**ARIZONA REVISED STATUTE REFERENCES**
The Arizona Revised Statutes (A.R.S.) are available online at the Legislature's website, www.azleg.gov. An agency's authority note to make rules is often included at the beginning of a Chapter. Other Arizona statutes may be referenced in rule under the A.R.S. acronym.

**RULES**
The definition for a rule is provided for under A.R.S. § 41-1001. *"'Rule' means an agency statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedures or practice requirements of an agency."*

**RULES**
The definition for a rule is provided for under A.R.S. § 41-1001. *"'Rule' means an agency statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedures or practice requirements of an agency."*

An agency's exemption is written in law by the Arizona State Legislature or under a referendum or initiative passed into law by Arizona voters.

When an agency files an exempt rulemaking package with our Office it specifies the law exemption in what is called the preamble of rulemaking. The preamble is published in the *Register* online at www.azsos.gov/rules, click on the *Administrative Register* link.

Editor's notes at the beginning of a Chapter provide information about rulemaking Sections made by exempt rulemaking. Exempt rulemaking notes are also included in the historical note at the end of a rulemaking Section.

The Office makes a distinction to certain exemptions because some rules are made without receiving input from stakeholders or the public. Other exemptions may require an agency to propose exempt rules at a public hearing.

**PERSONAL USE/COMMERCIAL USE**
This Chapter is posted as a public courtesy online, and is for private use only. Those who wish to use the contents for

resale or profit should contact the Office about Commercial Use fees. For information on commercial use fees review A.R.S. § 39-121.03 and 1 A.A.C. 1, R1-1-113.

*Rhonda Paschal, rules managing editor, assisted with the editing of this Chapter.*

## TITLE 4. PROFESSIONS AND OCCUPATIONS

## CHAPTER 17. ARIZONA REGULATORY BOARD OF PHYSICIAN ASSISTANTS

Authority: A.R.S. § 32-2504

**Supp. 24-4**

## CHAPTER TABLE OF CONTENTS

***Editor's Note: The name of the Joint Board on the Regulation of Physician's [sic] Assistants was changed to the Arizona Regulatory Board of Physician Assistants by Laws 2002, Ch. 277, § 7, effective August 22, 2002 (Supp. 03-2).***

*Laws 1984, Ch. 102, changed the name of the Joint Board of Medical Examiners and Osteopathic Examiners in Medicine and Surgery to Joint Board on the Regulation of Physician's Assistants.*

*Chapter 17 consisting of Article 1, Section R4-17-101; Article 2, Sections R4-17-201 through R4-17-204; Article 3, Sections R4-17-301 through R4-17-304; Article 4, Sections R4-17-401 and R4-17-402 adopted effective July 8, 1986.*

*Former Chapter 17 consisting of Article 1, Section R4-17-01; Article 2, Sections R4-17-02 through R4-17-06; Article 3, Sections R4-17-07 through R4-17-12; Article 4, Sections R4-17-13 through R4-17-17; Article 5, Sections R4-17-18 through R4-17-22; and Article 6, Section R4-17-23 repealed effective July 8, 1985.*

### ARTICLE 1. GENERAL PROVISIONS

### ARTICLE 2. PHYSICIAN ASSISTANT LICENSURE

### ARTICLE 3. DUTIES OF THE EXECUTIVE DIRECTOR

*New Article 3, consisting of Sections R4-17-301 through R4-17-306, made by final rulemaking at 22 A.A.R. 3700, effective February 6, 2017 (Supp. 16-4).*

## ARTICLE 4. COLLABORATIVE PRACTICE; REGULATION

## ARTICLE 1. GENERAL PROVISIONS

**R4-17-101. Definitions**

For the purposes of A.R.S. Title 32, Chapter 25 and this Chapter:

1. "Ability to perform health care tasks authorized by A.R.S. § 32-2531" means:
   a. The cognitive capacity to make clinical diagnoses and exercise medical judgments and to learn and keep abreast of medical developments through the completion of continuing medical education,
   b. The ability to communicate medical judgments and medical information to patients and other professionals, and
   c. The physical capability to perform the health care tasks authorized by A.R.S. § 32-2531.
2. "Applicant" means an individual seeking a regular license or renewal license.
3. "Category I" means a designation given to a continuing medical education activity provided by an institution or organization that has been accredited for continuing medical education by the:
   a. Accreditation Council for Continuing Medical Education,
   b. American Medical Association,
   c. American Academy of Physician Assistants,
   d. American Osteopathic Association,
   e. Accreditation Council for Continuing Medical Education,
   f. Accreditation Review Commission on Education for Physician Assistants, or
   g. Commission on the Accreditation of Allied Health Education Programs.
4. "Controlled Substance" means the same as in A.R.S. § 32-1901.
5. "Dispense" means the same as in A.R.S. § 32-1901.
6. "Drug" means the same as in A.R.S. § 32-1901.
7. "Health care institution" means the same as in A.R.S. § 36-401.
8. "Health professional" means the same as in A.R.S. § 32-3201 or its equivalent in another state.
9. "Health profession regulatory authority" means a state or federal entity that issues and regulates health professional licenses.
10. "NCCPA" means the National Commission on the Certification of Physician Assistants.
11. "PANCE" means the Physician Assistant National Certifying Examination.
12. "PANRE" means the Physicians Assistants National Recertification Examination.
13. "Prescribe" means to issue:
    a. A signed, written order to a pharmacist for drugs or medical devices; or
    b. An order transmitted to a pharmacist by word of mouth, telephone, or other means of communication.
14. "Privileges" means the authority granted by a health care institution to a physician or physician assistant to practice medicine at the health care institution.

15. "Service" means personal delivery or mailing by certified mail to a physician assistant, supervising physician, or applicant affected by a decision of the Board at the physician assistant's, supervising physician's, or applicant's last known residence or place of business.
16. "State fiscal year" means from July 1 of one calendar year to June 30 of the next calendar year.
17. "Substance use disorder" means the maladaptive pattern of the use of a drug, alcohol, or chemical leading to effects that are detrimental to an individual's physical or mental health.

**Historical Note**

Adopted effective July 8, 1986 (Supp. 86-4). Amended effective April 22, 1998 (Supp. 98-2). Amended by final rulemaking at 18 A.A.R. 2123, effective October 7, 2012 (Supp. 12-3).

**R4-17-102. Time-frames for Licenses and Approvals**

**A.** The overall time-frame described in A.R.S. § 41-1072(2) for a regular license or renewal license is set forth in Table 1.

**B.** The administrative completeness review time-frame described in A.R.S. § 41-1072(1) for a regular license or renewal license is set forth in Table 1 and begins on the date the Board receives an application.
1. If the application is not administratively complete, the Board shall send a deficiency notice to the applicant.
   a. The deficiency notice shall state each deficiency and the information needed to complete the application.
   b. Within the time provided in Table 1 for response to the deficiency notice, the applicant shall submit to the Board the missing information specified in the deficiency notice. The time-frame for the Board to finish the administrative completeness review is suspended from the date the Board mails the deficiency notice to the applicant until the date the Board receives the missing information.
   c. If the applicant does not submit the missing information within the time to respond to the deficiency notice set forth in Table 1, the Board shall send a written notice to the applicant informing the applicant that the application is deemed withdrawn.
2. If the application is administratively complete, the Board shall send a written notice of administrative completeness to the applicant.

**C.** The substantive review time-frame described in A.R.S. § 41-1072(3) for a regular license or renewal license is set forth in Table 1 and begins on the date the Board sends written notice of administrative completeness to the applicant.
1. During the substantive review time-frame, the Board may make one comprehensive written request for additional information. The applicant shall submit the additional information within the time provided in Table 1 for response to a comprehensive written request for additional information. The time-frame for the Board to finish the substantive review is suspended from the date the Board mails the request until the Board receives the information.
2. The Board shall issue a written notice informing the applicant that the application is deemed withdrawn if the applicant does not submit the requested additional information within the time-frame in Table 1.
3. The Board shall issue a written notice of denial of a license or license renewal if the Board determines that the applicant does not meet all of the substantive criteria required by statute or this Chapter for licensure or license renewal.
4. If the applicant meets all of the substantive criteria required by statute and this Chapter for a license or license renewal, the Board shall issue the license or license renewal to the applicant.

**D.** In computing any period of time prescribed in this Section, the day of the act, event, or default shall not be included. The last day of the period shall be included unless it is Saturday, Sunday, or a state holiday, in which event the period runs until the end of the next day that is not a Saturday, Sunday, or state holiday. The computation shall include intermediate Saturdays, Sundays, and holidays. The time period for an applicant to respond to a deficiency notice or request for additional information shall commence on the date of personal service or the date of mailing.

**Historical Note**

Adopted effective April 22, 1998 (Supp. 98-2). Amended by final rulemaking at 18 A.A.R. 2123, effective October 7, 2012 (Supp. 12-3).

**Table 1. Time Frames (in days)**

| Type of License | Overall Time Frame | Administrative Review Time Frame | Time to Respond to Deficiency Notice | Substantive Review Time Frame | Time to Respond to Request for Additional Information |
|---|---|---|---|---|---|
| Regular License including schedule II or schedule III controlled substances approval R4-17-203 | 120 | 30 | 365 | 90 | 90 |
| License Renewal R4-17-206 | 75 | 30 | 60 | 45 | 60 |
| Registration as an Out-of-state Health Care Provider of Telehealth Services A.R.S. § 36-3606(A)(3) | 40 | 20 | 30 | 20 | 30 |

**Historical Note**

Adopted effective April 22, 1998Amended by final exempt rulemaking at 27 A.A.R 1647, with an immediate effective date of September 22, 2021 (Supp. 21-3). (Supp. 98-2). Amended by final rulemaking at 18 A.A.R. 2123, effective October 7, 2012 (Supp. 12-3). Amended by final rulemaking at 22 A.A.R. 3700, effective February 6, 2017 (Supp. 16-4). Amended by final exempt rulemaking at 27 A.A.R 1647, with an immediate effective date of September 22, 2021 (Supp. 21-3).

## ARTICLE 2. PHYSICIAN ASSISTANT LICENSURE

**R4-17-201. Repealed**

**Historical Note**

Adopted effective July 8, 1986 (Supp. 86-4). Section R4-17-201 renumbered to R4-17-202; new Section adopted effective April 22, 1998 (Supp. 98-2). Section repealed by final rulemaking at 18 A.A.R. 2123, effective October 7, 2012 (Supp. 12-3).

**R4-17-202. Examination**

An applicant for a regular license as a physician assistant shall pass the PANCE or PANRE and be certified by the NCCPA at the time of application for licensure.

**Historical Note**

Adopted effective July 8, 1986 (Supp. 86-4). Section repealed; new Section R4-17-202 renumbered from R4-17-201 and amended effective April 22, 1998 (Supp. 98-2). Amended by final rulemaking at 18 A.A.R. 2123, effective October 7, 2012 (Supp. 12-3). Amended by final rulemaking at 22 A.A.R. 3700, effective February 6, 2017 (Supp. 16-4).

**R4-17-203. Regular License Application**

**A.** An applicant for a regular license shall submit a completed application to the Board that includes:

1. The applicant's:
   a. First, last, and middle name;
   b. Every other name used by the applicant;
   c. Social Security number;
   d. Office, mailing, e-mail, and home addresses;
   e. Office, mobile, and home telephone numbers; and
   f. Birth date and state or country of birth;
2. The name and address of the approved physician assistant program completed by the applicant and the date of completion;
3. The name of each state or province in which the applicant has ever been certified, registered, or licensed as a physician assistant, including the certificate, registration, or license number, and current status;
4. Whether the applicant has practiced as a physician assistant for 10 continuous years before the date the application was submitted to the Board or since graduation from a physician assistant program and if not, an explanation;
5. A questionnaire that includes answers to the following:
   a. Whether the applicant has had an application for a certificate, registration, or license refused or denied by any licensing authority, and if so, an explanation;

b. Whether the applicant has had the privilege of taking an examination for a professional license refused or denied by any entity, and if so, an explanation;
c. Whether the applicant has ever resigned or been requested to resign, been suspended or expelled from, been placed on probation, or been fined while enrolled in an approved physician assistant program or a postsecondary educational program, and if so, an explanation;
d. Whether, while attending an approved physician assistant program, the applicant has ever had any action taken against the applicant by the approved program, resigned, or been asked to leave the approved program for any amount of time, and if so, an explanation;
e. Whether the applicant has ever surrendered a health professional license, and if so, an explanation;
f. Whether the applicant has ever had a health professional license suspended or revoked, or whether any other disciplinary action has ever been taken against a health professional license held by the licensee, and if so, an explanation;
g. Whether the applicant is currently under investigation by any health profession regulatory authority, health care association, licensed health care institution, or there are any pending complaints or disciplinary actions against the applicant, and if so, an explanation;
h. Whether the applicant has ever had any action taken against the applicant's privileges, including termination, resignation, or withdrawal by a health care institution or health profession regulatory authority, and if so, an explanation;
i. Whether the applicant has ever had a federal or state regulatory authority take any action against the applicant's authority to prescribe, dispense, or administer controlled substances including revocation, suspension, or denial, or whether the applicant ever surrendered the authority in lieu of any of these actions, and if so, an explanation;
j. Whether the applicant has ever been charged with, convicted of, pleaded guilty to, or entered into a plea of no contest to a felony or misdemeanor involving moral turpitude or has been pardoned or had a record expunged or vacated, and if so, an explanation;
k. Whether the applicant has ever been charged with or convicted of a violation of any federal or state drug statute, rule, or regulation, regardless of whether a sentence was or was not imposed, and if so, an explanation;
l. Whether the applicant has been named as a defendant in a malpractice matter currently pending or that resulted in a judgment or settlement entered against the applicant, and if so, an explanation;
m. Whether the applicant has ever been court-martialed or discharged other than honorably from any component of the uniformed services of the United States, and if so, an explanation;
n. Whether the applicant has ever been involuntarily terminated from a health professional position, resigned, or been asked to leave the health care position, and if so, an explanation;
o. Whether the applicant has ever been convicted of insurance fraud or received a sanction, including limitation, suspension, or removal from practice, imposed by any state or the federal government, and if so, an explanation; and
p. Whether the applicant, within the three years before the date of the application, has completed 45 hours in pharmacology or clinical management of drug therapy or is certified by a national commission on the certification of physician assistants or its successor;

6. A confidential questionnaire that includes answers to the following:
   a. Whether the applicant currently has a medical condition that impairs the applicant's judgment or ability to practice medicine in a competent, ethical, and professional manner;
   b. If the answer to subsection (A)(6)(a) is yes:
      i. Provide an explanation of the medical condition; and
      ii. If currently practicing under a monitoring agreement with a licensing board in another state, attach a copy of the monitoring agreement to the application; and
7. Consistent with the Board's statutory authority, other information the Board may deem necessary to evaluate the applicant fully; and
8. A sworn statement that complies with A.R.S. § 32-2522(C).

**B.** In addition to the requirements in subsection (A), an applicant shall submit the following to the Board:
1. Documentation of citizenship or alien status that conforms to A.R.S. § 41-1080;
2. Documentation of a legal name change if the applicant's legal name is different from that shown on the document submitted in accordance with subsection (B)(1);
3. A form provided by the Board and completed by the applicant that lists all current or past employment with health professionals, health professions educational institutions, or health care institutions within five years before the date of application or since graduation from a physician assistant program, if less than five years, including each health professional's, health professions educational institution's, or health care institution's name, address, and dates of employment;

4. Verification of any medical malpractice matter currently pending or resulting in a settlement or judgment against the applicant, including a copy of the complaint and either the agreed terms of settlement or the judgment and a narrative statement specifying the nature of the occurrence resulting in the medical malpractice action. An applicant who is unable to obtain a document required under this subsection may submit a written request for a waiver of the requirement. The applicant shall include the following information in a request for waiver:
   a. The document for which waiver is requested;
   b. Detailed description of efforts made by the applicant to provide the required document; and
   c. Reason the applicant's inability to provide the required document is due to no fault of the applicant; and
5. The fee required in R4-17-204.

**C.** In addition to the requirements in subsections (A) and (B), an applicant shall have the following directly submitted to the Board:
1. A copy of the applicant's certificate of successful completion of the PANCE or PANRE and the applicant's examination score provided by the NCCPA;
2. An approved program form provided by the Board, completed and signed by the director or administrator of the approved program that granted the applicant a physician assistant degree, that includes the:
   a. Applicant's full name,
   b. Type of degree earned by the applicant,
   c. Name of the physician assistant program completed by the applicant,
   d. Starting and ending dates, and
   e. Date the applicant's degree was granted.

**D.** The Board's issuance of a regular license to an applicant certifies the applicant to issue, dispense, or administer schedule II or schedule III controlled substances, subject to the limits and requirements specified in A.R.S. § 32-2532. Additionally, beginning October 1, 2018, a physician assistant previously certified by the Board for 30-day prescription privileges for schedule II or schedule III controlled substances is certified for 90-day prescription privileges for schedule II or schedule III controlled substances that are not opioids or benzodiazepine.

**Historical Note**

Adopted effective July 8, 1986 (Supp. 86-4). Section repealed; new Section adopted effective April 22, 1998 (Supp. 98-2). Amended by final rulemaking at 18 A.A.R. 2123, effective October 7, 2012 (Supp. 12-3). Amended by final rulemaking at 22 A.A.R. 3700, effective February 6, 2017 (Supp. 16-4). Amended by final rulemaking at 25 A.A.R. 401, effective April 6, 2019 (Supp. 19-1). Amended by final rulemaking at 28 A.A.R. 1757 (July 22, 2022), effective September 4, 2022 (Supp. 22-3).

**R4-17-204. Fees and Charges**

**A.** As expressly authorized under A.R.S. § 32-2526(A)(1) through (4), the Board shall charge the following fees:
1. License application - $125.00;
2. Regular license - $370.00, prorated for each month remaining in the biennial period;
3. Regular license renewal - $370.00 if the renewal application is postmarked no later than the applicant's birthdate; and
4. Penalty for late renewal - $100.00.

**B.** Under the specific authority provided by A.R.S. § 36-3606(A)(3), the Board establishes and shall collect the following fee to register as an out-of-state health care provider of telehealth services: $200.

**C.** The fees specified in subsections (A) and (B) are nonrefundable unless A.R.S. §§ 32-2526(B) or 41-1077 applies.

**D.** As expressly authorized under A.R.S. § 32-2526(A)(5) through (9), the Board establishes the following charges for providing the services listed:
1. Duplicate license - $25.00;
2. Copies of Board documents - $1.00 for first three pages, $.25 for each additional page;
3. Medical Directory (CD-ROM) - $30.00;
4. Data Disk - $100.00; and
5. License verification - $10.00.

**Historical Note**

Adopted effective July 8, 1986 (Supp. 86-4). Section repealed; new Section adopted effective April 22, 1998 (Supp. 98-2). Section repealed; new Section adopted by final rulemaking at 18 A.A.R. 2123, effective October 7, 2012 (Supp. 12-3). Amended by final rulemaking at 22 A.A.R. 3700, effective February 6, 2017 (Supp. 16-4). Amended by final exempt rulemaking at 27 A.A.R 1647, with an immediate effective date of September 22, 2021 (Supp. 21-3).

**R4-17-205. Continuing Medical Education; Request for Extension of Time**

**A.** Under A.R.S. § 32-2523(A), renewal of a license is conditioned on the licensee completing 40 hours of category I continuing medical education during each biennial license period.

**B.** During a licensee's first biennial license period, the licensee may complete a pro-rated number of continuing medical education hours established by the Board.

**C.** A licensee who is unable to complete the required hours of continuing medical education for any of the reasons in A.R.S. § 32-2523(E) may submit a written request to the Board for an extension no later than 30 days before expiration of the license that contains:

1. The name, address, and telephone number of the licensee;
2. The reason for the request;
3. The number of continuing medical education hours completed during the biennial license period;
4. The dates on which the remaining hours of continuing medical education are scheduled to be completed; and
5. The signature of the licensee.

**D.** The Board shall send a written notice of approval of the extension within seven days from the date of receipt of the request if the Board determines:

1. The extension is needed for a reason specified in A.R.S. § 32-2523(E),
2. The remaining hours of continuing medical education are scheduled to be completed within 30 days, and
3. The extension is in the best interest of the state.

**Historical Note**

Adopted effective April 22, 1998 (Supp. 98-2). Amended by final rulemaking at 18 A.A.R. 2123, effective October 7, 2012 (Supp. 12-3). Amended by final rulemaking at 22 A.A.R. 3700, effective February 6, 2017 (Supp. 16-4).

**R4-17-206. License Renewal**

**A.** To renew a license, a licensee shall submit a completed application to the Board that includes:

1. An application form that contains the licensee's:
   a. First, last, and middle names;
   b. Arizona license number;
   c. Office, mailing, e-mail, and home addresses;
   d. Office, mobile, and home telephone numbers;
2. A questionnaire that includes answers to the following since the last renewal date:
   a. Whether the licensee has had an application for a certificate, registration, or license refused or denied by any licensing authority, and if so, an explanation;
   b. Whether the licensee has had the privilege of taking an examination for a professional license refused or denied by any entity, and if so, an explanation;
   c. Whether the licensee has voluntarily surrendered a health care professional license, and if so, an explanation;
   d. Whether the licensee has had a health professional license suspended or revoked, or whether any other disciplinary action has been taken against a health professional license held by the licensee, and if so, an explanation;
   e. Whether the licensee has had any action taken against the applicant's privileges, including termination, resignation, or withdrawal by a health care institution or health profession regulatory authority, and if so, an explanation;
   f. Whether the licensee has had a federal or state regulatory authority take any action against the license's authority to prescribe, dispense, or administer controlled substances including revocation, suspension, or denial, or whether the applicant surrendered the authority in lieu of any of these actions, and if so, an explanation;
   g. Whether the licensee has been charged with, convicted of, pleaded guilty to, or entered into a plea of no contest to a felony or misdemeanor involving moral turpitude or an alcohol- or drug-related offense in any state, or has been pardoned or had a record expunged or vacated, and if so, an explanation;
   h. Whether the licensee has been court-martialed or discharged other than honorably from any component of the uniformed services of the United States, and if so, an explanation;
   i. Whether the licensee has been involuntarily terminated from a health professional position with any city, county, state, or federal government, and if so, an explanation;
   j. Whether the licensee has been convicted of insurance fraud or a state or the federal government has sanctioned or taken any action against the licensee, such as suspension or removal from practice, and if so, an explanation;
3. Consistent with the Board's statutory authority, other information the Board may deem necessary to evaluate the licensee fully;
4. A dated and sworn statement by the licensee verifying that during the past biennial license period, the

licensee completed at least 40 hours of Category I continuing medical education as required by A.R.S. § 32-2523;

5. The fee required in R4-17-204;
6. A confidential questionnaire that includes answers to the following:
   a. Whether the licensee currently has a medical condition that impairs the licensee's judgment or ability to practice medicine in a competent, ethical, and professional manner;
   b. If the answer to subsection (A)(6)(a) is yes:
      i. Provide an explanation of the medical condition; and
      ii. If currently practicing under a monitoring agreement with a licensing board in another state, attach a copy of the monitoring agreement to the application; and
7. If the document submitted under R4-17-203(B)(1) was a limited form of work authorization issued by the federal government, evidence that the licensee's presence in the U.S. continues to be authorized under federal law.

**B.** Under A.R.S. §32-2523(A), the Board shall randomly select at least 10 percent of renewal applications submitted by licensees who are not currently certified by a national certification organization to verify compliance with the continuing medical education requirement specified in R4-17-205(A). If selected, a licensee shall submit to the Board documents that verify compliance with the continuing medical education requirement.

**Historical Note**

Adopted effective April 22, 1998 (Supp. 98-2). Amended by final rulemaking at 18 A.A.R. 2123, effective October 7, 2012 (Supp. 12-3). Amended by final rulemaking at 22 A.A.R. 3700, effective February 6, 2017 (Supp. 16-4). Amended by final rulemaking at 28 A.A.R. 1757 (July 22, 2022), effective September 4, 2022 (Supp. 22-3).

**R4-17-207. Denial of License or Extension to Complete Continuing Education**

An applicant for a license who is denied the license or a physician assistant who is denied an extension to complete continuing medical education may request a hearing to contest the matter by filing a written notice with the Board within 30 days of receipt of notice of the Board's action. A hearing shall be conducted in accordance with A.R.S. Title 41, Chapter 6, Article 6 and Article 10.

**Historical Note**

Adopted effective April 22, 1998 (Supp. 98-2). Amended by final rulemaking at 18 A.A.R. 2123, effective October 7, 2012 (Supp. 12-3).

**R4-17-208. Expired**

**Historical Note**

Adopted effective April 22, 1998 (Supp. 98-2). Section expired under A.R.S. § 41-1056(E) at 11 A.A.R. 1569, effective March 31, 2005 (Supp. 05-2).

## ARTICLE 3. DUTIES OF THE EXECUTIVE DIRECTOR

**R4-17-301. Dismissal of Complaint**

**A.** The executive director, with concurrence of the investigative staff, shall dismiss a complaint if review shows the complaint is without merit and dismissal is appropriate.

**B.** The executive director shall provide to the Board, at each regularly scheduled Board meeting, a list of physician assistants about whom complaints were dismissed since the preceding Board meeting.

**Historical Note**

Adopted effective July 8, 1986 (Supp. 86-4). Section R4-17-301 renumbered to R4-17-302; new Section R4-17-301 adopted effective April 22, 1998 (Supp. 98-2). Section repealed by final rulemaking at 18 A.A.R. 2123, effective October 7, 2012 (Supp. 12-3). New Section made by final rulemaking at 22 A.A.R. 3700, effective February 6, 2017 (Supp. 16-4).

**R4-17-302. Referral to Formal Hearing**

**A.** The executive director may refer a case directly to a formal hearing if the investigative staff, medical consultant, and lead Board member concur after review of the case that a formal hearing is appropriate.

**B.** The executive director shall provide to the Board, at each regularly scheduled Board meeting, a list of the physician assistants whose cases were referred to formal hearing since the preceding Board meeting and indicate whether each case was referred because it involves revocation, suspension, out- of-state disciplinary action, or complexity.

**Historical Note**

Adopted effective July 8, 1986 (Supp. 86-4). Section repealed; new Section renumbered from R4-17-301 and amended effective April 22, 1998 (Supp. 98-2). Section repealed by final rulemaking at 18 A.A.R. 2123, effective October 7, 2012 (Supp. 12-3). New Section made by final rulemaking at 22 A.A.R. 3700, effective February 6, 2017 (Supp. 16-4).

**R4-17-303. Non-disciplinary Consent Agreement**

The executive director may enter into a consent agreement under A.R.S. § 32-2505(C)(23) with a physician assistant to limit the physician assistant's practice or rehabilitate the physician assistant if there is evidence the physician assistant is mentally or physically unable to engage in the practice of medicine safely and the investigative staff, medical consultant, and lead Board member concur after review of the case that a consent agreement is appropriate.

**Historical Note**

Adopted effective July 8, 1986 (Supp. 86-4). Section renumbered to R4-17-304; new Section R4-17-303 adopted effective April 22, 1998 (Supp. 98-2). Section repealed by final rulemaking at 18 A.A.R. 2123, effective October 7, 2012 (Supp. 12-3). New Section made by final rulemaking at 22 A.A.R. 3700, effective February 6, 2017 (Supp. 16-4).

**R4-17-304. Request for Inactive Status and License Cancellation**

**A.** If a physician assistant requests inactive status or license cancellation, meets the requirements of A.R.S. §§ 32-2525 or 32-2528, and is not participating in the program defined under A.R.S. § 32-2552(E), the executive director shall grant the request.

**B.** The executive director shall provide to the Board, at each regularly scheduled Board meeting, a list of the individuals granted inactive or cancelled license status since the preceding Board meeting.

**Historical Note**

Adopted effective July 8, 1986 (Supp. 86-4). Section R4-17-304 renumbered to R4-17-305; new Section R4-17-304 renumbered from R4-17-303 and amended effective April 22, 1998 (Supp. 98-2). Section repealed by final rulemaking at 18 A.A.R. 2123, effective October 7, 2012 (Supp. 12-3). New Section made by final rulemaking at 22 A.A.R. 3700, effective February 6, 2017 (Supp. 16-4).

**R4-17-305. Referral to Formal Interview**

The executive director shall refer a case to a formal interview on a future Board meeting agenda if the investigative staff, lead Board member, and in cases involving quality of care, the medical consultant, concur after review of the case that a formal interview is appropriate.

**Historical Note**

New Section R4-17-305 renumbered from R4-17-304 and amended effective April 22, 1998 (Supp. 98-2). Section repealed by final rulemaking at 18 A.A.R. 2123, effective October 7, 2012 (Supp. 12-3). New Section made by final rulemaking at 22 A.A.R. 3700, effective February 6, 2017 (Supp. 16-4).

**R4-17-306. Denial of License**

**A.** The executive director shall deny a license to an applicant if the executive director, in consultation with the investigative staff and medical consultant concur after review of the application, that the applicant does not meet the statutory requirements for licensure.

**B.** The executive director shall provide to the Board, at each regularly scheduled Board meeting, a list of the physician assistants whose applications were denied since the preceding Board meeting.

**Historical Note**

New Section made by final rulemaking at 22 A.A.R. 3700, effective February 6, 2017 (Supp. 16-4).

**R4-17-307. Appealing Executive Director Actions**

**A.** Any person aggrieved by an action taken by the executive director under the authority delegated in this Article may appeal that action to the Board. The aggrieved person shall file a written request with the Board no later than:

1. Thirty days after notification of the action, if personally served; or
2. Thirty-five days after the date on the notification, if mailed.

**B.** The aggrieved person shall provide, in the written request, evidence showing:
1. An irregularity in the investigative process or the executive director's review deprived the party of a fair decision;
2. Misconduct by Board staff, a Board consultant, or the executive director that deprived the party of a fair decision; or
3. Material evidence newly discovered that could have a bearing on the decision and that, with reasonable diligence, could not have been discovered and produced earlier.

**C.** The fact that the aggrieved party does not agree with the executive director's action is not grounds for a review by the Board.

**D.** If an aggrieved person fails to submit a written request within the time specified in subsection (A), the Board is relieved of the requirement to review actions taken by the executive director. The executive director may, however, evaluate newly provided information that is material or substantial in content to determine whether the Board should review the case.

**E.** If a written request is submitted that meets the requirements of subsection (B):
1. The Board shall consider the written request at its next regularly scheduled meeting.
2. If the written request provides new material or substantial evidence that requires additional investigation, the investigation shall be conducted as expeditiously as possible and the case shall be forwarded to the Board at the first possible regularly scheduled meeting.

**Historical Note**

New Section made by final rulemaking at 28 A.A.R. 1757 (July 22, 2022), effective September 4, 2022 (Supp. 22-3).

## ARTICLE 4. COLLABORATIVE PRACTICE; REGULATION

**R4-17-401. Application for Certification of Clinical Practice Hours; Waiver of Documentation**

**A.** As required under A.R.S. § 32-2536(A), a physician assistant who is licensed by the Board and in good standing may apply to the Board for certification of the clinical practice hours required to practice collaboratively with a physician or entity. A physician assistant is in good standing if the physician assistant is not:
1. Under investigation by a regulatory authority, or
2. Subject to a public or confidential probation order.

**B.** To be eligible to practice collaboratively with a physician or entity, a physician assistant shall have at least 8,000 hours of clinical practice, as described in subsection (E), obtained:
1. In the five years before the date of the application submitted under subsection (C), or
2. In the 10 years before the date of the application submitted under subsection (C) if:
   a. At least 2,000 hours of clinical practice were obtained in the three years before the date of application submitted under subsection (C); and
   b. The physician assistant is currently certified by the National Commission on Certification of Physician Assistants.

**C.** To apply for certification of clinical practice hours, a physician assistant shall submit to the Board an application form, which is available on the Board's website.

**D.** In addition to complying with subsection (C), a physician assistant applying for certification of clinical practice hours shall have submitted directly to the Board by the document custodian or an individual with direct knowledge, documentation of hours of clinical practice performed by the physician assistant. Documentation may be submitted by multiple persons.

**E.** Clinical practice includes:
1. Performing medical services related directly to patient care;
2. Providing instruction to physician assistants at an institution accredited by the Accreditation Review Commission on Education for the Physician Assistant. Time spent preparing to provide instruction or preforming administrative tasks related to providing instruction is not clinical practice.

**F.** The Board may waive the documentation requirement specified under subsection (D). To obtain a waiver of the documentation requirement, the physician assistant shall submit to the Board a written request that includes the following information:
1. The physician assistant's name and license number;
2. Date on the request for waiver;
3. Identification and an estimate of the number of clinical hours for which documentation has not been submitted under subsection (D);
4. Description of the physician assistant's efforts to have the documentation submitted as required under subsection (D);
5. Explanation of why the documentation cannot be submitted;

6. If applicable, evidence that supports the request for waiver; and
7. The physician assistant's affirmation that the physician assistant has performed the required hours of clinical practice even though documentation has not been submitted.

**G.** The Board shall waive the documentation requirement if the Board determines the documentation is unavailable for a reason beyond the control of the physician assistant requesting the waiver. In making this determination, the Board shall consider:
1. The sufficiency of the physician assistant's effort to have the documentation submitted;
2. Evidence it is not possible to have the documentation submitted because:
   a. The required document does not exist;
   b. The individual or entity responsible for maintaining and submitting the documentation is unable to do so; or
   c. Another reason beyond the control of the physician assistant; and
3. Whether the Board is able to obtain the required documentation from another source.

**H.** The Board shall document the Board's decision regarding a request for waiver submitted under subsection (F) in the official record regarding the application submitted under subsection (C). The Board's decision regarding a request for waiver is not subject to review or appeal.

**I.** The Board shall maintain on the Board's website a list of physician assistants who have at least 8,000 hours of clinical practice certified by the Board and are eligible to practice in collaboration with a physician, physician group practice, or health care institution.

**Historical Note**

Adopted effective July 8, 1986 (Supp. 86-4). Section R4-17-401 renumbered to R4-17-402; new Section R4-17-401 adopted effective April 22, 1998 (Supp. 98-2). Section expired under A.R.S. § 41-1056(E) at 11 A.A.R. 1569, effective March 31, 2005 (Supp. 05-2). New Section made by final exempt rulemaking at 30 A.A.R. 63 (January 12, 2024), effective December 31, 2023 (Supp. 23-4).

**R4-17-402. Practicing Collaboratively with a Physician Assistant**

**A.** Before practicing collaboratively with a physician assistant, the collaborating physician or entity shall verify that the physician assistant is qualified under A.R.S. § 32-2536 and R4-17-401 to practice collaboratively. The collaborating physician or entity shall maintain evidence of the verification as long as the physician assistant is employed by the collaborating physician or entity.

**B.** A collaborating physician or entity shall designate one or more physicians by name or position as responsible for the oversight of the physician assistant. When requested by the Board, the collaborating physician or entity shall notify the Board of the identity of the physician designated as responsible for oversight of the physician assistant.

**C.** The collaborating physician or entity shall ensure the physician assistant is competent to practice in any new area that is not substantially similar to the practice area in which the physician assistant previously practiced collaboratively, If the collaborating physician or entity determines the physician assistant needs additional education, training, and oversight, the collaborating physician or entity shall ensure additional education, training, and oversight is provided until the physician assistant acquires the necessary competence.
1. If the collaborating physician or entity determines a supervision agreement is warranted, the collaborating physician or entity shall require the physician assistant to enter a supervision agreement, as defined at A.R.S. § 32-2501, until the physician assistant acquires the education, experience, and competence necessary to practice in the practice setting or specialty in which the physician assistant has not previously practiced.
2. The collaborating physician or entity shall document all actions taken under this subsection, including any additional education, training, and oversight or the initiation or termination of a supervision agreement, to ensure the actions are recorded in the employment file of the physician assistant. When requested by the Board, the collaborating physician or entity shall provide a copy of the information required under this subsection to the Board.

**D.** The collaborating physician or entity shall make a determination required under subsection (C) in collaboration with the physician assistant.

**E.** When certified under A.R.S. § 32-2536 to practice collaboratively, a physician assistant shall continue to collaborate or consult with or refer to the appropriate health care professional according to the policies of the practice setting at which the physician assistant is employed.

**Historical Note**

Adopted effective July 8, 1986 (Supp. 86-4). Section R4-17-402 renumbered to R4-17-403; new Section R4-17-402 renumbered from R4-17-401 and amended effective April 22, 1998 (Supp. 98-2). Section repealed by final rulemaking at 18 A.A.R. 2123, effective October 7, 2012 (Supp. 12-3). New Section made by final exempt rulemaking at 30 A.A.R. 63 (January 12, 2024), effective December 31, 2023 (Supp. 23-4). The Governor's Regulatory Review Council determined subsections (B) through (G) exceeded the agency's

statutory authority, were not authorized by statute, and therefore void under A.R.S. § 41-1033(K) at 30 A.A.R. 2665 (August 23, 2024), effective July 30, 2024; in consultation with the Arizona State Association of Physician Assistants the Board amended the voided provisions in a Notice of Final Exempt Rulemaking at 31 A.A.R. 129 (January 10, 2025), effective December 17, 2024 (Supp. 24-4).

**R4-17-403. Rehearing or Review**

**A.** Except as provided in subsection (B), a party who is aggrieved by a decision issued by the Board may file with the Board, no later than 30 days after service of the decision, a written request for rehearing or review of the decision, specifying the grounds for rehearing or review. For purposes of this Section, a decision is considered to have been served when personally delivered to the party's last known home or business address or five days after the decision is mailed by certified mail to the party or the party's attorney.

**B.** If the Board makes specific findings that the immediate effectiveness of the decision is necessary for the preservation of the public health and safety and determines that a rehearing or review of the decision is impracticable, unnecessary, or contrary to the public interest, the Board may issue the decision as a final decision without an opportunity for rehearing or review. If the Board issues the decision as a final decision, without an opportunity for a rehearing or review, the aggrieved party may make an application for judicial review within the time limits permitted for an application for judicial review of the Board's final decision under A.R.S. § 12-904.

**C.** A party filing a request for rehearing or review may amend the request at any time before it is ruled upon by the Board. Another party may file a response within 15 days after the date the request or amended request for rehearing is filed. The Board may require a party to file supplemental memoranda explaining the issues raised in the request or response and may permit oral argument.

**D.** The Board may grant a rehearing or review of a decision for any of the following causes materially affecting the requesting party's rights:

1. Irregularity in the Board's or administrative law judge's administrative proceedings or any order or abuse of discretion that deprived the party of a fair hearing;
2. Misconduct of the Board, administrative law judge, or the prevailing party;
3. Accident or surprise that could not have been prevented by ordinary prudence;
4. Newly discovered material evidence that could not, with reasonable diligence, have been discovered and produced at the original hearing;
5. Excessive or insufficient penalties;
6. Error in the admission or rejection of evidence, or other errors of law that occurred at the hearing;
7. The decision is the result of passion or prejudice; or
8. The decision or findings of fact are not justified by the evidence or are contrary to law.

**E.** The Board may affirm or modify a decision or grant rehearing or review on all or part of the issues for any of the reasons set forth in subsection (D). An order granting a rehearing or review shall specify each ground for the rehearing or review.

**F.** No later than 30 days after a decision is issued by the Board, the Board on its own initiative may order a rehearing or review for any reason in subsection (D).

**G.** When a request for rehearing or review is based on affidavits, a party shall serve the affidavits with the request. The opposing party may, within 10 days after service, serve opposing affidavits. The Board may extend the time for serving opposing affidavits for no more than 20 days for good cause shown or by written stipulation by the parties. The Board may permit reply affidavits.

**Historical Note**

New Section R4-17-403 renumbered from R4-17-402 and amended effective April 22, 1998 (Supp. 98-2). Amended by final rulemaking at 18 A.A.R. 2123, effective October 7, 2012 (Supp. 12-3).

As of February 13, 2025

## 32-2501. Definitions

In this chapter, unless the context otherwise requires:

1. "Active license" means a regular license issued pursuant to this chapter.

2. "Adequate records" means legible medical records containing, at a minimum, sufficient information to identify the patient, support the diagnosis, justify the treatment, accurately document the results, indicate advice and cautionary warnings provided to the patient and provide sufficient information for another practitioner to assume continuity of the patient's care at any point in the course of treatment.

3. "Advisory letter" means a nondisciplinary letter to notify a physician assistant that either:

(a) While there is insufficient evidence to support disciplinary action, the board believes that continuation of the activities that led to the investigation may result in further board action against the licensee.

(b) The violation is a minor or technical violation that is not of sufficient merit to warrant disciplinary action.

(c) While the licensee has demonstrated substantial compliance through rehabilitation or remediation that has mitigated the need for disciplinary action, the board believes that repetition of the activities that led to the investigation may result in further board action against the licensee.

4. "Approved program" means a physician assistant educational program accredited by the accreditation review commission on education for physician assistants, or one of its predecessor agencies, the committee on allied health education and accreditation or the commission on the accreditation of allied health educational programs.

5. "Board" means the Arizona regulatory board of physician assistants.

6. "Collaborating physician or entity" means a physician, physician group practice, physician private practice or licensed health care institution that employs or collaborates with a physician assistant who has at least eight thousand hours of clinical practice as certified by the board pursuant to section 32-2536 and does not require a supervision agreement and that designates one or more physicians by name or position who is responsible for the oversight of the physician assistant.

7. "Completed application" means an application for which the applicant has supplied all required fees, information and correspondence requested by the board on forms and in a manner acceptable to the board.

8. "Immediate family" means the spouse, natural or adopted children, father, mother, brothers and sisters of the physician assistant and the natural or adopted children, father, mother, brothers and sisters of the physician assistant's spouse.

9. "Letter of reprimand" means a disciplinary letter that is issued by the board and that informs the physician assistant that the physician assistant's conduct violates state or federal law and may

require the board to monitor the physician assistant.

10. "Limit" means a nondisciplinary action that is taken by the board and that alters a physician assistant's practice or medical activities if there is evidence that the physician assistant is or may be mentally or physically unable to safely engage in health care tasks.

11. "Medically incompetent" means that a physician assistant lacks sufficient medical knowledge or skills, or both, in performing delegated health care tasks to a degree likely to endanger the health or safety of patients.

12. "Minor surgery":

(a) Means those invasive procedures that may be performed by a physician assistant, that are consistent with the training and experience of the physician assistant, that are normally taught in courses of training approved by the board, that have been approved by the board as falling within the scope of practice of a physician assistant and that are consistent with the practice setting requirements of the physician assistant.

(b) Does not include a surgical abortion.

13. "Physician" means a physician who is licensed pursuant to chapter 13 or 17 of this title.

14. "Physician assistant" means a person who is licensed pursuant to this chapter.

15. "Regular license" means a valid and existing license that is issued pursuant to section 32-2521 to perform health care tasks.

16. "Restrict" means a disciplinary action that is taken by the board and that alters a physician assistant's practice or medical activities if there is evidence that the physician assistant is or may be medically incompetent or guilty of unprofessional conduct.

17. "Supervising physician" means a physician who holds a current unrestricted license, who supervises a physician assistant who has less than eight thousand hours of clinical practice and who assumes legal responsibility for health care tasks performed by the physician assistant.

18. "Supervision" means a physician's opportunity or ability to provide or exercise direction and control over the services of a physician assistant. Supervision does not require a physician's constant physical presence if the supervising physician is or can be easily in contact with the physician assistant by telecommunication.

19. "Supervision agreement" means a written or electronic signed agreement that both:

(a) Describes the scope of practice for a physician assistant who has less than eight thousand hours of clinical practice.

(b) Is between the physician assistant and a physician or the physician assistant's employer that employs or has on medical staff at least one physician who may provide oversight, as applicable, and who holds a current unrestricted license. For the purposes of this subdivision, "employer" means a physician, physician group practice, physician private practice or licensed health care institution.

20. "Unprofessional conduct" includes the following acts by a physician assistant that occur in

this state or elsewhere:

(a) Violating any federal or state law or rule that applies to the performance of health care tasks as a physician assistant. Conviction in any court of competent jurisdiction is conclusive evidence of a violation.

(b) Claiming to be a physician or knowingly allowing another person to represent that person as a physician.

(c) Performing health care tasks that do not meet the supervision or collaboration requirements, as applicable, pursuant to section 32-2531.

(d) Exhibiting a pattern of using or being under the influence of alcohol or drugs or a similar substance while performing health care tasks or to the extent that judgment may be impaired and the ability to perform health care tasks detrimentally affected.

(e) Signing a blank, undated or predated prescription form.

(f) Committing gross malpractice, repeated malpractice or any malpractice resulting in the death of a patient.

(g) Representing that a manifestly incurable disease or infirmity can be permanently cured or that a disease, ailment or infirmity can be cured by a secret method, procedure, treatment, medicine or device, if this is not true.

(h) Refusing to divulge to the board on demand the means, method, procedure, modality of treatment or medicine used in treating a disease, injury, ailment or infirmity.

(i) Prescribing or dispensing controlled substances or prescription-only drugs for which the physician assistant is not approved or in excess of the amount authorized pursuant to this chapter.

(j) Committing any conduct or practice that is or might be harmful or dangerous to the health of a patient or the public.

(k) Violating a formal order, probation or stipulation issued by the board.

(l) Failing to clearly disclose the person's identity as a physician assistant in the course of the physician assistant's employment.

(m) Failing to use and affix the initials "P.A." or "P.A.-C." after the physician assistant's name or signature on charts, prescriptions or professional correspondence.

(n) Procuring or attempting to procure a physician assistant license by fraud, misrepresentation or knowingly taking advantage of the mistake of another.

(o) Having professional connection with or lending the physician assistant's name to an illegal practitioner of any of the healing arts.

(p) Failing or refusing to maintain adequate records for a patient.

(q) Using controlled substances that have not been prescribed by a physician, physician assistant, dentist or nurse practitioner for use during a prescribed course of treatment.

(r) Prescribing or dispensing controlled substances to members of the physician assistant's immediate family.

(s) Prescribing, dispensing or administering any controlled substance or prescription-only drug for other than accepted therapeutic purposes.

(t) Dispensing a schedule II controlled substance that is an opioid, except as provided in section 32-2532.

(u) Knowingly making any written or oral false or fraudulent statement in connection with the performance of health care tasks or when applying for privileges or renewing an application for privileges at a health care institution.

(v) Committing a felony, whether or not involving moral turpitude, or a misdemeanor involving moral turpitude. In either case, conviction by a court of competent jurisdiction or a plea of no contest is conclusive evidence of the commission.

(w) Having a certification or license refused, revoked, suspended, limited or restricted by any other licensing jurisdiction for the inability to safely and skillfully perform health care tasks or for unprofessional conduct as defined by that jurisdiction that directly or indirectly corresponds to any act of unprofessional conduct as prescribed by this paragraph.

(x) Having sanctions including restriction, suspension or removal from practice imposed by an agency of the federal government.

(y) Violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of or conspiring to violate a provision of this chapter.

(z) Using the term "doctor" or the abbreviation "Dr." on a name tag or in a way that leads the public to believe that the physician assistant is licensed to practice as an allopathic or osteopathic physician in this state.

(aa) Failing to furnish legally requested information to the board or its investigator in a timely manner.

(bb) Failing to allow properly authorized board personnel to examine on demand documents, reports and records of any kind relating to the physician assistant's performance of health care tasks.

(cc) Knowingly making a false or misleading statement on a form required by the board or in written correspondence or attachments furnished to the board.

(dd) Failing to submit to a body fluid examination and other examinations known to detect the presence of alcohol or other drugs pursuant to an agreement with the board or an order of the board.

(ee) Violating a formal order, probation agreement or stipulation issued or entered into by the board or its executive director.

(ff) Except as otherwise required by law, intentionally betraying a professional secret or intentionally violating a privileged communication.

(gg) Allowing the use of the licensee's name in any way to enhance or allow the continuance of the activities of, or maintaining a professional connection with, an illegal practitioner of medicine or the performance of health care tasks by a person who is not licensed pursuant to this chapter.

(hh) Committing false, fraudulent, deceptive or misleading advertising by a physician assistant or the physician assistant's staff or representative.

(ii) Knowingly failing to disclose to a patient on a form that is prescribed by the board and that is dated and signed by the patient or guardian acknowledging that the patient or guardian has read and understands that the licensee has a direct financial interest in a separate diagnostic or treatment agency or in nonroutine goods or services that the patient is being prescribed and whether the prescribed treatment, goods or services are available on a competitive basis. This subdivision does not apply to a referral by one physician assistant to another physician assistant or to a doctor of medicine or a doctor of osteopathic medicine within a group working together.

(jj) With the exception of heavy metal poisoning, using chelation therapy in the treatment of arteriosclerosis or as any other form of therapy without adequate informed patient consent or without conforming to generally accepted experimental criteria, including protocols, detailed records, periodic analysis of results and periodic review by a medical peer review committee, or without approval by the United States food and drug administration or its successor agency.

(kk) Prescribing, dispensing or administering anabolic or androgenic steroids for other than therapeutic purposes.

(ll) Prescribing, dispensing or furnishing a prescription medication or a prescription-only device as defined in section 32-1901 to a person unless the licensee first conducts a physical examination of that person or has previously established a professional relationship with the person. This subdivision does not apply to:

(i) A physician assistant who provides temporary patient care on behalf of the patient's regular treating licensed health care professional.

(ii) Emergency medical situations as defined in section 41-1831.

(iii) Prescriptions written to prepare a patient for a medical examination.

(iv) Prescriptions written or antimicrobials dispensed to a contact as defined in section 36-661 who is believed to have had significant exposure risk as defined in section 36-661 with another person who has been diagnosed with a communicable disease as defined in section 36-661 by the prescribing or dispensing physician assistant.

(mm) Engaging in sexual conduct with a current patient or with a former patient within six months after the last medical consultation unless the patient was the licensee's spouse at the time of the contact or, immediately preceding the professional relationship, was in a dating or engagement relationship with the licensee. For the purposes of this subdivision, "sexual conduct" includes:

(i) Engaging in or soliciting sexual relationships, whether consensual or nonconsensual.

(ii) Making sexual advances, requesting sexual favors or engaging in other verbal conduct or physical contact of a sexual nature with a patient.

(iii) Intentionally viewing a completely or partially disrobed patient in the course of treatment if the viewing is not related to patient diagnosis or treatment under current practice standards.

(nn) Performing health care tasks under a false or assumed name in this state.

32-2502. Arizona regulatory board of physician assistants; membership; appointment; terms; immunity

A. The Arizona regulatory board of physician assistants is established consisting of the following members:

1. Five physician assistants who hold a current regular license pursuant to this chapter. The governor may appoint these members from a list of qualified candidates submitted by the Arizona state association of physician assistants. The governor may seek additional input and nominations before the governor makes the physician assistant appointments.

2. Two public members who are appointed by the governor.

3. Two physicians who are actively engaged in the practice of medicine and who are licensed pursuant to chapter 17 of this title, one of whom supervises or collaborates with a physician assistant at the time of appointment, and who are appointed by the governor.

4. Two physicians who are actively engaged in the practice of medicine and who are licensed pursuant to chapter 13 of this title, one of whom supervises or collaborates with a physician assistant at the time of appointment, and who are appointed by the governor.

B. Before appointment by the governor, a prospective member of the board shall submit a full set of fingerprints to the governor for the purpose of obtaining a state and federal criminal records check pursuant to section 41-1750 and Public Law 92-544. The department of public safety may exchange this fingerprint data with the federal bureau of investigation.

C. The term of office of members of the board is four years to begin and end on July 1.

D. Each board member is eligible for appointment to not more than two full terms, except that the term of office for a member appointed to fill a vacancy that is not caused by the expiration of a full term is for the unexpired portion of that term and the governor may reappoint that member to not more than two additional full terms. Each board member may continue to hold office until the appointment and qualification of that member's successor. The governor may remove a member after notice and a hearing on a finding of continued neglect of duty, incompetence or unprofessional or dishonorable conduct. That member's term ends when the finding is made.

E. A board member's term automatically ends:

1. On written resignation submitted to the board chairperson or to the governor.

2. If the member is absent from this state for more than six months during a one-year period.

3. If the member fails to attend three consecutive regular board meetings.

4. Five years after retirement from active practice.

F. Board members are immune from civil liability for all good faith actions they take pursuant to

this chapter.

32-2503. Organization; meetings; payment for service

A. The board shall annually elect a chairperson and vice chairperson from among its members.

B. The board shall hold a regular meeting at least quarterly on a date and at a time and place it designates. The board shall hold special meetings, including meetings using communications equipment that allows all members participating in the meeting to hear each other, as the chairperson determines are necessary to carry out the functions of the board. The board shall hold a special meeting on any day that the chairperson determines is necessary to carry out the functions of the board. The vice chairperson may call regular meetings and special meetings if the chairperson is not available.

C. Members of the board are eligible to receive up to $200 for each day of service in the business of the board and for all expenses necessarily and properly incurred in attending board meetings.

32-2504. Powers and duties; delegation of authority; rules; subcommittees; immunity

A. The board shall:

1. As its primary duty, protect the public from unlawful, incompetent, unqualified, impaired or unprofessional physician assistants.

2. License and regulate physician assistants pursuant to this chapter.

3. Order and evaluate physical, psychological, psychiatric and competency testing of licensees and applicants the board determines is necessary to enforce this chapter.

4. Review the credentials and the abilities of applicants for licensure whose professional records or physical or mental capabilities may not meet the requirements of this chapter.

5. Initiate investigations and determine on its own motion whether a licensee has engaged in unprofessional conduct or is or may be incompetent or mentally or physically unable to safely perform health care tasks.

6. Establish fees and penalties pursuant to section 32-2526.

7. Develop and recommend standards governing the profession.

8. Engage in the full exchange of information with the licensing and disciplinary boards and professional associations of other states and jurisdictions of the United States and foreign countries and a statewide association for physician assistants.

9. Direct the preparation and circulation of educational material the board determines is helpful and proper for its licensees.

10. Discipline and rehabilitate physician assistants pursuant to this chapter.

11. Certify physician assistants for thirty-day prescription privileges for schedule II, schedule III, schedule IV and schedule V controlled substances that are opioids or benzodiazepine and ninety-day prescription privileges for schedule II, schedule III, schedule IV and schedule V controlled

substances that are not opioids or benzodiazepine if the physician assistant either:

(a) Within the preceding three years of application, completed forty-five hours in pharmacology or clinical management of drug therapy or at the time of application is certified by a national commission on the certification of physician assistants or its successor.

(b) Met any other requirement established by board rule.

B. The board may delegate to the executive director the board's authority pursuant to this section or section 32-2551. The board shall adopt a substantive policy statement pursuant to section 41-1091 for each specific licensing and regulatory authority the board delegates to the executive director.

C. The board may make and adopt rules necessary or proper for the administration of this chapter.

D. The chairperson may establish subcommittees consisting of board members and define their duties as the chairperson deems necessary to carry out the functions of the board.

E. Board employees, including the executive director, temporary personnel and professional medical investigators, are immune from civil liability for good faith actions they take to enforce this chapter.

F. In performing its duties pursuant to subsection A of this section, the board may receive and review staff reports on complaints, malpractice cases and all investigations.

G. The chairperson and vice chairperson of the Arizona regulatory board of physician assistants are members of the committee on executive director selection and retention established by section 32-1403, subsection G, which is responsible for the appointment of the executive director pursuant to section 32-1405.

32-2505. Personnel; consultants; compensation

A. The executive director employed by the Arizona medical board is the executive director of the Arizona regulatory board of physician assistants. The staff of the Arizona medical board shall carry out the administrative responsibilities of the Arizona regulatory board of physician assistants.

B. The executive director is eligible to receive compensation set by the board within the range determined under section 38-611.

C. The executive director or the executive director's designee shall:

1. Employ, evaluate, dismiss, discipline and direct professional, clerical, technical, investigative and administrative personnel necessary to carry on the work of the board.

2. Set compensation for board employees within the range determined under section 38-611.

3. As directed by the board, prepare and submit recommendations for amendments to the physician assistant practice act for consideration by the legislature.

4. Appoint and employ medical consultants and agents necessary to conduct investigations, gather information and perform those duties the executive director determines are necessary and

appropriate to enforce this chapter.

5. Issue licenses, registrations and permits to applicants who meet the requirements of this chapter.

6. Manage the board's offices.

7. Prepare minutes, records, reports, registries, directories, books and newsletters and record all board transactions and orders.

8. Collect all monies due and payable to the board.

9. Pay all bills for authorized expenditures of the board and its staff.

10. Prepare an annual budget.

11. Submit a copy of the budget each year to the governor, the speaker of the house of representatives and the president of the senate.

12. Initiate an investigation if evidence appears to demonstrate that a physician assistant may be engaged in unprofessional conduct or may be medically incompetent or mentally or physically unable to safely practice as a physician assistant.

13. Issue subpoenas if necessary to compel the attendance and testimony of witnesses and the production of books, records, documents and other evidence.

14. Provide assistance to the attorney general in preparing and sign and execute disciplinary orders, rehabilitative orders and notices of hearings as directed by the board.

15. Enter into contracts to procure goods and services pursuant to title 41, chapter 23 that are necessary to carry out board policies and directives.

16. Execute board directives.

17. Represent the board in matters with the federal government, other states or jurisdictions of the United States, this state, political subdivisions of this state, the news media and the public.

18. Enter into stipulated agreements on behalf of the board with persons under the jurisdiction of the board for the treatment, rehabilitation or monitoring of chemical substance abuse or misuse.

19. Review all complaints filed pursuant to section 32-2551. If delegated by the board, the executive director may also dismiss a complaint if the complaint is without merit.

20. If delegated by the board, directly refer cases to a formal hearing.

21. If delegated by the board, close cases resolved through mediation.

22. If delegated by the board, issue advisory letters.

23. If delegated by the board, enter into a consent agreement if there is evidence of danger to the public health and safety.

24. If delegated by the board, grant uncontested requests for inactive status and cancellation of a

license pursuant to this chapter.

25. If delegated by the board, refer cases to the board for a formal interview.

26. Perform all other administrative, licensing or regulatory duties required by the board.

D. Medical consultants and agents appointed pursuant to subsection C, paragraph 4 of this section are eligible to receive compensation determined by the executive director in an amount not to exceed two hundred dollars for each day of service.

E. A person who is aggrieved by an action taken by the executive director may request the board to review that action by filing with the board a written request within thirty days after that person is notified of the executive director's action by personal delivery, or if mailed to that person's last known residence or place of business, within thirty-five days after the date on the notification. At the next regular board meeting, the board shall review the executive director's action. On review, the board shall approve, modify or reject the executive director's action.

32-2506. Arizona medical board fund

(L24, Ch. 222, sec. 35. Eff. until 7/1/28)

A. Pursuant to sections 35-146 and 35-147, the board shall deposit fifteen percent of all monies collected pursuant to this chapter in the state general fund and deposit the remaining eighty-five percent in the Arizona medical board fund.

B. Monies deposited in the fund pursuant to this section are subject to section 35-143.01.

32-2506. Arizona medical board fund

(L24, Ch. 222, sec. 36. Eff. 7/1/28)

A. Pursuant to sections 35-146 and 35-147, the board shall deposit ten percent of all monies collected pursuant to this chapter in the state general fund and deposit the remaining ninety percent in the Arizona medical board fund.

B. Monies deposited in the fund pursuant to this section are subject to section 35-143.01.

32-2507. Licensee profiles; civil penalty

A. The board shall make available to the public a profile of each licensee. The board shall make this information available through an internet website and, if requested, in writing. The profile shall contain the following information:

1. A description of any conviction of a felony or a misdemeanor involving moral turpitude within the last five years. For the purposes of this paragraph, a licensee is deemed to be convicted of a

crime if the licensee pled guilty or was found guilty by a court of competent jurisdiction.

2. A description of any felony charges or misdemeanor charges involving moral turpitude within the last five years to which the licensee pled no contest.

3. The number of pending complaints and final board disciplinary and nondisciplinary actions within the last five years. Information concerning pending complaints shall contain the following statement:

Pending complaints represent unproven allegations. On investigation, many complaints are found to be without merit and are dismissed.

4. All medical malpractice court judgments and all medical malpractice awards or settlements in which a payment is made to a complaining party within the last five years. Information concerning malpractice actions shall contain the following statement:

The settlement of a medical malpractice action may occur for a variety of reasons that do not necessarily reflect negatively on the professional competence or conduct of the physician assistant. A payment in settlement of a medical malpractice action does not create a presumption that medical malpractice occurred.

5. The name and location of the licensee's training and the date of graduation.

6. The licensee's primary practice location.

B. Each licensee shall submit the information required pursuant to subsection A of this section as directed by the board. An applicant for licensure shall submit this information at the time of application. The applicant and licensee shall submit the information on a form prescribed by the board. A licensee shall submit immediately any changes in information required pursuant to subsection A, paragraphs 1, 2 and 4 of this section. The board shall update immediately its internet website to reflect changes in information relating to subsection A, paragraphs 1, 2, 3 and 4 of this section. The board shall update the internet website information after receipt of the renewal application pursuant to section 32-2523.

C. The board shall provide each licensee with a copy of the licensee's profile and give the licensee reasonable time to correct the profile before it is available to the public.

D. It is an act of unprofessional conduct for a licensee to provide erroneous information pursuant to this section. In addition to other disciplinary action, the board may impose a civil penalty of not more than one thousand dollars for each erroneous statement.

32-2508. Preceptorship awareness campaign; definitions

A. The board shall develop a preceptorship awareness campaign that educates medical professionals who are licensed pursuant to this chapter on how to become and the benefits of being a medical preceptor for students.

B. For the purposes of this section:

1. "Medical preceptor" means a medical professional who is licensed pursuant to this chapter and who maintains an active practice in this state.

2. "Preceptorship":

(a) Means a mentoring experience in which a medical preceptor provides a program of personalized instruction, training and supervision to a student to enable the student to obtain a medical professional degree to become licensed pursuant to this chapter.

(b) Does not include mentoring for medical services that are prescribed in section 36-2301.01, subsection C, paragraph 1.

3. "Student" means an individual who is matriculating at the graduate level at an accredited institution of higher education in this state and who is seeking a medical professional degree to become licensed pursuant to this chapter.

32-2521. Qualifications

A. An applicant for licensure shall:

1. Have graduated from a physician assistants educational program approved by the board.

2. Pass a certifying examination approved by the board.

3. Be physically and mentally able to safely perform health care tasks as a physician assistant.

4. Have a professional record that indicates that the applicant has not committed any act or engaged in any conduct that constitutes grounds for disciplinary action against a licensee pursuant to this chapter. This paragraph does not prevent the board from considering the application of an applicant who was the subject of disciplinary action in another jurisdiction if the applicant's act or conduct was subsequently corrected, monitored and resolved to the satisfaction of that jurisdiction's regulatory board.

5. Not have had a license to practice revoked by a regulatory board in another jurisdiction in the United States for an act that occurred in that jurisdiction that constitutes unprofessional conduct pursuant to this chapter.

6. Not be currently under investigation, suspension or restriction by a regulatory board in another jurisdiction in the United States for an act that occurred in that jurisdiction that constitutes unprofessional conduct pursuant to this chapter. If the applicant is under investigation by a regulatory board in another jurisdiction, the board shall suspend the application process and may not issue or deny a license to the applicant until the investigation is resolved.

7. Not have surrendered, relinquished or given up a license in lieu of disciplinary action by a regulatory board in another jurisdiction in the United States for an act that occurred in that jurisdiction that constitutes unprofessional conduct pursuant to this chapter. This paragraph does not prevent the board from considering the application of an applicant who surrendered, relinquished or gave up a license in lieu of disciplinary action by a regulatory board in another jurisdiction if that regulatory board subsequently reinstated the applicant's license.

8. Have submitted verification of all hospital affiliations and employment for the five years preceding application. Each hospital must verify the applicant's affiliation or employment on the hospital's official letterhead or the electronic equivalent.

B. The board shall require an applicant to have all credentials submitted from the primary source

where the document originated, either electronically or by hard copy, except that the board may accept primary-source verified credentials from a credentials verification service approved by the board.

C. The board may make investigations it deems necessary to advise itself with respect to the qualifications of the applicant, including physical examinations, mental evaluations, written competency examinations or any combination of these examinations and evaluations.

D. If the board finds that the applicant committed an act or engaged in conduct that would constitute grounds for disciplinary action in this state, before issuing a license the board must determine to its satisfaction that the act or conduct has been corrected, monitored and resolved. If the act or conduct has not been resolved, before issuing a license the board must determine to its satisfaction that mitigating circumstances exist that prevent its resolution.

E. If another jurisdiction has taken disciplinary action against an applicant, before issuing a license the board must determine to its satisfaction that the cause for the action was corrected and the matter was resolved. If the other jurisdiction has not resolved the matter, before issuing a license the board must determine to its satisfaction that mitigating circumstances exist that prevent its resolution.

F. The board may delegate to the executive director the authority to deny licenses to applicants who do not meet the requirements of this section.

32-2522. Applications; interview; withdrawal

A. Each applicant shall file a verified completed application in the form required and supplied by the board that is accompanied by the prescribed application fee.

B. The application shall be designed to require the submission of evidence, credentials and other proof necessary to satisfy the board that the applicant qualifies for licensure.

C. The application shall contain the oath of the applicant that:

1. All information contained in the application and evidence submitted with it are true and correct.

2. The credentials submitted were not procured by fraud or misrepresentation or any mistake of which the applicant is aware.

3. The applicant is the lawful holder of the credentials.

D. All applications submitted to the board and any attendant evidence, credentials or other proof submitted with an application are the property of the board and part of the permanent record of the board and shall not be returned to an applicant.

E. After the board has received a completed application the board either shall grant or deny a license to the applicant. If an applicant has submitted an incomplete application, the board shall promptly notify an applicant, in writing, of the deficiencies, if any, in the application that prevent it from being a completed application.

F. The board or its representatives may interview an applicant to determine whether the application is sufficient.

G. Applications are considered withdrawn on any of the following conditions:

1. Written request of the applicant.

2. Failure of the applicant to appear for an interview with the board unless good cause is shown.

3. Failure to submit a completed application within one year from the date of the mailing by the board of a statement to the applicant of the deficiencies in the application pursuant to subsection E of this section.

H. On request of an applicant who disagrees with the statement of deficiency, the board shall grant a hearing before the board at its next regular meeting if there is time at that meeting to hear the matter. The board shall not delay this hearing beyond one regularly scheduled meeting. At any hearing granted pursuant to this subsection, the burden of proof is on the applicant to demonstrate that the alleged deficiencies do not exist.

I. The board may deny a license to an applicant who does not meet the requirements of this article.

J. If an applicant does not meet the requirements of section 32-2521, subsection A, paragraph 3, the board may issue a license subject to any of the following probationary conditions:

1. Restrict the licensee's practice.

2. Require the licensee to continue medical or psychiatric treatment.

3. Require the licensee to participate in a specified rehabilitation program.

4. Require the licensee to abstain from alcohol and other drugs.

K. If the board offers a probationary license to an applicant pursuant to subsection J of this section, it shall notify the applicant in writing of the following:

1. The applicant's specific deficiencies.

2. The probationary period.

3. The applicant's right to reject the terms of probation.

4. If the applicant rejects the terms of probation, the applicant's right to a hearing on the board's denial of the application.

32-2523. Licensure; renewal; continuing education; audit; penalty fee; expiration

A. Except as provided in section 32-4301, each holder of a regular license shall renew the license every other year on or before the licensee's birthday by paying the prescribed renewal fee and supplying the board with information it deems necessary, including proof of having completed, before the renewal date, forty hours of category I continuing medical education approved by the American academy of physician assistants, the American medical association, the American osteopathic association or any other accrediting organization acceptable to the board. The board shall verify continuing medical education compliance and shall randomly audit at least ten percent of physician assistants who are renewing their license within the calendar year and who

do not hold a current national certification from a national certification organization for physician assistants that is approved by the board.

B. Except as provided in section 32-4301, a holder of a regular license who fails to renew the license within thirty days after the licensee's birthday shall pay a penalty fee as set forth in rule for late renewal.

C. Except as provided in section 32-4301, if a holder of a regular license fails to renew the license within ninety days after the licensee's birthday, the license automatically expires. It is unlawful for a person to perform health care tasks of a physician assistant after the license expires.

D. A person whose license expires may reapply for licensure pursuant to this chapter.

E. If a licensee does not meet the requirements of subsection A of this section because of that person's illness, religious missionary activity or residence in a foreign country or any other extenuating circumstance, the board may grant an extension of the deadline if it receives a written request to do so from the licensee that details the reasons for this request.

F. The continuing medical education requirement in subsection A of this section is deemed satisfied if, at the time of renewal, the licensee holds a certification in good standing from a certifying body approved by the board.

32-2524. Exemption from licensure

This chapter does not require licensure of:

1. A student who is enrolled in a physician assistant education program approved by the board.

2. A physician assistant who is an employee of the United States government and who works on land or in facilities owned or operated by the United States government.

3. A physician assistant who is a member of the armed forces of the United States and who is on official orders or performing official duties as outlined in the appropriate regulation of that branch of military service.

32-2525. Cancellation of license

A. A person who holds an active regular license as a physician assistant, who is not presently under investigation by the board as the result of a complaint or information received by it, and against whom the board has not commenced any disciplinary proceedings may request and the board shall grant cancellation of the license.

B. The board may accept the request to cancel the active regular license of a physician assistant who has been charged with a violation of this chapter or rules adopted pursuant to this chapter if the physician assistant admits the charges and stipulates this admission for the record.

32-2526. Fees

A. By a vote at its annual fall meeting, the board shall establish nonrefundable fees and penalties that do not exceed the following:

1. Processing an application for an active license, four hundred dollars.

2. Issuing an active license, four hundred dollars.

3. Annual renewal of a regular license, four hundred dollars.

4. Penalty fee for late renewal of a regular license, three hundred fifty dollars.

5. Issuance of a duplicate license, twenty-five dollars.

6. Verification of a license, ten dollars.

7. Copying records, documents, letters, minutes, applications and files, one dollar for the first three pages and twenty-five cents for each additional page.

8. The sale of computerized tapes or diskettes that do not require programming, one hundred dollars.

9. Services not required to be provided by this chapter, but that the board deems appropriate to carry out the intent and purpose of this chapter, a fee of not to exceed the actual cost of providing the services. Notwithstanding section 32-2506, the board shall deposit, pursuant to sections 35-146 and 35-147, all of the monies collected under this paragraph in the Arizona medical board fund established by section 32-1406.

B. Notwithstanding subsection A of this section, on written request the board may return the license renewal fee for good cause shown.

C. The board may collect from a drawer of a dishonored check, draft, order or note an amount allowed pursuant to section 44-6852.

32-2527. Change of address; penalty

A. A person holding an active license as a physician assistant in this state shall inform the board in writing within thirty days of that person's current residence address, office address and telephone number and of each change in residence and office address or telephone number that occurs. A residential address is not available to the public unless it is the only address of record.

B. The board may assess its costs incurred in locating a physician assistant who fails to comply with subsection A of this section within thirty days after the date of change. The board may also assess a penalty of not to exceed one hundred dollars against the physician assistant. Notwithstanding section 32-2506, monies collected pursuant to this subsection shall be deposited, pursuant to sections 35-146 and 35-147, in the Arizona medical board fund established by section 32-1406.

32-2528. Inactive license; application; prohibited activities

A. A person who holds a regular license pursuant to this chapter may request an inactive license from the board if both of the following are true:

1. The licensee is not under investigation by the board.

2. The board has not begun disciplinary proceedings against the licensee.

B. The board may grant an inactive license and shall waive the annual renewal fee and

requirements for continuing medical education if the person certifies total retirement from the performance of health care tasks in this state, any jurisdiction of the United States and any foreign country and is current on all fees required by this chapter.

C. An inactive licensee shall not perform health care tasks.

D. The board may convert an inactive license to a regular license on payment of the annual renewal fee and presentation of evidence to the board that the holder possesses the medical knowledge and the physical and mental ability to safely engage in the performance of health care tasks. The board may require any combination of physical examination, psychiatric or psychological evaluation, oral competency examination or a board qualified written examination or interview it believes necessary to assist it in determining the ability of a physician assistant who holds an inactive license to return to regular licensure.

32-2531. Physician assistant scope of practice; health care tasks; supervision agreements; supervising physician duties; civil penalty

A. Except as prohibited in subsection E of this section, a physician assistant may provide any legal medical service for which the physician assistant has been prepared by education, training and experience and that the physician assistant is competent to perform, including:

1. Obtaining comprehensive health histories and performing physical examinations.

2. Evaluating and diagnosing patients and managing and providing medical treatment and therapeutic interventions.

3. Ordering, performing and interpreting diagnostic studies and therapeutic procedures.

4. Educating patients on health promotion and disease prevention and providing counseling and education to meet patient needs.

5. Providing consultation on request.

6. Writing medical orders.

7. Obtaining informed consent.

8. Assisting in surgery.

9. Delegating and assigning therapeutic and diagnostic measures to and supervising licensed or unlicensed personnel.

10. Making appropriate referrals.

11. Ordering, prescribing, dispensing and administering drugs and medical devices.

12. Prescribing prescription-only medications.

13. Prescribing schedule IV or schedule V controlled substances as defined in the controlled substances act (P.L. 91-513; 84 Stat. 1242; 21 United States Code section 802).

14. Prescribing schedule II and schedule III controlled substances as defined in the controlled

substances act.

15. Performing minor surgery.

16. Performing nonsurgical health care tasks that are normally taught in courses of training approved by the board and that are consistent with the physician assistant's education, training and experience.

17. Certifying the health or disability of a patient as required by any local, state or federal program.

18. Ordering home health services.

B. Pursuant to the requirements of this chapter and the standard of care, a physician assistant who has at least eight thousand hours of clinical practice certified by the board pursuant to section 32-2536 is not required to practice pursuant to a supervision agreement but shall continue to collaborate with, consult with or refer to the appropriate health care professional as indicated by the patient's condition and by the physician assistant's education, experience and competencies. The level of collaboration required by this subsection is determined by the policies of the practice setting at which the physician assistant is employed, including a physician employer, physician group practice or health care institution. Collaboration, consultation or a referral pursuant to this subsection may occur through electronic means and does not require the physical presence of the appropriate health care professional at the time or place the physician assistant provides medical services. This subsection does not prohibit a physician assistant who has at least eight thousand hours of clinical practice certified by the board pursuant to section 32-2536 from practicing pursuant to a supervision agreement.

C. A physician assistant who has less than eight thousand hours of clinical practice certified by the board shall work in accordance with a supervision agreement that describes the physician assistant's scope of practice. A physician assistant may not perform health care tasks until the physician assistant has completed and signed a supervision agreement. Under a supervision agreement, supervision may occur through electronic means and does not require the physical presence of the supervising physician at the time or place the physician assistant provides medical services. The supervision agreement must be kept on file at the main location of the physician assistant's practice and, on request, be made available to the board or the board's representative. On receipt of board certification of the physician assistant's completion of at least eight thousand hours of clinical practice, a physician assistant is no longer subject to the requirements of this subsection. The board may count practice hours earned in another jurisdiction toward the hours of clinical practice required by this subsection.

D. A physician assistant who does not practice pursuant to a supervision agreement is legally responsible for the health care services performed by the physician assistant.

E. A physician assistant shall not perform surgical abortions as defined in section 36-2151.

F. A physician assistant may pronounce death and may authenticate, by the physician assistant's signature, certification, stamp, verification, affidavit or endorsement, any form that may be authenticated by a physician's signature, certification, stamp, verification, affidavit or endorsement.

G. The board by rule may prescribe a civil penalty for a violation of this article. The penalty shall

not exceed $50 for each violation. The board shall deposit, pursuant to sections 35-146 and 35-147, all monies it receives from this penalty in the state general fund. A physician assistant and the supervising physician or collaborating physician or entity may contest the imposition of this penalty pursuant to board rule. The imposition of a civil penalty is public information, and the board may use this information in any future disciplinary actions.

32-2532. Prescribing, administering and dispensing drugs; limits and requirements; notice

A. Except as provided in subsection G of this section, a physician assistant shall not prescribe, dispense or administer:

1. A schedule II or schedule III controlled substance as defined in the controlled substances act (P.L. 91-513; 84 Stat. 1242; 21 United States Code section 802) without board approval and United States drug enforcement administration registration. If the physician assistant has less than eight thousand clinical practice hours, the supervision agreement shall specify the physician assistant's ability to prescribe, dispense or administer a schedule II or schedule III controlled substance.

2. A schedule IV or schedule V controlled substance as defined in the controlled substances act without United States drug enforcement administration registration. If the physician assistant has less than eight thousand clinical practice hours, the supervision agreement shall specify the physician assistant's ability to prescribe, dispense or administer a schedule IV or schedule V controlled substance.

3. Prescription medication intended to perform or induce an abortion.

B. If the physician assistant has less than eight thousand clinical practice hours, the supervision agreement shall specify the physician assistant's ability to prescribe, dispense or administer prescription-only medication.

C. All prescription orders issued by a physician assistant shall contain the name, address and telephone number of the physician assistant. A physician assistant shall issue prescription orders for controlled substances under the physician assistant's own United States drug enforcement administration registration number.

D. If the physician assistant is certified for prescription privileges pursuant to section 32-2504, subsection A, initial prescriptions by the physician assistant for schedule II controlled substances that are opioids are subject to the limits prescribed in sections 32-3248 and 32-3248.01. For each schedule IV or schedule V controlled substance, the physician assistant may not prescribe the controlled substance more than five times in a six-month period for each patient.

E. A prescription by a physician assistant for a schedule III controlled substance that is an opioid or benzodiazepine is not refillable without the written consent of a physician.

F. A physician assistant may not dispense, prescribe or refill prescription-only drugs for a period exceeding one year for each patient.

G. Except in an emergency, a physician assistant may dispense schedule II or schedule III controlled substances for a period of use of not to exceed seventy-two hours with board approval or any other controlled substance for a period of use of not to exceed ninety days and may administer controlled substances without board approval if it is medically indicated in an emergency dealing with potential loss of life or limb or major acute traumatic

pain. Notwithstanding the authority granted in this subsection, a physician assistant may not dispense a schedule II controlled substance that is an opioid, except for an implantable device or an opioid that is for medication-assisted treatment for substance use disorders or as provided in section 32-3248.03.

H. Except for samples provided by manufacturers, all drugs dispensed by a physician assistant shall be labeled to show the name of the physician assistant.

I. A physician assistant shall not obtain a drug from any source other than a physician or a pharmacist. A physician assistant may receive manufacturers' samples.

J. If a physician assistant is approved by the board to prescribe, administer or dispense schedule II and schedule III controlled substances, the physician assistant shall maintain an up-to-date and complete log of all schedule II and schedule III controlled substances the physician assistant administers or dispenses. The board may not grant a physician assistant the authority to dispense schedule II controlled substances that are opioids, except for implantable devices or opioids that are for medication-assisted treatment for substance use disorders.

K. The Arizona regulatory board of physician assistants shall advise the Arizona state board of pharmacy and the United States drug enforcement administration of all physician assistants who are authorized to prescribe or dispense drugs and any modification of their authority.

L. The Arizona state board of pharmacy shall notify all pharmacies at least quarterly of physician assistants who are authorized to prescribe or dispense drugs.

32-2533. Supervising physicians; responsibilities

A. A supervising physician is responsible for all aspects of the performance of a physician assistant who has less than eight thousand hours of clinical practice, whether or not the supervising physician actually pays the physician assistant a salary. The supervising physician is responsible for supervising the physician assistant and ensuring that the health care tasks performed by a physician assistant are within the physician assistant's scope of training and experience and have been properly delegated by the supervising physician.

B. Each physician-physician assistant team must ensure that:

1. The physician assistant's scope of practice is identified.

2. The delegation of medical tasks is appropriate to the physician assistant's level of competence.

3. The relationship of, and access to, the supervising physician is defined.

4. A process for evaluating the physician assistant's performance is established.

C. A supervising physician shall not supervise more than six physician assistants who work at the same time.

D. A supervising physician shall develop a system for recording and reviewing all instances in which the physician assistant prescribes schedule II or schedule III controlled substances.

32-2534. Billing; direct payment

A physician assistant may bill and receive direct payment for the professional services provided by the physician assistant.

32-2535. Emergency medical care

A. Notwithstanding the requirements of this article, in response to a natural disaster, accident or other emergency, a physician assistant who is licensed pursuant to this chapter, licensed or certified by another regulatory jurisdiction in the United States or credentialed as a physician assistant by a federal employer may provide medical care at any location, and the physician assistant is not required to have completed eight thousand clinical practice hours pursuant to section 32-2531.

B. A physician who supervises a physician assistant who is providing medical care pursuant to this section is not required to comply with the requirements of this article relating to supervising physicians.

32-2536. Physician assistants; documentation; certification; rules

A. A physician assistant who is licensed pursuant to this chapter, who is in good standing, who has graduated from an accredited physician assistant program in the United States and who has at least eight thousand clinical practice hours within the previous five years in this state or another jurisdiction shall provide the board with documentation of having completed at least eight thousand hours of clinical practice in order to meet the requirements of section 32-2531, subsection B. The board shall develop:

1. A policy that sets forth the process of attestation or documentation required as proof of completion of at least eight thousand clinical practice hours and issuance of certification of completion of the eight thousand clinical practice hours.

2. An alternative comparable standard for certification of eight thousand hours of clinical practice for physician assistants who have been actively practicing for more than five years.

B. The board shall adopt rules establishing additional certification standards or requirements for physician assistants who previously completed eight thousand clinical practice hours certified by the board and who are seeking employment with a collaborating physician or entity for a position that is not substantially similar to the practice setting or specialty in which the physician assistant was previously certified. The certification standards or requirements shall ensure appropriate training and oversight, including a supervision agreement if warranted, for the physician assistant's new practice setting or specialty.

32-2551. Grounds for disciplinary action; duty to report; immunity; proceedings; board action; notice; civil penalty

A. The board on its own motion may investigate any evidence that appears to show that a physician assistant is or may be medically incompetent, is or may be guilty of unprofessional conduct or is or may be mentally or physically unable to carry out approved health care tasks. Any physician, physician assistant or health care institution as defined in section 36-401 shall, and any other person may, report to the board any information the physician, physician assistant, health care institution or other person has that appears to show that a physician assistant is or may be medically incompetent, is or may be guilty of unprofessional conduct or is or may be mentally or physically unable to carry out approved health care tasks. If the board begins an investigation

pursuant to this section, it may require the physician assistant to promptly provide the name and address of the supervising physician or collaborating physician or entity, as applicable. The board or the executive director shall notify the physician assistant of the content of the reported information in writing within one hundred twenty days after the board's receipt of the information. Any physician, physician assistant, health care institution or other person that reports or provides information to the board in good faith is not subject to an action for civil damages as a result of reporting or providing information, and, if requested, the name of the reporter shall not be disclosed unless the information is essential to proceedings conducted pursuant to this section.

B. The board or, if delegated by the board, the executive director may require a mental, physical or medical competency examination or any combination of those examinations or may make investigations, including investigational interviews, between representatives of the board and the physician assistant and the supervising physician, the collaborating physician or a physician representative of the collaborating entity, as applicable, as the board deems necessary to fully inform itself with respect to any information reported pursuant to subsection A of this section. These examinations may include biological fluid testing and other examinations known to detect the presence of alcohol or other drugs. The board or, if delegated by the board, the executive director may require the physician assistant, at the physician assistant's expense, to undergo assessment by a board-approved rehabilitative, retraining or assessment program.

C. If the board finds, based on the information it receives under subsections A and B of this section, that the public safety imperatively requires emergency action and incorporates a finding to that effect in its order, the board may restrict a license or order a summary suspension of a license pending proceedings for revocation or other action. If the board acts pursuant to this subsection, the physician assistant shall also be served with a written notice of complaint and formal hearing, setting forth the charges, and is entitled to a formal hearing before the board or an administrative law judge on the charges within sixty days pursuant to title 41, chapter 6, article 10.

D. If, after completing its investigation, the board finds that the information provided pursuant to subsection A of this section is not of sufficient seriousness to merit disciplinary action against the physician assistant's license, the board may take the following actions:

1. Dismiss if, in the opinion of the board, the complaint is without merit.

2. File an advisory letter. The licensee may file a written response with the board within thirty days after receiving the advisory letter.

3. Require the licensee to complete designated continuing medical education courses.

E. If the board finds that it can take rehabilitative or disciplinary action without the presence of the physician assistant at a formal interview it may enter into a consent agreement with the physician assistant to limit or restrict the physician assistant's practice or to rehabilitate the physician assistant, protect the public and ensure the physician assistant's ability to safely practice. The board may also require the physician assistant to successfully complete a board-approved rehabilitative, retraining or assessment program at the physician assistant's own expense.

F. The board shall not disclose the name of the person who provided the information regarding a licensee's drug or alcohol impairment or the name of the person who files a complaint if that person requests anonymity.

G. If, after completing its investigation, the board believes that the information is or may be true and that the information may be of sufficient seriousness to merit direct action against the physician assistant's license, it may request a formal interview with the physician assistant and the supervising physician, the collaborating physician or a physician representative of the collaborating entity, as applicable. If the physician assistant refuses the invitation for a formal interview, the board may issue a formal complaint and order that a hearing be held pursuant to title 41, chapter 6, article 10. The board shall notify the physician assistant in writing of the time, date and place of the formal interview at least twenty days before the interview. The notice shall include the right to be represented by counsel and shall fully set forth the conduct or matters to be discussed.

H. After the formal interview, the board may take the following actions:

1. Dismiss if, in the opinion of the board, the information is without merit.

2. File an advisory letter. The licensee may file a written response with the board within thirty days after receiving the advisory letter.

3. Enter into a stipulation with the physician assistant to restrict or limit the physician assistant's practice or medical activities or to rehabilitate, retrain or assess the physician assistant, in order to protect the public and ensure the physician assistant's ability to safely perform health care tasks. The board may also require the physician assistant to successfully complete a board-approved rehabilitative, retraining or assessment program at the physician assistant's own expense as prescribed in subsection E of this section.

4. File a letter of reprimand.

5. Issue a decree of censure. A decree of censure is a disciplinary action against the physician assistant's license and may include a requirement for restitution of fees to a patient resulting from violations of this chapter or rules adopted under this chapter.

6. Fix a period and terms of probation best adapted to protect the public health and safety and rehabilitate or educate the physician assistant. Failure to comply with any terms of probation is cause for initiating formal proceedings pursuant to title 41, chapter 6, article 10. Probation may include:

(a) Restrictions on the health care tasks the physician assistant may perform.

(b) Temporary suspension for not more than twelve months.

(c) Restitution of patient fees.

(d) Education or rehabilitation at the licensee's own expense.

7. Require the licensee to complete designated continuing medical education courses.

I. If the board finds that the information provided pursuant to subsection A of this section warrants suspension or revocation of a physician assistant's license, the board shall immediately initiate formal proceedings to suspend or revoke the license as provided in title 41, chapter 6, article 10. The notice of complaint and hearing is fully effective by mailing a true copy of the notice of complaint and hearing by certified mail addressed to the physician assistant's last known

address of record in the board's files. The notice of complaint and hearing is complete at the time of its deposit in the mail.

J. A physician assistant who after a formal hearing pursuant to title 41, chapter 6, article 10 is found to be medically incompetent, guilty of unprofessional conduct or mentally or physically unable to safely carry out the physician assistant's approved health care tasks, or any combination of these, is subject to censure, probation, suspension or revocation, or any combination of these, for a period of time or permanently and under conditions the board deems appropriate to protect the public health and safety.

K. In a formal interview pursuant to subsection G of this section or in a hearing pursuant to subsection I of this section, the board in addition to any other action may impose a civil penalty in the amount of at least $300 but not more than $10,000 for each violation of this chapter or a rule adopted under this chapter.

L. An advisory letter is a public document and may be used in future disciplinary actions against a physician assistant.

M. The board may charge the costs of a formal hearing to the licensee if it finds the licensee in violation of this chapter.

N. If the board acts to modify a physician assistant's prescription writing privileges, the Arizona regulatory board of physician assistants shall immediately notify the Arizona state board of pharmacy and the United States drug enforcement administration of this modification.

O. If during the course of an investigation the board determines that a criminal violation may have occurred involving the physician assistant's performance of health care tasks, the board shall provide evidence of the violation to the appropriate criminal justice agency.

P. The board may accept the surrender of an active license from a person who admits in writing to any of the following:

1. Being unable to safely engage in the practice of medicine.

2. Having committed an act of unprofessional conduct.

3. Having violated this chapter or a board rule.

Q. In determining the appropriate disciplinary action under this section, the board shall consider all previous nondisciplinary and disciplinary actions against a licensee.

32-2552. Right to examine and copy evidence; subpoena authority; right to counsel; confidentiality of records

A. In connection with an investigation conducted by the board on its own motion or as the result of information received pursuant to section 32-2551, subsection A, the board or its duly authorized agent or employee at all reasonable times shall have access to, for the purpose of examination, and the right to copy any documents, reports, records or other physical evidence of any person being investigated or the reports, the records and any other documents maintained by and in the possession of any hospital, clinic, physician's office, physician assistant's office, laboratory, pharmacy, health care institution as defined in section 36-401 or other public or private agency if the documents, reports, records or evidence relate to a physician assistant's

medical competence, unprofessional conduct or mental or physical ability to safely engage in the physician assistant's approved health care tasks.

B. For the purpose of all investigations and proceedings conducted by the board:

1. On its own motion or on application of a person involved in an investigation, the board may issue subpoenas compelling the attendance and testimony of witnesses or demanding the production of documents or any other physical evidence for examination or copying if the evidence relates to the medical incompetence, unprofessional conduct or mental or physical ability of a physician assistant to safely perform health care tasks. Within five days after service of a subpoena requiring the production of evidence in the person's possession or under the person's control, the person may petition the board to revoke, limit or modify the subpoena. The board shall do so if it believes that the evidence required does not relate to violations of this chapter, is not relevant to the subject matter of the hearing or investigation or does not describe with sufficient particularity the physical evidence requested.

2. A person appearing before the board may be represented by counsel.

3. A board member or agent designated by the board may administer oaths or affirmations, examine witnesses and receive evidence.

4. On application by the board or by the person subpoenaed, the superior court has jurisdiction to issue an order to do either of the following:

(a) Require a person to appear before the board or its authorized agent to produce evidence relating to the investigation.

(b) Revoke, limit or modify a subpoena if the court determines that the evidence does not relate to a violation of this chapter, is not relevant to the hearing or investigation or does not describe with sufficient particularity the physical evidence requested.

C. The following items are not available to the public:

1. Patient records, including clinical records, medical reports and laboratory statements and reports.

2. Files, films, reports or oral statements relating to diagnostic findings or treatment of patients.

3. Any information from which a patient or the patient's family might be identified.

4. Information received and records kept by the board in its investigations.

D. This section and any other provision of law that makes communications between a physician or a physician assistant and the physician assistant's patient a privileged communication does not apply to investigations or proceedings conducted pursuant to this chapter. The board and its employees, agents and representatives shall keep in confidence the names of any patients whose records are reviewed during the course of investigations and proceedings pursuant to this chapter.

E. Hospital records, medical staff records, medical staff review committee records, testimony concerning those records and proceedings related to the creation of those records are not available to the public, shall be kept confidential by the board and are subject to the same provisions of law concerning discovery and use in legal actions as are the original records in the possession and

control of hospitals, medical staffs and medical staff review committees.

32-2553. Judicial review

Except as provided in section 41-1092.08, subsection H, final decisions of the board are subject to judicial review pursuant to title 12, chapter 7, article 6.

32-2554. Violation; classification

A. A person who does any of the following is guilty of a class 6 felony:

1. Performs a health care task if that person is not licensed pursuant to this chapter or is not exempt from licensure pursuant to this chapter.

2. Secures a license to perform health care tasks by fraud or deceit.

3. Impersonates a member of the board.

B. A person who is not licensed pursuant to this chapter shall not use the designation "P.A.", "P.A.-C." or "Physician assistant" or use any other words, initials or symbols in a way that leads the public to believe that the person is licensed pursuant to this chapter. A person who violates this subsection is guilty of a class 2 misdemeanor.

32-2555. Injunctions

A. The superior court may issue an injunction to enjoin:

1. A person who is not licensed pursuant to this chapter or who is not exempt from licensure pursuant to this chapter from performing health care tasks.

2. A physician assistant from performing health care tasks if the court determines that the licensee will or may cause irreparable damage to the public health and safety before the board has an opportunity to act pursuant to section 32-2551.

3. An act proscribed in section 32-2554, subsection B.

B. In a petition for an injunction pursuant to subsection A, paragraph 1 of this section, it is sufficient for the petitioner to charge that the respondent on a day certain in a named county engaged in the performance of health care tasks without being licensed or exempt from licensure pursuant to this chapter. It is not necessary for the petitioner to show damage or injury.

C. In a petition for an injunction pursuant to subsection A, paragraph 2 of this section, the petitioner shall specify the facts regarding the licensee's threat to the public health and safety.

D. The board shall file the petition in the superior court in Maricopa county or in the county where the respondent resides or is found.

32-2556. Human immunodeficiency virus; disclosure; immunity; definition

A. It is not an act of unprofessional conduct for a licensee to report to the department of health services the name of a patient's spouse, sex partner or person with whom the patient has shared hypodermic needles or syringes if the licensee knows that the patient tests positive for the human immunodeficiency virus and that the patient has not or will not notify these people and refer them

to testing. Before reporting this information to the department of health services the licensee shall ask the patient to release this information voluntarily.

B. It is not an act of unprofessional conduct for a licensee who knows or who has reason to believe that a significant exposure has occurred between a patient who tests positive for the human immunodeficiency virus and a health care worker or a public safety employee to inform the worker or employee of the exposure. Before disclosing this information the licensee shall ask the patient to disclose this information voluntarily. If the patient does not agree to do this the licensee may disclose the information in a manner that does not identify the patient.

C. This section does not impose a duty to disclose information. A licensee is not subject to civil or criminal liability for either disclosing or not disclosing information.

D. If a licensee decides to make a disclosure pursuant to this section the licensee may request the department of health services to make the disclosure on the licensee's behalf.

E. For the purposes of this section, "significant exposure" means contact of a person's ruptured or broken skin or mucous membranes with another person's blood or body fluid, other than tears, saliva or perspiration, of a magnitude that the centers for disease control of the United States public health service have epidemiologically demonstrated can result in the transmission of the human immunodeficiency virus.

32-2557. Disciplinary action; reciprocity

A. The board shall initiate an investigation pursuant to section 32-2551 if a professional regulatory board in another jurisdiction in the United States has taken disciplinary action against a licensee for an act that occurred in that jurisdiction that constitutes unprofessional conduct pursuant to this chapter.

B. The board shall order the summary suspension of a license pending proceedings for revocation or other action if a professional regulatory board in another jurisdiction in the United States has taken the same action because of its belief that the public health, safety or welfare imperatively required emergency action.

32-2558. Reinstatement of revoked or surrendered license

A. On written application, the board may issue a new license to a physician assistant whose license was previously revoked by the board or surrendered if the applicant demonstrates to the board's satisfaction that the applicant is completely rehabilitated with respect to the conduct that was the basis for the revocation or surrender. In making its decision, the board shall determine:

1. That the applicant has not engaged in any conduct during the revocation or surrender period that would have constituted a basis for revocation or surrender pursuant to section 32-2551.

2. If a criminal conviction was a basis of the revocation or surrender, that the applicant's civil rights have been fully restored pursuant to statute or any other applicable recognized judicial or gubernatorial order.

3. That the applicant has made restitution to any aggrieved person as ordered by a court of competent jurisdiction.

4. That the applicant demonstrates any other standard of rehabilitation the board determines is

appropriate.

B. Except as provided in subsection C of this section, a person shall not submit an application for reinstatement less than two years after the date of revocation or surrender.

C. The board shall vacate its previous order to revoke or accept the surrender of a license if that revocation or surrender was based on a conviction of a felony or an offense involving moral turpitude and that conviction has been reversed on appeal. The physician assistant may submit an application for reinstatement as soon as the court enters the reversal.

D. An applicant for reinstatement shall comply with all initial licensing requirements prescribed by this chapter.

# GOVERNOR'S REGULATORY REVIEW COUNCIL

## ATTORNEY MEMORANDUM - FIVE-YEAR REVIEW REPORT

---

**MEETING DATE:** June 3, 2025, July 1, 2025

**TO:** Members of the Governor's Regulatory Review Council (Council)

**FROM:** Council Staff

**DATE:** May 20, 2025, June 17, 2025

**SUBJECT:** **DEPARTMENT OF REVENUE**
Title 15, Chapter 12 Articles 1-3

---

**Staff Update**

As a reminder, this Five-Year Review Report from the Department of Revenue was tabled at the June 3, 2025 Council meeting in order for the Department to determine a proposed course of action timeline. Any supplemental information received will be forward to the Council Members.

**Summary**

This Five-Year Review Report (5YRR) from the Arizona Department Revenue ("Department") covers twenty-four (24) rules in Title 15, Chapter 12, Articles 1-3 relating to the Property Tax Oversight Commission. Article 1 covers general provisions, Article 2 covers property tax levy limits, and Article 3 covers hearing and appeal procedures. The purposes of the Property Tax Oversight Commission is to: (1) further the public confidence in property tax limitations; (2) provide a uniform methodology for determining those limitations; and (3) provide a continuing review of practices for ensuring a fair and equitable administration of the property tax laws.

The Department has not completed the proposed course of action from both their previous three reports approved by the Council in July 2010, July 2015 and February 2020, respectively.

In the 2010 report, the Department proposed to amend 14 rules but this was not completed because the Department did not qualify for an exemption to the executive order concerning the Rulemaking Moratorium. In the 2015 report, the Department proposed to amend 14 rules but did not provide a timeline because of active litigation. In the 2020 report, the Department indicated that they did not complete this proposed course of action from the 2015 report because the Department was named as a defendant to a lawsuit on June 8, 2015. In the 2020 report, the Department indicated this lawsuit was resolved and the Department intended on completing a rulemaking by September 1, 2020.

In this 5YRR now before the Council, the Department has indicated that the course of action from the 2020 report was not completed as a result of litigation started in June 2024. The Department stated that they do not want to make any substantive changes to the rules prior to final adjudication in that matter, which concerns the calculation of levy limits.

**Proposed Action**

The Department indicates that they still intend on amending the 14 rules identified in the previous reports. The amendments are necessary to incorporate 2009 statutory changes and to update the rules to conform to modern rulewriting standards. Given the on-going litigation, the Department has not proposed any timeline for when they intend on completing a rulemaking.

1. **Has the agency analyzed whether the rules are authorized by statute?**

   The Department cites both general and specific statutory authority for these rules.

2. **Summary of the agency's economic impact comparison and identification of stakeholders:**

   The Property Tax Oversight Commission was created by Laws 1987, Ch, 204. The Department indicates that the original economic impact statement estimated that the Department of Revenue, Property Tax Oversight Commission, the Attorney General's Office and political subdivisions would all experience cost savings due to the standardization of the Property Tax Oversight Commission's practices and procedures. The Department believes that the economic impacts projected in the original adoptions of the rules and in the subsequent amendments in 1997, 2000, and 2006 are generally accurate. However, the Department believes that one aspect that may generate costs that outweigh benefits is in the engagement of the Commission members and staff as well as a political subdivision, special taxing district or fire district that disputes the Commission's findings in a rehearing process that is unnecessary prior to the petitioner's appeal of the matter to tax court.

3. **Has the agency analyzed the costs and benefits of the rulemaking and determined that the rules impose the least burden and costs to those who are regulated?**

The Department states that after analysis, the probable benefits of the rules outweigh the probable costs and the rules impose the least burden and costs to persons regulated by them, including paperwork and other costs necessary to achieve the underlying regulatory objective.

4. **Has the agency received any written criticisms of the rules over the last five years?**

The Department indicates it received no written criticisms of the rules in the last five years.

5. **Has the agency analyzed the rules' clarity, conciseness, and understandability?**

The Department indicates the rules are mostly clear, concise, and understandable but that the following 7 rules need to be amended to conform with modern rulewriting standards, such as improving terminology and removing passive voice.

- R15-12-201
- R15-12-301
- R15-12-302
- R15-12-303
- R15-12-304
- R15-12-306
- R15-12-312

6. **Has the agency analyzed the rules' consistency with other rules and statutes?**

The Department indicates the rules are generally consistent with other rules and statutes, with the exception of the following. The following rules are not compliant with the statutes that govern the Property Tax Oversight Commission because of laws 2009, Ch 118 which included fire districts.

- R15-12-106
- R15-12-201
- R15-12-203
- R15-12-204
- R15-12-205
- R15-12-301
- R15-12-302
- R15-12-303
- R15-12-305
- R15-12-306
- R15-12-308
- R15-12-311

- R15-12-312

7. **Has the agency analyzed the rules' effectiveness in achieving its objectives?**

The Department indicates the rules are effective in achieving their objectives with the exception of R15-12-312. The Department indicates that the current rehearing process could result in repetitive or unnecessary actions prior to the ability to take the matter to tax court.

8. **Has the agency analyzed the current enforcement status of the rules?**

The Department indicates the rules are enforced as written outside of those listed that are not compliant with statute, in which the statutes would govern.

9. **Are the rules more stringent than corresponding federal law and, if so, is there statutory authority to exceed the requirements of federal law?**

The Department indicates there are no corresponding federal laws.

10. **For rules adopted after July 29, 2010, do the rules require a permit or license and, if so, does the agency comply with A.R.S. § 41-1037?**

The Department has indicated that the rules do not require a permit or a license.

11. **Conclusion**

This Five-Year Review Report (5YRR) from the Arizona Department Revenue ("Department") covers twenty-four (24) rules in Title 15, Chapter 12, Articles 1-3 relating to the Property Tax Oversight Commission. The Department has not completed their previous courses of action from the Department's last three 5YRR as a result of litigation. The Department is proposing to amend 14 rules but have not identified a timeframe for when they expect to complete the rulemaking, as a result of litigation filed in 2024.

The Department has not provided a course of action with a date and year in accordance with R1-6-301. Council staff recommends the Council ask the Department to clarify when the Department intends to complete a rulemaking.

## 1. Authorization of the rule by existing statutes

All of the rules are generally authorized by A.R.S. § 42-1005, which provides that the Director ("Director") of the Department of Revenue ("Department") may make administrative rules as he deems necessary and proper to effectively administer the Department and enforce Arizona Revised Statutes ("A.R.S.") Title 42 and Title 43. Additionally, A.R.S § 42-17002(A) establishes the Property Tax Oversight Commission ("Commission") to: (1) further the public confidence in property tax limitations; (2) provide a uniform methodology for determining those limitations; and (3) provide a continuing review of practices for ensuring a fair and equitable administration of the property tax laws. A.R.S. § 42-17002(B) states that the Director or the Director's designee is to serve as chairman of the Commission and A.R.S. § 42-17002(D) states that the Department shall provide secretarial and staff support services to the Commission. The Commission is required "to make rules of practice setting forth the nature and requirements of "those hearing procedures. A.R.S. §41-1003.

**Specific Authorization for the Rules:**

1. A.R.S. §§ 42-17001 through 42-17003 are the specific statutes upon which the following rules are based:

   R15-12-101. Definitions

   R15-12-102. Principal Office of the Property Tax Oversight Commission

   R15-12-103. Quorum

   R15-12-104. Hearings

R15-12-104. Voting

R15-12-106. Decisions

R15-12.107. Copying and Recording Costs

2. A.R.S. §§ 42-17003 and 42-17051 are the specific statutes upon which the following rules are based:

R15-12-201. Primary Property Tax Calculations

R15-12-202. Involuntary Tort Judgments

3. A.R.S. §§ 42-17003 and 42-17054 are the specific statutes upon which the following rules are based:

R15-12-203. Primary Property Tax Calculations

R15-12-204. Involuntary Tort Judgments

R15-12-205. Actual Levies

4. A.R.S. §§ 42-17002 and 42-17004 are specific statutes upon which the following rules are based:

R15-12-301. Notice of Violation

R15-12-302. Petition

R15-12-303. Grounds for Petition

R15-12-304. Manner of Filing

R15-12-305. Supplementing the Petition

R15-12-306. Withdrawal of Petition

R15-12-307. Rescheduling of Hearing

R15-12-308. Evidence

R15-12-309 Subpoena

R15-12-310. Post Hearing Memoranda

R15-12-311. Prehearing Issue Resolution

R15-12.312. Rehearing

**2. <u>The objective of each rule</u>:**

| Rule | Objective |
|---|---|
| **R15-12-101** | *Definitions:*<br>The objective of this rule is to define words and phrases used throughout the chapter. |
| **R15-12-102** | *Principal Office of the Property Tax Oversight Commission:*<br>The objective of this rule is to provide the location of the principal office of the Property Tax Oversight Commission and where inquiries, correspondence, and filings are to be sent and the meeting and hearing are to be held. |
| **R15-12-103** | *Quorum*:<br>The objective of this rule is to require a quorum of the Commission to make orders and decisions and conduct official business. |
| **R15-12-104** | *Hearings:*<br>The objective of this rule is to provide that a quorum of the Commission shall directly conduct all hearings before the Commission regarding contested cases. Under A.R.S. §41-1092.02(F), a commission that directly conducts an administrative hearing is not required to use the services of the Office of Administrative Hearings. |
| **R15-12-105** | *Voting*:<br>The objective of this rule is to provide when Commission members may vote and allows dissenting members to state the reason for their dissent. |
| **R15-12-106** | *Decisions*:<br>The objective of this rule is to explain when Commission decisions are rendered and to whom these decisions must be sent. |

| | |
|---|---|
| **R15-12-107** | *Copying and Recording Costs*:<br>The objective of this rule is to provide who will bear the costs of copying and the costs of employing a court reporter. |
| **R15-12-201** | *Primary Property Tax Calculations*:<br>The objective of this rule is to expound on the proper calculations for determining the maximum allowable primary property tax levy limit and the allowable primary property tax rate. |
| **R15-12-202** | *Involuntary Tort Judgments*:<br>The objective of this rule is to provide when the Commission shall recognize an involuntary tort judgment paid by a political subdivision and what the political subdivision may do with the involuntary tort judgment. |
| **R15-12-203** | *Levy Limit Worksheets*:<br>The objective of this rule is to provide when and to whom the counties should submit a copy of the final levy limit worksheets. The rule also provides that the County Assessor must certify the copies as true and correct. |
| **R15-12-204** | *Political Subdivision Agreement*:<br>The objective of this rule is to provide the procedure and deadlines for a political subdivision to disagree with the county's levy limit worksheet calculations. The rule also provides that the Commission may allow additional time to present objections to specific items if good cause is shown or on motion by the Commission. |
| **R15-12-205** | *Actual Levies*:<br>The objective of this rule is to require the chief county fiscal officers in each county to certify and submit to the Commission the actual amount of primary property tax levied by each political subdivision in their counties within a certain time frame. |
| **R15-12-301** | *Notice of Violation*:<br>The objective of this rule is to provide what kind of information must be contained on a notice of violation issued by the Commission |
| **R15-12-302** | *Petition*:<br>The objective of this rule is to provide that all objections to the notice of violation must be made by way of a written petition to the Commission. The rule further explains the |

| | |
|---|---|
| | proper form of the petition and what information it must contain. |
| **R15-12-303** | *Grounds for Petition*:<br>The objective of this rule is to require that objections to notices of violations be limited to factual findings and conclusions of law reached by the Commission |
| **R15-12-304** | *Manner of Filing*:<br>The objective of this rule is to provide the manner for filing the petition. The rule specifies the number of copies of the petition that must be filed, that the Commission shall record the petition and supporting memorandum, and that no fee shall be charged for filing. |
| **R15-12-305** | *Supplementing the Petition*:<br>The objective of this rule is to provide that the Commission may allow additional time, not to exceed 15 days, to supplement the petition |
| **R15-12-306** | *Withdrawal of Petition*:<br>The object of this rule is to provide the procedure for withdrawal of a petition and the result of such a withdrawal. |
| **R15-12-307** | *Rescheduling of Hearing*:<br>The objective of this rule is to allow the Commission to postpone or recess a hearing upon a showing of good cause. The Commission must then state the date, time, and place for the hearing to continue. |
| **R15-12-308** | *Evidence*:<br>The objective of this rule is to describe the kinds of evidence that may be presented at a hearing before the Commission. The rule also provides guidance for admitting evidence and hearing oral evidence. |
| **R15-12-309** | *Subpoena*:<br>The objective of this rule is to allow the Commission to issue subpoenas upon request of a party or its own initiative. |
| **R15-12-310** | *Post-Hearing Memoranda*:<br>The objective of this rule is to provide information concerning the submission of post-hearing memoranda. |
| **R15-12-311** | *Prehearing Issue Resolution*:<br>The objective of this rule is to explain the treatment of any agreement or resolution of issues prior to hearing between |

| | |
|---|---|
| | the Commission and a political subdivision. |
| **R15-12-312** | *Rehearing*:<br>The objective of this rule is to provide a rehearing process and the circumstances under which a rehearing may be granted. The rules also provide the proper time frame for the Commission to grant or order a rehearing. |

**3. <u>Are the rules effective in achieving their objectives</u>? Yes _<u>X</u>_ No ____**

| Rule | Explanation |
|---|---|
| **R15-12-312** | *Rehearing*:<br>The Department believes the rehearing process and the circumstances under which a rehearing is necessary may create scenarios in which both the Commission and petitioner are engaged in repetitive or unnecessary actions before the petitioner is able to appeal the matter to the tax court. |

**4. <u>Are the rules consistent with other rules and statutes</u>? Yes ___ No _<u>X</u>_**

The following rules identified below are not consistent with other rules and statutes as written.

| Rule | Explanation |
|---|---|
| **R15-12-106** | *Decisions*:<br>The Department proposes to amend this rule to comply with the Secretary of State's guidelines and to reflect statutory changes made by Laws 2009, Ch. 118 to include fire districts. |
| **R15-12-201** | *Primary Property Tax Calculations*:<br>The Department proposes to amend this rule to comply with the Secretary of State's guidelines and to reflect statutory changes made by Laws 2009, Ch. 118 to include fire districts. |
| **R15-12-203** | *Levy Limit Worksheets*:<br>The Department proposes to amend this rule to comply with the Secretary of State's guidelines and to reflect statutory changes made by Laws 2009, Ch. 118 to include |

| | |
|---|---|
| | fire districts. |
| **R15-12-204** | *Political Subdivision Agreement*:<br>The Department proposes to amend this rule to comply with the Secretary of State's guidelines and to reflect statutory changes made by Laws 2009, Ch. 118 to include fire districts. |
| **R15-12-205** | *Actual Levies*:<br>The Department proposes to amend this rule to comply with the Secretary of State's guidelines and to reflect statutory changes made by Laws 2009, Ch. 118 to include fire districts. |
| **R15-12-301** | *Notice of Violation*:<br>The Department proposes to amend this rule to comply with the Secretary of State's guidelines and to reflect statutory changes made by Laws 2009, Ch. 118 to include fire districts. |
| **R15-12-302** | *Petition*:<br>The Department proposes to amend this rule to comply with the Secretary of State's guidelines and to reflect statutory changes made by Laws 2009, Ch. 118 to include fire districts. |
| **R15-12-303** | *Grounds for Petition*:<br>The Department proposes to amend this rule to comply with the Secretary of State's guidelines and to reflect statutory changes made by Laws 2009, Ch. 118 to include fire districts. |
| **R15-12-305** | *Supplementing the Petition*:<br>The Department proposes to amend this rule to comply with the Secretary of State's guidelines and to reflect statutory changes made by Laws 2009, Ch. 118 to include fire districts. |
| **R15-12-306** | *Withdrawal of Petition*:<br>The Department proposes to amend this rule to comply with the Secretary of State's guidelines and to reflect statutory changes made by Laws 2009, Ch. 118 to include fire districts. |
| **R15-12-308** | *Evidence*:<br>The Department proposes to amend this rule to comply with the Secretary of State's guidelines and to reflect statutory changes made by Laws 2009, Ch. 118 to include |

| | |
|---|---|
| | fire districts. |
| **R15-12-311** | *Prehearing Issue Resolution*:<br>The Department proposes to amend this rule to comply with the Secretary of State's guidelines and to reflect statutory changes made by Laws 2009, Ch. 118 to include fire districts. |
| **R15-12-312** | *Rehearing*:<br>The Department proposes to amend this rule to comply with the Secretary of State's guidelines and to reflect statutory changes made by Laws 2009, Ch. 118 to include fire districts. |

**5. <u>Are the rules enforced as written</u>? Yes _X_ No ___**

**6. <u>Are the rules clear, concise, and understandable</u>? Yes ___ No _X_**

| Rule | Explanation |
|---|---|
| **R15-12-201** | *Primary Property Tax Calculations*:<br>This rule contains language that does not conform to existing rulewriting standards. |
| **R15-12-301** | *Notice of Violation*:<br>This rule contains language that does not conform to existing rulewriting standards. |
| **R15-12-302** | *Petition*:<br>This rule contains language that does not conform to existing rulewriting standards. |
| **R15-12-303** | *Grounds for Petition*:<br>This rule contains language that does not conform to existing rulewriting standards. |
| **R15-12-304** | *Manner of Filing*:<br>This rule contains language that does not conform to existing rulewriting standards. |
| **R15-12-306** | *Withdrawal of Petition*:<br>This rule contains language that does not conform to existing rulewriting standards. |
| **R15-12-312** | *Rehearing*:<br>This rule contains language that does not conform to existing rulewriting standards. |

**7. <u>Has the agency received written criticisms of the rules within the last five years</u>? Yes___ No __<u>X</u>_**

**8. <u>Economic, small business, and consumer impact comparison</u>:**

All of the rules in this chapter with the exception of R15-12-104 were adopted in one package in 1990. R15-12-104 was added in 1997 to replace the old R15-12-104 that was repealed. In addition, ten of the rules in this chapter were amended in 1997. Two more rules were amended in 2000. And, finally, two rules were amended in 2006.

The Property Tax Oversight Commission was created by Laws 1987, Ch. 204. Prior to the original adoption of these rules in 1990, the Property Tax Oversight Commission did not have any rules. Therefore, the original economic impact statement estimated that the Department of Revenue, Property Tax Oversight Commission, the Attorney General's Office and the political subdivisions would all experience cost savings due to the standardization of the Property Tax Oversight Commission's practices and procedures. A cost savings was also expected because of the streamlining and increased definitiveness of the contested issues and facts required by the rules. In addition, by placing the responsibility for arranging for special services on the party that makes the request, the burden on Department of Revenue clerical support is reduced, thereby reducing the costs to the Department and possibly increasing the costs of the political subdivision that makes the special request. These amounts could not be quantified. The Department also estimated minimal costs associated with the publishing of the rules and the public hearing process. Political subdivisions, other state agencies and the public would incur costs in obtaining copies of the rules.

On October 7, 1997, the Governor's Regulatory Review Council approved the amendment of R15-12-105, R15-12-202, R15-12-203, R15-12-305, and R15-12-307 through R15-12-312. In addition, a new R15-12-104 was added to replace the old R15-12-104 that was repealed. The economic impact statement estimated decreased costs from increased clarity of the rules to operate the Commission. This would eliminate the need to provide individual instruction to each representative of the 72 political subdivisions governed by the Commission. The Department of Revenue would decrease costs by not having to provide a hearing officer to the Commission. The Commission would save by not having to pay the Office of Administrative Hearings to administer the hearings. The only increased costs were the result of the rulemaking process and were estimated to be minimal. "Minimal" is defined as an impact of less than $1,000 in costs.

On October 4, 2000, the Department amended R15-12-101 and R15-12-103. The economic impact statement expected that the benefits of the rules would be greater than the costs. The amendment of these rules would benefit the political subdivisions that deal with the Property Tax Oversight Commission and the public by making the rules more accurate as well as clearer and easier to understand. The Department would incur the costs associated with the

rulemaking process. The political subdivisions and the public were not expected to incur any expense in the amendment of these rules other than the cost of obtaining copies.

On May 13, 2006, the Department amended R15-12-101 and R15-12-204. The economic impact statement expected minimal costs in amending the rules to conform to current rule writing standards and statutory changes. The Department and the Commission expected to benefit from time saved by customer service and taxpayer assistance personnel in answering questions from the political subdivisions on issues that are addressed by each rule. The political subdivisions would experience cost savings due to the increased clarity and correctness of the rules. The public was not expected to incur any expense in the amendment of these rules other than the cost of obtaining copies.

The Department of Revenue believes that the economic impacts projected in the original adoption of the rules and in the subsequent amendments in 1997, 2000 and 2006 are generally accurate. However, the Department believes that one aspect that may generate costs that outweigh benefits is in the engagement of the Commission members and staff as well as a political subdivision, special taxing district or fire district that disputes the Commission's findings in a rehearing process that is unnecessary prior to the petitioner's appeal of the matter to tax court.

**9. Has the agency received any business competitiveness analyses of the rules?**

No analysis regarding the property tax commission rules' impact on business competitiveness in this state compared with the impact on businesses in other states has been submitted to the Department within the last five years.

**10. Has the agency completed the course of action indicated in the agency's previous five-year-review report?**

The 2019 five-year report stated that the Department would amend thirteen (13) rules. However, since June 2024, the Commission was named in a lawsuit, *Coconino Community College v. Property Tax Oversight Commission* (No. TX2024-000143), in regards to the interpretation of the language in the Arizona Constitution Art. IX, § 19 and A.R.S. §§ 42-17051 and 17056 and how those statutes relate to the calculation of the levy limits by the Commission. Accordingly, the Department has held off on making any substantive changes to the rules, pending a final adjudication of the court case.

**11. A determination that the probable benefits of the rule outweigh within this state the probable costs of the rule, and the rule imposes the least burden and costs to regulated persons by the rule, including paperwork and other compliance costs, necessary to achieve the underlying regulatory objective:**

After analysis, the probable benefits of the rules outweigh the probable costs and the rules impose the least burden and costs to persons regulated by them, including paperwork and other costs necessary to achieve the underlying regulatory objective.

**12. Are the rules more stringent than corresponding federal laws? Yes __ No __X_**

There are no corresponding federal laws. The rules are based on state law.

**13. For rules adopted after July 29, 2010 that require the issuance of a regulatory permit, license, or agency authorization, whether the rules are in compliance with the general permit requirements of A.R.S. § 41-1037 or explain why the agency believes an exception applies:**

None of the rules were adopted after July 29, 2010 and none of the rules being reviewed require the issuance of a regulatory permit, license or agency authorization.

**14. Proposed course of action**

The 2019 five-year report stated that the Department would amend thirteen (13) rules. However, since June 2024, the Commission was named in a lawsuit, *Coconino Community College v. Property Tax Oversight Commission* (No. TX2024-000143), in regards to the interpretation of the language in the Arizona Constitution Art. IX, § 19 and A.R.S. §§ 42-17051 and 17056 and how those statutes relate to the calculation of the levy limits by the Commission. While the Department has not prioritized making substantive changes to the rules pending final adjudication of the court case, it may do so if it becomes apparent that the rulemaking will neither create confusion for the public nor adversely impact the case.

At that time the Department would include the following rules:

| Rule | Explanation |
|---|---|
| **R15-12-106** | *Decisions* |
| **R15-12-201** | *Primary Property Tax Calculations* |
| **R15-12-203** | *Levy Limit Worksheets* |

| | |
|---|---|
| **R15-12-205** | *Actual Levies* |
| **R15-12-301** | *Notice of Violation* |
| **R15-12-302** | *Petition* |
| **R15-12-303** | *Grounds for Petition* |
| **R15-12-304** | *Manner of Filing* |
| **R15-12-305** | *Supplementing the Petition* |
| **R15-12-306** | *Withdrawal of Petition* |
| **R15-12-308** | *Evidence* |
| **R15-12-311** | *Prehearing Issue Resolution* |
| **R15-12-312** | *Rehearing* |

# TITLE 15. REVENUE

## CHAPTER 12. DEPARTMENT OF REVENUE
## PROPERTY TAX OVERSIGHT COMMISSION

### ARTICLE 1. GENERAL PROVISIONS

Section

### ARTICLE 2. PROPERTY TAX LEVY LIMITS

Section

### ARTICLE 3. HEARING AND APPEAL PROCEDURE

Section

### ARTICLE 1. GENERAL PROVISIONS

**R15-12-101. Definitions**

Unless the context requires otherwise, the following definitions shall apply:

1. "Excess collections" means the amount collected during the previous fiscal year in excess of the previous fiscal year's maximum allowable primary property tax levy.
2. "Excess expenditures" means the amount under A.R.S. § 42-17051(C) that is certified by the Auditor General's office.
3. "Quorum" means a majority of the members of the Commission.

**Historical Note**

Adopted effective September 14, 1990 (Supp. 90-3). Amended by final rulemaking at 6 A.A.R. 4114, effective October 4, 2000 (Supp. 00-4). Amended by final rulemaking at 12 A.A.R. 1096, effective May 13, 2006 (Supp. 06-1).

**R15-12-102. Principal Office of the Property Tax Oversight Commission**

The principal office of the Property Tax Oversight Commission shall be the Department of Revenue Building, 1600 West Monroe, Phoenix, Arizona 85007. All inquiries, correspondence, and filings shall be delivered to the Property Tax Oversight Commission at this location. All meetings and hearings shall be held at this location unless designated in writing by the Commission.

**Historical Note**

Adopted effective September 14, 1990 (Supp. 90-3).

**R15-12-103. Quorum**

The Commission shall have a quorum for making orders and decisions or transacting other official business, as delineated in A.R.S. § 42-17003.

**Historical Note**

Adopted effective September 14, 1990 (Supp. 90-3). Amended by final rulemaking at 6 A.A.R. 4114, effective October 4, 2000 (Supp. 00-4).

**R15-12-104. Hearings**

A quorum of the Commission shall directly conduct all hearings regarding contested cases before the Commission.

**Historical Note**

Adopted effective September 14, 1990 (Supp. 90-3). Section repealed; new Section adopted effective October 10, 1997 (Supp. 97-4).

**R15-12-105. Voting**

A. A Commission member may vote on decisions if:
   1. The member was present at all hearings during which the matter being voted on was discussed;
   2. The member was not present at all hearings but the member reviewed the evidence submitted at the hearings and attended or listened to tape recordings of all hearings during which the matter being voted on was discussed; or
   3. The parties submitted the matter for a decision based on a joint stipulation of facts.

B. Any member who dissents may state the reasons for the member's dissent.

**Historical Note**

Adopted effective September 14, 1990 (Supp. 90-3). Section amended effective October 10, 1997 (Supp. 97-4).

**R15-12-106. Decisions**

A. A Commission decision is rendered when signed by the Chairman.

B. Decisions of the Commission shall be sent to the affected political subdivision and the affected County Board of Supervisors.

**Historical Note**

Adopted effective September 14, 1990 (Supp. 90-3).

**R15-12-107. Copying and Recording Costs**

A. The costs of copying shall be paid by the person making the request.

B. Court reporting arrangements and costs shall be the responsibility of the person employing the court reporter.

**Historical Note**

Adopted effective September 14, 1990 (Supp. 90-3).

## ARTICLE 2. PROPERTY TAX LEVY LIMITS

**R15-12-201. Primary Property Tax Calculations**

A. The Commission shall calculate the maximum allowable primary property tax levy limits for political subdivisions as follows:
   1. The maximum allowable primary property tax rate shall equal the resulting value of the following rounded to four decimal places:
      a. 102% of the sum of the previous fiscal year's maximum primary property tax levy divided by;
      b. the sum of the values provided by the County Assessor's office and the Department for the current year's value of the previous year's centrally assessed, locally assessed real, locally assessed secured personal, and locally assessed unsecured personal property, divided by 100.
   2. The maximum allowable primary property tax levy limit shall equal the sum of the current value of the current year's property as provided by the County Assessor and the Department including centrally assessed, locally real, locally assessed secured personal, and locally assessed unsecured personal property, divided by 100 and multiplied by the maximum allowable primary property tax rate.
   3. Political subdivisions may request that a specific alternative methodology be considered by the Commission. If the Commission determines the alternative methodology will more accurately calculate the levy limit of the political subdivision, such alternative methodology shall be used.

B. The Commission shall calculate the allowable primary property tax levy limit by reducing the maximum allowable primary property tax levy limit by the sum of the amount of excess levies, excess collections and excess expenditures.

**Historical Note**

Adopted effective September 14, 1990 (Supp. 90-3).

**R15-12-202. Involuntary Tort Judgments**

A. A political subdivision that paid an involuntary tort judgment may only use the judgment to:
   1. Offset excess collections from the previous fiscal year; or
   2. Justify a primary property tax levy limit being set above the maximum allowable rate in the current fiscal year.

B. The Commission shall recognize an involuntary tort judgment if:
   1. The judgment is pursuant to a court order or settlement agreement;
   2. The judgment is approved for payment by the political subdivision's governing board;
   3. The Attorney General certifies that the judgment is an involuntary tort judgment; and
   4. The political subdivision submits copies of the court order or settlement agreement and the minutes of the governing board's pay approval to the Commission on or before the 1st Monday of July.

**Historical Note**

Adopted effective September 14, 1990 (Supp. 90-3). Spelling of the word "tort" in subsection (A) corrected (Supp. 94-3). Amended effective October 10, 1997 (Supp. 97-4).

**R15-12-203. Levy Limit Worksheets**

A. The counties shall simultaneously submit copies of the final levy limit worksheets for all political subdivisions in their respective counties to the Commission and the affected political subdivision. The County Assessor shall verify that the copies are true and correct and, if so, certify the copies.

B. The counties shall deliver the worksheets to affected political subdivisions and the Commission on or before the 2nd Monday of August.

**Historical Note**

Adopted effective September 14, 1990 (Supp. 90-3). Amended effective October 10, 1997 (Supp. 97-4).

**R15-12-204. Political Subdivision Agreement**

A. If a political subdivision disagrees with the county's final levy limit worksheet calculations, the political subdivision shall, within 10 days of receipt of the county's calculations, file in writing with the Commission a statement of disagreement and the figures it deems appropriate. Failure to act within the 10 days shall be deemed agreement by the political subdivision.

B. Upon timely petition of the political subdivision for good cause shown, or on its own motion, the Commission may permit the political subdivision to present objections to specific items at a later date.

**Historical Note**

Adopted effective September 14, 1990 (Supp. 90-3). Amended by final rulemaking at 12 A.A.R. 1096, effective May 13, 2006 (Supp. 06-1).

**R15-12-205. Actual Levies**

The chief county fiscal officers shall certify and submit to the Commission the amount of the primary property tax levied for each political subdivision within their counties within three days after each levy is determined.

**Historical Note**

Adopted effective September 14, 1990 (Supp. 90-3).

## ARTICLE 3. HEARING AND APPEAL PROCEDURE

**R15-12-301. Notice of Violation**

The notice of violation shall specify the violations found and the monetary amount in dispute. The notice shall inform the political subdivision of the right to petition on or before October 1 for a hearing on the Commission's finding of violation.

**Historical Note**

Adopted effective September 14, 1990 (Supp. 90-3).

**R15-12-302. Petition**

A. All objections to the Commission's notice of violation shall be by written petition to the Commission. The petition shall include the following information:
   1. Name, title, address, and phone number of the political subdivision's contact person;
   2. A particularized statement of the errors allegedly committed by the Commission in its findings;
   3. A statement of facts upon which the political subdivision relies to support the assignment of errors alleged to have been committed by the Commission;
   4. The relief sought; and
   5. Whether an oral hearing is requested.

B. The petition shall be addressed to the Chairman of the Commission.

C. The petition shall be in a form that can readily be duplicated on standard office equipment.

**Historical Note**
Adopted effective September 14, 1990 (Supp. 90-3).

**R15-12-303. Grounds for Petition**
A. Objections to notices of violation shall be limited to disputing the factual findings and conclusions of law of the Commission.
B. The Commission shall refuse all petitions not based on a dispute of its factual findings or conclusions of law. Financial impacts on the political subdivision shall not be considered by the Commission in its decision-making.

**Historical Note**
Adopted effective September 14, 1990 (Supp. 90-3).

**R15-12-304. Manner of Filing**
A. An original and six copies of the petition and any supporting memoranda shall be filed with the Chairman.
B. No fee shall be charged for the filing of any petition or supporting memoranda.
C. Upon receipt of a petition, the Commission staff shall record the filing of the petition and supporting memoranda.

**Historical Note**
Adopted effective September 14, 1990 (Supp. 90-3).

**R15-12-305. Supplementing the Petition**
The Commission may grant a political subdivision's request for an additional period of time, not to exceed 15 days, within which to supplement a timely filed petition. The Commission shall not consider a supplement to the petition that the political subdivision files after the additional period of time granted.

**Historical Note**
Adopted effective September 14, 1990 (Supp. 90-3). Amended effective October 10, 1997 (Supp. 97-4).

**R15-12-306. Withdrawal of Petition**
A. The petition may be withdrawn at the written request of the political subdivision before a final decision by the Commission is issued.
B. When the petition is withdrawn, the Commission's finding shall be deemed final and shall not be subject to any further appeal.

**Historical Note**
Adopted effective September 14, 1990 (Supp. 90-3).

**R15-12-307. Rescheduling of Hearing**
The Commission may postpone or recess the hearing for good cause shown. The Commission shall specify the date, time, and place for the hearing to continue.

**Historical Note**
Adopted effective September 14, 1990 (Supp. 90-3).

**R15-12-308. Evidence**
A. The political subdivision and the Commission may:
1. Call and examine witnesses,
2. Introduce exhibits,
3. Cross-examine opposing witnesses on any matter relevant to the issues, even though the matter was not covered in the direct examination,
4. Impeach any witness regardless of which party first called the witness to testify,
5. Rebut the evidence against it, and
6. Call and examine as if under cross-examination a party or its employees, agents, or officers.
B. The Commission shall be liberal in admitting evidence, but the Commission shall consider objections to the admission of and comments on the weakness of evidence in assigning weight to the evidence.
C. The Commission shall take oral evidence only on oath or affirmation.
D. Legible copies may be admitted into evidence or substituted in place of the original documents.
E. The original records and files of the Commission or the Department of Revenue shall not be removed from their offices for use as evidence or for other purposes.
F. The Commission may take official notice of the records maintained by the Department of Revenue.

**Historical Note**
Adopted effective September 14, 1990 (Supp. 90-3). Amended effective October 10, 1997 (Supp. 97-4).

**R15-12-309. Subpoena**
The Commission may, on request of a party or on its own initiative, issue subpoenas.

**Historical Note**
Adopted effective September 14, 1990 (Supp. 90-3). Amended effective October 10, 1997 (Supp. 97-4).

**R15-12-310. Post-Hearing Memoranda**

If the Commission desires the submission of post-hearing memoranda or information, the Commission shall, at the time of the hearing, direct the parties to submit the post-hearing memoranda or information within a period of time set by the Commission.

**Historical Note**

Adopted effective September 14, 1990 (Supp. 90-3). Amended effective October 10, 1997 (Supp. 97-4).

**R15-12-311. Prehearing Issue Resolution**

If the Commission and a political subdivision agree as to the resolution of some or all of the issues prior to the hearing, the Commission shall stipulate to the agreed issues in the record and shall consider those issues withdrawn. The Commission shall then issue an order of partial resolution that becomes part of the Commission's record. The Commission shall forward copies of the order to the political subdivision, County Assessor and the Department of Revenue.

**Historical Note**

Adopted effective September 14, 1990 (Supp. 90-3). Amended effective October 10, 1997 (Supp. 97-4).

**R15-12-312. Rehearing**

A. Any party in a contested case before the Commission may file a petition for rehearing or review with the Commission within 30 days after receiving the final decision. The party shall attach a supporting memorandum, specifying the grounds for the petition.

B. The party who filed the petition for rehearing or review may amend it at any time before the Commission rules. Any other party to the original hearing may file a response within 5 days after the Commission's receipt of the petition for rehearing or review. The party shall support the response with a memorandum discussing the legal and factual issues. Either party or the Commission may request oral argument.

C. The Commission may grant a rehearing or review of the decision for any of the following causes that materially affect a party's rights:

1. Irregularity in the administrative proceedings, or any order or abuse of discretion which deprived a party of a fair hearing;
2. Misconduct of the Commission, its staff, or the prevailing party;
3. Accident or surprise which could not have been prevented by ordinary prudence;
4. Newly discovered material evidence which could not with reasonable diligence have been discovered and produced at the original hearing;
5. Error in the admission or rejection of evidence or other errors of law occurring at the hearing or during the progress of the proceeding; or
6. The decision is not justified by the evidence or is contrary to law.

D. The Commission shall not consider the financial impact to the political subdivision as a cause for rehearing.

E. The Commission may grant a rehearing or review within 15 days after its receipt of the petition for rehearing or review. The Commission may grant a petition for rehearing or review for a reason not stated in the petition. An order modifying a decision or granting a rehearing shall specify the ground or grounds for the order, and any rehearing shall only cover those matters. If the Commission fails to take action on a petition for rehearing or review within 15 days of the Commission's receipt of the petition, the petition shall be deemed denied.

F. The Commission may on its own initiative order a rehearing or review within 15 days after its decision is rendered for any reason set forth in subsection (C) of this rule. The order shall specify the grounds for rehearing or review.

G. The petitioner shall include all affidavits with the petition for rehearing or review when the petition for rehearing is based upon affidavits. An opposing party may, within 5 days after the petition for rehearing or review is filed, submit opposing affidavits. The Commission may extend this period for an additional period of time not to exceed 5 days for good cause shown. Reply affidavits may be permitted.

**Historical Note**

Adopted effective September 14, 1990 (Supp. 90-3). Amended effective October 10, 1997 (Supp. 97-4).

## General and Specific Authorizing Statutes:

42-1005. Powers and duties of director

A. The director shall be directly responsible to the governor for the direction, control and operation of the department and shall:

1. Make such administrative rules as he deems necessary and proper to effectively administer the department and enforce this title and title 43.

2. On or before November 15 of each year issue a written report to the governor and legislature concerning the department's activities during the year. In any election year a copy of this report shall be made available to the governor-elect and to the legislature-elect.

3. On or before December 15 of each year issue a supplemental report which shall also contain proposed legislation recommended by the department for the improvement of the system of taxation in the state.

4. In addition to the report required by paragraph 2 of this subsection, on or before November 15 of each year issue a written report to the governor and legislature detailing the approximate costs in lost revenue for all state tax expenditures in effect at the time of the report. For the purpose of this paragraph, "tax expenditure" means any tax provision in state law which exempts, in whole or in part, any persons, income, goods, services or property from the impact of established taxes including deductions, subtractions, exclusions, exemptions, allowances and credits.

5. Annually, on or before January 10, prepare and submit to the legislature a report containing a summary of all the revisions made to the internal revenue code during the preceding calendar year.

6. Provide such assistance to the governor and the legislature as they may require.

7. Delegate such administrative functions, duties or powers as he deems necessary to carry out the efficient operation of the department.

B. The director may enter into an agreement with the taxing authority of any state which imposes a tax on or measured by income to provide that compensation paid in that state to residents of this state is exempt in that state from liability for income tax, the requirement for filing a tax return and withholding tax from compensation. Compensation paid in this state to residents of that state is reciprocally exempt from the requirements of title 43.

42-17001. Definitions

In this chapter, unless the context otherwise requires:

1. "Commission" means the property tax oversight commission established by section 42-17002.

2. “Fire district” means a fire district established pursuant to title 48, chapter 5.

2. "Political subdivision" means a county, charter county, city, charter city, town, community college district or school district.

42-17002. Property tax oversight commission

A. The property tax oversight commission is established to:

1. Further the public confidence in property tax limitations.

2. Provide a uniform methodology for determining those limitations.

3. Provide a continuing review of practices for ensuring a fair and equitable administration of the property tax laws.

B. The commission consists of:

1. The director of the department of revenue, who serves as chairman.

2. Four persons who are knowledgeable in the area of property tax assessment and levy, one appointed by the governor and three appointed jointly by the president of the senate and the speaker of the house of representatives. The appointive members' terms are three years.

C. An appointment to fill a vacancy on the commission resulting from other than expiration of a term is for the unexpired portion of the term only.

D. The department shall provide secretarial and staff support services to the commission.

E. The private citizen members of the commission shall receive fifty dollars per day for time spent in performing their duties.

F. The commission shall meet at least annually and, in addition, at the call of the chairman. The commission shall meet at such other times and places as convenient or necessary to conduct its affairs and shall render its findings, reports and recommendations in writing to the governor, to the director of the department of revenue and to the legislature.

42-17003. Duties

A. The commission shall:

1. Establish procedures for deriving the information required by sections 15-905.01, 15-1461.01 and 42-17107 and article 2 of this chapter, section 48-254 and paragraph 4 of this subsection.

2. Review the primary property tax levy of each political subdivision to determine violations of sections 15-905.01, 15-1461.01 and 42-17107 and article 2 of this chapter.

3. Beginning in tax year 2017, review the secondary property tax levy of each special taxing district to determine violations of section 48-254.

4. Review the secondary property tax levy of each county, city, town and community college district to identify violations of constitutional and statutory requirements.

5. Review the secondary property tax levy of each fire district to determine violations of section 48-807.

6. Review for accuracy the tax levy and rate as prescribed by section 15-992.

7. Review the reports made by the department concerning valuation accuracy.

8. Hold hearings to determine the adequacy of compliance with articles 2 and 3 of this chapter.

9. Upon the request of a county, city, town or community college district, hold hearings as prescribed in section 42-17004 regarding the calculation of the maximum allowable primary property tax levy limits prescribed in section 42-17051, subsection A.

B. If the commission determines that a political subdivision has violated section 15-905.01, 15-1461.01 or 42-17107 or article 2 of this chapter, that a special taxing district has violated section 48-254, that a fire district has violated section 48-807 or that a school district incorrectly calculated the tax levy and rate as prescribed by section 15-992, on or before September 15 the commission shall notify the political subdivision or district, and the county board of supervisors, in writing, of:

1. The nature of the violation.

2. The necessary adjustment to:

(a) The primary property tax levy and tax rate to comply with section 15-905.01, 15-1461.01 or 42-17107 or article 2 of this chapter.

(b) The secondary property tax levy and tax rate to comply with sections 48-254 and 48-807.

(c) For school districts, the tax levy and rate to comply with section 15-992.

C. If the commission determines that a county, city, town or community college district has levied a secondary property tax in violation of constitutional or statutory law, on or before December 31 the commission shall notify in writing the affected political subdivision, the county board of supervisors, the county attorney and the attorney general of the violation.

42-17004. Hearing and appeals of commission findings

A. If the commission notifies a political subdivision of a violation of section 15-905.01, 15-1461.01 or 42-17107 or article 2 of this chapter, notifies a special taxing district of a violation of section 48-254, notifies a fire district of a violation of section 48-807 or notifies a school district of an incorrect calculation of the tax levy and rate as prescribed by section 15-992, and the political subdivision, special taxing district or fire district disputes the commission's findings, then on or before October 1 the political subdivision, special taxing district or fire district may request a hearing before the commission to attempt to resolve the dispute.

B. A governing body of a county, city, town, community college district, school district or fire district may request a hearing before the commission regarding the calculation of the maximum allowable primary or secondary property tax levy limits prescribed in section 42-17051 or 48-807 or the calculation of the tax levy and rate as prescribed in section 15-992, as applicable. The commission may resolve any disputes.

C. The commission shall conduct the hearing as prescribed in title 41, chapter 6, article 10.

D. If the dispute is resolved at the hearing, the commission shall immediately notify the county board of supervisors of the proper primary or secondary tax levy and tax rate.

E. If a political subdivision, special taxing district or fire district continues to dispute the commission's findings after the hearing under this section, the political subdivision, special taxing district or fire district may:

1. Appeal the matter to tax court within thirty days after the commission renders the decision.

2. Levy primary or secondary property taxes in the amount that the political subdivision, special taxing district or fire district considers to be proper, pending the outcome of the appeal.

42-17005. Adjustments to levy

A. If a governing body of a political subdivision or a fire district receives written notice of a violation of its allowable levy limit or truth in taxation limit under section 42-17003, and has not appealed the commission's decision pursuant to section 42-17004, the governing body shall correct its property tax levy and tax rate to properly reflect the

allowable levy for the current year. The county board of supervisors shall make the necessary adjustments to the political subdivision's or district's property tax levy and tax rate to ensure that the corrected information is contained in the assessment and tax roll that is transmitted to the county treasurer pursuant to section 42-18003. If the governing body receives the notice after it is too late to correct the levy in the current year, the difference between the amount actually levied and the allowable property tax levy shall be set aside in a special fund and used to reduce the property taxes levied in the following year.

B. If, after a hearing under section 42-17004, the commission determines that errors were made in the calculation of the maximum allowable primary property tax levy limit pursuant to section 42-17051, subsection A, the primary property tax levy pursuant to section 15-992 or the secondary property tax levy limit pursuant to section 48-807, the commission shall have five days to notify the governing body of the county, city, town, community college district, school district or fire district of the corrected levy limit. The commission shall also notify the county board of supervisors within five days. The corrected maximum allowable primary property tax levy shall be used in section 42-17051, subsection A, paragraph 1 in determining the following year's levy limit. The corrected maximum allowable secondary property tax levy shall be used in section 48-807 in determining the following year's levy limit.

C. If, after a hearing under section 42-17004, it is impossible for the board of supervisors to correct a property tax levy in the current year, the political subdivision or fire district shall hold the difference between the amount the political subdivision or district actually levied and the allowable property tax levy prescribed by the commission in a separate fund to be used to reduce the property taxes levied by the political subdivision or district in the following year.

D. If the commission discovers that it has made an error in computing the levy limit after September 15, it shall notify the political subdivision's or fire district's governing body about the error. The error shall be corrected as prescribed in subsection A of this section. If the error results in the maximum allowable property tax levy being raised:

1. The corrected maximum allowable primary property tax levy shall be used in section 42-17051, subsection A, paragraph 1 in determining the following year's levy limit.

2. The corrected maximum allowable secondary property tax levy shall be used for the purposes of section 48-807 in determining the following year's levy limit.

E. If, on appeal under section 42-17004, subsection E, the ruling of the court provides for a property tax levy in an amount that is less than the amount levied by the political subdivision or fire district, the political subdivision or district shall hold the difference between the amounts in a separate fund to be used to reduce the property taxes levied by the political subdivision or district in the following year.

42-17051. Limit on county, municipal and community college primary property tax levy

A. In addition to any other limitation that may be imposed, a county, charter county, city, charter city, town or community college district shall not levy primary property taxes in any year in excess of an aggregate amount computed as follows:

1. Determine the maximum allowable primary property tax levy limit for the jurisdiction for the preceding tax year.

2. Multiply the amount determined in paragraph 1 of this subsection by 1.02.

3. Determine the assessed value for the current tax year of all property in the political subdivision that was subject to tax in the preceding tax year.

4. Divide the dollar amount determined in paragraph 3 of this subsection by one hundred and then divide the dollar amount determined in paragraph 2 of this subsection by the resulting quotient. The result, rounded to four decimal places, is the maximum allowable tax rate for the political subdivision.

5. Determine the finally equalized valuation of all property, less exemptions, appearing on the tax roll for the current tax year including an estimate of the personal property tax roll determined pursuant to section 42-17053.

6. Divide the dollar amount determined in paragraph 5 of this subsection by one hundred and then multiply the resulting quotient by the rate determined in paragraph 4 of this subsection. The resulting product is the maximum allowable primary property tax levy limit for the current year for all political subdivisions.

7. The allowable levy of primary property taxes for the current fiscal year for all political subdivisions is the maximum allowable primary property tax levy limit less any amounts required to reduce the levy pursuant to subsections B and C of this section.

B. Any monies that a political subdivision received from primary property taxation in excess of the sum of the amount of taxes collectible pursuant to section 42-15053, subsection G, paragraph 2 and the allowable levy determined under subsection A of this section shall be maintained in a separate fund and used to reduce the primary property tax levy in the following year. Monies that are received and that are attributable to the payment of delinquent taxes that were properly assessed in prior years shall not be applied to reduce the levy in the following year.

C. If, pursuant to section 41-1279.07, the auditor general determines that in any fiscal year a county has exceeded its expenditure limitation, the allowable levy of primary property taxes of the county determined under subsection A of this section shall be reduced in the fiscal year following the auditor general's hearing by the amount of the expenditures that exceeded the county's expenditure limitation.

D. The limitations prescribed by this section do not apply to levies made pursuant to article 5 of this chapter.

E. The levy limitation for a political subdivision is considered to be increased each year to the maximum permissible limit under subsection A of this section regardless of whether the county, city, town or district actually levies taxes in any year up to the maximum permissible amount.

F. For purposes of determining a county's levy limit under this article, remote municipal property, as defined in section 42-15251, is considered to be taxable property in the county.

## 42-17054. Levy limit worksheet

A. When the county assessor transmits valuations under section 42-17052, the assessor shall prepare and transmit a final levy limit worksheet to each city, town and community college district that imposes a primary property tax, to each fire district that imposes a secondary property tax and to the property tax oversight commission.

B. Each city, town, community college district and fire district shall notify the property tax oversight commission in writing within ten days of its agreement or disagreement with the final levy limit worksheet.

# GOVERNOR'S REGULATORY REVIEW COUNCIL

## ATTORNEY MEMORANDUM - FIVE-YEAR REVIEW REPORT

---

**MEETING DATE: July 1, 2025**

**TO:** Members of the Governor's Regulatory Review Council (Council)

**FROM:** Council Staff

**DATE:** June 9, 2025

**SUBJECT:** **DEPARTMENT OF CHILD SAFETY**
Title 21, Chapter 5, Article 1

---

**Summary**

This Five-Year Review Report (5YRR) from the Department of Child Safety (Department) relates to seven (7) rules in Title 21, Chapter 5, Article 1 regarding Interstate Compact on the Placement of Children. Specifically, these rules cover the Interstate Compact on the Placement of Children (ICPC). ICPC is a contract between and among the 50 states, District of Columbia, and the Virgin Islands, which provides standard national procedures to ensure suitable placement and supervision for children placed across state lines. Additionally, ICPC ensures that the individual or entity placing the child remains legally and financially responsible for the child following placement.

In the prior 5YRR for these rules, which was approved by the Council in May 2025, the Department indicated the rules were clear, concise, understandable, consistent, effective, and enforced as written. As such, the Department did not propose to take any action regarding these rules.

**Proposed Action**

In the current report, the Department does not propose to take any action regarding the rules.

**1. Has the agency analyzed whether the rules are authorized by statute?**

The Department cites both general and specific statutory authority for these rules.

**2. Summary of the agency's economic impact comparison and identification of stakeholders:**

The rules in Title 21, Chapter 5, Article 1 cover the Interstate Compact on the Placement of Children (ICPC). The ICPC is a contract between and among the 50 states, District of Columbia, and the Virgin Islands, which provides standard national procedures to ensure suitable placement and supervision for children placed across state lines. Additionally, ICPC ensures that the individual or entity placing the child remains legally and financially responsible for the child following placement. Any costs related to the implementation of these rules are associated with running and monitoring the operations of the program, and the Department—as a result of this five-year review—does not plan any rulemaking activity for these rules.

There are four full-time employees in the ICPC Office. This includes the ICPC Administrator and three ICPC Coordinators. In addition, the Department of Child Safety has two statewide contracts in place with two agencies to conduct home studies and provide supervision for children placed in Arizona from another state.

Funding for Arizona's ICPC Program is approximately $6.4 million annually. The funding source is both state General Fund and Federal funds. There are no fees charged between Compact States. However, there is an annual fee to the state of Arizona of $2,000 to participate in the national ICPC and an additional $25,000 to participate with the national electronic system known as the "National Electronic Interstate Compact Enterprise (NEICE)." This electronic system allows for a quick and secure exchange of data and documents between states.

Stakeholders are identified as children in out-of-home care, adoptive children, children requiring placement in a residential treatment facility, the Department, and other compact states.

**3. Has the agency analyzed the costs and benefits of the rulemaking and determined that the rules impose the least burden and costs to those who are regulated?**

The Department believes that the current rules pose the minimum cost and burden to the persons regulated by these rules. It is the Department's belief that any costs associated with the rules are offset by the greater benefit of partnering with other states in the placement of children outside their state's jurisdiction and ensuring the children's safety and protection.

**4. Has the agency received any written criticisms of the rules over the last five years?**

The Department indicates it has not received any written criticisms of the rule in the last five years.

**5. Has the agency analyzed the rules' clarity, conciseness, and understandability?**

The Department indicates the rule is clear, concise, and understandable.

**6. Has the agency analyzed the rules' consistency with other rules and statutes?**

The Department indicates the rule is consistent with other rules and statutes.

**7. Has the agency analyzed the rules' effectiveness in achieving its objectives?**

The Department indicates the rule is effective in achieving their objectives.

**8. Has the agency analyzed the current enforcement status of the rules?**

The Department indicates the rule is currently enforced as written.

**9. Are the rules more stringent than corresponding federal law and, if so, is there statutory authority to exceed the requirements of federal law?**

The Department indicates the following federal laws correspond to the rules:

- 42 U.S.C. 622
- 42 U.S.C. 671
- 42 U.S.C. 675
- 42 U.S.C. 5113

The Department indicates the rules in this Article are not more stringent than these corresponding federal laws.

**10. For rules adopted after July 29, 2010, do the rules require a permit or license and, if so, does the agency comply with A.R.S. § 41-1037?**

The Department indicates the rules do not request the issuance of a permit, license, or agency authorization. As such, A.R.S. § 41-1037 does not apply.

**11. Conclusion**

This 5YRR from the Department relates to seven (7) rules in Title 21, Chapter 5, Article 1 regarding Interstate Compact on the Placement of Children. The ICPC is a contract between and among the 50 states, District of Columbia, and the Virgin Islands, which provides standard national procedures to ensure suitable placement and supervision for children placed across state lines. Additionally, ICPC ensures that the individual or entity placing the child remains legally and financially responsible for the child following placement. The Department indicates the rules are clear, concise, understandable, consistent, effective, and enforced as written. As such, the Department does not propose to take any action regarding these rules.

Council staff recommends approval of this report.

**ARIZONA DEPARTMENT OF CHILD SAFETY**

**Five-Year-Review Report**

**Title 21. Child Safety**

**Chapter 5. Department of Child Safety - Permanency and Support services**

**Article 1. Interstate Compact on the Placement of Children**

**February 2025**

**1. Authorization of the rule by existing statutes**

General Statutory Authority: A.R.S. § 8-453(A)(5)

Specific Statutory Authority: A.R.S. §§ 8-548 through 8-548.06, and A.R.S. § 8-453 (A)(9)(a)

**2. The objective of each rule:**

| Rule | Objective |
|---|---|
| R21-5-101. Definitions | The objective of this rule is to provide a uniform set of definitions used throughout this Article. |
| R21-5-102. Authority | The objective of this rule is to provide the statutory authority for the rules in this Article. |
| R21-5-103. Conditions of Placement | The objective of this rule is to clearly state who and when someone can place a child in another Compact State. |
| R21-5-104. Financial Responsibility | The objective of this rule is to establish who is financially responsible for a child sent to another state. |
| R21-5-105. Applicability | The objective of this rule is to indicate when ICPC applies and when ICPC does not apply. |
| R21-5-106. Placement Approval | The objective of this rule is to establish the requirement for approval from both states before placing children across state lines. |
| R21-5-107. Operations | The objective of this rule is to establish that services are provided in accordance with federal and state law and indicate that interpreters will be made available. |

**3. Are the rules effective in achieving their objectives?** **Yes _X__** **No ___**

**4. Are the rules consistent with other rules and statutes?** **Yes _X__** **No ___**

**5. Are the rules enforced as written?** **Yes _X__** **No ___**

**6. Are the rules clear, concise, and understandable?** **Yes _X_** **No ___**

**7. Has the agency received written criticisms of the rules within the last five years?** **Yes ___** **No _X_**

**8. Economic, small business, and consumer impact comparison:**

The rules in Title 21, Chapter 5, Article 1 cover the Interstate Compact on the Placement of Children (ICPC). ICPC is a contract between and among the 50 states, District of Columbia, and the Virgin Islands, which provides standard national procedures to ensure suitable placement and supervision for children placed across state lines. Additionally, ICPC ensures that the individual or entity placing the child remains legally and financially responsible for the child following placement.

Four types of placements are covered:

1. Placements preliminary to an adoption;
2. Placements into foster care; including foster homes, group homes, and residential treatment facilities;
3. Placement with parents and relatives with court oversight; and
4. Placements of adjudicated delinquents into institutions in other states.

The persons directly affected by, bear the costs of, or directly benefit from the rules in this Article include children in out-of-home care or adoptive children who need to be placed across state line for permanency or placed in another state in a residential treatment facility, DCS, and other compact states. When children in foster care, adoptive children, and children requiring placement in a residential treatment facilities require placement in a state other than their state jurisdiction, placement must be approved by the ICPC.

During State Fiscal Year 2024, there were approximately 2238 children served by the Department's ICPC Program. Approximately 58% of the children are children who leave Arizona and the other 42% of the children who are coming to Arizona from another state.

DCS ICPC Office

Services include foster and adoptive home studies and the supervision of the placements approved by ICPC for children residing in a state other than their state of jurisdiction. ICPC also approves the placement of children in residential treatment facilities outside of the child's state of jurisdiction.

The ICPC Office also facilitates services and communication with the Interstate Compact for Juveniles (ICJ). When a child is in DCS care due to runaway status from another state, DCS must coordinate with the Interstate Compact for Juveniles (ICJ) in order to return the child to their home state.

In addition, the ICPC Office facilitates a connection to International Social Services USA, which coordinates the placement of an Arizona child a parent, relative or kinship caregiver in another country.

There are four (4) FTEs (Full-Time Employees) in the ICPC Office. This includes the ICPC Administrator, three (3) ICPC Coordinators. In addition, DCS has two (2) statewide contracts in place with two (2) agencies to conduct home studies and provide supervision for children placed in Arizona from another state. This office is responsible for the following functions:

- Interpret and provide support to internal and external stakeholders regarding the Interstate Compact and Placement of Children (ICPC).
- Develop policies, procedures, forms and booklets relating to compliance with ICPC regulations.
- Evaluate and make determinations on ICPC applications for placements to/from Arizona of foster children or adoptive children.
- Ensure compliance with ICPC law through monitoring case actions and progress.
- Communicate and problem solve with other state ICPC administrations.
- Provide technical assistance and educational training to attorneys, private child welfare and adoption agency staff, and DCS staff.
- Ensures that DCS and contracted vendors follow the ICPC protocols.
- Coordinates, develops, and identifies training activities for DCS staff.

Funding

Funding for Arizona's ICPC Program is approximately $6.4 million annually. The funding source is both state General Fund and Federal funds. This funding includes ICPC operations (staffing, supplies, overhead, etc.) and contracted services. There are no fees charged between Compact States. However, there is an annual fee to the state of Arizona of $2,000.00 to participate in the national ICPC and an additional $25,000.00 to participate with the national electronic system known as the "National Electronic Interstate Compact Enterprise (NEICE)". This electronic system allows for a quick and secure exchange of data and documents between states.

**9. Has the agency received any business competitiveness analyses of the rules? Yes ___ No _X_**

**10. Has the agency completed the course of action indicated in the agency's previous five-year-review report?**

The Department did not propose any course of action in the agency's previous five-year-review report.

**11. A determination that the probable benefits of the rule outweigh within this state the probable costs of the rule, and the rule imposes the least burden and costs to regulated persons by the rule, including paperwork and other compliance costs, necessary to achieve the underlying regulatory objective:**

The Department believes that the current rules pose the minimum cost and burden to the persons regulated by these rules. Any costs related to the implementation of these rules are associated with running and monitoring the operations of the program. It is the Department's belief that any costs associated with the rules are offset by the greater benefit of partnering with other states in the placement of children outside their state's jurisdiction and ensuring the children's safety and protection. The purpose of ICPC is to place children with relatives, kin, or caregivers who are safe, suitable and able to meet the child's needs.

**12. Are the rules more stringent than corresponding federal laws? Yes ___ No _X_**

Federal laws 42 U.S.C. 622, U.S.C. 671, U.S.C 675, and U.S.C. 5113 apply to the rules of this Article. The rules in this Article are not more stringent than federal law.

**13. For rules adopted after July 29, 2010 that require the issuance of a regulatory permit, license, or agency authorization, whether the rules are in compliance with the general permit requirements of A.R.S. § 41-1037 or explain why the agency believes an exception applies:**

The Department has determined that A.R.S. § 41-1037 does not apply to these rules. The rules in this Article do not require the issuance of a regulatory permit, license, or agency authorization.

**14. Proposed course of action**

The Department has reviewed the current rules and does not plan any rulemaking activity for these rules at this time.

# TITLE 21. CHILD SAFETY

## CHAPTER 5. DEPARTMENT OF CHILD SAFETY - PERMANENCY AND SUPPORT SERVICES

The table of contents on page one contains links to the referenced page numbers in this Chapter.
Refer to the notes at the end of a Section to learn about the history of a rule as it was published in the *Arizona Administrative Register*.

This Chapter contains rules that were filed to be codified in the *Arizona Administrative Code* between the dates of
July 1, 2022 through September 30, 2022

**Questions about these rules? Contact:**

**The release of this Chapter in Supp. 22-3 replaces Supp. 20-2, 1-20 pages.**
Please note that the Chapter you are about to replace may have rules still in effect after the publication date of this supplement. Therefore, all superseded material should be retained in a separate binder and archived for future reference.

## PREFACE

Under Arizona law, the Department of State, Office of the Secretary of State (Office), Administrative Rules Division, accepts state agency rule notice and other legal filings and is the publisher of Arizona rules. The Office of the Secretary of State does not interpret or enforce rules in the *Administrative Code*. Questions about rules should be directed to the state agency responsible for the promulgation of the rule.

Scott Cancelosi, Director
ADMINISTRATIVE RULES DIVISION

---

### RULES

The definition for a rule is provided for under A.R.S. § 41-1001. *"'Rule' means an agency statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedures or practice requirements of an agency."*

### THE ADMINISTRATIVE CODE

The *Arizona Administrative Code* is where the official rules of the state of Arizona are published. The *Code* is the official codification of rules that govern state agencies, boards, and commissions.

The *Code* is separated by subject into Titles. Titles are divided into Chapters. A Chapter includes state agency rules. Rules in Chapters are divided into Articles, then Sections. The "R" stands for "rule" with a sequential numbering and lettering outline separated into subsections.

Rules are codified quarterly in the *Code*. Supplement release dates are printed on the footers of each Chapter.

First Quarter: January 1 - March 31
Second Quarter: April 1 - June 30
Third Quarter: July 1 - September 30
Fourth Quarter: October 1 - December 31

For example, the first supplement for the first quarter of 2022 is cited as Supp. 22-1. Supplements are traditionally released three to four weeks after the end of the quarter because filings are accepted until the last day of the quarter.

Please note: The Office publishes by Chapter, not by individual rule Section. Therefore there might be only a few Sections codified in each Chapter released in a supplement. This is why the Office lists only updated codified Sections on the previous page.

### RULE HISTORY

Refer to the HISTORICAL NOTE at the end of each Section for the effective date of a rule. The note also includes the *Register* volume and page number in which the notice was published (A.A.R.) and beginning in supplement 21-4, the date the notice was published in the *Register*.

### AUTHENTICATION OF PDF CODE CHAPTERS

The Office began to authenticate Chapters of the *Code* in Supp. 18-1 to comply with A.R.S. §§ 41-1012(B) and A.R.S. § 41-5505.

A certification verifies the authenticity of each *Code* Chapter posted as it is released by the Office of the Secretary of State. The authenticated pdf of the *Code* includes an integrity mark with a certificate ID. Users should check the validity of the signature, especially if the pdf has been downloaded. If the digital signature is invalid it means the document's content has been compromised.

### HOW TO USE THE CODE

Rules may be in effect before a supplement is released by the Office. Therefore, the user should refer to issues of the *Arizona Administrative Register* for recent updates to rule Sections.

### ARIZONA REVISED STATUTE REFERENCES

The Arizona Revised Statutes (A.R.S.) are available online at the Legislature's website, www.azleg.gov. An agency's authority note to make rules is often included at the beginning of a Chapter. Other Arizona statutes may be referenced in rule under the A.R.S. acronym.

### SESSION LAW REFERENCES

Arizona Session Law references in a Chapter can be found at the Secretary of State's website, www.azsos.gov under Services-> Legislative Filings.

### EXEMPTIONS FROM THE APA

It is not uncommon for an agency to be exempt from the steps outlined in the rulemaking process as specified in the Arizona Administrative Procedures Act, also known as the APA (Arizona Revised Statutes, Title 41, Chapter 6, Articles 1 through 10). Other agencies may be given an exemption to certain provisions of the Act.

An agency's exemption is written in law by the Arizona State Legislature or under a referendum or initiative passed into law by Arizona voters.

When an agency files an exempt rulemaking package with our Office it specifies the law exemption in what is called the preamble of rulemaking. The preamble is published in the *Register* online at www.azsos.gov/rules, click on the *Administrative Register* link.

Editor's notes at the beginning of a Chapter provide information about rulemaking Sections made by exempt rulemaking. Exempt rulemaking notes are also included in the historical note at the end of a rulemaking Section.

The Office makes a distinction to certain exemptions because some rules are made without receiving input from stakeholders or the public. Other exemptions may require an agency to propose exempt rules at a public hearing.

### PERSONAL USE/COMMERCIAL USE

This Chapter is posted as a public courtesy online, and is for private use only. Those who wish to use the contents for resale or profit should contact the Office about Commercial Use fees. For information on commercial use fees review A.R.S. § 39-121.03 and 1 A.A.C. 1, R1-1-113.

*Rhonda Paschal, rules managing editor, assisted with the editing of this Chapter.*

# TITLE 21. CHILD SAFETY

## CHAPTER 5. DEPARTMENT OF CHILD SAFETY - PERMANENCY AND SUPPORT SERVICES

Authority: A.R.S. § 8-453(A)(5)

**Supp. 22-3**

***Editor's Note: Chapter 5 contains rules which were exempt from the regular rulemaking process under Laws 2014, 2nd Special Session, Ch. 1, Sec. 158. The law required the Department to post on its website proposed exempt rulemakings for a minimum of 30 days, at which time the public could provide written comments. In addition, at least two public hearings were held prior to the filing of the final exempt rules. Because the Department solicited comments on its proposed exempt rules, the rules filed with the Office of the Secretary of State are considered final exempt rules (Supp. 15-4).***

### CHAPTER TABLE OF CONTENTS

## ARTICLE 1. INTERSTATE COMPACT ON THE PLACEMENT OF CHILDREN

**R21-5-101. Definitions**

The definitions contained in A.R.S. § 8-548 and the following definitions apply in this Article:

1. "Child" means any person less than the age of 18 years.
2. "Compact" or 'ICPC" means the Interstate Compact on the Placement of Children.
3. "Compact Administrator" means the same as A.R.S. § 8-548.
4. "Compact State" means a state that is a member of the Interstate Compact on the Placement of Children.
5. "Department" or "DCS" means the Arizona Department of Child Safety.
6. "Interstate placement" means any movement of a child from one state to another state for the purpose of establishing a suitable living environment and providing necessary care.
7. "Intra-state placement" means the placement of a child within a state by an agency of that state.
8. "Placement" means the same as in A.R.S. § 8-548.
9. "Receiving state" means the same as in A.R.S. § 8-548.
10. "Sending agency" means the same as in A.R.S. § 8-548.
11. "Sending state" means the state where the sending agency is located, or the state in which the court holds exclusive jurisdiction over a child, which causes, permits, or enables the child to be sent to another state.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 2979, effective January 2, 2016 (Supp. 15-4).

**R21-5-102. Authority**

The ICPC is governed by A.R.S. §§ 8-548 through 8-548.06 and the ICPC regulations. ICPC regulations are posted on the Association of Administrators of the Interstate Compact on the Placement of Children website. These regulations supplement those authorities and must be read in conjunction with them.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 2979, effective January 2, 2016 (Supp. 15-4).

**R21-5-103. Conditions of Placement**

No person, court, or public or private agency in a Compact State shall place a child in another Compact State until the Compact Administrator in the receiving state has notified the Compact Administrator in the sending state, on a prescribed form, that such placement does not appear to be contrary to the interests of the child and does not violate any applicable laws of the receiving state.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 2979, effective January 2, 2016 (Supp. 15-4).

**R21-5-104. Financial Responsibility**

The sending person, court, or public or private agency shall be held financially responsible for:

1. Sending the child to the receiving state;
2. Returning the child to the sending state; and
3. Treatment of the child during the period of placement.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 2979, effective January 2, 2016 (Supp. 15-4).

**R21-5-105. Applicability**

**A.** Except as listed in subsection (B), the ICPC applies to the placement of:

1. Children in another Compact State by an agency, court or person, which has care or custody of the children.
2. Foreign-born children who are brought under the jurisdiction of a Compact State by an international child placing agency.

**B.** In addition to the children listed in statute that are not subject to ICPC, the ICPC does not apply:

1. When a child is placed in an institution caring for the mentally ill, mentally impaired, epileptic, or in any institution primarily educational in character or in any hospital or other medical facility.
2. To the placement of children into and out of the United States when the other jurisdiction involved is a foreign country.
3. When a sending court or agency seeks an independent (not ICPC related) courtesy check for placement with a parent from whom the child was not removed, the responsibility for credentials and quality of the courtesy check rests directly with the sending court or agency and the person or party in the receiving state who agrees to conduct the courtesy check without invoking the protection of the ICPC home study process. This does not prohibit a sending state from requesting an ICPC.
4. The Compact does not apply in court cases of paternity, divorce, custody, and probate pursuant to which or in situations where children are being placed with parents or relatives or non-relatives.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 2979, effective January 2, 2016 (Supp. 15-4).

**R21-5-106. Placement Approval**

Sending and receiving states must obtain approval from the Compact Administrator in both the sending and receiving states prior to the placement of a child in another Compact State.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 2979, effective January 2, 2016 (Supp. 15-4).

**R21-5-107. Operations**

In providing services provided under this Article, the sending and the receiving state shall:

1. Maintain all information required by state and federal law.
2. Comply with all federal and their respective state laws and regulations regarding the disclosure and use of confidential health and personal information.
3. Comply with all federal and their respective state nondiscrimination laws and regulations.
4. Ensure that interpreters, including assistance for the visually or hearing impaired, are available to those receiving services at no cost.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 2979, effective January 2, 2016 (Supp. 15-4).

## ARTICLE 2. INDEPENDENT LIVING AND TRANSITIONAL INDEPENDENT LIVING PROGRAMS

**R21-5-201. Definitions**

The following definitions apply to this Article:

1. "Active participation" means the foster youth is demonstrating efforts toward completion of case plan goals such as regular attendance at school or employment that results in school credits or earned wages.
2. "Aftercare services" means assistance and support available to eligible, former foster youth living in Arizona after the Department, tribal foster care, or other state foster care case is dismissed, and includes services available through the Transitional Independent Living Program.
3. "Age of majority" means that a person is at least 18 years old.
4. "Approved living arrangement" means a residence that has been reviewed by the assigned Child Safety Worker or other responsible agency staff and approved within the individual case plan.
5. "Arizona Young Adult Program" means a group of programs and services designed to assist eligible youth to make a successful transition to adulthood. The programs and services include Independent Living Services, the Independent Living Subsidy Program, Voluntary Out-of-home Care for Foster Youth 18 through 20 Years of Age, and the Transitional Independent Living Program.
6. "Child placing agency" means the same as in A.R.S. § 8-501(A)(1)(a)(iii), and includes a Child Welfare Agency that OLR licenses as a Placing Agency to place a child in a licensed foster home, or facility.
7. "Child Welfare Agency" means the same as in A.R.S. § 8-501.
8. "Child Safety Worker" means the same as in A.R.S. § 8-801.
9. "Custody of the Department" means that the foster youth:
   a. Is in out-of-home care under the supervision of the Department while the subject of a dependency petition, as an adjudicated dependent, or placed voluntarily under A.R.S. § 8-806; or
   b. Is 18, 19, or 20 years of age, a resident of Arizona, and has signed an individual case plan agreement for voluntary out-of-home care. This includes foster youth who were dually adjudicated (dependent and delinquent) and released from a secure setting prior to, or on the foster youth's 19th birthday.
10. "Department" or "DCS" means the Arizona Department of Child Safety.
11. "Eligible youth" means a person who meets the qualifications in A.R.S. § 8-521 for the Independent Living Program, the qualifications in A.R.S. § 8-521.01 for the Transitional Independent Living Program, or is a person who was formerly in another state's child welfare program who would otherwise be eligible.
12. "Employment" means:
    a. Paid employment;
    b. Participation in employment-readiness activities, which include career assessment and exploration, and part time enrollment in an employment or career readiness education program;
    c. Volunteer positions;
    d. Job-shadowing;
    e. Internship; or
    f. Other paid or unpaid employment-related activities.
13. "Extraordinary purchase" means an expenditure by an eligible youth that impedes an eligible youth's ability to meet the financial obligations outlined in the eligible youth's budget.
14. "Foster youth" means a person in the custody of the Department.
15. "Full-time student" means an eligible youth enrolled in an education program identified by the program as being full-time due to the number of credits, credit hours, or other measure of enrollment.
16. "Independent Living Program" means the program authorized by A.R.S § 8-521 to provide an Independent Living Subsidy and educational case management to a foster youth.
17. "Independent Living Services" or "IL Services" means an array of assistance and support services, including those provided under the Independent Living Program, that the Departments provides, contracts, refers, or otherwise arranges that are designed to help a foster youth transition to adulthood by building skills and resources necessary to ensure personal safety, well-being, and permanency into adulthood.
18. "Independent Living Subsidy" or "IL Subsidy" means a monthly stipend provided under the Independent Living Program to a foster youth, to assist in meeting monthly living expenses. This stipend replaces any foster care maintenance payment from the Department for support of the foster youth's daily living expenses.
19. "Individual case plan" means an agreement between an eligible foster youth and the Department, directed by the foster youth that documents specific services and assistance that support the foster youth's goals in relation to:
    a. Natural supports including permanent connections to and relationships with family and community, including peer and community mentors;
    b. A safe, stable, desired living arrangement, which may include a permanent arrangement such as guardianship or adoption;
    c. Daily living skills;
    d. Secondary and postsecondary education and training;
    e. Employment and career planning;
    f. Physical health, including reproductive health;
    g. Life care planning;
    h. Emotional health;
    i. Mental health;
    j. Spiritual or faith needs;
    k. Interpersonal relationships; and
    l. Age-appropriate extra-curricular, enrichment, and social activities.
20. "Individual service plan" means an agreement that is directed by an eligible youth in the TIL Program that documents specific services and assistance to support the eligible youth's goals including, as applicable:
    a. Financial,
    b. Housing,
    c. Counseling,
    d. Employment,
    e. Education, and
    f. Other appropriate support and services.
21. "Life skills assessment" means a measure of an eligible youth's ability to function in a variety of areas such as daily living skills, knowledge of community resources, and budgeting, as determined by a validated assessment tool.
22. "Medical professional" means a doctor of medicine or osteopathy, physician's assistant, or registered nurse practitioner licensed in A.R.S. Title 32, or a doctor of medi-

cine licensed and authorized to practice in another state or foreign country. A medical professional from another state or foreign country must provide verification of valid and current licensure in that state or country.

23. "Misuse of funds" means that an eligible youth has expended money provided by the Department for specific purposes (such as education or living expenses) on an item that is not permitted by law (such as illegal drugs and alcohol), or on an extraordinary purchase that is not included in an approved budget or individual case or service plan, to the degree that the funds are not available for necessary items and purchases approved within the case plan, service plan, or budget.
24. "Natural supports" means relationships and connections that occur in everyday life, independent of formal services, with people or groups who provide personal or other support during a person's lifetime.
25. "Out-of-home care" means a placement approved by the Department such as a licensed foster home, residential group care facility operated by a Child Welfare Agency, therapeutic residential facility, independent living setting, approved unlicensed independent living setting, or in a relative or non-relative placement. Out-of-home care excludes a detention facility, forestry camp, training school, or any other facility operated primarily for the detention of a child who is determined delinquent.
26. "Personal Crisis" means an unexpected event or series of events in an eligible youth's life that prevents or impedes participation in scheduled services or activities.
27. "Residential group care facility" means a Child Welfare Agency that is licensed to receive more than five children for 24-hour social, emotional, or educational supervised care and maintenance at the request of a child, child placing agency, law enforcement agency, parent, guardian, or court. A residential group care facility provides care in a residential setting for children for an extended period of time.
28. "Responsible agency staff" means the assigned Child Safety Worker, another identified Department employee, or contracted staff.
29. "Service team members" means the eligible youth, the youth's attorney(s), the Guardian ad Litem (GAL), the Court Appointed Special Advocate (CASA), tribal child welfare staff, other parties to the dependency case, contract, or other service providers, responsible agency staff, and other adults involved with the youth or supporting the youth's activities or employment.
30. "Substantial non-compliance" means an eligible youth's:
    a. Termination from an educational, vocational, or employment program due to lack of attendance or failure to make satisfactory progress as defined by the program for reasons unrelated to physical health including pregnancy, emotional, or mental health;
    b. Persistent lack of communication during a 60-day period with the assigned Child Safety Worker or other responsible agency staff known to the youth that results in a loss of contact with the eligible youth, or interferes with the Department's ability to provide services and supervision or to document individual case plan or service plan progress;
    c. Persistent misuse of funds provided to support individual case plan or service plan goals; or
    d. For an eligible foster youth, failure to communicate unexpected changes in the living arrangement as agreed to in the individual case plan or the Independent Living Subsidy agreement.
31. "Transitional Independent Living Program" or "TIL Program" means a program of services for residents of Arizona who are eligible youth under A.R.S. § 8-521.01, that provides assistance and support in counseling, education, vocation, employment, and the attainment or maintenance of housing.
32. "Transitional Independent Living Services" or "TIL Services" means those services the Department provides through the Transitional Independent Living Program under A.R.S. § 8-521.01, and may include assistance and support with health care, money management, housing, counseling, education, vocational training, and employment. The Department or its contractors provide services through a written agreement with the eligible youth.
33. "Validated assessment tool" means a written or verbal survey tool that can demonstrate empirical evidence for reliability and validity.
34. "Work day" means Monday through Friday, excluding Arizona state holidays.
35. "Young Adult Transitional Insurance" means a category of health care coverage under the state Medicaid program (Arizona Health Care Cost Containment System or AHCCCS) for Medicaid eligible youth who have reached the age of majority in foster care.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4). Amended by emergency rulemaking at 25 A.A.R. 771, effective March 21, 2019, for 180 days (Supp. 19-1). Emergency amendments renewed at 25 A.A.R. 2485, for an additional 180 days effective September 18, 2019 (Supp. 19-3). Emergency expired; amended by final rulemaking at 26 A.A.R. 241, effective March 15, 2020 (Supp. 20-1).

**R21-5-202. Provision of Services**

**A.** The Department shall provide services and stipends for the IL Services, IL Subsidy, and TIL services to eligible youth in a manner that is fair and equitable.

**B.** The Department shall provide Independent Living Services to eligible foster youth based on needs identified by the eligible foster youth, by service team recommendations, or the findings of a life skills assessment. The services shall address needs identified in the eligible foster youth's individual case plan and may include one or more of the following, depending on the individual case plan goals:
1. Information and assistance to create and maintain a network of natural supports;
2. Independent living skills training;
3. Program incentives;
4. Information and assistance in life care and health care planning, including enrollment in a health plan;
5. Educational, career, and vocational planning;
6. Financial assistance for post-secondary education and training;
7. Out-of-home care for foster youth 18 through 20 years of age; or
8. Aftercare services through the Transitional Independent Living Program.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-203. Denial of Services**

The Department shall deny services if a person does not meet the eligibility requirements of A.R.S. §§ 8-806, 8-521, 8-521.01, and R21-5-204.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-204. Eligibility**

**A.** Independent Living Services. In order to be eligible for IL Services a person shall:
1. Be at least 16 years of age and less than 21 years of age;
2. Be in the custody of the Department or tribal child welfare agency;
3. Reside in out-of-home care;
4. Be referred by the eligible youth's assigned Child Safety Worker, other Department staff, or a tribal social services representative; and
5. Be a resident of Arizona if 18, 19, or 20 years of age.

**B.** Independent Living Subsidy.
1. In order to be eligible for the IL Subsidy, a person shall:
   a. Be at least 17 years of age, in the custody of the Department, and employed or a full-time student.
   b. With the assistance of the responsible agency staff, complete the Independent Living Subsidy Agreement or other approved forms designated by the Department.
2. Conditions for approval and continuation in the Independent Living Subsidy Program include:
   a. Active participation in activities outlined in the individual case plan;
   b. Adherence to the terms of the IL Subsidy Agreement, including:
      i. Communication with the Child Safety Worker;
      ii. Maintenance of a Department-approved living arrangement, including approval of a roommate, except those assigned by school or work; and
      iii. Participation in scheduled meetings to review progress and update the individual case plan and IL Subsidy Agreement.
3. Eligible youth 18, 19, and 20 years of age who are temporarily residing out of state for the purpose of education or vocational training, and who maintain Arizona residency, may receive the Independent Living Subsidy under the same conditions as above.

**C.** Transitional Independent Living Program. Under A.R.S. § 8-521.01, in order to be eligible for the Transitional Independent Living Program, a person must be less than 21 years of age and have been in out-of-home care and in the custody of the Department, a licensed residential group care facility, or a tribal child welfare agency while 16, 17, or 18 years of age. Persons who were in another state's child welfare agency under the same conditions are also eligible.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-205. Out-of-home Care Services for Foster Youth 18 through 20 Years of Age**

**A.** The Department may provide out-of-home care services and supervision to a foster youth less than 21 years of age, who reached the age of 18 years while in the custody of the Department, and was either in out-of-home care or in secure care, as defined by A.R.S. § 8-201, through a delinquency action, when the foster youth:
1. Requests out-of-home care;
2. Has residency in the state of Arizona;
3. Participates in developing an individual case plan agreement for out-of-home care; and
4. Demonstrates acceptance of personal responsibility for his or her part of the agreement through active participation in the individual case plan.

**B.** The foster youth, Child Safety Worker, and involved service team members shall develop the individual case plan for out-of-home care:
1. Within the 90-day period prior to the foster youth's 18th birthday for foster youth continuing in out-of-home care past 18 years of age;
2. Within ten work days for foster youth who enter out-of-home care during the 90-day period prior to the foster youth's 18th birthday; and
3. For eligible youth re-entering foster care at 18 years of age or older, within seven work days of the eligible youth's return to Department care and supervision.

**C.** The individual case plan shall outline the services and supports to be provided under R21-5-202(B) and include at least one of the following activities:
1. Completion of secondary education or a program leading to an equivalent credential;
2. Enrollment in an institution that provides post-secondary education or vocational education;
3. Participation in a program or activity designed to promote or remove barriers to employment; or
4. Employment of at least 80 hours per month.

**D.** Foster youth participating in out-of-home care shall demonstrate acceptance of personal responsibility by actively participating in an individual case plan, unless prevented by a documented behavioral health or medical condition, or other personal crisis or life event, such as pregnancy, birth, necessary maternity leave as determined by a medical professional, adoption, or guardianship of a child.

**E.** The Child Safety Worker shall support the foster youth to address any documented condition, crisis, or life event listed in subsection (D), by:
1. Facilitating a youth led discussion that includes a review of the supports and services available as intervention strategies, to assist in resolving the condition, crisis, or concern;
2. Documenting the foster youth's preferred intervention strategy for addressing the condition, crisis, or concern; and
3. Expeditiously providing or otherwise arranging the preferred intervention strategy.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4). Amended by emergency rulemaking at 25 A.A.R. 771, effective March 21, 2019, for 180 days (Supp. 19-1). Emergency amendments renewed at 25 A.A.R. 2485, for an additional 180 days effective September 18, 2019 (Supp. 19-3). Emergency expired; amended by final rulemaking at 26 A.A.R. 241, effective March 15, 2020 (Supp. 20-1).

**R21-5-206. Transitional Independent Living Program**

**A.** The Transitional Independent Living Program provides services to eligible youth, under A.R.S. § 8-521.01 that comple-

ments their own efforts toward becoming self-sufficient. The Department may provide the following assistance, depending on individual service plan goals:

1. Financial,
2. Housing,
3. Counseling,
4. Employment,
5. Education, and
6. Other appropriate support and services.

**B.** The eligible youth requesting services through the Transitional Independent Living Program shall provide the following information to the responsible agency staff:

1. Identifying information including:
   a. Name (and any aliases); and
   b. Date of birth;
2. Information regarding the eligible youth's former foster care status such as the state or tribal child welfare system where the youth was in care, and approximate dates of care, if known; and
3. Any available contact information for the youth, including:
   i. Phone number,
   ii. Friend or family phone number,
   iii. Email address, and
   iv. Any other communication method identified by the youth.

**C.** An eligible youth and responsible agency staff shall develop an individual service plan for the eligible youth to receive these services.

**D.** The individual service plan shall address the level of need based on the items noted in subsection (A).

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-207. Re-entry Into Out-of-home Care**

**A.** The Department shall facilitate re-entry into out-of-home care for eligible youth participating in the Transitional Independent Living Program.

**B.** On request for re-entry by the eligible youth, the Department shall confirm the eligible youth's request to receive out-of-home care, supervision, and other services with the youth and within ten work days:

1. Facilitate a meeting with the eligible youth to review the requirements under R21-5-205;
2. Assist the eligible youth to develop an individual case plan that includes an effective date for reopening the Department case;
3. Identify the name and contact information of the Child Safety Worker or responsible agency staff assigned to the case;
4. Identify the out-of-home care type selected such as, foster home, residential group care facility, Independent Living Program, or other arrangement;
5. Notify the identified Child Safety Worker or responsible agency staff assigned to the case; and
6. Complete all necessary authorizations for out-of-home care and other services to reasonably ensure a smooth transition from the TIL Services to the IL Services.

**C.** If the eligible youth reports he or she is in crisis and unsafe, the Department shall immediately assess the youth's safety and assist the youth to secure a safe living arrangement and to manage the crisis.

**D.** An eligible youth may request to postpone re-entry, decline re-entry at any time, or re-initiate the request any time prior to the eligible youth's 21st birthday. The responsibilities of the Department to process the request for re-entry shall begin upon the Department's receipt of the eligible youth's request for re-entry under subsection (B).

**E.** Supports and services shall continue for youth who re-enter out-of-home care, as outlined in R21-5-205.

**F.** If the Department denies re-entry, the Department shall provide the youth with written notification of the reason for this decision and the youth's grievance and appeal rights within 15 work days of the request for re-entry.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-208. Termination of Services**

**A.** The Department may terminate IL Services, including out-of-home care for foster youth 18 through 20 years of age, and TIL services if the eligible youth:

1. Reaches the age of 21 years;
2. Reaches the age of 18 years and does not desire continued services;
3. Makes a voluntary decision to terminate services; or
4. Demonstrates substantial non-compliance or otherwise refuses to meet the requirements of the individual case plan or individual service plan after the responsible agency staff or designee has made active efforts to engage the eligible youth in identifying and resolving issues, including assessing the effectiveness of current services, and identifying and providing additional or different support services.

**B.** The Department shall deny IL Services, including out-of-home care for foster youth age 18 through 20 years, and TIL services if the Department determines the person is:

1. Not eligible;
2. Unwilling to create an individual case or service plan; or
3. Not participating in the individual case or service plan.

**C.** The Child Safety Worker or responsible agency staff shall notify the person in writing of the Department's decision to terminate or deny services within ten work days of the person's application for services.

**D.** The notice shall include information on the person's right to grieve any decision to terminate or deny services.

**E.** Within ten work days of the notice to terminate or deny services, the Child Safety Worker or responsible agency staff shall contact the person to:

1. Assist the person through the grievance process including the completion and submittal of any required Department forms; or
2. Identify and engage a personal advocate to assist the person through the grievance process, including the completion and submittal of any required Department forms.

**F.** When termination of services to a foster youth is planned due to one of the reasons outlined in (A)(1) through (3) of this Section, the Child Safety Worker or responsible agency staff shall schedule a discharge staffing with the foster youth within ten work days of the foster youth's 21st birthday or the Department's receipt of the foster youth's notice to discontinue services to provide any necessary documents not previously provided, such as a birth certificate, social security card, state identification card, credit report, and a copy of the foster youth's health and education records.

**G.** The Department shall not terminate services for substantial non-compliance under subsection (A)(4) until the Child Safety Worker or responsible agency staff satisfies all responsibilities including:
1. Staffing of the individual case or service plan;
2. Adhering to the grievance process described in R21-5-209; and
3. Developing and implementing a discharge plan that provides information on available community resources, and connects the person to those resources.

**H.** Services shall remain in effect until the reasons for termination are resolved or the grievance or appeal process is completed.

**I.** For Independent Living Subsidy only, if the Department determines that continuation of the Independent Living Subsidy would place the foster youth at risk of immediate harm, the Child Safety Worker or responsible agency staff shall:
1. Document this fact in the case file progress notes, and
2. Arrange for a safe living arrangement and sufficient support services to reasonably ensure the foster youth's safety in the interim.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-209. Grievance Process**

**A.** A person eligible for services under R21-5-204 who disagrees with a Department adverse action decision to reduce, terminate, or deny services for that person may:
1. File a grievance under this Section;
2. Choose not to file a grievance and appeal the adverse action under A.A.C. Title 21, Chapter 1, Article 3 by filing a notice of appeal within 20 days after receipt of the adverse action decision reducing, terminating, or denying services; or
3. File a grievance, and if the person is dissatisfied with the results of the grievance process, appeal under A.A.C. Title 21, Chapter 1, Article 3 by filing a notice of appeal within 20 days after receipt of the grievance response letter.

**B.** In the event that a person disagrees with a Department decision to reduce, terminate, or deny services, the Child Safety Worker or responsible agency staff shall:
1. Inform the person of the formal grievance process;
2. Provide the person with the Department's grievance form and directions for submittal to the designated Department staff, such as the Department's Ombudsman's Office; and
3. Offer to assist the person in completing and submitting the form, or referring the person to the appropriate Department staff, such as the Department's Ombudsman, for assistance in completing and submitting the form.

**C.** Upon receipt of the grievance form, the Department shall:
1. Schedule a face-to-face meeting with the person who filed the grievance within seven work days from the date the grievance was received by the Department, or schedule a teleconference if a face-to-face meeting is not possible;
2. Evaluate the grievance to determine if the grievance can be resolved by the Department to the satisfaction of the person;
3. Mail a grievance response letter to the person within three work days of the meeting; and
4. Include an appeal form with the grievance response letter so the person may appeal the adverse action.

**D.** If the person agrees with the Department's decision to terminate services, the Child Safety Worker or responsible agency staff shall proceed with case closure including completing a discharge plan with the person that includes information on aftercare services and other community based support.

**E.** The Department shall retain documentation of all grievances in the case file according to the Department's retention schedule.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

## ARTICLE 3. DEPARTMENT ADOPTION SERVICES

**R21-5-301. Definitions**

In addition to the definitions in A.R.S. § 8-101, the following definitions apply in this Article, Article 4 of this Chapter, and 21 A.A.C. 9:
1. "Adoptable child" means a child who is legally available for adoption but who has not been placed for adoption.
2. "Adoptee" means a child who is the subject of a legal petition for adoption.
3. "Adoption agency" means an individual or entity, including a corporation, company, partnership, firm, association, or society, other than the Department, licensed by the Department to place a child for adoption.
4. "Adoption entity" or "entity" means the Department and includes an adoption agency, but does not include a private attorney who is licensed to practice law in the state of Arizona and who is only assisting in a direct placement adoption to the extent allowed by A.R.S. § 8-130(C).
5. "Adoption placement" or "placement" means the act of placing an adoptable child in the home of an adoptive parent who has filed, or is contemplating filing, a petition to adopt the child.
6. "Adoption Registry" means the electronic database described in A.R.S. § 8-105.
7. "Adoption services" means activities conducted in furtherance of an adoption and includes the activities listed in A.A.C. R21-5-303 and R21-9-201(B).
8. "Adoptive parent" means an individual who has successfully completed the application process and has been certified by the court to adopt. An adoptive parent includes an individual who does not have a child placed in their home.
9. "Agency placement" means the child is placed in an adoptive home chosen by the adoption agency.
10. "AHCCCS" means the Arizona Health Care Cost Containment System, which is the State's program for medical assistance available under Title XIX of the Social Security Act and state public insurance statutes under A.R.S. Title 36, Chapter 29.
11. "Applicant" means an individual who has applied to become an adoptive parent.
12. "Birth parent" means the biological mother or father of a child.
13. "Central Registry" means the information maintained by the Department of substantiated reports of child abuse or neglect for the purposes of A.R.S. § 8-804.
14. "Certification application" means the form that an applicant submits to an adoption entity or to the court to request a certification investigation to become certified as an adoptive parent.
15. "Certification investigation" means the process referred to in A.R.S. § 8-105(C) by which an adoption entity

determines if an applicant is a fit and proper person to adopt.

16. "Certification order" means a judicial determination that an applicant is acceptable to adopt children.
17. "Certification report" or "adoptive home study" means the written report described in A.R.S. § 8-105, in which an adoption entity summarizes the results of a certification investigation and makes a recommendation for or against certification of an applicant.
18. "Child with special needs" means a child who has one of the special needs listed in A.R.S. § 8-141.
19. "Department" or "DCS" means the Arizona Department of Child Safety.
20. "Developmentally appropriate" means an action that takes into account:
    a. A child's age and family background;
    b. The predictable changes that occur in a child's physical, emotional, social, cultural, and cognitive development; and
    c. A child's pattern and history of growth, personality, and learning style.
21. "Direct placement" means the child is placed in an adoptive home by the birth parent or legal parent.
22. "Final report to the court" means a written report that includes a social study under A.R.S. § 8-112, in which an adoption entity advises the court of the entity's assessment and recommendations about the finalization of a particular adoption.
23. "Foster parent" means the same as in A.R.S. § 8-501.
24. "ICPC" means the Interstate Compact on the Placement of Children described in A.R.S. § 8-548.
25. "ICWA" means the Indian Child Welfare Act described in 25 U.S.C. 1901 et seq.
26. "Legally available" means a child whose birth or legal parents are deceased, have voluntarily relinquished their parental rights, or whose parental rights have been terminated by the court.
27. "License" means a permission granted by the Department to an adoption agency authorizing the adoption agency to perform adoption services in A.A.C. R21-9-201(B).
28. "Open adoption" means an adoption in which the adoptive parent and the birth or legal parent agree to share varying degrees of each other's personal information for future contact.
29. "Out-of-state agency" means any person or entity that is authorized or licensed by a state other than Arizona, or a foreign country, to perform adoption services.
30. "Placed child" means an adoptable child who has been placed with an adoptive parent, and the adoptive parent has not yet filed a petition to adopt the child.
31. "Placement supervision period" means the time period from the date of adoption placement until the court enters a final order of adoption, during which the adoptive parent has the rights under A.R.S. § 8-113.
32. "Reasonable fee" means
    a. A fee commensurate with:
        i. The actual cost of providing a specific adoption service or item to a specific individual, or
        ii. The average cost of a service or item if the adoption entity routinely uses an averaging method to determine the cost of a particular service or item.
    b. A reasonable fee may include reasonable compensation for officers and employees and a reasonable profit margin above actual or averaged costs.
33. "Service plan" means a written document of developmentally appropriate pre-placement and post-placement services necessary to facilitate a child's transition to an adoptive home.
34. "Social study" means the written report described in A.R.S. § 8-112, after a petition for adoption has been filed, where the adoption entity summarizes the results of its investigation, and makes a definite recommendation for or against the proposed adoption and the reasons for that recommendation.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-302. Adoption Registry: Information Maintained; Confidentiality**

**A.** The Department shall maintain and keep current the Adoption Registry with the information required under A.R.S. § 8-105. The Adoption Registry shall include the following current information for each child or adoptive parent listed on the Adoption Registry:
1. The child's availability for adoptive placement,
2. The adoptive parent's certification status,
3. The adoptive parent's availability for adoptive placement, and
4. The type of child the adoptive parent is open to considering for adoption including:
    a. Age;
    b. Sex; or
    c. Special needs.

**B.** Upon request, the Department shall provide personally identifiable Adoption Registry information to:
1. The court;
2. An adoption agency, including a private attorney;
3. Under a court order, a National or Regional Adoption registry and exchange; and
4. An out-of-state agency.

**C.** Before providing information, the Department shall obtain, from the person requesting the information, the following:
1. The name and affiliation of the person requesting the information;
2. The reason for the request; and
3. If the requesting party is other than a court representative, a signed statement acknowledging that the information is confidential and promising not to release the information to anyone except as allowed by A.R.S. §§ 8-120, 8-121, and 8-105.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-303. Department Adoption Services**

**A.** The Department provides the following adoption services for families and children in accordance with the limitations and provisions of A.R.S. Title 8, Chapter 1, Article 1:
1. For families:
    a. Recruiting adoptive parents;
    b. Informing persons interested in adopting a child about the adoption process;
    c. Conducting certification investigations of applicants under A.R.S. § 8-105;

d. Preparing certification reports under A.R.S § 8-105; and
e. Submitting the names and profiles of adoptive parents for listing in the Adoption Registry.

2. For children:
a. Accepting adoption consents from birth parents;
b. Preparing non-identifying, pre-placement information on adoptive children for adoptive parents, as required in A.R.S. § 8-129;
c. Submitting the name and profile of an adoptive child for listing in the Adoption Registry;
d. Preparing a child for adoptive placement;
e. Matching an adoptable child with an adoptive parent;
f. Placing an adoptable child in the home of an adoptive parent;
g. Investigating and reporting to the court on the acceptability of an adoptive parent under A.R.S. § 8-105(H);
h. Monitoring an adoption placement during the placement supervision period;
i. Providing services to a child placed for adoption and the adoptive family to assist with adjustment to the adoption placement;
j. Conducting a social study under A.R.S. § 8-112 and preparing a final report to the court determining suitability of placement; and
k. Assisting an attorney by providing legal documents to enable an adoptive parent to complete the adoption process.

**B.** When performing adoption services, the Department shall adhere to the standards established for an adoption agency in 21 A.A.C. 9.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-304. Department Procedures for Processing Certification Applications**

**A.** Upon review of a certification application, the Department shall notify the applicant in writing that the application is either complete or incomplete. An application is complete when it contains the information and supporting documentation described in R21-5-404. If the application is incomplete, the notice shall specify what information is missing.

**B.** An applicant with an incomplete application has 30 days from the date of the notice to provide the missing information. If the applicant fails to do so, the Department may close the file. An applicant whose file has been closed and who later wishes to apply for certification may reapply.

**C.** Upon review of a complete application, the Department shall decide whether to accept the application, according to the priority schedule listed in R21-5-305, and the availability of the Department's resources. If the Department cannot accept the application, the Department shall return the original application and all supporting documentation to the applicant. The applicant may reapply.

**D.** After the Department accepts the completed application, the Department shall provide the applicant written notice of the acceptance. The Department shall complete the certification investigation as specified in R21-5-405 within 90 days of the date of the notice. The Department shall prepare a certification report under R21-5-406.

**E.** The Department shall process a renewal application under this Section and R21-5-407.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-305. Department Priorities for Receipt of Services**

The Department shall accept and process certification applications and render adoption services according to the following priority schedule:

1. An applicant for whom the court has ordered the Department to do a certification investigation and report;
2. An applicant seeking to adopt a particular adoptable child with special needs;
3. An applicant wishing to adopt a child with special needs;
4. An applicant considering adopting a child with special needs; and
5. All other applicants.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-306. Department Recruitment Efforts**

The Department shall actively recruit persons to adopt children with special needs by:

1. Publicizing the need for such adoptive parents;
2. Registering adoptable children, as appropriate, with the Adoption Registry or other local, state, regional and national adoption resources;
3. Advising prospective adoptive parents of:
a. The availability of children with special needs,
b. The procedures involved in adopting such children, and
c. The support services and subsidies that may be available to persons adopting such children; and
4. Other measures similar to those described in this Section.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-307. Expired**

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4). Section expired under A.R.S. § 41-1056(J) at 26 A.A.R. 1322, effective June 3, 2020 (Supp. 20-2).

**R21-5-308. Termination of Adoption Services**

**A.** The Department may terminate services to an applicant or adoptive parent when:

1. The adoption is finalized;
2. The applicant or adoptive parent requests closure before receiving a child for placement;
3. The applicant or adoptive parent ceases to be a resident of Arizona before receiving a child for placement;
4. The court declines to certify the applicant or adoptive parent;
5. The applicant or adoptive parent refuses to comply with the requirements in A.R.S. Title 8, Chapter 1, Article 1, or this Chapter, Articles 3 and 4;
6. The applicant fails to submit a completed certification application within 90 days of the date on which the Department sent the person an application form;

7. The adoptive parent is no longer willing to be an adoptive parent; or.
8. The adoptive parent is no longer certified to adopt.

**B.** The Department may terminate adoption services to an adoptive child when:
1. The court issues a final adoption order; or
2. The court determines that adoption is no longer the most appropriate case plan for the child, and the Department provides alternate services consistent with the child's new case plan.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

## ARTICLE 4. ADOPTION ENTITY SERVICES

**R21-5-401. Definitions**

The definitions in R21-5-301 apply in this Article.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-402. Recruitment**

**A.** When recruiting applicants, an adoption entity shall comply with the requirements of this Section.

**B.** The adoption entity shall conduct recruitment efforts pursuant to a written plan, which shall describe:
1. Specific recruitment goals, including:
   a. The number and composition of adoptive parents the entity will serve; and
   b. The children the entity will accept for placement and any limitations such as:
      i. Age;
      ii. Medical special needs;
      iii. Developmental special needs;
      iv Mental health; or behavioral health special needs.
2. Methods of recruitment;
3. The number and professional qualifications of staff designated to handle recruitment; and
4. The means by which the adoption entity shall fund the agency's recruitment efforts.

**C.** The adoption entity's recruitment efforts shall be consistent with the personal characteristics of the children the entity has available for adoption and reasonably expects will become available for adoption through the entity.

**D.** An adoption entity shall not:
1. Promise to place more children than the adoption entity's prior history shows it can reasonably expect to place;
2. Promise to place a child in less time than the average waiting period demonstrated by the adoption entity's past practice;
3. Promise adoption subsidy prior to the formal approval and receipt of an adoption assistance agreement that meets the requirements of A.R.S. Title 8 Chapter 1 Article 2; or
4. Make any other statements or promises the entity knows or reasonably should know are false, misleading, or inaccurate.

**E.** The Department may take an adverse licensing action against an adoption agency that does not comply with this Section.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-403. Orientation: Persons Interested in Adoption**

**A.** Prior to accepting a certification application from a person considering the adoption of a child, or an application for placement from a person who intends to seek a placement through the adoption entity, an adoption entity shall provide the person with an adoption orientation, which shall explain the following:
1. The adoption process, including all legally mandated procedures, and estimated time-frames for completion of such procedures;
2. The adoption entity's policies and procedures that directly affect services to adoptive parents;
3. The adoption entity's fee structure and written fee agreement;
4. The types and number of children the agency typically has had and reasonably expects to have available for adoption placement and the average length of time between certification and placement;
5. The Department's responsibility for licensing and monitoring agencies, and the public's right to register a complaint about an agency as prescribed in 21 A.A.C. 9, Article 2;
6. The function of the Adoption Registry and the adoptive parent's right to decide whether to be included in the Adoption Registry; and
7. Confidentiality requirements, open adoptions, and the confidential intermediary program described in A.R.S. § 8-134.

**B.** A person who is already knowledgeable about all or part of the matters listed in subsection (A) may waive orientation on those matters, with the approval of the adoption entity. A person may be knowledgeable due to a prior adoption through an Arizona adoption entity, employment in adoption services, or for other similar reasons.

**C.** An adoption entity shall maintain written documentation showing that any person who has applied to the entity for certification or for placement of a child has received the orientation described in subsection (A), required by R21-9-227, or has obtained a waiver described in subsection (B). If some or all of the adoption orientation is waived, the adoption entity shall document the matters waived and the reasons for the waiver.

**D.** An adoption entity shall not charge a person for anything other than a certification application fee, or enter into an adoption fee agreement with a person, until the person has received the orientation in subsection (A).

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-404. Application for Certification**

An applicant who wishes to become certified as an adoptive parent shall apply for certification as provided in A.R.S. § 8-105. An adoption entity shall require an applicant to provide at least the following information:
1. Personally identifying information for each prospective adoptive parent, including:
   a. Name and date of birth;
   b. Social Security number;
   c. Race and ethnicity;
   d. Physical description;
   e. Current address and duration of Arizona residency;
   f. Marital history; and

g. The name, address, and phone number of immediate family members, including emancipated adult children;
2. The name, date of birth, and social security number of any person currently residing with the applicant;
3. A listing of the applicant's insurance policies, including:
a. Any insurance that may be available to cover the medical expenses of a birth mother or adoptive child; and
b. The name of the insured, the insurance policy number, and the effective dates of coverage;
4. A current financial statement describing the applicant's assets, income, debts, and financial obligations;
5. A physician's statement as to the applicant's current physical and mental health;
6. A medical and psychological history on the applicant and the applicant's household members. The history may be a declaration by the applicant of past physical and mental illness for the applicant and any household member;
7. The applicant's employment history;
8. The applicant's social history;
9. A statement from the applicant as to the type of child the applicant seeks to adopt and whether the applicant desires to adopt or would consider adopting a child with special needs;
10. Information on the following legal proceedings in which the applicant has been a party:
a. Dependency proceedings,
b. Severance or termination of parental rights proceedings,
c. Child support enforcement proceedings,
d. Proceedings involving allegations of child abuse or neglect,
e. Adoption proceedings, or
f. All criminal proceedings;
11. The applicant's prior history of adoption certification, including prior applications for certification and the dates of any certification denials;
12. Whether the applicant wishes to be listed on the Adoption Registry;
13. A fingerprint card or fingerprints processed through the Court, meeting the requirements of A.R.S. § 41.1758.07 on each applicant and each adult residing in the home more than the age of 18 years; and
14. The names, addresses, and phone numbers of five personal references; two references from family members related to the applicant by blood or marriage, and three other references, who have known the applicant at least two years and who can attest to the applicant's character and fitness to adopt.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-405. Certification Investigation**

**A.** Following acceptance of a completed certification application, the adoption entity shall conduct a certification investigation that includes:
1. Personal interviews with the adoptive family. Such interviews shall:
a. Occur on at least two separate occasions, at least one of which shall be at the adoptive parent's residence;
b. Comprise no less than four hours of in person contact, and at least one hour shall take place at the adoptive parent's residence;
c. Include at least one separate interview with each member of the adoptive parent's household who is more than the age of five; and
d. Include at least one joint interview with both adoptive parents if they are married;
2. Written statements from and personal contact (either a face-to-face meeting or a telephone call) with at least three of the applicant's personal references;
3. An inquiry as to whether the applicant wishes to be listed in the Adoption Registry;
4. Verification of the applicant's financial condition through a review of one or more of the documents listed in subsection (A)(7)(g) below;
5. A request to the Department for a check of the Central Registry to determine if the applicant has a past record of substantiated allegations of child abuse or neglect;
6. An evaluation of the success of the placement of other children adopted by the applicant;
7. A review of any supporting documentation the adoption entity reasonably deems necessary to determine an applicant's fitness to adopt, including:
a. A physician's statement regarding the physical health of other adult household members and the applicant's children living in the home;
b. A statement from a psychiatrist or psychologist regarding the mental health of the applicant and the applicant's other household members;
c. Birth certificates;
d. Marriage certificate;
e. Dissolution of marriage or divorce papers and orders, including child support documentation;
f. Military discharge papers;
g. Financial statements, tax returns, pay stubs, and W-2 statements;
h. Bankruptcy papers;
i. Insurance policy information; and
j. Documentation showing Arizona residency.

**B.** A person who meets the qualifications listed in 21 A.A.C. 9, Article 2, shall perform the certification investigation and shall document all personal contacts made and all information reviewed and considered during the investigation.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-406. Certification Report and Recommendation**

**A.** Upon completion of the certification investigation, the adoption entity shall prepare a certification report under A.R.S. § 8-105.

**B.** In determining whether to recommend certification of an applicant, the adoption entity shall consider all factors bearing on fitness to adopt, including, but not limited to:
1. The factors listed in A.R.S. § 8-105;
2. The length and stability of the applicant's marital relationship, if applicable;
3. The applicant's age and health;
4. Past, significant disturbances, or events in the applicant's immediate family, such as:
a. Involuntary job separation,
b. Divorce, or death of spouse, child, or parent, and
c. History of child abuse or neglect;

5. The applicant's ability to financially provide for an adopted child; and
6. The applicant's history of providing financial support to the applicant's other children, including compliance with court-ordered child support obligations.

**C.** The certification report shall specifically note any instances where an applicant has:
1. Been charged with, been convicted of, pled no contest to, or is awaiting trial, on charges of an offense listed in A.R.S. § 41-1758.07; or
2. Been a party to a dependency, guardianship, or termination of parental rights action.

**D.** If the report recommends denial of certification, the adoption entity shall send the applicant written notice of the unfavorable recommendation, the reason for the denial, and an explanation of the applicant's right under A.R.S. § 8-105, to petition the court for review. The adoption entity shall mail the notice to the applicant at least five work days prior to filing the certification report with the Court.

**E.** The adoption entity may notify the adoptive parent of the Court's certification decision if the Court fails to do so.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-407. Renewal of Certification**

**A.** A certified adoptive parent who has not filed a petition for adoption within one year of the original certification order, may apply for an extension of certification, as provided in A.R.S. § 8-105.

**B.** If the Court directs an adoption entity to investigate a certified adoptive parent who has requested a renewal of certification, the entity shall obtain from the adoptive parent seeking renewal:
1. A copy of the request for renewal of certification;
2. An updated profile of any changes in the certified adoptive parent's social, family, medical, and financial circumstances;
3. New fingerprint clearance per Court requirements, following original certification;
4. A current physical health statement for all members of the adoptive parent's household at least every third year following original certification; and
5. Other information as the Court may request.

**C.** When investigating a request for a renewal of certification, the adoption entity shall, at a minimum, complete the following:
1. Conduct an in person interview at the applicant's home with the applicant and the applicant's other household members more than the age of five years,
2. Investigate any change in circumstances described in the request for renewal as necessary to determine continuing fitness to adopt, and
3. Document all actions.

**D.** Upon completion of the renewal investigation, the adoption entity shall prepare and file with the Court a certification investigation that shall contain a recommendation for or against renewal of certification.

**E.** If the adoption entity recommends that certification not be renewed, the entity shall send the adoptive parent the notice in R21-5-406(D).

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-408. Communication with Adoptive Parents Awaiting Placement**

Upon request, an adoption entity shall inform an adoptive parent awaiting placement of a child of the following:
1. The status of the adoptive parent's case;
2. The number of children the adoption entity currently has available for adoption;
3. The number of times the adoptive parent has been considered for the placement of a child;
4. The number of approved adoptive parents awaiting placement of a child through the adoption entity; and
5. The number of placements the adoption entity made in the prior year, the number of placements the adoption entity has made to date in the current year, and the number of placements the adoption entity anticipates making during the remainder of the current year.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-409. Prohibitions Regarding Birth Parents**

An adoption entity shall not:
1. Promise a birth parent that the birth parent shall have future contact with the child or the adoptive parent but may explain the concept of open adoption;
2. Promise a birth parent that the child will be placed with a specific adoptive parent or type of adoptive parent, except in a direct placement adoption. The adoption entity may advise the parent that it will use the entity's best efforts to honor any placement preferences the birth parent may have, to the extent that such preferences are consistent with the best interests of the child;
3. Promise a birth parent any financial or other consideration prohibited by law; or
4. Do or say anything to coerce or pressure a birth parent to sign a consent to adopt.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-410. Information about Birth Parents**

**A.** Before accepting a child for placement, the adoption entity shall make a good faith effort to obtain the following information described in this Section from the child's birth parent, or person having custody of the child:
1. Information about each birth parent including:
   a. Name and any aliases used;
   b. Address, phone number, and residential history;
   c. Date and place of birth;
   d. Social security number;
   e. Race, citizenship, and any Native American tribal affiliation or membership;
   f. Physical description;
   g. Name of current employer and employment history;
   h. Educational history;
   i. Marital history and status;
   j. Record of other births and children born to the birth parent;
   k. Hobbies;
   l. Future plans;
   m. Record of arrests or convictions;
   n. Medical, psychological, and substance use history;

o. For the birth mother, history of prenatal care, gestational substance or drug abuse, pregnancy, and delivery;
p. Immediate family relationships; and
q. Significant family events.

2. An explanation of the birth parent's decision to place the child for adoption, the factors that influenced the decision, and a record of any counseling the birth parent received concerning the decision.
3. A record of the birth parent's contact with the child.
4. A statement of the birth parent's feelings about future contact with the child.
5. A list of the birth parent's preferences regarding an adoptive home for the child.
6. Medical or psychological history on the birth parent's own parents, siblings, grandparents, aunts, uncles, and first cousins.
7. Information on the child being surrendered for adoption, as appropriate to the age of the child and the child's:
   a. Developmental history,
   b. Medical and psychological history,
   c. Family background,
   d. Educational history, and
   e. Membership in or affiliation with any Native American tribe.
8. A listing of the birth parent's insurance policies, including:
   a. Any insurance that may be available to cover the medical expenses of the birth mother or adoptive child; and
   b. The name of the insured, the insurance policy number, and the effective dates of coverage.

**B.** The adoption entity shall document all statements and information in a permanent record.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-411. Pre-consent Conference with Birth Parents**

**A.** The adoption entity shall have a pre-consent conference with each birth parent who must provide consent to adoption under A.R.S. § 8-106, to explain in a language and form that each birth parent can understand the following:
1. The legal and practical consequences of executing a consent, including:
   a. Applicable ICWA provisions; and
   b. The fact that the consent, and all other affidavits executed in connection with an adoption, are executed under penalty of perjury;
2. The irrevocability and inalterability of a consent;
3. The legal prohibition against paying the birth parent to execute a consent;
4. The fact that the birth parent has no obligation to sign the consent; and
5. The provisions of A.R.S. § 8-106, regarding an affidavit of any potential father.

**B.** The pre-consent conference shall occur:
1. No earlier than 12 hours after the birth of a child if the conference was not held before the birth under subsection (B)(2);
2. No earlier than 60 days before the anticipated due date, if the conference is held before the child's birth;
3. At least 24 hours before presenting a birth parent with the consent form for signature; and
4. At a time that takes into account the known medical and emotional condition of each available birth parent.

**C.** The person conducting the pre-consent conference shall provide the birth parent with a sample consent form and shall convey the information described in subsection (A) in a language and form that the birth parent can understand.

**D.** The person conducting the pre-consent conference shall document that the information was given and understood and shall obtain the birth parent's signature on the documentation. If the conference is by telephone under subsection (E), the person may obtain the signature through the mail at a later date. If the conference is not held, the person shall document the reason under subsection (E).

**E.** The pre-consent conference may be by telephone and is not required if the birth parent cannot be located or refuses to participate in the conference. The adoption entity shall document the reason why the conference did not occur.

**F.** If required to obtain a consent from a birth father under A.R.S. § 8-106, the adoption entity shall, prior to obtaining the birth father's signature, advise the birth father of the matters listed in subsection (A) in a form and language the birth father can understand. The adoption entity shall include the advice listed in subsection (A) on the consent form.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-412. Consent to Adopt; Unknown Birth Parent**

**A.** A person who obtains a birth parent's signature on a consent shall not do so until the person reasonably determines:
1. That the requirements of R21-5-411 have been met;
2. That the birth parent is not acting under duress;
3. That the birth parent is physically and mentally capable of exercising informed consent; and
4. That the birth parent has revealed all information known about the identity and location of the other birth parent.

**B.** No one shall advise a birth parent to falsely state that he or she does not know the identity or location of the other birth parent.

**C.** When a birth parent professes not to know the identity or location of the other birth parent, the person taking the consent shall explain the risks and consequences of this response, including the following:
1. Potential invalidation of the adoption;
2. Potential detriment to the child's social and physical well-being, due to lack of information concerning the unidentified birth parent's social and medical history; and
3. Potential penalties for perjury.

**D.** When a birth parent knows, but refuses to disclose, the identity or location of the other birth parent, the adoption entity shall advise the birth parent as provided in subsection (C) and shall also explain that the Court may refuse to finalize the adoption.

**E.** The adoption entity shall document all action taken in compliance with this Section.

**F.** The adoption entity shall give the birth parent a copy of the consent and retain a copy in the permanent adoption file.

**G.** The adoption entity shall request a search of the confidential putative fathers registry of information that the Arizona Department of Health Services maintains under A.R.S. § 8-106.01 when:
1. A birth father's identity is unknown or undisclosed, and
2. The adoption entity believes that a search of the putative fathers registry may prevent disruption of a placement or an adoption.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-413. Adoptable Child: Assessment and Service Plan**

**A.** Prior to selecting an adoptive placement for an adoptable child, the adoption entity shall:
1. Assess the child's medical, psychological, social, and developmental needs;
2. Design an adoptive family profile consistent with the child's needs and best interests;
3. Develop a written service plan; and
4. Assess whether the child is a potential candidate for an adoption subsidy.

**B.** The service plan shall, at a minimum, include:
1. Placing the child on the Adoption Registry if there is no adoptive parent readily available to adopt the child;
2. Giving the child a developmentally appropriate explanation of the adoption process.

**C.** The adoption entity shall provide the child with services in accordance with the child's service plan.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-414. Placement Determination**

**A.** An adoption entity shall have and follow a written policy for making placement recommendations and decisions in both direct placement and adoption placement adoptions.

**B.** Except as otherwise provided in subsection (C), in an agency placement adoption a team shall make the placement decision. The team shall at a minimum, include:
1. The case manager or person who assessed the adoptable child, and
2. The case manager or person who is knowledgeable about the potential adoptive parents for the adoptable child.

**C.** In international adoptions, where the case manager or person who assessed the child is out of the country and unavailable, the adoption team shall include the person who is most familiar with the adoptable child's needs.

**D.** In an agency placement adoption, an adoption entity shall place an adoptable child in the adoptive setting that best meets the child's safety, social, emotional, physical and mental health needs. In determining who can best meet the needs, the adoption entity shall consider ICWA placement preferences if applicable and the following relevant factors in no order of preference:
1. The marital status, length and stability of the marital relationship of the adoptive parent;
2. The family's ability to meet the child's emotional, physical, mental, and social needs;
3. The family's ability to financially provide for the child;
4. The wishes of a child who is 12 years of age or more;
5. Family relationships between the child and the adoptive parent's family members;
6. The placement of the child's siblings;
7. The availability of relatives, the adoptable child's former foster parents, or other significant persons to provide support to the adoptive parent and child;
8. The wishes of the child's birth parent; and
9. All information in the case files of the child and the adoptive parent.

**E.** The adoption entity shall document the placement decision.
1. For adoptions conducted pursuant to the ICPC, the documentation shall comply with the requirements of the ICPC under A.R.S. § 8-548 et seq.
2. For all other adoptions, the documentation shall include the following:
   a. The adoptive child's critical needs and characteristics that weigh most heavily in the placement determination,
   b. The names and general characteristics of those adoptive parents who most closely match the child's needs and who are seriously considered for placement, and
   c. The reasons why a particular adoptive parent chosen for placement best meets the child's needs.

**F.** For adoptions not covered by the ICPC, the adoption entity may document the placement decision in a file or placement log that is separate from the clients' case files.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-415. Provision of Information on a Placed Child**

After selecting an adoptive placement for a child, and before placing the child with the chosen adoptive parent, the adoption entity shall provide the adoptive parent with all non-identifying information available on the child, including, without limitation, the following:
1. All records concerning the child's medical, psychological, social, legal, family, and educational background;
2. All records concerning the birth parents' medical, psychological, social, legal, family, and educational background;
3. The medical and social background on the child's other immediate family members, including siblings and birth grandparents;
4. The child's plan for adoption services, as described in R21-4-413; and
5. Information on adoption subsidy that may be available for the child.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-4-416. Transportation**

An adoption entity that transports an adoptive child shall:
1. Ensure that any person who transports an adoptive child is informed of the child's medical needs and is capable of meeting any medical needs that are reasonably likely to arise during transport;
2. Not leave an adoptive child unattended during transportation if the adoptive child:
   a. Is less than seven years of age;
   b. Has a developmental disability; and
   c. Is more than seven years of age if the adoption entity has determined, and documented in the child's record, that the child is physically and emotionally incapable of traveling alone;
3. Require all persons who provide transport to carry personal identification and a written statement from the adoption entity describing the person's authority and responsibilities while performing transport duties;
4. Require proof of driver's license from any person accepting temporary or permanent responsibility for transporting an adoptive child during the course of placement;

5. Document all transportation plans and actual transportation events in the child's record;
6. All vehicles used in transporting adoptive children shall be insured;
7. Ensure that an adoptive child is properly secured in a child restraint system that meets the requirements listed in R21-9-224(E).

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-417. Placement Services**

**A.** An adoption entity shall make counseling services available to the adoptive parents' family as the entity deems reasonable and necessary to facilitate the child's acceptance into the adoptive parent's family and to preserve stability. The adoption entity may make such services available by advising the adoptive family that such services may be beneficial and referring the adoptive parent and his or her family to community resources and providers.

**B.** The adoption entity shall make information on adoption related educational and supportive resources available to adoptive parents.

**C.** The adoptive parent must sign a document stating if he or she is declining any form of adoption counseling.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-418. Post-placement Supervision: Non-foster Parent Placement**

**A.** When a child is placed for adoption with a person who is not the child's foster parent, a case manager from the adoption entity shall visit the home within 30 calendar days of the date of adoptive placement to:
1. Ensure that the adoptive parent received all available non-identifying information from the adoption entity on the child;
2. Address any questions or concerns the adoptive parent or child may have about the adoption process or placement;
3. Ensure that the family has addressed the educational needs of a school-age child; and
4. Ensure that an adoptive parent who works has made appropriate child care arrangements.

**B.** Following the initial placement visit in subsection (A), a case manager from the adoption entity shall:
1. Visit the adoptive family at least once every three months until the adoption is finalized:
   a. Except, when the adoptive child is a child with special needs, the visits shall occur at least once a month; and
   b. During the first six months following the initial placement visit, at least alternating visits shall occur at the adoptive family's home;
2. Interview all members of the adoptive family's household during the placement supervision period;
3. Discuss how the child and the adoptive parent's family are adapting, the current relationship among members of the adoptive parent's family, and the following issues with the adoptive parent if appropriate in light of the child's age and development:
   a. How the presence of the child has changed familial relationships;
   b. How the child and the extended family view each other;
   c. The role each family member has assumed regarding child care and discipline;
   d. How the adoptive parent is coping with the needs and demands of the placed child;
   e. How the child challenges or tests the placement and how the family reacts to these episodes, including any feelings of insecurity about the propriety of the family members' response;
   f. How the family perceives the child's sense of identity and the need to fill in gaps in the child's history; and
   g. How the child has adjusted to the school environment;
4. If developmentally appropriate, privately interview the child about:
   a. The child's feelings about the adoption;
   b. How the child and family are adapting; and
   c. The child's relationships with the members of the family.

**C.** The case manager shall document all contacts and communications made under this Section.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-419. Post-placement Supervision: Foster Parent Placement**

**A.** When a foster parent plans to adopt a foster child who is age 5 years or older, a case manager from the adoption entity shall privately interview the child and all members of the adoptive family household who are age 5 years or older about their feelings towards the adoption, before the adoption consent is signed.

**B.** When a child is placed for adoption with a person who has been a foster parent to the child, a case manager from the adoption entity shall conduct a home visit at least every two months from the time legal consent for adoption has been signed until the finalization of adoption unless the adoptive child is a child with special needs. If the adoptive child is a child with special needs, the case manager shall visit at least once a month.

**C.** During the visits described in subsection (B), the case manager shall:
1. If developmentally appropriate, privately interview the child to discuss a child's feelings about the adoption; and
2. Interview all members of the adoptive family household, including children, if developmentally appropriate, to discuss, as described in R21-5-418, how the child and family are adapting, and the current relationship among members of the family.

**D.** The case manager shall document all contacts and communications under this Section.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-420. Protracted Placement**

If an adoption is not finalized within two years from the date of consent, and the child is still placed in the adoptive home, the adoption entity handling the adoption shall provide the Department with written documentation explaining the reason why the adoption has

not been finalized, no later than 30 calendar days after the two-year period has ended.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-421. Finalizing the Placement**

An adoption entity shall cooperate with the adoptive parent and the attorney, if any, retained by the adoptive parent, to finalize the adoption.

1. The entity shall provide all information and documents needed to finalize the adoption and shall file a final written report to the court at least 10 days before the final adoption hearing, or at such other time as the Court may require. The report shall include the information listed in this subsection, unless the entity has already provided this information in an earlier report, and the information has not changed since the earlier report.
   a. The name and age of each adoptive parent and the relationship, if any, of each adoptive parent to the child to be adopted;
   b. The name, age, and birthplace of the child to be adopted, and whether any or all of this information is unknown to the adoptive parent;
   c. The entity or other source from which the adoptive parent received the child to be adopted;
   d. The circumstances surrounding the surrender of the child to the entity;
   e. The results of the entity's evaluation of the child and of the adoptive parent, including:
      i. A description of the care the child is receiving;
      ii. The adjustment of the child and parent; and
      iii. A summary statement of the entity's recommendation to the court regarding finalization;
   f. A full description of any property belonging to the child to be adopted;
2. For children 12 years of age and older, the adoption entity shall solicit and consider the child's wishes concerning adoption.
3. The adoption entity shall notify the AHCCCS Administration of any potential third party payer, as prescribed in A.R.S. § 36-2946, if the entity has not already done so.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4). Amended by final expedited rulemaking at 28 A.A.R. 2479 (September 23, 2022), with an immediate effective date of September 9, 2022 (Supp. 22-3).

**R21-5-422. Placement Disruption**

**A.** When a placement fails, the adoption entity shall provide services, including counseling to the adoptive parent and his or her family and child, to help them cope with the loss and separation.

**B.** An adoption entity shall have and follow written procedures for an adoptive placement disruption. The procedures shall include:

1. Provision of counseling services to the adoptive parent, his or her family, and the child as needed; and
2. Provision for placement of the child in another adoptive home or other developmentally appropriate living arrangement.

**C.** The adoptive entity shall document the reasons for the disruption and shall take such information into account when making future placements for the adoptive parent and the child.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-423. Confidentiality**

Any person or entity who participates in an adoption or provides adoption services shall comply with the confidentiality requirements under A.R.S. §§ 8-120, 8-121, and 36-2903.01.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

## ARTICLE 5. ADOPTION SUBSIDY

**R21-5-501. Definitions**

In addition to the definitions in A.R.S. §§ 8-141 and 8-501, the following definitions apply in this Article.

1. "Adoption agency" means an individual or entity, including a corporation, company, partnership, firm, association, or society, other than the Department, licensed by the Department to place a child for adoption.
2. "Adoption Specialist" means the Department of Child Safety Specialist, or adoption agency staff person, who is responsible for managing the child's case prior to the adoption finalization.
3. "Adoption subsidy" means the same as A.R.S. § 8-141, and includes nonrecurring adoption expenses under A.R.S. § 8-161 et seq. If the child qualifies, the adoption subsidy may include one or more of the following:
   a. Medical, dental, and mental health subsidy;
   b. Maintenance subsidy;
   c. Special services subsidy; and
   d. Reimbursement of nonrecurring adoption expenses.
4. "Adoption subsidy agreement" means the agreement in A.R.S. § 8-144 concerning the Adoption Subsidy Program and includes the agreement in A.R.S. § 8-162 concerning the nonrecurring adoption expense program.
5. "Adoption Subsidy Program" means a unit within the Department of Child Safety that administers the adoption subsidy.
6. "Adoption Subsidy Supervisor" means a Department employee who is responsible for the Adoption Subsidy Program within a defined geographic area, and that the Department has authorized to approve an adoption subsidy agreement.
7. "Adoptive parent" means an adult who the court has certified or approved to adopt a child, or an adult who has adopted a child.
8. "AHCCCS" means the Arizona Health Care Cost Containment System, which is the state's program for medical assistance available under Title XIX of the Social Security Act and state public insurance statutes, A.R.S. Title 36, Chapter 29.
9. "AHCCCS hospital reimbursement system" means the payment structure that AHCCCS uses to pay for inpatient and outpatient hospital services.
10. "Complete adoption subsidy application" means a packet containing the following:
    a. An "Adoptive Family Subsidy Application" form provided by the Department that the adoptive parent, the Adoption Specialist, and Adoption Specialist supervisor have completed and signed; and

b. The supporting documentation and information requested in the "Adoptive Family Subsidy Application."

11. "Debilitating" means a lifelong, progressive, or fatal condition characterized by physical, mental, or developmental impairment that impedes an individual's ability to function independently.
12. "Department" or "DCS" means the Arizona Department of Child Safety.
13. "Developmental disability" means the same as A.R.S. § 8-141.
14. "Diagnose" means to identify a physical, psychological, social, learning, or developmental condition or disability according to the accepted standards of the medical, mental health, or educational professions.
15. "Emergency situation" means a circumstance that, if unaddressed, would be detrimental to a child's life, health, or safety.
16. "Emotional disturbance" means the same as A.R.S. § 8-141.
17. "Lawfully present in the United States" means the child is a U.S. citizen, national, or an alien authorized by an appropriate federal entity or court to be present in the United States.
18. "Legally free" means the parental rights of a child's birth or legal parents have been terminated.
19. "Maintenance subsidy" means a monthly payment paid to a custodial adoptive parent to assist with the costs directly related to meeting some of the adopted child's needs, including child care, health insurance co-payments and deductibles, and supplemental educational services for the adopted child.
20. "Mental disability" means the same as A.R.S. § 8-141.
21. "Nonrecurring adoption expenses" means the same as A.R.S. § 8-161, and are reasonable and necessary expenses directly related to the legal process of adopting a child with special needs. Allowable expenses include adoption fees, court costs, attorney's fees, fingerprinting fees, home study fees, costs for physical and psychological examinations, costs for placement supervision, and travel expenses necessary to complete the adoption.
22. "Physical disability" means the same as A.R.S. § 8-141.
23. "Qualified professional" means a practitioner licensed or certified by the state of Arizona or another state to evaluate and diagnose a condition or disability, or provide medical, dental, mental health services, or approved by the Department to provide educational or respite services.
24. "Sibling relationship" means two or more brothers or sisters who are related by blood or by law, and who are being adopted by the same family.
25. "Special allowance" means funds provided for clothing or personal expenses, therapeutic or personal attendant care, and other specialized payments such as emergency clothing, education, and gift allowances.
26. *"Special needs" means one or more of the following conditions which existed before the finalization of adoption:*
    a. Physical, mental or developmental disability.
    b. Emotional disturbance.
    c. High risk of physical or mental disease.
    d. High risk of developmental disability.
    e. Age of six or more years at the time of application for an adoption subsidy.
    f. Sibling relationship.
    g. Racial or ethnic factors.
    h. High risk of severe emotional disturbance if removed from the care of his foster parents.
    *i. Any combination of the special needs described in this paragraph.* A.R.S. § 8-141.
27. "Special services subsidy" means financial assistance for extraordinary, infrequent, or uncommon needs related to a special needs condition specified in the adoption subsidy agreement.
28. "Standard of care" means a medical or psychological procedure or process that is accepted as treatment for a specific illness, injury, medical, dental, learning, or psychological condition through custom, peer review, or consensus by the professional medical, dental, educational, or mental health community.
29. "Title IV-E" means section 473 of Title IV of the Social Security Act, 42 U.S.C. 673, which establishes the federal adoption assistance program.
30. "Title XIX" means Medicaid, as defined by Section 1900, Title XIX, of the Social Security Act, 42 U.S.C. 1396.
31. "Title XX" means the Social Services Block Grant, as defined by Section 2001, Title XX, of the Social Security Act, 42 U.S.C. 1397.
32. "Undiagnosed pre-existing special need condition" means a physical, mental or developmental disability or emotional disturbance that existed before a court finalized the child's adoption, and that a qualified professional did not confirm before the child's adoption.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-502. Eligibility Criteria**

**A.** The Department shall determine if a child qualifies for the Title IV-E adoption assistance program prior to determining whether the child qualifies for the Adoption Subsidy Program.

**B.** A child shall qualify for Title IV-E adoption assistance if the child meets the additional eligibility criteria required in 42 U.S.C. 673(a)(2). If the child does not meet the additional criteria in Title IV-E, the child may still be eligible to receive adoption subsidy under subsection (C).

**C.** An Arizona child shall be eligible for adoption subsidy when the child is:
1. In the care, custody, and control of the Department, or an adoption agency licensed in Arizona, or was previously adopted and received Title IV-E or Arizona adoption subsidy;
2. Legally free for adoption;
3. Lawfully present in the United States; and
4. Determined to be a child with special needs as defined by Title IV-E of the Social Security Act, and A.R.S. Title 8, Chapter 1, Articles 2 and 3 as follows:
    a. The child cannot or should not be returned to the parent's home;
    b. The child cannot be placed with adoptive parents without an adoption subsidy due to a special need of the child; and
    c. A reasonable but unsuccessful effort was made to place the child without an adoption subsidy, unless the Department determined that it was not in the child's best interest to place the child with another family because of the child's significant emotional ties with the prospective adoptive parent while in their care as a foster child.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-503. Application for Adoption Subsidy**

**A.** The adoptive parent shall submit a complete adoption subsidy application to the Department Adoption Subsidy Program prior to the finalization of the adoption. A complete adoption subsidy application shall include the following:
1. The child's:
   a. Name;
   b. Date of birth;
   c. Social Security Number; and
   d. Ethnicity;
2. The adoptive parents':
   a. Name;
   b. Date of birth;
   c. Social Security Number;
   d. Ethnicity;
   e. Marital status;
   f. Occupation;
   g. Relationship to the child;
   h. Adoption certification status;
3. Information about:
   a. The child's special needs;
   b. Whether the child is lawfully present in the U.S.;
   c. The Department or the adoption agency that has custody of the child;
   d. Whether the child is free for adoption;
   e. Efforts to place the child for adoption without adoption subsidy;
   f. Resources for which the child is eligible; and
   g. Financial benefits for which the child is eligible; and
4. Description of:
   a. The child's pre-existing special need conditions;
   b. The need for maintenance payments; and
   c. Nonrecurring expenses.
5. The adoptive parent shall include the following documentation:
   a. The child's specific special need identified by a qualified professional;
   b. The child's need for a maintenance subsidy from:
      i. The adoptive parent,
      ii. Adoption Specialist, and
      iii. A qualified professional;
   c. The child's lawful presence in the United States if the child is not a U.S. citizen;
   d. The child's pre-existing medical, dental, and mental health conditions as documented by a qualified professional:
      i. Current within one year, or
      ii. Provided in birth records; and
6. Assurances that the following information is available in the adoption case record:
   a. The Department or adoption agency that has custody of the child,
   b. That the child is free for adoption, and
   c. Efforts to place the child for adoption without adoption subsidy.

**B.** An adoption subsidy application is complete when the Adoption Subsidy Program receives the application and all supporting documentation. Documentation may vary according to the conditions of the child, and may include the recommendations of qualified professionals.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-504. Eligibility Determination**

The Department shall review the adoption subsidy application and determine eligibility according to the following:
1. The Department shall approve eligibility for adoption subsidy if a child meets the eligibility criteria listed in R21-5-502 and the adoptive parent submits a complete application. If the Department approves eligibility, the Department shall create an adoption subsidy agreement that the adoptive parent and the Adoption Subsidy Supervisor or designee shall sign before the court enters the final order of adoption.
2. The Department shall deny eligibility for an adoption subsidy if a child does not meet the eligibility criteria listed in R21-5-502. If the Department denies an adoption subsidy, the Department shall send a notice to the adoptive parent that explains the reason for denial, the applicant's right to appeal, and the time-frame to file an appeal.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-505. Adoption Subsidy Agreement**

**A.** The Department shall create an adoption subsidy agreement that lists the scope and nature of the subsidies provided, including:
1. The child's documented pre-existing special needs condition,
2. The types of subsidy approved,
3. The amount or rates as applicable to the types of subsidy approved, and
4. The specific terms and conditions of the agreement.

**B.** The adoption subsidy agreement shall become effective if the following occurs prior to the finalization of the adoption:
1. The adoptive parent signs the agreement and returns it to the Department Adoption Subsidy Program, and
2. The Adoption Subsidy Supervisor or designee signs the agreement.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-506. Medical, Dental, and Mental Health Subsidy**

Adoption subsidy provides medical, dental, and mental health subsidies in the form of federal Medicaid coverage to a child in the Adoption Subsidy Program.
1. If the child resides in Arizona, AHCCCS determines eligibility; or
2. If the child resides in another state, the relevant state agency in that state determines Medicaid eligibility.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-507. Maintenance Subsidy**

**A.** The maintenance subsidy may not cover all the daily living expenses of the adopted child. The Department and the adoptive parent shall negotiate the amount of maintenance subsidy based on a child's current special needs and the family's circumstances.

1. Under A.R.S. § 8-144(B), the amount of the maintenance subsidy shall not exceed the payments allowable for foster care, not including foster care special allowances.
2. The Department shall deduct private or public monetary benefits, such as benefits received through Title II of the Social Security Act, paid to the child from the monthly maintenance subsidy, as allowed under state or federal law. The adoptive parent shall report the receipt of any private or public monetary benefits for the child to the Adoption Subsidy Program as soon as the benefits are received.

**B.** Payment of Maintenance Subsidy
1. The Department shall not begin maintenance subsidy payments prior to the effective date of the adoption subsidy agreement.
2. The Department shall issue maintenance subsidy payments monthly to the adoptive parent as specified in the adoption subsidy agreement.

**C.** Renegotiation of the Maintenance Rate
1. The Department or the adoptive parent may initiate a change in the maintenance subsidy rate if there are changes in the child's needs.
2. The Department may renegotiate the amount of the adoption subsidy; however, the rate shall not exceed the payments allowable for foster care, not including foster care special allowances.
3. The adoptive parent shall provide the Department with documentation supporting the requested change in the maintenance subsidy rate.
4. If the child is in the care or custody of a state agency in Arizona or any other state, an adoption agency, or an individual other than the adoptive parent, the Department shall request, and the adoptive parent shall provide, documentation that the adoptive parent continues to be legally and financially responsible for the child.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-508. Special Services Subsidy**

**A.** Special services subsidy shall be:
1. Related to a special needs condition listed in the adoption subsidy agreement; and
2. Necessary to improve or maintain the adopted child's functioning as documented by an appropriate qualified professional. The Adoption Subsidy Program shall review the documentation at least annually.

**B.** Services approved for the payment of special services subsidy shall be:
1. Provided by a qualified professional;
2. Provided in the least restrictive environment and as close as possible to the adoptive parent's residence;
3. In accordance with the "Standard of Care"; and
4. Not otherwise covered by or provided through maintenance subsidy, medical subsidy, dental subsidy, mental health subsidy, or other resources for which the adopted child is eligible.

**C.** The adoptive parent shall submit the special services request to the Adoption Subsidy Program and receive approval from the Adoption Subsidy Program prior to the adoptive parent's incurring the specified expense. The request shall include:
1. Documentation from a qualified professional that the service is necessary; and
2. Documentation that the adoptive parent had requested the service and the service provider had denied the request or documentation that the service is not available from other potential funding sources, such as AHCCCS/Medicaid, private insurance, school district, or other community resources.

**D.** Special services subsidy shall not include:
1. Payment for services to meet needs other than the pre-existing special needs conditions specifically listed in the adoption subsidy agreement;
2. Payment for medical or dental services usually considered to be routine, such as well-child checkups, immunizations, and other services not related to the child's special needs conditions in the adoption subsidy agreement;
3. Payment for health-related services that are not medically necessary, as determined by a qualified professional;
4. Payment for social or recreational services such as routine child care, dance lessons, sports fees, camps, and similar services; and
5. Payment for educational services that are not necessary to meet the special needs conditions specifically listed in the adoption subsidy agreement, or the services for which the school district is responsible.

**E.** The Department may request an independent review by a qualified professional of a special services request to determine the necessity for medical, dental, psychological, or psychiatric testing or services, or to evaluate the appropriateness of the treatment plan or placement.

**F.** The Department may issue reimbursements to the adoptive parent for approved special services, or the Department may pay the service provider directly.

**G.** Special services subsidy reimbursement is limited as follows:
1. The Department shall reimburse in-state and out-of-state inpatient and outpatient hospital services according to the AHCCCS hospital reimbursement system, as required by A.R.S. § 8-142.01(A), if the adoptive parent has obtained prior approval for the service from the Department. Prior approval is not required in an emergency situation.
2. The Department shall not reimburse special services subsidy amounts in excess of the rates allowed by the Department or AHCCCS. The Department shall use the lowest applicable rates as established by AHCCCS, the Department's Comprehensive Medical and Dental Program (CMDP), or rates established by the Adoption Subsidy Program to be customary and reasonable.
3. The Department shall not pay for requests that the adoptive parent or provider submits more than nine months after the date of service for which the adoptive parent or provider requests payment.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-509. Nonrecurring Adoption Expenses**

**A.** Nonrecurring adoption expenses shall not cover expenses related to visiting and placing the child.

**B.** Reimbursement of nonrecurring adoption expenses is subject to the limitations in A.R.S. § 8-164.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-510. Annual Review; Reporting Change**

**A.** Each year, the Department shall send a review form to the adoptive parent requesting that the adoptive parent provide:
1. Information indicating that the parent remains legally and financially responsible for the child;
2. Information on any change in benefits for the child, such as benefits received through Title II of the Social Security Act;
3. Information on any change in circumstances, including changes in residence, marital status, educational status, or other similar changes; and
4. A description of any changes in the child's special needs conditions that are listed in the adoption subsidy agreement.

**B.** The adoptive parent shall provide the Department with the requested information within 30 days of the adoptive parent's receipt of the review form.

**C.** The adoptive parent shall notify the Department in writing within five calendar days when any of the following occurs:
1. The adoptive parent is no longer legally responsible for the child;
2. The adoptive parent is no longer providing support to the child;
3. The child is no longer residing in the adoptive parent's home;
4. The child has graduated from high school or obtained a general equivalency degree (GED);
5. The child has married;
6. The child has joined the military; or
7. The child dies.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-511. Termination of Adoption Subsidy**

The Department shall terminate an adoption subsidy when any of the following occurs:
1. The child turns 18 years old and is not enrolled in and attending high school or a program leading to a high school diploma or general equivalency degree (GED);
2. The child is aged 18 through 21 years, has been continuously enrolled in school, and either drops out of school, graduates from high school, or obtains a general equivalency degree (GED);
3. The child turns 22 years old;
4. The adoptive parent is no longer legally responsible for the child;
5. The adoptive parent is no longer providing support to the child;
6. The child marries;
7. The child joins the military;
8. The special needs conditions of the child no longer exist;
9. The child dies;
10. The adoptive single parent or both adoptive parents die; or
11. The adoptive parent requests termination.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-512. New or Amended Adoption Subsidy Agreement**

An adoptive parent may apply for a new or amended adoption subsidy agreement after the adoption is final, only upon documentation of an undiagnosed pre-existing special needs condition that existed before the finalization of the adoption.
1. The adoptive parent shall send the Department a written request for adoption subsidy with documentation from a qualified professional diagnosing the special needs condition and confirming that it existed before the final order of adoption.
2. The adoptive parent and the Department shall follow the procedures in this Article for processing applications and determining eligibility.
3. If the Department finds that the child has an undiagnosed pre-existing special needs condition that, if diagnosed prior to the adoption, would have met the eligibility criteria listed in R21-5-502, the Department shall grant a new subsidy or amend the adoption subsidy agreement to cover this special needs condition.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-513. Appeals**

Appeals for the Adoption Subsidy Program shall follow the process in 21 A.A.C. 1, Article 3.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-514. Confidentiality**

The Department shall maintain the confidentiality of all information used in the Adoption Subsidy Program according to all applicable federal and state laws.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

# 8-453. Powers and duties

A. The director shall:

1. Carry out the purposes of the department prescribed in section 8-451.

2. Provide transparency by being open and accountable to the public for the actions of the department.

3. Develop a data system that enables persons and entities that are charged with a responsibility relating to child safety to access all relevant information relating to an abused, neglected or abandoned child as provided by law.

4. Subject to title 41, chapter 4, article 4 and, as applicable, articles 5 and 6, employ deputy directors and other key personnel based on qualifications that are prescribed by the director.

5. Adopt rules to implement the purposes of the department and the duties and powers of the director.

6. Petition, as necessary to implement the case plan established under section 8-824 or 8-845, for the appointment of a guardian or a temporary guardian under title 14, chapter 5 for children who are in the custody of the department pursuant to court order. Persons applying to be guardians or temporary guardians under this section shall be fingerprinted. A foster parent or certified adoptive parent already fingerprinted is not required to be fingerprinted again, if the foster parent or certified adoptive parent is the person applying to be the guardian or temporary guardian.

7. Cooperate with other agencies of this state, county and municipal agencies, faith-based organizations and community social services agencies, if available, to achieve the purposes of this chapter.

8. Exchange information, including case specific information, and cooperate with the department of economic security for the administration of the department of economic security's programs.

9. Administer child welfare activities, including:

(a) Cross-jurisdictional placements pursuant to section 8-548.

(b) Providing the cost of care of:

(i) Children who are in temporary custody, are the subject of a dependency petition or are adjudicated by the court as dependent and who are in out-of-home placement, except state institutions.

(ii) Children who are voluntarily placed in out-of-home placement pursuant to section 8-806.

(iii) Children who are the subject of a dependency petition or are adjudicated dependent and who are in the custody of the department and ordered by the court pursuant to section 8-845 to reside in an independent living program pursuant to section 8-521.

(c) Providing services for children placed in adoption.

10. Formulate policies, plans and programs to effectuate the missions and purposes of the department.

11. Make contracts and incur obligations within the general scope of the department's activities and operations subject to the availability of funds.

12. Coordinate with, contract with or assist other departments, agencies and institutions of this state and local and federal governments in the furtherance of the department's purposes, objectives and programs.

13. Accept and disburse grants, matching funds and direct payments from public or private agencies for the conduct of programs that are consistent with the overall purposes and objectives of the department.

14. Collect monies owed to the department.

15. Act as an agent of the federal government in furtherance of any functions of the department.

16. Carry on research and compile statistics relating to the child welfare program throughout this state, including all phases of dependency.

17. Cooperate with the superior court in all matters related to this title and title 13.

18. Provide the cost of care and transitional independent living services for a person under twenty-one years of age pursuant to section 8-521.01.

19. Ensure that all criminal conduct allegations and reports of imminent risk of harm are investigated.

20. Ensure the department's compliance with the Indian child welfare act of 1978 (P.L. 95-608; 92 Stat. 3069; 25 United States Code sections 1901 through 1963).

21. Strengthen relationships with tribal child protection agencies or programs.

B. The director may:

1. Take administrative action to improve the efficiency of the department.

2. Contract with a private entity to provide any functions or services pursuant to this title.

3. Apply for, accept, receive and expend public and private gifts or grants of money or property on the terms and conditions as may be imposed by the donor and for any purpose provided for by this title.

4. Reimburse department volunteers, designated by the director, for expenses in transporting clients of the department on official business. Volunteers reimbursed for expenses are not eligible for workers' compensation under title 23, chapter 6.

C. The department shall administer individual and family services, including sections on services to children and youth and other related functions in furtherance of social service programs under the social security act, as amended, title IV, parts B and E, grants to states for aid and services to needy families with children and for child-welfare services, title XX, grants to states for services and other related federal acts and titles.

D. Notwithstanding any other law, a state or local governmental agency or a private entity is not subject to civil liability for the disclosure of information that is made in good faith to the department pursuant to this section.

E. Notwithstanding section 41-192, the department may employ legal counsel to provide legal advice to the director. The attorney general shall represent the department in any administrative or judicial proceeding pursuant to title 41, chapter 1, article 5.

F. The total amount of state monies that may be spent in any fiscal year by the department for foster care as provided in subsection A, paragraph 9, subdivision (b) of this section may not exceed the amount appropriated or authorized by section 35-173 for that purpose. This section does not impose a duty on an officer, agent or employee of this state to discharge a responsibility or create any right in a person or group if the discharge or right would require an expenditure of state monies in excess of the expenditure authorized by legislative appropriation for that specific purpose.

# 8-548. Enactment of compact; terms

The interstate compact on the placement of children is hereby enacted into law and entered into with all other jurisdictions legally joining therein in the form substantially as follows:

ARTICLE I. PURPOSE AND POLICY

It is the purpose and policy of the party states to cooperate with each other in the interstate placement of children to the end that:

(a) Each child requiring placement shall receive the maximum opportunity to be placed in a suitable environment and with persons or institutions having appropriate qualifications and facilities to provide a necessary and desirable degree and type of care.

(b) The appropriate authorities in a state where a child is to be placed may have full opportunity to ascertain the circumstances of the proposed placement, thereby promoting full compliance with applicable requirements for the protection of the child.

(c) The proper authorities of the state from which the placement is made may obtain the most complete information on the basis of which to evaluate a projected placement before it is made.

(d) Appropriate jurisdictional arrangements for the care of children will be promoted.

ARTICLE II. DEFINITIONS

As used in this compact:

(a) "Child" means a person who, by reason of minority, is legally subject to parental, guardianship or similar control.

(b) "Sending agency" means a party state, officer or employee thereof; a subdivision of a party state, or officer or employee thereof; a court of a party state; a person, corporation, association, charitable agency or other entity which sends, brings or causes to be sent or brought any child to another party state.

(c) "Receiving state" means the state to which a child is sent, brought or caused to be sent or brought, whether by public authorities or private persons or agencies, and whether for placement with state or local public authorities or for placement with private agencies or persons.

(d) "Placement" means the arrangement for the care of a child in a family free or boarding home or in a child-caring agency or institution but does not include any institution caring for the mentally ill, mentally defective or epileptic or any institution primarily educational in character, and any hospital or other medical facility.

ARTICLE III. CONDITIONS FOR PLACEMENT

(a) No sending agency shall send, bring, or cause to be sent or brought into any other party state any child for placement in foster care or as a preliminary to a possible adoption unless the sending agency shall comply with each and every requirement set forth in this article and with the applicable laws of the receiving state governing the placement of children therein.

(b) Prior to sending, bringing or causing any child to be sent or brought into a receiving state for placement in foster care or as a preliminary to a possible adoption, the sending agency shall furnish the appropriate public authorities in the receiving state written notice of the intention to send, bring, or place the child in the receiving state. The notice shall contain:

(1) The name, date and place of birth of the child.

(2) The identity and address or addresses of the parents or legal guardian.

(3) The name and address of the person, agency or institution to or with which the sending agency proposes to send, bring, or place the child.

(4) A full statement of the reasons for such proposed action and evidence of the authority pursuant to which the placement is proposed to be made.

(c) Any public officer or agency in a receiving state which is in receipt of a notice pursuant to paragraph (b) of this article may request of the sending agency, or any other appropriate officer or agency of or in the sending agency's state, and shall be entitled to receive therefrom, such supporting or additional information as it may deem necessary under the circumstances to carry out the purpose and policy of this compact.

(d) The child shall not be sent, brought, or caused to be sent or brought into the receiving state until the appropriate public authorities in the receiving state shall notify the sending agency, in writing, to the effect that the proposed placement does not appear to be contrary to the interests of the child.

ARTICLE IV. PENALTY FOR ILLEGAL PLACEMENT

The sending, bringing, or causing to be sent or brought into any receiving state of a child in violation of the terms of this compact shall constitute a violation of the laws respecting the placement of children of both the state in which the sending agency is located or from which it sends or brings the child and of the receiving state. Such violation may be punished or subjected to penalty in either jurisdiction in accordance with its laws. In addition to liability for any such punishment or penalty, any such violation shall constitute full and sufficient grounds for the suspension or revocation of any license, permit, or other legal authorization held by the sending agency which empowers or allows it to place, or care for children.

ARTICLE V. RETENTION OF JURISDICTION

(a) The sending agency shall retain jurisdiction over the child sufficient to determine all matters in relation to the custody, supervision, care, treatment and disposition of the child which it would have had if the child had remained in the sending agency's state, until the child is adopted, reaches majority, becomes self-supporting or is discharged with the concurrence of the appropriate authority in the receiving state. Such jurisdiction shall also include the power to effect or cause the return of the child or its transfer to another location and custody pursuant to law. The sending agency shall continue to have financial responsibility for support and maintenance of the child during the period of the placement. Nothing contained herein shall defeat a claim of jurisdiction by a receiving state sufficient to deal with an act of delinquency or crime committed therein.

(b) When the sending agency is a public agency, it may enter into an agreement with an authorized public or private agency in the receiving state providing for the performance of one or more services in respect of such case by the latter as agent for the sending agency.

(c) Nothing in this compact shall be construed to prevent a private charitable agency authorized to place children in the receiving state from performing services or acting as agent in that state for a private charitable agency of the sending state; nor to prevent the agency in the receiving state from discharging financial responsibility for the support and maintenance of a child who has been placed on behalf of the sending agency without relieving the responsibility set forth in paragraph (a) hereof.

ARTICLE VI. INSTITUTIONAL CARE OF DELINQUENT CHILDREN

A child adjudicated delinquent may be placed in an institution in another party jurisdiction pursuant to this compact, but no such placement shall be made unless the child is given a court hearing on notice to the parent or guardian with opportunity to be heard, prior to his being sent to such other party jurisdiction for institutional care and the court finds that:

1. Equivalent facilities for the child are not available in the sending agency's jurisdiction; and

2. Institutional care in the other jurisdiction is in the best interest of the child and will not produce undue hardship.

ARTICLE VII. COMPACT ADMINISTRATOR

The executive head of each jurisdiction party to this compact shall designate an officer who shall be general coordinator of activities under this compact in his jurisdiction and who, acting jointly with like officers of other party jurisdictions, shall have power to promulgate rules and regulations to carry out more effectively the terms and provisions of this compact.

ARTICLE VIII. LIMITATIONS

This compact shall not apply to:

(a) The sending or bringing of a child into a receiving state by his parent, step-parent, grandparent, adult brother or sister, adult uncle or aunt, or his guardian and leaving the child with any such relative or non-agency guardian in the receiving state.

(b) Any placement, sending or bringing of a child into a receiving state pursuant to any other interstate compact to which both the state from which the child is sent or brought and the receiving state are party, or to any other agreement between said states which has the force of law.

ARTICLE IX. ENACTMENT AND WITHDRAWAL

This compact shall be open to joinder by any state, territory or possession of the United States, the District of Columbia, the Commonwealth of Puerto Rico, and, with the consent of Congress, the government of Canada or any province thereof. It shall become effective with respect to any such jurisdiction when such jurisdiction has enacted the same into law. Withdrawal from this compact shall be by the enactment of a statute repealing the same, but shall not take effect until two years after the effective date of such statute and until written notice of the withdrawal has been given by the withdrawing state to the governor of each other party jurisdiction. Withdrawal of a party state shall not affect the rights, duties and obligations under this compact of any sending agency therein with respect to a placement made prior to the effective date of withdrawal.

ARTICLE X. CONSTRUCTION AND SEVERABILITY

The provisions of this compact shall be liberally construed to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state party thereto, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters.

## 8-548.01. Financial responsibility

Financial responsibility for any child placed pursuant to the provisions of the interstate compact on the placement of children shall be determined in accordance with the provisions of article V.

## 8-548.02. Interstate compact administrator

Pursuant to the compact the governor shall designate the director of the department as the compact administrator. The compact administrator, acting jointly with like officers of other party states, shall promulgate rules and regulations to carry out more effectively the terms of the compact. The compact administrator shall cooperate with all departments, agencies and officers of and in the government of this state and its subdivisions in facilitating the proper administration of the compact or of any supplementary agreement or agreements entered into by this state thereunder.

## 8-548.03. Supplementary agreements

The compact administrator shall have authority to enter into supplementary agreements with appropriate officials of other states pursuant to the compact. In the event that such supplementary agreement requires or contemplates the use of any institution or facility of this state or requires or contemplates the provision of any service by this state, the supplementary agreement shall have no force or effect until approved by the head of the department or agency under whose jurisdiction the institution or facility is operated or whose department or agency will be charged with the rendering of the service.

## 8-548.04. Financial arrangements

The compact administrator, subject to the approval of the director of the department of administration, may make or arrange for any payments necessary to discharge any financial obligations imposed upon this state by the compact or by any supplementary agreement entered into thereunder.

## 8-548.05. Visitation, inspection and supervision

Any requirements for visitation, inspection or supervision of children, homes, institutions or other agencies in another party state which may apply under sections 8-501, 8-503 through 8-520 and 8-813 shall be deemed to be met if performed pursuant to an agreement entered into by appropriate officers or agencies of this state as contemplated by paragraph (b) of article V of the interstate compact on the placement of children.

## 8-548.06. Responsibilities of state departments, agencies and officers

The courts, departments, agencies and officers of this state and its subdivisions shall enforce this compact and shall do all things appropriate to the effectuation of its purposes and intent which may be within their respective jurisdictions.

**DEPARTMENT OF CHILD SAFETY**
Title 21, Chapter 5, Articles 3 & 4

# GOVERNOR'S REGULATORY REVIEW COUNCIL

## ATTORNEY MEMORANDUM - FIVE-YEAR REVIEW REPORT

---

**MEETING DATE: July 1, 2025**

**TO:** Members of the Governor's Regulatory Review Council (Council)

**FROM:** Council Staff

**DATE:** June 10, 2025

**SUBJECT:** **DEPARTMENT OF CHILD SAFETY**
Title 21, Chapter 5, Article 3 & 4

---

**Summary**

This Five-Year Review Report (5YRR) from the Department of Child Safety (Department) relates to seven (7) rules in Title 21, Chapter 5, Article 3 regarding Department Adoption Services and twenty-three (23) rules in Title 21, Chapter 5, Article 4 regarding Adoption Entity Services. Specifically, the Department is the state agency that provides child welfare services, which includes adoption services, and is authorized by Arizona Revised Statutes to promote the placement of children in permanent adoptive homes. The Department provides adoption services, contracts with private agencies to recruit adoptive homes, and licenses adoption agencies (Title 21, Chapter 9) in Arizona. The goal of adoption services is to place children with qualified adoptive parents in a permanent adoptive home.

The Department completed its proposed course of action from its prior 5YRR, which was approved by the Council in June 2020. Specifically, the Department indicates rule R21-5-421(1) was amended by final expedited rulemaking at 28 A.A.R. 2479, with an immediate effective date of September 9, 2022 to create consistency between rule and statute pertaining to when a court report must be submitted prior to a final adoption hearing.

**Proposed Action**

In the current report, the Department is not proposing to take any action regarding the rules.

**1. Has the agency analyzed whether the rules are authorized by statute?**

The Department cites both general and specific statutory authority for these rules.

**2. Summary of the agency's economic impact comparison and identification of stakeholders:**

The rules being reviewed provide information pertaining to the services provided by the Department and the responsibility of adoption entities. Funding for adoption services in fiscal year 2024 included over two million dollars from a combination of federal and state funds. As of January 31, 2025, 1,374 of the 7,775 children ages 0-17 in out-of-home care had a case plan goal of adoption. In comparison, on January 31, 2020, 2,649 of the 13,298 children ages 0-17 in out-of-home care had a case plan goal of adoption. The Department believes that any cost associated with the rules are offset by the greater benefit of ensuring the safety and protection of Arizona children while seeking a permanent adoptive home for them, and the Department does not plan any rulemaking activity for these rules resulting from this five-year review.

Stakeholders are identified as children in the care of the Department of Child Safety, prospective adoptive parents, birth parents, attorneys and families involved in the adoption process, and the Department.

**3. Has the agency analyzed the costs and benefits of the rulemaking and determined that the rules impose the least burden and costs to those who are regulated?**

The Department believes that the current rules pose the minimum cost and burden to the persons regulated by these rules.

**4. Has the agency received any written criticisms of the rules over the last five years?**

The Department indicates it has not received any written criticisms of the rule in the last five years.

**5. Has the agency analyzed the rules' clarity, conciseness, and understandability?**

The Department indicates the rule is clear, concise, and understandable.

**6. Has the agency analyzed the rules' consistency with other rules and statutes?**

The Department indicates the rule is consistent with other rules and statutes.

**7. Has the agency analyzed the rules' effectiveness in achieving its objectives?**

The Department indicates the rule is effective in achieving their objectives.

**8. Has the agency analyzed the current enforcement status of the rules?**

The Department indicates the rule is currently enforced as written.

**9. Are the rules more stringent than corresponding federal law and, if so, is there statutory authority to exceed the requirements of federal law?**

The Department indicates the following federal laws that apply to the rules of these Articles: Adoption and Safe Families Act (ASFA) (P.L. 105-89); Adam Walsh Child Protection and Safety Act (P.L. 109-248); Adoption Promotion Act 2003 (P.L. 108-145); and Keeping Children and Families Safe Act 2003 (P.L. 108-36). However, the Department states the rules in these Articles are not more stringent than federal law.

**10. For rules adopted after July 29, 2010, do the rules require a permit or license and, if so, does the agency comply with A.R.S. § 41-1037?**

The Department indicates that A.R.S. 41-1037 does not apply to these rules because these rules do not require the issuance of a regulatory permit, license, or agency authorization.

**11. Conclusion**

This 5YRR from the Department relates to seven (7) rules in Title 21, Chapter 5, Article 3 regarding Department Adoption Services and twenty-three (23) rules in Title 21, Chapter 5, Article 4 regarding Adoption Entity Services. Specifically, the Department is the state agency that provides child welfare services, which includes adoption services, and is authorized by Arizona Revised Statutes to promote the placement of children in permanent adoptive homes. The Department provides adoption services, contracts with private agencies to recruit adoptive homes, and licenses adoption agencies (Title 21, Chapter 9) in Arizona. The Department has not identified any issues with the rules and, therefore, does not propose to take any course of action regarding the rules.

Council staff recommends approval of this report.

ARIZONA
DEPARTMENT OF
CHILD SAFETY

Kathryn Ptak, Director
Katie Hobbs, Governor

**ARIZONA DEPARTMENT OF CHILD SAFETY**

**Five-Year-Review Report**

**Title 21. Child Safety**

**Chapter 5. Department of Child Safety - Permanency and Support Services**

**Article 3. Department Adoption Services**

**Article 4. Adoption Entity Services**

**March 2025**

**1. Authorization of the rule by existing statutes**

General Statutory Authority: A.R.S. § 8-453(A)(5)

Specific Statutory Authority: A.R.S. §§ 8-105, 8-112, 8-120, 8-121, 8-130, 8-171, 8-172, 8-173

**2. The objective of each rule:**

Article 3: Department Adoption Services

| Rule | Objective |
|---|---|
| R21-5-301. Definitions | The objective of this rule is to provide a uniform set of definitions used throughout this Article, Article 4 of this Chapter, and Chapter 9 all under Title 21. |
| R21-5-302. Adoption Registry: Information Maintained; Confidentiality | The objective of this rule is to identify and define the Department's responsibility for maintenance of the Adoption Registry, content to be maintained, and information required for the release of information. |
| R21-5-303. Department Adoption Services | The objective of this rule is to identify the adoption services provided by the Department. |
| R21-5-304. Department Procedures for Processing Certification Applications | The objective of this rule is to provide a process for receipt of an adoption certification application and a process when the application is complete or incomplete. |
| R21-5-305. Department Priorities for | The objective of this rule is to inform certification applicants about how the Department prioritizes applications. |

| | |
|---|---|
| Receipt of Services | |
| R21-5-306. Department Recruitment Efforts | The objective of this rule is to provide a process the Department will follow for the recruitment of adoptive parents. |
| R21-5-308. Termination of Adoption Services | The objective of this rule is to identify when the Department considers it appropriate to terminate services to an applicant, adoptive parent and/or an adoptive child. |

Article 4: Adoption Entity Services

| Rule | Objective |
|---|---|
| R21-5-401. Definitions | The objective of this rule is to indicate that the definitions in Article 3 of this same Chapter also apply to this Article. |
| R21-5-402. Recruitment | The objective of this rule is to identify the elements required and prohibited when conducting adoption recruitment. |
| R21-5-403. Orientation: Persons Interested in Adoption | The objective of this rule is to establish that the adoption entity must provide an orientation process to persons seeking to adopt unless otherwise permitted by this rule. |
| R21-5-404. Application for Certification | The objective of this rule is to identify the requirements that an adoption entity must gather from a person seeking to adopt. |
| R21-5-405. Certification Investigation | The objective of this rule is to identify the requirements an adoption entity must complete when conducting a certification investigation on the person seeking to adopt. |
| R21-5-406. Certification Report and Recommendation | The objective of this rule is to identify the information gathered and used to recommend or deny an applicant for certification and responsibility to notify the applicant of such recommendation. |
| R21-5-407. Renewal of Certification | The objective of this rule is to identify what is required to extend adoption certification beyond the expiration date. |
| R21-5-408. Communication with Adoptive | The objective of this rule is to outline the information the adoption entity is required to provide, upon request, to the certified adoptive parent awaiting placement. |

| | |
|---|---|
| Parents Awaiting Placement | |
| R21-5-409. Prohibitions Regarding Birth Parents | The objective of this rule is to identify information that cannot be provided to a birth parent who is signing a consent to an adoption. |
| R21-5-410. Information about Birth Parents | The objective of this rule is to identify information that should be obtained from the birth parent(s) consenting to an adoption. |
| R21-5-411. Pre-consent Conference with Birth Parents | The objective of this rule is to establish the requirements of a pre-consent conference with the birth parent(s) and the information that must be covered at the conference. |
| R21-5-412. Consent to Adopt; Unknown Birth Parents | The objective of this rule is to specify how the adoption entity will handle obtaining the consent of a birth parent and how the adoption agency will address the issue of the unknown birth parent. |
| R21-5-413. Adoptable Child: Assessment and Service Plan | The objective of this rule is to identify the steps the adoption entity is responsible for before placing a child in an adoptive placement. |
| R21-5-414. Placement Determination | The objective of this rule is to ensure that all parties to adoption are made aware of how an adoption entity or the Department makes a placement decision. |
| R21-5-415. Provision of Information on Placed Child | The objective of this rule is to ensure that prospective adoptive families receive essential non-identifying information about an adoptive child before making the adoptive placement. |
| R21-5-416. Transportation | The objective of this rule is to specify the safeguards required of an adoption entity when transporting an adoptive child, to assure the safety and protection of the child. |
| R21-5-417. Placement Services | The objective of this rule is to provide information on post-placement services available to adoptive parents. |
| R21-5-418. Post-placement Supervision: Non- | The objective of this rule is to identify what is required of the adoption entity when providing post-placement supervision of children being adopted by non-foster parents. |

| | |
|---|---|
| foster Parent Placement | |
| R21-5-419. Post-placement Supervision: Foster Parent Placement | The objective of this rule is to identify what is required of the adoption entity when providing post-placement supervision of children being adopted by foster parents. |
| R21-5-420. Protracted Placement | The objective of this rule is to prevent unnecessary protracted placements by providing a disincentive to an adoption entity. It requires the adoption entity to report to the Department the reason why an adoption has not finalized after two years. |
| R21-5-421. Finalizing the Placement | The objective of this rule is to identify what information the adoption entity must provide to the court before the hearing on the petition to adopt. |
| R21-5-422. Placement Disruption | The objective of this rule is to identify what is required of the adoption entity when an adoptive placement disrupts. |
| R21-5-423. Confidentiality | The objective of this rule is to require persons who participate in adoption to abide by statutory confidentiality requirements. |

**3.** **Are the rules effective in achieving their objectives?** **Yes _X__** **No ___**

**4.** **Are the rules consistent with other rules and statutes?** **Yes _X__** **No __**

**5.** **Are the rules enforced as written?** **Yes _X__** **No __**

**6.** **Are the rules clear, concise, and understandable?** **Yes _X__** **No ___**

**7.** **Has the agency received written criticisms of the rules within the last five years?** **Yes ___** **No _X_**

**8.** **Economic, small business, and consumer impact comparison:**

The Department of Child Safety is the state agency that provides child welfare services, which includes adoption services, and is authorized by Arizona Revised Statutes to promote the placement of children in permanent adoptive homes. The Department provides adoption services, contracts with private agencies to recruit adoptive

homes, and licenses adoption agencies (Title 21, Chapter 9) in Arizona. The goal of adoption services is to place children with qualified adoptive parents in a permanent adoptive home.

Article 3 provides information pertaining to the services provided by the Department. Article 4 speaks to the responsibility of adoption entities.

As of January 31, 2025, there were 7,775 children ages zero to 17 in out-of-home care. Of these children, 1,374 had a case plan goal of adoption. In comparison, on January 31, 2020, there were 13,298 children ages zero to seventeen in out-of-home care and 2,649 of those children had a case plan goal of adoption.

The Department provides an array of accessible and individualized services designed to support permanency and adoption of children in the care of DCS. The Department directly or through contracts with private agencies provides the following adoption services:

- Recruits prospective adoptive parents.
- Informs persons interested in adopting a child about the adoption process.
- Conducts certification investigations of prospective adoptive parents.
- Takes adoption consents from birth parents.
- Prepares non-identifying, preplacement information on adoptive children for adoptive parents.
- Submits the names and profiles of adoptable children and certified adoptive parents for listing in the Central Adoption Registry.
- Prepares children for adoptive placement.
- Matches adoptable children with certified adoptive parents.
- Places adoptable children in the homes of certified adoptive parents.
- Investigates and reports to the court on the suitability of particular placements.
- Conducts social studies and preparing final reports to the court.
- Assists attorneys and families to complete the adoption process.

Adoption services provided by the Department are not assigned to specialized units; therefore, the number of employees dedicated to provide services under Article 3 is not available. The Department licenses approximately 18 private adoption agencies. Additionally, the Department contracts with 21 agencies to provide foster and adoption support services through DCS. The Department also now has 14 agencies contracted to provide Kinship Support Services, which assists kinship caregivers in foster and adoption services as well.

Funding for adoption services in FY 2024

- For adoption certification, the Department has expended $772,370. This is funded by Title IV-E federal funds and State General Funds.
- For adoption promotion, the Department has expended $1,183,300. This is funded by Title IV-B part II federal funds and State General Funds.
- For child specific recruitment, the Department as expended $299,542. This is funded by Title IV-B part II federal funds and State General Funds.

**9. Has the agency received any business competitiveness analyses of the rules? Yes ___ No _X_**

**10. Has the agency completed the course of action indicated in the agency's previous five-year-review report?**

The Department has completed the course of action indicated in the previous five-year-review report. R21-5-421 (1) was amended by final expedited rulemaking at 28 A.A.R. 2479, with an immediate effective date of September 9, 2022 to create consistency between rule and statute pertaining to when a court report must be submitted prior to a final adoption hearing.

**11. A determination that the probable benefits of the rule outweigh within this state the probable costs of the rule, and the rule imposes the least burden and costs to regulated persons by the rule, including paperwork and other compliance costs, necessary to achieve the underlying regulatory objective:**

The Department believes that the current rules pose the minimum cost and burden to the persons regulated by these rules. Article 3 pertains to services provided by the Department. Article 4 pertains to the services provided by adoption entities. It is the belief that any cost associated with the rules are offset by the greater benefit of ensuring the safety and protection of Arizona children while seeking a permanent adoptive home for them.

**12. Are the rules more stringent than corresponding federal laws? Yes ___ No _X_**

Federal laws that apply to the rules of this Article includes the following: Adoption and Safe Families Act (ASFA) (P.L. 105-89); Adam Walsh Child Protection and Safety Act (P.L. 109-248); Adoption Promotion Act 2003 (P.L. 108-145); and Keeping Children and Families Safe Act 2003 (P.L. 108-36). The rules in these Articles are not more stringent than federal law.

**13. For rules adopted after July 29, 2010 that require the issuance of a regulatory permit, license, or agency authorization, whether the rules are in compliance with the general permit requirements of A.R.S. § 41-1037 or explain why the agency believes an exception applies:**

The Department has determined that A.R.S. 41-1037 does not apply to these rules because these rules do not require the issuance of a regulatory permit, license, or agency authorization.

**14. Proposed course of action**

The Department has reviewed the current rules and does not plan any rulemaking activity for these rules at this time.

**The release of this Chapter in Supp. 22-3 replaces Supp. 20-2, 1-20 pages.**
Please note that the Chapter you are about to replace may have rules still in effect after the publication date of this supplement. Therefore, all superseded material should be retained in a separate binder and archived for future reference.

## PREFACE

Under Arizona law, the Department of State, Office of the Secretary of State (Office), Administrative Rules Division, accepts state agency rule notice and other legal filings and is the publisher of Arizona rules. The Office of the Secretary of State does not interpret or enforce rules in the *Administrative Code*. Questions about rules should be directed to the state agency responsible for the promulgation of the rule.

Scott Cancelosi, Director
ADMINISTRATIVE RULES DIVISION

---

### RULES

The definition for a rule is provided for under A.R.S. § 41-1001. *"'Rule' means an agency statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedures or practice requirements of an agency."*

### THE ADMINISTRATIVE CODE

The *Arizona Administrative Code* is where the official rules of the state of Arizona are published. The *Code* is the official codification of rules that govern state agencies, boards, and commissions.

The *Code* is separated by subject into Titles. Titles are divided into Chapters. A Chapter includes state agency rules. Rules in Chapters are divided into Articles, then Sections. The "R" stands for "rule" with a sequential numbering and lettering outline separated into subsections.

Rules are codified quarterly in the *Code*. Supplement release dates are printed on the footers of each Chapter.

First Quarter: January 1 - March 31
Second Quarter: April 1 - June 30
Third Quarter: July 1 - September 30
Fourth Quarter: October 1 - December 31

For example, the first supplement for the first quarter of 2022 is cited as Supp. 22-1. Supplements are traditionally released three to four weeks after the end of the quarter because filings are accepted until the last day of the quarter.

Please note: The Office publishes by Chapter, not by individual rule Section. Therefore there might be only a few Sections codified in each Chapter released in a supplement. This is why the Office lists only updated codified Sections on the previous page.

### RULE HISTORY

Refer to the HISTORICAL NOTE at the end of each Section for the effective date of a rule. The note also includes the *Register* volume and page number in which the notice was published (A.A.R.) and beginning in supplement 21-4, the date the notice was published in the *Register*.

### AUTHENTICATION OF PDF CODE CHAPTERS

The Office began to authenticate Chapters of the *Code* in Supp. 18-1 to comply with A.R.S. §§ 41-1012(B) and A.R.S. § 41-5505.

A certification verifies the authenticity of each *Code* Chapter posted as it is released by the Office of the Secretary of State. The authenticated pdf of the *Code* includes an integrity mark with a certificate ID. Users should check the validity of the signature, especially if the pdf has been downloaded. If the digital signature is invalid it means the document's content has been compromised.

### HOW TO USE THE CODE

Rules may be in effect before a supplement is released by the Office. Therefore, the user should refer to issues of the *Arizona Administrative Register* for recent updates to rule Sections.

### ARIZONA REVISED STATUTE REFERENCES

The Arizona Revised Statutes (A.R.S.) are available online at the Legislature's website, www.azleg.gov. An agency's authority note to make rules is often included at the beginning of a Chapter. Other Arizona statutes may be referenced in rule under the A.R.S. acronym.

### SESSION LAW REFERENCES

Arizona Session Law references in a Chapter can be found at the Secretary of State's website, www.azsos.gov under Services-> Legislative Filings.

### EXEMPTIONS FROM THE APA

It is not uncommon for an agency to be exempt from the steps outlined in the rulemaking process as specified in the Arizona Administrative Procedures Act, also known as the APA (Arizona Revised Statutes, Title 41, Chapter 6, Articles 1 through 10). Other agencies may be given an exemption to certain provisions of the Act.

An agency's exemption is written in law by the Arizona State Legislature or under a referendum or initiative passed into law by Arizona voters.

When an agency files an exempt rulemaking package with our Office it specifies the law exemption in what is called the preamble of rulemaking. The preamble is published in the *Register* online at www.azsos.gov/rules, click on the *Administrative Register* link.

Editor's notes at the beginning of a Chapter provide information about rulemaking Sections made by exempt rulemaking. Exempt rulemaking notes are also included in the historical note at the end of a rulemaking Section.

The Office makes a distinction to certain exemptions because some rules are made without receiving input from stakeholders or the public. Other exemptions may require an agency to propose exempt rules at a public hearing.

### PERSONAL USE/COMMERCIAL USE

This Chapter is posted as a public courtesy online, and is for private use only. Those who wish to use the contents for resale or profit should contact the Office about Commercial Use fees. For information on commercial use fees review A.R.S. § 39-121.03 and 1 A.A.C. 1, R1-1-113.

*Rhonda Paschal, rules managing editor, assisted with the editing of this Chapter.*

# TITLE 21. CHILD SAFETY

## CHAPTER 5. DEPARTMENT OF CHILD SAFETY - PERMANENCY AND SUPPORT SERVICES

Authority: A.R.S. § 8-453(A)(5)

**Supp. 22-3**

***Editor's Note: Chapter 5 contains rules which were exempt from the regular rulemaking process under Laws 2014, 2nd Special Session, Ch. 1, Sec. 158. The law required the Department to post on its website proposed exempt rulemakings for a minimum of 30 days, at which time the public could provide written comments. In addition, at least two public hearings were held prior to the filing of the final exempt rules. Because the Department solicited comments on its proposed exempt rules, the rules filed with the Office of the Secretary of State are considered final exempt rules (Supp. 15-4).***

### CHAPTER TABLE OF CONTENTS

## ARTICLE 1. INTERSTATE COMPACT ON THE PLACEMENT OF CHILDREN

**R21-5-101. Definitions**

The definitions contained in A.R.S. § 8-548 and the following definitions apply in this Article:

1. "Child" means any person less than the age of 18 years.
2. "Compact" or 'ICPC" means the Interstate Compact on the Placement of Children.
3. "Compact Administrator" means the same as A.R.S. § 8-548.
4. "Compact State" means a state that is a member of the Interstate Compact on the Placement of Children.
5. "Department" or "DCS" means the Arizona Department of Child Safety.
6. "Interstate placement" means any movement of a child from one state to another state for the purpose of establishing a suitable living environment and providing necessary care.
7. "Intra-state placement" means the placement of a child within a state by an agency of that state.
8. "Placement" means the same as in A.R.S. § 8-548.
9. "Receiving state" means the same as in A.R.S. § 8-548.
10. "Sending agency" means the same as in A.R.S. § 8-548.
11. "Sending state" means the state where the sending agency is located, or the state in which the court holds exclusive jurisdiction over a child, which causes, permits, or enables the child to be sent to another state.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 2979, effective January 2, 2016 (Supp. 15-4).

**R21-5-102. Authority**

The ICPC is governed by A.R.S. §§ 8-548 through 8-548.06 and the ICPC regulations. ICPC regulations are posted on the Association of Administrators of the Interstate Compact on the Placement of Children website. These regulations supplement those authorities and must be read in conjunction with them.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 2979, effective January 2, 2016 (Supp. 15-4).

**R21-5-103. Conditions of Placement**

No person, court, or public or private agency in a Compact State shall place a child in another Compact State until the Compact Administrator in the receiving state has notified the Compact Administrator in the sending state, on a prescribed form, that such placement does not appear to be contrary to the interests of the child and does not violate any applicable laws of the receiving state.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 2979, effective January 2, 2016 (Supp. 15-4).

**R21-5-104. Financial Responsibility**

The sending person, court, or public or private agency shall be held financially responsible for:

1. Sending the child to the receiving state;
2. Returning the child to the sending state; and
3. Treatment of the child during the period of placement.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 2979, effective January 2, 2016 (Supp. 15-4).

**R21-5-105. Applicability**

**A.** Except as listed in subsection (B), the ICPC applies to the placement of:

1. Children in another Compact State by an agency, court or person, which has care or custody of the children.
2. Foreign-born children who are brought under the jurisdiction of a Compact State by an international child placing agency.

**B.** In addition to the children listed in statute that are not subject to ICPC, the ICPC does not apply:

1. When a child is placed in an institution caring for the mentally ill, mentally impaired, epileptic, or in any institution primarily educational in character or in any hospital or other medical facility.
2. To the placement of children into and out of the United States when the other jurisdiction involved is a foreign country.
3. When a sending court or agency seeks an independent (not ICPC related) courtesy check for placement with a parent from whom the child was not removed, the responsibility for credentials and quality of the courtesy check rests directly with the sending court or agency and the person or party in the receiving state who agrees to conduct the courtesy check without invoking the protection of the ICPC home study process. This does not prohibit a sending state from requesting an ICPC.
4. The Compact does not apply in court cases of paternity, divorce, custody, and probate pursuant to which or in situations where children are being placed with parents or relatives or non-relatives.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 2979, effective January 2, 2016 (Supp. 15-4).

**R21-5-106. Placement Approval**

Sending and receiving states must obtain approval from the Compact Administrator in both the sending and receiving states prior to the placement of a child in another Compact State.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 2979, effective January 2, 2016 (Supp. 15-4).

**R21-5-107. Operations**

In providing services provided under this Article, the sending and the receiving state shall:

1. Maintain all information required by state and federal law.
2. Comply with all federal and their respective state laws and regulations regarding the disclosure and use of confidential health and personal information.
3. Comply with all federal and their respective state nondiscrimination laws and regulations.
4. Ensure that interpreters, including assistance for the visually or hearing impaired, are available to those receiving services at no cost.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 2979, effective January 2, 2016 (Supp. 15-4).

## ARTICLE 2. INDEPENDENT LIVING AND TRANSITIONAL INDEPENDENT LIVING PROGRAMS

**R21-5-201. Definitions**

The following definitions apply to this Article:

1. "Active participation" means the foster youth is demonstrating efforts toward completion of case plan goals such as regular attendance at school or employment that results in school credits or earned wages.
2. "Aftercare services" means assistance and support available to eligible, former foster youth living in Arizona after the Department, tribal foster care, or other state foster care case is dismissed, and includes services available through the Transitional Independent Living Program.
3. "Age of majority" means that a person is at least 18 years old.
4. "Approved living arrangement" means a residence that has been reviewed by the assigned Child Safety Worker or other responsible agency staff and approved within the individual case plan.
5. "Arizona Young Adult Program" means a group of programs and services designed to assist eligible youth to make a successful transition to adulthood. The programs and services include Independent Living Services, the Independent Living Subsidy Program, Voluntary Out-of-home Care for Foster Youth 18 through 20 Years of Age, and the Transitional Independent Living Program.
6. "Child placing agency" means the same as in A.R.S. § 8-501(A)(1)(a)(iii), and includes a Child Welfare Agency that OLR licenses as a Placing Agency to place a child in a licensed foster home, or facility.
7. "Child Welfare Agency" means the same as in A.R.S. § 8-501.
8. "Child Safety Worker" means the same as in A.R.S. § 8-801.
9. "Custody of the Department" means that the foster youth:
   a. Is in out-of-home care under the supervision of the Department while the subject of a dependency petition, as an adjudicated dependent, or placed voluntarily under A.R.S. § 8-806; or
   b. Is 18, 19, or 20 years of age, a resident of Arizona, and has signed an individual case plan agreement for voluntary out-of-home care. This includes foster youth who were dually adjudicated (dependent and delinquent) and released from a secure setting prior to, or on the foster youth's 19th birthday.
10. "Department" or "DCS" means the Arizona Department of Child Safety.
11. "Eligible youth" means a person who meets the qualifications in A.R.S. § 8-521 for the Independent Living Program, the qualifications in A.R.S. § 8-521.01 for the Transitional Independent Living Program, or is a person who was formerly in another state's child welfare program who would otherwise be eligible.
12. "Employment" means:
    a. Paid employment;
    b. Participation in employment-readiness activities, which include career assessment and exploration, and part time enrollment in an employment or career readiness education program;
    c. Volunteer positions;
    d. Job-shadowing;
    e. Internship; or
    f. Other paid or unpaid employment-related activities.
13. "Extraordinary purchase" means an expenditure by an eligible youth that impedes an eligible youth's ability to meet the financial obligations outlined in the eligible youth's budget.
14. "Foster youth" means a person in the custody of the Department.
15. "Full-time student" means an eligible youth enrolled in an education program identified by the program as being full-time due to the number of credits, credit hours, or other measure of enrollment.
16. "Independent Living Program" means the program authorized by A.R.S § 8-521 to provide an Independent Living Subsidy and educational case management to a foster youth.
17. "Independent Living Services" or "IL Services" means an array of assistance and support services, including those provided under the Independent Living Program, that the Departments provides, contracts, refers, or otherwise arranges that are designed to help a foster youth transition to adulthood by building skills and resources necessary to ensure personal safety, well-being, and permanency into adulthood.
18. "Independent Living Subsidy" or "IL Subsidy" means a monthly stipend provided under the Independent Living Program to a foster youth, to assist in meeting monthly living expenses. This stipend replaces any foster care maintenance payment from the Department for support of the foster youth's daily living expenses.
19. "Individual case plan" means an agreement between an eligible foster youth and the Department, directed by the foster youth that documents specific services and assistance that support the foster youth's goals in relation to:
    a. Natural supports including permanent connections to and relationships with family and community, including peer and community mentors;
    b. A safe, stable, desired living arrangement, which may include a permanent arrangement such as guardianship or adoption;
    c. Daily living skills;
    d. Secondary and postsecondary education and training;
    e. Employment and career planning;
    f. Physical health, including reproductive health;
    g. Life care planning;
    h. Emotional health;
    i. Mental health;
    j. Spiritual or faith needs;
    k. Interpersonal relationships; and
    l. Age-appropriate extra-curricular, enrichment, and social activities.
20. "Individual service plan" means an agreement that is directed by an eligible youth in the TIL Program that documents specific services and assistance to support the eligible youth's goals including, as applicable:
    a. Financial,
    b. Housing,
    c. Counseling,
    d. Employment,
    e. Education, and
    f. Other appropriate support and services.
21. "Life skills assessment" means a measure of an eligible youth's ability to function in a variety of areas such as daily living skills, knowledge of community resources, and budgeting, as determined by a validated assessment tool.
22. "Medical professional" means a doctor of medicine or osteopathy, physician's assistant, or registered nurse practitioner licensed in A.R.S. Title 32, or a doctor of medi-

cine licensed and authorized to practice in another state or foreign country. A medical professional from another state or foreign country must provide verification of valid and current licensure in that state or country.

23. "Misuse of funds" means that an eligible youth has expended money provided by the Department for specific purposes (such as education or living expenses) on an item that is not permitted by law (such as illegal drugs and alcohol), or on an extraordinary purchase that is not included in an approved budget or individual case or service plan, to the degree that the funds are not available for necessary items and purchases approved within the case plan, service plan, or budget.
24. "Natural supports" means relationships and connections that occur in everyday life, independent of formal services, with people or groups who provide personal or other support during a person's lifetime.
25. "Out-of-home care" means a placement approved by the Department such as a licensed foster home, residential group care facility operated by a Child Welfare Agency, therapeutic residential facility, independent living setting, approved unlicensed independent living setting, or in a relative or non-relative placement. Out-of-home care excludes a detention facility, forestry camp, training school, or any other facility operated primarily for the detention of a child who is determined delinquent.
26. "Personal Crisis" means an unexpected event or series of events in an eligible youth's life that prevents or impedes participation in scheduled services or activities.
27. "Residential group care facility" means a Child Welfare Agency that is licensed to receive more than five children for 24-hour social, emotional, or educational supervised care and maintenance at the request of a child, child placing agency, law enforcement agency, parent, guardian, or court. A residential group care facility provides care in a residential setting for children for an extended period of time.
28. "Responsible agency staff" means the assigned Child Safety Worker, another identified Department employee, or contracted staff.
29. "Service team members" means the eligible youth, the youth's attorney(s), the Guardian ad Litem (GAL), the Court Appointed Special Advocate (CASA), tribal child welfare staff, other parties to the dependency case, contract, or other service providers, responsible agency staff, and other adults involved with the youth or supporting the youth's activities or employment.
30. "Substantial non-compliance" means an eligible youth's:
    a. Termination from an educational, vocational, or employment program due to lack of attendance or failure to make satisfactory progress as defined by the program for reasons unrelated to physical health including pregnancy, emotional, or mental health;
    b. Persistent lack of communication during a 60-day period with the assigned Child Safety Worker or other responsible agency staff known to the youth that results in a loss of contact with the eligible youth, or interferes with the Department's ability to provide services and supervision or to document individual case plan or service plan progress;
    c. Persistent misuse of funds provided to support individual case plan or service plan goals; or
    d. For an eligible foster youth, failure to communicate unexpected changes in the living arrangement as agreed to in the individual case plan or the Independent Living Subsidy agreement.
31. "Transitional Independent Living Program" or "TIL Program" means a program of services for residents of Arizona who are eligible youth under A.R.S. § 8-521.01, that provides assistance and support in counseling, education, vocation, employment, and the attainment or maintenance of housing.
32. "Transitional Independent Living Services" or "TIL Services" means those services the Department provides through the Transitional Independent Living Program under A.R.S. § 8-521.01, and may include assistance and support with health care, money management, housing, counseling, education, vocational training, and employment. The Department or its contractors provide services through a written agreement with the eligible youth.
33. "Validated assessment tool" means a written or verbal survey tool that can demonstrate empirical evidence for reliability and validity.
34. "Work day" means Monday through Friday, excluding Arizona state holidays.
35. "Young Adult Transitional Insurance" means a category of health care coverage under the state Medicaid program (Arizona Health Care Cost Containment System or AHCCCS) for Medicaid eligible youth who have reached the age of majority in foster care.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4). Amended by emergency rulemaking at 25 A.A.R. 771, effective March 21, 2019, for 180 days (Supp. 19-1). Emergency amendments renewed at 25 A.A.R. 2485, for an additional 180 days effective September 18, 2019 (Supp. 19-3). Emergency expired; amended by final rulemaking at 26 A.A.R. 241, effective March 15, 2020 (Supp. 20-1).

**R21-5-202. Provision of Services**

**A.** The Department shall provide services and stipends for the IL Services, IL Subsidy, and TIL services to eligible youth in a manner that is fair and equitable.

**B.** The Department shall provide Independent Living Services to eligible foster youth based on needs identified by the eligible foster youth, by service team recommendations, or the findings of a life skills assessment. The services shall address needs identified in the eligible foster youth's individual case plan and may include one or more of the following, depending on the individual case plan goals:
1. Information and assistance to create and maintain a network of natural supports;
2. Independent living skills training;
3. Program incentives;
4. Information and assistance in life care and health care planning, including enrollment in a health plan;
5. Educational, career, and vocational planning;
6. Financial assistance for post-secondary education and training;
7. Out-of-home care for foster youth 18 through 20 years of age; or
8. Aftercare services through the Transitional Independent Living Program.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-203. Denial of Services**

The Department shall deny services if a person does not meet the eligibility requirements of A.R.S. §§ 8-806, 8-521, 8-521.01, and R21-5-204.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-204. Eligibility**

**A.** Independent Living Services. In order to be eligible for IL Services a person shall:
1. Be at least 16 years of age and less than 21 years of age;
2. Be in the custody of the Department or tribal child welfare agency;
3. Reside in out-of-home care;
4. Be referred by the eligible youth's assigned Child Safety Worker, other Department staff, or a tribal social services representative; and
5. Be a resident of Arizona if 18, 19, or 20 years of age.

**B.** Independent Living Subsidy.
1. In order to be eligible for the IL Subsidy, a person shall:
   a. Be at least 17 years of age, in the custody of the Department, and employed or a full-time student.
   b. With the assistance of the responsible agency staff, complete the Independent Living Subsidy Agreement or other approved forms designated by the Department.
2. Conditions for approval and continuation in the Independent Living Subsidy Program include:
   a. Active participation in activities outlined in the individual case plan;
   b. Adherence to the terms of the IL Subsidy Agreement, including:
      i. Communication with the Child Safety Worker;
      ii. Maintenance of a Department-approved living arrangement, including approval of a roommate, except those assigned by school or work; and
      iii. Participation in scheduled meetings to review progress and update the individual case plan and IL Subsidy Agreement.
3. Eligible youth 18, 19, and 20 years of age who are temporarily residing out of state for the purpose of education or vocational training, and who maintain Arizona residency, may receive the Independent Living Subsidy under the same conditions as above.

**C.** Transitional Independent Living Program. Under A.R.S. § 8-521.01, in order to be eligible for the Transitional Independent Living Program, a person must be less than 21 years of age and have been in out-of-home care and in the custody of the Department, a licensed residential group care facility, or a tribal child welfare agency while 16, 17, or 18 years of age. Persons who were in another state's child welfare agency under the same conditions are also eligible.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-205. Out-of-home Care Services for Foster Youth 18 through 20 Years of Age**

**A.** The Department may provide out-of-home care services and supervision to a foster youth less than 21 years of age, who reached the age of 18 years while in the custody of the Department, and was either in out-of-home care or in secure care, as defined by A.R.S. § 8-201, through a delinquency action, when the foster youth:
1. Requests out-of-home care;
2. Has residency in the state of Arizona;
3. Participates in developing an individual case plan agreement for out-of-home care; and
4. Demonstrates acceptance of personal responsibility for his or her part of the agreement through active participation in the individual case plan.

**B.** The foster youth, Child Safety Worker, and involved service team members shall develop the individual case plan for out-of-home care:
1. Within the 90-day period prior to the foster youth's 18th birthday for foster youth continuing in out-of-home care past 18 years of age;
2. Within ten work days for foster youth who enter out-of-home care during the 90-day period prior to the foster youth's 18th birthday; and
3. For eligible youth re-entering foster care at 18 years of age or older, within seven work days of the eligible youth's return to Department care and supervision.

**C.** The individual case plan shall outline the services and supports to be provided under R21-5-202(B) and include at least one of the following activities:
1. Completion of secondary education or a program leading to an equivalent credential;
2. Enrollment in an institution that provides post-secondary education or vocational education;
3. Participation in a program or activity designed to promote or remove barriers to employment; or
4. Employment of at least 80 hours per month.

**D.** Foster youth participating in out-of-home care shall demonstrate acceptance of personal responsibility by actively participating in an individual case plan, unless prevented by a documented behavioral health or medical condition, or other personal crisis or life event, such as pregnancy, birth, necessary maternity leave as determined by a medical professional, adoption, or guardianship of a child.

**E.** The Child Safety Worker shall support the foster youth to address any documented condition, crisis, or life event listed in subsection (D), by:
1. Facilitating a youth led discussion that includes a review of the supports and services available as intervention strategies, to assist in resolving the condition, crisis, or concern;
2. Documenting the foster youth's preferred intervention strategy for addressing the condition, crisis, or concern; and
3. Expeditiously providing or otherwise arranging the preferred intervention strategy.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4). Amended by emergency rulemaking at 25 A.A.R. 771, effective March 21, 2019, for 180 days (Supp. 19-1). Emergency amendments renewed at 25 A.A.R. 2485, for an additional 180 days effective September 18, 2019 (Supp. 19-3). Emergency expired; amended by final rulemaking at 26 A.A.R. 241, effective March 15, 2020 (Supp. 20-1).

**R21-5-206. Transitional Independent Living Program**

**A.** The Transitional Independent Living Program provides services to eligible youth, under A.R.S. § 8-521.01 that comple-

ments their own efforts toward becoming self-sufficient. The Department may provide the following assistance, depending on individual service plan goals:

1. Financial,
2. Housing,
3. Counseling,
4. Employment,
5. Education, and
6. Other appropriate support and services.

**B.** The eligible youth requesting services through the Transitional Independent Living Program shall provide the following information to the responsible agency staff:

1. Identifying information including:
   a. Name (and any aliases); and
   b. Date of birth;
2. Information regarding the eligible youth's former foster care status such as the state or tribal child welfare system where the youth was in care, and approximate dates of care, if known; and
3. Any available contact information for the youth, including:
   i. Phone number,
   ii. Friend or family phone number,
   iii. Email address, and
   iv. Any other communication method identified by the youth.

**C.** An eligible youth and responsible agency staff shall develop an individual service plan for the eligible youth to receive these services.

**D.** The individual service plan shall address the level of need based on the items noted in subsection (A).

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-207. Re-entry Into Out-of-home Care**

**A.** The Department shall facilitate re-entry into out-of-home care for eligible youth participating in the Transitional Independent Living Program.

**B.** On request for re-entry by the eligible youth, the Department shall confirm the eligible youth's request to receive out-of-home care, supervision, and other services with the youth and within ten work days:

1. Facilitate a meeting with the eligible youth to review the requirements under R21-5-205;
2. Assist the eligible youth to develop an individual case plan that includes an effective date for reopening the Department case;
3. Identify the name and contact information of the Child Safety Worker or responsible agency staff assigned to the case;
4. Identify the out-of-home care type selected such as, foster home, residential group care facility, Independent Living Program, or other arrangement;
5. Notify the identified Child Safety Worker or responsible agency staff assigned to the case; and
6. Complete all necessary authorizations for out-of-home care and other services to reasonably ensure a smooth transition from the TIL Services to the IL Services.

**C.** If the eligible youth reports he or she is in crisis and unsafe, the Department shall immediately assess the youth's safety and assist the youth to secure a safe living arrangement and to manage the crisis.

**D.** An eligible youth may request to postpone re-entry, decline re-entry at any time, or re-initiate the request any time prior to the eligible youth's 21st birthday. The responsibilities of the Department to process the request for re-entry shall begin upon the Department's receipt of the eligible youth's request for re-entry under subsection (B).

**E.** Supports and services shall continue for youth who re-enter out-of-home care, as outlined in R21-5-205.

**F.** If the Department denies re-entry, the Department shall provide the youth with written notification of the reason for this decision and the youth's grievance and appeal rights within 15 work days of the request for re-entry.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-208. Termination of Services**

**A.** The Department may terminate IL Services, including out-of-home care for foster youth 18 through 20 years of age, and TIL services if the eligible youth:

1. Reaches the age of 21 years;
2. Reaches the age of 18 years and does not desire continued services;
3. Makes a voluntary decision to terminate services; or
4. Demonstrates substantial non-compliance or otherwise refuses to meet the requirements of the individual case plan or individual service plan after the responsible agency staff or designee has made active efforts to engage the eligible youth in identifying and resolving issues, including assessing the effectiveness of current services, and identifying and providing additional or different support services.

**B.** The Department shall deny IL Services, including out-of-home care for foster youth age 18 through 20 years, and TIL services if the Department determines the person is:

1. Not eligible;
2. Unwilling to create an individual case or service plan; or
3. Not participating in the individual case or service plan.

**C.** The Child Safety Worker or responsible agency staff shall notify the person in writing of the Department's decision to terminate or deny services within ten work days of the person's application for services.

**D.** The notice shall include information on the person's right to grieve any decision to terminate or deny services.

**E.** Within ten work days of the notice to terminate or deny services, the Child Safety Worker or responsible agency staff shall contact the person to:

1. Assist the person through the grievance process including the completion and submittal of any required Department forms; or
2. Identify and engage a personal advocate to assist the person through the grievance process, including the completion and submittal of any required Department forms.

**F.** When termination of services to a foster youth is planned due to one of the reasons outlined in (A)(1) through (3) of this Section, the Child Safety Worker or responsible agency staff shall schedule a discharge staffing with the foster youth within ten work days of the foster youth's 21st birthday or the Department's receipt of the foster youth's notice to discontinue services to provide any necessary documents not previously provided, such as a birth certificate, social security card, state identification card, credit report, and a copy of the foster youth's health and education records.

**G.** The Department shall not terminate services for substantial non-compliance under subsection (A)(4) until the Child Safety Worker or responsible agency staff satisfies all responsibilities including:
1. Staffing of the individual case or service plan;
2. Adhering to the grievance process described in R21-5-209; and
3. Developing and implementing a discharge plan that provides information on available community resources, and connects the person to those resources.

**H.** Services shall remain in effect until the reasons for termination are resolved or the grievance or appeal process is completed.

**I.** For Independent Living Subsidy only, if the Department determines that continuation of the Independent Living Subsidy would place the foster youth at risk of immediate harm, the Child Safety Worker or responsible agency staff shall:
1. Document this fact in the case file progress notes, and
2. Arrange for a safe living arrangement and sufficient support services to reasonably ensure the foster youth's safety in the interim.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-209. Grievance Process**

**A.** A person eligible for services under R21-5-204 who disagrees with a Department adverse action decision to reduce, terminate, or deny services for that person may:
1. File a grievance under this Section;
2. Choose not to file a grievance and appeal the adverse action under A.A.C. Title 21, Chapter 1, Article 3 by filing a notice of appeal within 20 days after receipt of the adverse action decision reducing, terminating, or denying services; or
3. File a grievance, and if the person is dissatisfied with the results of the grievance process, appeal under A.A.C. Title 21, Chapter 1, Article 3 by filing a notice of appeal within 20 days after receipt of the grievance response letter.

**B.** In the event that a person disagrees with a Department decision to reduce, terminate, or deny services, the Child Safety Worker or responsible agency staff shall:
1. Inform the person of the formal grievance process;
2. Provide the person with the Department's grievance form and directions for submittal to the designated Department staff, such as the Department's Ombudsman's Office; and
3. Offer to assist the person in completing and submitting the form, or referring the person to the appropriate Department staff, such as the Department's Ombudsman, for assistance in completing and submitting the form.

**C.** Upon receipt of the grievance form, the Department shall:
1. Schedule a face-to-face meeting with the person who filed the grievance within seven work days from the date the grievance was received by the Department, or schedule a teleconference if a face-to-face meeting is not possible;
2. Evaluate the grievance to determine if the grievance can be resolved by the Department to the satisfaction of the person;
3. Mail a grievance response letter to the person within three work days of the meeting; and
4. Include an appeal form with the grievance response letter so the person may appeal the adverse action.

**D.** If the person agrees with the Department's decision to terminate services, the Child Safety Worker or responsible agency staff shall proceed with case closure including completing a discharge plan with the person that includes information on aftercare services and other community based support.

**E.** The Department shall retain documentation of all grievances in the case file according to the Department's retention schedule.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

## ARTICLE 3. DEPARTMENT ADOPTION SERVICES

**R21-5-301. Definitions**

In addition to the definitions in A.R.S. § 8-101, the following definitions apply in this Article, Article 4 of this Chapter, and 21 A.A.C. 9:
1. "Adoptable child" means a child who is legally available for adoption but who has not been placed for adoption.
2. "Adoptee" means a child who is the subject of a legal petition for adoption.
3. "Adoption agency" means an individual or entity, including a corporation, company, partnership, firm, association, or society, other than the Department, licensed by the Department to place a child for adoption.
4. "Adoption entity" or "entity" means the Department and includes an adoption agency, but does not include a private attorney who is licensed to practice law in the state of Arizona and who is only assisting in a direct placement adoption to the extent allowed by A.R.S. § 8-130(C).
5. "Adoption placement" or "placement" means the act of placing an adoptable child in the home of an adoptive parent who has filed, or is contemplating filing, a petition to adopt the child.
6. "Adoption Registry" means the electronic database described in A.R.S. § 8-105.
7. "Adoption services" means activities conducted in furtherance of an adoption and includes the activities listed in A.A.C. R21-5-303 and R21-9-201(B).
8. "Adoptive parent" means an individual who has successfully completed the application process and has been certified by the court to adopt. An adoptive parent includes an individual who does not have a child placed in their home.
9. "Agency placement" means the child is placed in an adoptive home chosen by the adoption agency.
10. "AHCCCS" means the Arizona Health Care Cost Containment System, which is the State's program for medical assistance available under Title XIX of the Social Security Act and state public insurance statutes under A.R.S. Title 36, Chapter 29.
11. "Applicant" means an individual who has applied to become an adoptive parent.
12. "Birth parent" means the biological mother or father of a child.
13. "Central Registry" means the information maintained by the Department of substantiated reports of child abuse or neglect for the purposes of A.R.S. § 8-804.
14. "Certification application" means the form that an applicant submits to an adoption entity or to the court to request a certification investigation to become certified as an adoptive parent.
15. "Certification investigation" means the process referred to in A.R.S. § 8-105(C) by which an adoption entity

determines if an applicant is a fit and proper person to adopt.

16. "Certification order" means a judicial determination that an applicant is acceptable to adopt children.
17. "Certification report" or "adoptive home study" means the written report described in A.R.S. § 8-105, in which an adoption entity summarizes the results of a certification investigation and makes a recommendation for or against certification of an applicant.
18. "Child with special needs" means a child who has one of the special needs listed in A.R.S. § 8-141.
19. "Department" or "DCS" means the Arizona Department of Child Safety.
20. "Developmentally appropriate" means an action that takes into account:
    a. A child's age and family background;
    b. The predictable changes that occur in a child's physical, emotional, social, cultural, and cognitive development; and
    c. A child's pattern and history of growth, personality, and learning style.
21. "Direct placement" means the child is placed in an adoptive home by the birth parent or legal parent.
22. "Final report to the court" means a written report that includes a social study under A.R.S. § 8-112, in which an adoption entity advises the court of the entity's assessment and recommendations about the finalization of a particular adoption.
23. "Foster parent" means the same as in A.R.S. § 8-501.
24. "ICPC" means the Interstate Compact on the Placement of Children described in A.R.S. § 8-548.
25. "ICWA" means the Indian Child Welfare Act described in 25 U.S.C. 1901 et seq.
26. "Legally available" means a child whose birth or legal parents are deceased, have voluntarily relinquished their parental rights, or whose parental rights have been terminated by the court.
27. "License" means a permission granted by the Department to an adoption agency authorizing the adoption agency to perform adoption services in A.A.C. R21-9-201(B).
28. "Open adoption" means an adoption in which the adoptive parent and the birth or legal parent agree to share varying degrees of each other's personal information for future contact.
29. "Out-of-state agency" means any person or entity that is authorized or licensed by a state other than Arizona, or a foreign country, to perform adoption services.
30. "Placed child" means an adoptable child who has been placed with an adoptive parent, and the adoptive parent has not yet filed a petition to adopt the child.
31. "Placement supervision period" means the time period from the date of adoption placement until the court enters a final order of adoption, during which the adoptive parent has the rights under A.R.S. § 8-113.
32. "Reasonable fee" means
    a. A fee commensurate with:
        i. The actual cost of providing a specific adoption service or item to a specific individual, or
        ii. The average cost of a service or item if the adoption entity routinely uses an averaging method to determine the cost of a particular service or item.
    b. A reasonable fee may include reasonable compensation for officers and employees and a reasonable profit margin above actual or averaged costs.
33. "Service plan" means a written document of developmentally appropriate pre-placement and post-placement services necessary to facilitate a child's transition to an adoptive home.
34. "Social study" means the written report described in A.R.S. § 8-112, after a petition for adoption has been filed, where the adoption entity summarizes the results of its investigation, and makes a definite recommendation for or against the proposed adoption and the reasons for that recommendation.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-302. Adoption Registry: Information Maintained; Confidentiality**

**A.** The Department shall maintain and keep current the Adoption Registry with the information required under A.R.S. § 8-105. The Adoption Registry shall include the following current information for each child or adoptive parent listed on the Adoption Registry:
1. The child's availability for adoptive placement,
2. The adoptive parent's certification status,
3. The adoptive parent's availability for adoptive placement, and
4. The type of child the adoptive parent is open to considering for adoption including:
    a. Age;
    b. Sex; or
    c. Special needs.

**B.** Upon request, the Department shall provide personally identifiable Adoption Registry information to:
1. The court;
2. An adoption agency, including a private attorney;
3. Under a court order, a National or Regional Adoption registry and exchange; and
4. An out-of-state agency.

**C.** Before providing information, the Department shall obtain, from the person requesting the information, the following:
1. The name and affiliation of the person requesting the information;
2. The reason for the request; and
3. If the requesting party is other than a court representative, a signed statement acknowledging that the information is confidential and promising not to release the information to anyone except as allowed by A.R.S. §§ 8-120, 8-121, and 8-105.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-303. Department Adoption Services**

**A.** The Department provides the following adoption services for families and children in accordance with the limitations and provisions of A.R.S. Title 8, Chapter 1, Article 1:
1. For families:
    a. Recruiting adoptive parents;
    b. Informing persons interested in adopting a child about the adoption process;
    c. Conducting certification investigations of applicants under A.R.S. § 8-105;

d. Preparing certification reports under A.R.S § 8-105; and
e. Submitting the names and profiles of adoptive parents for listing in the Adoption Registry.

2. For children:
a. Accepting adoption consents from birth parents;
b. Preparing non-identifying, pre-placement information on adoptive children for adoptive parents, as required in A.R.S. § 8-129;
c. Submitting the name and profile of an adoptive child for listing in the Adoption Registry;
d. Preparing a child for adoptive placement;
e. Matching an adoptable child with an adoptive parent;
f. Placing an adoptable child in the home of an adoptive parent;
g. Investigating and reporting to the court on the acceptability of an adoptive parent under A.R.S. § 8-105(H);
h. Monitoring an adoption placement during the placement supervision period;
i. Providing services to a child placed for adoption and the adoptive family to assist with adjustment to the adoption placement;
j. Conducting a social study under A.R.S. § 8-112 and preparing a final report to the court determining suitability of placement; and
k. Assisting an attorney by providing legal documents to enable an adoptive parent to complete the adoption process.

**B.** When performing adoption services, the Department shall adhere to the standards established for an adoption agency in 21 A.A.C. 9.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-304. Department Procedures for Processing Certification Applications**

**A.** Upon review of a certification application, the Department shall notify the applicant in writing that the application is either complete or incomplete. An application is complete when it contains the information and supporting documentation described in R21-5-404. If the application is incomplete, the notice shall specify what information is missing.

**B.** An applicant with an incomplete application has 30 days from the date of the notice to provide the missing information. If the applicant fails to do so, the Department may close the file. An applicant whose file has been closed and who later wishes to apply for certification may reapply.

**C.** Upon review of a complete application, the Department shall decide whether to accept the application, according to the priority schedule listed in R21-5-305, and the availability of the Department's resources. If the Department cannot accept the application, the Department shall return the original application and all supporting documentation to the applicant. The applicant may reapply.

**D.** After the Department accepts the completed application, the Department shall provide the applicant written notice of the acceptance. The Department shall complete the certification investigation as specified in R21-5-405 within 90 days of the date of the notice. The Department shall prepare a certification report under R21-5-406.

**E.** The Department shall process a renewal application under this Section and R21-5-407.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-305. Department Priorities for Receipt of Services**

The Department shall accept and process certification applications and render adoption services according to the following priority schedule:

1. An applicant for whom the court has ordered the Department to do a certification investigation and report;
2. An applicant seeking to adopt a particular adoptable child with special needs;
3. An applicant wishing to adopt a child with special needs;
4. An applicant considering adopting a child with special needs; and
5. All other applicants.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-306. Department Recruitment Efforts**

The Department shall actively recruit persons to adopt children with special needs by:

1. Publicizing the need for such adoptive parents;
2. Registering adoptable children, as appropriate, with the Adoption Registry or other local, state, regional and national adoption resources;
3. Advising prospective adoptive parents of:
a. The availability of children with special needs,
b. The procedures involved in adopting such children, and
c. The support services and subsidies that may be available to persons adopting such children; and
4. Other measures similar to those described in this Section.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-307. Expired**

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4). Section expired under A.R.S. § 41-1056(J) at 26 A.A.R. 1322, effective June 3, 2020 (Supp. 20-2).

**R21-5-308. Termination of Adoption Services**

**A.** The Department may terminate services to an applicant or adoptive parent when:

1. The adoption is finalized;
2. The applicant or adoptive parent requests closure before receiving a child for placement;
3. The applicant or adoptive parent ceases to be a resident of Arizona before receiving a child for placement;
4. The court declines to certify the applicant or adoptive parent;
5. The applicant or adoptive parent refuses to comply with the requirements in A.R.S. Title 8, Chapter 1, Article 1, or this Chapter, Articles 3 and 4;
6. The applicant fails to submit a completed certification application within 90 days of the date on which the Department sent the person an application form;

7. The adoptive parent is no longer willing to be an adoptive parent; or.
8. The adoptive parent is no longer certified to adopt.

**B.** The Department may terminate adoption services to an adoptive child when:
1. The court issues a final adoption order; or
2. The court determines that adoption is no longer the most appropriate case plan for the child, and the Department provides alternate services consistent with the child's new case plan.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

## ARTICLE 4. ADOPTION ENTITY SERVICES

**R21-5-401. Definitions**

The definitions in R21-5-301 apply in this Article.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-402. Recruitment**

**A.** When recruiting applicants, an adoption entity shall comply with the requirements of this Section.

**B.** The adoption entity shall conduct recruitment efforts pursuant to a written plan, which shall describe:
1. Specific recruitment goals, including:
   a. The number and composition of adoptive parents the entity will serve; and
   b. The children the entity will accept for placement and any limitations such as:
      i. Age;
      ii. Medical special needs;
      iii. Developmental special needs;
      iv Mental health; or behavioral health special needs.
2. Methods of recruitment;
3. The number and professional qualifications of staff designated to handle recruitment; and
4. The means by which the adoption entity shall fund the agency's recruitment efforts.

**C.** The adoption entity's recruitment efforts shall be consistent with the personal characteristics of the children the entity has available for adoption and reasonably expects will become available for adoption through the entity.

**D.** An adoption entity shall not:
1. Promise to place more children than the adoption entity's prior history shows it can reasonably expect to place;
2. Promise to place a child in less time than the average waiting period demonstrated by the adoption entity's past practice;
3. Promise adoption subsidy prior to the formal approval and receipt of an adoption assistance agreement that meets the requirements of A.R.S. Title 8 Chapter 1 Article 2; or
4. Make any other statements or promises the entity knows or reasonably should know are false, misleading, or inaccurate.

**E.** The Department may take an adverse licensing action against an adoption agency that does not comply with this Section.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-403. Orientation: Persons Interested in Adoption**

**A.** Prior to accepting a certification application from a person considering the adoption of a child, or an application for placement from a person who intends to seek a placement through the adoption entity, an adoption entity shall provide the person with an adoption orientation, which shall explain the following:
1. The adoption process, including all legally mandated procedures, and estimated time-frames for completion of such procedures;
2. The adoption entity's policies and procedures that directly affect services to adoptive parents;
3. The adoption entity's fee structure and written fee agreement;
4. The types and number of children the agency typically has had and reasonably expects to have available for adoption placement and the average length of time between certification and placement;
5. The Department's responsibility for licensing and monitoring agencies, and the public's right to register a complaint about an agency as prescribed in 21 A.A.C. 9, Article 2;
6. The function of the Adoption Registry and the adoptive parent's right to decide whether to be included in the Adoption Registry; and
7. Confidentiality requirements, open adoptions, and the confidential intermediary program described in A.R.S. § 8-134.

**B.** A person who is already knowledgeable about all or part of the matters listed in subsection (A) may waive orientation on those matters, with the approval of the adoption entity. A person may be knowledgeable due to a prior adoption through an Arizona adoption entity, employment in adoption services, or for other similar reasons.

**C.** An adoption entity shall maintain written documentation showing that any person who has applied to the entity for certification or for placement of a child has received the orientation described in subsection (A), required by R21-9-227, or has obtained a waiver described in subsection (B). If some or all of the adoption orientation is waived, the adoption entity shall document the matters waived and the reasons for the waiver.

**D.** An adoption entity shall not charge a person for anything other than a certification application fee, or enter into an adoption fee agreement with a person, until the person has received the orientation in subsection (A).

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-404. Application for Certification**

An applicant who wishes to become certified as an adoptive parent shall apply for certification as provided in A.R.S. § 8-105. An adoption entity shall require an applicant to provide at least the following information:
1. Personally identifying information for each prospective adoptive parent, including:
   a. Name and date of birth;
   b. Social Security number;
   c. Race and ethnicity;
   d. Physical description;
   e. Current address and duration of Arizona residency;
   f. Marital history; and

g. The name, address, and phone number of immediate family members, including emancipated adult children;
2. The name, date of birth, and social security number of any person currently residing with the applicant;
3. A listing of the applicant's insurance policies, including:
a. Any insurance that may be available to cover the medical expenses of a birth mother or adoptive child; and
b. The name of the insured, the insurance policy number, and the effective dates of coverage;
4. A current financial statement describing the applicant's assets, income, debts, and financial obligations;
5. A physician's statement as to the applicant's current physical and mental health;
6. A medical and psychological history on the applicant and the applicant's household members. The history may be a declaration by the applicant of past physical and mental illness for the applicant and any household member;
7. The applicant's employment history;
8. The applicant's social history;
9. A statement from the applicant as to the type of child the applicant seeks to adopt and whether the applicant desires to adopt or would consider adopting a child with special needs;
10. Information on the following legal proceedings in which the applicant has been a party:
a. Dependency proceedings,
b. Severance or termination of parental rights proceedings,
c. Child support enforcement proceedings,
d. Proceedings involving allegations of child abuse or neglect,
e. Adoption proceedings, or
f. All criminal proceedings;
11. The applicant's prior history of adoption certification, including prior applications for certification and the dates of any certification denials;
12. Whether the applicant wishes to be listed on the Adoption Registry;
13. A fingerprint card or fingerprints processed through the Court, meeting the requirements of A.R.S. § 41.1758.07 on each applicant and each adult residing in the home more than the age of 18 years; and
14. The names, addresses, and phone numbers of five personal references; two references from family members related to the applicant by blood or marriage, and three other references, who have known the applicant at least two years and who can attest to the applicant's character and fitness to adopt.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-405. Certification Investigation**

**A.** Following acceptance of a completed certification application, the adoption entity shall conduct a certification investigation that includes:
1. Personal interviews with the adoptive family. Such interviews shall:
a. Occur on at least two separate occasions, at least one of which shall be at the adoptive parent's residence;
b. Comprise no less than four hours of in person contact, and at least one hour shall take place at the adoptive parent's residence;
c. Include at least one separate interview with each member of the adoptive parent's household who is more than the age of five; and
d. Include at least one joint interview with both adoptive parents if they are married;
2. Written statements from and personal contact (either a face-to-face meeting or a telephone call) with at least three of the applicant's personal references;
3. An inquiry as to whether the applicant wishes to be listed in the Adoption Registry;
4. Verification of the applicant's financial condition through a review of one or more of the documents listed in subsection (A)(7)(g) below;
5. A request to the Department for a check of the Central Registry to determine if the applicant has a past record of substantiated allegations of child abuse or neglect;
6. An evaluation of the success of the placement of other children adopted by the applicant;
7. A review of any supporting documentation the adoption entity reasonably deems necessary to determine an applicant's fitness to adopt, including:
a. A physician's statement regarding the physical health of other adult household members and the applicant's children living in the home;
b. A statement from a psychiatrist or psychologist regarding the mental health of the applicant and the applicant's other household members;
c. Birth certificates;
d. Marriage certificate;
e. Dissolution of marriage or divorce papers and orders, including child support documentation;
f. Military discharge papers;
g. Financial statements, tax returns, pay stubs, and W-2 statements;
h. Bankruptcy papers;
i. Insurance policy information; and
j. Documentation showing Arizona residency.

**B.** A person who meets the qualifications listed in 21 A.A.C. 9, Article 2, shall perform the certification investigation and shall document all personal contacts made and all information reviewed and considered during the investigation.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-406. Certification Report and Recommendation**

**A.** Upon completion of the certification investigation, the adoption entity shall prepare a certification report under A.R.S. § 8-105.

**B.** In determining whether to recommend certification of an applicant, the adoption entity shall consider all factors bearing on fitness to adopt, including, but not limited to:
1. The factors listed in A.R.S. § 8-105;
2. The length and stability of the applicant's marital relationship, if applicable;
3. The applicant's age and health;
4. Past, significant disturbances, or events in the applicant's immediate family, such as:
a. Involuntary job separation,
b. Divorce, or death of spouse, child, or parent, and
c. History of child abuse or neglect;

5. The applicant's ability to financially provide for an adopted child; and
6. The applicant's history of providing financial support to the applicant's other children, including compliance with court-ordered child support obligations.

**C.** The certification report shall specifically note any instances where an applicant has:
1. Been charged with, been convicted of, pled no contest to, or is awaiting trial, on charges of an offense listed in A.R.S. § 41-1758.07; or
2. Been a party to a dependency, guardianship, or termination of parental rights action.

**D.** If the report recommends denial of certification, the adoption entity shall send the applicant written notice of the unfavorable recommendation, the reason for the denial, and an explanation of the applicant's right under A.R.S. § 8-105, to petition the court for review. The adoption entity shall mail the notice to the applicant at least five work days prior to filing the certification report with the Court.

**E.** The adoption entity may notify the adoptive parent of the Court's certification decision if the Court fails to do so.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-407. Renewal of Certification**

**A.** A certified adoptive parent who has not filed a petition for adoption within one year of the original certification order, may apply for an extension of certification, as provided in A.R.S. § 8-105.

**B.** If the Court directs an adoption entity to investigate a certified adoptive parent who has requested a renewal of certification, the entity shall obtain from the adoptive parent seeking renewal:
1. A copy of the request for renewal of certification;
2. An updated profile of any changes in the certified adoptive parent's social, family, medical, and financial circumstances;
3. New fingerprint clearance per Court requirements, following original certification;
4. A current physical health statement for all members of the adoptive parent's household at least every third year following original certification; and
5. Other information as the Court may request.

**C.** When investigating a request for a renewal of certification, the adoption entity shall, at a minimum, complete the following:
1. Conduct an in person interview at the applicant's home with the applicant and the applicant's other household members more than the age of five years,
2. Investigate any change in circumstances described in the request for renewal as necessary to determine continuing fitness to adopt, and
3. Document all actions.

**D.** Upon completion of the renewal investigation, the adoption entity shall prepare and file with the Court a certification investigation that shall contain a recommendation for or against renewal of certification.

**E.** If the adoption entity recommends that certification not be renewed, the entity shall send the adoptive parent the notice in R21-5-406(D).

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-408. Communication with Adoptive Parents Awaiting Placement**

Upon request, an adoption entity shall inform an adoptive parent awaiting placement of a child of the following:
1. The status of the adoptive parent's case;
2. The number of children the adoption entity currently has available for adoption;
3. The number of times the adoptive parent has been considered for the placement of a child;
4. The number of approved adoptive parents awaiting placement of a child through the adoption entity; and
5. The number of placements the adoption entity made in the prior year, the number of placements the adoption entity has made to date in the current year, and the number of placements the adoption entity anticipates making during the remainder of the current year.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-409. Prohibitions Regarding Birth Parents**

An adoption entity shall not:
1. Promise a birth parent that the birth parent shall have future contact with the child or the adoptive parent but may explain the concept of open adoption;
2. Promise a birth parent that the child will be placed with a specific adoptive parent or type of adoptive parent, except in a direct placement adoption. The adoption entity may advise the parent that it will use the entity's best efforts to honor any placement preferences the birth parent may have, to the extent that such preferences are consistent with the best interests of the child;
3. Promise a birth parent any financial or other consideration prohibited by law; or
4. Do or say anything to coerce or pressure a birth parent to sign a consent to adopt.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-410. Information about Birth Parents**

**A.** Before accepting a child for placement, the adoption entity shall make a good faith effort to obtain the following information described in this Section from the child's birth parent, or person having custody of the child:
1. Information about each birth parent including:
   a. Name and any aliases used;
   b. Address, phone number, and residential history;
   c. Date and place of birth;
   d. Social security number;
   e. Race, citizenship, and any Native American tribal affiliation or membership;
   f. Physical description;
   g. Name of current employer and employment history;
   h. Educational history;
   i. Marital history and status;
   j. Record of other births and children born to the birth parent;
   k. Hobbies;
   l. Future plans;
   m. Record of arrests or convictions;
   n. Medical, psychological, and substance use history;

o. For the birth mother, history of prenatal care, gestational substance or drug abuse, pregnancy, and delivery;
p. Immediate family relationships; and
q. Significant family events.

2. An explanation of the birth parent's decision to place the child for adoption, the factors that influenced the decision, and a record of any counseling the birth parent received concerning the decision.
3. A record of the birth parent's contact with the child.
4. A statement of the birth parent's feelings about future contact with the child.
5. A list of the birth parent's preferences regarding an adoptive home for the child.
6. Medical or psychological history on the birth parent's own parents, siblings, grandparents, aunts, uncles, and first cousins.
7. Information on the child being surrendered for adoption, as appropriate to the age of the child and the child's:
   a. Developmental history,
   b. Medical and psychological history,
   c. Family background,
   d. Educational history, and
   e. Membership in or affiliation with any Native American tribe.
8. A listing of the birth parent's insurance policies, including:
   a. Any insurance that may be available to cover the medical expenses of the birth mother or adoptive child; and
   b. The name of the insured, the insurance policy number, and the effective dates of coverage.

**B.** The adoption entity shall document all statements and information in a permanent record.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-411. Pre-consent Conference with Birth Parents**

**A.** The adoption entity shall have a pre-consent conference with each birth parent who must provide consent to adoption under A.R.S. § 8-106, to explain in a language and form that each birth parent can understand the following:
1. The legal and practical consequences of executing a consent, including:
   a. Applicable ICWA provisions; and
   b. The fact that the consent, and all other affidavits executed in connection with an adoption, are executed under penalty of perjury;
2. The irrevocability and inalterability of a consent;
3. The legal prohibition against paying the birth parent to execute a consent;
4. The fact that the birth parent has no obligation to sign the consent; and
5. The provisions of A.R.S. § 8-106, regarding an affidavit of any potential father.

**B.** The pre-consent conference shall occur:
1. No earlier than 12 hours after the birth of a child if the conference was not held before the birth under subsection (B)(2);
2. No earlier than 60 days before the anticipated due date, if the conference is held before the child's birth;
3. At least 24 hours before presenting a birth parent with the consent form for signature; and
4. At a time that takes into account the known medical and emotional condition of each available birth parent.

**C.** The person conducting the pre-consent conference shall provide the birth parent with a sample consent form and shall convey the information described in subsection (A) in a language and form that the birth parent can understand.

**D.** The person conducting the pre-consent conference shall document that the information was given and understood and shall obtain the birth parent's signature on the documentation. If the conference is by telephone under subsection (E), the person may obtain the signature through the mail at a later date. If the conference is not held, the person shall document the reason under subsection (E).

**E.** The pre-consent conference may be by telephone and is not required if the birth parent cannot be located or refuses to participate in the conference. The adoption entity shall document the reason why the conference did not occur.

**F.** If required to obtain a consent from a birth father under A.R.S. § 8-106, the adoption entity shall, prior to obtaining the birth father's signature, advise the birth father of the matters listed in subsection (A) in a form and language the birth father can understand. The adoption entity shall include the advice listed in subsection (A) on the consent form.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-412. Consent to Adopt; Unknown Birth Parent**

**A.** A person who obtains a birth parent's signature on a consent shall not do so until the person reasonably determines:
1. That the requirements of R21-5-411 have been met;
2. That the birth parent is not acting under duress;
3. That the birth parent is physically and mentally capable of exercising informed consent; and
4. That the birth parent has revealed all information known about the identity and location of the other birth parent.

**B.** No one shall advise a birth parent to falsely state that he or she does not know the identity or location of the other birth parent.

**C.** When a birth parent professes not to know the identity or location of the other birth parent, the person taking the consent shall explain the risks and consequences of this response, including the following:
1. Potential invalidation of the adoption;
2. Potential detriment to the child's social and physical well-being, due to lack of information concerning the unidentified birth parent's social and medical history; and
3. Potential penalties for perjury.

**D.** When a birth parent knows, but refuses to disclose, the identity or location of the other birth parent, the adoption entity shall advise the birth parent as provided in subsection (C) and shall also explain that the Court may refuse to finalize the adoption.

**E.** The adoption entity shall document all action taken in compliance with this Section.

**F.** The adoption entity shall give the birth parent a copy of the consent and retain a copy in the permanent adoption file.

**G.** The adoption entity shall request a search of the confidential putative fathers registry of information that the Arizona Department of Health Services maintains under A.R.S. § 8-106.01 when:
1. A birth father's identity is unknown or undisclosed, and
2. The adoption entity believes that a search of the putative fathers registry may prevent disruption of a placement or an adoption.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-413. Adoptable Child: Assessment and Service Plan**

**A.** Prior to selecting an adoptive placement for an adoptable child, the adoption entity shall:
1. Assess the child's medical, psychological, social, and developmental needs;
2. Design an adoptive family profile consistent with the child's needs and best interests;
3. Develop a written service plan; and
4. Assess whether the child is a potential candidate for an adoption subsidy.

**B.** The service plan shall, at a minimum, include:
1. Placing the child on the Adoption Registry if there is no adoptive parent readily available to adopt the child;
2. Giving the child a developmentally appropriate explanation of the adoption process.

**C.** The adoption entity shall provide the child with services in accordance with the child's service plan.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-414. Placement Determination**

**A.** An adoption entity shall have and follow a written policy for making placement recommendations and decisions in both direct placement and adoption placement adoptions.

**B.** Except as otherwise provided in subsection (C), in an agency placement adoption a team shall make the placement decision. The team shall at a minimum, include:
1. The case manager or person who assessed the adoptable child, and
2. The case manager or person who is knowledgeable about the potential adoptive parents for the adoptable child.

**C.** In international adoptions, where the case manager or person who assessed the child is out of the country and unavailable, the adoption team shall include the person who is most familiar with the adoptable child's needs.

**D.** In an agency placement adoption, an adoption entity shall place an adoptable child in the adoptive setting that best meets the child's safety, social, emotional, physical and mental health needs. In determining who can best meet the needs, the adoption entity shall consider ICWA placement preferences if applicable and the following relevant factors in no order of preference:
1. The marital status, length and stability of the marital relationship of the adoptive parent;
2. The family's ability to meet the child's emotional, physical, mental, and social needs;
3. The family's ability to financially provide for the child;
4. The wishes of a child who is 12 years of age or more;
5. Family relationships between the child and the adoptive parent's family members;
6. The placement of the child's siblings;
7. The availability of relatives, the adoptable child's former foster parents, or other significant persons to provide support to the adoptive parent and child;
8. The wishes of the child's birth parent; and
9. All information in the case files of the child and the adoptive parent.

**E.** The adoption entity shall document the placement decision.
1. For adoptions conducted pursuant to the ICPC, the documentation shall comply with the requirements of the ICPC under A.R.S. § 8-548 et seq.
2. For all other adoptions, the documentation shall include the following:
   a. The adoptive child's critical needs and characteristics that weigh most heavily in the placement determination,
   b. The names and general characteristics of those adoptive parents who most closely match the child's needs and who are seriously considered for placement, and
   c. The reasons why a particular adoptive parent chosen for placement best meets the child's needs.

**F.** For adoptions not covered by the ICPC, the adoption entity may document the placement decision in a file or placement log that is separate from the clients' case files.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-415. Provision of Information on a Placed Child**

After selecting an adoptive placement for a child, and before placing the child with the chosen adoptive parent, the adoption entity shall provide the adoptive parent with all non-identifying information available on the child, including, without limitation, the following:
1. All records concerning the child's medical, psychological, social, legal, family, and educational background;
2. All records concerning the birth parents' medical, psychological, social, legal, family, and educational background;
3. The medical and social background on the child's other immediate family members, including siblings and birth grandparents;
4. The child's plan for adoption services, as described in R21-4-413; and
5. Information on adoption subsidy that may be available for the child.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-4-416. Transportation**

An adoption entity that transports an adoptive child shall:
1. Ensure that any person who transports an adoptive child is informed of the child's medical needs and is capable of meeting any medical needs that are reasonably likely to arise during transport;
2. Not leave an adoptive child unattended during transportation if the adoptive child:
   a. Is less than seven years of age;
   b. Has a developmental disability; and
   c. Is more than seven years of age if the adoption entity has determined, and documented in the child's record, that the child is physically and emotionally incapable of traveling alone;
3. Require all persons who provide transport to carry personal identification and a written statement from the adoption entity describing the person's authority and responsibilities while performing transport duties;
4. Require proof of driver's license from any person accepting temporary or permanent responsibility for transporting an adoptive child during the course of placement;

5. Document all transportation plans and actual transportation events in the child's record;
6. All vehicles used in transporting adoptive children shall be insured;
7. Ensure that an adoptive child is properly secured in a child restraint system that meets the requirements listed in R21-9-224(E).

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-417. Placement Services**

**A.** An adoption entity shall make counseling services available to the adoptive parents' family as the entity deems reasonable and necessary to facilitate the child's acceptance into the adoptive parent's family and to preserve stability. The adoption entity may make such services available by advising the adoptive family that such services may be beneficial and referring the adoptive parent and his or her family to community resources and providers.

**B.** The adoption entity shall make information on adoption related educational and supportive resources available to adoptive parents.

**C.** The adoptive parent must sign a document stating if he or she is declining any form of adoption counseling.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-418. Post-placement Supervision: Non-foster Parent Placement**

**A.** When a child is placed for adoption with a person who is not the child's foster parent, a case manager from the adoption entity shall visit the home within 30 calendar days of the date of adoptive placement to:
1. Ensure that the adoptive parent received all available non-identifying information from the adoption entity on the child;
2. Address any questions or concerns the adoptive parent or child may have about the adoption process or placement;
3. Ensure that the family has addressed the educational needs of a school-age child; and
4. Ensure that an adoptive parent who works has made appropriate child care arrangements.

**B.** Following the initial placement visit in subsection (A), a case manager from the adoption entity shall:
1. Visit the adoptive family at least once every three months until the adoption is finalized:
   a. Except, when the adoptive child is a child with special needs, the visits shall occur at least once a month; and
   b. During the first six months following the initial placement visit, at least alternating visits shall occur at the adoptive family's home;
2. Interview all members of the adoptive family's household during the placement supervision period;
3. Discuss how the child and the adoptive parent's family are adapting, the current relationship among members of the adoptive parent's family, and the following issues with the adoptive parent if appropriate in light of the child's age and development:
   a. How the presence of the child has changed familial relationships;
   b. How the child and the extended family view each other;
   c. The role each family member has assumed regarding child care and discipline;
   d. How the adoptive parent is coping with the needs and demands of the placed child;
   e. How the child challenges or tests the placement and how the family reacts to these episodes, including any feelings of insecurity about the propriety of the family members' response;
   f. How the family perceives the child's sense of identity and the need to fill in gaps in the child's history; and
   g. How the child has adjusted to the school environment;
4. If developmentally appropriate, privately interview the child about:
   a. The child's feelings about the adoption;
   b. How the child and family are adapting; and
   c. The child's relationships with the members of the family.

**C.** The case manager shall document all contacts and communications made under this Section.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-419. Post-placement Supervision: Foster Parent Placement**

**A.** When a foster parent plans to adopt a foster child who is age 5 years or older, a case manager from the adoption entity shall privately interview the child and all members of the adoptive family household who are age 5 years or older about their feelings towards the adoption, before the adoption consent is signed.

**B.** When a child is placed for adoption with a person who has been a foster parent to the child, a case manager from the adoption entity shall conduct a home visit at least every two months from the time legal consent for adoption has been signed until the finalization of adoption unless the adoptive child is a child with special needs. If the adoptive child is a child with special needs, the case manager shall visit at least once a month.

**C.** During the visits described in subsection (B), the case manager shall:
1. If developmentally appropriate, privately interview the child to discuss a child's feelings about the adoption; and
2. Interview all members of the adoptive family household, including children, if developmentally appropriate, to discuss, as described in R21-5-418, how the child and family are adapting, and the current relationship among members of the family.

**D.** The case manager shall document all contacts and communications under this Section.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-420. Protracted Placement**

If an adoption is not finalized within two years from the date of consent, and the child is still placed in the adoptive home, the adoption entity handling the adoption shall provide the Department with written documentation explaining the reason why the adoption has

not been finalized, no later than 30 calendar days after the two-year period has ended.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-421. Finalizing the Placement**

An adoption entity shall cooperate with the adoptive parent and the attorney, if any, retained by the adoptive parent, to finalize the adoption.

1. The entity shall provide all information and documents needed to finalize the adoption and shall file a final written report to the court at least 10 days before the final adoption hearing, or at such other time as the Court may require. The report shall include the information listed in this subsection, unless the entity has already provided this information in an earlier report, and the information has not changed since the earlier report.
   a. The name and age of each adoptive parent and the relationship, if any, of each adoptive parent to the child to be adopted;
   b. The name, age, and birthplace of the child to be adopted, and whether any or all of this information is unknown to the adoptive parent;
   c. The entity or other source from which the adoptive parent received the child to be adopted;
   d. The circumstances surrounding the surrender of the child to the entity;
   e. The results of the entity's evaluation of the child and of the adoptive parent, including:
      i. A description of the care the child is receiving;
      ii. The adjustment of the child and parent; and
      iii. A summary statement of the entity's recommendation to the court regarding finalization;
   f. A full description of any property belonging to the child to be adopted;
2. For children 12 years of age and older, the adoption entity shall solicit and consider the child's wishes concerning adoption.
3. The adoption entity shall notify the AHCCCS Administration of any potential third party payer, as prescribed in A.R.S. § 36-2946, if the entity has not already done so.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4). Amended by final expedited rulemaking at 28 A.A.R. 2479 (September 23, 2022), with an immediate effective date of September 9, 2022 (Supp. 22-3).

**R21-5-422. Placement Disruption**

**A.** When a placement fails, the adoption entity shall provide services, including counseling to the adoptive parent and his or her family and child, to help them cope with the loss and separation.

**B.** An adoption entity shall have and follow written procedures for an adoptive placement disruption. The procedures shall include:

1. Provision of counseling services to the adoptive parent, his or her family, and the child as needed; and
2. Provision for placement of the child in another adoptive home or other developmentally appropriate living arrangement.

**C.** The adoptive entity shall document the reasons for the disruption and shall take such information into account when making future placements for the adoptive parent and the child.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-423. Confidentiality**

Any person or entity who participates in an adoption or provides adoption services shall comply with the confidentiality requirements under A.R.S. §§ 8-120, 8-121, and 36-2903.01.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

## ARTICLE 5. ADOPTION SUBSIDY

**R21-5-501. Definitions**

In addition to the definitions in A.R.S. §§ 8-141 and 8-501, the following definitions apply in this Article.

1. "Adoption agency" means an individual or entity, including a corporation, company, partnership, firm, association, or society, other than the Department, licensed by the Department to place a child for adoption.
2. "Adoption Specialist" means the Department of Child Safety Specialist, or adoption agency staff person, who is responsible for managing the child's case prior to the adoption finalization.
3. "Adoption subsidy" means the same as A.R.S. § 8-141, and includes nonrecurring adoption expenses under A.R.S. § 8-161 et seq. If the child qualifies, the adoption subsidy may include one or more of the following:
   a. Medical, dental, and mental health subsidy;
   b. Maintenance subsidy;
   c. Special services subsidy; and
   d. Reimbursement of nonrecurring adoption expenses.
4. "Adoption subsidy agreement" means the agreement in A.R.S. § 8-144 concerning the Adoption Subsidy Program and includes the agreement in A.R.S. § 8-162 concerning the nonrecurring adoption expense program.
5. "Adoption Subsidy Program" means a unit within the Department of Child Safety that administers the adoption subsidy.
6. "Adoption Subsidy Supervisor" means a Department employee who is responsible for the Adoption Subsidy Program within a defined geographic area, and that the Department has authorized to approve an adoption subsidy agreement.
7. "Adoptive parent" means an adult who the court has certified or approved to adopt a child, or an adult who has adopted a child.
8. "AHCCCS" means the Arizona Health Care Cost Containment System, which is the state's program for medical assistance available under Title XIX of the Social Security Act and state public insurance statutes, A.R.S. Title 36, Chapter 29.
9. "AHCCCS hospital reimbursement system" means the payment structure that AHCCCS uses to pay for inpatient and outpatient hospital services.
10. "Complete adoption subsidy application" means a packet containing the following:
    a. An "Adoptive Family Subsidy Application" form provided by the Department that the adoptive parent, the Adoption Specialist, and Adoption Specialist supervisor have completed and signed; and

b. The supporting documentation and information requested in the "Adoptive Family Subsidy Application."

11. "Debilitating" means a lifelong, progressive, or fatal condition characterized by physical, mental, or developmental impairment that impedes an individual's ability to function independently.
12. "Department" or "DCS" means the Arizona Department of Child Safety.
13. "Developmental disability" means the same as A.R.S. § 8-141.
14. "Diagnose" means to identify a physical, psychological, social, learning, or developmental condition or disability according to the accepted standards of the medical, mental health, or educational professions.
15. "Emergency situation" means a circumstance that, if unaddressed, would be detrimental to a child's life, health, or safety.
16. "Emotional disturbance" means the same as A.R.S. § 8-141.
17. "Lawfully present in the United States" means the child is a U.S. citizen, national, or an alien authorized by an appropriate federal entity or court to be present in the United States.
18. "Legally free" means the parental rights of a child's birth or legal parents have been terminated.
19. "Maintenance subsidy" means a monthly payment paid to a custodial adoptive parent to assist with the costs directly related to meeting some of the adopted child's needs, including child care, health insurance co-payments and deductibles, and supplemental educational services for the adopted child.
20. "Mental disability" means the same as A.R.S. § 8-141.
21. "Nonrecurring adoption expenses" means the same as A.R.S. § 8-161, and are reasonable and necessary expenses directly related to the legal process of adopting a child with special needs. Allowable expenses include adoption fees, court costs, attorney's fees, fingerprinting fees, home study fees, costs for physical and psychological examinations, costs for placement supervision, and travel expenses necessary to complete the adoption.
22. "Physical disability" means the same as A.R.S. § 8-141.
23. "Qualified professional" means a practitioner licensed or certified by the state of Arizona or another state to evaluate and diagnose a condition or disability, or provide medical, dental, mental health services, or approved by the Department to provide educational or respite services.
24. "Sibling relationship" means two or more brothers or sisters who are related by blood or by law, and who are being adopted by the same family.
25. "Special allowance" means funds provided for clothing or personal expenses, therapeutic or personal attendant care, and other specialized payments such as emergency clothing, education, and gift allowances.
26. *"Special needs" means one or more of the following conditions which existed before the finalization of adoption:*
    a. Physical, mental or developmental disability.
    b. Emotional disturbance.
    c. High risk of physical or mental disease.
    d. High risk of developmental disability.
    e. Age of six or more years at the time of application for an adoption subsidy.
    f. Sibling relationship.
    g. Racial or ethnic factors.
    h. High risk of severe emotional disturbance if removed from the care of his foster parents.
    *i. Any combination of the special needs described in this paragraph.* A.R.S. § 8-141.
27. "Special services subsidy" means financial assistance for extraordinary, infrequent, or uncommon needs related to a special needs condition specified in the adoption subsidy agreement.
28. "Standard of care" means a medical or psychological procedure or process that is accepted as treatment for a specific illness, injury, medical, dental, learning, or psychological condition through custom, peer review, or consensus by the professional medical, dental, educational, or mental health community.
29. "Title IV-E" means section 473 of Title IV of the Social Security Act, 42 U.S.C. 673, which establishes the federal adoption assistance program.
30. "Title XIX" means Medicaid, as defined by Section 1900, Title XIX, of the Social Security Act, 42 U.S.C. 1396.
31. "Title XX" means the Social Services Block Grant, as defined by Section 2001, Title XX, of the Social Security Act, 42 U.S.C. 1397.
32. "Undiagnosed pre-existing special need condition" means a physical, mental or developmental disability or emotional disturbance that existed before a court finalized the child's adoption, and that a qualified professional did not confirm before the child's adoption.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-502. Eligibility Criteria**

**A.** The Department shall determine if a child qualifies for the Title IV-E adoption assistance program prior to determining whether the child qualifies for the Adoption Subsidy Program.

**B.** A child shall qualify for Title IV-E adoption assistance if the child meets the additional eligibility criteria required in 42 U.S.C. 673(a)(2). If the child does not meet the additional criteria in Title IV-E, the child may still be eligible to receive adoption subsidy under subsection (C).

**C.** An Arizona child shall be eligible for adoption subsidy when the child is:
1. In the care, custody, and control of the Department, or an adoption agency licensed in Arizona, or was previously adopted and received Title IV-E or Arizona adoption subsidy;
2. Legally free for adoption;
3. Lawfully present in the United States; and
4. Determined to be a child with special needs as defined by Title IV-E of the Social Security Act, and A.R.S. Title 8, Chapter 1, Articles 2 and 3 as follows:
    a. The child cannot or should not be returned to the parent's home;
    b. The child cannot be placed with adoptive parents without an adoption subsidy due to a special need of the child; and
    c. A reasonable but unsuccessful effort was made to place the child without an adoption subsidy, unless the Department determined that it was not in the child's best interest to place the child with another family because of the child's significant emotional ties with the prospective adoptive parent while in their care as a foster child.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-503. Application for Adoption Subsidy**

**A.** The adoptive parent shall submit a complete adoption subsidy application to the Department Adoption Subsidy Program prior to the finalization of the adoption. A complete adoption subsidy application shall include the following:
1. The child's:
   a. Name;
   b. Date of birth;
   c. Social Security Number; and
   d. Ethnicity;
2. The adoptive parents':
   a. Name;
   b. Date of birth;
   c. Social Security Number;
   d. Ethnicity;
   e. Marital status;
   f. Occupation;
   g. Relationship to the child;
   h. Adoption certification status;
3. Information about:
   a. The child's special needs;
   b. Whether the child is lawfully present in the U.S.;
   c. The Department or the adoption agency that has custody of the child;
   d. Whether the child is free for adoption;
   e. Efforts to place the child for adoption without adoption subsidy;
   f. Resources for which the child is eligible; and
   g. Financial benefits for which the child is eligible; and
4. Description of:
   a. The child's pre-existing special need conditions;
   b. The need for maintenance payments; and
   c. Nonrecurring expenses.
5. The adoptive parent shall include the following documentation:
   a. The child's specific special need identified by a qualified professional;
   b. The child's need for a maintenance subsidy from:
      i. The adoptive parent,
      ii. Adoption Specialist, and
      iii. A qualified professional;
   c. The child's lawful presence in the United States if the child is not a U.S. citizen;
   d. The child's pre-existing medical, dental, and mental health conditions as documented by a qualified professional:
      i. Current within one year, or
      ii. Provided in birth records; and
6. Assurances that the following information is available in the adoption case record:
   a. The Department or adoption agency that has custody of the child,
   b. That the child is free for adoption, and
   c. Efforts to place the child for adoption without adoption subsidy.

**B.** An adoption subsidy application is complete when the Adoption Subsidy Program receives the application and all supporting documentation. Documentation may vary according to the conditions of the child, and may include the recommendations of qualified professionals.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-504. Eligibility Determination**

The Department shall review the adoption subsidy application and determine eligibility according to the following:
1. The Department shall approve eligibility for adoption subsidy if a child meets the eligibility criteria listed in R21-5-502 and the adoptive parent submits a complete application. If the Department approves eligibility, the Department shall create an adoption subsidy agreement that the adoptive parent and the Adoption Subsidy Supervisor or designee shall sign before the court enters the final order of adoption.
2. The Department shall deny eligibility for an adoption subsidy if a child does not meet the eligibility criteria listed in R21-5-502. If the Department denies an adoption subsidy, the Department shall send a notice to the adoptive parent that explains the reason for denial, the applicant's right to appeal, and the time-frame to file an appeal.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-505. Adoption Subsidy Agreement**

**A.** The Department shall create an adoption subsidy agreement that lists the scope and nature of the subsidies provided, including:
1. The child's documented pre-existing special needs condition,
2. The types of subsidy approved,
3. The amount or rates as applicable to the types of subsidy approved, and
4. The specific terms and conditions of the agreement.

**B.** The adoption subsidy agreement shall become effective if the following occurs prior to the finalization of the adoption:
1. The adoptive parent signs the agreement and returns it to the Department Adoption Subsidy Program, and
2. The Adoption Subsidy Supervisor or designee signs the agreement.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-506. Medical, Dental, and Mental Health Subsidy**

Adoption subsidy provides medical, dental, and mental health subsidies in the form of federal Medicaid coverage to a child in the Adoption Subsidy Program.
1. If the child resides in Arizona, AHCCCS determines eligibility; or
2. If the child resides in another state, the relevant state agency in that state determines Medicaid eligibility.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-507. Maintenance Subsidy**

**A.** The maintenance subsidy may not cover all the daily living expenses of the adopted child. The Department and the adoptive parent shall negotiate the amount of maintenance subsidy based on a child's current special needs and the family's circumstances.

1. Under A.R.S. § 8-144(B), the amount of the maintenance subsidy shall not exceed the payments allowable for foster care, not including foster care special allowances.
2. The Department shall deduct private or public monetary benefits, such as benefits received through Title II of the Social Security Act, paid to the child from the monthly maintenance subsidy, as allowed under state or federal law. The adoptive parent shall report the receipt of any private or public monetary benefits for the child to the Adoption Subsidy Program as soon as the benefits are received.

**B.** Payment of Maintenance Subsidy
1. The Department shall not begin maintenance subsidy payments prior to the effective date of the adoption subsidy agreement.
2. The Department shall issue maintenance subsidy payments monthly to the adoptive parent as specified in the adoption subsidy agreement.

**C.** Renegotiation of the Maintenance Rate
1. The Department or the adoptive parent may initiate a change in the maintenance subsidy rate if there are changes in the child's needs.
2. The Department may renegotiate the amount of the adoption subsidy; however, the rate shall not exceed the payments allowable for foster care, not including foster care special allowances.
3. The adoptive parent shall provide the Department with documentation supporting the requested change in the maintenance subsidy rate.
4. If the child is in the care or custody of a state agency in Arizona or any other state, an adoption agency, or an individual other than the adoptive parent, the Department shall request, and the adoptive parent shall provide, documentation that the adoptive parent continues to be legally and financially responsible for the child.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-508. Special Services Subsidy**

**A.** Special services subsidy shall be:
1. Related to a special needs condition listed in the adoption subsidy agreement; and
2. Necessary to improve or maintain the adopted child's functioning as documented by an appropriate qualified professional. The Adoption Subsidy Program shall review the documentation at least annually.

**B.** Services approved for the payment of special services subsidy shall be:
1. Provided by a qualified professional;
2. Provided in the least restrictive environment and as close as possible to the adoptive parent's residence;
3. In accordance with the "Standard of Care"; and
4. Not otherwise covered by or provided through maintenance subsidy, medical subsidy, dental subsidy, mental health subsidy, or other resources for which the adopted child is eligible.

**C.** The adoptive parent shall submit the special services request to the Adoption Subsidy Program and receive approval from the Adoption Subsidy Program prior to the adoptive parent's incurring the specified expense. The request shall include:
1. Documentation from a qualified professional that the service is necessary; and
2. Documentation that the adoptive parent had requested the service and the service provider had denied the request or documentation that the service is not available from other potential funding sources, such as AHCCCS/Medicaid, private insurance, school district, or other community resources.

**D.** Special services subsidy shall not include:
1. Payment for services to meet needs other than the pre-existing special needs conditions specifically listed in the adoption subsidy agreement;
2. Payment for medical or dental services usually considered to be routine, such as well-child checkups, immunizations, and other services not related to the child's special needs conditions in the adoption subsidy agreement;
3. Payment for health-related services that are not medically necessary, as determined by a qualified professional;
4. Payment for social or recreational services such as routine child care, dance lessons, sports fees, camps, and similar services; and
5. Payment for educational services that are not necessary to meet the special needs conditions specifically listed in the adoption subsidy agreement, or the services for which the school district is responsible.

**E.** The Department may request an independent review by a qualified professional of a special services request to determine the necessity for medical, dental, psychological, or psychiatric testing or services, or to evaluate the appropriateness of the treatment plan or placement.

**F.** The Department may issue reimbursements to the adoptive parent for approved special services, or the Department may pay the service provider directly.

**G.** Special services subsidy reimbursement is limited as follows:
1. The Department shall reimburse in-state and out-of-state inpatient and outpatient hospital services according to the AHCCCS hospital reimbursement system, as required by A.R.S. § 8-142.01(A), if the adoptive parent has obtained prior approval for the service from the Department. Prior approval is not required in an emergency situation.
2. The Department shall not reimburse special services subsidy amounts in excess of the rates allowed by the Department or AHCCCS. The Department shall use the lowest applicable rates as established by AHCCCS, the Department's Comprehensive Medical and Dental Program (CMDP), or rates established by the Adoption Subsidy Program to be customary and reasonable.
3. The Department shall not pay for requests that the adoptive parent or provider submits more than nine months after the date of service for which the adoptive parent or provider requests payment.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-509. Nonrecurring Adoption Expenses**

**A.** Nonrecurring adoption expenses shall not cover expenses related to visiting and placing the child.

**B.** Reimbursement of nonrecurring adoption expenses is subject to the limitations in A.R.S. § 8-164.

**Historical Note**
New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-510. Annual Review; Reporting Change**

**A.** Each year, the Department shall send a review form to the adoptive parent requesting that the adoptive parent provide:
1. Information indicating that the parent remains legally and financially responsible for the child;
2. Information on any change in benefits for the child, such as benefits received through Title II of the Social Security Act;
3. Information on any change in circumstances, including changes in residence, marital status, educational status, or other similar changes; and
4. A description of any changes in the child's special needs conditions that are listed in the adoption subsidy agreement.

**B.** The adoptive parent shall provide the Department with the requested information within 30 days of the adoptive parent's receipt of the review form.

**C.** The adoptive parent shall notify the Department in writing within five calendar days when any of the following occurs:
1. The adoptive parent is no longer legally responsible for the child;
2. The adoptive parent is no longer providing support to the child;
3. The child is no longer residing in the adoptive parent's home;
4. The child has graduated from high school or obtained a general equivalency degree (GED);
5. The child has married;
6. The child has joined the military; or
7. The child dies.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-511. Termination of Adoption Subsidy**

The Department shall terminate an adoption subsidy when any of the following occurs:
1. The child turns 18 years old and is not enrolled in and attending high school or a program leading to a high school diploma or general equivalency degree (GED);
2. The child is aged 18 through 21 years, has been continuously enrolled in school, and either drops out of school, graduates from high school, or obtains a general equivalency degree (GED);
3. The child turns 22 years old;
4. The adoptive parent is no longer legally responsible for the child;
5. The adoptive parent is no longer providing support to the child;
6. The child marries;
7. The child joins the military;
8. The special needs conditions of the child no longer exist;
9. The child dies;
10. The adoptive single parent or both adoptive parents die; or
11. The adoptive parent requests termination.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-512. New or Amended Adoption Subsidy Agreement**

An adoptive parent may apply for a new or amended adoption subsidy agreement after the adoption is final, only upon documentation of an undiagnosed pre-existing special needs condition that existed before the finalization of the adoption.
1. The adoptive parent shall send the Department a written request for adoption subsidy with documentation from a qualified professional diagnosing the special needs condition and confirming that it existed before the final order of adoption.
2. The adoptive parent and the Department shall follow the procedures in this Article for processing applications and determining eligibility.
3. If the Department finds that the child has an undiagnosed pre-existing special needs condition that, if diagnosed prior to the adoption, would have met the eligibility criteria listed in R21-5-502, the Department shall grant a new subsidy or amend the adoption subsidy agreement to cover this special needs condition.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-513. Appeals**

Appeals for the Adoption Subsidy Program shall follow the process in 21 A.A.C. 1, Article 3.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

**R21-5-514. Confidentiality**

The Department shall maintain the confidentiality of all information used in the Adoption Subsidy Program according to all applicable federal and state laws.

**Historical Note**

New Section made by final exempt rulemaking at 21 A.A.R. 3255, effective January 24, 2016 (Supp. 15-4).

# 8-453. Powers and duties

A. The director shall:

1. Carry out the purposes of the department prescribed in section 8-451.

2. Provide transparency by being open and accountable to the public for the actions of the department.

3. Develop a data system that enables persons and entities that are charged with a responsibility relating to child safety to access all relevant information relating to an abused, neglected or abandoned child as provided by law.

4. Subject to title 41, chapter 4, article 4 and, as applicable, articles 5 and 6, employ deputy directors and other key personnel based on qualifications that are prescribed by the director.

5. Adopt rules to implement the purposes of the department and the duties and powers of the director.

6. Petition, as necessary to implement the case plan established under section 8-824 or 8-845, for the appointment of a guardian or a temporary guardian under title 14, chapter 5 for children who are in the custody of the department pursuant to court order. Persons applying to be guardians or temporary guardians under this section shall be fingerprinted. A foster parent or certified adoptive parent already fingerprinted is not required to be fingerprinted again, if the foster parent or certified adoptive parent is the person applying to be the guardian or temporary guardian.

7. Cooperate with other agencies of this state, county and municipal agencies, faith-based organizations and community social services agencies, if available, to achieve the purposes of this chapter.

8. Exchange information, including case specific information, and cooperate with the department of economic security for the administration of the department of economic security's programs.

9. Administer child welfare activities, including:

(a) Cross-jurisdictional placements pursuant to section 8-548.

(b) Providing the cost of care of:

(i) Children who are in temporary custody, are the subject of a dependency petition or are adjudicated by the court as dependent and who are in out-of-home placement, except state institutions.

(ii) Children who are voluntarily placed in out-of-home placement pursuant to section 8-806.

(iii) Children who are the subject of a dependency petition or are adjudicated dependent and who are in the custody of the department and ordered by the court pursuant to section 8-845 to reside in an independent living program pursuant to section 8-521.

(c) Providing services for children placed in adoption.

10. Formulate policies, plans and programs to effectuate the missions and purposes of the department.

11. Make contracts and incur obligations within the general scope of the department's activities and operations subject to the availability of funds.

12. Coordinate with, contract with or assist other departments, agencies and institutions of this state and local and federal governments in the furtherance of the department's purposes, objectives and programs.

13. Accept and disburse grants, matching funds and direct payments from public or private agencies for the conduct of programs that are consistent with the overall purposes and objectives of the department.

14. Collect monies owed to the department.

15. Act as an agent of the federal government in furtherance of any functions of the department.

16. Carry on research and compile statistics relating to the child welfare program throughout this state, including all phases of dependency.

17. Cooperate with the superior court in all matters related to this title and title 13.

18. Provide the cost of care and transitional independent living services for a person under twenty-one years of age pursuant to section 8-521.01.

19. Ensure that all criminal conduct allegations and reports of imminent risk of harm are investigated.

20. Ensure the department's compliance with the Indian child welfare act of 1978 (P.L. 95-608; 92 Stat. 3069; 25 United States Code sections 1901 through 1963).

21. Strengthen relationships with tribal child protection agencies or programs.

B. The director may:

1. Take administrative action to improve the efficiency of the department.

2. Contract with a private entity to provide any functions or services pursuant to this title.

3. Apply for, accept, receive and expend public and private gifts or grants of money or property on the terms and conditions as may be imposed by the donor and for any purpose provided for by this title.

4. Reimburse department volunteers, designated by the director, for expenses in transporting clients of the department on official business. Volunteers reimbursed for expenses are not eligible for workers' compensation under title 23, chapter 6.

C. The department shall administer individual and family services, including sections on services to children and youth and other related functions in furtherance of social service programs under the social security act, as amended, title IV, parts B and E, grants to states for aid and services to needy families with children and for child-welfare services, title XX, grants to states for services and other related federal acts and titles.

D. Notwithstanding any other law, a state or local governmental agency or a private entity is not subject to civil liability for the disclosure of information that is made in good faith to the department pursuant to this section.

E. Notwithstanding section 41-192, the department may employ legal counsel to provide legal advice to the director. The attorney general shall represent the department in any administrative or judicial proceeding pursuant to title 41, chapter 1, article 5.

F. The total amount of state monies that may be spent in any fiscal year by the department for foster care as provided in subsection A, paragraph 9, subdivision (b) of this section may not exceed the amount appropriated or authorized by section 35-173 for that purpose. This section does not impose a duty on an officer, agent or employee of this state to discharge a responsibility or create any right in a person or group if the discharge or right would require an expenditure of state monies in excess of the expenditure authorized by legislative appropriation for that specific purpose.

# 8-105. Preadoption certification; investigation; central adoption registry

A. Before any prospective adoptive parent may petition to adopt a child the person shall be certified by the court as acceptable to adopt children. A certificate shall be issued only after an investigation conducted by an officer of the court, by an agency, by the department or by an entity contracted by the department to do an investigation and home study for foster home licensing or preadoption certification. A written application for certification shall be made directly to the court, to an agency, to the department or to an entity contracted by the department, in the form and content required by the court, agency or department.

B. The department is not required to accept every application for certification. In determining which applications to accept the department may give priority to applications filed by adult residents of this state who wish to adopt a child who has any special needs as defined in section 8-141.

C. After receiving and accepting the written and completed application of the prospective adoptive parent or parents, which shall include a financial statement and a physician's or a registered nurse practitioner's statement of each applicant's physical health, the department, the agency, an officer of the court or the entity contracted by the department shall conduct or cause to be conducted an investigation of the prospective adoptive parent or parents to determine if they are fit and proper persons to adopt children.

D. The department shall not present for certification a prospective adoptive parent unless that person and each other adult member of the household have a valid fingerprint clearance card issued pursuant to section 41-1758.07. The prospective adoptive parent and each other adult member of the household must certify on forms that are provided by the department and that are notarized whether that person is awaiting trial on or has ever been convicted of any of the criminal offenses listed in section 41-1758.07, subsections B and C in this state or similar offenses in another state or jurisdiction.

E. An officer of the court may obtain a state and federal criminal records check pursuant to section 41-1750 and Public Law 92-544. The department of public safety may exchange this fingerprint data with the federal bureau of investigation.

F. This investigation and report to the court shall consider all relevant and material facts dealing with the prospective adoptive parents' fitness to adopt children and shall include:

1. A complete social history.

2. The financial condition of the applicant.

3. The moral fitness of the applicant.

4. The religious background of the applicant.

5. The physical and mental health condition of the applicants.

6. Any court action for or adjudication of child abuse, abandonment of children, dependency or termination of parent-child relationship in which the applicant had control, care or custody of the child who was the subject of the action.

7. Whether the person or persons wish to be placed on the central registry established in subsection M of this section.

8. All other facts bearing on the issue of the fitness of the prospective adoptive parents that the court, agency or department may deem relevant.

G. The investigator shall not reveal to the prospective adoptive parents the identity of a child or the child's parent or parents and shall not reveal to the child or the child's parent or parents the identity of the prospective adoptive

parents if these facts are not already known.

H. Within ninety days after the original application prescribed by subsection A of this section has been accepted, the department, the agency or the entity contracted by the department or a person or agency designated by the court to conduct an investigation shall present to the juvenile court the written report required by subsection F of this section, which shall include a definite recommendation for certifying the applicant as being acceptable or nonacceptable to adopt children and the reasons for the recommendation.

I. Within sixty days after receiving the investigation report required by subsections F and H of this section, the court shall certify the applicant as being acceptable or nonacceptable to adopt children based on the investigation report and recommendations of the report. A certification remains in effect for eighteen months from the date of its issuance and may be extended for additional one year periods if after review the court finds that there have been no material changes in circumstances that would adversely affect the acceptability of the applicant to adopt.

J. The court may require additional investigation if it finds that additional information is necessary on which to make an appropriate decision regarding certification.

K. Any applicant who has been certified as nonacceptable may petition the court to review that certification. Notice shall be given to all interested parties and notice may be given to the foster care review board if the child sought to be adopted is in out-of-home placement and is a dependent child or the subject of a dependency action. The matter shall be heard by the court, which may affirm or reverse the certification.

L. If the applicant is certified as nonacceptable, the applicant may not reapply for certification to the court, to any agency, to the department or to an entity contracted by the department for one year.

M. The department shall maintain a central adoption registry that includes the names of all prospective adoptive parents currently certified by the court as acceptable to adopt children, except those who request that their names not be included, the names of all children who are under the jurisdiction of the department and who are currently available for adoption, the names of any other children who are currently available for adoption and whose names are voluntarily entered in the registry by any agency, parent or other person that has the right to give consent to the child's adoption, and other information as the department may elect to include in aid of adoptive placements. Access to information in the registry shall be made available on request to any agency under assurances as the department may require that the information sought is in furtherance of adoptive placements and that confidentiality of the information is preserved.

N. This section does not apply if:

1. The prospective adoptive parent is the spouse of the birth or legal parent of the child to be adopted or is an uncle, aunt, adult sibling, grandparent or great-grandparent of the child of the whole or half-blood or by marriage or adoption.

2. The birth or legal parent is deceased but at the time of death the parent had legal and physical custody of the child to be adopted and the child had resided primarily with the spouse of the birth or legal parent during the twenty-four months before the death of the parent.

3. The grandparent, great-grandparent, uncle, aunt, great-uncle, great-aunt or adult sibling is deceased but at the time of death that person had legal and physical custody of the child to be adopted and the child had resided primarily with the spouse of the grandparent, great-grandparent, uncle, aunt, great-uncle, great-aunt or adult sibling during the twenty-four months before the death of the grandparent, great-grandparent, uncle, aunt, great-uncle, great-aunt or adult sibling.

4. The applicant is a licensed foster parent who is petitioning to adopt a child currently placed by the department in the foster parent's home and the department recommends the adoption of the child by the foster parent applicant.

O. If the applicant is not a licensed foster parent and has adopted a child within three years preceding the current application and is applying to adopt another child, the department, the agency or an entity contracted by the department or a person designated by the court to conduct an investigation shall only provide an update report on any changes in circumstances that have occurred since the previous certification. If the applicant has adopted a child more than three years before the current application and is applying to adopt another child, the department, the agency or an entity contracted by the department or a person designated by the court to conduct an investigation may provide an updated report on any changes in circumstances that have occurred since the previous certification. The court shall certify the applicant as acceptable to adopt unless there are changes in circumstances that adversely affect the applicant's parenting ability. In making this determination, the court shall consider information from the prior certification.

# 8-112. Social studies; requirements

A. The division, an agency or an officer of the court shall conduct and submit a social study to the court ten days before the hearing on the petition to adopt. Notwithstanding any other provisions of this section, the court may order an additional social study or waive the social study if it determines that this is in the child's best interests because of special circumstances.

B. Except as provided in subsection D or E of this section, the social study shall include the following:

1. The social history, heritage and mental and physical condition of the child and the child's birth parents.

2. The child's current placement in the prospective adoptive parent's home and the child's adjustment to that home.

3. The prospective adoptive parent's suitability to adopt.

4. The existing and proposed arrangements regarding the child's custody.

5. Any financial arrangement concerning the proposed adoption made by the birth parents, the division, an agency, an attorney or the prospective adoptive parents.

6. A state and federal criminal records check of the prospective adoptive parent and each adult who is living permanently with the prospective adoptive parent except a birth or legal parent with custody of the child. A valid fingerprint clearance card that is issued pursuant to section 41-1758.07 satisfies this requirement. The court may order an additional state and federal criminal records check for good cause.

7. A central registry records check, including any history of child welfare referrals, with the division of the prospective adoptive parent and each adult who is living permanently with the prospective adoptive parent.

8. Any other information that is pertinent to the adoption proceedings.

C. The social study conducted pursuant to subsection A of this section is part of the case file and shall contain a definite recommendation for or against the proposed adoption and the reasons for that recommendation.

D. The social study conducted pursuant to subsection A of this section shall consist only of the results of the state and federal criminal records check and the central registry records check conducted pursuant to subsection B of this section if either of the following is true:

1. The prospective adoptive parent is the child's stepparent who has been legally married to the child's birth or legal parent for at least one year and the child has resided with the stepparent and parent for at least six months.

2. The prospective adoptive parent is the child's adult sibling, by the whole or half blood, or the child's aunt, uncle, grandparent or great-grandparent and the child has resided with the prospective adoptive parent for at least six months.

E. If the child being considered for adoption has resided with the prospective adoptive parent for at least six months and the prospective adoptive parent either has adopted a child or was appointed the permanent guardian of the child within three years preceding the current application, or is a foster parent who is licensed by this state, the social study conducted pursuant to subsection A of this section may consist only of the following:

1. The results of the central registry records check conducted pursuant to subsection B of this section.

2. A review of any material changes in circumstances that have occurred since the previous adoption, permanent guardianship or license renewal that affect the prospective adoptive parent's ability to adopt the child or for the child to be placed in the prospective adoptive parent's home.

F. The department shall complete any required social study within six months after receiving a completed application to adopt a child if all of the following apply to the child:

1. The child is free for adoption and is at least sixteen years of age.

2. The department has placed the child with a prospective adoptive parent.

3. The child consents to the adoption.

# 8-120. Records; inspection; exception; destruction or transfer of certain records

A. Except as provided in section 8-129, all files, records, reports and other papers compiled under this article, whether filed in or in possession of the court, an agency or any person or association, shall be withheld from public inspection.

B. Such files, records, reports and other papers may be open to inspection by persons and agencies having a legitimate interest in the case and their attorneys and by other persons and agencies having a legitimate interest in the protection, welfare or treatment of the child if so ordered by the court.

C. This section does not prohibit persons employed by the court, the division or an agency from conducting the investigations or performing other duties pursuant to this article within the normal course of their employment.

D. This section does not prohibit persons employed by the court, the division, an attorney participating or assisting in a direct placement adoption pursuant to section 8-130 or an agency from providing partial or complete identifying information between a birth parent and adoptive parent when the parties mutually agree to share specific identifying information and make a written request to the court, the division or the agency.

E. Except for files that belong to an attorney, all files, records, reports and other papers not filed in or in the possession of the court shall not be destroyed until after a ninety-nine year period. The files that belong to an attorney shall not be destroyed until after a seven-year period.

F. If an adoption agency ceases operations, the adoption agency shall do all of the following:

1. Transfer the documents described in subsection A of this section to the division or to another adoption agency in this state if the documents concern a matter that is closed.

2. Transfer the documents described in subsection A of this section to another adoption agency in this state if the documents concern a matter that is open.

3. Notify the division of the transfer of any documents to another adoption agency in this state pursuant to this subsection.

4. Notify all adoptive parents whose files it is transferring pursuant to this subsection of the transfer.

# 8-121. Confidentiality of information; exceptions

A. It is unlawful, except for purposes for which files and records or social records or parts thereof or information therefrom have been released pursuant to subsection C of this section or section 8-120, 8-129, 8-134 or 36-340, or except for purposes allowed by order of the court, for any person to disclose, receive or make use of, or authorize, knowingly allow, participate in or acquiesce in the use of, any information involved in any proceeding under this article directly or indirectly derived from the files, records, reports or other papers compiled pursuant to this article, or acquired in the course of the performance of official duties until one hundred years after the date of the order issued pursuant to section 8-116. After one hundred years has elapsed from the date of the order issued pursuant to section 8-116 the court shall transfer all files, records, reports and other documents in possession of the court relating to the adoption to the Arizona state library, archives and public records. The items transferred pursuant to this subsection shall be available for public inspection during business hours and may be made available in an alternative format.

B. This section does not prohibit persons employed by the court, the division or an agency from conducting the investigations or performing other duties pursuant to this article within the normal course of their employment.

C. This section does not prohibit persons employed by the court, the division, an attorney participating or assisting in a direct placement adoption pursuant to section 8-130 or an agency from providing partial or complete identifying information between a birth parent and adoptive parent when the parties mutually agree to share specific identifying information and make a written request to the court, the division or the agency.

D. A person may petition the court to obtain information relating to an adoption in the possession of the court, the division or any agency or attorney involved in the adoption. Nonidentifying information may be released by the court pursuant to section 8-129. The court shall not release identifying information unless the person requesting the information has established a compelling need for disclosure of the information or consent has been obtained pursuant to subsection E of this section or from the birth parent pursuant to section 8-106. If a compelling need for disclosure of information is established, the court may decide what information, if any, should be disclosed and to whom and under what conditions disclosure may be made.

E. An adoptee who is eighteen years of age or older or a birth parent may file at any time with the court and the agency, division or attorney who participated in the adoption a notarized statement granting consent, withholding consent or withdrawing a consent previously given for the release of confidential information. If an adoptee who is eighteen years of age or older and the birth mother or birth father have filed a notarized statement granting consent to the release of confidential information, the court may disclose information, except identifying information relating to a birth parent who did not grant written consent, to the adoptee or birth parent.

F. This section does not prohibit a person from notifying a birth parent of the death of a child that the birth parent has placed for adoption.

# 8-130. Consent to licensed agency or division; attorneys; affidavits

A. A consent to adoption of a child shall not be granted to an agency unless the agency is licensed to place children for adoption under this article. A consent may be granted to the division, which is exempt from licensure. An agency or the division may conduct both agency placement adoptions and direct placement adoptions. An agency placement adoption shall only be made by an agency or the division.

B. Except as provided in subsection C, a person shall not do any of the following unless the person is employed or engaged by and acting on behalf of a licensed adoption agency:

1. Solicit or accept employment or engagement, for compensation, by or on behalf of a parent or guardian for assistance in the placement of a child for adoption.

2. Solicit or accept employment or engagement, for compensation, by or on behalf of any person to locate or obtain a child for adoption.

C. An attorney licensed to practice law in this state may assist and participate in direct placement adoptions and may receive compensation to the extent the court finds reasonable under section 8-114 if the person granting consent to the adoption has made a choice of the specific adopting parent without prior involvement of the attorney or if the choice is made only from among persons currently certified by the court as acceptable to adopt children pursuant to section 8-105.

D. Before a petition to adopt is granted and as a condition of the entry of an order of adoption:

1. An attorney participating or assisting in a direct placement adoption shall file with the court an affidavit confirming that there has been, to the best of his knowledge and belief, compliance with subsection B of this section and with section 8-114, subsection B, section 8-129 and, if fictitious names have been used, section 8-107, subsection E.

2. An attorney representing petitioners in an agency placement adoption and the agency shall file with the court an affidavit confirming that there has been, to the best of the petitioner's, agency's and attorney's knowledge and belief, compliance with subsections A and B of this section and sections 8-114 and 8-129.

# 8-171. Definitions

In this article, unless the context otherwise requires:

1. "Adoption assistance" means payments, medical assistance or benefits provided by an adoption assistance state pursuant to applicable federal and state laws.

2. "Adoption assistance state" means a state that is a signatory to an interstate adoption assistance compact.

3. "State" means a state, district, commonwealth or territory of the United States.

# 8-172. Interstate compacts; requirements; optional contents

The department may enter into a compact with other states to provide for the reciprocal enforcement of adoption assistance agreements. A compact entered into pursuant to this section shall contain the following:

1. A provision making it available for joinder by all states.

2. A provision or provisions for withdrawal from the compact on written notice to the parties no sooner than one year from the date of the notice.

3. A requirement that the protections afforded by or pursuant to the compact continue in force for the duration of the adoption assistance and are applicable to all children and their adoptive parents who on the effective date of the state's withdrawal from the compact are receiving adoption assistance from a party state other than the one in which they are residents and have their principal place of abode.

4. A requirement that each instance of adoption assistance to which the compact applies is covered by an adoption assistance agreement in writing between the adoptive parents and the state child welfare agency of the state that provides the adoption assistance and that this agreement is expressly for the benefit of the adopted child and is enforceable by the adoptive parents and the state agency providing the adoption assistance.

5. Other provisions necessary to implement the compact.

# 8-173. Adoption assistance agreements; reciprocity conditions; violation; classification

A. A child who resides in this state and who is the subject of an adoption assistance agreement with a state that has entered into a compact with this state is entitled to receive medical assistance from this state if the adoption assistance agreement provides categorical eligibility for federally funded medical assistance. This entitlement begins on the filing with the department of a certified copy of the adoption assistance agreement obtained from the adoption assistance state. In accordance with department rules, the adoptive parents shall show at least annually that the agreement with the other adoption assistance state is still in force or has been renewed.

B. The department and the Arizona health care cost containment system administration shall consider the holder of an adoption assistance agreement, as provided in subsection A of this section, as any other eligible medical assistance person under the laws of this state and shall make medical assistance payments pursuant to the same conditions and procedures for other recipients of medical assistance.

C. A person who knowingly submits a claim for payment or reimbursement for services or benefits pursuant to this section or who makes a statement in connection with a claim that is false, misleading or fraudulent is guilty of a class 6 felony.

**DEPARTMENT OF ECONOMIC SECURITY**
Title 6, Chapter 14

# GOVERNOR'S REGULATORY REVIEW COUNCIL

## ATTORNEY MEMORANDUM - FIVE-YEAR REVIEW REPORT

---

**MEETING DATE: July 1, 2025**

**TO:** Members of the Governor's Regulatory Review Council (Council)

**FROM:** Council Staff

**DATE:** June 9, 2025

**SUBJECT:** **DEPARTMENT OF ECONOMIC SECURITY**
Title 6, Chapter 14

---

**Summary**

This Five-Year Review Report (5YRR) from the Department of Economic Security (Department) relates to thirty-six (36) rules in Title 6, Chapter 14, Articles 1, 3, 4, and 5. Specifically, the rules in Title 6, Chapter 14 relate to the Nutrition Assistance Program including the following articles:

- Article 1 - Food Stamps - General Information and Provisions
- Article 3 - Claims Against Households
- Article 4 - Appeals and Fair Hearings
- Article 5 - Intentional Program Violation

In the prior 5YRR for these rules, which was approved by the Council in February 2020, the Department indicated it intended to amend rule R6-14-111 to align definitions contained therein with changes made to rules in Articles 3, 4, and 5, which became effective in January 2020. However, the Department indicates the onset of the COVID-19 pandemic in early 2020 forced the Department to focus on immediate pandemic response efforts, including implementation of waivers and an increased benefit amount for this program, and was not able to complete the latter part of the proposed course of action to address rule R6-14-111. The Department indicates it coordinated with its federal agency partners to implement certain

flexibilities to manage the surge in Nutrition Assistance applications from those impacted by sudden business closures and job losses. The Department states staff involved in the rulemaking process were tapped to develop interim guidelines and procedures. Nevertheless, the Department indicates approval to proceed with rulemaking was received from the Governor's Office on March 4, 2024, and the Department has been working diligently to advance this rulemaking in a timely manner.

**Proposed Action**

The Department proposes to amend several rules that are not clear, concise, understandable and effective as described in more detail below. The Department received approval to engage in rulemaking from the Governor's Office in March 2024, and is currently in the process of amending the rules. The draft rules were posted on the Department website for a 60-day informal stakeholder review on December 20, 2024. The Department anticipates filing a Notice of Final Rulemaking for the proposed rules to the Council by December 2025.

**1. Has the agency analyzed whether the rules are authorized by statute?**

The Department cites both general and specific statutory authority for these rules.

**2. Summary of the agency's economic impact comparison and identification of stakeholders:**

The Department states that an economic impact statement (EIS) was not prepared when Article 1 was adopted in 1996, and references an EIS completed by the Department on Articles 3, 4, and 5 when the rules were adopted in January 2020. The Department comparison indicated collection of $742,974 SNAP overpayments from the EIS during FFY 2018, to the $4,707,494 SNAP overpayment collections reported in FFY 2024. To explain the large disparity reported in FFY 2024 compared to the 2020 EIS, the Department states a dedicated SNAP overpayment team was able to work through a backlog of unprocessed overpayment referrals. There were 4,588 SNAP-related appeal hearings and 34 Intentional Program Violation (IPV) hearings during the State Fiscal Year (SFY) 2018. In SFY2024, the Department conducted 11,628 SNAP-related hearings, and 410 IPV hearings.

Stakeholders include the Department and claimants of the Nutrition Assistance Program.

**3. Has the agency analyzed the costs and benefits of the rulemaking and determined that the rules impose the least burden and costs to those who are regulated?**

The Department believes that the rules impose the least burden and costs to persons regulated by these rules, including paperwork and other compliance costs, necessary to achieve the underlying regulatory objectives. It states that these rules do not impose any cost to consumers or small businesses, and updates to the rules identified in this report outweigh any potential costs incurred from the proposed revisions.

**4. Has the agency received any written criticisms of the rules over the last five years?**

The Department indicates it has not received any written criticisms of the rule in the last five years.

**5. Has the agency analyzed the rules' clarity, conciseness, and understandability?**

The Department indicates the rules are clear, concise, and understandable except for the following:

- **R6-14-111:** Some terms defined in this rule are outdated or no longer used.
- **R6-14-302:** The description of the method to determine the date of discovery and when the overpayment period begins for each type of claim is not clearly written and difficult to understand in the rule.
- **R6-14-303:** The methods to determine the amount of a claim are not clearly explained in the rule and the rule contains statements that are irrelevant to the rule and could cause confusion.
- **R6-14-304:** The rule contains grammatical errors and does not describe what a cost-effectiveness plan is.
- **R6-14-307:** The language in R6-14-307(B) contains calculations that may be used in a negotiated repayment agreement, which may be confusing to the public. R6-14-307(D) includes an incomplete list of collection methods the state may use under 7 CFR 273.18(g)(8).
- **R6-14-308:** The rule does not clearly explain the circumstances under which the Department may reduce or eliminate a claim and contains redundant information already stated in other rules within the Article.
- **R6-14-502:** The rule does not clearly explain the process by which an appellant may waive the administrative disqualification hearing.
- **R6-14-504:** The rule is not clear and concise when explaining what occurs when an appellant fails to appear for an administrative disqualification hearing. The rule contains redundancies in R6-14-504(B) and (F).
- **R6-14-506:** R6-14-506(B) & (C) are inaccurate and inconsistent with 7 CFR 273.16(e)(8)(ii). There is no further administrative appeal process for Intentional Program Violation (IPV) administrative disqualification hearings, and if a party wishes to appeal a determination through a signed waiver or a hearing officer's decision, they must seek judicial review. The Department refers to federal regulations with regard to the IPV process.

**6. Has the agency analyzed the rules' consistency with other rules and statutes?**

The Department indicates the rules are consistent with other rules and statutes except for the following:

- **R6-14-506:** R6-14-506(B) & (C) are inaccurate and inconsistent with 7 CFR 273.16(e)(8)(ii). There is no further administrative appeal process for Intentional Program Violation (IPV) administrative disqualification hearings, and if a party wishes to appeal a determination through a signed waiver or a hearing officer's decision, they must seek judicial review. The Department refers to federal regulations with regard to the IPV process.

**7. <u>Has the agency analyzed the rules' effectiveness in achieving its objectives?</u>**

The Department indicates the rules are effective in achieving their regulatory objectives except for the following:

- **R6-14-111:** Some terms defined in this rule are outdated or no longer used.
- **R6-14-302:** The description of the method to determine the date of discovery and when the overpayment period begins for each type of claim is not clearly written and difficult to understand in the rule.
- **R6-14-303:** The methods to determine the amount of a claim are not clearly explained in the rule and the rule contains statements that are irrelevant to the rule and could cause confusion.
- **R6-14-304:** The rule contains grammatical errors and does not describe what a cost-effectiveness plan is.
- **R6-14-307:** The language in R6-14-307(B) contains calculations that may be used in a negotiated repayment agreement, which may be confusing to the public. R6-14-307(D) includes an incomplete list of collection methods the state may use under 7 CFR 273.18(g)(8).
- **R6-14-308:** The rule does not clearly explain the circumstances under which the Department may reduce or eliminate a claim and contains redundant information already stated in other rules within the Article.
- **R6-14-502:** The rule does not clearly explain the process by which an appellant may waive the administrative disqualification hearing.
- **R6-14-504:** The rule is not clear and concise when explaining what occurs when an appellant fails to appear for an administrative disqualification hearing. The rule contains redundancies in R6-14-504(B) and (F).
- **R6-14-506:** R6-14-506(B) & (C) are inaccurate and inconsistent with 7 CFR 273.16(e)(8)(ii). There is no further administrative appeal process for Intentional Program Violation (IPV) administrative disqualification hearings, and if a party wishes to appeal a determination through a signed waiver or a hearing officer's decision, they must seek judicial review. The Department refers to federal regulations with regard to the IPV process.

**8. <u>Has the agency analyzed the current enforcement status of the rules?</u>**

The Department indicates the rules are currently enforced as written except for the following:

- **R6-14-506:** R6-14-506(B) & (C) are inaccurate and inconsistent with 7 CFR 273.16(e)(8)(ii). There is no further administrative appeal process for Intentional Program Violation (IPV) administrative disqualification hearings, and if a party wishes to appeal a determination through a signed waiver or a hearing officer's decision, they must seek judicial review. The Department refers to federal regulations with regard to the IPV process

**9. Are the rules more stringent than corresponding federal law and, if so, is there statutory authority to exceed the requirements of federal law?**

The Department indicates 7 U.S.C. Chapter 51: Supplemental Nutrition Assistance Program is applicable to these rules. The Department states the rules are not more stringent than the corresponding federal laws.

**10. For rules adopted after July 29, 2010, do the rules require a permit or license and, if so, does the agency comply with A.R.S. § 41-1037?**

The Department states A.R.S. § 41-1037 does not apply to these rules because they do not require a regulatory permit, license, or agency authorization.

**11. Conclusion**

This 5YRR from the Department relates to thirty-six (36) rules in Title 6, Chapter 14, Articles 1, 3, 4, and 5. Specifically, the rules in Title 6, Chapter 14 relate to the Nutrition Assistance Program including the following articles: Article 1 - Food Stamps - General Information and Provisions; Article 3 - Claims Against Households; Article 4 - Appeals and Fair Hearings; and Article 5 - Intentional Program Violation.

The Department proposes to amend several rules that are not clear, concise, understandable and effective as described above. The Department received approval to engage in rulemaking from the Governor's Office in March 2024, and is currently in the process of amending the rules. The draft rules were posted on the Department website for a 60-day informal stakeholder review on December 20, 2024. The Department anticipates filing a Notice of Final Rulemaking for the proposed rules to the Council by December 2025.

Council staff recommends approval of this report.

Director

February 26, 2025

Ms. Jessica Klein
Council Chair
Governor's Regulatory Review Council
Department of Administration
100 North 15th Avenue, Suite 305
Phoenix, Arizona 85007

Dear Ms. Klein:

Attached is the Arizona Department of Economic Security (Department) Five-Year Review Report for Arizona Administrative Code (A.A.C.) Title 6, Chapter 14, Nutrition Assistance Program.

Pursuant to A.R.S. § 41-1056(A) and A.A.C. R1-6-301(C)(4), the Department certifies that it is in compliance with A.R.S. § 41-1091.

Thank you for your attention to this report. The Department will be present at the Council meetings to respond to any questions the Council members may have about the report.

If you have any questions, please contact Hiroko Flores, Deputy Rules Administrator, at (480) 487-7694 or hflores@azdes.gov.

Sincerely,

Nicole Davis

**DEPARTMENT OF ECONOMIC SECURITY**

**FIVE-YEAR REVIEW REPORT**

**Title 6, Chapter 14 - Nutrition Assistance Program**

## 1. Authorization of the rule by existing statutes:

General Statutory Authority: A.R.S. §§ 41-1954(A)(3), 46-134(1), and 46-134(10)

Specific Statutory Authority: A.R.S. §§ 41-1954(A)(1)(c), 46-136(B) and (C); 7 U.S.C. § 2013

## 2. Analysis of rules:

**Rule** **Analysis**

R6-14-111 Title: Definitions

Objective: The objective of this rule is to define words and phrases used in Chapter 14 to promote a uniform understanding of terms used by the Nutrition Assistance Program.

- Is this rule effective in meeting the objective? ☐ Yes ☑ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☐ Yes ☑ No

Explanation: Some terms defined in this rule are outdated or no longer used.

---

**Rule** **Analysis**

R6-14-301 Title: Purpose and Definitions

Objective: The objective of this rule is to explain the Department's purpose in establishing and collecting claims against households, and to define terms specific to this purpose.

- Is this rule effective in meeting the objective? ☑ Yes ☐ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☑ Yes ☐ No

**Rule** **Analysis**

R6-14-302 Title: Claim Calculation; Date of Discovery; Overpayment Period

Objective: The objective of this rule is to explain how the Department determines the overpayment period used to calculate the claim.

- Is this rule effective in meeting the objective? ☐ Yes ☑ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☐ Yes ☑ No

Explanation: The description of the method to determine the date of discovery and when the overpayment period begins for each type of claim is not clearly written and difficult to understand in the rule.

---

**Rule** **Analysis**

R6-14-303 Title: Determining a Claim Amount

Objective: The objective of this rule is to explain the methods by which the Department calculates the claim.

- Is this rule effective in meeting the objective? ☐ Yes ☑ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☐ Yes ☑ No

Explanation: The methods to determine the amount of a claim are not clearly explained in the rule and the rule contains statements that are irrelevant to the rule and could cause confusion.

---

**Rule** **Analysis**

R6-14-304 Title: Pre-establishment Cost Effective Determination

Objective: The objective of this rule is to inform the public that the Department does not establish claims that are not cost-effective to collect.

- Is this rule effective in meeting the objective? ☐ Yes ☑ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☐ Yes ☑ No

Explanation: The rule contains grammatical errors and does not describe what a cost-effectiveness plan is.

---

**Rule** **Analysis**

R6-14-305 Title: Notice of Claim

Objective: The objective of this rule is to inform the public that the Department shall notify a recipient in writing that it has established a claim against them before attempting to collect on the claim.

- Is this rule effective in meeting the objective? ☑ Yes ☐ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☑ Yes ☐ No

---

**Rule** **Analysis**

R6-14-306 Title: Acceptable Forms of Payment

Objective: The objective of this rule is to notify the public of acceptable forms of payment for an established claim.

- Is this rule effective in meeting the objective? ☑ Yes ☐ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☑ Yes ☐ No

---

**Rule** **Analysis**

R6-14-307 Title: Collection Methods

Objective: The objective of this rule is to notify the public of the Department's methods for collecting claims.

- Is this rule effective in meeting the objective? ☐ Yes ☑ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☐ Yes ☑ No

Explanation: The language in R6-14-307(B) contains calculations that may be used in a negotiated repayment agreement, which may be confusing to the public. R6-14-307(D) includes an incomplete list of collection methods the state may use under 7 CFR 273.18(g)(8).

---

**Rule** **Analysis**

R6-14-308 Title: Claim Compromise

Objective: The objective of this rule is to notify the public of the conditions under which the Department may agree to reduce or eliminate its claim.

- Is this rule effective in meeting the objective? ☐ Yes ☑ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☐ Yes ☑ No

Explanation: The rule does not clearly explain the circumstances under which the Department may reduce or eliminate a claim and contains redundant information already stated in other rules within the Article.

---

**Rule** **Analysis**

R6-14-309 Title: Reinstatement of a Compromised Claim

Objective: The objective of this rule is to notify the public the conditions under which the Department may elect to reestablish its claim.

- Is this rule effective in meeting the objective? ☑ Yes ☐ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☑ Yes ☐ No

---

**Rule** **Analysis**

R6-14-310 Title: Terminating and Writing Off a Claim

Objective: The objective of this rule is to notify the public of the conditions under which the Department may terminate a claim.

- Is this rule effective in meeting the objective? ☑ Yes ☐ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☑ Yes ☐ No

---

**Rule** **Analysis**

R6-14-311 Title: Claims Established in Another State

Objective: The objective of this rule is to inform the public that the Department may elect to accept and collect on a claim established by another state.

- Is this rule effective in meeting the objective? ☑ Yes ☐ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☑ Yes ☐ No

---

**Rule** **Analysis**

R6-14-401 Title: Entitlement to a Fair Hearing; Appealable Action

Objective: The objective of this rule is to notify the public of their right to appeal a decision made by the Department and request a hearing.

- Is this rule effective in meeting the objective? ☑ Yes ☐ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☑ Yes ☐ No

---

**Rule** **Analysis**

R6-14-402 Title: Computation of Time

Objective: The objective of this rule is to outline how the Department determines when a timeframe begins and ends.

- Is this rule effective in meeting the objective? ☑ Yes ☐ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☑ Yes ☐ No

---

**Rule** **Analysis**

R6-14-403 Title: Request for Hearing; Form; Time Limits; Presumptions

Objective: The objective of this rule is to inform the public how they may appeal a Department decision and request a hearing.

- Is this rule effective in meeting the objective? ☑ Yes ☐ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☑ Yes ☐ No

---

**Rule** **Analysis**

R6-14-404 Title: Stay of Action Pending Appeal

Objective: The objective of this rule is to inform the public that when an appeal is filed, the Department will take no action on its decision until the appeal is resolved.

- Is this rule effective in meeting the objective? ☑ Yes ☐ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☑ Yes ☐ No

---

**Rule** **Analysis**

R6-14-405 Title: Hearings: Location; Notice; Time

Objective: The objective of this rule is to explain the Office of Appeals' responsibilities to schedule the hearing and notify all parties within specific timeframes, and to describe the information included in the notice of hearing.

- Is this rule effective in meeting the objective? ☑ Yes ☐ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☑ Yes ☐ No

---

**Rule** **Analysis**

R6-14-406 Title: Postponing the Hearing

Objective: The objective of this rule is to explain how the appellant may request a postponement of the hearing and the process to do so.

- Is this rule effective in meeting the objective? ☑ Yes ☐ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☑ Yes ☐ No

---

**Rule** **Analysis**

R6-14-407 Title: Hearing Officer: Duties and Qualifications

Objective: The objective of this rule is to inform the public of the hearing officer's role in the hearing process.

- Is this rule effective in meeting the objective? ☑ Yes ☐ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☑ Yes ☐ No

---

**Rule** **Analysis**

R6-14-408 Title: Change of Hearing Officer; Challenges for Cause

Objective: The objective of this rule is to inform the public of the process for changing the assigned hearing officer.

- Is this rule effective in meeting the objective? ☑ Yes ☐ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☑ Yes ☐ No

---

**Rule** **Analysis**

R6-14-409 Title: Subpoenas

Objective: The objective of this rule is to inform the public of the process through which they may request a subpoena.

- Is this rule effective in meeting the objective? ☑ Yes ☐ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☑ Yes ☐ No

---

**Rule** **Analysis**

R6-14-410 Title: Parties' Rights

Objective: The objective of this rule is to inform the parties of their rights during the appeal process.

- Is this rule effective in meeting the objective? ☑ Yes ☐ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☑ Yes ☐ No

---

**Rule** **Analysis**

R6-14-411 Title: Withdrawal of an Appeal

Objective: The objective of this rule is to inform the public of the process through which they may withdraw their appeal.

- Is this rule effective in meeting the objective? ☑ Yes ☐ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☑ Yes ☐ No

---

**Rule** **Analysis**

R6-14-412 Title: Failure to Appear; Default; Reopening

Objective: The objective of this rule is to inform the public what occurs when they fail to appear for a scheduled hearing.

- Is this rule effective in meeting the objective? ☑ Yes ☐ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☑ Yes ☐ No

---

**Rule** **Analysis**

R6-14-413 Title: Hearing Proceedings

Objective: The objective of this rule is to inform the public of the bases upon which the hearing is conducted.

- Is this rule effective in meeting the objective? ☑ Yes ☐ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☑ Yes ☐ No

---

**Rule** **Analysis**

R6-14-414 Title: Hearing Decision

Objective: The objective of this rule is to inform the public when the hearing officer must render a decision and the decision's contents.

- Is this rule effective in meeting the objective? ☑ Yes ☐ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☑ Yes ☐ No

---

**Rule** **Analysis**

R6-14-415 Title: Effect of Decision

Objective: The objective of this rule is to inform the public of what occurs after the hearing officer renders a decision.

- Is this rule effective in meeting the objective? ☑ Yes ☐ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☑ Yes ☐ No

---

**Rule** **Analysis**

R6-14-416 Title: Further Administrative Appeal

Objective: The objective of this rule is to inform the public of the right to appeal a hearing officer's decision.

- Is this rule effective in meeting the objective? ☑ Yes ☐ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☑ Yes ☐ No

---

**Rule** **Analysis**

R6-14-417 Title: Appeals Board

Objective: The objective of this rule is to inform the public of the Appeals Board's role in the appeal process.

- Is this rule effective in meeting the objective? ☑ Yes ☐ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☑ Yes ☐ No

---

**Rule** **Analysis**

R6-14-501 Title: Intentional Program Violations (IPV); Defined

Objective: The objective of this rule is to describe an Intentional Program Violation.

- Is this rule effective in meeting the objective? ☑ Yes ☐ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☑ Yes ☐ No

---

**Rule** **Analysis**

R6-14-502 Title: IPV Administrative Disqualification Hearings; Hearing Waiver

Objective: The objective of this rule is to inform the public of the option to sign a waiver of administrative disqualification hearing or to request a hearing.

- Is this rule effective in meeting the objective? ☐ Yes ☑ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☐ Yes ☑ No

Explanation: The rule does not clearly explain the process by which an appellant may waive the administrative disqualification hearing.

---

**Rule** **Analysis**

R6-14-503 Title: Administrative Disqualification Hearings

Objective: The objective of this rule is to inform the public of the process for Intentional Program Violation administrative disqualification hearings.

- Is this rule effective in meeting the objective? ☑ Yes ☐ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☑ Yes ☐ No

---

**Rule** **Analysis**

R6-14-504 Title: Failure to Appear; Default; Reopening

Objective: The objective of this rule is to inform the public of what occurs if they fail to appear for an administrative disqualification hearing.

- Is this rule effective in meeting the objective? ☐ Yes ☑ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☐ Yes ☑ No

Explanation: The rule is not clear and concise when explaining what occurs when an appellant fails to appear for an administrative disqualification hearing. The rule contains redundancies in R6-14-504(B) and (F).

---

**Rule** **Analysis**

R6-14-505 Title: Disqualification Sanctions; Notice

Objective: The objective of this rule is to inform the public of the program sanctions imposed on a person who is found to have committed an Intentional Program Violation.

- Is this rule effective in meeting the objective? ☑ Yes ☐ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☑ Yes ☐ No

---

**Rule** **Analysis**

R6-14-506 Title: Administrative Disqualification Hearings or Waiver of the Right to a Hearing; Appeal

Objective: The objective of this rule is to inform the public that there is no further administrative appeal process if they have signed a waiver of the administrative disqualification hearing or disagree with the hearing officer's decision.

- Is this rule effective in meeting the objective? ☐ Yes ☑ No
- Is this rule consistent with other rules and statutes? ☐ Yes ☑ No
- Is this rule enforced as written? ☐ Yes ☑ No
- Is this rule clear, concise, and understandable? ☐ Yes ☑ No

Explanation: R6-14-506(B) & (C) are inaccurate and inconsistent with 7 CFR 273.16(e)(8)(ii). There is no further administrative appeal process for Intentional Program Violation administrative disqualification hearings, and if a party wishes to appeal a determination through a signed waiver or a hearing officer's decision, they must seek judicial review. The Department refers to federal regulations with regard to the IPV process.

---

**Rule** **Analysis**

R6-14-507 Title: Honoring Out-of-State IPV Determinations and Sanctions

Objective: The objective of this rule is to inform the public that the Department considers Intentional Program Violation sanctions issued by

another state when determining sanctions for an Intentional Program Violation committed in Arizona.

- Is this rule effective in meeting the objective? ☑ Yes ☐ No
- Is this rule consistent with other rules and statutes? ☑ Yes ☐ No
- Is this rule enforced as written? ☑ Yes ☐ No
- Is this rule clear, concise, and understandable? ☑ Yes ☐ No

---

**3. Has the Department received written criticisms of the rules within the last five years?**

☐ Yes ☑ No

**4. Economic, small business, and consumer impact comparison:**

An Economic, Small Business, and Consumer Impact Statement (EIS) was not prepared when Article 1 was adopted in 1996; however, the Department completed an EIS on Articles 3, 4, and 5 when the rules were adopted in January 2020. The EIS from January 2020 indicated that the Department collected $742,974 in total Supplemental Nutrition Assistance Program (SNAP) overpayments during the Federal Fiscal Year (FFY) 2018. In FFY2024, the Department reported $4,707,494 in total SNAP overpayment collections. Overpayment collection numbers are significantly larger in FFY2024 than reported in the EIS conducted in 2020, because a dedicated SNAP overpayment team was able to work through a backlog of unprocessed overpayment referrals. There were 4,588 SNAP-related appeal hearings and 34 Intentional Program Violation (IPV) hearings during the State Fiscal Year (SFY) 2018. In SFY2024, the Department conducted 11,628 SNAP-related hearings, and 410 IPV hearings.

**5. Has the agency received any business competitiveness analyses of the rules?**

☐ Yes ☑ No

**6. Has the agency completed the course of action indicated in the agency's previous five-year-review report?**

☐ Yes ☑ No

In the prior Five-Year Review Report, the Department proposed to file a Notice of Final Rulemaking with the Council in November 2019 to address the three priority topics: 1) Claims Against Households, 2) Hearings and Appeals, and 3) Intentional Program Violations. The

Department further proposed to complete an additional rulemaking to address other topics that would incorporate options chosen by the state and waivers granted by the federal government relative to the administration of the Nutrition Assistance Program.

The Department completed rulemaking on the three priority topics; new Articles 3, 4 and 5 became effective through final rulemaking on January 21, 2020. However, the onset of the COVID-19 pandemic in early 2020 forced the Department to focus on immediate pandemic response efforts, including implementation of waivers and an increased benefit amount for this program, and was not able to complete the latter part of the proposed course of action. The Department coordinated with its federal agency partners to implement certain flexibilities to manage the surge in Nutrition Assistance applications from those impacted by sudden business closures and job losses. Staff involved in the rulemaking process were tapped to develop interim guidelines and procedures. Approval to proceed with rulemaking was received from the Governor's Office on March 4, 2024, and the Department has been working diligently to advance this rulemaking in a timely manner.

**7. A determination that the probable benefits of the rule outweigh within this state the probable costs of the rule, and the rule imposes the least burden and costs to regulated persons by the rule, including paperwork and other compliance costs, necessary to achieve the underlying regulatory objective:**

The Department believes that the rules impose the least burden and costs to persons regulated by these rules, including paperwork and other compliance costs, necessary to achieve the underlying regulatory objectives. These rules do not impose any cost to consumers or small businesses. Updates to the rules identified in this report outweigh any potential costs incurred from the proposed revisions.

**8. Are the rules more stringent than corresponding federal laws?**

*Please provide a citation for the federal law(s). And if the rule(s) is more stringent, is there statutory authority to exceed the requirements of the federal law(s)?*

☐ Yes ☑ No

7 U.S.C. Chapter 51: Supplemental Nutrition Assistance Program
The rules are not more stringent than the corresponding federal laws.

**For rules adopted after July 29, 2010 that require the issuance of a regulatory permit, license, or agency authorization, whether the rules are in compliance with the general permit requirements of A.R.S. § 41-1037 or explain why the agency believes an exception applies:**

The Department has determined that A.R.S. § 41-1037 does not apply to these rules because they do not require a regulatory permit, license, or agency authorization.

**10. Proposed course of action:**

The Department proposes to update the rules in Chapter 14 to address issues identified in Section 2 of this report. The Department received approval to engage in rulemaking from the Governor's Office in March 2024, and is currently in the process of amending the rules. The draft rules were posted on the Department website for a 60-day informal stakeholder review on December 20, 2024. The Department anticipates filing a Notice of Final Rulemaking for the proposed rules to the Council by December 2025.

**The release of this Chapter in Supp. 20-1 replaces Supp. 18-4, 1-16 pages**

Please note that the Chapter you are about to replace may have rules still in effect after the publication date of this supplement. Therefore, all superseded material should be retained in a separate binder and archived for future reference.

## PREFACE

Under Arizona law, the Department of State, Office of the Secretary of State (Office), accepts state agency rule filings and is the publisher of Arizona rules. The Office of the Secretary of State does not interpret or enforce rules in the *Administrative Code*. Questions about rules should be directed to the state agency responsible for the promulgation of the rule.

Scott Cancelosi, Director
ADMINISTRATIVE RULES DIVISION

### RULES

The definition for a rule is provided for under A.R.S. § 41-1001. "'Rule' means an agency statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedures or practice requirements of an agency."

### THE ADMINISTRATIVE CODE

The *Arizona Administrative Code* is where the official rules of the state of Arizona are published. The *Code* is the official codification of rules that govern state agencies, boards, and commissions.

The *Code* is separated by subject into titles. Titles are divided into chapters. A chapter includes state agency rules. Rules in chapters are divided into Articles, then Sections. The "R" stands for "rule" with a sequential numbering and lettering outline separated into subsections.

Rules are codified quarterly in the *Code*. Supplement release dates are printed on the footers of each chapter.
First Quarter: January 1 - March 31
Second Quarter: April 1 - June 30
Third Quarter: July 1 - September 30
Fourth Quarter: October 1 - December 31
For example, the first supplement for the first quarter of 2019 is cited as Supp. 19-1.

Please note: The Office publishes by chapter, not by individual rule section. Therefore there might be only a few sections codified in each chapter released in a supplement. Historical notes at the end of a section provide an effective date and information when a rule was last updated.

### AUTHENTICATION OF PDF CODE CHAPTERS

The Office began to authenticate chapters of the *Administrative Code* in Supp. 18-1 to comply with A.R.S. § 41-1012(B) and A.R.S. § 5302(1), (2)(d) through (e), and (3)(d) through (e).

A certification verifies the authenticity of each *Code* chapter posted as it is released by the Office of the Secretary of State. The authenticated pdf of the *Code* includes an integrity mark with a certificate ID. Users should check the validity of the signature, especially if the pdf has been downloaded. If the digital signature is invalid it means the document's content has been compromised.

### HOW TO USE THE CODE

Rules may be in effect before a supplement is released by the Office. Therefore, the user should refer to issues of the *Arizona Administrative Register* for recent updates to rule Sections.

### ARIZONA REVISED STATUTE REFERENCES

The Arizona Revised Statutes (A.R.S.) are available online at the Legislature's website, www.azleg.gov. An agency's authority note to make rules is often included at the beginning of a chapter. Other Arizona statutes may be referenced in rule under the A.R.S. acronym.

### SESSION LAW REFERENCES

Arizona Session Law references in a chapter can be found at the Secretary of State's website, under Services-> Legislative Filings.

### EXEMPTIONS FROM THE APA

It is not uncommon for an agency to be exempt from the steps outlined in the rulemaking process as specified in the Arizona Administrative Procedures Act, also known as the APA (Arizona Revised Statutes, Title 41, Chapter 6, Articles 1 through 10). Other agencies may be given an exemption to certain provisions of the Act.

An agency's exemption is written in law by the Arizona State Legislature or under a referendum or initiative passed into law by Arizona voters.

When an agency files an exempt rulemaking package with our Office it specifies the law exemption in what is called the preamble of rulemaking. The preamble is published in the *Register* online at www.azsos.gov/rules, click on the *Administrative Register* link.

Editor's notes at the beginning of a chapter provide information about rulemaking sections made by exempt rulemaking. Exempt rulemaking notes are also included in the historical note at the end of a rulemaking Section.

The Office makes a distinction to certain exemptions because some rules are made without receiving input from stakeholders or the public. Other exemptions may require an agency to propose exempt rules at a public hearing.

### EXEMPTIONS AND PAPER COLOR

At one time the office published exempt rules on either blue or green paper. Blue meant the authority of the exemption was given by the Legislature; green meant the authority was determined by a court order. In 2001 the Office discontinued publishing rules using these paper colors.

### PERSONAL USE/COMMERCIAL USE

This chapter is posted as a public courtesy online, and is for private use only. Those who wish to use the contents for resale or profit should contact the Office about Commercial Use fees. For information on commercial use fees review A.R.S. § 39-121.03 and 1 A.A.C. 1, R1-1-113.

*Rhonda Paschal, managing rules editor, assisted with the editing of this chapter.*

Administrative Rules Division
The Arizona Secretary of State electronically publishes each A.A.C. Chapter with a digital certificate. The certificate-based signature displays the date and time the document was signed and can be validated in Adobe Acrobat Reader.

# TITLE 6. ECONOMIC SECURITY

# CHAPTER 14. DEPARTMENT OF ECONOMIC SECURITY - NUTRITION ASSISTANCE PROGRAM

***Editor's Note: The Chapter heading was amended from the Food Stamps Program to the Nutrition Assistance Program by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).***

## ARTICLE 1. FOOD STAMPS - GENERAL INFORMATION AND PROVISIONS

*Article 1, consisting of Sections R6-14-101 through R6-14-111 recodified from A.A.C. R6-3-1901 through R6-3-1911 effective February 13, 1996 (Supp. 96-1).*

Section

## ARTICLE 2. EXPIRED

*Article 2, consisting of Sections R6-14-201 through R6-14-218, expired effective February 28, 2005 (Supp. 05-1).*

*Article 2, consisting of Sections R6-14-201 through R6-14-218, recodified effective February 13, 1996 (Supp. 96-1).*

Section

## ARTICLE 3. CLAIMS AGAINST HOUSEHOLDS

*Article 3, consisting of emergency Sections R6-14-301 through R6-14-308, expired; new Article 3, consisting of Sections R6-14-301 through R6-14-311 made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).*

*New Article 3, consisting of Sections R6-14-301 through R6-14-308, renewed by emergency rulemaking effective January 2, 2019 for 180 days (Supp. 18-4).*

*New Article 3, consisting of Sections R6-14-301 through R6-14-308, made by emergency rulemaking effective July 6, 2018 for 180 days (Supp. 18-3).*

*Article 3, consisting of Sections R6-14-301 through R6-14-327, expired effective February 28, 2005 (Supp. 05-1).*

*Article 3, consisting of Sections R6-14-301 through R6-14-320 and R6-14-322 through R6-14-327 recodified from A.A.C. R6-3-2101 through R6-3-2120 and R6-3-2122 through R6-3-2128, recodified effective February 13, 1996 (Supp. 96-1).*

Section

## ARTICLE 4. APPEALS AND FAIR HEARINGS

*Article 4, consisting of emergency Sections R6-14-401 through R6-14-417, expired; new Article 4, consisting of Sections R6-14-401 through R6-14-417, made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).*

*New Article 4, consisting of Sections R6-14-401 through R6-14-417, renewed by emergency rulemaking effective January 2, 2019 for 180 days (Supp. 18-4).*

*New Article 4, consisting of Sections R6-14-401 through R6-14-417, made by emergency rulemaking effective July 6, 2018 for 180 days (Supp. 18-3).*

*Article 4, consisting of Sections R6-14-401 and R6-14-402, expired effective February 28, 2005 (Supp. 05-1).*

CHAPTER 14. DEPARTMENT OF ECONOMIC SECURITY - NUTRITION ASSISTANCE PROGRAM

*Article 4, consisting of Sections R6-14-401 and R6-14-402, recodified from A.A.C. R6-3-2201 and R6-3-2203 effective February 13, 1996 (Supp. 96-1).*

## ARTICLE 5. INTENTIONAL PROGRAM VIOLATION

*Article 5, consisting of emergency Sections R6-14-501 through R6-14-507, expired; new Article 5, consisting of Sections R6-14-501 through R6-14-507 made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).*

*New Article 5, consisting of Sections R6-14-501 through R6-14-507, renewed by emergency rulemaking effective January 2, 2019 for 180 days (Supp. 18-4).*

*New Article 5, consisting of Sections R6-14-501 through R6-14-507, made by emergency rulemaking effective July 6, 2018 for 180 days (Supp. 18-3).*

*Article 5, consisting of Sections R6-14-501 through R6-14-507, expired effective February 28, 2005 (Supp. 05-1).*

*Article 5, consisting of Sections R6-14-501 through R6-14-507, recodified from A.A.C. R6-3-2301 through R6-3-2307 effective February 13, 1996 (Supp. 96-1).*

## ARTICLE 6. EXPIRED

*Article 6, consisting of Sections R6-14-601 through R6-14-610, expired effective February 28, 2005 (Supp. 05-1).*

*Article 6, consisting of Sections R6-14-601, R6-14-602, R6-14-604 through R6-14-608, and R6-14-610, recodified from A.A.C. R6-3-2401, R6-3-2402, R6-3-2404 through R6-3-2408, and R6-3-2410 effective February 13, 1996 (Supp. 96-1).*

CHAPTER 14. DEPARTMENT OF ECONOMIC SECURITY - NUTRITION ASSISTANCE PROGRAM

## ARTICLE 1. FOOD STAMPS - GENERAL INFORMATION AND PROVISIONS

**R6-14-101. Expired**

**Historical Note**

Section R6-14-101 recodified from A.A.C. R6-3-1901 effective February 13, 1996 (Supp. 96-1). Section expired under A.R.S. § 1056(E) at 11 A.A.R. 1450, effective February 28, 2005 (Supp. 05-1).

**R6-14-102. Expired**

**Historical Note**

Section R6-14-102 recodified from A.A.C. R6-3-1902 effective February 13, 1996 (Supp. 96-1). Section expired under A.R.S. § 1056(E) at 11 A.A.R. 1450, effective February 28, 2005 (Supp. 05-1).

**R6-14-103. Expired**

**Historical Note**

Section R6-14-103 recodified from A.A.C. R6-3-1903 effective February 13, 1996 (Supp. 96-1). Section expired under A.R.S. § 1056(E) at 11 A.A.R. 1450, effective February 28, 2005 (Supp. 05-1).

**R6-14-104. Expired**

**Historical Note**

Section R6-14-104 recodified from A.A.C. R6-3-1904 effective February 13, 1996 (Supp. 96-1). Section expired under A.R.S. § 1056(E) at 11 A.A.R. 1450, effective February 28, 2005 (Supp. 05-1).

**R6-14-105. Expired**

**Historical Note**

Section R6-14-105 recodified from A.A.C. R6-3-1905 effective February 13, 1996 (Supp. 96-1). Section expired under A.R.S. § 1056(E) at 11 A.A.R. 1450, effective February 28, 2005 (Supp. 05-1).

**R6-14-106. Expired**

**Historical Note**

Section R6-14-106 recodified from A.A.C. R6-3-1906 effective February 13, 1996 (Supp. 96-1). Section expired under A.R.S. § 1056(E) at 11 A.A.R. 1450, effective February 28, 2005 (Supp. 05-1).

**R6-14-107. Expired**

**Historical Note**

Section R6-14-107 recodified from A.A.C. R6-3-1907 effective February 13, 1996 (Supp. 96-1). Section expired under A.R.S. § 1056(E) at 11 A.A.R. 1450, effective February 28, 2005 (Supp. 05-1).

**R6-14-108. Expired**

**Historical Note**

Section R6-14-108 recodified from A.A.C. R6-3-1908 effective February 13, 1996 (Supp. 96-1). Section expired under A.R.S. § 1056(E) at 11 A.A.R. 1450, effective February 28, 2005 (Supp. 05-1).

**R6-14-109. Expired**

**Historical Note**

Section R6-14-109 recodified from A.A.C. R6-3-1909 effective February 13, 1996 (Supp. 96-1). Section expired under A.R.S. § 1056(E) at 11 A.A.R. 1450, effective February 28, 2005 (Supp. 05-1).

**R6-14-110. Expired**

**Historical Note**

Section R6-14-110 recodified from A.A.C. R6-3-1910 effective February 13, 1996 (Supp. 96-1). Section expired under A.R.S. § 1056(E) at 11 A.A.R. 1450, effective February 28, 2005 (Supp. 05-1).

**R6-14-111. Definitions**

For purposes of this Section, the following terms are defined as follows:

1. "Adjusted net income". Income remaining after all deductions from gross income.
2. "Adverse action". The reduction or termination of program benefits within the certification period.
3. "Alien lawfully admitted to the United States". An alien legally admitted to the United States by the U.S. Immigration and Naturalization Service. An alien legally admitted to the United States may or may not be legally admitted for permanent residence or residing under color of law.
4. "Alien lawfully admitted to the United States for permanent residence". An alien permitted to reside continuously in the United States, as specified by appropriate documentation which the alien must have in the alien's possession at all times.
5. "Allotment". The total value of coupons a household is authorized to receive during each month or any specified time period.
6. "Annualization of income". The division of yearly gross income by 12 to arrive at the monthly average.
7. "Anticipated income". Income which is not yet available to meet needs but which is expected to become available.
8. "Appeal". An individual's written statement requesting a hearing to contest action to be taken or previously taken by the Department.
9. "Applicant". A person who applies for program benefits for the that person and/or others.
10. "Assets". All items owned by an individual which have a monetary value.
11. "A.T.P.". Authorization to Participate in the Food Stamp Program.
12. "Authorized representative". A person authorized by an individual to act in the individual's behalf.
13. "Basis of issuance or benefit level". The amount of coupons for which the household is eligible, based on household size and adjusted net income.
14. "Boarding house". A commercial enterprise which offers meals and lodging for compensation.
15. "Certification". Approval of the household's application and determination of basis of issuance and period of eligibility.
16. "Citizen". An individual born or naturalized in the United States, which is defined, for program purposes, as the 50 states, the District of Columbia, Puerto Rico, Guam, the Virgin Islands, American Samoa, and Swain's Island.
17. "Collateral contact". An individual, agency, or organization contacted to confirm statements presented by the applicant and/or participant.
18. "Color of Law". A legal status which a lawfully admitted alien may claim if the alien can satisfactorily prove that the alien has continuously resided in the United States since June 30, 1948.
19. "Coupon". Any coupon, stamp, or certification provided pursuant to the Food Stamp Act of 1977 for the purchase of eligible food.
20. "Denial". The formal disapproval of an application for program benefits.

21. "Department". The Department of Economic Security.
22. "Drug and/or alcoholic treatment and rehabilitation center". A center providing treatment and rehabilitation programs by a private nonprofit organization.
23. "Earned income". Compensation received as wages, salaries, commissions, or profit, through employment or self-employment.
24. "Eligible food". Any food for human consumption; seeds and plants to grow foods for the personal consumption of the eligible household; delivered meals and meals served at approved communal dining facilities and rehabilitation treatment centers.
25. "Eligibility worker". Department employee responsible for the determination of eligibility of the applicant households.
26. "Equity value". The fair market value less encumbrances.
27. "F.N.S.". Food and Nutrition Service, a division of the United States Department of Agriculture.
28. "Fraud". An action, punishable by law, in which a person has knowingly, willfully, and with deceitful intent obtained benefits for which the person was not eligible.
29. "Hearing". The process of reviewing a client's situation for the purpose of deciding whether or not action taken or intended action by the Department is correct.
30. "Home visit". A visit by an Eligibility Worker to the client's place of residence to verify eligibility factors for program benefits.
31. "Home and land contiguous thereto". The residential real property owned by a client, both land improvements on which client is living, as well as any land immediately touching which is also owned by the client.
32. "Identification card". A card which identifies the bearer as eligible to receive and use food coupons.
33. "In kind". Any gain or benefit which is not in the form of money payable directly to the household, such as meals, clothing, public housing, produce from a garden, and vendor payments.
34. "Institution of higher education". Any institution providing post-high-school education, including, but not limited to, colleges, universities, and vocational or technical schools at the post-high-school level.
35. "Liquid resources". Financial instruments which can be converted to cash quickly (such as stocks, bonds, savings certificates, notes, sales contracts, etc.).
36. "Minor child". A person under age 18 and under parental control.
37. "Non-eligible food". Hot foods and hot food products prepared for immediate over-the-counter service, alcoholic beverages, tobacco, pet foods and supplies, soap, and paper products.
38. "Overissuance". The amount of a coupon allotment received by a household which is in excess of what it was eligible to receive.
39. "Parental control". A child under the age of 18 years and under the control of the parent or any adult other than natural parents (in loco parentis).
40. "Project area". The county or geographic entity designated as the administrative unit for program operations.
41. "Recertification". A re-evaluation of all eligibility factors.
42. "Restoration of lost benefits". Issuance of coupons to an eligible household that did not receive benefits or the correct amount of benefits due to an error caused by the Department.
43. "Retroactive benefits". An issuance of coupons to an eligible household who experienced a delay in the processing of the application.
44. "Roomer". Individual to whom lodging is furnished for compensation.
45. "Spouse". One of 2 individuals who are married to each other under applicable state law or who are living together and holding themselves out to the community as husband and wife.
46. "Student". An individual 18 years of age or older and attending, at least half time, a post-high-school institution of higher education (as defined for program purposes).
47. "United States citizen". A person who was born in the United States or naturalized in the United States and has maintained United States citizenship status.
48. "U.S.D.A.". United States Department of Agriculture.
49. "Vendor payments". Money payments made on behalf of the household to another by a 3rd party.

**R6-14-217. Expired**

**Historical Note**
R6-14-217 recodified from A.A.C. R6-3-2017 effective February 13, 1996 (Supp. 96-1). Section expired under A.R.S. § 1056(E) at 11 A.A.R. 1450, effective February 28, 2005 (Supp. 05-1).

**R6-14-218. Expired**

**Historical Note**
R6-14-218 recodified from A.A.C. R6-3-2018 effective February 13, 1996 (Supp. 96-1). Section expired under A.R.S. § 1056(E) at 11 A.A.R. 1450, effective February 28, 2005 (Supp. 05-1).

## ARTICLE 3. CLAIMS AGAINST HOUSEHOLDS

**R6-14-301. Purpose and Definitions**

**A.** The Department establishes and collects claims under 7 CFR 273.18, Claims against households. This Article clarifies the Department's policies and procedures as permitted in federal regulation.

**B.** The definitions in R6-14-111 and the following definitions apply to this Article:

1. "Agency error" or "AE claim" means any claim for an overpayment caused by an action or failure to take action by the Department.
2. "Claim" means the amount of a federal debt owed because Nutrition Assistance benefits were overpaid or benefits were trafficked.
3. "Household" means one of the following individuals or groups of individuals, unless otherwise specified under 7 CFR 273.1(b):
   a. Except as contained in (B)(3)(b):
      i. An individual living alone;
      ii. An individual living with others, but customarily purchasing food and preparing meals for home consumption separate and apart from others; or
      iii. A group of individuals who live together and customarily purchase food and prepare meals together for home consumption.
   b. Specific to the Claim Compromise process in R6-14-308, the following persons who are residing together:
      i. Adults who were members of the Nutrition Assistance household for which the claim was established, and who were adults at the time the claim was established, and
      ii. Minor children for whom adult household members are responsible.
4. "Inadvertent household error" or "IHE claim" means any claim for an overpayment resulting from a misunderstanding or unintended error on the part of the Nutrition Assistance household. This includes instances when the household received more benefits than it was entitled to receive because the household requested a continuation of benefits, pending a fair hearing decision.
5. "Intentional Program Violation" or "IPV claim" means any claim for an overpayment resulting from an individ-

ual committing and intending to commit, an IPV under 7 CFR 273.16.

6. "Trafficking claim" means any claim for the value of benefits that are trafficked, under 7 CFR 273.18. Trafficking is defined under 7 CFR 271.2.

**Historical Note**

R6-14-301 recodified from A.A.C. R6-3-2101 effective February 13, 1996 (Supp. 96-1). Section expired under A.R.S. § 1056(E) at 11 A.A.R. 1450, effective February 28, 2005 (Supp. 05-1). New Section made by emergency rulemaking at 24 A.A.R. 2081, effective July 6, 2018 for 180 days (Supp. 18-3). Emergency renewed at 24 A.A.R. 3591, effective January 2, 2019 for an additional 180 days (Supp. 18-4). Emergency expired; new Section made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).

**R6-14-302. Claim Calculation; Date of Discovery; Overpayment Period**

Under 7 CFR 273.18, the Department shall calculate an overpayment of benefits claim by:

**A.** Date of discovery. The date of discovery is determined when the Department becomes aware of the overpayment.
   1. For AE claims, the date of discovery is the date the overpayment has been verified or the date the household ultimately fails to respond to or satisfy an overpayment inquiry.
   2. For IHE and IPV claims, the date that the Department obtains verification used to calculate the over-issuance.
   3. For claims resulting from trafficking, the date of the court decision, or the date the household signed a waiver of administrative disqualification hearing form or a disqualification consent agreement.

**B.** For AE and IHE claims, calculate a claim for the month of the date of discovery and for each prior month, not to exceed 36 months prior to the date of discovery.

**C.** For an IPV claim not related to trafficking, calculate a claim back to the month that the IPV first occurred, not to exceed 72 months prior to the date of discovery.

**D.** For a claim resulting from trafficking, calculate a claim for the value of the trafficked benefits, as determined under 7 CFR 273.18(c)(2).

**Historical Note**

R6-14-302 recodified from A.A.C. R6-3-2102 effective February 13, 1996 (Supp. 96-1). Section expired under A.R.S. § 1056(E) at 11 A.A.R. 1450, effective February 28, 2005 (Supp. 05-1). New Section made by emergency rulemaking at 24 A.A.R. 2081, effective July 6, 2018 for 180 days (Supp. 18-3). Emergency renewed at 24 A.A.R. 3591, effective January 2, 2019 for an additional 180 days (Supp. 18-4). Emergency expired; new Section made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).

**R6-14-303. Determining a Claim Amount**

**A.** For all claims other than a claim resulting from trafficking:
   1. The Department shall determine whether the overpayment of benefits occurred at the time an eligibility determination was rendered for a new or recertification application or whether the overpayment occurred during an eligible certification period.
   2. When it is discovered that the Department rendered an incorrect eligibility determination or issued an incorrect benefit amount because the Department failed to correctly act on information provided on the application or reported by the applicant, or because the applicant failed to provide correct information on the application or prior to application approval, the Department shall re-determine eligibility and a benefit amount for that application and for the months in the certification period, using the application approval or denial policies and procedures that were in effect at the time the eligibility determination for the application was rendered. The Department will not consider information that was not previously reported by the household that would have resulted in an increase in the benefit allotment at the time of initial approval of benefits.
      a. When it is determined that the household was ineligible, the Department shall establish a claim based on the amount of benefits issued for each month during the certification period that was established when the application was originally approved, minus the amount of benefits that the Department has expunged from the household's EBT benefit account, for each of the corresponding overpaid months.
      b. When it is determined that the household was eligible, the Department shall establish a claim based on the amount of benefits that were paid in excess of the correct benefit amount in each month of the certification period, minus the amount of benefits that the Department has expunged from the household's EBT benefit account, for each of the corresponding overpaid months.
      c. When it is determined that the household was eligible and received a smaller benefit amount than it was eligible to receive because the Department failed to correctly act on information provided on the application or reported by the applicant prior to application approval, the Department shall issue a supplement for each month in the certification period that the household was paid less than the correct benefit amount as provided in 7 CFR 273.17.
   3. When a change occurred during an eligible certification period:
      a. The Department shall process any change that was reported and re-determine a new benefit allotment amount for each affected month in the certification period using the change processing policies and procedures that were in effect for those months under 7 CFR 273.12(c).
         i. The Department shall establish a claim based on the amount of benefits that were paid in excess of the new benefit amount in each affected month of the certification period, minus the amount of benefits that the Department has expunged from the household's EBT benefit account.
         ii. The Department shall issue a supplement for each month the household was paid less than the new benefit amount.
      b. When the Department discovers a change which was not reported by the household, the Department shall determine whether the change was required to be reported based on the change reporting requirement assigned to the household for the certification period.
         i. When the change was not required to be reported the Department shall not process the

change for the months in the certification period.

ii. When the change was required to be reported the Department shall re-determine eligibility and a new benefit allotment amount for each affected month in the certification period using the change processing policies and procedures that were in effect for those months under 7 CFR 273.12(c). The Department shall establish a claim based on the amount of benefits that were paid in excess of the correct benefit amount in each month of the certification period, minus the amount of benefits that the Department has expunged from the household's EBT benefit account.

**B.** For a claim resulting from trafficking, the Department shall calculate a claim amount based on the entire value of the trafficked benefits.

**Historical Note**

R6-14-303 recodified from A.A.C. R6-3-2103 effective February 13, 1996 (Supp. 96-1). Section expired under A.R.S. § 1056(E) at 11 A.A.R. 1450, effective February 28, 2005 (Supp. 05-1). New Section made by emergency rulemaking at 24 A.A.R. 2081, effective July 6, 2018 for 180 days (Supp. 18-3). Emergency renewed at 24 A.A.R. 3591, effective January 2, 2019 for an additional 180 days (Supp. 18-4). Emergency expired; new Section made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).

**R6-14-304. Pre-establishment Cost Effectiveness Determination**

The Department shall not establish an overpayment that is not cost effective using the threshold at 7 CFR 273.18(e)(2)(ii), unless the Department establishes and collects claims under a cost-effectiveness plan approved by the Food and Nutrition Service of the U.S. Department of Agriculture under 7 CFR 273.18(e)(2)(i) that establishes a different threshold.

**Historical Note**

R6-14-304 recodified from A.A.C. R6-3-2104 effective February 13, 1996 (Supp. 96-1). Section expired under A.R.S. § 1056(E) at 11 A.A.R. 1450, effective February 28, 2005 (Supp. 05-1). New Section made by emergency rulemaking at 24 A.A.R. 2081, effective July 6, 2018 for 180 days (Supp. 18-3). Emergency renewed at 24 A.A.R. 3591, effective January 2, 2019 for an additional 180 days (Supp. 18-4). Emergency expired; new Section made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).

**R6-14-305. Notice of Claim**

To begin collection on a claim, the Department shall send the household a Notice of Claim. At a minimum, the notice shall include all elements required under 7 CFR 273.18(e)(3)(iv).

**Historical Note**

R6-14-305 recodified from A.A.C. R6-3-2105 effective February 13, 1996 (Supp. 96-1). Section expired under A.R.S. § 1056(E) at 11 A.A.R. 1450, effective February 28, 2005 (Supp. 05-1). New Section made by emergency rulemaking at 24 A.A.R. 2081, effective July 6, 2018 for 180 days (Supp. 18-3). Emergency renewed at 24 A.A.R. 3591, effective January 2, 2019 for an additional 180 days (Supp. 18-4). Emergency expired; new Section made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).

**R6-14-306. Acceptable Forms of Payment**

The Department may accept all forms of payment, including the methods listed in 7 CFR 273.18(f) to collect a claim.

**Historical Note**

R6-14-306 recodified from A.A.C. R6-3-2106 effective February 13, 1996 (Supp. 96-1). Section expired under A.R.S. § 1056(E) at 11 A.A.R. 1450, effective February 28, 2005 (Supp. 05-1). New Section made by emergency rulemaking at 24 A.A.R. 2081, effective July 6, 2018 for 180 days (Supp. 18-3). Emergency renewed at 24 A.A.R. 3591, effective January 2, 2019 for an additional 180 days (Supp. 18-4). Emergency expired; new Section made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).

**R6-14-307. Collection Methods**

**A.** Allotment reduction. When a household is receiving Nutrition Assistance benefits, the Department may use the allotment reduction in 7 CFR 273.18(g)(1).

**B.** As provided under 7 CFR 273.18(g)(5), the Department may allow a household that is not participating in the Nutrition Assistance program to pay a claim in equal monthly payments in a negotiated repayment agreement. The household shall be responsible to pay a monthly payment in one of the following amounts until the claim is paid in full:

1. An amount equal to the balance of the claim at the time the negotiated repayment agreement is made, divided by 36.
2. When the amount in (B)(1) is equal to or less than $10.00, the monthly repayment amount shall be $10.00.

**C.** Under 7 CFR 273.18(g)(6), the Department may arrange with a liable individual to intercept his or her unemployment compensation benefits. This collection option may be included as part of a repayment agreement. The Department may also intercept an individual's unemployment compensation benefits by obtaining a court order.

**D.** Under 7 CFR 273.18(g)(8), the Department may use other collection methods that include:

1. Submitting the claim to the Arizona Department of Revenue for payment through a state tax refund.
2. Submitting the claim to the Arizona Lottery Commission for payment through a lottery winnings offset.
3. Submitting the claim to the federal Treasury Offset Program under 7 CFR 273.18(n).
4. A wage garnishment established through a civil judgment or criminal restitution order. When the Department has obtained a judgment or order, the Department shall:
   a. Send the household a Pre-Garnishment Notice to allow the household to agree to pay the claim in a manner other than wage garnishment; and
   b. If the household fails to arrange for payment in response to the Pre-Garnishment Notice, the Department may request the Arizona Attorney General's Office to initiate a wage garnishment under A.R.S. Title 12, Chapter 9, Article 4.1, and that garnishment may continue until the claim is paid in full.
5. Garnishment or levy of monies or property per A.R.S. Title 12, Chapter 9, Article 4.
6. Imposition or enforcement of all liens, including judgment liens imposed under A.R.S. § 33-961.
7. Any other legal or equitable remedy for the collection of debts and judgments.

**E.** Under 7 CFR 273.18(j) and at the Arizona Attorney General's direction, the Department shall act on behalf of the Food and Nutrition Service of the U.S. Department of Agriculture in any bankruptcy proceeding against a household subject to a claim.

**Historical Note**

R6-14-307 recodified from A.A.C. R6-3-2107 effective February 13, 1996 (Supp. 96-1). Section expired under A.R.S. § 1056(E) at 11 A.A.R. 1450, effective February 28, 2005 (Supp. 05-1). New Section made by emergency rulemaking at 24 A.A.R. 2081, effective July 6, 2018 for 180 days (Supp. 18-3). Emergency renewed at 24 A.A.R. 3591, effective January 2, 2019 for an additional 180 days (Supp. 18-4). Emergency expired; new Section made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).

**R6-14-308. Claim Compromise**

**A.** In accordance with the Department's Claim Compromise policy and procedures as contained in the Arizona Cash and Nutrition Assistance Policy manual, the Department may compromise an entire claim or any portion of a claim if it can be reasonably determined that a household's economic circumstances dictate that the claim will not be paid in three years.

**B.** For purposes of a claim compromise "household" means the following persons who are residing together:
1. Adults who were members of the Nutrition Assistance household for which the claim was established, and who were adults at the time the claim was established, and
2. Minor children for whom adult household members are responsible.

**C.** When a household reports that it is unable to pay the claim in the equal monthly increments specified in R6-14-307(A) or (B), the Department shall inform the household that it may request a one-time compromise of the claim and shall provide the household with instructions for requesting a compromise. The Department may compromise the claim by reducing the claim amount and the resulting monthly payment amount when:
1. The household contacts the Department, orally or in writing, and requests a compromise of the claim,
2. The claim was established as an Agency Error claim or an Inadvertent Household Error claim,
3. There is no pending Appeal of the claim,
4. The Department has not previously approved a compromise of the claim, and
5. The Department approves the compromise request as provided in this Section.

**D.** When the Department receives a compromise request, and there is no pending appeal of the claim for which the compromise is requested, the Department shall send the household a Financial Statement form requesting necessary information and verification required for the Department to determine eligibility for a claim compromise.

**E.** The household must return the completed Financial Statement with requested information and verification to the Department no later than the thirtieth calendar day following the date that the Department mailed or otherwise transmitted the Financial Statement to the household. When the household requests assistance or additional time, the Department shall allow an additional thirty calendar days for the household to provide a completed Financial Statement. The Department shall deny the compromise claim request when the Financial Statement is not provided by the household by the thirtieth calendar day or the agreed upon extension date, unless the delay was for good cause. Good cause includes circumstances beyond the household's reasonable control such as illness, illness of another household member requiring the presence of the adult member, or a household emergency.

**F.** When the Financial Statement is timely provided to the Department, and all information and verification is complete, the Department shall complete the determination of eligibility for a compromise and send a notice no later than the twentieth working day, as defined in R6-14-402, following the date that the Department received the Financial Statement and all required information and verification.

**G.** When the compromise request is approved the Department shall notify the household of the compromised claim amount, the repayment plan for the new claim amount, and the household's right to file an appeal of the Department's action. The compromised claim amount shall be final unless modified by an appeal hearing decision.
1. The household shall pay a monthly payment in one of the following amounts until the compromised claim balance is paid in full:
   a. An amount equal to the balance of the compromised claim amount, divided by 36.
   b. When the amount in (G)(1)(a) is equal to or less than $10.00, the monthly payment shall be $10.00.
   c. When the household is currently participating in the Nutrition Assistance program, the Department shall reduce the household's monthly Nutrition Assistance benefit allotment by the greater of $10 or 10 percent.
   d. When the household is no longer participating in the Nutrition Assistance program, the household shall be responsible to pay the original claim compromise monthly payment amount calculated in accordance with (G)(1)(a) and (b). The Department shall notify the household of the claim compromise monthly payment obligation.
2. The approval of a compromise request shall apply only to the household that requested the compromise and does not affect the responsibility of any person:
   a. Who is not a member of the household that requested the compromise, and
   b. Who is responsible for paying the claim under 7 CFR 273.18(a)(4).

**H.** When the compromise request is denied the Department shall notify the household of the denial and the household's right to file an appeal of the Department's action.

**I.** The household may appeal the following actions or inaction related to a request for a compromise:
1. The Department's inaction or untimely action on processing the compromise request;
2. The amount of the approved compromise balance; or
3. A denial of the compromise request.

**Historical Note**

R6-14-308 recodified from A.A.C. R6-3-2108 effective February 13, 1996 (Supp. 96-1). Section expired under A.R.S. § 1056(E) at 11 A.A.R. 1450, effective February 28, 2005 (Supp. 05-1). New Section made by emergency rulemaking at 24 A.A.R. 2081, effective July 6, 2018 for 180 days (Supp. 18-3). Emergency renewed at 24 A.A.R. 3591, effective January 2, 2019 for an additional 180 days (Supp. 18-4). Emergency expired; new Section made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).

**R6-14-309. Reinstatement of a Compromised Claim**

The Department shall reinstate any compromised portion of a claim when either of the following occurs:

1. A claim becomes delinquent under 7 CFR 273.18(e)(5).
2. The Department approved a compromise for a claim that was originally established as an Inadvertent Household Error claim and the original claim is later determined to have resulted from an Intentional Program Violation, as evidenced by a signed waiver of an Administrative Disqualification Hearing, an Administrative Disqualification Hearing decision, or a decision rendered by a state or federal court in a civil or criminal action.

**Historical Note**

R6-14-309 recodified from A.A.C. R6-3-2109 effective February 13, 1996 (Supp. 96-1). Section expired under A.R.S. § 1056(E) at 11 A.A.R. 1450, effective February 28, 2005 (Supp. 05-1). New Section made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).

**R6-14-310. Terminating and Writing Off a Claim**

The Department shall terminate and write off a claim as required under 7 CFR 273.18(e)(8)(ii)(A through E), and may terminate and write off a claim as allowed under 7 CFR 273.18(e)(8)(ii)(F) and (G).

**Historical Note**

R6-14-310 recodified from A.A.C. R6-3-2110 effective February 13, 1996 (Supp. 96-1). Section expired under A.R.S. § 1056(E) at 11 A.A.R. 1450, effective February 28, 2005 (Supp. 05-1). New Section made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).

**R6-14-311. Claims Established in Another State**

Under 7 CFR 273.18(i)(2), the Department may accept a claim from another state if the household subject to the claim receives Nutrition Assistance benefits in Arizona, when:

1. The Department confirms that the household was notified by the other state of the overpayment, and
2. There is no pending or unresolved Fair Hearing or Appeal of the overpayment in the other state, and
3. The Department determines with reasonable certainty that the household is able to repay the outstanding claim balance in full within the Nutrition Assistance certification period assigned to the household in Arizona.

## ARTICLE 4. APPEALS AND FAIR HEARINGS

**R6-14-401. Entitlement to a Fair Hearing; Appealable Action**
Any applicant or recipient who disagrees with any action or inaction by the Department which affects the participation of the household in the program has the right to challenge the action or inaction by requesting an administrative or fair hearing. Administrative hearings are conducted by the Department's Office of Appeals. In this Article, "hearing" refers to a Fair Hearing as required in 7 CFR 273.15.

**Historical Note**
R6-14-401 recodified from A.A.C. R6-3-2201 effective February 13, 1996 (Supp. 96-1). Section expired under A.R.S. § 1056(E) at 11 A.A.R. 1450, effective February 28, 2005 (Supp. 05-1). New Section made by emergency rulemaking at 24 A.A.R. 2081, effective July 6, 2018 for 180 days (Supp. 18-3). Emergency renewed at 24 A.A.R. 3591, effective January 2, 2019 for an additional 180 days (Supp. 18-4). Emergency expired; new Section made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).

**R6-14-402. Computation of Time**
**A.** In computing any time period:
1. "Day" means a calendar day;
2. "Working day" means Monday through Friday, excluding federal or Arizona state holidays;
3. The Department does not count the date of the act, event, notice, or default from which a designated time period begins to run as part of the time period; and
4. The Department counts the last day of the designated time period. When the day is a Saturday, Sunday, federal holiday or Arizona state holiday, the last day is the first working day following that day.

**B.** Documents sent by the Department are received by an applicant or recipient on the date sent to the applicant or recipient's last known street or e-mail address, plus an additional five calendar days only when sent by U.S. mail. The send date is the date shown on the document unless the facts show otherwise.

**Historical Note**
R6-14-402 recodified from A.A.C. R6-3-2203 effective February 13, 1996 (Supp. 96-1). Section expired under A.R.S. § 1056(E) at 11 A.A.R. 1450, effective February 28, 2005 (Supp. 05-1). New Section made by emergency rulemaking at 24 A.A.R. 2081, effective July 6, 2018 for 180 days (Supp. 18-3). Emergency renewed at 24 A.A.R. 3591, effective January 2, 2019 for an additional 180 days (Supp. 18-4). Emergency expired; new Section made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).

**R6-14-403. Request for Hearing: Form; Time Limits; Presumptions**
**A.** As contained in 7 CFR 273.15(h) a request for a hearing is defined as a clear expression, oral or written, by the household or its representative to the effect that it wishes to appeal a decision or that an opportunity to present its case to a higher authority is desired.

**B.** An applicant or recipient who wishes to appeal an action or inaction shall make an oral or written request for a hearing to the Department within 90 days of the notice date advising the applicant or recipient of the action, except that a recipient may appeal the current level of benefits at any time within a certification period. Action by the Department shall include a denial of a request for restoration of any benefits lost more than 90 days but less than one year prior to the request for a hearing. An applicant or recipient may file a request for hearing in-person or by mail, fax, phone, or Internet. The Department shall provide a form for this purpose. Upon request, the Department shall help an applicant or recipient to file an appeal. If the applicant or recipient makes an oral request for a hearing, the Department shall accept the oral request, record in writing the date of the request and the stated reasons for the hearing, and forward the request to the Office of Appeals. The freedom to make a request for a hearing shall not be limited or interfered with in any way.

**C.** An appellant is an applicant or recipient who files an appeal.

**D.** The Department shall process any oral or written request for a hearing that contains sufficient information for the Department to determine the appellant's identity.

**E.** The Department deems a request for hearing filed:
1. If the appellant sends the request for hearing by first-class mail through the United States Postal Service to the Department:
   a. On the mailing date as shown by the postmark;
   b. In the absence of a postmark, on the postage meter mark on the envelope in which it is received; or
   c. If not postmarked or postage meter marked or if the mark is illegible, on the date entered on the document as the date of completion.
2. The date the Department actually receives the request, if not mailed.

**F.** A document is timely filed if the appellant can demonstrate that any delay in submission was due to any of the following reasons:
1. Department error or misinformation:
2. Delay or other action by the United States Postal Service: or
3. Delay due to the appellant's changing mailing addresses at a time when the appellant had no duty to notify the Department of the change.

**G.** When the Office of Appeals receives an untimely request for a hearing, the Office of Appeals shall determine whether the delay in submission is excusable, as provided in subsection (F). The Department shall consider an untimely request for a hearing as a request for restoration of lost benefits in accordance with 7 CFR 273.17.

**H.** An appellant whose appeal the Office of Appeals denies as untimely may petition for review of this issue as provided in R6-14-416.

**I.** The Department shall expedite a hearing request for any person covered by 7 CFR 273.15(i)(2).

**J.** The Department shall provide interpreters or other language services at no cost to persons whose primary language is other than English. This shall include explaining the hearing procedures orally in the person's language if the materials are not translated into the person's language.

**K.** The Department shall offer an agency conference as provided by 7 CFR 273.15(d) to those persons denied expedited service and to any person who requests a conference.

**Historical Note**

New Section made by emergency rulemaking at 24 A.A.R. 2081, effective July 6, 2018 for 180 days (Supp. 18-3). Emergency renewed at 24 A.A.R. 3591, effective January 2, 2019 for an additional 180 days (Supp. 18-4). Emergency expired; new Section made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).

**R6-14-404. Stay of Action Pending Appeal**

As provided by 7 CFR 273.15(k), if the appellant timely requests a fair hearing, the Department shall stay the implementation of an action until the hearing officer renders a final decision on the appeal and the person receives the decision, unless the appellant signs a waiver of continuation of benefits.

**Historical Note**

New Section made by emergency rulemaking at 24 A.A.R. 2081, effective July 6, 2018 for 180 days (Supp. 18-3). Emergency renewed at 24 A.A.R. 3591, effective January 2, 2019 for an additional 180 days (Supp. 18-4). Emergency expired; new Section made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).

**R6-14-405. Hearings: Location; Notice; Time**

**A.** The Office of Appeals shall schedule the hearing. The Office of Appeals may schedule a telephonic hearing instead of an in-person hearing or permit a witness or party, upon request, to appear telephonically.

**B.** Unless the appellant requests an earlier hearing date, the Office of Appeals shall schedule the hearing no earlier than 20 days from the date the Department receives the appellant's request for hearing.

**C.** The Office of Appeals shall send a notice of hearing to all parties at least 20 days before the hearing date, unless a request for an earlier hearing date is granted under subsection (B).

**D.** The notice of hearing shall be in writing and shall:
1. Include information on how to request an in-person hearing;
2. Advise the appellant or the appellant's representative of the name, address, and phone number to notify the Office of Appeals in the event it is not possible for the appellant to attend the hearing;
3. Specify that the Office of Appeals will dismiss the hearing request if the appellant or the appellant's representative fails to appear for the hearing without good cause;
4. Include the Office of Appeals hearing procedures and any other information that would provide the appellant with an understanding of the proceedings and that would contribute to the effective presentation of the appellant's case; which shall include a pre-hearing summary prepared by the Department, and
5. Explain that the appellant or the appellant's representative shall be given adequate opportunity to:
   a. Examine the case file prior to the hearing. The contents of the case file including the application form and documents of verification used by the Department to establish the household's ineligibility or eligibility and allotment shall be made available, provided that confidential information, such as the names of individuals who have disclosed information about the household without its knowledge or the nature or status of pending criminal prosecutions, is protected from release. If requested by the household or its representative, the Department shall provide a free copy of the portions of the case file that are relevant to the hearing. Confidential information that is protected from release and other documents or records which the household will not otherwise have an opportunity to contest or challenge shall not be introduced at the hearing or affect the hearing official's decision.
   b. Present the case or have it presented by legal counsel or another person.
   c. Bring witnesses.
   d. Advance arguments without undue interference.
   e. Question or refute any testimony or evidence, including an opportunity to confront and cross-examine adverse witnesses.
   f. Submit evidence to establish all pertinent facts and circumstances in the case.
6. The notice shall include information about the availability of free legal services.

**Historical Note**

New Section made by emergency rulemaking at 24 A.A.R. 2081, effective July 6, 2018 for 180 days (Supp. 18-3). Emergency renewed at 24 A.A.R. 3591, effective January 2, 2019 for an additional 180 days (Supp. 18-4). Emergency expired; new Section made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).

**R6-14-406. Postponing the Hearing**

**A.** The appellant may request and is entitled to receive one postponement of the first scheduled hearing. The postponement shall not exceed 30 days and the time limit for action on the decision may be extended for as many days as the hearing is postponed. The Office of Appeals may grant subsequent postponements upon a showing of good cause.

**B.** When the Office of Appeals reschedules a hearing under this Section, the Office of Appeals shall send the notice of rescheduled hearing at least 11 days prior to the date of the rescheduled hearing, unless the appellant agrees to shorter notice.

**Historical Note**

New Section made by emergency rulemaking at 24 A.A.R. 2081, effective July 6, 2018 for 180 days (Supp. 18-3). Emergency renewed at 24 A.A.R. 3591, effective January 2, 2019 for an additional 180 days (Supp. 18-4). Emergency expired; new Section made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).

**R6-14-407. Hearing Officer: Duties and Qualifications**

**A.** An impartial hearing officer in the Office of Appeals shall conduct all hearings.

**B.** The hearing officer shall:

1. Administer oaths and affirmations;
2. Regulate the conduct and course of the hearing consistent with due process to insure an orderly hearing;
3. Consider all relevant issues;
4. Request, receive, and admit into the record all evidence determined necessary to decide the issues being raised;
5. Order, where relevant and useful, an independent medical assessment or professional evaluation from a source mutually satisfactory to the household and the Department. The hearing officer shall decide on the source of the medical assessment or professional evaluation when the household and the Department are unable to agree on a mutually satisfactory source. The Department shall pay for the medical assessment or professional evaluation when such services are not available to the household as part of the household's current health insurance coverage;
6. As provided under 7 CFR 273.15(m)(2)(vi), render a hearing decision and issue a written decision reversing, affirming, modifying or remanding the agency's decision; and
7. Issue subpoenas under R6-14-409.

**Historical Note**

New Section made by emergency rulemaking at 24 A.A.R. 2081, effective July 6, 2018 for 180 days (Supp. 18-3). Emergency renewed at 24 A.A.R. 3591, effective January 2, 2019 for an additional 180 days (Supp. 18-4). Emergency expired; new Section made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).

**R6-14-408. Change of Hearing Officer; Challenges for Cause**

**A.** A party may request a change of hearing officer as prescribed in A.R.S. § 41-1992(B) by filing an affidavit that includes:

1. The case name and number:
2. The hearing officer assigned to the case: and
3. The name and signature of the party requesting the change.

**B.** The party requesting the change shall file the affidavit with the Office of Appeals and send a copy to all other parties at least five days before the hearing date.

**C.** A party shall request only one change of hearing officer unless that party is challenging a hearing officer for cause under subsection (E).

**D.** A party may not request a change of hearing officer once the hearing officer has heard and decided a motion except as provided in subsection (E).

**E.** At any time before a hearing officer renders a final decision under R6-14-414, a party may challenge a hearing officer on the grounds that the hearing officer is not impartial or disinterested in the case.

**F.** A party who brings a challenge for cause shall file an affidavit as provided in subsection (A) and send a copy of the affidavit to all other parties. The affidavit shall explain the reason why the assigned hearing officer is not impartial or disinterested.

**G.** When a party files an affidavit for a change in hearing officer as provided in subsection (F), the Office of Appeals shall assign another hearing officer to determine whether the hearing officer being challenged shall be removed, unless the hearing officer recuses himself or herself.

**H.** The Office of Appeals shall transfer the case to another hearing officer when:

1. A party requests a change as provided in subsections (A) through (D); or
2. The hearing officer is removed for cause, as provided in subsections (E) through (G).

**I.** The Office of Appeals shall send the parties written notice of the new hearing officer assignment.

**Historical Note**

New Section made by emergency rulemaking at 24 A.A.R. 2081, effective July 6, 2018 for 180 days (Supp. 18-3). Emergency renewed at 24 A.A.R. 3591, effective January 2, 2019 for an additional 180 days (Supp. 18-4). Emergency expired; new Section made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).

**R6-14-409. Subpoenas**

**A.** A party may ask the assigned hearing officer to issue a subpoena for a witness, document, or other physical evidence or to otherwise obtain the requested evidence. Subpoena forms are available to the appellant under R6-14-410(D).

**B.** The party seeking the subpoena shall send the hearing officer a written request for a subpoena. The request shall include:

1. The case name and number;
2. The name of the party requesting the subpoena;
3. The name and address of any person to be subpoenaed;
4. A description of any documents or physical evidence the appellant desires the hearing officer to subpoena, including the title, appearance, and location of the item if the appellant knows its location, and the name and address of the person in possession of the item; and
5. A statement about the expected substance of the testimony or other evidence as well as the relevance and importance of the requested testimony or other evidence.

**C.** A party shall request a subpoena at least five working days before the hearing date. A party who is unable to request a subpoena at least five days before the hearing date may request a postponement of the hearing. A party may raise the denial of a subpoena request in a petition for review to the Appeals Board, pursuant to R6-14-416.

**D.** The hearing officer shall deny the request if the witness's testimony or the physical evidence is not relevant to an issue in the case or is duplicative.

**E.** The Office of Appeals shall prepare all subpoenas and serve them by mail, except that the Office of Appeals may serve subpoenas on state employees who are appearing in the course of their jobs, by regular mail, hand-delivered mail, e-mail, or interoffice mail.

**Historical Note**

New Section made by emergency rulemaking at 24 A.A.R. 2081, effective July 6, 2018 for 180 days (Supp. 18-3). Emergency renewed at 24 A.A.R. 3591, effective January 2, 2019 for an additional 180 days (Supp. 18-4). Emergency expired; new Section made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).

**R6-14-410. Parties' Rights**

The appellant and the Department have the following rights:

1. The right to request a postponement of the hearing;

2. The right to receive before and during the hearing documents the Department may use at the hearing and a free copy of any documents in the Department's file on the appellant, except documents protected by the attorney-client or work-product privilege or as otherwise protected by federal or state confidentiality laws;
3. The right to request a change of hearing officer;
4. The right to request subpoenas for witnesses and evidence;
5. The right to be represented by an authorized representative, subject to any limitations on the unauthorized practice of law in the Rules of the Supreme Court of Arizona, Rule 31;
6. The right to bring witnesses, present evidence and to confront and cross-examine adverse witnesses;
7. The right to advance arguments without undue interference, to question or refute any testimony or evidence; and
8. The right to further appeal, as provided in R6-14-416 and R6-14-417, if dissatisfied with the Office of Appeals decision.

**Historical Note**

New Section made by emergency rulemaking at 24 A.A.R. 2081, effective July 6, 2018 for 180 days (Supp. 18-3). Emergency renewed at 24 A.A.R. 3591, effective January 2, 2019 for an additional 180 days (Supp. 18-4). Emergency expired; new Section made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).

**R6-14-411. Withdrawal of an Appeal**

**A.** An appellant may withdraw an appeal at any time prior to the time the hearing officer issues a decision.
1. An appellant may withdraw an appeal orally, either in person or by telephone. The Department may record the audio of the withdrawal. The Department is prohibited from coercion or actions that would influence the person or their representative to withdraw the fair hearing request. The Department must provide a written notice within 10 days of the oral request confirming the withdrawal request and providing the person an opportunity to request to reinstate the hearing within 10 days of the date the notice is received as provided in R6-14-402(B).
2. An appellant may withdraw an appeal by signing a written statement expressing the intent to withdraw. The Department shall make a withdrawal form available for this purpose.

**B.** The Office of Appeals shall dismiss the appeal when the appellant or the appellant's representative provides a signed withdrawal request to the Department or to the hearing officer prior to the issuance of a hearing decision or when the appellant or the appellant's representative makes such a request on the record during a hearing, or orally as provided in subsection (A)(1).

**Historical Note**

New Section made by emergency rulemaking at 24 A.A.R. 2081, effective July 6, 2018 for 180 days (Supp. 18-3). Emergency renewed at 24 A.A.R. 3591, effective January 2, 2019 for an additional 180 days (Supp. 18-4). Emergency expired; new Section made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).

**R6-14-412. Failure to Appear; Default; Reopening**

**A.** If an appellant fails to appear at the hearing, the hearing officer shall:
1. Enter a default and issue a decision dismissing the appeal, except as provided in subsection (B);
2. Rule summarily on the available record; or
3. Adjourn the hearing to a later date and time.

**B.** The hearing officer shall not enter a default or rule summarily if the appellant notifies the Office of Appeals before the scheduled time of hearing that the appellant cannot attend the hearing because of good cause and still desires a hearing or wishes to have the matter considered on the available record. Good cause includes circumstances beyond the household's reasonable control such as, but not limited to, illness, illness of another household member requiring the presence of the adult member, or a household emergency.

**C.** A party who did not appear at the hearing may file a request to reopen the proceedings no later than 10 days after the hearing. The request shall be in writing, by mail or e-mail, or be made in person or by telephone and shall demonstrate good cause for the party's failure to appear.

**D.** If the hearing officer finds that the party had good cause for failure to appear, the hearing officer shall reopen the proceedings and schedule a new hearing with notice to all interested parties as prescribed in R6-14-405.

**E.** If the hearing officer cannot grant or deny the request to reopen the proceedings based on the information provided, the hearing officer shall set the matter for a hearing to determine whether the party had good cause for failure to appear.

**F.** Good cause, for the purpose of reopening a hearing, is established if the failure to appear at the hearing and the failure to timely notify the hearing officer were beyond the reasonable control of the nonappearing party. Good cause also exists when the nonappearing party demonstrates excusable neglect, as used in Arizona Rules of Civil Procedure, Rule 60(b)(1) for both the failure to appear and the failure to timely notify the hearing officer. "Excusable neglect" means an action involving an error such as might be made by a reasonably prudent person who attempts to handle a matter in a prompt and diligent fashion.

**Historical Note**

New Section made by emergency rulemaking at 24 A.A.R. 2081, effective July 6, 2018 for 180 days (Supp. 18-3). Emergency renewed at 24 A.A.R. 3591, effective January 2, 2019 for an additional 180 days (Supp. 18-4). Emergency expired; new Section made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).

**R6-14-413. Hearing Proceedings**

**A.** The hearing is a de novo proceeding. The Department has the initial burden of presenting the evidence to support the adverse action being appealed.

**B.** The standard of proof is a preponderance of the evidence.

**C.** The Arizona Rules of Evidence do not apply at the hearing. The hearing officer may admit and give probative effect to evidence as prescribed in A.R.S. § 41-1062(A).

**D.** The Office of Appeals shall audio record all hearings. The Office of Appeals shall also transcribe the proceedings when a transcription is requested by the Appeals Board or when a transcription is required for judicial review under A.R.S. § 41-1993. If a transcript is prepared for any purpose, the appellant is entitled to a copy of the transcription at no cost.

**E.** A party may, at the party's own expense, arrange to have a court reporter present to transcribe the hearing, provided that such transcription does not delay or interfere with the hearing. The Office of Appeal's recording of the hearing shall constitute the official record of the hearing.

**F.** The hearing officer shall call the hearing to order and dispose of any prehearing motions or issues.
**G.** With the consent of the hearing officer, the parties may stipulate to factual findings or legal conclusions.
**H.** A party may advance arguments without undue interference.
**I.** A party may testify, present evidence, call witnesses, cross-examine adverse witnesses, and object to evidence. The hearing officer may also take witness testimony or admit evidence on the hearing officer's own motion.
**J.** The hearing officer shall keep a complete record of all proceedings in connection with an appeal.
**K.** The hearing officer may request the parties to submit memoranda on issues in the case if the hearing officer finds that the memoranda would assist the hearing officer in deciding the case. The hearing officer shall establish a briefing schedule for any required memoranda.
**L.** The recording of the hearing, all the evidence presented at the hearing and all papers and requests filed shall constitute the record and shall be available to the household or its representative at any reasonable time for copying and inspection.

**Historical Note**
New Section made by emergency rulemaking at 24 A.A.R. 2081, effective July 6, 2018 for 180 days (Supp. 18-3). Emergency renewed at 24 A.A.R. 3591, effective January 2, 2019 for an additional 180 days (Supp. 18-4). Emergency expired; new Section made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).

**R6-14-414. Hearing Decision**
**A.** No later than 60 days after the date the appellant files a request for hearing with the Department, the hearing officer shall render a decision based solely on the evidence and testimony produced at the hearing and the applicable law. The 60-day time limit is extended for any delay necessary to accommodate hearing continuances or extensions, or postponements requested by a party.
**B.** The hearing decision shall include:
1. Findings of fact concerning the issue on appeal;
2. Citations to the law and authority applicable to the issue on appeal;
3. A statement of the conclusions derived from the controlling facts and law and the reasons for the conclusions;
4. The name of the hearing officer;
5. The date of the decision;
6. A statement of further appeal rights, a statement of the process required to initiate a further appeal, and the time period for exercising those rights; and
7. That an appeal may result in a reversal of the decision.

**C.** The Office of Appeals shall send a copy of the decision to each party or the party's representative.
**D.** When requested by the appellant, the Department, or upon the hearing officer's own motion, the Office of Appeals may amend or vacate a decision to correct clerical errors, including typographical and computational errors.

**Historical Note**
New Section made by emergency rulemaking at 24 A.A.R. 2081, effective July 6, 2018 for 180 days (Supp. 18-3). Emergency renewed at 24 A.A.R. 3591, effective January 2, 2019 for an additional 180 days (Supp. 18-4). Emergency expired; new Section made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).

**R6-14-415. Effect of the Decision**
**A.** If the hearing officer affirms the adverse action against the appellant, the adverse action is effective as of the date of the initial determination of adverse action by the Department. The adverse action remains effective until the appellant appeals and obtains a higher administrative or judicial decision reversing or vacating the hearing officer's decision.
**B.** If the hearing officer vacates or reverses the Department's decision to take adverse action, the Department shall not take the action or shall reverse any adverse action, unless the Department appeals and obtains a higher administrative or judicial decision reversing or vacating the hearing officer's decision.
**C.** As specified in 7 CFR 273.15(c) the Department shall:
1. For decisions that result in an increase in household benefits:
   a. Authorize and deposit a benefit supplement in the household's EBT benefit account within 10 days of the receipt of the hearing decision; or
   b. The Department may take longer than 10 days if it elects to make the decision effective in the household's normal issuance cycle, provided that the issuance will occur within 60 days from the household's request for the hearing.
2. For decisions that result in a decrease in household benefits the Department shall authorize and deposit a decreased benefit amount in the household's EBT benefit account for the next scheduled issuance following receipt of the hearing decision.

**Historical Note**
New Section made by emergency rulemaking at 24 A.A.R. 2081, effective July 6, 2018 for 180 days (Supp. 18-3). Emergency renewed at 24 A.A.R. 3591, effective January 2, 2019 for an additional 180 days (Supp. 18-4). Emergency expired; new Section made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).

**R6-14-416. Further Administrative Appeal**
**A.** A party can appeal an adverse decision issued by a hearing officer to the Department's Appeals Board as prescribed in A.R.S. § 41-1992(C) and (D) by filing a written petition for review with the Office of Appeals within 15 days of the mailing or transmittal date of the hearing officer's decision.
**B.** The petition for review shall:
1. Be in writing and filed in person or by mail or fax;
2. Describe why the party disagrees with the hearing officer's decision; and
3. Be signed and dated by the party or the party's representative.

**Historical Note**
New Section made by emergency rulemaking at 24 A.A.R. 2081, effective July 6, 2018 for 180 days (Supp. 18-3). Emergency renewed at 24 A.A.R. 3591, effective January 2, 2019 for an additional 180 days (Supp. 18-4). Emergency expired; new Section made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).

**R6-14-417. Appeals Board**
**A.** The Appeals Board shall conduct proceedings in accordance with A.R.S. §§ 41-1992(D) and 23-672.
**B.** The Appeals Board shall issue to all parties a final written decision affirming, reversing, setting aside, or modifying the hearing officer's decision based on the complete record, including the audio recording or the transcript of the hearing.

The decision of the Appeals Board shall specify the right to further review and the time for filing an application for appeal.

**C.** A household appellant adversely affected by an Appeals Board decision may seek judicial review under A.R.S. § 41-1993.

**Historical Note**

New Section made by emergency rulemaking at 24 A.A.R. 2081, effective July 6, 2018 for 180 days (Supp. 18-3). Emergency renewed at 24 A.A.R. 3591, effective January 2, 2019 for an additional 180 days (Supp. 18-4). Emergency expired; new Section made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).

## ARTICLE 5. INTENTIONAL PROGRAM VIOLATION

**R6-14-501. Intentional Program Violations (IPV); Defined**

**A.** An Intentional Program Violation (IPV) consists of having intentionally:

1. Made a false or misleading statement, or misrepresented, concealed or withheld facts; or
2. Committed any act that constitutes a violation of the Food and Nutrition Act, the Supplemental Nutrition Assistance Program Regulations, or any State statute for the purpose of using, presenting, transferring, acquiring, receiving, possessing or trafficking of Supplemental Nutrition Assistance Program benefits or Electronic Benefit Transfer (EBT) cards. In Arizona, the name of the Supplemental Nutrition Assistance Program is the Nutrition Assistance Program.

**B.** For the purpose of imposing sanctions as prescribed in R6-14-505, a person is considered to have committed an IPV if:

1. A person signs a waiver of an Administrative Disqualification Hearing,
2. A person is found to have committed an IPV by an Administrative Disqualification Hearing, or
3. A person is convicted of a criminal offense the elements of which would constitute an IPV under subsection A above or enters into a disqualification consent agreement for deferred prosecution for fraud in a court of law.

**Historical Note**

R6-14-501 recodified from A.A.C. R6-3-2301 effective February 13, 1996 (Supp. 96-1). Section expired under A.R.S. § 1056(E) at 11 A.A.R. 1450, effective February 28, 2005 (Supp. 05-1). New Section made by emergency rulemaking at 24 A.A.R. 2081, effective July 6, 2018 for 180 days (Supp. 18-3). Emergency renewed at 24 A.A.R. 3591, effective January 2, 2019 for an additional 180 days (Supp. 18-4). Emergency expired; new Section made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).

**R6-14-502. IPV Administrative Disqualification Hearings; Hearing Waiver**

**A.** Upon receipt of sufficient documentary evidence substantiating that a person has committed an IPV, the Department shall initiate either an Administrative Disqualification Hearing, or a referral for prosecution.

**B.** When the Department initiates an Administrative Disqualification Hearing, the Department shall mail the person suspected of an IPV written notice of the right to waive the Administrative Disqualification Hearing. This notice shall be sent either by first class mail or certified mail – return receipt requested.

**C.** The waiver notice of the Administrative Disqualification Hearing shall include the following information as well as the information described in R6-14-503(D):

1. A statement that the Department has determined that the individual suspected of the IPV committed, and intended to commit, one or more acts described in R6-14-501(A) and that the Department has initiated an Administrative Disqualification Hearing against the individual suspected of the IPV.
2. A summary of the allegations and evidence against the individual suspected of the IPV and notification that the individual suspected of the IPV has the right to examine the case file prior to the hearing and, when requested by the individual or representative, be provided a free copy of any documents in the case file, except documents protected by the attorney-client or work-product privilege or as otherwise protected by federal or state confidentiality laws.
3. A statement of the right of the individual suspected of the IPV to remain silent concerning the allegation of an IPV, and that anything said or signed by the individual concerning the allegations can be used against the individual suspected of the IPV in a court of law, including signing any part of the waiver.
4. A statement that signing a waiver of the Administrative Disqualification Hearing will result in disqualification periods as determined by section R6-14-505, a statement of the penalty the Department believes is applicable to the case scheduled for a hearing and a reduction in benefits for the period of disqualification, even if the individual suspected of the IPV does not admit to the facts as presented by the Department.
5. A statement that the individual suspected of the IPV does not have to sign a waiver of the Administrative Disqualification Hearing, return the waiver form to the Department or speak to anyone at the Department.
6. A statement of the fair hearing rights of the individual suspected of the IPV and notification that these rights are waived when the individual suspected of the IPV submits a signed waiver of the Administrative Disqualification Hearing form.
7. A statement that waiver of the Administrative Disqualification Hearing does not preclude the State or Federal Government from prosecuting the individual suspected of the IPV for the IPV in a civil or criminal court action, or from collecting any over issuance of Nutrition Assistance benefits.
8. A statement that the individual suspected of the IPV may wish to consult an attorney and a list of any individuals or organizations that provide free legal representation.
9. A statement that Nutrition Assistance benefits will continue and will only be terminated if the following occurs:
   a. The individual suspected of the IPV signs a notice to waive their rights to an Administrative Disqualification Hearing,
   b. There is an Administrative Disqualification Hearing decision that the individual suspected of the IPV is disqualified,
   c. The individual is determined to no longer be eligible on other grounds, or
   d. The individual requests that the Nutrition Assistance benefits not be continued in order to avoid a potential over issuance of benefits.
10. A statement that the remaining adult household members, if any, will be held responsible for repayment of the resulting over issuance claim.
11. An opportunity for the individual suspected of the IPV to specify whether or not the individual admits to the facts as presented by the Department. This opportunity shall

consist of the following statements, and a method for the individual suspected of the IPV to designate the individual's waiver choice:

a. I admit to the facts as presented and understand that a disqualification penalty will be imposed if I sign this waiver. I understand that if I sign this waiver, there will not be an Administrative Disqualification Hearing; or

b. I do not admit that the facts as presented are correct in my Nutrition Assistance case. However, I have chosen to sign this waiver of the Administrative Disqualification Hearing. I also understand that a disqualification penalty will be imposed. I understand that if I mark this box, I will not be able to submit additional evidence, have an Administrative Disqualification Hearing, or have the right to administrative appeal; or

c. I do not admit that the facts as presented are correct in my Nutrition Assistance case. I do not waive my right to require an Administrative Disqualification Hearing where the Department must prove by clear and convincing evidence that I committed, and intended to commit, an Intentional Program Violation.

12. A statement that if the individual suspected of the IPV does not waive their right to an Administrative Disqualification Hearing, then the Department must prove by clear and convincing evidence that the person committed and intended to commit, an Intentional Program Violation. The statement shall also advise the person that they may attend the hearing but are not required to attend. If the person opts to attend the hearing, they may talk to the judge about what happened and present additional evidence to the judge if they want to. The person also has the right to remain silent. The judge will decide if the person will be disqualified from participating in the Nutrition Assistance program.
13. The telephone number of the appropriate Department unit that the individual may contact to obtain additional information.
14. A due date that the signed waiver of an Administrative Disqualification Hearing must be provided to the Department so that a hearing will not be held and a signature block for the individual suspected of the IPV, along with a statement that the head of household must also sign the waiver if the individual suspected of the IPV is not the head of household, with an appropriately designated signature block.
15. If the signed waiver of the Administrative Disqualification Hearing is not returned by the due date, the Department shall schedule the Administrative Disqualification Hearing and shall send the individual suspected of the IPV a written hearing notice as contained in R6-14-503(C).

**D.** For the purpose of imposing sanctions as prescribed in R6-14-505, a timely signed waiver of an Administrative Disqualification Hearing shall have the same effect as an administrative adjudication that an IPV occurred.

**Historical Note**

R6-14-502 recodified from A.A.C. R6-3-2302 effective February 13, 1996 (Supp. 96-1). Section expired under A.R.S. § 1056(E) at 11 A.A.R. 1450, effective February 28, 2005 (Supp. 05-1). New Section made by emergency rulemaking at 24 A.A.R. 2081, effective July 6, 2018 for 180 days (Supp. 18-3). Emergency renewed at 24 A.A.R. 3591, effective January 2, 2019 for an additional 180 days (Supp. 18-4). Emergency expired; new Section made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).

**R6-14-503. Administrative Disqualification Hearings**

**A.** The rules on fair hearings contained in Article 4 of this Chapter apply to Intentional Program Violation (IPV) Administrative Disqualification Hearings, except as provided in this Article.

**B.** All IPV Administrative Disqualification Hearings are conducted by the Department's Office of Appeals.

**C.** If the individual suspected of an IPV does not sign and return the waiver of Administrative Disqualification Hearing by the return date set in the waiver notice, or returns the waiver notice stating they do not waive the Administrative Disqualification Hearing, the Office of Appeals shall send the individual a written hearing notice. The Office of Appeals shall send the notice by first class mail, certified mail - return receipt requested, or any other reliable method, no later than 30 days before the scheduled hearing date.

**D.** The hearing notice shall include the following information:

1. The date, time, and place of the hearing;
2. The allegations of an IPV against the individual;
3. A summary of the evidence, how and where the evidence can be examined, and that the individual suspected of the IPV has the right to examine the case file prior to the hearing. When requested by the household or its representative, the Department shall provide a free copy of any documents in the case file, except documents protected by the attorney-client or work-product privilege or as otherwise protected by federal or state confidentiality laws;
4. A notice that the decision will be based solely on information provided by the Department if the individual suspected of the IPV fails to appear at the hearing;
5. A statement that the individual or representative will, upon receipt of the notice, have 10 days from the date of the scheduled hearing to present good cause for failure to appear in order to receive a new hearing;
6. A warning that a determination of IPV will result in disqualification periods as defined by R6-14-505, and a statement of which penalty the Department believes is applicable to the case scheduled for a hearing;
7. A listing of the individual's rights as contained in R6-14-410;
8. A statement that the Administrative Disqualification Hearing does not preclude the State or Federal Government from prosecuting the individual for the IPV in a civil or criminal court action, or from collecting any over issuance of Nutrition Assistance benefits;
9. A statement that the individual suspected of the IPV may consult with an attorney and a list of any individuals or organizations known to the Department that provide free legal representation; and
10. A notice that the individual suspected of the IPV has the right to obtain a copy of the Department's published hearing procedures together with an explanation of how the individual suspected of the IPV can obtain these procedures.

**E.** The hearing officer shall postpone a hearing for up to 30 days if the individual suspected of the IPV files a written or oral request for postponement with the hearing officer no later than 10 days before the hearing date. Any such postponement shall increase the time by which the hearing officer shall issue a decision, as provided in subsection (J).

**F.** The time and place for the hearing shall be arranged so that the hearing is accessible to the individual suspected of the IPV,

including making reasonable accommodations for a person with a disability.

**G.** At the start of the Administrative Disqualification Hearing, the hearing officer shall advise the individual suspected of the IPV or representative of the right to remain silent during the hearing. The hearing officer shall also advise that if the individual suspected of the IPV or representative chooses not to exercise the right to remain silent, anything they say may be used against them.

**H.** A hearing officer, as prescribed in R6-14-407, shall conduct the Administrative Disqualification Hearing pursuant to the procedures set forth in R6-14-408, R6-14-409, R6-14-410 and R6-14-413, except as prescribed in this subsection.

**I.** The Department shall prove by clear and convincing evidence that the household member committed, and intended to commit, an IPV.

**J.** No later than 90 days from the date of the notice of hearing, as increased by any postponement days, the hearing officer shall send to the individual suspected of the IPV a written decision. The hearing officer shall find whether the evidence shows by clear and convincing evidence that the person committed, and intended to commit, an IPV. The decision shall specify the reasons for the decision, identify the supporting evidence, identify the pertinent regulation, respond to reasoned arguments made by the individual suspected of the IPV or representative, and include appeal rights.

**Historical Note**

R6-14-503 recodified from A.A.C. R6-3-2303 effective February 13, 1996 (Supp. 96-1). Section expired under A.R.S. § 1056(E) at 11 A.A.R. 1450, effective February 28, 2005 (Supp. 05-1). New Section made by emergency rulemaking at 24 A.A.R. 2081, effective July 6, 2018 for 180 days (Supp. 18-3). Emergency renewed at 24 A.A.R. 3591, effective January 2, 2019 for an additional 180 days (Supp. 18-4). Emergency expired; new Section made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).

**R6-14-504. Failure to Appear; Default; Reopening**

**A.** If the individual suspected of the IPV fails to appear at the Administrative Disqualification Hearing without good cause, the hearing officer shall conduct the hearing.

**B.** The hearing officer shall not conduct the hearing if the individual suspected of the IPV notifies the Office of Appeals before the hearing that the individual cannot attend the hearing because of good cause and still desires a hearing. Good cause includes circumstances beyond the household's reasonable control such as illness, illness of another household member requiring the presence of the adult member, or a household emergency.

**C.** An individual suspected of the IPV who did not appear at the hearing may file a request to reopen the Administrative Disqualification Hearing. The request shall be in writing and shall demonstrate good cause for the party's failure to appear.

1. The individual suspected of the IPV has 30 days after the date of the written notice of the hearing decision to file a request to reopen the Administrative Disqualification Hearing if the individual did not receive a hearing notice.
2. In all other instances, the individual suspected of the IPV has 10 days from the hearing date to show good cause why the individual failed to appear.

**D.** The hearing officer shall review the good cause reason submitted by the individual suspected of the IPV and unless the hearing officer can grant or deny the request based on the information provided, shall set the matter for a hearing to determine whether the individual suspected of the IPV had good cause for failing to appear.

**E.** If the hearing officer finds that the individual suspected of the IPV had good cause for failure to appear, the previous decision shall be vacated and the hearing officer shall reopen the Administrative Disqualification Hearing and schedule a new hearing with notice to all parties. The hearing officer must enter the good cause decision on the record.

**F.** Good cause, for the purpose of reopening an Administrative Disqualification Hearing, is established if the failure to appear at the hearing and the failure to timely notify the hearing officer were beyond the reasonable control of the individual suspected of the IPV. Good cause also exists when the individual suspected of the IPV demonstrates excusable neglect for both the failure to appear and the failure to timely notify the hearing officer. "Excusable neglect" means an action involving an error such as might be made by a reasonably prudent person who attempts to handle a matter in a prompt and diligent fashion.

**Historical Note**

R6-14-504 recodified from A.A.C. R6-3-2304 effective February 13, 1996 (Supp. 96-1). Section expired under A.R.S. § 1056(E) at 11 A.A.R. 1450, effective February 28, 2005 (Supp. 05-1). New Section made by emergency rulemaking at 24 A.A.R. 2081, effective July 6, 2018 for 180 days (Supp. 18-3). Emergency renewed at 24 A.A.R. 3591, effective January 2, 2019 for an additional 180 days (Supp. 18-4). Emergency expired; new Section made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).

**R6-14-505. Disqualification Sanctions; Notice**

**A.** A person found to have committed an IPV is disqualified from program participation:

1. For a period of 12 months for the first IPV, except as provided under subsections (B) through (E);
2. For a period of 24 months for the second IPV, except as provided in subsections (B) through (E); and
3. Permanently for the third IPV.
4. The same act of IPV repeated over a period of time shall not be separated so that separate penalties can be imposed.

**B.** Individuals found by any court to have used or received benefits in a transaction involving the sale of a controlled substance, as defined in section 102 of the Controlled Substances Act (21 U.S.C. 802), shall be ineligible to participate in the program:

1. For a period of 24 months for the first violation; and
2. Permanently upon the second violation.

**C.** Individuals found by any court to have used or received benefits in a transaction involving the sale of firearms, ammunition or explosives shall be permanently ineligible to participate in the program upon the first violation.

**D.** An individual convicted by any court of having trafficked benefits for an aggregate amount of $500 or more shall be permanently ineligible to participate in the program upon the first violation.

**E.** Except as provided under subsection (A)(3), an individual found to have made a fraudulent statement or representation with respect to the identity or place of residence of the individual in order to receive multiple Nutrition Assistance benefits simultaneously shall be ineligible to participate in the program for 10 years.

**F.** Upon a determination of IPV, the Department shall notify the disqualified person in writing of the pending disqualification. The written notice shall:
1. Inform the disqualified person of the decision and the reasons for the decision; and
2. Inform the disqualified person of the date the disqualification will take effect and the duration of the disqualification.

**G.** Under 7 CFR 273.11(c)(1), when determining the eligibility and benefit level for the remaining eligible members of the household, the Department shall count the income and resources of the disqualified person in their entirety and the entire household's allowable earned income, standard, medical, dependent care, child support, and excess shelter deductions shall continue to apply to the remaining household members. The Department shall not include the ineligible member when determining the household's size for the purposes of:
1. Assigning a benefit level to the household;
2. Assigning a standard deduction to the household;
3. Comparing the household's monthly income with the income eligibility standards; or
4. Comparing the household's resources with the resource eligibility limits.

**H.** Under 7 CFR 273.11 (c)(4) and 7 CFR §273.16(e)(9)(ii) and (f)(3), the Department shall notify the remaining members of their eligibility and benefit level at the same time the excluded member is notified of his or her disqualification.

New Section made by emergency rulemaking at 24 A.A.R. 2081, effective July 6, 2018 for 180 days (Supp. 18-3). Emergency renewed at 24 A.A.R. 3591, effective January 2, 2019 for an additional 180 days (Supp. 18-4). Emergency expired; new Section made by final rulemaking at 26 A.A.R. 263, with an immediate effective date of January 21, 2020 (Supp. 20-1).

**R6-14-506. Administrative Disqualification Hearings or Waiver of the Right to a Hearing; Appeal**

**A.** Upon a determination of IPV through a signed waiver of an Administrative Disqualification Hearing, the individual has no right to further administrative appeal. The individual may seek relief in a court having jurisdiction and may seek a stay or other injunctive relief of a period of disqualification.

**B.** A party may appeal a Hearing Officer's Administrative Disqualification Hearing decision as provided in R6-14-416(A) to the Appeals Board as provided in R6-14-417.

**C.** An individual adversely affected by an Appeals Board decision may seek judicial review under A.R.S. § 41-1993.

# 41-1954. Powers and duties

A. In addition to the powers and duties of the agencies listed in section 41-1953, subsection E, the department shall:

1. Administer the following services:

(a) Employment services, including manpower programs and work training, field operations, technical services, unemployment compensation, community work and training and other related functions in furtherance of programs under the social security act, as amended, the Wagner-Peyser act, as amended, the federal unemployment tax act, as amended, 33 United States Code, the family support act of 1988 (P.L. 100-485) and other related federal acts and titles.

(b) Individual and family services, which shall include a section on aging, services to children, youth and adults and other related functions in furtherance of social service programs under the social security act, as amended, title IV, except parts B and E, grants to states for aid and services to needy families with children and for child welfare services, title XX, grants to states for services, the older Americans act, as amended, the family support act of 1988 (P.L. 100-485) and other related federal acts and titles.

(c) Income maintenance services, including categorical assistance programs, special services unit, child support collection services, establishment of paternity services, maintenance and operation of a state case registry of child support orders, a state directory of new hires, a support payment clearinghouse and other related functions in furtherance of programs under the social security act, title IV, grants to states for aid and services to needy families with children and for child welfare services, title XX, grants to states for services, as amended, and other related federal acts and titles.

(d) Rehabilitation services, including vocational rehabilitation services and sections for the blind and visually impaired, communication disorders, correctional rehabilitation and other related functions in furtherance of programs under the vocational rehabilitation act, as amended, the Randolph-Sheppard act, as amended, and other related federal acts and titles.

(e) Administrative services, including the coordination of program evaluation and research, interagency program coordination and in-service training, planning, grants, development and management, information, legislative liaison, budget, licensing and other related functions.

(f) Manpower planning, including a state manpower planning council for the purposes of the federal-state-local cooperative manpower planning system and other related functions in furtherance of programs under the comprehensive employment and training act of 1973, as amended, and other related federal acts and titles.

(g) Economic opportunity services, including the furtherance of programs prescribed under the economic opportunity act of 1967, as amended, and other related federal acts and titles.

(h) Intellectual disability and other developmental disability programs, with emphasis on referral and purchase of services. The program shall include educational, rehabilitation, treatment and training services and other related functions in furtherance of programs under the developmental disabilities services and facilities construction act (P.L. 91-517) and other related federal acts and titles.

(i) Nonmedical home and community based services and functions, including department-designated case management, housekeeping services, chore services, home health aid, personal care, visiting nurse services, adult day care or adult day health, respite sitter care, attendant care, home delivered meals and other related services and functions.

2. Provide a coordinated system of initial intake, screening, evaluation and referral of persons served by the department.

3. Adopt rules it deems necessary or desirable to further the objectives and programs of the department.

4. Formulate policies, plans and programs to effectuate the missions and purposes of the department.

5. Employ and determine the conditions of employment and prescribe the duties and powers of administrative, professional, technical, secretarial, clerical and other persons subject to chapter 4, article 4 and, as applicable, article 5 of this title as may be necessary in the performance of its duties, contract for the services of outside advisors, consultants and aides as may be reasonably necessary and reimburse department volunteers, designated by the director, for expenses in transporting clients of the department on official business.

6. Make contracts and incur obligations within the general scope of its activities and operations subject to the availability of funds.

7. Contract with or assist other departments, agencies and institutions of the state, local and federal governments in the furtherance of its purposes, objectives and programs.

8. Be designated as the single state agency for the purposes of administering and in furtherance of each federally supported state plan.

9. Accept and disburse grants, matching funds and direct payments from public or private agencies for the conduct of programs that are consistent with the overall purposes and objectives of the department.

10. Provide information and advice on request by local, state and federal agencies and by private citizens, business enterprises and community organizations on matters within the scope of its duties subject to the departmental rules on the confidentiality of information.

11. Establish and maintain separate financial accounts as required by federal law or regulations.

12. Advise and make recommendations to the governor and the legislature on all matters concerning its objectives.

13. Have an official seal that is judicially noticed.

14. Annually estimate the current year's population of each county, city and town in this state, using the periodic census conducted by the United States department of commerce, or its successor agency, as the basis for such estimates and deliver such estimates to the economic estimates commission before December 15.

15. Estimate the population of any newly annexed areas of a political subdivision as of July 1 of the fiscal year in which the annexation occurs and deliver such estimates as promptly as is feasible after the annexation occurs to the economic estimates commission.

16. Establish and maintain a statewide program of services for persons who are both hearing impaired and visually impaired and coordinate appropriate services with other agencies and organizations to avoid duplication of these services and to increase efficiency. The department of economic security shall enter into agreements for the utilization of the personnel and facilities of the department of economic security, the department of health services and other appropriate agencies and organizations in providing these services.

17. Establish and charge fees for deposit in the department of economic security prelayoff assistance services fund to employers who voluntarily participate in the services of the department that provide job service and retraining for persons who have been or are about to be laid off from employment. The department shall charge only those fees necessary to cover the costs of administering the job service and retraining services.

18. Establish a focal point for addressing the issue of hunger in this state and provide coordination and assistance to public and private nonprofit organizations that aid hungry persons and families throughout this state. Specifically such activities shall include:

(a) Collecting and disseminating information regarding the location and availability of surplus food for distribution to needy persons, the availability of surplus food for donation to charity food bank organizations, and the needs of charity food bank organizations for surplus food.

(b) Coordinating the activities of federal, state, local and private nonprofit organizations that provide food assistance to the hungry.

(c) Accepting and disbursing federal monies, and any state monies appropriated by the legislature, to private nonprofit organizations in support of the collection, receipt, handling, storage and distribution of donated or surplus food items.

(d) Providing technical assistance to private nonprofit organizations that provide or intend to provide services to the hungry.

(e) Developing a state plan on hunger that, at a minimum, identifies the magnitude of the hunger problem in this state, the characteristics of the population in need, the availability and location of charity food banks and the potential sources of surplus food, assesses the effectiveness of the donated food collection and distribution network and other efforts to alleviate the hunger problem, and recommends goals and strategies to improve the status of the hungry. The state plan on hunger shall be incorporated into the department's state comprehensive plan prepared pursuant to section 41-1956.

(f) Establishing a special purpose advisory council on hunger pursuant to section 41-1981.

19. Establish an office to address the issue of homelessness and to provide coordination and assistance to public and private nonprofit organizations that prevent homelessness or aid homeless individuals and families throughout this state. These activities shall include:

(a) Promoting and participating in planning for the prevention of homelessness and the development of services to homeless persons.

(b) Identifying and developing strategies for resolving barriers in state agency service delivery systems that inhibit the provision and coordination of appropriate services to homeless persons and persons in danger of being homeless.

(c) Assisting in the coordination of the activities of federal, state and local governments and the private sector that prevent homelessness or provide assistance to homeless people.

(d) Assisting in obtaining and increasing funding from all appropriate sources to prevent homelessness or assist in alleviating homelessness.

(e) Serving as a clearinghouse on information regarding funding and services available to assist homeless persons and persons in danger of being homeless.

(f) Developing an annual state comprehensive homeless assistance plan to prevent and alleviate homelessness.

(g) Submitting an annual report to the governor, the president of the senate and the speaker of the house of representatives on the status of homelessness and efforts to prevent and alleviate homelessness. The department shall provide a copy of this report to the secretary of state.

20. Cooperate with the Arizona-Mexico commission in the governor's office and with researchers at universities in this state to collect data and conduct projects in the United States and Mexico on issues that are within the scope of the department's duties and that relate to quality of life, trade and economic development in this state in a manner that will help the Arizona-Mexico commission to assess and enhance the economic competitiveness of this state and of the Arizona-Mexico region.

21. Exchange information, including case specific information, and cooperate with the department of child safety for the administration of the department of child safety's programs.

B. If the department of economic security has responsibility for the care, custody or control of a child or is paying the cost of care for a child, it may serve as representative payee to receive and administer social security and United States department of veterans affairs benefits and other benefits payable to such child. Notwithstanding any law to the contrary, the department of economic security:

1. Shall deposit, pursuant to sections 35-146 and 35-147, such monies as it receives to be retained separate and apart from the state general fund on the books of the department of administration.

2. May use such monies to defray the cost of care and services expended by the department of economic security for the benefit, welfare and best interests of the child and invest any of the monies that the director determines are not necessary for immediate use.

3. Shall maintain separate records to account for the receipt, investment and disposition of funds received for each child.

4. On termination of the department of economic security's responsibility for the child, shall release any funds remaining to the child's credit in accordance with the requirements of the funding source or in the absence of such requirements shall release the remaining funds to:

(a) The child, if the child is at least eighteen years of age or is emancipated.

(b) The person responsible for the child if the child is a minor and not emancipated.

C. Subsection B of this section does not pertain to benefits payable to or for the benefit of a child receiving services under title 36.

D. Volunteers reimbursed for expenses pursuant to subsection A, paragraph 5 of this section are not eligible for workers' compensation under title 23, chapter 6.

E. In implementing the temporary assistance for needy families program pursuant to Public Law 104-193, the department shall provide for cash assistance to two-parent families if both parents are able to work only on documented participation by both parents in work activities described in title 46, chapter 2, article 5, except that payments may be made to families who do not meet the participation requirements if:

1. It is determined on an individual case basis that they have emergency needs.

2. The family is determined to be eligible for diversion from long-term cash assistance pursuant to title 46, chapter 2, article 5.

F. The department shall provide for cash assistance under temporary assistance for needy families pursuant to Public Law 104-193 to two-parent families for no longer than six months if both parents are able to work, except that additional assistance may be provided on an individual case basis to families with extraordinary circumstances. The department shall establish by rule the criteria to be used to determine eligibility for additional cash assistance.

G. The department shall adopt the following discount medical payment system for persons who the department determines are eligible and who are receiving rehabilitation services pursuant to subsection A, paragraph 1, subdivision (d) of this section:

1. For inpatient hospital admissions and outpatient hospital services the department shall reimburse a hospital according to the rates established by the Arizona health care cost containment system administration pursuant to section 36-2903.01, subsection G.

2. The department's liability for a hospital claim under this subsection is subject to availability of funds.

3. A hospital bill is considered received for purposes of paragraph 5 of this subsection on initial receipt of the legible, error-free claim form by the department if the claim includes the following error-free documentation in legible form:

(a) An admission face sheet.

(b) An itemized statement.

(c) An admission history and physical.

(d) A discharge summary or an interim summary if the claim is split.

(e) An emergency record, if admission was through the emergency room.

(f) Operative reports, if applicable.

(g) A labor and delivery room report, if applicable.

4. The department shall require that the hospital pursue other third-party payors before submitting a claim to the department. Payment received by a hospital from the department pursuant to this subsection is considered payment by the department of the department's liability for the hospital bill. A hospital may collect any unpaid portion of its bill from other third-party payors or in situations covered by title 33, chapter 7, article 3.

5. For inpatient hospital admissions and outpatient hospital services rendered on and after October 1, 1997, if the department receives the claim directly from the hospital, the department shall pay a hospital's rate established according to this section subject to the following:

(a) If the hospital's bill is paid within thirty days of the date the bill was received, the department shall pay ninety-nine percent of the rate.

(b) If the hospital's bill is paid after thirty days but within sixty days of the date the bill was received, the department shall pay one hundred percent of the rate.

(c) If the hospital's bill is paid any time after sixty days of the date the bill was received, the department shall pay one hundred percent of the rate plus a fee of one percent per month for each month or portion of a month following the sixtieth day of receipt of the bill until the date of payment.

6. For medical services other than those for which a rate has been established pursuant to section 36-2903.01, subsection G, the department shall pay according to the Arizona health care cost containment system capped fee-for-service schedule adopted pursuant to section 36-2904, subsection K or any other established fee schedule the department determines reasonable.

H. The department shall not pay claims for services pursuant to this section that are submitted more than nine months after the date of service for which the payment is claimed.

I. To assist in the location of persons or assets for the purpose of establishing paternity, establishing, modifying or enforcing child support obligations and other related functions, the department has access, including automated access if the records are maintained in an automated database, to records of state and local government agencies, including:

1. Vital statistics, including records of marriage, birth and divorce.

2. State and local tax and revenue records, including information on residence address, employer, income and assets.

3. Records concerning real and titled personal property.

4. Records of occupational and professional licenses.

5. Records concerning the ownership and control of corporations, partnerships and other business entities.

6. Employment security records.

7. Records of agencies administering public assistance programs.

8. Records of the motor vehicle division of the department of transportation.

9. Records of the state department of corrections.

10. Any system used by a state agency to locate a person for motor vehicle or law enforcement purposes, including access to information contained in the Arizona criminal justice information system.

J. Notwithstanding subsection I of this section, the department or its agents shall not seek or obtain information on the assets of an individual unless paternity is presumed pursuant to section 25-814 or established.

K. Access to records of the department of revenue pursuant to subsection I of this section shall be provided in accordance with section 42-2003.

L. The department also has access to certain records held by private entities with respect to child support obligors or obligees, or individuals against whom such an obligation is sought. The information shall be obtained as follows:

1. In response to a child support subpoena issued by the department pursuant to section 25-520, the names and addresses of these persons and the names and addresses of the employers of these persons, as appearing in customer records of public utilities, cable operators and video service providers.

2. Information on these persons held by financial institutions.

M. Pursuant to department rules, the department may compromise or settle any support debt owed to the department if the director or an authorized agent determines that it is in the best interest of this state and after considering each of the following factors:

1. The obligor's financial resources.

2. The cost of further enforcement action.

3. The likelihood of recovering the full amount of the debt.

N. Notwithstanding any law to the contrary, a state or local governmental agency or private entity is not subject to civil liability for the disclosure of information made in good faith to the department pursuant to this section.

# 46-134. Powers and duties; expenditure; limitation

The state department shall:

1. Administer all forms of public relief and assistance except those that by law are administered by other departments, agencies or boards.

2. Develop a section of rehabilitation for the visually impaired that shall include a sight conservation section, a vocational rehabilitation section in accordance with the federal vocational rehabilitation act, a vending stand section in accordance with the federal Randolph-Sheppard act and an adjustment service section that shall include rehabilitation teaching and other social services deemed necessary, and shall cooperate with similar agencies already established. The administrative officer and staff of the section for the blind and visually impaired shall be employed only in the work of that section.

3. Assist other departments, agencies and institutions of the state and federal governments, when requested, by performing services in conformity with the purposes of this title.

4. Act as agent of the federal government in furtherance of any functions of the state department.

5. Carry on research and compile statistics relating to the entire public welfare program throughout this state, including all phases of dependency and defectiveness.

6. Cooperate with the superior court in cases of delinquency and related problems.

7. Develop plans in cooperation with other public and private agencies for the prevention and treatment of conditions giving rise to public welfare and social security problems.

8. Make necessary expenditures in connection with the duties specified in paragraphs 5, 6, 7, 13 and 14 of this subsection.

9. Have the power to apply for, accept, receive and expend public and private gifts or grants of money or property on the terms and conditions as may be imposed by the donor and for any purpose provided for by this chapter.

10. Make rules, and take action necessary or desirable to carry out the provisions of this title, that are not inconsistent with this title.

11. Administer any additional welfare functions required by law.

12. If a tribal government elects to operate a cash assistance program in compliance with the requirements of the United States department of health and human services, with the review of the joint legislative budget committee, provide matching monies at a rate that is consistent with the applicable fiscal year budget and that is not more than the state matching rate for the aid to families with dependent children program as it existed on July 1, 1994.

13. Furnish a federal, state or local law enforcement officer, at the request of the officer, with the current address of any recipient if the officer furnishes the agency with the name of the recipient and notifies the agency that the recipient is a fugitive felon or a probation, parole or community supervision violator or has information that is necessary for the officer to conduct the official duties of the officer and the location or apprehension of the recipient is within these official duties.

14. In conjunction with Indian tribal governments, request a federal waiver from the United States department of agriculture that will allow tribal governments that perform eligibility determinations for temporary assistance for needy families programs to perform the food stamp eligibility determinations for persons who apply for services pursuant to section 36-2901, paragraph 6, subdivision (a). If the waiver is approved, the state shall provide the

state matching monies for the administrative costs associated with the food stamp eligibility based on federal guidelines. As part of the waiver, the department shall recoup from a tribal government all federal fiscal sanctions that result from inaccurate eligibility determinations.

# 46-136. Powers of state department regarding work projects for unemployed persons

A. The state department may institute work projects for the employment of needy unemployed persons being granted public assistance. The nature of the work projects shall be determined by the state department and the governing body of the county, municipal government or school district involved to be projects necessary and desirable to the community including projects designed to improve health and public safety. County or municipal governments, including school districts, shall cooperate in such projects by furnishing supervision, transportation and payment of industrial commission insurance.

B. The state department shall act as the official agency for the state in any social welfare activity initiated by the federal government and shall administer state funds appropriated or made available for the relief of dependent persons, except as otherwise provided by law.

C. The state department shall expend from any amounts otherwise available by law amounts that, in the discretion of the director, are determined necessary for such purpose in conjunction with any agency or department of the federal government for the purpose of receiving and distributing food stamps offered to public welfare agencies for needy persons. The amount so determined may be expended by the department in payment of expenses necessarily incurred by reason of the receipt or distribution of such food stamps.

**7 USC 2013: Establishment of program**
Text contains those laws in effect on January 2, 2001

**From Title 7-AGRICULTURE**
CHAPTER 51-FOOD STAMP PROGRAM
**Jump To:**

# §2013. Establishment of program

**(a) Use of coupons; redeemability**

Subject to the availability of funds appropriated under section 2027 of this title, the Secretary is authorized to formulate and administer a food stamp program under which, at the request of the State agency, eligible households within the State shall be provided an opportunity to obtain a more nutritious diet through the issuance to them of an allotment, except that a State may not participate in the food stamp program if the Secretary determines that State or local sales taxes are collected within that State on purchases of food made with coupons issued under this chapter. The coupons so received by such households shall be used only to purchase food from retail food stores which have been approved for participation in the food stamp program. Coupons issued and used as provided in this chapter shall be redeemable at face value by the Secretary through the facilities of the Treasury of the United States.

**(b) Distribution of federally donated foods**

Distribution of commodities, with or without the food stamp program, shall be made whenever a request for concurrent or separate food program operations, respectively, is made by a tribal organization. In the event of distribution on all or part of an Indian reservation, the appropriate agency of the State government in the area involved shall be responsible for such distribution, except that, if the Secretary determines that the tribal organization is capable of effectively and efficiently administering such distribution, then such tribal organizations shall administer such distribution: *Provided*, That the Secretary shall not approve any plan for such distribution which permits any household on any Indian reservation to participate simultaneously in the food stamp program and the distribution of federally donated foods. The Secretary is authorized to pay such amounts for administrative costs of such distribution on Indian reservations as the Secretary finds necessary for effective administration of such distribution by a State agency or tribal organization.

**(c) Regulations; transmittal of copy of regulations to Congressional committees prior to issuance**

The Secretary shall issue such regulations consistent with this chapter as the Secretary deems necessary or appropriate for the effective and efficient administration of the food stamp program and shall promulgate all such regulations in accordance with the procedures set forth in section 553 of title 5. In addition, prior to issuing any regulation, the Secretary shall provide the Committee on Agriculture of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate a copy of the regulation with a detailed statement justifying it.

( Pub. L. 88–525, §4, Aug. 31, 1964, 78 Stat. 704 ; Pub. L. 91–671, §3, Jan. 11, 1971, 84 Stat. 2049 ; Pub. L. 95–113, title XIII, §1301, Sept. 29, 1977, 91 Stat. 961 ; Pub. L. 99–198, title XV, §§1505(a), 1506, Dec. 23, 1985, 99 Stat. 1567 .)

## Amendments

**1985**-Subsec. (a). Pub. L. 99–198, §1505(a), inserted ", except that a State may not participate in the food stamp program if the Secretary determines that State or local sales taxes are collected within that State on purchases of food made with coupons issued under this chapter" at end of first sentence.

Subsec. (b). Pub. L. 99–198, §1506, struck out first sentence which directed that in jurisdictions where the food stamp program is in operation, there shall be no distribution of federally donated foods to households under the authority of any law, except that distribution may be made (1) on a temporary basis under programs authorized by law to meet disaster relief needs, or (2) for the purpose of the commodity supplemental food program, and struck out "also" after "shall" in second sentence.

**1977**-Subsec. (a). Pub. L. 95–113 made establishment of food stamp program subject to availability of funds appropriated under section 2027 of this title.

Subsec. (b). Pub. L. 95–113 inserted provisions relating to requests by tribal organizations.

Subsec. (c). Pub. L. 95–113 inserted provisions relating to transmittal of regulations and accompanying statement of justification to Congressional committees.

**1971**-Subsec. (a). Pub. L. 91–671 substituted "the State agency" and "the charge to be paid for such allotment by eligible households" for "an appropriate State agency" and "their normal expenditures for

food", respectively, and struck out "more nearly" before "to obtain".

Subsec. (b). Pub. L. 91–671 substituted "operation" for "effect", "federally donated foods" for "federally owned foods" where first appearing, and exception provision for distributions to households: during temporary emergency situations, for period of time necessary to effect transition to a food stamp program as a replacement of distribution of federally donated foods, or on request of the State agency without simultaneous participation in both the food stamp program and distribution of federally donated foods for prior exception during emergency situations caused by a national or other disaster.

## Effective Date of 1985 Amendment

Section 1505(b) of Pub. L. 99–198 provided that:

"(1) Except as provided in paragraph (2), the amendment made by subsection (a) [amending this section] shall take effect with respect to a State beginning on the first day of the fiscal year that commences in the calendar year during which the first regular session of the legislature of such State is convened following the date of enactment of this Act [Dec. 23, 1985].

"(2) Upon a showing by a State, to the satisfaction of the Secretary, that the application of paragraph (1), without regard to this paragraph, would have an adverse and disruptive effect on the administration of the food stamp program in such State or would provide inadequate time for retail stores to implement changes in sales tax policy required as a result of the amendment made by subsection (a) [amending this section], the Secretary may delay the effective date of subsection (a) with respect to such State to a date not later than October 1, 1987."

## Effective Date of 1977 Amendment

Section 1301 of Pub. L. 95–113 provided that the amendment made by that section is effective Oct. 1, 1977.

## Section Referred to in Other Sections

This section is referred to in sections 2012, 2014, 4004a, 7509 of this title; title 8 section 1615.

**F-6.**

**ARIZONA LEAFY GREENS FOOD SAFETY COMMITTEE**
Title 3, Chapter 9, Article 6

# GOVERNOR'S REGULATORY REVIEW COUNCIL

## ATTORNEY MEMORANDUM - FIVE-YEAR REVIEW REPORT

---

**MEETING DATE:** July 1, 2025

**TO:** Members of the Governor's Regulatory Review Council (Council)

**FROM:** Council Staff

**DATE:** June 17, 2025

**SUBJECT:** **ARIZONA LEAFY GREENS FOOD SAFETY COMMITTEE**
Title 3, Chapter 9, Article 6

---

**Summary**

This Five-Year Review Report (5YRR) from the Leafy Greens Food Safety Committee ("Committee") covers six (6) rules in Title 3, Chapter 9, Article 6. . The Committee administers and enforces the Arizona Leafy Green Products Shipper Marketing Agreement. The agreement requires all shippers of leafy green vegetables who are signatories to the agreement to follow best practices with handling the products. The rules incorporate by reference the best practice guidelines, provide requirements for proper usage of the service mark, and outline ramifications for violations of the rules.

In the previous report approved by the Council in May 2020, the Committee did not propose any course of action.

**Proposed Action**

The Committee is not proposing any amendments to these rules.

**1. Has the agency analyzed whether the rules are authorized by statute?**

The Committee cites both general and specific statutory authority for these rules.

**2. Summary of the agency's economic impact comparison and identification of stakeholders:**

According to the Department of Agriculture ("Department"), the economic, small business, and consumer impact of the rules is positive. The Arizona lettuce industry is one of Arizona's most economically significant agricultural sectors, bringing an estimated $2 billion to the state in the way of jobs and revenues. The marketing agreement and these rules were put in place at the request of Arizona lettuce industry. Industry members voluntarily sign on and agree to follow the rules. The assessment signatories are charged is calculated on a per unit basis so that smaller businesses pay less. Safe production and handling practices are key to the success of the lettuce industry. These rules increase the economic welfare of the state by creating commodity specific food safety guidelines, which both increases the quality of products and adds value to them in the marketplace.

Stakeholders include the Department, signatories of the Arizona Leafy Green Products Shipper Marketing Agreement, and the general public.

**3. Has the agency analyzed the costs and benefits of the rulemaking and determined that the rules impose the least burden and costs to those who are regulated?**

The Department believes the rules impose the least burden and costs to persons regulated by the rules necessary to achieve the underlying regulatory objective. Industry requested the marketing agreement and rules be created and has been extensively involved in the development and implementation process. The Leafy Green Food Safety Committee members directly represent signatories to the agreement. The Committee ensure the rules and guidance appropriately reflect common business practices and do not include unnecessary burdens.

**4. Has the agency received any written criticisms of the rules over the last five years?**

The Committee indicates it received no written criticisms of the rules in the last five years.

**5. Has the agency analyzed the rules' clarity, conciseness, and understandability?**

The Committee indicates the rules are clear, concise, and understandable.

**6. Has the agency analyzed the rules' consistency with other rules and statutes?**

The Committee indicates the rules consistent with other rules and statutes.

**7. Has the agency analyzed the rules' effectiveness in achieving its objectives?**

The Committee indicates the rules are effective in achieving their objectives.

**8. Has the agency analyzed the current enforcement status of the rules?**

The Committee indicates the rules are enforced as written

**9. Are the rules more stringent than corresponding federal law and, if so, is there statutory authority to exceed the requirements of federal law?**

The Committee states that there is no corresponding federal law for the rules.

**10. For rules adopted after July 29, 2010, do the rules require a permit or license and, if so, does the agency comply with A.R.S. § 41-1037?**

The Committee has indicated that the rules do not require a license or permit.

**11. Conclusion**

This Five-Year Review Report (5YRR) from the Leafy Greens Food Safety Committee ("Committee") covers six (6) rules in Title 3, Chapter 9, Article 6. Like with the previous report, the Committee is not proposing to make any changes to the rules. The rules are clear, concise, understandable, and effective. Council staff recommends approval of this report.

The report meets the requirements of A.R.S. § 41-1056 and R1-6-301. Staff recommends approval of this report.

**RE: Arizona Department of Agriculture, Title 3, Chapter 9, Article 6, Five Year Review Report**

Dear Ms. Klein:

Please find enclosed the Five-Year Review Report of the Arizona Department of Agriculture's ("Department") for Title 3, Chapter 9, Article 6, which is due March 30, 2025.

The Department reviewed all the rules in Article 6. The Department does not intend for any rules to expire under A.R.S. § 41-1056(J).

The Department certifies it is in compliance with A.R.S. § 41-1091.

Please contact Teressa Lopez at (602) 542-0945 or tlopez@azda.gov with any questions about this report.

Sincerely,

Paul E. Brierley
Director

**Arizona Department of Agriculture**

**5 YEAR RULE REVIEW REPORT**

**Chapter 9. Department of Agriculture – Agricultural Councils and Commissions**

**Article 6. Leafy Greens Food Safety Committee**

**March 30, 2025**

1. **Authorization of the rule by existing statutes**

General Statutory Authority: A.R.S. § 3-414(C)(11)

Specific Authority: A.R.S. § 3-401 - A.R.S. § 3-404(B)

2. **The objective of each rule:**

General Objective of the Rules:
The Leafy Greens Food Safety Committee administers and enforces the Arizona Leafy Green Products Shipper Marketing Agreement. This marketing agreement requires shippers of leafy green vegetables who are signatories to the agreement to follow best practices with respect to the handling of those products in order to enhance food safety and prevent the outbreak of illnesses stemming from the consumption of leafy green vegetables. Signatories may use the Leafy Green Food Safety Committee's collective service mark on their product as long as they are in compliance with the best practices incorporated by reference into these rules. The rules in this article incorporate by reference the best practice guidelines, provide the requirements for proper usage of the service mark, and outline the ramifications for violations of the rules.

| Rule | Objective |
|---|---|
| R3-9-601 | The objective is to establish definitions of terms for the Article |
| R3-9-602 | Requires signatories of the marketing agreement to comply with the best practices guidelines, maintain a trace-back system, and be subject to periodic audits. It also requires signatories to only buy or handle leafy green product grown in Arizona from a shipper or producer that meets these same requirements. Finally, it clarifies that if the best practices require a Standard Operating Procedure (SOP) the signatory must have and must follow the SOP. |
| R3-9-603 | Sets the requirements for usage of the service mark |
| R3-9-604 | Describes the conduct that may result in loss or suspension of a signatory's privilege to use the service mark, and establishes an enforcement system used to determine length of suspension and requirements for reinstatement in relation to seriousness and type of violation. It also provides signatories with an opportunity for hearing prior to loss of the privilege unless the Committee determines public health, safety, or welfare requires summary suspension. |
| R3-9-605 | Establishes and defines four levels of violations: flagrant violations, major deviations, minor deviations, and minor infractions. |
| R3-9-606 | Requires signatories who commit a flagrant violation, major deviation, or minor deviation to complete a corrective action plan process, as set forth in the rule. |

3. **Are the rules effective in achieving their objectives?** **Yes** X **No** __
The rules in Article 6 are effective in achieving their objectives.

4. **Are the rules consistent with other rules and statutes?** **Yes** X **No** ___
The rules in Article 6 are consistent with other rules and statutes.

5. **Are the rules enforced as written?** **Yes** X **No** ____
The rules in Article 6 are enforced as written.

6. **Are the rules clear, concise, and understandable?** **Yes** X **No** ____
The rules in Article 6 are clear, concise, and understandable.

7. **Has the agency received written criticisms of the rules within the last five years?** **Yes** ___ **No** X
The Department has not received any written criticisms of the rules within the last 5 years.

8. **Economic, small business, and consumer impact comparison:**
The economic, small business, and consumer impact of the rules is positive. The Arizona lettuce industry is one of Arizona's most economically significant agricultural sectors, bringing an estimated $2 billion to the state in the way of jobs and revenues. The marketing agreement and these rules were put in place at the request of Arizona lettuce industry. Industry members voluntarily sign on and agree to follow the rules. The assessment signatories are charged is calculated on a per unit basis so that smaller businesses pay less. Safe production and handling practices are key to the success of the lettuce industry. These rules increase the economic welfare of the state by creating commodity specific food safety guidelines, which both increases the quality of products and adds value to them in the marketplace.

9. **Has the agency received any business competitiveness analyses of the rules?** **Yes** ___**No** X

10. **Has the agency completed the course of action indicated in the agency's previous five-year-review report?**
No course of action was indicted at the last five-year review.

11. **A determination that the probable benefits of the rule outweigh within this state the probable costs of the rule, and the rule imposes the least burden and costs to regulated persons by the rule, including paperwork and other compliance costs, necessary to achieve the underlying regulatory objective:**

The Department believes the rules impose the least burden and costs to persons regulated by the rules necessary to achieve the underlying regulatory objective. Industry requested the marketing agreement and rules be created and has been extensively involved in the development and implementation process. The Leafy Green Food Safety Committee members directly represent

signatories to the agreement. The Committee ensures the rules and guidance appropriately reflect common business practices and do not include unnecessary burdens.

**12.** **Are the rules more stringent than corresponding federal laws?** **Yes ___No** X

There is no specific federal law that corresponds with these rules. These rules are not more stringent than other similar federal laws related to marketing orders and agreements. See Marketing Agreements and Orders: Fruits, Vegetables, Nuts, 7 C.F.R. Parts 900-999. http://www.gpo.gov/fdsys/pkg/CFR-2010-title7-vol8/pdf/CFR-2010-title7-vol8-subtitleB-chapIX.pdf

**13.** **For rules adopted after July 29, 2010 that require the issuance of a regulatory permit, license, or agency authorization, whether the rules are in compliance with the general permit requirements of A.R.S. §41-1037 or explain why the agency believes an exception applies:**

These rules to do not require a regulatory permit or license.

**14.** **Proposed course of action**

The Department intends to maintain the rules as currently written.

Those who intend to use the contents for resale or profit shall contact the Administrative Rules Division to pay Commercial Use fees under A.R.S. § 39-121.03 and 1 A.A.C. 1, R1-1-113.

# TITLE 3. AGRICULTURE

## CHAPTER 9. DEPARTMENT OF AGRICULTURE - AGRICULTURAL COUNCILS AND COMMISSIONS

### ARTICLE 6. LEAFY GREENS FOOD SAFETY COMMITTEE

Section

### ARTICLE 6. LEAFY GREENS FOOD SAFETY COMMITTEE

**R3-9-601. Definitions**

"Act" means A.R.S. Title 3, Chapter 3, Article 1.

"Auditor" or "Inspector" means a state or federal agricultural regulatory agency or their designee(s), or a private entity contracted by the Committee to perform inspections authorized by the Act.

"Best practices" means the "Commodity Specific Food Safety Guidelines for the Production and Harvest of Lettuce and Leafy Greens, as amended by the Committee. This document is incorporated by reference and is available for review online at the Arizona Leafy Greens Marketing Agreement website and at the Arizona Department of Agriculture, 1688 W. Adams Street, Phoenix, Arizona 85007.

"Committee" means the Leafy Greens Food Safety Committee established pursuant to the Marketing Agreement.

"LGMA" or "Marketing Agreement" means the Arizona Leafy Green Products Shipper Marketing Agreement approved pursuant to the Act. This document is incorporated by reference and is available for review online at the Arizona Leafy Greens Marketing Agreement website and at the Arizona Department of Agriculture, 1688 W. Adams Street, Phoenix, Arizona 85007.

"SOP" means standard operating procedure.

**R3-9-602. Best Practices; LGMA Compliance**

**A.** Signatories shall comply with the best practices, maintain a trace-back system, and be subject to periodic audit by an auditor.

**B.** Signatories shall only buy, consign, or otherwise accept or handle leafy green products (grown in Arizona) from a shipper or producer who is in compliance with the best practices (including recordkeeping requirements), maintains a trace-back system, and is subject to periodic audit by an auditor.

**C.** When the best practices require a SOP, there shall be an appropriate SOP and that SOP shall be followed.

**R3-9-603. Service Mark Usage**

**A.** A signatory's compliance with the LGMA and R3-9-602 is a condition precedent and subsequent to the signatory's privilege to use the service mark.

**B.** An authorized signatory may use the service mark on all bills of lading and on other documents.

**C.** A signatory shall:

1. Use the service mark without reference to a private brand or label.
2. Provide reasonable assurances that the signatory has a system in place to comply with this Section, maintain records sufficient to audit the system for the duration of the LGMA, and make those records available to the Committee upon request.

**D.** A signatory shall not:

1. Use the service mark on packaging or product or as a certification mark to certify product.
2. Use the service mark as the signatory's own mark or as the exclusive representation of its business entity.
3. Insert within or overlap the boundaries of the service mark with the signatory's name or trademark.
4. Alter the service mark in any way other than proportionately adjusting the size of the service mark.

**R3-9-604. Loss of Use of Service Mark**

**A.** A signatory shall lose the privilege to use the service mark if the signatory:

1. Commits a flagrant violation or repeated major deviation;
2. Fails to comply with R3-9-603;
3. Has not paid assessments due for the prior fiscal year; or
4. Withdraws from participation in the LGMA pursuant to Article XVI, section C of the LGMA.

**B.** The first flagrant violation or repeated major deviation shall result in a suspension of the privilege to use the service mark for a minimum two-week period.

**C.** A flagrant violation or repeated major deviation following the first flagrant violation or repeated major deviation shall result in an indefinite suspension of the privilege to use the service mark.

**D.** A flagrant violation or repeated major deviation following a suspension pursuant to subsection (C) shall result in an indefinite revocation of the privilege to use the service mark. The privilege to use the service mark shall not be restored to the signatory for a minimum of two years unless the signatory demonstrates to the satisfaction of the auditor and the Committee a significant change in management and brand.

**E.** A signatory whose privilege to use the service mark is suspended or revoked pursuant to subsections (B) through (D) shall not use the service mark until the signatory has undergone at least one new audit without the finding of any major deviations or flagrant violations and has evidenced that the signatory has corrected any minor deviations found.

**F.** At least two weeks of any suspension of the privilege to use the service mark under subsections (B) through (D) shall occur between December 1 and March 31.

**G.** The Committee may accelerate the progression of penalties under this Section if the signatory's product seriously affects a person's health and the signatory handled the product with intentional, knowing or reckless disregard for the signatory's obligations under the LGMA and best practices.

**H.** A signatory shall not lose the privilege to use the service mark under subsections (A)(1) and (2) without an opportunity for a hearing under A.R.S. Title 41, Chapter 6, Article 10, except if the Committee finds that the public health, safety or welfare imperatively requires emergency action, and incorporates a finding to that effect in its order, the Committee may order summary suspension of a signatory's privilege to use the service mark.

**I.** A signatory that loses the privilege to use the mark under subsection (A)(3) shall pay all assessments due from prior fiscal years, including penalties and interest, before regaining the privilege to use the service mark.

**J.** The Committee may publish a list of signatories whose privilege to use the service mark has been suspended.

**R3-9-605. Violation Levels; Repeated Violations**

**A.** Violations of R3-9-602 fall into four levels: flagrant violations, major deviations, minor deviations, and minor infractions. The Committee or its designee shall determine the level of a violation consistent with this Section.

**B.** A flagrant violation occurs when a signatory buys, consigns, or otherwise accepts or handles a leafy green product and knows or should have known the product was grown, packed, shipped, processed or handled in violation of R3-9-602 and the violation:
1. Significantly increases the risk of delivering unsafe product into commerce;
2. Affects the integrity of the LGMA's food safety program; or
3. In the Committee's judgment, merits more serious treatment than a major deviation based on the consideration of, as relevant:
   a. The position of the employee responsible for the violation,
   b. Whether the employee responsible for the violation knowingly committed the violation,
   c. The circumstances surrounding the violation,
   d. Whether the signatory took prompt corrective action,
   e. Whether the signatory has committed the same or a similar violation previously, and
   f. Any other relevant facts.

**C.** A major deviation is a violation of R3-9-602 that may inhibit the maintenance of food safety, but that does not necessarily result in unsafe product.

**D.** The following violations constitute at least major deviations and are potentially flagrant violations:
1. Falsification of any record for any reason;
2. Spitting in the field;
3. Unclean sanitation facilities, including the presence of soiled toilet paper;
4. Failure to:
   a. Properly wash hands after using a restroom or returning to the field;
   b. Follow the best practices with respect to feces or fecal matter found in the field;
   c. Follow the best practices with respect to the use of compost or animal manure, including creating and maintaining proper records related to that use;
   d. Have a trace-back system;
   e. Sanitize gloves and knives;
   f. Follow a work health practices program concerning the transfer of human pathogens by workers; or
   g. Provide a Compliance Plan, as defined in the best practices, to an auditor;
5. Refusing an audit; and
6. Conditions for which an automatic "unsatisfactory" would be assessed by USDA if performing a GAP/GHP audit.

**E.** Violations constituting flagrant violations or major deviations are not limited to those listed in subsection (D).

**F.** A minor deviation is a violation of R3-9-602 that the signatory can correct within five business days of the audit and that does not necessarily increase the risk of a food borne illness.

**G.** A minor infraction is a violation of R3-9-602 that the signatory corrects before the auditor leaves the audited premises and that does not necessarily increase the risk of a food borne illness.

**H.** The Committee or its designee may assess a signatory with a major deviation if an auditor discovers several minor deviations or minor infractions of the same type or if a signatory fails to timely submit a corrective action plan.

**I.** Repeated major violations are limited to violations occurring during the current and prior fiscal year.

**R3-9-606. Corrective Action Plans**

**A.** A signatory who commits a flagrant violation, major deviation, or minor deviation shall correct the violation and submit a corrective action plan to the Committee or its designee within five business days of receipt of the audit report noting the violation. If the Committee or its designee rejects the corrective action plan, the signatory has 24 hours to submit a revised corrective action plan.

**B.** In the case of a flagrant violation or major deviation, once the Committee or its designee accepts the signatory's corrective action plan, an auditor shall perform an unannounced audit of the signatory within three business days.

**C.** The signatory shall comply with the corrective action plan.

**D.** Notwithstanding subsection (A), in the case of a violation that creates an immediate danger to public health, the signatory shall submit a correction action plan immediately and take necessary action to minimize the threat to public health.

## PREFACE

Under Arizona law, the Department of State, Office of the Secretary of State (Office), Administrative Rules Division, accepts state agency rule notice and other legal filings and is the publisher of Arizona rules. The Office of the Secretary of State does not interpret or enforce rules in the *Administrative Code*. Questions about rules should be directed to the state agency responsible for the promulgation of the rule.

Scott Cancelosi, Director
ADMINISTRATIVE RULES DIVISION

### RULES

The definition for a rule is provided for under A.R.S. § 41-1001. *"'Rule' means an agency statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedures or practice requirements of an agency."*

### THE ADMINISTRATIVE CODE

The *Arizona Administrative Code* is where the official rules of the state of Arizona are published. The *Code* is the official codification of rules that govern state agencies, boards, and commissions.

The *Code* is separated by subject into Titles. Titles are divided into Chapters. A Chapter includes state agency rules. Rules in Chapters are divided into Articles, then Sections. The "R" stands for "rule" with a sequential numbering and lettering outline separated into subsections.

Rules are codified quarterly in the *Code*. Supplement release dates are printed on the footers of each Chapter.

First Quarter: January 1 - March 31
Second Quarter: April 1 - June 30
Third Quarter: July 1 - September 30
Fourth Quarter: October 1 - December 31

For example, the first supplement for the first quarter of 2021 is cited as Supp. 21-1. Supplements are traditionally released three to four weeks after the end of the quarter because filings are accepted until the last day of the quarter.

Please note: The Office publishes by Chapter, not by individual rule Section. Therefore there might be only a few Sections codified in each Chapter released in a supplement. This is why the Office lists only updated codified Sections on the previous page.

### RULE HISTORY

Refer to the HISTORICAL NOTE at the end of each Section for the effective date of a rule. The note also includes the *Register* volume and page number in which the notice was published (A.A.R.) and beginning in supplement 21-4, the date the notice was published in the *Register*.

### AUTHENTICATION OF PDF CODE CHAPTERS

The Office began to authenticate Chapters of the Code in Supp. 18-1 to comply with A.R.S. § 41-1012(B) and A.R.S. § 5302(1), (2)(d) through (e), and (3)(d) through (e).

A certification verifies the authenticity of each *Code* Chapter posted as it is released by the Office of the Secretary of State. The authenticated pdf of the *Code* includes an integrity mark with a certificate ID. Users should check the validity of the signature, especially if the pdf has been downloaded. If the digital signature is invalid it means the document's content has been compromised.

### HOW TO USE THE CODE

Rules may be in effect before a supplement is released by the Office. Therefore, the user should refer to issues of the *Arizona Administrative Register* for recent updates to rule Sections.

### ARIZONA REVISED STATUTE REFERENCES

The Arizona Revised Statutes (A.R.S.) are available online at the Legislature's website, www.azleg.gov. An agency's authority note to make rules is often included at the beginning of a Chapter. Other Arizona statutes may be referenced in rule under the A.R.S. acronym.

### SESSION LAW REFERENCES

Arizona Session Law references in a Chapter can be found at the Secretary of State's website, www.azsos.gov under Services-> Legislative Filings.

### EXEMPTIONS FROM THE APA

It is not uncommon for an agency to be exempt from the steps outlined in the rulemaking process as specified in the Arizona Administrative Procedures Act, also known as the APA (Arizona Revised Statutes, Title 41, Chapter 6, Articles 1 through 10). Other agencies may be given an exemption to certain provisions of the Act.

An agency's exemption is written in law by the Arizona State Legislature or under a referendum or initiative passed into law by Arizona voters.

When an agency files an exempt rulemaking package with our Office it specifies the law exemption in what is called the preamble of rulemaking. The preamble is published in the *Register* online at www.azsos.gov/rules, click on the *Administrative Register* link.

Editor's notes at the beginning of a Chapter provide information about rulemaking Sections made by exempt rulemaking. Exempt rulemaking notes are also included in the historical note at the end of a rulemaking Section.

The Office makes a distinction to certain exemptions because some rules are made without receiving input from stakeholders or the public. Other exemptions may require an agency to propose exempt rules at a public hearing.

### PERSONAL USE/COMMERCIAL USE

This Chapter is posted as a public courtesy online, and is for private use only. Those who wish to use the contents for resale or profit should contact the Office about Commercial Use fees. For information on commercial use fees review A.R.S. § 39-121.03 and 1 A.A.C. 1, R1-1-113.

*Rhonda Paschal, rules managing editor, assisted with the editing of this Chapter.*

Administrative Rules Division
The Arizona Secretary of State electronically publishes each A.A.C. Chapter with a digital certificate. The certificate-based signature displays the date and time the document was signed and can be validated in Adobe Acrobat Reader.

# TITLE 3. AGRICULTURE

## CHAPTER 9. DEPARTMENT OF AGRICULTURE - AGRICULTURAL COUNCILS AND COMMISSIONS

Authority: A.R.S. § 3-414(C)(11)

**Supp. 21-4**

***Chapter 9 heading amended by final rulemaking at 5 A.A.R. 4439, effective November 3, 1999 (Supp. 99-4).***

***Former Title 3, Chapter 9, Articles 1 through 7, Sections 3-9-101 through R3-9-703, renumbered to Title 3, Chapter 2, Articles 1 through 7, Sections 3-2-101 through R3-2-703 (Supp. 91-4).***

### CHAPTER TABLE OF CONTENTS

## ARTICLE 1. ARIZONA ICEBERG LETTUCE RESEARCH COUNCIL

**R3-9-101. Definitions**

In addition to the definitions in A.R.S. § 3-526, the following terms apply to this Article:

1. "AILRC" means the Arizona Iceberg Lettuce Research Council.
2. "Authorized signature" means the signature of an individual authorized to receive funds on behalf of the applicant and responsible for the execution of the applicant's project.
3. "Awardee" means a successful applicant to whom the AILRC awards grant funds for research on a specific project.
4. "Department" means the Arizona Department of Agriculture.
5. "Governmental unit" means any department, commission, council, board, bureau, committee, institution, agency, government corporation, or other establishment or official of the executive branch or corporation commission of this state, another state, or the federal government.
6. "Grant" means an award of financial support to an applicant according to A.R.S. § 3-526.02(B) and (C)(5).
7. "Grant award agreement" means a document that advises an applicant of the amount of money awarded following receipt by the AILRC of the applicant's signed acceptance.

**Historical Note**

New Section made by final rulemaking at 12 A.A.R. 208, effective March 11, 2006 (Supp. 06-1). Amended by final rulemaking at 14 A.A.R. 3658, effective November 8, 2008 (Supp. 08-3).

**R3-9-102. Elections**

**A.** The AILRC shall elect officers as specified in A.R.S. § 3-526.02(A)(2) during the first quarter of each calendar year.

**B.** Officers continue in office until the next annual election.

**C.** An officer may be reelected successively.

**Historical Note**

New Section made by final rulemaking at 12 A.A.R. 208, effective March 11, 2006 (Supp. 06-1).

**R3-9-103. Hearings and Rehearings**

**A.** The AILRC shall follow the Uniform Administrative Procedure Act, A.R.S. Title 41, Chapter 6, Article 10, for a hearing before the AILRC.

**B.** A party may file a motion for rehearing or review under A.R.S. § 41-1092.09.

**C.** The AILRC shall grant a rehearing or review of a decision for any of the following causes materially affecting the moving party's rights:

1. The decision is not justified by the evidence or is contrary to law;
2. There is newly discovered material evidence that could not with reasonable diligence have been discovered and produced at the original proceeding;
3. One or more of the following deprived the party of a fair hearing:
   a. Irregularity or abuse of discretion in the conduct of the proceeding;
   b. Misconduct of the AILRC, the administrative law judge, or the prevailing party; or
   c. Accident or surprise that could not have been prevented by ordinary prudence; or
4. Excessive or insufficient sanction.

**D.** The AILRC may grant a rehearing or review to any or all of the parties. The rehearing or review may cover all or part of the issues for any of the reasons stated in subsection (C). An order granting a rehearing or review shall particularly state the grounds for granting the rehearing or review, and the rehearing or review shall cover only the grounds stated.

**Historical Note**

New Section made by final rulemaking at 12 A.A.R. 208, effective March 11, 2006 (Supp. 06-1).

**R3-9-104. Annual Report**

The AILRC shall prepare a report according to A.R.S. § 3-526.02(A)(5), by October 31 of each year.

**Historical Note**

New Section made by final rulemaking at 12 A.A.R. 208, effective March 11, 2006 (Supp. 06-1).

**R3-9-105. Expired**

**Historical Note**

New Section made by final rulemaking at 12 A.A.R. 208, effective March 11, 2006 (Supp. 06-1). Section expired under A.R.S. § 41-1056(J) at 22 A.A.R. 1393, effective January 31, 2016 (Supp. 16-2).

**R3-9-106. Grants**

**A.** Grant application process.

1. The AILRC shall award grants according to the competitive grant solicitation requirements of this Article.
2. The AILRC shall post the grant application and manual on the AILRC's web site at least four weeks before the due date of a grant application.
3. The AILRC shall ensure that the grant application manual contains the following items:
   a. Grant topics related to AILRC programs specified by A.R.S. § 3-526.02(B) and (C)(5);
   b. A statement that the information contained in an application is not confidential;
   c. A statement that the AILRC funding source is primarily from per carton assessments on iceberg lettuce grown in Arizona;
   d. An application form including sections about the description of the grant project, scope of work to be performed, an authorized signature line, and a sample budget form;
   e. A statement that the applicant shall not include overhead expenses in the budget for the proposed project;
   f. The criteria that the AILRC shall use to evaluate an application;
   g. The date and time by which the applicant shall submit an application;
   h. The anticipated date of the AILRC award;
   i. A copy of the AILRC grant solicitation rules; and
   j. Any other information necessary for the grant application.
4. The AILRC shall not consider an application received by the AILRC after the due date and time.

**B.** Criteria. The AILRC shall consider the following when reviewing a grant application and deciding whether to award AILRC funds:

1. The applicant's successful completion of prior research projects,
2. The extent to which the proposed project identifies solutions to current issues facing the iceberg lettuce industry,
3. The extent to which the proposed project addresses future issues facing the iceberg lettuce industry,

4. The extent to which the proposed project addresses the findings of any industry surveys conducted within the previous year,
5. The appropriateness of the budget request in achieving the project objectives,
6. The appropriateness of the proposal time-frame to the stated project objectives, and
7. Relevant experience and qualifications of the applicant.

**C.** Public participation.
1. The AILRC shall make all applications available for public inspection by the business day following the application due date.
2. Before awarding a grant, the AILRC shall discuss and evaluate grant applications and proposed projects at a meeting conducted under A.R.S. § 38-431 et seq.

**D.** Evaluation of grant applications.
1. The AILRC may allow applicants to make oral or written presentations at the public meeting if time, applicant availability, and meeting space permit.
2. The AILRC may modify an applicant's proposed project in awarding funding.
3. The AILRC shall notify an applicant in writing of the AILRC's decision to fund, modify, or deny funding for a proposed project within 10 business days of the AILRC decision. The AILRC shall notify applicants by the U.S. Postal Service, commercial delivery, electronic mail, or facsimile.

**E.** Awards and project monitoring.
1. Before releasing grant funds, the AILRC shall execute a grant award agreement with the awardee. The awardee shall agree to accept the grant's legal requirements and conditions and authorize the AILRC to monitor the progress of the project by signing a grant award agreement.
2. The AILRC shall pay no more than 50% of the grant in the initial payment to the awardee.
3. During the term of the project, the awardee shall inform the AILRC of changes to the awardee's address, telephone number, or other contact information.
4. The AILRC may require an interim written report or oral presentation from the awardee during the pendency of the project.
5. The AILRC shall not award grant funds remaining after the initial payment until the awardee submits to the AILRC:
   a. A final research report, and
   b. An invoice for actual final project expenses not exceeding the remaining portion of the award.
6. The AILRC shall make research findings and reports resulting from any grant awarded by the AILRC available to Arizona iceberg lettuce producers.

**F.** Repayment. If the awardee does not complete the project as specified in the grant award agreement, the awardee shall return all unexpended grant funds within 30 days after receipt of a written request by the AILRC.

**G.** Governmental units.
1. The AILRC may request one or more governmental units to submit grant applications as prescribed in subsection (G)(3), without regard to subsections (A), (E)(2), and (E)(5).
2. The AILRC may issue grants to governmental units without regard to subsections (A), (E)(2), and (E)(5).
3. A governmental unit may apply to the AILRC for a grant when there is no pending request for grant applications under subsection (A) under the following conditions:
   a. The application shall include a description of the project, the scope of work to be performed, a budget that does not include overhead expenses, and an authorized signature.
   b. The application shall be available for public inspection upon receipt by the AILRC.

**Historical Note**
New Section made by final rulemaking at 12 A.A.R. 208, effective March 11, 2006 (Supp. 06-1). Amended by final rulemaking at 14 A.A.R. 3658, effective November 8, 2008 (Supp. 08-3).

## ARTICLE 2. ARIZONA GRAIN RESEARCH AND PROMOTION COUNCIL

**R3-9-201. Definitions**

In addition to the definitions in A.R.S. § 3-581, the following term applies to this Article:

"AGRPC" means the Arizona Grain Research and Promotion Council.

"Department" means the Arizona Department of Agriculture.

**Historical Note**
Adopted effective August 28, 1986 (Supp. 86-4). Section R3-9-201 renumbered from R3-13-201 (Supp. 91-4). Amended effective December 22, 1993 (Supp. 93-4). Former Section R3-9-201 renumbered to R3-9-202; new Section R3-9-201 made by final rulemaking at 9 A.A.R. 31, effective December 11, 2002 (Supp. 02-4). Amended by final rulemaking at 14 A.A.R. 3661, effective November 8, 2008 (Supp. 08-3).

**R3-9-202. Fees; Grain Assessment and Refund**

**A.** The AGRPC shall annually prescribe the fee to be assessed per hundredweight of grain sold in Arizona within the limitations established under A.R.S. § 3-587.

**B.** The person who pays the fee required under subsection (A) shall ensure that:
1. The grain assessment fee is remitted to the AGRPC; and
2. The following information is provided to the AGRPC on a form obtained from the Department:
   a. First buyer's name, address, and telephone number;
   b. Report date and months covered by the report;
   c. Total amount remitted to the AGRPC for the reporting period;
   d. Producer's name, address, and telephone number;
   e. Type of grain and tonnage by grain type; and
   f. First buyer's or designee's signature.

**C.** Refund.
1. A producer may request a refund as prescribed under A.R.S. § 3-592 and shall provide the following information to the AGRPC on a form obtained from the Department:
   a. Producer's name, address, telephone number, and signature;
   b. Name of the first buyer;
   c. Amount of grain sold subject to the refund request; and
   d. First buyer's or designee's notarized signature confirming the purchase, funds withheld, and date remitted to the AGRPC.
2. An executive committee member shall authorize a refund as prescribed in A.R.S. § 3-592 if the person requesting the refund complies with the requirements of subsection (B)(1).

**Historical Note**
Section R3-9-202 renumbered from R3-9-201 and amended by final rulemaking at 9 A.A.R. 31, effective December 11, 2002 (Supp. 02-4). Amended by final

rulemaking at 14 A.A.R. 3661, effective November 8, 2008 (Supp. 08-3).

**R3-9-203. Hearings**

**A.** The AGRPC shall use the uniform administrative procedures of A.R.S. Title 41, Chapter 6, Article 10 to govern any hearing before the AGRPC required under A.R.S. § 3-591.

**B.** A party may file a motion for rehearing or review under A.R.S. § 41-1092.09.

**C.** The AGRPC shall grant a rehearing or review of an administrative law decision for any of the following causes materially affecting the moving party's rights:

1. The decision is not justified by the evidence or is contrary to law;
2. There is newly discovered material evidence that could not with reasonable diligence have been discovered and produced at the original proceeding;
3. One or more of the following deprived the party of a fair hearing:
   a. Irregularity or abuse of discretion in the conduct of the proceeding;
   b. Misconduct of the AGRPC, the administrative law judge, or the prevailing party; or
   c. Accident or surprise which could not have been prevented by ordinary prudence; or
4. Excessive or insufficient sanction.

**D.** The AGRPC may grant a rehearing or review to any or all of the parties. The rehearing or review may cover all or part of the issues for any of the reasons stated in subsection (C). An order granting a rehearing or review shall particularly state the grounds for granting the rehearing or review, and the rehearing or review shall cover only the grounds stated.

**Historical Note**

New Section made by final rulemaking at 9 A.A.R. 31, effective December 11, 2002 (Supp. 02-4). Amended by final rulemaking at 14 A.A.R. 3661, effective November 8, 2008 (Supp. 08-3).

**R3-9-204. Records**

The Department shall retain the AGRPC's records as prescribed in A.R.S. § 3-586. A record may be reviewed at the Department's main office, Monday through Friday, except an Arizona legal holiday, during the hours of 8:00 a.m. to 5:00 p.m. A copy of a record will be provided according to the provisions of A.R.S. § 39-121 et seq.

**Historical Note**

New Section made by final rulemaking at 9 A.A.R. 31, effective December 11, 2002 (Supp. 02-4). Amended by final rulemaking at 14 A.A.R. 3661, effective November 8, 2008 (Supp. 08-3).

**R3-9-205. Grants**

**A.** Definitions.

"Authorized signature" means the signature of an individual authorized to receive funds on behalf of an applicant and responsible for the execution of the applicant's project.

"Awardee" means an applicant to whom the AGRPC awards grant funds for a proposed project.

"Governmental unit" means any department, commission, council, board, bureau, committee, institution, agency, government corporation, or other establishment or official of the executive branch or corporation commission of this state, another state, or the federal government.

"Grant" means an award of financial support to an applicant according to A.R.S. § 3-584(C)(5).

"Grant award agreement" means a document advising an applicant of the amount of money awarded following receipt by the AGRPC of the applicant's signed acceptance of the award.

**B.** Grant application process.

1. The AGRPC shall award grants according to the competitive grant solicitation requirements of this Article.
2. The AGRPC shall post the grant application and manual on the AGRPC's web site at least four weeks before the due date of a grant application.
3. The AGRPC shall ensure that the grant application and manual contain the following items:
   a. Grant topics related to AGRPC projects specified in A.R.S. § 3-584(C)(5);
   b. A statement that the information contained in a grant application is not confidential;
   c. A statement that the AGRPC funding source is primarily from assessments on the seed of barley and wheat of all classes produced in Arizona for use as food, feed, or seed or produced for any industrial or commercial use;
   d. An application form including sections about the description of the grant project, scope of work to be performed, an authorized signature line, and a sample budget form;
   e. A statement that the applicant shall not include overhead expenses in the budget for the proposed project;
   f. The criteria that the AGRPC shall use to evaluate an application;
   g. The date and time by which the applicant shall submit an application;
   h. The anticipated date of the AGRPC award;
   i. A copy of this Section consisting of grant solicitation procedures and requirements; and
   j. Any other information necessary for the grant application.
4. The AGRPC shall not evaluate an application received by the AGRPC after the due date and time.

**C.** Criteria. The AGRPC shall consider the following when reviewing a grant application and deciding whether to award AGRPC funds:

1. The applicant's successful completion of prior research projects, if applicable;
2. The extent to which the proposed project identifies solutions to current issues facing the grain industry;
3. The extent to which the proposed project addresses future issues facing the grain industry;
4. The extent to which the proposed project addresses the findings of any industry surveys conducted within the previous year;
5. The appropriateness of the budget request in achieving the project objectives;
6. The appropriateness of the proposal time-frame to the stated project objectives; and
7. Relevant experience and qualifications of the applicant.

**D.** Public participation.

1. The AGRPC shall make all applications available for public inspection by the business day following the application due date.
2. Before awarding a grant, the AGRPC shall discuss, evaluate, and make a decision on grant applications and proposed projects at a meeting conducted under A.R.S. § 38-431 et seq.

**E.** Evaluation of grant applications.

1. The AGRPC may allow applicants to make oral or written presentations at the public meeting if time, applicant availability, and meeting space permit.
2. The AGRPC may modify an applicant's proposed project in awarding funding.
3. The AGRPC shall notify an applicant in writing of the AGRPC's decision to fund, modify, or deny funding for a proposed project within 10 business days of the AGRPC decision. The AGRPC shall notify applicants by the U.S. Postal Service, commercial delivery, electronic mail, or facsimile.

**F.** Awards and project monitoring.
1. Before releasing grant funds, the AGRPC shall execute a grant award agreement with the awardee. The awardee shall agree to accept the grant's legal requirements and conditions and authorize the AGRPC to monitor the progress of the project by signing the grant award agreement.
2. The AGRPC shall pay no more than 50% of the grant in the initial payment to the awardee.
3. During the term of the project, the awardee shall inform the AGRPC of changes to the awardee's address, telephone number, or other contact information.
4. The AGRPC may require an interim written report or oral presentation from the awardee during the term of the project.
5. The AGRPC shall not award the grant funds remaining after the initial payment until the awardee submits to the AGRPC:
   a. A final research report, and
   b. An invoice for actual final project expenses not exceeding the remaining portion of the grant funds.
6. The AGRPC shall make research findings and reports resulting from any grant awarded by the AGRPC available to Arizona grain producers.

**G.** Repayment. If the awardee does not complete the project as specified in the grant award agreement, the awardee shall return all unexpended grant funds within 30 days after receipt of a written request by the AGRPC.

**H.** Governmental units.
1. The AGRPC may request one or more governmental units to submit grant applications as prescribed in subsection (H)(3), without regard to subsections (B), (F)(2), and (F)(5).
2. The AGRPC may issue grants to governmental units without regard to subsections (B), (F)(2), and (F)(5).
3. A governmental unit may apply to the AGRPC for a grant when there is no pending request for grant applications under subsection (B) under the following conditions:
   a. The application shall include a description of the project, the scope of work to be performed, a budget that does not include overhead expenses, and an authorized signature.
   b. The application shall be available for public inspection upon receipt by the AGRPC.

**Historical Note**

New Section made by final rulemaking at 12 A.A.R. 4684, effective February 3, 2007 (Supp. 06-4). Amended by final rulemaking at 14 A.A.R. 3661, effective November 8, 2008 (Supp. 08-3).

## ARTICLE 3. ARIZONA COTTON RESEARCH AND PROTECTION COUNCIL

### R3-9-301. Ginning and Remittance Forms

**A.** Each September the Arizona Cotton Research and Protection Council shall send the ginning and remittance report forms and a fee schedule to the operator of each gin for which a report was made during the previous year. A gin operator who has not submitted a report in the previous year may obtain the report forms and a fee schedule from the Arizona Cotton Research and Protection Council office.

**B.** Each gin operator who gins for Arizona producers during the current crop year shall complete the following reports and submit them with the appropriate fees, to the Arizona Cotton Research and Protection Council within the times specified below:
1. On or before February 15 of each year:
   a. The name and number of the reporting gin;
   b. The business mailing address, telephone number, and county of the reporting gin;
   c. The name of the authorized agent for the gin;
   d. The crop year;
   e. The name and mailing address of each crop producer;
   f. The Farm Service Agency (FSA) farm number;
   g. An estimate of the number of bales to be ginned by March 15 from cotton grown at or below 2,700 feet elevation; and
   h. An estimate of the number of bales to be ginned by March 15 from cotton grown above 2,700 feet elevation;
2. On or before March 15 of each year:
   a. The information in subsections (B)(1)(a) through (f),
   b. The total number of bales actually ginned and the certification number issued by the Department for meeting the tillage deadline for cotton grown at or below 2,700 feet elevation, and
   c. The total number of bales actually ginned from cotton grown above 2,700 feet elevation.

**Historical Note**

Adopted as an emergency effective September 10, 1984, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 84-5). Emergency expired. Adopted as a permanent rule effective March 7, 1985 (Supp. 85-2). Amended subsection (A) as an emergency effective November 5, 1985, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 85-6). Amended subsection (A) as permanent action effective February 5, 1986 (Supp. 86-1). Amended subsection (A) effective September 24, 1986 (Supp 86-5). Former Section R3-12-201 repealed and a new Section R3-12-201 adopted effective December 2, 1987 (Supp. 87-4). Section 3-9-301 renumbered from R3-12-201 (Supp. 91-4). Section repealed, new Section adopted effective April 4, 1994 (Supp. 94-2). Amended by final rulemaking at 5 A.A.R. 4439, effective November 3, 1999 (Supp. 99-4).

### R3-9-302. Expired

**Historical Note**

New Section made by final rulemaking at 10 A.A.R. 4741, effective January 1, 2005 (Supp. 04-4). Section expired under A.R.S. § 41-1056(J) at 25 A.A.R. 3188, effective October 2, 2019 (Supp. 19-4).

### R3-9-303. Weather Related Extensions

**A.** For the purpose of this Section:
1. "Council" means the Arizona Cotton Research and Protection Council.
2. "Qualifying weather event" means substantial interference with post-harvest activities as outlined in subsection (E)(1) to detach the cotton root from the soil caused by significant rain or moisture or by sustained winds within an established PM10 nonattainment area.

**B.** A cotton producer may request an extension of the tillage deadline in R3-4-204(E) based on a qualifying weather event that has delayed or prevented compliance.

**C.** A cotton producer requesting an extension shall submit the following information to the Council Staff Director:
1. The producer's name, address, and telephone number;
2. The registered Farm Service Agency (FSA) farm names of the farms for which the extension is requested;
3. The legal description of the fields or an accurate scale farm map of the fields for which the extension is requested;
4. A detailed description of the qualifying weather events supporting the extension request, including the dates of the events; and
5. The number of days requested as an extension of the tillage deadline.

**D.** Submission Deadline.
1. Extension requests shall be received a minimum of one business day prior to the tillage deadline.
2. Extension requests that are illegible or missing information required by subsection (C) shall be considered incomplete and returned to the requestor with a written explanation of the deficiencies. Corrected extension requests shall also be received a minimum of one business day prior to the tillage deadline.

**E.** Administrative Review.
1. The Council Staff Director may amend, grant or deny a request for extension based on the information provided and any other relevant information available, including but not limited to data collected from meteorological sources, staff recommendations, field notes and photographs.
2. The Council Staff Director shall issue a written notice granting or denying an extension request within ten business days of receipt of a complete request advising whether or not the request fell within the parameters of a qualified weather event.

**F.** Blanket Extensions. The Council, by vote, may authorize a blanket weather-related extension for a county, cultural zone or a subset of either based on an area-wide qualifying weather event or events.

**Historical Note**
Section made by emergency rulemaking at 20 A.A.R. 124, effective January 10, 2014, for 180 days (Supp. 14-1). Emergency expired; new Section made by final rulemaking at 20 A.A.R. 2521, effective August 18, 2014 2014 (Supp. 14-3).

## ARTICLE 4. EXPIRED

*Article 4, consisting of Sections R3-9-401 through R3-9-405, formerly the rules for the Arizona Wine Commission expired under A.R.S. § 41-1056(E). The rules are no longer authorized as the Commission was terminated on July 1, 2004, under A.R.S. § 41-3004.18. The statutes under which the Commission operated, A.R.S. §§ 3-551 through 3-557, added by Laws 1993, Ch. 40, § 1, were repealed on January 1, 2005, by A.R.S. § 41-3004.18. Accordingly, under A.R.S. § 41-1011(C), the rules of this agency have been removed from the Code. The rescinded Article is on file in the Office of the Secretary of State (Supp. 05-2).*

*Article 4, consisting of Sections R3-9-401 through R3-9-405, made by final rulemaking at 9 A.A.R. 519, effective February 5, 2003 (Supp. 03-1).*

**R3-9-401. Expired**

**Historical Note**
New Section made by final rulemaking at 9 A.A.R. 519, effective February 5, 2003 (Supp. 03-1). Section expired under A.R.S. § 41-1056(E). The agency terminated on July 1, 2004, under A.R.S. § 41-3004.18 and the related statutes were repealed on January 1, 2005, by A.R.S. § 41-3004.18 (Supp. 05-2).

**R3-9-402. Expired**

**Historical Note**
New Section made by final rulemaking at 9 A.A.R. 519, effective February 5, 2003 (Supp. 03-1). Section expired under A.R.S. § 41-1056(E). The agency terminated on July 1, 2004, under A.R.S. § 41-3004.18 and the related statutes were repealed on January 1, 2005, by A.R.S. § 41-3004.18 (Supp. 05-2).

**R3-9-403. Expired**

**Historical Note**
New Section made by final rulemaking at 9 A.A.R. 519, effective February 5, 2003 (Supp. 03-1). Section expired under A.R.S. § 41-1056(E). The agency terminated on July 1, 2004, under A.R.S. § 41-3004.18 and the related statutes were repealed on January 1, 2005, by A.R.S. § 41-3004.18 (Supp. 05-2).

**R3-9-404. Expired**

**Historical Note**
New Section made by final rulemaking at 9 A.A.R. 519, effective February 5, 2003 (Supp. 03-1). Section expired under A.R.S. § 41-1056(E). The agency terminated on July 1, 2004, under A.R.S. § 41-3004.18 and the related statutes were repealed on January 1, 2005, by A.R.S. § 41-3004.18 (Supp. 05-2).

**R3-9-405. Expired**

**Historical Note**
New Section made by final rulemaking at 9 A.A.R. 519, effective February 5, 2003 (Supp. 03-1). Section expired under A.R.S. § 41-1056(E). The agency terminated on July 1, 2004, under A.R.S. § 41-3004.18 and the related statutes were repealed on January 1, 2005, by A.R.S. § 41-3004.18 (Supp. 05-2).

## ARTICLE 5. ARIZONA CITRUS RESEARCH COUNCIL

*Article 5, consisting of Sections R3-9-501 through R3-9-505, made by final rulemaking at 9 A.A.R. 5548, effective December 2, 2004 (Supp. 03-4).*

**R3-9-501. Definitions**
*"Department" means the Arizona department of agriculture.* A.R.S. § 3-468(3).

**Historical Note**
New Section made by final rulemaking at 9 A.A.R. 5548, effective December 2, 2004 (Supp. 03-4).

**R3-9-502. Elections**

**A.** The Council shall elect officers during the first quarter of each calendar year.

**B.** Officers shall continue in office until the next annual election is held.

**C.** An officer may be successively reelected.

**Historical Note**
New Section made by final rulemaking at 9 A.A.R. 5548,

effective December 2, 2004 (Supp. 03-4).

**R3-9-503. Hearings**

**A.** The Council shall use the uniform administrative procedures of A.R.S. Title 41, Chapter 6, Article 10 to govern any hearing before the Council.

**B.** A party may file a motion for rehearing or review under A.R.S. § 41-1092.09.

**C.** The Council shall grant a rehearing or review of an administrative law decision for any of the following causes materially affecting the moving party's rights:
1. The decision is not justified by the evidence or is contrary to law;
2. There is newly discovered material evidence that could not with reasonable diligence have been discovered and produced at the original proceeding;
3. One or more of the following deprived the party of a fair hearing:
   a. Irregularity or abuse of discretion in the conduct of the proceeding;
   b. Misconduct of the Council, the administrative law judge, or the prevailing party; or
   c. Accident or surprise that could not have been prevented by ordinary prudence; or
4. Excessive or insufficient sanction.

**D.** The Council may grant a rehearing or review to any or all of the parties. The rehearing or review may cover all or part of the issues for any of the reasons stated in subsection (C). An order granting a rehearing or review shall particularly state the grounds for granting the rehearing or review, and the rehearing or review shall cover only the grounds stated.

**Historical Note**

New Section made by final rulemaking at 9 A.A.R. 5548, effective December 2, 2004 (Supp. 03-4).

**R3-9-504. Annual Report**

The Council shall prepare an annual report as prescribed under A.R.S. § 3-468.02(A)(5), by October 31.

**Historical Note**

New Section made by final rulemaking at 9 A.A.R. 5548, effective December 2, 2004 (Supp. 03-4).

**R3-9-505. Records**

The Department shall retain the Council's records as authorized by A.R.S. § 3-468.02(A)(4). A record may be reviewed at the Department's main office, Monday through Friday, except an Arizona legal holiday, during the hours of 8:00 a.m. to 5:00 p.m. A copy of a record shall be provided according to the provisions of A.R.S. § 39-121 et seq.

**Historical Note**

New Section made by final rulemaking at 9 A.A.R. 5548, effective December 2, 2004 (Supp. 03-4).

**R3-9-506. Grants**

**A.** Definitions.
1. "ACRC" means the Arizona Citrus Research Council.
2. "Authorized signature" means the signature of an individual authorized to receive funds on behalf of the applicant and responsible for the execution of the applicant's project.
3. "Awardee" means a successful applicant to whom the ACRC awards grant funds for research on a specific project.
4. "Governmental unit" means any department, commission, council, board, bureau, committee, institution, agency, government corporation, or other establishment or official of the executive branch or corporation commission of this state, another state, or the federal government.
5. "Grant" means an award of financial support to an applicant according to A.R.S. § 3-468.02(B) and (C)(5).
6. "Grant award agreement" means a document advising the applicant of the amount of money awarded following receipt by the ACRC of the applicant's signed acceptance.

**B.** Grant application process.
1. The ACRC shall award grants according to the competitive grant solicitation requirements of this Article.
2. The ACRC shall post the grant application and manual on the ACRC's web site at least four weeks before the due date of a grant application.
3. The ACRC shall ensure that the grant application manual contains the following items:
   a. Grant topics related to ACRC programs specified by A.R.S. § 3-468.02(B) and (C)(5);
   b. A statement that the information contained in an application is not confidential;
   c. A statement that the ACRC funding source is primarily from per carton assessments on citrus grown in Arizona;
   d. An application form including sections about the description of the grant project, scope of work to be performed, an authorized signature line, and a sample budget form;
   e. A statement that the applicant shall not include overhead expenses in the budget for the proposed project;
   f. The criteria that the ACRC shall use to evaluate an application;
   g. The date and time by which the applicant shall submit an application;
   h. The anticipated date of the ACRC award;
   i. A copy of the ACRC grant solicitation rules; and
   j. Any other information necessary for the grant application.
4. The ACRC shall not consider an application received by the ACRC after the due date and time.

**C.** Criteria. The ACRC shall consider the following when reviewing a grant application and deciding whether to award ACRC funds:
1. The applicant's successful completion of prior research projects,
2. The extent to which the proposed project identifies solutions to current issues facing the citrus industry,
3. The extent to which the proposed project addresses future issues facing the citrus industry,
4. The extent to which the proposed project addresses the findings of any industry surveys conducted within the previous year,
5. The appropriateness of the budget request in achieving the project objectives,
6. The appropriateness of the proposal time-frame to the stated project objectives, and
7. Relevant experience and qualifications of the applicant.

**D.** Public participation.
1. The ACRC shall make all applications available for public inspection by the business day following the application due date.
2. Before awarding a grant, the ACRC shall discuss and evaluate grant applications and proposed projects at a meeting conducted under A.R.S. § 38-431 et seq.

**E.** Evaluation of grant applications.

1. The ACRC may allow applicants to make oral or written presentations at the public meeting if time, applicant availability, and meeting space permit.
2. The ACRC may modify an applicant's proposed project in awarding funding.
3. The ACRC shall notify an applicant in writing of the ACRC's decision to fund, modify, or deny funding for a proposed project within 10 business days of the ACRC decision. The ACRC shall notify applicants by the U.S. Postal Service, commercial delivery, electronic mail, or facsimile.

**F.** Awards and project monitoring.
1. Before releasing grant funds, the ACRC shall execute a grant award agreement with the awardee. The awardee shall agree to accept the grant's legal requirements and conditions and authorize the ACRC to monitor the progress of the project by signing a grant award agreement.
2. The ACRC shall pay no more than 50% of the grant in the initial payment to the awardee.
3. During the term of the project, the awardee shall inform the ACRC of changes to the awardee's address, telephone number, or other contact information.
4. The ACRC may require an interim written report or oral presentation from the awardee during the pendency of the project.
5. The ACRC shall not award the grant funds remaining after the initial payment until the awardee submits to the ACRC:
   a. A final research report, and
   b. An invoice for actual final project expenses not exceeding the remaining portion of the award.
6. The ACRC shall make research findings and reports resulting from any grant awarded by the ACRC available to Arizona citrus producers.

**G.** Repayment. If the awardee does not complete the project as specified in the grant award agreement, the awardee shall return all unexpended grant funds within 30 days after receipt of written request by the ACRC.

**H.** Governmental units.
1. The ACRC may request one or more governmental units to submit grant applications as prescribed in subsection (H)(3), without regard to subsections (B), (F)(2), and (F)(5).
2. The ACRC may issue grants to governmental units without regard to subsections (B), (F)(2), and (F)(5).
3. A governmental unit may apply to the ACRC for a grant when there is no pending request for grant applications under subsection (B) under the following conditions:
   a. The application shall include a description of the project, the scope of work to be performed, a budget that does not include overhead expenses, and an authorized signature.
   b. The application shall be available for public inspection upon receipt by the ACRC.

**Historical Note**
New Section made by final rulemaking at 12 A.A.R. 176, effective March 11, 2006 (Supp. 06-1). Amended by final rulemaking at 14 A.A.R. 3665, effective November 8, 2008 (Supp. 08-3).

## ARTICLE 6. LEAFY GREENS FOOD SAFETY COMMITTEE

### R3-9-601. Definitions

"Act" means A.R.S. Title 3, Chapter 3, Article 1.

"Auditor" or "Inspector" means a state or federal agricultural regulatory agency or their designee(s), or a private entity contracted by the Committee to perform inspections authorized by the Act.

"Best practices" means the "Commodity Specific Food Safety Guidelines for the Production and Harvest of Lettuce and Leafy Greens, as amended by the Committee. This document is incorporated by reference and is available for review online at the Arizona Leafy Greens Marketing Agreement website and at the Arizona Department of Agriculture, 1688 W. Adams Street, Phoenix, Arizona 85007.

"Committee" means the Leafy Greens Food Safety Committee established pursuant to the Marketing Agreement.

"LGMA" or "Marketing Agreement" means the Arizona Leafy Green Products Shipper Marketing Agreement approved pursuant to the Act. This document is incorporated by reference and is available for review online at the Arizona Leafy Greens Marketing Agreement website and at the Arizona Department of Agriculture, 1688 W. Adams Street, Phoenix, Arizona 85007.

"SOP" means standard operating procedure.

**Historical Note**
New Section made by exempt rulemaking at 16 A.A.R. 2282, effective October 28, 2010 (Supp. 10-4). Amended by exempt rulemaking at 17 A.A.R. 1767, effective August 1, 2011 (Supp. 11-3). Amended by exempt rulemaking at 17 A.A.R. 2569, effective November 29, 2011 (Supp. 11-4). Amended by exempt rulemaking at 18 A.A.R. 2928, effective August 1, 2012 (Supp. 12-4). Amended by final exempt rulemaking at 19 A.A.R. 4019, effective October 15, 2013 (Supp. 13-4). Amended by final exempt rulemaking pursuant to A.R.S. § 3-414(C)(11) at 21 A.A.R. 3082, effective August 25, 2015 (Supp. 15-4). Amended by exempt rulemaking at 28 A.A.R. 198 (January 14, 2022), with an effective date of September 17, 2021, as selected by the Department (Supp. 21-4).

### R3-9-602. Best Practices; LGMA Compliance

**A.** Signatories shall comply with the best practices, maintain a trace-back system, and be subject to periodic audit by an auditor.

**B.** Signatories shall only buy, consign, or otherwise accept or handle leafy green products (grown in Arizona) from a shipper or producer who is in compliance with the best practices (including recordkeeping requirements), maintains a trace-back system, and is subject to periodic audit by an auditor.

**C.** When the best practices require a SOP, there shall be an appropriate SOP and that SOP shall be followed.

**Historical Note**
New Section made by exempt rulemaking at 16 A.A.R. 2282, effective October 28, 2010 (Supp. 10-4). Amended by exempt rulemaking at 17 A.A.R. 2569, effective November 29, 2011 (Supp. 11-4). Amended by final exempt rulemaking at 19 A.A.R. 4019, effective October 15, 2013 (Supp. 13-4).

### R3-9-603. Service Mark Usage

**A.** A signatory's compliance with the LGMA and R3-9-602 is a condition precedent and subsequent to the signatory's privilege to use the service mark.

**B.** An authorized signatory may use the service mark on all bills of lading and on other documents.

**C.** A signatory shall:
1. Use the service mark without reference to a private brand or label.

2. Provide reasonable assurances that the signatory has a system in place to comply with this Section, maintain records sufficient to audit the system for the duration of the LGMA, and make those records available to the Committee upon request.

**D.** A signatory shall not:
1. Use the service mark on packaging or product or as a certification mark to certify product.
2. Use the service mark as the signatory's own mark or as the exclusive representation of its business entity.
3. Insert within or overlap the boundaries of the service mark with the signatory's name or trademark.
4. Alter the service mark in any way other than proportionately adjusting the size of the service mark.

**Historical Note**
New Section made by exempt rulemaking at 16 A.A.R. 2282, effective October 28, 2010 (Supp. 10-4). Amended by final exempt rulemaking at 17 A.A.R. 2569, effective November 29, 2011 (Supp. 11-4).

**R3-9-604. Loss of Use of Service Mark**

**A.** A signatory shall lose the privilege to use the service mark if the signatory:
1. Commits a flagrant violation or repeated major deviation;
2. Fails to comply with R3-9-603;
3. Has not paid assessments due for the prior fiscal year; or
4. Withdraws from participation in the LGMA pursuant to Article XVI, section C of the LGMA.

**B.** The first flagrant violation or repeated major deviation shall result in a suspension of the privilege to use the service mark for a minimum two-week period.

**C.** A flagrant violation or repeated major deviation following the first flagrant violation or repeated major deviation shall result in an indefinite suspension of the privilege to use the service mark.

**D.** A flagrant violation or repeated major deviation following a suspension pursuant to subsection (C) shall result in an indefinite revocation of the privilege to use the service mark. The privilege to use the service mark shall not be restored to the signatory for a minimum of two years unless the signatory demonstrates to the satisfaction of the auditor and the Committee a significant change in management and brand.

**E.** A signatory whose privilege to use the service mark is suspended or revoked pursuant to subsections (B) through (D) shall not use the service mark until the signatory has undergone at least one new audit without the finding of any major deviations or flagrant violations and has evidenced that the signatory has corrected any minor deviations found.

**F.** At least two weeks of any suspension of the privilege to use the service mark under subsections (B) through (D) shall occur between December 1 and March 31.

**G.** The Committee may accelerate the progression of penalties under this Section if the signatory's product seriously affects a person's health and the signatory handled the product with intentional, knowing or reckless disregard for the signatory's obligations under the LGMA and best practices.

**H.** A signatory shall not lose the privilege to use the service mark under subsections (A)(1) and (2) without an opportunity for a hearing under A.R.S. Title 41, Chapter 6, Article 10, except if the Committee finds that the public health, safety or welfare imperatively requires emergency action, and incorporates a finding to that effect in its order, the Committee may order summary suspension of a signatory's privilege to use the service mark.

**I.** A signatory that loses the privilege to use the mark under subsection (A)(3) shall pay all assessments due from prior fiscal years, including penalties and interest, before regaining the privilege to use the service mark.

**J.** The Committee may publish a list of signatories whose privilege to use the service mark has been suspended.

**Historical Note**
New Section made by exempt rulemaking at 16 A.A.R. 2282, effective October 28, 2010 (Supp. 10-4). Amended by exempt rulemaking at 17 A.A.R. 2569, effective November 29, 2011 (Supp. 11-4). Amended by final exempt rulemaking at 19 A.A.R. 4019, effective October 15, 2013 (Supp. 13-4).

**R3-9-605. Violation Levels; Repeated Violations**

**A.** Violations of R3-9-602 fall into four levels: flagrant violations, major deviations, minor deviations, and minor infractions. The Committee or its designee shall determine the level of a violation consistent with this Section.

**B.** A flagrant violation occurs when a signatory buys, consigns, or otherwise accepts or handles a leafy green product and knows or should have known the product was grown, packed, shipped, processed or handled in violation of R3-9-602 and the violation:
1. Significantly increases the risk of delivering unsafe product into commerce;
2. Affects the integrity of the LGMA's food safety program; or
3. In the Committee's judgment, merits more serious treatment than a major deviation based on the consideration of, as relevant:
   a. The position of the employee responsible for the violation,
   b. Whether the employee responsible for the violation knowingly committed the violation,
   c. The circumstances surrounding the violation,
   d. Whether the signatory took prompt corrective action,
   e. Whether the signatory has committed the same or a similar violation previously, and
   f. Any other relevant facts.

**C.** A major deviation is a violation of R3-9-602 that may inhibit the maintenance of food safety, but that does not necessarily result in unsafe product.

**D.** The following violations constitute at least major deviations and are potentially flagrant violations:
1. Falsification of any record for any reason;
2. Spitting in the field;
3. Unclean sanitation facilities, including the presence of soiled toilet paper;
4. Failure to:
   a. Properly wash hands after using a restroom or returning to the field;
   b. Follow the best practices with respect to feces or fecal matter found in the field;
   c. Follow the best practices with respect to the use of compost or animal manure, including creating and maintaining proper records related to that use;
   d. Have a trace-back system;
   e. Sanitize gloves and knives;
   f. Follow a work health practices program concerning the transfer of human pathogens by workers; or
   g. Provide a Compliance Plan, as defined in the best practices, to an auditor;
5. Refusing an audit; and
6. Conditions for which an automatic "unsatisfactory" would be assessed by USDA if performing a GAP/GHP audit.

**E.** Violations constituting flagrant violations or major deviations are not limited to those listed in subsection (D).
**F.** A minor deviation is a violation of R3-9-602 that the signatory can correct within five business days of the audit and that does not necessarily increase the risk of a food borne illness.
**G.** A minor infraction is a violation of R3-9-602 that the signatory corrects before the auditor leaves the audited premises and that does not necessarily increase the risk of a food borne illness.
**H.** The Committee or its designee may assess a signatory with a major deviation if an auditor discovers several minor deviations or minor infractions of the same type or if a signatory fails to timely submit a corrective action plan.
**I.** Repeated major violations are limited to violations occurring during the current and prior fiscal year.

**Historical Note**
New Section made by exempt rulemaking at 16 A.A.R. 2282, effective October 28, 2010 (Supp. 10-4). Amended by exempt rulemaking at 17 A.A.R. 2569, effective November 29, 2011 (Supp. 11-4). Amended by final exempt rulemaking at 19 A.A.R. 4019, effective October 15, 2013 (Supp. 13-4).

**R3-9-606. Corrective Action Plans**

**A.** A signatory who commits a flagrant violation, major deviation, or minor deviation shall correct the violation and submit a corrective action plan to the Committee or its designee within five business days of receipt of the audit report noting the violation. If the Committee or its designee rejects the corrective action plan, the signatory has 24 hours to submit a revised corrective action plan.
**B.** In the case of a flagrant violation or major deviation, once the Committee or its designee accepts the signatory's corrective action plan, an auditor shall perform an unannounced audit of the signatory within three business days.
**C.** The signatory shall comply with the corrective action plan.
**D.** Notwithstanding subsection (A), in the case of a violation that creates an immediate danger to public health, the signatory shall submit a correction action plan immediately and take necessary action to minimize the threat to public health.

**Historical Note**
New Section made by exempt rulemaking at 16 A.A.R. 2282, effective October 28, 2010 (Supp. 10-4). Amended by final exempt rulemaking at 19 A.A.R. 4019, effective October 15, 2013 (Supp. 13-4).

# 3-401. Definitions

In this article, unless the context otherwise requires:

1. "Affected commodity" means the specific citrus, fruit or vegetable that is regulated pursuant to article 2 or 4 of this chapter and that is subject to the marketing agreement or order or the proposed marketing agreement or order.

2. "Affected person" means a producer or shipper of an affected commodity.

3. "Associate director" means the associate director of the citrus, fruit and vegetable division of the department.

4. "Marketing agreement" or "agreement" means an agreement that is developed by producers or shippers of the affected commodity and that is entered into by the director pursuant to this article.

5. "Marketing commission" or "commission" means the marketing commission established under section 3-413.

6. "Marketing committee" or "committee" means a marketing committee established by a marketing agreement according to section 3-426.

7. "Marketing order" or "order" means an order that is developed by producers or shippers of the affected commodity and that is issued by the director pursuant to this article.

8. "Person" means any individual, firm, corporation, trust, association or partnership.

9. "Producer" means a person that has a financial interest in producing or causing citrus, fruit or vegetable commodities to be produced for market in commercial quantities.

10. "Shipper" means a person that engages in shipping, transporting, selling or marketing citrus, fruits or vegetables under the shipper's own registered trademark or label or a person that first markets the fruits or vegetables for the producer.

11. "Volume" means cartons or the equivalent weight of Arizona-grown products marketed in the preceding marketing season.

12. "Written assent" means a signed statement of an affected person consenting to the terms of a marketing order.

# 3-404. Marketing order and marketing agreement programs

A. A marketing order or marketing agreement applies to all producers and shippers included under the terms of the order or agreement.

B. A marketing order or marketing agreement may:

1. Provide for establishing standards for the quality, condition, size or maturity of a commodity marketed in or shipped outside this state. Standards shall not be less than the standards provided by articles 2 and 4 of this chapter and rules adopted pursuant to those articles.

2. Provide for establishing, and verifying compliance with, food safety standards.

3. Provide for plans to conduct programs for advertising and sales promotion.

4. Provide for research studies to improve production, distribution and marketing.

5. Provide for educational programs designed to inform producers and shippers about quality improvement or about practices, procedures and methods used in production, processing and marketing.

6. Provide for research and educational programs concerning health, food, nutritional, therapeutic and dietetic qualities or for developing new food products or new uses for agricultural products.

7. Provide programs to control and eradicate insects, disease and parasites.

8. Provide for establishing and regulating the use of an official brand, trade name or label.

9. Provide programs to gather and disseminate weather data to producers.

10. Provide for developing and funding programs, jointly or cooperatively, with public or private organizations, including funding marketing information services.

11. Authorize persons to participate in hearings regarding agricultural chemicals that are used by the affected commodity.

# 3-414. Powers and duties of a marketing commission or marketing committee

A. A marketing commission or marketing committee shall:

1. Collect, receive and disburse any monies to be used to administer a marketing order or marketing agreement.

2. Annually elect a chairman, secretary and treasurer from among its members.

3. Meet at least twice annually or at additional times called by the chairman or when requested by a quorum of the marketing commission or marketing committee.

4. Keep a permanent record of its proceedings and make these records available for public inspection for any lawful purpose.

5. Prescribe any assessments to be assessed within the limits prescribed in this article, the marketing order or the marketing agreement.

B. A marketing commission shall:

1. Prepare for the regulated commodity an annual report of its activities, receipts and expenditures. A copy of the annual report shall be available to any interested person on request.

2. Organize and administer any election called under this article or the marketing order.

C. A marketing commission or marketing committee may:

1. Sue and be sued as a marketing commission or marketing committee, without individual liability, for acts of the marketing commission or marketing committee within the scope of the powers and duties conferred on it by this article, the marketing order or the marketing agreement.

2. Enter into contracts to carry out the purposes of this article, the marketing order or the marketing agreement.

3. Appoint committees or subcommittees of the marketing commission or marketing committee, ex officio marketing commission or marketing committee members or advisory groups composed of representatives from organizations, institutions or businesses related to or interested in the regulated commodity.

4. Employ or retain and fix the compensation of a qualified person or qualified entity to manage the marketing order or marketing agreement, on behalf of the marketing commission or marketing committee, and other personnel that are necessary to carry out the provisions of this article, the order or the agreement.

5. Cooperate with any local, state or nationwide organization or agency engaged in work or activities similar or related to those of the commission or the committee and enter into contracts with the organizations or agencies for carrying on joint programs.

6. Make grants to research agencies to finance appropriate studies, or to purchase or acquire equipment and facilities consistent with the marketing order or marketing agreement.

7. Act jointly and in cooperation with this state or any other state or the federal government and spend monies to administer any program deemed by the commission or committee to be beneficial to the affected commodity.

8. Accept grants, donations, contributions, gifts, property or services or other assistance from public or private sources.

9. Provide educational materials to:

(a) Interested parties that are not affected persons at a charge fixed by the commission or committee commensurate with the cost of compilation, publication and issuance.

(b) Public officials without charge.

10. Return assessments to affected persons on a pro rata basis to the extent that monies collected exceed budgeted expenses.

11. Adopt rules necessary to promptly and effectively administer this article. Title 41, chapter 6 does not apply to rule making under this article, but the commission or committee shall provide fifteen days' advance notice of the meeting at which rules will be adopted. The commission or committee shall receive public testimony at the meeting regarding the rules.

12. Refer to persons regulated under a marketing order for an advisory vote the question of setting assessments or establishing or continuing any program authorized by the order.

13. Investigate and prosecute in the name of this state any legal action to enforce the collection or ensure payment of the authorized assessments.

14. Gather data or any other information the commission or committee deems necessary to administer and enforce the order or agreement.

15. Receive complaints of violations of the order or agreement and refer the complaints to the proper authorities.

16. Provide for an annual audit of its accounts by a qualified public accounting firm and, if an audit or financial statement is prepared, make the audit or financial statement available to any affected person and the auditor general on request.

# GOVERNOR'S REGULATORY REVIEW COUNCIL

## ATTORNEY MEMORANDUM - FIVE-YEAR REVIEW REPORT

---

**MEETING DATE:** July 1, 2025

**TO:** Members of the Governor's Regulatory Review Council (Council)

**FROM:** Council Staff

**DATE:** June 17, 2025

**SUBJECT:** **ARIZONA STATE BOARD OF DENTAL EXAMINERS**
Title 4, Chapter 1, Articles 11, 12, 14, 15, and 18

---

**Summary**

This Five-Year Review Report (5YRR) from the Arizona State Board of Dental Examiners ("Board") covers twenty-two (22) rules in Title 4, Chapter 11, Articles 11, 12, 14, 15, and 18. The Board states that it protects the health, safety, and welfare of the citizens of Arizona by regulating the practice of dentistry. The rules address the following:

- Article 11: Advertising;
- Article 12: Continuing Dental Education and Renewal Requirements;
- Article 14: Dispensing Drugs and Devices;
- Article 15: Complaints, Investigations, Disciplinary Action; and
- Article 18: Business Entities.

In the previous report approved by the Council, the Board proposed to amend 7 rules by December 2020. The Department completed rulemakings for 6 of the 7 proposed amendments. The Department indicated that they did not complete the rulemaking for R4-11-1102 because the Department prioritized rulemakings that dealt with safety concerns, such as anesthesia and sedation.

**Proposed Action**

The Board did not review R4-11-1406 with the intent that the rule expire because HB2071 amended the authorizing statute A.R.S. § 32-198, and removed the authorizing authority for this rule.

The Board indicates that R4-11-1102 needs to be amended to include Dental Therapists in subsection (D), which is pursuant to A.R.S. § 32-1276 et. seq. This is the same proposed amendment from the 2020 report. The Board does not propose amending any other rule because the Board indicates that the remaining rules are clear, concise, understandable, and meeting their objectives. The Board indicates that they intend on completing a rulemaking by December 2025.

**1. Has the agency analyzed whether the rules are authorized by statute?**

The Board cites both general and specific statutory authority for these rules.

**2. Summary of the agency's economic impact comparison and identification of stakeholders:**

The Board determined from its analysis that the economic impact is minimal and has not differed from that projected when the rules were amended by final rulemaking. It states that the main costs are born by the agency and include staff time to process new and renewal applications. The Board states further that its analysis indicates that establishing standards of practice is beneficial to society and promotes consistency of service and improvement of outcomes as well as negating the confusion that comes from either too many or nonexistent standards.

Stakeholders include the Board, its licensees, and the general public.

**3. Has the agency analyzed the costs and benefits of the rulemaking and determined that the rules impose the least burden and costs to those who are regulated?**

Yes, the Board believes the rules impose the least burden and probable costs to regulated persons, which are outweighed by the probable benefits.

**4. Has the agency received any written criticisms of the rules over the last five years?**

The Board indicates it received no written criticisms of the rules in the last five years.

**5. Has the agency analyzed the rules' clarity, conciseness, and understandability?**

The Board indicates the rules are clear, concise, and understandable.

**6. Has the agency analyzed the rules' consistency with other rules and statutes?**

The Board indicates the rules consistent with other rules and statutes with the exception of R4-11-1102. The Board indicates that this rule is not consistent with A.R.S. Title 32, Chapter 18. More specifically, the Board states that the rule does not properly account for dental therapists.

**7. Has the agency analyzed the rules' effectiveness in achieving its objectives?**

The Board indicates the rules are effective in achieving their objectives.

**8. Has the agency analyzed the current enforcement status of the rules?**

The Board indicates the rules are enforced as written

**9. Are the rules more stringent than corresponding federal law and, if so, is there statutory authority to exceed the requirements of federal law?**

The Board states that there is no corresponding federal law for the rules, except for R4-11-1405 (Compliance) and R4-11-1406 (Dispensing for Profit Registration and Renewal). The corresponding federal regulation for these two rules is 21 CFR 1300. The Board states that these two rules are not more stringent than the corresponding federal regulation.

**10. For rules adopted after July 29, 2010, do the rules require a permit or license and, if so, does the agency comply with A.R.S. § 41-1037?**

The Board has indicated that the rules, with the exception of R4-11-1202, do not require a license or permit. The Board states that this rule is exempt from the general permit requirement of A.R.S. § 41-1037 because it is specifically authorized by A.R.S. Title 31, Chapter 11, Article 2. Council staff agrees with the Board's reasoning and believe that the requirements of §41-1037 do not apply because the license is specifically authorized by statute.

**11. Conclusion**

This Five-Year Review Report (5YRR) from the Arizona State Board of Dental Examiners ("Board") covers twenty-two (22) rules in Title 4, Chapter 11, Articles 11, 12, 14, 15, and 18. The Board completed their proposed course of action for 6 of the 7 rules that were identified to be improved. In this current report, the Board plans on amending the one rule that was not completed by December 2025. Additionally, the board did not review R4-11-406 with the intent the rule expire because the Department lost statutory authority for the rule in 2024 via the passage of HB 2071

The report meets the requirements of A.R.S. § 41-1056 and R1-6-301. Staff recommends approval of this report.

***Re: Five-year-review Report for 4 A.A.C. 11, Articles 11, 12, 14, 15, and 18***

In compliance with A.R.S. § 41-1056(A), the Arizona State Board of Dental Examiners (Board) has reviewed most of the rules in A.A.C. Title 4, Chapter 1, Articles 11, 12, 14, 15, and 18 and submits the enclosed report to the Council for approval.

The Board did not review R4-11-1406 with the intent that the rule expires because HB2071 (2024) repealed the authorizing statute for that rule.

The Board certifies that it is in compliance with A.R.S. § 41-1091. The Board contact person for this report is Ryan Edmonson, Executive Director, who may be reached at 602.542.4493.

Sincerely,

Ryan Edmonson
Executive Director
Arizona State Board of Dental Examiners

4 A.A.C. 11, Articles 11, 12, 14, 15, and 18

April 2025

**TABLE OF CONTENTS**

## INTRODUCTION

The Arizona Board of Dental Examiners protects the health, safety and welfare of the citizens of Arizona by regulating the practice of dentistry.

The rules in 4 A.A.C. 11, Article 11, establish the permissible advertising activities of a dentist, dental hygienist, or denturist and the permissible advertising activities of a dentist who advertises as a recognized specialist. The rules in 4 A.A.C. 11, Article 12, establish a continuing dental education requirement for licensees, certificate holders, and restricted permit holders, address documentation, compliance, renewal, and exception issues regarding the continuing education requirements for licensure, establish the number of continuing education hours by topics that are required for dentists and dental consultants, establish the number of continuing education hours by topics that are required for dental hygienist licensure, establish the number of continuing education hours by topics that are required for denturist certification, establish the number of continuing education hours by topics that are required for a dental restricted permit holder, establish the number of continuing education hours by topics that are required for a dental hygiene restricted permit holder, establish the number of continuing education hours by topics that are required for a retired licensee or certificate holder, and establish the types of continuing education courses recognized by the Board. The rules in 4 A.A.C. 11, Article 14, establish the requirements of a prescription order for dispensing by a dentist, the specific labeling and dispensing requirements for dispensing by a dentist, the storage and packaging requirements for

dispensing by a dentist, the recordkeeping requirements for dispensing by a dentist, the reporting requirements for a theft or loss of controlled substances and the possible disciplinary actions for violations of Article 14, and the registration and renewal requirements for a dentist who dispenses drugs and devices for profit. The rules in 4 A.A.C. 11, Article 15, establish that a complainant or regulated party against whom a complaint is filed shall not engage in ex-parte communication with the decision maker in the matter, the qualifications for the Board's complaint investigators, the Board's complaint review procedures, and the requirements for postponing an investigative or formal interview. The rules in 4 A.A.C. 11, Article 18, establish the requirements for business entity registration and the requirements for business entity display of registration.

## INFORMATION THAT IS IDENTICAL FOR ALL RULES

1. **Effectiveness in Achieving Objectives**

   All the rules reviewed are effective in achieving their stated objectives.

2. **Written Criticisms of the Rules Received in the Past Five Years**

   The agency has not received any written criticisms of the rules in the past five years.

3. **Authorization of the Rules by Existing Statutes**

   The agency's general rulemaking authority is found in A.R.S. §§ 32-1201(21)(C), (t), and (u), and 32-1207(A) (1) and (B) (3); with specific authority found in A.R.S. §§ 32-1213(B)(4) and (M), 32-1263.02, and 32-1298(C), (E), and (F).

4. **Consistency with Statutes and Other Rules Made by the Agency**

   The rules reviewed are consistent with the statutes for the agency, namely A.R.S. Title 32, Chapter 18. In addition, the rules are consistent both internally and with relation to the agency's other rules, with the exception of R4-11-1102, whose consistency is addressed individually below.

4a. **Enforcement**

   The rules are enforced as written without incident.

5. **Clarity, Conciseness, and Understandability of the Rules**

   The agency has analyzed the rules and has found the rules to be clear, concise, and understandable.

6. **Economic, Small Business, and Consumer Impact Comparison**

   The economic impact has not differed from that projected when the rules were amended by final rulemaking at 11 A.A.R. 793, effective April 2, 2005; at 19 A.A.R. 334, effective

April 6, 2013; at 28 A.A.R. 1898, effective September 12, 2022; at 29 A.A.R. 1330, effective July 10, 2023; and at 29 A.A.R. 3793, effective January 29, 2024. The main costs are born by the agency and include staff time to process new and renewal applications.

As of October 1, 2024, the Board active licensees include, 5,658 dentists, 5,405 dental hygienists, 415 business entities, eight denturists and two dental therapists compared to 5,181 dentists, 4,834 dental hygienists, 371 business entities, 12 denturists and zero dental therapists licensed on October 1, 2019, as reported during the Board's last 5-year rule review of Articles 11, 12, 14, 15, and 18 in 2015. Our analysis indicates that establishing standards of practice is beneficial to society. Our statutes and rules exist to protect the public health. These administrative mandates become the standard of practice within the profession. Relying on a single standard promotes consistency of service and improvement of outcomes as well as negating the confusion that comes from either too many or nonexistent standards. Therefore, we estimate the economic impact of the reviewed rules is minimal.

7. **Analysis Submitted by Another Person Regarding the Rules' Impact on this State's Business Competitiveness as Compared to the Competitiveness of Businesses in Other States**

No analysis was submitted to the agency.

9. **Probable Benefits Outweigh Probable Costs / Rules Impose Least Burden on Regulated Persons**

The rules impose the least burden and probable costs to regulated persons, which are outweighed by the probable benefits of the rules.

10. **Stringency Compared with Corresponding Federal Law**

These rules do not have corresponding federal law, with the exception of R4-11-1405 and R4-11-1406. Those rules correspond with federal law, 21 CFR 1300. The agency found that the rules reviewed are not more stringent than the corresponding federal law.

## INDIVIDUAL ANALYSIS

### R4-11-1101 Advertising

Objective

The rule establishes the permissible advertising activities of a dentist, dental hygienist, or denturist to prevent false or misleading advertising.

3. Authorization of the Rules by Existing Statute

The agency's general and specific rulemaking authority is found in A.R.S. §§ 32-1207(A)(1) and 32-1201 (21)(t).

8. Completion of the Previous Five-Year –Review Report Process

The last five-year-review report was completed and did not identify any needed course of action.

11. For Rules Adopted After July 29, 2010 that Require Issuance of a Regulatory Permit, License, or Agency Authorization, Whether the Rule Complies with the General Permit Requirement in A.R.S. § 41-1037.

The rule was adopted before July 29, 2010.

12. Proposed Course of Action

The rule requires no action.

**R4-11-1102 Advertising as a Recognized Specialist**

Objective

The rule establishes the permissible advertising activities of a dentist who advertises as a recognized specialist.

3. Authorization of the Rules by Existing Statute

The agency's general and specific rulemaking authority is found in A.R.S. §§ 32-1207 (A) (1) and 32-1201(21)(t).

4. Consistency

The rule could be more consistent with A.R.S. § 32-1276 et seq. by including Dental Therapists in subsection (D).

8. Completion of the Previous Five-Year-Review Report Process

The last five-year-review report was completed and indicated that the rule could be updated to account for dental therapists pursuant to A.R.S. § 32-1276 et seq. The Board completed several rulemakings that took precedence over this change due to safety concerns, including drafting significant changes to the Board's anesthesia and sedation rules.

11. For Rules Adopted After July 29, 2010 that Require Issuance of a Regulatory Permit, License, or Agency Authorization, Whether the Rule Complies with the General Permit Requirement in A.R.S. § 41-1037.

The rule was adopted before July 29, 2010.

12 Proposed Course of Action

The rule needs to be amended to account for Dental Therapists pursuant to A.R.S. §§ 32-1276 et seq. and the Board anticipates completing a rulemaking by December 2025.

**R4-11-1201 Continuing Dental Education**

Objective

The rule establishes a continuing dental education requirement for licensees, certificate holders, and restricted permit holders.

3. Authorization of the Rules by Existing Statute

The agency's general and specific rulemaking authority is found in A.R.S. §§ 32-1207(A)(1) and (B)(3).

8. Completion of the Previous Five-Year-Review Report Process
The last five-year-review report was completed and did not identify any needed course of action.

11. For Rules Adopted After July 29, 2010 that Require Issuance of a Regulatory Permit, License, or Agency Authorization, Whether the Rule Complies with the General Permit Requirement in A.R.S. § 41-1037.
The rule was adopted before July 29, 2010.

12 Proposed Course of Action
The rule requires no course of action.

**R4-11-1202 Continuing Education Compliance and Renewal Requirements**

Objective
The rule addresses documentation, compliance, renewal, and exception issues regarding the continuing education requirements for licensure. The rule is necessary for license renewal.

3. Authorization of the Rules by Existing Statute
The agency's general and specific rulemaking authority is found in A.R.S. 32-1207(A)(1) and (B)(3).

8. Completion of the Previous Five-Year-Review Report Process
The last five-year rule review report was completed and indicated the rule needed to be amended to require a licensee to provide documentation of continuing education within 30 days of notice of audit. The rule was amended by final rulemaking at 28 A.A.R. 1898, effective September 12, 2022

11. For Rules Adopted After July 29, 2010 that Require Issuance of a Regulatory Permit, License, or Agency Authorization, Whether the Rule Complies with the General Permit Requirement in A.R.S. § 41-1037.
Although the rule was last amended in 2022, the rule complies with the exception in subsection (A)(2) of A.R.S. § 41-1037, because the rule issues a specific license or permit specified in A.R.S. Title 32 Chapter 11, Article 2.

12. Proposed Course of Action
The rule requires no course of action.

**R4-11-1203 Dentists and Dental Consultants**

Objective
The rule establishes the number of continuing education hours by topics that are required for dentists and dental consultants.

3. Authorization of the Rules by Existing Statute
The agency's general and specific rulemaking authority is found in A.R.S. § 32-1207(A)(1) and (B)(3).

8. Completion of the Previous Five-Year-Review Report Process
The last five-year rule review report was completed and indicated the rule needs to be updated to specifically include opioid education. The rule was amended by final rulemaking at 28 A.A.R. 1898, effective September 12, 2022.

11. For Rules Adopted After July 29, 2010 that Require Issuance of a Regulatory Permit, License, or Agency Authorization, Whether the Rule Complies with the General Permit Requirement in A.R.S. § 41-1037.
The rule does not require issuance of a regulatory permit, license, or agency authorization.

12. Proposed Course of Action
The rule requires no course of action.

**R4-11-1204 Dental Hygienists**

Objective
The rule establishes the number of continuing education hours by topics that are required for dental hygienist licensure.

3. Authorization of the Rules by Existing Statute
The agency's general and specific rulemaking authority is found in A.R.S. § 32-1207(A)(1) and (B)(3).

8. Completion of the Previous Five-Year-Review Report Process
The last five-year rule review report was completed and did not identify any needed course of action.

11. For Rules Adopted After July 29, 2010 that Require Issuance of a Regulatory Permit, License, or Agency Authorization, Whether the Rule Complies with the General Permit Requirement in A.R.S. § 41-1037.
The rule does not require issuance of a regulatory permit, license, or agency authorization.

12. Proposed Course of Action
The rule requires no course of action.

**R4-11-1205 Denturists**

Objective
The rule establishes the number of continuing education hours by topics that are required for denturist certification.

3. Authorization of the Rules by Existing Statute
The agency's general and specific rulemaking authority is found in A.R.S. 32-1207(A)(1) and (B)(3).

8. Completion of the Previous Five-Year-Review Report Process
The last five-year rule review report was completed and did not identify any needed course of action.

11. For Rules Adopted After July 29, 2010 that Require Issuance of a Regulatory Permit, License, or Agency Authorization, Whether the Rule Complies with the General Permit Requirement in A.R.S. § 41-1037.
The rule does not require issuance of a regulatory permit, license, or agency authorization.

12. Proposed Course of Action
The rule requires no course of action.

**R4-11-1206 Restricted Permit Holders – Dental**

Objective
The rule establishes the number of continuing education hours by topics that are required for a dental restricted permit holder.

3. Authorization of the Rules by Existing Statute
The agency's general and specific rulemaking authority is found in A.R.S. 32-1207(A)(1) and (B)(3).

8. Completion of the Previous Five-Year-Review Report Process
The last five-year rule review report was completed and did not identify any needed course of action.

11. For Rules Adopted After July 29, 2010 that Require Issuance of a Regulatory Permit, License, or Agency Authorization, Whether the Rule Complies with the General Permit Requirement in A.R.S. § 41-1037.
The rule does not require issuance of a regulatory permit, license, or agency authorization.

12. Proposed Course of Action
The rule requires no course of action.

**R4-11-1207 Restricted Permit Holders – Dental Hygiene**

Objective
The rule establishes the number of continuing education hours by topics that are required for a dental hygiene restricted permit holder.

3. Authorization of the Rules by Existing Statute
The agency's general and specific rulemaking authority is found in A.R.S. 32-1207(A)(1) and (B)(3).

8. Completion of the Previous Five-Year-Review Report Process

The last five-year rule review report was completed and did not identify any needed course of action.

11. For Rules Adopted After July 29, 2010 that Require Issuance of a Regulatory Permit, License, or Agency Authorization, Whether the Rule Complies with the General Permit Requirement in A.R.S. § 41-1037.

The rule does not require issuance of a regulatory permit, license, or agency authorization.

12. Proposed Course of Action

The rule requires no course of action.

**R4-11-1208 Retired Licensees or Certificate Holders**

Objective

The rule establishes the number of continuing education hours by topics that are required for a retired licensee or certificate holder.

3. Authorization of the Rules by Existing Statute

The agency's general and specific rulemaking authority is found in A.R.S. 32-1207(A)(1) and (B)(3).

8. Completion of the Previous Five-Year-Review Report Process

The last five-year-review report was completed and indicated the rule needs to be updated to include the license renewal requirements for Dental Therapists. The rule was amended by final rulemaking at 28 A.A.R. 1898, effective September 12, 2022.

11. For Rules Adopted After July 29, 2010 that Require Issuance of a Regulatory Permit, License, or Agency Authorization, Whether the Rule Complies with the General Permit Requirement in A.R.S. § 41-1037.

The rule was adopted before July 29, 2010.

12 Proposed Course of Action

The rule requires no course of action.

**R4-11-1209 Types of Courses**

Objective

The rule establishes the types of continuing education courses recognized by the Board.

3. Authorization of the Rules by Existing Statute

The agency's general and specific rulemaking authority is found in A.R.S. 32-1207(A)(1) and (B)(3).

8. Completion of the Previous Five-Year-Review Report Process

The last five-year rule review report was completed and did not identify any needed course of action.

11. For Rules Adopted After July 29, 2010 that Require Issuance of a Regulatory Permit, License, or Agency Authorization, Whether the Rule Complies with the General Permit Requirement in A.R.S. § 41-1037.

The rule does not require issuance of a regulatory permit, license, or agency authorization.

12. Proposed Course of Action

The rule requires no course of action.

**R4-11-1401 Prescribing**

Objective

The rule establishes the requirements of a prescription order for dispensing by a dentist.

3. Authorization of the Rules by Existing Statute

The agency's general and specific rulemaking authority is found in A.R.S. 32-1201(21)(C) and (u), 32-1207, and 32-1298(C ) and (F).

8. Completion of the Previous Five-Year –Review Report Process

The last five-year-review report was completed and did not identify any needed course of action.

11. For Rules Adopted After July 29, 2010 that Require Issuance of a Regulatory Permit, License, or Agency Authorization, Whether the Rule Complies with the General Permit Requirement in A.R.S. § 41-1037.

The rule was adopted before July 29, 2010.

12. Proposed Course of Action

The rule requires no action.

**R4-11-1402 Labeling and Dispensing**

Objective

The rule establishes the specific labeling and dispensing requirements for dispensing by a dentist.

3. Authorization of the rules by existing statute

The agency's general and specific rulemaking authority is found in A.R.S. 32-1201(21)(C) and (u), 32-1207, and 32-1298(E).

8. Completion of the Previous Five-Year –Review Report Process

The last five-year-review report was completed and did not identify any needed course of action.

11. For Rules Adopted After July 29, 2010 that Require Issuance of a Regulatory Permit, License, or Agency Authorization, Whether the Rule Complies with the General Permit Requirement in A.R.S. § 41-1037.

The rule was adopted before July 29, 2010.

12. Proposed Course of Action
The rule requires no action.

**R4-11-1403 Storage and Packaging**

Objective
The rule establishes the storage and packaging requirements for dispensing by a dentist.

3. Authorization of the rules by existing statute
The agency's general and specific rulemaking authority is found in A.R.S. 32-1201(21)(C) and (u), 32-1207, and 32-1298(E).

8. Completion of the Previous Five-Year –Review Report Process
The last five-year-review report was completed and did not identify any needed course of action.

11. For Rules Adopted After July 29, 2010 that Require Issuance of a Regulatory Permit, License, or Agency Authorization, Whether the Rule Complies with the General Permit Requirement in A.R.S. § 41-1037.
The rule was adopted before July 29, 2010.

12. Proposed Course of Action
The rule requires no action.

**R4-11-1404 Recordkeeping**

Objective
The rule establishes the recordkeeping requirements for dispensing by a dentist.

3. Authorization of the rules by existing statute
The agency's general and specific rulemaking authority is found in A.R.S. 32-1201(21)(C) and (u), 32-1207, and 32-1298(E ).

8. Completion of the Previous Five-Year –Review Report Process
The last five-year-review report was completed and did not identify any needed course of action.

11. For Rules Adopted After July 29, 2010 that Require Issuance of a Regulatory Permit, License, or Agency Authorization, Whether the Rule Complies with the General Permit Requirement in A.R.S. § 41-1037.
The rule was adopted before July 29, 2010.

12. Proposed Course of Action
The rule requires no action.

**R4-11-1405 Compliance**

Objective
The rule establishes the reporting requirements for a theft or loss of controlled substances and the possible disciplinary actions for violations of Article 14.

3. Authorization of the rules by existing statute
The agency's general and specific rulemaking authority is found in A.R.S. 32-1201(21)(C) and (u), 32-1207, and 32-1298(E).

8. Completion of the Previous Five-Year –Review Report Process
The last five-year-review report was completed and proposed the rule be amended to be consistent with 21 CFR 1301.76(b). The rule was amended by final rulemaking at 28 A.A.R. 1898, effective September 12, 2022.

11. For Rules Adopted After July 29, 2010 that Require Issuance of a Regulatory Permit, License, or Agency Authorization, Whether the Rule Complies with the General Permit Requirement in A.R.S. § 41-1037.
The rule was adopted before July 29, 2010.

12. Proposed Course of Action
The rule requires no action.

**R4-11-1501 Ex-parte Communication**

Objective
The rule establishes that a complainant or regulated party against whom a complaint is filed shall not engage in ex-parte communication with the decision maker in the matter.

3. Authorization of the rules by existing statute
The agency's general and specific rulemaking authority is found in A.R.S. 32-1207(A)(1) and 32-1263.02.

8. Completion of the Previous Five-Year-Review Report Process
The last five-year-review report was completed and did not identify any needed course of action.

11. For Rules Adopted After July 29, 2010 that Require Issuance of a Regulatory Permit, License, or Agency Authorization, Whether the Rule Complies with the General Permit Requirement in A.R.S. § 41-1037.
The rule does not require issuance of a regulatory permit, license, or agency authorization.

12. Proposed Course of Action
The rule requires no action.

**R4-11-1502 Complaint Investigator Qualifications**

Objective

The rule establishes the qualifications for the Board's complaint investigators.

3. Authorization of the rules by existing statute
The agency's general and specific rulemaking authority is found in A.R.S. 32-1207(A)(1) and 32-1263.02.

8. Completion of the Previous Five-Year-Review Report Process
The last five-year-review report was completed and indicated the rule needs to be amended to account for Dental Therapists pursuant to A.R.S. §§ 32-1276 et seq. The rule was amended by final rulemaking at 29 A.A.R. 1330, effective July 10, 2023.

11. For Rules Adopted After July 29, 2010 that Require Issuance of a Regulatory Permit, License, or Agency Authorization, Whether the Rule Complies with the General Permit Requirement in A.R.S. § 41-1037.
The rule does not require issuance of a regulatory permit, license, or agency authorization.

12. Proposed Course of Action
The rule requires no action.

**R4-11-1503 Initial Complaint Review**

Objective
The rule establishes the Board's complaint review procedures. The rule is necessary for completion of the complaint process.

3. Authorization of the rules by existing statute
The agency's general and specific rulemaking authority is found in A.R.S. 32-1207(A)(1) and 32-1263.02.

8. Completion of the Previous Five-Year-Review Report Process
The last five-year-review report was completed and indicated the rule needed to be updated to remove the requirement for certified mail and allow the Board to send notice of complaints by email in order to provide multiple and more timely methods of notice. The rule needed to be updated to include dental therapists. The rule needed to be updated to allow the Board to disclose the identity of the licensee who is subject to a complaint to a dental consultant performing a clinical examination in order to ensure there is no conflict of interest. This rule needed to be updated to allow the Board to take emergency action against a licensee in order to protect public health and safety consistent with A.R.S. §§ 32-1201.01 and 32-1263. The rule was amended by final rulemaking at 29 A.A.R. 3793, effective January 29, 2024.

11. For Rules Adopted After July 29, 2010 that Require Issuance of a Regulatory Permit, License, or Agency Authorization, Whether the Rule Complies with the General Permit Requirement in A.R.S. § 41-1037.
The rule does not require issuance of a regulatory permit, license, or agency authorization.

12. Proposed Course of Action
The rule requires no action.

**R4-11-1504 Postponement of Investigative or Informal Interview**

Objective
The rule establishes the requirements for postponing an investigative or formal interview and provides a necessary part of the complaint process.

3. Authorization of the rules by existing statute
The agency's general and specific rulemaking authority is found in A.R.S. 32-1207(A)(1) and 32-1263.02.

8. Completion of the Previous Five-Year-Review Report Process
The last five-year-review report was completed and did not identify any needed course of action.

11. For Rules Adopted After July 29, 2010 that Require Issuance of a Regulatory Permit, License, or Agency Authorization, Whether the Rule Complies with the General Permit Requirement in A.R.S. § 41-1037.
The rule does not require issuance of a regulatory permit, license, or agency authorization.

12. Proposed Course of Action
The rule requires no action.

**R4-11-1801 Application**

Objective
The rule establishes the requirements for business entity registration, as required by statute.

3. Authorization of the rules by existing statute
The agency's general and specific rulemaking authority is found in A.R.S. 32-1207(A)(1), 32-1213(B)(4), and 32-1213(M).

8. Completion of the Previous Five-Year –Review Report Process
The last five-year-review report was completed and did not identify any needed course of action.

11. For Rules Adopted After July 29, 2010 that Require Issuance of a Regulatory Permit, License, or Agency Authorization, Whether the Rule Complies with the General Permit Requirement in A.R.S. § 41-1037.
The rule was adopted before July 29, 2010.

12. Proposed Course of Action
The rule requires no action.

**R4-11-1802 Display of Registration**

Objective
The rule establishes the requirements for business entity display of registration, as required by statute.

3. Authorization of the rules by existing statute
The agency's general and specific rulemaking authority is found in A.R.S. 32-1207(A)(1), 32-1213(B)(4) and 32-1213(M)

8. Completion of the Previous Five-Year –Review Report Process
The last five-year-review report was completed and did not identify any needed course of action.

11. For Rules Adopted After July 29, 2010 that Require Issuance of a Regulatory Permit, License, or Agency Authorization, Whether the Rule Complies with the General Permit Requirement in A.R.S. § 41-1037.
The rule was adopted before July 29, 2010.

12. Proposed Course of Action
The rule requires no action.

# ARIZONA STATE BOARD OF DENTAL EXAMINERS

2025 Five-Year Review, Title 4, Chapter 11

**Articles 11, 12, 14, 15, and 18**

| Rule No. | Title | Last Revision | Eff. | Enf. | C | CCU | PB/ LB | ARS Authority | EIS Comp. | PCA |
|---|---|---|---|---|---|---|---|---|---|---|
| R4-11-1101 | Advertising | 04/02/2005 | Y | Y | Y | Y | Y | 32-1207(A)(1) and 32-1201(21)(t) | No Change | None. |
| R4-11-1102 | Advertising as a Recognized Specialist | 04/02/2005 | Y | Y | N | Y | Y | 32-1207(A)(1) and 32-1201(21)(t) | No Change | The Board completed several rulemakings that took precedence due to safety concerns, including drafting significant changes to the Board's anesthesia and sedation rules. The rule still needs to be updated to account for dental therapists in subsection (D) pursuant to A.R.S. § 32-1276 et seq. |
| R4-11-1201 | Continuing Dental Education | 04/02/2005 | Y | Y | Y | Y | Y | 32-1207(A)(1) and (B)(3) | No Change | None. |
| R4-11-1202 | Continuing Education Compliance and Renewal Requirements | 09/12/2022 | Y | Y | Y | Y | Y | 32-1207(A)(1) and (B)(3) | No Change | The rule was amended by final rulemaking at 28 A.A.R. 1898, effective September 12, 2022, to require a licensee to provide documentation of continuing education within 35 days of notice of audit. No other course of action is proposed. |
| R4-11-1203 | Dentists and Dental Consultants | 09/12/2022 | Y | Y | Y | Y | Y | 32-1207(A)(1) and (B)(3) | No Change | The rule was amended by final rulemaking at 28 A.A.R. 1898, effective September 12, 2022, to specifically include opioid education in order to be consistent with A.R.S. § 32-3248.02. No other course of action is proposed. |
| R4-11-1204 | Dental Hygienists | 09/12/2022 | Y | Y | Y | Y | Y | 32-1207(A)(1) and (B)(3) | No Change | None. |
| R4-11-1205 | Denturists | 09/12/2022 | Y | Y | Y | Y | Y | 32-1207(A)(1) and (B)(3) | No Change | None. |
| R4-11-1206 | Restricted Permit Holders - Dental | 09/12/2022 | Y | Y | Y | Y | Y | 32-1207(A)(1) and (B)(3) | No Change | None. |

| | | | | | | | | | | |
|---|---|---|---|---|---|---|---|---|---|---|
| R4-11-1207 | Restricted Permit Holders - Dental Hygiene | 09/12/2022 | Y | Y | Y | Y | Y | 32-1207(A)(1) and (B)(3) | No Change | None. |
| R4-11-1208 | Retired Licensees or Certificate Holders | 09/12/2022 | Y | Y | Y | Y | Y | 32-1207(A)(1) and (B)(3) | No Change. | The rule was amended by final rulemaking at 28 A.A.R. 1898, effective September 12, 2022, to include the license renewal requirements for dental therapists under A.R.S. § 32-1276.02. No other course of action is proposed. |
| R4-11-1209 | Types of Courses | 09/12/2022 | Y | Y | Y | Y | Y | 32-1207(A)(1) and (B)(3) | No Change | None. |
| R4-11-1401 | Prescribing | 04/02/2005 | Y | Y | Y | Y | Y | 32-1201(21)(c) and (u), 32-1207, and 32-1298(C) and (F) | No Change. | None. |
| R4-11-1402 | Labeling and Dispensing | 04/02/2005 | Y | Y | Y | Y | Y | 32-1201(21)(c) and (u), 32-1207, and 32-1298((E) | No Change. | None. |

# TITLE 4. PROFESSIONS AND OCCUPATIONS

## CHAPTER 11. STATE BOARD OF DENTAL EXAMINERS

The table of contents on page one contains links to the referenced page numbers in this Chapter.
Refer to the notes at the end of a Section to learn about the history of a rule as it was published in the *Arizona Administrative Register*.

This Chapter contains rules that were filed to be codified in the *Arizona Administrative Code* between the dates of October 1, 2023 through December 31, 2023

**Questions about these rules? Contact:**

Board: State Board of Dental Examiners
Address: 1740 W. Adams St., Suite 2470
Phoenix, AZ 85007
Website: https://dentalboard.az.gov
Name: Ryan Edmonson, Executive Director
Telephone: (602) 542-4493
Email: ryan.edmonson@dentalboard.az.gov

**The release of this Chapter in Supp. 23-4 replaces Supp. 23-2, 1-37 pages.**
Please note that the Chapter you are about to replace may have rules still in effect after the publication date of this supplement. Therefore, all superseded material should be retained in a separate binder and archived for future reference.

## PREFACE

Under Arizona law, the Department of State, Office of the Secretary of State (Office), Administrative Rules Division, accepts state agency rule notice and other legal filings and is the publisher of Arizona rules. The Office of the Secretary of State does not interpret or enforce rules in the *Administrative Code*. Questions about rules should be directed to the state agency responsible for the promulgation of the rule.

Scott Cancelosi, Director
ADMINISTRATIVE RULES DIVISION

---

### RULES

The definition for a rule is provided for under A.R.S. § 41-1001. *"'Rule' means an agency statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedures or practice requirements of an agency."*

### THE ADMINISTRATIVE CODE

The *Arizona Administrative Code* is where the official rules of the state of Arizona are published. The *Code* is the official codification of rules that govern state agencies, boards, and commissions.

The *Code* is separated by subject into Titles. Titles are divided into Chapters. A Chapter includes state agency rules. Rules in Chapters are divided into Articles, then Sections. The "R" stands for "rule" with a sequential numbering and lettering outline separated into subsections.

Rules are codified quarterly in the *Code*. Supplement release dates are printed on the footers of each Chapter.

First Quarter: January 1 - March 31
Second Quarter: April 1 - June 30
Third Quarter: July 1 - September 30
Fourth Quarter: October 1 - December 31

For example, the first supplement for the first quarter of 2022 is cited as Supp. 22-1. Supplements are traditionally released three to four weeks after the end of the quarter because filings are accepted until the last day of the quarter.

Please note: The Office publishes by Chapter, not by individual rule Section. Therefore there might be only a few Sections codified in each Chapter released in a supplement. This is why the Office lists only updated codified Sections on the previous page.

### RULE HISTORY

Refer to the HISTORICAL NOTE at the end of each Section for the effective date of a rule. The note also includes the *Register* volume and page number in which the notice was published (A.A.R.) and beginning in supplement 21-4, the date the notice was published in the *Register*.

### AUTHENTICATION OF PDF CODE CHAPTERS

The Office began to authenticate Chapters of the *Code* in Supp. 18-1 to comply with A.R.S. §§ 41-1012(B) and A.R.S. § 41-5505.

A certification verifies the authenticity of each *Code* Chapter posted as it is released by the Office of the Secretary of State. The authenticated pdf of the *Code* includes an integrity mark with a certificate ID. Users should check the validity of the signature, especially if the pdf has been downloaded. If the digital signature is invalid it means the document's content has been compromised.

### HOW TO USE THE CODE

Rules may be in effect before a supplement is released by the Office. Therefore, the user should refer to issues of the *Arizona Administrative Register* for recent updates to rule Sections.

### ARIZONA REVISED STATUTE REFERENCES

The Arizona Revised Statutes (A.R.S.) are available online at the Legislature's website, www.azleg.gov. An agency's authority note to make rules is often included at the beginning of a Chapter. Other Arizona statutes may be referenced in rule under the A.R.S. acronym.

### SESSION LAW REFERENCES

Arizona Session Law references in a Chapter can be found at the Secretary of State's website, www.azsos.gov under Services-> Legislative Filings.

### EXEMPTIONS FROM THE APA

It is not uncommon for an agency to be exempt from the steps outlined in the rulemaking process as specified in the Arizona Administrative Procedures Act, also known as the APA (Arizona Revised Statutes, Title 41, Chapter 6, Articles 1 through 10). Other agencies may be given an exemption to certain provisions of the Act.

An agency's exemption is written in law by the Arizona State Legislature or under a referendum or initiative passed into law by Arizona voters.

When an agency files an exempt rulemaking package with our Office it specifies the law exemption in what is called the preamble of rulemaking. The preamble is published in the *Register* online at www.azsos.gov/rules, click on the *Administrative Register* link.

Editor's notes at the beginning of a Chapter provide information about rulemaking Sections made by exempt rulemaking. Exempt rulemaking notes are also included in the historical note at the end of a rulemaking Section.

The Office makes a distinction to certain exemptions because some rules are made without receiving input from stakeholders or the public. Other exemptions may require an agency to propose exempt rules at a public hearing.

### PERSONAL USE/COMMERCIAL USE

This Chapter is posted as a public courtesy online, and is for private use only. Those who wish to use the contents for resale or profit should contact the Office about Commercial Use fees. For information on commercial use fees review A.R.S. § 39-121.03 and 1 A.A.C. 1, R1-1-113.

*Rhonda Paschal, rules managing editor, assisted with the editing of this Chapter.*

# TITLE 4. PROFESSIONS AND OCCUPATIONS

# CHAPTER 11. STATE BOARD OF DENTAL EXAMINERS

Authority: A.R.S. §§ 32-1201 et seq.

**Supp. 23-4**

## CHAPTER TABLE OF CONTENTS

***Editor's Note: All former rules renumbered, new Article 11 added (Supp. 81-4).***

### ARTICLE 1. DEFINITIONS

*Article 1, consisting of Section R4-11-101, adopted by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).*

*Article 1, consisting of Sections R4-11-101 through R4-11-103, renumbered to Article 2, Sections R4-11-201 through R4-11-203; Sections R4-11-104 and R4-11-105 repealed, by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).*

### ARTICLE 2. LICENSURE BY CREDENTIAL

*New Article 2, consisting of Sections R4-11-201 through R4-11-205, made by final rulemaking at 9 A.A.R. 4126, effective November 8, 2003 (Supp. 03-3).*

*Article 2, consisting of Sections R4-11-201 through R4-11-203, expired under A.R.S. § 41-1056(E), effective April 30, 2001 (Supp. 01-2).*

*Article 2, consisting of Sections R4-11-201 through R4-11-203, renumbered from Article 1, Sections R4-11-101 through R4-11-103 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).*

*Article 2, consisting of Sections R4-11-201 and R4-11-203, renumbered to Article 3, Sections R4-11-301 and R4-11-302; Sections R4-11-202 and R4-11-204 through R4-11-216 repealed by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).*

### ARTICLE 3. EXAMINATIONS, LICENSING QUALIFICATIONS, APPLICATION AND RENEWAL, TIME-FRAMES

*Article 3, consisting of Sections R4-11-301 and R4-11-302, renumbered from Article 2, Sections R4-11-201 and R4-11-203 and amended; new Sections R4-11-303 through R4-11-305 adopted, by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).*

*Article 3, consisting of Sections R4-11-301 through R4-11-304, repealed by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).*

### ARTICLE 4. FEES

*Article 4, consisting of Sections R4-11-401 through R4-11-407, renumbered from Article 9, Sections R4-11-901 through R4-11-906 and R4-11-909, amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).*

*Article 4, consisting of Sections R4-11-401 through R4-11-403 and R4-11-408, renumbered to Article 6, Sections R4-11-601 through R4-11-603, by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).*

## ARTICLE 5. DENTISTS

*Article 5, consisting of Section R4-11-501, renumbered from Article 11, Section R4-11-1102, amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).*

*Article 5, consisting of Section R4-11-502 and R4-11-504, renumbered to Article 7, Sections R4-11-701 and R4-11-702; Sections R4-11-501 and R4-11-503 repealed, by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).*

## ARTICLE 6. DENTAL HYGIENISTS

*Article 6, consisting of Sections R4-11-601 through R4-11-603, renumbered from Article 4, Sections R4-11-402, R4-11-403, and R4-11-408 and amended; Sections R4-11-604 through R4-11-608 adopted, by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).*

*Article 6, consisting of Sections R4-11-602 and R4-11-603, renumbered to Article 10, Sections R4-11-1001 and R4-11-1002, and Section R4-11-601 repealed, by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).*

## ARTICLE 7. DENTAL ASSISTANTS

*Article 7, consisting of Sections R4-11-701 and R4-11-702, renumbered from Article 5, Sections R4-11-502 and R4-11-504, and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).*

*Article 7, consisting of Section R4-11-701, renumbered to Article 5, Section R4-11-502, and Sections R4-11-702 through R4-11-710 repealed, by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).*

## ARTICLE 8. DENTURISTS

*Article 8, consisting of Sections R4-11-801 and R4-11-802, renumbered from Article 12, Sections R4-11-1201 and R4-11-1202, and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).*

*Article 8, consisting of Sections R4-11-802 through R4-11-806, renumbered to Article 13, Sections R4-11-1301 through R4-11-1305, and Section R4-11-801 repealed, by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).*

## ARTICLE 9. RESTRICTED PERMITS

*Article 9, consisting of Sections R4-11-901 through R4-11-905, renumbered from Article 10, Sections R4-11-1001 through R4-11-1005 and amended; Section R4-11-906 adopted, by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).*

*Article 9, consisting of Sections R4-11-901 through R4-11-906 and R4-11-909, renumbered to Article 4, Sections R4-11-401 through R4-11-407, and Sections R4-11-907 and R4-11-908 repealed, by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).*

## ARTICLE 10. DENTAL TECHNICIANS

*Article 10, consisting of Sections R4-11-1001 and R4-11-1002, renumbered from Article 6, Section R4-11-602 and R4-11-603, amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).*

*Article 10, consisting of Sections R4-11-1001 through R4-11-1005, renumbered to Article 9, Sections R4-11-901 through R4-11-905, by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).*

## ARTICLE 11. ADVERTISING

*Article 11, consisting of Section R4-11-1101, adopted by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).*

*Article 11, consisting of Section R4-11-1102, renumbered to Article 5, Section R4-11-501, and Section R4-11-1104 repealed by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).*

## ARTICLE 12. CONTINUING DENTAL EDUCATION AND RENEWAL REQUIREMENTS

*Article 12, consisting of Sections R4-11-1201 through R4-11-1207, renumbered from Article 14, Sections R4-11-1402 through R4-11-1408 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).*

*Article 12, consisting of Sections R4-11-1201 and R4-11-1202, renumbered to Article 8, Sections R4-11-801 and R4-11-802, by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).*

## ARTICLE 13. GENERAL ANESTHESIA AND SEDATION

*Article 13, consisting of Sections R4-11-1301 through R4-11-1305, adopted by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).*

## ARTICLE 14. DISPENSING DRUGS AND DEVICES

*Article 14, consisting of Sections R4-11-1401 through R4-11-1406, made by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1).*

*Article 14 consisting of Sections R4-11-1401 through R4-11-1406, repealed by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1).*

*Article 14, consisting of Sections R4-11-1401 through R4-11-1406, adopted by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).*

*Article 14, consisting of Sections R4-11-1402 through R4-11-1408, renumbered to Article 12, Sections R4-11-1201 through R4-11-1207 and Sections R4-11-1401 and R4-11-1409 repealed, by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).*

*Article 14, consisting of R4-11-1401 through R4-11-1409, adopted effective July 21, 1995 (Supp. 95-3).*

## ARTICLE 15. COMPLAINTS, INVESTIGATIONS, DISCIPLINARY ACTION

*Article 15, consisting of Sections R4-11-1501 through R4-11-1504, adopted by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).*

## ARTICLE 16. DENTAL THERAPISTS

*Article 16, consisting of Sections R4-11-1601 through R4-11-1604, made by final rulemaking at 29 A.A.R. 1330 (June 30, 2023), effective July 10, 2023 (Supp. 23-2).*

*Article 16, consisting of Section R4-11-1601 expired under A.R.S. § 41-1056(E) at 14 A.A.R. 3183, effective April 30, 2008 (Supp. 08-3).*

*Article 16, consisting of Section R4-11-1601 adopted by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).*

## ARTICLE 17. REHEARING OR REVIEW

*Article 17, consisting of Section R4-11-1701, renumbered from Article 7, Section R4-11-701, and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).*

## ARTICLE 18. BUSINESS ENTITIES

*Article 18, consisting of Sections R4-11-1801 and R4-11-1802, made by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1).*

## ARTICLE 1. DEFINITIONS

**R4-11-101. Definitions**

The following definitions, and definitions in A.R.S. § 32-1201, apply to this Chapter:

"Analgesia" means a state of decreased sensibility to pain produced by using nitrous oxide and oxygen with or without Local Anesthesia.

"Business Entity" means a business organization that offers to the public professional services regulated by the Board and is established under the laws of any state or foreign country, including a sole practitioner, partnership, limited liability partnership, corporation, and limited liability company, unless specifically exempted by A.R.S. § 32-1213(J).

"Calculus" means a hard, mineralized deposit attached to the teeth.

"Charitable Dental Clinic or Organization" means a non-profit organization meeting the requirements of 26 U.S.C. 501(c)(3) and providing dental, dental therapy, or dental hygiene services.

"Clinical evaluation" means a dental examination of a patient named in a complaint regarding the patient's dental condition as it exists at the time the examination is performed.

"Controlled substance" has the meaning prescribed in A.R.S. § 36-2501(A)(3).

"Credit hour" means one clock hour of participation in a Recognized Continuing Dental Education program.

"Deep sedation" is a Drug-induced depression of consciousness during which a patient cannot be easily aroused but responds purposefully following repeated or painful stimulation. The ability to independently maintain ventilatory function may be impaired. The patient may require assistance in maintaining a patent airway, and spontaneous ventilation may be inadequate. Cardiovascular function is maintained.

"Dentist of record" means a dentist who examines, diagnoses, and formulates treatment plans for a patient and may provide treatment to the patient.

"Direct supervision" means, for purposes of Article 7 only, that a licensed dentist is present in the office and available to provide immediate treatment or care to a patient and observe a dental assistant's work.

"Disabled" means a dentist, dental therapist, dental hygienist, or denturist has totally withdrawn from the active practice of dentistry, dental therapy, dental hygiene, or denturism due to a permanent medical disability and based on a physician's order.

"Documentation of attendance" means documents that contain the following information:

Name of sponsoring entity;
Course title;
Number of Credit Hours;
Name of speaker; and
Date, time, and location of the course.

"Drug" means:

Articles recognized, or for which standards or specifications are prescribed, in the official compendium;

Articles intended for use in the diagnosis, cure, mitigation, treatment, or prevention of disease in the human body;

Articles other than food intended to affect the structure of any function of the human body; or

Articles intended for use as a component of any articles specified in this definition but does not include devices or components, parts, or accessories of devices.

"Emerging scientific technology" means any technology used in the treatment of oral disease that is not currently generally accepted or taught in a recognized dental, dental therapy, or dental hygiene school and use of the technology poses material risks.

"Epithelial attachment" means the layer of cells that extends apically from the depth of the gingival sulcus along the tooth, forming an organic attachment.

"Ex-parte communication" means a written or oral communication between a decision maker, fact finder, or Board member and one party to the proceeding, in the absence of other parties.

"General anesthesia" is a Drug-induced loss of consciousness during which the patient is not arousable, even by painful stimulation. The ability to independently maintain ventilatory function is often impaired. The patient often requires assistance in maintaining a patent airway, and positive-pressure ventilation may be required because of depressed spontaneous ventilation or Drug-induced depression of neuromuscular function. Cardiovascular function may be impaired.

"General supervision" means, for purposes of Article 7 only, a licensed dentist is available for consultation, whether or not the dentist is in the office, regarding procedures or treatment that the dentist authorizes and for which the dentist remains responsible.

"Homebound patient" means a person who is unable to receive dental care in a dental office as a result of a medically diagnosed disabling physical or mental condition.

"Irreversible procedure" means a single treatment, or a step in a series of treatments, that causes change in the affected hard or soft tissues and is permanent or may require reconstructive or corrective procedures to correct the changes.

"Licensee" means a dentist, dental therapist, dental hygienist, dental consultant, retired licensee, or person who holds a restricted permit under A.R.S. §§ 32-1237 or 32-1292.

"Local anesthesia" is the elimination of sensations, such as pain, in one part of the body by the injection of an anesthetic Drug.

"Minimal sedation" is a minimally depressed level of consciousness that retains a patient's ability to independently and continuously maintain an airway and respond appropriately to light tactile stimulation, not limited to reflex withdrawal from a painful stimulus, or verbal command and that is produced by a pharmacological or non-pharmacological method or a combination thereof. Although cognitive function and coordination may be modestly impaired, ventilatory and cardiovascular functions are unaffected. In accord with this particular definition, the Drugs or techniques used should carry a margin of safety wide enough to render unintended loss of consciousness unlikely.

"Mobile dental permit holder" means a Licensee or denturist who holds a mobile permit under R4-11-1301, R4-11-1302, or R4-11-1303.

"Moderate sedation" is Drug-induced depression of consciousness during which a patient responds purposefully to verbal commands either alone or accompanied by light tactile stimulation, not limited to reflex withdrawal from a painful stimulus. No interventions are required to maintain a patent airway, and spontaneous ventilation is adequate. Cardiovascular function is maintained. The Drugs or techniques used should carry a margin of safety wide enough to render unintended loss of consciousness unlikely. Repeated dosing of a Drug before the effects of previous dosing can be fully recognized may result in a greater alteration of the state of consciousness than intended by the permit holder.

"Nitrous oxide analgesia" means nitrous oxide used as an inhalation analgesic.

"Official compendium" means the latest revision of the United States Pharmacopeia and the National Formulary and any current supplement.

"Oral sedation" is the enteral administration of a Drug or non-Drug substance or combination inhalation and enterally administered Drug or non-Drug substance in a dental office or dental clinic to achieve Minimal Sedation or Moderate Sedation.

"Parenteral sedation" is a minimally depressed level of consciousness that allows the patient to retain the ability to independently and continuously maintain an airway and respond appropriately to physical stimulation or verbal command and is induced by a pharmacological or non-pharmacological method or a combination of both methods of administration in which the Drug bypasses the gastrointestinal tract.

"Periodontal pocket" means a pathologic fissure bordered on one side by the tooth and on the opposite side by crevicular epithelium and limited in its depth by the Epithelial Attachment.

"Plaque" means a film-like sticky substance composed of mucoidal secretions containing bacteria and toxic products, dead tissue cells, and debris.

"Polishing" means a procedure limited to the removal of Plaque and extrinsic stain from exposed natural and restored tooth surfaces that utilizes an appropriate rotary instrument with rubber cup or brush and Polishing agent. A Licensee or dental assistant shall not represent that this procedure alone constitutes an oral Prophylaxis.

"Prescription-only device" means:

Any device that is restricted by the federal act, as defined in A.R.S. § 32-1901, to use only under the supervision of a medical practitioner; or

Any device required by the federal act, as defined in A.R.S. § 32-1901, to bear on its label the legend "Rx Only."

"Prescription-only Drug" does not include a Controlled Substance but does include:

Any Drug that, because of its toxicity or other potentiality for harmful effect, the method of its use, or the collateral measures necessary to its use, is not generally recognized among experts, qualified by scientific training and experience to evaluate its safety and efficacy, as safe for use except by or under the supervision of a medical practitioner;

Any Drug that is limited by an approved new Drug application under the federal act or A.R.S. § 32-1962 to use under the supervision of a medical practitioner;

Every potentially harmful Drug, the labeling of which does not bear or contain full and adequate directions for use by the consumer; or

Any Drug required by the federal act to bear on its label the legend "RX Only."

"President's designee" means the Board's executive director, an investigator, or a Board member acting on behalf of the Board president.

"Preventative and therapeutic agents" means substances that affect the hard or soft oral tissues to aid in preventing or treating oral disease.

"Prophylaxis" means a Scaling and Polishing procedure performed on patients with healthy tissues to remove coronal Plaque, Calculus, and stains.

"Recognized continuing dental education" means a program whose content directly relates to the art and science of oral health and treatment, provided by a recognized dental school, recognized dental therapy school, recognized dental hygiene school, or recognized denturist school, or sponsored by a national or state dental, dental therapy, dental hygiene, or denturist association, American Dental Association Continuing Education Recognition Program or Academy of General Dentistry, Program Approval for Continuing Education approved provider, dental, dental therapy, dental hygiene, or denturist Study Club, governmental agency, commercial dental supplier, non-profit organization, accredited hospital, or programs or courses approved by other state, district, or territorial dental licensing boards.

"Restricted permit holder" means a dentist who meets the requirements of A.R.S. § 32-1237, or a dental hygienist who meets the requirements of A.R.S. § 32-1292 and is issued a restricted permit by the Board.

"Retired" means a dentist, dental therapist, dental hygienist, or denturist is at least 65 years old and has totally withdrawn from the active practice of dentistry, dental therapy, dental hygiene, or denturism.

"Root planing" means a definitive treatment procedure designed to remove cementum or surface dentin that is rough, impregnated with Calculus, or contaminated with toxins or microorganisms.

"Scaling" means use of instruments on the crown and root surfaces of the teeth to remove Plaque, Calculus, and stains from these surfaces.

"Section 1301 permit" means a permit to administer General Anesthesia and Deep Sedation, employ or work with a physician anesthesiologist, or employ or work with a Certified Registered Nurse Anesthetist under Article 13.

"Section 1302 permit" means a permit to administer Parenteral Sedation, employ or work with a physician anesthesiologist, or employ or work with a Certified Registered Nurse Anesthetist under Article 13.

"Section 1303 permit" means a permit to administer Oral Sedation, employ or work with a physician anesthesiologist, or employ or work with a Certified Registered Nurse Anesthetist under Article 13.

"Section 1304 permit" means a permit to employ or work with a physician anesthesiologist, or employ or work with a Certified Registered Nurse Anesthetist under Article 13.

"Study club" means a group of at least five Arizona licensed dentists, dental therapists, dental hygienists, or denturists who provide written course materials or a written outline for a continuing education presentation that meets the requirements of Article 12.

"Treatment records" means all documentation related directly or indirectly to the dental treatment of a patient.

**Historical Note**

Adopted effective May 12, 1977 (Supp. 77-3). Former Section R4-11-02 renumbered as Section R4-11-102 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-101 renumbered to R4-11-201, new Section R4-11-101 adopted by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Amended by final rulemaking at 9 A.A.R. 1054, effective May 6, 2003 (Supp. 03-1). Section amended by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1). Amended by final rulemaking at 13 A.A.R. 962, effective May 5, 2007 (Supp. 07-1). Amended by final rulemaking at 19 A.A.R. 334 and at 19 A.A.R. 341, effective April 6, 2013 (Supp. 13-1). Amended by final rulemaking at 19 A.A.R. 3873, effective January 5, 2014 (Supp. 13-4). Amended by final rulemaking at 29 A.A.R. 1330 (June 9, 2023), effective July 10, 2023 (Supp. 23-2).

**R4-11-102. Renumbered**

**Historical Note**

Adopted effective May 12, 1977 (Supp. 77-3). Former Section R4-11-02 renumbered as Section R4-11-102 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-102 renumbered to R4-11-202 by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-103. Renumbered**

**Historical Note**

Adopted effective May 12, 1977 (Supp. 77-3). Former Section R4-11-03 renumbered as Section R4-11-103 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-103 renumbered to R4-11-203 by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-104. Repealed**

**Historical Note**

Adopted effective May 12, 1977 (Supp. 77-3). Former Section R4-11-04 renumbered as Section R4-11-104 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-104 repealed by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-105. Repealed**

**Historical Note**

Adopted effective May 12, 1977 (Supp. 77-3). Former Section R4-11-05 renumbered as Section R4-11-105 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-105 repealed by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

## ARTICLE 2. LICENSURE BY CREDENTIAL

*New Article 2, consisting of Sections R4-11-201 through R4-11-205, made by final rulemaking at 9 A.A.R. 4126, effective November 8, 2003 (Supp. 03-3).*

**R4-11-201. Clinical Examination; Requirements**

**A.** If an applicant is applying under A.R.S. §§ 32-1240, 32-1276.07, or 32-1292.01, the Board shall ensure that the applicant has passed the clinical examination of A.R.S. §§ 32-1233(2) for dentists, or 32-1276.01(B)(3)(a) for dental therapists, or 32-1285(2) for dental hygienists, notwithstanding each respective statute's timing stipulation. Satisfactory completion of the clinical examination may be demonstrated by certified documentation, sent directly from another state, United States territory, District of Columbia or a testing agency that meets the requirements of A.R.S. §§ 32-1233(2) for dentists, or 32-1276.01(B)(3)(a) for dental therapists, or 32-1285(2) for dental hygienists, notwithstanding each respective statute's timing stipulation, that confirms successful completion of the clinical examination or multiple examinations administered by the state, United States territory, District of Columbia or testing agency. The certified documentation shall contain the name of the applicant, date of examination or examinations and proof of a passing score.

**B.** An applicant shall meet the licensure requirements in R4-11-301 and R4-11-303.

**Historical Note**

Former Rule 2a; Amended effective November 20, 1979 (Supp. 79-6). Amended effective November 28, 1980 (Supp. 80-6). Former Section R4-11-11 renumbered as Section R4-11-201 and amended effective July 29, 1981 (Supp. 81-4). Former Section R4-11-201 renumbered to R4-11-301, new Section R4-11-201 renumbered from R4-11-101 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section expired under A.R.S. § 41-1056(E), effective April 30, 2001 (Supp. 01-2). New Section made by final rulemaking at 9 A.A.R. 4126, effective November 8, 2003 (Supp. 03-3). Amended by final rulemaking at 22 A.A.R. 371, effective April 3, 2016 (Supp. 16-1). Amended by final rulemaking at 29 A.A.R. 1330 (June 9, 2023), effective July 10, 2023 (Supp. 23-2).

**R4-11-202. Dental Licensure by Credential; Application**

**A.** A dentist applying under A.R.S. § 32-1240 shall comply with all other applicable requirements in A.R.S. Title 32, Chapter 11 and this Article.

**B.** A dentist applying under A.R.S. § 32-1240 shall:

1. Have a current dental license in another state, territory or district of the United States;
2. Submit a written affidavit affirming that the dentist has practiced dentistry for a minimum of 5000 hours during the five years immediately before applying for licensure by credential. For purposes of this subsection, dental practice includes experience as a dental educator at a dental program accredited by the Commission on Dental Accreditation or another post-secondary dental education program accrediting agency recognized by the U.S. Department of Education, or employment as a dentist in a public health setting;
3. Submit a written affidavit affirming that the applicant has complied with the continuing dental education requirement of the state in which the applicant is currently licensed;

4. Provide evidence regarding the clinical examination by complying with R4-11-201(A); and
5. Pass the Arizona jurisprudence examination with a minimum score of 75%.

**C.** For any application submitted under A.R.S. § 32-1240, the Board may request additional clarifying evidence required under R4-11-201(A).

**D.** An applicant for dental licensure by credential shall pay the fee prescribed in A.R.S. § 32-1240, except the fee is reduced by 50% for applicants who will be employed or working under contract in:
1. Underserved areas, such as declared or eligible Health Professional Shortage Areas; or
2. Other facilities caring for underserved populations as recognized by the Arizona Department of Health Services and approved by the Board.

**E.** An applicant for dental licensure by credential who works in areas or facilities described in subsection (D) shall:
1. Commit to a three-year, exclusive service period,
2. File a copy of a contract or employment verification statement with the Board, and
3. As a Licensee, submit an annual contract or employment verification statement to the Board by December 31 of each year.

**F.** A Licensee's failure to comply with the requirements in subsection (E) is considered unprofessional conduct and may result in disciplinary action based on the circumstances of the case.

**Historical Note**

Former Rule 2b; Former Section R4-11-12 renumbered as Section R4-11-202 and amended effective July 29, 1981 (Supp. 81-4). Former Section R4-11-202 repealed, new Section R4-11-202 renumbered from R4-11-102 and the heading amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Labeling changes made to reflect current style requirements (Supp. 99-1). Section expired under A.R.S. § 41-1056(E), effective April 30, 2001 (Supp. 01-2). New Section made by final rulemaking at 9 A.A.R. 4126, effective November 8, 2003 (Supp. 03-3). Amended by final rulemaking at 22 A.A.R. 371, effective April 3, 2016 (Supp. 16-1). Amended by final rulemaking at 29 A.A.R. 1330 (June 9, 2023), effective July 10, 2023 (Supp. 23-2).

**R4-11-203. Dental Hygienist Licensure by Credential; Application**

**A.** A dental hygienist applying under A.R.S. § 32-1292.01 shall comply with all other applicable requirements in A.R.S. Title 32, Chapter 11 and this Article.

**B.** A dental hygienist applying under A.R.S. § 32-1292.01 shall:
1. Have a current dental hygienist license in another state, territory, or district of the United States;
2. Submit a written affidavit affirming that the applicant has practiced as a dental hygienist for a minimum of 1000 hours during the two years immediately before applying for licensure by credential. For purposes of this subsection, dental hygienist practice includes experience as a dental hygienist educator at a dental program accredited by the Commission on Dental Accreditation or another post-secondary dental education program accrediting agency recognized by the U.S. Department of Education, or employment as a dental hygienist in a public health setting;
3. Submit a written affidavit affirming that the applicant has complied with the continuing dental hygienist education requirement of the state in which the applicant is currently licensed;
4. Provide evidence regarding the clinical examination by complying with R4-11-201(A); and
5. Pass the Arizona jurisprudence examination with a minimum score of 75%.

**C.** For any application submitted under A.R.S. § 32-1292.01, the Board may request additional clarifying evidence as required under R4-11-201(A).

**D.** An applicant for dental hygienist licensure by credential shall pay the fee prescribed in A.R.S. § 32-1292.01, except the fee is reduced by 50% for applicants who will be employed or working under contract in:
1. Underserved areas such as declared or eligible Health Professional Shortage Areas; or
2. Other facilities caring for underserved populations, as recognized by the Arizona Department of Health Services and approved by the Board.

**E.** An applicant for dental hygienist licensure by credential who works in areas or facilities described in subsection (D) shall:
1. Commit to a three-year exclusive service period,
2. File a copy of a contract or employment verification statement with the Board, and
3. As a Licensee, submit an annual contract or employment verification statement to the Board by December 31 of each year.

**F.** A Licensee's failure to comply with the requirements in R4-11-203(E) is considered unprofessional conduct and may result in disciplinary action based on the circumstances of the case.

**Historical Note**

Former Rule 2c; Former Section R4-11-13 repealed, new Section R4-11-13 adopted effective November 20, 1979 (Supp. 79-6). Amended effective October 30, 1980 (Supp. 80-5). Former Section R4-11-13 renumbered as Section R4-11-203 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-203 renumbered to R4-11-302, new Section R4-11-203 renumbered from R4-11-103 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section expired under A.R.S. § 41-1056(E), effective April 30, 2001 (Supp. 01-2). New Section made by final rulemaking at 9 A.A.R. 4126, effective November 8, 2003 (Supp. 03-3). Amended by final rulemaking at 22 A.A.R. 371, effective April 3, 2016 (Supp. 16-1). Amended by final rulemaking at 29 A.A.R. 1330 (June 9, 2023), effective July 10, 2023 (Supp. 23-2).

**R4-11-204. Dental Assistant Radiography Certification by Credential**

Eligibility. To be eligible for dental assistant radiography certification by credential, an applicant shall have a current certificate or other form of approval for taking dental radiographs, issued by a professional licensing agency in another state, United States territory or the District of Columbia that required successful completion of a written dental radiography examination.

**Historical Note**

Former Rule 2d; Former Section R4-11-14 repealed, new Section R4-11-14 adopted effective April 27, 1977 (Supp. 77-2). Former Section R4-11-14 renumbered as Section R4-11-204, repealed, and new Section R4-11-204 adopted effective July 29, 1981 (Supp. 81-4). Former

Section R4-11-204 repealed by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). New Section made by final rulemaking at 9 A.A.R. 4126, effective November 8, 2003 (Supp. 03-3). Amended by final rulemaking at 22 A.A.R. 371, effective April 3, 2016 (Supp. 16-1).

**R4-11-205. Application for Dental Assistant Radiography Certification by Credential**

**A.** An applicant for dental assistant radiography certification by credential shall provide to the Board a completed application, on a form furnished by the Board that contains the following information:
1. A sworn statement of the applicant's eligibility, and
2. A letter from the issuing institution that verifies compliance with R4-11-204.

**B.** Based upon review of information provided under subsection (A), the Board or its designee shall request that an applicant for dental assistant radiography certification by credential provide a copy of a certified document that indicates the reason for a name change if the applicant's documentation contains different names.

**Historical Note**

Former Rule 2e; Former Section R4-11-15 renumbered as Section R4-11-205 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-205 repealed by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). New Section made by final rulemaking at 9 A.A.R. 4126, effective November 8, 2003 (Supp. 03-3).

**R4-11-206. Dental Therapist Licensure by Credential; Application**

**A.** A dental therapist applying under A.R.S. § 32-1276.07 shall comply with all other applicable requirements in A.R.S. Title 32, Chapter 11 and this Article.

**B.** A dental therapist applying under A.R.S. § 32-1276.07 shall:
1. Have a current dental therapy license in another state, territory or district of the United States with substantially the same scope of practice as defined in A.R.S. § 32-1276.03;
2. Submit a written affidavit affirming that the applicant has practiced as a dental therapist for a minimum of 3000 hours during the five years immediately before applying for licensure by credential. For purposes of this subsection, dental therapy practice includes experience as a dental therapy educator at a dental program accredited by the Commission on Dental Accreditation or another post-secondary dental education program accrediting agency recognized by the U.S. Department of Education, or employment as a dental therapist in a public health setting;
3. Submit a written affidavit affirming that the applicant has complied with the continuing dental therapy education requirement of the state in which the applicant is currently licensed;
4. Provide evidence showing that five years or more before applying for licensure under this Section, the applicant completed the clinical examination by complying with R4-11-201(A);
5. Submit official transcripts to the Board directly from a recognized dental therapy school as defined by A.R.S. § 32-1201(21) or an approved third party showing a degree was conferred to the applicant; and
6. Not be required to obtain an Arizona dental hygienist license, if the dental therapist submits one of the following:
   a. Certified documentation of a current or past dental hygiene license sent directly from the applicable state, United States territory, District of Columbia to the Board; or
   b. Official transcripts sent to the Board directly from a recognized dental hygiene school as defined by A.R.S. § 32-1201(19) or an approved third party showing a degree was conferred to the applicant; or
   c. A written affidavit from a recognized dental therapy school as defined in A.R.S. § 32-1201(21) affirming that all dental hygiene procedures defined in A.R.S. § 32-1281 were part of the education the applicant received.

**C.** For any application submitted under A.R.S. § 32-1276.07, the Board may request additional clarifying evidence required under R4-11-201(A).

**D.** If an applicant meets all the requirements set forth in this Section except that their current dental therapy license is from a state, territory, or district of the United States that does not include one or more of the following procedures in its legally defined scope, then the applicant must provide evidence of competency before being granted a dental therapy license by credential:
1. Fabricating soft occlusal guards;
2. Administering Nitrous Oxide Analgesia;
3. Performing nonsurgical extractions of periodontally diseased permanent teeth that exhibit plus or grade three mobility and that are not impacted, fractured, unerupted or in need of sectioning for removal;
4. Suturing; or
5. Placing space maintainers.

**E.** The Board will accept the any of following as evidence of competency in the aforementioned procedures:
1. A certificate or credential in the procedure or procedures issued by a state licensing jurisdiction; or
2. A signed affidavit from a recognized dental therapy school, recognized dental hygiene school, or recognized dental school, affirming that the applicant successfully completed academic coursework that included both theory and supervised clinical practice in the procedure or procedures.

**F.** Subject to A.R.S. § 32-1276.04, an applicant for licensure under this Section shall pay the fee prescribed in A.R.S. § 32-1276.07, except the fee is reduced by 50% for applicants who will be employed or working under contract in:
1. Underserved areas, such as declared or eligible Health Professional Shortage Areas; or
2. Other facilities caring for underserved populations as recognized by the Arizona Department of Health Services and approved by the Board.

**G.** An applicant for dental therapist licensure by credential who works in areas or facilities described in subsection (F) shall:
1. Commit to a three-year, exclusive service period,
2. File a copy of a contract or employment verification statement with the Board, and
3. As a Licensee, submit an annual contract or employment verification statement to the Board by December 31 of each year.

**H.** A Licensee's failure to comply with the requirements in subsection (G) is considered unprofessional conduct and may

result in disciplinary action based on the circumstances of the case.

**Historical Note**

Former Rule 2f; Amended as an emergency effective July 7, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-4). Former emergency adoption now adopted and amended effective September 7, 1979 (Supp. 79-5). Former Section R4-11-16 renumbered as Section R4-11-206 and amended effective July 29, 1981 (Supp. 81-4). Former Section R4-11-206 repealed by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). New Section made by final rulemaking at 29 A.A.R. 1330 (June 9, 2023), effective July 10, 2023 (Supp. 23-2).

**R4-11-207. Repealed**

**Historical Note**

Former Rule 2g; Former Section R4-11-17 renumbered as Section R4-11-207, repealed, and new Section R4-11-207 adopted effective July 29, 1981 (Supp. 81-4). Former Section R4-11-207 repealed by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-208. Repealed**

**Historical Note**

Former Section R4-11-20 repealed, new Section R4-11-20 adopted effective May 12, 1977 (Supp. 77-3). Amended effective October 30, 1980 (Supp. 80-5). Former Section R4-11-20 renumbered as Section R4-11-208 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-208 repealed by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-209. Repealed**

**Historical Note**

Adopted effective March 23, 1976 (Supp. 76-2). Former Section R4-11-19 renumbered as R4-11-209 and repealed. Former Section R4-11-21 renumbered as Section R4-11-209 and amended effective July 29, 1981 (Supp. 81-4). Former Section R4-11-209 repealed by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-210. Repealed**

**Historical Note**

Adopted effective March 23, 1976 (Supp. 76-2). Amended effective June 7, 1978 (Supp. 78-3). Former Section R4-11-22 renumbered as Section R4-11-210 and amended effective July 29, 1981 (Supp. 81-4). Former Section R4-11-210 repealed by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-211. Repealed**

**Historical Note**

Adopted effective August 26, 1977 (Supp. 77-4). Former Section R4-11-23 renumbered as Section R4-11-211 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-211 repealed by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-212. Repealed**

**Historical Note**

Adopted effective March 28, 1978 (Supp. 78-2). Former Section R4-11-24 renumbered as Section R4-11-212 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-212 repealed by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-213. Repealed**

**Historical Note**

Adopted as an emergency effective July 7, 1978, pursuant to A.R.S. § 41-1003, valid for only 90 days (Supp. 78-4). Former emergency adoption now adopted effective September 7, 1979 (Supp. 79-5). Former Section R4-11-25 renumbered as Section R4-11-213, repealed, and new Section R4-11-213 adopted effective July 29, 1981 (Supp. 81-4). Former Section R4-11-213 repealed by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-214. Repealed**

**Historical Note**

Former Rule 2h; Amended effective March 23, 1976 (Supp. 76-2). Former Section R4-11-18 renumbered as Section R4-11-214 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-214 repealed by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-215. Repealed**

**Historical Note**

Adopted effective June 16, 1982 (Supp. 82-3). Former Section R4-11-215 repealed by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-216. Repealed**

**Historical Note**

Adopted effective June 16, 1982 (Supp. 82-3). Former Section R4-11-216 repealed by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

## ARTICLE 3. EXAMINATIONS, LICENSING QUALIFICATIONS, APPLICATION AND RENEWAL, TIMEFRAMES

**R4-11-301. Application**

**A.** An applicant for licensure or certification shall provide the following information and documentation:

1. A sworn statement of the applicant's qualifications for the license or certificate on a form provided by the Board;
2. A photograph of the applicant that is no more than 6 months old;
3. An official, sealed transcript sent directly to the Board from either:
   a. The applicant's dental, dental therapy, dental hygiene, or denturist school, or
   b. A verified third-party transcript provider.
4. Except for a dental consultant license applicant, a dental, dental therapy, and dental hygiene license applicant shall provide proof of successfully completing a clinical examination by submitting:
   a. If applying for dental licensure by examination, a copy of the certificate or scorecard sent to the Board directly from a clinical examination administered by a state or testing agency that meets the requirements of A.R.S. § 32-1233(2), indicating that the applicant passed a state or regional testing agency examination that meets the requirements of A.R.S. § 32-

1233(2) within the five years immediately before the date the application is filed with the Board;

b. If applying for dental therapy licensure by examination, a copy of the certificate or scorecard sent to the Board directly from a clinical examination administered by a state, United States territory, District of Columbia or testing agency that meets the requirements of A.R.S. § 32-1276.01(B)(3)(a). The certificate or scorecard must indicate that the applicant passed the examination within the five years immediately before the date the application is filed with the Board. The application must also include the applicant's Arizona dental hygiene license number;

c. If applying for dental hygiene licensure by examination, a copy of the certificate or scorecard sent to the Board directly from a clinical examination administered by a state, United States territory, District of Columbia or testing agency that meets the requirements of A.R.S. § 32-1285(2). The certificate or scorecard must indicate that the applicant passed the examination within the five years immediately before the date the application is filed with the Board;

5. Except for a dental consultant license applicant as provided in A.R.S. § 32-1234(A)(7), dental and dental hygiene license applicants must have an official scorecard sent directly from the National Board examination to the Board;
6. A copy showing the expiration date of the applicant's current cardiopulmonary resuscitation healthcare provider level certificate from the American Red Cross, the American Heart Association, or another certifying agency that follows the same procedures, standards, and techniques for cardiopulmonary resuscitation training and certification as the American Red Cross or American Heart Association;
7. A license or certification verification from any other jurisdiction in which an applicant is licensed or certified, sent directly from that jurisdiction to the Board. If the license verification cannot be sent directly to the Board from the other jurisdiction, the applicant must submit a written affidavit affirming that the license verification submitted was issued by the other jurisdiction;
8. If an applicant has been licensed or certified in another jurisdiction, a copy of the self-inquiry from the National Practitioner Data Bank that is no more than 30 calendar days old;
9. If the applicant is in the military or employed by the United States government, a letter sent to the Board directly from the applicant's commanding officer or supervisor verifying the applicant is licensed or certified by the military or United States government; and
10. The jurisprudence examination fee paid by a method authorized by law.

**B.** The Board may request that an applicant provide:

1. An official copy of the applicant's dental, dental therapy, dental hygiene, or denturist school diploma from the issuing institution;
2. A copy of a certified document that indicates the reason for a name change if the applicant's application contains different names;
3. Written verification of the applicant's work history; and
4. A copy of a high school diploma or equivalent certificate.

**C.** An applicant shall pass the Arizona jurisprudence examination with a minimum score of 75%.

**Historical Note**

Former Rule 3A; Former Section R4-11-29 repealed, new Section R4-11-29 adopted effective April 27, 1977 (Supp. 77-2). Former Section R4-11-29 renumbered as Section R4-11-301 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-301 repealed, new Section R4-11-301 renumbered from R4-11-201 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section amended by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1). Amended by final rulemaking at 22 A.A.R. 371, effective April 3, 2016 (Supp. 16-1). Amended by final rulemaking at 29 A.A.R. 1330 (June 9, 2023), effective July 10, 2023 (Supp. 23-2).

**R4-11-302. Repealed**

**Historical Note**

Former Rule 3B; Former Section R4-11-30 repealed, new Section R4-11-30 adopted effective April 27, 1977 (Supp. 77-2). Former Section R4-11-30 renumbered as Section R4-11-302 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-302 repealed, new Section R4-11-302 renumbered from R4-11-203 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section repealed by final rulemaking at 22 A.A.R. 371, effective April 3, 2016 (Supp. 16-1).

**R4-11-303. Application Processing Procedures: Issuance, Denial, and Renewal of Dental Licenses, Dental Therapy Licenses, Restricted Permits, Dental Hygiene Licenses, Dental Consultant Licenses, Denturist Certificates, Drug or Device Dispensing Registrations, Business Entity Registration and Mobile Dental Facility and Portable Dental Unit Permits**

**A.** The Board office shall complete an administrative completeness review within 30 calendar days of the date of receipt of an application for a license, certificate, permit, or registration.

1. Within 30 calendar days of receiving an initial or renewal application for a dental license, restricted permit, dental therapy license, dental hygiene license, dental consultant license, denturist certificate, Business Entity registration, mobile dental facility or portable dental unit permit, the Board office shall notify the applicant, in writing, whether the application package is complete or incomplete.
2. If the application package is incomplete, the Board office shall provide the applicant with a written notice that includes a comprehensive list of the missing information. The 30 calendar day time-frame for the Board office to finish the administrative completeness review is suspended from the date the notice of incompleteness is served until the applicant provides the Board office with all missing information.
3. If the Board office does not provide the applicant with notice regarding administrative completeness, the application package shall be deemed complete 30 calendar days after receipt by the Board office.

**B.** An applicant with an incomplete application package shall submit all missing information within 60 calendar days of service of the notice of incompleteness.

**C.** Upon receipt of all missing information, the Board office shall notify the applicant, in writing, within 30 calendar days, that

the application package is complete. If an applicant fails to submit a complete application package within the time allowed in subsection (B), the Board office shall close the applicant's file. An applicant whose file is closed and who later wishes to obtain a license, certificate, permit, or registration shall apply again as required in R4-11-301.

**D.** The Board shall not approve or deny an application until the applicant has fully complied with the requirements of A.A.C. Title 4, Chapter 11, Article 3.

**E.** The Board shall complete a substantive review of the applicant's qualifications in no more than 90 calendar days from the date on which the administrative completeness review of an application package is complete.

1. If the Board finds an applicant to be eligible for a license, certificate, permit, or registration and grants the license, certificate, permit, or registration, the Board office shall notify the applicant in writing.
2. If the Board finds an applicant to be ineligible for a license, certificate, permit, or registration, the Board office shall issue a written notice of denial to the applicant that includes:
   a. Each reason for the denial, with citations to the statutes or rules on which the denial is based;
   b. The applicant's right to request a hearing on the denial, including the number of days the applicant has to file the request;
   c. The applicant's right to request an informal settlement conference under A.R.S. § 41-1092.06; and
   d. The name and telephone number of an agency contact person who can answer questions regarding the application process.
3. If the Board finds deficiencies during the substantive review of an application package, the Board office may issue a comprehensive written request to the applicant for additional documentation. An additional supplemental written request for information may be issued upon mutual agreement between the Board or Board office and the applicant.
4. The 90-day time-frame for a substantive review of an applicant's qualifications is suspended from the date of a written request for additional documentation until the date that all documentation is received. The applicant shall submit the additional documentation before the next regularly scheduled Board meeting.
5. If the applicant and the Board office mutually agree in writing, the 90-day substantive review time-frame may be extended once for no more than 28 days.

**F.** The following time-frames apply for an initial or renewal application governed by this Section:

1. Administrative completeness review time-frame: 30 calendar days.
2. Substantive review time-frame: 90 calendar days.
3. Overall time-frame: 120 calendar days.

**G.** An applicant whose license is denied has a right to a hearing, an opportunity for rehearing, and, if the denial is upheld, may seek judicial review pursuant to A.R.S. Title 41, Chapter 6, Article 10, and A.R.S. Title 12, Chapter 7, Article 6.

**Historical Note**

Former Rule 3C; Former Section R4-11-31 renumbered as Section R4-11-303 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-303 repealed, new Section R4-11-303 adopted by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section amended by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1). Amended by final rulemaking at 22 A.A.R. 371, effective April 3, 2016 (Supp. 16-1). Amended by final rulemaking at 28 A.A.R. 1885 (August 5, 2022), effective September 12, 2022 (Supp. 22-3). Amended by final rulemaking at 29 A.A.R. 1330 (June 9, 2023), effective July 10, 2023 (Supp. 23-2).

**R4-11-304. Application Processing Procedures: Issuance and Denial of Dental Assistant Certificates Radiography Certification by Credential**

**A.** Within 30 calendar days of receiving an application from an applicant for a dental assistant radiography certification by credential, the Board or its designee shall notify the applicant, in writing, that the application package is complete or incomplete. If the package is incomplete, the notice shall specify what information is missing.

**B.** An applicant with an incomplete application package shall supply the missing information within 60 calendar days from the date of the notice. If the applicant fails to do so, an applicant shall begin the application process anew.

**C.** Upon receipt of all missing information, within 10 calendar days, the Board or its designee shall notify the applicant, in writing, that the application is complete.

**D.** The Board or its designee shall not process an application until the applicant has fully complied with the requirements of this Article.

**E.** The Board or its designee shall notify an applicant, in writing, whether the certificate is granted or denied, no later than 90 calendar days after the date of the notice advising the applicant that the package is complete.

**F.** The notice of denial shall inform the applicant of the following:

1. The reason for the denial, with a citation to the statute or rule which requires the applicant to pass the examination;
2. The applicant's right to request a hearing on the denial, including the number of days the applicant has to file the request;
3. The applicant's right to request an informal settlement conference under A.R.S. § 41-1092.06; and
4. The name and telephone number of an agency contact person or a designee who can answer questions regarding the application process.

**G.** The following time-frames apply for certificate applications governed by this Section:

1. Administrative completeness review time-frame: 24 calendar days.
2. Substantive review time-frame: 90 calendar days.
3. Overall time-frame: 114 calendar days.

**H.** An applicant whose certificate is denied has a right to a hearing, an opportunity for rehearing, and, if the denial is upheld, may seek judicial review pursuant to A.R.S. Title 41, Chapter 6, Article 10, and A.R.S. Title 12, Chapter 7, Article 6.

**Historical Note**

Former Rule 3D; Former Section R4-11-32 renumbered as Section R4-11-304 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-304 repealed, new Section R4-11-304 adopted by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Amended by final rulemaking at 22 A.A.R. 371, effective April 3, 2016 (Supp. 16-1). Amended by final rulemaking at 28 A.A.R. 1885 (August 5, 2022), effective September 12, 2022 (Supp. 22-3).

**R4-11-305. Application Processing Procedures: Issuance, Denial, and Renewal of General Anesthesia and Deep Sedation**

**Permits, Parenteral Sedation Permits, Oral Sedation Permits, and Permit to Employ a Physician Anesthesiologist or Certified Registered Nurse Anesthetist**

**A.** The Board office shall complete an administrative completeness review within 24 days from the date of the receipt of an application for a permit.
1. Within 30 calendar days of receiving an initial or renewal application for a General Anesthesia and Deep Sedation permit, parenteral sedation permit, Oral Sedation permit or permit to employ a physician anesthesiologist or Certified Registered Nurse Anesthetist the Board office shall notify the applicant, in writing, whether the application package is complete or incomplete.
2. If the application package is incomplete, the Board office shall provide the applicant with a written notice that includes a comprehensive list of the missing information. The 24-day time-frame for the Board office to finish the administrative completeness review is suspended from the date the notice of incompleteness is served until the applicant provides the Board office with all missing information.
3. If the Board office does not provide the applicant with notice regarding administrative completeness, the application package shall be deemed complete 24 days after receipt by the Board office.

**B.** An applicant with an incomplete application package shall submit all missing information within 60 calendar days of service of the notice of incompleteness.

**C.** Upon receipt of all missing information, the Board office shall notify the applicant, in writing, within 10 calendar days, that the application package is complete. If an applicant fails to submit a complete application package within the time allowed in subsection (B), the Board office shall close the applicant's file. An applicant whose file is closed and who later wishes to obtain a permit shall apply again as required in A.A.C. Title 4, Chapter 11, Article 13.

**D.** The Board shall not approve or deny an application until the applicant has fully complied with the requirements of this Section and A.A.C. Title 4, Chapter 11, Article 13.

**E.** The Board shall complete a substantive review of the applicant's qualifications in no more than 120 calendar days from the date on which the administrative completeness review of an application package is complete.
1. If the Board finds an applicant to be eligible for a permit and grants the permit, the Board office shall notify the applicant in writing.
2. If the Board finds an applicant to be ineligible for a permit, the Board office shall issue a written notice of denial to the applicant that includes:
   a. Each reason for the denial, with citations to the statutes or rules on which the denial is based;
   b. The applicant's right to request a hearing on the denial, including the number of days the applicant has to file the request;
   c. The applicant's right to request an informal settlement conference under A.R.S. § 41-1092.06; and
   d. The name and telephone number of an agency contact person who can answer questions regarding the application process.
3. If the Board finds deficiencies during the substantive review of an application package, the Board office shall issue a comprehensive written request to the applicant for additional documentation.
4. The 120-day time-frame for a substantive review of an applicant's qualifications is suspended from the date of a written request for additional documentation until the date that all documentation is received.
5. If the applicant and the Board office mutually agree in writing, the 120-day substantive review time-frame may be extended once for no more than 36 days.

**F.** The following time-frames apply for an initial or renewal application governed by this Section:
1. Administrative completeness review time-frame: 24 calendar days.
2. Substantive review time-frame: 120 calendar days.
3. Overall time-frame: 144 calendar days.

**Historical Note**
New Section R4-11-305 adopted by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section amended by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1). Amended by final rulemaking at 22 A.A.R. 371, effective April 3, 2016 (Supp. 16-1). Amended by final rulemaking at 28 A.A.R. 1885 (August 5, 2022), effective September 12, 2022 (Supp. 22-3).

## ARTICLE 4. FEES

**R4-11-401. Retired or Disabled Licensure Renewal Fee**

As expressly authorized under A.R.S. § 32-1207(B)(3)(c), the licensure renewal fee for a Retired Licensee or Disabled Licensee is $15 and shall be paid by a method authorized by law.

**Historical Note**
Adopted effective December 6, 1974 (Supp. 75-1). Amended effective March 23, 1976 (Supp. 76-2). Former Section R4-11-42 renumbered as Section R4-11-401 and repealed effective July 29, 1981 (Supp. 81-4). Adopted effective February 16, 1995 (Supp. 95-1). Former Section R4-11-401 repealed, new Section R4-11-401 renumbered from R4-11-901 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section repealed; new Section adopted by final rulemaking at 6 A.A.R. 748, effective February 2, 2000 (Supp. 00-1). Section amended by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1). Amended by final rulemaking at 22 A.A.R. 3697, effective February 6, 2017 (Supp. 16-4). Amended by final rulemaking at 29 A.A.R. 1330 (June 9, 2023), effective July 10, 2023 (Supp. 23-2).

**R4-11-402. Business Entity Fees**

As expressly authorized under A.R.S. § 32-1213, the Board establishes and shall collect the following fees from a Business Entity offering dental services paid by credit card on the Board's website or by money order or cashier's check:
1. Initial triennial registration, $300 per location;
2. Renewal of triennial registration, $300 per location; and
3. Late triennial registration renewal, $100 per location in addition to the fee under subsection (2).

**Historical Note**
Adopted effective December 6, 1974 (Supp. 75-1). amended effective March 23, 1976 (Supp. 76-2). Former Section R4-11-43 renumbered as Section R4-11-402, repealed, and new Section R4-11-402 adopted effective July 29, 1981 (Supp. 81-4). Amended effective February 16, 1995 (Supp. 95-1). Former Section R4-11-402 renumbered to R4-11-601, new Section R4-11-402 renumbered

from R4-11-902 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section repealed; new Section adopted by final rulemaking at 6 A.A.R. 748, effective February 2, 2000 (Supp. 00-1). Section repealed; new Section made by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (05-1). Amended by final rulemaking at 22 A.A.R. 3697, effective February 6, 2017 (Supp. 16-4). Amended by final rulemaking at 28 A.A.R. 1885 (August 5, 2022), effective September 12, 2022 (Supp. 22-3).

**R4-11-403. Licensing Fees**

**A.** As expressly authorized under A.R.S. §§ 32-1236, 32-1276.02, 32-1287, 32-1297.06, and 32-1299.23, the Board establishes and shall collect up to the following licensing fees paid by a method authorized by law:

1. Dentist triennial renewal fee: $650;
2. Dentist prorated initial license fee: $110;
3. Dental therapist triennial renewal fee: $375;
4. Dental therapist prorated initial license fee: $80;
5. Dental hygienist triennial renewal fee: $325;
6. Dental hygienist prorated initial license fee: $55;
7. Denturist triennial renewal fee: $300;
8. Denturist prorated initial license fee: $46; and
9. Mobile dental facility permit initial license or annual renewal fee: $200.

**B.** The following license-related fees are established in or expressly authorized by statute. The Board shall collect the following fees paid by a method authorized by law:

1. Jurisprudence examination fee:
   a. Dentists: $300;
   b. Dental therapists: $200;
   c. Dental hygienists: $100; and
   d. Denturists: $250.
2. Licensure by credential fee:
   a. Dentists: $2,000; and
   b. Dental therapists: $1,500;
   c. Dental hygienists: $1,000.
3. Penalty to reinstate an expired license or certificate: $100 for a dentist, mobile dental facility permit, dental therapist, dental hygienist, or denturist in addition to renewal fee specified under subsection (A).
4. Penalty for a dentist, mobile dental facility permit, dental therapist, dental hygienist, or denturist who fails to notify Board of a change of mailing address:
   a. Failure after 10 days: $50; and
   b. Failure after 30 days: $100.

**Historical Note**

Adopted effective December 6, 1974 (Supp. 75-1). Former Section R4-11-44 renumbered as Section R4-11-403 and repealed effective July 29, 1981 (Supp. 81-4). Adopted effective February 16, 1995 (Supp. 95-1). Former Section R4-11-403 renumbered to R4-11-602, new Section R4-11-403 renumbered from R4-11-903 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section repealed; new Section adopted by final rulemaking at 6 A.A.R. 748, effective February 2, 2000 (Supp. 00-1). Section repealed by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (05-1). New Section made by final rulemaking at 22 A.A.R. 3697, effective February 6, 2017 (Supp. 16-4). Amended by final rulemaking at 29 A.A.R. 1330 (June 9, 2023), effective July 10, 2023 (Supp. 23-2). Amended by final rulemaking at 29 A.A.R. 3791 (December 15, 2023), effective January 29, 2024 (Supp. 23-4).

**R4-11-404. Repealed**

**Historical Note**

Adopted effective December 6, 1974 (Supp. 75-1_. Former Section R4-11-45 renumbered as Section R4-11-404 without change effective July 29, 1981 (Supp. 81-4). Repealed effective February 16, 1995 (Supp. 95-1). New Section R4-11-404 renumbered from R4-11-904 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Amended by final rulemaking at 6 A.A.R. 748, effective February 2, 2000 (Supp. 00-1). Section repealed by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (05-1).

**R4-11-405. Charges for Board Services**

The Board shall charge the following fees for the services provided paid by credit card on the Board's website or by money order or cashier's check:

1. Duplicate license: $25;
2. Duplicate certificate: $25;
3. License verification: $25;
4. Copy of audio recording: $10;
5. Photocopies (per page): $.25;
6. Mailing lists of Licensees in digital format: $100

**Historical Note**

Adopted effective December 6, 1974 (Supp. 75-1). Former Section R4-11-46 repealed, new Section R4-11-46 adopted effective March 23, 1976 (Supp. 76-2). Former Section R4-11-46 renumbered as Section R4-11-405 without change effective July 29, 1981 (Supp. 81-4). Repealed effective February 16, 1995 (Supp. 95-1). New Section R4-11-405 renumbered from R4-11-905 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Amended by final rulemaking at 6 A.A.R. 748, effective February 2, 2000 (Supp. 00-1). Amended by final rulemaking at 22 A.A.R. 3697, effective February 6, 2017 (Supp. 16-4). Amended by final rulemaking at 28 A.A.R. 1885 (August 5, 2022), effective September 12, 2022 (Supp. 22-3).

**R4-11-406. Anesthesia and Sedation Permit Fees**

**A.** As expressly authorized under A.R.S. § 32-1207, the Board establishes and shall collect the following fees:

1. Section 1301 permit fee: $300 plus $25 for each additional location;
2. Section 1302 permit fee: $300 plus $25 for each additional location;
3. Section 1303 permit fee: $300 plus $25 for each additional location; and
4. Section 1304 permit fee: $300 plus $25 for each additional location.

**B.** Upon successful completion of an initial onsite evaluation and upon receipt of the required permit fee, the Board shall issue a separate Section 1301, 1302, 1303, or 1304 permit to a dentist for each location requested by the dentist. A permit expires on December 31 of every fifth year.

**C.** Permit renewal fees:

1. Section 1301 permit renewal fee: $300 plus $25 for each additional location;
2. Section 1302 permit renewal fee: $300 plus $25 for each additional location;
3. Section 1303 permit renewal fee: $300 plus $25 for each additional location; and

4. Section 1304 permit renewal fee: $300 plus $25 for each additional location.

**Historical Note**
Adopted effective March 23, 1976 (Supp. 76-2). Former Section R4-11-47 renumbered as Section R4-11-406 without change effective July 29, 1981 (Supp. 81-4). Repealed effective February 16, 1995 (Supp. 95-1). New Section R4-11-406 renumbered from R4-11-906 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section repealed; new Section R4-11-406 renumbered from R4-11-407 and amended by final rulemaking at 6 A.A.R. 748, effective February 2, 2000 (Supp. 00-1). Amended by final rulemaking at 9 A.A.R. 4130, effective November 8, 2003 (Supp. 03-3). Amended by final rulemaking at 22 A.A.R. 3697, effective February 6, 2017 (Supp. 16-4).

**R4-11-407. Renumbered**

**Historical Note**
Adopted effective March 23, 1976 (Supp. 76-2). Former Section R4-11-48 renumbered as Section R4-11-407 without change effective July 29, 1981 (Supp. 81-4). Repealed effective February 16, 1995 (Supp. 95-1). New Section R4-11-407 renumbered from R4-11-909 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section R4-11-407 renumbered to R4-11-406 by final rulemaking at 6 A.A.R. 748, effective February 2, 2000 (Supp. 00-1).

**R4-11-408. Repealed**

**Historical Note**
Adopted effective March 23, 1976 (Supp. 76-2). Former Section R4-11-49 renumbered as Section R4-11-408 without change effective July 29, 1981 (Supp. 81-4). Repealed effective February 16, 1995 (Supp. 95-1).

**R4-11-409. Repealed**

**Historical Note**
Adopted effective September 12, 1985 (Supp. 85-5). Repealed effective July 21, 1995 (Supp. 95-3).

## ARTICLE 5. DENTISTS

**R4-11-501. Dentist of Record**

**A.** A dentist of record shall ensure that each patient record has the treatment records for a patient treated in any dental office, clinic, hospital dental clinic, or charitable organization that offers dental services, and the full name of a dentist who is responsible for all of the patient's treatment.

**B.** A dentist of record shall obtain a patient's consent to change the treatment plan before changing the treatment plan that the patient originally agreed to, including any additional costs the patient may incur because of the change.

**C.** When a dentist who is a dentist of record decides to leave the practice of dentistry or a particular place of practice in which the dentist is the dentist of record, the dentist shall ensure before leaving the practice that a new dentist of record is entered on each patient record.

**D.** A dentist of record is responsible for the care given to a patient while the dentist was the dentist of record even after being replaced as the dentist of record by another dentist.

**E.** A dentist of record shall:

1. Remain responsible for the care of a patient during the course of treatment; and
2. Be available to the patient through the dentist's office, an emergency number, an answering service, or a substituting dentist.

**F.** A dentist's failure to comply with subsection (E) constitutes patient abandonment, and the Board may impose discipline under A.R.S. Title 32, Chapter 11, Article 3.

**Historical Note**
Adopted effective December 6, 1974 (Supp. 75-1). Former Section R4-11-62 renumbered as Section R4-11-501 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-501 repealed, new Section R4-11-501 renumbered from R4-11-1102 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section amended by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1).

**R4-11-502. Affiliated Practice**

**A.** A dentist in a private for profit setting shall not enter into more than 15 affiliated practice relationships under A.R.S. § 32-1289 at one time.

**B.** There is no limit to the number of affiliated practice relationships a dentist may enter into when working in a government, public health, or non-profit organization under Section 501(C)(3) of the Internal Revenue Code.

**C.** Each affiliated practice dentist shall be available telephonically or electronically during the business hours of the affiliated practice dental hygienist to provide an appropriate level of contact, communication, and consultation.

**D.** The affiliated practice agreement shall include a provision for a substitute dentist in addition to the requirements of A.R.S. § 32-1289(E), to cover an extenuating circumstance that renders the affiliated practice dentist unavailable for contact, communication, or consultation with the affiliated practice dental hygienist.

**Historical Note**
Adopted effective December 6, 1974 (Supp. 75-1). Amended effective March 23, 1976 (Supp. 76-2). Former Section R4-11-63 renumbered as Section R4-11-502 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-502 renumbered to R4-11-701 by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). New Section made by final rulemaking at 13 A.A.R. 962, effective May 5, 2007 (Supp. 07-1). Amended by final rulemaking at 29 A.A.R. 3793 (December 15, 2023), effective January 29, 2024 (Supp. 23-4).

**R4-11-503. Repealed**

**Historical Note**
Adopted effective December 6, 1974 (Supp. 75-1). Former Section R4-11-64 repealed, new Section R4-11-64 adopted effective March 23, 1976 (Supp. 76-2). Former Section R4-11-64 renumbered as Section R4-11-503 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-503 repealed by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-504. Renumbered**

**Historical Note**
Adopted effective December 6, 1974 (Supp. 75-1). Former Section R4-11-65 repealed, new Section R4-11-65 adopted effective May 23, 1976 (Supp. 76-2). Former Section R4-11-65 renumbered as Section R4-11-504, repealed, and new Section R4-11-504 adopted effective

July 29, 1981 (Supp. 81-4). Former Section R4-11-504 renumbered to R4-11-702 by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-505. Repealed**

**Historical Note**

Adopted effective March 23, 1976 (Supp. 76-2). Former Section R4-11-66 renumbered as Section R4-11-505 and repealed effective July 29, 1981 (Supp. 81-4).

**R4-11-506. Repealed**

**Historical Note**

Adopted effective March 23, 1976 (Supp. 76-2). Former Section R4-11-67 renumbered as Section R4-11-506 and repealed effective July 29, 1981 (Supp. 81-4).

## ARTICLE 6. DENTAL HYGIENISTS

**R4-11-601. Duties and Qualifications**

**A.** A dental hygienist may apply Preventative and Therapeutic Agents under the general supervision of a licensed dentist.

**B.** A dental hygienist may perform a procedure not specifically authorized by A.R.S. § 32-1281 when all of the following conditions are satisfied:

1. The procedure is recommended or prescribed by the supervising dentist;
2. The dental hygienist has received instruction, training, or education to perform the procedure in a safe manner; and
3. The procedure is performed under the general supervision of a licensed dentist.

**C.** A dental hygienist shall not perform an Irreversible Procedure.

**D.** To qualify to use Emerging Scientific Technology as authorized by A.R.S. § 32-1281(C)(2), a dental hygienist shall successfully complete a course of study that meets the following criteria:

1. Is a course offered by a recognized dental school as defined in A.R.S. § 32-1201, a recognized dental hygiene school as defined in A.R.S. § 32-1201, or sponsored by a national or state dental or dental hygiene association or government agency;
2. Includes didactic instruction with a written examination;
3. Includes hands-on clinical instruction; and
4. Is technology that is scientifically based and supported by studies published in peer reviewed dental journals.

**Historical Note**

Adopted effective December 6, 1974 (Supp. 75-1). Former Section R4-11-82 renumbered as Section R4-11-601 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-601 repealed, new Section R4-11-601 renumbered from R4-11-402 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Amended by final rulemaking at 13 A.A.R. 962, effective May 5, 2007 (Supp. 07-1). Amended by final rulemaking at 28 A.A.R. 1885 (August 5, 2022), effective September 12, 2022 (Supp. 22-3).

**R4-11-602. Care of Homebound Patients**

Dental hygienists treating homebound patients shall provide only treatment prescribed by the dentist of record in the diagnosis and treatment plan. The diagnosis and treatment plan shall be based on examination data obtained not more than 12 months before the treatment is administered.

**Historical Note**

Adopted effective December 6, 1974 (Supp. 75-1). Former Section R4-11-83 renumbered as Section R4-11-602 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-602 renumbered to R4-11-1001, new Section R4-11-602 renumbered from R4-11-403 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-603. Limitation on Number Supervised**

A dentist shall not supervise more than three dental hygienists at a time.

**Historical Note**

Adopted effective December 6, 1974 (Supp. 75-1). Former Section R4-11-84 renumbered as Section R4-11-603 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-603 renumbered to R4-11-1002, new Section R4-11-603 renumbered from R4-11-408 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-604. Selection Committee and Process**

**A.** The Board shall appoint a selection committee to screen candidates for the dental hygiene committee. The selection committee consists of three members. The Board shall appoint at least two members who are dental hygienists and one member who is a current Board member. The Board shall fill any vacancy for the unexpired portion of the term.

**B.** Each selection committee member's term is one year.

**C.** By majority vote, the selection committee shall nominate each candidate for the dental hygiene committee and transmit a list of names to the Board for approval, including at least one alternate.

**Historical Note**

New Section R4-11-604 adopted by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-605. Dental Hygiene Committee**

**A.** The Board shall appoint seven members to the dental hygiene committee as follows:

1. One dentist appointed at the annual December Board meeting, currently serving as a Board member, for a one year term;
2. One dental hygienist appointed at the annual December Board meeting, currently serving as a Board member and possessing the qualifications required in Article 6, for a one-year term;
3. Four dental hygienists that possess the qualifications required in Article 6; and
4. One lay person.

**B.** Except for members appointed as prescribed in subsections (A)(1) and (2), the Board shall appoint dental hygiene committee members for staggered terms of three years, beginning January 1, 1999, and limit each member to two consecutive terms. The Board shall fill any vacancy for the unexpired portion of the term.

**C.** The dental hygiene committee shall annually elect a chairperson at the first meeting convened during the calendar year.

**Historical Note**

New Section R4-11-605 adopted by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-606. Candidate Qualifications and Submissions**

**A.** A dental hygienist who seeks membership on the dental hygiene committee shall possess a license in good standing, issued by the Board.

**B.** A dental hygienist who is not a Board member and qualifies under subsection (A) shall submit a letter of intent and resume to the Board.

**C.** The selection committee shall consider all of the following criteria when nominating a candidate for the dental hygiene committee:
1. Geographic representation,
2. Experience in postsecondary curriculum analysis and course development,
3. Public health experience, and
4. Dental hygiene clinical experience.

**Historical Note**
New Section R4-11-606 adopted by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-607. Duties of the Dental Hygiene Committee**

**A.** The committee shall advise the Board on all matters relating to the regulation of dental hygienists.

**B.** In performing the duty in subsection (A), the committee may:
1. Act as a liaison for the Board, promoting communication and providing a forum for discussion of dental hygiene regulatory issues;
2. Review applications, syllabi, and related materials and make recommendations to the Board regarding certification of courses in Local Anesthesia, Nitrous Oxide Analgesia, and suture placement under Article 6 and other procedures which may require certification under Article 6;
3. Review documentation submitted by dental hygienists to determine compliance with the continuing education requirement for license renewal under Article 12 and make recommendations to the Board regarding compliance;
4. Make recommendations to the Board concerning statute and rule development which affect dental hygienists' education, licensure, regulation, or practice;
5. Provide advice to the Board on standards and scope of practice which affect dental hygiene practice;
6. Provide ad hoc committees to the Board upon request;
7. Request that the Board consider recommendations of the committee at the next regularly scheduled Board meeting; and
8. Make recommendations to the Board for approval of dental hygiene consultants.

**C.** Committee members who are licensed dentists or dental hygienists may serve as dental hygiene examiners or Board consultants.

**D.** The committee shall meet at least two times per calendar year. The chairperson or the president of the Board, or their respective designees, may call a meeting of the committee.

**E.** The Board may assign additional duties to the committee.

**Historical Note**
New Section R4-11-607 adopted by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).
Amended by final rulemaking at 28 A.A.R. 1885 (August 5, 2022), effective September 12, 2022 (Supp. 22-3).

**R4-11-608. Dental Hygiene Consultants**

After submission of a current curriculum vitae or resume and approval by the Board, dental hygiene consultants may:
1. Act as dental hygiene examiners for the clinical portion of the dental hygiene examination;
2. Act as dental hygiene examiners for the Local Anesthesia portion of the dental hygiene examination;
3. Participate in Board-related procedures, including Clinical Evaluations, investigation of complaints concerning infection control, insurance fraud, or the practice of supervised personnel, and any other procedures not directly related to evaluating a dentist's quality of care; and
4. Participate in onsite office evaluations for infection control, as part of a team.

**Historical Note**
New Section R4-11-608 adopted by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).
Amended by final rulemaking at 28 A.A.R. 1885 (August 5, 2022), effective September 12, 2022 (Supp. 22-3).

**R4-11-609. Affiliated Practice**

**A.** To perform dental hygiene services under an affiliated practice relationship pursuant to A.R.S. § 32-1289.01, a dental hygienist shall:
1. Provide evidence to the Board of successfully completing a total of 12 hours of Recognized Continuing Dental Education that consists of the following subject areas:
   a. A minimum of four hours in medical emergencies; and
   b. A minimum of eight hours in at least two of the following areas:
      i. Pediatric or other special health care needs,
      ii. Preventative dentistry, or
      iii. Public health community-based dentistry, and
2. Hold a current certificate in basic cardiopulmonary resuscitation.

**B.** A dental hygienist shall complete the required continuing dental education before entering an affiliated practice relationship. The dental hygienist shall complete the continuing dental education in subsection (A) before renewing the dental hygienist's license. The dental hygienist may take the continuing dental education online but shall not exceed the allowable hours indicated in R4-11-1209(B)(1).

**C.** To comply with A.R.S. § 32-1287(B) and this Section, a dental hygienist shall submit a completed affidavit on a form supplied by the Board office. Board staff shall review the affidavit to determine compliance with all requirements.

**D.** Each affiliated practice dentist shall be available telephonically or electronically during the business hours of the affiliated practice dental hygienist to provide an appropriate level of contact, communication, and consultation.

**E.** The affiliated practice agreement shall include a provision for a substitute dentist, to cover an extenuating circumstance that renders the affiliated practice dentist unavailable for contact, communication, and consultation with the affiliated practice dental hygienist.

**Historical Note**
New Section made by final rulemaking at 13 A.A.R. 962, effective May 5, 2007 (Supp. 07-1). Amended by final rulemaking at 28 A.A.R. 1885 (August 5, 2022), effective September 12, 2022 (Supp. 22-3).

## ARTICLE 7. DENTAL ASSISTANTS

**R4-11-701. Procedures and Functions Performed by a Dental Assistant under Supervision**

**A.** A dental assistant may perform the following procedures and functions under the Direct Supervision of a licensed dentist or a licensed dental therapist:

1. Place dental material into a patient's mouth in response to a licensed dentist's or licensed dental therapist's instruction;
2. Cleanse the supragingival surface of the tooth in preparation for:
   a. The placement of bands, crowns, and restorations;
   b. Dental dam application;
   c. Acid etch procedures; and
   d. Removal of dressings and packs;
3. Remove excess cement from inlays, crowns, bridges, and orthodontic appliances with hand instruments;
4. Remove temporary cement, interim restorations, and periodontal dressings with hand instruments;
5. Remove sutures;
6. Place and remove dental dams and matrix bands;
7. Fabricate and place interim restorations with temporary cement;
8. Apply sealants;
9. Apply topical fluorides;
10. Take final digital impressions for any activating orthodontic appliance, fixed, or removable prosthesis;
11. Prepare a patient for Nitrous Oxide Analgesia administration upon the direct instruction and presence of a dentist or licensed dental therapist; or
12. Observe a patient during Nitrous Oxide Analgesia as instructed by the dentist or licensed dental therapist.

**B.** A dental assistant may perform the following procedures and functions under the general supervision of a licensed dentist or a licensed dental therapist:

1. Train or instruct patients in oral hygiene techniques, preventive procedures, dietary counseling for caries and Plaque control, and provide pre-and post-operative instructions relative to specific office treatment;
2. Collect and record information pertaining to extraoral conditions; and
3. Collect and record information pertaining to existing intraoral conditions.

**Historical Note**

Adopted effective April 27, 1977 (Supp. 77-2). Former Section R4-11-100 renumbered as Section R4-11-701 and amended effective July 29, 1981 (Supp. 81-4). Former Section R4-11-701 renumbered to R4-11-1701, new Section R4-11-701 renumbered from R4-11-502 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Amended by final rulemaking at 29 A.A.R. 1330 (June 9, 2023), effective July 10, 2023 (Supp. 23-2).

**R4-11-702. Limitations on Procedures or Functions Performed by a Dental Assistant under Supervision**

A dental assistant shall not perform the following procedures or functions:

1. A procedure which by law only licensed dentists, licensed dental therapists, licensed dental hygienists, or certified denturists can perform;
2. Intraoral carvings of dental restorations or prostheses;
3. Final jaw registrations;
4. Taking final impressions, other than digital impressions, for any activating orthodontic appliance, fixed or removable prosthesis;
5. Activating orthodontic appliances; or
6. An Irreversible Procedure.

**Historical Note**

Adopted effective April 27, 1977 (Supp. 77-2). Former Section R4-11-101 renumbered as Section R4-11-702 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-702 repealed, new Section R4-11-702 renumbered from R4-11-504 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Amended by final rulemaking at 29 A.A.R. 1330 (June 9, 2023), effective July 10, 2023 (Supp. 23-2).

**R4-11-703. Repealed**

**Historical Note**

Adopted effective April 27, 1977 (Supp. 77-2). Former Section R4-11-102 renumbered as Section R4-11-703 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-703 repealed by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-704. Repealed**

**Historical Note**

Adopted effective April 27, 1977 (Supp. 77-2). Former Section R4-11-103 renumbered as Section R4-11-704 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-704 repealed by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-705. Repealed**

**Historical Note**

Adopted effective April 27, 1977 (Supp. 77-2). Former Section R4-11-104 renumbered as Section R4-11-705 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-705 repealed by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-706. Repealed**

**Historical Note**

Adopted effective April 27, 1977 (Supp. 77-2). Former Section R4-11-105 renumbered as Section R4-11-706 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-706 repealed by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-707. Repealed**

**Historical Note**

Adopted effective April 27, 1977 (Supp. 77-2). Former Section R4-11-106 renumbered as Section R4-11-707 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-707 repealed by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-708. Repealed**

**Historical Note**

Adopted effective April 27, 1977 (Supp. 77-2). Former Section R4-11-107 renumbered as Section R4-11-708 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-708 repealed by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-709. Repealed**

**Historical Note**

Adopted effective April 27, 1977 (Supp. 77-2). Former Section R4-11-108 renumbered as Section R4-11-709 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-709 repealed by final rulemaking at 5

A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-710. Repealed**

**Historical Note**
Adopted effective April 27, 1977 (Supp. 77-2). Former Section R4-11-109 renumbered as Section R4-11-710 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-710 repealed by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

## ARTICLE 8. DENTURISTS

**R4-11-801. Expired**

**Historical Note**
Adopted effective March 28, 1978 (Supp. 78-2). Former Section R4-11-120 renumbered as Section R4-11-801 without change effective July 29, 1981 (Supp. 81-4). Section R4-11-801 repealed, new Section filed April 4, 1986, adopted effective January 1, 1988 (Supp. 86-2). Amended effective May 17, 1995 (Supp. 95-2). Former Section R4-11-801 repealed, new Section R4-11-801 renumbered from R4-11-1201 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section amended by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1). Section expired under A.R.S. § 41-1056(J) at 23 A.A.R. 2575, effective August 25, 2017 (Supp. 17-3).

**R4-11-802. Expired**

**Historical Note**
Adopted effective March 28, 1978 (Supp. 78-2). Former Section R4-11-121 renumbered as Section R4-11-802 without change effective July 29, 1981 (Supp. 81-4). Section R4-11-802 repealed, new Section filed April 4, 1986, adopted effective January 1, 1988 (Supp. 86-2). Amended effective May 17, 1995 (Supp. 95-2). Former Section R4-11-802 renumbered to R4-11-1301, new Section R4-11-802 renumbered from R4-11-1202 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section amended by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1). Section expired under A.R.S. § 41-1056(J) at 23 A.A.R. 2575, effective August 25, 2017 (Supp. 17-3).

**R4-11-803. Renumbered**

**Historical Note**
Adopted effective March 28, 1978 (Supp. 78-2). Former Section R4-11-122 renumbered as Section R4-11-803 without change effective July 29, 1981 (Supp. 81-4). Section R4-11-803 repealed, new Section filed April 4, 1986, adopted effective January 1, 1988 (Supp. 86-2). Amended effective May 17, 1995 (Supp. 95-2). Former Section R4-11-803 renumbered to R4-11-1302 by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-804. Renumbered**

**Historical Note**
Adopted effective March 28, 1978 (Supp. 78-2). Former Section R4-11-123 renumbered as Section R4-11-804 without change effective July 29, 1981 (Supp. 81-4). Section R4-11-804 repealed, new Section filed April 4, 1986, adopted effective January 1, 1988 (Supp. 86-2). Former Section R4-11-804 renumbered to R4-11-1303 by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-805. Renumbered**

**Historical Note**
Adopted as filed April 4, 1986, adopted effective January 1, 1988 (Supp. 86-2). Amended effective May 17, 1995 (Supp. 95-2). Former Section R4-11-805 renumbered to R4-11-1304 by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-806. Renumbered**

**Historical Note**
Adopted effective May 17, 1995 (Supp. 95-2). Former Section R4-11-806 renumbered to R4-11-1305 by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

## ARTICLE 9. RESTRICTED PERMITS

**R4-11-901. Application for Restricted Permit**

**A.** An applicant for a restricted permit shall provide the following information and documentation on a form provided by the Board:
1. A sworn statement of the applicant's qualifications for a restricted permit;
2. A photograph of the applicant that is no more than six months old;
3. A letter from any other jurisdiction in which an applicant is licensed or certified verifying that the applicant is licensed or certified in that jurisdiction, sent directly from that jurisdiction to the Board;
4. If the applicant is in the military or employed by the United States government, a letter from the applicant's commanding officer or supervisor verifying the applicant is licensed or certified by the military or United States government;
5. A copy of the applicant's current cardiopulmonary resuscitation certification that meets the requirements of R4-11-301(A)(6); and
6. A copy of the applicant's pending contract with a Charitable Dental Clinic or Organization offering dental or dental hygiene services.

**B.** The Board may request that an applicant provide a copy of a certified document that indicates the reason for a name change if the applicant's application contains different names.

**Historical Note**
Adopted effective September 7, 1979 (Supp. 79-5). Former Section R4-11-130 renumbered as Section R4-11-901, repealed, and new Section R4-11-901 adopted effective July 29, 1981 (Supp. 81-4). Amended effective April 4, 1986 (Supp. 86-2). Emergency amendment adopted effective June 18, 1991, pursuant to A.R.S. § 41-1026, valid for only 90 days (Supp. 91-2). Emergency expired. Adopted effective July 13, 1992 (Supp. 92-3). Former Section R4-11-901 renumbered to R4-11-401, new Section R4-11-901 renumbered from R4-11-1001 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section amended by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1). Amended by final rulemaking at 28 A.A.R. 1885 (August 5, 2022), effective September 12, 2022 (Supp. 22-3).

**R4-11-902. Issuance of a Restricted Permit**

Before issuing a restricted permit under A.R.S. §§ 32-1237 through 32-1239 or 32-1292, the Board shall investigate the statutory qualifications of the charitable dental clinic or organization. The Board shall not recognize a dental clinic or organization under A.R.S. §§ 32-1237 through 32-1239 or 32-1292 as a charitable dental clinic or organization permitted to employ dentists or dental hygienists not licensed in Arizona who hold restricted permits unless the Board makes the following findings of fact:

1. That the entity is a dental clinic or organization offering professional dental or dental hygiene services in a manner consistent with the public health;
2. That the dental clinic or organization offering dental or dental hygiene services is operated for charitable purposes only, offering dental or dental hygiene services either without compensation to the clinic or organization or with compensation at the minimum rate to provide only reimbursement for dental supplies and overhead costs;
3. That the persons performing dental or dental hygiene services for the dental clinic or organization do so without compensation; and
4. That the charitable dental clinic or organization operates in accordance with applicable provisions of law.

**Historical Note**

Adopted effective September 7, 1979 (Supp. 79-5). Former Section R4-11-131 renumbered as Section R4-11-902, repealed, and new Section R4-11-902 adopted effective July 29, 1981 (Supp. 81-4). Amended effective April 4, 1986 (Supp. 86-2). Emergency amendment adopted effective June 18, 1991, pursuant to A.R.S. § 41-1026, valid for only 90 days (Supp. 91-2). Emergency expired. Adopted effective July 13, 1992 (Supp. 92-3). Former Section R4-11-902 renumbered to R4-11-402, new Section R4-11-902 renumbered from R4-11-1002 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section amended by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1).

**R4-11-903. Recognition of a Charitable Dental Clinic or Organization**

In order for the Board to make the findings required in R4-11-902, the charitable clinic or organization shall provide information to the Board, such as employment contracts with restricted permit holders, Articles and Bylaws, and financial records.

**Historical Note**

Adopted effective September 7, 1979 (Supp. 79-5). Former Section R4-11-132 renumbered as Section R4-11-903, repealed, and new Section R4-11-903 adopted effective July 29, 1981 (Supp. 81-4). Former Section R4-11-903 renumbered to R4-11-403, new Section R4-11-903 renumbered from R4-11-1003 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Amended by final rulemaking at 29 A.A.R. 3793 (December 15, 2023), effective January 29, 2024 (Supp. 23-4).

**R4-11-904. Determination of Minimum Rate**

In determining whether professional services are provided at the minimum rate to provide reimbursement for dental supplies and overhead costs under A.R.S. §§ 32-1237(1) or 32-1292(A)(1), the Board shall obtain and review information relating to the actual cost of dental supplies to the dental clinic or organization, the actual overhead costs of the dental clinic or organization, the amount of charges for the dental or dental hygiene services offered, and any other information relevant to its inquiry.

**Historical Note**

Adopted effective September 7, 1979 (Supp. 79-5). Former Section R4-11-133 renumbered as Section R4-11-904 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-904 renumbered to R4-11-404, new Section R4-11-904 renumbered from R4-11-1004 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section amended by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1).

**R4-11-905. Expired**

**Historical Note**

Adopted effective September 7, 1979 (Supp. 79-5). Former Section R4-11-134 renumbered as Section R4-11-905 without change effective July 29, 1981 (Supp. 81-4). Amended effective April 4, 1986 (Supp. 86-2). Former Section R4-11-905 renumbered to R4-11-405, new Section R4-11-905 renumbered from R4-11-1005 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section amended by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1). Section expired under A.R.S. § 41-1056(J) at 23 A.A.R. 2575, effective August 25, 2017 (Supp. 17-3).

**R4-11-906. Expired**

**Historical Note**

Adopted effective July 29, 1981 (Supp. 81-4). Amended effective April 4, 1986 (Supp. 86-4). Emergency amendment adopted effective June 18, 1991, pursuant to A.R.S. § 41-1026, valid for only 90 days (Supp. 91-2). Emergency expired. Adopted effective July 13, 1992 (Supp. 92-3). Former Section R4-11-906 renumbered to R4-11-406, new Section R4-11-906 adopted by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section expired under A.R.S. § 41-1056(J) at 23 A.A.R. 2575, effective August 25, 2017 (Supp. 17-3).

**R4-11-907. Repealed**

**Historical Note**

Adopted effective April 4, 1986 (Supp. 86-2). Former Section R4-11-907 repealed by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-908. Repealed**

**Historical Note**

Adopted effective April 4, 1986 (Supp. 86-2). Former Section R4-11-908 repealed by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-909. Renumbered**

**Historical Note**

Adopted effective May 17, 1995 (Supp. 95-2). Former Section R4-11-909 renumbered to R4-11-407 by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

## ARTICLE 10. DENTAL TECHNICIANS

**R4-11-1001. Expired**

**Historical Note**
Adopted effective November 28, 1980 (Supp. 80-6). Former Section R4-11-140 renumbered as Section R4-11-1001 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-1001 renumbered to R4-11-901, new Section R4-11-1001 renumbered from R4-11-602 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section expired under A.R.S. § 41-1056(J) at 23 A.A.R. 2575, effective August 25, 2017 (Supp. 17-3).

**R4-11-1002. Expired**

**Historical Note**
Adopted effective November 28, 1980 (Supp. 80-6). Former Section R4-11-141 renumbered as Section R4-11-1002 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-1002 renumbered to R4-11-902, new Section R4-11-1002 renumbered from R4-11-603 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section expired under A.R.S. § 41-1056(J) at 23 A.A.R. 2575, effective August 25, 2017 (Supp. 17-3).

**R4-11-1003. Renumbered**

**Historical Note**
Adopted effective November 28, 1980 (Supp. 80-6). Former Section R4-11-142 renumbered as Section R4-11-1003 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-1003 renumbered to R4-11-903 by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-1004. Renumbered**

**Historical Note**
Adopted effective November 28, 1980 (Supp. 80-6). Former Section R4-11-143 renumbered as Section R4-11-1004 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-1004 renumbered to R4-11-904 by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-1005. Renumbered**

**Historical Note**
Adopted effective November 28, 1980 (Supp. 80-6). Former Section R4-11-144 renumbered as Section R4-11-1005 without change effective July 29, 1981 (Supp. 81-4). Former Section R4-11-1005 renumbered to R4-11-905 by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-1006. Repealed**

**Historical Note**
Adopted effective September 12, 1985 (Supp. 85-5). Repealed effective July 21, 1995 (Supp. 95-3).

## ARTICLE 11. ADVERTISING

**R4-11-1101. Advertising**
A dentist may advertise specific dental services or certification in a non-specialty area only if the advertisement includes the phrase "Services provided by an Arizona licensed general dentist." A dental hygienist may advertise specific dental hygiene services only if the advertisement includes the phrase "Services provided by an Arizona licensed dental hygienist." A denturist may advertise specific denture services only if the advertisement includes the phrase "Services provided by an Arizona certified denturist."

**Historical Note**
Adopted effective July 29, 1981 (Supp. 81-4). Amended by repealing the former guideline on "Management of Craniomandibular Disorders" and adopting a new guideline effective June 16, 1982 (Supp. 82-3). Repealed effective November 20, 1992 (Supp. 92-4). Former Section R4-11-1101 repealed, new Section R4-11-1101 adopted by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section amended by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1).

**R4-11-1102. Advertising as a Recognized Specialist**

**A.** A dentist may advertise as a specialist or use the terms "specialty" or "specialist" to describe professional services only if the dentist limits the dentist's practice exclusively to one or more specialty area that are:
1. Recognized by a board that certifies specialists for the area of specialty; and
2. Accredited by the Commission on Dental Accreditation of the American Dental Association.

**B.** The following specialty areas meet the requirements of subsection (A):
1. Endodontics,
2. Oral and maxillofacial surgery,
3. Orthodontics and dentofacial orthopedics,
4. Pediatric dentistry,
5. Periodontics,
6. Prosthodontics,
7. Dental Public Health,
8. Oral and Maxillofacial Pathology, and
9. Oral and Maxillofacial Radiology.

**C.** For purposes of this Article, a dentist who wishes to advertise as a specialist or a multiple-specialist in a recognized field under subsection (B) shall meet the criteria in one or more of the following categories:
1. Grandfathered: A dentist who declared a specialty area before December 31, 1964, according to requirements established by the American Dental Association, and has a practice limited to a dentistry area approved by the American Dental Association;
2. Educationally qualified: A dentist who has successfully completed an educational program of two or more years in a specialty area accredited by the Commission on Dental Accreditation of the American Dental Association, as specified by the Council on Dental Education of the American Dental Association;
3. Board eligible: A dentist who has met the guidelines of a specialty board that operates in accordance with the requirements established by the American Dental Association in a specialty area recognized by the Board, if the specialty board:
   a. Has established examination requirements and standards,
   b. Appraised an applicant's qualifications,
   c. Administered comprehensive examinations, and
   d. Upon completion issues a certificate to a dentist who has achieved diplomate status; or
4. Board certified: A dentist who has met the requirements of a specialty board referenced in subsection (C)(3), and who has received a certificate from the specialty board, indicating the dentist has achieved diplomate status.

**D.** A dentist, dental hygienist, or denturist whose advertising implies that services rendered in a dental office are of a specialty area other than those listed in subsection (B) and recognized by a specialty board that has been accredited by the Commission on Dental Accreditation of the American Dental Association violates this Article and A.R.S. § 32-1201(18)(u), and is subject to discipline under A.R.S. Title 32, Chapter 11.

**Historical Note**

Adopted effective July 29, 1981 (Supp. 81-4). Former Section R4-11-1102 renumbered to R4-11-501 by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). New Section made by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1).

**R4-11-1103. Reserved**

**R4-11-1104. Repealed**

**Historical Note**

Adopted effective November 25, 1985 (Supp. 85-6). Former Section R4-11-1104 repealed by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-1105. Repealed**

**Historical Note**

Adopted effective September 12, 1985 (Supp. 85-5). Repealed effective July 21, 1995 (Supp. 95-3).

## ARTICLE 12. CONTINUING DENTAL EDUCATION AND RENEWAL REQUIREMENTS

**R4-11-1201. Continuing Dental Education**

**A.** A licensee or certificate holder shall:
1. Satisfy a continuing dental education requirement that is designed to provide an understanding of current developments, skills, procedures, or treatment related to the licensee's or certificate holder's practice; and
2. Complete the recognized continuing dental education required by this Article each renewal period.

**B.** A licensee or certificate holder receiving an initial license or certificate shall complete the prescribed credit hours of recognized continuing dental education by the end of the first full renewal period.

**Historical Note**

Adopted effective May 21, 1982 (Supp. 82-3). Former Section R4-11-1201 renumbered to R4-11-801, new Section R4-11-1201 renumbered from R4-11-1402 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section amended by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1).

**R4-11-1202. Continuing Dental Education Compliance and Renewal Requirements**

**A.** When applying for a renewal license, certificate, or restricted permit, a Licensee, denturist, or Restricted Permit Holder shall complete a renewal application provided by the Board.

**B.** Before receiving a renewal license or certificate, each Licensee or denturist shall possess a current form of one of the following:
1. A cardiopulmonary resuscitation healthcare provider level certificate from the American Red Cross, the American Heart Association, or another certifying agency;
2. Advanced cardiac life support course completion confirmation from the American Heart Association or another agency. The confirmation must indicate that the course was completed within two years immediately before submitting a renewal application; or
3. Pediatric advanced life support course completion confirmation from the American Heart Association or another agency. The confirmation must indicate that the course was completed within two years immediately before submitting a renewal application.

**C.** A Licensee or denturist shall include an affidavit affirming the Licensee's or denturist's completion of the prescribed Credit Hours of Recognized Continuing Dental Education with a renewal application. A Licensee or denturist shall include on the affidavit the Licensee's or denturist's name, license or certificate number, the number of hours completed in each category, and the total number of hours completed for activities defined in R4-11-1209(A)(4).

**D.** A Licensee or denturist shall submit a written request for an extension before the renewal deadline prescribed in A.R.S. §§ 32-1236, 32-1276.02, 32-1287, and 32-1297.06. If a Licensee or denturist fails to meet the Credit Hours requirement because of military service, dental or religious missionary activity, residence in a foreign country, or other extenuating circumstances as determined by the Board, the Board, upon written request, may grant an extension of time to complete the Recognized Continuing Dental Education Credit Hour requirement.

**E.** The Board shall:
1. Only accept Recognized Continuing Dental Education credits accrued during the prescribed period immediately before license or certificate renewal, and
2. Not allow Recognized Continuing Dental Education credit accrued in a renewal period in excess of the amount required in this Article to be carried forward to the next renewal period.

**F.** A Licensee or denturist shall maintain Documentation of Attendance for each program for which credit is claimed that verifies the Recognized Continuing Dental Education Credit Hours the Licensee or denturist participated in during the most recently completed renewal period.

**G.** Each year, the Board shall audit continuing dental education requirement compliance on a random basis or when information is obtained which indicates a Licensee or denturist may not be in compliance with this Article. A Licensee or denturist selected for audit shall provide the Board with Documentation of Attendance that shows compliance with the continuing dental education requirements within 35 calendar days from the date the Board issues notice of the audit by certified mail.

**H.** If a Licensee or denturist is found to not be in compliance with the continuing dental education requirements, the Board may take any disciplinary or non-disciplinary action authorized by A.R.S. Title 32, Chapter 11.

**Historical Note**

Adopted effective May 21, 1982 (Supp. 82-3). Former Section R4-11-1202 renumbered to R4-11-802, new Section R4-11-1202 renumbered from R4-11-1403 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section amended by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1). Amended by final rulemaking at 19 A.A.R. 3873, effective January 5, 2014 (Supp. 13-4). Amended by final rulemaking at 21 A.A.R. 921, effective August 3, 2015 (Supp. 15-2). Amended by final rulemaking at 28 A.A.R. 344 (February 4, 2022), effective March 14, 2022 (Supp. 22-1). Amended by final rulemaking at 28 A.A.R. 1898 (August 5, 2022), effective September 12, 2022

(Supp. 22-3).

**R4-11-1203. Dentists and Dental Consultants**

Dentists and dental consultants shall complete 63 hours of Recognized Continuing Dental Education in each renewal period as follows:

1. At least 36 Credit Hours in any one or more of the following areas: Dental and medical health, preventive services, dental diagnosis and treatment planning, dental recordkeeping, dental clinical procedures, managing medical emergencies, pain management, dental public health, and courses in corrective and restorative oral health and basic dental sciences, which may include current research, new concepts in dentistry, chemical dependency, tobacco cessation, and behavioral and biological sciences that are oriented to dentistry. A Licensee who holds a permit to administer General Anesthesia, Deep Sedation, Parenteral Sedation, or Oral Sedation who is required to obtain continuing education pursuant to Article 13 may apply those Credit Hours to the requirements of this Section;
2. No more than 15 Credit Hours in one or more of the following areas: Dental practice organization and management, patient management skills, and methods of health care delivery;
3. At least three Credit Hours in opioid education;
4. At least three Credit Hours in infectious diseases or infectious disease control;
5. At least three Credit Hours in cardiopulmonary resuscitation healthcare provider level, advanced cardiac life support or pediatric advanced life support. Coursework may be completed online if the course requires a physical demonstration of skills; and
6. At least three Credit Hours in ethics or Arizona dental jurisprudence.

**Historical Note**

Adopted effective September 12, 1985 (Supp. 85-5). Repealed effective July 21, 1995 (Supp. 95-3). New Section R4-11-1203 renumbered from R4-11-1404 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section amended by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1). Amended by final rulemaking at 19 A.A.R. 3873, effective January 5, 2014 (Supp. 13-4). Amended by final rulemaking at 28 A.A.R. 1898 (August 5, 2022), effective September 12, 2022 (Supp. 22-3).

**R4-11-1204. Dental Hygienists**

**A.** A dental hygienist shall complete 45 Credit Hours of Recognized Continuing Dental Education in each renewal period as follows:

1. At least 25 Credit Hours in any one or more of the following areas: Dental and medical health, and dental hygiene services, periodontal disease, care of implants, maintenance of cosmetic restorations and sealants, radiology safety and techniques, managing medical emergencies, pain management, dental recordkeeping, dental public health, and new concepts in dental hygiene;
2. No more than 11 Credit Hours in one or more of the following areas: Dental hygiene practice organization and management, patient management skills, and methods of health care delivery;
3. At least three Credit Hours in one or more of the following areas: chemical dependency, tobacco cessation, ethics, risk management, or Arizona dental jurisprudence;
4. At least three Credit Hours in infectious diseases or infectious disease control; and
5. At least three Credit Hours in cardiopulmonary resuscitation healthcare provider level, advanced cardiac life support and pediatric advanced life support. Coursework may be completed online if the course re-quires a physical demonstration of skills.

**B.** A Licensee who performs dental hygiene services under an affiliated practice relationship who is required to obtain continuing education under R4-11-609 may apply those Credit Hours to the requirements of this Section.

**Historical Note**

New Section R4-11-1204 renumbered from R4-11-1405 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section amended by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1). Amended by final rulemaking at 13 A.A.R. 962, effective May 5, 2007 (Supp. 07-1). Amended by final rulemaking at 19 A.A.R. 3873, effective January 5, 2014 (Supp. 13-4). Amended by final rulemaking at 28 A.A.R. 1898 (August 5, 2022), effective September 12, 2022 (Supp. 22-3).

**R4-11-1205. Denturists**

Denturists shall complete 27 Credit Hours of Recognized Continuing Dental Education in each renewal period as follows:

1. At least 15 Credit Hours in any one or more of the following areas: Medical and dental health, laboratory procedures, clinical procedures, dental recordkeeping, removable prosthetics, pain management, dental public health, and new technology in dentistry;
2. No more than three Credit Hours in one or more of the following areas: Denturist practice organization and management, patient management skills, and methods of health care delivery;
3. At least one Credit Hour in chemical dependency, which may include tobacco cessation;
4. At least two Credit Hours in infectious diseases or infectious disease control;
5. At least three Credit Hours in cardiopulmonary resuscitation healthcare provider level, advanced cardiac life support and pediatric advanced life support. Coursework may be completed online if the course re-quires a physical demonstration of skills; and
6. At least three Credit Hours in ethics or Arizona dental jurisprudence.

**Historical Note**

New Section R4-11-1205 renumbered from R4-11-1406 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section amended by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1). Amended by final rulemaking at 19 A.A.R. 3873, effective January 5, 2014 (Supp. 13-4). Amended by final rulemaking at 28 A.A.R. 1898 (August 5, 2022), effective September 12, 2022 (Supp. 22-3).

**R4-11-1206. Restricted Permit Holders - Dental**

In addition to the requirements in R4-11-1202, a dental Restricted Permit Holder shall comply with the following requirements:

1. When applying for renewal under A.R.S. § 32-1238, the Restricted Permit Holder shall provide information to the Board that the Restricted Permit Holder has completed 15 Credit Hours of Recognized Continuing Dental Education yearly.

2. To determine whether to grant the renewal, the Board shall only consider Recognized Continuing Dental Education credits accrued during the 36 months immediately before the renewal deadline prescribed in A.R.S. § 32-1236.
3. A dental Restricted Permit Holder shall complete the 15 hours of Recognized Continuing Dental Education before renewal as follows:
   a. At least six Credit Hours in one or more of the subjects enumerated in R4-11-1203(1);
   b. No more than three Credit Hours in one or more of the subjects enumerated in R4-11-1203(2);
   c. At least one Credit Hour in the subjects enumerated in R4-11-1203(3);
   d. At least one Credit Hour in the subjects enumerated in R4-11-1203(4).
   e. At least three Credit Hours in the subjects enumerated in R4-11-1203(5); and
   f. At least one Credit Hour in the subjects enumerated in R4-11-1203(6).

**Historical Note**

New Section R4-11-1206 renumbered from R4-11-1407 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section amended by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1). Amended by final rulemaking at 19 A.A.R. 3873, effective January 5, 2014 (Supp. 13-4). Amended by final rulemaking at 28 A.A.R. 344 (February 4, 2022), effective March 14, 2022 (Supp. 22-1). Amended by final rulemaking at 28 A.A.R. 1898 (August 5, 2022), effective September 12, 2022 (Supp. 22-3).

**R4-11-1207. Restricted Permit Holders - Dental Hygiene**

In addition to the requirements in R4-11-1202, a dental hygiene Restricted Permit Holder shall comply with the following:

1. When applying for renewal under A.R.S. § 32-1292, the Restricted Permit Holder shall provide information to the Board that the Restricted Permit Holder has completed nine Credit Hours of Recognized Continuing Dental Education yearly.
2. To determine whether to grant renewal, the Board shall only consider Recognized Continuing Dental Education credits accrued during the 36 months immediately before the renewal deadline prescribed in A.R.S. § 32-1287.
3. A dental hygiene Restricted Permit Holder shall complete the nine hours of Recognized Continuing Dental Education before renewal as follows:
   a. At least three Credit Hours in one or more of the subjects enumerated in R4-11-1204(1);
   b. No more than three Credit Hours in one or more of the subjects enumerated in R4-11-1204(2);
   c. At least one Credit Hour in the subjects enumerated in R4-11-1204(3);
   d. At least two Credit Hours in the subjects enumerated in R4-11-1204(4) and
   e. At least three Credit Hours in the subjects enumerated in R4-11-1204(5).

**Historical Note**

New Section R4-11-1207 renumbered from R4-11-1408 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section repealed; new Section made by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1). Amended by final rulemaking at 19 A.A.R. 3873, effective January 5, 2014 (Supp. 13-4). Amended by final rulemaking at 28 A.A.R. 344 (February 4, 2022), effective March 14, 2022 (Supp. 22-1). Amended by final rulemaking at 28 A.A.R. 1898 (August 5, 2022), effective September 12, 2022 (Supp. 22-3).

**R4-11-1208. Retired Licensees or Retired Denturists**

A Retired Licensee or Retired denturist shall:

1. Except for the number of Credit Hours required, comply with the requirements in R4-11-1202; and
2. When applying for renewal under A.R.S. § 32-1236 for a dentist, A.R.S. § 32-1276.02 for a dental therapist, A.R.S. § 32-1287 for a dental hygienist, and A.R.S. § 32-1297.06 for a denturist, provide information to the Board that the Retired Licensee or Retired denturist has completed the following Credit Hours of Recognized Continuing Dental Education per renewal period:
   a. Dentist - 24 Credit Hours of which no less than three Credit Hours shall be for cardiopulmonary resuscitation-healthcare provider level;
   b. Dental therapist - 21 Credit Hours of which no less than three Credit Hours shall be for cardiopulmonary resuscitation- healthcare provider level;
   c. Dental hygienist - 18 Credit Hours of which no less than three Credit Hours shall be for cardiopulmonary resuscitation-healthcare provider level; and
   d. Denturist - six Credit Hours of which no less than three Credit Hours shall be for cardiopulmonary resuscitation-healthcare provider level.

**Historical Note**

New Section made by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1). Amended by final rulemaking at 28 A.A.R. 1898 (August 5, 2022), effective September 12, 2022 (Supp. 22-3).

**R4-11-1209. Types of Courses**

**A.** A Licensee or denturist shall obtain Recognized Continuing Dental Education from one or more of the following activities:

1. Seminars, symposiums, lectures, or programs designed to provide an understanding of current developments, skills, procedures, or treatment related to the practice of dentistry;
2. Seminars, symposiums, lectures, or programs designed to provide an understanding of current developments, skills, procedures, or treatment related to the practice of dentistry by means of audio-video technology in which the Licensee is provided all seminar, symposium, lecture or program materials and the technology permits attendees to fully participate; or
3. Curricula designed to prepare for specialty board certification as a specialist or recertification examinations or advanced training at an accredited institution as defined in A.R.S. Title 32, Chapter 11; and
4. Subject to the limitations in subsection (B), any of the following activities that provide an understanding of current developments, skills, procedures, or treatment related to the practice of dentistry:
   a. A correspondence course, video, internet or similar self-study course, if the course includes an examination and the Licensee or denturist passes the examination;
   b. Participation on the Board, in Board complaint investigations including Clinical Evaluations or anesthesia and sedation permit evaluations;

c. Participation in peer review of a national or state dental, dental therapy, dental hygiene, or denturist association or participation in quality of care or utilization review in a hospital, institution, or governmental agency;
d. Providing dental-related instruction to dental, dental therapy, dental hygiene, or denturist students, or allied health professionals in a recognized dental school, recognized dental therapy school, recognized dental hygiene school, or recognized denturist school or providing dental-related instruction sponsored by a national, state, or local dental, dental therapy, dental hygiene, or denturist association;
e. Publication or presentation of a dental paper, report, or book authored by the Licensee or denturist that provides information on current developments, skills, procedures, or treatment related to the practice of dentistry. A Licensee or denturist may claim Credit Hours:
i. Only once for materials presented;
ii. Only if the date of publication or original presentation was during the applicable renewal period; and
iii. One Credit Hour for each hour of preparation, writing, and presentation; or
f. Providing dental, dental therapy, dental hygiene, or denturist services in a Board-recognized Charitable Dental Clinic or Organization.

**B.** The following limitations apply to the total number of Credit Hours earned per renewal period in any combination of the activities listed in subsection (A)(4):
1. Dentists, no more than 21 hours;
2. Dental therapists, no more than 18 hours;
3. Dental hygienists, no more than 15 hours;
4. Denturists, no more than nine hours;
5. Retired or Restricted Permit Holder dentists, dental therapists, or dental hygienists, no more than two hours; and
6. Retired denturists, no more than two hours.

**Historical Note**
New Section made by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1). Amended by final rulemaking at 19 A.A.R. 3873, effective January 5, 2014 (Supp. 13-4). Amended by final rulemaking at 28 A.A.R. 1898 (August 5, 2022), effective September 12, 2022 (Supp. 22-3).

**R4-11-1210. Dental Therapists**
Dental therapists shall complete 54 hours of Recognized Continuing Dental Education in each renewal period as follows:
1. At least 31 Credit Hours in any one or more of the following areas: Dental and medical health, dental therapy services, dental therapy treatment planning, preventive services, dental diagnosis and treatment planning, dental recordkeeping, dental clinical procedures, managing medical emergencies, pain management, dental public health, periodontal disease, care of implants, maintenance of cosmetic restorations and sealants, radiology safety and techniques, and courses in corrective and restorative oral health and basic dental sciences, which may include current research, new concepts in dentistry, and behavioral and biological sciences that are oriented to dentistry;
2. No more than 14 Credit Hours in any one or more of the following areas: Dental practice organization and management, patient management skills, and methods of health care delivery;
3. At least three Credit Hours in infectious diseases or infectious disease control;
4. At least three Credit Hours in cardiopulmonary resuscitation healthcare provider level, advanced cardiac life support or pediatric advanced life support. Coursework may be completed online if the course requires a physical demonstration of skills; and
5. At least three Credit Hours in any one or more of the following areas: ethics, risk management, chemical dependency, tobacco cessation, or Arizona dental jurisprudence.

**Historical Note**
New Section made by final rulemaking at 29 A.A.R. 1330 (June 9, 2023), effective July 10, 2023 (Supp. 23-2).

## ARTICLE 13. GENERAL ANESTHESIA AND SEDATION

**R4-11-1301. General Anesthesia and Deep Sedation**

**A.** Before administering General Anesthesia, or Deep Sedation by any means, in a dental office or dental clinic, a dentist shall possess a Section 1301 Permit issued by the Board. The dentist may renew a Section 1301 Permit every five years by complying with R4-11-1307.

**B.** To obtain or renew a Section 1301 Permit, a dentist shall:
1. Submit a completed application on a form provided by the Board office that, in addition to the requirements of subsections (B)(2) and (3), and R4-11-1307, includes:
a. General information about the applicant such as:
i. Name;
ii. Home and office addresses and telephone numbers;
iii. Limitations of practice;
iv. Hospital affiliations;
v. Denial, curtailment, revocation, or suspension of hospital privileges;
vi. Denial of membership in, denial of renewal of membership in, or disciplinary action by a dental organization; and
vii. Denial of licensure by, denial of renewal of licensure by, or disciplinary action by a dental regulatory body; and
b. The dentist's dated and signed affidavit stating that the information provided is true, and that the dentist has read and complied with the Board's statutes and rules;
2. On forms provided by the Board, provide a dated and signed affidavit attesting that any office or dental clinic where the dentist will administer General Anesthesia or Deep Sedation:
a. Contains the following properly operating equipment and supplies during the provision of General Anesthesia and Deep Sedation:
i. Emergency Drugs;
ii. Electrocardiograph monitor;
iii. Pulse oximeter;
iv. Cardiac defibrillator or automated external defibrillator;
v. Positive pressure oxygen and supplemental oxygen;
vi. Suction equipment, including endotracheal, tonsillar, or pharyngeal and emergency backup medical suction device;

vii. Laryngoscope, multiple blades, backup batteries, and backup bulbs;
viii. Endotracheal tubes and appropriate connectors;
ix. Magill forceps;
x. Oropharyngeal and nasopharyngeal airways;
xi. Auxiliary lighting;
xii. Stethoscope; and
xiii. Blood pressure monitoring device; and

b. Maintains a staff of supervised personnel capable of handling procedures, complications, and emergency incidents. All personnel involved in administering and monitoring General Anesthesia or Deep Sedation shall hold a current course completion confirmation in cardiopulmonary resuscitation healthcare provider level;

3. Hold a valid license to practice dentistry in this state;
4. Maintain a current permit to prescribe and administer Controlled Substances in this state issued by the United States Drug Enforcement Administration; and
5. Provide confirmation of completing coursework within the two years prior to submitting the permit application in one or more of the following:
   a. Advanced cardiac life support from the American Heart Association or another agency that follows the same procedures, standards, and techniques for training as the American Heart Association;
   b. Pediatric advanced life support in a practice treating pediatric patients; or
   c. A recognized continuing education course in advanced airway management.

**C.** Initial applicants shall meet one or more of the following conditions by submitting to the Board verification of meeting the condition directly from the issuing institution:
1. Complete, within the three years before submitting the permit application, a full credit load, as defined by the training program, during one calendar year of training, in anesthesiology or related academic subjects, beyond the undergraduate dental school level in a training program described in R4-11-1306(A), offered by a hospital accredited by the Joint Commission on Accreditation of Hospitals Organization, or sponsored by a university accredited by the American Dental Association Commission on Dental Accreditation;
2. Be, within the three years before submitting the permit application, a Diplomate of the American Board of Oral and Maxillofacial Surgeons or eligible for examination by the American Board of Oral and Maxillofacial surgeons, a Fellow of the American Association of Oral and Maxillofacial surgeons, a Fellow of the American Dental Society of Anesthesiology, a Diplomate of the National Dental Board of Anesthesiology, or a Diplomate of the American Dental Board of Anesthesiology; or
3. For an applicant who completed the requirements of subsections (C)(1) or (C)(2) more than three years before submitting the permit application, provide the following documentation:
   a. On a form provided by the Board, a written affidavit affirming that the applicant has administered General Anesthesia or Deep Sedation to a minimum of 25 patients within the year before submitting the permit application or 75 patients within the last five years before submitting the permit application;
   b. A copy of the General Anesthesia or Deep Sedation permit in effect in another state or certification of military training in General Anesthesia or Deep Sedation from the applicant's commanding officer; and
   c. On a form provided by the Board, a written affidavit affirming the completion of 30 clock hours of continuing education taken within the last five years as outlined in R4-11-1306(B)(1)(a) through (f).

**D.** After submitting the application and written evidence of compliance with requirements in subsection (B) and, if applicable, subsection (C) to the Board, the applicant shall schedule an onsite evaluation by the Board during which the applicant shall administer General Anesthesia or Deep Sedation. After the applicant completes the application requirements and successfully completes the onsite evaluation, a Section 1301 Permit shall be issued to the applicant.
1. The onsite evaluation team shall consist of:
   a. Two dentists who are Board members, or Board designees for initial applications; or
   b. One dentist who is a Board member or Board designee for renewal applications.
2. The onsite team shall evaluate the following:
   a. The availability of equipment and personnel as specified in subsection (B)(2);
   b. Proper administration of General Anesthesia or Deep Sedation to a patient by the applicant in the presence of the evaluation team;
   c. Successful responses by the applicant to oral examination questions from the evaluation team about patient management, medical emergencies, and emergency medications;
   d. Proper documentation of Controlled Substances, that includes a perpetual inventory log showing the receipt, administration, dispensing, and destruction of Controlled Substances;
   e. Proper recordkeeping as specified in subsection (E) by reviewing the records generated for the patient specified in subsection (D)(2)(b); and
   f. For renewal applicants, records supporting continued competency as specified in R4-11-1306.
3. The evaluation team shall recommend one of the following:
   a. Pass. Successful completion of the onsite evaluation;
   b. Conditional Approval for failing to have appropriate equipment, proper documentation of Controlled Substances, or proper recordkeeping. The applicant must submit proof of correcting the deficiencies before a permit is issued;
   c. Category 1 Evaluation Failure. The applicant must review the appropriate subject matter and schedule a subsequent evaluation by two Board Members or Board designees not less than 30 days from the failed evaluation. An example is failure to recognize and manage one emergency;
   d. Category 2 Evaluation Failure. The applicant must complete Board approved continuing education in subject matter within the scope of the onsite evaluation as identified by the evaluators and schedule a subsequent evaluation by two Board Members or Board designees not less than 60 days from the failed evaluation. An example is failure to recognize and manage more than one emergency; or
   e. Category 3 Evaluation Failure. The applicant must complete Board approved remedial continuing edu-

cation with the subject matter outlined in R4-11-1306 as identified by the evaluators and reapply not less than 90 days from the failed evaluation. An example is failure to recognize and manage an anesthetic urgency.

4. The onsite evaluation of an additional dental office or dental clinic in which General Anesthesia or Deep Sedation is administered by an existing Section 1301 Permit holder may be waived by the Board staff upon receipt in the Board office of an affidavit verifying compliance with subsection (D)(2)(a).
5. A Section 1301 mobile permit may be issued if a Section 1301 Permit holder travels to dental offices or dental clinics to provide anesthesia or Deep Sedation. The applicant must submit a completed affidavit verifying:
   a. That the equipment and supplies for the provision of anesthesia or Deep Sedation as required in subsection (B)(2)(a) either travel with the Section 1301 Permit holder or are in place and in appropriate condition at the dental office or dental clinic where anesthesia or Deep Sedation is provided, and
   b. Compliance with subsection (B)(2)(b).

**E.** A Section 1301 Permit holder shall keep an anesthesia or Deep Sedation record for each General Anesthesia and Deep Sedation procedure that includes the following entries:

1. Pre-operative and post-operative electrocardiograph documentation;
2. Pre-operative, intra-operative, and post-operative pulse oximeter documentation;
3. Pre-operative, intra-operative, and post-operative blood pressure and vital sign documentation;
4. A list of all medications given, with dosage and time intervals, and route and site of administration;
5. Type of catheter or portal with gauge;
6. Indicate nothing by mouth or time of last intake of food or water;
7. Consent form; and
8. Time of discharge and status, including name of escort.

**F.** The Section 1301 Permit holder, for intravenous access, shall use a new infusion set, including a new infusion line and new bag of fluid, for each patient.

**G.** The Section 1301 Permit holder shall utilize supplemental oxygen for patients receiving General Anesthesia or Deep Sedation for the duration of the procedure.

**H.** The Section 1301 Permit holder shall continuously supervise the patient from the initiation of anesthesia or Deep Sedation until termination of the anesthesia or Deep Sedation procedure and oxygenation, ventilation, and circulation are stable. The Section 1301 Permit holder shall not commence with the administration of a subsequent anesthetic case until the patient is in monitored recovery or meets the guidelines for discharge.

**I.** A Section 1301 Permit holder may employ the following health care professionals to provide anesthesia or sedation services and shall ensure that the health care professional continuously supervises the patient from the administration of anesthesia or sedation until termination of the anesthesia or sedation procedure and oxygenation, ventilation, and circulation are stable:

1. An allopathic or osteopathic physician currently licensed in Arizona by the Arizona Medical Board or the Arizona Board of Osteopathic Examiners who has successfully completed a residency program in anesthesiology approved by the American Council on Graduate Medical Education or the American Osteopathic Association or who is certified by either the American Board of Anesthesiology or the American Osteopathic Board of Anesthesiology and is credentialed with anesthesia privileges through an Arizona licensed medical facility, or
2. A Certified Registered Nurse Anesthesiology currently licensed in Arizona who provides services under the Nurse Practice Act in A.R.S. Title 32, Chapter 15.

**J.** A Section 1301 Permit holder may also administer parenteral sedation without obtaining a Section 1302 Permit.

**Historical Note**

New Section R4-11-1301 renumbered from R4-11-802 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Amended by final rulemaking at 9 A.A.R. 1054, effective May 6, 2003 (Supp. 03-1). Amended by final rulemaking at 19 A.A.R. 341, effective April 6, 2013 (Supp. 13-1). Amended by final rulemaking at 28 A.A.R. 1898 (August 5, 2022), effective September 12, 2022 (Supp. 22-3).

**R4-11-1302. Parenteral Sedation**

**A.** Before administering parenteral sedation in a dental office or dental clinic, a dentist shall possess a Section 1302 Permit issued by the Board. The dentist may renew a Section 1302 Permit every five years by complying with R4-11-1307.

1. A Section 1301 Permit holder may also administer parenteral sedation.
2. A Section 1302 Permit holder shall not administer or employ any agents which have a narrow margin for maintaining consciousness including, but not limited to, ultrashort acting barbiturates, propofol, parenteral ketamine, or similarly acting Drugs, agents, or techniques, or any combination thereof that would likely render a patient deeply sedated, generally anesthetized or otherwise not meeting the conditions of Moderate Sedation.

**B.** To obtain or renew a Section 1302 Permit, the dentist shall:

1. Submit a completed application on a form provided by the Board office that, in addition to the requirements of subsections (B)(2) and (3) and R4-11-1307, includes:
   a. General information about the applicant such as:
      i. Name;
      ii. Home and office addresses and telephone numbers;
      iii. Limitations of practice;
      iv. Hospital affiliations;
      v. Denial, curtailment, revocation, or suspension of hospital privileges;
      vi. Denial of membership in, denial of renewal of membership in, or disciplinary action by a dental organization; and
      vii. Denial of licensure by, denial of renewal of licensure by, or disciplinary action by a dental regulatory body; and
   b. The dentist's dated and signed affidavit stating that the information provided is true, and that the dentist has read and complied with the Board's statutes and rules;
2. On forms provided by the Board, provide a dated and signed affidavit attesting that any dental office or dental clinic where the dentist will administer parenteral sedation by intravenous or intramuscular route:
   a. Contains the following properly operating equipment and supplies during the provision of parenteral sedation by the permit holder or General Anesthesia

or Deep Sedation by a physician anesthesiologist or Certified Registered Nurse Anesthetist:

i. Emergency Drugs;
ii. Positive pressure oxygen and supplemental oxygen;
iii. Stethoscope;
iv. Suction equipment, including tonsillar or pharyngeal and emergency backup medical suction device;
v. Oropharyngeal and nasopharyngeal airways;
vi. Pulse oximeter;
vii. Auxiliary lighting;
viii. Blood pressure monitoring device; and
ix. Cardiac defibrillator or automated external defibrillator; and

b. Maintains a staff of supervised personnel capable of handling procedures, complications, and emergency incidents, including at least one staff member who:

i. Holds a current course completion confirmation in cardiopulmonary resuscitation healthcare provider level;
ii. Is present during the parenteral sedation procedure; and
iii. After the procedure, monitors the patient until discharge;

3. Hold a valid license to practice dentistry in this state;
4. Maintain a current permit to prescribe and administer Controlled Substances in this state issued by the United States Drug Enforcement Administration;
5. Provide confirmation of completing coursework within the two years prior to submitting the permit application in one or more of the following:
   a. Advanced cardiac life support from the American Heart Association or another agency that follows the same procedures, standards, and techniques for training as the American Heart Association;
   b. Pediatric advanced life support in a practice treating pediatric patients; or
   c. A recognized continuing education course in advanced airway management.

**C.** Initial applicants shall meet one of the following conditions by submitting to the Board verification of meeting the condition directly from the issuing institution:

1. Successfully complete Board-recognized undergraduate, graduate, or postgraduate education within the three years before submitting the permit application, that includes the following:
   a. Sixty didactic hours of basic parenteral sedation to include:
      i. Physical evaluation;
      ii. Management of medical emergencies;
      iii. The importance of and techniques for maintaining proper documentation; and
      iv. Monitoring and the use of monitoring equipment; and
   b. Hands-on administration of parenteral sedative medications to at least 20 patients in a manner consistent with this Section; or
2. An applicant who completed training in parenteral sedation more than three years before submitting the permit application shall provide the following documentation:
   a. On a form provided by the Board, a written affidavit affirming that the applicant has administered parenteral sedation to a minimum of 25 patients within the year or 75 patients within the last five years before submitting the permit application;
   b. A copy of the parenteral sedation permit in effect in another state or certification of military training in parenteral sedation from the applicant's commanding officer; and
   c. On a form provided by the Board, a written affidavit affirming the completion of 30 clock hours of continuing education taken within the last five years as outlined in R4-11-1306(B)(1)(b) through (f).

**D.** After submitting the application and written evidence of compliance with requirements outlined in subsection (B) and, if applicable, subsection (C) to the Board, the applicant shall schedule an onsite evaluation by the Board during which the applicant shall administer parenteral sedation. After the applicant completes the application requirements and successfully completes the onsite evaluation, the Board shall issue a Section 1302 Permit to the applicant.

1. The onsite evaluation team shall consist of:
   a. Two dentists who are Board members, or Board designees for initial applications, or
   b. One dentist who is a Board member or Board designee for renewal applications.
2. The onsite team shall evaluate the following:
   a. The availability of equipment and personnel as specified in subsection (B)(2);
   b. Proper administration of parenteral sedation to a patient by the applicant in the presence of the evaluation team;
   c. Successful responses by the applicant to oral examination questions from the evaluation team about patient management, medical emergencies, and emergency medications;
   d. Proper documentation of Controlled Substances, that includes a perpetual inventory log showing the receipt, administration, dispensing, and destruction of all Controlled Substances;
   e. Proper recordkeeping as specified in subsection (E) by reviewing the records generated for the patient receiving parenteral sedation as specified in subsection (D)(2)(b); and
   f. For renewal applicants, records supporting continued competency as specified in R4-11-1306.
3. The evaluation team shall recommend one of the following:
   a. Pass. Successful completion of the onsite evaluation;
   b. Conditional Approval for failing to have appropriate equipment, proper documentation of Controlled Substances, or proper recordkeeping. The applicant must submit proof of correcting the deficiencies before a permit is issued;
   c. Category 1 Evaluation Failure. The applicant must review the appropriate subject matter and schedule a subsequent evaluation by two Board Members or Board designees not less than 30 days from the failed evaluation. An example is failure to recognize and manage one emergency;
   d. Category 2 Evaluation Failure. The applicant must complete Board approved continuing education in subject matter within the scope of the onsite evaluation as identified by the evaluators and schedule a subsequent evaluation by two Board Members or Board designees not less than 60 days from the

failed evaluation. An example is failure to recognize and manage more than one emergency; or

e. Category 3 Evaluation Failure. The applicant must complete Board approved remedial continuing education with the subject matter outlined in R4-11-1306 as identified by the evaluators and reapply not less than 90 days from the failed evaluation. An example is failure to recognize and manage an anesthetic urgency.

4. The onsite evaluation of an additional dental office or dental clinic in which parenteral sedation is administered by an existing Section 1302 Permit holder may be waived by the Board staff upon receipt in the Board office of an affidavit verifying compliance with subsection (D)(2)(a).
5. A Section 1302 mobile permit may be issued if a Section 1302 Permit holder travels to dental offices or dental clinics to provide parenteral sedation. The applicant must submit a completed affidavit verifying:
   a. That the equipment and supplies for the provision of parenteral sedation as required in R4-11-1302(B)(2)(a) either travel with the Section 1302 Permit holder or are in place and in appropriate working condition at the dental office or dental clinic where parenteral sedation is provided, and
   b. Compliance with R4-11-1302(B)(2)(b).

**E.** A Section 1302 Permit holder shall keep a parenteral sedation record for each parenteral sedation procedure that:
1. Includes the following entries:
   a. Pre-operative, intra-operative, and post-operative pulse oximeter documentation;
   b. Pre-operative, intra-operative, and post-operative blood pressure and vital sign documentation;
   c. A list of all medications given, with dosage and time intervals and route and site of administration;
   d. Type of catheter or portal with gauge;
   e. Indicate nothing by mouth or time of last intake of food or water;
   f. Consent form; and
   g. Time of discharge and status, including name of escort; and
2. May include pre-operative and post-operative electrocardiograph report.

**F.** The Section 1302 Permit holder shall establish intravenous access on each patient receiving parenteral sedation utilizing a new infusion set, including a new infusion line and new bag of fluid.

**G.** The Section 1302 Permit holder shall utilize supplemental oxygen for patients receiving parenteral sedation for the duration of the procedure.

**H.** The Section 1302 Permit holder shall continuously supervise the patient from the initiation of parenteral sedation until termination of the parenteral sedation procedure and oxygenation, ventilation and circulation are stable. The Section 1302 Permit holder shall not commence with the administration of a subsequent anesthetic case until the patient is in monitored recovery or meets the guidelines for discharge.

**I.** A Section 1302 Permit holder may employ a health care professional as specified in R4-11-1301(I).

**Historical Note**

New Section R4-11-1302 renumbered from R4-11-803 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Amended by final rulemaking at 9 A.A.R. 1054, effective May 6, 2003 (Supp. 03-1). Amended by final rulemaking at 19 A.A.R. 341, effective April 6, 2013 (Supp. 13-1). Amended by final rulemaking at 28 A.A.R. 1898 (August 5, 2022), effective September 12, 2022 (Supp. 22-3).

**R4-11-1303. Oral Sedation**

**A.** Before administering Oral Sedation in a dental office or dental clinic, a dentist shall possess a Section 1303 Permit issued by the Board. The dentist may renew a Section 1303 Permit every five years by complying with R4-11-1307.
1. A Section 1301 Permit holder or Section 1302 Permit holder may also administer Oral Sedation without obtaining a Section 1303 Permit.
2. The administration of a single Drug for Minimal Sedation does not require a Section 1303 Permit if:
   a. The administered dose is within the Food and Drug Administration's maximum recommended dose as printed in the Food and Drug Administration's approved labeling for unmonitored home use;
      i. Incremental multiple doses of the Drug may be administered until the desired effect is reached, but does not exceed the maximum recommended dose; and
      ii. During Minimal Sedation, a single supplemental dose may be administered. The supplemental dose may not exceed one-half of the initial dose and the total aggregate dose may not exceed one and one-half times the Food and Drug Administration's maximum recommended dose on the date of treatment; and
   b. Nitrous oxide/oxygen may be administered in addition to the oral Drug as long as the combination does not exceed Minimal Sedation.

**B.** To obtain or renew a Section 1303 Permit, a dentist shall:
1. Submit a completed application on a form provided by the Board office that, in addition to the requirements of subsections (B)(2) and (3) and R4-11-1307, includes:
   a. General information about the applicant such as:
      i. Name;
      ii. Home and office addresses and telephone numbers;
      iii. Limitations of practice;
      iv. Hospital affiliations;
      v. Denial, curtailment, revocation, or suspension of hospital privileges;
      vi. Denial of membership in, denial of renewal of membership in, or disciplinary action by a dental organization; and
      vii. Denial of licensure by, denial of renewal of licensure by, or disciplinary action by a dental regulatory body; and
   b. The dentist's dated and signed affidavit stating that the information provided is true, and that the dentist has read and complied with the Board's statutes and rules;
2. On forms provided by the Board, provide a dated and signed affidavit attesting that any dental office or dental clinic where the dentist will administer Oral Sedation:
   a. Contains the following properly operating equipment and supplies during the provision of sedation:
      i. Emergency Drugs;
      ii. Cardiac defibrillator or automated external defibrillator;
      iii. Positive pressure oxygen and supplemental oxygen;
      iv. Stethoscope;

v. Suction equipment, including tonsillar or pharyngeal and emergency backup medical suction device;
vi. Pulse oximeter;
vii. Blood pressure monitoring device; and
viii. Auxiliary lighting; and

b. Maintains a staff of supervised personnel capable of handling procedures, complications, and emergency incidents, including at least one staff member who:
i. Holds a current certificate in cardiopulmonary resuscitation healthcare provider level;
ii. Is present during the Oral Sedation procedure; and
iii. After the procedure, monitors the patient until discharge;

3. Hold a valid license to practice dentistry in this state;
4. Maintain a current permit to prescribe and administer Controlled Substances in this state issued by the United States Drug Enforcement Administration;
5. Provide confirmation of completing coursework within the two years prior to submitting the permit application in one or more of the following:
a. Cardiopulmonary resuscitation healthcare provider level from the American Heart Association, American Red Cross, or another agency that follows the same procedures, standards, and techniques for training as the American Heart Association or American Red Cross;
b. Pediatric advanced life support in a practice treating pediatric patients; or
c. A recognized continuing education course in advanced airway management.

**C.** Initial applicants shall meet one of the following by submitting to the Board verification of meeting the condition directly from the issuing institution:
1. Complete a Board-recognized post-doctoral residency program that includes documented training in Oral Sedation within the last three years before submitting the permit application; or
2. Complete a Board recognized post-doctoral residency program that includes documented training in Oral Sedation more than three years before submitting the permit application shall provide the following documentation:
a. On a form provided by the Board, a written affidavit affirming that the applicant has administered Oral Sedation to a minimum of 25 patients within the year or 75 patients within the last five years before submitting the permit application;
b. A copy of the Oral Sedation permit in effect in another state or certification of military training in Oral Sedation from the applicant's commanding officer; and
c. On a form provided by the Board, a written affidavit affirming the completion of 30 hours of continuing education taken within the last five years as outlined in R4-11-1306(C)(1)(a) through (f); or
3. Provide proof of participation in 30 clock hours of Board-recognized undergraduate, graduate, or post-graduate education in Oral Sedation within the three years before submitting the permit application that includes:
a. Training in basic Oral Sedation,
b. Pharmacology,
c. Physical evaluation,
d. Management of medical emergencies,
e. The importance of and techniques for maintaining proper documentation, and
f. Monitoring and the use of monitoring equipment.

**D.** After submitting the application and written evidence of compliance with requirements in subsection (B) and, if applicable, subsection (C) to the Board, the applicant shall schedule an onsite evaluation by the Board. After the applicant completes the application requirements and successfully completes the onsite evaluation, the Board shall issue a Section 1303 Permit to the applicant.
1. The onsite evaluation team shall consist of:
a. For initial applications, two dentists who are Board members, or Board designees.
b. For renewal applications, one dentist who is a Board member, or Board designee.
2. The onsite team shall evaluate the following:
a. The availability of equipment and personnel as specified in subsection (B)(2);
b. Successful responses by the applicant to oral examination questions from the evaluation team about patient management, medical emergencies, and emergency medications;
c. Proper documentation of Controlled Substances, that includes a perpetual inventory log showing the receipt, administration, dispensing, and destruction of Controlled Substances;
d. Proper recordkeeping as specified in subsection (E) by reviewing the forms that document the Oral Sedation record; and
e. For renewal applicants, records supporting continued competency as specified in R4-11-1306.
3. The evaluation team shall recommend one of the following:
a. Pass. Successful completion of the onsite evaluation;
b. Conditional Approval for failing to have appropriate equipment, proper documentation of Controlled Substance, or proper recordkeeping. The applicant must submit proof of correcting the deficiencies before permit will be issued;
c. Category 1 Evaluation Failure. The applicant must review the appropriate subject matter and schedule a subsequent evaluation by two Board Members or Board designees not less than 30 days from the failed evaluation. An example is failure to recognize and manage one emergency; or
d. Category 2 Evaluation Failure. The applicant must complete Board approved continuing education in subject matter within the scope of the onsite evaluation as identified by the evaluators and schedule a subsequent evaluation by two Board Members or Board designees not less than 60 days from the failed evaluation. An example is failure to recognize and manage more than one emergency.
4. The onsite evaluation of an additional dental office or dental clinic in which Oral Sedation is administered by a Section 1303 Permit holder may be waived by the Board staff upon receipt in the Board office of an affidavit verifying compliance with subsection (D)(2)(a).
5. A Section 1303 mobile permit may be issued if the Section 1303 Permit holder travels to dental offices or dental clinics to provide Oral Sedation. The applicant must submit a completed affidavit verifying:

a. That the equipment and supplies for the provision of Oral Sedation as required in R4-11-1303(B)(2)(a) either travel with the Section 1303 Permit holder or are in place and in appropriate condition at the dental office or dental clinic where Oral Sedation is provided, and
b. Compliance with R4-11-1303(B)(2)(b).

**E.** A Section 1303 Permit holder shall keep an Oral Sedation record for each Oral Sedation procedure that:
1. Includes the following entries:
a. Pre-operative, intra-operative, and post-operative, pulse oximeter oxygen saturation and pulse rate documentation;
b. Pre-operative and post-operative blood pressure;
c. Documented reasons for not taking vital signs if a patient's behavior or emotional state prevents monitoring personnel from taking vital signs;
d. List of all medications given, including dosage and time intervals;
e. Patient's weight;
f. Consent form;
g. Special notes, such as, nothing by mouth or last intake of food or water; and
h. Time of discharge and status, including name of escort; and
2. May include the following entries:
a. Pre-operative and post-operative electrocardiograph report; and
b. Intra-operative blood pressures.

**F.** The Section 1303 Permit holder shall utilize supplemental oxygen for patients receiving Oral Sedation for the duration of the procedure.

**G.** The Section 1303 Permit holder shall ensure the continuous supervision of the patient from the administration of Oral Sedation until oxygenation, ventilation and circulation are stable and the patient is appropriately responsive for discharge from the dental office or dental clinic.

**H.** A Section 1303 Permit holder may employ a health care professional to provide anesthesia services, if all of the following conditions are met:
1. The physician anesthesiologist or Certified Registered Nurse Anesthetist meets the requirements as specified in R4-11-1301(I);
2. The Section 1303 Permit holder has completed coursework within the two years prior to submitting the permit application in one or more of the following:
a. Advanced cardiac life support from the American Heart Association or another agency that follows the same procedures, standards, and techniques for training as the American Heart Association;
b. Pediatric advanced life support in a practice treating pediatric patients;
c. A recognized continuing education course in advanced airway management;
3. The Section 1303 Permit holder ensures that:
a. The dental office or clinic contains the equipment and supplies listed in R4-11-1304(B)(2)(a) during the provision of anesthesia or sedation by the physician anesthesiologist or Certified Registered Nurse Anesthetist;
b. The anesthesia or sedation record contains all the entries listed in R4-11-1304(D);
c. For intravenous access, the physician anesthesiologist or Certified Registered Nurse Anesthetist uses a new infusion set, including a new infusion line and new bag of fluid for each patient; and
d. The patient is continuously supervised from the administration of anesthesia or sedation until the termination of the anesthesia or sedation procedure and oxygenation, ventilation and circulation are stable. The Section 1303 Permit holder shall not commence with a subsequent procedure or treatment until the patient is in monitored recovery or meets the guidelines for discharge.

**Historical Note**

New Section R4-11-1303 renumbered from R4-11-805 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Former Section R4-11-1303 renumbered to R4-11-1304; new Section R4-11-1303 made by final rulemaking at 9 A.A.R. 1054, effective May 6, 2003 (Supp. 03-1). Amended by final rulemaking at 19 A.A.R. 341, effective April 6, 2013 (Supp. 13-1). Amended by final rulemaking at 28 A.A.R. 1898 (August 5, 2022), effective September 12, 2022 (Supp. 22-3).

**R4-11-1304. Permit to Employ or Work with a Physician Anesthesiologist or Certified Registered Nurse Anesthetist (CRNA)**

**A.** This Section does not apply to a Section 1301 permit holder or a Section 1302 permit holder practicing under the provisions of R4-11-1302(I) or a Section 1303 permit holder practicing under the provisions of R4-11-1303(H). A dentist may utilize a physician anesthesiologist or certified registered nurse anesthetist (CRNA) for anesthesia or sedation services while the dentist provides treatment in the dentist's office or dental clinic after obtaining a Section 1304 permit issued by the Board.
1. The physician anesthesiologist or CRNA meets the requirements as specified in R4-11-1301(I).
2. The dentist permit holder shall provide all dental treatment and ensure that the physician anesthesiologist or CRNA remains on the dental office or dental clinic premises until any patient receiving anesthesia or sedation services is discharged.
3. A dentist may renew a Section 1304 permit every five years by complying with R4-11-1307.

**B.** To obtain or renew a Section 1304 permit, a dentist shall:
1. Submit a completed application on a form provided by the Board office that, in addition to the requirements of subsections (B)(2) and (3) and R4-11-1307 includes:
a. General information about the applicant such as:
i. Name;
ii. Home and office addresses and telephone numbers;
iii. Limitations of practice;
iv. Hospital affiliations;
v. Denial, curtailment, revocation, or suspension of hospital privileges;
vi. Denial of membership in, denial of renewal of membership in, or disciplinary action by a dental organization; and
vii. Denial of licensure by, denial of renewal of licensure by, or disciplinary action by a dental regulatory body; and
b. The dentist's dated and signed affidavit stating that the information provided is true, and that the dentist

has read and complied with the Board's statutes and rules;

2. On forms provided by the Board, provide a dated and signed affidavit attesting that any dental office or dental clinic where the dentist provides treatment during administration of general anesthesia or sedation by a physician anesthesiologist or CRNA:
   a. Contains the following properly operating equipment and supplies during the provision of general anesthesia and sedation:
      i. Emergency drugs;
      ii. Electrocardiograph monitor;
      iii. Pulse oximeter;
      iv. Cardiac defibrillator or automated external defibrillator (AED);
      v. Positive pressure oxygen and supplemental continuous flow oxygen;
      vi. Suction equipment, including endotrachael, tonsillar or pharyngeal and emergency backup medical suction device;
      vii. Laryngoscope, multiple blades, backup batteries and backup bulbs;
      viii. Endotracheal tubes and appropriate connectors;
      ix. Magill forceps;
      x. Oropharyngeal and nasopharyngeal airways;
      xi. Auxiliary lighting;
      xii. Stethoscope; and
      xiii. Blood pressure monitoring device; and
   b. Maintains a staff of supervised personnel capable of handling procedures, complications, and emergency incidents. All personnel involved in administering and monitoring general anesthesia or sedation shall hold a current course completion confirmation in cardiopulmonary resuscitation (CPR) Health Care Provider level;
3. Hold a valid license to practice dentistry in this state; and
4. Provide confirmation of completing coursework within the last two years prior to submitting the permit application in one or more of the following:
   a. Advanced cardiac life support (ACLS) from the American Heart Association or another agency that follows the same procedures, standards, and techniques for training as the American Heart Association;
   b. Pediatric advanced life support (PALS) in a practice treating pediatric patients; or
   c. A recognized continuing education course in advanced airway management.

**C.** After submitting the application and written evidence of compliance with requirements in subsection (B) to the Board, the applicant shall schedule an onsite evaluation by the Board. After the applicant completes the application requirements and successfully completes the onsite evaluation, the Board shall issue the applicant a Section 1304 permit.
1. The onsite evaluation team shall consist of one dentist who is a Board member, or Board designee.
2. The onsite team shall evaluate the following:
   a. The availability of equipment and personnel as specified in subsection (B)(2);
   b. Proper documentation of controlled substances, that includes a perpetual inventory log showing the receipt, administration, dispensing, and destruction of controlled substances; and
   c. Proper recordkeeping as specified in subsection (E) by reviewing previous anesthesia or sedation records.
3. The evaluation team shall recommend one of the following:
   a. Pass. Successful completion of the onsite evaluation; or
   b. Conditional approval for failing to have appropriate equipment, proper documentation of controlled substances, or proper recordkeeping. The applicant must submit proof of correcting the deficiencies before a permit is issued.
4. The evaluation of an additional dental office or dental clinic in which a Section 1304 permit holder provides treatment during the administration general anesthesia or sedation by a physician anesthesiologist or CRNA may be waived by the Board staff upon receipt in the Board office of an affidavit verifying compliance with subsection (B)(2).

**D.** A Section 1304 permit holder shall keep an anesthesia or sedation record for each general anesthesia and sedation procedure that includes the following entries:
1. Pre-operative and post-operative electrocardiograph documentation;
2. Pre-operative, intra-operative, and post-operative, pulse oximeter documentation;
3. Pre-operative, intra-operative, and post-operative blood pressure and vital sign documentation; and
4. A list of all medications given, with dosage and time intervals and route and site of administration;
5. Type of catheter or portal with gauge;
6. Indicate nothing by mouth or time of last intake of food or water;
7. Consent form; and
8. Time of discharge and status, including name of escort.

**E.** For intravenous access, a Section 1304 permit holder shall ensure that the physician anesthesiologist or CRNA uses a new infusion set, including a new infusion line and new bag of fluid for each patient.

**F.** A Section 1304 permit holder shall ensure that the physician anesthesiologist or CRNA utilizes supplemental continuous flow oxygen for patients receiving general anesthesia or sedation for the duration of the procedure.

**G.** The Section 1304 permit holder shall continuously supervise the patient from the administration of anesthesia or sedation until termination of the anesthesia or sedation procedure and oxygenation, ventilation and circulation are stable. The Section 1304 permit holder shall not commence with a subsequent procedure or treatment until the patient is in monitored recovery or meets the guidelines for discharge.

**Historical Note**

New Section R4-11-1304 renumbered from R4-11-805 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Former Section R4-11-1304 renumbered to R4-11-1305; new Section R4-11-1304 renumbered from R4-11-1303 and amended by final rulemaking at 9 A.A.R. 1054, effective May 6, 2003 (Supp. 03-1). Section repealed; new Section made by final rulemaking at 19 A.A.R. 341, effective April 6, 2013 (Supp. 13-1).

**R4-11-1305. Reports of Adverse Occurrences**

If a death, or incident requiring emergency medical response, occurs in a dental office or dental clinic during the administration of

or recovery from general anesthesia, deep sedation, moderate sedation, or minimal sedation, the permit holder and the treating dentist involved shall submit a complete report of the incident to the Board within 10 days after the occurrence.

**Historical Note**

New Section R4-11-1305 renumbered from R4-11-806 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Former Section R4-11-1305 renumbered to R4-11-1306; new Section R4-11-1305 renumbered from R4-11-1304 and amended by final rulemaking at 9 A.A.R. 1054, effective May 6, 2003 (Supp. 03-1). Section repealed; new Section made by final rulemaking at 19 A.A.R. 341, effective April 6, 2013 (Supp. 13-1).

**R4-11-1306. Education; Continued Competency**

**A.** To obtain a Section 1301, permit by satisfying the education requirement of R4-11-1301(B)(6), a dentist shall successfully complete an advanced graduate or post-graduate education program in pain control.
1. The program shall include instruction in the following subject areas:
   a. Anatomy and physiology of the human body and its response to the various pharmacologic agents used in pain control;
   b. Physiological and psychological risks for the use of various modalities of pain control;
   c. Psychological and physiological need for various forms of pain control and the potential response to pain control procedures;
   d. Techniques of local anesthesia, sedation, and general anesthesia, and psychological management and behavior modification, as they relate to pain control in dentistry; and
   e. Handling emergencies and complications related to pain control procedures, including the maintenance of respiration and circulation, immediate establishment of an airway, and cardiopulmonary resuscitation.
2. The program shall consist of didactic and clinical training. The didactic component of the program shall:
   a. Be the same for all dentists, whether general practitioners or specialists; and
   b. Include each subject area listed in subsection (A)(1).
3. The program shall provide at least one calendar year of training as prescribed in R4-11-1301(B)(6)(a).

**B.** To maintain a Section 1301 or 1302 permit under R4-11-1301 or R4-11-1302 a permit holder shall:
1. Participate in 30 clock hours of continuing education every five years in one or more of the following areas:
   a. General anesthesia,
   b. Parenteral sedation,
   c. Physical evaluation,
   d. Medical emergencies,
   e. Monitoring and use of monitoring equipment, or
   f. Pharmacology of drugs and non-drug substances used in general anesthesia or parenteral sedation; and
2. Provide confirmation of completing coursework within the two years prior to submitting the renewal application from one or more of the following:
   a. Advanced cardiac life support (ACLS) from the American Heart Association or another agency that follows the same procedures, standards, and techniques for training as the American Heart Association;
   b. Pediatric advanced life support (PALS) in a practice treating pediatric patients; or
   c. A recognized continuing education course in advanced airway management;
3. Complete at least 10 general anesthesia, deep sedation or parenteral sedation cases a calendar year; and
4. Apply a maximum of six hours from subsection (B)(2) toward the continuing education requirements for subsection (B)(1).

**C.** To maintain a Section 1303 permit issued under R4-11-1303, a permit holder shall:
1. Participate in 30 clock hours of continuing education every five years in one or more of the following areas:
   a. Oral sedation,
   b. Physical evaluation,
   c. Medical emergencies,
   d. Monitoring and use of monitoring equipment, or
   e. Pharmacology of oral sedation drugs and non-drug substances; and
2. Provide confirmation of completing coursework within the two years prior to submitting the renewal application from one or more of the following:
   a. Cardiopulmonary resuscitation (CPR) Health Care Provider level from the American Heart Association, American Red Cross or another agency that follows the same procedures, standards, and techniques for training as the American Heart Association or American Red Cross;
   b. Advanced cardiac life support (ACLS) from the American Heart Association or another agency that follows the same procedures, standards, and techniques for training as the American Heart Association;
   c. Pediatric advanced life support (PALS);
   d. A recognized continuing education course in advanced airway management; and
3. Complete at least 10 oral sedation cases a calendar year.

**Historical Note**

Section R4-11-1306 renumbered from R4-11-1305 and amended by final rulemaking at 9 A.A.R. 1054, effective May 6, 2003 (Supp. 03-1). Amended by final rulemaking at 19 A.A.R. 341, effective April 6, 2013 (Supp. 13-1).

**R4-11-1307. Renewal of Permit**

**A.** To renew a Section 1301, 1302, or 1303 permit, the permit holder shall:
1. Provide written documentation of compliance with the applicable continuing education requirements in R4-11-1306;
2. Provide written documentation of compliance with the continued competency requirements in R4-11-1306;
3. Before December 31 of the year the permit expires, submit a completed application on a form provided by the Board office as described in R4-11-1301, R4-11-1302, or R4-11-1303; and
4. Not less than 90 days before the expiration of a permit holder's current permit, arrange for an onsite evaluation as described in R4-11-1301, R4-11-1302, or R4-11-1303.

**B.** To renew a Section 1304 permit, the permit holder shall:
1. Before December 31 of the year the permit expires, submit a completed application on a form provided by the Board office as described in R4-11-1304; and

2. Not less than 90 days before the expiration of a permit holder's current permit, arrange for an onsite evaluation as described in R4-11-1304.

**C.** After the permit holder successfully completes the evaluation and submits the required affidavits, the Board shall renew a Section 1301, 1302, 1303, 1304 permit, as applicable.

**D.** The Board may stagger due dates for renewal applications.

**Historical Note**

Made by final rulemaking at 19 A.A.R. 341, effective April 6, 2013 (Supp. 13-1).

## ARTICLE 14. DISPENSING DRUGS AND DEVICES

### R4-11-1401. Prescribing

**A.** In addition to the requirements of A.R.S. § 32-1298(C), a dentist shall ensure that a prescription order contains the following information:

1. Date of issuance;
2. Name and address of the patient to whom the prescription is issued;
3. Name, strength, dosage form, and quantity of the drug or name and quantity of the device prescribed;
4. Name and address of the dentist prescribing the drug; and
5. Drug Enforcement Administration registration number of the dentist, if prescribing a controlled substance.

**B.** Before dispensing a drug or device, a dentist shall present to the patient a written prescription for the drug or device being dispensed that includes on the prescription the following statement in bold type: "This prescription may be filled by the prescribing dentist or by a pharmacy of your choice."

**Historical Note**

Adopted effective July 21, 1995 (Supp. 95-3). Former Section R4-11-1401 repealed, new Section R4-11-1401 adopted by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section repealed; new Section made by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1).

### R4-11-1402. Labeling and Dispensing

**A.** A dentist shall include the following information on the label of all drugs and devices dispensed:

1. The dentist's name, address, and telephone number;
2. The serial number;
3. The date the drug or device is dispensed;
4. The patient's name;
5. Name, strength, and quantity of drug or name and quantity of device dispensed;
6. The name of the drug or device manufacturer or distributor;
7. Directions for use and cautionary statement necessary for safe and effective use of the drug or device; and
8. If a controlled substance is prescribed, the cautionary statement "Caution: Federal law prohibits the transfer of this drug to any person other than the patient for whom it was prescribed."

**B.** Before delivery to the patient, the dentist shall prepare and package the drug or device to ensure compliance with the prescription and personally inform the patient of the name of the drug or device, directions for its use, precautions, and storage requirements.

**C.** A dentist shall purchase all dispensed drugs and devices from a manufacturer, distributor, or pharmacy that is properly licensed in this state or one of the other 49 states, the District of Columbia, the Commonwealth of Puerto Rico, or a territory of the United States of America.

**D.** When dispensing a prescription drug or device from a prescription order, a dentist shall perform the following professional practices:

1. Verify the legality and pharmaceutical feasibility of dispensing a drug based upon:
   a. A patient's allergies,
   b. Incompatibilities with a patient's currently-taken medications,
   c. A patient's use of unusual quantities of dangerous drugs or narcotics, and
   d. The frequency of refills;
2. Verify that the dosage is within proper limits;
3. Interpret the prescription order;
4. Prepare, package, and label, or assume responsibility for preparing, packaging, and labeling, the drug or device dispensed under each prescription order;
5. Check the label to verify that the label precisely communicates the prescriber's directions and hand-initial each label;
6. Record, or assume responsibility for recording, the serial number and date dispensed on the front of the original prescription order; and
7. Record on the original prescription order the name or initials of the dentist who dispensed the order.

**Historical Note**

Adopted effective July 21, 1995 (Supp. 95-3). Former Section R4-11-1402 renumbered to R4-11-1201, new Section R4-11-1402 adopted by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section repealed; new Section made by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1).

### R4-11-1403. Storage and Packaging

A dentist shall:

1. Keep all prescription-only drugs and devices in a secured area and control access to the secured area by written procedure. The dentist shall make the written procedure available to the Board or its authorized agents on demand for inspection or copying;
2. Keep all controlled substances secured in a locked cabinet or room, control access to the cabinet or room by written procedure, and maintain an ongoing inventory of the contents. The dentist shall make the written procedure available to the Board or its authorized agents on demand for inspection or copying;
3. Maintain drug storage areas so that the temperature in the drug storage areas does not exceed 85º F;
4. Not dispense a drug or device that has expired or is improperly labeled;
5. Not redispense a drug or device that has been returned;
6. Dispense a drug or device:
   a. In a prepackaged container or light-resistant container with a consumer safety cap, unless the patient or patient's representative requests a non-safety cap; and
   b. With a label that is mechanically or electronically printed;
7. Destroy an outdated, deteriorated, or defective controlled substance according to Drug Enforcement Administration regulations or by using a reverse distributor. A list of reverse distributors may be obtained from the Drug Enforcement Administration; and
8. Destroy an outdated, deteriorated, or defective non-controlled substance drug or device by returning it to the sup-

plier or by using a reverse distributor. A list of reverse distributors may be obtained from the Drug Enforcement Administration.

**Historical Note**
Adopted effective July 21, 1995 (Supp. 95-3). Former Section R4-11-1403 renumbered to R4-11-1202, new Section R4-11-1403 adopted by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section repealed; new Section made by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1).

**R4-11-1404. Recordkeeping**

**A.** A dentist shall:
1. Chronologically date and sequentially number prescription orders in the order that the drugs or devices are originally dispensed;
2. Sequentially file orders separately from patient records, as follows:
   a. File Schedule II drug orders separately from all other prescription orders;
   b. File Schedule III, IV, and V drug orders separately from all other prescription orders; and
   c. File all other prescription orders separately from orders specified in subsections (A)(2)(a) and (b);
3. Record the name of the manufacturer or distributor of the drug or device dispensed on each prescription order and label;
4. Record the name or initials of the dentist dispensing the drug or device on each prescription order and label; and
5. Record the date the drug or device is dispensed on each prescription order and label.

**B.** A dentist shall record in the patient's dental record the name, dosage form, and strength of the drug or device dispensed, the quantity or volume dispensed, the date the drug or device is dispensed, and the dental therapeutic reasons for dispensing the drug or device.

**C.** A dentist shall maintain:
1. Purchase records of all drugs and devices for three years from the date purchased; and
2. Dispensing records of all drugs and devices for three years from the date dispensed.

**D.** A dentist who dispenses controlled substances:
1. Shall inventory Schedule II, III, IV, and V controlled substances as prescribed by A.R.S. § 36-2523;
2. Shall perform a controlled substance inventory on March 1 annually, if directed by the Board, and at the opening or closing of a dental practice;
3. Shall maintain the inventory for three years from the inventory date;
4. May use one inventory book for all controlled substances;
5. When conducting an inventory of Schedule II controlled substances, shall take an exact count;
6. When conducting an inventory of Schedule III, IV, and V controlled substances, shall take an exact count or may take an estimated count if the stock container contains fewer than 1001 units.

**E.** A dentist shall maintain invoices for drugs and devices dispensed for three years from the date of the invoices, filed as follows:
1. File Schedule II controlled substance invoices separately from records that are not Schedule II controlled substance invoices;
2. File Schedule III, IV, and V controlled substance invoices separately from records that are not Schedule III, IV, and V controlled substance invoices; and
3. File all non-controlled substance invoices separately from the invoices referenced in subsections (E)(1) and (2).

**F.** A dentist shall file Drug Enforcement Administration order form (DEA Form 222) for a controlled substance sequentially and separately from every other record.

**Historical Note**
Adopted effective July 21, 1995 (Supp. 95-3). Former Section R4-11-1404 renumbered to R4-11-1203, new Section R4-11-1404 adopted by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section repealed; new Section made by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1).

**R4-11-1405. Compliance**

**A.** A dentist who determines that there has been a theft or loss of Drugs or Controlled Substances from the dentist's office shall immediately notify a local law enforcement agency and the Board and provide written notice of the theft or loss in the following manner:
1. For non-Controlled Substance Drug theft or loss, provide the law enforcement agency and the Board with a written report explaining the theft or loss; or
2. For Controlled Substance theft or loss, complete a Drug Enforcement Administration's 106 form; and
3. Provide copies of the Drug Enforcement Administration's 106 form to the Drug Enforcement Administration and the Board within one day of the discovery.

**B.** A dentist who dispenses Drugs or devices in a manner inconsistent with this Article is subject to discipline under A.R.S. Title 32, Chapter 11, Article 3.

**Historical Note**
Adopted effective July 21, 1995 (Supp. 95-3). Former Section R4-11-1405 renumbered to R4-11-1204, new Section R4-11-1405 adopted by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section repealed; new Section made by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1). Amended by final rulemaking at 28 A.A.R. 1898 (August 5, 2022), effective September 12, 2022 (Supp. 22-3).

**R4-11-1406. Dispensing for Profit Registration and Renewal**

**A.** A dentist who is currently licensed to practice dentistry in Arizona may dispense controlled substances, prescription-only drugs, and prescription-only devices for profit only after providing the Board the following information:
1. A completed registration form that includes the following information:
   a. The dentist's name and dental license number;
   b. A list of the types of drugs and devices to be dispensed for profit, including controlled substances; and
   c. Locations where the dentist desires to dispense the drugs and devices for profit; and
2. A copy of the dentist's current Drug Enforcement Administration Certificate of Registration for each dispensing location from which the dentist desires to dispense the drugs and devices for profit.

**B.** The Board shall issue a numbered certificate indicating the dentist is registered with the Board to dispense drugs and devices for profit.

**C.** A dentist shall renew a registration to dispense drugs and devices for profit by complying with the requirements in subsection (A) before the dentist's license renewal date. When a dentist has made timely and complete application for the renewal of a registration, the dentist may continue to dispense until the Board approves or denies the application. Failure to renew a registration shall result in immediate loss of dispensing for profit privileges.

**Historical Note**

Adopted effective July 21, 1995; inadvertently not published with Supp. 95-3 (Supp. 95-4). Former Section R4-11-1406 renumbered to R4-11-1205, new Section R4-11-1406 adopted by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section repealed; new Section made by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1).

**R4-11-1407. Renumbered**

**Historical Note**

Adopted effective July 21, 1995 (Supp. 95-3). Former Section R4-11-1407 renumbered to R4-11-1206 by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-1408. Renumbered**

**Historical Note**

Adopted effective July 21, 1995 (Supp. 95-3). Former Section R4-11-1408 renumbered to R4-11-1207 by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

**R4-11-1409. Repealed**

**Historical Note**

Adopted effective July 21, 1995 (Supp. 95-3). Former Section R4-11-1409 repealed by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1).

## ARTICLE 15. COMPLAINTS, INVESTIGATIONS, DISCIPLINARY ACTION

**R4-11-1501. Ex-parte Communication**

A complainant, licensee, certificate holder, business entity or mobile dental permit holder against whom a complaint is filed, shall not engage in ex-parte communication by means of a written or oral communication between a decision maker, fact finder, or Board member and only one party to the proceeding.

**Historical Note**

New Section R4-11-1501 adopted by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Amended by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1). Amended by final rulemaking at 19 A.A.R. 334, effective April 6, 2013 (Supp. 13-1).

**R4-11-1502. Dental Consultant Qualifications**

A dentist, dental therapist, dental hygienist, or denturist approved as a Board dental consultant shall:

1. Possess a valid license or certificate to practice in Arizona;
2. Have practiced at least five years in Arizona; and
3. Not have been disciplined by the Board within the past five years.

**Historical Note**

New Section R4-11-1502 adopted by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Amended by final rulemaking at 19 A.A.R. 334, effective April 6, 2013 (Supp. 13-1). Amended by final rulemaking at 29 A.A.R. 1330 (June 9, 2023), effective July 10, 2023 (Supp. 23-2).

**R4-11-1503. Initial Complaint Review**

**A.** The Board's procedures for complaint notification are:

1. The Board shall notify the Licensee, denturist, Business Entity or Mobile Dental Permit Holder by certified U.S. Mail when the following occurs:
   a. A formal interview is scheduled, and
   b. A subpoena, notice, or order is issued.
2. The Board shall notify the Licensee, denturist, Business Entity, or Mobile Dental Permit Holder by U.S. mail or email when the following occurs:
   a. The complaint is tabled, and
   b. The Board grants a postponement or continuance.
3. Board shall provide the Licensee, denturist, Business Entity, or Mobile Dental Permit Holder with a copy of the complaint.
4. If a complaint alleges a violation of the state or federal criminal code, the Board shall refer the complaint to the proper law enforcement agency.

**B.** The Board's procedures for complaints referred to Clinical Evaluation are:

1. Except as provided in subsection (B)(1)(a), the President's Designee shall appoint one or more dental consultants to perform a Clinical Evaluation. If there is more than one dental consultant, the dental consultants do not need to be present at the same time.
   a. If the complaint involves a dental hygienist, denturist, dental therapist, or dentist who is a recognized specialist in one of the areas listed in R4-11-1102(B), the President's Designee shall appoint a dental consultant from that area of practice or specialty.
   b. The Board shall disclose the identity of the Licensee, denturist, Business Entity, or Mobile Dental Permit Holder to a dental consultant performing a Clinical Evaluation before the Board receives the dental consultant's report.
2. The dental consultant shall prepare and submit a Clinical Evaluation report. The President's Designee shall provide a copy of the Clinical Evaluation report to the Licensee or denturist. The Licensee or denturist may submit a written response to the Clinical Evaluation report.

**C.** Notwithstanding any other provision, the Board may take immediate action consistent with A.R.S. §§ 32-1201.01 or 32-1263 in order to protect public health and safety.

**Historical Note**

New Section R4-11-1503 adopted by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Amended by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1). Amended by final rulemaking at 19 A.A.R. 334, effective April 6, 2013 (Supp. 13-1). Amended by final rulemaking at 29 A.A.R. 1330 (June 9, 2023), effective July 10, 2023 (Supp. 23-2). Amended by final rulemaking at 29 A.A.R. 3793 (December 15, 2023), effective January 29, 2024 (Supp. 23-4).

**R4-11-1504. Postponement of Interview**

**A.** The licensee, certificate holder, business entity, or mobile dental permit holder may request a postponement of a formal interview. The Board or its designee shall grant a postponement until the next regularly scheduled Board meeting if the

licensee, certificate holder, business entity, or mobile dental permit holder makes a postponement request and the request:
1. Is made in writing,
2. States the reason for the postponement, and
3. Is received by the Board within 15 calendar days after the date the respondent received the formal interview request.

**B.** Within 48 hours of receipt of a request for postponement of a formal interview, the Board or its designee shall:
1. Review and either deny or approve the request for postponement; and
2. Notify in writing the complainant and licensee, certificate holder, business entity, or mobile dental permit holder of the decision to either deny or approve the request for postponement.

**Historical Note**
New Section R4-11-1504 adopted by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section expired under A.R.S. § 41-1056(E) at 9 A.A.R. 3669, effective April 30, 2003 (Supp. 03-3). New Section made by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1). Amended by final rulemaking at 19 A.A.R. 334, effective April 6, 2013 (Supp. 13-1).

## ARTICLE 16. DENTAL THERAPISTS

**R4-11-1601. Duties and Qualifications**

**A.** A dental therapist may perform a procedure not specifically authorized by A.R.S. § 32-1276.03 when all of the following conditions are satisfied:
1. The procedure is recommended or prescribed by the supervising dentist;
2. The dental therapist has received training by a recognized dental school, recognized dental therapy school, recognized dental hygiene school, or recognized denturist school, as defined under A.R.S. § 32-1201, to perform the procedure in a safe manner; and
3. The procedure is performed under the Direct Supervision of, or according to, a written collaborative practice agreement with a licensed dentist.

**B.** A dental therapist may administer Nitrous Oxide Analgesia as authorized by A.R.S. § 32-1276.03(B)(12) if the dental therapist submits proof directly from an issuing institution of completing courses in the administration of Nitrous Oxide Analgesia offered by a recognized dental school, recognized dental therapy school, or recognized dental hygiene school, as defined under A.R.S. § 32-1201, that include both theory and supervised clinical practice in the procedures.

**C.** A dental therapist may perform suturing and suture removal as authorized by A.R.S. § 32-1276.03(B)(21) if the dental therapist submits proof directly from an issuing institution of completing courses in suturing and suture removal offered by a recognized dental school, recognized dental therapy school, or recognized dental hygiene school, as defined under A.R.S. § 32-1201, that include both theory and supervised clinical practice in the procedures.

**D.** A dental therapist may perform an Irreversible Procedure only if it is specifically authorized by A.R.S. § 32-1276.03 or meets the conditions of R4-11-1601(A).

**Historical Note**
New Section R4-11-1601 adopted by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Section expired under A.R.S. § 41-1056(E) at 14 A.A.R. 3183, effective April 30, 2008. New Section made by final rulemaking at 29 A.A.R. 1330 (June 9, 2023), effective July 10, 2023 (Supp. 23-2).

**R4-11-1602. Limitation on Number Supervised**

A dentist shall not provide direct supervision for more than three dental therapists while the dental therapists are providing services or performing procedures under A.R.S. § 32-1276.03 or R4-11-1601.

**Historical Note**
New Section made by final rulemaking at 29 A.A.R. 1330 (June 9, 2023), effective July 10, 2023 (Supp. 23-2).

**R4-11-1603. Dental Therapy Consultants**

After submission of a current curriculum vitae or resume and approval by the Board, dental therapy consultants may:
1. Participate in Board-related procedures, including a Clinical Evaluation, investigation of complaints concerning infection control, insurance fraud, or the practice of supervised personnel, and any other procedures not directly related to evaluating a dentist's or denturist's quality of care; and
2. Participate in onsite office evaluations for infection control, as part of a team.

**Historical Note**
New Section made by final rulemaking at 29 A.A.R. 1330 (June 9, 2023), effective July 10, 2023 (Supp. 23-2).

**R4-11-1604. Written Collaborative Practice Agreements; Collaborative Practice Relationships**

**A.** A dental therapist shall submit a signed affidavit to the Board affirming that:
1. The Collaborative Practice Agreement complies with all the requirements listed in A.R.S. § 32-1276.04.
2. The dental therapist is and will be continuously certified in basic life support, including healthcare provider level cardiopulmonary resuscitation and training in automated external defibrillator.
3. The dental therapist is in compliance with the continuing dental education requirements of this state.

**B.** Each dentist who enters into a Collaborative Practice Agreement shall be available telephonically or electronically during the business hours of the dental therapist to provide an appropriate level of contact, communication, and consultation.

**C.** A Collaborative Practice Agreement shall include a provision for a substitute dentist, to cover an extenuating circumstance that renders the affiliated practice dentist unavailable for contact, communication, and consultation with the dental therapist.

**D.** A Collaborative Practice Agreement shall include a signed and dated statement from the dentist providing Direct Supervision, verifying the dental therapist's completion of 1000 hours of dental therapy clinical practice according to A.R.S. § 32-1276.04(B).

**E.** A Collaborative Practice Agreement shall be between one dentist and one dental therapist.

**Historical Note**
New Section made by final rulemaking at 29 A.A.R. 1330 (June 9, 2023), effective July 10, 2023 (Supp. 23-2).

## ARTICLE 17. REHEARING OR REVIEW

**R4-11-1701. Procedure**

**A.** Except as provided in subsection (F), a licensee, certificate holder, or business entity who is aggrieved by an order issued by the Board may file a written motion for rehearing or review

with the Board, pursuant to A.R.S. Title 41, Chapter 6, Article 10, specifying the grounds for rehearing or review.

**B.** A licensee, certificate holder, or business entity filing a motion for rehearing or review under this rule may amend the motion at any time before it is ruled upon by the Board. The opposing party may file a response within 15 days after the date the motion for rehearing or review is filed. The Board may require that the parties file supplemental memoranda explaining the issues raised in the motion, and may permit oral argument.

**C.** The Board may grant a rehearing or review of the order for any of the following causes materially affecting a licensee, certificate holder, or business entity's rights:

1. Irregularity in the proceedings of the Board or any order or abuse of discretion, which deprived a licensee, certificate holder, or business entity of a fair hearing;
2. Misconduct of the Board, its personnel, the administrative law judge, or the prevailing party;
3. Accident or surprise which could not have been prevented by ordinary prudence;
4. Excessive or insufficient penalties;
5. Error in the admission or rejection of evidence or other errors of law occurring at the hearing or during the progress of the proceeding;
6. That the findings of fact or decision is arbitrary, capricious, or an abuse of discretion;
7. That the findings of fact of decision is not justified by the evidence or is contrary to law; or
8. Newly discovered, material evidence which could not, with reasonable diligence, have been discovered and produced at the original hearing.

**D.** The Board may affirm or modify the order or grant a rehearing or review to all or part of the issues for any of the reasons in subsection (C). The Board, within the time for filing a motion for rehearing or review, may grant a rehearing or review on its own initiative for any reason for which it might have granted relief on motion of a party. An order granting a rehearing or review shall specify the grounds on which rehearing or review is granted, and any rehearing or review shall cover only those matters specified.

**E.** When a motion for rehearing or review is based upon affidavits, they shall be served with the motion. An opposing party may, within 15 days after such service, serve opposing affidavits.

**F.** If the Board makes specific findings that the immediate effectiveness of the order is necessary for the preservation of public health and safety and that a rehearing or review is impracticable, unnecessary, or contrary to the public interest, the order may be issued as a final order without an opportunity for a rehearing or review. If an order is issued as a final order without an opportunity or rehearing or review, the aggrieved party shall make an application for judicial review of the order within the time limits permitted for application for judicial review of the Board's final order.

**G.** The Board shall rule on the motion for rehearing or review within 15 days after the response has been filed, or at the Board's next meeting after the motion is received, whichever is later.

**Historical Note**

New Section R4-11-1701 renumbered from R4-11-701 and amended by final rulemaking at 5 A.A.R. 580, effective February 4, 1999 (Supp. 99-1). Amended by final rulemaking at 21 A.A.R. 2971, effective January 2, 2016 (Supp. 15-4).

## ARTICLE 18. BUSINESS ENTITIES

### R4-11-1801. Application

Before offering dental services, a business entity required to be registered under A.R.S. § 32-1213 shall apply for registration on an application form supplied by the Board. In addition to the requirements of A.R.S. § 32-1213(B) and the fee under R4-11-402, the registration application shall include a sworn statement from the applicant that:

1. The information provided by the business entity is true and correct, and
2. No information is omitted from the application.

**Historical Note**

New Section made by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1).

### R4-11-1802. Display of Registration

**A.** A business entity shall ensure that the receipt for the current registration period is:

1. Conspicuously displayed in the dental practice in a manner that is always readily observable by patients and visitors, and
2. Exhibited to members of the Board or to duly authorized agents of the Board on request.

**B.** A business entity's receipt for the licensure period immediately preceding shall be kept on display until replaced by the receipt for the current period.

**Historical Note**

New Section made by final rulemaking at 11 A.A.R. 793, effective April 2, 2005 (Supp. 05-1).

# 32-1207. Powers and duties; executive director; immunity; fees; definitions

A. The board shall:

1. Adopt rules that are not inconsistent with this chapter for regulating its own conduct, for holding examinations and for regulating the practice of dentists and supervised personnel and registered business entities, provided that:

(a) Regulation of supervised personnel is based on the degree of education and training of the supervised personnel, the state of scientific technology available and the necessary degree of supervision of the supervised personnel by dentists.

(b) Except as provided pursuant to sections 32-1276.03 and 32-1281, only licensed dentists may perform diagnosis and treatment planning, prescribe medication and perform surgical procedures on hard and soft tissues.

(c) Only a licensed dentist, a dental therapist either under the direct supervision of a dentist or pursuant to a written collaborative practice agreement or a dental hygienist in consultation with a dentist may perform examinations, oral health assessments and treatment sequencing for dental hygiene procedures.

2. Adopt a seal.

3. Maintain a record that is available to the board at all times of its acts and proceedings, including the issuance, denial, renewal, suspension or revocation of licenses and the disposition of complaints. The existence of a pending complaint or investigation shall not be disclosed to the public. Records of complaints shall be available to the public, except only as follows:

(a) If the board dismisses or terminates a complaint, the record of the complaint shall not be available to the public.

(b) If the board has issued a nondisciplinary letter of concern, the record of the complaint shall be available to the public only for a period of five years after the date the board issued the letter of concern.

(c) If the board has required additional nondisciplinary continuing education pursuant to section 32-1263.01 but has not taken further action, the record of the complaint shall be available to the public only for a period of five years after the licensee satisfies this requirement.

(d) If the board has assessed a nondisciplinary civil penalty pursuant to section 32-1208 but has not taken further action, the record of the complaint shall be available to the public only for a period of five years after the licensee satisfies this requirement.

4. Establish a uniform and reasonable standard of minimum educational requirements consistent with the accreditation standards of the American dental association commission on dental accreditation to be observed by dental schools, dental therapy schools and dental hygiene schools in order to be classified as recognized dental schools, dental therapy schools or dental hygiene schools.

5. Establish a uniform and reasonable standard of minimum educational requirements that are consistent with the accreditation standards of the United States department of education or the council on higher education accreditation and that must be observed by denture technology schools in order to be classified as recognized denture technology schools.

6. Determine the reputability and classification of dental schools, dental therapy schools, dental hygiene schools and denture technology schools in accordance with their compliance with the standard set forth in paragraph 4 or 5 of this subsection, whichever is applicable.

7. Issue licenses to persons who the board determines are eligible for licensure pursuant to this chapter.

8. Determine the eligibility of applicants for restricted permits and issue restricted permits to those found eligible.

9. Pursuant to section 32-1263.02, investigate charges of misconduct on the part of licensees and persons to whom restricted permits have been issued.

10. Issue a letter of concern, which is not a disciplinary action but refers to practices that may lead to a violation and to disciplinary action.

11. Issue decrees of censure, fix periods and terms of probation, suspend or revoke licenses, certificates and restricted permits, as the facts may warrant, and reinstate licenses, certificates and restricted permits in proper cases.

12. Collect and disburse monies.

13. Perform all other duties that are necessary to enforce this chapter and that are not specifically or by necessary implication delegated to another person.

14. Establish criteria for the renewal of permits issued pursuant to board rules relating to general anesthesia and sedation.

B. The board may:

1. Sue and be sued.

2. Issue subpoenas, including subpoenas to the custodian of patient records, compel attendance of witnesses, administer oaths and take testimony concerning all matters within the board's jurisdiction. If a person refuses to obey a subpoena issued by the board, the refusal shall be certified to the superior court and proceedings shall be instituted for contempt of court.

3. Adopt rules:

(a) Prescribing requirements for continuing education for renewal of all licenses issued pursuant to this chapter.

(b) Prescribing educational and experience prerequisites for administering intravenous or intramuscular drugs for the purpose of sedation or for using general anesthetics in conjunction with a dental treatment procedure.

(c) Prescribing requirements for obtaining licenses for retired licensees or licensees who have a disability, including the triennial license renewal fee.

4. Hire consultants to assist the board in the performance of its duties and employ persons to provide investigative, professional and clerical assistance as the board deems necessary.

5. Contract with other state or federal agencies as required to carry out the purposes of this chapter.

6. If determined by the board, order physical, psychological, psychiatric and competency evaluations of licensed dentists, dental therapists and dental hygienists, certified denturists and applicants for licensure and certification at the expense of those individuals.

7. Establish an investigation committee consisting of not more than eleven licensees who are in good standing, who are appointed by the board and who serve at the pleasure of the board to investigate any complaint submitted to the board, initiated by the board or delegated by the board to the investigation committee pursuant to this chapter.

C. The executive director or the executive director's designee may:

1. Issue and renew licenses, certificates and permits to applicants who meet the requirements of this chapter.

2. Initiate an investigation if evidence appears to demonstrate that a dentist, dental therapist, dental hygienist, denturist or restricted permit holder may be engaged in unprofessional conduct or may be unable to safely practice dentistry.

3. Initiate an investigation if evidence appears to demonstrate that a business entity may be engaged in unethical conduct.

4. Subject to board approval, enter into a consent agreement with a dentist, dental therapist, denturist, dental hygienist or restricted permit holder if there is evidence of unprofessional conduct.

5. Subject to board approval, enter into a consent agreement with a business entity if there is evidence of unethical conduct.

6. Refer cases to the board for a formal interview.

7. If delegated by the board, enter into a stipulation agreement with a person under the board's jurisdiction for the treatment, rehabilitation and monitoring of chemical substance abuse or misuse.

D. Members of the board are personally immune from liability with respect to all acts done and actions taken in good faith and within the scope of their authority.

E. The board by rule shall require that a licensee obtain a permit for applying general anesthesia and sedation, shall establish and collect a fee of not more than $300 to cover administrative costs connected with issuing the permit and shall conduct inspections to ensure compliance.

F. The board by rule may establish and collect fees for license verification, board meeting agendas and minutes, published lists and mailing labels.

G. This section does not prohibit the board from conducting its authorized duties in a public meeting.

H. For the purposes of this section:

1. "Good standing" means that a person holds an unrestricted and unencumbered license that has not been suspended or revoked pursuant to this chapter.

2. "Record of complaint" means the document reflecting the final disposition of a complaint or investigation.

# 32-1213. Business entities; registration; renewal; civil penalty; exceptions

A. A business entity may not offer dental services pursuant to this chapter unless:

1. The business entity is registered with the board pursuant to this section.

2. The services are conducted by a licensee pursuant to this chapter.

B. The business entity must file a registration application on a form provided by the board. The application must include:

1. A description of the business entity's services offered to the public.

2. The name of any dentist who is authorized to provide and who is responsible for providing the dental services offered at each office.

3. The names and addresses of the officers and directors of the business entity.

4. The name of the business entity's custodian of records.

5. A registration fee prescribed by the board in rule.

C. A business entity must file a separate registration application and pay a fee for each branch office in this state.

D. A registration expires three years after the date the board issues the registration. A business entity that wishes to renew a registration must submit an application for renewal as prescribed by the board on a triennial basis on a form provided by the board before the expiration date. A business entity that fails to renew the registration before the expiration date is subject to a late fee as prescribed by the board by rule. The board may stagger the dates for renewal applications.

E. The business entity must notify the board in writing within thirty days after any change:

1. In the business entity's name, address or telephone number.

2. In the officers or directors of the business entity.

3. In the name of any dentist who is authorized to provide and who is responsible for providing the dental services in any facility.

4. The name of the business entity's custodian of records who will accept subpoenas and respond to patient records requests.

F. The business entity shall establish a written protocol for the secure storage, transfer and access of the dental records of the business entity's patients. This protocol must include, at a minimum, procedures for:

1. Notifying patients of the future locations of their records if the business entity terminates or sells the practice.

2. Disposing of unclaimed dental records.

3. The timely response to requests by patients for copies of their records.

G. The business entity must notify the board within thirty days after the dissolution of any registered business entity or the closing or relocation of any facility and must disclose to the board the business entity's procedure by which its patients may obtain their records.

H. The board may do any of the following pursuant to its disciplinary procedures if a business entity violates the board's statutes or rules:

1. Refuse to issue a registration.

2. Suspend or revoke a registration.

3. Impose a civil penalty of not more than $2,000 for each violation.

4. Enter a decree of censure.

5. Issue an order prescribing a period and terms of probation that are best adapted to protect the public welfare and that may include a requirement for restitution to a patient for a violation of this chapter or rules adopted pursuant to this chapter.

6. Issue a letter of concern if a business entity's actions may cause the board to take disciplinary action.

I. The board shall deposit, pursuant to sections 35-146 and 35-147, civil penalties collected pursuant to this section in the state general fund.

J. This section does not apply to:

1. A sole proprietorship or partnership that consists exclusively of dentists who are licensed pursuant to this chapter.

2. Any of the following entities licensed under title 20:

(a) A service corporation.

(b) An insurer authorized to transact disability insurance.

(c) A prepaid dental plan organization that does not provide directly for prepaid dental services.

(d) A health care services organization that does not provide directly for dental services.

3. A professional corporation or professional limited liability company, the shares of which are exclusively owned by dentists who are licensed pursuant to this chapter and that is formed to engage in the practice of dentistry pursuant to title 10, chapter 20 or title 29 relating to professional limited liability companies.

4. A facility regulated by the federal government or a state, district or territory of the United States.

5. An administrator or executor of the estate of a deceased dentist or a person who is legally authorized to act for a dentist who has been adjudicated to be mentally incompetent for not more than one year after the date the board receives notice of the dentist's death or incapacitation pursuant to section 32-1270.

K. A facility that offers dental services to the public by persons licensed under this chapter shall be registered by the board unless the facility is any of the following:

1. Owned by a dentist who is licensed pursuant to this chapter.

2. Regulated by the federal government or a state, district or territory of the United States.

L. Except for issues relating to insurance coding and billing that require the name, signature and license number of the dentist providing treatment, this section does not:

1. Authorize a licensee in the course of providing dental services for a business entity registered pursuant to this section to disregard or interfere with a policy or practice established by the business entity for the operation and management of the business.

2. Authorize a business entity registered pursuant to this section to establish or enforce a business policy or practice that may interfere with the clinical judgment of the licensee in providing dental services for the business entity or may compromise a licensee's ability to comply with this chapter.

M. The board shall adopt rules that provide a method for the board to receive the assistance and advice of business entities licensed pursuant to this chapter in all matters relating to the regulation of business entities.

N. An individual currently holding a surrendered or revoked license to practice dentistry or dental hygiene in any state or jurisdiction in the United States may not have a majority ownership interest in the business entity registered pursuant to this section. Revocation and surrender of licensure shall be limited to disciplinary actions resulting in loss of license or surrender of license instead of disciplinary action. Dentists or dental hygienists affected by this subsection shall have one year after the surrender or revocation to divest themselves of their ownership interest. This subsection does not apply to publicly held companies. For the purposes of this subsection, "majority ownership interest" means an ownership interest greater than fifty percent.

# 32-1263.02. Investigation and adjudication of complaints; disciplinary action; civil penalty; immunity; subpoena authority; definitions

A. The board on its own motion, or the investigation committee if established by the board, may investigate any evidence that appears to show the existence of any of the causes or grounds for disciplinary action as provided in section 32-1263. The board or investigation committee may investigate any complaint that alleges the existence of any of the causes or grounds for disciplinary action as provided in section 32-1263. The board shall not act on its own motion or on a complaint received by the board if the allegation of unprofessional conduct, unethical conduct or any other violation of this chapter against a licensee occurred more than four years before the complaint is received by the board. The four-year time limitation does not apply to:

1. Medical malpractice settlements or judgments, allegations of sexual misconduct or an incident or occurrence that involved a felony, diversion of a controlled substance or impairment while practicing by the licensee.

2. The board's consideration of the specific unprofessional conduct related to the licensee's failure to disclose conduct or a violation as required by law.

B. At the request of the complainant, the board or investigation committee shall not disclose to the respondent the complainant name unless the information is essential to proceedings conducted pursuant to this article.

C. The board or investigation committee shall conduct necessary investigations, including interviews between representatives of the board or investigation committee and the licensee with respect to any information obtained by or filed with the board under subsection A of this section or obtained by the board or investigation committee during the course of an investigation. The results of the investigation conducted by the investigation committee, including any recommendations from the investigation committee for disciplinary action against any licensee, shall be forwarded to the board for its review.

D. The board or investigation committee may designate one or more persons of appropriate competence to assist the board or investigation committee with any aspect of an investigation.

E. If, based on the information the board receives under subsection A or C of this section, the board finds that the public health, safety or welfare imperatively requires emergency action and incorporates a finding to that effect in its order, the board may order a summary suspension of a licensee's license pursuant to section 41-1092.11 pending proceedings for revocation or other action.

F. If a complaint refers to quality of care, the patient may be referred for a clinical evaluation at the discretion of the board or the investigation committee.

G. If, after completing its investigation or review pursuant to this section, the board finds that the information provided pursuant to subsection A or C of this section is insufficient to merit disciplinary action against a licensee, the board may take any of the following actions:

1. Dismiss the complaint.

2. Issue a nondisciplinary letter of concern to the licensee.

3. Issue a nondisciplinary order requiring the licensee to complete a prescribed number of hours of continuing education in an area or areas prescribed by the board to provide the licensee with the necessary understanding of current developments, skills, procedures or treatment.

4. Assess a nondisciplinary civil penalty in an amount not to exceed $500 if the complaint involves the licensee's failure to respond to a board subpoena.

H. If, after completing its investigation or review pursuant to this section, the board finds that the information provided pursuant to subsection A or C of this section is sufficient to merit disciplinary action against a licensee,

the board may request that the licensee participate in a formal interview before the board. If the licensee refuses or accepts the invitation for a formal interview and the results indicate that grounds may exist for revocation or suspension, the board shall issue a formal complaint and order that a hearing be held pursuant to title 41, chapter 6, article 10. If, after completing a formal interview, the board finds that the protection of the public requires emergency action, it may order a summary suspension of the license pursuant to section 41-1092.11 pending formal revocation proceedings or other action authorized by this section.

I. If, after completing a formal interview, the board finds that the information provided under subsection A or C of this section is insufficient to merit suspension or revocation of the license, it may take any of the following actions:

1. Dismiss the complaint.

2. Order disciplinary action pursuant to section 32-1263.01, subsection A.

3. Enter into a consent agreement with the licensee for disciplinary action.

4. Order nondisciplinary continuing education pursuant to section 32-1263.01, subsection B.

5. Issue a nondisciplinary letter of concern to the licensee.

J. A copy of the board's order issued pursuant to this section shall be given to the complainant and to the licensee. Pursuant to title 41, chapter 6, article 10, the licensee may petition for rehearing or review.

K. Any person who in good faith makes a report or complaint as provided in this section to the board or to any person or committee acting on behalf of the board is not subject to liability for civil damages as a result of the report.

L. The board, through its president or the president's designee, may issue subpoenas to compel the attendance of witnesses and the production of documents and may administer oaths, take testimony and receive exhibits in evidence in connection with an investigation initiated by the board or a complaint filed with the board. In case of disobedience to a subpoena, the board may invoke the aid of any court of this state in requiring the attendance and testimony of witnesses and the production of documentary evidence.

M. Patient records, including clinical records, medical reports, laboratory statements and reports, files, films, reports or oral statements relating to diagnostic findings or treatment of patients, any information from which a patient or a patient's family may be identified or information received and records kept by the board as a result of the investigation procedures taken pursuant to this chapter, are not available to the public.

N. The board may charge the costs of formal hearings conducted pursuant to title 41, chapter 6, article 10 to a licensee it finds to be in violation of this chapter.

O. The board may accept the surrender of an active license from a licensee who is subject to a board investigation and who admits in writing to any of the following:

1. Being unable to safely engage in the practice of dentistry.

2. Having committed an act of unprofessional conduct.

3. Having violated this chapter or a board rule.

P. In determining the appropriate disciplinary action under this section, the board may consider any previous nondisciplinary and disciplinary actions against a licensee.

Q. If a licensee who is currently providing dental services for a registered business entity believes that the registered business entity has engaged in unethical conduct as defined pursuant to section 32-1263, subsection D,

paragraph 16, the licensee must do both of the following before filing a complaint with the board:

1. Notify the registered business entity in writing that the licensee believes that the registered business entity has engaged in a policy or practice that interferes with the clinical judgment of the licensee or that compromises the licensee's ability to comply with the requirements of this chapter. The licensee shall specify in the notice the reasons for this belief.

2. Provide the registered business entity with at least ten calendar days to respond in writing to the assertions made pursuant to paragraph 1 of this subsection.

R. A licensee who files a complaint pursuant to subsection Q of this section shall provide the board with a copy of the licensee's notification and the registered business entity's response, if any.

S. A registered business entity may not take any adverse employment action against a licensee because the licensee complies with the requirements of subsection Q of this section.

T. For the purposes of this section:

1. "License" includes a certificate issued pursuant to this chapter.

2. "Licensee" means a dentist, dental therapist, dental hygienist, denturist, dental consultant, restricted permit holder or business entity regulated pursuant to this chapter.

# 32-1298. Dispensing of drugs and devices; conditions; definition

A. A dentist may dispense drugs, except schedule II controlled substances that are opioids, and devices kept by the dentist if:

1. All drugs and devices are dispensed in packages labeled with the following information:

(a) The dispensing dentist's name, address and telephone number.

(b) The date the drug or device is dispensed.

(c) The patient's name.

(d) The name and strength of the drug or device, directions for its use and any cautionary statements required by law.

2. The dispensing dentist enters into the patient's dental record the name and strength of the drug or device dispensed, the date the drug or device is dispensed and the therapeutic reason.

3. The dispensing dentist keeps all drugs and devices in a locked cabinet or room, controls access to the cabinet or room by a written procedure and maintains an ongoing inventory of its contents.

B. Before dispensing a drug or device pursuant to this section, the patient shall be given a written prescription on which appears the following statement in bold type: "This prescription may be filled by the prescribing dentist or by a pharmacy of your choice."

C. A dentist shall dispense for profit only to the dentist's own patient and only for conditions being treated by that dentist. The dentist shall provide direct supervision of an attendant involved in the dispensing process. For the purposes of this subsection, "direct supervision" means that a dentist is present and makes the determination as to the legitimacy or advisability of the drugs or devices to be dispensed.

D. This section shall be enforced by the board, which shall establish rules regarding labeling, recordkeeping, storage and packaging of drugs and devices that are consistent with the requirements of chapter 18 of this title. The board may conduct periodic inspections of dispensing practices to ensure compliance with this section and applicable rules.

E. For the purposes of this section, "dispense" means the delivery by a dentist of a prescription drug or device to a patient, except for samples packaged for individual use by licensed manufacturers or repackagers of drugs or devices, and includes the prescribing, administering, packaging, labeling and security necessary to prepare and safeguard the drug or device for delivery.

# CHAPTER 21

# HOUSE BILL 2071

AN ACT

AMENDING SECTION 32-1298, ARIZONA REVISED STATUTES; RELATING TO THE STATE BOARD OF DENTAL EXAMINERS.

(TEXT OF BILL BEGINS ON NEXT PAGE)

Be it enacted by the Legislature of the State of Arizona:

Section 1. Section 32-1298, Arizona Revised Statutes, is amended to read:

32-1298. Dispensing of drugs and devices; conditions; definition

A. A dentist may dispense drugs, except schedule II controlled substances that are opioids, and devices kept by the dentist if:

1. All drugs AND DEVICES are dispensed in packages labeled with the following information:

(a) The dispensing dentist's name, address and telephone number.

(b) The date the drug OR DEVICE is dispensed.

(c) The patient's name.

(d) The name and strength of the drug OR DEVICE, directions for its use and any cautionary statements REQUIRED BY LAW.

2. The dispensing dentist enters into the patient's dental record the name and strength of the drug OR DEVICE dispensed, the date the drug OR DEVICE is dispensed and the therapeutic reason.

3. The dispensing dentist keeps all drugs AND DEVICES in a locked cabinet or room, controls access to the cabinet or room by a written procedure and maintains an ongoing inventory of its contents.

~~B. Except in an emergency situation, a dentist who dispenses drugs for a profit without being registered by the board to do so is subject to a civil penalty by the board of not less than three hundred dollars and not more than one thousand dollars for each transaction and is prohibited from further dispensing for a period of time as prescribed by the board.~~

~~C.~~ B. Before dispensing a drug OR DEVICE pursuant to this section, the patient shall be given a written prescription on which appears the following statement in bold type: "This prescription may be filled by the prescribing dentist or by a pharmacy of your choice."

~~D.~~ C. A dentist shall dispense for profit only to the dentist's own patient and only for conditions being treated by that dentist. The dentist shall provide direct supervision of an attendant involved in the dispensing process. For the purposes of this subsection, "direct supervision" means that a dentist is present and makes the determination as to the legitimacy or advisability of the drugs or devices to be dispensed.

~~E.~~ D. This section shall be enforced by the board, which shall establish rules regarding labeling, recordkeeping, storage and packaging of drugs AND DEVICES that are consistent with the requirements of chapter 18 of this title. The board may conduct periodic inspections of dispensing practices to ensure compliance with this section and applicable rules.

~~f.~~ E. For the purposes of this section, "dispense" means the delivery by a dentist of a prescription drug or device to a patient, except for samples packaged for individual use by licensed manufacturers or repackagers of drugs OR DEVICES, and includes the prescribing, administering, packaging, labeling and security necessary to prepare and safeguard the drug or device for delivery.

APPROVED BY THE GOVERNOR MARCH 29, 2024.

# GOVERNOR'S REGULATORY REVIEW COUNCIL

## ATTORNEY MEMORANDUM - FIVE-YEAR REVIEW REPORT

---

**MEETING DATE:** July 1, 2025

**TO:** Members of the Governor's Regulatory Review Council (Council)

**FROM:** Council Staff

**DATE:** June 17, 2025

**SUBJECT:** **DEPARTMENT OF ENVIRONMENTAL QUALITY**
Title 18, Chapter 11, Articles 4 and 5

---

**Summary**

This Five-Year Review Report (5YRR) from the Department of Environmental Quality (Department) covers fourteen (14) rules Title 18, Chapter 11, Articles 4 and 5 related to Aquifer Water Quality Standards and Aquifer Boundary and Protected Use Classification.

In the report approved by the Council in November 2020, the Department proposed to amend 6 rules in order to improve overall clarity, conciseness, understandability, and consistency with other rules and statute. The Department completed the previous Courses of Action via expedited rulemaking approved in September 2023 and regular rulemakings related to R18-11-406, approved by the Council in May 2025 and June 2025.

**Proposed Action**

The Department has indicated that the rules are meeting their intended objective, are aligned with statutes and other rules, and are clear, concise, and understandable. Thus, the Department is not proposing any proposed course of action at this time.

**1. Has the agency analyzed whether the rules are authorized by statute?**

The Department cites both general and specific statutory authority for these rules

**2. Summary of the agency's economic impact comparison and identification of stakeholders:**

Article 4 Rules Under Review: The Department states that an economic impact statement was not required in either the 1990 or 1992 rulemakings. However, the Department still assessed that the rules' impacts on the state's economy, small business and consumers has not changed since the effective date and the only changes would be to adjust any dollar values for costs and benefits to adjust for inflation. The Department further states that any costs would be borne by the permittees and other persons who must ensure that a discharge to an aquifer or remediation impacting an aquifer complies with the aquifer water quality standards. The Department believes the benefits of protection of human health and environment outweigh these costs.

Article 5 Rules Under Review: The Department states that an economic impact statement was not required in either the 1987 or 1989 rulemakings. However, the Department still assessed that the rules' impacts on the state's economy, small business and consumers has not changed since the effective date and the only changes would be to adjust any dollar values for costs and benefits to adjust for inflation. The Department further states that these rules benefit a person who seeks to discharge to an aquifer without unnecessarily meeting the costs of aquifer water quality standards designed to protect groundwater as a drinking water source and implement the standard set in A.R.S. § 49-224 to determine that the short-term and long-term benefits to the public significantly outweigh the short-term and long-term costs to the public (A.R.S. §49-224(C)(3)).

Stakeholders include the Department, regulated parties like permittees, and the general public.

**3. Has the agency analyzed the costs and benefits of the rulemaking and determined that the rules impose the least burden and costs to those who are regulated?**

Yes, the Department believes that the benefits of the rules under both Articles 4 and 5 outweigh the costs to the regulated parties subject to the regulatory programs that employ the Aquifer Water Quality Standards (AWQSs), because it is the state's priority and ADEQ's statutory charge to ensure drinking water quality and human health.

**4. Has the agency received any written criticisms of the rules over the last five years?**

The Department indicates it has received a total of 14 written criticisms in the past five years. The criticisms and number of criticisms (in parenthesis) relate to the following rules R18-11-405 (2), R18-11-406 (5), R18-407 (1), R18-11-501 (1), R18-11-502(2), R18-11-503 (1), R18-11-504 (1), and General (1). The Department has indicated to Department staff these

criticisms were provided by interested individuals, municipalities, and wastewater treatment plant representatives. The comments and Department responses are found in Item 7 of the 5YRR.

**5. Has the agency analyzed the rules' clarity, conciseness, and understandability?**

The Department indicates the rules are clear, concise, and understandable.

**6. Has the agency analyzed the rules' consistency with other rules and statutes?**

The Department indicates the rules are consistent with other rules and statutes.

**7. Has the agency analyzed the rules' effectiveness in achieving its objectives?**

The Department indicates the rules are effective in achieving their objectives.

**8. Has the agency analyzed the current enforcement status of the rules?**

The Department indicates the rules are enforced as written.

**9. Are the rules more stringent than corresponding federal law and, if so, is there statutory authority to exceed the requirements of federal law?**

The Department indicates that the rules are not more stringent than corresponding federal law. The Department has stated that the following federal laws and rules apply to the subject matter of the rules in Article 4: The Safe Drinking Water Act, specifically at 42 U.S.C. 300f, 300g-1, 300g-2, 300g-3, 300g-4, 300g-5, 300g-6, 300j-4, 300j-9, and 300j-11. The primary drinking water maximum contaminant levels can be found in 40 CFR 141.11, 141.12 and 141.13. There is no corresponding federal law for Article 5.

**10. For rules adopted after July 29, 2010, do the rules require a permit or license and, if so, does the agency comply with A.R.S. § 41-1037?**

The Department has indicated that the rules do not require the issuance of a regulatory permit or license.

**11. Conclusion**

This Five-Year Review Report (5YRR) from the Department of Environmental Quality (Department) covers fourteen (14) rules Title 18, Chapter 11, Articles 4 and 5 related to Aquifer Water Quality Standards and Aquifer Boundary and Protected Use Classification. The Department has completed the previous Course of Action proposed in their previous 5YRR with an expedited rulemaking approved by the Council in September 2023 and rulemakings approved by the Council in May 2025 and June 2025. The Department is not proposing any amendments in this report.

The report meets the requirements of A.R.S. § 41-1056 and R1-6-301. Staff recommends approval of this report.

Re: Submittal of Five-Year Review Report for A.A.C. Title 18, Chapter 11, Articles 4 and 5

Dear Chair Klein:

I am pleased to submit to you, pursuant to A.R.S. § 41-1056 and A.A.C. R1-6-301, our agency's Five-Year Review Report for A.A.C. Title 18, Chapter 11, Articles 4 (Aquifer Water Quality Standards) and 5 (Aquifer Boundary and Protected Use Classification).

Pursuant to A.R.S. § 41-1056(A), I certify that ADEQ is in compliance with A.R.S. § 41-1091 requirements for filing of notices of substantive policy statements and annual publication of a substantive policy statement directory.

Please contact Trevor Baggiore, Director of Water Quality Division at 602-771-2321 or baggiore.trevor@azdeq.gov, if you have any questions.

Sincerely,

Karen Peters
Director

Enclosure

**Arizona Department of Environmental Quality**

**Five-Year-Review Report**

**Title 18. Environmental Quality**

**Chapter 11. Department of Environmental Quality – Water Quality Standards**

**Article 4. Aquifer Water Quality Standards**

**Article 5. Aquifer Boundary and Protected Use Classification**

**April 30, 2025**

**1. Authorization of the rule by existing statutes**

**Article 4:**

General Statutory Authority: A.R.S. § 49-104(B)(4).

Specific Statutory Authority: A.R.S. §§ 49-221 and 49-223.

**Article 5:**

General Statutory Authority: A.R.S. § 49-104(B)(4).

Specific Statutory Authority: A.R.S. § 49-224.

**2. The objective of each rule:**

The purpose of the rules in Article 4 is to establish a set of aquifer water quality standards for various regulatory programs to utilize. The purpose of the rules in Article 5 is two-fold: (1) to provide a mechanism in rule for the aquifers of the state to be classified, reclassified or rescinded from classification concerning drinking water and nondrinking water protected use; (2) to provide a mechanism in rule for the boundaries of the aquifers in the state to be defined or redefined. The objective is to define and designate the aquifers so that regulatory programs have a jurisdiction upon which to operate.

| Rule | Objective |
|---|---|
| **R18-11-401** | This rule provides specific explanation for certain terms used in this Article. |
| **R18-11-402** | This rule is repealed. |
| **R18-11-403** | This rule specifies which analytical methods are used to determine compliance with an aquifer water quality standard. |
| **R18-11-404** | This rule determines which laboratories are approved for specific analysis when testing for compliance with the aquifer water quality standards. |
| **R18-11-405** | This rule describes narrative standards that will be applied to discharges to aquifers of the state. |

| | |
|---|---|
| **R18-11-406** | This rule establishes numeric aquifer water quality standards for aquifers that are classified for drinking water protected use. |
| **R18-11-407** | This rule establishes a process for the Director to set standards in an aquifer if it is reclassified for a use other than drinking water. |
| **R18-11-408** | This rule establishes procedures to petition the Director to adopt a numeric aquifer water quality standard as well as procedures for the Director to follow in granting or denying the petition. |
| **R18-11-501** | This rule provides specific explanation for certain terms used in this Article. |
| **R18-11-502** | This rule identifies and defines the boundaries of aquifers in Arizona using, to the maximum extent practicable, data available from the Arizona Department of Water Resources (ADWR). Most of the State is deemed to be underlain by aquifers, which are classified for drinking water protected use. The rule distinguishes between aquifers and low-yielding bedrock areas. In this manner, certain areas inside of the groundwater basin boundaries are excluded from designation as aquifers. |
| **R18-11-503** | This rule establishes a procedure that a person can use to petition the Director to reclassify an aquifer. The rule specifically identifies the information that a petitioner should submit to ADEQ to allow the findings identified in A.R.S. § 49-224(C). |
| **R18-11-504** | This rule establishes procedures for taking action on a petition to reclassify an aquifer. The rule also triggers actions by ADEQ to initiate rulemaking for aquifer water quality standards when a petition to reclassify an aquifer is granted. |
| **R18-11-505** | This rule establishes procedures for public participation regarding the proposed aquifer reclassification. |
| **R18-11-506** | This rule establishes procedures to rescind an aquifer reclassification. |

**3. Are the rules effective in achieving their objectives?**

**Yes ×  No __**

**4. Are the rules consistent with other rules and statutes?**

**Yes ×  No __**

**5. Are the rules enforced as written?**

**Yes ×  No __**

**6. Are the rules clear, concise, and understandable?**

**Yes ×  No __**

**7. Has the agency received written criticisms of the rules within the last five years?**

**Yes ×  No __**

*If yes, please fill out the table below*

| Rule | Criticisms |
|---|---|
| **R18-11-405** | Criticism 1: The Department received a written criticism of the rule, stating that in subsection (B), it is not clear what a "navigable water of the state" is, and asks whether this should, instead, say "protected surface water"?<br><br>Response 1: ADEQ appreciates the comment. A.A.C. R18-11-405(B) refers to navigable waters of the state. "Waters of the State" is defined at A.R.S. § 49-201(50) and "WOTUS" or "Waters of the United States" is defined at A.R.S. § 49-201(53). The definition of "WOTUS" means "...waters of the state that are also navigable waters as defined by section 502(7) of the clean water act." After reviewing those definitions, it becomes apparent that the intention of the phrase "navigable water of the state" in R18-11-405(B) is intended to scope "waters of the state" as defined at A.R.S. § 49-201(50) that are "navigable waters", as referred to in A.R.S. § 49-201(53). Protected surface water is defined in A.R.S. § 49-201(38) as "...waters of the state listed on the protected surface waters list under section 49-221, subsection (G) and all WOTUS" which includes non-navigable, non-WOTUS waters of the state protected under ADEQ's surface water protection program.<br>Because the rule intends to only scope WOTUS, ADEQ does not believe subsection (B) should be changed to "protected surface water" as the criticism suggests.<br><br>Criticism 2: The Department received a written criticism of the rule, stating that the rule is neither clear on what defines a narrative standard, nor how it is to be applied in the context of an Aquifer Protection Permit.<br><br>Response 2: ADEQ appreciates the comment. A.R.S. § 49-221 requires ADEQ to adopt water quality standards in all aquifers to preserve and protect the quality of those waters. The statute requires water quality standards to be expressed in terms of the uses to be protected through numerical limitations or parameters in addition to any narrative standards the director deems appropriate (A.R.S. § 49-221(D)). To this end, ADEQ assesses and ensures compliance with the Aquifer Water Quality Standards (AWQSs) through the Aquifer Protection Program (APP) and permits. Like the numeric water quality standards apply to APP permittees, so too do the narrative standards in R18-11-405.<br>The narrative standards are intended to be used to create and enforce non-numerical standards in an APP permit when one does not exist in the listed numerical standards in R18-11-406 in the situations described in R18-11-405 subsections (A), (B) and (C). The narrative standards are intended as a "safety net" to guard against impacts not addressed by the limited number of numeric standards or the application of best available demonstrated control technology at a facility under the purview of an APP and may be incorporated into the APP permit. Exactly how the standards are incorporated into the APP permit is left to the permittee and ADEQ to determine on a case-by-case basis.<br>Through the context of the statute and the structure of Article 4 which, itself, establishes both narrative and numerical standards, ADEQ believes the rule to be clear, concise, and understandable.<br>While the narrative standards are clear in rule, ADEQ has previously developed a Substantive Policy Statement (SPS) on "Using Narrative Aquifer Water Quality Standards to Develop Permit Conditions for Aquifer Protection Permits". This |

| | |
|---|---|
| | SPS provides some guidance on ways narrative standards can be incorporated into APP permits and can be found at ADEQ's SPS webpage here: https://azdeq.gov/substantive-policy-statement-listing. From the webpage, navigate to the "3000 - Water Quality" subsection and the "Permits Section" to find a link to SPS 3010. |
| **R18-11-406** | Criticism 1: The Department received a written criticism of the rule, stating that in subsection (E)(3), it would be better for the aquifer water quality standard for beta particle and photon radioactivity be specified in pCi/L since that is how labs report it for a water sample.<br><br>Response 1: ADEQ appreciates the comment. ADEQ is required to adopt the Environmental Protection Agency's (EPA) Safe Drinking Water Act Maximum Contaminant Levels (SDWA-MCLs) verbatim as Aquifer Water Quality Standards (AWQS) per A.R.S. § 49-223(A), unless "substantial opposition" is received from stakeholders. In the case of the MCL for radionuclides, ADEQ adopted 40 CFR 141.66(b) as R18-11-406(E)(2), 40 CFR 141.66(c) as R18-11-406(E)(1), 40 CFR 141.66(d)(1) as R18-11-406(E)(3), and 40 CFR 141.66(d)(2) as R18-11-406(E)(2). Specifically for beta particle and photon radioactivity, ADEQ adopted 40 CFR 141.66(d)(1) as R18-11-406(E)(3).<br>At this time, ADEQ does not believe changing the MCL units from millirems per year to picocuries per liter is necessary. For more information on the background of the MCL for beta particle and photon radioactivity that ADEQ adopted as an AWQS pursuant to A.R.S. § 49-223, please review 65 *Federal Register* 76748.<br><br>Criticism 2: The Department received a written criticism of the rule, stating that in subsection (F), Total Coliform should be changed to Fecal Coliform or *E coli*.<br><br>Response 2: ADEQ appreciates the comment. ADEQ recently submitted a regular rulemaking to Council on March 18, 2025, which adjusted or established for the first time, seven (7) Aquifer Water Quality Standards (AWQSs), including an alternative AWQS for Microbiological Contaminants. During the rulemaking's docket opening, in an attempt to adopt 40 C.F.R. 141.63(c), the Department received "substantial opposition" from stakeholders (*see* A.R.S. § 49-223(A)) which prompted ADEQ to review the assumptions EPA used to establish the Microbiological Contaminants MCL, and resulted in ADEQ's determination that the MCL was not appropriate as an AWQS. ADEQ then developed an alternative AWQS, which is based upon the detection or non-detection of either Fecal Coliform or *E.coli* in a 100-milliliter sample (depending on the requirement of the permit). Upon detection during a routine Fecal Coliform sample, a repeat sample of either Fecal Coliform or *E.coli* with a detect result constitutes a violation of the AWQS for microbiological contaminants. Upon a detect result of a routine *E.coli* sample, a repeat sample of *E.coli* with a detect result constitutes a violation of the AWQS for microbiological contaminants.<br>The AWQSs rulemaking is in progress and is expected to make the change requested by the commenter to this rule.<br><br>Criticism 3: The Department received a written criticism of the rule, stating that the numeric water quality standards, except Fluoride, have only one significant figure which causes confusion and erroneous rounding that should not be permissible. The commenter recommended updating the table such that every parameter has two significant figures. |

| | |
|---|---|
| | Response 3: ADEQ appreciates the comment. ADEQ recently submitted a regular rulemaking to Council on March 18, 2025, which adjusted or established for the first time, seven (7) Aquifer Water Quality Standards (AWQSs). Six of the seven AWQSs that were adjusted or established for the first time utilize two specific figures. The seventh being Microbiological Contaminants, which utilized a sampling procedure and a detect, non-detect approach to violation. ADEQ is required to adopt the Environmental Protection Agency's (EPA) Safe Drinking Water Act Maximum Contaminant Levels (SDWA-MCLs) verbatim as Aquifer Water Quality Standards (AWQS) per A.R.S. § 49-223(A), unless "substantial opposition" is received from stakeholders. Notably, the MCLs adopted as AWQSs before the 2025 rulemaking mentioned above only utilize one significant figure. Assuming the 2025 rulemaking is approved by Council, the AWQSs at A.A.C. R18-11-406 will match the corresponding MCLs, predominantly found at 40 CFR 141, Subpart G, from a significant figure perspective.<br>At this time, ADEQ does not believe changing the significant figures for the AWQSs is necessary. For more information on the background of the MCLs and the one significant figure approach that ADEQ has adopted as an AWQS pursuant to A.R.S. § 49-223, please review the historical notes associated with the MCLs in 40 CFR 141, Subpart G. These notes, in most cases, reference the rulemaking documentation in the *Federal Register*.<br><br>Criticism 4: The Department received a written criticism of the rule, stating that subsection (E)(1) should be updated from "gross alpha particle activity" to "adjusted gross alpha particle activity" because most laboratories run this analysis and include in their reports "adjusted gross alpha" .<br><br>Response 4: ADEQ appreciates the comment. ADEQ is required to adopt the Environmental Protection Agency's (EPA) Safe Drinking Water Act Maximum Contaminant Levels (SDWA-MCLs) verbatim as Aquifer Water Quality Standards (AWQS) per A.R.S. § 49-223(A), unless "substantial opposition" is received from stakeholders. In the case of the MCL for radionuclides, ADEQ adopted 40 CFR 141.66(b) as R18-11-406(E)(2), 40 CFR 141.66(c) as R18-11-406(E)(1), 40 CFR 141.66(d)(1) as R18-11-406(E)(3), and 40 CFR 141.66(d)(2) as R18-11-406(E)(2). Specifically for gross alpha particle radioactivity, ADEQ adopted 40 CFR 141.66(c) as R18-11-406(E)(1).<br>At this time, ADEQ does not believe changing the term "gross alpha particle activity" to "adjusted gross alpha particle activity" is necessary. For more information on the background of the MCL for gross alpha particle radioactivity that ADEQ adopted as an AWQS pursuant to A.R.S. § 49-223, please review 65 *Federal Register* 76748.<br><br>Criticism 5: The Department received a written criticism of the rule, stating that rule should address the prevention of Total Trihalomethane (TTHM) formation due to chlorine residuals. The commenter adds that dechlorination is required prior to recharge in order to prevent TTHM formation resulting from chlorine reacting with organics.<br><br>Response 5: ADEQ appreciates the comment. The commenter's questions and recommendations are more suitable for the individual Aquifer Protection Program (APP) article 18 AAC 9, Article 2. This article, 18 AAC 11, Article 4 houses |

| | |
|---|---|
| | water quality standards. ADEQ recently submitted a regular rulemaking to the Governor's Regulatory Review Council on March 18, 2025, which adjusted or established for the first time, seven (7) Aquifer Water Quality Standards (AWQSs), including the establishment of the AWQSs for disinfection byproducts Bromate, Chlorite and Haloacetic Acids (HAA5) at 0.010, 1.0, and 0.060 mg/l, respectively. Additionally, disinfection byproduct Total Trihalomethanes (TTHMs) was adjusted through the rulemaking from 0.1 mg/l to 0.080 mg/L.<br>These AWQSs are standards designed to protect Arizona's aquifers, which are all classified for drinking water protected use (*see* A.R.S. § 49-224). Therefore, requirements for sampling and monitoring of disinfection byproducts under an individual APP permit are better addressed in the APP rules or in a specific APP permit, not the Numeric Aquifer Water Quality Standards rule. |
| **R18-11-407** | Criticism 1: The Department received a written criticism of the rule, stating that an appendix should be added which lists reclassified aquifers.<br><br>Response 1: ADEQ appreciates the comment. No aquifers have been reclassified since the inception of Article 4 or 5. Therefore, ADEQ does not believe it necessary to update R18-11-407 or any other section in Article 4 to list reclassified aquifers. |
| **R18-11-501** | Criticism 1: The Department received a written criticism of the rule, stating that it lacks a definition for "aquifer".<br><br>Response 1: ADEQ appreciates the comment. While there is no definition for "aquifer" in the Article 5 definitions (R18-11-501), the language in R18-11-501 states that the listed definitions apply to Article 5, "[i]n addition to the definitions contained in A.R.S. § 49-201". A.R.S. § 49-201(2) defines an "aquifer" as "a geologic unit that contains sufficient saturated permeable material to yield usable quantities of water to a well or spring". Therefore, the definition of "aquifer" in the statutes applies to Chapter 11, Article 5, R18-11-501, and does not need to be re-defined therein. Furthermore, A.A.C. Chapter 11 "Water Quality Standards" falls within the purview of Title 49 ("The Environment"), Chapter 2 ("Water Quality Control"), Article 2 ("Water Quality Standards") of the A.R.S. Therefore, even without a direct reference to A.R.S. § 49-201 in R18-11-501, the definitions in A.R.S. Title 49, Chapter 2, Article 1 would nevertheless apply to rules adopted pursuant to Chapter 2.<br>ADEQ does not believe it is necessary for the "aquifer" definition to be added to the rule. |
| **R18-11-502** | Criticism 1: The Department received a written criticism of the rule, stating that the rule is not clear on if the Aquifer Protection Program applies to areas of bedrock shown on the referenced map of aquifer boundaries, or if these areas are excluded from the definition of an aquifer boundary.<br><br>Response 1: ADEQ appreciates the comment. Article 5, and R18-11-502 specifically, clarifies aquifer boundaries for the aquifers classified as drinking water protected use which are therefore subject to protection through the Aquifer Protection Program (APP) by regulating discharging facilities. R18-11-502(A) includes a comprehensive scope of aquifer boundaries and subsection (B) describes the exclusions from those boundaries. All areas within the aquifer boundaries are subject to the APP which applies to "any person who discharges or who owns or operates a facility that discharges" (A.R.S. § 49-241(A)). |

| | |
|---|---|
| | Additionally, all areas outside the aquifer boundaries (identified in subsection (B)) are subject to the APP pursuant to R18-11-502(D) which states, "[f]acilities located outside of the boundaries defined in these rules shall be subject to A.R.S. § 49-241 except as provided therein."<br>The language in the rule demonstrates that all discharging facilities are subject to APP and ADEQ does not believe it necessary to update the rule.<br><br>Criticism 2: The Department received a written criticism of the rule, stating that it should make the aquifer boundary maps accessible.<br><br>Response 2: ADEQ appreciates the comment. Wherever material is incorporated by reference in the rules, there is specific language providing that the material is "on file [with ADEQ] and available for public inspection". The aquifer boundary maps are available to the public upon request, which may be made through a records request, https://azdeq.gov/records. |
| **R18-11-503** | Criticism 1: The Department received a written criticism of the rule, stating that there does not appear to be public notice requirements in the rule for reclassification petitions.<br><br>Response 1: ADEQ appreciates the comment. R18-11-503 regulates the process of petitioning the Department to reclassify an aquifer from a drinking water protected use to a nondrinking water protected use. The processes prescribed in subsections (A) and (B) of this rule, in addition to other rules within Article 5 such as R18-11-505 do, in fact, include a public notification and participation procedure. Specifically, subsection (A) provides that "any person may petition the Director to reclassify an aquifer…pursuant to A.R.S. § 49-224(C)". A.R.S. § 49-224(C) requires the Department to satisfy two conditions prior to initiating a further review to change an aquifer classification. First, the Department must consult with the appropriate groundwater users advisory council (pursuant to Title 45, Chapter 2, Article 2) if the aquifer is in an Active Management Area; and second, the Department must hold a public hearing (pursuant to A.R.S. § 49-208). Additionally, subsection (E) states that the director "shall provide for public participation in proceedings under this section…and shall hold at least one public hearing at a location as near as practicable to the aquifer proposed for reclassification".<br>The public participation requirements may, furthermore, be found in rule, in R18-11-505. R18-11-505, pursuant to the statutory requirements in A.R.S. § 49-224 described above, requires the Department to give public notice of a proposed reclassification and hold one public hearing at a location as near as practicable to the aquifer proposed for reclassification and shall give notice of each public hearing.<br>If the Department decides to grant a petition for aquifer reclassification, it shall initiate rulemaking proceedings accordingly, either to promulgate aquifer water quality standards in A.A.C. Chapter 11, Article 4, or update the aquifer boundary designation in Article 5 (*see* R18-11-504(C)). The rulemaking process, under the Administrative Procedure requirements, incorporates due process through a notice and comment period.<br>There are multiple public notice and participation requirements that must be satisfied to reclassify an aquifer by rule. The Department believes the rules in Article 5 remain clear, concise, and understandable to this point. |

| | |
|---|---|
| **R18-11-504** | Criticism 1: The Department received a written criticism of the rule, stating that subsection (C) should be updated with an appendix listing reclassified aquifers.<br><br>Response 1: ADEQ appreciates the comment. The addition of an appendix to this rule is not necessary because no aquifers have been reclassified. R18-11-504, entitled "Agency Action on Petition", describes the Department's required process upon receipt of a petition for reclassification, with subsection (C) providing, "[u]pon a decision to grant a petition for aquifer reclassification, the Director shall initiate proceedings for promulgation of aquifer water quality standards and, if applicable, for aquifer boundary designation for the reclassified aquifers". R18-11-502 includes a comprehensive scope of aquifer boundaries (subsection (A)) and the exclusions from those boundaries (subsection (B)). If the Department grants a petition for reclassification and conducts a rulemaking to update the rule, R18-11-502 may be updated accordingly, or the reclassified aquifers may be added to the Article in a separate section. However, no aquifers have been reclassified since the inception of this Article and ADEQ believes there is no reason to update R18-11-504 or any other section in Article 5 to this effect. |
| **General** | Criticism 1: The Department received a written criticism of the rule, stating that it's not clear whether the rules in Articles 4 and 5 are related to effluent/discharge only, and not of water pumped from an aquifer.<br><br>Response 1: ADEQ appreciates the comment. ADEQ is charged, through the Arizona Revised Statutes (A.R.S.) to adopt rules relating to water pollution control, through numeric drinking water aquifer water quality standards (A.R.S. § 49-223) and the identification of the boundaries of all aquifers in the state which are classified for drinking water protected use (A.R.S. § 49-224). Pursuant to this authority, and statutory charge, ADEQ developed A.A.C. Chapter 11 Articles 4 & 5. Article 4 identifies and regulates the water quality standards to which all discharging activities must comply in order to protect the aquifers and preserve them for drinking water use. Article 5 identifies and defines aquifer boundaries to clarify which aquifers are classified for drinking water protected use and prescribes a procedure to reclassify aquifers.<br>Both of these Articles are directly related to protecting aquifers from water pollution through discharging activities. The Articles do not apply to pumping activities. |

**8. Economic, small business, and consumer impact comparison:**

**Article 4:**

An economic impact statement was not required in either the 1990 or 1992 rulemakings. Regardless, ADEQ's assessment is that the rules' impacts on the state's economy, small business and consumers has not changed since the effective date and the only changes would be to adjust any dollar values for costs and benefits to adjust for inflation. Article 4 still sets standards that are implemented through other programs, such as the Aquifer Protection Permits (APP), Comprehensive Environmental Response, Compensation and Liability Act (CERCLA), Water Quality Assurance Revolving Fund (WQARF), and Underground Storage Tanks (UST). Any costs would be borne by the permittees and other persons who must ensure that a discharge to an

aquifer or remediation impacting an aquifer complies with the aquifer water quality standards. ADEQ continues to believe that these costs are exceeded by the benefits of protection to human health and the environment.

**Article 5:**

An economic impact statement was not required in either the 1987 or 1989 rulemakings. Regardless, ADEQ's assessment is that the rules' impacts on the state's economy, small business and consumers has not changed since the effective date and the only changes would be to adjust any dollar values for costs and benefits to adjust for inflation. Under A.R.S. § 49-223(A), aquifer water quality standards were set at the federal primary maximum contaminant levels for drinking water; under A.R.S. § 49-224(B), all aquifers in the state are classified as for drinking water protected use. The Article 5 rules establish a procedure for the Director to reclassify an aquifer from a drinking water protected use to a nondrinking water protected use pursuant to A.R.S. § 49-224(C). If the Director decides to reclassify an aquifer, ADEQ must initiate proceedings for new aquifer water quality standards for the aquifer classification (R18-11-504(C)).

The Article 5 rules benefit a person who seeks to discharge to an aquifer without unnecessarily meeting the costs of aquifer water quality standards designed to protect groundwater as a drinking water source. The Article 5 rules implement the standard set in A.R.S. § 49-224 to determine that the short-term and long-term benefits to the public significantly outweigh the short-term and long-term costs to the public (A.R.S. §49-224(C)(3)).

**9. Has the agency received any business competitiveness analyses of the rules?**

**Yes __ No ×**

No such analysis was received for any rule in this Article.

**10. Has the agency completed the course of action indicated in the agency's previous five-year-review report?**

Yes, ADEQ proposed amending R18-11-403, R18-11-406, R18-11-407, R18-11-502, R18-11-504 and R18-11-506 in the previous Five-Year Review Report for A.A.C. Title 18, Chapter 11, Articles 4 and 5, submitted to the Council on August 26, 2020, amended on November 2, 2020, and approved by the Council on November 3, 2020. As demonstrated in the table below, all rulemaking commitments in the previous Five-Year Review Report have been, or are on-track to be, executed.

| Rule | Explanation |
|---|---|
| R18-11-403 | Proposed Course of Action (2020): There's an incorrect citation R9-14-607(B) which should be updated to R9-14-610(C). ADEQ anticipates opening R18-11-403 in an expedited rulemaking by November 2021.<br><br>Completed: Yes.<br><br>Explanation: In an expedited rulemaking, effective September 22, 2023 (40 AAR 2344), the commitment was addressed by updating the language in the rule to reflect the correct reference, R9-14-610(C). |
| R18-11-406 | Proposed Course of Action (2020): ADEQ has not adopted the following 12 Safe Drinking Water Act (SDWA) Maximum Contaminant Levels (MCLs), in accordance with A.R.S. § 49-223: aldicarb, aldicarb sulfoxide, aldicarb sulfone, bromate, chlorite, copper, haloacetic acids, lead, uranium, arsenic, total trihalomethanes, and total coliform. ADEQ anticipates opening the more involved rulemaking in R18-11-406 by June 30, 2023.<br><br>Completed: In progress.<br><br>Explanation: In a regular rulemaking, submitted to Council on March 18, 2025, ADEQ addressed the Five-Year Rule Review commitments for R18-11-406. The rulemaking adopts the following seven (7) MCLs as AWQSs under A.R.S. § 49-223: Arsenic, Bromate, Chlorite, Haloacetic Acids, Microbiological Contaminants, Total Trihalomethands and Uranium.<br><br>Of note, the previous course of action made a mistake in representing the scope of MCLs that were not adopted according to A.R.S. § 49-223. The correct scope of the MCLs in line for adoption as AWQSs under A.R.S. § 49-223 is the seven (7) listed above, not the full twelve (12) listed in the course of action. Aldicarb, Aldicard Sulfoxide, Aldicarb Sulfone do not have MCLs pursuant to 40 CFR 141, Subpart G, but rather MCLGs, pursuant to 40 CFR 141, Subpart F (40 CFR 141.50(b)(4), (5) & (6). A.R.S. § 49-223 does not include MCLGs in its scope. Additionally, Lead and Copper are addressed in a separate regulation under the CFR (40 CFR 141, Subpart I), not the MCLs. |
| R18-11-407 | Proposed Course of Action (2020): The rule is consistent with all applicable state and federal and statutes and rules. However the reference to A.R.S. § 49-223(D) is incorrect and should be changed to A.R.S. § 49-223(E). ADEQ anticipates opening R18-11-407 in an expedited rulemaking by November 2021.<br><br>Completed: Yes.<br><br>Explanation: In an expedited rulemaking, effective September 22, 2023 (40 AAR 2344), the commitment was addressed by updating the language in the rule to reflect the correct reference, A.R.S. § 49-223(E). |
| R18-11-502 | Proposed Course of Action (2020): Incorporations in subsections (A) and (B) do not comply with all requirements of A.R.S. § 41-1028(B) and (C), and R1-1-414, specifically that the rule does not mention that the incorporated items contain no later |

| | |
|---|---|
| | editions or amendments. Also, even though permitted under R1-1-414(E), stating that copies of the incorporated item are on file at the Secretary of State's office is not the current method of identifying the location. ADEQ anticipates opening R18-11-502 in an expedited rulemaking by November 2021.<br><br>Completed: Yes.<br><br>Explanation: In an expedited rulemaking, effective September 22, 2023 (40 AAR 2344), the commitment was addressed by fixing the language to adhere to the incorporation by reference statutory requirements in A.R.S. § 41-1028(A). |
| R18-11-504 | Proposed Course of Action (2020): The rule is generally consistent with all applicable state and federal statutes and rules. However the reference to A.R.S. § 49-204 should be deleted. At the time the rule was written, A.R.S. § 49-204 established a Water Quality Advisory Council. The topic of A.R.S. § 49-204 now is grey water reuse. ADEQ anticipates opening R18-11-504 in an expedited rulemaking by November 2021.<br><br>Completed: Yes.<br><br>Explanation: In an expedited rulemaking, effective September 22, 2023 (40 AAR 2344), the commitment was addressed by removing the reference to A.R.S. § 49-204 within the rule. |
| R18-11-506 | Proposed Course of Action (2020): The rule is generally consistent with all applicable state statutes and rules. However the reference to A.R.S. § 49-204 should be deleted. At the time the rules were written, A.R.S. § 49-204 established a Water Quality Advisory Council. The topic of A.R.S. § 49-204 now is grey water reuse. ADEQ anticipates opening R18-11-506 in an expedited rulemaking by November 2021.<br><br>Completed: Yes.<br><br>Explanation: In an expedited rulemaking, effective September 22, 2023 (40 AAR 2344), the commitment was addressed by removing the reference to A.R.S. § 49-204 within the rule. |

**11. A determination that the probable benefits of the rule outweigh within this state the probable costs of the rule, and the rule imposes the least burden and costs to regulated persons by the rule, including paperwork and other compliance costs, necessary to achieve the underlying regulatory objective:**

| Rule | Explanation |
|---|---|
| **Article 4: Aquifer Water Quality Standards** | The costs of Article 4 are to the regulated parties subject to the regulatory programs that employ the Aquifer Water Quality Standards (AWQSs) therein. Predominantly affected are the permittees of the Aquifer Protection Program (APP). The benefits of these rules are that they house the AWQSs, which ADEQ must maintain according to statute at A.R.S. § 49-223. Another benefit is that the standards are designed to protect the environment and public health through ensuring the aquifers in the state are protected to |

| | |
|---|---|
| | a drinking water use standard as required by statute at A.R.S. § 49-224(B). ADEQ believes that the benefits of these rules outweigh the costs because it is the state's priority and ADEQ's statutory charge to ensure protection of drinking water quality and human health. |
| **Article 5: Aquifer Boundary and Protected Use Classification** | The costs of Article 5 are to the regulated parties subject to the regulatory programs that employ the Aquifer Water Quality Standards (AWQSs) therein. Predominantly affected are the permittees of the Aquifer Protection Program (APP). The benefits of these rules are that they establish the aquifer boundaries within the state, create a classification system, designate all of the aquifer to the "drinking water protected use" class, and establish a reclassification process as required by statute at A.R.S. § 49-224. Another benefit is that the rules help to effectively protect the environment and public health through ensuring the aquifers in the state are defined and protected. ADEQ believes that the benefits of these rules outweigh the costs because it is the state's priority and ADEQ's statutory charge to ensure drinking water quality and human health. |

**12. Are the rules more stringent than corresponding federal laws?**

**Yes __ No ×**

Concerning Article 4, the primary drinking water maximum contaminant levels were established pursuant to the Safe Drinking Water Act. No aquifer water quality standards are more stringent than the Federal maximum contaminant levels. The relevant authority in the Safe Drinking Water Act can be found in 42 U.S.C. 300f, 300g-1, 300g-2, 300g-3, 300g-4, 300g-5, 300g-6, 300j-4, 300j-9, and 300j-11. The primary drinking water maximum contaminant levels can be found in 40 CFR 141.11, 141.12 and 141.13.

The rules in Article 5 do not have corresponding federal law.

**13. For rules adopted after July 29, 2010 that require the issuance of a regulatory permit, license, or agency authorization, whether the rules are in compliance with the general permit requirements of A.R.S. § 41-1037 or explain why the agency believes an exception applies:**

The Article 4 and 5 rules were adopted before July 29, 2010, but do not require issuance of a regulatory permit, license or agency authorization.

**14. Proposed course of action**

ADEQ's rules for Articles 4 and 5, as they exist now, provide the necessary information for the regulated community and no action is necessary. All proposed courses of action identified in the previous Five-Year Rule Review have been, or are currently being, addressed.

1. The risk to public health;
2. The degree of public access to the site where the reclaimed water is reused and human exposure to the reclaimed water;
3. The level of treatment necessary to ensure that the reclaimed water is aesthetically acceptable;
4. The level of treatment necessary to prevent nuisance conditions;
5. Specific water quality requirements for the intended type of direct reuse;
6. The means of application of the reclaimed water;
7. The degree of treatment necessary to avoid a violation of surface water quality standards or aquifer water quality standards;
8. The potential for improper or unintended use of the reclaimed water;
9. The reuse guidelines, criteria, or standards adopted or recommended by the U.S. Environmental Protection Agency or other federal or state agencies that apply to the new type of direct reuse; and
10. Similar wastewater reclamation experience of reclaimed water providers in the United States.

**Historical Note**

New Section adopted by final rulemaking at 7 A.A.R. 870, effective January 22, 2001 (Supp. 01-1).

**Table A. Minimum Reclaimed Water Quality Requirements for Direct Reuse**

| Type of Direct Reuse | Minimum Class of Reclaimed Water Required |
|---|---|
| Irrigation of food crops | A |
| Recreational impoundments | A |
| Residential landscape irrigation | A |
| Schoolground landscape irrigation | A |
| Open access landscape irrigation | A |
| Toilet and urinal flushing | A |
| Fire protection systems | A |
| Spray irrigation of an orchard or vineyard | A |
| Commercial closed loop air conditioning systems | A |
| Vehicle and equipment washing (does not include self-service vehicle washes) | A |
| Snowmaking | A |
| Surface irrigation of an orchard or vineyard | B |
| Golf course irrigation | B |
| Restricted access landscape irrigation | B |
| Landscape impoundment | B |
| Dust control | B |
| Soil compaction and similar construction activities | B |
| Pasture for milking animals | B |
| Livestock watering (dairy animals) | B |
| Concrete and cement mixing | B |
| Materials washing and sieving | B |
| Street cleaning | B |
| Pasture for non-dairy animals | C |
| Livestock watering (non-dairy animals) | C |
| Irrigation of sod farms | C |
| Irrigation of fiber, seed, forage, and similar crops | C |
| Silviculture | C |

Note: Nothing in this Article prevents a wastewater treatment plant from using a higher quality reclaimed water for a type of direct reuse than the minimum class of reclaimed water listed in Table A. For example, a wastewater treatment plant may provide Class A reclaimed water for a type of direct reuse where Class B or Class C reclaimed water is acceptable.

**Historical Note**

New Table adopted by final rulemaking at 7 A.A.R. 870, effective January 22, 2001 (Supp. 01-1).

## ARTICLE 4. AQUIFER WATER QUALITY STANDARDS

**R18-11-401. Definitions**

In addition to the definitions contained in A.R.S. §§ 49-101 and 49-201, the terms of this Article shall have the following meanings:

1. "Beta particle and photon radioactivity from man-made radionuclides" means all radionuclides emitting beta particles or photons, except Thorium-232, Uranium-235, Uranium-238 and their progeny.
2. "Dose equivalent" means the product of the absorbed dose from ionizing radiation and such factors as account for differences in biological effectiveness due to the type of radiation and its distribution in the body as specified by the International Commission on Radiological Units and Measurements.
3. "Drinking water protected use" means the protection and maintenance of aquifer water quality for human consumption.
4. "Gross alpha particle activity" means the total radioactivity due to alpha particle emission as inferred from measurements on a dry sample.
5. "Mg/l" means milligrams per liter.
6. "Millirem" means 1/1000 of a rem. A rem means the unit of dose equivalent from ionizing radiation to the total body or any internal organ or organ system.
7. "Non-drinking water protected use" means the protection and maintenance of aquifer water quality for a use other than for human consumption.
8. "pCi" means picocurie, or the quantity of radioactive material producing 2.22 nuclear transformations per minute.
9. "Total trihalomethanes" means the sum of the concentrations of the following trihalomethane compounds: trichloromethane (chloroform), dibromo-chloromethane, bromodichloromethane and tribromo-methane (bromoform).

**Historical Note**

Adopted effective January 4, 1990 (Supp. 90-1).
Amended effective August 14, 1992 (Supp. 92-3).

**R18-11-402. Repealed**

**Historical Note**

Adopted effective January 4, 1990 (Supp. 90-1).
Repealed effective August 14, 1992 (Supp. 92-3).

**R18-11-403. Analytical Methods**

Analysis of a sample to determine compliance with an aquifer water quality standard shall be in accordance with an analytical method specified in A.A.C. Title 9, Chapter 14, Article 6 or an alternative analytical method that is approved by the Director of the Arizona Department of Health Services pursuant to A.A.C. R9-14-610(C).

**Historical Note**

Adopted effective January 4, 1990 (Supp. 90-1).

Amended effective August 14, 1992 (Supp. 92-3).
Amended by final expedited rulemaking at 29 A.A.R. 2344 (October 6, 2023), with an immediate effective date of September 22, 2023 (Supp. 23-3).

**R18-11-404. Laboratories**

A test result from a sample taken to determine compliance with an aquifer water quality standard shall be valid only if the sample has been analyzed by a laboratory that is licensed by the Arizona Department of Health Services for the analysis performed.

**Historical Note**

Adopted effective January 4, 1990 (Supp. 90-1).
Amended effective August 14, 1992 (Supp. 92-3).

**R18-11-405. Narrative Aquifer Water Quality Standards**

**A.** A discharge shall not cause a pollutant to be present in an aquifer classified for a drinking water protected use in a concentration which endangers human health.

**B.** A discharge shall not cause or contribute to a violation of a water quality standard established for a navigable water of the state.

**C.** A discharge shall not cause a pollutant to be present in an aquifer which impairs existing or reasonably foreseeable uses of water in an aquifer.

**Historical Note**

Adopted effective January 4, 1990 (Supp. 90-1).
Amended effective August 14, 1992 (Supp. 92-3).

**R18-11-406. Numeric Aquifer Water Quality Standards: Drinking Water Protected Use**

**A.** The aquifer water quality standards in this Section apply to aquifers that are classified for drinking water protected use.

**B.** The following are the aquifer water quality standards for inorganic chemicals:

| Pollutant | mg/L) |
|---|---|
| Antimony | 0.006 |
| Arsenic | 0.05 |
| Asbestos | 7 million fibers/liter (longer than 10 mm) |
| Barium | 2 |
| Beryllium | 0.004 |
| Cadmium | 0.005 |
| Chromium | 0.1 |
| Cyanide (As Free Cyanide) | 0.2 |
| Fluoride | 4.0 |
| Lead | 0.05 |
| Mercury | 0.002 |
| Nickel | 0.1 |
| Nitrate (as N) | 10 |
| Nitrite (as N) | 1 |
| Nitrate and nitrite (as N) | 10 |
| Selenium | 0.05 |
| Thallium | 0.002 |

**C.** The following are the aquifer water quality standards for organic chemicals:

| Pollutant | (mg/L) |
|---|---|
| Benzene | 0.005 |
| Benzo (a) pyrene | 0.0002 |
| Carbon Tetrachloride | 0.005 |
| o-Dichlorobenzene | 0.6 |
| para-Dichlorobenzene | 0.075 |
| 1,2-Dichloroethane | 0.005 |
| 1,1-Dichloroethylene | 0.007 |
| cis-1,2-Dichloroethylene | 0.07 |
| trans-1,2-Dichloroethylene | 0.1 |
| 1,2-Dichloropropane | 0.005 |
| Dichloromethane | 0.005 |
| Di (2-ethylhexyl) adipate | 0.4 |
| Di (2-ethylhexyl) pthalate | 0.006 |
| Ethylbenzene | 0.7 |
| Hexachlorobenzene | 0.001 |
| Hexachlorocyclopentadiene | 0.05 |
| Monochlorobenzene | 0.1 |
| Pentachlorophenol | 0.001 |
| Styrene | 0.1 |
| 2,3,7,8-TCDD (Dioxin) | 0.00000003 |
| Tetrachloroethylene | 0.005 |
| Toluene | 1 |
| Trihalomethanes (Total) | 0.10 |
| 1,2,4-Trichlorobenzene | 0.07 |
| 1,1,1-Trichloroethane | 0.20 |
| 1,1,2-Trichloroethane | 0.005 |
| Trichloroethylene | 0.005 |
| Vinyl Chloride | 0.002 |
| Xylenes (Total) | 10 |

**D.** The following are the aquifer water quality standards for pesticides and polychlorinated biphenyls (PCBs):

| Pollutant | (mg/L) |
|---|---|
| Alachlor | 0.002 |
| Atrazine | 0.003 |
| Carbofuran | 0.04 |
| Chlordane | 0.002 |
| Dalapon | 0.2 |
| 1,2-Dibromo-3-Chloropropane (DBCP) | 0.0002 |
| 2,4,-Dichlorophenoxyacetic Acid(2,4-D) | 0.07 |
| Dinoseb | 0.007 |
| Diquat | 0.02 |
| Endothall | 0.1 |
| Endrin | 0.002 |
| Ethylene Dibromide (EDB) | 0.00005 |
| Glyphosate | 0.7 |
| Heptachlor | 0.0004 |
| Heptachlor Epoxide | 0.0002 |
| Lindane | 0.0002 |
| Methoxychlor | 0.04 |
| Oxamyl | 0.2 |
| Picloram | 0.5 |
| Polychlorinated Biphenols (PCBs) | 0.0005 |
| Simazine | 0.004 |
| Toxaphene | 0.003 |
| 2,4,5-Trichlorophenoxypropionic Acid (2,4,5-TP or Silvex) | 0.05 |

**E.** The following are the aquifer water quality standards for radionuclides:

1. The maximum concentration for gross alpha particle activity, including Radium-226 but excluding radon and uranium, shall not exceed 15 pCi/l.
2. The maximum concentration for combined Radium-226 and Radium-228 shall not exceed 5 pCi/l.
3. The average annual concentration of beta particle and photon radioactivity from man-made radionuclides shall

not produce an annual dose equivalent to the total body or any internal organ greater than 4 millirem/year.

4. Except for the radionuclides listed in this subsection, the concentration of man-made radionuclides causing 4 millirem total body or organ dose equivalents shall be calculated on the basis of a 2-liter-per-day drinking water intake using the 168-hour data listed in "Maximum Permissible Body Burdens and Maximum Permissible Concentration of Radionuclides in Air or Water for Occupational Exposure," National Bureau of Standards Handbook 69, National Bureau of Commerce, as amended August 1963 (and no future editions), incorporated herein by reference and on file with the Office of the Secretary of State and with the Department. If two or more radionuclides are present, the sum of their annual dose equivalent to the total body or to any organ shall not exceed 4 millirem/year. The following average annual concentrations are assumed to produce a total body or organ dose of 4 millirem/year:

| Radionuclide | Critical Organ | pCi/l |
|---|---|---|
| Tritium | Total body | 20,000 |
| Strontium-90 | Bone Marrow | 8 |

**F.** The aquifer water quality standard for microbiological contaminants is based upon the presence or absence of total coliforms in a 100-milliliter sample. If a sample is total coliform-positive, a 100-milliliter repeat sample shall be taken within two weeks of the time the sample results are reported. Any total coliform-positive repeat sample following a total coliform-positive sample constitutes a violation of the aquifer water quality standard for microbiological contaminants.

**G.** The following are the aquifer water quality standards for turbidity:

1. One nephelometric turbidity unit as determined by a monthly average except that five or fewer nephelometric turbidity units may be allowed if it can be determined that the higher turbidity does not interfere with disinfection, prevent maintenance of effective disinfectant agents in water supply distribution systems, or interfere with microbiological determinations.
2. Five nephelometric turbidity units based on an average of two consecutive days.

**Historical Note**

Adopted effective January 4, 1990 (Supp. 90-1).
Amended effective August 14, 1992 (Supp. 92-3).
Amended effective May 26, 1994 (Supp. 94-2).

**R18-11-407. Aquifer Water Quality Standards in Reclassified Aquifers**

**A.** All aquifers in the state are classified for drinking water protected use except for aquifers which are reclassified to a nondrinking water protected use pursuant to A.R.S. § 49-224 and A.A.C. R18-11-503.

**B.** Aquifer water quality standards for drinking water protected use apply to reclassified aquifers except where expressly superseded by aquifer water quality standards adopted pursuant to subsection (C).

**C.** The Director shall adopt, by rule, aquifer water quality standards for reclassified aquifers within one year of the date of the order reclassifying the aquifer to a nondrinking water protected use. The Director shall adopt aquifer water quality standards for reclassified aquifers only for pollutants that are specifically identified in a petition for reclassification as prescribed by A.R.S. § 49-223(E) and A.A.C. R18-11-503(B). Aquifer water quality standards for reclassified aquifers shall be sufficient to protect the use of the reclassified aquifer.

**Historical Note**

Adopted effective January 4, 1990 (Supp. 90-1).
Amended effective August 14, 1992 (Supp. 92-3).
Amended by final expedited rulemaking at 29 A.A.R. 2344 (October 6, 2023), with an immediate effective date of September 22, 2023 (Supp. 23-3).

**R18-11-408. Petition for Adoption of a Numeric Aquifer Water Quality Standard**

**A.** Any person may petition the Director to adopt, by rule, a numeric aquifer water quality standard for a pollutant for which no numeric aquifer water quality standard exists.

**B.** Petitions for adoption of a numeric aquifer water quality standard shall be filed with the Department and shall comply with the requirements applicable to petitions for rule adoption as provided by A.R.S. § 41-1033 and A.A.C. R18-1-302, except as otherwise provided by A.R.S. § 49-223 or this Section.

**C.** In addition to the requirements of A.A.C. R18-1-302, a petition for rule adoption to establish a numeric aquifer water quality standard shall include specific reference to:

1. Technical information that the pollutant is a toxic pollutant.
2. Technical information upon which the Director reasonably may base the establishment of a numeric aquifer water quality standard.
3. Evidence that the pollutant that is the subject of the petition is or may in the future be present in an aquifer or part of an aquifer that is classified for drinking water protected use. Evidence may include, but is not limited to, any of the following:
   a. A laboratory analysis of a water sample by a laboratory licensed by the Arizona Department of Health Services which indicates the presence of the pollutant in the aquifer.
   b. A hydrogeological study which demonstrates that the pollutant that is the subject of the petition may be present in an aquifer in the future. The hydrogeological study shall include the following:
      i. A description of the use that results in a discharge of the pollutant that is the subject of the petition.
      ii. A description of the mobility of the pollutant in the vadose zone and in the aquifer.
      iii. A description of the persistence of the pollutant in the vadose zone and in the aquifer.

**D.** Within 180 calendar days of the receipt of a complete petition for rule adoption to establish a numeric aquifer water quality standard, the Director shall make a written determination of whether the petition should be granted or denied. The Director shall give written notice by regular mail of the determination to the petitioner.

**E.** If the petition for rule adoption is granted, the Director shall initiate rulemaking proceedings to adopt a numeric aquifer water quality standard. The Director shall, within one year of the date that the petition for adoption of a numeric aquifer water quality standard is granted, either adopt a rule establishing a numeric aquifer water quality standard or publish a notice of termination of rulemaking in the Arizona Administrative Register.

**F.** If the petition for rule adoption is denied, the Director shall issue a denial letter to the petitioner which explains the reasons for the denial. The denial of a petition for rule adoption to

establish a numeric aquifer water quality standard is not subject to judicial review.

**Historical Note**
Adopted effective January 4, 1990 (Supp. 90-1).

**Appendix 1. Repealed**

**Historical Note**
Adopted effective January 4, 1990 (Supp. 90-1).
Repealed effective August 14, 1992 (Supp. 92-3).

Adopted effective January 4, 1990 (Supp. 90-1).
Repealed effective August 14, 1992 (Supp. 92-3).

## ARTICLE 5. AQUIFER BOUNDARY AND PROTECTED USE CLASSIFICATION

**R18-11-501. Definitions**

In addition to the definitions contained in A.R.S. § 49-201, the words and phrases of this Article shall have the following meaning:

1. "Drinking water protected use" means the protection and maintenance of aquifer water quality for human consumption.
2. "Hardrock areas containing little or no water" means areas of igneous or metamorphic rock which do not yield usable quantities of water.
3. "Nondrinking water protected use" means the protection and maintenance of aquifer water quality for a use other than human consumption.
4. "Usable quantities" means five gallons of water per day.

**Historical Note**
Adopted effective October 22, 1987 (Supp. 87-4).

**R18-11-502. Aquifer Boundaries**

**A.** Except as provided in subsection (B), aquifer boundaries for the aquifers in this state are identified and defined as being identical to the hydrologic basin and subbasin boundaries, as found by the Director of the Department of Water Resources, Findings and Order In the Matter of The Designation of Groundwater Basins and Subbasins In The State of Arizona (dated June 21, 1984), pursuant to A.R.S. §§ 45-403 and 45-404, which is incorporated herein by reference, on file and available for public inspection at the Department of Environmental Quality. No later amendments or editions are incorporated by reference.

**B.** Excluded from the boundaries of the aquifers are hard rock areas which contain little or no water, as identified in Plate 1 of the Department of Water Resources, Water Resource Hydrologic Map Series Report Number 2 (dated January 1981) and as further identified in the Bureau of Mines, University of Arizona County Geologic Map Series (individual county maps dated 1957 through 1960), which are incorporated herein by reference, on file and available for public inspection at the Department of Environmental Quality. No later amendments or editions are incorporated by reference.

**C.** The Director may, by rule, modify or add an aquifer boundary provided that one or more of the following applies:

1. The Department of Water Resources modifies the boundaries of its basins or subbasins.
2. The Director is made aware of new technical information or data which supports refinement of an aquifer boundary.

**D.** Facilities located outside of the boundaries defined in these rules shall be subject to A.R.S. § 49-241 except as provided therein.

**Historical Note**
Adopted effective October 22, 1987 (Supp. 87-4).
Amended by final expedited rulemaking at 29 A.A.R. 2344 (October 6, 2023), with an immediate effective date of September 22, 2023 (Supp. 23-3).

**R18-11-503. Petition for reclassification**

**A.** Any person may petition the Director to reclassify an aquifer from a drinking water protected use to a nondrinking water protected use pursuant to A.R.S. § 49-224(C).

**B.** A written petition for reclassification pursuant to A.R.S. § 49-224(C) or A.R.S. § 49-224(D) shall be filed with the Department and shall include the following categories of information:

1. The proposed protected use for which the reclassification is being requested.
2. The pollutant and affected aquifer water quality standards for which the reclassification is being requested.
3. A hydrogeologic report which demonstrates that the aquifer proposed for reclassification is or will be hydrologically isolated, to the extent described in A.R.S. § 49-224(C)(1). This report and demonstration of hydrologic isolation for the area containing such aquifer, and immediate adjacent geologic units, shall include at least the following:
   a. Hydrogeologic area maps and cross sections.
   b. An analysis of subsurface geology, including geologic and hydrologic separation.
   c. Water level elevation or piezometric level contour maps.
   d. Analysis of hydrologic characteristics of the aquifer and the immediate adjacent geologic units.
   e. Description of existing water quality and analysis of water chemistry.
   f. Projected annual quantity of water to be withdrawn.
   g. Identification of pumping centers, cones of depression and areas of recharge.

h. A water balance.
i. Existing flow direction and evaluation of the effects of seasonal and future pumping on flow.
j. An evaluation as to whether the reclassification will contribute to or cause a violation of aquifer water quality standards in other aquifers, or in parts of the aquifer not being proposed for reclassification.

4. Documentation demonstrating that water from the aquifer or part of the aquifer for which reclassification is proposed is not being used as drinking water. This documentation shall include at least the following:
a. A list of all wells or springs including their location, ownership and use within the aquifer or part of the aquifer being proposed for reclassification.
b. Identification of groundwater withdrawal rights, on file with the Department of Water Resources, within the aquifer or part of the aquifer being proposed for reclassification.
c. A comprehensive list of agencies, persons and other information sources consulted for aquifer use documentation.

5. A cost-benefit analysis developed pursuant to the requirements of A.R.S. § 49-224(C)(3), except for petitions submitted pursuant to A.R.S. § 49-224(D). This analysis shall identify potential future uses of the aquifer being proposed for reclassification, as well as other opportunity costs associated with reclassification, and shall contain a description of the cost-benefit methodology used, including all assumptions, data, data sources and criteria considered and all supporting statistical analyses.

**Historical Note**
Adopted effective October 22, 1987 (Supp. 87-4).

**R18-11-504. Agency Action on Petition**

**A.** Upon receipt of a petition for reclassification, the Director shall review the petition for compliance with the requirements of R18-11-503. If additional information is necessary, the petitioner shall be notified of specific deficiencies in writing within 30 calendar days of receipt of the petition.

**B.** Within 120 calendar days after receipt of a complete petition, and after consultation with the appropriate advisory council pursuant to A.R.S. §§ 49-224(C), the Director shall make a final decision to grant or deny the petition and shall notify the petitioner of such decision and the reason for such determination in writing.

**C.** Upon a decision to grant a petition for aquifer reclassification, the Director shall initiate proceedings for promulgation of aquifer water quality standards and, if applicable, for aquifer boundary designation for the reclassified aquifers.

**Historical Note**
Adopted effective October 22, 1987 (Supp. 87-4).
Amended by final expedited rulemaking at 29 A.A.R. 2344 (October 6, 2023), with an immediate effective date of September 22, 2023 (Supp. 23-3).

**R18-11-505. Public participation**

**A.** Within 30 days of receipt of a complete petition for reclassification filed pursuant to A.R.S. § 49-224(D), or if the Director deems it necessary to consider a reclassification under A.R.S. § 49-224(C), the Director shall give public notice of the proposed reclassification pursuant to A.A.C. R18-1-401.

**B.** The Director shall hold at least one public hearing at a location as near as practicable to the aquifer proposed for reclassification. The Director shall give notice of each public hearing and conduct the public hearing in accordance with the provisions of A.A.C. R18-1-402.

**Historical Note**
Adopted effective June 29, 1989 (Supp. 89-2).

**R18-11-506. Rescission of Reclassification**

The Director may, by rule, rescind an aquifer reclassification and return an aquifer to a drinking water protected use if he determines that any of the conditions under which the reclassification was granted are no longer valid. If the Director initiates a change under this Section, he shall consult with the appropriate advisory council pursuant to A.R.S. §§ 49-224(C).

**Historical Note**
Adopted effective October 22, 1987 (Supp. 87-4).
Amended by final expedited rulemaking at 29 A.A.R. 2344 (October 6, 2023), with an immediate effective date of September 22, 2023 (Supp. 23-3).

## ARTICLE 6. IMPAIRED WATER IDENTIFICATION

*Article 6, consisting of Sections R18-11-601 through R18-11-606, made by final rulemaking at 8 A.A.R. 3380, effective July 12, 2002 (Supp. 02-3).*

**R18-11-601. Definitions**

In addition to the definitions established in A.R.S. §§ 49-201 and 49-231, and A.A.C. R18-11-101, the following terms apply to this Article:

1. "303(d) List" means the list of surface waters or segments required under section 303(d) of the Clean Water Act and A.R.S. Title 49, Chapter 2, Article 2.1, for which TMDLs are developed and submitted to EPA for approval.
2. "Attaining" means there is sufficient, credible, and scientifically defensible data to assess a surface water or segment and the surface water or segment does not meet the definition of impaired or not attaining.
3. "AZPDES" means the Arizona Pollutant Elimination Discharge System.
4. "Credible and scientifically defensible data" means data submitted, collected, or analyzed using:
a. Quality assurance and quality control procedures under A.A.C. R18-11-602;
b. Samples or analyses representative of water quality conditions at the time the data were collected;
c. Data consisting of an adequate number of samples based on the nature of the water in question and the parameters being analyzed; and
d. Methods of sampling and analysis, including analytical, statistical, and modeling methods that are generally accepted and validated by the scientific community as appropriate for use in assessing the condition of the water.
5. "Designated use" means those uses specified in 18 A.A.C. 11, Article 1 for each surface water or segment whether or not they are attaining.
6. "EPA" means the U.S. Environmental Protection Agency.
7. "Impaired water" means a Navigable water for which credible scientific data exists that satisfies the requirements of A.R.S. § 49-232 and that demonstrates that the water should be identified pursuant to 33 United States Code § 1313(d) and the regulations implementing that statute. A.R.S. § 49-231(1).
8. "Laboratory detection limit" means a "Method Reporting Limit" (MRL) or "Reporting Limit" (RL). These analogous terms describe the laboratory reported value, which

# 49-104. Powers and duties of the department and director

A. The department shall:

1. Formulate policies, plans and programs to implement this title to protect the environment.

2. Stimulate and encourage all local, state, regional and federal governmental agencies and all private persons and enterprises that have similar and related objectives and purposes, cooperate with those agencies, persons and enterprises and correlate department plans, programs and operations with those of the agencies, persons and enterprises.

3. Conduct research on its own initiative or at the request of the governor, the legislature or state or local agencies pertaining to any department objectives.

4. Provide information and advice on request of any local, state or federal agencies and private persons and business enterprises on matters within the scope of the department.

5. Consult with and make recommendations to the governor and the legislature on all matters concerning department objectives.

6. Promote and coordinate the management of air resources to ensure their protection, enhancement and balanced utilization consistent with the environmental policy of this state.

7. Promote and coordinate the protection and enhancement of the quality of water resources consistent with the environmental policy of this state.

8. Encourage industrial, commercial, residential and community development that maximizes environmental benefits and minimizes the effects of less desirable environmental conditions.

9. Ensure the preservation and enhancement of natural beauty and man-made scenic qualities.

10. Provide for the prevention and abatement of all water and air pollution including that related to particulates, gases, dust, vapors, noise, radiation, odor, nutrients and heated liquids in accordance with article 3 of this chapter and chapters 2 and 3 of this title.

11. Promote and recommend methods for the recovery, recycling and reuse or, if recycling is not possible, the disposal of solid wastes consistent with sound health, scenic and environmental quality policies. The department shall report annually on its revenues and expenditures relating to the solid and hazardous waste programs overseen or administered by the department.

12. Prevent pollution through regulating the storage, handling and transportation of solids, liquids and gases that may cause or contribute to pollution.

13. Promote the restoration and reclamation of degraded or despoiled areas and natural resources.

14. Participate in the state civil defense program and develop the necessary organization and facilities to meet wartime or other disasters.

15. Cooperate with the Arizona-Mexico commission in the governor's office and with researchers at universities in this state to collect data and conduct projects in the United States and Mexico on issues that are within the scope of the department's duties and that relate to quality of life, trade and economic development in this state in a manner that will help the Arizona-Mexico commission to assess and enhance the economic competitiveness of this state and of the Arizona-Mexico region.

16. Unless specifically authorized by the legislature, ensure that state laws, rules, standards, permits, variances and orders are adopted and construed to be consistent with and not more stringent than the corresponding federal law that addresses the same subject matter. This paragraph does not adversely affect standards adopted by an Indian tribe under federal law.

17. Provide administrative and staff support for the oil and gas conservation commission.

B. The department, through the director, shall:

1. Contract for the services of outside advisers, consultants and aides reasonably necessary or desirable to enable the department to adequately perform its duties.

2. Contract and incur obligations reasonably necessary or desirable within the general scope of department activities and operations to enable the department to adequately perform its duties.

3. Use any medium of communication, publication and exhibition when disseminating information, advertising and publicity in any field of its purposes, objectives or duties.

4. Adopt procedural rules that are necessary to implement the authority granted under this title but that are not inconsistent with other provisions of this title.

5. Contract with other agencies, including laboratories, in furthering any department program.

6. Use monies, facilities or services to provide matching contributions under federal or other programs that further the objectives and programs of the department.

7. Accept gifts, grants, matching monies or direct payments from public or private agencies or private persons and enterprises for department services and publications and to conduct programs that are consistent with the general purposes and objectives of this chapter. Monies received pursuant to this paragraph shall be deposited in the department fund corresponding to the service, publication or program provided.

8. Provide for the examination of any premises if the director has reasonable cause to believe that a violation of any environmental law or rule exists or is being committed on the premises. The director shall give the owner or operator the opportunity for its representative to accompany the director on an examination of those premises. Within forty-five days after the date of the examination, the department shall provide to the owner or operator a copy of any report produced as a result of any examination of the premises.

9. Supervise sanitary engineering facilities and projects in this state, authority for which is vested in the department, and own or lease land on which sanitary engineering facilities are located, and operate the facilities, if the director determines that owning, leasing or operating is necessary for the public health, safety or welfare.

10. Adopt and enforce rules relating to approving design documents for constructing, improving and operating sanitary engineering and other facilities for disposing of solid, liquid or gaseous deleterious matter.

11. Define and prescribe reasonably necessary rules regarding the water supply, sewage disposal and garbage collection and disposal for subdivisions. The rules shall:

(a) Provide for minimum sanitary facilities to be installed in the subdivision and may require that water systems plan for future needs and be of adequate size and capacity to deliver specified minimum quantities of drinking water and to treat all sewage.

(b) Provide that the design documents showing or describing the water supply, sewage disposal and garbage collection facilities be submitted with a fee to the department for review and that no lots in any subdivision be offered for sale before compliance with the standards and rules has been demonstrated by approval of the design documents by the department.

12. Prescribe reasonably necessary measures to prevent pollution of water used in public or semipublic swimming pools and bathing places and to prevent deleterious conditions at those places. The rules shall prescribe minimum standards for the design of and for sanitary conditions at any public or semipublic swimming pool or bathing place and provide for abatement as public nuisances of premises and facilities that do not comply with the minimum standards. The rules shall be developed in cooperation with the director of the department of health services and shall be consistent with the rules adopted by the director of the department of health services pursuant to section 36-136, subsection I, paragraph 10.

13. Prescribe reasonable rules regarding sewage collection, treatment, disposal and reclamation systems to prevent the transmission of sewage borne or insect borne diseases. The rules shall:

(a) Prescribe minimum standards for the design of sewage collection systems and treatment, disposal and reclamation systems and for operating the systems.

(b) Provide for inspecting the premises, systems and installations and for abating as a public nuisance any collection system, process, treatment plant, disposal system or reclamation system that does not comply with the minimum standards.

(c) Require that design documents for all sewage collection systems, sewage collection system extensions, treatment plants, processes, devices, equipment, disposal systems, on-site wastewater treatment facilities and reclamation systems be submitted with a fee for review to the department and may require that the design documents anticipate and provide for future sewage treatment needs.

(d) Require that construction, reconstruction, installation or initiation of any sewage collection system, sewage collection system extension, treatment plant, process, device, equipment, disposal system, on-site wastewater treatment facility or reclamation system conform with applicable requirements.

14. Prescribe reasonably necessary rules regarding excreta storage, handling, treatment, transportation and disposal. The rules may:

(a) Prescribe minimum standards for human excreta storage, handling, treatment, transportation and disposal and shall provide for inspection of premises, processes and vehicles and for abating as public nuisances any premises, processes or vehicles that do not comply with the minimum standards.

(b) Provide that vehicles transporting human excreta from privies, septic tanks, cesspools and other treatment processes be licensed by the department subject to compliance with the rules. The department may require payment of a fee as a condition of licensure. The department shall establish by rule a fee as a condition of licensure, including a maximum fee. The fees shall be deposited, pursuant to sections 35-146 and 35-147, in the solid waste fee fund established by section 49-881.

15. Perform the responsibilities of implementing and maintaining a data automation management system to support the reporting requirements of title III of the superfund amendments and reauthorization act of 1986 (P.L. 99-499) and article 2 of this chapter.

16. Approve remediation levels pursuant to article 4 of this chapter.

17. Establish or revise fees by rule pursuant to the authority granted under title 44, chapter 9, articles 8 and 9 and chapters 4 and 5 of this title for the department to adequately perform its duties. All fees shall be fairly assessed and impose the least burden and cost to the parties subject to the fees. In establishing or revising fees, the department shall base the fees on the direct and indirect costs of the department's relevant duties, including employee salaries and benefits, professional and outside services, equipment, in-state travel and other necessary operational expenses directly related to issuing licenses as defined in title 41, chapter 6 and enforcing the requirements of the applicable regulatory program.

18. Appoint a person with a background in oil and gas conservation to act on behalf of the oil and gas conservation commission and administer and enforce the applicable provisions of title 27, chapter 4 relating to the oil and gas conservation commission.

C. The department may:

1. Charge fees to cover the costs of all permits and inspections it performs to ensure compliance with rules adopted under section 49-203 except that state agencies are exempt from paying the fees.

2. Monies collected pursuant to this subsection shall be deposited, pursuant to sections 35-146 and 35-147, in the water quality fee fund established by section 49-210.

3. Contract with private consultants for the purposes of assisting the department in reviewing applications for licenses, permits or other authorizations to determine whether an applicant meets the criteria for issuance of the license, permit or other authorization. If the department contracts with a consultant under this paragraph, an applicant may request that the department expedite the application review by requesting that the department use the services of the consultant and by agreeing to pay the department the costs of the consultant's services. Notwithstanding any other law, monies paid by applicants for expedited reviews pursuant to this paragraph are appropriated to the department for use in paying consultants for services.

D. The director may:

1. If the director has reasonable cause to believe that a violation of any environmental law or rule exists or is being committed, inspect any person or property in transit through this state and any vehicle in which the person or property is being transported and detain or disinfect the person, property or vehicle as reasonably necessary to protect the environment if a violation exists.

2. Authorize in writing any qualified officer or employee in the department to perform any act that the director is authorized or required to do by law.

# 49-221. Water quality standards in general; protected surface waters list

A. The director shall:

1. Adopt, by rule, water quality standards for all WOTUS and for all waters in all aquifers to preserve and protect the quality of those waters for all present and reasonably foreseeable future uses. For non-WOTUS protected surface waters, the director shall apply surface water quality standards established as of January 1, 2021, until specifically changed by the director pursuant to paragraph 2 of this subsection. Rules regarding the following shall not be adopted or applied as water quality standards for non-WOTUS protected surface waters:

(a) Antidegradation.

(b) Antidegradation criteria.

(c) Outstanding Arizona waters.

2. Adopt, by rule, water quality standards for non-WOTUS protected surface waters, by December 31, 2022, consistent with paragraph 1 of this subsection and as determined necessary in the rulemaking process. In adopting those standards, the director shall consider the unique characteristics of this state's surface waters and the economic, social and environmental costs and benefits that would result from the adoption of a water quality standard at a particular level or for a particular water category.

B. The director may adopt, by rule, water quality standards for waters of the state other than those described in subsection A of this section, including standards for the use of water pumped from an aquifer that does not meet the standards adopted pursuant to section 49-223, subsections A and B and that is put to a beneficial use other than drinking water. These standards may include standards for the use of water pumped as part of a remedial action. In adopting such standards, the director shall consider the economic, social and environmental costs and benefits that would result from the adoption of a water quality standard at a particular level or for a particular water category.

C. In setting standards pursuant to subsection A or B of this section, the director shall consider the following:

1. The protection of the public health and the environment.

2. The uses that have been made, are being made or with reasonable probability may be made of these waters.

3. The provisions and requirements of the clean water act and safe drinking water act and the regulations adopted pursuant to those acts.

4. The degree to which standards for one category of waters could cause violations of standards for other, hydrologically connected, water categories.

5. Guidelines, action levels or numerical criteria adopted or recommended by the United States environmental protection agency or any other federal agency.

6. Any unique physical, biological or chemical properties of the waters.

D. Water quality standards shall be expressed in terms of the uses to be protected and, if adequate information exists to do so, numerical limitations or parameters, in addition to any narrative standards that the director deems appropriate.

E. The director may adopt by rule water quality standards for the direct reuse of reclaimed water. In establishing these standards, the director shall consider the following:

1. The protection of public health and the environment.

2. The uses that are being made or may be made of the reclaimed water.

3. The degree to which standards for the direct reuse of reclaimed water may cause violations of water quality standards for other hydrologically connected water categories.

F. If the director proposes to adopt water quality standards for agricultural water, the director shall consult, cooperate, collaborate and, if necessary, enter into interagency agreements and memoranda of understanding with the Arizona department of agriculture relating to its administration pursuant to title 3, chapter 3, article 4.1 of this state's authority relating to agricultural water under the United States food and drug administration produce safety rule (21 Code of Federal Regulations part 112, subpart E) and any other federal produce safety regulation, order or guideline or other requirement adopted pursuant to the FDA food safety modernization act (P.L. 111-353; 21 United States Code sections 2201 through 2252). For the purposes of this subsection:

1. "Agricultural water":

(a) Means water that is used in a covered activity on produce where water is intended to, or is likely to, contact produce or food contact surfaces.

(b) Includes all of the following:

(i) Water used in growing activities, including irrigation water, water used for preparing crop sprays and water used for growing sprouts.

(ii) Water used in harvesting, packing and holding activities, including water used for washing or cooling harvested produce and water used for preventing dehydration of produce.

2. "Covered activity" means growing, harvesting, packing or holding produce. Covered activity includes processing produce to the extent that the activity is within the meaning of farm as defined in section 3-525.

3. "Harvesting" has the same meaning prescribed in section 3-525.

4. "Holding" has the same meaning prescribed in section 3-525.

5. "Packing" has the same meaning prescribed in section 3-525.

6. "Produce" has the same meaning prescribed in section 3-525.

G. The director shall maintain and publish a protected surface waters list. The department shall publish the initial list on the department's website and in the Arizona administrative register within thirty days after September 29, 2021. Not later than December 31, 2022, the department shall adopt by rule the protected surface waters list, including procedures for determining economic, social and environmental costs and benefits. Publication of the list in the Arizona administrative register is an appealable agency action pursuant to title 41, chapter 6, article 10 and may be appealed by any party that provides evidence of an actual adverse effect that the party appealing the decision would suffer as a result of the director's decision. All of the following apply to the protected surface water list:

1. The protected surface waters list shall include:

(a) All WOTUS.

(b) Any perennial, intermittent and ephemeral reaches and any impoundments of the following rivers, not including tributaries or reaches of waters wholly within tribal jurisdiction or reaches of waters outside of the United States:

(i) The Bill Williams river, from the confluence of the Big Sandy and Santa Maria rivers at 113°31'38.617"w, 34°18'22.373"n, to its confluence with the Colorado river at 114°8'9.854"w, 34°18'9.33"n.

(ii) The Colorado river, from the Arizona-Utah border at 111°32'35.741"w, 36°58'51.698"n, to the Arizona-Mexico border at 114°43'12.564"w, 32°43'6.218"n.

(iii) The Gila river, from the Arizona-New Mexico border at 109°2'52.8"w, 32°41'11.2015"n, to the confluence with the Colorado river at 114°33'28.145"w, 32°43'14.408"n.

(iv) The Little Colorado river, from the confluence of the east and west forks of the Little Colorado river at 109°28'7.131"w, 33°59'39.852"n, to its confluence with the Colorado river at 111°49'4.693"w, 36°12'10.243"n.

(v) The Salt river, from the confluence of the Black and White rivers at 110°13'39.5"w, 33°44'6.082"n, to the confluence with the Gila river at 112°18'5.704"w, 33°22'42.978"n.

(vi) The San Pedro river, from the Arizona-Mexico border at 110°9'1.704"w, 31°20'2.387"n, to the confluence with the Gila river at 110°47'0.905"w, 32°59'5.671"n.

(vii) The Santa Cruz river, from its origins in the Canelo Hills of southeastern Arizona at 110°37'3.968"w, 31°27'39.21"n, to its confluence with the Gila river at 111°33'26.02"w, 32°41'39.058"n.

(viii) The Verde river, from Sullivan lake at 112°28'10.588"w, 34°52'11.136"n, to its confluence with the Salt river at 111°39'48.32"w, 33°33'20.538"n.

(c) Any non-WOTUS waters of the state that are added under paragraphs 3 and 4 of this subsection.

2. Notwithstanding paragraph 1 of this subsection, the protected surface waters list shall not contain any of the following non-WOTUS waters:

(a) Canals in the Yuma project and ditches, canals, pipes, impoundments and other facilities that are operated by districts organized under title 48, chapters 18, 19, 20, 21 and 22 and that are not used to directly deliver water for human consumption, except when added pursuant to paragraph 4 of this subsection and in response to a written request from the owner and operator of the ditch or canal until the owner and operator withdraws its request.

(b) Irrigated areas, including fields flooded for agricultural production.

(c) Ornamental and urban ponds and lakes such as those owned by homeowners' associations and golf courses, except when added pursuant to paragraph 4 of this subsection and in response to a written request from the owner of the ornamental or urban pond or lake until the owner withdraws its request.

(d) Swimming pools and other bodies of water that are regulated pursuant to section 49-104, subsection B.

(e) Livestock and wildlife water tanks and aquaculture tanks that are not constructed within a protected surface water.

(f) Stormwater control features.

(g) Groundwater recharge, water reuse and wastewater recycling structures, including underground storage facilities and groundwater savings facilities permitted under title 45, chapter 3.1 and detention and infiltration basins, except when added pursuant to paragraph 4 of this subsection and in response to a written request from the owner of the groundwater recharge, water reuse or wastewater recycling structure until the owner withdraws its request.

(h) Water-filled depressions created as part of mining or construction activities or pits excavated to obtain fill, sand or gravel.

(i) All waste treatment systems components, including constructed wetlands, lagoons and treatment ponds, such as settling or cooling ponds, designed to either convey or retain, concentrate, settle, reduce or remove pollutants, either actively or passively, from wastewater before discharge or to eliminate discharge.

(j) Groundwater.

(k) Ephemeral waters except for those prescribed in paragraph 1, subdivision (b) of this subsection.

(l) Lakes and ponds owned and managed by the United States department of defense and other surface waters located on and that do not leave United States department of defense property, except when added pursuant to paragraph 4 of this subsection and in response to a written request from the United States department of defense until it withdraws its request.

3. Unless listed in paragraph 2 of this subsection, the director shall add the following non-WOTUS surface waters to the protected surface waters list:

(a) All lakes, ponds and reservoirs that are public waters used as a drinking source, for recreational or commercial fish consumption or for water-based recreation such as swimming, wading and boating and other types of recreation in and on the water.

(b) Perennial waters or intermittent waters of the state that are used as a drinking water source, including ditches and canals.

(c) Perennial or intermittent tributaries to the Bill Williams river, the Colorado river, the Gila river, the Little Colorado river, the Salt river, the San Pedro river, the Santa Cruz river and the Verde river.

(d) Perennial or intermittent public waters used for recreational or commercial fish consumption.

(e) Perennial or intermittent public waters used for water-based recreation such as swimming, wading, boating and other types of recreation in and on the water.

(f) Perennial or intermittent wetlands adjacent to waters on the protected surface waters list.

(g) Perennial or intermittent waters of the state that cross into another state, the Republic of Mexico or the reservation of a federally recognized tribe.

4. The director may add additional non-WOTUS surface waters to the protected surface waters list if all of the following apply:

(a) The water is not required to be listed under paragraph 1 or 3 of this subsection.

(b) The water is not excluded under paragraph 2 of this subsection.

(c) The economic, environmental and social benefits of adding the water outweigh the economic, environmental and social costs of excluding the water from the list.

5. The director shall remove any erroneously listed, non-WOTUS waters from the protected surface waters list when the water is excluded under paragraph 2 of this subsection and shall not regulate discharges to those waters in the interim.

6. The director shall remove non-WOTUS waters from the protected surface waters list when the water is not required to be listed under paragraph 3 of this subsection and the economic, environmental and social benefits of removing the water outweigh the economic, environmental and social costs of retaining the water on the list.

7. The director, on an emergency basis, may add a water to the protected surface waters list if the director discovers an imminent and substantial danger to public health or welfare or the environment, if the water would otherwise qualify to be added under paragraph 3 of this subsection. Notwithstanding any other law, the emergency addition shall take effect immediately on the director's determination that describes the imminent and substantial danger in writing. Within thirty days after the director's determination, the department shall publish a notice of that determination in the Arizona administrative register and on the department's website. Waters added

under this subsection shall be incorporated into the protected surface waters list during the next rulemaking that follows the addition.

# 49-223. Aquifer water quality standards

A. Primary drinking water maximum contaminant levels established by the administrator before August 13, 1986 are adopted as drinking water aquifer water quality standards. The director may only adopt additional aquifer water quality standards by rule. Within one year after the administrator establishes additional primary drinking water maximum contaminant levels, the director shall open a rule making docket pursuant to section 41-1021 for adoption of those maximum contaminant levels as drinking water aquifer water quality standards. If substantial opposition is demonstrated in the rule making docket regarding a particular constituent, the director may adopt for that constituent the maximum contaminant level as a drinking water aquifer water quality standard upon making a finding that this level is appropriate for adoption in Arizona as an aquifer water quality standard. In making this finding, the director shall consider whether the assumptions about technologies, costs, sampling and analytical methodologies and public health risk reduction used by the administrator in developing and implementing the maximum contaminant level are appropriate for establishing a drinking water aquifer water quality standard. For purposes of this subsection "substantial opposition" means information submitted to the director that explains with reasonable specificity why the maximum contaminant level is not appropriate as an aquifer water quality standard.

B. The director may adopt by rule numeric drinking water aquifer water quality standards for pollutants for which the administrator has not established primary drinking water maximum contaminant levels or for which a maximum contaminant level has been established but the director has determined it to be inappropriate as an aquifer water quality standard pursuant to subsection A of this section. These standards shall be based on the protection of human health. In establishing numeric drinking water aquifer water quality standards, the director shall rely on technical protocols appropriate for the development of aquifer water quality standards and shall base the standards on credible medical and toxicological evidence that has been subjected to peer review.

C. Any person may petition the director to adopt a numeric drinking water aquifer quality standard for any pollutant for which no drinking water aquifer quality standard exists. The director shall grant the petition and institute rule making proceedings adopting a numeric standard as provided under subsection B of this section within one hundred eighty days if the petition shows that the pollutant is a toxic pollutant, that the pollutant has been, or may in the future be, detected in any of the state's drinking water aquifers, and that there exists technical information on which a numeric standard might reasonably be based. Within one year of the commencement of the rule making proceeding, the director shall either adopt a numeric standard or make and publish a finding that, pursuant to subsection B of this section, the development of a numeric standard is not possible. The decision to not adopt a numeric standard shall, for purposes of judicial review, be treated in the same manner as a rule adopted pursuant to title 41, chapter 6.

D. For purposes of assessing compliance with each aquifer water quality standard adopted pursuant to this section, the director shall for purposes of articles 3 and 4 of this chapter, and may for purposes of other provisions of this title, identify sampling and analytical protocols appropriate for detecting and measuring the pollutant in the aquifers in the state.

E. Within one year from the reclassification of an aquifer to a non-drinking water status, pursuant to section 49-224, the director shall adopt water quality standards for that aquifer. For any pollutants which were not the basis for the reclassification, the applicable standard shall be identical with the standard for those pollutants adopted pursuant to subsections A and B of this section. For any pollutants which were the basis for reclassification, the standard shall be sufficient to achieve the purpose for which the aquifer was reclassified but shall minimize unnecessary degradation of the aquifer by taking into consideration the potential long-term uses of the aquifer and the short-term and long-term benefits of the activities resulting in discharges into the aquifer.

F. The director shall adopt water quality standards for an aquifer for which a petition has been submitted pursuant to section 49-224, subsection D sufficient to achieve the non-drinking water use for which that aquifer was classified, taking into consideration the potential long-term uses of that aquifer and the short-term and long-term benefits of the discharging activities creating that aquifer.

G. In any action pursuant to this title, aquifer water quality protection provisions, including monitoring requirements, may be imposed only for pollutants for which aquifer water quality standards have been established that are likely to be present in a discharge. Indicator parameters and quality assurance parameters appropriate for such pollutants also may be specified.

# 49-224. Aquifer identification, classification and reclassification

A. Not later than June 30, 1987 the director shall, by rule, identify and define the boundaries of all aquifers in this state utilizing, to the maximum extent possible, data available from the department of water resources.

B. All aquifers in this state identified and defined under subsection A of this section and any other aquifers subsequently discovered, identified and defined shall be classified for drinking water protected use unless the classification is changed in the manner provided in subsection C of this section.

C. The director, after consulting with the appropriate groundwater users advisory council established pursuant to title 45, chapter 2, article 2 if the aquifer is in an active management area, and a public hearing held pursuant to section 49-208, may change the classification of an aquifer or part of an aquifer for a protected use other than drinking water on making all of the following findings:

1. The identified aquifer or part of an aquifer is or will be so hydrologically isolated from other aquifers or other parts of the same aquifer that there is no reasonable probability that poorer quality water from the identified aquifer or part of an aquifer will cause or contribute to a violation of aquifer water quality standards in other aquifers or parts of the same aquifer.

2. Water from the identified aquifer or part of an aquifer is not being used as drinking water.

3. The short-term and long-term benefits to the public that would result from the degradation of the quality of the water in the identified aquifer or part of an aquifer below standards established pursuant to section 49-223, subsections A and B would significantly outweigh the short-term and long-term costs to the public of such degradation. Benefits and costs to be considered include economic, social and environmental.

D. Owners or operators of facilities whose discharges are solely responsible for creating an aquifer may petition the director for a classification of the aquifer for a non-drinking water use. The director may, by rule, classify that aquifer for a non-drinking water use upon making the findings prescribed in subsection C, paragraphs 1 and 2 of this section.

E. The director shall provide for public participation in proceedings under this section pursuant to section 49-208 and shall hold at least one public hearing at a location as near as practicable to the aquifer proposed for reclassification.

**G.**

CONSIDERATION, DISCUSSION, AND POSSIBLE ACTION ON PETITION RELATED TO ARIZONA MEDICAL BOARD

# GOVERNOR'S REGULATORY REVIEW COUNCIL

## ATTORNEY MEMORANDUM - PETITION

**MEETING DATE: July 1, 2025**

**TO:** Members of the Governor's Regulatory Review Council (Council)

**FROM:** Council Staff

**DATE:** June 11, 2025

**SUBJECT: Dr. Fowler Petition - Arizona Medical Board**

### Background

On March 18, 2025, GRRC staff received a correspondence ("Petition") from Dr. Stuart Fowler, M.D., certified by the Arizona Medical Board ("Board") to practice allopathic medicine. The Petition requests that the Council expunge four judgments from Dr. Fowler's record as he believes, "the Board has greatly overstepped its authority in this case." These judgments relate to factual and unprofessional conduct findings in the Board's Order for Probation; and Consent to Same dated February 7, 2024 ("Order").[1]

### Analysis

The Council is limited to considering petitions/appeals related to matters that are statutorily authorized. No statutory authority exists for the Council to review the Board's disciplinary actions against individual licensees. While Dr. Fowler states the Board has greatly overstepped its authority in this case, he provides no specific information regarding any existing agency practice, substantive policy statement, final rule or regulatory licensing requirement that he alleges exceeds the agency's statutory authority or is not specifically authorized by statute. *See* A.R.S. § 41-1033(H). On the contrary, the Board's actions at issue here were specifically authorized by statute in the Arizona Medical Practice Act. The Board indicates it was operating within its authority to investigate complaints alleging unprofessional conduct. *See* A.R.S. §§

[1] The Council has no authority to review the substance of the underlying complaints against Dr. Fowler and any facts in the underlying Case No. MD-23-0278A are irrelevant to the Council's analysis.

32-1401(27)(c), (n), (r) and (u), 1403(A). Furthermore, the consent agreement for a disciplinary outcome that Dr. Fowler agreed to consists of probationary terms also identified in the Medical Practice Act. *See* A.R.S. §§ 32-1451(F) and (I)(7).

## Conclusion

Council staff believes this matter is outside the scope of the Council's review as the Council is not statutorily authorized to review agency disciplinary actions. Furthermore, Council staff does not believe the Petition puts forth an agency practice, substantive policy statement, final rule or regulatory licensing requirement alleged to exceed the Board's statutory authority that the Council can review substantively. However, even if it did, the Board actions related to this matter are specifically authorized by statute and do not exceed the agency's statutory authority. Therefore, Council staff does not recommend that this Petition receive a hearing at a future Council meeting.

Council staff also notes, the Board indicates Dr. Fowler was notified in writing that his options to challenge the Board's findings and Order were to participate in a formal interview before the Board or request that the complaint be heard by the Office of Administrative Hearings. Dr. Fowler's probation was terminated on October 16, 2024 after he successfully completed the requirements of the agreement.

To: Governor Katie Hobbs

From: R. Stuart Fowler, M.D.
Mailing Address: 6890 So. 2300 E. Apt 711997 Salt Lake City, Utah 84171

Regarding:Petition to Arizona Board Case MD-23-0278A

Requesting: Governor's Regulatory Review Council to Delete Charges

Why Arizona policies A.R.S. 32-1401(27)(c), A.R.S. 32-1401(27)(n), A.R.S. 32-1401(27)(r), and A.R.S. 1401(27)(u) do not apply to Dr. Fowler.

# To: Governor's Regulatory Review Council

Please read the charges the Board filed against me and ask yourself if they seem reasonable particularly because the Board cannot prove whether they are true or not: 1) The conduct and circumstances described above constitute unprofessional conduct pursuant to A.R.S. § 32-1401(27)(c). False, fraudulent, deceptive or misleading advertising by a doctor of medicine. 2) The conduct and circumstances described above constitute unprofessional conduct pursuant to A.R.S. § 32-1401(27)(n). Representing that a manifestly incurable disease or infirmity can be permanently cured, or that any disease, ailment or infirmity can be cured by a secret method, procedure, treatment, medicine or device, if such is not the fact. 3) The conduct and circumstances described above constitute unprofessional conduct pursuant to A.R.S. § 32-1401(27)(r). Committing any conduct or practice that is or might be harmful or dangerous to the health of the patient or the public. 4) The conduct and circumstances described above constitute unprofessional conduct pursuant to A.R.S. § 32-1401(27)(u). Knowingly making any false or fraudulent statement, written or oral, in connection with the practice of medicine. Now, please read through this and see if this dreadful pronouncement of my reputation is deserved. Note that the Az Medical Board Google review rating is 1.6 whereas my practice rating was 4.7 over this course in time.

The Arizona Board claims I advertised false, fraudulent, deceptive or misleading information to my patients.This information referred to is that I claimed to have discovered the underlying etiology of vulvodynia and how it can be successfully treated. The Board does not accept that what I have told my patients is truth; that being the results from an objective approach comprising the findings manifest by a phase-contrast microscope. The findings are either present or not. The microscope does not mislead or provide false information This evidence does not deviate from the truth. Although I do not have proof as would be conveyed by a double-blind randomized control study, I do have the evidence of thousands of women getting great results including many cures. See Appendix A. These testimonies were shared with the Board but the Board ignored them completely having made no reference to them. So

what I'm telling my patients is true but the Board refutes those claims even though they have no evidence to do so. When a discovery is made, you need to start somewhere, it's not reasonable to expect all the research necessary to prove fact be there from the get go. It still does not preclude that the information is indeed the truth.

I have set forth results at a cellular level (five articles) that sustain these claims. While vulvodynia has been long since ( since the 1870's) regarded "as a manifestly incurable disease", someday that was invariably destined to change. That someday is today. My research shows the presence of altered vaginal microflora consistently present in patients presenting with vulvodynia. Vulvodynia symptoms resolves with treatment directed towards resolution of the altered microflora. Despite this, the Board asserted the following: "Representing that a manifestly incurable disease or infirmity can be permanently cured, or that any disease, ailment or infirmity can be cured by a secret method, procedure, treatment, medicine or device, if such is not the fact." I was telling my patients that the treatments I had developed was capable of curing patients. Of the hundreds of testimonies from my patients, a whopping 53% reported being completely cured. So, I was not telling my patients false or misleading information. The Board just refused to believe my data and ignored these reports. Additionally, my protocols do not use alleged "secret" methods or procedures. They employ a combination of bio-identical estrogens. Nearly all institutions in the US that have physicians treating vulvodynia, list among their treatment options, topical and or vaginal estrogens. Therefore, my approach cannot be regarded as a "secret" method. Furthermore, the Board asserters that I should have offered an alternative treatment method. They suggested physical therapy which reveals the degree of their ignorance. Neither of these patients complained of central pelvic pain which is present in all patients who have underlying pelvic floor tension myalgia. Furthermore, nearly every institution that offers providers who treat vulvodynia, recommend the avoidance of external irritants as a treatment option. I have advocated this to every patient in my practice. In fact, I single handedly advocated for this approach in 1997 with my address to the International Society of the Study of Vulvovaginal Disease (ISSVD) World Congress XIV in Baveno Italy, titled, Vulvar Vestibulitis: Response to Hypocontactant Vulvar Therapy;

subsequently published in the Journal of Lower Genital Tract Disease, 2000; 4(4):200-203. This was a meeting of the leading world's experts in vulvovaginal medicine. At the time, none the experts in the field were doing this and neither did they believe it was necessary. The most distinguished member, brushed by me afterwords and sarcastically said, "What dose soap have anything to do with vulvodynia?" It took about ten years before this become mainstream for every vulvodynia patient and I was the nidus that started the whole thing. Needless to say this treatment was given to my patients as well. This was a blatant oversight by the Board because I was treating every patient with bio-identical hormones plus my extensive therapy directed against external irritants. In fact, my protocol is undoubtedly the most extensive one in use in the country.

I have published five peer review articles related to vulvodynia.. At the International Society for the Study of Vulvovaginal Disease (ISSVD) World Congress XX in Edinburgh, Scotland at the Royal College of Physicians, I presented my research findings: 100% Correlation between Vulvodynia and the Presence of Altered Vaginal Micro-flora Patterns. Lower Genital Tract Disease, Supplement, Oct 2009. It's been over 15 years and to my knowledge, still no other providers have pursued this line of research. This research shows results at a cellular level which requires a phase-contrast microscope to accomplish. I surveyed the 200 experts present at the 2009 meeting and only 4 physicians had phase-contrast microscopes and these were the only providers who recognized my findings.  I am one of perhaps only 2 gynecologists in the USA who uses a phase-contract microscope. Moreover, I was first to show what patterns are normal in healthy women with no vulvovaginal symptoms. Journal of Lower Genital Tract Disease, 2012 October; 16(4):437-441. It is necessary to know these patterns because they become the target for a cure. I was first to recommend changing the Classification of Vaginitis to include the spectrum of abnormal microflora. Fowler RS. Expansion of altered vaginal flora states in vaginitis to include a spectrum of microflora. J Reprod Med. 2007 Feb; 52(2):93-9. I have been a leading expert in this field for over 20 years. Then the Board picks a general Ob/Gyn to be the consultant for this case. Her comments were without an expert insight and blatantly misleading.

The cumulative effect of these articles, shown by use of a phase-contrast microscope that altered vaginal microflora exists and plays a role in vulvodynia. Whether the Board understood them or not remains unclear because the Board made no comment about any of my published studies. For this reason alone, their charges against me can be discredited and considered irrelevant. Given the abundant evidence for the success of treating vulvodynia with bio-identical estrogens in unique proportions that correct the altered vaginal microflora, the Board should not be able to disregard it without even a single comment. While I have presented significant proof that I have discovered the underlying etiology of vulvodynia without their offering any proof to the contrary, their rejection now becomes just their opinion. It is true I have not conducted double-blind randomized studies if this is what the Board is looking for to prove fact. I have had one physician recently collaborate my findings. The Board cannot prove what I have presented to my patients is not true. For the Board to destroy my reputation and my lifetime of work which has been collaborated by so many testimonies is just unbelievable. This whole thing started over an email I sent to my patients one-year before my expected retirement to allow women in my practice to find providers willing to continue my treatment approach. Many women in my practice report that I am the only physician in the country who has been able to improve or cure their condition. Women coming to my practice have consistently seen 3-5 other physicians whose treatment had no or minimal benefit on their symptoms. I proposed to write a book for my patients that would explain the details of my treatment approach. Since no other provider is offering this approach, this would enable my patients to continue this therapy after my retirement. Two young women complained to the Board about my proposed treatment manual. One said it was too expensive causing “financial distress” and the other said that advertising to my patients by email and text is “slimy business.” These two complaints lead to the outcome of destroying my entire career in medicine. This seems beyond any reasonable outcome. I believe the Board has greatly overstepped its authority in this case. I would implore you as governor with Arizona Medical Board oversight, to that these four judgements be expunged from my record.

Statistical Data:The breakdown of women from my practice who chose to send in a testimony. For 10 years I ran a small Vulvovaginal practice in Scottsdale. Note that patients came from all across the country because of the reputation  of my success with vulvodynia.

| | | | | | | |
|---|---|---|---|---|---|---|
| **% Resolution of Symptoms** | <70% | 70-79% | 80-89% | 90-99% | 100% | Percentage saying they "got my life back" |
| **N= 411** | 11 | 24 | 74 | 88 | 219 | 112 |
| **Percentage** | 2% | 6% | 18% | 20% | 53% | 27% |

Note: Overall 53% of women reported complete remission of symptoms I.e. cured.  A total of 73% reported >90% or better response. For a condition that hitherto was considered "a manifestly incurable disease," this is a remarkable finding. Rather than being trampled, this work should be heralded for its amazing accomplishment. Now see Appendix A for the 411 testimonies from my patients who chose to write a testimony of their experience and response. I don't believe the Board bothered to read any of them. Note that even those who only got 70% better were thrilled because of how much lifestyle improvement this caused.

With Respect and Appreciation,

R. Stuart Fowler, M.D.

## Appendix A

I came from Albuquerque, New Mexico for my first consult last summer and have experienced **no pain since your treatment plan.** I am so grateful to you. I am a competitive horseback rider who travels the southwest and now I am able to ride again, which is my emotional lifesaver. Dr. Fowler ROCKS! Very best doctor I have ever seen! ***A. Albuquerque, New Mexico***

I have been treated by Dr. Fowler for 3 months and have had a complete remission of my vulvodynia symptoms!! I can wear jeans, sit for extended periods of time, ride my bike, swim in a pool, and have sex as frequently as I like!! I no longer suffer from vaginal burning, irritation, and frequent bv/yeast infections. For the past 3 years or so, I did not know what was going on with my vaginal health. I went from being a healthy, sexually active spin instructor and full-time nurse to someone who was constantly thinking about the discomfort in and around my vagina. I was seen by several doctors....my gynecologist, my general practitioner, a physical therapist, a urologist (specializing in sexual health), and a urogynecologist, as well as trying several online treatments. All of these doctors, some of them my friends/colleagues, said they could treat me/fix me and try as they may. I could not get better, and my quality of life and my confidence got so bad that I was having anxiety and panic attacks. My husband and I scoured the internet looking for help. Thankfully, I stumbled upon Dr. Fowler's website, and I read every single testimonial! Ninety- nine percent of the testimonials were raving, and I figured it was too good to be true, and yeah, he trained at Mayo Clinic, specialized in vulvodynia, etc, but what if it was just a gimmick to suck desperate woman like me in. Well, I am here to tell you that everything he promised, all those positive testimonials, and all of Dr. Fowler's research over the years has led him to find a treatment program that actually works!! I cannot tell you how happy I am to **have my life back** and to have my confidence back, and yes, to have my amazing sex life back. I thank my husband for supporting me through a very challenging time in our life and thank Dr. Fowler for having the education, expertise, and determination in this field of women's health to heal me! So grateful! S. Huntington Beach, Ca My vulvodynia is a lot better. There is no pain with intercourse. I used to have tremendous pain afterward, but now only occasionally and just a little bit. The general burning at the opening is infrequent. I used to get it all the time. No more itching. I have had this pain and itching for the last 28 years. It became worse in the last 5 years when I entered menopause. I was treated by other doctors and had no results. I was told to see a vulva doctor. I googled my symptoms and found Dr. Fowler. In 4 months, I am about 70 to 80% better. I highly recommend Dr. Fowler to anyone who has vulva pain and needs relief. C. Chandler Arizona I encourage any woman having similar issues to consult with Dr. Fowler and follow his protocol. My symptoms have drastically improved in a four- month period, much to my surprise, after suffering for 28 years with painful intercourse, it was actually excruciating. There was pain in other physical activities. Also, the external tissues were dry and would crack, which was a huge problem. I saw multiple physicians talking 10-12+ with no hope for improvement. I had given up. My new obgyn referred me to Dr. Fowler, with the advice, "He is the only person who can help your situation." He diagnosed me with vulvodynia and Lichen Sclerosis. After four months

of being on Dr. Fowler's protocol, I'm elated at the physical changes. **I am 100% better** already. Now **I don't think about my vagina at all**. Dr. Fowler just gave me my only wish for Christmas, which was that I now get to wash my hair in the shower rather than the sink! Without hesitation, I recommend Dr. Fowler. **T. Scottsdale, AZ.**

I am so glad that I found Dr. Fowler. I had symptoms for over 30 years. My biggest concern was pain, rawness, burning, and a terrible odor. I was repeatedly tested for a yeast or bacterial infection, but my tests always came back negative. Today, I have **no pain**, rawness, burning, and no odor! Thank you, Dr. Fowler. I will be forever grateful. **R. Gilbert, AZ**

In the beginning, I came to Dr. Fowler with apparent recurrent yeast infections with burning and itching. It felt like I was being stabbed by tiny little needles. I'm so much better now after only four months. I feel calmer in my whole being and more grounded in my body. Thankfully, I was one of those women who responded on the quicker side. I followed the protocol to the letter, and my condition turned around straight away. This is amazing, having had my symptoms for 20 years. In the first 4 months of treatment, I'd say **I'm 80% better.** I have had 2 little flares-ups, but they cleared up within a couple of days. Before treatment, I would hurt for at least 36 hours after intercourse, and now there's minimal to zero irritation. It's such a joy to be with my man and not to have this in the back of my mind. I thank my lucky stars that I found Dr. Fowler. Unlike other doctors I had consulted, Dr. Fowler thoroughly answered every question I brought to him and helped me understand my condition and how to remedy it. I felt seen, heard, respected, and cared for every step of the way -- very different from many other medical experiences I have had. The office and staff are lovely, to boot. I cannot recommend FGI strongly enough! **C. Santa Barbara, CA**

Dr. Fowler is wonderful. I did not think I would ever be pain-free. If you are in pain, I would insist you make that call and get to his office as soon as possible. Dr. Fowler is very caring and understanding. He knows what you have been through. I once had a doctor, who I do not see anymore, tell me that I was basically in the "junkyard of women." There was nothing that could be done for me. I left the office crying because it was such a hurtful thing to say to someone who is living in pain. At my last exam, my GYN, Dr. Jennifer Tatalovich, was amazed that I could withstand a pap smear. She commented my vaginal tissue was not inflamed any longer. **I have ZERO pain**. Are you at home reading that? Read it again. I have ZERO pain. Dr. Fowler is as important to me as my own family member. I cannot urge you enough to make that call. Do it now. Don't wait one more day. All you need is a little prayer and Dr. Fowler:) **A. Mount Juliet, IL.**

“Dr. Fowler literally saved my life. After battling chronic vaginal infection for nearly a year, I developed unprovoked vulvodynia. I saw 9 specialists in my region, and no one knew how to treat me except to numb my pain. I spent over $20,000 on both traditional and alternative medical treatment plans. I was unable to have intercourse for nearly 5 years. I was unable to wear pants or panties for 3 years. I needed to resign from my job because I was unable to function, as the pain was a 10/10. I was hopeless, and my vulva/ vaginal pain was ruining my

life. The first time I spoke with Dr. Fowler on the phone, he was patient, kind, and encouraging. He even allowed me to pray with him. I scheduled my visit to AZ and started treatment immediately. My recovery was slow and, at times, discouraging. Dr. Fowler kept encouraging me and said that for some women, recovery is slow, to be patient, and to stay the course. After nearly 2 years of following his treatment plan, **I am 95% better.** I am so grateful to God for Dr. Fowler and the FGI staff! I'm now in a loving relationship, able to have intercourse and reach orgasm without any pain. I never knew that sexual intimacy could be so pleasurable. Dr. Fowler has given me **my life back** in a manner that I never thought was possible. God bless you, Dr. Fowler! You are changing the lives of women worldwide! Ladies, call Dr. Fowler NOW; he will change your life, too!" **L. Holland, Michigan**

"I've suffered from vulvodynia for 35 years. I've seen a plethora of doctors, so many I've lost count. It's at least 100 doctors. I've spent enough money on homeopaths, natural- paths, acupuncture, physical therapy, supplements, shamans, and allopathic doctors to buy a house. The good news is I finally found Doctor Fowler while scouring the internet in a desperate search for relief. Relief is what I've found. Finally, an expert in this silent, misunderstood, and misdiagnosed syndrome. I **now live free of chronic vaginal and vestibular burning**. I'm not sexually active, but I believe I will be able to engage when the day comes that I'm no longer single. I will continue to see Dr. Fowler for my follow-ups and ongoing care. Dr. Fowler takes the guesswork out of the equation and tailor-makes the right protocol for you. Don't give up!" **C. Ventura, CA**

"I feel so fortunate to have found Dr. Fowler. I had been suffering from vulvodynia for six months and had seen many different doctors with no relief. I went to see three different gynecologists, a urologist, and a chiropractor. I tried acupuncture, special diets, and physical therapy, and nothing was working. Meanwhile, I had to take a leave of absence from work because I was unable to sit for long periods of time because of burning. In addition to physical pain and feeling hopeless about getting relief, I had read some opinions that there is no cure and they don't know what causes it. While researching online, I came across Dr. Fowler's website and read testimonials, and while it seemed too good to be true, I figured I had nothing to lose, so I flew to Phoenix to see him. It was the best decision I've ever made. Really quickly, I began to feel better, and now, 4 months into it, I'm about 90% better, and MANY DAYS **I FEEL 100%**. He really gets results. Thank you, Dr. Fowler for helping me feel so much better." **S. Pacific Palisades, California**

"If I were to put it into one sentence, it would be "**Dr. Fowler saved my life."** I mean that, literally. Every day, I had wished myself dead. Every day, I dwelled on how to end this horrible, all-consuming pain I was experiencing. My only option was dwindling down to ending my life in the two years of hell I experienced before finally getting Dr. Fowler's help. I had seen my general practitioner, 3 gynecologists, a urologist, and a pain clinic totaling over 80 medical appointments. I was a guinea pig and prescribed 28 different medications, costing more than $6000.00, none of which eased the endless suffering. I tried acupuncture, a herbalist, a naturopathic doctor, and a physiotherapist, costing me over $3300.00, all to no avail. My last

hope was Dr. Fowler, so I took a leap of faith and made the 1300-mile trek. It has been 5 months since I first saw Dr. Fowler, and **I am IMPROVING!**!! This journey is not over, but I am seeing the light at the end of this dark long tunnel. If you are wondering, "I've already tried so many different things and spent so much money, and nothing has helped, why would Dr. Fowler be any different?" STOP wondering. He is different. His testing is different. His regimen is different. He is worth every penny. **Get your life back.** Let Dr. Fowler help you. I am so glad I did. Thank you, Dr. Fowler!!!" **G. Manitoba, Canada**

For 20 years, I have suffered from vaginal itching and burning on and off. On my visit to my gynecologist, he said he could no longer help me and suggested that I see Dr. Fowler. I made my appointment, and on my first visit, he recommended changing the soaps that I used and gave me three medications. To my amazement, within 2 days, the itching stopped. For a few days, I still had burning with urination on the 5th day, and that was gone too. It has been 8 weeks, and after 20 years, **I'm 100% better. D. Gilbert, AZ**

I suffered for 30 years with vulvodynia, which included many episodes of intense burning pain. When this occurred, I couldn't work, sleep, or do anything. It felt like I was on fire. I saw countless doctors, none of which helped at all. Then, I found Dr. Fowler by reading an article from Northwestern University about how he had helped another patient. He has **brought me the relief that I NEVER thought was possible**. It only took 2 months to feel the way I had 30 years earlier. If you suffer, don't hesitate to make the trip to Phoenix. **S. Crystal Lake, IL**

Dr Fowler is the best vagina expert. His specialty is vaginal pain and burning. I was suffering from that for years, and his professional treatment **cured me** in about 3 months. He is top-notch in his field and can help women who suffer from chronic vaginal. pain. I highly recommend him and send my patients to him, too! (I'm a physician also). **C. Scottsdale, AZ**

I have been a patient of Dr. Fowler's since 2010 after experiencing chronic intense vaginal pain and discharge. The pain was so intense that I could hardly work out, focus on my job, and wear jeans, among other activities. After no GYNs could help me with the pain in my home state, Dr. Fowler diagnosed me with vulvodynia and immediately started me on an estrogen cream and his hypocontactant regimen. It took a bit of time, but my symptoms slowly subsided, and **I am 95% pain-free now**. My life has returned to normal! I'm so thankful to Dr. Fowler. He helped me when no other doctor could! **A Golden CO.**

After 5 years of having painful, irritating spots/cracks that would not go away, it was so wonderful to meet Dr. Fowler. He was able to address my concerns and improve my skin condition. In 4 months, it's **95% better**, and I no longer feel the pain of tearing or dryness during intercourse. I feel like it took too long to find a solution to my problems, but I am glad I was finally referred to Dr. Fowler! **L. Scottsdale, AZ**

I have been seeing Dr. Fowler for 4 months now, and I am **70% better!** Before going to Dr. Fowler, I had pain and burning almost every day. I never thought I would get better, and every doctor I went to didn't know what was "wrong" with me. Today, I am able to wear tight clothing

without feeling uncomfortable and have more good days than bad days. I am very happy and grateful I found Dr. Fowler. **E. Scottsdale**

Update:

I have been coming to Dr. Fowler for 3 years now for vaginal burning, itching, and pain with intercourse. It has taken time and small adjustments to figure out the perfect medication, but I can truly say I feel like **I am 100% back to my old self**. 3 years ago, when I walked into Dr. Fowler's office, I had seen multiple gynecologists and even a specialized gynecologist, and no one was able to help me. Dr. Fowler was literally my last hope, and I'm so happy that I put my doubts aside and came to him. **A. Glendale, AZ**

I developed a burning sensation about 2 years ago. I thought I had a urinary infection, but every test was negative. No one believed me. I went to several primary doctors, urologists, and gynecologists and even changed doctors. I was about to give up when I saw Dr Fowler's website. My new gynecologist recommended him, so I thought he would be OK. After 4 months, I am feeling much better overall. I would say **75% better**! Dr Fowler has been wonderful and very caring, and I am very comfortable talking to him. I would definitely recommend it. **P. Phoenix, AZ**

Product Testimony (Before starting the VRT):

I just started with Dr. Stuart Fowler about 4 weeks ago with his FeminaRx Pure SkinCare that he recommends, boy, oh boy, let me tell you...I haven't been able to sit on an airplane for almost 4 years. This is the first time I've been able to sit down without horrible stinging pain 24/7. Now, my pain is not all the way gone yet, and it will take some time on his main protocol. I mean, I cannot believe I am going to head to San Diego, California, for a mini vacation next. All because of him. Also, I did go in person, and the staff is lovely. Also, the office is very clean and inviting. The receptionist, Alice, is super sweet too! So, about the products....I love the Lye Soap. The Vanicream Lite Lotion after shaving is a lifesaver, too, and helps with chafing. DO NOT forget to use this, please. I didn't use it the first time after shaving, razor bumps, and chafing. Anyway, that's minor compared to my pain, haha, but also invest in a good shaver, as Dr Fowler suggests, a Schick razor. Just read the Femina kit instructions that he mailed to you, please. Also, you may not get this paperwork if you don't buy the Femina kit, and trust me, you want to buy it. The Boro rinse is a game changer. It helps my burning instantly, and I just place it in 8 oz of water. Make sure to be using a new one every day, and I use the peri bottles after pregnancy for easier squirting use in the vaginal area and pat dry with non- scented toilet paper. Also, use non-scented everything if you can (even non-scented sunscreen.) I had my swab today with 2 Q-tips. It was kind of painful, not bad, but I'll have my results in 10 minutes. Everything Dr Fowler suggests is 100 percent spot on. You have to listen to him, stay humble, and stay patient. Best of luck, and have faith. All of us suffering! We will get better. I know if I can at least sit down, I will get better in a year, maybe even sooner. Wash your hair in the sink separately, too, as Dr Fowler recommends. Just had to add this (lifesaving). Oh, and before the cleaning products, he suggested I was redder than the devil downstairs, and now he said I look normal down there, and

that made me feel awesome! Plus, I take photos down there a lot (weekly), and I know it's better by the pictures, videos, and how it feels. This is just my response after 4 weeks on the recommended “hypocontactant products.” I can’t wait till I see how I do on the main therapy prescribed today! **C. Indianapolis**

Finding Dr. Fowler was such a blessing! I was in so much discomfort for two years and tried what felt like everything before being referred to him. Who knew there was an expert in the field of vulva/vaginal health? Not me. I was treated with great care, and it was nice to know it wasn’t all in my head. I noticed that as I stayed consistent following the steps he gave me, I began to heal and have much less discomfort. For years, I have been **near 100%.** I am so thankful to him and his staff for the great care and help they have given me! You won’t regret asking Fowler GYN Int’l for help! **J Mesa, AZ**

In 1997, at the age of 53, I had a hysterectomy wherein the doctor removed my uterus and ovaries. I was fine for several years thereafter, but as time went on, I started experiencing vaginal dryness. I was prescribed Premarin cream to use for intercourse. It didn’t help a lot, but it made it somewhat better. The last five to ten years of my husband’s Life and intercourse were quite painful, even with the cream. After my husband passed away in 2013, I didn’t see any reason to continue with the Premarin, so I quit using it. A year or two after his passing, I was experiencing extreme itching and discomfort inside the labia and vagina. A visit to my regular gynecologist gave me no relief. I was told not to wear any nylon underwear that was close to the vulva, and if I remember correctly, I could use Vaseline or some type of lubricant to ease the itching. That did nothing. The Physician’s Assistant at my primary care doctor’s office referred me to a urogynecologist. I didn’t know that there was such a branch of gynecology. I began to see him and was diagnosed with lichen sclerosis. At least now I had a name for my discomfort. I had never heard of it before. He prescribed clobetasol ointment every day for two weeks and then twice a week after that. I had some success in feeling better in that area. However, every once in a while, it would flare up. I would go to see him again and was told to just go back to every day for 2 weeks and then twice a week after. Finally, this year, in February, I was at the end of my wits with discomfort. Once again, I was told to keep on with the clobetasol because that was the only thing that was going to help me. Except it wasn’t helping. I had had enough. I thought that I would go on the internet to see if there was some doctor, perhaps a dermatologist even, who knew how to treat my symptoms. The first person I saw actually was a dermatologist who said that he treated the condition, but I didn’t make an appointment. I wanted to think about it for a day or so. Then I went back online, but I couldn’t find that dermatologist again. But for the first time, I found Fowler Gynecology International. When I called Dr. Fowler, I asked if he knew how to treat lichen sclerosis, and he responded that he was an expert at treating it. I learned that he had developed a protocol for it after researching and studying the disease while working at the Mayo Clinic. That was impressive and brought a wonderful sense of relief that perhaps, at last, there was someone who could actually help me with my condition. I had my first appointment with Dr. Fowler in early March of 2022. He was kind enough to see me during his lunch hour to prevent me from having to wait a couple of weeks for the next available appointment. After examining me, he gave me a packet of information regarding his protocol and directions for

following it during the next four months. I also received prescriptions for various medications, some of which, I believe, he had formulated himself. The regimen he had developed required a change in some of my routines but was not too excessive or difficult to follow. I recently had my four-month follow- up visit. I knew I had been feeling more normal in my feminine area for a while and was certain that it was the result of his treatment. I was thrilled when Dr. Fowler told me that I had the vaginal tissue of a forty-year-old woman. I am 78. That was wonderful news for me. I am so grateful for his knowledge and expertise in curing a very troublesome problem. I would want every woman who experiences these symptoms to know of his ability to make them feel normal again. There really is someone who knows how to cure lichen sclerosis and related vulvovaginal conditions. J. Tempe, AZ I will never forget the moment Dr. Fowler diagnosed my condition. After seeing several gynecologists seeking relief, I was finally referred to Dr. Fowler at Mayo Clinic. I had been in such terrible pain for many months. My excitement when I found out that I actually had inflammatory vaginitis, which could be fixed, can't even be described! I have been following Dr. Fowler's treatment plan for 12 years now, with terrific results. I have **not had any pain** for years**,** and I am perfectly happy with his approach. His bedside manner is wonderful, Alice is great, and I highly recommend Fowler Gyn International. This smart medical approach in gynecology has saved me from anxiety and constant discomfort. **C. Phoenix, AZ**

I had this issue for over 20 years. I tried everything, and no one could help me other than give me lidocaine to use as needed. I have seen maybe three different doctors, and I just decided to live with it. I found Dr. Fowler on the web while researching and decided to try his approach. It took a long time for my body to respond, nearly 4 years, and to get the right formulations. Dr. Fowler would encourage me to be patient. I am now **over 90% better**, am able to function normally, and have minimal to no issues. That's a big improvement for me with something I had for 20 years! **B. Lenexa, KS**.

As I have gone through this journey, I have had many times that I felt defeated and thought my vaginal status would be horrific forever. Dr. Fowler continued to tell me, "We will fix this." Thankfully, I stuck with him through the years, and I am now able to wash my hair normally, wear tampons again, and have a sex life! Patience, time, and Dr. Fowler and I am **nearly 100% improved**! **K. Buckeye, AZ.**

I have been seeing Dr Fowler for the past ten years or so, and I cannot start telling how he changed my life. The treatment took a while to get to almost or **close to complete success (95%)**, but along the way, Dr Fowler has been instrumental in finding the right treatment. I can say today that he has been the only doctor listening, searching for a solution, and providing me excellent relief for my vulvodynia issues. This has been a game-changer. **E. Cave Creek, AZ**.

For eight months, multiple doctors told me that I was fine. I came to see Dr. Fowler, and he quickly diagnosed me with Inflammatory Vaginitis, also known as Aerobic Vaginitis. He put me on a very specific regimen. The vaginal pain went away completely in 4 months. I am **feeling much better.** Thank you, Dr. Fowler! I am looking forward to returning to my normal life and not having to worry about having vaginal pain and discomfort. **N. Lakewood, CA**

Dr. Fowler was recommended to me by the Mayo Clinic because no physician could get to the bottom of my vaginal issues that I had for 17 years. Dr. Fowler changed my life. I went from pain, burning, and repeated bacterial vaginal infections to having normal vaginal flora and a normal life. His protocol works. It took only less than 4mo to get **100%**. I am grateful to Dr. Fowler for listening and for not simply putting me on another course of Flagyl and Diflucan. He and Alice are compassionate and wonderful people. **A. Scottsdale, AZ**

I started my treatment with Dr. Fowler over 5 years ago, and I can finally say that my vulvovaginal issues are **100% better!** Before finding Dr. Fowler, I had seen multiple doctors across the country, some of whom were supposed to be experts in this field who could not offer me any more help than the next doctor. I am so glad to have found this treatment. It really is a lifesaver. Dr. Fowler takes the time to explain exactly what your issues are and how your personalized protocol will work for you. The treatment takes patience and diligence because that is the nature of vulvovaginal health issues, but it has been worth every step of the way for a full recovery. **K. Las Vegas**

I started coming to Dr. Fowler over 10 years ago. I couldn't find a doctor who could diagnose my problem. I had constant vaginal and bladder infections and vaginal burning pain for 10yrs. I realized I needed to get to the root of the problem. I was on constant antibiotics, and I never felt well. I found Dr. Fowler online at the Mayo Clinic. He immediately diagnosed my problem. I have been coming to him ever since. He is an awesome doctor, and I fly to Phoenix once a year for a follow-up. Well worth my time and money. I have been **pain-free** and without antibiotics for over ten years. **K. New Albany, IN.**

I have been seeing Dr.Fowler for several years now, and it has been a godsend. He has worked with me on adjusting my treatment to the point that I am now **symptom- free!** I had had the condition for 30 years, and now it's gone. Even though I love my regular gynecologist, she just does not specialize in the area of Dr. Fowler, so I continue to see them both for separate issues. I feel so lucky to live in the local Phoenix area to receive his specialized treatment, but if I had to, I would fly across the country to see him. If you have been suffering for years with vulva/vaginal issues with no relief, please reach out to Dr. Fowler's office...you will not regret it. **D. Phoenix, AZ**

I had dealt with vaginal itching, burning, pain, and a complete stop in intimacy with my husband for almost 2 years before seeing Dr. Fowler. My life was absolutely miserable. I had tried dozens of medicines, creams, over-the-counter options, and prescriptions, as well as had seen several other specialists but found no lasting improvement. My primary care physician, Cheryl Simmons, referred me to Dr. Fowler, and that's the day I began to get **my life back**! Dr. Fowler was confident from day one that he could help me, and his confidence gave me the courage to trust him and follow his protocol to the letter. After seeing Dr. Fowler for the past 2 years, I can honestly say that **my symptoms are gone**, my husband and I are enjoying romance again, and I feel like a new woman. I truly thank God for Dr. Fowler and his staff for their knowledge and care and for giving me my health back! **J. Chandler, AZ**

I was referred to Dr. Fowler by my OB-GYN. **He has saved me from many years of pain.** I highly recommend him for his knowledge and expertise. **N. Scottsdale, AZ**

I had been having severe itching with raised bumps in my vaginal and perianal areas for more than 5 years. It was so bad that it affected my going to work at times or my daily activities at home. My GYN was able to see it in action one day, and she was surprised to see how irritated the area was. She performed a biopsy, and it did not give any conclusive results. I was referred to two dermatologists and an allergist. Still no conclusive results. I gave up until I moved to Arizona. I started researching again and came across the term vulvodynia. Using that term, I was able to find Dr. Fowler. I spent hours reading the testimonials and felt they were exactly what I was going through. The response was fast after I submitted my information. After four months of treatment, I feel that I am **95% better.** When my symptoms return, it is because I did not follow the treatment as prescribed. I am now happily back to normal. **M. Tolleson, AZ**

Being in my early 20s, it was very disheartening to experience the symptoms I had. Burning, dryness, painful intercourse, tearing, discharge, and odor. My gynecologist thankfully referred me to Fowler International, as they did not know how to help me. I have been doing treatments now for about 2 years, and I can finally say **I feel 100% better.** Every visit, I would make more progress with my symptoms subsiding. We have finally found the protocol my body needs, and I couldn't be happier. I can now live a normal, pain-free life and not have to hide from the embarrassment of my symptoms. **A. Gilbert, AZ**

Dr. Fowler is amazing. He saved me from severe depression. I had a strong vaginal odor for 2 years. After 7 different physicians,, I was referred to Dr. Fowler. Within 2 wks the **odor was GONE!**! I had a follow-up 4 months later. Im very happy with my results, and I highly recommend Dr. Fowler. **J. Laveen, AZ**

After experiencing chronic and regular yeast infection symptoms, I was so frustrated! I had seen doctor after doctor with no solution. I was a puzzle to everyone. I had constant irritation, strange discharge, and non-stop discomfort. My sister recommended Dr. Fowler to me because he had helped her immensely! My first appointment with him gave me hope. I am one year into treatment, and **I finally feel like myself**. I have an occasional slight. irritation, but that continues to fade. Dr. Fowler is kind and comfortable. I would recommend him to anyone who has chronic vaginal issues. He is worth driving or flying to get to and is truly a rare expert in the field. **A. Glendale, AZ**

After taking the antibiotic Flagyl, I ended up with a bacterial infection in my vagina and vulva. It was so bad I could not wear pants, and it was hard to sit. I was recommended to Dr. Fowler by my gynecologist. In short, **he saved my life**. His unique combination of natural and pharmacological **remedies worked beautifully**. You must follow the directions explicitly. As a result of his practices, I am one hundred percent better. **C. Scottsdale, AZ**

I found Doctor Fowler online while searching out help for my symptoms that my regular gynecologist was unable to help me with over multiple visits. I was having a lot of vaginal pain,

discomfort that felt like an intense bladder infection, discomfort during sex, and cramps. Doctor Fowler immediately understood what was going on with me and explained the complex role of hormones, cell health, and bacterial balance that was causing my symptoms. Through his treatment protocol, I have been able to regain my vaginal health and am **feeling so much better.** I highly recommend him. **D. Tucson, AZ.**

When I found Dr. Fowler, I was at the end of my rope. Just to give some back story, I was training to be a professional athlete. I was in the gym 4 hours a day, 5 days a week, practicing hand-to-hand combat. I was a paralegal working in a prestigious law firm, and I was on the up. I loved my life, but in one weekend, that was OVER. On a Friday in May 2018, I felt something wasn't right 'down there.' By Sunday, I was in excruciating pain. My lady parts (that's what I call them) were on fire. I felt burning, swelling, aching, irritation, dryness, and incessant pain. It did not go away, and nothing helped. I remember being so thankful that I was in a long-distance relationship because the thought of being intimate was traumatic at best. I went to my GYN several times, and he put me on a little of this and a little of that. He was treating me for BV and yeast, yet all my testing results came back negative. Finally, he said to me, I can't do anything else. There's nothing wrong with you. I'm referring you to a specialist. So off I went, 2 hours away, to a specialist in female pain symptoms. That was even more traumatic, seeing as they wanted to perform surgery and cut out the painful areas. Now, as much as I thought, "I'd love to chop this thing off," I did NOT feel surgery was the answer. 4 MONTHS LATER...I had to quit training. Bye-bye to that dream. The pain was now completely intolerable. No tight pants, no cute jeans...I could NOT wear anything but summer dresses. I couldn't work. The constant doctor appointments and the pain led to my having to quit my job. DO YOU HEAR THAT...I quit my amazing job. I would clench my teeth when I was intimate with my now fiancé because sex felt like razor blades and fire all at once, but I didn't want him to know. This was now completely out of control. I was desperate, depressed and hopeless. AND THEN MY LIFE CHANGED! I searched the internet and found Dr. Fowler. I read all the testimonials and thought, "WOW, that sounds like me." So, I called and left a voicemail, and Dr. Fowler called me back. YES! An actual doctor called me back. I spoke with him, explained my situation, and he said the words that gave me hope: "I think I can help you." I cried. He walked me through how to schedule an appointment, which was important because I was coming from New York. He recommended products to get me through while waiting to see him. The products cut down my pain by about 30%, and that was HUGE. Some relief was better than nothing. My first appointment came. Dr. Fowler and his staff were every bit as wonderful as I thought they'd be. Understanding, wise, and patient. It was like a normal GYN visit, faster, actually, so don't be scared. Upon testing and immediate results, Dr. Fowler came back with my results and a plan of attack. He calls it your "Protocol". I began my protocol, did it exactly as he prescribed, and never wavered (do not slack on your protocol). I did my regular tele-testing and visit...and things got 70% better in 4 months. CURRENTLY: I am now 2 years past my first visit with Dr. Fowler. This week, he actually called me and said, you are perfect. All your numbers are normal. I **haven't felt pain in about 1 year**. I am back training. I am able to have sex with my fiancé with little to no pain. I am currently running a finance investment company, and those days of pain and hopelessness are over. I cannot thank Dr. Fowler enough. I can't give enough money or gifts

or appreciation for how he changed my life. So, this is my encouragement to anyone reading this. THERE IS HELP, WHAT YOU ARE EXPERIENCING IS TEMPORARY! I promise you that it will get better. If you are contemplating whether it's worth seeing Dr. Fowler, because of the distance, booked the flight. It's worth it. Dr. Fowler cares and has put in the research and time to help you live a normal life. THANK YOU, DR. FOWLER...you are an angel. **G. Bayshore, NY.**

Dr Fowler and Alice, Words can't express my gratitude. I truly appreciate you. I wish you both good health and happiness always. **Y. Glendale, AZ**

My husband and I rarely had sex because it caused so much burning and irritation inside my vagina. It felt like a hairbrush grating up inside. It was also worse when I sat, so often I would just stay on my feet all day teaching because it was too uncomfortable to sit. It was awful and so difficult because I didn't feel like I could talk to anyone about it. I had seen numerous doctors, and none of them could help me with any long-lasting improvement. My family doctor referred me to Dr. Fowler. Dr. Fowler was honestly an answer to my prayers! He listened, understood what my symptoms were, and was confident from day one that he could help me. That was so reassuring, as so many other doctors just seemed confused by all my symptoms. I had felt pain, irritation, and discomfort for so long that I almost forgot what it felt like not to be aware of my vagina all the time! Fast forward to today, 15 months later, and I am a new person! My symptoms are **almost completely gone**, and my husband and I are beginning to have our love life back. Wherever you live and whatever you have to do to see Dr. Fowler, it's totally worth it. He can help you get your life back! You're not alone, and your symptoms are not just in your head. You have real physical issues that Dr. Fowler has dealt with many times before, and he can help you, too. **J. Chandler, AZ**

I am so grateful to have found Dr. Stuart Fowler. I suffered for years (I cannot even remember now how many) with itching, burning, frequent urination, and, most of all, painful intercourse. The intense itching would wake me up from a sound sleep. I no longer have any itching or burning, and my nighttime trips to the bathroom have decreased. I'm working on getting back to having relations with my ever-patient and understanding husband. I am confident I will be able to have sex again with Dr. Fowler's treatment plan - **I'm almost there**! Dr. Fowler is amazing! He is truly a blessing! I encourage all women who have any symptoms like I have had to please make an appointment and get a treatment plan. My life has improved immensely. Dr. Fowler is the only person who has helped me, and I have been to countless doctors and have also tried numerous things on my own to no avail. Thank you, thank you, Dr. Fowler -- God bless you and your staff! **S. Rio Verde, AZ**

Finding Dr. Fowler has been such a blessing. I saw multiple doctors, a gynecologist, and even another vulvovaginal specialist, and no one could identify the issue. I was repeatedly tested and treated for yeast and bacterial infections with no improvement. I contemplated seeing another doctor and spending more money than I had already, but I decided to give it one last try. Dr. Fowler was my last hope, and I am so glad I made that decision. My symptoms were constant itching and burning inside my vagina and itching around my vulva. It was terrible. I ranked the

discomfort 10/10. At my very first visit, he was able to do the testing, and I got my results within 15 minutes. I had a mild case of lichen sclerosis, as well as very low estrogen and an overgrowth of bad bacteria. It's now been 4 months, and after the proper medication and following Dr. Fowler's specific protocol, I am feeling about **70% better.** It is such a relief to know that I will soon be completely back to my normal self. **A. Glendale, AZ**

It has impacted my life tremendously as I am married at 23 and cannot have sex with my husband. Luckily, I have been with him since I was 16 and did not have sexual issues at the start of our relationship. Only after I started taking birth control did I have issues. It has caused me to become extremely depressed and has increased my anxiety. I am emotionally and physically drained, and my relationship suffers because of it. I have lost all sexual drive and fear, even the thought of intimacy. Searching out of desperation, I found an article about a female who shared her success story by visiting FGI. I wanted to feel the way she did, and I decided to fly from Kentucky to Arizona to see if Dr. Fowler could help fix my issues. No doctor that I had seen previously even knew where to start with my condition. Dr. Fowler was able to diagnose me and give me a protocol to start my healing process. After being in such pain for so long, I can finally say that I am on my road to recovery, and I would say that I am **80% better.** My overall pain and symptoms have decreased significantly, and I am just working on the last 20%. Intercourse is still an issue, both mentally and physically, but I am hoping to get through that since my pain has gone down. I am so thankful to have found a Doctor who was able to diagnose and understand my condition. Can't wait to be 100%! **K. Taylorsville, KY**

I am so grateful for finding Doctor Fowler! Within a year, I have become **80% better** after suffering from vulvodynia for 9 years. I plan to continue to see Dr. Fowler. It's well worth the trip! **S. Cleveland, OH**

I had suffered for 6 years with chronic vaginal infections before meeting Dr. Fowler. I had gone to numerous doctors who could not figure out how to help me. They would treat me, and my symptoms would come right back. I felt miserable and hopeless that no one would ever be able to help me after countless attempts. I met Dr. Fowler one year ago because my sister helped me find a doctor that specialized in vaginal health. She found Dr. Fowler on the internet. I decided to make a trip from New York to Arizona because I was desperate to find a cure for my symptoms. I was so hopeful that Dr. Fowler would be the one who could help me when no other Doctor was able to. I have followed all of Dr. Fowler's protocols to solve my issues and am so happy to say that I feel **90% better!**!!! I honestly can say that **I have my life back** after years of feeling chronically in pain. I would recommend to any woman who hasn't been able to figure out a solution to her issues to make an appointment today to see Dr. Fowler. If you are questioning if making an appointment to see Dr. Fowler makes sense for you, my advice to you would be: Run, don't walk, and make an appointment today!!!!! Thank you, Dr Fowler, for **giving me my life back** and allowing me to feel like myself again. **J. Port Washington, NY**

At my initial appointment, I described my symptoms as follows: My vaginal discharge burns, followed by a strong odor, and causes itchiness. Discharge appears thick white or green and

sometimes looks like cottage cheese, but tested negative for yeast infections. It hurts to sit and have sex. Vaginal burning gets worse after workouts and hot days. Vaginal discharge has a constant "fish-like" odor that is subtle but has been recurrently testing negative for BV. It is embarrassing to have sex before my cycle due to odor. It is killing my self-esteem, and vaginal burning and pain are annoying. I found out about Dr. Fowler from a patient's testimony online and how Dr. Fowler changed their life. Since I've been seeing Dr. Fowler, my symptoms have improved tremendously! Overall, I'm **95% better.** I am thankful and blessed to have found a doctor who listens, cares, and is able to treat my condition. My self-esteem and sex life are better again, and I could not be more grateful! I sincerely thank you, Dr. Fowler. **R. Redlands, CA**

Six years ago, I was diagnosed with Vulvodynia, and I was asked by a doctor in L.A. to take six pills of Gabapentin daily, but the pain and burning continued. I could not work, and neither did any of my daily life activities. It was horrible. Also, there was no sexual life. As time passed, instead of getting better, I got worse. I asked my doctor, and she said that it was a flare-up and I would have to learn to live this way. My husband and I disagreed, so we kept searching for more help. Then, my husband found Dr. Fowler's FGI practice in Phoenix doing an internet search. We immediately set up an appointment. Dr. Fowler explained in detail what was wrong and what the necessary steps were in order to get me well. He told us that in four months, I would be 50% better. Today, on Nov 29th, the day after Thanksgiving and 4 months since my initial evaluation, Dr. Fowler was so nice that he opened his office just to see me. I am very excited and happy to tell him that my pain is indeed 50% less, but moreover, I'm **90% better** with intercourse, and I have returned to work! Dr. Fowler is a great person, and there should be more doctors like him. I thank God that we found him. **C. San Pedro, CA**

By chance, I found an article about Dr. Fowler and his practice during one of my late-night quests to find out what was wrong with me. When I found this article, I'd been struggling with a then unknown-to-me diagnosis of vulvodynia for about five years, and I was at my limit. I'd been struggling with severe pain while sitting down, going to the restroom, and during intercourse. I was in constant pain, and my social life, employment, and mental health were at a breaking point. I'd been to see several local OBGYNs, GPs, and even a urologist to try and get a diagnosis. All of these doctors were sure I had some kind of severe bladder infection that was causing UTI symptoms. Test after test, I'd hear, "You have no infection that we can detect, but take these antibiotics and come back in 10 days or so, and we'll screen you again". This wouldn't go anywhere because I didn't have a UTI. I quit going to my local practices and decided to be my own advocate. That's when I found Dr. Fowler. At about 8 months, I was **already 80% better,** and I was astonished by his treatment plan and unwavering commitment to getting me better. Dr. Fowler truly has your best interest at heart, and he wants to get your life and your health back in check. I cannot express how wonderful it is. "Thank you" doesn't even begin to cover it. Do yourself a favor and go see Dr. Fowler. **J. Middlesex, NJ**

I was referred to Dr. Fowler by my OB-GYN after dealing with bouts of a fishy odor and white discharge, which was misdiagnosed as bacterial vaginosis, which had been going on for 5-6 years. As time went on, the bouts, which started out as infrequent, became almost constant in the

last year. I was so frustrated and embarrassed by the odor. I was at my wit's end! To make matters worse, the treatments I was prescribed gave me constant yeast infections. It was an unending cycle of having a fishy odor or terrible yeast. I am so relieved that I saw Dr. Fowler. After my first treatment, the odor went away; it's been nearly 5 months now, and I am symptom-free, virtually **100% better!** If my story sounds familiar, come see Dr. Fowler & Alice. They are exceptional. Dr. Fowler has a wonderful bedside manner and takes the time to explain exactly what's wrong and the treatment protocol. Thank you, Dr. Fowler, you changed my life and saved my sanity. I am forever grateful! **E. Cave Creek, AZ**

Several years ago, I was in extreme pain and at the end of my rope. Suffering from extreme pain and a swollen vaginal area, and repeated UTIs. Simply sitting or wearing certain clothes was not only uncomfortable but impossible. Of course, it had a negative impact on my life. I had been to many doctors who prescribed multiple medications that actually made things worse. I had spent many hours frustrated and actually crying. I spent so many hours searching the internet and buying products I hoped would work. I sat down one day crying and praying God would help me. I again went to the internet in search of answers, and that was where I found Dr. Fowler. I knew this was the answer to my prayers. Dr. Fowler put me on the right customized plan and medicines to fully heal my body. No more UTIs after years of antibiotics. No more pain. **I am fully healed**, thanks to Dr. Fowler. Gives me permission to email back to her to post on other websites. **L. Cleveland, OH.**

Suffered for years with vulvodynia, and Dr. Fowler has a wonderful treatment plan. Have to follow the rules, but **I am symptom-free now** since I started with him. Finally! I'm in my late 50's, and it began in my 30's. So many doctors and so much pain. Rarely do I recommend, but in this instance, I do highly. Dr. Fowler is so empathetic and extremely knowledgeable. I'm so happy I came and gave it one last shot. Having a life again and it's wonderful. Hope your journey is as successful as mine. UPDATE: Now, it's been over three and a half years, and I continue to be in remission. My best advice is you must follow the protocol. **C, Scottsdale, AZ.**

During menopause, I had a terrible vaginal odor that lasted for two years. It was an extremely embarrassing problem. When I would go to work, my coworkers noticed and made nasty comments about it. Dr. Fowler started me on compounded vaginal estrogen tablets and hydrocortisone cream. Slowly, the odor went away. The most difficult thing about the treatment was that it took time. But, alas, vaginal odor is **100% gone**. **P. Peoria, AZ**

I had vulvodynia for 8 years prior to seeing Dr. Fowler. The vulvodynia was so bad that on some days, I could not wear pants or sit for prolonged periods of time. It interfered with all aspects of my life. I had been to many doctors in many states before finding Dr. Fowler. Dr. Fowler **gave me my life back**. At my one-year follow- up appointment, **80% of my pain is gone**. I no longer think about it all of the time. I know if I stick with Dr. Fowler's regimen, I will continue to get better!

UPDATE: I have continued to improve every year with Dr. Fowler's treatment. At this point, I would say **I am 95% better** and continuing to improve. Dr. Fowler's treatment has been such a

lifesaver for me. I am now at the point where vulvodynia does not interfere with my everyday activities. I don't know what I would have done without him! **K. Cincinnati, Ohio.**

After years of having a cracking and splitting vaginal area and 10 years of abstaining from intercourse, I am pleased to say things are almost completely back to normal. This happened one year after a visit to Dr. Fowler. A niece of mine, who also sees Dr.Fowler told me about her success and encouraged me to make an appointment. So glad I did! T. Aurora, CO. I went to the Gynecology Department at Mayo Clinic, and they felt that the best Dr. to treat me for this rare disease was Dr. Fowler. I went to Dr. Fowler in tremendous pain and confusion, needing answers. Dr. Fowler explained to me what my problem was and how he was going to help me. After just 4 months of following the protocol that he devised for my problem, I was relieved of all my symptoms! **I'm cured** of vulvodynia. Also, my LS is now suppressed and not active. I can't say how grateful I am for having gone to a doctor that has the expertise of Dr. Fowler. **B. Scottsdale, AZ**

I had a dream to have children with the love of my life, who I was with for 10 years. I had so many medical procedures, including in vitro, etc. Finally, my dream came true. I had my twin boys! I was breastfeeding for thirteen months, and then my nightmare began. I started feeling itching and burning with vaginal discharge, and there was no doctor in Phoenix who could even put the right diagnosis on my condition. It took me another 10 years to find D. Fowler, and all the while, I was living in hell. My happiness, my love towards my husband, my children, my friends, and even myself got ripped away by the misery that I had to suffer day in and day out with no hope for me. Everything changed when my gynecologist sent me to Dr. Fowler. It took us 2 years to get **things back to normal**, but **I have my life back now**. Dr. Fowler did for me what my own mother did. He gave me life. He saved me and my family! I will be thankful for his help until the day I die. **N. Scottsdale, AZ**

I started having constant yeast infections last year and spent 8 months just completely miserable. I went to many different doctors trying to get help, and they all seemed baffled. I watch two of them google my symptoms, trying to figure out what to do with me. I had yeast infections that felt like they never really went away. The meds I was prescribed didn't help. Monistat didn't help. I felt itchiness and burning down there constantly. It hurt so bad I got to the point where I only left my house when I absolutely had to. I was so discouraged and wished I could go back to the days when I hardly gave my vagina a second thought! Finally, I got on Google and looked for specialists for vaginal problems and found Dr. Fowler. I've been following his treatment for around 5 months now, and I am feeling **95% better!** He has literally changed my life. Now I can walk the mail, chase my kids around, and work without worrying that it will aggravate the condition or hurt down there! **M. Gilbert, AZ**

I kept having the same symptoms recurring after intercourse, that being odor, discharge, and some pain. I would see my gynecologist, and they would prescribe me medication for bacterial vaginitis, and the symptoms always came back after intercourse. I found a new gynecologist who suggested removing my IUD, but that also did not work. I could not find any relief, so I started

searching the internet for specialists and found Dr Fowler in Arizona online. I have now been seeing him for 4 years, and I am **nearly symptom-free.** I can live normally, which didn't seem possible 4 years ago. I haven't been happier or more comfortable in a very long time. **C. Dallas, TX**

Hello! My name is Seline. When I turned 22 years old, I found myself feeling distraught with unbearable pain. This pain was on the outside and inside of my vagina. I was unable to wear underwear or jeans due to this pain. I was not able to sit down for long periods of time or have sexual intercourse. When I did attempt to have sex, it felt like glass shards were stabbing me. I tried to find an answer with my local gynecologists, but they were never able to pinpoint what was causing my pain. For many months, my gynecologist would diagnose me with yeast infections, but I never felt any relief from this ongoing pain. In the end, they all ended up saying that the pain was neurological. They even ran a test to check my hormones, but they all came out normal. They prescribed me antidepressants that did nothing to help with the pain. I was extremely desperate to find any type of relief, so I went onto a medical forum where I explained my pain and a lady told me I had vulvodynia. After hearing this term for the first time, I found a forum on Facebook called Vulvodynia Support, where I found Dr. Fowler. After coming to see Dr. Fowler and starting his protocol, I instantly found relief and started to feel myself again. It took about a year and a half to **completely feel normal**. Now, I'm able to do all the things I wasn't able to do before, thanks to the help of Dr. Fowler. I highly recommend coming to see him. He changed my life. **S. Edinburg, Tx**

I was referred to Dr. Fowler by my gynecologist after she ran out of treatment options for me. I was on antibiotics, metro gel, and others, and nothing was working for almost 2-3 months. Every test came back that I had a bacterial infection. I was in so much vulvar and vaginal pain constantly. I had just gotten married to my husband, and we were unable to have intercourse for over 6 months due to the pain. After just a few months of the regimen and treatment from Dr. Fowler, I was significantly better and able to be with my husband finally. It took about a year and a half, and now I am **almost completely symptom-free!** My quality of life is so much better now, and I finally feel like a normal person again. Everything was so worth it, and I am so so grateful! **A. Palm Springs, CA.**

Married at a young age and only having one sexual partner, I didn't realize that the intimate life I shared with my husband was supposed to be any different than it was. For ten years, I had chronic yeast infections and pain with intercourse without exception. After ten years, I was finally referred to a vaginal specialist who treated me for Vulvar pain. I went through lots of variety in treatments, including creams, shots, and a partial vulvectomy. It was then discovered that my diagnosis was Lichen Planus. I had success with the surgery until the one-year mark, and all the terrible symptoms I had previously had were back. Through prayer and the help of my general OB, we found Dr. Fowler. After reading through the website in its entirety, I had complete peace knowing this was the right place to seek out some answers. After our initial meeting, I was overwhelmed with his knowledge and understanding of the process I had previously been through. Within two months of starting the new medical treatment plan with Dr.

Fowler, I was not only optimistic about the upcoming months but **feeling incredible**. After six months, I was having intercourse that I never dreamed possible. My husband and I have four beautiful boys and a healthy, vibrant, intimate life thanks to the direction of those at Fowler Gyn International. **D. Glendale, AZ**

I started seeing Dr. Fowler 1 year ago. I had been doctoring for 6 months with Bacterial Vaginosis and Yeast. The symptoms never went away: constant burning and irritation. The infections made me uncomfortable enough at times that I don't attend HS basketball games, which I love to go and watch, and I just really don't feel like going anywhere or doing anything. I searched the internet, and I finally found Dr. Fowler. I hope he can help me. I started using the products for sensitive skin about a month before I saw Dr. Fowler. I felt much better just by using those products alone. After 6 months, I was **95% better**. I am able to go and do the things I enjoy without discomfort. I even started work outside the home, which I never would have been able to do before starting my treatment. I am so thankful that my life is back to normal! **D. Carson, ND**

I had been dealing with what was being diagnosed as recurrent BV infections for approximately 7 years, with the longest lasting 9 months before one of my pregnancies. I was put on antibiotic after antibiotic to treat the infection, and oftentimes, they would not heal. I dealt with extreme itching, burning, swelling, and discomfort for months on end, affecting every avenue of my life, from my marriage to my activity level. Not to mention the havoc being on antibiotics that much had on my health and gut. Finally, after a 5 month long infection and no improvement with the antibiotics being used, I was referred by my PA to Dr. Fowler in Phoenix. Dr. Fowler was able to diagnose the true issue behind my symptoms and put me on a protocol to begin to heal my body. 4 months into my program, I had a 60% improvement in my labs. Following a surprise pregnancy, soon after that, I halted my treatment, and during pregnancy, I was fully better. At 4 weeks postpartum, I started to feel some symptoms returning. I did what Dr. Fowler had recommended, resuming the protocol. Now, 4 months later, my **symptoms are basically nonexistent**. Dr. Fowler has given me the knowledge and tools needed to help my body heal and take **my life back**. I am very thankful for the referral to his office and for his knowledge. The staff is very helpful, and although I live in a different state and it is harder to get to see them, they are very good about returning messages and making phone calls to answer questions I may have. **K. Burley, ID.**

UPDATE: Now, after 15 months **100% better,** with no symptoms of burning or symptoms from my LS. Feel normal again and not worrying about the issue every day. Thanks to Dr. Fowler for **giving me my life back!** Life is too short to be miserable. Make an appointment today! **B. Gold Canyon, AZ**

When I initially came to see Dr Fowler, I had spent over 5 years seeing multiple physicians, including urologists and gynecologists, for what presented as reoccurring bladder infections with frequency, urgency, and pain during intercourse. This was extremely frustrating as I was continually informed there was nothing wrong with my bladder, and my vaginal exams came back as normal; however, I was still experiencing a good deal of pain. A recommendation from a

colleague from Alberta, Canada, who had visited Dr Fowler and had experienced significant improvement, sent me to Phoenix to see him. It was such a relief after my exam that Dr Fowler finally had an answer for what had been causing my symptoms and pain over these many years. He was very kind and took the time to explain all the details of my condition, along with providing a detailed course of action. After 5 months, I am so very happy that I have seen upwards of **80% improvement** in regards to my bladder issues and pain surrounding intercourse. I highly recommend any woman with similar issues to book an appointment with Dr Fowler. It will truly change your life! **T. Vancouver, BC.**

UPDATE: I just finished my fourth appointment with Dr. Fowler in almost 3 years. I am **literally 100% better** from when I came to see Dr. Fowler the first time. When I first came to see him, I had such bad pain for over 6 months that I had stopped wearing underwear and pants. I was concerned about my future with a potential partner (single at the time) and couldn't fathom ever having intercourse again, although I, of course, wanted to. Now, I am in a wonderful, loving relationship with an amazingly great sex life and lots of intimacy. I had never been too excited about intercourse with other relationships because it was always partially painful and not enjoyable enough. I am able to have intercourse every day if we desire. I am open with my partner, and he is totally accepting of my past pain and so thankful that we are able to have such a passionate and loving relationship. I have had my life completely saved and changed by Dr. Fowler. I am no longer scared about childbirth. I am sexually active with my partner because I want to be, not because I feel I have to be. I am so happy and so grateful and feel very blessed to have found him. I suggest following his protocol at 100%, not partially, but perfectly, **to feel 100% better**. I also suggest proper follow-up with Dr. Fowler to ensure you can become 100% better, as I feel so grateful for these follow-up appointments, based on how amazing my vulvovaginal health has become. H. Edmonton, Alberta, Canada For over 3 years, I had been having so much pain, from burning to itching to painful intercourse. It was horrible. I went to so many different Gynecologists/OBGYNs looking for answers & nobody could figure it out. It is such a blessing that I found Dr. Fowler. My mother-in-law actually was experiencing the same problems & she found Dr. Fowler & referred me to him! Thankfully, after just 4 short months, I am feeling 60-70% better! After just 2 weeks of using the medication that Dr. Fowler prescribed me, I was already noticing a huge difference! I would highly recommend coming to see Dr. Fowler if you are experiencing this pain & can't find any answers! **J. Queen Creek, AZ**

I have been seeing Dr. Fowler for more than 8 years now. He has helped me with pain, itching, dryness, etc. I went to multiple doctors before finding him at the Mayo Clinic. I never had such a comprehensive exam. All the other doctors gave me messy creams and uncomfortable rings to use. Dr. Fowler really looks at the individual concerns of each patient. Care is customized and adjusted accordingly for each person's body chemistry. I have had much success with his treatments. My vulvodynia has been **100% better** now for years. I highly recommend his care. The years of bacterial infections, etc, are over. If you have been suffering, see him. **V. Mesa, Az**

Dr. Fowler's **protocol gave me my life back**! I suffered from vaginal rawness, burning, and pain for about three years, for which I saw over five specialists, including doctors at Mayo Clinic in

Rochester, MN. I was "diagnosed" with IC, vulvodynia, vaginitis, and other vague disorders that didn't really have a cure. After feeling hopeless, a therapist who counseled women dealing with these issues gave me Dr. Fowler's name. Within a few weeks of his recommended protocol, I began to feel a bit better. Within four months, I felt that I improved sixty percent. I no longer stay home from social events because of pain and depression. I am able to function and live my life thanks to Dr. Fowler and his expert treatment and care. He is kind, understanding, and extremely knowledgeable.Thanks again!

UPDATE: Two years later, I'm still **100 % free of pain** from vulvodynia and any symptoms from Lichen Sclerosus! The protocol is not as extensive as when I first started and is extremely easy to follow. I no longer give any thought to the pain that once held me back from life--it is a distant memory. I will always be grateful for Dr. Fowler's expertise and treatment! **L. Byron Center, MI**

The pain I was initially feeling was so disruptive to my life. I Had it for 5 years, and it was a 10/10. I would feel it off and on throughout the whole day. It was terrifying because I didn't know what was wrong or how to fix it. I found 2 through a vulvodynia FaceBook page. With Dr. Fowler's help for these 12 months, I've seen so much improvement in my daily functioning: I'm down to very little pain, I would say **80% healed,** and I can even wear my jeans again! **C. San Jose, CA**

Before I met Dr. Fowler, I was going through probably one of the worst experiences of my life. For about 18 months, I would get BV every single month the week after my period. It was a daily hassle of changing liners every hour with the amount of discharge I was having, and the odor was humiliating. It was a constant cycle of getting my period, causing BV, and getting antibiotics, which would then lead to a yeast infection. I knew I had to find someone who could truly help me. My gynecologist, whom I would see monthly, did not know what was causing my issues, so she was no help to me. After doing my research, I stumbled upon FGI's website, and I knew I had to meet Dr. Fowler and his team. I arrived at his office, where he was able to pinpoint what was going on with me specifically and how to change my hormonal levels. I can proudly say after only 3 months of being on the protocol, I am **symptom-free**. I have had ZERO issues and haven't had BV or any smell/ discharge. If you are struggling with any vaginal issues and are unable to get help from your gyno, PLEASE visit Dr. Fowler. He has changed my life for the better, and I know with his knowledge, he will be able to help you! **C. Scottsdale, AZ**

I have had issues for about 7 years of vaginal tearing, itching, constant reoccurring BV (Bacteria Vaginosis), and painful intercourse. I had been to a few Gynecologists, and all I would get was vaginal cream and antibiotics which only worked for about 2 months at best. I was so frustrated that I searched the web constantly until I came across Dr. Fowler's website and testimonies. I was impressed with what I read, and I booked an appointment. I came to Dr Fowler's office in Scottsdale Az and had my exam. Dr. Fowler discussed with me what was happening with my issues and put me on a regimen that was easy to adhere to. After about 2 months, I started feeling better and have not had any antibiotics since. It has been a year now, and **I feel normal now**,

with no itching, tearing, soreness, or pain with intercourse. I am now even more impressed that **I got my life back**. I would highly recommend Dr Fowler. **V. Phoenix, AZ**

Dr. Fowler has improved my quality of life dramatically. Prior to visiting his office, I had been experiencing what three different gynecologists had labeled "recurring vaginitis" and other bacterial infections, yeast infections, etc. My quality of life was really changing- every day, I lived in discomfort that did not seem to have a solution. Exercise, sex, and even daily living had become a painful struggle. I had been treated unsuccessfully with every cream, pill, and compound. You name it -for about two years before a new gynecologist recommended seeing Dr. Fowler. I was extremely nervous before my visit, but he really helped ease my worry with his calm, caring demeanor and genuine willingness to listen and WANT to help me feel better and get back to my life. I am now 3 months into the regimen he prescribed for me, and my symptoms have improved by about **80%.** I feel like I am FINALLY on the path to getting my life and my body back to normal again. I cannot recommend Dr. Fowler enough- there is absolutely NO ONE with his level of knowledge and expertise. Thank you for all you have done to help me feel like "me" again! **D. Surprise, Az**

Overall, I'm about 70% better. Things are a lot, lot better. Intercourse is so much better, not painful if I'm following all the protocols. Afterward, it can be a little sensitive for a day. I'm able to exercise, and the friction from my clothing is no longer irritating. The protocol was not hard to do, and the benefits were definitely worth it! I'm excited to **have my life back** and grateful to Dr Fowler for finding the causes of my discomfort and healing me when no one else could!"

Update: I've been following the program for 4 years now, with ongoing improvement and success! It's a way of life now, and I finally feel "normal" again. All areas of my life that had been affected are now better and **completely resolved.** I had lichen sclerosis and vulvodynia. There IS hope! There IS a way to get better! What a relief! My husband and I are both so grateful to Dr. Fowler and his commitment to solving this problem for us. **S. Scottsdale, AZ**

I was referred to Dr. Fowler for treatment of extremely painful intercourse and external irritation after traditional treatments failed. My discomfort was interfering with my intimate life as well as my pastime due to the pain. I had nearly completely returned to my pre-menopausal state of "normalcy" by the end of the initial 4 months of treatment and felt back to normal shortly thereafter. The best part is I remain **pain- free** three years later. I appreciate Dr. Fowler's willingness to listen to my concerns and create a treatment plan specifically designed for my particular needs. I highly recommend Dr Fowler and his staff for the utmost in care and treatment of female genital pain. **L. Jerome, ID.**

I am 60 years old and have been suffering from burning and pain for 5 years. I've seen 6 medical doctors who weren't familiar with my condition and didn't know how to help me. My gynecologist fired me. I had to sit in a tub of water each night to survive. I finally found a Dr. in Wichita that knew exactly what I had. Vulvodynia. He was the only one who knew the name of it. He tested my blood and prescribed oral troches with the 3 hormones I was lacking. I was finally able to enjoy sex again; however, I was still uncomfortable with burning, dryness, and

pain. I learned of Dr. Fowler online. I flew over in March to visit him. After only 4 months on protocol, I find myself enjoying sex more than I did in my 20s and 30s before this horrific condition found me. I go for hours, NOT thinking about my vagina. My first thoughts in the morning are of normal daily events as opposed to prior to Dr. Fowler. I would start gauging my pain and thinking about how I would comfort myself. Coconut oil slathered on 6 times a day, no panties, absolutely no jeans, and long car rides were out of the question. Thank you, Dr. Fowler! I've got my whole life back now. I think I am at **about 95%**, as I still have some burning and dryness when I am stressed out. So, I will continue with my protocol and keep going with Dr. Fowler!! Thanks again so much for being here for us ladies when we feel so misunderstood, helpless, and lost. **V. Westmoreland, KS.**

For 3 years, I had terrible itching and burning- I had seen 5 doctors, and no one could get to the bottom of my issue. It was impacting my overall quality of life, and I thought I would have to live with this issue forever. I found Dr. Fowler through an online search and immediately booked an appointment with him. I traveled from the East Coast to see him, and it was worth every penny! **I have my life back!! H. Charlotte, NC.**

Dr. Fowler was a Godsend for me in that I was referred and got in to see him quickly. His treatment, while extensive, made all the difference in the world, and right from the very start, I felt some relief. I followed the print-out pages he gave me religiously. It has taken eight months to reach my goal, but I'm finally there. **I'm 100% better.** I was referred by my gynecologist, and treatment has been easy, just constant attention to all the details, but it was well worth it to have relief from the burning irritation I was experiencing. I was constantly irritated, sore, burning, and dry. It was extremely uncomfortable to sit. So, if you're in the same boat I was in, please contact Dr. Fowler! J**. Phoenix, AZ.**

I researched my way to Dr. Fowler's offices several years ago when I'd almost given up on having a sex life with my husband. I'd been to other specialists who weren't able to assess and provide relief for my inflammatory vaginitis, contact vulvar dermatitis, and lichen sclerosis. Intercourse was painful during and after for days. That was then. Now, after two years of treatment at Fowler Gyn International, I am comfortable and symptom-free when following his protocols. My sex life has returned to normal- yay- without subsequent discomforts. I'm also able to ride my horses again, **free from fear or pain.** I am very glad I found Dr. Fowler and didn't listen to other gynecologists who said I didn't need to travel out of state to get my issues resolved- even after they had tried to treat me with no success. **B. Sacramento, CA.**

Over a year ago, I suddenly developed several symptoms: odor, discharge, itching, burning with urination, and abdominal discomfort. I saw at least ten doctors who diagnosed me with BV and sent me home with antibiotics, only for the symptoms to get worse and worse until I was at the point of feeling embarrassed to be around people at all because of the smell. I had pretty much stopped dating and became very depressed. None of the GYN specialists that I saw could offer me anything, and I was becoming more and more hopeless and uncomfortable, as well as fearing for my own health and what the consequences of remaining sick for so long would be. I found

Dr. Fowler online, and after doing some research and speaking to him on the phone for a consultation, I decided to fly from DC to Arizona to pay him a visit. Now, a year later, I am 80 percent better, with only slight discharge at this point, but the **discomfort and odor are 100 percent** gone! If it was not for this practice, my life would be very different. Now that the symptoms are manageable, I can work on my own health and nutrition, which is also having a huge effect on my symptoms. I don't mind the trip out to Arizona once a year either, as his office is in one of my favorite places on Earth! If anyone else is suffering like I was, you should take the risk on this, even if it seems odd, because you and your health are worth it!!! **L. Silver Springs, MD**.

I am so incredibly grateful to have found Dr. Fowler! I had suffered with recurring Bladder infections, UTIs, and overall vaginal pain for over 16 years. After seeing Dr. Fowler and using his protocols, I noticed a significant improvement within just two months. It has now been 1 year, and I have been **free from pain** and without any infection for 8 months now!! For those who know how all-consuming the pain is, I can truly say this is a God-send. I can live my life and genuinely focus on what matters most to me without the distraction of pain and ill health. Don't wait any longer! See Dr. Fowler and begin your path to LIFE! **M. Twin Falls ID**.

I came to see Dr. Fowler in October of 2017 after suffering from vaginal pain/irritation for a total of 7 ongoing months as a result of being wrongly prescribed an anti-fungal from my medical doctor. After seeing my local gynecologist multiple times with no relief, I was blessed to find Dr. Fowler through an online search done by a concerned sibling. Dr. Fowler did the proper testing to help me understand the cause of my pain, and I started seeing symptom relief within 4-6 weeks of his protocol. It has taken about 12 months to see the **90% improvement** today, and I am extremely grateful. It was well worth the wait to correct the underlying disturbances, and if you are suffering from vaginal problems, please do not hesitate to make an appointment. The staff was very friendly, and scheduling was very easy. Thank you, Dr. Fowler, for all of your help. **A. Oak Lawn, IL**

Dr. Fowler has helped me achieve comfort again by following his protocol. I was suffering from itchy, raw, and burning for 2 years. I saw three providers, and the 3rd at Mayo Clinic referred me to Dr. Fowler. After 8 months, I am **80 percent healed** and have to remind myself to stay true to his regiment. Overall, I would recommend him to any female who is having issues that make her want to scream. He fixed me right up. I highly recommend him. **L. Tuscon, AZ**

My 18-year-old daughter was diagnosed with vulvodynia and complained of severe pain when areas of her vagina were touched by her clothes. She was unable to wear jeans or other button/ zipper pants, nor was she able to wear a tampon. My Gynecologist referred us to Dr. Fowler, and with his specialized protocol, she has made a **full recovery** in about 16 months' time. She is so happy to be able to live a normal life and wear whatever she wants and is now able to use a tampon without being in pain. I would recommend Dr. Fowler to anyone who is experiencing vulvodynia. **W. Scottsdale, AZ**

About 3 years ago, I started having chronic burning and irritation in my vaginal area. This caused so much chaos in my life. I was unable to have much intercourse with my newlywed husband, exercise, and was in constant pain throughout the day. After seeking help from multiple providers, I was finally diagnosed with Vulvodynia. I tried looking for different ways to improve, but as anyone with this condition knows, treatment is tricky and not always successful. I first heard about Dr. Fowler through a Facebook support group. After months of trying more conventional treatments with little improvement, I decided to take the punch and schedule an appointment. That was in October of 2017, exactly a year ago. By far, it's been one of the best decisions I've ever made. Today, I am feeling about **80% better.** So much so that for this year's appointment, my husband and I will be doing a 10-mile/3-day hike into Havasupai Falls in the Grand Canyon! We are using this appointment as an excuse to travel and get this crossed off our bucket list. Last year, I wouldn't have even considered making a day trip with the horrible, unexpected, and unpredictable flares I would get. Dr. Fowler is a true blessing to women! **D. Austin, TX.**

When I first had vaginal issues, I saw several doctors who misdiagnosed my problem multiple times or claimed there was nothing abnormal after they performed tests on me. Finally, my gynecologist referred me to Dr. Fowler, who was able to diagnose the problem right away. I had to change my whole routine and the products I used on a daily basis. Although it took longer for me to respond than the average patient, and my therapy had to be adjusted slightly by Dr. Fowler a few times, I now am **feeling so much better**. Initially, I wasn't able to walk without being in pain, but now I can work out and do my normal activities with rare occurrences of irritation. I am so thankful for his help and the attention he gave me as a patient. He was always willing to answer my questions and talk about my concerns. I definitely recommend him for any woman having vaginal issues! **S. Tucson, AZ**

I found Dr. Fowler online after receiving a diagnosis of Lichen Sclerosis from my dermatologist. I was having itching, and paper cuts on my vulvar skin. Intercourse became painful. Also, I was having urinary tract infections one after another for 1yr. In about a year, Dr. Fowler's protocol has helped me not only overcome Lichen Sclerosis but also **stop the chronic UTIs** I had been getting. I have not had a single UTI since starting his treatment. I'm thankful every day!!! **K. Tucson, AZ**

I have been dealing with odor, discharge, and burning in my vulvovaginal area for decades. I have been to so many doctors I can't even count. Every doctor would do the standard test for vaginal infections, which would come out negative. It got to the point where I actually wondered if the symptoms were all in my head. For many years, I wore a full-sized pad all the time because the discharge and odor were so bad. It was terribly embarrassing. I hated having sex with my husband because I was so self-conscious about the odor. I finally got on Google and searched "Doctor vaginal odor Phoenix" and found Dr. Fowler. I read several testimonials on his website and thought I might actually have found a doctor who could help me. I first saw Dr. Fowler in February 2018. I left his office after that first visit with all the information I needed to fix the problem that had plagued me for thirty years. Seven months later, I am **85-90% better** and have

total confidence that in the next few months, I'll be 100% improved. I literally cannot express how happy this has made me; it has literally changed my entire outlook on life. **K. Chandler, AZ**

When I first met Dr. Fowler, I was a newlywed who couldn't have sex with my husband due to extreme pain. Having seen five different doctors over the past 10 months with no change in my symptoms, I was nervous during my first visit to FGI, but those nerves quickly went away after a few minutes. I could see that unlike my other doctors, who seemed unsure and not confident in the treatments they were prescribing me, Dr. Fowler's approach was based on sound evidence, and within 10 minutes, I got several pages describing exactly what was wrong with me and how to fix it. I had a diagnosis, and it felt great! A year later, after following Dr. Fowler's treatment protocol, I now have **control over my symptom**s, and **my life is back to normal.** I would recommend him to anyone struggling with the same symptoms. Thank you, Dr. Fowler! **J. Chicago, IL**

Dr. Fowler is the ONLY gynecologist I have seen who knew exactly how to treat my condition. I had symptoms of sticky, itchy, and very dry. I had seen my gynecologist in Las Vegas for 5 years, and she had no idea how to treat it. My husband searched online for a specialist. Since visiting Dr. Fowler, I have seen **significant improvement**. I do not know what I would do without Dr. Fowler. His staff is friendly and courteous, and it is always a pleasure to visit. **S. Las Vegas.**

When I presented with severe burning anally and vaginally in August 2017, I had no clue what was going on, and I truly thought I was going to die. I went to 16 different doctors before seeing no improvement. Some of them told me it was in my head. I found Dr. Fowler online. Eight and one-half months after my initial visit, I am feeling **70-80% better**. I am able to function much better, have resumed many activities I had completely ceased, and owe so much to the help I have been and continue to receive from Dr. Fowler. He has a unique approach to diagnosis that others do not have and personalizes the treatment for your individual condition. Coming to see Dr. Fowler for a situation I never imagined I would be in has been one of the best decisions I have ever made. **L. San Jose, CA**

Dr. Fowler's treatment and program are magical. I have been having issues with painful, unbearable sex for the last few years. I am 57 years old and truly did not want to give up on being sexually active. I had tried many doctors and nurses with absolutely no relief and no solution to my issue. The pain was becoming constant, so I started to search online. This is how I found Dr. Fowler, and I began to read the testimonials on his website, which many sounded similar to my own situation. It took me another few months to actually make my first appointment. Looking back, I believe it was because I was scared that there really would be no solution to my problem, and I did not want to face it. One doctor even suggested that I stop having sexual intercourse altogether. But one more romantic vacation with my husband that ended in tears sent me back to Dr. Fowler's website, and I set up my first appointment. What was truly magical was that when I began his treatment protocol and followed it faithfully that, within a couple of weeks, I actually started feeling better. I found hope. Now I'm **95% better**. Anyone who is considering his treatment protocol, I encourage you to not wait and to follow it faithfully

and not be discouraged. Keep to the system, and I believe you will find relief. After about five months, I was able to have sex without the pain, and what a joy and what a surprise I felt that it no longer hurt to be intimate. **S. Flagstaff, AZ**

In August of 2014, I developed severe vaginal burning, redness, and inflammation. My life became consumed by the pain. I saw half a dozen doctors, and no one could figure out what was wrong with me. After searching the internet, I stumbled across Dr. Fowler's website. My gut told me to make an appointment. I was terrified to fly across the country, but I trusted my gut. It was the best decision I ever made. After walking out of my first appointment, I finally had hope again. Within 4 months of starting Dr. Fowler's protocol, I was 60% better. Two years in, and I'm nearly **90% better.** The burning and redness are nearly resolved. This condition is hard to treat, and healing is not linear, but for the first time since developing this condition, I can function normally. I work out, wear what I want, and can be intimate with little worry. This wouldn't have been possible without Dr. Fowler. **K. Algonquin, IL.**

In April 2017, I first experienced a terrible outbreak of lichen sclerosis, and the pain that accompanied it was debilitating. At that time, I really didn't know what I had, but for seven months, I was miserable. The open wounds came and went. I saw my primary care doctor at a time when there was no outbreak, but I was having constant burning. She said everything looked healthy. She ran regular well-woman tests, and all were normal. I sought the opinion of a gynecologist, and I got the same result. Later, when I had full-blown open wounds, I returned to the gynecologist, who did a biopsy and prescribed Clobestol, and that was the extent of my treatment. I could not believe I was going to live in this terrible condition for the rest of my life. I already suffer from an autoimmune condition that has compromised my life, but this completely took away my ability to enjoy such basic things as walking, going to yoga, and even sitting comfortably in a chair. I was devastated. I have seen Dr. Fowler at Sottopelle, where I have received pellet hormone replacement therapy for many years. I remembered he also saw women for vulvovaginal conditions, so I came to see him in October 2017 for this problem. He quickly diagnosed me with inflammatory vaginitis and lichen sclerosis and put me on a detailed treatment regimen for both. I responded very quickly and, by March 2018, was **80% better**. I continue following the treatment carefully. I am thankful I didn't live with this for years before getting a resolution. **P. Phoenix, AZ**

It is with much sincerity that I recommend Dr. Fowler. I had vaginal burning, itching, and inflammation issues for 7 years, often misdiagnosed by doctors as a yeast infection (the prescription for which would ofttimes make the condition worse). It was very frustrating and, at its worst, making it difficult to sleep or walk or be intimate with my husband. I found Dr. Fowler by way of his website, booked an appointment, and he was able to precisely diagnose my issue immediately by way of his on-site lab and prescribe me the exact "protocol" and medicine to help me get free of this issue. Four months later, I was about **80 percent better** and can say the same thing today, over one year later. Most doctors unfortunately just do not have enough knowledge of this condition and frequently misdiagnose it or overlook or neglect it altogether, and what's great is that Dr. Fowler has devoted time and, effort, and talent to research vulvar

conditions and help so many of us by finding a protocol, that, if followed properly, can bring much needed healing. I am very thankful to him and his lovely assistant, Alice, and I thank God that (after I prayed to Him to heal me) he led me to Dr. Fowler's website for help. **S. Sherman Oaks, CA**

Dr. Fowler was recommended to me by my regular gynecologist after having terrible vaginal pain postpartum with my first child. He was very knowledgeable and explained everything very well with what was happening. I followed the protocol and had **relief from symptoms** within a couple of months. He and the staff were great, and I have recommended him to several of my friends having similar discomforts. **N. Mesa, AZ**

I woke up Dec 7, 2017, with extreme vaginal and bladder pain. I went to see both a Urologist and a Gynecologist in Portland. The urologist ended up giving me a piece of paper saying I have IC and sent me on my way, and the Gynecologist gave me lidocaine and some estrogen, which was extremely uncomfortable. In both cases, it looked like the outcome was going to be a lifetime of discomfort. My doctor in Portland referred me to Dr Fowler. She had several other patients who had seen Dr. Fowler and experienced excellent results. I came to Scottsdale with only hope. After examining me, Dr. Fowler told me what was wrong and gave me a specific protocol for healing. I followed his direction completely, and after 4 months, I am 75-80% better, and there are days when I feel no discomfort at all. I have seen many doctors over the last year due to health issues, and this was the first doctor I have seen who specifically diagnosed what was wrong and gave me a plan, and now I see significant improvement. I came to Scottsdale scared but hopeful. I know now I am in the right place. Thank you, doctor Fowler, for helping me. No words can tell you how much I appreciate what you have done for me. M. Lake Oswego, OR I struggled with chronic BV for over a year. I had heard of Dr. Fowler, but because I eat very clean, I thought I could get rid of it with diet and natural supplements. Everything I read said to give up wine and all sugars, which is extremely difficult to do. When the natural route didn't work, I contacted Dr. Fowler, and within four months of his protocol, I am **90 percent better** and am enjoying all the wine I want. Thank you Dr. Fowler for curing me and helping so many women. **M. Phoenix, AZ**

Update: I am so glad to be under treatment with Dr. Fowler. He is the only one I would rely on to get the correct diagnosis for my vulvodynia and to treat it. His protocol has changed my life and I am well on my way to being cured. Now at **80%** and climbing. Don't ever give up and definitely contact Dr. Fowler if you have this condition. He can make a difference. **T. Altaville, Ca.**

Thanks to Dr. Fowler for getting me on the road to recovery. I feel like I'm **70% bette**r in 4 months. Now I'm able to have sex. My life is so much better! **B. Gold Canyon, AZ**

Dr. Fowler's treatment plan has absolutely worked for me. I wish that all specialists would give their patients the amount of detailed information and protocols that Dr. Fowler gives his patients. I was losing hope before I found Dr. Fowler and was fretting that I would have to settle for a life with no exercise, no intercourse, no swimming, no jeans, and more. I had been to my local gynecologist for months and was then sent to an Infectious Disease doctor. I was put on

medications that didn't solve the underlying problem and caused other health complications. I was told that I would just have to battle chronic vaginal infections indefinitely. I refused to accept that and researched extensively to find answers. When I read about Dr. Fowler and what he specialized in, I knew his practice was where I needed to go. Today, I am **80% percent better** after four months of following his treatment plan. Dr. Fowler and I expect that I will reach 100%. To say I am grateful is an understatement. I am 35 years old and hopefully have many years of life left to live and I want to live them to the fullest. Being able to relieve my chronic pain and constant worry over my vagina has given me back a bundle of energy and my joyful spirit! **L. Dallas, TX**

Dr. Fowler has given me the best gift I could have...My life and health are back!! Within 2 weeks of his treatment I had no more pain, no burning! It is a miracle! If you are a woman suffering from severe pelvic pain please go see him. Your suffering can end! I suffered for 1.5 years before seeing him. I had severe acid-like burning pain, fissures, cracks, and fusing. I felt constant pain every day of my life and as a Mom of young children, I had to be healed. I went to multiple local doctors, OBYN's, Uro-gyn's, etc, and they could not help me. I am beyond thankful for Dr. Fowler and his amazing expertise and healing! Dr Fowler diagnosed me with Lichen Sclerous and DIV, and **symptoms resolved** in two weeks from starting his treatment. I know God led me to Dr. Fowler and I am so thankful to be on the path of full healing! **K. Seattle, WA**

I had experienced pelvic pain for going on three years when I found out about Dr. Fowler. My husband and I had stopped having sex for probably close to a year and a half as well. I never had it easy with my vagina since probably my first experience with sex and tampons. Early on there was intermittent pain and infections...Through my twenties I was diagnosed with UTI after UTI as well as yeast infections and BV. So, as you could imagine it was antibiotics central for a good portion of my twenties into my thirties. Those subsided and then the worse began. I would occasionally burn in my vulva area and occasionally I'd experience pain in what I now know is my vestibule. It was tolerable until about 4 years ago when we stopped having sex because the pain was consistent. Every time I inserted anything in my vagina I felt a horrible stabbing pain and sometimes it felt blocked. I saw several doctors, three physical therapists, and tried a chiropractor and acupuncture. I was constantly searching the internet for anything or anybody who was experiencing anything like me. It felt like my gynecologists weren't listening to the pain I was describing and there really weren't answers from them. I say gynecologists because I went to a few different ones trying to find someone who could help me. I would research and ask questions and they would prescribe or refer me to whatever I asked in regards to this because it was pretty clear to me they didn't know how to help me. I finally started searching Facebook using the words I'd been hearing doctors call what I had and from the research I'd been doing on my own, and that's how I found a group of FGI Prospective and Existing Clients. I had also run across Dr. Fowler's name through my searches on the internet, but it all seemed too good to be true. It was scary deciding to travel to Arizona and pay out of pocket to go see this doctor who says he can help. You become pretty skeptical about this because so many say that and nothing seems to help. Well, this is an honest and real testimonial and there is hope. **Dr. Fowler saved me!** His protocol has changed my whole world. It is non-invasive and with commitment and

patience, he knows this condition and can help. I saw him in May of 2017 and this is now Oct. 2017. I am almost 5 months complete, and I am **nearly pain-free** and able to have sex with my husband again. I still have healing to do and there are still bumps in the road, but I am so thankful to have found Dr. Fowler! Dr. Fowler's studies with pain in the vagina have given him years of experience and he's probably heard it all from a lot of desperate, in-pain women and he CAN help! Dr. Fowler has helped me feel whole again and his protocol has literally changed my world. I am so thankful to have taken the chance and have him as my doctor. THANK YOU Dr. Fowler from the bottom and top of my heart. **K. Spokane, WA**

I started having vaginal burning and irritation. I was going to see my doctor every month, sometimes twice a month always being told it was BV, yeast or both. I was tired of the constant doctor visits and after 6 months, decided I needed to see if anyone else was having these kinds of problems. While searching the internet, I found Dr. Fowler's website, ordered the Products for Sensitive Genital Skin and was scheduled to see him a month later. By the time I went to the visit I was **90% better!!** These products work! **D. Carson, ND**

This condition has greatly damaged my sex life and is straining my relationship with my partner. The discomfort and pain make it difficult to focus at work and drain my energy making leisure activities less frequent. Since starting Dr. Fowler's protocol a year ago, I have been able to enjoy life again. I **no longer experience pain** with intercourse and have begun taking part in the things that make my life enjoyable again. Thank you, Dr. Fowler! **S. Denver, CO**

Before I found Dr. Fowler, I was suffering from awful burning, pain, and inflammation. I did not know what was wrong with me. I saw more than 7 different doctors who all told me nothing was wrong. It was the worst pain in my life and affected my quality of living. Finally one of my gynos recommended Dr. Fowler. He was my last resort. Dr. Fowler was the only one to finally diagnose me. I have been seeing him for over a year and feel I'm about **80% better**. I do not have the pain I once did. I would highly recommend him if you are having unexplained vaginal pain. He can make a difference in your life. **L. Gilbert, AZ**

I had been having problems for many years. I decided to see Dr. Fowler because my issue was making it hard to get ready and go to work, my sex life was extremely diminished, and even exercising and shopping were difficult to do at times. Though a lengthy process, Dr. Fowler has provided me with small lifestyle changes and medicine for the vagina that have me feeling about **80% - 90% better** at this point. I wish I hadn't had to wait so long to make my initial appointment. **K. Buckeye, AZ**

I'm so thankful to find D. Fowler. I've suffered for 10 years having symptoms intermittently of burning, soreness and pain in the vulva. I couldn't do anything physical; even walking was difficult. It took a full year and after 2 vestibulectomies with other providers and numerous creams to finally find Dr. Fowler. I was referred to Dr. Fowler by a gynecologist at Mayo Clinic. Now I have had a year of fine- tuning with his treatments, but finally, **I am "normal" again.** I'm able to exercise, work and enjoy life. I feel so blessed and thankful for his expertise. **T. Sun Lakes, AZ.**

For 6 months I had frequent visits to my OB/GYN for symptoms of irritation, itching and burning that were interfering with my daily activities and quality of life. I was diagnosed with BV and yeast infections on multiple visits, but the treatment never left me with sustained relief. My OB/GYN referred me to Dr. Fowler. It was a relief to be seen by Dr. Fowler and receive an accurate diagnosis and treatment plan. After following my protocol for the past 4 months I'm **90% better** and no longer experience frequent irritation and itching or burning. **C. Mesa, AZ**

I have suffered from vulvodynia/altered vaginal microflora for over 20 years. I saw vulvar specialists in Arizona for over 15 years with no permanent results. I continued to have re-current problems that were very painful and miserable. I did a lot of research online, trying to find a doctor that could treat my problem with results. I found Dr. Fowler's name, read his patient reviews, and it sounded like he was someone that could fix my condition. I tried to contact the office and they have a very unconventional way of scheduling an office visit so I was skeptical. However, since I was desperate for a cure I continued through the online process of registering to become a patient. I was seen by Dr. Fowler in November of 2017 and got on his personalized program. It is unlike any other specialist I have ever been treated by in the past. I finally felt relief for the first time in many years. After 4 months of being on his protocol, I would say I am about **70% better** so far. I plan to continue using his specialized treatment indefinitely. He is a lifesaver. I had all but given up on finding a cure, but his treatment has worked for me when no other specialist in Arizona could find a cure. The other providers only treated the symptoms; Dr. Fowler treated the underlying cause and condition. **C. Mesa, AZ**

Dr. Fowler has completely changed my life. I came to see him about 3 years ago after seeing 7 other doctors about vaginal burning. All tests from other doctors came back negative for any kind of infection. I was in so much pain, and I was so sad to feel like no one was listening to me! Then I found Dr. Fowler. He was so kind on the phone with me; he listened, and he said he could help me. For seven months I lived in pain and was sitting on ice packs to ease it. After coming to his office, **I had my life back! No more pain**, no more discharge! I was doing so well I went off the protocol thinking I would be fine. For two and one-half years I did great. Then, about two months ago, I was told I had a bladder infection and was put on antibiotics. About five days later, I started feeling an unbelievable burning again and returned to the ice packs. I got online and scheduled a time to see Dr. Fowler again. The antibiotics caused me to relapse because I had not been following Dr. Fowler's protocol. I can tell you that won't happen again! I'm back on board and so very grateful for this amazing doctor! THANK YOU FROM MY HEART! **S. Tucson, AZ**

Testimony update: Dr. Fowler has **given me my life back.** After just over one year with him I have seen a **complete resolution in my symptoms**. 8 years of recurrent infections and vulvovaginal symptoms and I have not had a single vaginal infection in 12 months. I can't describe what a weight has been lifted. I used to wake up with a vaginal infection every single time I had intercourse because my tissue was so irritated. I can now experience pain free intercourse. I no longer have to worry about struggling with constant yeast infections and chronic redness and pain. I can honestly say his protocol works. I know countless women who also suffer from chronic and recurrent vaginal pain and irritation in Canada and the US. Dr. Fowler and his

clinic in Arizona are the professionals you NEED to see. Trust in his diagnosis, trust in his process and when anyone asks if I would recommend Dr. Fowler one thousand times the answer is YES. **K. Vancouver, BC.**

I am happy to say Dr. Fowler has **helped me get my life back**. I had terrible burning and pain with intercourse. After eight years of dealing with this, I had to do something. I went to countless doctors and was put on all kinds of medication that only masked the problem. I believe in God and know he directed me to Dr. Fowler as I found him on the internet. He is caring and knowledgeable about this condition, and his protocol gets results. I am so grateful that I came and will stay under his care. I had two different specialists try and help but only pushed meds. I am very thankful I found Dr. Fowler. **R. Alfred Station, NY**

Really glad I found Dr Fowler. I was able to make an appointment quickly and he called to schedule me himself. Very personable. He has his own lab equipment in his office and was able to give me a diagnosis quickly and start a treatment schedule. I had vulvodynia due to low estrogen and noninflammatory vaginosis that was giving me chronic yeast infections. It was giving me itching and burning, which was worse with intercourse so I was avoiding it. He informed me of things my regular gyn did not, and I felt relief once I started his protocol. At first the protocol seemed overwhelming but it turned out to not be so difficult to follow. I've just been on treatment for 4 months and **I'm 100% free of symptoms**. I would highly recommend giving him a call. **D. Mesa, AZ**

For about 5 years I was suffering from extreme pain in my vaginal area and I went to specialist after specialist and kept getting diagnosed with yeast infections, and lichen sclerosis and then finally was told it was all in my head. I was at the end of my rope and just kept hoping I could find someone to help me. One night I typed in "feeling like I have glass in my vagina" and a women's testimony popped up and when I read it I felt like I could have written it myself. The testimony was on Dr. Fowler's website and she said he was the only one who could help her. So I made a decision to call and after speaking with Dr. Fowler on the phone I hung up the phone and cried for a half hour as for the first time in the last 5 years someone offered me hope. The one thing that he said to me that I will never forget is "Don't give up, there is hope" a statement so small but it was a stepping stool statement in my journey of recovery both physically and mentally. It's now been 14 months since my first visit and I'm **90% better.** I can sit at work, play sports and do everything I want to do that I was unable to do before. I highly recommend to anyone from anywhere that you make that first step and call as it could change your life as it did mine. **J. Hamilton Ontario, Canada.**

I had been dealing with burning and itching for 2 years when I found Dr. Fowler by searching my symptoms online. Several gynecologists and Urgent Care physicians diagnosed me with Bacterial Vaginosis and I would take multiple rounds of antibiotics with no relief. After I found Dr. Fowler, I got the correct diagnosis (non- inflammatory vaginosis) and began his regimen. As a result, **I'm 90% cured** at 4 months and know I will reach 100% by continuing his plan for me. He is a lifesaver. I was miserable. **C. Scottsdale, AZ.**

I cannot emphasize enough how drastically Dr. Fowler has changed my life. I had been suffering from extreme burning and itching for over 2 years. My gynecologist had prescribed all kinds of different treatments, and nothing had any effect whatsoever. She recommended that I see Dr. Fowler, and I actually put it off because I thought I was beyond help and would suffer with this for the rest of my life. It's been 5 months now since my first visit and I'm **almost symptom-free!** There have been a couple of ups and downs but the downs have become more infrequent and according to Dr. Fowler, they'll be gone soon. It's very important to do everything he tells you to do. I've gotten used to the protocol and it's just part of my life now. Overall I'm 90% better. I don't even think about it. If you're suffering at all, please don't hesitate to see Dr. Fowler. **J. Scottsdale, AZ**

Before finding Dr. Fowler, I had been going to or calling the Gynecologist almost every other week for about two years. I was getting yeast infections continuously. I would have sex and be in pain. Sometimes it lasted for days after sex. Just when I thought I was getting better I would experience more problems. I could not get rid of this on going issue and it was frustrating. My gynecologist tried all that she could and finally gave me Dr. Fowlers card and said that she felt it was time for me to see him. I was hesitant and read a lot of testimonials and googled his background before making an appointment. Dr. Fowler and his staff have made me feel very comfortable despite the pain. It was too the point that my relationship was struggling and I was worried that it would be something very serious. Dr. Fowler gave me a regimen to use. I created a 4 months calendar and followed it! I began to fee changes within the first month! I just finished up my 4 month follow up and feel **almost back to normal.** If you are experiencing any issues that you feel Dr Fowler is able to treat, I can tell you first hand that it is worth it. **R. Gilbert, AZ**

Coming to see Dr. Fowler has totally changed my life! I was ready to try some very radical things do to my pain level but fortunately did not do some of the surgeries that had ended in a nightmare for so many other woman I know! After suffering for 15 years with vaginal burning, I am now close to **80% healed** and **have my life back!** I can't thank Dr. Fowler and his staff enough for their care, professionalism and protocol to help woman live a full and healthy life. **O. Albuquerque, NM**

For seven years I suffered the loss of my femininity and sexual intimacy. I spent many thousands of dollars on numerous physicians, medications and alternative treatments. Every physician diagnosed me with yeast infections or bacterial vaginosis. My symptoms were vaginal itching, severe burning and rawness both internally and externally during and after intercourse. My symptoms were always worse and seemed to be brought on by even the mildest intercourse. I missed time with my husband and months would go by without intimacy because of my pain. Just when I thought the symptoms had resolved and we resumed intercourse, my symptoms and pain would start over again. I found myself in tears for both my husband, myself and our relationship. I had been prescribed creams, borax treatments, homeopathic pills and numerous other treatments. My wonderful husband was always very supportive and understanding, but my self confidence was shattered internally. I felt self conscious and embarrassed during times of intimacy and was always concerned about odor when going out in public, although bathing was a

daily task. I became very depressed and desperate to find a cure for my issue. I combed the internet for a glimmer of hope and finally located Dr. Fowler. I was initially skeptical as I had seen at least eight physicians, all with the same diagnosis and treatments. Prepared to give it one final attempt, I contacted and made my first appointment with Dr. Fowler. In January 2017, I made the trip from Tennessee to Arizona with cautious excitement. Upon arrival, Dr. Fowler was quite familiar with my case due to his thorough questionnaire from my online registration. After completing my examination and testing, he explained the results in extensive detail, both verbally and with written information. For the first time in seven years, I finally had answers that made sense! I felt hopeful and excited to begin my course of treatment. After four months of treatment, I was getting results as expected as explained by Dr. Fowler. He had me continue my course of treatment with a few minor changes. At the six month mark, I had to undergo a partial hysterectomy. I contacted Dr. Fowler to explain and he returned my call personally to discuss my treatment in conjunction with the surgery. Each time I have contacted his office, he has always contacted me personally which I find to be extraordinary service. As of 11/29/17, during my tenth month of treatment, I am **almost symptom free!** I no longer suffer from odor, burning or itching and have resumed normal intercourse! I will continue my treatment until my follow up in January 2018. If anyone else has suffered the symptoms I have described, I encourage you to reach out to Dr. Fowler. As he explained, this area of gynecology is not well understood in the mainstream. It is an area of specialty and most general gynecologists are only trained in the basics of vaginal disorders. When I had lost all hope, **Dr. Fowler changed my life**. I pray he can yours as well. **B. Lebanon, TN**

Over a period of three years, I saw several physicians and tried a variety of treatments for what Dr. Fowler later diagnosed as Inflammatory Vaginitis. I reconnected with Stuart aka Dr. Fowler at our 40-year high school reunion. Even back in high school, Stuart was bright, driven and had a great sense of humor. I knew he would go on to do important things but never did I think that he would help me one day in such a significant way. I had heard him speak years earlier on Hormone Replacement Therapy and asked if he was still doing that. He told me about the years he had been at Mayo Clinic and that he had narrowed his research and work to studying the vagina and various diseases related to it. It was just what I needed to hear! I made an appointment and 9 months later I feel **90% better**. I'm back to doing all of my usual activities including intercourse with little discomfort. **D. Salt Lake City, UT**

When I first made an appointment with Dr. Fowler, I was suffering from frequent bouts of vaginal pain and discomfort for four years; unable to be sexually active, wear jeans, and use a tampon. Any exposure to bath products left me in pain and emotional turmoil. I had seen multiple doctors with minimal results and had almost given up hope when I found out about Dr. Fowler from a Facebook support group. I decided to take the plunge after hearing the success stories of his other patients! It turned out to be a tricky case with a particularly resistant vagina. However Dr Fowler provided encouragement and was very patient, tailoring the treatment protocol. With his help, I slowly **got my symptoms under control** and **got my life back!** I am very pleased with Dr Fowler's level of expertise, persistence and patience in treating this condition. **C. Chicago, IL**

I thought I was going to have to live with my condition forever, and then I found Dr. Fowler who **gave me my life back**...So let me start from the beginning (four years ago). For about four years, with increasing severity I was experiencing chronic yeast infections, and bacterial infections, and I was extremely sensitive to anything touching my vaginal region. I was getting at least one yeast infection per month sometimes multiple, and the bacterial infection truly never went away. Things got to the point where I no longer wanted to be intimate with my husband because I was self-conscious of the "fishy" odor, yeast secretions, and itching that would disrupt my sleep. It made exercise uncomfortable, and no matter what I did I could smell my own odor which made me think others around me could smell it as well. I saw over four different gynecologists and multiple doctors and all of them treated the symptoms, but never were able to explain why my condition was constantly coming back. I changed my diet, switched to only cotton panties, wore loose fitting clothing, spent hundreds on probiotics, tried homeopathic remedies and absolutely nothing worked. I knew there was an underlying reason for what was happening to me, but no one was able to give me an explanation, let alone advise if I could truly be healed. I became very depressed, was miserable, and had all about lost hope for myself and felt so awful for my husband who never once complained. So I tried one last thing, which was to turn to Google and start researching my condition to see if there was a specialist who could possibly treat me. I was desperate and was willing to fly anywhere in the world if that meant I could be treated. That was when I found Dr. Fowler after months of dogged research. I flew to see him in January 2017 and he not only told me what I had but that I would be healed. Now in January 2018 I feeling I am about **80% better** and will soon me at 100%. Dr. Fowler restored my hope, **gave me my life back,** and I am forever thankful for him. **T. Redlands, CA**

My life was totally compromised due to my symptoms. For a year I went to many doctors searching for someone who could help me, with no success. No one could tell me what was going on. Desperate for an answer I searched across the internet for a solution. That is when I stumbled upon the Fowler Gyn International website. After seeing Dr. Fowler only one time and being put on the protocol I was about 80- 90% better in about 6 months. I finally **got my life back.** I was consumed by the vaginal pain and discomfort before seeing Dr. Fowler. The smallest everyday tasks were dreadful. The burning, itching, and inflammation were so bad walking around became something I tried to avoid unless I absolutely had to. Now I **hardly have any discomfort** and if I do it is so minor in comparison to what was going on before that it does not consume my every thought. I wouldn't have been able to get my health back had I not seen Dr. Fowler. **B. Yuba City, CA**

Six months after having a D&C with ablation I began to have severe vaginal pain, burning and tightness. The pain was so severe that I could not even wear underwear or pants. I saw doctor after doctor, acupuncturists, allergists, and dermatologists, and even had biopsies and MRIs. No one could offer any help other than medicating with anti-depressants and eventually they all gave up on me. I cried almost every day for an entire year before I started my search for help online. I came across Dr. Fowler's website and after discussing it with my husband we decided to take the leap and make the call. After talking with Dr. Fowler who stated he thought he could help me, we booked our flight and made the trip. The first year was still a struggle and was slow progress but

Dr. Fowler never gave up and encouraged me not to give up as well. After one year of treatment and a slight change in the base of my compound, within two months I saw a significant improvement. I have been on his protocol for two years now and it **has changed my life.** I have improved by **90 - 95%** since I began this horrible journey. I still have some slight nerve pain but it is very minimal. Dr. Fowler and Alice are my guardian angels and I cannot thank them enough!
**M. St Petersburg, FL**

I have had Vulvodynia for 6 and a half years now. I went in for a pap and explained my pain. They said my results were perfect and there was no reason to be having pain. The pain continued to get worse to the point where not only sex hurt but also just sitting in a chair for more than a few minutes was excruciating. I finally told my boyfriend at the time and my mom. They encouraged me to go to a new doctor. This doctor said the same thing: everything was normal, and I maybe just needed to wash better. Another 6 months passed, and my mom then took it upon herself to take me to a doctor who she really respected. When she looked again, I got that I looked perfectly fine. I told her I was engaged and would like to be able to have sex on my wedding night or at least be able to enjoy sitting at my wedding. She told me to "have a couple of glasses of wine." I then took a trip to Miami to visit another doctor who was a family friend. She put me on an estrogen cream which did nothing. After almost 2 years I was told it was all in my head so many times that I started trying to convince myself of that. My mom wasn't willing to accept that. She finally googled and found the word "Vulvodynia." She found a physical therapist for it and I was just so happy to have a name for it and to stop thinking I was crazy. The physical therapy was SOOOO painful and I would be in a ton of pain for a few days afterwards. I moved to Orlando a few months later and found a "specialist" for Vulvodynia. I became a guinea pig and she tried steroid injections, pudendal nerve blocks, biopsy, physical therapy (internal & external), estrogen cream, antidepressants, nerve medication, muscle relaxants, dilators, lidocaine, more estrogen creams, botox (3 times) and even more. After the Botox injections she decided that was all she could do for me and I stopped seeing her. It was extremely depressing to try so many things and not have anything work so I gave up. My husband and I had been married for over 2 years and we wanted to start a family. It was very discouraging to think about since we could only have intercourse 1-2 times a month depending on the pain. Little to my surprise, God blessed us with a beautiful baby girl in July 2015. During my pregnancy, I felt AMAZING! I stopped using my pillow to sit, I was able to have sex almost pain-free, and I had finally had gone back to a "normal" life. My birth was traumatic and a blood clot was formed on my labia. My pain was back times a million. If I didn't have my daughter, I may have given up on life at this point. My doctor (who had never had a vulvodynia patient) said he would remove my hematoma (blood clot) and while he was in there he could do a partial- vestibulectomy. We decided since I would be under anyway and that's one thing I have never tried, we agreed to do it. The next day, I got another blood clot from the surgery. Several months later after the swelling was down and I was healed up my vulvodynia pain was still there. I really was ready to give up this time. My mom and husband continued to motivate me to find a fix. They continued to do research and decided they didn't care about the travel, the cost, or anything they wanted to make sure it happened. We found a list of names and after review websites and making phone calls we decided to take a trip to Arizona. Little did I know, this trip would change my life! Every time I

have gotten my hopes up for a new treatment I have been so disappointed and devastated. But after my phone consultation with Dr. Fowler, I couldn't help but be hopeful again. Everything I started to say he would finish my sentence. When I met him, it wasn't just "you have vulvodynia," which I had known for years. He sat down with paper/pictures explaining why I felt the pain, what exactly my body was doing and how he was going to fix it. After about 3 months I noticed a HUGE difference. My husband and I were FINALLY able to have sex again. I was retested (through the mail) and Dr. Fowler called to discuss the results and explain to me everything that had changed. After about 6 months **I feel AMAZING!**!! I would say I am **80-90% better** most days! I am able to sit without my pillow most days and I am able to have intercourse 2-3 times a week without pain afterwards. I am so thankful that my family never gave up on me and thankful to God that we were finally led to Dr. Fowler so that I can get **back to a normal life again!** Thank you, Dr. Fowler!!! **H. Sanford, Florida**

I encourage any woman having similar issues to consult with Dr. Fowler and follow his protocol. My symptoms have drastically improved in a four-month period, much to my surprise. After suffering for 28 years with painful intercourse, it was actually excruciating. There was pain in other physical activities. Also, the external tissues were dry and would crack which was a huge problem. I saw multiple physicians talking 10-12+ with no hope for improvement. I had given up. My new ob-gyn referred me to Dr. Fowler with the advice, "He is the only person who can help your situation." He diagnosed me with vulvodynia and Lichen Sclerosis. After four months of being on Dr. Fowler's protocol, I'm elated at the physical changes. **I am 100% better** already. Now I don't think about my vagina at all. Dr. Fowler just gave my only wish for Christmas which was that I now get to wash my hair in the shower rather than the sink! Without hesitation, I recommend Dr. Fowler. **T. Scottsdale, AZ.**

I came to Dr. Fowler about 4 months ago after being in pain for about 1.5 years. I was unable to have intercourse and my vaginal area constantly felt irritated with no relief. I went to my regular gynecologist and she immediately referred me to Dr. Fowler as she said he was the best specialist in this area. Dr. Fowler diagnosed me with Inflammatory Vaginitis and put me on an easy to follow protocol. Within weeks I was feeling better and now at 4 months I feel **80% better** and am able to have regular intercourse that feels just like it used to, which I was very nervous about! I am very thankful I was provided with Dr. Fowler as a resource and am glad I have had him on my journey to improve my health. **J. Tempe, AZ**

I finally found and started seeing Dr. Fowler in 2014 after 3 years of battling bacteria infections that never seemed to go away. During those 3 years I was in and out of several doctors offices with yet another antibiotic prescription that only seem to make my problem worse. After researching on the internet I came across Dr. Fowler who was my last hope to stop this vicious cycle. Thank goodness I did because since seeing him and following his regimen it has been 2 years since I have had any infections and **100% better**. Then I had a pregnancy, and it wasn't until 7 months after pregnancy when the symptoms started to return while I was off Dr. Fowler's protocol. Now I'm getting back on protocol. Thank you, Dr. Fowler! It is definitely worth your visit. **K. Buffalo, NY.**

I first saw Dr. Fowler 4 months ago and am already **85% better.** I would highly recommend Dr. Fowler. I wasted a lot of time with my GYN and wish she had referred me to Dr Fowler- I found him on the internet. I had pain, and fissures and his diagnosis was Lichen Sclerosis and Vulvodynia. The treatment has really made a big difference. Thank you, Dr. Fowler! **L. Carefree, AZ**

Before I found Dr. Fowler, I was in so much pain. I had been to several doctors in my area, but no one could help me. My Gynecologist finally concluded that she had no idea what was wrong with my vagina. I had been treated for yeast and bacterial imbalances for a year and a half without any improvement. After much prayer, I was led to Dr. Fowler. Just prior to my first visit, I wrote the following about my symptoms: 'The swelling, irritation and soreness have made exercise difficult and intercourse with my husband very infrequent. Wearing underwear and even pants is usually very uncomfortable. I do not like to sit for more than 5-10 minutes at a time because of discomfort. I can no longer live without pain each day, and I have tried every possible medication to fix this problem.' Dr. Fowler and his staff were beyond kind and understanding. I was given specific medications and instructions for my personal recovery. Now, 4 months later, I am **SO much better!** I can exercise and be intimate with my husband again. My symptoms are vanishing more and more each day and I feel completely encouraged. Dr. Fowler was an answer to my prayers. I loved that he could perform tests that explained what was happening with MY body so that we could develop a specific plan for me. The best part of that plan is that it has WORKED. My heart is full of gratitude and hope. While these ailments are devastating for those of us who have them, there is help and healing! **A. Parker, CO.**

After I became sexually active, I was treated for recurrent bacterial infections with antibiotics. Little did I know that this would set me down a path of recurrent yeast infections. The skin of my vagina became thick, cracked, and red-hot. I went to countless gynecologists looking for answers and relief. I went to dermatologists. I went to naturopaths. No one could help me. During this time, the gynecologists were seeing no yeast or bacterial infections on my slides, and they said they couldn't find anything wrong with me to cause my symptoms. I began to feel like a crazy person- -like it was all in my head. Only, it most certainly wasn't. I lived with my symptoms every minute of every day. My quality of life was severely diminished. Not only could I not have vaginal intercourse anymore, but the sensation of having a yeast infection was with me 24-7. I literally felt like I was sitting on a cactus, or walking around with one in my vagina at all times. I became very anxious and depressed and wouldn't wish that experience on anyone. After trying so many different doctors to no avail, I felt helpless. I feared I would live my life as half a woman--certainly not a whole one--for the rest of my life, and I was only 31. Late one night, desperate and sobbing, I again searched the internet for clues. I had tried every home cure I could find information on, from inserting salt water up my vagina to bathing in all sorts of home mixes. I just kept hoping I'd find my miracle. That's when I found Dr. Fowler's website. The testimonials written by other women filled me with hope. I decided to fly to AZ from TX, and I was so relieved upon meeting Dr. Fowler. He was the first doctor I spoke with who told me that I wasn't crazy and even better, that he could help fix me. After that first appointment, I was diligent with the entire regimen. At my first four-month check-up, I saw a 20% improvement in my symptoms

and vaginal health. By my first-year check-up, I was **99% percent improved**. **I truly got my life back** when I made the decision to visit Dr. Fowler, it was worth every trip and every penny. My boyfriend has been with me through the whole experience, and he recently remarked that I'm like a different person. For several years, during my worst period, I mentioned my symptoms every day, and I cried all the time. Now I never have a reason to talk about my vagina or my symptoms. I wish any woman who experiences something similar could find Dr. Fowler and get the help he can provide. **E. Plano, TX.**

I had experienced severe pain with intercourse and the insertion of feminine hygiene products ever since I first attempted those activities. I went to multiple doctors in several states who tried different protocols on me. The feeling of strong burning and the sharp stabbing pain never subsided with their methods and I felt I was doomed to forever deal with this unbearable pain and my relationships suffered as a result. Who wants to be with someone who is "broken"? I found Dr. Fowler when I searched for vulvar pain specialists online. I visited him and was pleased with how much he understood what I was going through. I went from being told by others that "the pain was purely psychological" to Dr. Fowler's saying, "I understand. It's your vaginal flora that are imbalanced". I first noticed a reduction in the burning feeling initially following his sensitive skin protocol. When he prescribed me the full regimen for my ailment, the results came after 2-3 months. **I can't tell you how much better I feel** and how this is reflected in my self-confidence! I can be normal, pain- free, and have a normal relationship! Finally, a Doctor and specialist who knew how to help me!! Ladies, please listen to me--he will help you, he is compassionate, he won't say that it's in your head. Dr. Fowler will give you relief and give you hope! **J. Salt Lake City, UT**

After suffering from debilitating and embarrassing vaginal pain for about 12 years, Dr. Fowler has FINALLY **given me my life back.** Prior to discovering FGI, I was feeling as though I was doomed to severe and raw pain for the absolute rest of my life. My local medical team had all but given up on me and seemed to have cast me aside as a suspected "drug seeker." Then, a support group friend suggested Dr.Fowler's services as they had changed her life. It was amazing to meet with a doctor who seemed to really, honestly believe the degree to which I was suffering. Dr. Fowler actually called me as he reviewed my application to offer me encouraging words. Plus, it's completely affordable, which is actually amazing after the thousands I've spent on testing and treatments that did not work. The assessment is largely painless, and you get your results in about 15 minutes. It was amazing to actually have a real, observable diagnosis in a matter of moments. Nothing has been more validating and hope-inducing than having a meaningful and real diagnosis. Treatment has been mostly painless, though there is some discomfort in the beginning. The treatment is also very affordable. If you have been suffering from any degree of vaginal pain, please consider using FGI. It will likely change your life! **C. Tuscon, AZ**

Before I came to Dr. Fowler's practice I had suffered with painful sex for three years, which then led to intolerable sex. I had met with many doctors prior, who all had no answers or guidance to help. I found Dr. Fowler by relentlessly searching for what my problem could be, and I am so glad I found him. Don't disregard his reviews from clients as "the lucky ones." I was skeptical,

but I stuck with the regimens, and after 5 months, I am at least **80% better.** I am beyond ecstatic that I no longer feel constant burning or pain when my fiancé and I engage in sex. Dr. Fowler has **changed my life**, and he can help you too. **R. Mesa, AZ**

Wonderful news! **I'm 80-100% better.** I am 41 years old. It has been one year following Dr. Fowler's protocol. It is my pleasure to write this review for Dr. Fowler. He has a methodology that works. He is the expert. Please believe me with all your heart. You will get better. The pain will go away. Take it one day at a time. **S. Payson, AZ**

I am a 45-year-old woman who struggled for years with what I thought was a reoccurring yeast infection. I went to several gynecologists only to hear that it must be all in my head. I always felt off and had burning and discomfort. After finally hearing about Dr. Fowler, I set up an appointment and met with him. We tried several different protocol dosing and finally found the perfect match. **I'm 100%** back to my normal self and symptom-free! Thank you, Dr. Fowler for getting me back to myself. **K. Phoenix, AZ**

I am so thankful I found Dr. Fowler over two years ago. Months after delivering my second child, I began to have a lot of discharge accompanied by burning and itching at the vaginal opening. Sex with my husband was not possible without repercussions or worsening of symptoms. Tests at my regular ob-gyn came back positive for a high bacterial count, and I was put on antibiotics. This would help temporarily and the problem would always return. I was on antibiotics pretty regularly for close to 7 months before I started to research solutions. I knew that the long-term antibiotic use was not ideal and was most likely making my problem worse by getting rid of the beneficial bacteria in my body. Within a few months after seeing Dr. Fowler, my symptoms improved by 80%, and by 8 months, I was **100% better** and have remained symptom-free for the last two years. If you have had problems for years and have lost hope, please come see Dr. Fowler. It is worth the trip:) I don't believe there is anyone better at helping with these issues. **K. Southlake, TX**

I was struggling with multiple symptoms for 8 months, and I was concerned that all may be lost as my primary care doctor was not helping me. I went online to see if there was any chance I could find a solution. Dr. Fowler had been my gynecologist at Mayo several years ago. I did not know where he had gone when he left Mayo Clinic. I was thrilled to discover his website and to see how many women he was helping. Without hesitation, I filled out the questionnaire and set up an appointment. I always feel comfortable talking to Dr. Fowler. He has extensive knowledge of this subject and is a terrific person. After 7 months of treatment, I'm now **90% better**. Thanks for making my love life possible again, Dr. Fowler!! **E. Goodyear, AZ**

I have struggled with ongoing vaginal infections (BV/yeast) intermittently for 3 years, then had a consistent vaginal infection for 4 years along with a slue of new food allergies. I tried everything before seeing Dr. Fowler, including seeking alternative medicine (naturopathic supplements, garlic, etc), and nothing worked. I might see temporary relief; however, within a day the infection (along with burning/discharge) had returned. Clearly, there was some underlying condition affecting my vaginal sensitivity. However, no OBGYN was able to accurately diagnose

me. I was up late one-night reading blogs of women who had similar vaginal symptoms when I came across Dr. Fowler's name. I made an appointment and immediately I felt some sense of relief after that first visit. He placed me on a customized treatment protocol and one year later I am **100% bette**r, my food allergies have cleared and I am getting married next month. Occasionally, I might feel some symptoms if I drink too much coffee, but these quickly resolve when I consume less and continue with the recommended treatment plan. Dr. Fowler has completely changed my life and I am so grateful for everything he has done! **N. Scottsdale, AZ**

I have been a patient of Dr Fowler for 4 years. It took me several years to find a doctor who could find out why I was in such awful pain. I burnt constantly. The pain was awful. It felt like I had a urinary infection x 10. I had made the decision to go to the Mayo Clinic in Phoenix. It was my last option... they referred me to see Dr Fowler. He had worked at the Mayo Clinic for years and left to open his own practice, which specialized in gyn medical issues like mine. I had spent thousands of dollars seeing multiple doctors, 10 or more, who told me all of the tests were negative. I was honestly scared to see one more doctor who would make me feel crazy. It was emotionally draining. He was the first doctor who found the problem. It took me a full year to fully recover. I'd been **100% better** for 3 years. I see him yearly to re-test my fluids and keep me on track. If you are looking for relief, see Dr. Fowler.... he changed my life! **B. Boulder, NV**

Two months ago, I arrived at Dr. Fowler's office in pain and generally miserable. I had been to three doctors and none could diagnose or help with my situation.....it was very frustrating! I was having burning, redness and marked swelling. It was itching so much I could not stop scratching. Today, I am back for a follow-up and I am **no longer in pain** and well on the way to recovery! **E. Sedona, AZ**

I've suffered from vulvodynia for 35 years. I've seen a plethora of doctors, so many I've lost count. It's at least 100 doctors. I've spent enough money on homeopaths, natural- paths, acupuncture, physical therapy, supplements, shamans, and allopathic doctors to buy a house. The good news is I finally found Doctor Fowler while scouring the internet in a desperate search for relief. And relief is what I've found. Finally, an expert in this silent, misunderstood, and misdiagnosed syndrome. **I now live free of chronic vaginal and vestibular burning**. I'm not sexually active, but I believe I will be able to engage when the day comes that I'm no longer single. I will continue to see Dr. Fowler for my follow-ups and ongoing care. Dr. Fowler takes the guesswork out of the equation and tailor-makes the right protocol for you. Don't give up! **C. Ventura, CA**

Today, I saw Dr. Fowler for a 10-month check-up. I have followed my protocol almost exactly to the instructions. I had not been sexually active in 8 years prior until after 3 months of new treatments and some dilators from Dr Fowler. I am 64 years old. Today, I am joyous that I have **improved by 80%** and having great sex! I highly recommend Dr. Fowler to anyone suffering from LS! I went to 5 physicians before finally getting the right protocol. Some had me on extremely strong steroids, and some wanted me to use the lasers. I even went to an oncologist because I was so fearful I had cancer per my PCP because I had let the LS go so long. I ride horses and my condition was to the point that sometimes after a ride I would be so sore I didn't

know what to do! I would have cracks in the white skin of the vulva with deep fissures, peeling skin, and excruciating pain during urination if it got on the cracks. I thought my intimate life was over! This caused great tension in my marriage of 8 years and then 8 years w/o relations now divorcing after 16 years of marriage because we lost touch with each other. I have a new partner who is following my protocol as well and is very careful with me. We have a wonderful life together intimately. I am so happy to have found Dr. Fowler on the internet as he has **given me my life back! P. Phoenix, AZ**

Living in Mexico City, I suffered for three years from Vulvodynia. I was checked in those three years with many Doctors in Mexico and also in Houston Texas without any result. Searching the internet I found Dr. Fowler's website and I decided to fly to Phoenix. I came to see him first in February 2017. I started the treatment in March and one and half months after I started, I began to feel much better. Now 5 months later I feel about **98% better.** I am so grateful to Dr. FOWLER as I had this pain for so long time I didn't want to do anything. Now, I am living very happily, and **I returned to life again**. **R. Mexico City, Mexico**

I had the acute onset of intense vaginal burning and itching. This was not the typical itching with a yeast infection. I felt like I was exposed to a vaginal torch - it was excruciating. My GYN treated it with estrogen products, which did nothing to relieve the symptoms. I went to the internet and found Dr. Fowler and quickly made an appointment. If his office had been located in Siberia, I would have travelled there. After a year (one visit to Scottsdale and submitting a lab specimen by mail at 6 months) I would estimate my symptoms have **resolved by 80%**. There are no words to express my gratitude for Dr. Fowler's practice. **D. Kensington, MD**

I found Dr. Fowler 3.5 years ago on the internet to help with my extreme discomfort and vaginal leaking. I found him after seeing many doctors who could not diagnose my condition. He saw me immediately and prescribed a course of treatment that I can thankfully say has **resolved my issues 100%**. I can have painless sex again and can put behind me all of the discomfort and pain that I was experiencing on a daily basis. **P. Scottsdale, AZ**

I started having yeast and bacterial infections for the first time 2 years ago. I was constantly at my gynecologist's office for relief. She could not figure out what the issue was and referred me to another specialist. That specialist too, was at a loss. I was not only frustrated but was starting to get depressed due to the constant pain and irritation. I then decided to switch doctors and went to the Mayo Clinic. My new gynecologist at Mayo recommended I see Dr. Fowler in his private, who specializes in Vulvovaginal issues. After meeting with Dr. Fowler he explained to me exactly what was wrong and what our game plan was going forward. I left the office with such a sense of relief. I had been dealing with these issues for two years and I finally had a solution. Within 2 weeks of treatment I finally started to see results. After 3-5 months I was 60% better and within a year I am now **95% better**. The summer in Arizona is extremely hot, and I have slight itching occasionally in the summer months, but I anticipate that resolving too. Dr. Fowler is by far one of the best Vulvovaginal specialists in the country. He figured out in 1 visit what 3 different doctors could not figure out over 2 years. I would highly recommend anyone having

issues meet with Dr. Fowler. You will leave with an understanding of your issues, a game plan and peace of mind. Dr. Fowler changed my life!!!! **J. Scottsdale, AZ**

About 2 years ago I developed a persistent vaginal burning following several rounds of antibiotics for dental work. I saw several doctors who did not help me before finding Dr. Fowler. I found Dr. Fowler online. I have been a patient of Dr. Fowler's for about 15 months, and I am approximately **80% better** and continuing to improve each time we adjust my medication. In my case, this hasn't been a quick fix and patients will need to understand that they need to stick with treatment and let Dr. Fowler adjust the dosage of the medications until your body responds. Unfortunately, one size does not fit all, as with any medical treatment. I am confident that with help from Dr. Fowler's daily hygiene protocol combined with the medications, I will be feeling 100% in the near future. This is a real, science-based treatment cure for this condition. I would highly recommend you see Dr. Fowler if you have had similar issues. **H. Phoenix, AZ**

I went through several doctors before finding Fowler Gyn International. I was having chronic bacterial infections that would come right back after traditional treatments. After a few years of research, I decided to give FGI a try. I am nearing the end of my treatment and I am ecstatic to see an **80 % reduction** in all my symptoms within a year of starting his protocol. Dr. Fowler advises to be patient as treatment takes a while to see results, but it is so worth the wait! **A. Las Vegas**

I've had recurring yeast infections for the past 27 years. My symptoms were itching, dryness, discharge, rawness, odor, irritability, etc. I have seen countless doctors over the years so many I can't count on my two hands. Each doctor would prescribe the usual OTC meds. I also tried boric acid, which didn't work, and other medications, which took away the symptoms, but it always came back. Most recently, I tried Diflucan on an ongoing basis, but the yeast always came back. I'd given up hope that I'd ever be normal when I found Dr. Fowler online and decided to give him a try. I am SO GLAD I did! After only a few weeks following my first visit with him using his hypocontactant regimen and the medications he prescribed, I felt 40% better. He told me I had vulvodynia, and lichen sclerosis, which no doctor has ever told me. After 4 months of treatment, I feel **80% better** and have hope that I will be normal again very soon. I can't thank Dr. Fowler enough. He has changed my world for the better! **L. Wickenburg, AZ**

Prior to seeing Dr. Fowler, I dealt with chronic yeast and bacteria infections for many years. After seeing several OBGYNs for treatment and no results I was referred to Dr. Fowler from my primary OBGYN. I finally decided to make the trip to Scottsdale. After our meeting, Dr. Fowler gave me hope. I was excited to begin treatment. After 4 months of treatment, my yeast and bacteria infections have **improved by 80%**. I am happy with the results I have seen up to this point and look forward to being 100% cured of yeast and bacteria infections. I do wish I had known of Dr. Fowler many years ago. However, I am grateful today for finding him. **M. Tucson, AZ**

I have suffered for about 2 years with pain, burning, itching, discharge, pins and needle feelings, completely raw from the inside out of my vagina. Sex with my fiancee was out of the question. I

saw 31 Doctors with no answers! This is something that was making me not want to live anymore. I was completely miserable with absolutely no hope! I searched for answers day and night for hours upon hours and ran across Dr. Fowler's name a few times. Being as miserable as I was, I was willing to do or see anyone who might be able to help. I took a chance and flew to see him at his office in Phoenix, AZ and it's been about a year of treatment under Dr. Fowler's care, and I finally **have my life back!** If you are someone who's walking in my shoes and have these issues, please do yourself a favor and do whatever it takes to come and get yourself seen and treated by him. You will get your life back and be able to move forward! Put the suffering to an end and get back to being happy again. Put your trust in Him and His staff and you will be 110% satisfied. This has truly been a miracle!!! **E. Riverside, CA**

I met Dr Fowler about two years ago. I had seen my Gynecologists a number of times for a burning sensation. Nothing he recommended helped. I met a former patient of Dr. Fowler's and she referred me to him. I was put on the protocol program and we worked with it for a number of months and **I went from 5% relief to 100% relief**. I was symptom-free for a year and a half until I didn't bother to refill the medicine, and then the symptoms started to come back. Now I'm back on protocol. I would highly recommend Dr. Fowler. **J. Phoenix, AZ**

I'm so glad that I found Dr Fowler! I was suffering on the couch for 2 months with extreme pain. It felt like a fire and it throbbed without any stimulation. I was unable to have any kind of normal activity, including sitting even for 5 minutes, exercise, and intercourse. Another doctor had diagnosed and treated me incorrectly. I found Dr Fowler on the web, and I'm so blessed that I did. With his treatment, I'm **60% better** already, just after 4 months. I would highly recommend him! **L. Scottsdale, AZ**

I started with slight burning in the vaginal area, I hadn't had intercourse for at least two years until I started to date my recent boyfriend, and then the unbearable pain and burning started. I was confused and also I started to blame him for it. I went to several doctors and even to the emergency room because even my ovaries felt inflamed with lots of vaginal discharge. We had a lot of stress and misunderstandings, and my boyfriend thinking the worst. The doctors end up with the same results. Bacterial infections / and or fungi. The same medications and, after that, another infection. It was like a vicious cycle. I got very depressed. I started to think that this vaginal problem was just in my mind, as some of the doctors said. I just can't believe that no one understood me until I saw Dr Fowler's website. And I stopped feeling alone on this, knowing that there were other women like me suffering. One thing that impressed me about Doctor Fowler is how personal he is. He didn't see me as a number. Now, I have been on the treatment for 6 months, and finally, finally, I'm feeling normal again. One thing that helped me recover fast is to be consistent with that treatment. For me, the start of relief started within a few weeks. I could **feel the burning going away**. And I can tell Dr Fowler I have told my testimony to the people who knew my problem. It's like a miracle for me. And if I have the chance to help other women, I will. Referring them to Dr Fowler. Another thing, I have to thank my boyfriend for sticking with me on this and the love and support. Our relationship is stronger. And our sex life is amazing. Well, from the bottom of my heart, thank you so much, Doctor. I don't know how else

to express my appreciation, but God bless you for truly caring for a woman like this. **M. Antioch, CA**

Painful itching, swelling, and soreness made every day uncomfortable and unbearable. It also affected my sex life and caused it to be nonexistent or painful. This had been occurring along with a yeast infection monthly, requiring antibiotics that only provided temporary relief. I was referred to Dr. Fowler by my gynecologist. After 4 months of treatment, I am **50% bette**r, and the unbearable days are now few and far between. I'm also **able to have a sex life once again** that is **not painful**. I definitely recommend Dr. Fowler as I felt as if there would never be any relief and through his treatments and protocol, he has shown me it is possible. **A. Phoenix, AZ**

Being a type 1 diabetic can present a wide variety of health challenges. The most prominent for me was the recurrent vaginal discomfort and discharge that seemed to be a constant infection that never died. Dr. Fowler's specialized treatments were an answer to over 7 years of prayers and trying to live with vaginal pain and burning. After the treatment course, I have had **no signs or symptoms** and can actually **live a life without fear now**. **Dr. Fowler saved my life,** and I hope that many other women will find this as encouragement and the end to a final journey in search of relief. **E. Bristol, VA**

Dr. Fowler is literally the best doctor on the planet. I started out with what I thought was a really bad UTI - dryness, pain, soreness, urinary frequency/urgency, itchiness - I could not walk due to the pain as it even went up into my kidneys! I then went to the ER at Mayo Clinic in AZ, and they prescribed antibiotics, which did not work (as I found out later, I didn't really even have a UTI). I also had to stop taking the bc pill, as I believe this is what caused all of this in the first place. After several visits to my gynecologist at Mayo and many unnecessary tests, I was told I had nothing more than vaginal atrophy and lichen sclerosis. Although he was on the right track, I was still in pain and knew I needed a specialist. That's when I contacted Dr. Fowler. After agreeing to see me, he diagnosed me with inflammatory vaginitis and confirmed my Lichen Sclerosis. It was depressing, but at least I had a diagnosis. However, after 4 months of his protocol, I did not improve much, so I was very discouraged, but I knew I had to be patient. After tweaking my protocol and after another 6 months, I can say I am now **60-70% better!** My advice to all women struggling with these disorders is to be patient and not let it overtake your mind. You will get better - it may not happen immediately - but you will! I can now take long walks again, exercise, sit, etc. I still struggle with urethral irritation and urinary issues, but I know in time that will get better, too. I will just stay the course. Thank you, Dr. Fowler! **C. Peoria, AZ**

I was diagnosed with Lichen Sclerosus in 1997 and suffered from symptoms of itching, cracking, fusing of the labial tissues, and painful cracking during intercourse. I was treated with testosterone cream and various other steroids, which did not help. About two years ago, I was referred to Dr. Fowler and his protocol and treatments have **completely helped me!** I am so grateful to say that all the symptoms are gone! Many thanks to Dr. Fowler, I could not give him a higher recommendation! **N. Phoenix, Az**

I came to Dr. Fowler about four months ago when I was just about to lose hope. I had recurrent bacterial vaginosis and yeast infections for almost a year. I was in constant pain with burning and itching and was in my OBGYN office every month for antibiotics. Nothing seemed to help me, and it was ruining my life. The pain was so bad at times I was in tears when I had to use the restroom. I was afraid to have intercourse, go to the gym, or even wear underwear. My OBGYN recommended Dr. Fowler and I finally feel like I have hope again. I am four months into treatment and feeling 60% better. I immediately felt a significant difference when I started his treatment plan. I **no longer have the constant burning pain** and my tenderness and itching have improved significantly. I have good days and bad days but overall, I feel a **huge improvement** from where I started. I have faith that with Dr. Fowler's treatment plan I will finally be able to be normal again. **M. Peoria, AZ**

Vulvodynia is a seriously life-altering condition that goes beyond words in how debilitating it was for my life partner. The pain and itching were unbearable the depression deep and unyielding. I had to give her hope every day, even when there seemed to be none. Dr Fowler's world-class treatment **saved her life.** Suppose you are at all wondering if this will actually work when nothing seems to, don't hesitate. **All the reviews on the website are accurate**. I can testify from my personal experience that when there is no hope call Dr Fowler. Husband of patient **J. Payson, Az**

Prior to finding Dr. Fowler, I suffered from constant white discharge, vaginal odor and an unbalanced pH level that persistently came back no matter how many rounds of BV medicine my primary doctor was prescribing to me. The biggest problem was that I felt wet all the time and between that and the odor it made me feel self- conscious. So I decided to take matters into my own hands and began researching doctors who specialized in treatments for my symptoms, and that is when I came across Dr. Fowler's practice. After using his treatment plan for approximately 6 months I already feel better and have noticed a tremendous difference in my symptoms. Overall, I feel about **85% better**. It feels wonderful to know I have a doctor who is actually tackling the problem and analyzing the root of the problem rather than prescribing me medicine that would keep the symptoms at bay for only a month. I truly thought I was going to have to continue living the rest of my life, paying money every month for medicine. With Dr. Fowler's treatment, that will no longer be the case and I'm looking forward to living my life symptom-free! Thank you Dr. Fowler and to your wonderful staff as well. **C. Fuller, Phoenix, AZ.**

I am very glad I found Dr. Fowler. My regular gynecologist was at a loss as to what to do with me. I had burns, itching and tearing near the vaginal opening. I was very uncomfortable. Dr Fowler diagnosed me with inflammatory vaginitis and lichen sclerosis. My symptoms improved by **about 80%** within a couple of months of starting treatment. The estrogen cream has given me back my normal vaginal health and functioning. The lichen sclerosus resolved with the treatment as well. Very happy with the services. **S. Phoenix, AZ**

For over a year, I was having problems with vaginal burning and white discharge and I never felt right. I had gone to different doctors having test after test, and I was not getting better. I was told

either it was a yeast infection or nothing was there and to soak in a tub. So I decided to start looking on the web to find someone who could help me. I did a search on my symptoms and came across Dr. Fowler, and I decided to call. I have to say it was the best call I ever made after going through what I was going through for months. I finally found someone who could help me. Now, after 12 months of treatment, **I feel normal again**. It's amazing! To think it was just a phone call away!! Many thanks to Dr. Fowler for helping me to understand what I had and how to fix it. **R. Glendale, Az**

If you find yourself in Dr. Fowler's office you have come to the right place. With a diagnosis in hand and a treatment plan to follow I knew I was finally getting somewhere. My best advice to you is to be patient!!!! This takes time but you will see progress and you will feel better. For me I really started noticing the difference between the fourth and fifth months. His notes are bang-on and describe exactly what it is like your pain will wax and wane. When I did have bad moments, I would call for advice and he would always return my calls and give me guidance and support. Relax.....take a deep breath....sigh it out.....you will find relief...I did. This is how I described my condition and mental state when I first came to see Dr. Fowler: It is a constant nagging burning/ raw pain considerably worse on the left than on the right. It has robbed me of any joy from the physical activities that I used to love; even yoga can't completely get my mind off of it. I have considered suicide. This was when it was really bad for 7 months, rather than continue with the level of pain I began with. Initially, when it started, I had urinary urgency and burning with urination to the point I had to pour water over myself while I urinated. NOW, I'm **80-90% better** at 5 months on the treatment protocol. I'm just so happy and hopeful for continuing recovery and a great future thanks to Dr. Fowler. **C. Princeton, Ontario, Canada.**

I had symptoms starting in November of 2016 and was diagnosed with Lichen Sclerosus in January of 2017. My symptoms of itching, burning and discoloration were extremely distressing and seriously impacting my life. In my research, I found a lot of conflicting information, but I was lucky enough to find Fowler Gyn International's website and make an in-person appointment. Following Dr. Fowler's protocol, I improved over a few months and am happy to state that as of May 2017, both my general gynecologist and Dr. Fowler found no signs of LS. I am **symptom- free** and grateful to Dr. Fowler and his staff. **S. Paradise Valley, AZ**

I have dealt with this condition for over 20 years not knowing what it was really called. The doctors I saw in the past always said it was a yeast infection or something vague. Physical Therapy would help but I would still be symptomatic. It would take me weeks to get better and always leave me dreading the next time something would flare up. Then finally within the last two years, nothing would help. Countless doctor visits and various topical ointments did nothing to alleviate my symptoms or my misery. I started doing research and found Dr. Fowler in social media chat groups. It took me a year to get up the courage to take the plunge and visit him in Phoenix. In 2016, I did just that. I booked an appointment and haven't been the same since. I started his protocol and followed it exactly. In 4 months I was 60% better and now at 10 months I'm feeling **80% better.** I feel like **I have the quality of life** and optimism now and for the future. If you have tried everything and still have no answers why not see Dr. Fowler and give

him a chance? I thank God every day for Dr. Fowler and the opportunity to be on his treatment. **J. Barrington, IL.**

I was seen by Dr. Fowler's practice after coming by his program online in a desperate search for some relief from vaginal pain, burning, and discharge. I have been to many doctors and have told many different things over the past few years. I would only have temporary relief from symptoms. Frustrated and feeling I was going insane, I began Dr. Fowler's hypocontactant hygienic products 1 month prior to seeing him for the first time and already have achieved **30% relief of symptoms!** I can only look forward to more improvement now that I am starting on the main protocol after my specialized testing. I look forward to a life of some sort of normalcy and sanity. **S. Great Falls, MT**

When I first saw Dr. Fowler, it was only 4 months before I was supposed to get married. I had been experiencing vaginal pain intermittently for a year and a half and had completely stopped having sex months before I was referred by my OB- GYN to find a specialist. I was so stressed about what I was going to do to be able to enjoy my wedding night. I went forward with the protocol and achieved amazing results. By my wedding, we were able to have sex, though it was still slightly uncomfortable. By 7 months, I was almost **80% better**, and for about a year afterward, I was able to have enjoyable sex 1-2 times a week! But, then, due to circumstances in my life at the time, I wasn't able to follow up for continued care and slowly stopped the estrogen. It was a horrible mistake as a few months later, my symptoms started worsening again. I was able to finally schedule a follow-up a year and a half later and am very optimistic because I know the results that can be achieved this time. Dr. Fowler is a miracle worker! **R. Chandler, AZ**

Four months ago, this was my reality: I am constantly wet from discharge and feel self-conscious because sometimes the wetness from the discharge will soak my underwear and slightly go through my pants. I am always uncomfortable because it's a constant issue that repeated antibiotics and holistic treatments are not resolving. It is very costly for a college student to continue tests and treatments. I feel gross and do not want to conduct sexual activities. It's a dull but continuous itch/discomfort where I am always aware of and thinking about the issue... Now, because of the understanding and treatment by Dr. Fowler, I feel **80% better. My symptoms are minimal**. I don't think about it and am not as self-conscious about my vagina. I feel confident that my issue with IV can be fully resolved and I can get back to living my life normally. I'm beyond grateful for Dr. Fowler's knowledge and help! **C. Fountain Hills, AZ**

I had been in a lot of pain, discomfort, and itchiness before I went to see Dr. Fowler. I was always having problems with yeast and bacterial infections as I grew up as a child. By the time I turned 19 years of age, it had gotten so bad that I would always be at my doctor's and being prescribed medication that used to get rid of the symptoms I was experiencing. After a few more years I had gotten so bad that I had told my doctor that the medication no longer makes my symptoms cease and that I don't know what is wrong with me. They simply told me that some women are just prone to having reoccurring bacterial infections and that there was nothing else they could do any different than what they have been doing. I then started using all kinds of home remedies to help me. I noticed Monistat, which I used for yeast infections, started to make

my symptoms worse. I then remembered the day I sat on the edge of my bed and I cried about how out of hand this was getting. My soon-to-be husband walked into the room and saw how upset I was and he sat down beside me. I told him how this problem I have would mean that when we get married, I don't know that we can even make love for how much I hurt all the time. He looked at me and told me that everything was going to be ok and that whatever we had to do we would do to see that we figure it out. He encouraged me to look for a specialist to see what was wrong and that there had to be a deeper cause for it that my current doctors couldn't cure. I got up from my bed, and I searched online for specialists that deal with women who have my symptoms. I found Dr. Fowler's website. I read testimonials, and then I read of all the different types of conditions women struggle with that most doctors can't diagnose because of the lack of lab equipment they have. So I talked to my fiancé and we made the decision to fill out new patient forms to get a call from Dr. Fowler himself. As I told Dr. Fowler my symptoms and how I heard about him, he seemed to know exactly what I was talking about. Then, I made an appointment to see Dr. Fowler. My fiancé and I drove all the way from Alabama to Arizona to see Dr. Fowler. When we got there he was very nice, and he gave me a very clear diagnosis of my symptoms. He explained to me that I had inflammatory vaginitis. Then, he started me on the road to recovery. The news I got was a relief to me that I didn't have to live in so much pain for the rest of my life. He sent me home with some very detailed orders I must follow, and I have to say that I experienced relief from my symptoms after the first month. Thank you, Dr. Fowler, for all the studies, time, and hard work you put in to help people like me. Now a year out, I am excited to share with everyone that I am about **90% better**. I continue to follow up with seeing Dr. Fowler to continue in the right course of recovery. I feel better, and I am a lot more confident in myself and also in my ability to do more in my life. Thank you, Dr. Fowler, for all that you do to help all of us women. **J. Gadsden, AL**

I have known Dr. Fowler for over 25 years. He was my gynecologist at the Mayo Clinic, dating back to when he started there. He looked like a Boy Scout back then. I have continued to follow him to this day. He has always fixed my situations along the way and continues to make things better for me. In regard to my vulvar condition, I have remained **asymptomatic for years**. I would recommend him to all women who are unsure if they are having a problem down there. He is quick and tells you immediately what your vulvovaginal condition is and how to fix it and feel great. **S. Scottsdale, AZ**

Before I found Dr. Fowler, I had vaginal discharge and odor that was affecting my personal life, at work as well as in the bedroom. I could smell myself, and so could my co-workers and sex partners. I knew I needed to find someone who could help since there were several failed attempts at my regular OB-GYN. I found Dr. Fowler on Google and was very thankful. Two months into Dr. Fowler's regimen, I was **100% better,** with no more odor or discharge, and continued to be asymptomatic. Thanks so much, Dr. Fowler! **A. Scottsdale, Az**

After many visits to my OBGYN with no resolve, I was relieved to finally be referred to Dr. Fowler. I was in so much pain that I could not even have clothing touching my vagina without it being extremely uncomfortable. It kept me from doing daily things that I enjoyed. After my first

visit with Dr. Fowler, I was committed to the treatment protocol and followed it extremely closely- I wasn't expecting results quickly but found that I was **feeling so much better** after only a few weeks. I could work out again, wear real clothes, go out in public without feeling in extreme pain and be intimate again with my husband comfortably. I was at a point before seeing Dr. Fowler that I would never be "normal" or be without burning pain ever again. I am so thankful for the treatment and told my OB that he is "my favorite person EVER!" **B. Peoria, Az**

I have had Lichen Sclerosus for approximately 5 years. Regular use of Clobetasol for the first 3 years eliminated my symptoms. Clobetasol has not worked for the last 2 years. I have had chronic vaginal discharge that caused constant irritation, burning, and itching. It had become extremely challenging to be active, wear pants or jeans, or even sit at work. I have seen 2 local doctors in Kansas with little to no relief (other than the original LS diagnosis). I found Dr. Fowler's website and decided to purchase the hypocontactant product package before my scheduled appointment in 1 month. I began using this regimen exactly as directed upon receiving it in the mail. I noticed a significant improvement within 1 week. At this point, my symptoms are **50-60% better** before even starting the main vaginal treatment. Not only was this a physical relief but also a huge psychological relief. Finally - some hope to feel better and "normal." **K. Overland Park, KS.**

"I heard about Dr. Fowler from a fellow Kaiser nurse whom I work with, and she mentioned the symptoms that she had before she visited with Dr Fowler. My symptoms were very similar, that being pain when having intercourse, vaginal dryness, and little cuts and cracks on the skin between the labia. I was diagnosed with Lichen Sclerosus by my GYN, but was only given a cream to take care of it. It didn't go away, and there really wasn't any concern by the physician or need for any follow-up. After I heard about Dr. Fowler I made an appointment right away, after reading about his success rate, and knew I had to do something about it. After the first visit following all of his instructions on special things I needed to change in my daily life and the vaginal and vulvar treatment, by the second visit in 4 months, I was already 80% better. What a difference it made in my life. Now 8 months later, I'm **100% better** and not afraid to have a relationship with men again. I would highly recommend any woman with similar symptoms to not give up and go see Dr. Fowler." **S. Navato, CA**

Symptoms of constant vaginal burning and irritation caused me so much stress and worry and anxiety. It affected my life so much that I stopped doing the things I enjoyed like working out and meeting with friends. I got so depressed over my symptoms that I believed I had contracted an incurable disease and no one was going to able to help me. I had seen a number of doctors who could not find out what was wrong with me. I felt so alone and worried about what this could be and how much it was affecting my life. It consumed me every day. My gynecologist in El Paso recommended I see Dr. Fowler in Phoenix and thank God I did! It has been 5 months since I first saw him and my symptoms have improved overall by 80%. He diagnosed me with inflammatory vaginitis. I followed his treatment protocol and I'm seeing and **feeling major improvements in my symptoms** and my life. I am working out again and enjoying time with my family and friends. I feel I'm back to my normal self. I don't constantly think about it like I

used to. I know with Dr. Fowler's help, I will eventually get back to being 100% free from this." **E. El Paso, Texas**

“I started having extreme itching, burning, and pain during intercourse about 8 years ago. The skin on my vagina was red. I felt on fire most of the time, like I was having a yeast infection. My doctors gave me steroid creams and anti-depressant medication. That didn't work. I tried every kind of home remedy for yeast infections and for vulvodynia. Nothing worked. I was miserable. I couldn't have sex, couldn't stand without being itchy and nothing was fixing it. I started searching for specialists that dealt with vulvodynia and chronic yeast infections. I found Dr. Fowler just by searching around on the internet and I liked all the reviews on his website before I saw him. I even started using the specified soaps and lotions he recommends on his website; I couldn't believe the difference just from that. I travelled to Arizona to see him 8 months ago and today, I am 70% better and **100% better** with sexual activity. I finally have a name as to what I have instead of not knowing. The medications he prescribes and the products work so well and I am very happy with my results. I still have a little bit to go before I am fully better. With how I feel now I know that I will get 100% better.” **R. Charlotte, North Carolina.**

“I found Dr. Fowler after doing an intense web search for help with my mystery condition. Almost 1 year prior, I had begun to have heavy discharge and odor. After visiting my doctor, I was told all tests showed no sign of infection. I was given antibiotics as a precaUTIon and sent home. The antibiotics worked for a time but the discharge and odor returned. After seeing 5 other doctors, I was put on long-term Metrogel, which kept symptoms at bay for a while, but then became ineffective. No one could tell me what was going on and why. I found Dr. Fowler one desperate night and decided to just do it. I did! I made an appointment and I remember when he called me for a pre-evaluation. I'll never forget his words that gave me so much hope..."Let's get you healed." That was what I needed to hear shortly after I was on a flight to AZ. It has been 4 months on his protocol and although I am not 100% yet, I am so thankful and happy with my progress. I have so much more confidence and am **so much more normal** than I was the year prior. I am extremely grateful and very happy with the help I am receiving. He has been a Godsend.” **R. Live Oak, Tx.**

'For over 3 years I was dealing with inching, burning, discharge and tearing during intercourse. I went to 3 different gynecologists and no one could figure out what was causing these symptoms. Eventually, I was referred to Dr. Fowler by a gynecologist after dealing with test after test. Dr. Fowler diagnosed lichen sclerosis and vulvar contact dermatitis. The feeling of relief after getting a diagnosis alone brought me to tears. And after 4 months on his regimen my itching, burning and discharge were 50% better. Now after a year **I feel 100%**. I can't thank Dr. Fowler enough for what he has done for me. Not only am I symptom-free but now I can have a healthy and happy sexual relationship with my significant other.' **C. Phoenix, Az**

“Before I found Dr Fowler, I had been suffering from vaginal discharge with a foul odor, itching and burning. I went to 3 different doctors and tried 10+ medications, all with no resolution of my symptoms. I was beyond frustrated at multiple failed treatments and thought I would never find a solution! My husband, although very supportive, was also very frustrated! When you have this

problem it definitely puts a damper on your sex life. Out of desperation, I did an internet search and found Dr. Fowler. I had to fly 4 hours to Arizona but at that point I was willing to do anything. Within 2 months my symptoms were gone! The protocol I was placed on has kept me absolutely **symptom-free**. When no one else was able to help, ¦Dr. Fowler **cured me**! My friends and co-workers think I'm crazy for flying to Arizona for a doctor's appointment but it is WELL worth it to fix my problem!" **R. Fremont, Nebraska**

"I had been suffering with a raw, burning vagina for 4 months before I found Dr. Fowler. I had visited my gynecologist a total of 6 times, who treated my symptoms as everything from a yeast infection to an overgrowth of "good" bacteria. After nothing seemed to work, she finally told me that the pain may be in my "head" because the tests showed that nothing was wrong with me. Meanwhile, the burning and raw pain profoundly impeded my lifestyle in a physical, mental, and emotional manner. Physically, I was unable to exercise, sit in certain positions, wear certain clothing, and engage in sexual intercourse because the pain was too intense. Emotionally and mentally, the pain consumed my thoughts nearly every moment of the day and caused severe anxiety thinking that I was incurable. After a lucky Google search, I found Dr. Fowler! He immediately knew my condition, put me on a regimen to get better, and gave me hope that everything would be okay. More importantly, he took the time to explain the details of my condition and let me know that I was not alone. After about a year of following his protocol, I am 70% better, with about 10 days a month that I do not even feel/think about my condition. This is a **HUGE improvement** from where I was physically and emotionally a year ago. I am confident that with more time, patience, and compliance with Dr. Fowler's protocol, I will be 100% better, and this will be nothing but a distant memory." **J. Phoenix, Az**

"I developed vestibulodynia 19 years ago after a yeast infection. I saw many doctors who would test me for yeast, BV, etc, but the results always showed negative even though my chronic burning pain persisted. In 2012, I had a full vestibulectomy with the belief the procedure was my last resort and would heal me. However, 6 months later the pain was back, and I also developed bladder pain, frequency, and urgency. I was devastated and thought there was no hope until I found Dr. Fowler through a Google search. He immediately found the root cause of my condition and I started his protocol. At the 8 month mark of his treatment, I improved significantly and now 1 year into his treatment, I am a steady **overall 80%** improvement but the bladder frequency/urgency is **100% resolved**. I can sit, walk, and exercise without pain! I have no doubt that with a slight change in my protocol, I will improve 100%! Dr Fowler truly gave me my life back!" L. Durango, CO

"I cannot say enough great things about Dr. Fowler and how he has helped me. I was in a very painful, on some days debilitating state, with what was diagnosed in Canada as vulvodynia. Over six months, I had seen 3 GPs, 1 Ob/Gyn, 2 acupuncturists, a pelvic floor physiotherapist, and an osteopath, had changed my diet, and was trying every natural supplement I could get my hands on. I was prescribed an anti-convulsant used for seizures and an anti-depressant (which I had never required previously) to try to stop 'nerve pain.' Eventually, I needed the anti- depressant to help my mood since I was so down from all the pain I was having. It hurt to walk, sit, drive, go

to the bathroom, etc, along with anything else you would simply do on a daily basis. The most upsetting part of this was no doctor in Canada (particularly in Edmonton) had any idea how to treat my vaginal pain. The Obgyn told me, "I need to come to terms with my vulvodynia and that will help me deal with it better." I was completely devastated at 35 years old, thinking my life was over without any possibility of getting married and having children, never mind even having sexual intercourse ever again. This problem literally changed my life so negatively and there was nothing any doctor could do to help me. After countless hours online researching, one night, I found Dr. Fowler's website and a sense of hope came over me. It looked like he had helped many women with the same issue! I phoned immediately, left a voicemail and he called me the next day to ask me questions to ensure I was a patient he felt he could help. I took the first available appointment about 3 weeks later. Dr. Fowler diagnosed me with inflammatory vaginitis. I was now with a doctor who knew what I had, was able to treat it and had many years experience with helping other patients like myself. The emotional relief was like nothing I'd ever felt before. I was easily able to get the medications compounded in Edmonton and within 1 month, I had a significant improvement in my symptoms. I told every doctor and other specialists I had seen in Edmonton since none of them had any idea how to treat this. At 4 months, I have returned for my follow-up visit and I am about **70% better.** I would recommend that any woman who is having issues that are affecting her life see Dr. Fowler. For me, the cost of the appointment and medication is priceless, considering that. I am now **substantially better** (and very reasonable, actually). Dr. Fowler is the only doctor to see for this. He has really saved me. Thank you, Dr. Fowler!" **H. Edmonton Alberta, Canada**

"I met Dr. Fowler about 7 years ago when he was still at the Mayo Clinic. I had my first ever yeast infection that wouldn't go away. After 5 different Kaiser doctors and 2 years of my time being told, "It's yeast or it's bacterial," repeatedly and following the medication's instructions exactly, only to have my symptoms return, I was lucky enough to find Dr. Fowler through a Lichen Sclerosis message board where I saw he had a subspecialty in recurrent vaginal infections. I was even told I was "too young and that only menopausal women get LS" by another doctor. At the first meeting with Dr. Fowler told me," I know what you have and we are going to get you feeling better." I was so happy! He set me up with protocol and prescriptions and I was on my way back. I am now at least 5 years running, and **I'm nearly 100%**. I swim, cycle and run with minimal discomfort. All of my symptoms are under control and I am feeling great on a day-to-day basis. Thanks, Dr. Fowler!" **T. San Jose, Ca**

"I started experiencing issues of extreme itchiness and discharge around three years ago. I initially thought it was a yeast infection, but after 2 rounds of Monistat and 3 doctors telling me I didn't have yeast, I was at a loss. My symptoms completely mimicked those of a yeast infection. I was in denial when doctors told me it wasn't yeast. As a college student, it was extremely difficult to live a normal life. I felt uncomfortable walking to class, socializing, and just doing things that average 20- year-old individuals do. The discomfort was so severe that I would spend endless hours crying and researching what I could potentially have. I saw over 10 doctors and even a few specialists who either claimed all of my test results "showed normal" or had no idea what was wrong with me. I would try treatment after treatment with little to no success. I would

describe my symptoms to doctors and I could tell they didn't know what was wrong with me. I finally found Doctor Fowler through one of my many online searches. When I first met with Doctor Fowler, I was extremely skeptical (for I had so many doctors fail me in the past) But my experience with him was different. Upon arrival he did new tests and was able to immediately diagnose me. He seemed to understand what was wrong with me and gave me a protocol. I had to initially tweak some parts of my protocol but now, around a year later I am almost better. I can exercise again, socialize again, and not dread running errands because of discomfort. Instead of feeling an itching sensation once every 5 minutes, I now only feel it maybe 3-4 times a day.... which is a **HUGE improvement** for me. I know I'm not fully better but I will continue to follow my protocol till I am. Thank you so much, Dr. Fowler, for helping me!' '**N. San Francisco, CA**

"Dr. Fowler's **protocol gave me my life back!** I suffered from vaginal rawness, burning, and pain for about three years for which I saw over five specialists, including doctors at Mayo Clinic in Rochester, MN. I was "diagnosed" with IC, vulvodynia, vaginitis, and other vague disorders that didn't really have a cure. After feeling hopeless, a therapist who counseled women dealing with these issues gave me Dr. Fowler's name. Within a few weeks of his recommended protocol, I began to feel a bit better. Within four months, I felt that I improved **sixty percent.** I no longer stay home from social events because of pain and depression. I am **able to function and live my life** thanks to Dr. Fowler and his expert treatment and care. He is kind, understanding, and extremely knowledgeable.

Thanks again!" **L. Byron Center, MI**
"My life was so bad I never told any friends only family knew. I had been feeling this pain for 8 years. It was the worst pain in my life, pain so bad I wished I was dead some days. I looked happy, but no one knew the vaginal pain I was in till one day I went to see my usual hairdresser in Winnipeg, Canada and told her. She had heard of it from another lady who had come to see Dr. Fowler. I booked a ticket the next day. I couldn't wait another second. I came in April and from the first week the redness had gone away. Then the itching resolved and now the burning pain is **getting a lot better**. He has **saved my life**. Dr. Fowler is my hero. I am so happy I have met him and I pray every day that I have found him. Thank you." V. Winnepeg, Canada

"After being diagnosed with Lichen Sclerosus by my OBGYN, she referred me to see Dr. Fowler who specializes in this unpleasant condition. After following the treatment protocol that was prescribed to me by Dr. Fowler, my symptoms **drastically began to improve**. I got to the point where I did not even notice any itching or cracking. The unbearable itching no longer kept me awake at night. I could live my everyday life **without even thinking about this unwanted condition** and the symptoms that came along with it. The Grandma's soaps which are pure and natural also work wonders along with the medications and the exact protocol. This treatment will be a lifesaver to anyone with Lichen Sclerosus." **K. Phoenix, Az**

"After suffering from terrible, unbearable symptoms for over TEN YEARS and being misdiagnosed (and truly not listened to) by several other doctors, I count the lucky stars that I met Dr. Fowler in 2010 at Mayo Clinic! I was very fortunate to have been referred to Dr. Fowler

by a friend. Since many of these symptoms are not easily discussed, even amongst girlfriends, it was very ironic that we were both dealing with the same condition, known as lichen sclerosis. I found that even if doctors had heard of this condition, they did not know how to treat it. Prior to meeting Dr. Fowler, I left three other gynecologists and a dermatologist's office, completely frustrated. I was constantly being diagnosed with "chronic yeast infections," which was not the case. My symptoms included severe redness, itching, and burning. Dr. Fowler began treatment on my first visit to him at the Mayo Clinic, and each time I saw him, my symptoms improved more and more. I am pleased to say that I've been **100% symptom-free** on his regimen for over 4 years and continue to see Dr. Fowler in his private practice. Dr. Fowler was a life-saver to me!!! I would highly encourage anyone dealing with similar stories to contact Fowler Gyn International for an appointment and to meet Dr. Fowler as soon as possible. Thank you, Dr. Fowler!!!!" **S. Gilbert, Az**

"Let me start off by saying "Dr Fowler is heaven sent". I found Dr Fowler on the website after doing my own research. I was so frustrated and depressed about my condition. I was having a very awful chemical smell, with burning and dryness. I previously saw 2 physicians in Las Vegas and was told I was fine and all of my tests were normal. However, it still has this embarrassing smell and burns with dryness.The doctors looked at me as if I was crazy while explaining my symptoms. I saw Dr Fowler in April 2016 and by the time I saw him, I was depressed. Dr Fowler was so understanding. He explained it to me the very same day about my condition. It's now been 6months, and I'm **80% better.** Dr Fowler is a blessing from God. If you're having any vaginal problems, I encourage you to see Dr. Fowler. I can just cry right now. I feel so much better. Thank you so much, Dr Fowler." **K. Las Vegas, Nevada**

"I have seen Dr. Fowler for the past 3 years, and he has seriously changed my life. I have had vulvodynia since I was about age 15. I went to maybe 10-15 different doctors to try and figure out what was going on. None of them knew what it was, and most of them just said to "drink more water." I would miss school and work because I was in so much pain. Some days, I wouldn't even be able to walk. But after I found Dr. Fowler, he knew exactly what was wrong and fixed me up. It is 3 years later and I am about **95% to 99% bette**r. I do not have many flare-ups anymore and I can live my life without worrying. I am so grateful for him and highly suggest you see him if you are having any vaginal problems." **M. Flagstaff, Az.**

"After the second year of our marriage, I noticed this burning and frequency issue every time my husband and I were intimate. I ended up seeing three obgyns (one was a urogynecologist) and four urologists. I was about ready to give up. During those eight years, three miracles came into our lives via IVF. So not only did I live with pain from all the procedures, but I also lived with a constant burn in the vaginal area. I had UTI after UTI, and all the urologist did was place me on more medications. This only triggered more burning. After I had a partial hysterectomy (I kept both ovaries, but that was it), I decided to try the Mona Lisa laser for dryness. I did three rounds with NO relief. The dryness and burning continued, as well as the constant medications for UTIs, then yeast infections, and then burning. I knew that there had to be something wrong with the bacteria in my vagina. One evening, I looked under lower GI flora issues. That is when I came

upon Dr. Fowler's brilliant article all about the different flora and how it must be balanced. Immediately, I searched to see if he was practicing medicine at the time. I found his website, and I felt like my prayers had been answered! After many discussions and phone calls to patients either in treatment or who have finished, I knew Dr. Fowler could help me. My husband knew my background in chemistry, so he decided to book our plane tickets to AZ. Everything made sense to me, finally! During our visit, Dr. Fowler took his time listening to my concerns with compassion and made me feel at ease. All I could think in the back of my brain was, Dr. Fowler is a genius! He truly cares about each patient and will not give up until any issues are cleared up. I followed his skin protocol a month prior to my visit, and once on my protocol at home, I followed it exactly how Dr. Fowler set it up. Words cannot express the amount of appreciation and admiration I have for Dr. Fowler. After three and a half months, I was **pain-free!** Dr. Fowler's protocol worked exactly as he had planned for it to work. I will still be completely pain-free at almost 8 months next month! I plan to continue seeing Dr. Fowler because I truly believe he knows exactly how to keep you pain-free. Not only is Dr. Fowler a genius (in my mind), but his passion for helping women overcome severe pain shows through his conscientious behavior. Thank you, Dr. Fowler, for healing me. **I feel like a whole person now**, not one who dreads waking up to constant burning. Thank you also to your family, who probably missed you on many occasions while you created the lab equipment so powerful that it can analyze flora like no other machine, and for all the time you spent methodically thinking out multiple protocols to meet each individual's needs, as well as, giving each patient the time they needed to get better. Thank you, again, for sharing your gift with all the women in need of healing." **N. Trabuco Canyon, California**

"In October 2015, I had a constant burning in the vulvar area that was unbearable. I had been treated with a 7-day cycle of Clindamycin vaginally with no relief. When I touched this area, it burned & made things worse. I could not continue with these symptoms and live my life. It was dramatically affecting my quality of life. Now, in Oct 2016, I've been seeing Dr. Fowler for the last year. He has **worked miracles** to get me **back to a 'normal' condition** with minimal pain. I'm excited to report my condition has improved dramatically. Dr. Fowler is very kind and a great listener. I'm a retired RN. I know how important it is to listen to a patient's concerns. I would highly recommend him to anyone with chronic vulvovaginal problems. I'm so grateful I was able to find Dr. Fowler." **R. Tucson, AZ**

"I have been a patient of Dr. Fowlers since 2008. I had suffered for years with what I thought were constant yeast and bacterial infections. I visited my gynecologist many times for treatments that never worked. The first part of 2008 was an especially tough time for me. Over the course of 6 months, I returned over and over to my gynecologist with complaints of burning and itching. My symptoms were so severe that I could not wear pants/shorts, have sex, sit for a long period of time, work out, or even ride a bike. I was in so much pain that I took prescription meds to fall asleep at night. I was lucky I didn’t have a job because there is no way I could have worked while going through this. I was miserable. My gynecologist prescribed many drugs, tried different unsuccessful treatments, and even told me that I may have genital herpes (which I do not have). I knew I had to go elsewhere. I chose the Mayo Clinic and was lucky to be assigned to

Dr. Fowler. He immediately diagnosed my symptoms and started me on a treatment protocol that made me feel better. By 6 weeks, I was almost symptom-free and by 6 months, I was **feeling 100% better**. I have continued his regiment and have had very few minor flare-ups over the past 8 years. I feel my flare-ups are always caused when I am lax with following the protocol. Dr. Fowler is an intelligent, kind doctor who truly is a lifesaver." **Chandler, AZ**

"Dr. Fowler is a LIFE SAVER!! Throughout my treatment plan, I was able to be **healed 100%** and now feel terrific!! After years of suffering with horrific pain, I am so blessed and thankful to have found this AMAZING doctor who has t**ruly given me back my life** and, in many ways, **saved my marriage**!!! Thank you so much, Dr. Fowler, for your life-changing help! I can't imagine where I would be without you !" **T. Phoenix, AZ**

‘’I am so grateful I found Dr Fowler. I had been suffering from vulvodynia for the past 10-plus years or so. I have seen so many gynecologists/specialists within this time frame and underwent numerous treatments and procedures including surgeries with no success. I researched my condition online, and luckily, Dr Fowler's services popped up. I first saw Dr Fowler in June of 2015 and it was the best decision I ever made. I can honestly say he has changed my life for the better. In under one year of treatment, I would say I'm about **80% better.** I would definitely recommend Dr Fowler to anyone who is experiencing any conditions relating to the vulvovaginal area. Once again thank you, Dr Fowler!!’’ **F. El Paso, Texas.**

‘’After suffering with severe vaginal burning for over a year and numerous visits with other doctors I found Dr. Fowler through an article written about one of his patients on the internet. She had been suffering without answers for several years and had found some relief early in her treatment and was publicly sharing her story. When this condition started I would suffer through work, go home at lunch to sit in a bathtub, and then struggle through the rest of the day until I could get back home into another bath. Every time I made plans, I would stop to envision myself feeling at my worst and wondering if I would be able to get through that activity if I was having a bad day. I would often times make up lies as to why I couldn't attend an event and even cancel a vacation, forfeiting the cost of a plane ticket. Four months into Dr. Fowler's protocol, I don't feel like my life is completely run by this condition now. I am feeling about **50-60% better** and I have gone on trips again and been able to keep plans. I am confident that as I continue with his protocol, I will continue to get better and better.’’ **W. Richardson, Texas.**

‘’I struggled for a couple of years with what my obgyns would call BV. They would put me on the vaginal antibiotic and it would always come back at some point. The real problem was never treated. To say I became frustrated was an understatement. Not having things right in that area is so uncomfortable and embarrassing. I needed to do something as my regular doctors weren't able to solve the problem. I searched the internet to try whatever I could find product-wise to fix it only to find that so many other women had the same issue!!! I finally came across Dr. Fowler's website three years ago. I made an appointment as I was so fed and embarrassed about this issue. Dr. Fowler figured out that my problem was really Altered Vaginal Micro Flora of Noninflammatory Vaginosis. Who knew?? So many gyns had no idea what to do. I have to say I

was just so impressed with Dr. Fowler after my visit. He put me on the correct regimen and it **has been a life change**r. I highly recommend a visit to him.'' **G. Cave Creek, AZ**

"I was referred to Dr. Fowler by my Nurse Practitioner. I was having vaginal itching and burning for years. Nobody could figure it out. I had used every cream available. Dr. Fowler is the only specialist that I have been to that is truly competent. He has **performed miracles** in helping me get better. I would refer him to anyone having women's issues.'' **N. Scottsdale, AZ**

"I have to start this out by telling you that finding Dr. Fowler was truly a lifesaver for me. I had suffered for approx. 25yrs with intense vaginal burning. It affected every aspect of my life and even contributed to the end of my marriage. I saw many, many doctors over the years and most of them gave up on trying to help me. I couldn't sit comfortably, I couldn't exercise anymore, and wearing pants was excruciating. My last OB/ GYN put me on a nerve medication for neuropathy patients, which put my head in such a fog I nearly killed myself on the freeway. In desperation, I went home and searched (again) online for anyone who shared my problem. For some reason, this time, I found Dr. Fowler's website. He personally returned my call immediately (which was another surprise) and reassured me he could help. I jumped on a plane to Phoenix and saw him within a week. His regimen was easy to follow, and within 2 months, I felt about 80% normal! Within 4 months, I felt **100% pain-free**. I continue to see Dr. Fowler and will continue to follow his advice as he **has been a true lifesaver**. I can't understand why there aren't more doctors out there that aren't learning from him so his knowledge will continue to help all women.'' **C. San Jose, CA**

"I suffered from chronic vaginitis for 8 years before coming across Dr. Fowler's site on the internet. Reading the testimonials from other women made me realize I had to go down to Arizona for his help. I have seen over 10 gynecologists in Canada, spent over $20,000 in private healthcare, and would leave the offices in tears because no one could diagnose the problem. Within 3 months of starting Dr. Fowler's treatments, I would say I am already **80% better**. This has been life-changing! For years, I was in constant pain, living with irritation. It affected my mental health as well as my relationships. I cannot begin to thank him enough for diagnosing the problem and giving me an individualized treatment plan that actually worked! I would gladly recommend him to anyone dealing with chronic vaginal issues. He has been amazing." **K. Vancouver, British Columbia, Canada**

"Dr. Fowler is absolutely amazing. He has done something that several other doctors have not been able to do. Identify what my problem was, and then treat my individual diagnosis. This is what makes the difference: individual diagnosis. I was having a discharge with a horrible odor for 2 years. He also took the time to explain the what and why during my first visit, which made me feel better immediately. I had my follow-up visit today and am so happy because I feel that I am about **75% better.** He's really been amazing." **P. Phoenix, AZ**

"I experienced odor, soreness, and burning pain that felt like a terrible UTI that no doctor properly diagnosed. After seeing multiple OB/GYNs, and a urologist, as well as numerous tests and rounds of antibiotics to treat UTIs and BV, I was simply not getting any better. I was starting

to believe my problem was due to an infection that was resistant to antibiotics. I found Dr. Fowler on the internet, and he was not covered by my insurance. However, I was desperate to get better. He properly diagnosed me with inflammatory vaginitis (IV), a condition that I had never heard of, four months later, following Dr. Fowler's rigorous (but effective!) protocol, my symptoms are **dramatically improved**. I am so glad to put this behind me." **C. Phoenix, AZ**

"I suffered with both vaginal and bladder irritations/burning off and on for the past 30 years. I was told that I had interstitial cystitis (of which there is no cure) and tried to manage it with diet. This was after seeing dozens of doctors who could not find anything wrong with me. I've lived with this for years, but recently had a particularly bad flareup that would not go away. While on an interstitial cystitis help page, I came across someone who had been helped by Dr. Fowler and to my surprise, he was located in my hometown of Scottsdale/Paradise Valley. I reached out to his office, and after filling out the detailed patient application, he contacted me directly to inform me that I was an eligible candidate for his protocol. His initial protocol is projected to take up to 4 months to see results...I, however, began to see/feel improvements within weeks. I am now at my 4-month follow-up appointment and am **95% better...nearly cured!** Do not hesitate to reach out to Dr. Fowler's office if you are experiencing any of the above-mentioned symptoms and have not been able to find relief. Help is out there." **D. Phoenix, AZ**

"Suffered for years with vulvodynia, and Dr. Fowler has a wonderful treatment plan. Have to follow the rules but I am symptom-free now since I started with him. Finally! So many doctors and so much pain. Rarely do I recommend it, but in this instance I do highly. Dr. Fowler is so empathetic and extremely knowledgeable. I am fifty- eight years old and began suffering in my 30s. I'm so happy I came and gave it one last shot. **Having a life again and it's wonderful**. Hope your journey is as successful as mine." **C. Scottsdale, AZ**

"I had been having problems with yeast infections for about two years. By the second year I was getting them every other week. I had gone to more than five different gynecologists who gave me temporary treatments but couldn't solve the problem. I was wasting so much money on monistat and anti-fungal pills. I had just accepted the idea that every time I had sex, it would result in a yeast infection. It was affecting my daily happiness, work, school, and relationships. I became very angry that all of the doctors would tell me to wear cotton underwear, change out of my bathing suit quickly, eat yogurt, and shower immediately after working out. One doctor even just blamed it on the heat in Arizona. I changed my whole diet and completely cut out carbs and sugars, only eating protein and vegetables. It was extremely frustrating changing my entire life and not seeing any results. As an otherwise healthy 23-year-old in college, I couldn't figure out what I was doing wrong for my body to keep attacking me in this way. I was very embarrassed by it and wanted to hide it from friends and boyfriends. I felt dirty. Finally, a gynecologist referred me to Dr. Fowler and I saw it as my last hope. When I came to my appointment and he immediately pinpointed my problem, I was nearly in tears. It felt amazing to finally have someone who believed in me, understood my struggle and could help me. After I started my treatment, I noticed results immediately. The treatment was strict, but it was easy to stick with it once I saw it was helping me so much. It's been 6 months now and **I feel like a normal woman.**

I can have sex, wear thongs, swim, work out, and wear yoga pants, and I never have any problems. I still do my treatment but not as strictly as I had to at first. When I think back to my life in the past two years and how miserable I was my only regret, it makes me want to cry. I wish I had heard about Dr. Fowler sooner. It makes me so sad to think of other women who are going through this and see no way out. I felt like I was at rock bottom. I've already recommended him to two people who have struggled like me." **A. Scottsdale, AZ.**

"I was referred to Dr. Fowler by my gynecologist and he said I had a tough condition to cure. I was having episodes like it was on fire down there. I had tears to go with it. I had this dating back to my teenage years from time to time. The last episode would not go away. It just kept getting worse and worse. We came to Dr. Fowler and after 8 months of treatment, the burning had **nearly totally resolved**. I feel like it is a miracle. I would recommend Dr. Fowler. "**M. Wickenburg, AZ**

"I have had pain with intercourse off and on over the course of 19 years. I have a wonderful OB who has delivered five of the six children that I have and he is well aware of the extreme sensitivity that I have had during OB evaluations, pap smears, and intercourse. He did not ever treat my symptoms so I thought something was just wrong with me. After my sixth child, he referred me to Dr. Fowler. I did Dr. Fowler's complete treatment regimen for six months and it was only 50 percent improved, so I was a little frustrated. But I decided to keep going, as some improvement was better than where I had been previously. After ten months, I would say that I was completely better. **Intercourse was no longer painful**, the sensitivity during a gynecological exam was minimal (mostly just uncomfortable instead of extremely painful) and I felt so much better about myself as I realized that this was not something I was making up or was just too sensitive. I had a physical challenge that had been solved and it was so much better. I appreciate that this challenge for the duration of my marriage is no longer there, as I hope to have many more years in front of me without the pain I experienced so many years before." **S. Gilbert, AZ**

"'I had been suffering for 10+ years with episodic burning, discharge, and the most horrible rash on the vulvar tissues. Plus there was an unusual odor. I could not find a doctor who could help me. I saw at least a dozen doctors. They gave me every excuse in the world why nothing worked because all testing kept coming back negative. Then, I was referred to Dr. Fowler by my gynecologist. In 4 weeks after starting Dr. Fowler's treatment, **I felt like a new person**. I could not believe Dr. Fowler knew what the problem was immediately. Yeah for Dr. Fowler, I would highly recommend him!!" **B. Scottsdale AZ**

"Since 2012, I have been dealing with external urethral, vaginal, and anal irritation. I have seen multiple doctors in my area and surrounding areas, including large, well- known medical facilities. I did not have any luck finding help close to home to remedy my discomfort. After three years of trying to find a doctor to help, my friend recommended that I check out Dr. Fowler to see what he could do for me. I found out about Dr. Fowler from a friend from church who found him through an online support group. My friend flew out from PA to see Dr. Fowler two weeks prior to my flight out for my appointment with Dr. Fowler. I have improved almost **90**

**percent** since seeing Dr. Fowler a year ago. Prior to seeing Dr. Fowler, I was unable to comfortably wear tight-fitting clothing, underwear rubbed me to extreme discomfort, working out was uncomfortable, and everyday activities were uncomfortable overall. My overall quality of life is now 90 percent improved since seeing Dr. Fowler a year ago and my symptoms are very well managed. Thank you, Dr. Fowler!" **J. Harrisburg, Pennsylvania**

"My ObGyn nurse practitioner recommended I see Dr. Fowler as I was diagnosed with Lichen Sclerosis. Seeing Dr Fowler and being treated for LS and noninflammatory vaginosis literally saved me. I wasn't feeling very feminine. The treatment Dr. Fowler recommended and I followed brought **good news as to the healing of this condition**. I am thankful and highly recommend Dr. Fowler for this condition." **J. Surprise, AZ**

"I am so happy to say I am thrilled with how much I have gotten better since seeing Dr. Fowler. Being only 22 years of age, I was mortified with the problems I was having: embarrassing strong odor, heavy discharge, and painful intercourse due to low estrogen levels. This problem persisted for a year and a half until my OBGYN referred me to Dr. Fowler since no other treatments seemed to help in the slightest way. I am 4 months in on my treatment and all the symptoms I was experiencing are **80% gone**. I wish I would have been referred to him much sooner, as I am **on track to living a healthy normal life again**!" **A. Gilbert, AZ.**

"I am grateful to Dr. Fowler and his staff for their kind attention to my condition. I had been experiencing chronic vaginal infections with discharge, burning and itching. I had been to several gynecologists who were unable to help me. Dr. Fowler is highly professional and does fabulous work. I am very pleased that I am **finally cured.** I recommend him enthusiastically!" **K. Scottsdale, AZ**

"I struggled for 3 years with yeast infections and constant burning and irritation. I was prescribed oral antibiotics several times by different doctors to combat these problems. I would feel better for a while and then all the symptoms would come back, sometimes even worse than before. I was frustrated and there were no Doctors in Canada that seemed to know what was wrong. I booked myself into the Mayo Clinic in Scottsdale AZ. They referred me to Dr. Fowler at his private practice, Fowler Gyn International.com. After seeing him once I finally had some answers to these problems. He started me on a treatment play right away. About three months after starting I felt 80 to **90% better**. The burning was gone. There was less discharge, no odor, no redness, no yeast infection. I no longer worried about my condition and could do all my regular activities. I could have **intercourse with no problem.** The products I bought in the clinic were very important in my recovery. My skin is very sensitive and these products were not irritating to my skin at all. My entire family prefers his recommended soap as it is not drying or irritating. So glad to have found Dr. Fowler. He made me feel comfortable talking about these issues and optimistic about my recovery. The staff at his clinic were welcoming as well." **P. Calgary, Alberta, Canada.**

"Before seeing Dr. Fowler, I had symptoms for 5 years of vaginal itching and burning and 2 doctors could not give me a diagnosis or help. I saw Dr. Fowler's name on an IC website as

helping many women with vaginal symptoms like mine. I am happy to report that after 4 months of treatment, I am **98% better!**! Thank you, Dr. Fowler!" **S. New Hope, PA**

"Dr. Fowler has **changed my life!** I have been a patient for about a year now and **I'm about 80% better** since when I started. I have been battling vaginitis for over 4 years. Before I found Dr. Fowler, I kept going to my regular GYN for treatment. I was not being treated properly and kept having reoccurring issues. My symptoms of burning, itching, constant odor and constant pelvic floor muscle spasms were ruining my life. I decided to give up on my GYN and started researching my issues online. This is where I found Dr. Fowler and decided to give it a shot. After 4 months from my first visit with Dr. Fowler, I was already 40% better. He is an amazing doctor and is so knowledgeable about vulvo- vaginal issues. Before finding and seeing Dr. Fowler, I wasn't even aware that issues like this existed and their root causes! I don't know what I would have done if I hadn't found Dr. Fowler because my vaginitis was taking a toll on my life and relationships. I highly recommend seeing Dr. Fowler- Thank you Dr. Fowler for all you have done!" **S. Cincinnati, Ohio**

"After treatment for breast cancer, which involved bilateral mastectomies and chemotherapy, I thought life would return to normal. What did happen was a great deal of discomfort from vaginal dryness and a low level of libido. I was fortunate to find out about Dr. Fowler and was able to start a treatment program that has **relieved all of my symptoms**. I am free from the vaginal dryness and pain with intercourse. **Life is now back to vibrant and free from worries**. I would highly recommend Dr. Fowler and his practice." **J. Scottsdale, AZ**

"Good news first 4 months after initial treatment, I am feeling so much better, about 80% improvement. I can have intercourse with no pain, speculums are no longer my mortal enemy and the itchiness/smell that I would get has disappeared. I dealt with vulvar vestibulitis for 7 years and this is the first time that I can have sex without pain. The first time I was diagnosed, my options were super limited. It was recommended that I only wear white cotton underwear and that I switch my laundry detergent to a no scent baby detergent and use a silicone-based lubricant during sex; it didn't work. The next doctor's recommendations were I try a numbing cream before sex requiring my husband to wear a condom every time, and antidepressants because apparently, my vagina was "depressed" or electroshock therapy. None of those options were exactly appealing. The next doctor recommended pelvic floor therapy and it seemed promising but using vaginal dilators to "restrain" my muscles were not particularly pleasant and unfortunately, I had to continue the therapy on my own when we moved and I didn't continue it. It was painful enough with one finger in there. Adding dilators was even more painful and unpleasant. We moved to Arizona and I set up my appointment with the gyno and they gave me two names. I initially thought that if I continued the PVT with a therapist, that might be the way to go, especially since my old physical therapist had had success with that treatment. Then I looked at Dr. Fowler's website and the way he presented his treatment seemed so simple and scientific that I couldn't not go and give it a try. I'll be honest: his website was a lot less warm and fuzzy than other gynecologists' websites, but the scientific way the treatment was presented and the fact that he had gone to the Mayo Clinic convinced me to try it; it couldn't hurt and I'd been dealing with

this for 7 years. It was one of the best decisions I've made so far, and I couldn't be happier. The treatment at least for me, brought a lot of changes initially, and to be honest it was scary, but once I got home and processed what I needed to do it was better. It's not exactly fun as you need to put medications into your vagina, which as you probably know, is not the most pleasant thing to do if you're dealing with vulvar vestibulitis but in my case, after a month, once I put the medications in there was no more burning or itching pain upon contact. I think the toughest part for me has been washing my hair but everything I've done in the last four months has made me **feel so much better** and is worth every little bit of inconvenience I might have felt. You have nothing left to lose. I doubt it can get worse your appointment and hopefully Dr. Fowler can help you like he helped me!" **C. Phoenix AZ**

"After having to burn upon urination and having to urinate 12-15 times before bed, I found Dr. Fowler's office. I received the product for sensitive genital skin a few days after I ordered it. Right away I had great relief from the burning. I'd say I was already **60% better** even before getting the main treatment! I just followed the protocol that was on the information sheet. I'm so gratful to Dr. Fowler!!" **M. Austin, Texas**

"I had burning and itching, what seemed to be bladder infection symptoms with frequency and urgency for 10 years, but when I went to different Doctors, no bladder infection was found. They tried different meds and no meds. After having a bout of horrible itching, I found Dr. Fowler on the internet and came to his office. It's made a **huge difference!**!" **M. Culver City, CA**

"The last 60 days since first coming to see Dr. Fowler have been a complete turnaround in my lichen sclerosis condition. For over 4 years, I have struggled with the symptoms of chronic itching, dryness, cracking, odor and discharge that were all-consuming and uncomfortable. Since beginning the protocol Dr. Fowler has prescribed, I have seen an over **90% improvement** in my symptoms, including those from inflammatory vaginitis, which he also diagnosed. My urge to scratch has completely gone away. My tissues are healing, and I have full confidence that a condition I once thought was hopeless will no longer be a lifelong struggle. I highly recommend Dr. Fowler's practice and am thankful there is a doctor who is treating these conditions so successfully." **K. Sedona, AZ**

"I had an awesome experience with Dr. Fowler. He was recommended to me by my dermatologist. Within 2 months he had **relieved my burning** pain, itching and distress. I followed his instructions and had great results. He and his staff made me feel comfortable. They were very professional and caring!" **S. Silverton, Oregon**

"I was having continual discharge, itching, burning and soreness that no other doctor was able to diagnose and stop the symptoms after a year of various treatments. I found Dr. Fowler by referral by another gynecologist. After following Dr. Fowler's regimen, I was better in 4 months and completely **symptom-free** after 6 months. Dr. Fowler is awesome!" **J. Surprise, AZ**

"I suffered for nearly 20 years with high discharge, painful sensitivity and feelings of inadequacy because of my condition. Other gynecologists dismissed my symptoms. "Some women just have

more discharge," one told me. I had abnormal pap smears because of my condition, which resulted in a misdiagnosis of pre-cancer and what ultimately proved to be an unnecessary D&C procedure. It got to the point that I couldn't even clean myself after going to the toilet without tearing. I couldn't consider having sex with my husband. Finally, a new gynecologist who tore me during a routine exam and to whom I'd recounted my symptoms yet again recommended Dr. Fowler, who was then at the Mayo Clinic. Even though Mayo didn't take my insurance, I took a risk and made an appointment and went to see him. It was the best decision I'd ever made. He was the first physician to take my problem seriously and to actually know what was wrong with me and have a solution! I have since followed him to his private practice. It took a minimum of 6 months to really start to **feel better,** but after 20 years of misery, what is 6 months? I actually started feeling like a regular woman. I could enjoy sex again. I didn't have to constantly change my underwear or wear pads all day because I wasn't wet and sticky. I didn't tear constantly. I didn't itch uncontrollably. By the time I'd been on Dr. Fowler's regimen for a year, I could hardly believe I'd spent so much of my life in such misery. I am still on his regimen years later because it works! I **can't thank him enough for giving me quality of life again**." **J. Tempe, AZ**

"After suffering for months from what I thought to be recurring yeast infections and being misdiagnosed by multiple doctors, I was feeling very frustrated and hopeless. As a young, healthy female, I couldn't understand what was happening to my body. Why was I experiencing this discharge, itching, burning, and pain during intercourse? I tried over-the-counter medications, herbal remedies, and multiple rounds of antibiotics for both yeast and BV; each ended up making my symptoms clear up for a short time and then they'd come back with a vengeance. I'm so happy I found Dr. Fowler online. I came to see him in November in desperation and left with answers and hope. Not only was I treated with care, but he used methods that no other physician had before. He took various tests and then explained the results in detail to help me understand what was going on. He then put me on a treatment protocol. After 4 months, I have seen significant improvements in my symptoms. I'm 80% better overall and sometimes I have **100% improvement!**" **M. Scottsdale, AZ**

"I've had recurring yeast infections for 9-10 years. I found Dr. Fowler on the internet, and after an examination, he prescribed a protocol that has stabilized my system. I have been on it for about 2 years and have seen **great results.** I would recommend Dr. Fowler to other women who have had recurring yeast infections without long- term relief! **B. North Dakota**

"My symptoms began 10 years ago. I think I went to see about 20 doctors and they diagnosed me with different conditions. I would pray to God every day that I would find the right doctor to treat this condition. Finally, while I was doing my research online, I found Dr. Fowler's website. I made an appointment and I thought well I'm going to give it a try. He was able to diagnose me with a condition called vulvodynia and gave me a treatment that worked very well. Now I'm doing a lot a lot a lot better, I'd say **80% better.** Dr. Fowler is an angel sent from God. My life has changed so much. My sex life has changed to be more enjoyable. The burning was just so bad it made me tired. After work I would just have to come home and lay down. Now the **burning is almost gone**. I love Dr. Fowler, he is the best doctor in the world." **G.El Paso, TX**

"I was very fortunate to have found Dr. Fowler. I had been suffering for years with vaginal infections and very painful irritation. I saw him one time and was put on a treatment plan, and very shortly after starting treatment, I started to feel **so much better. He has changed my life so dramatically.** I recommend him to anyone who suffers from recurring vaginal infections and irritation. He is very knowledgeable and understanding." **S. Tuscon, AZ**

"I've been a patient of Dr. Fowler's for almost 15 years. When I update my yearly information prior to my annual appointment, I often read through the testimonials from other patients. I can relate to so many patients, especially the newest ones, because I was there at one time. I was in so much pain, felt so much anguish, saw so many doctors, and thought I was going crazy for 15 years before finding Dr. Fowler. He was the first doctor who recognized my symptoms--they actually had a name!!! His regimen really works. Stick to it and be patient. It may take a few months, but you will finally **feel like a normal person**. Again. Believe me." **C. Carefree, AZ**

"I had seen several doctors before being referred by Mayo Clinic to Dr. Fowler. Dr. Fowler saw immediately what my problems were, the treatment is working, and I'm **feeling much better.**" **E. Chandler, Arizona**

"I had suffered for years with undiagnosed symptoms and had seen a number of doctors back home in Canada, none of whom could diagnose the issue with one visit to Dr. Fowler, he diagnosed my problem as Lichen Sclerosus. An issue that I had struggled with for years, was diagnosed and treated with on visit and I **100% better** within 4 months of the medicated treatment protocol. I was so impressed with Dr. Folwer that after I learned that he had left the Mayo Clinic (where I had first met him), I searched him up and found him practicing at Fowler Gyn International and have followed him there." **T. Edmonton Alberta, Canada**

"I have been a patient of Dr. Fowlers since his tenure at the Mayo Clinic Scottsdale. I lost track of him when I moved to Europe and have since been reunited with him at the Fowler Gyn International. I live in the Cayman Islands now. My issues with vaginal dryness, odor and discharge were creating major problems. Dr. Fowler's treatment helped **relieve all those symptoms** in a matter of a few months. I am very grateful for his knowledge & treatment of my symptoms. I highly recommend Dr. Fowler to anyone with any type of vaginal issues that most Gyn's overlook as routine." **M. Grand Cayman Islands**

"My story is similar to others in that I had been to 5 different doctors comprising 11 visits and still no relief. In fact I had worse vulvar burning and pain with sitting, tight clothes and could no longer engage in intercourse. It was constant. In searching the internet for someone with experience and knowledge regarding this condition, I found Dr. Fowler. At the first visit, he was so concerned and compassionate and knew exactly what I was going through. Coming to Arizona to see him and start the treatment he recommended has made all the difference in the world. It is truly a journey, as he says. After 13 months, I am **70% better** from vulvodynia and **my life has been restored**. My lichen sclerosis has fully resolved. With a few changes in protocol, I feel that I will be completely better soon. Don't give up, as he can help you!!!" **T. Mountain Ranch, CA**

"I was 69 years old when my vaginal symptoms of severe burning began. After visiting several gyn doctors, I found no relief from my symptoms. It was painful sitting, and I had to keep my legs apart, riding in the car was painful, I couldn't let underwear touch me in certain ways, and I could not wear slacks. Out of desperation, I found Dr. Fowler's website and read many of the testimonials from his previous patients. After 4 months of his prescribed treatment, I have experienced an improvement of **50-60%**. I'm just mid-way through the treatment and look forward to getting 100% better. Based upon my experience, I would recommend Dr. Fowler to anyone who is suffering from vaginal misery." **H. Valley Falls, KS**

"I was referred to Dr. Fowler by my regular OB-GYN. Prior to seeing Dr. Fowler, I have been through numerous urinary tract infections, unusual vaginal discharge, and lots of discomfort from vaginal itching, burning and getting paper cuts on the vulvar tissues. Since 2013, I have been seeing Dr. Fowler, and ever since I have become more aware of my vaginal issues and he has been very informative about the problems that I have been having. Since I started using his routine and have followed it for the past few years, I have had positive results. My vaginal issues have **improved tremendously**, and I only now use maintenance therapy so that I can continue to be comfortable with my daily lifestyle. I would recommend Dr. Fowler without any hesitation." **T. Chandler, Arizona**

"I had been suffering for about 2 years, increasing over the time period, with what I was told were yeast infections and bacterial vaginosis. I was almost always uncomfortable with itching and burning and a terrible discharge. I felt terrible about myself and even when I felt well enough to have intercourse, it was painful. I saw 3 different medical providers who continued to treat me with the same medications that would help temporarily and then the symptoms would come back. Finally, the provider who was trying to help me the most heard about Dr. Fowler and told me she recommended I try going to him. Once I looked Dr. Fowler up on the internet and saw that he had helped many women with similar symptoms and experiences as me, I finally had some hope that maybe someone could help me. I immediately started following the protocols on the website and ordered the products. I use peri- wash bottles to carry the Gordon's Boro-pack rinse with me at all times. I found it difficult to wash my hair in the sink, so I wrapped a towel around my waist and leaned over in the shower with a handheld shower head and that has worked well for me. Overall, I have found the products and vaginal treatment protocols easy to comply with. Since I started seeing Dr. Fowler about one year ago, my issue is about 80% better. I have a little ways to go, but my case has been a bit more difficult to treat. The Lichen Sclerosus is **100% resolved.** Dr. Fowler has been very good at helping me understand what was going on and is comforting and kind. He has **definitely changed my quality of life** for the better." **H. Tucson, AZ**

"I found Dr. Fowler through a referral from my OB/GYN office. I was experiencing a lot of vulvar itching with some cuts/cracks on the lips. Also, the whole area was very intense red. Plus the tissues would bleed and there was an odor with a clear discharge. I saw 2 doctors, including a dermatologist. Then, I was referred to Dr. Fowler. I found the treatment that Dr. Fowler has given me was very easy to do. Now, at my 4-month check-up, I feel back to normal again, with

**symptoms 100% resolved**. I would highly recommend him to anyone who is having this kind of problem. And I have given his name to my doctors. He is wonderful!!" **J. Glendale, AZ**

"My vulvodynia is a lot better. There is no pain with intercourse. I used to have tremendous pain afterward, but now only occasionally and just a little bit. The general burning at the opening is infrequent. I used to get it all the time. No more itching. I have had this pain and itching for the last 28 years. It became worse in the last 5 years when I entered menopause. I was treated by other doctors and had no results. I was told to see a vulva doctor. I goggled in my symptoms and found Dr. Fowler. In 4 months, I am about **70 to 80% better.** I highly recommend Dr. Fowler to anyone who has vulva pain and needs relief." **C. Chandler, AZ**

"I dealt with this condition of vulvodynia for over five years. It was not only compromising my daily lifestyle but it was also affecting my marriage to a great extent. I had great discomfort with most activities. Even walking sometimes was painful. My husband and I had a baby a year ago and I was hoping things would improve after having a child. It actually got much worse from there. I was unable to have intercourse after having my baby. It was extremely painful and I physically could not do that. I went to my ObGyn to try to figure out what was going on. He right away referred me to Dr. Fowler. Dr. Fowler put me on my own personal protocol and I've been doing it for about four months now. I've already seen a **huge difference** in the past few months. I've noticed this in my daily lifestyle. I've had way less pain and discomfort. I feel about **70% better.** He told me that I was ahead of the game compared to most at this point. I feel very positive and hopeful that I will feel 100% better soon. I don't know what I would have done without this amazing doctor." **N. Tempe, AZ**

"The problem started around ten years ago and I was told it was due to menopause and just aging. The itching was terrible and I also had pain with intercourse. It was distracting and causing irritability. I saw about 3 doctors for it. One year ago I was diagnosed with Lichen Sclerosus. Then I was referred to Dr. Fowler 4 months ago. Now I'm doing much better; even the vulvar rinse is very helpful. There is no longer any itching or pain. It's wonderful. I'd say overall, **95% of my previous symptoms are gone.** Even the soap is great. I was so grateful I sent a thank you note to the NP who referred me to Dr. Fowler; that was the best thing that happened to me. It **has changed much of my daily life**. I am delighted with how quickly relief started after Dr. Fowler's prescribed treatment!" **B. SunCity West, Arizona**

"I can remember thinking that the trip across the country to see Dr. Fowler would be the last time I would go to a doctor for this chronic condition I had been dealing with for over three years. I was severely depressed and fed up with the doctors who all seemed to be the same. By this point, I had been to so many different gynecologists that I had lost count, but I decided to give it one last try. Doctors I had seen all said my symptoms were just in my head, but I knew that the discharge and odor that I was experiencing were far from normal. My self-esteem was at rock bottom and the thought of sex gave me anxiety; all the enjoyment was gone from it. I don't remember how I came across Dr. Fowler's practice online - most likely during my hours of research trying to find ways to cure myself, a period of time where I felt extremely lost- but I am

grateful beyond measure that I did. Immediately, I was amazed by Dr. Fowler's intelligence. He knew exactly what he was talking about and was sensitive and caring, something I desperately needed during that vulnerable time. Dr. Fowler diagnosed me with Inflammatory Vaginitis and told me every way in which things down there were not healthy and explained how they should be. I can't explain how much just knowing what to call this condition meant to me, as well as the hope I felt about the future. Dr. Fowler told me that for my case in particular, treatment would be a long road, but in 8 months, I have seen **notable improvement** and have faith that it will continue. I fully trust his expertise and his methods and I can't thank Dr. Fowler enough for what he has done for me." **N. Philadelphia, PA**

"One year ago I was in tears all the time because of my pain when urinating and during sex was so bad. It felt like severe burning and itching. I had been to over 10 doctors in the year before that point. They just kept testing me for STDs and giving me antibiotics and steroids, which not only did not help, but made it worse. Finally, the last ObGyn here in AZ gave up and told me I should go see Dr. Fowler. That was the best advice anyone could have given. Dr. Fowler is a miracle worker. Immediately, in the first week I wasn't crying anymore. Within 4 months, I was 90% better and **felt cured.** I would recommend Dr. Fowler to anyone that is suffering the way I was." **J. Sundance, WY**

"It started almost two years ago. I had never had any vaginal issues prior to this. After getting sick with a cold my doctor prescribed me several bouts of antibiotics. When I had finished them I began to have severe vaginal irritation. It started with a yeast infection that came and went for about 6 months. After seeing several gynecologists and after several prescriptions, nobody seemed to know what was wrong with me. The yeast infection finally dissipated but then I was left with a case of recurrent bacterial vaginosis. This went on for about a year. I tried every possible remedy to no avail. I researched for hours on the internet how to solve this terrible thing so many women seem to suffer from. I began to feel depressed and hopeless, like a part of me was missing and I would never get it back again. That was until I found Dr. Fowler!! I came across his website on the internet and after reading success stories told by women like myself, I thought what have I got to lose? After following his four-month treatment protocol I can say that I am ecstatic. I feel like Dr. Fowler has **given me my life back** and I am forever grateful. In those four months he brought my vaginal health back to normal and I **feel 100% better.** I can't say enough wonderful things about my experience with Dr. Fowler. He is truly my hero." **S. Tucson, Arizona**

"I had Candida glabrata vaginal yeast off and on for 6 years before I saw Dr. Fowler. I felt like there was always a discharge and it was painful at the vaginal opening, plus some itching. It had been treated by my GYN multiple times. However, it never cleared up. My gynecologist finally referred me to Dr. Fowler. Dr. Fowler placed me on medication that has **helped immensely** after only 3 months. The yeast is gone!! **What an improvement in my life!** I would definitely recommend Dr. Fowler." **B. Sun City West, Arizona**

"At the age of 27, I started having inexplicable burning pain. I was unable to exercise, unable to wear jeans or most pants, unable to sit comfortably in a chair for any extended period of time, and unable to be intimate with my husband. The pain affected my work life and personal life, because the pain was all I could think about. I saw several physicians in my hometown, and none of them could explain my symptoms or offer a solution. Then I was so fortunate to find Dr. Fowler. I flew out to Arizona, where he diagnosed me with vulvodynia and gave me a very detailed treatment plan. He was very professional, knowledgeable, genuine, and compassionate toward my condition and my pain. He spent time with me, explaining the diagnosis and the next steps. I have been seeing Dr. Fowler for the past 5 years now, and when I compare what my condition was like then to now, it's a night and day difference. As a result of Dr. Fowler's treatment plan, my burning pain is **almost 100% gone! My life is back to normal**, which is something I never thought would happen. I rarely ever think about my condition. I'm so grateful and thankful for Dr. Fowler and his expertise. He has helped me in a way that no other physician could, and I'd travel any distance for that." **A. Denver, Colorado**

"DON'T GIVE UP! Keep reading the countless testimonials on this page and you will be instilled with hope. I was in a serious place of despair when divine intervention led me to Dr. Fowler. I can genuinely tell you that I have been able to reclaim my health, my self-esteem, and MY LIFE with his help in only 9 months!! The time, money, and energy have been a small price to pay for the immeasurable benefit I have gained. My female problems began at age 45 when I began getting urinary tract infections after intercourse. Peri-menopause can be a time when vaginal tissues thin and make women more susceptible to UTIs. I had 7 in one year, which means I had 7 courses of strong antibiotics. This led to countless months of recurrent yeast infections, which set the stage for the development of vulvodynia- a nerve disorder that impaired me to the point of being unable to have intercourse without extreme discomfort. I saw numerous healers to try to remedy my problems to no avail -homeopathy, naturopathy, spiritual and psychic healings and Western conventional therapies were all unsuccessful. Dr. Fowler's training and experience have made him a rare find in the GYN WORLD. The vaginal fluid analysis enables him to very succinctly diagnose problems and he has very effective remedies to address every piece of the puzzle. I was extremely diligent in following every directive I was given, including meticulously following his skin care regimen. You get out of this experience what you put in! Do not cheat and cut corners because it will only diminish your progress. After 9 months on his program, I have been able to resume **having intercourse without discomfort** or distress and have been free of urinary symptoms and yeast infections. I worried that I may never enjoy intercourse again and I am happy to report that I now look forward to it. And I have no doubt that I will only continue to improve with time. I will never find a way to truly thank Dr. Fowler for everything he has done for me. He is not only exceptionally competent, but he is a kind and caring doctor who truly wants to help women who are suffering." **V. Novato, CA**

"I began to have very uncomfortable pain in my lady parts to the point where I couldn't even sit comfortably. I saw many gynecologists back home in Texas and no one could give me an answer. They would just make me feel super confused and scared. My family knew how bad the pain and confusion I was going through and helped me find Dr. Fowler online and we all came down for a

visit. Right away, Dr. Fowler knew what I had and I felt so much relief that someone actually understood what was going on! I have now been on the protocol Dr. Fowler created for me for about ten months and **I feel normal again.** I can walk around in my day-to-day job and duties and I have no pain and I can even have intercourse again! I began to feel much better after 4-5 months and every month after, I have noticed improvement. Dr. Fowler definitely takes the time to make sure you are comfortable and answers all your questions. Traveling to see Dr. Fowler was definitely a trip worth taking." **N. El Paso, Texas**

"After spending 6 months going to my gynecologist every 3 weeks with the same symptoms of burning, itching, discharge, and pain and never getting relief, she referred me to Dr. Fowler. I was unable to be intimate with my husband and it affected my ability to sit in a chair all day at work and to wear tighter clothes. After 4 months of treatment, I am 100% better with sitting and wearing clothes and **I'm 80% better** with symptoms provoked with intercourse. Also, Dr. Fowler was able to get my hormones under control. I could not be happier with the treatment plan he created for me. Having had a total hysterectomy 9 years ago, it is so wonderful not to have hot flashes and night sweats anymore. I would highly recommend anyone suffering from chronic vaginal symptoms to see Dr. Fowler." **M. Phoenix, AZ**

"I found Dr. Fowler through the Mayo Clinic online researching my symptoms. This came about after I had seen 7 doctors in Las Vegas. Frustrated and in pain, I took a trip to Phoenix, and now I'm up to **80% better! My life is back together.** No more itching and burning for weeks on end! I know how to manage my symptoms on a daily basis and keep on track. Thank you so much, Dr. Fowler!" **R. Las Vegas**

"I had been suffering from vaginal dryness and what I thought was some kind of ulcerations in my vulva area, extreme pain like razor blades and rawness with numbness. I had gone to see everyone from gynecologist, urologist, internal medicine, neurologist, just to name a few. After being misdiagnosed with genital herpes and vulvar shingles, I had had enough and decided to get a referral from my gynecologist and general doctor to go see a vulva specialist. So, four months after walking into Dr. Fowler's office, **I'm perfect! No symptoms whatsoever**. Sex is back to what it was when I was much younger, before I went off of hormones, good lubrication, no irritation and everything works, no sensitivity. It's pretty amazing. I had improvement after two months of being on the protocol with progression until resolution. No more skin outbreaks either. I wish more women could have access to this information. I suffered needlessly (and so did my new husband) for over a year and a half. Hurray Dr. Fowler!!!!! Thank you. " **J. Phoenix, AZ**

"For five years, I experienced incredible burning in my vaginal area. My whole life changed for the worse. I was an avid tennis player, worked out regularly at the gym, and loved to travel and socialize. This all changed when I began to experience these awful symptoms. No gynecologist or a specialist could help me or even had a suggestion or referral. My daughter did research on the internet for me and found Dr. Fowler's website. Much to my surprise, there were others who had experienced the same symptoms as I did. I made an appointment with Dr. Fowler who was empathetic and understanding. Just four months later, I feel so much better. I followed Dr.

