

## IMPROVING OUTDATED/UNNECESSARY RULES VIA THE EXPEDITED RULEMAKING PROCESS

To illustrate an example of the expedited rulemaking process functioning in an efficient manner, the staff of the Governor's Regulatory Review Council (Council) has developed the flowchart below.

To qualify for expedited rulemaking, a rulemaking cannot 1) increase the cost of regulatory compliance, 2) increase a fee, or 3) reduce procedural rights of persons regulated and must meet one of the eight standards in A.R.S. 41-1027(A). Rulemakings that qualify for the expedited process will go through the following steps:
