations, and allowing the use of electronic recordkeeping. The rules augment the correlating statutory sections regulating these entities found at Title 6, A.R.S. §§ 6-971 through 6-985.

This rulemaking amends Article 19 (Commercial Mortgage Bankers) as follows:

- R20-4-1901 (Exemption for an Institutional Investor) will be amended to correct punctuation.
- R20-4-1902 (Exemption for an Entity Regulated by an Agency of this State, Other States, or by the United States) will be amended to correct punctuation, and to add clarifying language.
- R20-4-1903 (Equivalent and Related Experience) will be amended to modify and add to experience requirements, and to correct for passive voice.

- R20-4-1904 (Restrictions on the Term of a Cash Alternative to a Surety Bond) will be amended to replace “Superintendent” with “Director.”
- R20-4-1905 (Requirements for a Person Intended to Oversee a Branch Office) will be amended to clarify that a person intended to oversee a branch office as referenced in the statute is a “branch office manager,” and to correct unnecessary capitalization.
- R20-4-1906 (Notification of Change of Address) will be amended to comport with the language of A.R.S. § 6-979(C) and (D), and to remove the fee.
- R20-4-1907 (Recordkeeping Requirements) will be amended to allow records to be kept electronically, to add clarifying language, to replace “Superintendent” with “Director,” and to correct punctuation.
- R20-4-1908 (Impound Accounts) will be amended to remove unnecessary capitalization.
- R20-4-1909 (Authorization to Complete Blank Spaces) will be amended to correct a statutory citation.
- R20-4-1910 (Delay or Cause Delay) will be amended to add clarifying language.
- R20-4-1911 (Acquisition of Additional Interest in Licensee by Majority Owner) will be amended to replace “Superintendent” with “Director,” and to add clarifying language.

This rulemaking addresses the changes suggested by the Department in its June, 2024 Five-Year Review Report.

Questions about this Economic Impact Statement may be directed to: Mary E. Kosinski (mary.kosinski@difi.az.gov).

A.R.S. § 41-1055(B)(2): An identification of the persons who will be directly affected by, bear the costs of or directly benefit from the proposed rulemaking.

The rules augment the statutory sections regulating licensees of the Department with a Commercial Mortgage Banker license pursuant to A.R.S. §§ 6-971 through 6-985.

A.R.S. § 41-1055(B)(3): A cost benefit analysis of the following:

(a) The probable costs and benefits to the implementing agency and other agencies directly affected by the implementation and enforcement of the proposed rulemaking. The probable costs to the implementing agency shall include the number of new full-time employees necessary to implement and enforce the proposed rule. The preparer of the economic, small business and consumer impact statement shall notify the joint legislative budget committee of the number of new full-time employees necessary to implement and enforce the rule before the rule is approved by the council.

The Department does not anticipate any costs or benefits in implementing and enforcing the proposed rulemaking. No new full-time employees will be necessary to implement and enforce the proposed rule changes.

(b) The probable costs and benefits to a political subdivision of this state directly affected by the implementation and enforcement of the proposed rulemaking.

No political subdivision of this state is directly affected by the implementation and enforcement of the proposed rulemaking.

(c) The probable costs and benefits to businesses directly affected by the proposed rulemaking, including any anticipated effect on the revenues or payroll expenditures of employers who are subject to the proposed rulemaking.

No additional costs are anticipated to be imposed upon Commercial Mortgage Bankers. The Department is not proposing any new fees and is, instead, eliminating a fee in Section R20-4-1906.

A.R.S. § 41-1055(B)(4): A general description of the probable impact on private and public employment in businesses, agencies and political subdivisions of this state directly affected by the proposed rulemaking.

The Department does not anticipate any impact on the private employment of licensees. Likewise, the Department does not anticipate any impact on public employment in the Department.

A.R.S. § 41-1055(B)(5): A statement of the probable impact of the proposed rulemaking on small businesses. The statement shall include:

(a) An identification of the small businesses subject to the proposed rulemaking.

Some of the Commercial Mortgage Bankers regulated by the Department may qualify as small businesses within the meaning of A.R.S. § 41-1001(23). However, the Department does not track the number of employees or annual receipts of a mortgage banker and cannot identify specific mortgage bankers that qualify as small businesses.

(b) The administrative and other costs required for compliance with the proposed rulemaking.

The Department did not receive any information from licensees on administrative or other costs required for compliance with the proposed rulemaking. The Department does not anticipate that any costs will be required for compliance with the proposed rulemaking.

One Section (R20-4-1906) removes a fee, One Section (R20-4-1907) allows a licensee to keep electronic records and records outside the state without first receiving the Director's approval. These changes should result in savings to licensees.

(c) A description of the methods prescribed in section 41-1035 that the agency may use to reduce the impact on small businesses, with reasons for the agency's decision to use or not to use each method.

The Department does not believe that any of the methods listed at A.R.S. § 41-1035 are useful to reduce the impact of the rulemaking on small businesses.

(d) The probable cost and benefit to private persons and consumers who are directly affected by the proposed rulemaking.

The Department does not expect any appreciable increase in either costs or benefits to private persons and consumers created by this rulemaking. The costs and benefits to private persons and consumers are expected to be the same as those identified during the original adoption of these rules.

A.R.S. § 41-1055(B)(6): A statement of the probable effect on state revenues.

No impact on state revenues is anticipated.

A.R.S. § 41-1055(B)(7): A description of any less intrusive or less costly alternative methods of achieving the purpose of the proposed rulemaking, including the monetizing of the costs and benefits for each option and providing the rationale for not using nonselected alternatives.

The Department believes that the current rulemaking offers the least intrusive and least costly alternative method to achieve the purpose of the proposed rulemaking which is to update the rules governing Commercial Mortgage Bankers.

A.R.S. § 41-1055(B)(8): A description of any data on which a rule is based with a detailed explanation of how the data was obtained and why the data is acceptable data. An agency advocating that any data is acceptable data has the burden of proving that the data is acceptable. For the purposes of this paragraph, "acceptable data" means empirical, replicable and testable data as evidenced in supporting documentation, statistics, reports, studies or research.

The rule is not based on any data.

PREFACE

Under Arizona law, the Department of State, Office of the Secretary of State (Office), Administrative Rules Division, accepts state agency rule notice and other legal filings and is the publisher of Arizona rules. The Office of the Secretary of State does not interpret or enforce rules in the *Administrative Code*. Questions about rules should be directed to the state agency responsible for the promulgation of the rule.

Scott Cancelosi, Director
ADMINISTRATIVE RULES DIVISION

RULES

The definition for a rule is provided for under A.R.S. § 41-1001. “Rule’ means an agency statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedures or practice requirements of an agency.”

THE ADMINISTRATIVE CODE

The *Arizona Administrative Code* is where the official rules of the state of Arizona are published. The *Code* is the official codification of rules that govern state agencies, boards, and commissions.

The *Code* is separated by subject into Titles. Titles are divided into Chapters. A Chapter includes state agency rules. Rules in Chapters are divided into Articles, then Sections. The “R” stands for “rule” with a sequential numbering and lettering outline separated into subsections.

Rules are codified quarterly in the *Code*. Supplement release dates are printed on the footers of each Chapter.

First Quarter: January 1 - March 31

Second Quarter: April 1 - June 30

Third Quarter: July 1 - September 30

Fourth Quarter: October 1 - December 31

For example, the first supplement for the first quarter of 2022 is cited as Supp. 22-1. Supplements are traditionally released three to four weeks after the end of the quarter because filings are accepted until the last day of the quarter.

Please note: The Office publishes by Chapter, not by individual rule Section. Therefore there might be only a few Sections codified in each Chapter released in a supplement. This is why the Office lists only updated codified Sections on the previous page.

RULE HISTORY

Refer to the HISTORICAL NOTE at the end of each Section for the effective date of a rule. The note also includes the *Register* volume and page number in which the notice was published (A.A.R.) and beginning in supplement 21-4, the date the notice was published in the *Register*.

AUTHENTICATION OF PDF CODE CHAPTERS

The Office began to authenticate Chapters of the *Code* in Supp. 18-1 to comply with A.R.S. §§ 41-1012(B) and A.R.S. § 41-5505.

A certification verifies the authenticity of each *Code* Chapter posted as it is released by the Office of the Secretary of State. The authenticated pdf of the *Code* includes an integrity mark with a certificate ID. Users should check the validity of the signature, especially if the pdf has been downloaded. If the digital signature is invalid it means the document’s content has been compromised.

HOW TO USE THE CODE

Rules may be in effect before a supplement is released by the Office. Therefore, the user should refer to issues of the *Arizona Administrative Register* for recent updates to rule Sections.

ARIZONA REVISED STATUTE REFERENCES

The Arizona Revised Statutes (A.R.S.) are available online at the Legislature’s website, www.azleg.gov. An agency’s authority note to make rules is often included at the beginning of a Chapter. Other Arizona statutes may be referenced in rule under the A.R.S. acronym.

SESSION LAW REFERENCES

Arizona Session Law references in a Chapter can be found at the Secretary of State’s website, www.azsos.gov under Services-> Legislative Filings.

EXEMPTIONS FROM THE APA

It is not uncommon for an agency to be exempt from the steps outlined in the rulemaking process as specified in the Arizona Administrative Procedures Act, also known as the APA (Arizona Revised Statutes, Title 41, Chapter 6, Articles 1 through 10). Other agencies may be given an exemption to certain provisions of the Act.

An agency’s exemption is written in law by the Arizona State Legislature or under a referendum or initiative passed into law by Arizona voters.

When an agency files an exempt rulemaking package with our Office it specifies the law exemption in what is called the preamble of rulemaking. The preamble is published in the *Register* online at www.azsos.gov/rules, click on the *Administrative Register* link.

Editor’s notes at the beginning of a Chapter provide information about rulemaking Sections made by exempt rulemaking. Exempt rulemaking notes are also included in the historical note at the end of a rulemaking Section.

The Office makes a distinction to certain exemptions because some rules are made without receiving input from stakeholders or the public. Other exemptions may require an agency to propose exempt rules at a public hearing.

PERSONAL USE/COMMERCIAL USE

This Chapter is posted as a public courtesy online, and is for private use only. Those who wish to use the contents for resale or profit should contact the Office about Commercial Use fees. For information on commercial use fees review A.R.S. § 39-121.03 and 1 A.A.C. 1, R1-1-113.

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

ARTICLE 1. GENERAL**R20-4-101. Scope of Article**

The rules in this Article apply to all activities of the Superintendent and to the interpretation of all Arizona statutes and rules administered by the Superintendent.

Historical Note

Former Rule 1. Former R4-4-101 repealed, new R4-4-101 adopted effective August 16, 1991 (Supp. 91-3).
R20-4-101 recodified from R4-4-101 (Supp. 95-1).

R20-4-102. Definitions

In this Chapter, unless otherwise specified:

1. "Active management" means directing a licensee's activities by a responsible individual, who:
 - a. Is knowledgeable about the licensee's Arizona activities;
 - b. Supervises compliance with:
 - i. The laws enforced by the Department of Financial Institutions as they relate to the licensee, and
 - ii. Other applicable laws and rules; and
 - c. Has sufficient authority to ensure compliance.
2. "Affiliate" has the meaning stated at A.R.S. § 6-901.
3. "Attorney General" means the Attorney General or an assistant Attorney General of the state of Arizona.
4. "Branch office" means any location within or outside Arizona, including a personal residence, but not including a licensee's principal place of business in Arizona, where the licensee holds out to the public that the licensee acts as a licensee.
5. "Business of a savings and loan association or savings bank" means receiving money on deposit subject to payment by check or any other form of order or request or on presentation of a certificate of deposit or other evidence of debt.
6. "Compensation" means, in applying that term's definition in A.R.S. §§ 6-901, 6-941, and 6-971, anything received in advance, after repayment, or at any time during a loan's life. This subsection expressly excludes the following items from those definitions of compensation:
 - a. Charges or fees customarily received after a loan's closing including prepayment penalties, termination fees, reinvestment fees, late fees, default interest, transfer fees, impound account interest and fees, extension fees, and modification fees. However, extension fees and modification fees are compensation if the lender advances additional funds or increases the credit limit on an open-end mortgage as part of the extension or modification;
 - b. Out-of-pocket expenses paid to independent third parties including appraisal fees, credit report fees, legal fees, document preparation fees, title insurance premiums, recording, filing, and statutory fees, collection fees, servicing fees, escrow fees, and trustee's fees;
 - c. Insurance commissions;
 - d. Contingent or additional interest, including interest based on net operating income; or
 - e. Equity participation.
7. "Commercial finance transaction," as that term is used in this Section's definitions of the terms "Engaged in the business of making mortgage loans" and "Engaged in the business of making mortgage loans or mortgage banking loans," means a loan made primarily for other than personal, family, or household purposes.
8. "Control of a licensee," as used in A.R.S. §§ 6-903, 6-944, or 6-978, does not include acquiring additional fractional equity interests in a licensee by any person who already has the power to vote 51% or more of the licensee's outstanding voting equity interests.
9. "Correspondent contract," as that term is used in A.R.S. §§ 6-941, 6-943, 6-971, or 6-973, means an agreement between a lender and a funding source under which the funding source may fund, or is required to fund, loans originated by the lender.
10. "Cushion," as that term is used in R20-4-1811 or R20-4-1908, means funds that a servicer or lender may require a borrower to pay into an escrow or impound account before the borrower's periodic payments are available in the account to cover unanticipated disbursements.
11. "Directly or indirectly makes, negotiates, or offers to make or negotiate" and "Directly or indirectly making, negotiating, or offering to make or negotiate," as those phrases are used in A.R.S. §§ 6-901, 6-941, or 6-971, mean:
 - a. Providing consulting or advisory services in connection with a mortgage loan transaction, mortgage banking loan transaction, or commercial mortgage loan transaction;
 - i. To an investor, concerning the location or identity of potential borrowers, regardless of whether the person providing consulting or advisory services directly contacts any potential borrowers; or
 - ii. To a borrower, concerning the location or identity of potential investors or lenders; or
 - b. Providing assistance in preparing an application for a mortgage loan transaction, mortgage banking loan transaction, or commercial mortgage banking loan transaction, regardless of whether the person providing assistance directly contacts any potential investor or lender; and
 - c. Processing a loan; but
 - d. "Directly or indirectly makes, negotiates, or offers to make or negotiate" and "Directly or indirectly making, negotiating, or offering to make or negotiate" do not include:
 - i. Providing clerical, mechanical, or word processing services to prepare papers or documents associated with a mortgage loan transaction, mortgage banking loan transaction, or commercial mortgage banking loan transaction;
 - ii. Purchasing, selling, negotiating to purchase or sell, or offering to purchase or sell a mortgage loan, mortgage banking loan, or commercial mortgage banking loan already funded;
 - iii. Making, negotiating, or offering to make additional advances on an existing open-ended mortgage loan, mortgage banking loan, or commercial mortgage loan including revolving credit lines;
 - iv. Modifying, renewing, or replacing a mortgage loan, a mortgage banking loan, or a commercial mortgage loan already funded, if the parties to and security for the loan are the same as the original loan immediately before the modifica-

- tion, renewal, or replacement, and if no additional funds are advanced and no increase is made in the credit limit on an open-ended loan. Replacing a loan means making a new loan simultaneously with terminating an existing loan.
12. "Electronic record" has the meaning stated at A.R.S. § 44-7002(7).
13. "Employee" means a natural person who has an employment relationship with a licensee that is acknowledged by both the person and the licensee, and:
- The person is entitled to payment, or is paid, by the licensee;
 - The licensee withholds and remits, or is liable for withholding and remitting, payroll deductions for all applicable federal and state payroll taxes;
 - The licensee has the right to hire and fire the employee and the employee's assistants;
 - The licensee directs the methods and procedures for performing the employee's job;
 - The licensee supervises the employee's business conduct and the employee's compliance with applicable laws and rules; and
 - The rights and duties under subsections (13)(a) through (e) belong to the licensee regardless of whether another person also shares those rights and duties.
14. "Engaged in the business of making mortgage loans," as that phrase is used in A.R.S. § 6-902, and "engaged in the business of making mortgage loans or mortgage banking loans," as that phrase is used in A.R.S. § 6-942, mean the direct or indirect making of a total of more than five mortgage banking loans or mortgage loans, or both in a calendar year. Each loan counts only once as of its closing date. A person is not "engaged in the business of making mortgage loans or mortgage banking loans" if the person makes loans solely in commercial finance transactions in which no more than 35% of the aggregate value of all security taken by the investor on the closing date is a lien, or liens, on real property.
15. "Exclusive contract," as that term is used in A.R.S. §§ 6-912 and 6-991.02, means a written agreement in which a loan originator agrees to perform services as a loan originator subject to supervision and control by a person holding a certificate of exemption issued under A.R.S. § 6-912 on an exclusive basis. The agreement provides that the loan originator is expressly prohibited from performing loan origination or modification services for any other person during the time the agreement is in effect.
16. "Generally accepted accounting principles" has the meaning used by the Financial Accounting Standards Board or the American Institute of Certified Public Accountants.
17. "Holds out to the public," as used in this Section's definition of "branch office," means advertising or otherwise informing the public that mortgage banking loans, commercial mortgage loans, or mortgage loans are made or negotiated at a location. "Holds out to the public" includes listing a location on business cards, stationery, brochures, rate lists, or other promotional items. "Holds out to the public" does not include a clearly identified home or mobile telephone number on a business card or stationery.
18. "Loan," as that term is used in A.R.S. §§ 6-126(C)(6) and (8), means all loans negotiated or closed, without regard to the location of the real property collateral or type of loan.
19. "Loan Processing" means obtaining a loan application's supporting documents for use in underwriting.
20. "Person" means a natural person or any legal or commercial entity including a corporation, business trust, estate, trust, partnership, limited partnership, joint venture, association, limited liability company, limited liability partnership, or limited liability limited partnership.
21. "Property insurance," as that term is used in A.R.S. §§ 6-909 and 6-947, does not include flood insurance as that term is used in the Flood Disaster Protection Act of 1973, as modified by the National Flood Insurance Reform Act of 1994. 42 U.S.C. 4001, et seq.
22. "Reasonable investigation of the background," as that term is used in A.R.S. §§ 6-903, 6-943, or 6-976 means a licensee, at a minimum:
- Collects and reviews all the documents authorized by the Immigration Reform and Control Act of 1986, 8 U.S.C. 1324a;
 - Obtains a completed Employment Eligibility Verification (Form I-9);
 - Obtains a completed and signed employment application;
 - Obtains a signed statement attesting to all of an applicant's felony convictions, including detailed information regarding each conviction;
 - Consults with the applicant's most recent or next most recent employer, if any;
 - Inquiries regarding the applicant's qualifications and competence for the position;
 - If for a loan officer, loan originator, loan processor, branch manager, supervisor, or similar position, obtains a current credit report from a credit reporting agency; and
 - Investigates further if any information received in the above inquiries raises questions as to the applicant's honesty, truthfulness, integrity, or competence. An inquiry is sufficient after two attempts to contact a person, including at least one written inquiry.
23. "Record" has the meaning stated at A.R.S. § 44-7002(13).
24. "Registered to do business in this state" means:
- If an Arizona corporation, it is incorporated under A.R.S. Title 10, Chapter 2, Article 1;
 - If a foreign corporation, it either transfers its domicile under A.R.S. Title 10, Chapter 2, Article 2, or obtains authority to transact business in Arizona under A.R.S. Title 10, Chapter 15, Article 1;
 - If a business trust, it obtains authority to transact business in Arizona under A.R.S. Title 10, Chapter 18, Article 4;
 - If an estate, it acts through a personal representative duly appointed by this state's Superior Court, under the provisions of A.R.S. Title 14, Chapter 3 or 4;
 - If a trust, it delivers to the Superintendent an executed copy of the trust instrument creating the trust together with:
 - All the current amendments, or

TITLE 20. COMMERCE, FINANCIAL INSTITUTIONS, AND INSURANCE

CHAPTER 4. DEPARTMENT OF INSURANCE AND FINANCIAL INSTITUTIONS - FINANCIAL INSTITUTIONS

A true copy of the trust instrument certified accurate and complete by a trustee of the trust before a notary public;

- f. If a general partnership, limited partnership, limited liability company, limited liability partnership, or limited liability limited partnership, it is organized under A.R.S. Title 29;
 - g. If a foreign general partnership, limited partnership, limited liability company, limited liability partnership, or limited liability limited partnership, it is registered with the Arizona Secretary of State's office under A.R.S. Title 29;
 - h. If a joint venture, association, or any entity not specified in this subsection, it is organized and conducts its business in compliance with Arizona law; or
 - i. The entity is exempt from registration.
25. "Registered Exempt Person" means a person who is exempt from licensure pursuant to A.R.S. § 6-912 and A.R.S. Title 6, Chapter 9, Articles 1, 2 and 3 as a federally chartered savings bank that is registered with the nationwide mortgage licensing system and registry and holds a certificate of exemption.
26. "Resident of this state" means a natural person domiciled in Arizona.
27. "Responsible individual" or "responsible person", as those terms are used in A.R.S. §§ 6-903, 6-943, 6-973, and 6-976, means a resident of this state who:
- a. Lives in Arizona during the entire period of designation as the responsible individual on a license;
 - b. Is in active management of a licensee's affairs;
 - c. Meets the qualifications listed in A.R.S. §§ 6-903, 6-943, or 6-973; and
 - d. Is an officer, director, member, partner, employee, or trustee of a licensed entity.