Fowler's regime very carefully and am happy to report that I am **feeling fantastic**. I would highly recommend Dr. Fowler to anyone who is experiencing vaginal burning." **L Scottsdale, AZ**

"I was searching the internet for help with symptoms I've been suffering with for several years. I had burning and swelling which was painful, difficult even to do routine activities. Had to stop having intercourse. I found Dr. Fowler on the internet and after I read his website, it made me feel trusting. I had already seen a vulvar specialist and was looking for further improvement. My first visit with Dr. Fowler 3 months ago and I already have **improved tremendously**! In regard to the burning I would say it's better! I definitely feel like I'm healing. It's tons better than before starting the protocol. If you are suffering from these types of symptoms I strongly suggest you make an appointment with Dr. Fowler." **G. Phoenix AZ**

"For three months I suffered from extreme vaginal and rectal itching, along with irritation, day and night. It came on suddenly and I did everything I could think of to improve the situation. After going to two primary care and three specialists with no improvement, I found out about Dr. Fowler being referred by the second gynecologist I went to. Within two weeks of following Dr. Fowler's regimen I was remarkably better. Now, four months into it, my symptoms have reduced by **80-90 percent**. I am so relieved to be feeling better. I would highly recommend Dr. Fowler to anyone who shares my symptoms." **W. Gilbert, AZ**

"When I met Dr. Fowler it was literally like hell. It's night and day. It was ruining my marriage. My daily thought was filled with how much pain I was in. It was affecting my time with my children and my relationships with family and friends. I had been suffering with the most horrific vaginal pain for 9 years. Now I'm **95% bette**r. I rarely have any symptoms. I feel great now. **The only thing I ever think about the problem any longer is if Dr. Fowler is no longer available if it were to come back." T. Phoenix, AZ**

"I'm doing very well, overall 80% better. Some days, I don't even know I have a problem. I'm really, really happy about it. Of note I ran out of estrogen and resorted to my old estrogen preparation, which really caused irritation. Now back to Dr. Fowler's preparations. I've been fighting with this problem for about 4 years and am very happy to find Dr. Fowler. No more bladder irritations, **no burning with intercourse**. Always thought I had UTI, but test results always came back negative. WOW, such a difference now with Dr. Fowler's protocol. **Life is great once again.** Thank you, Dr. Fowler!" **E. Phoenix, AZ**

"Oh gosh. I'm **100% better!!** No burning or itching for a long time. I am thrilled. This is a whole lot better. Can't hardly believe it. Previously, I had nothing that helped; I had symptoms for eight years. It began with the burning of urinating. Every provider knew I had Lichen Sclerosus but when I told them about the burning, all they could say was that they didn't see anything causing that. I was just given the same medicine by all gynecologists I saw and dermatologist and none of it helped until I came to Dr. Fowler, a real blessing for me." **M. Sun City West, AZ**

"I have been a patient of Dr. Fowler for 4 months now. When I came to see him for the first time, this was what I wrote in my patient profile." My pain scale ranges from a 6 to a 9 out of 10 at all

times. I have been unable to work and properly care for my child. My mom is here most days to help. I cry every day. I am frightened by this pain. I am so afraid that this will not end or that I will only experience some pain relief under heavy medication which will also prevent me from living a normal life. I am a single parent and my ability to provide for myself and my child depends on my ability to work. This causes extreme stress as well." Four months later, I am living a full life. I work, I care for my child and I am able to do almost any activity I choose. My pain is **85-90 percent** better and I have not finished my treatment yet. I feel that Dr. Fowler has saved me from a life of tears and constant suffering. The doctors I went to in my city said there was nothing they could do for me. There is an answer to vulvodynia and Dr. Fowler has it. Please do no hesitate to see him. It will change your life! I am so thankful to Dr. Fowler for dedicating his life work to women with problems like mine." **J. Winnipeg, Canada**

"I had vulvodynia for 8 years prior to seeing Dr. Fowler. The vulvodynia was so bad that on some days, I could not wear pants or sit for prolonged periods of time. It interfered with all aspects of my life. I had been to many doctors, in many states before finding Dr. Fowler. Dr. Fowler **gave my my life back**. At my one-year follow-up appointment, **80% of my pain is gone**. I no longer think about it all of the time. I know if I stick with Dr. Fowler's regimen, I will continue to get better!" **K. Cincinnati, Ohio.**

"I am much better. I had recurrent bladder infections and urinary frequency and urgency even without bladder infections for 15-20 years. I had seen multiple doctors, including my PCP, a urologist and a gynecologist. Then my executive physician referred me to Dr. Fowler. Since starting his protocol, the sensation of frequency and urgency have resolved and I have had no more bladder infections. His vaginal treatment really works. The testosterone has corrected my low libido and improved my muscle control which I have difficulties with due to Parkinson's. **I have been able to restart yoga which I thought I would never be able to do again**. I would highly recommend Dr. Fowler for patients with any of these symptoms." **S. Maricopa,**

"I have Lichen Sclerosis. I have had it for years without knowing. I went to 3 different doctors until finally my gynecologist referred me to Dr. Fowler. I was experiencing dry, itchy, cracks, and cuts inside the creases of my vagina. Dr. Fowler is amazing. He knew just the right medicine for me. It has been 5 months and I am **so much better**. It was worth the money and worth the drive for me. I would recommend him to anyone with these symptoms." **R. Buckeye, AZ**

"Dr. Fowler's approach is different. In my case, I consulted multiple Doctors, none of whom came up with a diagnosis or treatment plan that worked. One extremely well-trained, respected specialist in New York explained that vulvodynia is a diagnosis of exclusion. He explained that they rule out things you don't have and then conclude you just have pain, burning and irritation for unknown reasons. If this sounds like you or you are chronically suffering, Dr. Fowler may be your answer. Dr. Fowler had an explanation for the discomfort and treatment for what caused me such pain. Dr. Fowler's lab testing uses more advanced equipment, is more sophisticated than the standard wet mount lab tests and is quantitative. This more sophisticated lab testing in my case revealed my problem. Dr. Fowler saw a floral imbalance that he could treat whereas the other

specialist saw nothing wrong with me. The other specialist who was kind and wanted to help only offered that I "live with the pain" and use antidepressants. Not only is Dr. Fowler's lab testing is more sophisticated. He identifies disease states that the mainstream Textbooks don't yet identify. He has researched this thoroughly while at the Mayo Clinic and published his findings. His approach isn't on the fringes of conventional medicine. Rather it is on the cutting edge of medicine. His credentials are impeccable but most importantly, Dr. Fowler has years and years of successfully treating difficult cases and thus, he knows exactly what works. I had a **complete resolution to my symptoms** as a result of strict adherence to his protocols. Lastly, Dr. Fowler is a caring, sympathetic Doctor who has a kind, gentle way. He is always available to provide advice and answer questions. I highly recommend Dr. Fowler and I am extremely grateful for the solutions he provided to me." **L. Dix Hills, NY**

"I had been suffering from intense vaginal pain, itching and burning for 10 years. I saw multiple gynecologists, but no one was able to correctly diagnose what was causing my vagina to feel like tissue paper during intercourse. routine treatments for bacterial infections or yeast infections did not help and I frequently left the doctors' offices in tears because aside from "a little redness and dryness," I looked OK. I frequently had small tears right above the vaginal opening and one doctor insisted it was herpes. In spite of my insistence, my husband and I had been monogamous (testing for herpes was negative). Eventually, my vaginal "architecture" started "melting," and a biopsy finally confirmed an autoimmune disease called lichen sclerosis. The standard treatment for that is a super-high potent steroid cream that can eventually cause the vaginal tissues to thin even more. A girlfriend mentioned this doctor she found that was able to help her chronic vaginal pain, so I made an appointment to see Dr. Fowler. It took 9 months, but Dr. Fowler was able to restore my vaginal flora to a healthy state and I am finally pain-free and **feel like a normal female again!** The anatomy changes from the FS are permanent, but with a healthy vaginal flora and a much lower dose of cortisone cream, I can **enjoy sex again without any pain** and I am free from the constant discomfort of burning and tearing I had been living with. I highly recommend seeing Dr. Fowler if you have been frustrated with the standard medical treatment for vulvovaginal problems" **T. Phoenix, AZ.**

"After more than 25 years of vaginal and pelvic pain, I developed cuts and tears that only added to the frustration. I was crying each time I had to use the bathroom. I've had numerous surgeries, including a hysterectomy, that were supposed to heal my pelvic pain. I've even been to massage therapists and physical therapy and chiropractic treatments, thinking it was nerve pain from my lower back and each specialist told me the same: they could help me and I had come to the right place. They were all wrong. I was prescribed vaginal estrogen creams by various gynecologists that did nothing but irritate me. I had numerous anti-yeast preparations and the only thing they did was cause more irritation and pain. I was very skeptical when I came to see Dr. Fowler. It took about 6 months following the protocol that I was prescribed before I began to see a great difference. It has now been over a year, and I can honestly say I am relieved and have minimal pain. The urgency to urinate, pelvic **pain, burning, and the cuts and slits that would never heal are gone.** I will continue to see Dr. Fowler and I am thankful to have found his practice." **D. Phoenix, A**

"Having problems with my vagina with burning and itching constantly. I went with four gynecologists in Phoenix, AZ and another two gynecologists in Mexico and nobody found what the problem was. I spent one year with different treatments and nothing worked. Finally, a gynecologist referred me to Doctor Fowler and he found the problem. After 4 months of being on his recommended treatment, I am **80% better. my life has changed!** Thank you Doctor Fowler!!!" **C. Phoenix, AZ**

"I had seen several providers when my symptoms began over a year period, and undergone much testing and treatments with no relief of my symptoms. I had become quite frustrated and disheartened. I found Dr. Fowler on the web and I went to see him. After several months of treatment, my **symptoms were completely gone** and I was finally able to have relief and feel normal again. Due to other health issues, I stopped the treatment regimen several months ago and now my symptoms have returned to some degree. I am very hopeful, though, that restarting the treatment regimen will again control my symptoms and allow me to be pain-free. I would highly recommend Dr. Fowler to anyone suffering from vulvodynia as I have true belief in his treatment regimen and it **made the biggest difference in my life** and health." **E. Anchorage, AK**

"I have suffered over 10 years with vulvodynia and lichen sclerosis that no other doctor has been able to discover. In California I saw two providers and two in Arizona before finding Dr. Fowler. Dr. Fowler was able to diagnose my issues on my first visit. It is now 10 months and the vulvodynia is at least **75% better.** The lichen sclerosis is completely gone. He has helped me and my frustrations tremendously. I would certainly recommend Dr. Fowler to anyone that has vaginal problems. I am so glad I came to him." **J. Buckeye, AZ**

"I am delighted to report that after a very short time of using the products for sensitive skin recommended by Dr. Fowler, that alone eliminated 70% of my chronic vaginal pain, even before starting the vaginal treatment. Much of the burning and itching vanished, and still more importantly, the constant onslaught of yeast, BV, and UTIs ceased. I could sit again quite comfortably, and I was no longer constantly "aware" of my vaginal pain. It's a simple, inexpensive, and easy-to-follow protocol- - and the results in my case were noticeable immediately. I began by using the soap, shaving cream and ointment, and then added the vulvar washes. The last ingredient was quite essential to my progress. I'm currently 51, and I've had fifteen years of almost unremitting pain. During this time, I've been to more doctors than I can name here-- all with no results until I found the Fowler protocol. It's amazing to **feel almost normal** again. I had really lost hope. I'm following up with Dr. Fowler in his office, and I hope to get to the next level of wellness with the vaginal treatment. I hope women--and their partners!- everywhere find Dr. Fowler. His approach is **literally life-changing."** M. Bloomington, IN

"I am currently 22 years old, and I have had my symptoms since I was about 15. My vagina would feel like it was on fire or that someone was lighting a match and just holding it there. I tried everything to make it better using numbing creams and steroids. They temporarily helped, but my symptoms kept coming back. When I would have a flair-up, I could not walk or even get out of bed because I was in so much pain. I lived in Colorado at the time and had gone to many

doctors, even one at the Denver Children's Hospital and the OB/GYN told me to just drink more water and wear sweatpants. That did not help at all. Then when I was 17, I moved to AZ and found a doctor who prescribed me some pain pills. Those helped, but did not cure my problem. Then about two years ago I heard of Dr. Fowler through my gynecologist and came to him right away. I got on the regimen he prescribed me, and it did help, but I didn't fully comply and therefore, all my symptoms came back. I then came back a few months ago and got back on the regimen. I have been on it for 4 months now and I am about **70-75% better**. I have gotten used to all the changes and they really are not a hassle anymore. **My life has completely changed** since I met Dr. Fowler. I am so grateful that he helped me. I would still be in so much pain and only treating my symptoms and not actually curing the problem. If you are considering seeing him, I would definitely do so." **M. Flagstaff AZ**

"It's my 8th month of treatment and the word is I am so much better...the itchy, burning discomfort is **pretty much gone**! The good doctor, Dr. Fowler, told me he could help and boy did he. I have been to various doctors around the country and never could get a correct diagnosis, so their treatment(s) made me worse. Ladies, follow this doctor's orders, follow the plan, and you too will be on the road to recovery." **M. Philadelphia, PA**

"Very early on in my marriage, from day one, I experienced pain with intercourse. It burned, it was uncomfortable and quite honestly I hated sex. I didn't want to have anything to do with it. I would itch constantly and be miserable throughout the day. I started seeing doctors immediately wondering if it was just an allergy to sex...secretly, I hoped that was the case so I would have a good reason not to have to do it. After probably 3-4 different doctors, there was "speculation" that I could have "vulvodynia," "vulvar vestibulitis," and "lichen sclerosis." These were just a few of the diagnoses they threw out at me. We tried pills, creams, ointments, and the list goes on. One of the only creams that actually seemed to work was suddenly taken off the market. I felt like I was at the end of my rope. I had a doctor tell me once that if I had a baby it might help things out. My husband and I are infertile and cannot have children biologically. Another dead end. Another 4 doctors and PAs later, including urologists, and still no answers. Then after 12 years of misery, I started to see an OBGYN who seeded to really do his research and was interested in what I was dealing with. We continued to try new things. Since we cannot have children and I was having multiple periods a month (it seemed) and asked if I could have an ablation, to help maybe relieve the pain of wearing tampons constantly. I was still trying to keep my intimate relationship good and so between trying to heal after sex ( a few days) and wearing tampons (a couple of weeks), I was never getting any relief. As a result I asked if "surgery" would be an option for me. The reason "having a baby" could have helped is because if I tore then the theory was they could remove the "bad tissue" while they were already "down there". But without this reason, it was too risky to do surgery. So, now I had a reason for my doctor to proceed with a "vestibulectomy." After recovery from that (6 weeks), I seemed to be better for about 6 months and back to square one. I hurt, it burned, I itched, all over again. This is when my OBGYN referred me to an out-of-state colleague of his, Dr. Fowler. In the 2 years I have been treated, my lifestyle and intimate relationship with my husband **have improved dramatically**. I no longer burn and itch on a daily basis. Sex is actually enjoyable. I don't have to mentally

prepare myself for days. I don't burn during or after sex **90%** of the time. There are occasional flare-ups due to spotting from menstruation post-ablation, but overall, I have been able to have relief and enjoy daily activities more. I work out a lot, and sometimes that would cause pain, but I no longer worry about that with my workouts. I highly recommend Dr. Fowler and his caring staff to anyone dealing with these issues. It's not easy to talk about and after telling my story to many doctors that didn't understand, it's nice to have someone get it and know how to help." **P. Twin Falls, ID**

"Over the last eight months of treatment with Dr. Fowler, I have had **significant improvement.** No more severe burning, itching and agitation after activities or sitting for longer periods of time. Even going to the movies was out of the question due to being so uncomfortable. If you are having any doubts whether or not it is possible to find a treatment that will work, put your mind at ease and make your appointment. The treatment is "doable" and well worth the effort." **S Scottsdale, AZ**

"Finding Dr. Fowler has changed everything for me! I have been suffering from chronic recurrent yeast infections for the past 4 years. I have seen 5 different doctors who kept putting me on boric acid suppositories for weeks at a time, all to no avail. The infection would clear for a bit and then the symptoms would start creeping back again. Not one doctor could figure out why this was happening to me. I am an otherwise very healthy 42-year-old woman. I was in constant discomfort with burning, itching and discharge and became very depressed. I tried everything on my own, from following an anti-candemic diet, taking probiotics, drinking tons of water, weekly acupuncture, and holistic candida cleanses, but nothing worked. One evening, while I was online doing even more research, I googled excessive discharge and Dr. Fowler's site popped up. I figured I had nothing to lose at this point and decided to fill out his questionnaire and see if he could possibly help. Just speaking to him made me feel better, as he was empathetic, understanding, and compassionate and it made me feel like I wasn't crazy. It's hard to suffer from an invisible illness! It's hard for others to truly understand what you are going through, but Dr. Fowler did understand. I knew right away that I was on the right track. After taking the Vaginal Fluid Test, he was able to come up with a diagnosis of Inflammatory Vaginitis. He immediately put me on a protocol of medications and products that I was to use for a four-month period. Today, I am **90% better**! The constant burning and itching were gone after the first couple of weeks of treatment and now **I'm feeling almost completely back to normal**!!! After 4 years of hell, **I have my life back,** and I can't thank Dr. Fowler enough. He is even easier to reach on the phone than my local doctors. Dr. Fowler is the real deal and he will help you!" **T. Valley Village, CA**

"In late 2013, I started having burning and pain in the vestibule area. In a three- month time frame, I saw 8 doctors, tried numerous creams and even had a painful biopsy. Nothing helped and no one could give me a reason for the pain. It was a very emotionally difficult time - I thought I was incurable and would have to live with this pain for the rest of my life. I read "horror" stories on the internet of women who had been suffering for years and could not find relief. I got more and more depressed. I found a great group of women online who have also

suffered from this horrible condition and one of them recommended Dr. Fowler. I was hesitant to fly to another state to see a doctor, but I was desperate, so I called and made the appointment. It was the best decision I have made! Dr. Fowler understood exactly what I was going through. It took some time, but I can say I am **90% better** than where I was a year ago! **I feel like I have my life back**." **A. Bartlesville, OK**

"I have had vulvodynia for over 25 years. I had seen countless specialists over the years but never received relief from symptoms. I have tried botox injections, interferon injections, physical therapy, acupuncture, tissue removal... vestibulectomy, ineffective hormonal treatments, naturopathic medicine, eastern medicine, psychotropic medications and numerous other treatments to no avail. I had never given up hope and found Dr. Fowler using an internet search. His treatment has provided me with a significant reduction at **about 95%** reduction in symptoms at this point and I feel optimistic to achieve full remission of symptoms. I was initially reluctant to try some of his treatment recommendations, but once I did, I was very happy with the results and **finally felt normal** for the first time in over 25 years. Dr. Fowler is incredibly competent and caring. He is always available by phone for questions and concerns. I am very grateful I found FGI and would highly recommend it to anyone suffering from vulvodynia." **C. Scottsdale, AZ**

"I cannot tell you how frustrating the last three years have been trying to find a gynecologist who could and would help me. I have been to five different gynecologists who told me there was nothing wrong with me-one even called me crazy and said it was "all in my head!" Moreover, I could not have intercourse and I felt very insecure ALL the time because of the odor, discharge and burning sensation. If that wasn't enough, I also spent thousands upon thousands of dollars going to these different gynecologists and taking medicine that was unresponsive. Since first seeing Dr. Fowler four months ago, I have made immense progress with all of my symptoms. In fact, I am **60-80% better**! I can finally have **intercourse again without feeling a burning sensation**; the odor and discharge are almost non-existent and I finally am starting to feel secure with myself again. Ladies, I highly recommend you go to see Dr. Fowler if you are having problems that just cannot seem to be resolved. You will not be disappointed and it will save you a lot of time and money in the long run." **I. Gilbert, AZ**

"I had been suffering from chronic yeast infections and chronic vaginal itching for two years before finding Dr. Fowler. I am so glad I finally found him and got the treatment I needed. I had gone to multiple doctors and had been told the same thing over and over. I had tried different medicines. I was so frustrated with my situation because no one had any answers for me or knew what was going on. I felt like I couldn't live a normal life because the itching and irritation were constantly bothering me. One night, my mom called me and said she found a doctor I should go see. I came to Dr. Fowler's office, and my life changed! He diagnosed me with Vulvar Contact Dermatitis and Lichen Sclerosus. Over the course of the treatment for the past 4 months, I've only had about five times where I felt a little fair for 5 minutes or so. I'm definitely more comfortable. Before, it was constantly itching, with no more cuts or swelling. Life is much better. Overall **90% better**. The discharge is fully resolved. I am so thankful to Dr. Fowler for helping

me resolve my issues. **I feel like I can live a normal life again!** I would highly recommend Dr. Fowler. **He gave me back my life**!" **T. Gilbert, AZ**

"When I first started experiencing burning and pain, I went to my gynecologist and was told that everything tested normal. I went back multiple times and was treated very poorly. Eventually, she found an "answer." She misdiagnosed me for an STD. After being put on medication for 8 months with no improvement, I went to a new gynecologist only to be treated the same way, with no relief. Eventually I found Dr. Fowler on my own. I read his testimonials and was hopeful that I might find the answer. The pain and burning consumed my life. It was all I could think about. I was truly miserable. After being put on my new regime, I found relief. At the moment, I feel a **60-70%** improvement. I feel like **I have my life back**. Please be your own advocate and come to Dr. Fowler. It is worth it!!!" **K. Scottsdale, AZ**

"I had been to my GYN every month for six months prior to seeing Dr. Fowler trying to get rid of itching and chronic discharge. With no results, my gyn finally referred me to Dr. Fowler. Four months after starting the treatment recommended by Dr. Fowler, there are no clinical signs of lichen sclerosis. The itching and discharge have **resolved**. This has **immensely improved my life**. I would highly recommend him for any vulvar concern." **P. Chandler, AZ**

"Ladies, please read my review! In September of 2014, I had just left the office of my Gynecologist for the 6th time in the last 4 months. I was stuck in this never- ending cycle of BV and reoccurring yeast infections. My gyno kept prescribing me the same medicine and I remember sitting in her office for the 6th time begging her to try something else because what we had been trying wasn't working. She then gave me Dr. Fowler's card and said I think you need to see a specialist. I immediately googled Dr. Fowler and started reading all of the other reviews. I felt like many of the women who had written the testimonials were experiencing the exact same situation. I called immediately and scheduled my first appointment with Dr. Fowler. After my first appointment, I was a little nervous that some of Dr. Fowler's instructions were kind of crazy (sorry Dr. Fowler)! But, I was desperate and would have done anything to fix my problems, so I followed his regime exactly like he asked me. And let me tell you, it wasn't easy! I am happy to report that after just a few weeks, I was already BV and yeast infection-free! I still had a little soreness during intercourse, but I was much better. It was only one month after that I was **100% better** with absolutely no problems or pain! IF YOU ARE IN A SIMILAR SITUATION, PLEASE GO SEE DR. FOWLER! The key is to stick to the plan he gives you, exactly! No cheating or you won't get the results! *Quick Funny Story- I was on an airplane headed to a bachelorette party when I looked over a girlfriend's computer screen and asked her how she had heard of the soap that she was about to purchase. She said her doctor had referred her to that soap, and she loves it. I asked her if, by chance, her doctor was Dr. Fowler and her face was in complete shock. We were both seeing the same vaginal doctor, although, for separate problems, both had amazing results!" **J. Gilbert, AZ**

"I had problems with extreme vaginal burning and discharge for 8 years. I could not have sex, limit my outside activities, and could not ride my bike or even walk without it irritating me. I

have been to five different gynecologists with no results. My gynecologist in Montrose, Colorado, referred me to Dr. Fowler and **now I feel much better.** I'm not as stressed about it because it is obvious that I'm getting better. The vaginal burning is nothing compared to what it had been. I still have some burning in the peri-rectal area. I can actually have sex without it burning for 2 days like it did. I think about it less. It has been well worth the time it has taken on the treatment protocols to get better. I would recommend Dr. Fowler to anyone with these symptoms." **T. Montrose, CO**

"I want to thank Dr. Fowler for all that he has done for me. Finding Dr. Fowler was the best thing that has happened to me. He has been so kind and understanding with all of my problems. He has always taken the time and has answered all of my questions. If you follow his suggestions, his protocol will work. I have been seeing Dr. Fowler for two years now, and I can say that I am **100% better.** Working with Dr. Fowler and his staff has been a joy. They are always there to answer any questions that I have had by phone or by e-mail. Thank you Dr. Fowler, for **getting my life back." J. Chandler, AZ**

"I had massive vaginal discomfort for 31/2 years. I had seen 4 docs with no relief. I found out about Dr. Fowler by googling vulvodynia. I'm so glad I did. I think it was divine intervention, quite frankly, that I found him. Now at 4 months on his protocol, in terms of everyday discomfort, I'm 60+% better some days **close to 90%** when I don't even think about the problem. Before, it was a crap shoot. Working out, tight clothing, perspiration, and urination all made much worse. Have been using dilators and could feel the sensitivity was getting less, even to the point I wanted to try intercourse again but with trepidation because it had been so painful, I had not been able to engage for two years prior to beginning this treatment. There was some burning but he was able to fully insert and he is well endowed so that's a big improvement. I have gone from feeling helpless and in despair to regaining my self- esteem and hope for my future. I would highly recommend Dr. Fowler to anybody coping with the problems he addressed." **V. Novato, CA**

"I suffered with incredible pain and discomfort and nonexistent sex life for at least a year before finding my way to Dr. Fowler. Just a few months after I started Dr. Fowler's protocol, my labial i**rritation vanished** and I was **able to resume my active life** and my normal sex life. (Boy is my husband happy.) Prior to that, I wondered if my life was essentially over, as I was so uncomfortable and unable to be intimate with my husband. After I found Dr. Fowler, I realized that my gynecologist had been treating the symptoms of my underlying problem rather than the cause, and her treatments were actually making me worse. Finding Dr. Fowler right in my own town has been a Godsend." **D. Paradise Valley, A**

"A little over a year ago I was misdiagnosed by my regular gyn. A friend (a patient of Dr. Fowler) told me about Dr. Fowler and that I should speak to him. I made an appointment and was extremely pleased when I left his office that day with my new treatment plan in hand. I did his protocol as recommended for 5 months now. I am happy to say I am symptom-free. Overall **99.9% better**. Only every once in a while will I have a slight flare, but it goes away on its own.

Sex was extremely painful, but now it's not painful, and we're good. The sense of urinary frequency and urgency has gone away completely. I am 100% happy about how this treatment is going. I would highly recommend any women to see him with any vulvovaginal problems." **D. Phoenix, AZ**

"I found Dr. Fowler through my gynecologist after having symptoms for one and one-half years. I set up an appointment immediately. I was encouraged when I met with Dr. Fowler that my situation was fixable. I started on the regiment he prescribed. And I am thrilled with my progress. I'm not at the finish line yet, but I will be. At this point in time, after 4 months of treatment, I'm overall **60% better**. I feel like I'm doing really good. I've been in the pool and before, it was too raw inside there, and it burned bad and now I do great in the pool. Now I can sit prolonged and it's not so tender when I wash. I'm definitely encouraged that it's getting better. It was a nightmare... it was horrible pain. Also, there is no more discharge. Thank you Dr. Fowler" **P. Scottsdale, AZ**

"I had this incredible pain, on and off, for about 10 years. I had gone through my regular OB/GYN, with little to no results. I was able to work with the Mayo Clinic, and worked with 3 different doctors there, and they had no answers. About two years previous, I had a partial hysterectomy- the theory being that would help, but 6 months later, the pain was back. At the Mayo Clinic, when the doctor left me sobbing in the office, telling me the next step was yet another laparoscopy, a nurse came and gave me hope. She was the former nurse of Dr. Fowler when he was at Mayo and she gave me his phone number. I went to see him, and within 3 months of following his protocol, I was **pain-free-** and remained pain-free for another year and 3 months. I did fabulous! I recently had a relapse due to going off the protocol. (sorry about that, Doc), and will begin again knowing it will work." **A. Gilbert, AZ**

"I started experiencing severe pains in the vulva region around 6 years ago. After first seeing my regular ObGyn I was directed to 5 different specialists in Phoenix, AZ. None of the treatments were working. Around 3 years ago, I decided to call the Mayo Clinic based on a co-worker's recommendations. Mayo referred me to Dr. Fowler. The treatment might have been at the time, but my condition today has improved, and I am back to a normal, healthy life. I'm doing better, would say about **80% better**. My mind is not always thinking about the problem. It has made my life easier, able to do more things. Before, it was difficult to swim or exercise, but now I can do it without the pain. I'm really doing fine so far. Dr. Fowler is the only one I would recommend. **The day he decides to stop and play golf, we are all in trouble." E. Cave Creek, A**

"After 8 months of extreme discomfort of vaginal itching, burning, discharge, and bad odor. I found Dr. Fowler by referral of a friend. In just two and a half months, my symptoms were **90% better.** I have found going out in public a pleasure, not a chore now. I had threatened to use a wire brush on myself now I'm glad I didn't! I highly recommend it. Dr. Fowler." **J. Slayersville, Kentucky**

"Four years ago, I was fortunate enough to find Dr. Fowler at the Mayo Clinic. Prior to that time, I had seen at least 5 physicians who tried to diagnose my symptoms without success. A hysterectomy and gallbladder removal were not the answer. For over a year and a half I suffered a great deal with vulvar pain no one could seem to alleviate. Dr. Fowler diagnosed vulvodynia and lichen sclerosis. With his protocol, I have been **asymptomatic** and **living a normal, healthy life** for the past 4 years after the initial 6 month treatment. To say I am grateful to Dr. Fowler is an understatement." **S. Seattle, Washington**

"I want to thank Dr. Fowler and the staff for helping me with my condition, which I had for two years. My gynecologist said she could no longer help me and referred me to a specialist, Dr. Fowler. He diagnosed me with Lichen Sclerosus. Now I'm **feeling a lot better**, just after 8 weeks of treatment. I'd say I'm **80-90% better**. The itching is gone, and I no longer scratch. The cuts and cracks have resolved and not reoccured. I am happy! I would highly recommend Dr. Fowler and staff." **R. Peoria, AZ**

"I suffered with itching and burning in my crotch for over 7 years. I saw doctors off and on and used prescriptions, which reduced the discomfort for a very short time - but it never really went away. The last doctor said my condition was so bad that they didn't think they would be able to help me and recommended that I see a specialist. I saw Dr. Fowler about 2 months ago. He accurately diagnosed my condition as Lichen Sclerosus and put me on a treatment regimen that has improved my condition 1000 percent! It is such a blessing to finally be **free of the itching and burning**. I would highly recommend Dr. Fowler." **M. Scottsdale AZ**

"After 4 years and 3 doctors, I had literally lost hope that my vaginal conditions would ever go away. My symptoms began in 2010, a persistent thick, white substance in my vagina that my doctors simply couldn't identify, diagnose or treat. There wasn't any pain, odor, or physical discomfort at all, just a very embarrassing white discharge that wouldn't go away. I would avoid intimacy because I couldn't be spontaneous; I was embarrassed and ashamed and my relationship suffered. Finally! I met the doctor (who still couldn't help my condition) but he did better... he referred me to Dr. Fowler. Dr. Fowler diagnosed my condition at my first appointment and started me on the right path to recovery and **getting my life back**. Within only 3 months, I saw the difference, and at my first follow-up appointment with Dr. Fowler, I was already **80% better. I feel better now**, more confident and hopeful. I'm so glad I met Dr. Fowler and his great team." **M. Scottsdale, Az**

"I had clitoral pain feeling like a deep uncomfortableness for 10 years and vaginal odor and some itching. I saw multiple doctors without relief. I was referred by Dr. Kho at the Mayo Clinic to see Dr. Fowler. The experience has been nothing short of amazing! It took me being on the prescribed regimen 8 months, and I became **100% better.** I continue to use the daily cream, and lye soap and will resume the astringent solution. Very, very pleased. **You saved my life, Dr. Fowler**... and my sanity. Many blessings." **K. Jackson, Michigan.**

"Three years ago, I started getting burning and itching and went to my doctor to find out that I had bacterial vaginosis and yeast. I would be prescribed the usual antibiotics and suppositories,

and it would seem to go away but always came back. I was tired of the cycle. I decided to contact Dr. Fowler and to finally find out what my problem is and why it won't go away. It's worth the trip to find out what's wrong and fix this problem of mine. Even having started on his products recommended for sensitive genital skin, within two days, I felt totally better. The **burning and irritation resolved!** At one look he also diagnosed me with Lichen Sclerosus, which had been overlooked by my local doctors. I'm so glad I made the trip, and that's the truth!" **P. Lancaster, Texas**

"I read countless testimonials on Dr. Fowler's website before I felt confident about making an appointment. I had been to so many doctors with no real answers. I can assure you that I am one of the many patients that Dr. Fowler has treated and helped. He was able to make the correct diagnosis and provide the treatment protocol to finally help **my issues resolve**. I am so thankful to have found Dr. Fowler. His specific knowledge and experience have been invaluable to me. He is also a doctor who truly cares about his patients. Thank you, Dr. Fowler. You have truly been a godsend!" **J. Johns Creek, Georgia**

"Before I was referred to Dr. Fowler, I suffered from daily vulvar itching and burning. It affected my everyday life and I was not able to do the things that I enjoyed. Since being on the treatment regimen, I am so much better. My mood is brighter and I can start living again. Overall, **90%.** I can tolerate sitting better than walking, and I can do some bike riding. I have been able to start wearing pants, in the past I would wear skirts. I would heartily recommend Dr. Fowler to provide expert help to all women suffering from these medical problems." **A. Phoenix, AZ**

"Overall, I'm about **70% better**; things are a lot, lot better. Intercourse is so much better, and not painful if I'm following all the protocols. Afterwards can be a little sensitive for like a day. I'm able to exercise and the friction from my clothing is no longer irritating. The protocol was not hard to do, and the benefits were definitely worth it! I'm excited to **have my life back,** and grateful to Dr. Fowler for finding the causes of my discomfort and healing me when no one else could!" **K. Scottsdale, AZ.**

"I had constant cracks and cuts with burning for 3 years. I couldn't sleep and I WAS IN AGONY." After seeing 3 doctors, my PCP referred me to Dr. Fowler. He diagnosed me with Lichen Sclerosus with one look at me. I am so much better. After 3 months of treatment, I'd say **90% better.** I'm thrilled. Run to Dr. Fowler if you have this condition. He is a miracle worker." **D. Scottsdale, AZ**

"I have been diagnosed with vulvodynia and lichen sclerosis and have been seeking treatment for 3 years. I called Mayo Clinic in Phoenix and was referred to Dr. Fowler in private practice at Fowler Gyn International. I began the Hypocontactant Regimen portion of treatment in December and started Vaginal Rejuvenate Therapy in January. In just two and a half months I am already **85% better**! The tissues seem to be healthier, and dense, as before they were so thin. Rare burning, nothing like before and intercourse is now possible once again **without pain.** It is tremendous to have this kind of results so quickly. The quality of my life has truly changed. It is

amazing! I urge anyone experiencing these problems to follow Dr. Fowler's treatment EXACTLY. It is well worth the effort in order to feel so much better!" **S. West Chester, OH.**

"Thank goodness for Dr. Fowler! When I first met with him, I was burning and itching (with frequent trips to the bathroom) most of the time. It was miserable. Now, I am free of discomfort with only an occasional infrequent flare-up. Life has returned to "normal". I am so grateful!" S. Rock Island, I "Having intercourse with my husband had become so painful it was causing real issues in our marriage since our sex life had been so good. The changes leading up to my getting to the point where we did not even want to have sex any longer had been building for years. Other doctors had believed, as I did, that I was experiencing UTI after intercourse and only prescribed antibiotics. As I aged, the other issues became impossible to deal with. No lubricants worked to provide relief. Since coming to Dr. Fowler, I'm doing amazingly better. **No more pain with intercourse**, which is huge. No more sensations like I have a UTI after intercourse. The dilators also made a big difference. They got things opened up again where before I could tell, I was very shrunken down. No more issues with the dryness. At times I would have cracking and staining and that is not happening any longer. I mean, **everything cleared up.** It's awesome." **M. Paradise Valley, AZ**

"I am a new patient of Dr. Fowler's and have been following his recommended protocol for 4 months. I feel tremendously better! I came to see Dr. Fowler to be treated for chronic swelling, burning, and skin tearing. I have suffered from these symptoms for years. My regular gynecologist did not know what to do for me. These symptoms would often mimic those of vaginal infections even when I didn't have an infection and I would be left untreated and suffering. With a proper diagnosis from Dr. Fowler, I am receiving a targeted treatment. For the first time in years, I am not constantly thinking about how bad I feel all of the time because **I am not feeling bad!" A. Oro Valley, AZ**

"I've been on my protocol for 4 months. I'm much better compared to what I was in the beginning. I cannot complain; it's **80% better**. Fewer symptoms all the time. I **don't have that searing pain any longer**. I complied with the treatment protocol, and the results have been positive. Dr. Fowler and the staff are friendly and efficient in their treatment. Don't wait. Schedule an appointment and start to feel better. There is hope... and treatment." **S. Scottsdale, AZ**

"I spent several years going to doctor appointments where drug after drug was given to me for all of my symptoms. Nothing seemed to help. I was referred to a vulvar specialist in Phoenix who only gave me a prescription for a drug I ended up being allergic to. I was So desperate for help. I saw a different gynecologist who referred me to Dr. Fowler. I was in tears when I arrived for my appointment. I never thought I would feel normal again. He changed my life. I am doing well. Much, much better! I don't think about anything down there. It's not part of my conscious daily life anymore. There is **no burning; in fact, it's 100%** resolved. I'm thrilled. I can't tell you how Dr. Fowler has changed my life. I was miserable. Now I'm really happy; I can smile and I can function! I am engaging in intercourse again. It is the experience that it should be. Please, anyone with any of these symptoms, schedule an appointment. Do not waste your time with doctors who

do not understand what is taking place or how to treat the symptoms. Do not suffer when Dr. Fowler has a way to treat you and make your life enjoyable. Growing older needs to be a positive and wonderful experience." **E. Scottsdale, AZ**

"Before seeing Dr. Fowler, I was in such severe pain that it affected my everyday life. I would barely sit down at a restaurant, at my job or even to use the restroom. I had several tests done, which all came back negative, and then I was referred to Dr. Fowler by my gynecologist. I was diagnosed with vulvodynia and lichen sclerosis. After 3 months of Dr. Fowler's regimen and expertise, I am feeling **100% better.** I have not felt any pain, I can use tampons again, and I can continue to be comfortable with my everyday routine. The problems I had never crossed my mind. All swelling, irritation, and itching are completely gone. I would highly recommend Dr. Fowler to anyone who is concerned with vaginal problems. His staff is amazing and I am so lucky to have been referred to such an amazing physician. I can now continue a healthy, regular and comfortable lifestyle! Thank you, Dr. Fowler!!" **R. Scottsdale, AZ**

"About a year ago, my mother and I came across Dr. Fowler on the internet and started making appointments. Through my overall treatment with Dr. Fowler, I have been feeling healthier and have gotten persistently better. At this point, it's about **80% better**. I had horrible pinching vaginal pain during walking, wearing jeans, and exercising. Now after my treatments, I have been feeling a**lmost totally pain-free** vaginally and can exercise or walk whenever feeling healthy down there." **D. Goodyear, AZ**

"I think I'm doing a lot, lot better. Since the first two weeks of treatment, I have **felt normal again**. The dry, itchy and feeling inflamed resolved. Now intercourse has improved a lot as well, no longer cracking or tearing. Three years ago I was diagnosed with Lichen Sclerosis with itching and painful discomfort, treated by a dermatologist, who did a great job, but not enough to get me well until I met Dr. Fowler. Now my life has turned around for the better. The itching stopped, the irritation stopped, and the color of my skin came back to normal. Thanks, Dr. Fowler." **S, Maricopa, AZ**

"I used to have vaginal infections twice a month for the last 15-18 years. I had been to 4 doctors without anyone telling me what I had. Fortunately, I found Dr. Fowler on the internet while I was looking for treatment for my infections, itching, and burning. Lucky me!! I have been in Dr. Fowler's care for the last 11 months, and my condition has **improved by 80%**, with no more itching, burning or odor just occasional discharge. I used to be very conscious about the odor and my mood was usually low and it was difficult to have intercourse because it hurt. Most of my symptoms are gone now. **I am a changed person!** My confidence is back. I am very thankful to Dr. Fowler and his staff. I received great attention, respect, and understanding for my problems. I would recommend Dr. Fowler and his treatment for anyone with a vaginal condition. Thank you, Dr. Fowler!" **P. Huixquilucan, Mexico**

"After suffering from burning and pain and no desire for close to 10 years and putting up with flare-ups, it finally got so bad that I needed to seek medical help. At my routine visit to my gyn I mentioned it to the Doctor, and her recommendation was for me to see Dr. Fowler. After, 4

months of being on the protocol, I feel I have **improved by 80%**, feel much better. The burning sensation went away and the itching is minimal and corrected by closer adherence to the regimen. I really appreciate Dr. Fowler's expertise and wisdom in helping me become a healthier woman." **Y. Fountain Hills, AZ**

"I suffered from vaginal dryness and burning for many years, thinking this would be forever. I tried different doctors, different estrogen creams, pills, everything and nothing worked. Then I read about Dr. Fowler on the web and going to see him was the best thing I ever did. All the products he recommended for me work great and it is a very easy process each day. I have had no trouble. I have been seeing Dr. Fowler for about 7 months and I am **70-80% better** and much happier. I highly recommend you do the same- he really makes it better- it can get better!" **E, Gilbert, AZ**

"After struggling for about 3 years with recurring yeast/vaginal infections, I finally found Dr. Fowler. He is the only doctor who has been able to treat the underlying cause of these horrible symptoms! I was getting infections once a month and would go to my GYN doctor who would prescribe medications to treat the condition. But the following month, I'd get another infection. So after many months of going through this, it became exhausting, going to the doctor each time and getting the same medications. Sure it would relieve my symptoms, but the whole time I knew that it was just a temporary fix and that this would happen again in another 4 weeks. It was very frustrating how no GYN could figure out why or how this was happening so often. I finally went to a new GYN who couldn't make sense of it either, but fortunately, she had heard of Dr. Fowler and recommended that I make an appointment with him. Dr. Fowler was very thorough. He performed the VFA test and could see exactly what was going on and why I was experiencing these ongoing infections. He set me up with a treatment protocol and explained that it does take a little bit of time for things to **improve 100%**. But honestly, after beginning the protocol, I went for an entire 4 months without a single problem, so to me, that was a major improvement! After having these recurring infections every month for 3 years, to make it 4 months without any issues was a major relief. I could actually trust that the protocol Dr. Fowler placed me on was doing its job!! No more having to wonder if there was a way to overcome this problem. Now I know it's possible." **B. Scottsdale, AZ**

"I experienced a mysterious vaginal burning 10 years ago at the age of 30. For 6 months, I suffered from unusual amounts of discharge and burning coming from higher up inside by the vaginal opening, but results found little to no yeast, no BV, etc. The doctors were stumped. After 6 months it mysteriously subsided on its own, but during this time period, I could not have intercourse, and it pretty much disrupted my whole entire life. I had become depressed and irritable, and my condition eventually forced me to take a break from my studies. Once again, these symptoms have revisited me. At the age of 39, almost 10 years to the month, I am suffering from unusual discharging and higher-up vaginal burning by the opening. Three doctors later, a series of failed creams, regimens and antibiotics, I'm back to square one. Now with a child and even more responsibilities, life with my symptoms was a miserable one. I felt isolated and alone, and no one could understand what was wrong with me. I was beginning to give up all hope. 7

months ago, I met Dr. Fowler after being referred to him by a nurse practitioner who came to know me very well, by my numerous visits to her. She asked me to see Dr. Fowler, and without hesitation, I called him. I was desperate to try and see anyone who could help at this point, after a half hour and a special vaginal fluid analysis done in the office. He said to me, I know what you have, he said my estrogen receptors in my vaginal mucosa were not working well, and he placed me on a very specific vaginal regimen, which has come to **change my life dramatically**. Now **80% better f**or vulvodynia, only about 2-3 days per month. Sexually active and it's good. My natural lubricant is now good and I don't have any burning after intercourse anymore, which is fantastic." **Y. Maricopa, AZ**

"Generalized Vulvodynia destroyed my life at the age of 19. I was in extreme pain with no lasting relief. I only get seconds of relief by applying frozen ice bottles. I couldn't walk, sit, stand, wear underwear, or sleep on my side. It was debilitating in every way for the past two years. Imagine a constant 24/7 burning on the external genitalia region and my less problematic at the entrance as well. That's my daily struggle every single day. I never got a second without my skin on fire. Acid being poured on the skin is truly the most accurate description. As a college student, working in a high-end retail store, active in sports, able to have sex, etc. I never saw this coming. Although, I do have to mention I had issues for 3 years prior to this. I had irritation for a week before my period, every single time I menstruated, regular or irregular periods. It always came before, and disrupted my life for a week. So, I always knew I had hypersensitivity in the vulva area, but I never knew it could build up to a pain-level condition. Regarding the post-menstruating irritation, I put up with it, hoping I"d grow out of it. Once this struck me, I then started seeing doctors, countless doctors. I saw a couple of Vulvodynia specialists in my state, but I always left with no hope. At age 20, I knew Dr. Fowler was my calling to the end of my suffering! I found Dr. Fowler by talking to one of his Vulvodynia clients who live in Arizona. I found her through social networking sites months before he launched his website. The only thing I regret is not seeing him sooner!!! I was even in a wheelchair in the Phoenix airport since I couldn't walk or function on my way to the visit. Fast forward to now, 9 months after seeing him I'm **improving 40-50%**! My in-office visit with Dr. Fowler left me envisioning my pain-free future! I believe I would be at a higher percentage by now, if it wasn't for not prioritizing the regimen to a tee. I started noticing relief and then used lidocaine patches for additional relief. Bad idea! Ladies, follow everything and you too will get a good response to the FGI treatment approach! I'm progressing more as the days go on! I'm able to have peace of mind knowing I'm in good hands! My favorite part about meeting Dr. Fowler is that he was confident that he could relieve my pain. He knew what he was doing... and I knew I was in the right place! I'm 21 now, and I'm not giving up on my dreams. I was given a correct diagnosis, easy-to-follow medication ( that really works!), and my prescriptions, so we are striving for 90% improvement in the next few months! I'm very excited!!! Dr. Fowler cares enough to dedicate his practice to helping women with difficult vulvovaginal conditions. I am grateful for my individualized treatment protocol, and Dr. Fowler's guidance! I'm on my way to **getting my life back!** He's very knowledgeable! I finally found the physician I was looking for, with the expertise in the condition I battle!! Thank you for everything. You're greatly appreciated, Dr. Fowler!! **A. Clio, Michigan**

"I had been to several gynecologists and women's health centers, and no one was able to help me. This went on for about 6 years. It was depressing being constantly dry and irritated in the vaginal area. and forgetting about being intimate... it was just too painful. stung like paper cuts. Lubricants didn't add the moisture that was needed for intercourse. Sitting felt different, and sensitive with wiping. Wearing tight clothing felt prickly, like a heat rash. Dr. Kho from the Mayo Clinic saved me by referring me to Dr. Fowler. He is truly remarkable in healing this kind of condition. Spared me from a life of being depressed and feeling alone. I highly recommend him!! Very gentle and understanding. Stay with the protocol, and **your issues will go away**... have faith and hang in there; that is what I can pass on to other women with this condition. It does get better!" **K. Phoenix, AZ**

"I started with my condition after having trouble with the birth control pill. After having multiple infections and problems, my original ob/gyn referred me to a specialist who was able to greatly improve my condition. At that time, I remember having so much pain that my husband and I would have to stop in the middle of having sex because it hurt too much and have to blow dry (on low, of course, after a shower so as not to irritate the skin in the vulva area. That specialist was able to help a lot, although I did not respond. Well, to some of the methods. Fast forward three kids later, and while I felt good overall, I started having strong pain while standing at certain points throughout the month. This was particularly bad during my period, where it would hurt to wear a tampon, but a pad would irritate my skin so much that the whole time was miserable. The pain would become so bad when I was standing that I remember having to stop making dinner one night because standing at the stove just hurt too much, and I had to go lay down. At this point, I found Dr. Fowler, who has been able to help me **almost completely pain-free.** With three children, I can't spend my time sitting or lying down too often. I no longer dread my periods and only have an occasional day where I have pain, and we are working further to adjust my medicine to the point where I look forward to not having to deal with any pain. Many days, I no longer feel like I even have this condition as it is so far from my mind." **B. Phoenix, AZ**

"I have been dealing with my issue for about 2 years now with burning, itching, discharge, and odor. I have gone to see my normal gynecologist (3 different doctors in the same practice) and 2 emergency room doctors, and no one was able to diagnose the problem. I finally went back to my gynecologist to see a new physician, and she recommended me to go see Dr. Fowler. I called his office to schedule an appointment (left a voicemail) and was very pleasantly surprised when he personally called me back to discuss the problem. I filled out the online form after our conversation and had my first appointment scheduled. I am now 4 months into my treatment and can't explain how much better I am feeling. I am **80%** back to my normal self. Even at the exams, at the first one, it felt like I had to be scraped off the ceiling. At the follow-up, the sensitivity was like a normal pelvic exam. I struggled with my symptoms for 2 years, and it controlled my life. I can't explain how excited I am to get back to all the normal activities a 20-year-old should be getting to experience. With my symptoms in "full force," I was a prisoner to them. I was not able to have a normal day without extreme pain and discomfort. As I stated

earlier, I am 80% **back to my normal self** and can't wait to put this behind me and live a full life." **J. Tempe, AZ**

"Before seeing Dr. Fowler, I was having burning and itching and not sleeping well because I itched so much. I could not have intercourse since it hurt so bad. My gynecologist referred me to Dr. Fowler. I have been under Dr. Fowler's care for the last 6 months. His treatment has been great. I feel like I'm getting back on track. Overall, the burning and itching is **100% totally gone!** I also used to get cracks, but I don't get those anymore. I can't engage in intercourse yet because my vagina is too tight. Now, we are working on correcting that. I'm excited that I'm getting better!" **K. Maricopa, AZ**

"Thank you, Dr. Fowler, **I have my life back!** I saw Dr. R. Stuart Fowler approx. Eight months ago, and am so glad I did. I used to have vaginal itching, swelling, and cracks from lichen sclerosis. **I immediately got relief** from Dr. Fowler's protocol and had my life back, resuming all activities that I had dreaded because I knew it would only irritate my condition. Thank you, thank you!" **M. Atlanta, Georgia**

"My symptoms first began in high school with what I thought were chronic yeast infections. I was treated multiple times by my regular gynecologist for months and saw a reduction in "flare-ups," but I never felt totally better. About 2 years ago, the flare-ups started to come back more frequently, and for about six months, I felt like I had a severe and constant yeast infection with itching and burning that was driving me crazy. I was uncomfortable to pee, exercise, or have intercourse. I was again given multiple treatments by my regular gynecologist without relief. Finally, my gynecologist was convinced there was more going on than yeast infections, and he referred me to Dr. Fowler. I was impressed by Dr. Fowler's knowledge and resources in helping with feminine issues that most women (including myself) don't even know exist. I was grateful that he was able to tell me what was going on with my body and give me a protocol to follow that would help me get well. After discontinuing my synthetic birth control and being on the recommended protocol for just a couple of weeks, I saw a major reduction in my symptoms. Within a few short months, I am free of flare-ups and feeling **100% well!** Without Dr. Fowler, I am sure I would not have found the relief that I have, and I am **grateful to have control over my body and life again." J. Gilbert, AZ**

"I have been a patient of Dr. Fowler for 2 years. Before seeing him, I saw three different gynecologists who misdiagnosed my condition and ran lots of unnecessary tests. I was worried that my condition could not be treated, so I met Dr. Fowler. At my first visit with Dr. Fowler, he immediately identified my medical issue and explained thoroughly what was causing it and, most importantly, how to treat it. The treatment plan that he prescribed was effective. Within a month, things started to improve, and I stopped the treatment because I forgot to pack medication when I went on vacation. I know how critical it was to stay on it. Seeing Dr. Fowler **has extremely changed my life**. I'm like **98% totally better!" E. Scottsdale, AZ**

"Vulvodynia was an incredibly painful, frustrating, and depressing part of my life for the better part of two years. I saw numerous doctors, was subjected to multiple tests, and was prescribed

several different antibiotics and other medications that only seemed to make my condition worse. I probably saw 8 different doctors over the course of those two years, none of whom could help. Without anyone who could identify a problem, I was skeptical that a solution existed and made to feel as though the condition was psychological. When I met with Dr. Fowler for the first time, he knew exactly what was causing the pain. He had a positive approach that, with time and management, **100% resolved** my issue! To date, he is the only doctor I have met who understands this condition and the pain that Vulvodynia causes and has a viable solution. He knows what he is doing, and I would hope that someone with a story similar to mine would be able to find his practice and get the help they need as well. This is not a condition that any doctor, specialist, gynecologist, or naturopath can solve; this is an area that Dr. Fowler has dedicated a substantial amount of time researching, and his solutions are working." **C. Scottsdale, AZ**

"Dr. Fowler is a brilliant gynecologist! After just four months, I am **95% better.** He and his staff will greet you with a smile, assist you, and send you off with confidence and a smile. I am thrilled that another physician in the same field who could not help me referred me to Dr. Fowler." **N. Scottsdale, AZ**

"I had my first yeast infection when I was thirteen years old, and I had no idea what was happening down there. My mother took me to the gynecologist, and he gave me a prescription, which gave me relief within a few days. I had no idea this was going to be the beginning of a very long and grueling process. I had one or two infections a year before I became sexually active when I was 20 years old. After that, they became a constant year-round infection. When I was around 26, I had a severe reaction to an over-the-counter product and had to schedule an emergency visit to my doctor. My body could no longer accept the use of any over-the-counter products, and I started taking fluconazole. My mother was desperately trying to find the new "it" doctor to give me any kind of relief without any luck. She felt my pain through the years and had been through every agonizing detail with me until she found Dr. Fowler. In one visit, I knew that my life would change. Now I'm **70% better**. I had been to dozens of doctors who had no idea what I was going through and continued to prescribe me Fluconozole, which helped but never got to the root of the problem." **S. Chandler, AZ**

"Overall, **at least 85% better**. Almost no symptoms. It is a drastic improvement, nearly insufferable before. She complained of persistent incapacitation, burning, and irritation, which has shown dramatic improvement. Quality of life has improved to the degree that her smile is a frequent aspect of daily life. " Written by husband, **A. Scottsdale, AZ**

"It all started at the lake with a UTI. The burn never went away after taking the RX. The symptoms went on for 5 years, and now, oh my gosh, I don't believe it. After 8 months of using Dr. Fowler's protocol, I'm 70-80% better. There are so many more good days than bad, which is so awesome. I have a life again. I didn't have a life. It was depressing, for sure. I'm happy. There is nothing worse than feeling discomfort every day. Nobody knowing what was wrong with me made me feel crazy. I saw about 10 doctors. It became very depressing. Not one Doc could find

out what was going on with my body. Every test was negative, but with the burn that I had, I knew that something was wrong. I had seen so many doctors, and it is so emotionally draining to hear, "Nothing is wrong with you"! It would keep me up at night, and any form of exercise would be too much. It affected my marriage. I would burn for days after sex. After feeling like there was no other choice, I went to the Mayo Clinic in AZ. It was there I learned of Dr. Fowler. Dr. Magrina at the Mayo Clinic referred me to Dr. Fowler. **He changed my life!!**! With intercourse, I don't burn at all any longer! If you have symptoms that I had of burning, stinging, and pain, go see him. The money I spent was nothing compared to the freedom I felt being **pain-free**. My husband adds, "She's a new woman." **B. Boulder City, Nevada.**

"Following a complete hysterectomy in my 30s, I had been placed on a variety of HRT (both pharmaceutical and bio-identical) over the course of the next ten years, as I was thrown into complete menopause. Some products had no effect, while others had horrible side effects. Through bio-identical hormones, I was finally able to get most of my symptoms under control, except for the vaginal dryness. The doctors in my area were competent and WONDERFUL, but they were unable to grasp exactly why all of the creams and potions they were prescribing me were not absorbing or providing relief. I became desperate, as my normal active life was coming to a halt. I had to stop intercourse and exercise, and even my desk job and performing normal activities were becoming painful. I finally turned to the internet for help, and I came across Dr. Fowler's website. Luckily for me, Dr. Fowler's practice was only a five- hour drive away, although I was at my wit's end and willing to fly across the country for a chance of feeling better. The vaginal dryness eventually consumed EVERY aspect of my life. I was unable to have intercourse. However, after one month of treatment with Dr. Fowler, I was able to resume intercourse. In addition, the dryness had become so bad that I could feel tearing of the vaginal tissue and itching as I walked and moved from a sitting to a standing position. This made even working at my desk horrendously uncomfortable. Again, after just a few weeks, I felt tons and tons and tons better. The itching and dryness were all gone, and the burning with intercourse **100% resolved." H. Las Vegas, NV**

"Had symptoms for 2 years. Now 4 months on treatment. I'm getting better. Overall, **80% better irritation, 70% better burning**, and no discomfort with intercourse. I have to say that I have been to many doctor's apt. for what I thought was a yeast infection over and over again. The doctors would make me come in and act like I was trying to get drugs or something, or it was all in my head because they didn't see yeast. The teraconazole acted like a bandaid and worked for a week or two. I was thinking this is crazy. I have better things to do than worry about my vaginal health. Then, finally, my newest gyn referred me to Doctor Fowler. Thank goodness! Although your insurance can't be used, it was the best way to spend money because I finally got results, and I'm on the road to recovery! Alice was so friendly, and of course, Dr. Fowler always returned my calls and answered questions. Thank you to both of you. This is a life-changing event because if you have ever had these conditions, you know that it really puts a damper on things. I really appreciate all you have done, Dr. Fowler, in **getting me back to myself!" K. Phoenix, AZ.**

"Overall, **80% better.** I feel like the treatment has definitely helped. It's not bothering me as much. Some discharge is still there. Discomfort occurs only when I wear jeans and a little with intercourse, but that has definitely improved. Before treatment, the burning was constant and so was the discharge; intercourse was hardly ever. It was consuming. I was constantly thinking about it. I am very grateful to Dr. Fowler and his staff. They are very professional and took the time to listen to all of my concerns. I feel like they knew exactly what I was going through and were able to give me the answers I was looking for. If you are tired of having the same symptoms and trying different treatments that aren't working, I highly recommend giving Dr Fowler a call!" **M. Glendale, AZ**

"I was miserable for several months due to dryness, severe irritation, and painful intercourse. Dr. Fowler recognized my condition immediately. After 8 weeks of treatment, I am feeling **100% better!" K. Tempe, AZ**

"In January of 2010, I was first diagnosed with BV. Little did I know that it would be a long, painful, and extremely frustrating journey that disrupted my physical and sexual well-being. I was diagnosed with BV again and again, every 2-6 weeks. My gynecologist did little to help me. She prescribed the same antibiotics for me for years every time I came in. Well, some know, that one can develop resistance to antibiotics, so this has always been a concern of mine. Not to mention the ongoing infection that never seemed to go away. The only other treatment tried by my gynecologist was a sort of dye, which she tried once with no luck in making any improvement in my condition. She never suggested anything new or other options, even though over the years and frequent visits, she came to know me very well. It almost seemed to not phase her, as if it were normal for this woman in her 20s. My sex life in my relationships was stressful because of this ongoing problem. I felt guilt for not being able to do things with my body that I wanted to and should be able to at my age. My relationship suffered. I feared having sex because I feared being in pain and having to tell my partner to stop. What should be something for a couple to enjoy together became something that I feared and put off, or even suffered through the pain. Even at work, I would be in pain, walking around sometimes to the point of tears. Well, I lost my insurance coverage for a while and went to Planned Parenthood to get my medications. It got to the point in 2013 that I went through 12-14 rounds of antibiotics by October. I had had enough. There had to be someone out there who knew more than the other doctors I had seen. I started looking up specialists in Women's vaginal health online. I then found Dr. Fowler's website and watched a video. Finally, maybe someone who could help me. I'm like a billion times better. It was like a constant infection, and I had used 14 rounds of antibiotics. I'm very pleased; it has been much more pleasant these past 6 months. Also, the pain with intercourse has **resolved** so it's **nice to have a regular sex life again." D. Phoenix, AZ**

"I used to have this condition for 10 years. I went to a lot of doctors, and some of them thought I was crazy. I used to cry myself to sleep almost every night. I wasted a lot of time and energy searching for a cure that was elusive.I tried every snake oil treatment there was and then some. My lowest point was when I didn't want to live with this condition anymore. I cried out to God and he answered my prayers and I found Dr. Fowler. It's been only 3 months and I'm doing a lot

better and feeling a lot better. There are days I don't even think about it, which used to be every day all day long, oh my goodness. Overall **40% better**. Notice discharge once per day but not all day like it used to be. Odor does not notice it very often. I ride the city bus and now have the confidence to get on without an anxiety attack. **I'm feeling almost normal.** I thought I would never feel normal again. I'm getting there." **L. Phoenix, AZ**

"In August 2013, I woke up one morning feeling like acid had been poured on my outer genitals. Thinking I had a UTI, I went to my family doctor, who prescribed an antibiotic. After I finished the medication, I still had burning sensations in my vulva that were not going away. The burning was constant 24/7. It was all I could think about. Any pressure made the pain increase, so I couldn't wear jeans or have sex. I stopped playing tennis and stopped socializing. I saw a gynecologist at MUMC who prescribed Zoloft. One pill, and I was sick for 10 days. I realized I needed a different approach, and started researching specialists. I spent months researching Vulvodynia on the internet, trying to figure out how to get better without taking antidepressants or anticonvulsants. I found Dr. Fowler's website and was very impressed with his background. He offered a free talk, so I called and spoke with him. He assured me that he thought he could help me. I flew from SC to Phoenix, AZ, to see him in February 2014. Based on my VFA test results, he came up with a protocol for me to follow. It has been 4 months since I started the protocol and I have improved about **80 percent**. The burning sensations have decreased significantly, I am able to have sex again and I am back to playing tennis. I am so thankful I found Dr. Fowler and I would highly recommend him to anyone suffering from this condition." **L. Murrells Inlet, South Carolina**

"Thank you, Dr. Fowler, **I HAVE MY LIFE BACK!** I saw Dr. R. Stuart Fowler approx. 8 months ago, and I am so glad I did. I used to have such vaginal itching, swelling, and cracks from Lichen Sclerosus. I immediately **got relief** from Dr. Fowler's protocol and had my life back, resuming all activities that I had once dreaded because I knew it would only irritate my condition. Thank you, thank you! " **M. Atlanta, Georgia**

"After I gave birth and when I started intercourse, it was very painful, felt like burning acid. It was so bad as soon as my husband started just to touch me a little bit. Even when I would sit down, it caused some burning. I waited 6 months with no improvement, and my gynecologist referred me to Dr. Fowler. I was happy he could recognize the problem. His treatment protocol has been very effective. It took just 4 months, and I am **90% better**. I completely recommend Dr. Fowler." **A. Glendale, Arizona.**

"Due to my vaginal problems of burning, itching, and unable to have intercourse, I took to the web to find help. I had problems for 2 years and two other physicians could not help me. Thank goodness I found Dr. Fowler. After 4 months of treatment, I am **80% better.** Dr. Fowler is a kind, gentle spirit who is here to help us women. His assistant is also a very sweet and gentle person, which made my situation not feel so hopeless. Dr. Fowler also makes it affordable." **R. Phoenix, Arizona**

"I first started having the symptoms about 2 years ago. I saw a few gynecologists and none of them could find out what was wrong. They all diagnosed me with recurrent yeast bacterial infection and put me on antibiotics, but my condition did not improve. Tired of not feeling like myself, I decided to give it another try and went to see another gynecologist referred to me by a friend. Thanks to Dr. Richards, I found out about Dr. Fowler. I flew to Arizona to see Dr. Fowler. From my first visit, I could tell I had finally found a doctor who knew what he was talking about. Dr. Fowler diagnosed me with a case of Vulvodynia and put me on a strict regimen for 4 months. Right away I started to feel better. **No more itching, burning or yeast infection. I finally feel like myself again**. What a relief! All I can say is: Dr. Fowler you are a genius, and your magic works! Thank you so very much for all your help." **C. Glenwood, New Jersey**

"I had symptoms of vulvodynia and lichen sclerosis for 6 months with no relief. After seeing my family doctor and a gynecologist with no relief of symptoms, I was fortunately referred to Dr. Fowler. With his treatment for lichen sclerosis and a plan for returning my vaginal flora to normal, my symptoms have gradually and **almost totally disappeared.** I am thankful to Dr. Fower, who specializes in these female problems for helping me to recover from these symptoms." **M. Scottsdale, Arizona**

"I called Dr. Fowler's office to schedule an appointment (left a voicemail) and was very pleasantly surprised when he personally called me back to discuss the problem. I filled out the online form after our conversation and had my first appointment scheduled. I am now 4 months into my treatment and can't explain how much better I am feeling. Even at the exams, although Dr. Fowler is very gentle, at the first one, I was so sensitive it felt like I had to be scraped off the ceiling. At the follow-up, the sensitivity was like a normal pelvic exam. I struggled with my symptoms for 2 years, and it controlled my life. I can't explain how excited I am to get back to all the normal activities that a 20-year-old should be getting to experience. With my symptoms in "full force," I was a prisoner to them. I was not able to have a normal day without extreme pain and discomfort. I am **80% back.to my normal self** and can't wait to put this behind me and live a full life." **J. Tempe, Arizona**

"I have had a yeast problem for the past 10 years, giving me burning and itching and normal doctor visits did not cure the problems. I was disappointed with all the continuing symptoms, and my husband started looking for some type of specialist to address this situation. He was fortunate to find Dr. Fowler's website and got excited that it addressed the same type of problems I was having. We called and made an appointment. Dr. Fowler examined me and immediately placed me on a protocol for treatment. I adhered strictly to his protocol and saw immediate results... with **100% relief** after 2 months. I highly recommend Dr. Fowler as he has cured my problem." **M. Las Vegas, Nevada.**

"Overall, I'm 80% better. This is great! I had been having excessive burning and itching for the past year. After seeing four gynecologists plus my PCP with no resolution to my problem, I lost all hope. I kept thinking maybe it was me but it wasn't. Fortunately, the last gynecologist I saw gave me Dr. Fowler's information. I decided to come in. It was the best decision! I can wear pants. I can actually exercise; I could not do that at all... the sweating was a killer. Don't have

itching in the vaginal area anymore either; we are still working on resolving some in the perirectal area. **All burning has been resolved**. Dr. Fowler's expertise **has given me back my life.** I would highly recommend any woman suffering from severe itching and burning to consult with Dr. Fowler." **R. Phoenix, Arizona**

"When I first came to Dr. Fowler, I was experiencing symptoms similar to that of a urinary tract infection. It turned out that an overdose of antibiotics I was taking for the urinary tract infection, which in fact I did not have, destroyed the good flora in my vagina. I then chose to take an overseas trip that set me further back. I went through great trauma: unable to sit due to discomfort, could not wear underwear, could not exercise, or have intercourse. After 4 months of the treatment prescribed by Dr. Fowler, I am now able to do almost everything I could do in the past. I am **well on the way to recovery** and am confident that the symptoms will resolve 100%." **P. Scottsdale, Arizona**

"Dr. Fowler gave me a miraculous recovery and **my life back**. I began having vulvodynia symptoms in my early twenties. I just didn't know what it was. The vaginal burning, irritation, and itching felt like an infection. The many doctors I consulted with told me, "There's nothing wrong with you. It's all in your head. You need to seek counseling." So, for years, I suffered with this condition in silence, with no relief. In my mid-thirties, my condition worsened to the point that I could not wear underwear or pants without severe pain. I met Dr. Fowler, who quickly diagnosed my condition. Vulvodynia! Finally, I not only found out what was wrong but was given treatment for it! I followed Dr. Fowler's protocol and, over a short period of time, had a **COMPLETE recovery**. This treatment not only saved my health but my relationship with my husband, as well. I continue to see Dr. Fowler to maintain my flare-up-free vulvodynia treatment...and it works!" ***E. - Prescott, AZ ****

"I had vaginal burning, itching, and pain for over 4 years. I went to multiple GYN doctors to be diagnosed with a yeast infection or bacterial vaginosis. None of these doctors listened when I asked about what was causing these to recur. I did countless hours of research online, searching for someone who would provide an answer to my question. I was thankful to find Dr. Fowler, who took the time to listen. I followed his treatment plan and after a couple of weeks, I was beginning to feel relief. After 4 months, I was 70% better. With a small adjustment in my treatment, I am now **90% better. I am ENJOYING LIFE AGAIN!** Thank you, Dr. Fowler. You are truly a God send." ***K. - Clearwater, FL***

"Before seeing Dr. Fowler, I had seen 5 different doctors over the course of two years. The symptoms changed my whole lifestyle; I was depressed and lost the joy of living. I had to curtail activities like prolonged sitting for performances and at the office working. It turned my life upside down. Now, after treatment with Dr. Fowler, the symptoms of BURNING have diminished significantly. I'd say I'm **85% better at this point.** I am very grateful. It's no longer on my mind every breathing second." ***L. - Las Vegas, NV***

"After almost TWO YEARS of having the same issue and not receiving relief from treatments prescribed by my regular gynecologist, I was referred to Dr. Fowler. After just one visit with Dr.

Fowler, he was able to determine the issue and suggest some easy lifestyle changes (e.g., types of lotions and detergents, etc, used) and prescribe vaginal medication to treat the issue. Six months later, I am feeling **70% better** and am on the road to recovery!" ***J. - Chandler, AZ***

"In the last year, I have had 4-5 bacterial and yeast infections that would clear up for a while and then come back. My gynecologist referred me to Dr. Fowler when he realized that he could no longer help me. What a BLESSING Dr. Fowler has become! I have been a Telemedicine/Virtual client since March of 2014. All of my communication with Dr. Fowler has been over the phone. Of course, I wondered how that would work!!! Well, **it has worked beautifully.** Dr. Fowler has always taken my calls or called me back the same day. His step-by-step instructions, which I received in the mail for my 4-month treatment cycle, have been extremely easy to follow. All of my questions were answered in his thorough paper description of my ailment... "Inflammatory Vaginitis." I am happy to report that after my 4-month treatment cycle, I am feeling **80% better**!!! I am relieved to know that I am on the road to feeling better, and I am so happy to share this with others who may also suffer. Thank you, Dr. Fowler, for your expertise!!!!!" ***C.-Truckee, CA***

"If I were to put it into one sentence, it would be **"Dr. Fowler SAVED MY LIFE."** I mean that, literally. Every day, I had wished myself dead. Every day, I dwelled on how to end this horrible, all-consuming pain I was experiencing. My only option was dwindling down to ending my life in the two years of hell I experienced before finally getting Dr. Fowler's help. I had seen my general practitioner, 3 gynecologists, a urologist, and a pain clinic totaling over 80 medical appointments. I was a guinea pig and prescribed 28 different medications, costing more than $6000.00, none of which eased the endless suffering. I tried acupuncture, a herbalist, a naturopathic doctor, and a physiotherapist, costing me over $3300.00, all to no avail. My last hope was Dr. Fowler, so I took a leap of faith and made the 1300-mile trek. It has been 5 months since I first saw Dr. Fowler, and **I am IMPROVING**!!! This journey is not over, but I am seeing the light at the end of this dark long tunnel. If you are wondering, "I've already tried so many different things and spent so much money, and nothing has helped, why would Dr. Fowler be any different?" STOP wondering. **He is different. His testing is different. His regimen is different.** He is worth every penny. Get your life back. Let Dr. Fowler help you. I am so glad I did. Thank you, Dr. Fowler!!!" ***G. - Manitoba, Canada***

"I was diagnosed with bacterial vaginosis 9 months ago by my nurse practitioner. I was given antibiotics and thought it would be resolved fairly quickly. Unfortunately, I was in for the roller coaster of my life and was brought to my knees by this condition. I sought further help from a gynecologist who affirmed the original diagnosis with a renewal of the antibiotic prescription. I was in extreme pain with no relief and managed only by taking ibuprofen, which only dulled my pain for short periods. I sought the help of a naturopathic doctor who could not help me, followed by a female gynecologist who was quick to prescribe more antibiotics without a lab sample, which I refused to take. I was desperate for help. My husband and I found Dr. Fowler's website while researching the internet. My appointment with Dr. Fowler was the beginning of my recovery from the most difficult and frustrating physical condition that I have ever

experienced. I am SO THANKFUL to have met Dr. Fowler and to finally get an accurate diagnosis with a protocol for recovery, which I am dedicated to using as it really works. I have taken the recommendations of Dr. Fowler to heart, and they are now just a regular part of my daily life. My pain has diminished, and MOST DAYS are **COMPLETELY GONE. I am living a normal life**. Who could ask for more than that? My husband and I thank you again, Dr. Fowler, and wish you the best." **P. Medford, OR**

"I have dealt with vulvar pain since the day I got married. Unfortunately, intimacy on my honeymoon was a horrible experience for me, and it had been that way for 13 years. I saw a handful of doctors with multiple diagnoses many different treatments, including surgery to try to get rid of the bad tissue, and no relief. What a miserable lifestyle. It affected my relationship with my spouse intimately and even daily activities such as going to the bathroom. After surgery, I had slight relief for a couple of months, and then the pain came back. My doctor, who did the surgery, then referred me to Fowler Gyn International, and **I am amazed at how different my life is.** I didn't know I could actually enjoy intimacy and have a good sexual relationship. I AM GRATEFUL for the treatment plan and the care the FGI staff has given me." ***P. - Twin Falls, ID***

"I had lived with chronic infections for many years. Had seen several gynecologists who treated me for bacterial and/ or yeast infections with medications that worked temporarily. The problem always came back and disrupted my life and my lifestyle. I had to quit many things that made me happy. I was truly miserable and discouraged, thinking I had Vulvodynia and it would last forever. Then, I found out about Dr. Fowler. His scientific solutions to this chronic problem really do work. I started the protocol about six months ago. I got relief from the outer vulvar area within a week or two, and the rest of the problems went away while I was still on the suppository treatment. I have been **SYMPTOM-FREE** for more than four months. If you have this problem, do not waste any time getting your appointment with Dr. Fowler. He is sensitive, kind, understanding, and knows how to make your condition better. He spent a lot of years figuring out why this condition is chronic and reoccurring and has found the solution. The tests are easy, and so is the protocol. **I have my lifestyle back** and am confident that the condition will not return. It is wonderful that Dr. Fowler cared enough about those of us suffering from this condition to find out why and how to treat it." ***S. - Scottsdale, AZ***

"Vulvodynia was an incredibly painful, frustrating, and depressing part of my life for the better part of two years. I saw numerous doctors, was subjected to multiple tests, and was prescribed several different antibiotics and other medications that only seemed to make my condition worse. I probably saw 8 different doctors over the course of those two years, none of whom could help. Without anyone who could identify a problem, I was skeptical that a solution existed, and made to feel as though the condition was psychological. When I met with Dr. Fowler the first time, he knew exactly what was causing the pain. He had a positive approach that, with time and management, **100% RESOLVED MY ISSUE**! To date, he is the only doctor I have met who understands this condition and the pain that Vulvodynia causes and has a viable solution. He knows what he is doing, and I would hope that someone with a story similar to mine would be able to find his practice and get the help they need as well. This is not a condition that any

doctor, specialist, gynecologist, or naturopath can solve; this is an area that Dr. Fowler has dedicated a substantial amount of time researching, and his solutions are working." ***C. Scottsdale, AZ***

"I have been a patient of Dr. Fowler for 2 years. Before seeing him, I saw 3 different gynecologists who diagnosed my condition and ran lots of unnecessary tests. I was worried that my condition could not be treated, so I met Dr. Fowler. At my first visit with Dr Fowler, he immediately identified my medical issue and explained thoroughly what was causing it and, most importantly, how to treat it. The treatment plan that he prescribed was effective. Within a month, things started to improve, and I stopped the treatment because I forgot to pack my medication when I went on vacation. I knew how critical it was to stay on it. Seeing Dr Fowler has **EXTREMELY CHANGED MY LIFE. I'm like 98% totally better!**" ***E. - Scottsdale, AZ***

"My symptoms first began in high school with what I thought were chronic yeast infections. I was treated multiple times by my regular gynecologist for months and saw a reduction in "flare-ups," but I never felt totally better. About 2 years ago, the flare-ups started to come back more frequently, and for about six months, I felt like I had a severe and constant yeast infection with itching and burning that was driving me crazy. Was comfortable to pee, exercise or have intercourse. I was again given multiple treatments by my regular gynecologist without relief. Finally, my gynecologist was convinced there was more going on than yeast infections and he referred me to Dr. Fowler. I was impressed by Dr. Fowler's knowledge and resources in helping with feminine issues that most women (including myself) don't even know exist. I was GRATEFUL that he was able to tell me what was going on with my body and give me a protocol to follow that would help me get well. After discontinuing my synthetic birth control and being on the recommended protocol for just a couple of weeks, I saw a major reduction in my symptoms. Within a few short months, I am free of flare-ups and FEELING **100% WELL**! Without Dr. Fowler, I am sure I would not have found the relief that I have, and **I am grateful to have control over my body and life again.**" ***J. - Gilbert, AZ***

"Before seeing Dr. Fowler, I was having burning and itching and not sleeping well because I itched so much. Could not have intercourse since it hurt so bad. My gynecologist referred me to Dr. Fowler. I have been under Dr. Fowler's care for the last 6 months. His treatment has been great. I feel like I'm getting back on track. Overall, the burning and itching is **100% TOTALLY GONE**! I also used to get cracks, but I don't get those anymore. I can't engage in intercourse yet because my vagina is too tight. Now, we are working on correcting that. I'm excited that I'm getting better!" ***K. - Maricopa, AZ***

"I was having symptoms of urinary frequency and urgency. I have had UTIs in the past and this seemed similar. I went to a local urgent care because it was the weekend. I gave them a urine sample, and they gave me antibiotics. Three weeks later, the symptoms had not gone away. I decided to go back to the same urgent care. I gave them a second urine sample, and they ordered a pelvic ultrasound. Two and a half weeks later, the symptoms persisted and nothing came out of the ultrasound. I made an appointment and saw Dr. Fowler. He took a vaginal secretion sample

and noted that I had the altered vaginal micro-flora pattern of "inflammatory vaginitis." Then he treated me, and I was **BACK TO NORMAL**. I am also in the medical field, and it is quite common to see patients have unnecessary tests done because of a lack of knowledge. I want to thank Dr. Fowler for educating me about vaginitis. As common as the term "UTI" is. Hopefully, the medical community can also integrate the variations of vaginitis in their day-to-day vocabulary so that more people are aware of these conditions." ***S. - Scottsdale, AZ***

"My gynecologic condition was greatly affecting the quality of my life. I had intense burning and stinging whenever I urinated or had something wet against my vulva. I had pain when standing or sitting in certain ways most of the time. I would often have to shift my weight while standing or walking to avoid the pain I experienced. I could not wear jeans because they aggravated my symptoms of rawness on my vulva. Other constricting types of clothing also made my symptoms worse. I gave up athletic pursuits that I enjoyed, such as attending a cycling class at the gym or using a particular piece of weight-lifting equipment because sitting on it exacerbated the pain. Now, after being treated by Dr. Fowler, my symptoms of Vulvodynia are **100% IMPROVED.** I have **returned to activities I previously enjoyed** and can wear any type of clothing without pain. I am SO THANKFUL for the help which Dr. Fowler's treatment has provided me." ***M. - Gilbert, AZ***

"I've had pain with intercourse for the last 4 years, which has been very frustrating. I've seen 3 different doctors trying to resolve the problem with no success. In fact, surgery was suggested as a possibility for steroid injections in the vagina. Neither was a choice I wanted. Finally, one of my doctors suggested I seek help from a specialist in the lower.48. I went online to research doctors and found Dr. Stuart Fowler. I first saw him in November of 2012, again for a follow-up in June 2013, and now, in November 2013, **I have no pain!**!! It took a while and a lot of dedication to the protocol I was put on, but it was well worth the result. Thank you, Dr. Fowler, from both my husband and myself. ***L. - Eagle River, Alaska***

"About 18 months ago, I developed persistent itching in my vulvar area. My internist referred me to Dr. Stuart Fowler, who specializes in conditions of the vulva. At my first visit with Dr. Fowler, he diagnosed me with Lichen Sclerosus and first put me on a twice-daily ointment. My **itching stopped** immediately. Yesterday, at my one- year follow-up with Dr. Fowler, I was greatly pleased to report that I'm still doing well on his treatment regimen. I am greatly indebted to Dr. Fowler for his passion, expertise, knowledge, continuing education, and commitment to the conditions of the vulva. His proficiency in vulvar conditions is an incomparable asset to the medical community." ***D. - Prescott, Arizona***

“I came to see Dr. Stuart Fowler due to difficulties I had during intercourse. I would bleed and feel very uncomfortable. I was diagnosed with Lichen Sclerosus and Essential Vulvodynia and put on a treatment. After six weeks, I felt much more comfortable having intercourse. The cream prescribed for Lichen Sclerosus has been very effective and I still use it. I had been to numerous gynecologists over a number of years, which, for the most part, did very little to help me. Dr.

Fowler was a God sent to help me overcome my difficulties and now I am able to have sexual intercourse **without pain.**" ***R. - Toronto,*** Canada

“I have had vaginal pain for 3-4 years and questioned medical doctors who told me that I needed to take HRT or just admit I was getting older and intercourse was no longer in the picture. I saw a couple of therapists and then another nurse practitioner. I would get yeast and bacterial infections and it seemed never really to clear up. The NP suggested that I see Dr. Stuart Fowler. After following his protocol faithfully, I have made remarkable progress. I no longer have any discharge or infections and the tenderness is slowly getting less. At this time, after 8 weeks, I'm **80% better!**"***K. - Maricopa, Arizona***

“About a year ago, I developed a vaginal condition that came out of nowhere and was very debilitating. The pain I suffered was agonizing and constant. I sought treatment from at least 9 doctors, including some well-known specialists in the state of Arizona. I spent hours each day researching how to help my condition, and through my vast internet searches, I found Dr. Stuart Fowler's website. His demeanor, compassion, and expertise are unmatched. Thanks to his treatment protocol, I have **gained my life back** in less than a year! It's been **nothing short of miraculous**! For anyone that has difficulty with difficult-to-treat vaginal conditions, I urge you to make an appointment with Dr. Fowler. My only regret is that I didn't find him sooner! Thanks, Dr. Fowler! You have been a lifesaver!" ***A. - Phoenix, Arizona.***

“I had been suffering with vaginal dryness, vulvar pain, itching, and burning for over 20 years. Every doctor I went to told me it was a yeast infection until I saw Dr. Stuart Fowler. When he gave me my diagnosis and told me that he could clear up my symptoms, I almost cried. I had been so depressed from my symptoms overtaking my life. Finally, I received the correct diagnosis and treatment and am feeling **100% better** today!" ***C.* - Carefree, Arizona**

“After suffering with constant external and internal vaginal pain, made worse during intercourse for over three years, and having sought treatment by many supposed experts in the area of Vulvodynia, I finally found Dr. Stuart Fowler. Within a month of treatment, my symptoms improved by 60% and within 8 months, they were **90% improved.** Doctor Fowler has been such a **benefit to my quality of life and marriage**. He is a true expert in his field looking for the root cause of the pain and treating that." ***I. - St. Louis, Missouri***

“When my symptoms began, I thought my life was over at 25. After months of unbearable vaginal burning I came to the realization that I was going to have to give up my career and I was planning to quit working. The pain and burning was so intense that I couldn't concentrate at work. I woke up crying every single morning when I realized that I would once again have to make it through another day with this excruciating feeling. I tried topical remedies, supplements and prescriptions given by my gyno..., but none of it worked. After 3 months of searching I found Dr. Fowler's website and read testimony from other women. Before even meeting Dr. Fowler, he gave me instructions over the phone that instantly improved my pain. He quickly got me in for an appointment and within the first two weeks, my symptoms were 50% improved. I was no longer bed ridden during my free time and I stopped counting down the hours until the

day was over and I could go back to sleep. Within 1 month **I got my life back.** I started wearing clothing other than baggy dresses, I was able to have some sexual activity and finally, I felt happy again. I have seen countless doctors and I can tell you that Dr. Fowler is one of the most competent MDs you will ever meet. He is the miracle that I am so lucky I found." ***K. - Phoenix,* Arizona**

"I presented to Dr. Fowler three years ago with severe vaginal symptoms, including vaginal itching, burning, dryness, and pain, along with frequent urinary tract infections and bladder pressure. Prior to Dr. Fowler, I was given the impression from other health care providers that my symptoms could not be due to vaginal health since 'I was too young' but that they were primarily due to Interstitial Cystitis of the bladder and would remain a chronic part of my life. Dr. Fowler was instantly able to recognize my problem as more than cystitis and started me on my individualized regimen that **has ultimately saved my life**. I went from almost dropping out of graduate school and being in such misery and now **feeling the best I have ever felt,** newly married and enjoying life as it should be. Dr. Fowler provides the most up- to-date science-based practice within his profession and is so well versed as a physician, but even more importantly is that Dr. Fowler provides individualized care; he even has called me on the phone where I live in Texas to answer any of my questions or concerns."***S. - Lubbock, Texas***

"It all began for me with the onset of a yeast infection. It never seemed to go away... there was terrible burning and itching. The burning was unbearable. I went to my gynecologist. I must have gone back to see her 6 or 7 times. Each time it was trying something new. Then came the news from the doctor, "I have no idea what is wrong with you." I was beside myself. I tried another gynecologist. After several more months of going through all the testing, medications, etc. no relief...and it actually got worse. It was everything I could do to get through the day. Sitting was terribly painful; wearing Underwear was a death sentence. I had to wear skirts. An ice pack became my best friend. And this doctor came to the same conclusion... "I have no idea what is wrong with you." I hit rock bottom. I felt like my life had been taken from me. I was a very active person. I exercised two times per day, loved to hike, and was always on the go.... and boom, it was all gone! I went from an extremely happy, bubbly person to basically a numb individual with no life left in me. The doctor who basically saved my life is Dr. R. Stuart Fowler. This man is the most amazing doctor I have EVER met in my life! Aside from being intelligent, he possesses a bedside manner that is absolutely the best. He was sympathetic and understood what I was dealing with. He ran several very specific tests. It was then when I heard the words for the first time..."You have a condition which is called Vulvodynia." Today I have a **90% improvement** from following Dr. Fowler's protocol. I am **getting my life back!** I am no longer spending every waking moment thinking about my vagina. I know there are a lot of women out there who have this condition, but they don't even know what it is or where to get help. I am writing this letter to give other women hope and knowledge that they CAN recover from this condition. Dr. Fowler can help you." ***D. - Scottsdale, Arizona***

Dear Doctor Fowler, I have been a patient of yours for many years and have found you to be a wonderful doctor; thorough, lucid and caring. As you know, I am a pharmacy technician and in

that capacity, have spoken with many of your patients as they come to fill their prescriptions. Inevitably, the stories they tell me are all the same. 'I have been suffering with my vaginal problem for 5, 10, 15 years. All my other doctors told me I was imagining the problem. I have been to 3,4,6,8 doctors before I found Dr. Fowler. He was **the only one that was able to help me.**' I wish you all the best and want you to know that you have been wonderful to me." ***A. - Scottsdale, Arizona***

"Three months ago, I began to have a yellow vaginal discharge. Dr. Fowler diagnosed and prescribed medicine for me. After using it for three months, my condition has **improved 90%.**" **M. - Scottsdale Arizona**

"Upon having burning, my doctor treated me for yeast infection...twice. Then, I waited to be seen by Dr. R. Stuart Fowler. He diagnosed vulvar lichen sclerosus and treatment was begun. At the end of this initial treatment period **I was beginning to have some natural feeling in the area!**" **L. - Las Vegas, Nevada**

"To all women who might not be having sex with their partner because of pain and burning during sex. I highly recommend that you see Doctor Fowler. **He gave me my sex life back**! Don't give up, there is hope and Dr. Fowler can also help you with your vulvar problems." ***L. - Case Grande, Arizona***

"When I was in my late 50s, I got something that caused my vagina and anal area to itch profoundly. Dr. Fowler told me that I have Lichen Sclerosus. He even went so far as to show me what it looked like during the examination. I looked at the screen and I could see it for myself. He was so nice and kind and at last, I had a doctor that told me everything. Dr. Fowler gave me a cream. After about a week, maybe a week and a half, I was like **100% better**. I want to highly recommend Dr. Fowler. He reassured me through the whole process that I didn't need to be afraid of this disease. You cannot believe how good it feels to know you have a doctor you can be open with and tell your problems to." ***B.- Laveen, Arizona***

"Doctor Fowler not only listens to his patient but has the knowledge, confidence, integrity and compassion to gain the confidence and respect of his patient. I had been to several well-respected GYN physicians in California and no one had been able to provide a lot of relief, but certainly a lot of dedication and interest. This was a period of ten uncomfortable years, and much discomfort and a changed life. When we moved to Arizona, I went to several GYN doctors that provided miscellaneous treatment and drugs, even injections in the vaginal area that provided temporary relief but no permanent help. Then, I heard of Dr. Fowler from several nurses. I had reached a point where I could not make any engagement as I was too uncomfortable to be around anyone or make any kind of commitment. After his patient listened and understanding of the problem, he started treatment for Vulvodynia. What a difference... November 2009 to April 2010, six months. The last appointment was in April 2010. **He said to call IF I have any more difficulty (Ten years, six months). Talk about miracles!!!!"** ***E. - Scottsdale Arizona***

“I suffered with the symptoms of Vulvodynia for almost 2 years before I was diagnosed correctly. I had seen my gynecologist on countless occasions, complaining of searing vulvar pain, itching, and burning. I was unable to sit comfortably, ride a bike, use a tampon, endure a gynecological exam or have a healthy sexual relationship with my husband without major discomfort. The pain was indescribable. For a year, my gynecologist treated my pain as a symptom of a typical yeast infection, as they presented similarly. After several months of unsuccessful treatment, she intimated that there could be emotional-related relationship issues between me and my husband or high-stress levels, which might be the root cause of my problem. I wanted a second opinion. Fortunately, I was able to see Dr. R. Stuart Fowler, M.D., in Phoenix, Arizona. Dr. Fowler examined me, ran some diagnostic tests, and, in about 30 minutes, dismissed the possibility of vulvar leukoplakia and the pre-cancerous potential associated with it. He put me on a broad-spectrum regimen. While feeling a bit overwhelmed by such an intensive approach, I was willing to try anything to relieve my discomfort and lead a normal life again. Let me go on record by saying that my symptoms improved in 3 days. As I began taking the medications, my pain level decreased quickly and dramatically. ! I understand that response usually begins after 4-6 months of treatment. However, my response to Dr. Fowler’s regimen was more rapid. In fact, **90%** of my pain was gone in 3 months” ***L. - Edwards, Colorado***

“Dr. Fowler, I am writing this note to express my gratitude to you for helping me with my vaginal condition. I can’t tell you how much it meant to me to **have things under control**. I had prayed for **a miracle** and God answered my prayer with your wisdom. Thank you for all you have done for me and that you continue to do for others. God bless you and your work.” ***B. - Scottsdale, Arizona***

“In the last four years I have seen four different physicians before seeking treatment with R. Stuart Fowler, M.D. My experience has been that physicians take cultures and biopsies but, do not have an answer when everything comes back. They hardly address any of the “quality of life symptoms” such as burning when clothes (slacks) are rubbing against the area, and you tell them you already only use cotton underwear, or when sexual intercourse irritates continually! In fact, I had been told, “You’ll have to use XXX cream for the rest of your life, or it happens this time of year because of the heat. A lot of my patients are coming in for the same thing!” So I lived with the constant problem and symptoms not knowing that there was a better treatment. Finally, an internist told me she had a colleague who specializes in this area. However, I waited another 14 months because she prefaced her comment with, “If you don’t find any relief with what I give you,” and my prior interpretation of that was I needed to ‘wait it out’ again! After I finally got referred to Dr. Fowler, I especially liked the fact that Dr. Fowler gave me a detailed sheet on how to care for the vulvar area daily. After two months of following his treatment plan, I received significant improvement, which after four months is about **85% better** than when I first visited his office. His treatment has allowed me to wear slacks again. Before I could only wear slacks for only a few hours each WEEK without significant pain and discomfort returning, I can also pursue my normal married sexual life without worrying about the pain the next day!” ***D. - Chico, California***

“Vulvodynia has severely impacted my life and my enjoyment of life. In general, it affects my ability to work, to socialize, my marriage and my ability to just relax. In addition to the physical aspects of the condition, just thinking about the pain as I write today remains a very emotional event. In July 2011, I went to a dermatologist for help, who took a biopsy and diagnosed it with no lichen sclerosis but eczema only. Desperate, I then visited a GYN clinic and was told that the area was not lichen sclerosis and that my condition was nothing more than slight irritations. I asked to be referred to a vulva specialist, which was not granted as the doctor felt that my condition “did not warrant a specialist.” I found Dr. Fowler who efficaciously treated me for lichen sclerosis. Following just a few months of treatment by Dr. Fowler, I am happy to report that I am now **90% symptom-free.**” ***C. - Scottsdale, Arizona***

“I consulted Dr. R. Stuart Fowler in Phoenix in 2001. I had been suffering from chronic vulvar pain for months after a yeast infection that developed from antibiotic treatment for UTI. I had terrible burning symptoms and vulvar pain. My gynecologist was unable to provide relief from my symptoms. She referred me to a dermatologist who gave me a two-week course of a super-potent steroid but this did not provide relief. I finally consulted Dr. Fowler and I began following his regimen. After five months, my symptoms were under control. I have continued to follow his program for the past ten years and my **pain has not returned**! I would highly recommend Dr. Fowler to any patients having vaginal problems.” ***K. - Sedona, Arizona***

“I am writing to thank the NVA for referring me to a local physician knowledgeable about Vulvodynia (Dr. R. Stuart Fowler). I have had the condition for approximately 7-10 years and have seen four other physicians who could not help me. When I first saw Dr. Fowler in February of 2010, I was unable to perform simple daily activities. Example: sitting at my work desk, wearing jeans or pants, walking distances of jogging, intimacy with my husband. I experienced a daily ongoing pain level of 2, with pain episodes reaching a 7 on a 1-10 scale. After a year of following Dr. Fowler’s protocol, I am now much improved. I can sit for long periods of time, wear jeans or pants for several hours, play tennis and enjoy intimacy. When I do have a pain episode, it is much less painful and it does not last. I consider myself at least **80% better** and feel **I am now able to live a ‘normal’ life.”** ***B. - Phoenix, Arizona***

“Here’s a question for you... is it a good thing or a bad thing when your gynecological condition gets discussed on Dr. Oz’ show? I know from experience you can go about treating it the wrong way! I have been treated for vulvodynia symptoms since 1993, though I did not realize that was what I had until 1997. At that point, I switched doctors to Dr. R. Stuart Fowler. My prior vulvar specialist wanted to put me on Interferon for it, and as I was hesitating to accept this regimen, I ran across a nurse who recommended Dr. Fowler to me. Dr. Fowler got my symptoms under control within the first 6 months. More importantly, he has helped me with later flare-ups caused by changes in my body related to long-term birth control pill use and aging in general. At various times in the past 14 years, I have gone to in-network physicians for flare-ups when I didn’t have insurance coverage for Dr. Fowler. Every time, I ended up going back to Dr. Fowler out-of-network. **It was always worth the investment!** As a result I did not listen to the crazy ideas other physicians presented to me, ranging from inserting dissolved acidophilus capsules in olive

oil in my vagina to one doctor's insistence that I must have contracted something from my spouse." ***L.- Carefree, Arizona***

"Starting in the year 2005 and until the year 2008, I was treated by five different doctors. Instead of getting better I kept getting worse and worse. Finally, I went to the emergency room because of intense pain. They said, "We can find nothing wrong with you." My pain kept getting worse. I spent my retirement days lying in bed doubled up in a knot. I didn't get out of bed and I got fat. In the summer of 2008, I had the good fortune of being a patient of Doctor R. Stuart Fowler. He diagnosed me with Essential Vulvodynia and within four months' time, I had a **100% resolution**!" ***J. - Tempe, Arizona***

"Throughout my early 20s, I had endured bouts of what doctors thought were chronic vaginal yeast infections. I visited approximately 12 doctors between 3 states. The "chronic yeast infections" seemed to get far worse. I was on hormone replacement therapy, but doctor after doctor (another 5 or so) also prescribed a full gamut of cures from yeast medication, combined with special "yeast-free" and "sugar-free" diets, to vinegar couches and boric acid. No one was helping me and the pain I was in was unbearable. I resorted to wearing loose-fitting dresses, walking as little as possible, abstaining from intercourse and enduring bouts of severe depression. In 2002, I visited yet another doctor in Scottsdale and she told me that she could not help me but knew who could: Dr. R. Stuart Fowler, Assistant Professor. So, I made the appointment, but with little expectation for a cure, let alone a diagnosis. Immediately during the examination, Dr. Fowler knew exactly what I had. I was stunned. I actually had a named condition and this doctor had dealt with it before! When I returned home, I cried. I had been suffering for at least 12 years, and no one could ever help me. And now, there was even medication and a regimen to follow that would relieve my symptoms. I started to improve right away and after a couple of years under Dr. Fowler's care, I was finally **symptom-free!**" ***C. - Carefree, Arizona***

"As a two-time breast cancer survivor, I was not able to take estrogen. Having lacked this estrogen protection in the vagina, I was continually picking up urinary tract infections over the years. I was treated with standard antibiotics by MDs and OBGYNs. I was always sent home with nothing more than, "Take the prescribed antibiotics and Diflucan for yeast." Over and over again. The story never changed. I was referred to Dr. Fowler. Instantly, Dr. Fowler identified the symptoms and, without hesitation, knew exactly what to do and how to treat this condition. This was the first time I heard this diagnosis. **Dr. Fowler saved me from a life of living agony**, for without his expertise in this subject, I don't know where I would be today." ***S. - Scottsdale, Arizona***

"I had been suffering for almost two years. There were several visits to my Ob-Gyn, but nothing was working. I decided to get a few extra opinions from another 3 gynecologists. Same story every single visit, antibiotics for 10 days, and once finished the symptoms returned. So, finally, I found Dr. R. Stuart Fowler. He set me with an extensive treatment of different medications that lasted around 8 weeks. It's been over a month since I completed the protocol he gave me. And I am very excited to report that the **symptoms are gone,** the irritation is gone, and **my life is back**

to normal. I would say that my vaginal flora is back to normal. I can not thank Dr. Fowler enough!" ***A. - Phoenix, Arizona***

"Following treatment with antibiotics during the summer of 2010, I developed what I thought was a yeast infection, but standard over-the-counter medications did not improve the situation. Symptoms included itching, burning, and extreme sensitivity to clothing, such that I could only wear pants at least one size too large. I saw Dr. Fowler in October 2010. He diagnosed my condition. I carefully followed his instructions, resulting in a gradual lessening of symptoms. When I again saw Dr. Fowler in February 2011, I had improved by **90 percent.** I am now able to wear the correct size pants without discomfort and have been able to have intercourse for the first time in months." ***N. - Sedona, Arizona***

"I am a 63-year-old woman who visited Dr. Fowler due to a complaint of vulvar burning during voiding and I also had pain during intercourse. After 1 month of Dr. Fowler's treatment, I felt better. Now, after 1 year I feel 80% improved. Dr. Stuart Fowler was a God sent to me after 5 doctors in Toronto couldn't help me with my problem. He came up with a plan that managed my symptoms and enabled me to have **pain-free intercourse** with my husband. I am very thankful to him!" ***R. - Toronto, Ontario Canada***

"I was diagnosed by Dr. R. Stuart Fowler, a specialist in Phoenix. My symptoms began in June of 2009 practically overnight and I took several doctor visits to both gynecologists and urologists before I was diagnosed. Actually, I was watching a broadcast of Dr. Oz, who had a segment on his show about Vulvodynia, and when I heard the symptoms, I spoke to my doctor about it at my next visit. She sent me immediately to Dr. Fowler to see if I had Vulvodynia. As I said, I saw many doctors in that one-year period of time and some made me feel like I was nuts. Only after I started my treatment with Dr. Fowler did I feel some relief. It is now almost a year later and **I am back to my old self again.** I started feeling much better in June 2010 and **feel absolute relief now**!" ***L. - Anthem, Arizona***

"From May 2010 until November 2010, I was treated by another physician for a vulva issue. I began seeing Dr. R. Stuart Fowler in November 2010. After following his treatment plan for the last six months, I am now 7**0% improved**. Obviously, I'm well on the way to having this problem completely resolved." ***S. - Surprise, Arizona***

"I am a 66-year-old woman patient of Dr. R. Stuart Fowler. I am writing to commend him for the successful treatment of my "complicated case." I was referred to Dr. Fowler by my family physician. After a thorough assessment, he prescribed an intensive...actually, I think I'd call it aggressive protocol, which he assured me that to achieve relief from my symptoms, I should follow assiduously. I did so and within two to three months many of the symptoms had subsided, and with attention to the remaining protocol, I was pretty much symptom-free within six months. I am happy and relieved to report that I remain **symptom-free** by continuing the still relevant parts of the protocol he prescribed!" ***J. - Sedona, Arizona***

“I fought with finding a diagnosis for my vaginal pain for 3 years and misdiagnosed and treated for a couple of things from different doctors during this time that turned out to be the wrong answers. It got to the point that I was SO frustrated with pain and not sure that I would ever get over it! Then came the answer to my prayers: Dr. R. Stuart Fowler in Scottsdale, AZ. Within 30 minutes of my first visit with him he gave me the diagnosis in October of 2009. He assured me that if I promised to stick to his regimen of a strict list of requirements, I would have relief. Along the way, I went back to see him around every 4 to 6 months, and he admitted to me that I was one of his more difficult patients to clear up because of my body not responding to a few of the medications. After 18 months, I now have complete relief!! **I now have my life back,** and I owe it all to Dr.Fowler! I feel it cannot go without saying that not only did **he cure me** and finally bring an end to my long-endured pain and frustration, but he also was a true supporter and a truly great doctor through the whole ordeal!” ***P. - Lebanon, Missouri***

“I was having difficulty doing my job, I stopped working out and hiking, I was lucky to get 2 hours of uninterrupted sleep because of the pain, my marriage was impacted and my quality of life was diminishing. Unless you live through it, you cannot imagine living like this. I saw an OBGYN-Urology specialist – was treated for urinary problems, but the pain was a constant and did not diminish. In early winter 2010, I found an OBGYN in Las Vegas, NV who was able to help me sleep with a pain pill and a topical gel. But the respite was short-lived. Luckily, he had heard of and recommended I contact Dr. Fowler in Phoenix, AZ. I had a consultation and exam with Dr. Fowler in late April 2010. He immediately put me on a treatment regimen. At the time of my follow-up in August 2010, my **pain had stopped. I now have my life bac**k. I cannot say enough how much Dr. Fowler helped me, and what I owe him for his help.” ***J. - Weehawken, New Jersey***

“I was mired in a so-called “purgatory of misery,” having suffered pain, burning, swelling and a host of despair. I just wanted to crawl into a hole and vegetate in my wretchedness. My daily routine and pleasurable activities had become non-existent. Over a period of three months, I saw numerous Atlanta specialists, all of whom had different prognoses and proposed treatments. Prescribed medications offered little relief, if any, and several further aggravated the “mystery disorder.” At the peak of my distress, I was fortunate to cross paths with Dr. Stuart Fowler. From my perspective, Dr. Fowler is truly a miracle worker! Within weeks after following Dr. Fowler’s regimen of treatment, my symptoms rapidly improved, and my outlook became hopeful. I began to feel once again like an outgoing person I had forgotten existed. I cannot sing this doctor's praises enough! Thanks to DR. Fowler, I think that my long **ordeal is coming to an end**.” ***C. - Tucson, Arizona***

“After stopping HRT 5 years ago, I started to have vaginal burning and repeat yeast infections. I even had a perineoplasty in March of 2011, which still didn’t help, and I was sent to a vaginal therapist, which didn’t help either. So five doctors later, with much frustration, pain, and not being able to have any relations with my spouse, I asked my family doctor if he knew anyone in Las Vegas who could treat me. That’s when he told me to Arizona. I first saw Dr. Fowler in August of 2010. My vulvar pain at that time, on a scale of 1-10 was a solid 10. I could hardly sit

in the chair while I was talking to him. He diagnosed me with "Vulvodynia." That was the first time I had anyone tell me what I had. He started treatment with that first visit. On my next visit I had improved by 30%. On my March 2011 visit, I was happy to be 50% better, and in June 2011, I was at 60% improvement. By July 2011, I was jumping for joy at **70% improvement!** I am so thankful for finding Dr. Fowler before I went totally crazy from the pain and burning and not knowing what was causing it. I totally recommend Dr. Fowler." ***L. - Las Vegas, Nevada***

"I had been seeing a doctor in Charlotte, NC. All the signs were prominent for diagnosing Vulvar Dermatitis. However, because the studies were not well known, I was misdiagnosed as having a yeast infection. At the time of my annual physical at Women's Health Clinic in Scottsdale, Arizona, my primary provider referred me to R. Stuart Fowler, M.D. who has the expertise with Vulvar Dermatitis. This was a very positive, informative and educational experience given the facts of Dr. Fowler's expertise in treating Vulvar Dermatitis. It is a very difficult health issue to diagnose and I feel passionate that it would be beneficial to other women to know of the treatment available." ***K. - Charlotte, North Carolina***

"I have found my story is not uncommon. I suffer from Generalized Mixed Vulvodynia. It began around age 29. I saw several Gynecologists in my hometown of Kansas City, MO. Diagnosis and recommendations were all over the board, incorrect and unhelpful. Where my story takes a great turn, is when I discovered, through my own research, Dr. R. Stuart Fowler. At age 38, I have been a client of Dr. Fowler's for 2 years. My condition has **improved significantly. His approach has been nothing short of spectacular!** No woman should have to suffer for the 7 years I did." ***A. - Kansas City, Missouri***

"I would like to share with you my success story. I was treated by Dr. R. Stuart Fowler, MD in Phoenix, Arizona. Prior to becoming his patient I had been treated for three years with no success. Six weeks after my first visit to Dr. Fowler, I had a 90% resolution of my symptoms and now, two years later, **I am symptom-free!**" ***R. - Scottsdale, Arizona***

**"I have my life back** thanks to Dr. R. Stuart Fowler. For nearly three years, I have been in constant pain. My lifestyle was significantly compromised. I couldn't exercise anymore, because it increased the pain. Prolonged sitting and driving were painful, and friction from clothing was also an issue. I couldn't even go out to eat with my family often – most restaurant seats were too hard for my condition. I went to my local general practitioner who sent me to an Arkansas Urologist. They were unable to diagnose my condition and even told me I "needed to learn to live with the pain." Over all these months, I had a number of serious flare-ups that sent me to the Emergency Room. Once, the doctors over-sedated me, and I stopped breathing. It was an incredibly scary experience. Finally, I was referred to Dr. Fowler. I'm happy to say after 18 months of treatment **90% of my pain is gone**! I am so grateful to Dr. Fowler. I recommend seeing him to anyone." ***D. - Northwest Arkansas***

"I started having discharge in 2005. Over the course of the 5 years that followed, I saw several gynecologists, a nutritional therapist, and a Chinese Medicine specialist. Each gynecologist diagnosed me with chronic yeast infections and treated me for yeast. I was put on rounds of

antibiotics and over-the-counter treatments for my symptoms, but my condition did not improve. Even though I wasn't improving, the doctors couldn't come up with any other diagnosis for my itching, burning, and discharge. In January 2011, I met with Dr. R. Stuart Fowler and knew that he understood my condition. After looking at the slides under a microscope, he allowed me to come and see the slide under the microscope for myself. He pointed out the numerous white cells that shouldn't be there, and he also showed me the low amount of lactobacilli that I had. One thing that was missing was yeast. In fact, prior to the physical exam, we reviewed my medical records from the previous 5 years and noted that none of my cultures tested positive for yeast. I now know that I most likely never had yeast to begin with. I appreciate Dr. Fowler. He has **greatly helped me**, and I know he will help other women in the future." ***L. - Phoenix, Arizona***

"I just have to say how incredibly thankful I am to Dr. R. Stuart Fowler. I had been to a few gynecologists for over three years to get help with what I thought to be reoccurring/ chronic yeast infections. After wiping the counter free of Monistat and also taking my fair share of Diflucan, I ended up at Dr. Fowler's office following a great recommendation from a co-worker. Dr. Fowler really worked with me and was extremely patient. I followed all of his suggestions with some apprehension at first but it truly paid off. It did take a while for it to **fully resolve** but of right now I could not be happier!" ***J. - Scottsdale, Arizona***

"This letter is being sent to express my deepest appreciation to Dr. R. Stuart Fowler for solving a vaginal condition I suffered with for a number of ears because no doctor could diagnose the problem to recommend a cure. I had gone to three gynecologists in my home state with the symptoms of burning, itching and tearing of my vaginal area. After many tests and even a biopsy, they came up with no label or treatment for what I had. My search through the internet provided me with a doctor. My appointment with Dr. Fowler was in April 2009. Within hours he diagnosed me as having Vulvodynia and vulvar lichen sclerosis. I was prescribed medication by Dr. Fowler and saw a very **significant improvement** in 2 1/2 months. I am on maintenance medication and **again living a normal life.** Thank you, Dr. Fowler!" ***L. - Bismarck, North Dakota***

"The constant burning, frequent urination, and discomfort caused me to discontinue many of my activities. In fact, it was difficult to even enjoy lunch with a friend, when all you can think about is the burning and pain in the vaginal area. To describe the pain as "uncomfortable" is an "understatement"! Then, there were the many doctor appointments. My GP recommended a local urologist. Then, I saw two more urologists. From the urologists, I went to a gynecologist. For five years, I tried every medication and remedy that was recommended. And, although my gynecologist diagnosed the problem correctly, she suggested that I see a vulvar specialist. Dr. R. Stuart Fowler has been terrific. I am pleased beyond words to say that **I improved by 75%**." ***S. - Rock Island, Illinois***

"I would like to express to you how much I appreciate you, your help and your great understanding. You are a blessing from God!" ***T. - Phoenix, Arizona***

“I began noticing symptoms as to what I thought at the time were yeast infections. I began experiencing pain with intercourse. I tried at-home yeast treatments, and that didn’t help. I finally went to my gynecologist. I was prescribed a treatment for a yeast infection. This also did not work. I went back again. They took a sample to determine what kind of yeast was causing the infection and I was prescribed a different treatment for a yeast infection. By this time, my “yeast infection” was not improving and pain had been getting more intense with intercourse. I had a biopsy performed. The results of the biopsy came back as Lichen Simplex Chronicus. My gynecologist prescribed medications to treat the skin condition. The medications prescribed appeared to make some of the symptoms less intense, but the pain with intercourse was still very apparent. After two months of this treatment and still no resolution, my gynecologist recommended I find a specialist. After some hours of searching on the internet, I managed to find Dr. R. Stuart Fowler in Phoenix Arizona. As I reviewed his specialties, I was positive that this was the doctor I needed to see. I was able to schedule an appointment. I was nervous, scared, and worried. My previous gynecologist had just told me that there was nothing more they could do. Any information online regarding my symptoms was mainly from women on message boards panicking because no doctor had been able to help with or diagnose their issue, some dealing with this for years. At the time of my appointment, Dr. Fowler listened intently to my story regarding how I finally ended there. He performed his exam and determined that I had Vulvar Vestibulitis. Although I had never heard of Vulvodynia or Vulvar Vestibulitis, it began making sense why my previous treatments were not working! Dr. Fowler was able to put me at ease and prescribed a treatment plan for me. I recently had a follow-up appointment with Dr. Fowler. As of the date of my appointment, my symptoms have practically disappeared. I am having intercourse **virtually pain-free!**” ***B. - Cincinnati, Ohio***

“It's amazing how much better my Vulvodynia is. And since I don't hurt all the time, I've gotten off Zoloft! **I am 90% better** and able to go back to the gym, before seeing Dr. Fowler, I had seen three other specialists and they thought I was crazy."!” ***S. - Jonesboro, Arkansas***

“I was diagnosed with Inflammatory Vaginitis and went to two other physicians, one in California and one in Phoenix, Arizona. This went on for almost a year with no relief. I was on different medications and suppositories and nothing worked. Nothing was done until I went to R. Stuart Fowler, M.D. Assistant Professor. After going to Dr. Fowler, I was so pleased that after 5 months, I was 80% better and **in 7 months, 100%.** I will continue with Dr. Fowler. I am very pleased with the outcome!” ***R. - Yuma, Arizona***

“My nightmare began in early 2011 when I developed pelvic and vaginal problems. I first sought medical attention with a local gynecologist in June. For the same condition, I saw him again in December, still with no relief or understandable diagnosis other than being told it was menopausal symptoms. In February 2012, I returned to the same local doctor and left the office feeling lost, confused, in misery and very depressed with the feeling he did not want me to return to him again. I really had the feeling he could not diagnose my problem. My state of being had progressively gotten worse, to the point where I could hardly sleep. I was in constant pain, cried often and was severely depressed and very scared. I had become an absolute nervous wreck. My

entire vaginal area felt like it was a hamburger that had been submerged in acid and then set on fire. The constant burning, itching and swelling left me unable to concentrate on anything other than misery. I was in a very desperate state. I called to schedule an appointment. When I told the schedule representative that I needed to see a gynecologist, he asked if I would prefer to see a male or female doctor. I told him emphatically that I wanted to see the best doctor who could help me with the specific symptoms I had just described. He told me, "It will definitely be Dr. Fowler". In March of 2012. I met with Dr. R. Stuart Fowler. Upon completion of the examination. He explained what my condition was and how "we" were going to remedy it. I was so relieved to hear that there was hope and there was a name for my cruel affliction ~it was called Vulvodynia. My treatment was to begin immediately. In August, I returned to see Dr. Fowler. I felt **75% to 80% better.** The itching was gone, the burning had lessened considerably and my pain was no longer constant and greatly reduced. I cannot express how grateful I am to Dr. Fowler. His experience in exactly what my condition is has been a major breakthrough in my well-being and my overall improved health. I hope the work and knowledge of Dr. Fowler will encourage spreading the word to other women in my situation so they may receive the kind and comprehensive attention and care that I have received from Dr. Fowler. I commend and thank Dr. Fowler for the interest, time, and effort he has extended in the pursuit of conquering the horrid and cruel condition of Vulvodynia." ***P. - Kingman, Arizona***

"After suffering for at least four years with burning and itching, and after repeated visits to at least four different doctors, I finally sought treatment from Dr. R. Stuart Fowler in Phoenix. He diagnosed me and put me on a regimen of medications that has given me great relief. After four months of treatment, the itching and burning are **95% improved,** and **so is my life**! I am so thankful to have found Dr. Fowler." ***L. - Star Valley, Arizona***

"I have been a patient of Dr. Fowlers for 4 years. I first began to see him in the summer of 2008. I had been to several different gynecologists for an ongoing problem I had been having for over 7 years. My symptoms were severe. I was having itching, burning while urinating, discharge, and severe pain while having intercourse. It always felt like deep cuts on my vaginal walls. I was having discomfort all day every day. The specialists that I saw treated me for yeast infections but the medications were not helping at all. I had a biopsy taken of my labia but the results came back with no significant diagnosis. I felt like I was at my wit's end. I finally decided to see Dr. Fowler. It felt like my last hope. After meeting and examining me, he told me that he had come up with a regimen for my symptoms. I was over the moon with hope. He was very kind gentle and so sympathetic. I knew I was in good hands. After seeing several specialists with no avail I felt like he completely understood my problems. On my second appointment, he explained in detail what he had come to diagnose: lichen sclerosis and Vulvodynia. He gave me a sheet of paper explaining what lifestyle choices I needed to make in my daily life. He also had several prescriptions that he said would start to help within a month's time. He was 100% accurate about everything. I started on my medications and started changing my daily habits. Within 8 weeks I felt almost completely cured of my discomfort and pain. I was weary at first, because it was hard for me to trust another Dr., but I knew I could count on Dr. Fowler. Since that summer **I feel that I have done a complete 180.** I no longer feel the deep cuts. I began to **have intercourse**

**regularly with no discomfort.** Because I had such pain while inserting a tampon and it expanding, he put me on a special type of birth control and it feels as though not having my period anymore is just an added bonus. I don't feel like the changes to my daily lifestyle have been a burden because doing those small things has made a huge amount of difference. I continue to see Dr. Fowler each year for my yearly exam. My symptoms have subsided greatly. I will forever be in debt to Dr. Fowler for **changing my life**. I believe he is the most caring Dr. I have ever seen. I actually look forward to my yearly exam to let him know each time that I see him, and his team that they have benefited my life immensely." ***J. - Chandler, Arizona***

"I am a patient who was diagnosed with Vulvodynia in early 2010. I am being treated for this condition in Scottsdale, Arizona by Dr. R. S. Fowler. The first time I saw Dr. Fowler for this condition was in early 2010. I saw him again in May 2010 and I had improved at least 50%. In September 2010, I was 70% better than my previous visit. In June 2011, I was 90% better and maintained the 90% in December 2011. At my recent visit in June 2012, **I am at 90%** and am encouraged that my condition will continue to improve with the care I am receiving." ***S. - El Paso, Texas***

"I am the father of K. I have been the sad recipient of watching my young daughter grow up in pain and suffering from Vulvodynia. It always seemed like there was an answer and the next doctor would come into our lives and without fail, she did not ever receive relief. I at one time personally admitted her to the emergency room and hospital asking for all the tests possible to run. I have been completely saddened by her diminishing health and hope of having a normal life until meeting R. Stuart Fowler, M.D. His persistence and positive outlook on my young daughter have truly been an answer to my prayers. I so hope others might seek his help and find relief and comfort in their lives. I look to my daughter's future now with the utmost happiness and hope. She is **definitely healing** and her positive outlook on life makes Dad the happiest he can be. Doctor Fowler, thank you!" **K's Father.- Orem Utah**

"I am 30 years old and I have suffered from Vulvodynia since I was 10 years old. I did not know that is what I was suffering from till October 2012, almost 20 years later, when I met with R. Stuart Fowler in Scottsdale, Arizona. I had been to countless doctors and specialists and seven hospitals with no relief. Every doctor told me nothing was wrong. I was beginning to think everyone felt the way I did, and I was being a baby about it or that I was honestly crazy. I was in pain and discomfort day in and day out with no reason for the pain. It was my urologist who referred me to Doctor Fowler. I walked into Doctor Fowler's office with tears in my eyes, explaining to him that I was so sick of living my life bathtub to bathtub because that was the only place I truly felt relief. He looked at me and told me it was not okay that I was in so much pain and he was going to help me get to the bottom of where my discomfort stemmed from. I felt listened to and understood for the first time in 20 years of agony. Within a few weeks, the regimen he put me on had already relieved my discomfort by about 40 percent, which was unbelievable to me. My last check-up with Doctor Fowler included tears, but tears of joy this time. I am so grateful for what he has done for me. **It is unbelievable the difference** I feel and

how much my quality of life has gone up. Thank you Doctor Fowler for all you have done for me. I am eternally grateful to you." **K - Orem, Utah**

"Dr. Fowler I want to thank you for the excellent care you gave me. **What you did worked**." **A. - Mesa, Arizona**

"Doctor Fowler has shown me the utmost respect, dignity and professionalism, which I will never forget. The most important thing I will always remember is how he took the time to talk to me; he listened to me and genuinely cared about me. He made me feel like I was his most important patient. His bedside manner was and is extraordinary." ***K. - Phoenix, Arizona***

"**Doctor Fowler saved my life** as I was suffering from a severe case of lichen sclerosis. I am still following his instructions and prescription to the letter and it is **working perfectly**." ***C. - Sedona, Arizona***

"Doctor Fowler is an amazing doctor with great knowledge, expertise and patient care skills." **B. – Phoenix, Arizona**

"Thank you Doctor Fowler for giving me excellent care and for being wonderful. Stay fabulous!!!" **J. - Paradise Valley, Arizona**

"Dr. Fowler, I will never forget what you did to diagnose me while every test came back normal. I feel with the help of God, **you saved my life**." **V.- Phoenix, Arizona**

"Thank you for helping me the last 4 years get through the pain and return to a normal life without lichen sclerosus and vestibulitis. You truly g**ave me my life back**. I don't know what I would have done had I not seen you. Most doctors don't know what those things are." **R. - Surprise Arizona**

"Dr Fowler, I am a very grateful patient for your expert and efficient care as well as your comfortable bedside manner." **C. - Carefree, Arizona**

"Please accept my deepest thanks and appreciation for the wonderful care you have given me. Your kindness and patience have been remarkable." **N. - Phoenix, Arizona**

"When I first met Doctor Fowler, I was a very confused and frightened woman, and that was unusual for me. But, within ten minutes I understood what was going on and confidence in the medical profession had been restored. I had no doubt that I had found the right person to treat me. Doctor Fowler always made me feel comfortable and at ease which is rather unusual given the position I was in most of the visit. Ha! Doctor Fowler, you are a gem!" **N. - Mesa, Arizona**

"I was in search of an answer for unexplained vaginal and vulvar burning that had plagued me for almost three years. I am a 62-year-old woman with no previous issues. I had seen gynecologists, urologists, dermatologists, regular primary care physicians, naturopathic practitioners. I had been misdiagnosed with bacterial vaginosis, heavy metal poisoning, systemic

shingles, yeast infections, neurological disorders, possible Vitamin D deficiency, and Estrogen deficiency, just to name a few. I had my house tested for environmental concerns; I went for months journaling everything I put into my mouth. I had so many side effects from the multitude of pills I was given for various reasons. I finally quit taking everything to see if I could get my head to stop spinning. Every gynecologist I saw told me that whatever was wrong with me was NOT a gynecology issue. A few months ago, I went locally to a new gynecologist, who said she was sure I had Vulvodynia. She put me on a low oxalate diet and told me to start taking Zoloft. I did try the diet, but given my history with so many side effects of drugs, I did not start taking the pills. I finally went to see Dr. Fowler in January. He immediately confirmed the diagnosis of Vulvodynia and started me on a different treatment protocol. I am finally going to regain my life. I am now back to eating all the foods I have missed with the low oxalate diet. I am not taking any medications (other than the treatment protocol Dr. Fowler has recommended), and I see light at the end of the tunnel. I wanted to share my positive experience with Dr. Fowler. His ability to diagnose this condition and treat it according to my specific needs was **just amazing.** I am very happy to have found him and wanted to pass this information along." **S. – Eagle, Idaho**

"Dr. Fowler seemed to understand my symptoms and told me I had a severe case of vulvar vestibulitis and vulvar lichen sclerosis and that it would take several months to get better. His treatment has been an **absolute miracle.** Dr. Fowler, you seemed to have come straight from Heaven. Thank you so much for your many years of study, for your gentleness and understanding and for helping me and I'm sure, countless other women in a time of great personal agony and need. Thank you so much for your dedication!" **S. - Yuma, Arizona**

"I am writing this letter in the hopes that others will not have to needlessly go through the pain I did. About 10 years ago, I started having the symptoms of Lichen Sclerosus (I did not know what was wrong with me). I made many visits to my gynecologist complaining of itching, burning and a rash on my genitals. Over the first 5 year period, I got to the point that I could not wear pants or shorts and could not have sex (it was too painful). I compare it to the pain of having a migraine headache between hour legs and it never goes away. During this time my doctor diagnosed me with yeast infections and bacterial infections and tested me for herpes and other STDs. I was given many different antibiotics that eventually made me feel really sick. It was a very frustrating and painful time for me. Finally, my gynecologist said to me, "I honestly don't know what is wrong with you, so I'm going to take a biopsy and send it into the lab." The biopsy did prove to be Lichen Sclerosus, and I began searching for a Dr. who specialized in skin diseases of the vulva. I eventually found an amazing doctor, Dr. Stuart Fowler. After my first appointment, my symptoms decreased rapidly for 6 weeks and **virtually disappeared** after 6 months of the treatment. For 5 years now my condition has been manageable and has improved to the point that **I'm living pain-free**. My frustration is that regular gynecologists seem to have no clue about Lichen Sclerosus. It should be a disease that they are familiar with and can either give the proper treatments or referrals to knowledgeable doctors. The word needs to be spread about this disease so others do not need to unnecessarily suffer." **D. - Phoenix, Arizona**

"Last year, I turned 24 years old. The year started off to be the worst year of my life. I did not want to live anymore. I am not exaggerating; I had extreme vulvar pain twenty-four hours a day, five days a week for over four months. I went to 12 different doctors in those four long months: gynecologists, urologists, and family physicians; not one of them could tell me what was wrong with me or how to fix it. I went through almost one hundred prescriptions and one surgery. Nothing helped. One of the doctors gave me eight shots a day in my vagina to try and numb the pain; it did not help. I gave up on doctors and on my life. I graduated from college and worked as a waitress until I could find a teaching job. When I became sick I would go to work and to make it through my shift, I had to take around 10 painkillers a day. After work, I would come home around 3 p.m. and go to sleep until morning. This was my only escape from the pain. My life was ruined and I did not want to live in pain anymore. My boyfriend's (now fiance) mother told me to go see Dr. R. Stuart Fowler, a vulvar specialist. I met Dr. Fowler and he told me I had Vulvodynia. Finally, a name to my pain! Dr. Fowler gave me a regimen to start healing my vulva pain. Within four short weeks, I had **my life back** again. I kept going back every four months to make sure my progress was still on the up and up, and it was. Now a year later, I am almost **100% better** and I can enjoy my life again. I am now getting married to a wonderful man this year, and I am in no pain. I am a teacher now and working on my master's, and I do not think I could have done any of this if it wasn't for Dr. Fowler helping me **get my life back** to normal. Nobody should ever have to live in pain and Dr. Fowler has helped me love my life again. I feel like I am living life to my full potential. I am truly grateful for all he has done for me." **A. - Phoenix, Arizona.**

"I was experiencing very difficult urinary pain that was not a UTI. The urology department performed various tests and found nothing wrong with any of the urinary system. I was referred to see Dr. Fowler. After an examination involving viewing specimens under a microscope, I was diagnosed with urethral burning associated with inflammatory vaginitis. I began a treatment plan, which ultimately led to **complete recovery.** I am very grateful for this experience, for the pain I endured was very difficult and life-altering. I am thrilled with the care I received from Dr. Fowler." ***C. - Phoenix, Arizona***

"A recent misdiagnosis of genital herpes had caused me tremendous stress and concern for 2 years. After several months of taking Valtrex and no relief from my symptoms, my gynecologist recommended I see Dr. Stuart Fowler. He quickly diagnosed my condition as "Lichen Sclerosus." Since then, my **symptoms have disappeared**, and I am thrilled!!! Dr. Fowler is a very knowledgeable, thorough and caring physician. I commend him to you!!" **G. - Paradise Valley, Arizona**

**RE: AMB Response to GRRC Petition filed by Dr. Fowler**

Dear GRRC Members,

The Arizona Medical Board (Board) is in receipt of Dr. Fowler's Petition for GRRC to review. It appears that Dr. Fowler is objecting to factual and unprofessional conduct findings in the Board's Order for Probation; and Consent to Same dated February 7, 2024. The Board requests that GRRC deny the petition for review. Dr. Fowler signed a consent agreement for Probation based on the sustained violations as identified by a Medical Consultant and Board investigator. During the Board's investigation, and at the time he entered into the agreement, Dr. Fowler was represented by an attorney with prior experience in Board matters. Dr. Fowler was notified in writing of his right to contest the Board's factual findings and sustained professional conduct violations through a Formal Interview with the Board or a Formal Hearing at the Office of Administrative Hearings if he disagreed with the recommended discipline. The consent agreement that Dr. Fowler signed contains clear language acknowledging his right to consult with counsel, relinquishing his right to judicial review and waiving any other cause of action related the order. Dr. Fowler's probation was terminated on October 16, 2024 after he successfully completed the requirements of the agreement.

Dr. Fowler's current disagreement with the Board's decision to impose probation in this case does not constitute an appropriate challenge under A.R.S. § 41-1033(G) as he has failed to identify a substantive policy statement, final rule or licensing requirement as required by this provision. The Board's actions were specifically authorized by statute. The sustained violations are identified in the Arizona Medical Practice Act and the Board was operating within its authority to investigate complaints alleging unprofessional conduct. *See* A.R.S. §§ 32-1401(27)(c), (n), (r) and (u), 1403(A). The consent agreement for a disciplinary outcome that Dr. Fowler agreed to consists of probationary terms also identified in the Medical Practice Act. *See* A.R.S. §§ 32-1451(F) and (I)(7).

As the Board was acting within its authority and Dr. Fowler knowingly waived his rights to challenge the underlying findings and professional conduct violations through the administrative process, he should not now be allowed to do so in a collateral proceeding.

For these reasons, the Board respectfully requests that GRRC deny review in this matter. I have attached the Board's Orders, a visual aid of the Board's Investigation Process, and our Guidelines for Complaint Resolution for your review in consideration of Dr. Fowler's petition.

Sincerely,

Raquel Rivera
Interim Executive Director

**BEFORE THE ARIZONA MEDICAL BOARD**

| | |
|---|---|
| In the Matter of<br>**ROBERT S. FOWLER, M.D.**<br>Holder of License No. 20406<br>For the Practice of Allopathic Medicine<br>In the State of Arizona. | **Case No. MD-23-0278A**<br>**ORDER FOR PROBATION; AND CONSENT TO THE SAME** |

Robert S. Fowler, M.D. ("Respondent") elects to permanently waive any right to a hearing and appeal with respect to this Order for Probation; admits the jurisdiction of the Arizona Medical Board ("Board"); and consents to the entry of this Order by the Board.

## FINDINGS OF FACT

1. The Board is the duly constituted authority for the regulation and control of the practice of allopathic medicine in the State of Arizona.

2. Respondent is the holder of license number 20406 for the practice of allopathic medicine in the State of Arizona.

3. The Board initiated case number MD-23-0278A after receiving a complaint regarding an email Respondent sent to his patients advertising a medical manual for sale ("Patient 1"). The Board subsequently received an additional complaint from another of Respondent's patients who had received the solicitation via email and text message ("Patient 2"). Both complaints expressed concern regarding the tone of the email and the implication that no other medical professional would be able to treat their medical condition.

4. On March 8, 2023, Respondent sent an email to his patients offering to sell them the Fowler Gyn Manual for treatment of vulvodynia and other gynecological conditions at a starting price of $1500.00. Respondent asserted that he had discovered the underlying etiology for vulvodynia. The email described incremental price increases over time and stated that the manual would be available upon Respondent's retirement

from the practice of medicine. Respondent's email further described the risk of relapse for vulvodynia and asserted that without the manual, patients would not be able to treat their symptoms after his retirement.

5. On March 25, 2023, Respondent sent a text message to his patients offering the Fowler Gyn Manual for sale.

6. On April 30, 2023, Respondent sent an additional email to his patients, apologizing for the statements made in his original solicitation.

7. Board staff requested Medical Consultant ("MC") review of Respondent's solicitation as well as the care and treatment provided to Patients 1 and 2.[1]

8. Patient 2 established care with Respondent in July, 2019 and was treated by Respondent through March, 2023 for treatment of vulvodynia and other vaginal conditions. Respondent utilized proprietary "VFA" testing at each of Patient 2's visit to manage pharmacological treatment of her symptoms.

9. The standard of care for treatment of vulvodynia requires a physician to offer adjunctive treatments such as pelvic floor therapy, if available. Respondent deviated from this standard of care by failing to offer adjunctive therapy or other treatment options for vulvodynia.

10. The MC also noted that there are several medical practitioners in the Phoenix metro area who are qualified to treat vulvodynia. Furthermore, the MC commented that the underlying etiology for vulvodynia has not been proven.

11. There was the potential for patient harm in that Respondent's patients were at risk of misleading information regarding vulvodynia treatment options.

---

[1] Respondent's treatment for Patient 1 exceeded the statute of limitations. A.R.S. § 32-1451.03(A).

## CONCLUSIONS OF LAW

a. The Board possesses jurisdiction over the subject matter hereof and over Respondent.

b. The conduct and circumstances described above constitute unprofessional conduct pursuant to A.R.S. § 32-1401(27)(c)(" False, fraudulent, deceptive or misleading advertising by a doctor of medicine or the doctor's staff, employer or representative.").

c. The conduct and circumstances described above constitute unprofessional conduct pursuant to A.R.S. § 32-1401(27)(n) ("Representing that a manifestly incurable disease or infirmity can be permanently cured, or that any disease, ailment or infirmity can be cured by a secret method, procedure, treatment, medicine or device, if such is not the fact.").

d. The conduct and circumstances described above constitute unprofessional conduct pursuant to A.R.S. § 32-1401(27)(r)("Committing any conduct or practice that is or might be harmful or dangerous to the health of the patient or the public.").

e. The conduct and circumstances described above constitute unprofessional conduct pursuant to A.R.S. § 32-1401(27)(u) ("Knowingly making any false or fraudulent statement, written or oral, in connection with the practice of medicine or if applying for privileges or renewing an application for privileges at a health care institution.").

## ORDER

IT IS HEREBY ORDERED THAT:

1. Respondent is placed on Probation for a period of six months with the following terms and conditions:

**a. Civil Penalty**

Respondent is assessed a $1500.00 Civil Penalty. The Civil Penalty shall be paid, by certified funds, within 90 days of the effective date of this Order.

**b. Continuing Medical Education**

Respondent shall within 6 months of the effective date of this Order obtain no less than 15 hours of Board Staff pre-approved Category I Continuing Medical Education ("CME") in an intensive, in-person or virtual course regarding ethics. Respondent shall within **thirty days** of the effective date of this Order submit his request for CME to the Board for pre-approval. Upon completion of the CME, Respondent shall provide Board staff with satisfactory proof of attendance. The CME hours shall be in addition to the hours required for the biennial renewal of medical licensure

**c. Obey All Laws**

Respondent shall obey all state, federal and local laws, all rules governing the practice of medicine in Arizona, and remain in full compliance with any court ordered criminal probation, payments and other orders.

**d. Tolling**

In the event Respondent should leave Arizona to reside or practice outside the State or for any reason should Respondent stop practicing medicine in Arizona, Respondent shall notify the Executive Director in writing within ten days of departure and return or the dates of non-practice within Arizona. Non-practice is defined as any period of time exceeding thirty days during which Respondent is not engaging in the practice of medicine. Periods of temporary or permanent residence or practice outside Arizona or of non-practice within Arizona, will not apply to the reduction of the probationary period.

**e. Probation Termination**

Prior to the termination of Probation, Respondent must submit a written request to the Board for release from the terms of this Order. Respondent's request for release will be placed on the next pending Board agenda, provided a complete submission is received by Board staff no less than 30 days prior to the Board meeting. Respondent's request for

release must provide the Board with evidence establishing that he has successfully satisfied all of the terms and conditions of this Order. The Board has the sole discretion to determine whether all of the terms and conditions of this Order have been met or whether to take any other action that is consistent with its statutory and regulatory authority.

2. The Board retains jurisdiction and may initiate new action against Respondent based upon any violation of this Order. A.R.S. § 32-1401(27)(s)

DATED AND EFFECTIVE this 7th day of February, 2024.

ARIZONA MEDICAL BOARD

**CONSENT TO ENTRY OF ORDER**

1. Respondent has read and understands this Consent Agreement and the stipulated Findings of Fact, Conclusions of Law and Order ("Order"). Respondent acknowledges he has the right to consult with legal counsel regarding this matter.

2. Respondent acknowledges and agrees that this Order is entered into freely and voluntarily and that no promise was made or coercion used to induce such entry.

3. By consenting to this Order, Respondent voluntarily relinquishes any rights to a hearing or judicial review in state or federal court on the matters alleged, or to challenge this Order in its entirety as issued by the Board, and waives any other cause of action related thereto or arising from said Order.

4. The Order is not effective until approved by the Board and signed by its Executive Director.

5. All admissions made by Respondent in this Order are solely for final disposition of this matter and any subsequent related administrative proceedings or civil litigation involving the Board and Respondent. Therefore, said admissions by Respondent are not intended or made for any other use, such as in the context of another state or federal government regulatory agency proceeding, civil or criminal court proceeding, in the State of Arizona or any other state or federal court.

6. Notwithstanding any language in this Order, this Order does not preclude in any way any other State agency or officer or political subdivision of this state from instituting proceedings, investigating claims, or taking legal action as may be appropriate now or in the future relating to this matter or other matters concerning Respondent, including but not limited to, violations of Arizona's Consumer Fraud Act. Respondent acknowledges that, other than with respect to the Board, this Order makes no representations, implied or otherwise, about the views or intended actions of any other state agency or officer or political subdivisions of the State relating to this matter or other matters concerning Respondent.

7. Upon signing this agreement, and returning this document (or a copy thereof) to the Board's Executive Director, Respondent may not revoke the consent to the entry of the Order. Respondent may not make any modifications to the document. Any modifications to this original document are ineffective and void unless mutually approved by the parties.

8. This Order is a public record that will be publicly disseminated as a formal disciplinary action of the Board and will be reported to the National Practitioner's Data Bank and on the Board's web site as a disciplinary action.

9. If any part of the Order is later declared void or otherwise unenforceable, the remainder of the Order in its entirety shall remain in force and effect.

10. If the Board does not adopt this Order, Respondent will not assert as a defense that the Board's consideration of the Order constitutes bias, prejudice, prejudgment or other similar defense.

11. Any violation of this Order constitutes unprofessional conduct and may result in disciplinary action. A.R.S. § § 32-1401(27)(s) ("[v]iolating a formal order, probation, consent agreement or stipulation issued or entered into by the board or its executive director under this chapter.") and 32-1451.

12. ***Respondent has read and understands the conditions of probation.***

**BEFORE THE ARIZONA MEDICAL BOARD**

In the Matter of

**ROBERT S. FOWLER, M.D.**

Holder of License No. 20406
For the Practice of Allopathic Medicine
In the State of Arizona

Case No. MD-23-0278A

**ORDER TERMINATING PROBATION**

At its public meeting on October 9, 2024, the Arizona Medical Board ("Board") considered Robert S. Fowler, M.D. ("Respondent"), request to terminate Probation as previously ordered by the Board in case number MD-23-0278A. After considering all of the evidence, the Board voted to grant Respondent's request to terminate his February 7, 2024 Board Order.

**ORDER**

**IT IS HEREBY ORDERED:**

1. Respondent's Board Order for Probation dated February 7, 2024 is terminated.

DATED AND EFFECTIVE this 16th day of October, 2024.

# Arizona Medical Board
# Guidelines for Complaint Resolution

All Board resolutions, except for dismissals and confidential PHP Agreements are public record. The Board's case resolution options are established in statute (A.R.S. § 32-1451). If no violations of rule or statute are found, the Board may dismiss a complaint. If the Board finds that the case does not rise to the level of discipline, then the statute allows for the Board to consider non-disciplinary options including Advisory Letters and non-disciplinary orders for Continuing Medical Education (CME). Advisory Letters can be issued for cases that do not rise to the level of discipline, or for minor or technical violations of Board statute. Additionally, the Board may issue an Advisory Letter in cases where the Board recognizes that a licensee has demonstrated substantial compliance through rehabilitation or remediation that mitigates the need for disciplinary action. See A.R.S. § 32-1401(3). The Board also utilizes non-disciplinary confidential Stipulated Rehabilitation Agreements (SRA) and Stipulated Health Agreements (SHA) to allow for Physician Health Program (PHP) monitoring for licensees with substance use or other health issues when there is not associated unprofessional conduct identified during an investigation, or in cases where there has been unprofessional conduct unrelated to patient care concerns that does not rise to the level of discipline (such as a failure to timely report a criminal charge as required by A.R.S. § 32-3208).

The Board may consider several factors when adjudicating complaints based on an individualized evaluation of the facts and circumstances of each case, in light of the sustained violations and any prior Board history that the licensee may have. The Board's decision to issue non-disciplinary or disciplinary action can be based on various factors which take into consideration the violations identified, prior Board history of the licensee, and any mitigating and aggravating factors as identified in A.A.C R4-16-604 and R4-16-605 as noted below:

> R4-16-604. Aggravating Factors Considered in Disciplinary Actions
>
> When determining the degree of discipline, the Board may consider certain factors including, but not limited to, the following:
>
> 1. Prior disciplinary offenses;
>
> 2. Dishonest or selfish motive;
>
> 3. Pattern of misconduct; multiple offenses;
>
> 4. Bad faith obstruction of the disciplinary proceeding by intentionally failing to comply with rules or orders of the Board;
>
> 5. Submission of false evidence, false statements, or other deceptive practices during the investigative or disciplinary process;
>
> 6. Refusal to acknowledge wrongful nature of conduct; and
>
> 7. Vulnerability of the victim.

R4-16-605. Mitigating Factors Considered in Disciplinary Actions

When determining the degree of discipline, the Board may consider certain factors including, but not limited to, the following:

1. Absence of prior disciplinary record;

2. Absence of dishonest or selfish motive;

3. Timely good faith effort to rectify consequences of misconduct;

4. Interim rehabilitation;

5. Remoteness of prior offenses; and

6. How much control the physician has of processes in the specific practice setting.

The Board is not limited by these guidelines and may select any one or a combination of resolutions found in this chart. **IN THE EVENT OF A CONFLICT BETWEEN THIS DOCUMENT AND THE ACTION BY THE BOARD, THE ACTION IMPOSED BY THE BOARD SHALL PREVAIL.**

| Level | Errors or Violations of Law/Rule and/or Community Standards of Care | Resolution |
|---|---|---|
| Non-Disciplinary | ***3 Rationales for Advisory Letters pursuant to A.R.S. 32-1401(3):***<br>(a) There is insufficient evidence to support disciplinary action, the board believes that continuation of the activities that led to the investigation may result in further board action against the licensee.<br>• Examples may include failure to timely release records to patient; failure to provide adequate informed consent, inadequate records and/or documentation.<br><br>(b) The violation is a minor or technical violation that is not of sufficient merit to warrant disciplinary action.<br>• Examples may include non-compliance with CSPMP mandatory use requirements; failure to update change of address with the Board, failure to maintain adequate records.<br><br>(c) While the licensee has demonstrated substantial compliance through rehabilitation or remediation that has mitigated the need for disciplinary action, the board believes that repetition of the activities that led to the investigation may result in further board action against the licensee.<br>• Examples may include failing to complete CME during the relevant time period; violation of law or deviation from standard of care identified and CME in relevant area provided during investigation; charging a fee for a service not rendered and provides evidence of refund or repayment during investigation; complaints of health issue and request to limit license until health status changes. | ● Advisory Letter<br>● Order for Continuing Education (Non-Disciplinary)<br>● Practice Limitation (Reportable) |
| Disciplinary | Violations of law or community standards of medicine have occurred that do not warrant revocation or suspension of a license.<br>• Examples may include ethical violations, violations of any federal or state law/rules relating to the practice of medicine; sexual misconduct with a patient; records violations; prescribing controlled substances without proper indications; misrepresentation of board certification.<br>• Licensee who were under a previous PHP agreement and relapsed are offered an Inactivation with Cause while they undergo treatment.<br><br>Violations of law or community standard of medicine have occurred and include egregious acts of unprofessional conduct that warrant suspension or revocation.<br>• Examples include being mentally or physically unable to safely engage in the practice of medicine; repetitive non-compliance with Board Orders; sexual misconduct with multiple patients, practicing medicine while impaired or incapacitated; or commission of a felony or misdemeanor involving moral turpitude or directly related to the practice of medicine. | ● Letter of Reprimand<br>● Order for CME<br>● Civil penalty<br>● Probation<br>● Suspension<br>● Practice Restriction<br>● Inactivation with Cause<br>● Decree of Censure<br>● Revocation |

| | | |
|---|---|---|
| Interim Actions | During an open investigation, staff have identified violations of law or community standards of medicine that warrant immediate evaluation, suspension, or restriction prior to the adjudication of the case. Examples include practicing medicine while impaired or incapacitated; being mentally or physically unable to safely engage in the practice of medicine, felony charges related to sexual misconduct; violating a Board order, consent agreement, or term of probation.<br><br>• Interim Orders – Licensees may be ordered to complete evaluations such as PHP assessment; psychosexual evaluation; neuropsychological evaluation; competency evaluations. These are confidential orders utilized during an investigation.<br><br>• Interim Practice Restrictions – The Board may offer a consent agreement to restrict a portion or all of the licensee's ability to practice medicine. Examples include prohibiting a licensee from prescribing controlled substances, or treating female patients without a chaperone. If a licensee refuses to enter into an Interim Practice Restriction, the Board will be convened to consider summary action against the licensee. This is a public, disciplinary action.<br><br>• Summary Suspension –If the Board finds that the public health, safety or welfare imperatively requires emergency action, the Board may restrict a license or order a summary suspension of a license pending proceedings for revocation or other action. This is a public, disciplinary action. | ● Interim Orders<br>● Interim Practice Restriction<br>● Summary Suspension |

Complaint and Investigation Process Summary

**Complaint Received**

Within 5 days the Intake process is completed (*See Intake Process*)

**Intake Process**

Within 5 days of receipt of a complaint, the Intake Officer reviews the complaint to determine if it falls within the Board's jurisdiction, if so the complaint is referred to an investigator who assigns priority to the case based on the seriousness of the allegations.

**Complaint Investigated**

**Complaint Investigation**

The investigator assesses whether the complaint is about quality of care or professional conduct then contacts the complainant to confirm the allegations. The physician is notified that a response to the complaint is required and the investigator gathers relevant information including medical records.

Professional conduct allegations are reviewed by the investigator. Quality of care complaints are reviewed by a Medical Consultant. The investigator/consultant writes a report opining on whether the investigation indicated violations of law or deviation from the standard of care.

**Investigation Reviewed**

Investigation findings are reviewed by a Supervisor who can request dismissal of complaint (*See Outcome 1*), request further investigation, or send to SIRC if violations are sustained

**Investigation Review**

The Chief Medical Consultant reviews quality of care complaints and the Investigations Manager reviews professional conduct complaints to ensure the adequacy and completeness of investigations. These reviewers may recommend Executive Director dismissal or forward the complaint to SIRC

**SIRC Review and Recommendation**

SIRC reviews cases with sustained deviations and/or professional conduct violations and can request further investigation as needed

SIRC recommends one of three outcomes (*See outcomes below*) and notifies the licensee of their recommendations.

**Sanction Options for Licensees**

For disciplinary recommendations, other than license revocations and suspensions longer than 12 months, the licensee is notified that they may opt to sign a consent agreement for the recommended action, participate in a formal interview before the Board, or request that the complaint be heard by OAH.

**Outcome 1:**

**Dismissal**

The Executive Director received a majority of dismissal recommendations and reviews the investigation materials to determine whether dismissal of the complaint is appropriate. Licensees and complainants are notified of the dismissal decision. Complainants may request that the Board review the Executive Director's decision to dismiss the complaint.

**Outcome 2:**

**The Board considers the following:**

Some dismissal recommendations

Non-disciplinary recommendations, i.e., advisory letters and CME orders

Consent Agreements for discipline, i.e., Letters of Reprimand, Decrees of Censure, and/or probation, restrictions, suspensions, etc., signed by the physicians

Formal interviews after which the Board may do the following:

a. Dismiss
b. Issue an advisory letter or non-disciplinary order for CME
c. Enter an order for discipline
d. Refer to formal hearing if requesting revocation or suspension of more than 12 months

The Board can also review, approve, reject, or modify SIRC's recommendations, and/or return the case for further investigation.

**Outcome 3:**

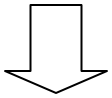
**Recommendation for Executive Director Referral to formal hearing**

All cases for which the ED or Board recommend license revocation or suspension for longer than 12 months are referred to formal hearing. The process is as follows:

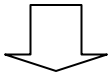
1. Formal Complaint filed by AAG with OAH
2. Full evidentiary hearing before an ALJ
3. ALJ issues a recommended Decision (may include dismissal, non-discipline, or discipline)
4. Board may adopt, modify and adopt, or reject the ALJ's recommendation

If the Board enters an order for discipline after a formal interview or formal hearing, the physician may appeal. The process is as follows:

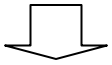
1. Request for Rehearing or Review (Board hears this request) – if the physician does not prevail



2. Judicial Review Action (Superior Court) – if the physician does not prevail



3. Notice of Appeal and briefing before the Court of Appeals – if the physician does not prevail



4. Petition for Review before the Arizona Supreme Court. (this court can choose whether or not to hear the appeal)
